The citizens of Toronto are particularly requested to report any crimes or offences which they know to have been committed in the city immediately at the nearest station, that a detective may be telegraphed for, and it is particularly desirable that no steps be taken to detect thieves or ruffians until the matter has been placed in the hands of the detectives. All complaints with reference to over charges by cab or livery men promptly attended to. Detectives and policemen are always on duty, night and day, at headquarters, and can be obtained in case of necessity.
