Please Read Before Ordering

IN WRITING YOUR ORDERS

Please write plainly. Use our Order Form if convenient or write your order on one side of paper only and put one item to a line. Use our Catalogue Numbers and refer to page. Be sure to state quantities, sizes and colors. Print your name and address plainly and if shipping point is different from your post office please advise. Please write letters or enquiries on separate sheet.

Do not risk enclosing Cash—Use Cheque, Post Office or Express Money Order. If Cheque is used it must be made payable at par, Toronto, or Exchange added.

Our Free Delivery Plan

Only Applies On Orders Received at Prices Quoted in This Catalogue.

You will find most of the lines listed on the following pages quoted "delivered." Such articles are delivered to our customers' nearest Railway Station or Post Office in Canada (at our option) absolutely free of charge. In a few instances, owing to the weight or size of the merchandise, the free delivery is limited to Ontario only or prepaid at a stated price. Articles not quoted "delivered" are shipped transportation charges collect at destination. All goods shipped by mail are insured against loss or damage.

GOODS SHIPPED C. O. D.

We will ship orders amounting to \$2.00 or more, C.O.D. via express to any Railroad Station or via mail to any Post Office in Canada and to any rural route starting from such Post Office, providing a deposit of 25% of the value of the goods accompanies the order. On postal C.O.D. shipments the collection fee is 15 cents on shipments up to \$50.00 and 30 cents up to \$100.00. This fee is prepaid in stamps which we attach to parcel and is added to the amount of the C.O.D. In addition, the postmaster collects the postal note fee for returning the money; therefore it is less expensive and more satisfactory for you to send cash in full with the order. We can assure you if goods, excepting those made specially to order, do not prove entirely satisfactory prompt adjustment will be made.

If goods are shipped C.O.D., the deposit will be deducted from the C.O.D. bill, and the balance (including amount for collecting money) is payable to the Express Agent or Postmaster.

IMPORTANT! Please Read Carefully!

GOODS RETURNED

You may return any regular goods upon their receipt if you change your mind about wanting them. If through our fault a mistake is made, please notify us first, and we will give instructions for returning at our expense. If the fault is yours return the goods promptly, insured and prepaid. Goods which are not regular and have been obtained for you or made to order are not returnable.

WILSON CRESTS AND EMBLEMS

We specialize in the artistic designing of College, Club and Athletic Emblems. Crests are cut from the best quality wool felt, sewn double thickness or backed with buckram to prevent stretching. Designs are drawn by artists and emblems made by experienced operators, consequently they are attractive in design; neatly cut and stitched. As we carry a wide range of shades, we can usually match any set of colors.

In the plates we show a few of the many thousands of designs

recently made. You will likely get a suggestion from them that can be changed to suit your own requirements.

Please note when ordering emblems, it is advisable to send sketch showing arrangements of lettering desired. Also be sure to state size of crest and color and shade for lettering and background and give color of garment on which it is to be worn.

WILSON CRESTS AND EMBLEMS

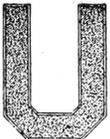

SILK - FACED EMBLEMS

Patent No. 310755

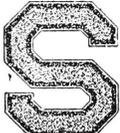

By a patent process we can now produce, in any quantity, emblems and monograms with the bright, sharp colors of silk. Edges are clean cut and will not fray, and being waterproof the crests will not shrink. Any

design that can be made in felt can be manufactured by the Comyn process, such as the designs shown on page 14. These can be supplied at an extra cost of 25% over prices quoted for felt emblems.

Wilson Chenille Letters and Emblems

Chenille Emblems are made of all-wool yarn, embroidered on pure wool felt and present the appearance of fine Turkish towelling. Having greater wearing qualities than plain felt emblems they are recommended for swimming and other aquatic purposes. The felt background and border can be supplied in the same color as the chenille or in a second contrasting color. Letters can also be supplied in two-color chenille, a narrow border being worked in the second color. In ordering state color for chenille work and color for felt background, and in two-color chenille state color for centre and color for border.

In addition to the letters nearly all designs on page 14 can be made in chenille at an extra cost of 50% over prices quoted for felt emblems.

Wilson Machine Embroidered Silk Emblems

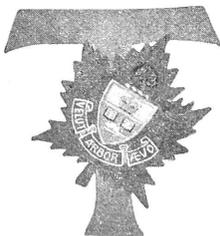

Many designs in Crests, Emblems and Monograms can be most effectively produced in machine embroidered silk work. The various details of the design are shown in correct coloring in a manner that is impossible in felt work.

Quantities vary from 56 to 234 pieces according to the size of emblem, and the prices range according to size and design.

We have made designs in this work for many Colleges, High Schools, Collegiates and Clubs, a few of which are shown in the side illustrations. If interested in emblems in quantity send us a print or sketch of the design and let us quote you.

