J. W. LAWRASON now of Dundas, was for many years a resident of Beverly, and has many relatives and friends in the Township. His grandfather, John P. Lawrason, one of Beverly's pioneers in the olden days, took an active interest in the Beverly Agricultural Society, being its president in 1867. Mr. Lawrason is a son of James Miller Lawrason who succeeded John P. Lawrason on the old Lawrason homestead near Troy where he died in 1878.

The subject of this sketch succeeded Mr. David Bell, the society's worthy secretary, as Teacher of School Section No. 6 Beverly. After teaching for four years he joined the legal fraternity graduating from Osgoode Hall, Toronto, in 1899. Since that date he has been practising his chosen profession in Dundas where he has by his honest and business like methods built up a large practice. He takes an active part in public matters having served as Chairman of the Board of Education, and for the years 1909 and 1910 as Mayor of Dundas.

Poultry Fencing that is Stronger than Seems Necessary

We make our poultry fencing close enough to turn small fowl—then we make it extra strong, so it will last for years and keep the cattle out. The heavy, hard steel top and bottom wires hold it taut and prevent it from sagging.

PEERLESS POULTRY FENCE SAVES EXPENSE

It is well galvanized so as to protect it from rust. It makes such a firm, upstanding fence that it requires less than half the posts needed for the ordinary poultry fence, and that means a big saving to you. Write for particulars.

We make farm and ornamental fences and gates of exceptional quality. Agents wanted where not now represented.

was born in Dundas. He succeeded his father in the business some twenty three years ago. But in reality has been all his life in the business, being with his father before he started for himself. It is one of the oldest business places in the town of Dundas.

Diarrhoea, Dysentery, Colic, Stomach Craps, Cholera Morbus, Cholera Infantum, Seasickness, Summer Complaint and all looseness of the Bowels may be rapidly and effectually cured by the use of

Dr. Fowler's Extract of Wild Strawberry

The medicine with a record of cures extending over 65 years. You don't experiment when you buy it.

Do not be imposed on by any unscrupulous dealer who wishes to substitute the so-called Strawberry Compounds for "Dr. Fowler's," as these no-name, no reputation substitutes may be dangerous to your health. Always keep it in the house.

"Proved it again and again"

Mr. John R. Childerhouse, Orillia, Ont. writes :—"When in Fort William, last summer, I was taken sick with diarrhoea, and became so weak and suffered such great pain, I had to quit work. Our Manager advised me to try Dr. Fowler's Extract of Wild Strawberry, so on my way home I bought a bottle, and after taking four doses I was cured. We always keep a bottle in the house. We have also used it for our children, and find it an excellent remedy for summer complaint."

A Clean Cut Argument

In your favour is the use of good printing. It starts things off in your favor. People read your arguments, reasons, conclusions, when attractively presented. It carries weight. Enterprising men use GOOD printing because it gets BUSINESS. If you don't already know our kind of printing, let us show you. It's an even chance we can save you money, too.

We soon forget both word and rule ; but solid facts and reason why, remain with us as years goes by. Good printing makes impressions deep to fasten facts where best they'll keep. For what you say, though poorly said, in proper garb is surely read. Our printing fine, the price O.K.; delivery's made without delay. See us to-day ; and you'll admit good printing always makes a hit

No need to use mustard or belladonna plasters, as Merrill's Wizard Lightning produces the effect of either in a few minutes. Try it for neuralgia, toothache, colic or cramps, female pains, lumbago, chilblains, gas on the stomach, or indigestion. Many a person has saved a veterinary bill by giving sick horses or cattle half a bottle of Wizard Lightning, followed by a pint of raw oil. Price 25c. per bottle

Merrill's System Tonic

This great medical triumph has been used by a great many people in and about here, who all praise it in the highest terms. It cures a vast range of diseases, for 90 per cent. of ordinary diseases hinge on one of four great causes mentioned above as being cured by System Tonic. Try it as a permanent cure for dyspepsia, rheumatism, skin diseases, liver trouble, etc. Take it when you are weak, pale and nervous. It will surely cure you. Each fifty-cent bottle contains fifty pleasant-to-take doses. Also in tablet form. Price, 50 cents per box of 50 tablets.

We recommend these preparations to our customers, as we know the manufacture to be one of the most successful druggists in Toronto. Sold at all drug and general stores.

What's in a Name?

There is an endorsement in every name that was ever inscribed on our rolls—an endorsement of this school, its character, its principles, its performance. They are names of men at the head of our biggest financial institutions; names of men whom you know, or know of, by reputation. True we did not make these men what they are to-day. But we are proud to say that we helped to lay the foundation for their making, and we are prouder of their loyal allegiance to their old school, to which they turn in confidence for all office help which they may require. Can you afford to ignore the weight and cumulative strength of endorsement in these names? You will find them in our handsomely illustrated prospectus. Write for it to-day.

TRY THAT
JUST ONCE!

If you have any sore place—ulcer, eczema, burn, cut or cold sore, be well advised! Try Zam-Buk.

Druggists sell more Zam-Buk than any other salve.

