# Humphreys' Homeopathic Specifics

Are the great remedies for families. They are designed to meet this particular want. Something that mother, father, nurse, or invalid can take or give to meet the need of the moment; something to cure the Headache or Toothache, the Diarrhoea or Colic, the Croup or Quinsy, or other ailment or disease to which every family is liable. These constantly occur, and they may be cured at once, safely and promptly, by these Harmless Sugar Pills, and far better than by taking Herb Teas, Drugs or Pills, or Cure-Alls, or even in most cases by sending for the Doctor. Besides in curing little ailments you arrest serious diseases.

That such diseases can be cured by Harmless Sugar Pills is as true as that people sew by Sewing Machines, send messages by Telegraph, or journey by Railroads. Thousands of families have used these **HUMPHREYS SPECIFICS** for the last twenty years. They have cured with them all the diseases occurring in the family, and they rarely have serious sickness, or occasion to send for the Doctor. Not only have they better health and greater freedom from disease, but they save THOUSANDS OF DOLLARS in the expense of Drugs, and needless doctor bills.

Thousands of persons are Invalids, or habitually feeble, subject to Headache, Rheumatism, Sleeplessness, Cough, Female Weakness, Liver Complaint, Dyspepsia, Disease of the Kidneys, or other complaint, which require the occasional use of medicine for years. With a case of **HUMPHREYS' SPECIFICS** at the expense of but a few dollars, such persons may have in their hands a source of relief and help in any emergency, and may not only render themselves comfortable, but in thousands of cases effect an ultimate cure.

No other system or method promises or performs so much. No other system is so economical. A twenty-five cent box of Specifics contains over twenty portions of medicine; a fifty cent vial, over fifty doses of medicine; while a ten dollar case contains nearly two thousand doses. The saving in cost of drugs, lost time, sickness and suffering, is incalculable.

## That every Family should have a Case of Medicines

Needs no argument. Few families can afford to call the Doctor for every trifling ailment, or even to run to the Druggist so frequently. There always will be sickness, and with most families a good deal of it. To reduce it to the lowest, and slightest, should be the aim of all. With a Case of Humphreys' Specifics, and its Book of Directions, you are prepared for emergencies, and can not only relieve, but can prevent or cure nine-tenths of that which occurs. Your child is Teething, you relieve it; it has the Earache, Toothache, Headache, or Mumps, or Measles, you cure it; it wakes out of sleep at night with the Croup, you give it the needful Specific, and the storm is soon allayed. The child has taken cold, and Pneumonia is threatened, you give it the proper Specific, and the danger is averted. And so you meet every disease or ailment that occurs, and vanquish them before they have become formidable.

The result is, that the family all become more and more healthy. They have fewer diseases, better constitutions, are less liable to Consumption, Paralysis, Fever Sores, Hip Disease, Distorted Spine, Scrofula, Cancer, or other of those terrible diseases that destroy life, or render it a burden. Such diseases rarely occur, because the germs are destroyed by these Homeopathic Medicines, in early life. Thus health is preserved, and life prolonged.

With each case of Medicines there is a small Manual of Directions, describing the disease and giving proper directions for diet regime, and the proper administration of Medicine. Dr. HUMPHREYS has also written another and larger book, his Homeopathic Mentor, full of information in regard to Life, Health, Disease, and methods of preserving and restoring Health. The reading or study of these books, can but qualify one to preserve their own health, and that of their household.

HUMPHREYS'

# Homeopathic Veterinary Specifics,

FOR THE CURE OF

HORSES, CATTLE, SHEEP, DOGS AND HOGS.

---

Domestic Animals like people, are occasionally sick, and if not cured by proper care and medicine, will die, or become worthless. The greatest blessing of modern times for them, is their cure by Homeopathy. Twelve years ago Dr. HUMPHREYS prepared his case of Veterinary Specifics for them, and these Specifics though unadvertised, have been gaining in use and popularity, until they are now acknowledged as the best VETERINARY MEDICINES in use. They are largely used by Farmers, Horse and Stock Breeders, Livery Stable Men, City Horse Railroad Companies, Traveling Menageries and Equestrian Troups, and all who deal largely in Horses or Stock.

They all find that with these simple Specifics, giving but ten drops at a dose, which may be given in a moment, and without the slightest delay, all diseases of domestic animals are cured, in far less time, and with greater certainty, than by any other method. Often a Colic is cured in ten minutes, a Diarrhoea with a single dose of Medicine, and a Chill in an hour. The most dangerous diseases such as Pneumonia and Staggers, or Brain Disease are promptly cured, and so every disease is found to be more or less perfectly under the control of these Specifics.

One Horse Railroad Man who has charge of six hundred horses, testifies that using these Homeopathic Specifics alone, he has not lost a horse by disease in three years.

