Legends for Lionel, In Pen and Pencil.

By WALTER CRANE.

Price 5s.

"LEGENDS FOR LIONEL is full of fresh fun and crammed with delightful sketches in colour. To say that this is the funniest book we have seen for some time would be no compliment either to Mr. Crane or his son. It is simply worthy of both of them. Can we say more?"—The Athenœum.

"Quaintly and delicately illustrated."-The Graphic.

"In conception, in drawing, in colour, this is one of the most delightful children's books we have ever met with. We hardly know which to admire most—the quaint humour of the designs or the real beauty of such pictures."—John Bull.

"Mr. Walter Crane's pen and pencil display all their wonted grace and fancy in LEGENDS FOR LIONEL, IN PEN AND PENCIL."—

Daily News.

"Happy is the child who comes into possession of this quaint,

artistic, and most lovely book."—Sheffield Independent.

"Lionel's adventures, which are of the extravagant and inconsequent kind so dear to the young imagination, are depicted in a series of grotesque and amusing full-page colour drawings. In one part the legend drifts into a parody upon a well-known nursery tale -showing how Lionel is invited by Jack Horner to share the famous Christmas pie; how when the pie was opened it stood and flapped its wings, and flying off, became a pretty dish to set before two hungry things; how King Frost was in his freezing-house, nipping toes and noses, and Queen Spring was in her sleeping car, tying up her posies. The pair of pictures representing King Frost, equally with the pair representing Queen Spring, are really beautiful artistic productions. By-and-by Lionel sets off with a tinker's barrow, and we have a succession of pictures in which pots, kettles, fire-irons, knives, forks, spoons, &c., are all personified, and present themselves for repairs. Altogether it is the funniest nursery book we have seen this season." -Liverpool Mercury.