Their profit on it is no greater than on others—is less than on many. Do you think Zam-Buk would be so much more widely used than any other salve if it were not so much better?

Sentiment and advertising might make first sales, but only QUALITY can produce repeat orders.

More and more Zam-Buk is being sold every month, because the quality is there.

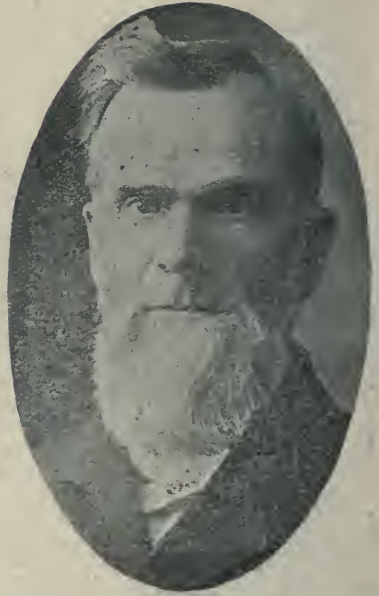

How about the children's sores and skin troubles? Don't you think they deserve the best remedy you can get?

That's Zam-Buk.

C. E. SPARKS Reeve of Beverly and County Councillor

Charles E. Sparks was born in the Township of Dawa in the year 1871, and with his father's family moved to Beverly quite a number of years ago. He received his education at Aberfoyle Public School, Harriston High School and the Galt Model School. He was Principal of the Hunter's Corners' School for four years and also taught the Westover Public School for a short time.

On retiring from the teaching profession he took up the noble profession of "Tiller of the Soil" and for the past fourteen years he has been recognised as one of the most successful and up-to-date men of modern times. In 1902 he was elected a director of the great "World's Fair," on which board he is still an active member. He was elected a Member of the Township Council in 1905 and since that time has almost continuously been a member of that Council, occupying the position of Reeve at the present time. He is a member of the Methodist Church at Westover, an active worker in the Sabbath School and Recording Steward of the Sheffield Circuit. Although he is a busy man, looking after the requirements of work on his farm, and the needs of the church, he is always ready and willing, where the demands of the state require his personal attention, to use up a gallon or two of gasoline in hurrying to the place where duty calls.

By his geniality and impartiality combined with tact and good judgement he has won for him a host of friends throughout the country.

DAVID PATTERSON

7th President of the World's Fair, Rockton

DAVID PATTERSON was born in the County of Antrim, Ireland in 1830 and in 1838 the family settled in Beverly township on lot 26, con. 3, which at that time was an unbroken forest. He assisted in clearing a number of farms in that neighbourhood. He took a deep interest in promoting the interests of the Beverly Show, being elected a director in 1872 and was re-elected in '73. In 1874 he was elected vice-president, and in 1875 became president, and was subsequently elected each year a director until his removal to his present home near Dundas. He was a director of the Great Central Fair at Hamilton during its existence, and lately at the Dundas Fair. In 1878 he was elected a Councillor of the Township of Beverly, re-elected in '79 and '80 and in 1880 was elected to the position of 2nd deputy reeve. He had also held the position of Councillor in the township of West Flamboro.

The bearer of this well-known name is one of the township oldest pioneers. He has passed his nineteenth milestone sound and hearty, and there is nothing to prevent him livid to enter the centenarian class

He has lived a quiet and uneventful life on the farm where he has resided continuously for seventy-six years. He is a link binding the far past and the frequent present.

Mr. Kernighan distinctly remembers the meeting called to organize an Agricultural Society in Beverly and has seen the annual event increase in importance every year. The old pioneers grow fewer every year and the subject of this sketch finds himself much alone.

His old neighbours and comrades crossed the dark valley long ago and one does not make many new acquaintances when one is past ninety.

He is spending his last years serenely proud of the country that he helped to build and assured that it is one of the finest lands in all the earth.

James Gray, who was one of the first directors of the World's Fair, was born in Hawick, Roxburghshire, Scotland, July 1st, 1803, moved to Northumberland, England, in 1811, was Married May 13th, 1833, and sailed from Liverpool for Canada on the 18th of the same month. Had a long and tedious voyage being thirteen weeks in the vessel. On reaching Toronto he bought Lot 28, con 4 Beverly from the Canada Company for £75. He arrived in Beverly on September 4th, and immediately proceeded to cut down trees and build a house. His wife died the following year and he endured all the loneliness and hardships of pioneer life, he married again in 1847, died in 1882. One daughter, Mrs. William Henderson, who resides on the homestead survives.

He was an active worker in the Presbyterian Church, West Flamboro, being an elder for forty-eight years.

JOHN COWIE one of the first directors of the Fair.

Mr. John Cowie was a native of Haddington, Scotland. When quite a young man, he like many of our fore fathers, became ambitious to make a home in distant America and sailed with his partner in life across the Atlantic, settling near Hamilton in what is now known as Tapleystown. After a few years he took possession of the two hundred acres now known as "Mellow Lees Farm," and occupied by his son William, on the Ninth Concession of Beverly.

