

GUILDWOOD NEWS & VIEWS

Official Publication • Guildwood Village Community Association Vol. 70 No. 1

PROGRESSIVE IDEA TAKES SHAPE.

Under the auspices of the Guildwood Village Community Association, a Sub-committee has been formed to start immediate implementation of a Recreational Complex in Sylvan Park adjacent to Elizabeth Simcoe School. Excellent progress has been made to date and some of the details are spelled out below. Architectural drawings have been developed and the above illustration shows current thinking.

Members of the Sub-committee are as follows:

Chairman	John McMillan	261-0967
Vice Chairman		
Campaign Chairman		
	Pete Hagarty	266-9828
Treasurer	Eric Fisher	266-6221
Director	Barry Allum	266-5777
Past Chairman		
	Mrs Meg Robertson	267-1040

Mrs Robertson wished to step down from her former post as Chairman, pending her move to Winnipeg in late February. John McMillan has moved up to Chairman and Pete Hagarty has joined the Sub-committee as Vice-Chairman. Meg will continue to participate in the activities of the Sub-committee for as long as possible. The remaining details concerning progress-to-date are outlined in the form of Questions and Answers.

QUESTIONS AND ANSWERS ON kiwanewood

Q. WHAT IS KIWANIWOOD ANYWAY ?

A. It is the Recreational Complex to be developed in Sylvan Park, adjacent to Elizabeth Simcoe Public School in Guildwood Village.

Q. WHO IS BEHIND KIWANIWOOD ?

It was initiated jointly by the Guildwood Village Community Assoc., and the Scarborough South Kiwanis Club following authorization by a General Membership Meeting of the Association on November 5th, 1969.

Q. WHAT IS THE PURPOSE OF KIWANIWOOD?

It is intended to provide recreational activities for members of the community particularly for the children and teenagers who find it most difficult to obtain adequate recreational facilities nearby. It will be open to residents of all ages.

editorial

TO OUR READERS:

You will note that this issue of the News and Views is substantially changed in format and readability from that of the past several years. We hope that our new look will be popular with you.

The News and Views is the official publication of the Guildwood Village Community Association. It is the firm conviction of your current Executive Committee that this paper is one of the most important results of the Association's efforts, since it is the only source of continuous communication between the Association and all its members.

The News and Views has been mostly a voluntary effort by many dedicated people over the years. Each issue has taken many hours to complete the writing, editing, typing, proof reading, printing and distribution which was necessary. After two issues were published in late 1969 under the guidance of (and with most of the work done by) Tom Nicholson, the nerve-wracked participants decided that a change was necessary.

Two major changes were implemented to improve the News and Views. The first step was to establish a management board of three to ensure continuity and spread the considerable workload. The new management consists of John Greenhaugh, Business Manager and Advertising; Tom Nicholson, Production and the undersigned, Editor. The second change was a complete re-vamping of the production procedure. This issue was printed commercially by offset process. As well as the obvious advantage of improved readability, the process allows greater flexibility in layout, updating of copy and advertising and reduction of type size. We are relieved of the time-consuming task of fighting a balky duplicator which always seemed to choose the worst moment to create problems.

The News and Views, although a non-profit endeavour, can only be continued by the Community Association with the support of our advertisers who have been most loyal and forebearing in the past. To them, our heartfelt thanks and the sincere wish that the "new" News and Views will meet with their approval.

We are endeavouring to make our publication a lively forum for the discussion of problems and issues which affect Guildwood Village residents. To this end, we invite your letters, articles, reports and announcements. If you feel that you can contribute in any way, including criticisms or suggestions, please contact the Editor -Eric Parker at 266-9128

MEMBERS OF THE TORONTO REAL ESTATE BOARD

chairmans report

Our 1970 Membership drive is drawing to a close and to date the results are not too encouraging. For some reason or other a number of home owners have decided not to join the Association and to those uninterested parties or any new residents to the area we would like to reiterate the aims of the Association and the programmes we have developed to realize our objectives.

Acting without political bias or any affiliation the Guildwood Village Community Association is dedicated to foster betterment of living conditions within its area and to co-operate and negotiate with other organizations and with Municipal Officials on broader issues. We are dedicated to promote greater interest and participation in Municipal Affairs that effect our area. We sponsor, develop and administer a number of programmes of a social and athletic nature and finally we communicate to all residents of Guildwood through this periodical- Guildwood News and Views.

The administration of our Youth programme is demanding of much time and energy but also involves a substantial financial commitment. The more organized activities we have for our youth the less problems we will encounter in other areas.

Our Victoria Day celebration includes a sports day, parade, and a super fireworks display (how much \$ did you save last year with no risk of accident), our Beautification programme, Association dances, the Out door Skating rinks (isn't this a great year!), and so on. These are some ways in which you receive a significant return for your \$5 per annum fee.

If you have not been a member of the Association, or dropped out in recent years, or new to the area we urge you to consider the role we play in assuring you of representation and management of affairs for the betterment of the community. We need your full support or many of the aforementioned activities will have to be dropped or scaled down. Contact our Membership Director today (Fred Johnson-261-1352) and he will have a canvasser call on you to welcome you to the Association.

TRAFFIC LIGHTS AT LIVINGSTON AND GUILDWOOD PARKWAY ?

A few years ago our request to have traffic lights installed at the intersection of Livingston and Guildwood Parkway was turned down as research indicated that there was insufficient traffic to warrant the installation. With our gaining so many new neighbours as a result of apartment construction and the traffic build-up as a result of the "GO TRAIN" service we feel we have a stronger case to present. We have approached the authorities asking them to review this matter and hope that we receive the desired results before there is a fatal accident at this intersection. We will keep you posted.

Also, we have submitted a request to the Scarborough Traffic Co-ordinator to have his Department investigate the possibility of automobiles being able to make left hand turns off Guildwood Parkway on to Kingston Road westbound. This is a particular problem in the morning and even worse when the hill up to Kingston Road is icy. Again, we will keep you advised through this publication.

ASSOCIATION DANCE

Our next Association Dance is to be held on Friday February 13th at the MOOSE HALL located on Markham Rd. Your Social Convenor, Mrs Barbara Jensen, has a knack for making these dances a great success so get your tickets early and be assured of a pleasant evening. Call Barbara at 266-2783 for tickets.

Auxiliary plans Card Party.

The Ladies Auxiliary of the Third Scarborough East Cubs and Scouts are holding their Third Annual Card Party on Wednesday, February 11, 1970 at 8:00 P.M. in the Guildwood Presbyterian Church Hall. Beautiful prizes will be given away and refreshments will be served. Tickets are \$1.50 each and are available from members of the Ladies Auxiliary or phone 266-3885. Bridge, Euchre or whatever your favorite game happens to be. Bring your cards and join the fun.

letters to the editor

This column is being initiated in the hopes that Guildwood residents will take the opportunity of writing to the Editor on community problems and issues which they wish to raise. Hopefully, lively discussions and comment will result. Because of space limitations, letter contents should be restricted to one subject and 250 words or less, if possible. We will try to print all letters received. Address mail to Eric E Parker 142 Toynbee Trail, Scarborough.

kiwaniwood (continued)

Q. PLEASE BE A BIT MORE SPECIFIC ABOUT WHAT THIS RECREATIONAL COMPLEX WILL INCLUDE

In order to provide visible signs of progress a phased approach has been adopted. Our current schedule calls for Phase 1 to be completed by May 31st, 1970. The six(6) phases in our current schedule are as follows:

- Phase 1. Completion of 4 tennis courts, surrounding screening, lighting and change facilities which can be doubled for other activities.
- Phase 2. Completion of an outdoor swimming pool.
- Phase 3. Completion of a Community Building (added on to Phase 1's facilities.)
- Phase 4. Completion of an artificial Ice Skating Rink.
- Phase 5. Covering over the swimming pool.
- Phase 6. Covering over the Ice Skating Rink.

Q. WHY HAVE YOU CHOSEN TENNIS COURTS AS PHASE 1 OF THE COMPLEX ?

Current research indicates that these courts will receive a high level of usage. They cater to a community activity for individuals of virtually all ages. They are easy to maintain, an important factor for the initial phase of a multiphase project. Finally they can be built at a relatively modest cost.

Q. DO YOU HAVE ANY CONCRETE IDEAS ABOUT WHAT ALL THIS IS GOING TO COST ?

Current estimates place the cost of Phase 1 and Phase 2 at approximately \$25,000 and \$70,000 respectively.

Q. HOW ON EARTH ARE WE GOING TO RAISE MONEY LIKE THAT IN GUILDWOOD ?

Not without a certain amount of blood, sweat and tears. However, the financial data, as we see it currently, is most interesting. Talking only about Phase 1 (as the Kiwanis is only committed this far) the following situation applies, assuming we reach our personal target of \$5,000 from the Village.

Donations from Guildwood residents.....	\$5,000
Kiwanis fund raising commitment.....	\$3,000
Matching donation from Scarborough Parks and Recreation Department....	\$8,000
Provincial Government Grant (25% of total).....	\$5,333
TOTAL.....	\$21,333

Thus every dollar contributed by a Guildwood resident contributes \$4.27 to the total project objective. Finally we hope to obtain further assistance from the Scarborough Board of Education. The most important point here is that we can obtain an immense amount of outside help once we indicate that we, as citizens, are out to help ourselves.

Q. IS MY DONATION DEDUCTABLE FOR TAX PURPOSES ?

Yes, we believe so. We have not received a reply from our application to the Federal Government asking them for registration as a Charitable Organization.

Q. YOU HAVE MENTIONED A NUMBER OF OUTSIDE ORGANIZATIONS HERE. JUST HOW DO THEY ALL RELATE TO THE GUILDWOOD COMMUNITY ASSOCIATION AND HOW CAN WE BE SURE THAT THE NEEDS OF THE CITIZENS OF GUILDWOOD ARE MET PROPERLY ?

At the present time we have firm assurance that the Scarborough Parks and Recreation Department and Scarborough South Kiwanis Club both wish to participate with us in the Kiwaniwood development. We are currently holding meetings with members of the Board of Education and have received a very favourable response. We intend to draw up a legal document among the four parties, outlining the responsibilities of each as to both initial construction and continuing commitments. We will turn over the responsibility for maintaining the Complex to the Parks and Recreation people who have the trained staff and since operating costs for the Kiwaniwood project could reach as much as \$75,000 annually.

Q. WHAT LEVEL OF COMMITMENT ARE YOU SEEKING FROM MEMBERS OF THE VILLAGE ?

Just as much as the citizens are willing to provide. We are interested not only in cash donations but also commitments in the form of labour, experience and knowledge that can help us complete all phases of the project at the earliest possible date. To assist us in this regard we will be distributing, on Friday February 14th, a report on Kiwaniwood progress together with a "skills inventory" form which we will ask all interested residents to complete. This form will provide an opportunity for you to tell us just how you can best help. These forms will be collected during the Community Canvass by our official canvassers and the Canvas will be held during the week of February 15th to 22nd, and will cover all 1400 homes in Guildwood proper plus the greater portions of Markham Bluffs.

Q. WHAT IS MY FAIR SHARE ?

We cannot answer this question direct but a few guide lines may be of some assistance. Our current goal for 1970 is the completion of the first two phases of the project—that is, facilities for four tennis courts completely lighted and fenced, change facilities and most important an outdoor swimming pool with foundations for the pool cover to be completed as phase 5. On the basis of cost sharing as outlined earlier this amounts to a minimum donation of \$5 per family to complete Phase 1 - the Tennis Courts, and \$25 per family to permit our completing both Phase 1 and 2 - the Swimming Pool.

Q. HOW DO I KNOW THAT MY DONATION WILL BE PROPERLY APPLIED TO THE KIWANIWOOD COMPLEX ?

Receipts will be provided for all donations received. A bank account in the name of Kiwaniwood has been opened in the Guildwood branch of the Canadian Imperial Bank of Commerce. The books will be audited at six month intervals by a Chartered Accountant.

Q. WHY DO WE HAVE TO DO ALL OF THIS WORK OURSELVES TO GET A COMMUNITY RECREATIONAL COMPLEX ?

Mainly because other methods that were attempted have failed. We have little to show for the last ten years. Let's get with it and make Kiwaniwood a success.

IF YOU FEEL WE HAVE NOT ADEQUATELY ANSWERED ANY IMPORTANT QUESTIONS, PLEASE FEEL FREE TO CALL OR WRITE TO THE SUB-COMMITTEE MEMBERS.

Now that the Christmas Turkey Roll is behind us again, and we are on our way towards SPRING - the days are getting longer again, the competition for a championship playoff spot is becoming heavy. So far, Bill's Bowlers who have up to now been leading the bottom of the league, have been pretty hot and are leading at the top for a change. Take heart Lancaster's Bombers, you can do it too!

Speaking of the Turkey Roll, here are the people who enjoyed a free turkey or Christmas cake - they might still have some left over:

SOCCER STARTS SOON

Registration has already started for the 1970 soccer season. Forms have been sent to all players who were in the league last season. Players who have not received their forms or boys who are interested in obtaining them should contact Mr. H. Kunz at 261-8641.

Our first dance of the season was a great success with 230 people attending. A second dance is planned for the first week in April. Tickets can be obtained from Jim Griffin, phone 261-5834.

We intend to increase our house league by four teams and boys from seven years of age will be accepted this year. We now have 16 house league teams and six all-star teams in the Scarborough League.

Our expansion means that we need a lot more help and more sponsors. Any person interested in helping should try to come to Laurier Collegiate on Tuesday evenings between 7 and 10. You don't have to be a soccer player, nor have a knowledge of the game to help. We need as many organizers as we do coaches. Please try to find some time to aid the boys in your neighbourhood. The more organized sports in the area, the less problems we will have.

Let's make 1970 another fine soccer year for the Guildwood area.

SCHOOL RINKS WELL USED

The ice rinks at Guildwood and Elizabeth Simcoe Schools are being well used this year thanks to the lengthy period of cold weather. These rinks are provided and maintained (including lights) each year by the Guildwood Village Community Association.

kadettes prepare

As a Guildwood Community project, a majorette parade corps has been formed. There was considerable response from the girls in the area and the new quarters was obtained with the assistance of the Community Assoc.

In early November 1969, intensive training in earnest began at Sir Wilfred Laurier Collegiate and the corps name "Guildwood Kadettes" was decided upon.

The girls are now training very hard in preparation for the Victoria Day celebrations and will be able to parade with a great display of pride. The next phase to the Corps is a Color Party and a small Drum Corps. A start is already made in this area.

The Kadettes now consists of about 40 members and there are still openings. Girls 4-12 years to train as majorettes or for the Colour Party are welcome. Boys 10-14 years to train for the Drum Corps.

The members of the Corps are charged a small fee to help cover cost of the school and towards uniforms.

All inquiries regarding the Guildwood Kadettes should be directed to Mrs Mary Bullied-149 Catalina Drive, Phone 267-1526 after 6PM.

3rd SCARBOROUGH EAST CUB AND SCOUTS

'A' Pack

Our pack ended the year 1969 with eight boys receiving their Green Stars, they are Michael Gallant, Drew Butler, Stephen Gallant, Stephen Good, Robbie Jackson, Dave Middleton, Wayne Sidsworth and Brian Hand.

Activities have included a hike and weiner roast at Morningside Park, a craft night when many interesting things were made. Since the season started the boys have earned 21 badges. The boys are busy preparing for the Skill-O-Ree hobby show which is scheduled for February at the Washington United Church.

We are looking for someone who is willing to demonstrate and teach the boys first-aid. If you can help, which would entail one night a week for a month or so, please call up Mrs Willie at 266-2214.

'B' Pack

Congratulations to our four new Sixers who were recently invested-Ian Ellis, James Qualtrough, Doug Large and Jim Brown. Our Christmas part was a huge success with 'Fifi the Clown' adding to the success with a surprise visit. Thanks for coming Fifi.

We are meeting back at Elizabeth Simcoe School after starting the year at St. Ursula's School.

The Blue Six, Doug Large, Paul gomery, Miles Gustofson, Brad Watson David Bernardo and Steve Keen, received awards for passing the most badges and stars. They are our current senior six.

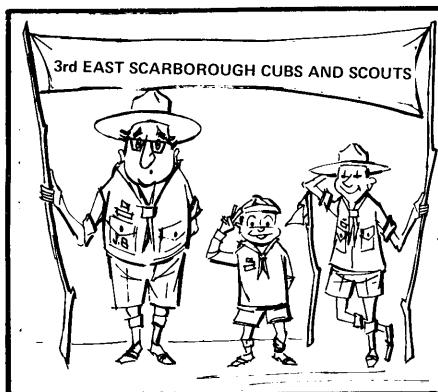

'C' Pack

We are pleased to have our two new leaders Mr John Auld and Mr George Good. Mr Good was invested by the District Cub-master at a pack meeting at the end of December.

The entire pack received instruction for the Carpenter's Badge. Now several boys are constructing birdhouses to complete the badge requirement. The boys intend entering the birdhouses as well as other crafts being made out of popsicle sticks, in the forth coming Skill-O-Ree.

A tour of the local police station was carried out at the end of January as part of their 'star' work. The pack is also planning to attend

the 'Expo-70' camp in early spring. Unfortunately, it will be held just outside Toronto instead of Osaka. We are beginning to plan our camp projects, which will be centred around a Japanese theme. For example, we plan to make chopsticks to take with us so we can eat in Japanese style. If there is anyone with suggestions to help us plan this Oriental style camp (projects or menus) please call Miss Smith at 261-5655.

'D' Pack

Greg Peacock, one of the cubs in this pack reports that they ended up 1969 with a Christmas party where they raffled off the presents each boy brought in by playing "musical chairs". It wasn't such a good idea because the last person got the smallest present.

During January we had a bird house contest. First prize was won by Trevor Bunting. Late in the month the 'new chums', who had been waiting a long time, were invested.

'A' Troop

The troop finished up the year with a bang up party. Not the least item on the programme was a special treat of 'Chili Con Carne' prepared by our Scout Master Peter Leonard and devoured by the 24 hungry scouts. The troop welcomed two new arrivals from the 'States' they are Earl Smith and his brother Tex. Eight boys assisted at the recent blood donor clinic.

The troop had a great time when they visited the 'Science Centre'. The boys have also made arrangements to take a course in first aid. The

course will be given by the St Johns Ambulance and will be starting the beginning of February. The scouts have been busy earning badges. Casey Head earned his Modellers Badge, Randy Findley also earned the Modeller's Badge and the Music Badge, Bruce Robertson earned the Silver Stage of the Life Saving Badge, and David Fish earned the Bronze Stage for the Safty Badge.

'B' Troop

The new troop is in full swing with 21 very active scouts. There's room

for a few interested boys, who can contact Don Willie at 266-2214, Art James 266-4695 or Brian Bunting at 267-8041 for futher information.

Eleven new scouts were recently invested and are now working on their 'Bronze Citizen's Badge'. They are Don Arthur, Robin Bennett, Bob Gates Tom Griffin, Peter Harte, Barry Jones, Larry Moody, David Penak, Gary Pattison, Michael Wenzel and Robert Wright. The older scouts are working on Challenge Badges and the following are congratulated on their passing. Gord Brown-Bronze Citizen, Pet Keepers-Sportsman and Gold Swimmers, Paul Bunting-Music, Collectors and Bronze Citizen, Rick Dankart-Bronze Citizen and Bronze Swimmers, Nick Hames-Pet Keepers, Larry James-Silver Lifesaving, Silver Swimmers and Modellers, Andrew Martin -Sportsman, Bronze Citizen and Personal Fitness, Barry Mathews- Bronze Citizen, Entertainers and Collectors, Brian Rhodes-Bronze Citizen, and Charlie Williamson-Modeller's.

Recently the troop went on an all day hike. Five trail makers managed to confuse the trackers so that the lunch scheduled for noon didn't take place until 2:00P.M. As a result the hamburgers, beans, donuts and hot chocolate disappeared in quick fashion. A soccer game wound up a very successful day. A visit to the 'Science Centre' in Don Mills was so enthusiastically received that a repeat performance is in order before the end of winter.

