LESLIEVILLE.

Leslie Post Office., (commonly called Leslieville), is situated in the Township and County of York, two miles east of Toronto, on the Kingston road. The village is named after Mr. George Leslie, who established the nursery business here 20 years ago. The Post Office dates from the year 1858, William Lambert being the first postmaster; in the year 1862, Geo. Leslie, jun., the present postmaster, was appointed. The village contains a common school, a separate school, one church, viz., Wesleyan Methodist, of brick, erected in the year 1859, and capable of seating five hundred people. There are three hotels, one blacksmith shop, one edge tool factory, a large distillery, brewery and vinegar factory, several brickyards, &c. Daily Mail. Population 450.

THE TORONTO NURSERIES were established in 1848 by George Leslie, Esq., and comprise an area of one hundred and fifty acres, and are, without exception, the most extensive in the Dominion, embracing every description of fruit and ornamental trees, shrubs, hedge plants, deciduous flowering shrubs and grape vines. The grounds are admirably adapted for nursery productions. Mr. Leslie keeps up a regular correspondence with some of the principal nurseries in Great Britain and the United States, and spares no expense in adding to his stock all acquisitions of merit. Importations are annually made from England of ornamental, deciduous and evergreen trees, exclusive of what is raised by himself, so as to afford an extensive and varied assortment. In all its departments every care and attention that a thorough knowledge of and experience in the nursery line may suggest, is readily taken advantage of. From this fact, and the already high reputation of the Toronto Nurseries, continued prosperity must be the reward.