Like the early pioneers he shared the hardships and privations of early settlers, yet they had their joys as well as sorrows. A family of four daughters and one son blessed their home, and years of prosperity came to reward him for his perseverance.

He took an active part in local affairs and during his active years was never absent from the Annual World's Fair.

In religion he was a staunch Presbyterian and in 1890 died at a ripe old age.

JOHN IRA FLATT, Ex-M.L.A.

The name of John Ira Flatt is one of the best known in Western Canada in connection with the timber trade. He was born in the township of East Flamboro, and up to the age of sixteen he attended the common school at Waterdown, and then for four years more he worked steadily on his father's farm. The succeeding ten years he worked for himself on a rented farm and to this he added the lumber business in 1865. Six years later he formed a partnership with the late Robert Thompson of Lynden, with whom he operated for five years, and then a dissolution taking place, the firm of Flatt & Bradley, one of the most noted in the annals of the lumber trade, was formed. For sixteen years they carried on the business with great success, enlarging the original field of every township around Hamilton until to-day Mr. Flatt, at the head of the firm of J. & W. Flatt in which his sons Jacob, William and Daniel are associated with him, is carrying on a very extensive business in heavy timber and masts, operating in nearly all the States of the Union, as well as Northern Ontario, the chief centres being Sidnaw, Mich.;

JOHN IRA FLATT

to the Ontario Legislation on the 26th June, 1894, for North Wentworth; he has become widely known as an active advocate of progressive legislation and especially by the passing of his famous Toll Road Bill. In religion from his youth up he has been connected with the Methodist Church, and for the past 35 years he has been a leader or assistant leader in the Millgrove Church, and occasionally a delegate to the General Conference of the Methodist body. In his private life as well as in his whole business career Mr. Flatt has been distinctly a man among men, and his record is one upon which his family, as well as his thousands of friends, may look with pride. Mr. Flatt is now retired and resides at 254 Bay street south, Hamilton, Ont., and is still hale and hearty in his 80th year.

Toledo, Ohio.; and Parkersburgh, West Virginia, their production always commanding the highest prices in Quebec, Liverpool, London, Glasgow and all the great timber markets of the world. In brief, it may be said that, west of Toronto, no house in Canada carries on lumbering operations so extensively, or enjoys a better reputation than the firm of J. & W. Flatt. In public affairs Mr. Flatt has always borne his part worthily and well. In 1860 he was elected a member of the West Flamboro Council in which he served for seven years continuously. During the years 1886-87-88 he was reeve of East Flamboro township, and in the last held the honorable position of warden for the county of Wentworth. In politics Mr. Flatt is a Liberal in the highest sense and was honored by the Reform party in being elected representative to

THOMAS McQUEEN, 19th President World's Fair, Rockton

Thomas McQueen, son of the late James McQueen, was born near Kirkwall, on lot 19. con. 7, township of Beverly, in the year 1838. When he had reached the age of 21 he set out for the gold diggings in California, and his indomitable perseverance and pluck gained for him the great object for which he set out, and it is said he came back laden with gold nuggets. The tales of the wild west told in his inimitable style have caused roars of laughter or struck the listeners dumb with horror and dismay. In 1867 he bought the farm known as the John Mulholland farm, on which he has lived ever since. He wields great influence in the township, being very popular with all parties. He was elected councillor in 1870, served for the next seven years deputy reeve and then was placed in the highest seat in municipal affairs in 1878. In 1880 he was elected a director of the Beverly Agricultural Society, and was re-elected each year up to 1886, when he was elected vice-president, and in 1887 became president and has every year since been an active director. After leaving Sheffield in 1896 he went to Hamilton and took charge of the Asylum farm there for about thirteen years and then took a trip to the Pacific Coast and saw the wonderful changes that had taken place since 1861 when he was there and came home down through the great west, and is now living in the historic town of Dundas trying to spend the balance of his time.

THOMAS McNICHOL.

The above is an excellent likeness of Thomas McNichol, the well-known insurance agent, who moved with his parents when about three years of age, into Beverly, when that township was practically a wilderness. Mr. McNichol has known the hardships of pioneer life, having cleared from the natural forest the farm on which he lived the greater part of his life.

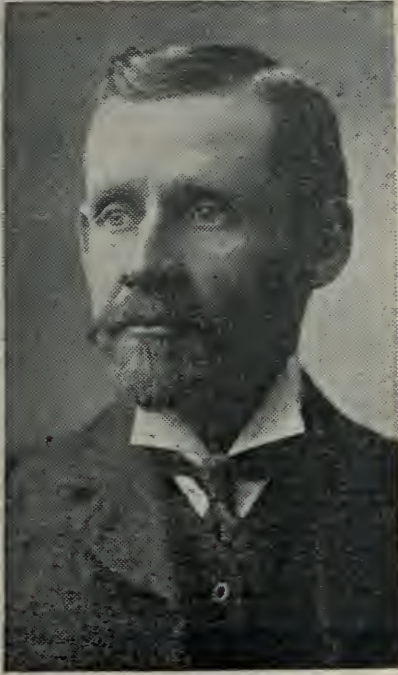

Always deeply interested in the education of the young he acted as trustee of the public school at Hunter's Corner for many years. He has been a director of the great World's Fair since 1894 and in 1908 was elected to the position of president. He has always been a willing worker to advance its interests.