January 16th was a Father and Son bowling night, and a crowded bowling alley of sons and dads set the pattern for an unprecedented bang up time. Everyone went home with either a prize or stomach full of goodies. The Rouge Hill Bowls is still recovering. The troops first week-end camp is scheduled for Fouders Day week-end February 20th at Camp Samac near Oshawa.

An Ecumenical Service was held on January 25 in the Guildwood Presbyterian Church, bringing together again Washington United, the Presbyterian Church and Holy Trinity. This service observed the Week of Prayer for Christian Unity. We are now planning for an ecumenical series of services and discussions for the Sunday evenings during Lent, when members of the three congregations can come together in an endeavour to know each other better and to discuss questions of common interest. Further information will be available from any of the churches as to time, place, and topics.

Confirmation classes are now underway. We are looking forward to Confirmation on Thursday, April 16 at 8:00 P.M., with Bishop Garnsworthy to confirm and to preach. A number of our people remember him as Curate of St. John's, Norway and Rector of St. Nicholas, Birchcliffe some years ago. If you are new to the community and wish the opportunity to make friends, we do invite you to attend our services and to become involved in our activities.

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

With the onrush of winter's cold we find ourselves taxed for new and stimulating ideas that will take our minds off the cold and permit us to imagine that it is warmer than it is.

Spiritually speaking, most of us need a warming up at this time of year as well. The mad rush of Christmas activities are now long past. Lent and Easter; all the activities that prepare us for this all-significant event are yet in the future.

It seems that we are finding a greater concern to know what exactly our faith is all about. This is good. The '70s are to be most challenging and it makes us ever aware of the necessity that we be most certain as to the direction that we must go.

Perhaps the following activities at Guildwood Community Presbyterian will help you to warm up and interest you in our fellowship:

-Communicant's Classes for those enquiring into the meaning of a vital and personal faith; a step toward church membership, meets at 3:00 P.M. on Sundays in the C. E. Building.

-Sunday Evening Study Fellowship meets again on Sunday, February 1 at the home of Pat and Doreen Ellis, 64 Sonneck Square at 8:00 P.M. Future meetings will be determined then.

- Annual Meeting to follow the close of Divine worship, February 1, 11:00 A.M.
- Youth Sunday, February 8- a host of 'goodies' planned for that Sunday.
- Scout Church Parade on Sunday February 15 at 11:00 A.M.

Welcome to all newcomers to our community. We welcome you to our fellowship, should you be looking for a church home.

THE CHURCH OF THE HOLY TRINITY

When you receive this copy of the News and Views, our Annual Vestry Meeting will be over. The following are being appointed or nominated as churchwardens: Norm Brown as Rector's Warden, Charley Walcott as People's Warden and Fred Bunch as Deputy Warden. Very special thanks go to Bill Qualltrough who has been Rector's Warden for the past two years, and to Bob Thomson who has been Deputy Warden for the past year.

We do wish to thank all those who have helped so much during the past year to build our congregational life and to make it stronger. We have some good memories of the past year to take with us as we press on into 1970 and the years ahead.

Services continue each Sunday at 8:00 and 11:00 A.M. with Sunday School sessions at 9:30 (Grade 5 and up) and 11:00 (Grade 4 and down). We provide nursery and kindergarten classes each Sunday at 11:00. We welcome Mr. George Good as our new Superintendent for the Sunday School.

school news

ST URSULA SCHOOL

The Christmas season was an active one for St. Ursula students despite the extended holiday.

We had a very successful "canned goods drive" for the Good Shepherd Refuge. The Brothers were most pleased with this school's Christmas gift. The Kindergarten children under the guidance of Mrs. J. Schofield returned before Christmas to the Guildwood Nursing Villa with many decorations that they had made. After they hung the decorations they walked the hallways, singing "We wish you a Merry Christmas". Many interested parents attended our morning Christmas programme on the final day of school Friday December 19th, 1969.

Our Sports programme is in full swing and despite the cold weather, the Grade 3 and 4 students are excited about their weekly swimming programme at the Scarborough Boys Club. Competition is fierce in the House League basketball, under the direction of Mr. B. Boyle, Grade 7 teacher. Both the boys and girls have teams in this league. Father Giroux from St. Boniface Church has the boys of Grade 8 playing basketball on Saturday mornings in the Gym of St. Boniface School. This is an extra curricular activity and the boys seem very keen. Many thanks to Father for the time and energy spent on behalf of the youth. We are all very pleased to report that both the girls and boys volleyball teams came second in the Metropolitan Separate Board volleyball tournament.

On December 18th, 1969 the Grade 8 students enjoyed a visit to Notre Dame and Neil McNeil High Schools. The trip was found very helpful in preparing the boys and girls to choose the courses they would like to follow when they enter High School in September.

Coming events include the following activities of particular interest. The "Prologue to the Performing Arts" will be presenting an opera for the Grade 8 pupils Friday February 13th, at Neil McNeil High School. Also, a Trustees' Public Speaking Contest is coming up in February for the students of Grades 6, 7 and 8. Everyone is working hard preparing their speeches and the competitive spirit is clearly visible.

GUILDWOOD PUBLIC SCHOOL

On Thursday, January 15th, the parents were invited to attend a meeting with the grade 8 pupils to discuss course selections for grade 9. Mr. W. Gulka, principal of Sir Wilfrid Laurier Collegiate, Mr. A. Fletcher, Guidance Head, Miss Linda Middleton a prefect and Mr. J. Mussell from the guidance department all addressed the audience.

We are happy to have Police Constable V. Sills of the Traffic Safety Bureau visit our school the week of January 12th.

On February 20th some of our grade 7 pupils will participate on the TV programme "Swingaround". This programme will be aired on March 10th.

On Thursday, January 15th Mr. Ludwig addressed an assembly of our grade 6 pupils as a preface to visiting the Art Gallery. Mr. Ludwig is the Art Supervisor for our area.

With the recent cold weather our pupils have been able to enjoy Physical Education on the skating rinks.

Our next Home and School meeting will be held on Monday, February 9th. The pupils will be giving a public speaking demonstration.

In sports, we have our junior hockey team playing in the West Scarborough League. Mr. Roberts and Mr. Collins are doing the coaching. The senior and bantam boys' volleyball teams are approaching the play-offs while the senior boys' and the senior girls' basketball teams are practising for inter-school play.

SIR WILFRID LAURIER COLLEGIATE INSTITUTE

A play, "You Can't Take it With You" is to be presented on Thursday and Friday, February 12 and 13 at 8 P. M. in the school auditorium. The performance is very lively, involving 15 or more characters who all "do their thing". Rehearsals are going full steam -- and are often uproarious. Stage properties include a tank of snakes, a bottle of flies and a hand operated printing press. The off-stage sound effects man is having fun producing the equivalent of a basement full of fire crackers going off. Sound interesting? Come and see for yourself.

Parents' Night was held on January 14, for parents of students with surnames beginning with A to L. A second Parents' Night took place on January 22 for parents of the balance of the students. On both evenings, the period from 7:15 to 8:30 was for interviews prescheduled by teachers. 8:30 to 9:30 was set aside for interviews requested by the parents.

In sports at Laurier, the Midget Basketball Team is off to an excellent start this season with a record of six wins and two losses. Coaches Doug Kelcher and Brian Punchard are very optimistic about the team's chances of making the playoffs. The team has a 15 game schedule and we hope that the second half will be as successful as the first has been. On the floor, the club has been led by guards Rick Cannon and Steve King. Unfortunately, Steve broke a bone in his ankle and Rick's partner in recent games has been either Mike Vogel, Bill Arnold or Gary Corke. Steve Redmond is the club's center and he has been ably assisted by Sandy Coutie and Barry Mcullen. Mark Shore, Bruce Hobbs, Dean Little and Bruce Dojec are the team's forwards.

Laurier's Junior Basketball Team, coached by Mr. P. Baker, is a team of potential. At the present time our record is four wins and four losses - a .500 record with six league games to go. Our chances of a playoff position, providing we win the majority of our remaining league games, will be somewhat "tight". Only the first two teams from our Eastern Division will advance to the playoffs against the top two teams from the Western Division. The potential is there - let's hope that we can accomplish it.

To obtain a berth in the playoffs will depend on boys like Rick Hare, Don MacDonald, Dave Hobbs, Darrell Richards, Roland Limeback, Peter Gelderbloem, Bob Bruce, Ron Mistic, Mike Abshoff and Doug Munkley. Rick Hare, our leading scorer to date, has a fine jump shot. Since he is only in Grade 10, his future as a basketball star at Laurier is promising. Both Dave Hobbs and Darrell Richards are good dribblers and tremendous on defence. Don MacDonald, our centre, is a big boy who controls the rebounds well. Roland Limeback, brother of the Senior's outstanding player, and Pete Gelderbloem are both in their first year of high school ball and will be great players if they work hard. All in all, the boys on the Junior team have tremendous desire and we hope they can make the playoffs this year.

This year the Laurier Wrestling Team has also done considerably better than in previous years. At present it has a 3-2 won-lost record. At the two dual meets held at Laurier, the students have shown a great deal of interest and supported the team well. Up to now the outstanding wrestlers have been Rick Hampson (5-0), Ray Rowan (4-0) and Ted Weidman. Honourable mentions go to Kelly Kay, Rick Andrews and Rick Raymer.

GUIDING CELEBRATION HELD

On Tuesday, January 13, the 61st Toronto Brownie Pack, the 61st Toronto Guide Company and the 1st Scarborough Land Rangers joined together for a birthday party to celebrate the 60th anniversary of Guiding in Canada.

The evening started with the girls joining in a game; then each unit held its own special opening.

After the Colour Ceremony, during which the National Anthem was sung and the Guide and Brownie Promises were repeated, five Brownies received their wings, the highest award a Brownie may receive. Janet Davies, Donna Empey, Nancy Fulford, Carol McLean and Patti Motherspoon received the coveted awards. The following badges were also presented to the Brownies: Housekeeper to Stephanie James and Angela Piitz, Collector's to Carolyn Hudson, Toymaker to Elizabeth Erwin. Golden Hands were awarded to Janet Davies, Donna Empey, Nancy Fulford and Carol McLean.

The Brownies and Rangers then joined the Guide formation while the following badges were presented to the Guides: Hostess to Jennifer Hopkinsor Laurie Gamble, Sharon Scarcello, Sharon Tossell and Sandra Cowan; Child Care to Teri Whiting, Yvonne Raap and Robin Jeber who also received her Swimmer's Badge.

The highlight of the evening was a giant birthday cake decorated in light blue and white, the colours of the special Jubilee Crest which was iced on the centre of the cake. A special candlelighting ceremony was held when one girl from each unit came forward together and lit a small birthday candle (red for Rangers, yellow for Brownies, blue for Guides)

and placed it on the cake. Each unit put six candles on the cake, one for each decade of Guiding. When all the candles were lit, everyone joined together to sing 'Happy Birthday' to Guiding. Any visitors present who had made the Guide Promise were asked to join us as we crossed arms and linked hands, forming a circle while a rededication was read from 'Alive' magazine. The ceremony concluded with everyone repeating the Guide Promise.

After the ceremony more games were played, everyone enjoyed a piece of birthday cake and pop or coffee and a very lively campfire rounded off the evening.

of their Christmas celebrations.

Following our visit to the nursing home, a Company Christmas party was held and gifts were exchanged.

We started off the New Year by taking our Fire Brigade Badge which required three visits to the local Fire Hall. There the firemen gave two even evenings of lectures and set an exam on the final night. These always prove to be popular excursions and we would like to say thanks to the men of the Coronation St. station.

1st SCARBOROUGH LAND RANGERS

The girls haven't been too active lately but have recently held elections for their Executive Committee. The committee members are: Chairman, Debbie Legault; Vice Chairman, Joanne Irwin; Treasurer, Jennifer Simpson; and Secretary, Linda Weber.

Most of the girls have now passed their pre-enrollment requirements and are looking forward to being enrolled as Rangers.

As we go to press, the group are planning a winter camp weekend at Bonita Glen for the end of January.

* * * * *

This year of 1970 is the Diamond Jubilee Year in Guiding. Special events will be taking place throughout the year and we urge all parents to encourage their daughters to participate in these events when possible and help celebrate this milestone in Guiding.

527th GUIDE COMPANY

With the approach of Christmas, December was a very busy month. Some of the girls dressed dolls, which had been supplied by the ladies of the Scarborough Kiwanis Club. These dolls were distributed to needy children by the Kiwanis. Also, nearly everyone in the Company made a stuffed animal. These had a two-fold purpose as they were used by the girls to pass part of the Toymaker Badge and were then sent with the dolls to be distributed to needy children.

On December 21, we put on a Christmas programme at the West Hill Nursing Home. Carols and favourite Christmas songs were sung and some of the Guides played instrumental solos. Each of our six patrols made up a basket of either home-cooking, candies, fruit or toilet articles which were left at the Home to be distributed among the patients. The girls really enjoyed this visit and we would like to thank the patients and staff for letting us share part

parks & rec endorse kiwaniwood

The Scarborough Parks and Recreation Committee approved in principal the plan for our proposed recreational complex "KIWANIWOOD" at its meeting January 19. The committee advised that they would match the scheme dollar for dollar up to \$8,000.

Former York-Scarborough MP, Frank Enfield was spokesman for a joint delegation from the Guildwood Village Community Association and South Scarborough Kiwanis Club when it made representation to the Parks & Recreation committee for its support of the project.

Frank is also co-ordinating a fund raising campaign in the Markham Bluff area on behalf of "KIWANIWOOD".

youth activities

The Drop-in Centre at Laurier is now being supervised by Gary Adams of the Y.M.C.A. The centre is open Monday, Tuesday and Saturday evenings from 7:30 to 10:00 ... and is available to young people from age 14 up.

We hope to have a drop-in centre open in the near future at Guildwood Public School for the 10 to 14 age group. Available evenings and times will be publicized as soon as details are worked out.

Our floor hockey league at St. Ursula continues on Monday nights. Attendance has dropped off recently but improvement is expected now that admission to the Laurier Drop-in has been limited to the older kids.

We are looking for young people to participate in the Walkathon to help raise money for the Kiwaniwood Recreation Centre project. The date is February 7, starting at 10:00 A.M. and the planned route is from Guildwood to Toronto City Hall and return, a distance of approximately 24 miles. Please contact Ken Carter, 55 Livingston Road, Apt. 401 or call him at 261-3469 for further details.

kiddies corner

Tom: What did the beaver say to the tree?

John: I don't know.

Tom: It was nice gnawing you.

What goes up and never comes down?

Your age.

Joe: "What is a cat that drinks lemonade?"

Mo: "I don't know. What?"

Joe: "A sour puss."

"H.M.S. Pinafore", Guildwood Public School Auditorium, 8 PM Tickets: 50¢ each.
- April 1 -
Guildwood Village Community Association General Membership Meeting, Guildwood Public School, 8:30 PM

kiwaniwood

The KIWANIWOOD fund raising canvass has been completed and, although final returns are not yet in, we appear assured of going over our goal of \$5,000. This will allow us to undertake the construction of Phase I of the project. If you were missed in the canvass and wish to contribute toward our community recreation complex, please call Pete Hagarty at 266-9828.

Man does not live by bread alone! Nor does any community enterprise grow merely out of dollars contributed. Dollars of course are important but success in an enterprise such as Kiwaniwood is dependent upon involvement - involvement of a major segment of the community in the construction and utilization of the facilities.

We are now proceeding beyond the planning stage and into the nitty-gritty of construction details and the maintaining of a schedule. Many skills are required! There are many ways to assist! If you feel that you can contribute some of your time to help bring about the actuality of Kiwaniwood, please join the ranks of those who have already volunteered by filling out the "skills inventory" form on Page 8, detaching and mailing in a separate envelope.

swim night

The Community Association Family Swim Night held on February 7 at Cedarbrae Collegiate pool, resulted in a 60% improvement in participation over the previous outing in December.

Many in the group of 50 swimmers remarked that the pool was much more comfortable than on earlier occasions as water and air temperatures have been raised to 80 and 90 degrees respectively. This is a big improvement and should assure an even larger crowd at future pool outings.

Our next Family Swim Night will be held on March 7 at Cedarbrae Pool Markham Road from 9 to 10 PM. Come out and bring the whole family. It's FREE!

editorial

The staff of the News and Views would like to thank all the people who took the time to comment on the new look of our publication. We are most gratified as the majority of the comments have been favourable. We promise to continue striving for further improvements.

Elsewhere in this issue you will find a tribute to Meg Robertson from just one of the numerous organizations with which she has been connected for the past several years. We would like to add our thanks to Meg for her community spirit and untiring efforts on behalf of Guildwood Village. Meg, we are most sorry to see you leave and we wish you the very best.

The News and Views is in need of a reporter to cover the Village and report on special events in our community. We are particularly interested in having with us a student at Laurier who plans to enter journalism on graduation. Get a head start on your career - contact the Editor at 266-9128!

dance is big success

Over 160 Guildwood Village Community Association members and guests enjoyed a lively evening of dancing and revelry at the Moose Hall on Feb. 13.

The unlucky day didn't extend to the evening, as the dance floor was almost continually filled in response to the lively and varied music of Stan Kunz and his group.

Alderman Ed Fulton presented a total of 15 door and spot dance prizes to those who were fortunate enough to be in the right place at the right time during the evening.

The dance concluded with a delicious fried chicken lunch.

Congratulations and thanks go to Barb Jensen, our hard-working Director responsible for organizing social activities. Barb has, almost single-handedly, been the person who assured the success of both our dances this year.

PROPOSED AMENDMENTS TO THE CONSTITUTION OF THE GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

PRESENT CONSTITUTION	PROPOSED AMENDMENT	REASON FOR AMENDMENT
<p><u>ARTICLE II - AREA</u></p> <p>The area to be covered by the Association shall be the four quadrants of Guildwood Village, as officially registered with the Scarborough Township Planning Board.</p>	<p>The area to be covered by the Association shall be the four quadrants of Guildwood Village, as officially registered with the Borough of Scarborough.</p>	<p>This amendment is required to correct the designation for Scarborough.</p>
<p><u>ARTICLE V - EXECUTIVE</u></p> <p>(a) The organization's Executive Committee shall consist of ten officers: Chairman, Vice-Chairman, Past Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, a Director to represent the youth of the community and who shall be a person 21 years of age or under and one additional Director who shall be a woman. In the event the Past Chairman declines membership in the Executive, the Executive Committee shall consist of nine officers: Chairman, Vice-Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, a Director to represent the youth of the community and who shall be a person 21 years of age or under and one additional Director who shall be a woman....</p>	<p>(a) The organization's Executive Committee shall consist of ten officers: Chairman, Vice-Chairman, Past Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, Social Director who shall be a woman and Youth Director who shall be a person 21 years of age or under. In the event that the Past Chairman declines membership in the Executive, the Executive Committee shall consist of the remaining nine officers specified above....</p>	<p>The woman Director is named as Social Director to conform with the practice of recent years regarding the duties of this director. Certain repetitive wording has also been deleted.</p>
<p><u>ARTICLE VI - DUTIES OF OFFICERS</u></p> <p>(a) The Chairman shall act as Chairman of all General Membership Meetings, shall exercise general supervision over the affairs and activities of the Association, shall ensure that an Agenda is prepared for each Membership Meeting and for each Executive Meeting and shall serve as an ex-officio member of any committee.</p> <p>(c) The Treasurer shall collect fees and deposit them in a bank approved by the Executive Committee, keep an accurate list of members and make disbursements as directed by the Executive Committee. All cheques must bear the signatures of any two of the following: Treasurer, Chairman or Secretary. The Treasurer's books shall be audited by two members elected at large at the Annual Meeting. They shall countersign the Financial Statement to be tendered at the following General Meeting.</p> <p>(d) The Secretary shall record the minutes of all General Membership Meetings and of meetings of the Executive Committee....</p> <p>(e) The Sports Director shall be responsible to organize and coordinate all sports activities on behalf of the Association. The Sports Director may form committees to carry out these functions and he shall be honorary chairman of all such committees.</p>	<p>(a) The Chairman shall act as Chairman of all Membership Meetings, shall exercise general supervision over the affairs and activities of the Association, shall ensure that an Agenda is prepared for each Membership Meeting and for each Executive Meeting and shall serve as an ex-officio member of any sub-committee.</p> <p>(c) The Treasurer shall be responsible and accountable for all Association funds. Funds shall be deposited in a bank approved by the Executive Committee. The Treasurer will also make all disbursements by cheque which must bear the signatures of any two of the following: Treasurer, Chairman or Secretary. The Treasurer's books shall be audited by two members elected at large at the third General Membership meeting....</p> <p>(d) The Secretary shall record the minutes of all Membership Meetings and of meetings of the Executive Committee....</p> <p>(e) The Sports Director shall organize and coordinate all sports activities on behalf of the Association. The Sports Director may form sub-committees to carry out these functions and he shall be honorary chairman of all such sub-committees.</p>	<p>"General" has been deleted in the second line as the Chairman chairs all membership meetings (Emergency as well as General). The last word has been corrected in accordance with accepted parliamentary procedure.</p> <p>Duties of Treasurer have been more clearly defined and responsibility for maintenance of the membership list transferred to the Membership Director. Reference to the "Annual Meeting" has been deleted as no other reference to such a meeting appears in the constitution.</p> <p>"General" has been deleted as the Secretary records minutes of all Membership Meetings.</p> <p>Correction regarding sub-committees. See (a) above.</p>

(f) The Director shall perform such duties as may be assigned by the Chairman. In particular the Director will act as liaison between the Executive Committee and the Teen Club.

