More than ninety per cent. of the Corporation's Assets are invested in the safest of all securities, viz., carefully selected mortgages on real estate. It is therefore a favourite with the prudent depositor or investor, whose first consideration is absolute safety.

Two or more persons may open a joint account with the Corporation. Such an account is a convenience to husband and wife, mother and daughter, two or more executors or trustees, etc., as it may be drawn upon by either.

THE CORPORATION IS A LEGAL DEPOSITORY FOR TRUST FUNDS

The Corporation's Debentures have long been a favourite investment of Benevolent and Fraternal Institutions, and of British and Canadian Fire and Life Assurance Companies, largely for deposit with the Canadian Government, being held by such institutions to the amount of more than ONE MILLION DOLLARS. They are a Legal Investment for Trust Funds.

The commercial possibilities opened up by the Canadian Northern Railway System are unequalled in the British Empire. In 1897 the Canadian Northern operated 100 miles of railway. It now controls 4,100 miles in the most promising parts of the country. It has created 150 new townsites along its 3,000 miles of main line and branches west of Lake Superior, and has made practicable many new enterprises in Nova Scotia, Quebec and Ontario. In Nova Scotia a recreation of business is going on along the Halifax & South Western. Quebec City will have a new direct rail route to Montreal and Ottawa. In Quebec Province enormous stretches of pulpwood country are being tapped. In Ontario the year 1908 will see a new port of Key Harbor, on Georgian Bay, capable of daily shipping 8,000 tons of ore from the Moose Mountain iron mines. In the West the new line from Brandon to Regina will establish several new towns; the Goose Lake branch from Saskatoon will make accessible to homesteaders the Great Saskatchewan Plain; and the development of coal mining near Edmonton is giving a new aspect to industry in Alberta. Enquiries about rates and business opportunities to WILLIAM PHILLIPS, General Eastern Agent, Canadian Northern Building, Toronto.

IN NEW TERRITORIES OF THE CANADIAN NORTHERN SYSTEM

In summer the holiday trip from Toronto is over the Canadian Northern **LAKE SHORE LINE TO THE MUSKOKAS,** and through the new, unique country between Parry Sound and Sudbury. By way of The Don Valley, Lake Simcoe, Lake Couchiching, The Severn River, Sparrow Lake, Torrance, Bala Park and Lake Joseph the best access by the best trains is given to the best and most frequented playgrounds in Ontario. Beyond Parry Sound there is for the camper, canoeist, fisherman and hunter unequalled scope for recreation on and near-by the Shawanaga, Bolger Lake, Deer Lake, the Maganatawan, the Still and the French Rivers, Key Inlet, and scores of other rugged, wooded, unspoiled waters. Detailed information furnished by C. PRICE GREEN, General Passenger Agent, Canadian Northern Ontario Railway, Corner King and Toronto Streets, Toronto.

INTRODUCTION

In presenting 1908 issue of Toronto City Directory, we wish to say special arrangements had been made this year to have the Directory in the hands of our subscribers during the first week in January, but this was prevented by the city authorities renumbering several important streets.

This volume contains, by actual count, 129,355 individual names, exclusive of firm names, corporations, &c., an increase of 11,609 over our 1907 issue. Multiplying the number of individual names by $2\frac{3}{4}$, we have an estimated population of 355,726.

The number of buildings of all kinds in the city, as shown by the street directory, is 57,021, an increase of 4,309 over last year. Of these 2,093 are shown vacant, as compared with 1,926 in our last edition. The above 2,093 vacant buildings include those in course of erection.

The Births, Marriages and Deaths in Toronto for the past five years are as follows :