About 8 years ago Mr. McNichol sold his farm to his son and moved to Dundas, where he follows the business of fire insurance agent, representing a number of the best stock and mutual companies of England and Canada. He was appointed a justice of the peace for Wentworth in 1905 by the commission issued by the Ontario government at that time.

Lt.-Col. W. E. S. KNOWLES.

Lieut.-Col. W. E. S. Knowles has been practising as a Barrister and Solicitor during the last 28 years. During that period he has taken part in municipal politics and has filled the positions of School Trustee, Councillor, Reeve and Mayor of the town. Lt.-Col. Knowles has been identified with military matters for the past twenty-three years and commanded the Dundas company as captain until his promotion to the rank of Major. He has been in Command of the Regiment for 3 years and during that time the Regiment won First Place in the London and Toronto Districts. In his profession as Barrister and Solicitor Lt.-Col. Knowles has been eminently successful, having built up a large and successful practice by his fair dealing and promptness. He has recently erected a Fire-Proof Office near the Bank of Hamilton where he stores client's papers free of charge.

His first public position was that of Township Councillor in Beverly, to which he was elected in 1895 and again in 1896 and was re-elected by acclamation Deputy Reeve in 1897 and 1898 and also to Reeve in 1890 and 1900. Served in the County Council for the years 1901 and 1902. He was then elected to the Ontario Legislature on May 29, 1902, and again in January 25, 1905, serving these two terms.

He has been intimately associated with the Presbyterian Church since it was first organized in 1885 and has been Secy.-Treas., and a Manager since that time. Has represented the Hamilton Presbytery at the General Assembly at Halifax, St. John and London. He is now and has been Supt. of the Sunday School and has also been President of the Beverly S.S. producer was selling. He has always taken a great and intelligent interest in the farmers, fruit and vegetables growers, and this policy he will continue to develop.

Mr. Sealey was first chosen as candidate for the House of Commons in June, 1900, by the Liberals of South Wentworth on the retirement of the Hon. Thomas Bain. He, however, was defeated by Mr. E. D. Smith, as owing to the gerrymander, South Wentworth was largely Conservative. On the readjustment of the Wentworths to their former boundaries, Mr. Sealey received the nomination to contest Wentworth at the approaching dominion elections and was declared elected by a small majority, but on a recount an irregularity was discovered on the part of a deputy returning officer by mistake, and he lost the election. At the by-election held in 1905 he suffered defeat by a small majority, Mr. E. D. Smith again being successful. At the Reform Convention of November, 1907, Mr. Sealey received an enthusiastic nomination and on the 26th of October, 1908, he was elected by a majority of 346 over Lieut.-Col. W. H. Ptolemy, the Conservative candidate.

His active career in the House of Commons during his parliamentary term is well-known to most people in Canada and his efforts along agricultural lines, as well as matters of Trade and Commerce, have brought exceptionally good and lasting results.

He was defeated with the Government on September 21st, 1911.

Mr. W. O. Sealey, Ex-M.P. for Wentworth, was born in the township of East Flamboro, on the 26th of January, 1859. He attended the Waterdown public and high schools until he was twelve years of age. He then worked on the farm for four years, and at the age of sixteen he bought out a general store business in Waterdown. This he conducted successfully for four years, and then, selling out, began farming again. His early experience in agricultural pursuits gave him a knowledge and interest which have been very profitable. Some years ago he became interested in the lumber business and in this he has also been most successful as have been all his business interests.

He early took an active interest in elections, both municipal and political. He was elected reeve of East Flamboro and was a member of the county council of Wentworth. He was a strong advocate of "goods roads," "free roads," "free markets," "economical management of public affairs" and "reduction of taxes." He had a great deal to do with abolishing tolls from four of the leading roads of the country. He was instrumental in getting the county council to unite with other county councils in having a petition presented to the Legislature to have market fees reduced, which petitions were successfully. He also took an active part against the unsatisfactory use of the grain tester and against the unfair practice of deducting two pounds of the weight of hogs when the

DR. JAMES McQUEEN.

Dr. James McQueen conferred a favor on the township of Beverly in 1868 in being born there, near Sheffield. He is the son of Mr. Thomas McQueen, one of Beverly's best known citizens. The doctor's public school education was found at Sheffield. He then attended the Galt Collegiate Institute, where he was distinguished as a brilliant student and a good athlete. He was a member of the junior champion football team of Ontario and was a strong and swift forward.