(g) The Membership Director shall be responsible to organize and coordinate the annual membership drive and servicing of the membership throughout the year. The Membership Director may form committees to carry out these functions and he shall be honorary chairman of all such committees.

ARTICLE VII - BY-LAWS

(d) Emergency meetings may be called at any time upon the written request to the Secretary of 20 paid-up members or a minimum of four Executive members, provided that written notice or publication in the official Association organ has been delivered to the place of residence of each member at least 48 hours in advance of such meeting....

(e) A quorum for the purpose of an official general membership meeting shall consist of 5% of the paid-up membership or 50 members, whichever is the least.

(k) A secret ballot may be requested by a motion passed by the General Membership. The secret ballot shall be conducted under general parliamentary procedure. Election of officers shall be by secret ballot only.

(m) ...Alternately, provided that a notice in writing or publication in the Official Association organ has been delivered to the place of residence of each member at least seven days in advance, a vote can be taken at the next General Membership Meeting....

(f) The Social Director shall be responsible for coordinating the social activities of the Association.

(g) The Membership Director shall organize and coordinate the annual membership drive and maintain a current membership list throughout the year. The Membership Director may form a sub-committee to carry out these functions and he shall be chairman of such sub-committee.

(h) The Youth Director shall organize and coordinate such Youth Activities as specified by the Chairman and shall represent the youth of the community on the Executive Committee.

(i) The Legal Director shall provide legal counsel to the Executive Committee.

(d) ...provided that written notice, or publication in the "Guildwood News and Views", has been delivered to the place of residence of each member at least 48 hours in advance of such meeting....

(e) A quorum for the purpose of any official membership meeting...

(k) ...Election of officers shall be by secret ballot only. No proxy vote will be permitted.

(m) ...Alternately, provided that a notice in writing, or publication in the "Guildwood News and Views" has been delivered to the place of residence of each member at least seven days in advance, a vote can be taken at the next General Membership Meeting....

(o) The outgoing Executive shall appoint a Nominating Committee of two members of the Association who are not members of the Executive Committee to prepare a slate of candidates for presentation at the first General Membership Meeting. The Nominating Committee shall be appointed prior to September 1 annually. The Nominating Committee shall obtain the prior written approval of any person to be nominated.

(p) At the first General Membership Meeting the outgoing Executive shall conduct the normal business as specified in subparagraph (a). The meeting will then be handed over to the Chairman of the Nominating Committee who will present the Committee's slate of candidates.

The woman Social Director has been allocated responsibility for social activities. Liaison with youth is transferred to the Youth Director.

The Membership Director has been made responsible for maintaining the membership list. Correction regarding sub-committees is also included. See (a) above.

This new paragraph contains the duties of the Youth Director.

This new paragraph contains the duties of the Legal Director.

The term "the official Association organ" has been replaced by the name of the publication for clarity.

The quorum requirement for an emergency membership meeting has been defined.

Prohibition of proxy voting has been stated to avoid possible misinterpretation.

The term "the official Association organ" has been replaced by the name of the publication as in(d), above.

This new paragraph incorporates the procedure for the appointment of a nominating committee prior to the election of officers.

... CONTINUED

Letters to the editor

This column is being initiated in the hopes that Guildwood residents will take the opportunity of writing to the Editor on community problems and issues which they wish to raise. Hopefully, lively discussions and comment will result. Because of space limitations, letter contents should be restricted to one subject and 250 words or less, if possible. We will try to print all letters received. Address mail to Eric E Parker 142 Toynbee Trail, Scarboro.

Dear Eric:

CONGRATULATIONS on the new look of Guildwood News and Views !

The Executive of the Association certainly deserve a lot of credit for the many hours they devote to keeping our community one of the finest in Scarborough.

I note in the Chairman's report that the membership canvass is drawing to a close and the results are disappointing. It amazes me that there is not 100% registration! \$5.00 is such a small price to pay to ensure that the best interests of our community are being looked after.

I remember when I canvassed I was quite disappointed with some of the residents (fortunately, a minority) whose comments were "But we had mosquitos this year" - or - "My children don't go to the firework display" - or - just "No, thank you!". Some of these people just don't seem to realize that their \$5.00 is helping to ensure that our community will continue to remain "a very nice place to live".

I'm grateful that we have such an active and interested Association - my children have taken advantage of the rinks; the whole family visit the fireworks display each year; the Association dances are great; and the few mosquitos that visit during the summer could be so very much worse - if it weren't for the Association. At any rate, Eric, please pass on our thanks to the Guildwood Community Association for doing a great job!

Sincerely,

Mrs V. Jensen
3 Wythenshawe Wood.

BOYS CLUB

A new Boys' Club is being organized at Holy Trinity Anglican Church under the joint sponsorship of the East Scarborough Boys' Club and the Church.

The club will provide recreation for boys aged 7 to 13 each Saturday from 9:00 AM to 1:00 PM. Activities will include arts, crafts, gymnastics floor hockey, movies, games and track and field.

Registration commences at Holy Trinity Church, Livingston Road, on Saturday, February 28 at 10:00 AM. Boys may also register at the church on any Saturday. Membership fees will be \$2.00 per year.

For further information, contact Mr. Gorman of the East Scarborough Boys' Club at 261-0588.

childrens theatre

SAYS GOODBYE TO

MEG ROBERTSON

Two years ago Meg Robertson gathered together a group of interested parents to form her theatre for children. With hard work, love, and devotion she brought many happy hours to many children. We know that those children will cherish through their lives the memories of their participation in her productions.

Good luck Meg and thank you from a grateful community. Our loss is Winnipeg's gain.

and we say hello to
Toni Conroy

Our new Director, Toni Conroy (Mrs. Robert Conroy) comes to us from Kansas City after many years of theatre experience. She will work with the 11 to 15 age group and has already cast for "RUMPELSTILTSKIN" at auditions held on February 14 at Laurier. The production will probably be staged in May.

Mary Jane and Peter Large, Directors of the Young Adult group are presently "negotiating" with their group the material for their next production. It is to follow the very successful performance of The Lady's Not for Burning held at Laurier last month.

Watch this page for further news of productions.

LADIES TEENS GIRLS

MODERN RHYTHMIC GYMNASTIC

a way to Grace

and Co-ordination

CLASSES FOR LADIES

Tuesday Mornings 10 to 11 A. M.
(Babysitting will be available)
Registration: March 3rd

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Excitement is said to be a key-word to the spirit of our age. Some may say that excitement is found everywhere to-day but in the Church, however there may be those who will strongly disagree with the latter statement. Many are finding that real life-excitement is best found in the Church. This may not be through the traditional avenues, the so-called time tested programmes but in vital inter-personal relationships that come about as men and women, the young and old, give themselves to Jesus Christ. Somewhere, in all of this, we discover the need for the act of personal obedience and discipline that will align our lives to His transforming touch. At the Community Presbyterian Church we are attempting to face up to some of these more searching demands that Jesus Christ makes upon us. We invite your concern and your participation with us in this ideal, should you be without a church home. What's happening at the Guildwood Community Presbyterian Church? Well, on Sunday February 22nd., we received into the Session of our congregation, the following: Les Angus, Roger Brown, Ted Clark, Forbes Duncan, Pat Ellis, Harry Harper, Ed Kerr, Dr. B.H. McNeel, John Roblin, and Andy Troop. These men, along with the members of the Board of Managers will be planning on a retreat for the purpose of discovering their role and function in our congregational life- this to take place about the end of April or early in May.

Plans are now under way for a School Recess School, (which really doesn't make any sense.) Remember Vacation Bible Schools? We are making use of Winter Recess at the end of March for such a Bible School. We hope that you will see many signs and activities in the next few weeks in regard to this project.

Do you really know what you believe or do you really know why you believe? A study group for those concerned about these questions meets next at the home of Bill and Gloria Head, 8 Wythenshawe on Sun. February 29th and 8 p.m. with Pat Ellis leading the discussion on "Is There a God?"

Whoops! Out of space- but trust we can have your eye and ear for one more moment. Can you sing? Especially, can you sing either tenor or soprano? We need you to be part of a fun group. The fun group may be called 'choir' but it is really more than just that. Give us a call at the Church (261-4037) or come on over at 8 p.m. on any Thursday evening.

Thanks a lot for your time in reading all of this. By the way, congratulations Mr Editor and staff for a much improved format for News and Views. Very Interesting!

HOLY TRINITY CHURCH

The Annual Vestry Meeting was held on January 26th. Charles Walcott continues as People's Warden, with Norm Brown as Rector's Warden and Fred Bunch as Deputy Warden. Roy Shepherd and Mrs. Rachael Boles represent the parish at the Diocesan Synod. Those serving on the Advisory Board are; Dr. Frank Munkley, Ken Gamey, Ian Meadowcroft, Ches Petite, Don Willie, Bob Thomson, Jim Baker, and Mesdames Janet Sweeny, Judith Cabrita, and Georgina Greenhough. Don Hardy is our new Treasurer.

During Lent there is a Service of Holy Communion at 10:00 a.m. each Wednesday, except for March 4th when a Quiet Day for Women is being held at St. John's Convent, Willowdale. Women interested in going are asked to phone Mrs. Anne Tanner at 267-4939. Each Tuesday afternoon, a keen group of ladies are meeting in our Church basement between 1:30 and 3:15 p.m. They invite other ladies to join them as they work on useful projects and enjoy good fellowship.

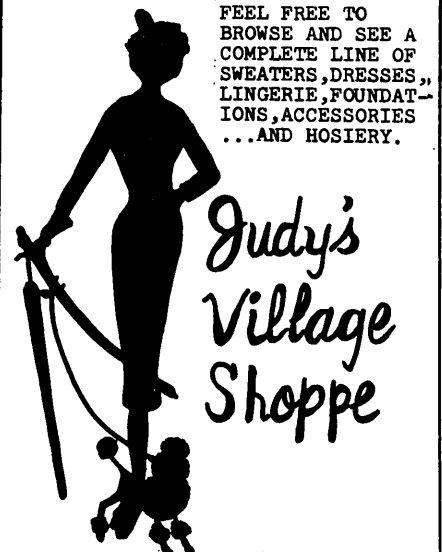

The World Day of Prayer Services this year will be held in Cliffcrest United Church. The Service for women will be at 2:00 p.m. Men as well as women are invited to the Service in the evening and will be taking part in it. This Service draws all the Churches in the area together in worship.

You will read elsewhere in the News and Views of the Saturday morning Boys' club now being planned. We would welcome any fathers or older teenagers who would like to assist with arts and crafts or with gym. You will also read about Rhythmic Gym classes beginning again for the women and girls.

Our Sunday evening discussion group is studying the Acts of the Apostles and relating it to our life in the Church today. You are invited to join us each Sunday at 8:00 p.m.

CUBS & SCOUTS

'A' Cub Pack

37 boys from the pack entered the Skill-o-Ree hobby show, and 12 of them won awards. Congratulations to all the boys for a great effort. Senior Sixer Robbie Field and Sixer John Schumacher formed the colour party who took part with 16 other boys in the pack in the Church Parade observing 'Boy Scout Week'. The weekend of March 14th we have planned a camp at Orangeville. The boys are looking forward to it as a chance to earn badges and to have a lot of fun.

'B' Cub Pack

Three boys were promoted to the scouts. They are Allan Finlay, Jim Qualtrough and Brad Watson. The Pack wishes them good luck in their new venture.

We welcome to the pack Glen Erwin who recently joined. St. John's Ambulance will be visiting our pack for a general talk on first aid and artificial respiration. Plans are under way to visit the local Police station during March and the boys are also looking forward to a hike and cookout planned for this month. Congratulations to Stephen Coultor, Alan Finlay and John Berry for winning ribbons at the Skill-o-Ree. We have a couple of openings for boys in the pack. If your son is interested please give J. Bates a call at 284-7494. We meet on Thursday at Elizabeth Simcoe Public School.

'C' Cub Pack

Most of the boys entered something in the hobby show. Bruce Croxon, Wayne Roberts and Steve Grundy won ribbons for their models. The trip to Scarborough Police Station was a big success. The cubs toured the 'line-up' room, the shooting range, and the horse stables. They even spent some time in the cells- and someone commented

that they looked quite at home in the cells. Thank you Mr. McConnell, Mr. Erwin and Mr. Miller for driving the boys on their outing. It will soon be time for some of the boys to be promoted into the scouts. Plans are being made for the scout master to speak to the boys about scouting and to let them visit a scout meeting.

'D' Cub Pack

The past two months have been busy ones. The following boys were recently invested; Robert Pearson, Keith Lazelle, David Stabb, Tommy Hennessy, John Virtue, James Heebe, Lennox Reuben, Donald Stackiew and Paul Davies. We also welcome two transfers, Emile Groen from West Hill and Todd Rowe from Newfoundland.

The boys took part in a 'Thank you night' put on by U.N.I.C.E.F. at Guildwood Public School last month.

We had 35 exhibits on display at the Hobby Show. Keven Reed took 1st for art, Trevor Bunting, 2nd place for his bird house; Tommy Miller a 2nd for photography; John Smythe also a 2nd for making a cake. Terry and brother Robin King got an honourable mention for their art and model of a modern village. Terry also received an honourable mention for playing the piano. Congratulations Boys! The pack had a good turn out for the church parade. The boys are now busy preparing for camp next month.

'B' Scout Troop

Mid-winter activities are in full swing with the senior boys working on their Explorers Badge and the Junior boys on the Bronze Citizen.

Four new boys were welcomed into the troop. They are; Tim Walker, Alan Yonkers, Michael Kehoe and Stephen Trevorow. Two of the boys will be invested at our winter camp, and the other two during the following week.

The boys are looking forward with great expectation to the winter camp at 'Samac' which will be the end of plus toboggan races and a moonlight hike. A pretty tired crew should return home on the Sunday.

Four patrols were recently formed. They are; Wolverines, with Gord Brown as Leader and Paul Bunting as Assistant; The Galaxies, with Nick Hames as Leader and Charlie Williamson as Assistant; The Falcons, have Bill Smythe as Leader and Andrew Martin as Assistant; and The Iriquois have Brian Rhodes as Leader and Barry Mathews as Assistant.

A troop project is planned to build two fibreglass canoes. The moulds for these canoes are available but we are looking for a source for the fibreglass and resins. We would appreciate hearing from anyone who can help.

We have two openings for boys interested in joining. If interested call Don Willie at 266-2214 or Art Hames at 266-4695 or Brian Bunting at 267-8041.

GROUP NEWS.

The Ladies Auxiliary held their 3rd annual card party on February 11th. A sincere thank you to all those who braved the cold to join us and helped to make this another successful card party. We would also like to thank the local merchants who donated door prizes for this event.

A reminder to all Mothers of Cubs and Scouts that the next regular meeting of the Ladies Auxiliary will be held on Monday night, March 2nd, at 8 P.M. at the Guildwood Presbyterian Church Hall. Mrs. Gay Clark has agreed to come out and show us all the different ways scarfs can be used as accessories to set off the new Spring styles.

A reminder to parents: The annual registration is upon us, would you please check with your boy, to make sure he is registered, or contact his leader.

We wish to thank Mrs. A. Ingram for offering her help in teaching the boys first aid, after our appeal in the last issue of this Newspaper.

MEMBERS OF THE TORONTO REAL ESTATE BOARD

ARTICLE VII BY-LAWS CONTINUED

PROPOSED AMENDMENT

REASON FOR AMENDMENT

Further nominations will be permitted from the floor in accordance with normal parliamentary procedure. Nominations will be closed for each position and voted upon in turn in the order specified in Article V. Candidates defeated for a higher office will be permitted to nominated for other positions on the Executive Committee.

This new paragraph specifies the procedure to be followed in nominating and electing officers.

- (q) Only a paid-up member and his or her spouse, if applicable, will be permitted to vote on any question at any meeting of the Association.

This new paragraph limits votes to a maximum of two persons per membership and prevents large families from having an unfair advantage in voting.

BROWNIES & GUIDES

547th BROWNIE PACK

We held a very successful skating party at Cedarbrae in late January. On March 16th the Pack will hold a hat show. The Brownies will be modelling hats which they have made themselves. Parents of all the Brownies in the Pack are invited to attend and see the girls' handiwork.

547th GIRL GUIDE COMPANY

Our Christmas Bazaar was a complete success and we are grateful to many people. We extend a sincere thank-you to the following, who put many hours of hard work into the event; Mrs. R. Peacock, Mrs. L. Wylie, Mrs. W. Saunders, Mrs. M. Robertson and Mrs. J. Wright. We also give a special thank you to these people who are not connected with guiding, Mrs. J. Headford, Mrs. I. Dunn, Mrs. J. Sanderson and Mrs. G. Meekums. Items not sold at the bazaar were donated to the Fred Victor Mission, Scarborough General Hospital and Providence Villa.

527th GIRL GUIDE COMPANY

The Guides spent their meeting during the month of January at the Fire Hall taking their Fire Brigade Badge. The following girls were successful; Donna Morrison, Jane Finlay, Nancy Evanoff, Karen Harper, Laurie Johnson, Leslie Hennessey, Lee Fisher, Diane Brown, Patti Parker, Ina Mychalczuk, Lori Barber, Janet Bigall, Kim McConnell, Cathy Ellis and Gail Parke.

We are now working hard to get Tenderfoot and Second Class requirements all finished before March 2. On that night we are planning an Enrolment and Badge Presentation as well as a Birthday Party complete with cake to celebrate the 60th Anniversary of Guiding in Canada. Parents are cordially invited to this celebration. The girls spent considerable time preparing their Christmas Pageant and were very disappointed at the substantial lack of parent participation. A sincere thanks to those parents who did bother to come and see the achievements of their children.

In January Debbie Collins and Dianne Morris received their enrolment pins. Cook badges were presented to Janet Robertson, Susan Keen, Dianne Jones, and Karen Kiernan. Child Care badges went to Ruth Peacock and Dianne Jones; Needleworker to Gilliam Stacey; Outdoor Cook to Karen Wylie and Artist to Linda Glover and Susan Bunting. 18 Guides are working very hard on their First Aid Badge and will be writing their examinations

at the end of February. Good luck girls!