Wilson Honor Emblems for Schools and Colleges

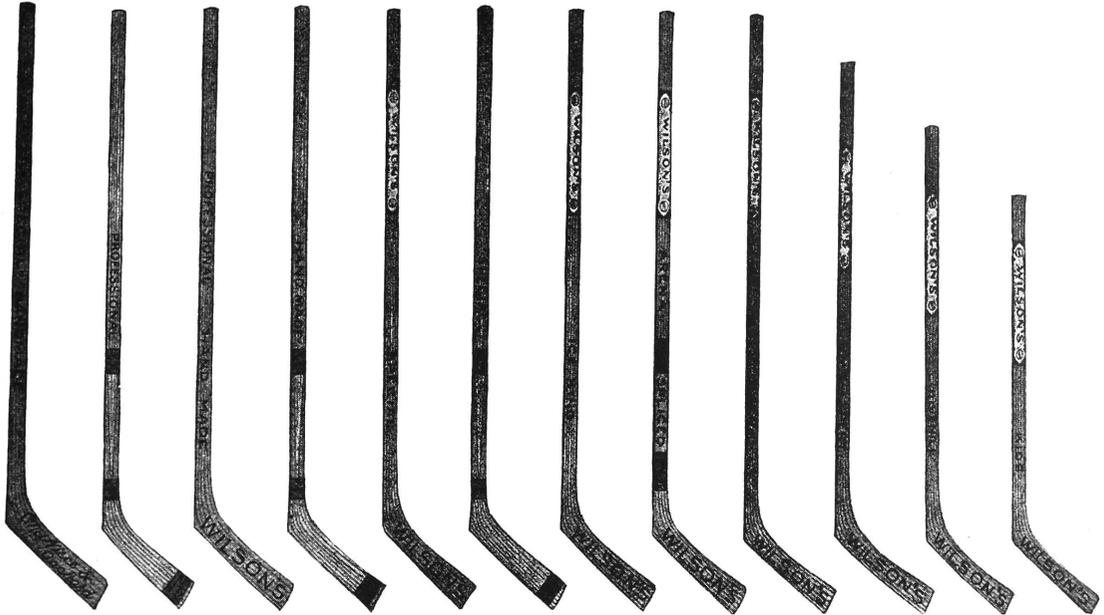

We have designed and produced a great number of Honor Emblems and Athletic Awards for Colleges and High Schools. These are usually made with the crest embroidered in silk mounted on a large felt school letter. This silk work is produced by machine embroidery in quantities of 56 or more pieces. Illustrations show a few emblems we have supplied.

When desired we will contract to carry Honor Emblems in stock and supply them as required when authorized to do so.

Send us your school crest and we will prepare sketches in color for an Honor Emblem and quote on your requirements.

Because of variable market conditions, we reserve the right without notice to withdraw the sale or to change the price of any article shown in this catalogue. When ordering, refer to inside front cover.

Matching Colors

There is no known process which can positively regulate the final results when worsted yarns or cloth are dyed. Each lot may absorb the color in a different manner and vary in shading when finished.

Every possible effort is made to match colors as closely as the peculiarities in dyes and in dye action will permit, but the situation is not controllable.

NOTE: All orders are therefore handled by us with the understanding that the purchaser realizes these conditions and accepts the responsibility for any variations.

To safeguard against error and delay, please order by number and color, as No. 1 Maroon; No. 5 Dark Gold; No. 18 White.

WILSON ROWING MACHINES

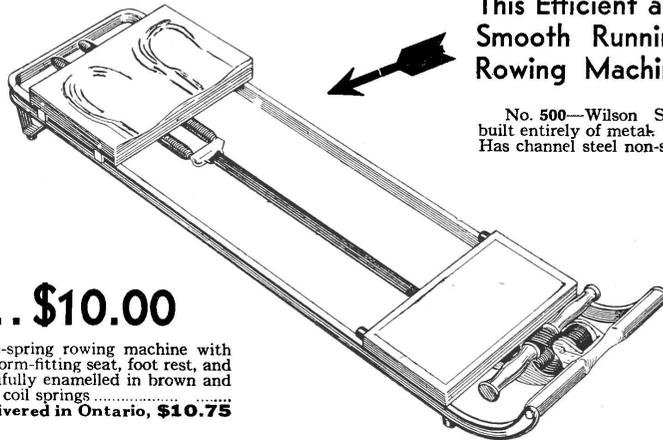

With a rowing machine it is possible to reach and stimulate the muscles of the stomach, back, legs, and arms. In fact, hardly any portion of the body can escape the tonic effects of the scientific exercises.

Keep Fit—Build Strength with a Wilson Rowing Machine

Health authorities universally agree that as a body builder the rowing type of exercise machine is the most efficient. Overweight persons can quickly reduce their measurements and transform loose, flabby muscles into firm, supple ones. Keeps you prime and fit. Builds strength and vigor. As little as five minutes a day will work wonders in ridding your body of toxic poisons. The degree of resistance set up by the machine is under control. Takes up little room. Stand it up in any out of the way corner. Easy to handle, safe, and lots of fun.

At its remarkably low price—the Wilson Special is the greatest value in the rowing machine field. A quality built machine—yet priced so low that no person can afford to be without it.

This Efficient and Smooth Running ... **\$4.95**

WILSON GYMNASIUM SUPPLIES

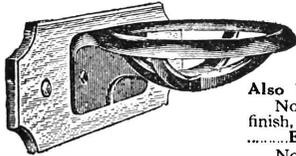

No. 6M

Wilson Medicine Balls

Medicine Balls weigh from 4 to 9 pounds. Exercise consists of throwing the ball from one person to another. The catching and throwing of it develops the chest, exercises the back, arms and legs; in fact, it is beneficial to the whole system. Any number can exercise with it at the same time.

Our Medicine Balls are constructed to withstand the necessary rough usage. Made in two grades of durable leather. The filling material we use insures the retention of shape.

THE GOLF GIFT BOOK OF THE YEAR

By Alex Morrison

A New Way to Better Golf

No. 7—Alex Morrison has put his way to learn the correct swing within reach of every one anxious to improve his game.

First, he tells you how to banish mental tension and nervous strain, and how to play with muscular freedom, mental relaxation.

Then he analyzes the eight stages of the Correct Swing—correct because of the structure of your own body.

In simple terms and clear photographs he shows these eight stages. Then, having shown you how to get the Correct Swing, he shows how easy it is to put it into practice.

Alex Morrison's book will help the fellow who really gets too little amusement, satisfaction and benefit from the game—who merely exchanges business worries for golf worries—who is in a constant panic about doing the wrong thing.....
