**CHICAGO, U. S. A.**

This is the  
"House that LIBBY built."

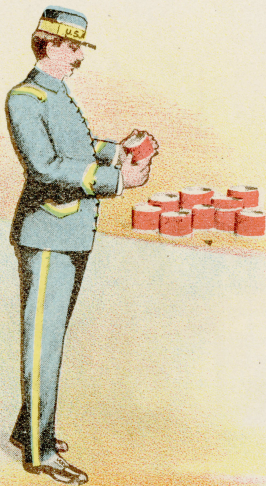

These are the "GOOD THINGS"  
 That come from the  
 "House that LIBBY built."

These are the maidens, full of glee  
Who pack the goods so carefully,  
That come from the

“House that LIBBY built.”

This is the Inspector, who gets his fee  
For inspecting every can you see,  
Prepared by the maidens, full of glee,  
Who pack the goods so carefully,  
That come from the  
"House that LIBBY built."

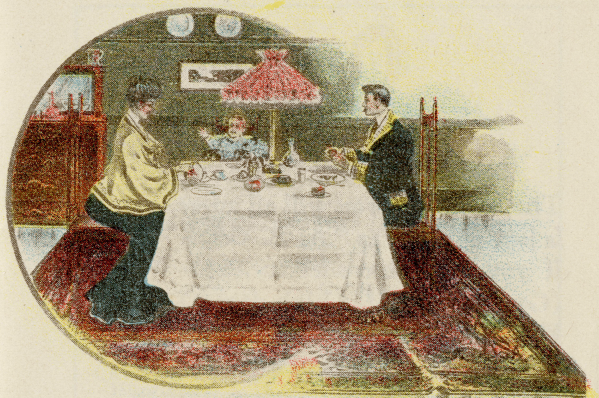

This is the modern grocery  
Where "GOOD THINGS" are displayed so  
temptingly,  
Passed by the Inspector who gets his fee  
For inspecting every can, you see,  
Prepared by the maidens, full of glee,  
Who pack the goods so carefully,  
That come from the  
"House that LIBBY built."

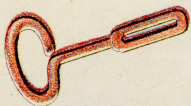

This is the famous patent key  
That opens the cans so easily,  
That come from the modern grocery,  
Where "GOOD THINGS" are displayed so  
temptingly,  
Passed by the inspector who gets his fee,  
For inspecting every can, you see,  
Prepared by the maidens, full of glee,  
Who pack the goods, so carefully,  
That come from the  
"House that LIBBY built."

This is the domestic felicity,  
Contentment of a high degree.  
The secret is in Libby's key,  
That opens the cans so easily,  
That come from the modern grocery,  
Where "GOOD THINGS" are displayed so  
temptingly,  
Passed by the inspector who gets his fee,  
For inspecting every can, you see,  
Prepared by the maidens, full of glee,  
Who pack the goods so carefully,  
That come from the  
"House that LIBBY built."

The MORAL, you will all agree,  
Is just as plain as "A. B. C."  
If you would have felicity,  
(Contentment of a high degree),  
Keep close in touch with Libby's key,  
That opens the cans so easily,  
That come from the modern grocery,  
Where "GOOD THINGS" are displayed so  
temptingly,  
Passed by the inspector who gets his fee,  
For inspecting every can, you see,  
Prepared by the maidens, full of glee,  
Who pack the goods so carefully,  
That come from the  
"House that LIBBY built."

TRADE MARK.