Service stars were presented to the following Guides: Six year- Susan Bunting, Debbie Wright. Five year- Dianne Jones. Four year- Karen Wylie. Three year- Patrice Yeoman, Susan Keen. Two year- Donna Fawcett, Linda Glover, Janice Probert, Sherry Hogarth, Karen Kiernan, Toni Olden, Manuela Schmidlechner, Dawn Tilley. One year- Kim Boorman and Marilyn Probert.

Guildwood

Guildwood Public School will be presenting Gilbert and Sullivan's H.M.S. PINAFORE on March 16th, 17th, 18th and 19th at 8:00 p.m. in the school auditorium. This presentation is under the direction of our capable music man Mr. Don Rickard. Tickets will be going on sale Monday, February 23rd. All tickets are 50¢ each. The cast will be made up of pupils from grades 6, 7 and 8.

Barbara Schunk recently was chosen as the school representative in the Public Speaking competition. She competed in the zone finals at Mason Road Public School on Thursday, February 12th. Barbara did not emerge as the zone winner, but certainly gave the other schools a run for the title.

OPEN HOUSE at Guildwood School is March 9th. It is to be an evening for the pupils to bring their parents to the school. Special themes for each division of the school are being planned and a variety of activities will be presented in the classrooms. The school will be sending out more information to the community a week prior to the evening. Mark the date on your calendar and plan to be your child's guest to see the school.

school news

Elizabeth Simcoe

At Elizabeth Simcoe this term, the sports spotlight has been on volleyball. After a six week schedule for Senior Girls, team 3 emerged victorious. Judy Buck, Dianne Jones, Wendy Beck, Debbie Garner, Eileen Ardion and Laura Taylor were the winners and will be presented with tabs at a sports assembly. Altogether 35 girls enthusiastically took part, displaying good skills and sportsmanship. Congratulations to all involved! Senior Boys have an active volleyball league which plays on Monday and Thursday and includes 60 boys. Play-offs will take place in March. Junior Boys have their own league. The 'Road Runners' frequently lead the field with the 'Hawks' getting full marks for enthusiasm. Girls in the Junior level are at present playing knock-out rounds for points.

Aside from sports, students of all grades have enjoyed varied activities. Among the many excursions have been the visit to the Ontario Science Centre by the Intermediate Grades and winter hikes in Boyd Conservation Area by grade 3 classes. In school parents and students alike enjoyed a Primary presentation on the legend of St. Valentine and grade 5 classes heard an excellent recital by a woodwind quintet from the Toronto Symphony Orchestra. In Public Speaking, Rick Daukant was chosen from amongst grade 7 and 8 students to represent the school in the Scarborough East finals in Feb 12th.

The whole school is eagerly looking forward to our 'Art Week' - the brain child of Mr Randle, Senior Art Master. In order to encourage self-expression through art, students from all grades will spend each afternoon during the period March 4-11th, experimenting with different media. The end-products should provide an interesting display for Open-House on the 11th of March. Apart from activities in each classroom, students will attend daily programmes in the General Purpose Room. On March 4th a potter will demonstrate, followed by a sculptor on the 5th. On Friday the 6th, films on art appreciation will be shown and on Monday March 9th the senior students will give a display

of art techniques such as ceramics and mosaics. Mr Ludwig, Art Supervisor will demonstrate paper techniques on the 10th of March and on the last day an artist will show his work in oils. Parents are invited to visit the school any afternoon to watch the programme in the classrooms or General Purpose Room. This should prove an exciting experience for one and all!

St. Ursula's

The staff of St. Ursula participated in a very successful Professional Development Day February 6th. This day consisted of a morning session at O'Keefe Centre, followed by visits in the afternoon to various centres of interest.

Our Grade 5 teachers, Mrs. M. Cunningham and Mrs. C. Hamilton have been attending Live-In Sessions during the month of February at Queen of the Apostles Renewal Centre, Port Credit. The purpose of these sessions is to provide new insights, ideas, and inspiration for our teachers in an atmosphere of relaxation and friendship.

Congratulations to Karen McCauley-grade 7- our school Public speaking contest winner and participant in the recent regional Trustees' Public Speaking Contest held at Our Lady of Fatima School.

Our school basketball teams are working very hard now preparing for their upcoming area tournaments. Both teams- boys and girls- are also anxious to display their new red and white uniforms.

The Boys' team coached by Mr. W. Boyle has, to date, a record of 6 wins and 2 losses in exhibition play. The girls' team is coached by Miss A. Mulholland and Mrs. J. Andrews. They have not as yet played any games. The primary Orff music choir directed by Mrs. J. Schofield and the junior school choir directed by Miss A. Mulholland are rehearsing for the annual music festival to be held during the month of April.

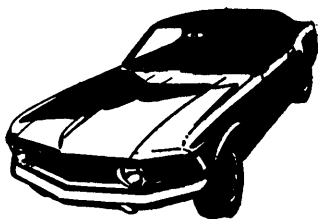

We will be holding our annual Open-House Thursday March 5th., of Education Week. There will be many classroom displays and activities, as well as a programme in our general purpose room

LAURIER

COMPUTER SCIENCE FIELD TRIP
TO THE UNIVERSITY OF WATERLOO

On January 24th, a group of grade 12 and 13 students and some top grade 11 Mathematics students from Sir Wilfred Laurier Collegiate, combined with a group from Midland Avenue C.I. left for the University of Waterloo. On arrival, the group was taken on a tour of the Computer facility of the University. Then half of the group went to a lecture hall where they were given a talk on the various steps of solving problems by use of the computer. They were introduced to the programming language known as "Watfor" used by the computer at the University. Then this group had one hour of free time in which to solve suggested problems. They had to analyse and programme these problems. When the programme was key-punched, it was presented to the computer. During this hour, the second group was having a lecture--then an interchange took place. After lunch, both groups spent the afternoon programming.

Before the students left the University, they were given a lecture on the "Opportunities Available in the Computer Science Field". All-in-all it was not only a thoroughly enjoyable day but an extremely informative one.

AMBER DRIVING SCHOOL.

BAND MEMBERS ENJOY QUE. TOUR.

It all started at 4:55 on the afternoon of Wednesday, February 11th, when our Rapido train carried us off at a speedy pace to our destination - Montreal. For a few of the 55 or so Senior Band Members, this was their first ride on a train and, for most of us, our first visit to Montreal. As was to be expected, the air was filled with everyone's excited chatter about what lay ahead.

Before we knew it, we were unloading from the train and two buses were waiting to take us to St. Joseph's Oratory where we would spend the night. The night was stormy and very cold so our bus ride was slippery and slow. After, what seemed an hour, the third highest dome in the world of St. Joseph's Oratory loomed darkly in front of us. The boys walked two steps to their dorm while all the girls trudged a quarter of a mile up a slippery, steep paved ramp; juggling suitcases and instruments through the blizzard and biting cold to our rooms. Never before did a cot feel so comfortable and did sleep come so quickly.

Morning found us all sparkling and excited after we were met by the cold air as we went to our breakfast down the hill. We were to have a tour of Montreal, but because of the weather conditions we were shown around the Oratory itself. It was a huge building, magnificent, with some rooms of beautiful black marble. I suppose the most breathtaking part was to see the organ which, we were told, was the biggest in Canada.

In the afternoon, buses took us to Rosemount High School where we played for an audience of the friendliest, liveliest group of teenagers. Their welcome was warm and this made for a good concert. Then once more we were on the train to Quebec City and once more buses took us to our hotels. The first thing one

noticed while driving in the streets of Quebec is the narrow roads which limit the driving speed considerably. The girls' and boys' hotels were just around the corner from one another. The girls stayed at Maison Acadienne and the boys at Hotel Frontenac. We walked around the city that night on our own getting acquainted with our home for the next few days.

On the morning of Friday, Feb 13th, everyone was on their own for breakfast. It was fun trying to order in French but luckily the waitress understood English so we were all served well. We were free to do as we wished all morning so groups of us toured the wonderful, historic city. We were ideally situated, for we could see the St. Lawrence River, The Citadel, the Plains of Abraham where Wolfe and Montcalm battled, and just Lower Quebec itself with its beautiful buildings and a plentiful supply of souvenir shops.

That afternoon we played another concert at a Public School and because the audience was much younger than before, they were allowed to crawl around on the floor and showed their appreciation for us by clapping constantly.

The highlight for many of us was entering Chateau Frontenac that night and going to a Discotheque. It was unexpected and everyone had a great time dancing or just talking and enjoying the atmosphere.

I know I am speaking for myself and most of the Band Members when I say we will return to Quebec someday when the opportunity arises.

senior citizens form club

A senior citizens club for men and women over 60 has been formed here in the village. The club was started as a result of enquiries made at Holy Trinity Church. Many of the ladies of the church have volunteered to help either at the afternoon "get-togethers" or as drivers. As the club is strictly social and not church affiliated, emphasis will be on fun and making new friends. Activities will be varied with cards, darts, cribbage, checkers, sing-songs, films and entertainment. A "get-acquainted tea" was held at Holy Trinity on Wednesday Feb 25th; however, thanks to the kind generosity of Mr. H. Spencer Clark, future gatherings will be held at the Bournemouth Apartments, 45 Livingston Rd. The next meeting will be on March 11, at 1:30 p.m. to 3:00 p.m. with subsequent meetings held every two weeks. As this club has just been started, donations of crib boards, playing cards or anything suitable would be appreciated. Anyone wishing more information or requiring a ride to the club please contact Mrs. Marlene MacIntyre at 266-8195 or Mrs. Jean O'Connell at 266-3837

Laurier Collegiate Drama Club Presents Hit Play

Friday the thirteenth may be unlucky for most people, but this certainly wasn't the case for the people who came to Sir Wilfred Laurier for the evening.

On February 12th and 13th, the collegiate drama club, under the able and enthusiastic guidance of Mrs. Dorothy Prosser, proved once again that You Can't Take It With You. This sparkling revival of the old George Kaufman, Moss Hart hit had a surprisingly contemporary theme - people simply do not take time to enjoy themselves any more. The cast of 20 students did their best to remedy this situation by providing the audience with a few hours of sheer comic fun.

SPORTS

SOCCER

All boys aged 7 to 10 wishing to play soccer should try to be registered by March 15th. If you have not already received a registration form, you may obtain one from Mr. Henry Kung, 32 Leverhume Crescent, phone 261-8641.

Any adults wishing to assist our boys playing soccer, either as coaches or managers, please contact Eric Kennedy at 266-1014. No experience is necessary.

Sponsors are still required for several teams. Kind-hearted samaritans prepared to provide financial support are urged to contact Eric Kennedy at the above number.

You are reminded that the next Scarborough Soccer Association Dance will be held on March 28th, at the O.F.L. Building, Eglinton and Don Mills Road. Tickets are available from Mr. Albert Cunningham at 266-9579.

Within a week, our All-Star teams will be starting indoor training. Coaches will contact the boys concerned.

BOWLING

TEAM STANDINGS - Final results
of third series, February 17

	TOTAL POINTS	TOTAL PINS
1 Bill's Bowlers	324	22,207
2 Cougars	30	22,436
3 Harry's Squaries	27	22,166
4 Beautiful Bowlers?	26	22,298
5 Brian's Bombs	25	21,991
6 Pin Knockers	234	21,442
7 Jumpers	23	21,927
8 Don's Glassey Eyes	23	21,660
9 Dave's Delinquents	19	21,272
10 Lancaster's Bombers	16	21,319

MEN

HIGH AVERAGE

Jack McGowan	228	Helen Feeney	207
Evans Jensen	216	Louise Schachow	203
Gord Pierce	215	Jean Deane	195

HIGH TRIPLE FLAT

Dave Franklin	877	Helen Feeney	730
Jack McGowan	873	Jean Deane	712
Evans Jensen	839	Louise Schachow	708

HIGH TRIPLE WITH HANDICAP

Dave Franklin	916	Barb Jensen	785
George Deane	820	Marg McGowan	783
George Brennand	804	Eleanor Anco	779

HIGH SINGLE FLAT

Dave Franklin	365	Elodie Olden	292
Jack McGowan	337	Louise Schachow	291
Don Anco	325	Beth Aston	290

HIGH SINGLE WITH HANDICAP

Dave Franklin	378	Marg McGowan	338
Don Anco	334	Beth Aston	333
Ed Lancaster	319	Elodie Olden	322

The third series has been completed and Bill's Bowlers just managed to win a playoff spot in the last game of the last night of the third series Harry's Squaries were in the running right to the end. A close contest is predicted between Lancaster's Bombers and Dave's Delinquents for the fourth and last playoff spot. We believe they have been holding back and are going to come on with a big bang and carry right on to win the championship.

Nick Hunsley, our Prez, is going to be busy for the next few weeks picking out trophies and getting the Guild Inn ready for our big banquet.

We've had a tremendous turnout for bowling this year and if anyone would like to participate in some informal 5-pin bowling next season it would not be too early to leave your name with the Secretary, Louise Schachow, 261-1374, before the season ends.

Congratulations to LINDA JONES of 8 Bledlow Manor for winning the Zone Roll-Off of the Scarborough Youth Bowling Council 5 Pin Bowling Tournament with a 760 Triple. Linda has now qualified for the Provincial Finals in London Ontario on March 1 and we wish her lots of luck.

WOMEN

CURLING

Section I Results to Feb. 15, 1970

	RINK	POINTS
1 Dave Uren		694
2 Bob Lees		56
3 Les Brocklesby		52
4 Jim Foster		514
5 Doug Ross		484
6 Jim Morrison		48
7 Bob Matthews		45
8 Bernie Hughson		414

With just two more curling nights to go in regular play, Dave Uren has almost sewn up top spot. During play on February 15, the two top rinks, skipped by Uren and Bob Lees, battled it out in a very close game that ended in a tie and Lees was unable to close the wide gap in total points between the two leaders.

The Doug Ross rink has jumped from 8th to 5th position on the strength of two wins in a row. The last four teams are grouped very closely with only seven points separating Ross and Hughson.

Section II Results to Feb. 22, 1970

	RINK	POINTS
1 Vic Jensen		67
2 Joe Landry		65
3 Bob Matthews		65
4 George Saracino		61
5 Bernie Hughson		58
6 Bob Arnold		58
7 John McMillan		52
8 Jim Morrison		42

Section II standings are fairly close and upsets remain a possibility before the end of regular season play.

Our end-of-season banquet will be held this year on Friday, April 24 at the Guild Inn. Cocktails will be from 7 to 8 PM, followed by dinner, presentation of trophies and prizes, and dancing. Tickets will be distributed to club members at a later date. A limited number of additional tickets will be available for guests (preference to non-curling wives and husbands) on a first come, first served basis.

Alderman talks

by Ed Fulton

This is the first opportunity I have had to thank the many people of Guildwood who voted in the recent Municipal election. Particularly, I want to express my appreciation to those of you who actively participated and supported me in so many ways. It was extremely gratifying to see so many people of all ages get involved. As a matter of interest, slightly more than 40% of the eligible voters went to the polls, which was the best turnout in Scarborough. Needless to say this is a very politically active Ward and I hope to further expand this interest.

I am currently working on the development of a Ward wide committee of interested residents, to assist in research, formulating policies and generally maintaining an awareness of the issues confronting the people of this Ward. I would be most interested in hearing from any one willing to donate some time to this committee.

These first few weeks on Council have been very interesting and informative. It will take a while to sort out many complexities of local government. However, I am prepared to devote the time necessary to do this.

I have been appointed to the Works and Property and the Recreation and Parks Committees of Council. These are the committees that spend most of your tax dollars and therefore are very active bodies. I have also been appointed to the Metropolitan Waterfront Advisory Committee and the liaison committee between the Scarborough Board of Education and our Recreation and Parks group. I hope that as a member of these related committees that eventually we can ease the deficiency of recreational facilities that exist in this Ward. Kiwaniswood, which is now well on its way will help in this area. This project is eligible for a Borough grant of up to \$8,000.00 pending final budget approval.

Through our Works department I have requested that we permit left turns from both lanes of the Parkway onto the Kingston Rd. This would certainly relieve the congestion at this intersection every morning. Our request has been forwarded to the Metro Works department for consideration.

I have been impressed with the number of calls I have received from various people and with the variety of their problems, concerns and general interest in what's going on. I said during the campaign that I would be responsive to the people I represent and I meant it. If you have an idea you want brought forward or a problem of any kind, I would welcome a call from you. Please call me at home at 267-6720 or at the Borough office, 759-4747.

I would be remiss if I didn't mention and publicly thank Fred Johnson, one person in particular who devoted so much time and energy to my election campaign. Thanks again Fred.

FERTILIZER

GUILDWOOD VILLAGE SCOUT COMMITTEE

In order to be able to subsidize the funds of the cubs and scouts, the Committee have made arrangements with a well known supplier of gardening needs to sell fertilizer and weed killer at special, reduced prices.

THERE ARE TWO TYPES AVAILABLE.

7-7-7 FERTILIZER

For both lawn and garden. Well balanced formula of 7% each nitrogen, phosphoric acid and potash. It has a slow nitrogen release to extend life of the fertilizer - puts it into the ground at a more uniform rate, over a longer period.

50 lb. bag DELIVERED TO YOUR DOOR..... \$3.50
(usually sells for up to \$4.00)

WEED AND FEED

Same as above plus a special additive to kill dandelions, plantains and other broad leaf weeds. Free running, dustless and sanitary.

40 lb. bag DELIVERED TO YOUR DOOR \$5.00
(usually sells for up to \$6.50)

Please fill in the form at the bottom and have it ready when we call to pick it up on March 7th. If you wish additional forms for friends or if your form is not picked up by March 11, please call 261-6745 or 266-3885 and we will arrange to take your order.

ORDER FORM

Please accept my order for.....bags of 7-7-7 at \$3.50 a bag \$

.....bags of weed and feed
at \$5.00 a bag \$

TOTAL \$

30 lbs. of 7-7-7 covers 1,000 sq. ft. of lawn

10 lbs of Weed and Feed for every 1,000 sq. ft. of lawn

The fertilizer will be delivered on March 21 on a C.O.D. basis.

youth news

The Guildwood Public School Drop-in Centre for children aged 10-14 opened on Feb. 13 in the main foyer and gym of Guildwood Public School. So far we have had no problems except for a need of parents to help supervise the drop-in from 7p.m. to 9:30. All programming is being taken care of by a group consisting of Scarborough YMCA staff and volunteers, both teenage and adult. The Drop-in is open every Friday night, and the activities will be announced at the Guildwood Public School. Any parents interested should phone Mr. Jim Foster or Miss Terry Nugent, Youth Director of the Scarborough YMCA at 266-7797.

LAURIER DROP-IN CENTRE

The Laurier Centre is now open on Monday, Tuesday and Saturday nights. Any one interested in starting a new club in the drop-in should talk to the "Y" supervisor- Gary Adams. The Laurier Drop-in is now being limited to ages 14 and up.

FLOOR HOCKEY

Floor hockey is being moved from St. Ursula's, to Friday nights 7pm to 7:45 at Guildwood Public School.

COFFEE HOUSE

This is held at Holy Trinity Church from 7pm 'til 11:30pm. Admission is usually 25¢. Any volunteers for set up or clean up should contact Bruce Johnson.

YOUTH WORK TRAINEES

The YMCA is presently training seven Guildwood teenagers for Community Youth Work. The main part of the training consists of field work, working in the various activities above and weekly theory sessions. If any one is interested in the program and it's aims they could phone or write to Miss Terry Nugent, Scarborough YMCA, 450 Golf Club Rd., Scarborough-266-7797.

DANCE

A dance is presently being planned. It is to be held on March 14, 1970 in the Laurier Drop-in. More news will be posted around the Guild area before the dance. The group to be featured is the "Mornington Drive".

WALKATHON

The major activity in the youth attempts at raising money for Kiwaniswood was a walk which raised approximately \$1,200 for the project out of the necessary \$5,000. I am sure that such a contribution is a good showing of the thanks the teenagers and youth in general feel for the support the Community Association has given them in the past.