A Manual of Directions goes with each \$10.00 case, giving full description of the Diseases of Domestic Animals, and full directions for giving the Medicines. No Farmer, Breeder, Livery-man, or Horse Railroad Company CAN AFFORD to be without these Specifics, and none but will bless the day they made their acquaintance.

NOT LESS THAN 10,000 HORSES WERE TREATED BY

with unvarying success. The Disease passed off in a mild form, producing no very severe cases, and leaving no after Diseases, while, on the contrary, the Horses that were treated after the usual fashion, and even by accomplished Veterinary Surgeons, were dying in the City of New York alone, at the rate of from SIXTY to EIGHTY per day.

Such results speak volumes in favor of the

### MILD POWER THAT CURES.

I could refer to hundreds of gentlemen, in various sections of the country, who have used these VETERINARY HOMEOPATHIC SPECIFICS for some years past in all Diseases among their Domestic Animals with most gratifying success, and would not be without them on any account.

The following letter explains itself:

SARATOGA STABLES, NEW YORK, }  
Lexington Av., cor. 37th St. }

HUMPHREYS HOM. MED. CO.

GENTLEMEN—We have one hundred and twenty horses, valuable trotters and roadsters, which were all affected more or less severely with the prevalent epidemic.

They are all now in good condition and spirits, and ready for the road. We have used exclusively Humphreys' Homeopathic Specifics, AA, CC and EE, with, of course, proper diet and nursing, as directed in your circular. For simplicity, ease in administration, and certainty of effect, these Specifics of yours are infinitely superior to any we have ever used. \* \* \*

It was long before we could be prevailed upon to adopt your Specifics for any serious case.

The mild, simple looking fluids seemed so insignificant, and the doses so small, we were loth to trust the life of a valuable horse to means so apparently slender; but we have been using your Specifics during the last year, for all diseases, with a success for which we are truly grateful, and their wonderful effect in this epidemic distemper, without a single failure, speaks volumes for their efficacy, and leads us to predict for them a wide field of usefulness.

Very respectfully,

A. S. & E. ODELL.

Among the gentlemen whose word will be considered as authority on this subject, we refer to GEO. E. WARING, Esq., of Ogden Farm, Newport, R. I., author of the "Ogden Farm Papers," and Agricultural Editor of the *New York Evening Post*, *The Agriculturist* and *Cultivator*, and other journals. He writes as follows:

Dr. HUMPHREYS—*Dear Sir:*

"If my testimony can add to the public knowledge of the value of your **HOMOEOPATHIC VETERINARY SPECIFICS** I shall be glad. I regard your *Manual of Veterinary Homoeopathy* as the only one that is sufficiently concise and clear for the comprehension of ordinary farmers, and since my acquaintance with it I have relied entirely upon your **VETERINARY SPECIFICS** in the treatment of my animals. The results have been uniformly good, save in an instance where I mistook the symptoms. I am impelled to write this, as I have just cured a five hundred dollar Jersey Cow of a severe attack of **PURPERAL** or **MILK FEVER** by the use of your **Specifics** alone."

**MILK FEVER** in Cows is known to be very fatal, often carrying off hundreds of valuable Cows in a season. Yet these simple **VETERINARY SPECIFICS** are infallible, and the testimony of scores of Farmers to this effect could be given did space permit.

## HUMPHREYS' VETERINARY HOMOEOPATHIC SPECIFICS

are not only the most SIMPLE and RELIABLE but the most economical Veterinary Medicines in use. A single bottle, costing \$1 00, contains fifty doses, and will keep unchanged in any climate, any length of time. A case, costing but \$10 00, will last for years, and will many fold repay its cost every year in any farmer's stable or yard.

We beg also to refer to the following well known gentlemen, who have used and experienced the value of these medicines—some of them for many years—and who will cheerfully give any reasonable commendation:

HUMPHREYS'

# Homeopathic Specifics

*AND HOW TO OBTAIN THEM.*

—♦♦♦—  
**T**HESSE Medicines are sold by Druggists and Dealers throughout the country. In every city or considerable village, one or more respectable Druggists may be found, who have an assortment, and from whom a supply may be obtained.

**ST** They may also be obtained by Mail or Express. It has been a feature of Dr. HUMPHREYS' system of Specifics from the first, to send to any individual at any place in the United States, by Mail or Express, any quantity of his Specifics, from a single Box to a full Case, free of charge, on receipt of the published price.

Thus, any quantity from a single box to a full case, may be obtained by return mail. If you do not want all the numbers in a case, you may omit some and duplicate others of the same price, and thus have just what you want.

**ST** There is very little danger of loss. During the last few years we have sent out tens of thousands of packages with rarely a loss; and whenever a loss is ascertained, we endeavor to make it good. Better for safety, send a Money Order or Registered Letter, and write the address of the Company plainly, directing to 562 Broadway, New York.

**ST** Veterinary Specifics, being in fluid form, are not so readily sent by mail, but can be sent by express, free, to almost every place in the United States. The above also holds good in regard to Canada or the British Provinces.