He took his medical course at Trinity Medical College and graduated in 1891. He then practised his profession at Lampton Mills for a short time, then succeeded Dr. Methers at Freelon in 1893. He immediately entered upon an extensive practice which has been steadily growing ever since. He is recognized as one of the leading men of his profession, and his reputation is a most enviable one. The doctor is an active citizen in everything that pertains to the best interests of the community. He has been an elder of the Presbyterian Church for seventeen years and is a most useful member. He has always taken an active part in politics in the interests of the Liberal party and in February, 1911, was chosen as their candidate in the coming Provincial Election at which he was elected as the representative of Wentworth. He is a splendid public speaker and is much in demand on occasions of entertainment and instruction. He is most unselfish and unsparing in his efforts to benefit the community in which he resides and is one of Wentworth's most worthy and most influential citizens

D. DWYER

One of the best known men in the County of Wentworth is D. Dwyer, whose genial good nature has won for him hosts of friends. For fifty years he has lived on the same farm. Mr. Dwyer had the hardships of the early pioneer but being strong in body and determined in mind, he saw the great change from the log cabin to the beautiful home he now occupies. He has always taken a keen interest in the public affairs of the community in which he lived. He became a director of the World's Fair in — and its president in 1898. He has been a Director of the Beverly Plowing Match since its beginning and a License Commissioner since 1905. He took deep interest in the movement to abolish the toll gates in Wentworth and along with R. L. Biggs, Thos. McQueen, the late Jas. McCormack and the late Wm. Menzies formed a committee who strove to interest the different municipalities in free roads, they held meetings at Galt, Dundas and Toronto, and finally succeeded in purchasing the Dundas and Waterloo Road from the Mowat Government, and we have ever since then enjoyed free roads. Mr. Dwyer has been distinctively a man among men, and his record is one on which his family as well as many friends, may look with pride.

JOHN MALCOLM of St. George
President of The Diamond Jubilee World's Fair

Mr. Malcolm was born in the Township of Beverly in the year 1849. In 1873 he purchased the Farm on which he was born and brought up, from his father, it being 300 acres. Later on in the year 1883 he removed to Galt, and engaged in the Wood, Coal and Lumber business, which he carried on successfully for 7 years, when he sold out and moved back on to his farm. He afterwards purchased the Sheffield Cheese and Butter Factory, which has been carried on successfully ever since. A few years later he also purchased the St. George Cheese and Butter Factory which he operated for 2 years, when he decided to go into the manufacture of Condensed Milk, which at first was a failure, on account of the glutted market at the time, but not losing faith in the business, and being of a determined spirit, he succeeded in getting his goods introduced on the market, and by increased up-to-date machinery, and turning out a first-class article, he has succeeded until to-day he cannot bein to fill his orders and the Brands of St. George milk are known in every town and city from Halifax to Vancouver. He has also been President of the Hamilton Dairy Co. for 7 years, which has increased its business, until this year, they have had to build a \$20,000 plant with all the latest improvements fo take care of their trade. ROBERT THOMPSON.

Robert Thompson was born at Thompson's Corners in 1823. He did not have many advantages of school in these early days except in the school of experience. He took part in the early pioneer life in the district and helped to clear the farms so long as his health continued but was, however, compelled through ill health to give up the work on the farm and entered in the business of supplying the Great Western Railway with wood for their engines, the first contract being for 200 cords. He continued to supply them until they changed their engines from wood to coal. His last contract was to supply them with 12,000 cords delivered at Lynden and Copetown. He then combined lumbering with the wood business, going into partnership with John I. Flatt, now Ex. M.P.P. His partnership continued for quite a few years when it was dissolved by mutual consent. Mr. Thompson continued the saw mill and wood business for quite a number of years until the wood and timber was nearly exhausted from this district. In 1881 he secured the Lynden Flour Mill, which was remodelled to the roller process in 1885, and conducted this business with the assistance of his son until his death in October, 1890.

He was always interested in the public affairs and took an active part in them but could not be persuaded to accept any public office except one year when he served as Township Councillor in 1853. He was also one of the first Directors of the World's Fair, being present at the organization meeting in 1853.

He was an active member of the Presbyterian church, taking an energetic part in the church at Flamboro until his removal to Lynden in 1883, when he was chiefly instrumental in establishing the congregation and in building the new church in 1889. In 1856 he married Barbara, daughter of the late Rev. Thomas Christie, of Flamboro, who survived him, dying in April, 1909. There were two children, Barbara (Mrs. Dr. Addison) of St. George, and Robert of Lynden. He was a generous, whole-hearted, kind man, honest and upright in all his dealings and very highly respected by all who knew him.

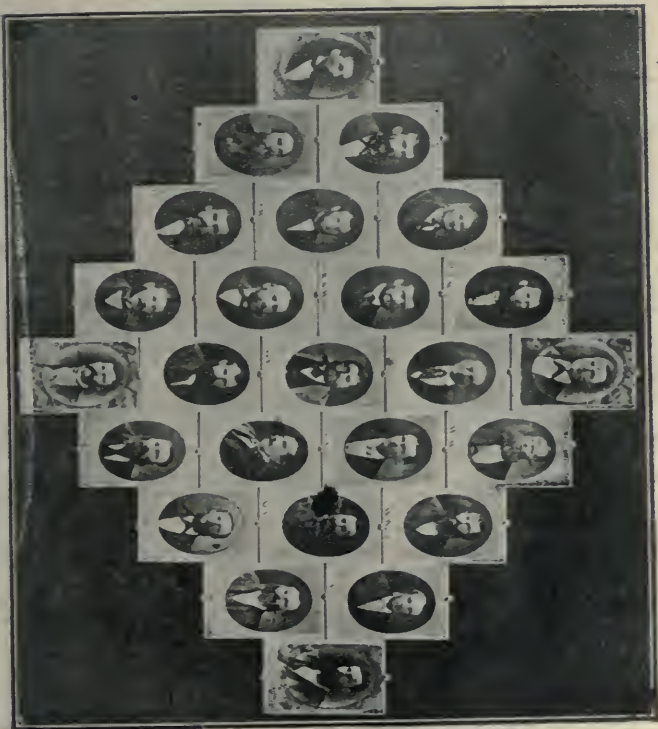

GEO. H. MULHOLLAND.