PAPER

Would any teenagers interested in learning to use an offset printer and produce a local paper contact Jim Sykes at 261-8398.

AFTER BEING CLOSED FOR TWO NIGHTS, THE LAURIER DROP-IN CENTRE FOR TEENAGERS WAS RE-OPENED ON APRIL 4. THE YMCA HAD ORDERED THE CLOSING AS THEY COULD NOT GUARANTEE THAT THE SCHOOL WOULD BE SAFE FROM FURTHER DAMAGE.

THE CLOSING CAME AFTER VANDALS DAMAGED A CEILING IN ONE OF THE SCHOOL CORRIDORS DURING AN EVENING WHEN THE YMCA'S WORKER HAD BEEN ATTEMPTING TO SUPERVISE THE CENTRE WITHOUT ASSISTANCE.

WHEN THE DROP-IN WAS OPENED IN THE AUTUMN OF 1969, A COMMITTEE OF GUILDWOOD VILLAGE RESIDENTS HAD PROMISED THE YMCA THAT ADEQUATE PARENTAL SUPERVISION WOULD BE SUPPLIED TO ENSURE THAT THE CENTRE WOULD BE ABLE TO FUNCTION EFFECTIVELY. REGRETFULLY, WE AS A COMMUNITY HAD FAILED TO LIVE UP TO OUR OBLIGATION AND THE CLOSING RESULTED.

FORTUNATELY, DISCUSSION AT THE GENERAL MEETING OF THE COMMUNITY ASSOCIATION ON APRIL 1 RESULTED IN SUFFICIENT VOLUNTEERS AMONG PARENTS

TO CONVINCE THE YMCA REGIONAL DIRECTOR, BOB KEMP THAT THE DROP-IN COULD BE REOPENED.

OUR TEENAGERS MUST ALSO BEAR PART OF THE BLAME FOR THE PROBLEM, SINCE ONE OR MORE OF THEM INFLICTED THE DAMAGE. YOUNG PEOPLE OF GUILDWOOD, WISE-UP! IF ANY MORE DAMAGE IS DONE, THE DROP-IN CENTRE WILL CLOSE PERMANENTLY.

ALTHOUGH THE CENTRE IS OPEN ONCE AGAIN, THERE IS NO GUARANTEE THAT IT WILL CONTINUE UNLESS SUFFICIENT ADULTS VOLUNTEER TO ACT AS SUPERVISORS. MRS. GAIL McDOUGALL HAS AGREED TO ORGANIZE THE PARENT SUPERVISION. GIVE A FEW HOURS OF YOUR TIME. NO SPECIAL KNOWLEDGE OR TRAINING IS REQUIRED AS A YMCA YOUTH WORKER, GARRY ADAMS, IS ON DUTY EACH NIGHT THAT THE CENTRE IS OPEN - MONDAY, TUESDAY AND SATURDAY FROM 7:30 TO 10:00 PM.

CALL 267-0177 TO ARRANGE DATES AND TIMES TO SUPERVISE THE DROP-IN CENTRE. YOUR HELP IS NEEDED!

Pay Dirt.

KIWANIWOOD FUND OVER \$7000

The big blitz for funds, put on by the Kiwaniwood Recreational Complex in February and March, is still going strong. The large number of "call backs" has made it necessary to establish two additional teams to get as complete a coverage as we can in this first phase of our complex.

The canvas for funds in Guildwood has resulted in a wonderful response both from volunteers who worked so hard on the canvas and residents who donated so generously. The canvassers wish to extend a special "thank you" for the kind way in which they were received in the homes. (cont'd Page 2)

walk to raise money for Centenary Hospital

The Scarborough East Kinsmen will be sponsoring an "Elephant Walk" on Saturday, May 7th from Centenary Hospital, starting at 7:30 a.m. The objective of the walk is to raise \$125,000 for special equipment for the Scarborough Centenary Hospital.

It is anticipated that 10,000 students from high schools in Scarborough will participate (along with elephants, bands, clowns etc, etc) in the 18½ mile walk. The route will be from the hospital, south on Morningside to Guildwood Parkway, west to Kingston Road to Eglinton Avenue, west on Eglinton to Danforth Road to St. Clair to Pharmacy, north to Eglinsmere then east to Morningside, ending up at Morningside Park.

All walkers who complete the course will be given free tickets to the Garden Brothers Circus at Maple Leaf Gardens. Refreshments will be served at the end of the walk.

High schools along the route will be open courtesy of the Board of Education as rest centres. They will be staffed with nurses who will assist weary and foot-sore participants.

The "Elephant Walk" is a community project to help the community hospital and the Kinsmen of Scarborough East are to be congratulated on their efforts. We urge the people of Guildwood Village to be as generous to their hospital as they are to other endeavours.

Application forms will be available from any high school student in Scarborough. Walkers are also wanted - Alderman Ed Fulton and Trustee Dr. Stackhouse will be out walking, we understand. For further information call John Spender at 282-5602 or Les Brown at 261-6869.

LOOK-IN

On April 24th, 1970, Laurier is hosting its first "Look-In" where the students will be demonstrating the crafts, skills and techniques that they are learning at the Collegiate. All parents, children, grandmas, aunts, and friends are invited. Time is 7:00 p.m., Price is 50¢ for admission. There will be two very excellent variety shows free. Gym displays, artwork and games. So come on everybody and "Look-In" at Laurier!

kiwaniwood

The canvas started with the formation of ten teams with approximately seven members per team. The area was divided among the teams and the blitz started Feb 14th. Because of updating of street records and many many call backs some of our canvassers are still out calling on homes.

The apartment buildings were also covered and we detected a willingness on the part of the apartment dwellers to take an active part in our community. We hope they continue to feel this way. The most recent check on the canvas indicates:

700-	families contributed	55%
245-	families said "no" to this phase.....	20%
260-	families not at home or will mail cheque..	20%
60-	families not called on yet.....	5%

The team captains who helped make phase #1 a success are: Jack Brown, Mary Bullied, Bill Cartan, Don Easton, Doug Frickelton, Dick Griffin, Jean Hagarty, Art James, Vic Jensen, Bob Lees, Art Lessel, Bob Mathews and Phil Richards.

When our list is complete we will be able to publish a full list of all of our canvassers. If you haven't had an opportunity to donate to the complex as yet, please mail your cheque, made out to Kiwanwood Recreational Complex, to P.R. Hagarty, 169 Catalina Drive. We still need canvassers - please give us a hand.

executive profile

"This is one of the sad things, that too many people sit at home and think a lot, but do very little... I don't think there are enough people around who are willing to speak freely, to speak their mind." With these words, Community Association chairman Tom Nicholson summed up one of the major frustrations he encounters in his position in the Association.

Mr. Nicholson was born in London, England in October of 1936. He attended lower school in England and continued through grade 9 in Glasgow Scotland. Then he moved to Canada (in 1947) and completed his education at St. Michael's College. He and his wife Jacqueline were married on December 26, 1960, and they now have three children: Terry, 8; David, 6; Andrea, 3. The Nicholson family has lived in Guildwood Village for approximately 6 years. Mr. Nicholson plays hockey (both summer and winter), coaches a baseball team, and enjoys fishing, watching television (especially sporting events), reading history, and working with the Association.

Mr. Nicholson stated that the frustrations involved in his position are many and varied. There is neither the time nor the money to do all of the things that the people of the community would like to see done. It is also very frustrating to know that only 2/3 of the community population are members of the Community Association. Yet Mr. Nicholson finds these aspects outweighed by the enjoyment and satisfaction of working toward advances in the community.

When Guildwood Village was a new community, the Association had to contend with zoning, construction new organization, and other political matters. Now the area is more mature, almost completely developed, Mr. Nicholson sees the role of the Association as an agent through which the community can be more closely knit. By means of new, more active social and youth-orientated programmes, Mr. Nicholson hopes to promote more involvement and better communications among the people of the community.

The Laurier Word

ATHLETIC NIGHT

Friday, February 20 saw Laurier's fourth Annual Athletic Night. Included in the activities were the grade 9 sit-up contest, the finals for the boys' interhouse wrestling and a performance by the Winstonettes. Grey Cup and Stanley Cup Play-off movies were shown in the auditorium and innumerable games of low organization were held throughout the school. The major events of the evening were a basketball game between the school staff and the CKFH Disc Jockeys, in which the D.J.'s won 27-22, and a performance by Laurier's own Jazz group. According to most of the 900 people who attended it was an evening well spent.

A NEW ANSWER TO AN OLD QUESTION

On Thursday, March 19, a meeting was held between student representatives and the school administration of Sir Wilfred Laurier. The purpose was to decide if the girls should be allowed to wear slacks during the course of a school day. After a lengthy debate in which all facts of the matter were discussed it was decided that as of March 20th, 1970 the girls of Laurier have the option of wearing slacks or pant-suits. Most of Laurier's students were happy to see that in this day of rush and hurry that some people do care enough to stop and listen.

A LOSS FOR LAURIER

After four years as vice-principal and one year as principal, Mr Gulka will be leaving Laurier at the end of this school year to further his career in Thunder Bay. As a student of Laurier I can only hope that Laurier will regain in our new principal, Mr Webster, all that we will lose in Mr Gulka.

Gary Dickens.

St. Ursula's

We would like to take this opportunity to thank the parents who came to our Open House March 5th. We had a very heavy turnout of interested parents, relatives and friends. Kindergarten registration for pupils who plan to come to our school next September will be held at the school Tuesday April 14th at 1:30 P.M. Proof of age is compulsory - students must be five by December 31st, 1970.

Congratulations to our boys' school basketball team, coached by Mr. W. Boyle, for recently winning the Consolation Basketball tournament held at St. Richard's school. The team ended the season with a record of 9 wins and 2 losses. Our Girls' school basketball team also had a very successful season. The girls were narrowly defeated in their final game for the Consolation trophy. Congratulations girls for your fine effort and spirit on reaching the finals.

The House League basketball (championship for both boys and girls) is now being decided during the noon hour. The competition is very keen.

Our brass band, conducted by Mr. J. Anderson, enjoyed their visit, on March 2nd, to St. Bartholomew School in Agincourt. The concert was deemed a success by all. Mrs C. Hamilton's class enjoyed a very interesting visit to the Ontario Science Centre on March 20th. The class were given a conducted tour of the many interesting displays and activities.

Elizabeth Simcoe

We are pleased to report that the Art Week which took place during March was very successful and over 1500 came to the school in the afternoons and evening of Open House.

The Junior Boys Volley Ball season has now ended. The finals will take place during April. In Junior Girls Volley Ball, team #1 emerged as victors. Congratulations to Cindy Milburn, Jill Harper, Dianne Clifford, Bonnie Baker, Jill Bunting, Cathy O'Connell, Dianne Morris and Karen Gustafuson.

This month Grade 5 students visited the Art Gallery and sketching trips were popular with both Primary and Senior Grades. Kindergarten classes enjoyed an unusual excursion to see Mr Sproule's model train lay-out.

The French Club has been sponsoring a series of International Luncheons. The theme countries have included Japan, Italy, Switzerland and France. These monthly luncheons aim to teach something about the cultural background and language of the country and are attended by students and staff. At the Swiss luncheon the menu included yogurt and fondue and for cultural background the students played Swiss bell and yodelling music and displayed prints by the Swiss artist Klee. The March French luncheon included French fries(?) and French toast(?) - Mme McIlveen wonders if this is really 'French' food-as well as consomme and chocolate eclairs. Bon appetit!

The school is now preparing for the Music Night which takes place on the evening of April 30th. The programme will include contributions from all grades. The Primary Choir is aiming to rival Walt Disney's Musical version of "Alice in Wonderland". The Junior Choir will perform selections from Broadway musicals such as "Sound of Music" and the Senior Choir will be singing folk songs from across Canada with narration and visual displays. Amongst other interesting items on the programme will be a Swedish gymnastics group which includes 30 junior and senior girls. Spend a happy evening with us on April 30th.

Guildwood

Guildwood Public School entered a team into the Major School Hockey Tournament this year. The team played all their games at 7:00 A.M. which meant very early rising for the boys and coaches. Under the capable guidance of Mr. G. Roberts and Mr. M. Collins, the team progressed into the finals and eventually won the Major School Trophy for Guildwood. Congratulations are extended to the team members and coaches for an outstanding job.

The pupils of Grade 1 are extending invitations to their Mothers and Fathers to attend school on April 16th, 17th and 18th. The children will be involved in their usual school activities and the parents are welcome to watch, listen, discuss and generally observe their child and others in a meaningful situation. If your child is in Grade 1, mark one of these dates on your calendar. Further information will be coming home soon.

On Monday April 13th our regular Home and School Meeting will be a panel discussion on drugs. Meeting to commence at 8:00 P.M.

Kindergarten Registration for Pre School Children will be held on Wednesday April 15th from 9:00 -11:00 A.M. The Public Health Nurse and Dental Hygienist will be in attendance.

The Grade 3 classes will be visiting the House of Concord, a farm run by the Salvation Army on April 17th.

We would like to introduce our new executive: Bob Jones, President; Mary Martin, Treasurer; Doris Jessop, Secretary. With the enthusiastic and cooperative bowlers who make up GVBL their jobs should not be too difficult. We've had a very good season and are looking forward to culminating this year's activities with our banquet at the Guild Inn.

On behalf of the bowlers we would like to thank the present executive, Nick Hunsley, President; Betty Matthews, Treasurer; and Louise Schachow, Secretary for a tremendous job done in running the bowling league. Just a reminder to residents of Guildwood who may wish to bowl next year please call Bob Jones at 266-3885 and give your name, address and telephone number. You will be contacted before the bowling season begins in September to determine if you still intend to bowl. This league, incidentally, is just an informal 5 - pin adult league and its prime requirement for membership is wanting to get out of the house for a couple of hours a week. Previous bowling experience does not offer any advantage, if anything it will be a disadvantage in that you may get a low or no handicap.

CURLING

In Section 1 semifinal rounds, the Bob Lees rink defeated Dave Uren in 'A' Group and Les Brocklesby nosed out Bernie Hughson in 'B' Group.

Section 2 semifinals saw Bob Arnold's foursome win out over Vic Jensen in 'A' Group, while the 'B' Group playdown resulted in a victory for George Saracino over Jim Morrison.

It is noteworthy that Dave Uren and Vic Jensen had led their sections during regular season play but both lost out in the semifinals. Tough luck fellows!

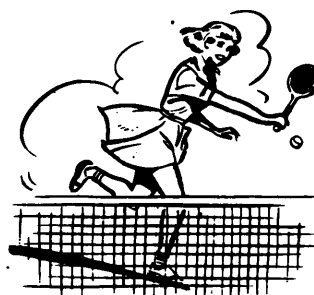

The two winners in each section met in the finals on April 4; however at press time results were not available.

A few tickets are still available for the post-season banquet at the Guild Inn on April 24. Friends of curlers may obtain tickets by contacting John Hawker at 261-6370. Cost is \$12 per couple.

swim night

We enjoyed our largest turnout ever at our swim night held on April 4th. This Community Association sponsored activity has been one of our more successful events this winter and we are looking forward to the next evening of swimming on May 2nd. We swim at Cedarbrae Collegiate from 9:00 to 10:00 P.M. and the admission cost is bourne by the Association. Members and non-members are welcome to attend.

TENNIS

KIWANIWOOD TENNIS CLUB

The efforts of the people involved in the Kiwaniwood project and the contributions of the Guildwood Village and Markham Bluffs residents will produce three tennis courts this Spring in Sylvan Park.

NOW LETS ALL GET TOGETHER AND FORM AN ACTIVE TENNIS CLUB !!!

But first, what is a tennis club? The Tennis courts will be on land belonging to the public. To facilitate some organization of playing time, competition with other clubs, instruction to new players, and general supervision of the courts, a tennis club is necessary and required by the Parks and Rec Dept. Anyone can join the Club and a fee structure is provided for Junior, Intermediate, Senior and Family memberships.

Why a fee? - It takes money to run the Club- stationery, postage, signs, and miscellaneous equipment to make effective use of the courts. For example lighting for the courts is estimated at \$800. per year. There is also an obligation to put money back into Kiwaniwood fund in deference to those residents whose contributions were primarily for a swimming pool.

There will be allocated public hours during which time the courts may be used by anyone at no cost. Needless to say this time will not be prime playing time, but will be Mondays to Fridays (excluding holidays) until 4 P.M.

(cont'd Page 5)

BASEBALL

Wayne Casselman, Sports Director of the Community Association has announced plans for the 1970 baseball programme in Guildwood.

As in previous years, baseball activities will be controlled by a committee composed of convenors for each age group. Names and telephone numbers of convenors for each league are included in the registration form which appears elsewhere in this issue.

The boys' programme will consist of leagues of 4 to 6 teams in each of the following age groups: Mites, Atoms and PeeWees. We also hope to organize at least one team in the Bantam age group. An All-Star team from the PeeWee group will be entered in the Scarborough Softball League and we hope to have an entry also from our Atom group.

For girls, there will be Novice, Minor and Junior competition. It is hoped that the girls' teams will be able to play interlocking schedules with two teams from Markham Bluffs and several from East Guildwood. Our Junior Ladies team were All-Ontario Champions last year and can't stop now. We are going all out for two championships in a row.

Registration this year will be by mail. Cut out, complete and mail the registration form in this issue by April 18, 1970.

BASEBALL REGISTRATION SUMMER 1970

GUILDWOOD VILLAGE SOFTBALL -GIRLS AND BOYS HOUSE LEAGUES

FEES: G.V.C.A. MEMBERS
1 Child - \$4.00
2 Children - \$7.00
3 Children - \$10.00

NON-MEMBERS
Add \$5.00 to above rates.

AGE GROUPS:

GIRLS
Novice - 10 and under
Minor - 13 and under
Junior - 18 and under

BOYS
Mites -Under 9 yrs of age
Atoms -Under 11 yrs of age

Church News

HOLY TRINITY ANGLICAN CHURCH

The Service of Confirmation this year will be held on Thursday, April 16, at 8 PM. The Bishop confirming will be the Rt. Rev. Lewis Garnsworthy. He last visited Holy Trinity in March, 1967 for the Dedication of our new Church. He was then Canon Garnsworthy and was our guest preacher for the occasion. A reception for the Bishop and the candidates will follow the service.

Our ladies are meeting each Tuesday afternoon from 1:30 to 3:15 for work, fun and fellowship. A nursery is provided for small children and an open invitation is extended to all.

A club for Senior Citizens is meeting alternate Wednesdays at the Recreation Room of the Bournemouth Apts. (April 22). If transportation is needed, or further information required, please call Marlene MacIntyre at 266-8195 or Jean O'Connell at 261-3837. Time is 1:30 PM.

Holy Trinity will play host to Junior Girls from Scarborough Deanery on Saturday, May 9, morning and afternoon. We look forward to a most enjoyable day.

The Choir of Holy Trinity will be singing a selection of modern hymns. on Sunday morning, April 26, at 11 AM.

During May, the 11 AM. Services of Holy Communion will be on the second and fourth Sundays.

The Bishop has requested Mr. Young to prepare a draft revision of the Diocesan Canons (the rules and regulations that define the operation and organization of the Church in the diocese). He estimates that this work together with some similar work for General Synod and for the Church Union Commission, will occupy two or three days each week for the next two years. He therefore offered Mr. Young a much smaller parish, Emmanuel Church, Thornhill, in order to give maximum time to this other work and still be fair to his parish and his family. Mr. Young has accepted the offer, effective on May 1. The name of the new Rector of Holy Trinity has not yet been announced.

It is with a great deal of regret that Mr. and Mrs. Young will be severing their ties with this parish and community, where they have now been for nearly six years and where they have formed many close friendships.

