## THE GOOD SHEPHERD.

---

JESUS is the Shepherd,  
And none so kind as He,  
He came from heaven to save us,  
He died to set us free.  
Though He would keep us safely,  
We often go astray;  
Like foolish sheep we wander,  
And leave the narrow way.

Jesus is the Shepherd,  
He loves His lambs to lead  
Beside the pleasant waters  
And in the grassy mead;  
And if the lambs are weary  
He takes them in His arm,  
They come to Him to help them,  
He keeps them safe from harm.

Jesus is the Shepherd,  
His little lambs are we:  
Then let us love Him dearly  
Who died to set us free.  
O Jesus, lead us onward,  
In sunshine or in cold,  
And gather us in heaven,  
Thine everlasting fold.
