Conference Programme and Announcement

THE DOMINION ALLIANCE for the suppression of the liquor traffic and the Ontario Branch of the Dominion Alliance, unite in welcoming to the Dominion of Canada and the City of Toronto the Superintendents and Workers of the Anti-Saloon League of America.

Like the League our Alliance is simply "The Church in Action Against the Saloon." With you our object is to secure "the greatest present repression, and speediest ultimate suppression of the beverage drink traffic." With you we work for "A Stainless Flag and a Saloonless State."

With you, we are pledged to ceaseless aggressive antagonism to humanity's deadly foes, the drink habit and the liquor traffic.

We cordially welcome you.