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

The most beautiful season of the year is upon us. At least, Spring is that to many of us with its spirit of hope and promise. It is a return to the activities that have had to be put away for the Fall and Winter months. So, out comes the spade and rake, the fertilizer and the lawnmower. A trip to the cottage to see that things are in readiness there for the weekend excursions - all in all, a rather exciting time.

CANADIAN IMPERIAL BANK OF COMMERCE

GUILDWOOD PKY.
& LIVINGSTON ROAD

A.C. BATTENBERG: manager

Tel. 267-8278

Spring, to the Church and God's people, is a time of hope and the challenge of new promises. Particularly this is true in regard to Easter and that period between Easter and Pentecost. Special challenges are ours today, challenges that may either defeat us or cause us to grip more firmly the great promises of God.

As to what is happening to this particular fellowship of people, may we first have a moment or two to reflect on what has happened. During the Winter recess period of March 23 to 26 the church held a Vacation Bible School. Over 100 pupils registered for the program and it was a most happy and satisfying event. Easter services are always a thrill and so no further comment is necessary. On April 5th, a Reception Service was held with 13 folk being received into active membership.

On Sunday, April 12th we commence a series of Sunday services that will be held from time to time to give opportunity for Christian laymen to speak out from their convictions on a role that is uniquely theirs as Christians. This Sunday we have the opportunity to hear Mr. Murray Gaunt, M.L.A. of Huron County speaking as a 'Christian in Politics'. We hope as well to have at this service our two Members of Parliament (federal and provincial). Following the service we will have chatter and discussion over coffee.

On April 19th, the Rev. George Cunningham will share the service to inform our people what is being done by our church for the 'down and out' at Evangel Hall.

April 26th will be a service to give recognition to ten years of witness as a congregation in this community and a time for reflection and robust outlook on the role of this congregation as a church for the 70's.

Finally, regrets that we must say farewell to a colleague and a close friend to many in the community - the Rev. George Young. We share with the folk of Holy Trinity in their loss and yet wish God's richest of blessings to go with the Youngs on a rather special Call of the Church at this time.

A welcome to all who are recent arrivals in Guildwood. May your stay in the Village be long and enjoyable. May we offer our church as a spiritual home for Christian fellowship and service.

letters to the editor

Dear Sir

It is now clear that the indiscriminate use of certain pesticides is endangering our environment and in the long run ourselves. With these effects becoming increasingly obvious I would like to know which pesticide is being used to control mosquitos in this area during the summer. Unless we can be absolutely sure that it is in no way detrimental to our environment and ourselves this spraying should be stopped immediately.

Yours Faithfully,

Geoff Williams

BROWNIES & GUIDES

547 th GUIDE COMPANY

Congratulations to the following girls who have passed their St. John First Aid - Marilyn Probert, Donna Scott, Patrice Yoeman, Debbie Collins, Ann Wylie, Manuela Schmidlechner, Jill Bunting, Dianne Morris, Isla Saunders, Sandra Thomas, Cindy Bellenger, Cindy Melburn, Donna Faucett, Janet Robertson, Christane Shea, Bonnie Baker, Jennifer Karch, Donna Warnholtz; The following girls received Hostess Badges- Isla Saunders, Cindy Melburn, Christane Shea, Donna Faucett, and Cindy Bellenger.

The guides have been working on Ditty Bags and have filled them with paper, pencil, comb, soap, book, crayons and kleenex. The bags will be donated to the Canadian Save the Children Fund.

Congratulations to Deidre Wright, one of our Guides who went up to Rangers in February, on being selected as a representative of Girl Guides of Canada at an international camp at Karlstad, Sweden. Deidre leaves July 25 and while in Europe will tour Sweden, Denmark, England and Scotland with the seven other girls selected for the trip. Have a wonderful time Deidre !

FERTILIZER SALES FINANCE SCOUTING IN GUILDWOOD.

The committee of men wish to thank all the friends, neighbours and others who bought fertilizer. Enough funds were turned over to the cubs and scouts so that they will not have any financial problems for their planned activities in the coming year. Thank you folks, we hope you all have wonderful green and weed free lawns this year.

HOSPITAL VOLUNTEERS WANTED

The Ladies' Auxiliary of the Scarborough Centenary Hospital needs volunteers for many of its 13 departments. Activities include gift shop, flower committee, information desk, patient escort and numerous other functions. If you wish to give a few hours time to a very worthwhile organization, call Mrs. Cole, Director of Volunteers at 284-8131, local 243.

LAURIER COLLEGIATE GIRLS ATHLETICS

The Junior Volleyball Team won the Scarborough championship in February by defeating MacDonald 3-15, 15-11 and 15-9.

Intramural volleyball provided good competition, with Mulock coming out on top overall.

The gymnastic team has been practising for some time now. The ability of last years' members has improved, while the new members are developing originality and grace at a fast rate. It looks like Laurier will be another strong contender for the gymnastic finals on April 14.

A number of keen competitors have signed up for the intramural gymnastics, proving that others besides the team have something to show for their effort and hard work in class.

Track and field conditioning began recently, with the old team being joined by a few new members who are particularly interested in the field events. We are hoping that all the sprinters are now in training following the holidays.

GUIDE CARD PARTY

The 547th Girl Guide Company is presenting a card party on Wednesday, April 29th at the Presbyterian Church at 8:00 PM.

Proceeds will be donated to Deidre Wright for her International Guiding Trip to Sweden this Summer. Deidre is one of only seven Guides selected to represent Canada at this world Guide gathering.

Prizes will be given and refreshments served. Tickets are \$1.50 each and are available from Mrs. F. McDonald. Phone 266-3557.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

Lloyd Dennis, the co-author of the controversial Hall-Dennis Report on the aims and objectives of education in Ontario, was the guest speaker at the March Public Education Forum at Woburn Collegiate. Most of the people were parents and students who had not been provided with an opportunity of meeting Mr. Dennis in their own community. The exchange of views was most provocative.

The March Forum (or "teach-in") was the fifth in the monthly series which was centred on the general theme - "You and Your Community". The topics ranged from: You the Tenant; You and Pollution; You, the Consumer. In my opinion, the Public Education Forums have met a real need in our borough: the issues discussed are real and the fact that teenagers and adults both came to exchange views is exciting.

Planning for next year's Public Education Forums (October 1970 to March 1971) is now underway. If you want to become involved, please drop me a note. Tim Reid, MPP Scarborough East., 38 Guildcrest Drive, Scarborough Ont.

LAURIER FRENCH CLUB VISITS QUE.

During the mid-term vacation, 47 students of the Laurier Collegiate French Club travelled to Montreal, Sherbrooke and Quebec City as part of the club's activities.

The group journeyed by bus from Laurier to Montreal on March 21, staying overnight at St. Joseph's Oratory. While in Montreal, a highlight was attendance at a performance of 'Hamlet' in French.

On March 22, the club moved to Sherbrooke where they were welcomed by the Mayor. During the three day stay in Sherbrooke, members lived with French-speaking families, went sightseeing and engaged in various activities with students of l'Ecole Ste. Therese.

The group motored to Quebec City on March 25 for a two day stay which tours of the historic city and an outing to a maple bush. 'Home' during the Quebec City visit was La Maison Acadienne.

The return trip included another overnight stay in Montreal on March 27 and arrival back in Scarborough late on March 28 after a most interesting journey to 'La Belle Province'.

Chaperones for the visit were Mr. Karl Ketter and Miss Gabrielle Piquet. Miss Piquet is one of seven teachers here from France and is on the staff of Cedarbrae Collegiate.

There will be a return visit by 50 students from Sherbrooke beginning April 16. On the 17th, the visitors will attend classes at Laurier and on the 18th sightseeing in Metro will be followed in the evening by a banquet and dance at Laurier. During the banquet, the visitors and their hosts will be joined by members of the Board of Education.

MEMBERS OF THE TORONTO REAL ESTATE BOARD

CUBS & SCOUTS

3rd SCARBOROUGH EAST CUBS & SCOUTS

'D' Pack.

All the members of our pack ended up in jail, last month !....just visiting of course. The boys had a very interesting evening, touring our local police station. Thank you officers for your co-operation. We welcome three new members to our pack. Brian Robertson, Paul Trueman and Steven MacKenzie. Steve transferred from Oshawa to our pack. 42 Dads and cubs enjoyed Sunday afternoon at Maple Leaf Gardens, watching Toronto defeating Oshawa. I'm sure the vocal support from our pack must have helped the Toronto team to win.

The Brown six won our monthly competition. Congratulations to Jim Brown, Brad Gates, Mark Carroll, Greg Hollyer, and Brian Scott. Our thanks to Mr Woodly for giving the boys instruction in First Aid. Mr Woodly is a member of St. John's Ambulance. Camp Time is approaching and this year we are going to Camp Samac the weekend of June 13th.

'C' Pack.

The cubs of 'C' pack are planning a visit to the C.P. train yard north of Sheppard Ave in early April. They will have the opportunity to view the operation of the yard from the high tower. Plans are well under way for the district cub camp, which will be held at Greenwood Conservation Area on the weekend of June 6th. We will be carrying the Japanese theme (in honor of Expo 70) into simple costumes, games and food. The boys will be doing their own cooking at the camp, which will probably yield some very interesting results. Another camping trip, limited to Sixers and Seconders will be held early in the summer. Individual outings for the Sixers are being arranged, to places such as Centennial Pool and Riverdale Zoo.

If you noticed a cub in the past couple of weeks with blue fingers, then he was one of ours ! The pack spent the week prior to Easter dyeing eggs and most of the boys got dye all over their hands in the process.

'D' Pack.

Thirty cubs and fathers spent one of the Sundays of March yelling their heads off encouraging the Toronto team at the Maple Leaf Gardens. The following Friday night Keith Williams was invested into the pack. Three of our older boys, Douglas Barbour, Richard Rhodes and Grant Taylor were honoured in a 'going up' ceremony into scouts. They are all looking forward to the scouting activities. Our proposed camp to Camp Samac in March has been postponed until June 26th weekend.

'B' Troop.

The Friday night troop has now a full complement of 36 boys. Our numbers continue to grow, and despite the welcome addition of Bob Mathews to our leadership group, we are still looking for help....any volunteers ? March has been an active month, with winter camp behind us. During the month we made the trip to the Gardens to cheer the Marlboros to a victory over the Peterboro Petes. We welcome Alan Finlay, Brad Watson and Jim Qualtrough into the troop, when 'B' pack visited us. Also during March 'C' pack sent us Brian Staneland & Myles Parker, and 'D' pack visited us to perform the going up ceremonies for the three boys mentioned in the 'D' pack news. To fill out our complement, Tim Walker & Alan Yonkers were invested along with Peter Rankis, Clinton Warhurst and Wayne Bruce. The new boys necessitated the formation of two new patrols under the leadership of Andrew Martin and Charlie Williamson. Four new assistant patrol leaders were elected. They are Ricky Dankant, Larry James, Barry Jones and Paul Willie. Congratulations to Barry Jones and Robert Wright on completing their Bronze Citizen badges. We met at Centennial Pool with 'A' troop to select the scouts who will represent us at the Swimming competition on April 18th. The following

boys will represent the group: Mark Robertson, Ian Smythe, Bruce Croxon, Doug Barbour, Don Arthur, Bill Smythe, Gordon Brown, Mike Reid, Paul Hunting, Andrew Martin and Bill Qualtrough.

GROUP NEWS

We now have four cub packs and two scout troops for a total complement of 200 boys. We are badly in need of forming a 'Venturer group' for boys 14-17, but as of now, we have no leadership. If you can help or know anyone then please contact, Herb Robertson at 266-6801 or Art James at 261-6745.

LAURIER STUDENTS TRY WORK WORLD

During the week of April 6, the Grade 12 Business and Commerce students were engaged in a work experience program. Many of the students made contacts during this work week which may later lead to permanent jobs.

REPORTERS.....D. CHAYTOR
G. DICKENS

EDITORIAL

We are happy that our plea for reporters in the last issue of the 'News and Views' has been answered. We are most pleased to welcome Debra Chaytor and Gary Dickens to our staff.

Debra and Gary are both Grade 12 students at Laurier and are interested in journalism as a possible future occupation. It is hoped that their association with us will be a mutually beneficial experience.

* * *

Our attention has been drawn to a letter which appeared some time ago in Frank Drea's 'Action Line' column in the Toronto 'Telegram'. The correspondent was providing a pat-on-the-back for a group of Grade 7 boys from St. Ursula School who gave up their seats on a bus to adults.

We would like to add our congratulations to those in the 'Telegram' for this group of thoughtful young people. We only regret that their names are not available, as this kind of fine behaviour deserves all the recognition we can give.

* * *

There are a group of people associated with the 'News and Views' who don't receive any recognition and we want to correct this oversight. We are referring to our correspondents from various organizations who faithfully contribute or co-ordinate articles month after month. They are:

Rev. Young - Holy Trinity Anglican Church
 Rev. Fish - Guildwood Community Presbyterian Church
 Mrs. Adams and Mr. Logan - Guildwood Public School
 Mrs. Wallace - Elizabeth Simcoe School
 Mr. Cormier - St. Ursula School
 Mr. Fletcher - Laurier Collegiate
 Art James - Cubs and Scouts
 Lee Weber - Rangers, Guides and Brownies
 Jim Sykes - Youth

Meg Robertson and Ross McCallum - Childrens Theatre

Bill Schachow -

Bowling

Les Brocklesby and Jim Morrison - Curling

Eric Kennedy -

Soccer

Wayne Casselman -

Sports

A number of other persons have contributed from time to time and we would also like to thank them, although space does not permit us to include all the names.

* * *

To round out the staff of the 'News and Views', we require a photographer. If you are a camera bug and can help us out, please call the Editor at 266-9128. The 'News and Views' will pay the cost of films, processing and flash-bulbs, so that there will be no out-of-pocket cost if you join our little band.

kiwaniwood

Elsewhere we have recorded the statistical story of the Kiwaniwood Canvas, a success no matter how you look at it. The generous contributions of residents of Guildwood and Markham Bluffs have carried our Fund Raising activities way over the top. A special note of thanks should be extended to the Kiwanis Club of South Scarborough, our partners in this venture, who must have knocked on every door in Markham Bluffs not once but several times.

Appropriately enough we can say that "the ball is now in our court". You've provided the dollars; it's up to us to see that those tennis courts are completed and ready for play by Sunday May 31st, 1970 as advertised. It's going to be a fight! We're still on a schedule, but just barely. The latest information we have on the light standards, for example, is that final Budget approved for the \$8,000 Borough of Scarborough grant cannot come before April 13 and a six week delivery period is standard for concrete poles of the type required. This takes us up to May 25th, leaving us precious little breathing space. Rest assured that every effort will be made to minimize delivery periods and scheduling conflicts between the four Sub-contractors.

The Kiwaniwood Subcommittee held forth at some length at the April 1st General Membership of the Guildwood Village Community Association, describing their activities over the past five month period. Two motions of significance were passed, unanimously at this meeting: (1) Resolved that the Kiwaniwood Subcommittee be empowered to disburse funds to the Borough of Scarborough for the Kiwaniwood Trust Account as our share of the cost for Phase #1. (2) Resolved that the Kiwaniwood Subcommittee be empowered to proceed with the planning for Phase #2 of the Kiwaniwood development - construction of a 40 x 75 foot open air swimming pool, to-gether with whatever fund raising activities this may entail.

Some of the activities which involved your Kiwaniwood Subcommittee since the publication of our "flyer" last February 14 include the following:

1. Helped with the Kiwaniwood Canvas.
2. Made a second presentation to the Parks and Recreation Commission and wrote a letter to the Mayor and the Board of Control when notified by our Alderman Ed Fulton that our grant of \$8,000 from the Borough had been knocked off the budget. It has, as a result, been reinstated.
3. In company with the Kiwanis Club, successfully petitioned the Scarborough Board of Education for 18 parking spots on Elizabeth Simcoe Public School property adjacent to the tennis courts.
4. Thoroughly checked out the Borough of Scarborough specifications for the tennis courts with two very knowledgeable people, our Architects representative, Bob Marshall, and the President of the Heron Park Tennis Club, Brian Abbott, both residents of the village.

5. Started the formation of what promises to be a most energetic and aggressive Kiwaniwood Tennis Executive with the able assistance of Bill Schachow. Current strategy of the Subcommittee is to return to its original planning role as soon as possible, for the SWIMMING POOL this time, pausing only long enough to meddle occasionally with the details of the Tennis Court construction or the formation of the Tennis Club Executive.

In a planning capacity we are in a unique position to-gether with Kiwanis representatives, to represent to the two major official bodies, Parks and Rec and the Board of Education, the well considered views of local citizens. Incidentally, during the Canvas, there was absolutely no doubt that the people WANT A SWIMMING POOL -and quickly too! As soon as we've got all our cards sorted out and we know exactly what we want we'll be after Parks and Rec and the School Board again. We'll be after YOU again too. The Canvas for the swimming pool should average \$20. per family to realize our financial objectives. Those families who have already contributed \$25. need feel no further obligation but all additional contributions will be gratefully accepted. No report such as this would be complete without a list of those public-minded citizens who have helped us to date. At the risk of omitting someone, here it is

Brian Abbott	Jack Keay
Barry Allum	Bob Marshall
Bruce Buckingham	Geoff Mason
Ken Carter	Tom Nicholson
Don Easton	Eric Parker
Frank Enfield	Meg Robertson
Eric Fisher	Ron Scarcello
Doug Frickelton	Bill Schachow
Ed Fulton	Reg Stackhouse
Jean Hagarty	
Pete Hagarty	

Any criticisms (we accept either the positive or negative) should be directed to the following:

John McMillan 65 Somerdale Sq 261-0967

focas on brink

FOCAS (the Federation of Citizens Associations of Scarborough) has been in existence for several years under one name or another. It has been a precarious existence, hampered until recently by an unworkable constitution and still plagued by lack of support from its member associations. At a recent meeting of FOCAS the group in attendance attempted to diagnose the problems of the federation and consider whether the organization should remain in existence. The final conclusion was that the federation should be given one more chance and a meeting has been called for April 20. The executive of the Guildwood Village Community Association have been assessing our position with regard to FOCAS and have decided to attend the upcoming meeting as observers. A final decision on our participation will be made following the April 20 meeting.

chairmans report

Our April 1st General Membership Meeting barely had a quorum however the meeting was a productive one as our proposed amendments to the Constitution were all adopted. Copies of the revised Constitution can be obtained from any member of the Executive Committee.

A general discussion on the Laurier Drop-In Centre resulted in our deciding to play a more active role in this activity. A number of the members volunteered to assist in the supervision of the Centre and it was agreed that a steering committee should be formed to insure that adequate supervision is provided on a continuing basis. Bob Kemp of the Y.M.C.A. talked to the group and he outlined some of the problems associated with the Drop-In Centre and emphasized that the school authorities were willing to co-operate and keep the centre open as long as some one assumes the responsibility to organize a group of parents who in turn would assist in supervising the Centre.

Our efforts to have traffic signals installed at the intersection of Guildwood Parkway and Livingston Rd, and having double left hand turns off the Parkway on to Kingston Road westbound has been favourably received by the Borough. The light situation at Guildwood Parkway & Livingston has been reclassified from a "B" to an "A" priority and although this in itself should not infer that we will get lights...it is an indication of the Boroughs acknowledgement of the situation as we see it. The Borough Traffic people have researched our request for double left hand turn off the Parkway and have come up with a very good solution to the problem. They will recommend lengthening the advanced green light at this intersection to permit a greater flow of traffic through each light change. This will do the job nicely.

With the recent ban on D.D.T. use the Association has been informed that a chemical formulation of Thiaton and Vapona will be used this year. This combination is very effective and also permissible by Government standards. The cost of the new formulation is approximately double the cost of D.D.T. however we still think it is money well spent.

Victoria Day Activities

One of the highlights of Guildwood Village Community Association activities each year is our Gala Victoria Day Celebration. This year will be no exception.

