"AND he came bearing gifts."

Marc Antony, Caesar, Dante, Abelard, Henry of Navarre, Francois Villon, Louis XVI. and Napoleon, *all* laid gifts upon the altar of some woman's esteem.

Sweetmeats have always been a "Gift for Queens." In ancient times men bore "sweet spices and fruits" to their ladies.

But they never bore anything comparable to Neilson's Chocolates of to-day.

We tell you these things to stir your imagination to an appreciation of the quality of Chocolates that we have made it possible for you to carry to the lady of *your* choice.

The Club filled a want in the engineering world of Toronto at a time when there were few other technical organizations, and engineers were practically unknown to one another; but, as the number of engineers increased and conditions changed, it was realized that the function of the Club was to provide a social centre where members could entertain their friends and clients.

The membership is confined to engineers, architects, surveyors, chemists, and others connected with or interested in engineering or allied professions.

GEO. H. O'NEIL, General Manager

"The Private Secretary of the Prince of Wales is desired by His Royal Highness to thank the Hooton Chocolate Company for their very fine gift of Canadian Chocolate."

The above is an extract from a letter from the Private Secretary of the Prince of Wales, acknowledging a gift of our chocolate. The same high grade chocolate which constituted this gift can be obtained at all high class dealers, and is an unexcelled sweetmeat when served at social functions. Ask your dealer for Imperial Yacht. "Chuck full of whole almonds."