George H. Mulholland, native of the Township of Beverly, was born on lot No. 16, Concession 2, in the year 1838. He was a resident of Beverly for about sixteen years when he moved with his parents to the Township of West Flamboro where he lived until 1872, when he located on lot No. 13, in the second concession on the Troy Road, where he lived until 1894, when he retired from active farming life and moved to Lynden.

He was for many years actively identified with the public life of the township and was first elected Township Councillor in 1883 and Deputy Reeve in 1884, 1885 and 1886 and was elected Reeve in 1887. He was elected three times by acclamation. When living in Lynden he was elected police trustee of the Village of Lynden for a term. THE ST. GEORGE CONDENSARY

The St. George Condensary, which is owned and operated by J. Malcolm & Son, was started by Mr. Malcolm 4 years ago. After going over to the United States, and securing a good condensing man, he proceeded to install the expensive machinery used in a condensing plant. After getting the machinery installed, and the plant in operation, he discovered that there was no sale for his goods; his goods being unknown in a market glutted, and after filling the factory with condensed goods, he had to shut down. Not to be discouraged or daunted, he had faith in the future of the Condensed business, and by his perseverance and stick-to-it-iveness, he succeeded in getting his goods on to the market, and by putting in more expensive and up to date machinery, and turning out a first class product, he has pushed his goods ahead until to-day he cannot begin to fill his orders, and his special lines known as the St. George Evaporated Cream, and The Banner, and Princess Milk, are known in every town and city from the Atlantic to the Pacific. The St. George Condensary is the only Condensary in the Dominion which is run as an Independent Factory, all other Condensaries being run by large Corporations.

JOHN K. JONES.

Mr. John K. Jones, of Beverly township, was born near Orkney, fifty-five years ago. His father was the late George Jones, J.P., who for many years was a member of Beverly township council. Mr. Jones' entrance to public life was in January, 1903, when he was elected to the council of his native township. For four years he retained his seat in the council. He served as Deputy Reeve for 1910 and 1911.

Mr. Jones is a member of the Methodist congregation which recently erected a splendid new church building at Copetown. ...

He has been eminently successful in the pursuit of his chosen calling, as is evidenced by the fact that he owns a splendid 125 acre farm near Lynden in addition to the valuable farm near Christie's Corners. He has built a beautiful house in Lynden, where he has retired for the present. Mr. Jones has always been an enthusiastic supporter of fraternal societies, and is at present a member of the A.O.U.W., K.O.T.M. and a Past Master of Dufferin Masonic Lodge. He has taken quite an active part in the plowing match, annually held in Beverly and was President of same in 1906. Everyone in the township likes good-natured Joe.

Deputy-Reeve JAMES THOMPSON.

James Thompson is a native of Beverly, being born on lot 24, in the second concession. Mr. Thompson is a very busy man for he owns and works two hundred acres of land, runs a saw mill for a few months each year and for many years has done a great deal of threshing for the farmers in that locality. He was elected a councillor of Beverly in 1893 and 1894; second deputy reeve in 1895 and 1896, having a seat at the county council 1895-96. He was elected a councillor of Beverly in 1907-8-9-10-11 and in 1912 was elected Deputy Reeve. He was a director of the Lynden cheese factory for many years and for two years was its president and salesman. He is a member of the Presbyterian church at Lynden and has a lovely home not far from that village.

COUNCILLOR E. MACPHERSON, Jr.

E. MacPherson, Jr. was born in the Township of Beverly in the year 1869. He received his education at the Orkney public school from which he graduated at the age of seventeen with a non-professional teacher's certificate. Later on he took up the profession of farming, and he now owns one of the best farms in the south end of the township. He started his public career as councillor of his native township in 1909. He was re-elected in the years 1910-11-12. As a councillor he has made good and has proved himself worthy of the trust the people placed in him.

COUNCILLOR STEPHEN MOFFATT.

Mr. Moffatt was born half a mile east of Sheffield, in 1862. He is the oldest son of the late Adam Moffatt, who died when he was quite young and he along with his mother had to take charge of the farm, and was successful in keeping the family together until they grew up to man and womanhood. In the year 1894 he married and moved to the farm where he now resides, formerly owned by Mr. Robert Oliver.

In 1909 he was elected councillor for the Township of Beverly, and the electors of the township bestowed upon him the honour of polling the largest number of votes ever polled by a new candidate. He elected in 1910. By acclamation, in 1911, 1912. He headed the polls in 1912.