Our celebrations will take place on May 18th starting about 10.A.M. with a childrens decorated bicycle parade and culminating after dusk with a big fireworks display. Other activities will include sports, pony rides, games of skill, entertainment and bands. A refreshment stand will be open throughout the day.

This year again, the day's festivities will centre around the grounds of Laurier Collegiate. Since parking will not be available on the grounds, residents of Guildwood are required to leave their cars at home and walk to the school.

We require volunteers to help make our Victoria Day celebrations a success. If you can help us out in any way, call Eric Parker at 266-9128.

If you plan on remaining at home on the Victoria Day weekend, keep May 18th open and join us at Laurier. Further details will be published in the next issue of the "News and Views".

**We tell it
like it is.**

BEAUTIFICATION

For years now the Guildwood Village Community Association has spent hundreds of dollars in their attempt to beautify the area. When you look around it is difficult to see where improvements have been made. Our tree and flower planting programmes have involved considerable hard work by many dedicated people and most recently by Claus Asten.

Well needless to say - the flowers die off, the trees suffer from the winter salt and we are back to where we started from. Virtually no upkeep of the gates at the entrance to the Guild resulted in our having a jungle of weeds and litter that placed a close second to the midway at the Exhibition. Of course...the cigarette butts that are tossed out of the cars while they wait for light changes and the junk people toss around in the plazas doesn't help either.

This year we have money budgeted for beautification and we should put our heads together and come up with some constructive ideas as how to get the most for our money. If you have anything to say on this subject will you write to us today and speak your mind ! Letters should be directed to Mr.T.Nicholson at 11 Avonmore Square, SCARBORO.

Think 'Sun'

KIWANIWOOD PROGRESS REPORT

Pray for sunshine for the next couple of weeks !

As you may have noticed some initial levelling has been done on the tennis court site in Syden Park. Repeated rains over the past two weeks have delayed completion of the grading prior to laying gravel for the base of the courts. The asphalt contractor is standing by awaiting completion of this work.

Not all of the delay has been bad, however ! It has permitted the drilling of two test holes which indicate that (a) the tennis courts are suitably placed (b) the pool can be located south of the tennis court site (c) the soil found at the site is suitable for tennis court construction (d) we may have a problem of heaving due to frost action with the tennis courts.

Parks and Rec and the asphalt contractor are jointly looking into solutions to the problem mentioned in (d). We are still trying to meet our deadline of May 31st, 1970 for completion of the job. KEEP YOUR FINGERS CROSSED FOR US !

Church News

HOLY TRINITY ANGLICAN CHURCH

The Rt. Rev. G. B. Snell, M.A., Ph.D., Bishop of Toronto, has announced the appointment of the Rev. William S. Watt as the new Rector of the Church of the Holy Trinity, Guildwood. The appointment will take effect on Sunday, June 14th, although Mr. Watt will be visiting the parish for the Services at 8 and 11 AM on Trinity Sunday, May 24th.

Mr. Watt has had extensive experience in business and served for a number of years as a lay reader and then as Deacon-assistant at St. Simon's, Highland Creek. For the past three years he has been Associate Rector at All Saints Church, Kingsway in the west end of the city.

We bespeak for him a warm welcome to the parish and to the community.

* * *

Mr. and Mrs. Young would like to express their appreciation to the clergy of the various neighbouring churches and to the parishioners who attended the farewell party for them on Sunday, April 19th. They deeply appreciate the friendship and goodwill of so many people.

* * *

On Saturday, May 9th, Holy Trinity is playing host to the Junior Girls from the Deanery of Scarborough. Some 200 girls will be in attendance.

Holy Trinity are having their annual Auction and Bake Sale on Friday, May 15th. There will be countless bargains and delicious baked goods as well. The starting time is 7:00 PM on the Church grounds. Salable items, such as household furnishings, sporting goods, tools, etc. will be appreciated. Please call Mrs. Ilene Hyatt, 261-1615 or Mrs. Sharon Head, 267-0581.

letters to the editor

17 Rowatson Rd.
Scarborough, Ont.
April 10, 1970

Mr Parker:

Congratulations on the "new" Guildwood News and Views. It is excellent both in appearance and content.

Reading the April issue stirred up an old rage with me, so I might as well get it off my chest while I have pen in hand.

I'm constantly amazed at the tremendous work done by the many Guildwood residents on behalf of this community through the Association. Their efforts, which benefit us all, make the Guildwood Association fee of \$5.00 the best bargain south of the Arctic Circle. At the same time, I get ill thinking about the few selfish residents in this community who want a "free ride"; who submit that they don't use the benefits generated by the Association; who expertly avoid or wear down the canvasser while managing to enjoy the fruits of other people's efforts and money. The April News and Views further demonstrated the big difference between the many fine people working for this community and the 300 odd (and I do mean "odd") non-paying Free-loaders.

As a member, a canvasser and a resident whose neighbourhood includes some of the "odd" group, may I suggest that any Association member who hasn't been involved in our annual membership drive volunteer at least once. You'll be amazed at how terrific most of your neighbours are. You'll also get an interesting insight into a small group of people you mistook for neighbours.

Maurice T. O'Callaghan

FOCAS STAGGERS TO LIFE

On April 21, the Federation of Citizens Associations of Scarborough managed to avoid complete failure by electing a slate of four executives out of the required seven for a properly working group. The lack of enthusiasm was evidenced by the fact that all four, headed by Betty Hellens as President, were elected by acclamation.

Although pessimistic, we will support FOCAS until the next General meeting of the Association.

BROWNIES & GUIDES

547 GUIDE COMPANY

A week-end in April at Camp Samac was enjoyed by 16 Guides and 2 Leaders. Thank-you to all our drivers.

On Cookie Day 20 Guides who remained in the city sold 33 cartons of cookies.

On April 20th, we welcomed Robin Dreyer, Deborah Hames, Christine MacLellan, Christy Thomson and Karen Weeks into our company. These girls flew up from the 547th. Brownie Pack.

29 Guides are now busy taking a Child Care course on Wednesdays. This course will last approximately 7 weeks. Good Luck Girls.

On April 29th, a very successful Card Party was sponsored by the Guide Company for Deirdre Wright's International Trip to Sweden this summer. A cheque for \$181.27 was presented to Deirdre at our Guide meeting. We hope this will help to defray some of the cost incurred by her parents for this trip. We would like to thank the following people for all their help in making the party a success: Shiela McDonald, Ticket Convener and helping at the church; Jim Bates, our Announcer; and with his wife Carol helped at the church; Frank Bainbridge, tables; Joyce Campbell, prizes, kitchen and serving; June Moody, tablecloths and kitchen; Alene McNeill and Pat Hames, kitchen and serving; Eleanor Yoeman, Rene King and Marg Willie, kitchen; Ruth Pattison and Bunny Arthur for their help at the church; Susan Bunting, Cindy Billinger, Susan Keen, Dianne Jones, Ruth Peacock and Gillian Stacey from our Guide Company; Deirdre Gibson and Deirdre Wright from the Sea Ranger Crew; and to all the ladies who donated sandwiches and squares.

61st. GUIDE COMPANY

On March 17th, we held a Family Night and we were very pleased to welcome so many of our parents.

We started our evening off in the usual manner and then held an enrolment. Nancy Fulford, Patti Wotherspoon, Janet Davies, Jennifer Moncur, Mary Ann Boyda, Nancy Garvin, and Carol McLean were taken into the Company.

We presented 37 badges that night as follows: Second Class Badge-Terri Whiting, Robin Weber, Debbie Smyth, Jane Ann Reid, Yvonne Raap and Sandra Cowan. First Aid Badge -Karen McAuley, Susie Limeback, June Ann Reid, Terri Whiting and Robin Weber. Karen McAuley also earned her Public Speaking, Child Care and Seamstress Badges. Yvonne Raap earned her Hostess Badge and Cathy Ostapiec her Gymnast Badge. Fire Brigade Badges went to the following girls Debbie Smythe, Lori Gamble, Judy Robertson, Robin Weber, Karen Scarcello, Cathy Ostapiec, Sharon Scarcello, Sandra Skinner, Kerry Ann Sweeney, Janet Berry, Sandra Cowan, Debra Pinkney, Carolyn Johnston, Cheryl Clements, Jacky Sanders, Jennifer Hopkinson, Alice Johnson, Sharon Tossell, Lucile Kingsmill, Georgina Angus and Mrs. K. Scott. Patrol Second Stripes were presented to Sharon Tossell and Carolyn Johnston, who also received a one year Service Star. Lori Gamble received a 2 year star.

It was with much regret we said good-bye to Mrs. Scott who has been with us about a year and a half. Mrs. Scott has really helped the girls in their work and we enjoyed some pleasant outings together. She has moved to Swift Current, Sask.

We also wished Sandra Cowan good-bye and good luck in future guiding as her family moved away to the Orangeville area.

We have had a change in Divisions and districts due to the rising numbers of girls and units. As of March 1, 1970 Guildwood District left Scarborough Division and became part of Cedarbluffs Division. The new boundary lines run north and south instead of east and west and Galloway Rd. is our dividing line. Because of this change, twelve of our girls were transferred to the new district of Morningside under the leadership of Mrs. C. Johnson who had been working with us. We now have 20 girls left in the Company.

Mrs. Smyth has kindly come to our assistance until the end of the year and Mrs. Garvin, Mrs. Gamble and Mrs. Skinner have been rotating as mothers for extra support until the end of the year. This extra support is helping the company to keep going and finish the season but unless some permanent commitments are made for leadership by September the company will not be opening again.

In the meantime, we have six girls planning the First Class half day hike to be held very shortly.

On Saturday, June 6th. we have rented Cedarbrae Pool from 9-10 P.M. for a Splash Party. All friends and family of the 61st. Guide Company are welcome to come and swim for an hour of fun and relaxation. There will be a nominal charge of .25¢ per person to help to pay for the cost of renting the pool.

We would like to thank all the ladies who supported our Tupperware Party. The girls made a profit of approximately \$50.00 which is to be earmarked to help take them away for a week-end camp.

We would also like to thank all those who purchased Girl Guide cookies from us. It is very gratifying to myself and the girls to see the results from these efforts and, as part of Cookie money goes to support Camp Cedarbrae, it is a very worthwhile project indeed. Thank you very much.

SPORTS

TENNIS

EXCELLENT PROGRESS ON GUILDWOOD TENNIS COURTS CLUB.

Construction of the tennis courts at Sylvan Park has already begun and should be completed in a few weeks. Memberships for the Tennis Club have been coming in at a very healthy pace, with the following members registered to date:

Seniors	109
Intermediates	17
Juniors	190

Family membership enrolments are included in the above figures. Club officials are looking for 180 senior and intermediate members in total. With 126 already registered in the first three week period following the announcement, they expect their target will be reached quickly. Membership cards and club identification buttons are being mailed to all club members. The first such mailing was made on April 29th. Instructions, tournaments, and other club practice area is planned by the Club to further assist members in improving their

CURLING

The Guildwood Village Curling Club held its eighth annual banquet, winding up the 1969-70 curling season at the Guild Inn on Friday April 24. A crowd of almost 100 curlers and friends enjoyed an evening which began with cocktails at 7 P.M. After dinner, trophies were awarded to this year's champions:

League Champions, Section 1-Dave Uren, Skip; Bruce Jones, Vice-skip; Vic Jensen, Second; Liz Kennedy, Lead.

League Champions, Section 2-Vic Jensen, Skip; Charles Robson, Vice-skip; Rex Scaiff, Second; Sandy Francis, Lead.

Playoff Champions, Division A-Bob Arnold, Skip; Eric Parker, Vice-skip; Noreen McMillan, Second; Andrea Merry, Lead, Wyn Beattie, subbing from Feb. 1st. Playoff Champions, Division B-George Saracino, Skip; Jackie Edwards, Vice-skip; Ed Hawkins Second; Betty Momberson, Lead. The 1970-71 executive was elected unanimously. Activities next season will be directed by Vic Jensen, President; Ethel Niewolski, Vice-President; Art Momberson and Charles Robson, Co-Treasurers; Jim Morrison, Draw Master; Jack Brown, Assistant Draw Master.

The evening concluded with dancing. The committee responsible for the evening's activities are to be congratulated on a most entertaining and well organized event.

BASEBALL

BASEBALL REGISTRATION

Baseball registrations have been coming slow and we urge you to complete and return the application forms without delay. Applications will be accepted up to Wednesday May 13th and at that time the various leagues will be formed.

We are anxious to have a good league for the girls and unless we receive a good number of players we will be forced to cancel this house league.

WE ARE LOOKING FOR NON-EXPERIENCED AS WELL AS EXPERIENCED PLAYERS...SO FILL IN THE FORM RIGHT AWAY AND LETS GET TO PLAYING BALL EARLY THIS YEAR.

We still seek sponsors for the various teams and umpires are also required. How about giving a few hours a week to assist in our baseball programme.

CUT AND MAIL TODAY.

chairmans report

We are approaching the mid point of the Associations fiscal year and although there is much work to do this year we are starting to plan for the 1970-71 activities. So far, we have been pleased with our progress to date...specifically the very successful dances, swim nights, constitutional reforms, the "new look" newspaper and of course, the excellent work of John McMillan's sub-committee in getting the Kiwaniwood project off the ground.

Nothing is accomplished without good planning, enthusiastic workers and the co-operation of the residents in the area and to these people we are very grateful. Well-what about next year? Bigger and better programmes, a swimming pool project, a youth drop-in centre, a better newspaper, more interesting and informative General Membership Meetings and so on? Yes, all of these things and much more can be realized if we have an industrious executive committee in '71.

The present executive committee will soon appoint a Nominating Committee of two persons (not present executive members) to prepare a slate of candidates to run for the various positions on the 1970-71 Executive. These nominations will be presented at our first General Membership Meeting.

If you would like to serve the Association and the community in any capacity you will find the work taking up a limited amount of your time and energy and of course...no prior experience is necessary. How can you help next year? Start thinking about it today and drop us a letter or telephone any member of the present executive committee if you would like to have your name on the list of candidates for the 1970-71 Committee.

EDITORIAL

Our plea for a photographer last month in this column has gone unanswered to date. We are still very anxious to have a staff man who can help us illustrate the News and Views. You don't have to be an expert. HELP! Call the Editor at 266-9128

* * * *

Our sincerest apologies to Mr. Cromien the Principal of St. Ursula School whose name was spelled incorrectly in our last issue.

* * * *

The gremlins were really at work on our April issue. We hope that no one turned up on May 7 for the "Elephant Walk" sponsored by the Scarborough East Kinsmen Club. In future we promise to use a 1970 calendar.

DROP-IN CENTRE

Since our last issue the Scarborough Board of Education withdrew the permit for the use of Laurier Collegiate as a Drop-In Centre from the group to whom it had been issued last autumn.

Although the Community Association had indicated its willingness to assume responsibility for the centre and a supervisory committee under Mrs. Gail McDougall was established, it has not been possible to complete arrangements for re-opening of the centre to date.

According to Dr. Reg. Stackhouse our School Board Trustee, the Board of Education intends to negotiate with the Borough Recreation and Parks Department for the latter to assume administrative responsibility for the Drop-in Centre. It is anticipated that, provided the necessary arrangements can be made, the Y.M.C.A. would continue to provide a trained youth worker for the centre and the Community Association would guarantee the necessary adult assistance.

We are hopeful that the negotiations underway will be concluded in the near future and that the Drop-in Centre will reopen before the end of May.

school news

Guildwood

In sports, we are busy preparing for our annual Field Day to be held on Wednesday, May 13th. Once again the school has been divided into two "Houses". All pupils participate and the enthusiasm is tremendous. Our preliminary inter-school meet is scheduled for June 2nd at Birchmount Stadium. The Scarborough finals are to be held on June 9th.

Our five inter-school softball teams have commenced their leagues while our house-leagues are just getting underway.

The annual Grade 8 fishing trip was held on May 2nd. All Grade 8 pupils, some with their parents, went to Mossington Park on Lake Simcoe for the perch run. Although the weather could have been better, the trip was a success and many of the group came home with fish.

Two of our pupils, John Cramer and John Quinn reached the semi-finals in the Public Schools Chess Tournament.

This year our annual Dessert Party sponsored by the Home and School will be held on Monday, June 9th. All members of the community are welcome.

All of our Grade 3 pupils will be attending Water Safety Classes at the Cedarbrae pool commencing May 21st.

We are very happy to see so many of our senior pupils volunteer to take part in the East Scarborough Kinsmen Club's "Elephant Walk". This is certainly a worthy cause.

Our last regular Home and School meeting of the year will be held on Monday, May 11th. This is Variety Night and many of our pupils will be participating.

Through the courtesy of Traffic Safety Officer P. C. Sills, we shall be having a bicycle inspection on May 29th and a rodeo on June 5th.

Elizabeth Simcoe

All the students who took part in our Music Night are to be praised for the hard work which made the programme such a success. We are pleased that so many parents could be with us on April 30th.

For the next month, the focus will turn from music to the up-coming Scarborough District Track Meet to be held at Birchmount Stadium at the beginning of June. The students are already starting to practise for the various events and our hopes for success are high.

During April, intermediate students enjoyed an excellent concert, presented by the Laurier Collegiate Junior Band. It was a pleasure to welcome back many former students of Elizabeth Simcoe.

Kindergarten registration took place on May 7th. For the information of new residents in Guildwood, there will be another opportunity to register on September 3rd.

St. Ursula's

We neglected to mention in the last issue that on Thursday March 19th our primary Orff music choir directed by Mrs. J. Schofield and the Junior school choir directed by Miss A. Mulholland entertained the residents of Guildwood Nursing Villa. Both choirs have been preparing for the annual Separate School Board Music Festival Tuesday evening April 21st. at Cedarbrae Collegiate Institute.

Mrs. J. Schofield's Kindergarten class enjoyed their April 2 visit to the Ontario Science Centre. On this same day, Mr. W. Boyle's grade 7 class visited the Richard Harris Water Purification Plant.

Our Brass band, conducted by Mr. J. Anderson, played on Wednesday evening April 8 at Birchmount Park Collegiate Institute.

Our Board's first combined Math-Science Fair was held Saturday April 11th at St. Brigid School. A group from Miss M. Metzger's class submitted their Canadiana model project.

On April 23rd Mr. Watson of the Kinsmen's Club addressed an assembly of our Grade 7 and 8 pupils regarding their possible participation in the "Elephant Walk" in aid of Special Equipment for Centenary Hospital. A large number of pupils intend to walk on this day. Several students also participated in the longer "Miles for Millions" walk on May 2nd.

Neil McNeil High School presented a special concert for our Grade 7 and 8 students Tuesday May 5th. The entertaining programme gave our students an introduction to the instrumentation of the concert band and a variety of concert music.

Arrangements are being made now for Miss M. Metzger's grade 7 and 8 class to be involved in a two day, one night out-door educational program during the month of June in the "Huronian" region. The pupils will be exposed to a part of our early Canadian heritage and to the natural setting of one part of Ontario where Christianity first began.

Grade two pupils will make their First Communion at St. Boniface Church Saturday May 23rd.

Our school baseball teams are working very hard now preparing for their area tournaments at Scarborough Village Park at the end of May.

St. Ursula Track and field team has been training for some time for our June 9th area meet at St. Agatha School. The Scarborough Finals track meet will be held June 12th at St. Ursula.

The Laurier Word

Our Look-in 70 was held on the evening of April 24. In excess of 3000 people attended this extravaganza of displays, projects and demonstrations which allowed visitors to see the latest, best innovations in education, art, fashion and variety shows. It was quite clear from the many favourable comments received from parents that they enjoyed the opportunity of seeing the school in action.

By way of preparation for a project in English, 100 Grade 10 students visited the Canadian Marketing Show on April 29th. in the C.N.E. Automotive Building. They will soon begin an Advertising Unit in English. Following the completion of the Unit they will produce their own advertising campaign involving a mythical product. On the 30th of April, 120 Grade 9 Art Students were taken by bus to the McMichael Conservation Collection in

Kleinburg. They were given an informative Tour which introduced them to the work of the Group of Seven.

