J. T. BRONDGEEST, Chairman of the Board of Trade.

A Literary Curiosity.

A poetical friend of ours (says the Boanscript) has a paper-folder, with the ring line from Gray marked on it:—

"I resolve," says the Bishop Bever "never to speak of a man's virtues befo face, nor of his faults behind his back,—a the observance of which would, at one of banish from society both flattery and de-tion."

The second support, and a second seco