Councillor FRANK C. BIGGS.

Frank C. Biggs, son of R. L. Biggs who was a representative in council for many years, was born in Brantford, September 13th, 1881, and moved the same fall to Beverly Township. He now resides on the farm formerly owned by the Christie family. He is deeply interested in Agriculture and especially in the dairy business. He also owns and runs a saw-mill part of the year. In 1912 he was elected a Councillor of Beverly. He is a young man of good ability and should rise to higher honors.

WILLIAM H. HENDERSON.

Wm. H. Henderson, son of Thomas S. Henderson, was born at Rockton on May 13, 1875. Received his primary education at the Rockton public school, took his course through the Unit Collegiate Institute, received a second-class certificate to teach. Taught the Rockton public school for five years then went to the Toronto University, took an arts course and got a B. A. degree. He was employed by the Y.M.C.A. of Montreal for a time, then took one year in the Presbyterian Theological College, Montreal, and two years in the Westminster Hall, Vancouver. He became qualified as a preacher of the gospel and is now one of the secretaries of the Montreal Y.M.C.A. He knows all about farm work, having gone through all kinds of it on his father's farm.

SHERIFF J. T. MIDDLETON

Wentworth county has been favored in the class of men who have filled its offices, by displaying loyalty to the interests of the community, and being prompt and faithful in the discharge of the duties devolving upon them. Of these J. T. Middleton is a worthy representative and at the present is capably filling the office of county sheriff. He was born November 28, 1840, in Alloa, Scotland. In 1851 the family arrived in New York on the third of July, going on to St. Catharines, Ontario, where he attended the grammar school. At the age of sixteen he began clerking in a general store in Smithville, where he also engaged in business on his own account as merchant and farming. He was secretary of the High School Board and also of the Grimsby Agricultural Society and a member of the Township Council of Grimsby. In 1875 he came to Hamilton and began business in marble and granite monuments and is still interested in this line of business.

For a long period he was President of the South Wentworth Liberal Association, and at the election of 1891, he unsuccessfully contested South Wentworth for the House of Commons against Major Frank Carpenter, being defeated by only one vote. In 1894 he was elected a member of the Provincial Legislature representing the constituency of East Hamilton for one term. In 1898 he was defeated by H. Carscallen, K.C. In 1899 he was appointed sheriff for the county of Wentworth.

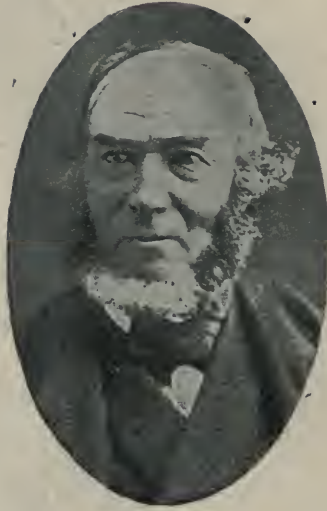

He has many arduous and trying duties to fulfill in the office of sheriff, and while punishment is required for the criminal he considers reforming them is the best preventative against crime. For the large and varied population of this county it stands well in this Province as being a safe, progressive and prosperous county for which some credit is due to its officials.

D. B. WOOD

Link your memory up with things as they were in Beverly and St. George some thirty odd years ago. D. B. Wood was at that time an apprentice boy in the milling business at St. George. His chief asset was a fair share of brawn, muscle and intellect. Beverly farmers were at that time, as they are today, considered his best friends and business associates.

D. B. Wood always reached out for the farmer's trade and was fortunate in getting a good share of it. His extended business career carried him to the city of Brantford, where he became active in business, municipal and other pursuits, and afterwards to Beverly's county seat—the city of Hamilton, where he resides at present. He is manager of the splendid business of the Wood Milling Co. there, and western manager of the Dominion Flour Mills Co. Ltd., who have mills now in St. George, Brantford, Hamilton and Montreal, as well as a very wide and constantly growing business in grain and produce elsewhere. It is a pleasure for him to look back to the boyhood days at St. George and from time to time continue to wield the golden links of friendship with his Beverly friends. He has perhaps a wider acquaintance than any other business man in Brant and Wentworth counties, and yet he believes in the standard truism that "old friends are best." He and his milling and grain business have been so closely allied with Beverly for so many years that we almost claim him as a Beverly man in this our Golden Jubilee.

JOHN MALCOLM, Sr.

Mr. John Malcolm, Sr., Father of the Present President of the World's Fair, was one of the Beverly Pioneers, came to Beverly from Scotland in the year 1843, and settled on Lot 12, Con. 6, where he continued to reside until his death, which took place, in the month of December, 1882, at the age of 76 years. He was a man who always took an interest in the advancement of the Township, and was for some years, both Township and County Councillor. In religion he was a strong Presbyterian, being an Elder of the Kirkwall Presbyterian Church, from its inception until the time of his death. He was also always interested in the Rockton Fair, and was one of its early Directors.

