SPECIAL NOTICE

 SINCE presenting our Illustrated Catalogue to the Trade, we have found it necessary, through the large development of this branch of our business, to issue a supplement, which you will find in the first forty pages of this Catalogue, and in it will be found the latest novelties and newest goods manufactured. It will be our aim, as heretofore, to furnish goods of the highest standard, as to quality, and our prices and terms will be found to compare favorably with those of other houses in the Trade.

Import orders receive special attention, and we are always prepared to give lowest market quotations and other information at the earliest moment.

Yours truly,

JAMES ROBERTSON & CO.
