

NORTH AMERICAN LIFE ASSURANCE CO.

(Incorporated by Special Act of Dominion Parliament.)

HEAD OFFICE:

22 to 28 King Street West, Toronto.

FULL GOVERNMENT DEPOSIT.

Hon. Alex. Mackenzie, M.P.,
Ex-Prime Minister of Canada, President.

Hon. Alex. Morris,
Ex-Lieut. Gov. of Manitoba, Vice-President.

Wm. McCabe, F.I.A., Eng.,
Managing Director.

John L. Blaikie,
Pres. Can. Landed Credit Co., Vice-President.

The special features of this Company are its **Tontine Investment** and **Semi-Tontine Investment Policy**, and its **Commercial Policy**. It also issues annuities, and all forms of Life Policies.

The first two secure a large return for the money invested, while the latter yields maximum insurance for minimum outlay. Its Semi-Tontine Policies are **Non-forfeitable** after three annual premiums are paid.

During the period of life when insurance is specially needed, this Company's Commercial plan places available life insurance within the reach of the masses at an estimated cost of about per cent. of the ordinary life rates, its regular quarterly premiums being very moderate. It is the best plan for those who want insurance only, and the easiest for agents to work. This Company's Policies are printed in clear, large type, in plain, simple language, and as liberal in their conditions as it is possible to have them, consistent with safety and equity to the policy-holders generally.

Observe the following points, viz:—

- (a) The Policies are indisputable after three years from date of issue.
- (b) Travel without permit in any part of the world will not invalidate the Policy, and becomes subject to an extra premium only where an extra risk is incurred.
- (c) Surrender values are allowed upon its ordinary and Semi-Tontine Policies after they have been in force three years, either by Paid-up Policies or in Cash; Loans are made on Policies after being in force three years.

At the age of the insured will be admitted at any time by the Company on reasonable terms. If not so admitted, any error in the age will not invalidate the Policy.

CENTS' FURNISHINGS,

Woollens and Fancy Goods,

Wellington St. and Front St. E. Toronto, and Manchester, England,

Beg to call the attention of the trade that to the combined efforts of expert Departmental buyers, going to Britain twice a year, and a resident staff there, they are enabled, by watching the home markets thoroughly, to contract and purchase lines of goods not obtainable elsewhere.

They can confidently assert that no house in the Dominion has elaborated and systematized their business to such an extent as they have. The effect and consequence are that year by year the trade constantly and uniformly increases.

The stock is always large, varied and constantly supplemented by new purchases of the latest novelties and value.

They Solicit an Inspection at all times.

Letter orders, or orders through travellers, receive prompt and careful attention, but personal inspection is solicited.

1888.

INTRODUCTORY.

THE publishers have the honor to present to their patrons their sixth annual edition of the Toronto City Directory. Since the first edition published by them in 1883, the size of the book has increased 447 pages, or over fifty per centum; and, notwithstanding the extra cash outlay this naturally requires, they have used every means possible to give their patrons a good and reliable book.

There has been annexed to the city in the last year a large tract of land north and west of the former limits, which has caused a considerable increase in the population of the city. Independent of this the city has grown rapidly, as the increase in the number of names from year to year is proof. We have made an actual count of the names in this year's edition and find a gross number of 55,354 in the city proper. Deduct from this 4,228, the number of firm and incorporate names, companies, etc., and we have 51,026 of single individual names, which, multiplied by 3 (a very low estimate), gives us a population of at least 153,078. In this actual list we exclude all female domestics, also the names of single females who live with their relatives, so that in comparison with other city directories the population is likely to be underestimated. Below are the actual individual names shown in each letter of the alphabet, which can be easily verified:

A.....	1557	O.....	812
B.....	4855	P.....	2260
C.....	4395	Q.....	103
D.....	2479	R.....	2466
E.....	825	S.....	4620
F.....	1906	T.....	1860
G.....	2409	U.....	68
H.....	4106	V.....	296
I.....	234	W.....	3556
J.....	1234	Y.....	211
K.....	1358	Z.....	32
L.....	2158		
M.....	6492	Total.....	51,026
N.....	734		

Following are the number of names appearing in each year's publication during the past ten years:

1879.....	20,226	1884.....	36,359
1880.....	21,919	1885.....	39,409
1881.....	23,166	1886.....	41,287
1882.....	23,879	1887.....	45,220
1883.....	33,592	1888.....	51,026

We purpose issuing with our next year's Directory a new street map of the city, taking in all additions to the city to that date.

Respectfully,

R. L. POLK & CO.
