INSURANCE AGENTS!

Established 1882.

Incorporated 1885.

THE INDICATOR

Is Published Semi-Monthly.
It was Established in 1882.
It will Keep You Posted

on all Insurance matters, direct you to the reliable Companies, and warn you against the fraudulent concerns.

Every Insurance Agent Should Take It.

Each issue contains matter of particular interest to all Insurance Companies, Managers, Agents, and Brokers of Life, Fire, Marine, Accident and Plate Glass Insurance, Real Estate Agents, Banks, Loaning Offices, Capitalists, Lawyers, Book-keepers, Clerks, Physicians, Manufacturers and Business Men.

It contains from time to time Special Articles on Insurance Matters, which alone are worth more than the subscription price.

It contains correspondence from our own correspondents from all important points throughout the country.

THE INDICATOR WAGES an UNRELENTING WAR on "UNDERGROUNDERS," "WILD CATS" and all "SHADY" PROCEEDINGS.

Every Wide Awake Insurance Agent Should Take It.

PRICE, $3.00 PER YEAR. Single Copies, 15c.

One Subscriber writes as follows, viz.:—"'The Indicator' saved one of my patrons $3,000 and put over $100 extra commissions in my pocket; you may continue it indefinitely."

Another Subscriber (a prominent banker and large property owner) writes:—'You may send me 'The Indicator' for another year. I would not be without it for five times its price. It has warned me *in time* of many unreliable companies. I think property owners should pay more attention to the class of companies their property is insured in, and keep posted concerning the companies whose policies they hold. Whenever I place any insurance I always try to secure the policies of the companies whose advertisements appear in 'The Indicator,' for I know *they* are reliable."

The aim of "The Indicator" is to uphold the genuine and expose and fight the shams of all kinds in insurance. Every Agent representing an insurance company doing a legitimate, lawful business should subscribe for it.

SYNOPSIS OF FISHING LAWS.

Net fishing of any kind is prohibited in public waters, except under Leases or Licenses. The size of nets is regulated so as to prevent the killing of young fish. Nets cannot be set or seines used so as to bar channels or bays. A general weekly close-time is provided in addition to special close seasons. The use of Explosives or Poisonous substances for catching or killing fish is illegal. The use of firearms for killing fish is prohibited. Mill-dams must be provided with efficient fish passes. Models or drawings will be furnished by the Department of Marine and Fisheries on application.

The above enactments and close-seasons are supplemented in special cases, under authority of the Fisheries Act, by a total prohibition of fishing for stated periods. All communications relating to Fisheries should be addressed to the Deputy Minister, Department of Marine and Fisheries, Ottawa.
