A COMPANY

FOR

POLICYHOLDERS

The North American Life Assurance Company has a Guarantee Fund subscribed of $300,000, of which $60,000 is paid up in cash. . . . Additional security of $300,000, is thus afforded policyholders, ensuring careful and conservative management as the Guarantors are liable for this amount. . . . . The interest allowed on the paid up portion of the Guarantee Fund is limited by the Company's Act of Incorporation, so that only the policyholders participate in the Surplus Funds of the Company. . . . . Every holder of a participating policy in the Company, upon which all premiums due have been paid, has the right to one vote in person, at all general meetings of the Company, for each $1,000 of insurance held by him. . . . . Policyholders are thus given a voice in the management of the Company's affairs. . . . . It is seen that, although the North American Life is neither a Mutual nor a Stock Company, it possesses all the advantages of both.

INSURANCE

Life insurance on modern lines is nothing more or less than a savings bank that yields a dividend to its depositors. And it has this advantage over the savings bank—that in case of death the principal is larger than the savings. All approved and up-to-date policies are issued by **The Toronto Life.**

ALBANI SAYS OF THE HEINTZMAN & CO. PIANO
115-117 KING ST. W., Toronto

NEW SCALE GRAND PIANO HAS NO RIVAL

"The Concert Grand Heintzman & Co. Piano used in my Recital in Toronto gave complete satisfaction. I found the tone massive in its sonority and of very excellent quality, with a particularly limpid tone in its mezzo tints."—FRIEDHEIM

ALBANI SAYS OF THE HEINTZMAN & CO. PIANO
115-117 KING ST. W., Toronto
"The tone of the Heintzman & Co. Piano is delightful, the elasticity of action marvellous, every note ringing out in clear, pearly and limpid quality. It excels any Piano I have ever used."

WARNING

We wish to warn the public against the fraudulent Directory concerns which have been operating throughout the country for the past few years, collecting thousands of dollars on forged or raised contracts for advertisements in "Directories," "Buyer's Guides," "Trade Lists," or "Gazetteers," that have no circulation whatever beyond the copies carried by the Canvassers.