G. C. WILSON. M.P.

G. C. Wilson was elected Member of Parliament for Wentworth County in the last Dominion Election. Formerly he represented North Wentworth in the Ontario Legislative Assembly.

E. D. SMITH, Ex-M P.

E. D. Smith, Ex-M.P., born December 8th, 1853, in Saltfleet, son of Sylvester Smith, farmer, whose grandfather was a United Empire Loyalist, and of Damoris Isabella, grand-daughter of George McGee, who was a Loyalist colonial volunteer in Lancey's famous brigade of New York, who when the war was over was awarded land in New Brunswick, on the St. John river, above Woodstock, for his faithful services to the British Crown.

Mr. Smith sat for Wentworth in the House of Commons from 1900 to 1904, majority being 156. When the constituencies were redistributed and the present constituencies were formed it was supposed to be an impossible constituency for a Conservative, but Mr. Smith was declared elected by a small majority, but as twenty-five votes were thrown out at the recount on account of having been improperly initialed by the deputy returning officer, a protest was entered and a year was occupied, during which Mr. Smith did not offer to take his seat, finally a new election was ordered and Mr. Smith was elected by a majority of seventeen and held the seat until the close of the parliament of 1908, when he retired from politics on account of a breakdown in health, which has since been largely regained.

Mr. Smith is engaged in various industries. Farming eight hundred acres of choice land, growing mostly fruit and nursery stock on it. He carries on a very extensive nursery business through agents, having about four hundred on the road. He started a fruit business in 1882 and ever since that time has been the most extensive shipper and dealer in fruits grown in the Niagara District, handling as much as five hundred carloads per annum. In 1904 he started making pure fruit jams and now has the largest jam factory in Canada, the output reaching about \$500,000 per annum. He is also heavily engaged in canning at Beamsville, Winona and Petrolia.

J. H. FISHER, M.P. for Brant

WILLIAM MENZI S. Reeve of Beverly 1884-85

William Menzies was born in Dumfriesshire, Scotland, in 1833. He came to Canada when he was only three years of age. His parents settled on the seventh concession, lot sixteen, in the Township of Beverly, and on that same lot he lived all his life. When he was a lad there were not the same chances of acquiring an education to exist at the present time. The time spent at school was limited to a few months in the year and the system of education was very imperfect. All of his education was received in this section. His ability was soon recognized and in 1862 he was elected a Councillor, again re-elected in 1873, 1874. In 1875 he became second Deputy Reeve, a position which he held till 1878, when he became first Deputy Reeve. He was first Deputy Reeve in all for five years, and then was placed in the Reeve's chair. In 1867 he married Louisa Forsyth. He held many offices of trust in connection with the Presbyterian church, in Kirkwall. In 1875 he was elected a director of the Beverly Agricultural Society, vice-president in 1882, and president in 1883. He died in 1911.

WALLACE McDONALD, 2nd Secy.-Treas., World's Fair, Rockton

Wallace McDonald was born on the 23rd of June A.D. 1822, in a village called Eaton, near Utica, in Oneida County, New York. His parents were natives of Glasgow, Scotland, but came to Canada in the year 1820, and then moved to New York in the spring of 1821, and remained ther' until 1836, when they came to Canada again with their family, settling on a bush lot near Valens P.O., in Beverly. Wallace received his education at a common school before he was twelve years of age.

After coming to Canada he was actively engaged in bush life and farming until the year 1857. He was elected a municipal councillor and was then appointed a Justice of the Peace and again elected Councillor in 1858 and 1859, was elected Reeve for 1860 and 1861, and was requested to be a candidate again, but declined, preferring to retire into private life, which he did and remained so until December 1st, 1862, when he was selected Division Court Clerk for Beverly, and in October, 1863, he was appointed Township Clerk. He then moved with his family to Rockton, and held the position for 42 years. He was Secretary of the Beverly Agricultural Society from 1870 until 1876, when he resigned owing to the pressure of other business. The society flourished under his management. He died in 1905 in his eighty-fourth year.

JOHN ARMSTRONG, 1st Secy.-Treas. World's Fair, Rockton

John Armstrong was born in Cumberland, England, on October 22nd, 1811, emigrated to Canada with his parents in 1831, and settled on lot seventeen, concession four, Beverly. At that time this section of the country was a dense forest, there not being even a brush heap to be seen. There were only three houses or rather huts along what is now the Dundas and Waterloo stone road, one of these was where William Hugill now lives, another at the Spring Creek, near Rockton, and the third at the ancient village of Romulus, near the village of Sheffield. Mr. Armstrong's father took up 200 acres of land and erected his rough dwelling near where the late T. B. Armstrong lived. When John took to himself a wife his father gave him the south half of the 200 acres and on that farm he lived most of his days. The subject of our sketch had received a good education and that coupled with good judgment and a ready pen, gave him a decided advantage over his fellow citizens. Before Division Courts were established in this part the people had a Commission Court and John Armstrong was clerk of that court. He was also Clerk of Beverly township during the years 1842-43-44 and 45. Mr. Armstrong was elected secretary-treasurer at the organization of the Beverly Agricultural Society in 1853, and held the position for eighteen years.
