Electric
Hair
Restorer
HAIR
REMEDY

Helps You to Look Years Younger

This great Hair and Scalp Remedy imparts color and lustre to faded and gray hair. It makes the hair soft and glossy, and helps to keep the scalp clean and healthy. It is an excellent remedy for stopping the hair from coming out and for promoting its growth.

ONE GREAT REASON WHY

The Electric Hair Restorer
PRODUCES SUCH REMARKABLE
RESULTS

One of its ingredients, **Sulphur**, is a natural element of hair. All healthy hair contains Sulphur, which helps to keep the hair healthy, and protects it from germs which attack the hair roots. When the proper amount of Sulphur is lacking, the logical thing to do is to supply it. All Hair and Scalp Specialists agree that **Sulphur is a valuable remedy for Hair and Scalp troubles**. It must be the right kind of Sulphur, though, and must be properly prepared, combined and applied in order to do its work. Then, it kills the germs which cause dandruff and falling hair, and quickly relieves scalp humors, rashes and irritations.

Positively Cures

CONSTIPATION, BILIOUSNESS,
ALL KIDNEY, LIVER AND

ACHES, Etc.

DICK'S PILLS for Constipation are without a doubt the greatest Compound known to the Arts of Modern Medical Science. The formula is the work of years of study and research. The Experimental Stage is past. It is an Absolute Certainty that **DICK'S PILLS** cure Constipation by assisting Nature in evacuating the bowels, causing the action to be healthy and sound, thereby getting rid of all gases, puss and all foreign matter, releasing congestion where it exists and restoring all organs to their natural functions. When we have a healthy stomach and liver, good health naturally follows. The glow comes back to the pallid cheeks, and the eye, the barometer of health, resumes the bright sparkle of youth.

DICK'S PILLS have a healing and soothing effect upon the bowels, causing no griping or pain by their use.

General Directions for Use of Dick's Pills

The Bowels should be well relaxed at first by taking two of the Pills before going to bed, and then one every night on retiring, if necessary, one in the morning also. If acting too freely discontinue for a day. Every man and woman should use their own judgment in regard to these Pills, as they are absolutely a cure for Constipation and Biliousness.