On May 4th one of our Grade 10 Art Classes visited the downtown Toronto area for sketching in the Kensington Market, Allan Gardens areas. Another class will make the same trip on May 11.

The Rosemount P. Q. High School choir of 63 voices performed for two student Assemblies on May 1st. The choir was under the direction of Miss Helen Hall. This was a return visit as our Band performed in the Rosemount High School during a week-end last February.

33 students from Grades 10, 11, and 12 attended the Claremont Outdoor Education Programme from May 4th to the 8th. The group was accompanied by Mr. Arber (Geography) and Mr. Hemphill (Biology).

This year Laurier won 3 of 4 trophies competed for in Scarborough Gymnastics. The dual meet team won with a record 814 points. The novice team defeated all challengers by 25 points and the Junior team won by 23 points. The highlight of the year was Bruce Robinson's double victory in the Toronto and District Gymnastic Championships. He scored an 8.7 in the floor exercises and an 8.6 in the vault to win both events. According to Mr. Jacobsen, their hard-working coach, the teams look to be even stronger for next year.

CUBS & SCOUTS

3rd. SCARBOROUGH BOY SCOUTS

All the cub packs have been going full blast with the boys earning badges and passing tests.

"B" Pack welcomed in three new boys. They are David Matzko, Paul Truemner and Peter Wilde. The pack now has a waiting list of 12 boys. Twenty of the pack went on a hike-weiner roast, and managed to devour 5 dozen hot dogs and 4 dozen doughnuts. During one of their pack meetings, the boys watched movies of their previous camps and hikes.

Miss Janet Smith has had to take the rest of the season off as Akela of "C" pack because of business. Mrs. Bernice Foster has agreed to help out in her absence.

Mrs. R. Miller has been away a few weeks because of hospitalization but we are happy to report that she is home now. The leaders and boys of "D" pack wish her a speedy recovery.

"A" Troop has been very active. Bruce Robertson earned his Bronze challenge award and Dave Fish earned the Pioneer, First Aid and Campcraft badges towards his Bronze award. The

troop welcomed four new boys, Eric Thexton, Bobby Field, Dave Middleton and Ronald Wulf. The troop has grown in size, requiring the formation of three new patrols. Bill Qualtrough was made patrol leader of the "Rattlesnake's", Dave Fish heads up the "Cobra" patrol and Earl Smith is patrol leader of the "Stag" patrol. Congratulations boys

POLLUTION: A GUILDWOOD PROBLEM, TOO

Ecologists tell us that we may have only ten years left before our country becomes uninhabitable because of pollution. Even now, we can see that this statement is probably true. Although Guildwood Village is far enough away from the industrial areas of the city to avoid factory contamination, the heavy traffic in this area, combined with general diffusion, has left the Village with a very real air pollution problem. Anyone with a sense of smell who has done any walking near the Bluffs in the last few years doesn't need to be told what has happened to our lake. No matter how much time and money is spent on the beautification of Village property, nobody can see the improvements for all the garbage lying around.

It's got to stop. Individually, no one can do very much. But we, as a community, can do a great deal towards ending pollution, and cleaning up what we already have. Anyone interested in helping to prolong our collective lifespan past 1980 should write to the editor, 142 Toynbee Trail, Scarborough.

GUILDWOOD NEWS & VIEWS

Official Publication · Guildwood Village Community Association Vol. 70 No. 5

REZONING BID FAILS

Most of our readers are no doubt aware of a recent attempt by a real estate developer to have properties on Westlake Road, immediately east of Livingstone Road rezoned. At a meeting of the Scarborough Planning Board on June 11th, the proposal was rejected unanimously.

The executive committee of the Community Association became aware of a proposal by Gulf Investments to have five properties currently zoned for single family dwelling, rezoned to permit the construction of 96 suites of two and four bedroom housing in three story row type units. An emergency meeting of the executive committee of the Association held on June 12th, resulted in unanimous agreement to oppose the attempted rezoning.

On June 13th, and 14th a letter was circulated throughout Guildwood Village explaining the rezoning proposal and outlining the executive committee's opposition to it. Residents were invited to also indicate their opposition to the rezoning by signing a letter to be forwarded to the Scarborough Planning Department.

The opposition to the developers proposal was overwhelming. Over 575 families indicated strong objection

to any rezoning. The response was also widespread. As might have been expected there was almost 100% reaction from homeowners immediately adjacent to the area affected. More surprisingly was the large number of letters signed by residents of the Village not immediately affected and particularly those south of Guildwood Parkway.

The Scarborough Planning Board was made aware of the massive opposition of Village residents. By June 10th several hundred letters had been delivered to Don Easton Scarborough Commissioner of Planning. Other village residents had also publicized the feelings of Guildwood taxpayers.

The Planning Board meeting was attended by a number of Association members led by Tom Nicholson, Les Brown who acted as spokesman for the association and Ed Fulton, our Alderman. Legal counsel for the developers spoke at length on the proposal. He disputed the conclusion of the Borough engineers that storm and sanitary sewers were inadequate to support the proposed development. Les Brown spoke briefly for Guildwood. On a Motion by Karl Mallette the application for rezoning was denied unanimously by the planning board.

EDITORIAL

Elsewhere in this issue the results of a recent attempt to spot rezone an area of Guildwood Village are reported in detail. This particular situation very amply illustrates the necessity for the maintenance and growth of a strong, active community association with broadly based support throughout the Village. If we are to retain the unique character and superior environment of this area, it is imperative that our efforts to prevent its destruction be redoubled in the future. We can expect the assault by money-hungry apartment builders to increase, not decline!

Too many of our public officials have in the past, allowed their better judgements to be subordinated to the pursuit of tax revenue. They were either unaware or did not care that they created future massive social problems when they permitted excessive housing densities through apparently uncontrolled high-rise construction. Most of our representatives will protest "But it has been controlled!" We reply "Hogwash". All anyone has to do is look around Scarborough for confirmation. The unhappy results of inadequate recreational facilities, overloaded services, traffic congestion and family and social problems are multiplied beyond all proportion when excessive housing densities occur.

In the recent case in Guildwood the developer proposed to increase the housing density in the area in question by over 19 times. Was there any concurrent proposal to increase our already overloaded public recreational facilities? No! Was there any commitment to expand permanent educational facilities to cope with the increased population? Never! Did the developer consider the effects of the greatly increased traffic in an already congested area? Apparently not.

We believe that the unanimous rejection by the Scarborough Planning Board to rezone in Guildwood illustrates growing awareness of the necessity to consider the social results of planning decisions. This awareness must be fostered among all our elected representatives and public officials. The Guildwood Village Community Association and the News & Views are dedicated to the preservation of Guildwood Village as a good place to live and we will continue to encourage responsible planning in Scarborough.

Victoria Day Big Success

It has almost become a tradition in Guildwood that our annual Victoria Day activities are preceded by a week of almost continuous rain accompanied by much worry and finger-nail chewing by the committee members who have nightmares about the problems associated with postponement. Each year, all the worry proved unnecessary and this year was no exception. May 18th dawned clear and sunny. The weather remained perfect throughout the day and evening. Weeks of preparation by the Victoria Day Committee culminated at 6:30 A.M. on May 18th, when the day's activities began when a truck loaded with materials driven by our hard-working Chairman Tom Nicholson rolled onto

the grounds of Laurier Collegiate. Tom and Eric Parker soon had the area strewn with lumber and assorted bits and pieces. Sam Sauve soon entered the fray, hammer in hand, and things started to take shape. The working group increased rapidly although space doesn't permit us to list everyone.

Before long, Rene and Eric Fisher were setting up the refreshment stand and the aroma of hot coffee soon filled the air.

The festive atmosphere was accentuated as Barb Jensen's crew put the final touches on games of skill and chance. Eager players soon surrounded them attempting to win one of the many prizes available. (cont page 2)

VICTORIA DAY ...CONTINUED

At the same time furious activity was taking place at the Guildwood Villa Nursing Home where, thanks to the Villa administrator Mr. Kelly, over 700 kid were being marshalled for the decorated bicycle parade by Esther Sauve and a group of Sea Rangers led by Marg Sorensen and a number of other girls. This formidable task was completed on time and the parade moved off, led by Fred Johnson at the controls of the sound car and the Guildwood Kadettes, very smart in new green and white uniforms. The parade made its way to Laurier accompanied by a large crowd of spectators. The fantastic number of top notch entries presented Ed. Fulton and his team of four judges with an almost impossible task in awarding prizes for the best entries. Unfortunately, we have not been able to record the names of all winners. Here are some of them: Five years and under-David and Gail Wysotski, Pamela Willie and John Pulgrey: Ages 6 & 7, Jeannie Morris and Greg Davis: 10 and up Terry King and Cathy Dee; Group Winners, Carol, Fred, Cathy and Laurie Johnson.

Pony Rides got underway at noon. The ponies were pretending they were Silvers and had a long succession of Lone Rangers on their backs until 8 P.M.

Shortly after noon the track and field events began and ran smoothly throughout the afternoon under the direction of Bud Wilkes, ably assisted by Gail MacDougall, Nancy Adamson, Suzanne Petie, Diahann Cole, Doug Wiggins and a group of Sea Rangers. Several of the races were particularly exciting with extra effort being given by a number of the competitors.

This year we had an innovation in the form of the Borough's Showmobile mobile stage which was in use throughout the afternoon and evening. The stage was the focal point for Village teens as a variety of rock groups entertained. Among others who were involved, special thanks go to Jim Sykes for organizing and to Paul Marshall, Gary Beck and Bruce Johnson for entertaining. The showmobile was also the site of a freckle contest won by Lynne McRoberts and Steven Higgins and the pie eating contest in the early evening. Unfortunately in the barrage of flying pie at the end of contest, Judge Ed Fulton and

M.C. Eric Parker failed to get the name of the winner and beat a hasty retreat leaving the entertainers to duck the incoming morsels (missiles) About 5:45 p.m. there was a loud whirring and Bob Carter arrived in the CHFI helicopter. Bob graciously allowed the younger set to look over his machine before taking off for a display of his skill as a pilot in very tricky wind conditions. Our heartfelt thanks to Bob Carter and CHFI for providing us with the highlight of our Victoria Day Celebrations.

A group of mini-bike enthusiasts under Bob Marshall entertained during the early evening with a display of their skills in handling their machines.

Mary Bullied's Guildwood Kadettes over 60 strong, paraded from Elizabeth Simcoe School to Laurier and entertained on the field with precision marching and baton twirling. Well done Kadettes.

The day's activities concluded with a great aerial fireworks display. Those shadowy figures in the dark who didn't miss on a bang were the firing crew under Don McDougal who has perfected his technique over several years.

Throughout the day, Ernie Ing, our clown entertained the small fry with his tricks and funny antics. Ernie also had the difficult task of counting freckles when he judged the freckle contest.

During both our parades we had the assistance of the efficient Metro Toronto Police Department, who provided escort and traffic control. In addition two officers of the Mounted Division were present during the evening when crowds were at their height. Our thanks to Bill Bullied for co-ordinating parade and traffic control activities and to the finest police force anywhere. We can't let this opportunity pass without a special word of thanks to Cosmo, a faithful advertiser in the News & Views and one of our best business citizens. Cosmo has provided storage space in the basement of his barber shop free of charge for our equipment and materials for Victoria Day.

This report of Victoria Day activities has included the names of only a few of the people involved. We certainly haven't intentionally omitted anyone. To the many people who worked from dawn until long after dark and to all the residents of Guildwood Village and the surrounding area who supported us by turning out, -our heartfelt thanks.

PROCRASTINATION

People are really funny! It would surprise you how many call we receive from people, some irate and others looking for sympathy. The big item these days is "Oh, I can't imagine why I left it so late? Can you register my boy in baseball? Or, I didn't think the "Tennis thing" would be such a success! Why can't I register at this late date..and so on. If these people would have a little consideration for the many people who have to organize and run the various activities in our area they would get their applications in on time and relieve us of the additional burden of having to always drag things out. Give us a break! Pay your membership dues on time! When we have dances get your tickets early so we know where we stand! Register your kids in sports as soon as you can. Help us meet our deadlines and everything will be much better organized.

DROP IN CENTRE

The Parks and Recreation Dept has agreed to run the Drop In Centres in Scarborough. As you know they have the organizational know how and the trained staff to handle youth activities. Your Community Association has made application with the Parks and Rec people to have permits to have Centres at both Laurier and Guildwood Public School. Details of the programmes are not yet final however we will communicate these details as soon as we can. Lets get behind the Parks people and give them all the support we can. If we fail to meet our obligations we could end up with no Centres at all.

SPORTS DIRECTOR

Our sports director, Wayne Casselman has resigned his post for personal reasons. For the present, the Association has taken on the responsibilities of the Sports Director and due to the limited activities remaining this year...we will not appoint a full time replacement for Wayne. We are looking for a volunteer to assist us in co-ordinating sports data for the newspaper and also to assume the responsibility of purchasing trophies and crests etc for the various baseball league. This job will take very little time and if you are interested in helping us out you can call T. Nicholson at 266-4604.

LOCAL COUPLE CELEBRATE GOLDEN WEDDING ANNIVERSARY

On June 23rd, 1970, Mr. & Mrs. William Laird of 32 Grandor Court celebrated their 50th wedding anniversary. Coming from Dundee, Scotland, 40 years ago, they have been residents of Scarborough, residing first on August Avenue and recently moving into Guildwood.

On Sunday, June 21st. they, with their daughters, Doris and Ina, were "at home" to receive congratulations from friends and relatives.

Senior Citizens Club

We are pleased to report that the social club formed for Senior Citizens in this area, has been a great success.

Meetings were held every other Wednesday at Holy Trinity Anglican Church and attendance averaged about 30. Programmes for each meeting were varied, with cards, sing-songs and just plain chatting. A rather unique fashion show was put on by some of the ladies in the club. They wore stunning outfits made of household items and kitchen utensils and, with a running commentary, a really good time was had by all.

On June 3rd. a garden party was held at the home of Mrs. Betty Robson, Windy Ridge Drive. There were games of croquet, dart throw and ring toss. It was a lovely afternoon and we were served tea, sandwiches and fancy cakes made by Mrs. Robson.

June 17th. was the last meeting of the Club. It was an old fashioned pot luck luncheon and was great fun. Entertainment was a small piano recital by some of our local, budding virtuosos. The girls were excellent and everyone thoroughly enjoyed themselves.

To show our appreciation for the use of the church and its facilities, many of the members attended the 11 o'clock service at Holy

Trinity on June 21st. and the club provided the altar flowers.

We cannot let this opportunity go by without thanking publicly the women who have worked so very hard. Without them the club would not have been the success it was. Many thanks to Mesdames Ann Brister, Sheila Bunch, Judith Cabrita, Marg Cowley, Yvonne Gamey, Joan Hogarth, Phyllis MacDonald, Shirley McDonough, Lola Qualtrough, Jane Robertson, Betty Robson and Heather Taylor.

(Editor's Note: Special thanks should go to Mrs. Jean O'Connell and Mrs. Marlene MacIntyre who have contributed so much to the success of the club in its first season.)

Alderman talks

by Ed Fulton

We have just recently received approval from the Metro Traffic Department to alter the signals at Kingston Rd., and the Parkway. The advanced green time will be extended by several seconds and according to our surveys should reduce the congestion now encountered each morning on the Parkway.

Numerous requests have been made to our Traffic Dept. to install traffic lights at Livinstone and the Parkway. While this intersection has been moved up on the basis of Borough-wide priorities, I don't expect signals at this intersection until sometime in 1971.

I have requested that street lights be installed on the new section of Westlake Rd., east to Galloway Rd.,

As many of you are aware, a proposal for 100 units of condominium townhouses, to be located on Westlake Rd., just east of Livinstone Rd., was recently presented to the Borough Planning Board. I attended along with the delegation spokesmen, Les Brown and Tom Nicholson. The proposal was unanimously rejected by the Planning Board.

If I can be of any assistance to you, in any matter please call me at 267-6720 or 759-4747.

GUILDWOOD PRESBYTERIAN CHURCH

by Rev. Gordon Fish

Summer vacation greetings!

There is nothing that seems to grip our every thought this time of year as that of holiday time. This is being written when the high school crowd are now flexing their wings and the younger set are exploding at the seams in expectation of freedom in the next few days.

Summer vacations are a 'mixed bag' to the older generation. The time to travel and see the country; getting back to see old home territory; the week-end junkets to the cottage; the period of frustration when the men-folk say goodbye to their wives at the cottage and return to the city during the week and stay with the job

Summer vacation is a 'mixed bag' to the church in your community as well. Small crowds, empty coffers, operational bills that persist in coming through the mail and the stymied efforts to do something in the nature of a programme to reach the constituency.

The next two months in our church does however pose a bit of a challenge. Along with Melville Presbyterian Church in West Hill, Guildwood Community Presbyterian joins to create a 'SUMMER 70' ministry. We too believe that man was meant for worship and re-creation, so we have devised a scheme of operations that is meant to satisfy the whole man. Sunday emphasis is being transferred to Thursday evenings at 8 P.M. Sunday morning worship will be restructured on more informal lines - at 11 A.M. Informality it seems would be the whole key to the concept of 'SUMMER 70'. Thursday evenings we really do encourage our people to come as they are. "Singalong" singing, open discussion and fellowship are key words to the concept that we have in mind. All of this commenced on Thursday evening, June 25th. and continues Thursdays at 8 P.M. and Sundays at 11 A.M. through to the first week of September. Should you

be interested in a program describing the themes and plans, give either our church (261-4037) or the Melville Church (282-7111) a call and we'll be happy to see that you receive a copy.

Finally, a word of welcome to Mr. Watt and his family as they come to the community and take the charge of Holy Trinity Anglican. A sincere welcome indeed! A word of welcome as well to all who are newcomers to the community and trust that your stay here will be a most enjoyable one.

Until Fall-have a most pleasant and profitable Summer!

JUNE REPORT CARD MESSAGE

Fall term begins Tuesday September 8th. Grades 9 and 10 report at 9 A.M. Grades 11,12 and 13 report at 1:30 P.M.

To ensure preparation of your individual timetable for September 8th., changes of subject or course should be submitted to the school immediately upon receipt of your report card.

INSURANCE

BALL PLAYERS COVERED BY INSURANCE

The Community Association has taken out accident insurance to cover all boys and girls participating in the Guildwood Village baseball programme. The policy provides \$2,500 coverage for each of accidental death and dismemberment, medical expenses and dental expenses. Players are covered while participating in games and practice for the entire season.

CUBS & SCOUTS

3rd. SCARBOROUGH CUB & SCOUTS

By the time that this issue has been read, the cubs and scouts will have stopped having their regular meetings for the summer. This in no way means that the boys have stopped operating. All the packs and troops have made plans for summer activities, such as hikes, camps, swim meets et..

"C" pack finished up the season with a weiner roast for the boys and relatives. Over 75 parents, brothers & sisters joined in and managed to consume 14 dozen do-nuts, plus hot dogs. The Friday before, John Evanoff was invested into the pack, and a lot of the boys were busy earning badges before the season closed. John Evanoff earned his "House Orderly" as well as Mike and Greg MacDonald and Paul Davies. Todd Rowe and John Barton earned their Swimmers Badge, Trevor Bunting earned his swimmers, Toy-makers and Athletes badges. Robert Pearson & Steven Taylor took advantage of the good weather to earn their Gardeners Badge. The pack is becoming quite bilingual with Emile Groen earning his Interpreter Badge for Dutch, David Watt for Spanish and James Haibe for German. Emile also earned the Handyman Badge. The pack have been busy preparing for camp to which they went on June 26th. The scout troops plan on making some canoes during the summer. They have all the plans and materials; also there is no lack of enthusiasm. Paul Bunting of "B" troop has been very ill in hospital. The Boys sent him a huge card with all their wishes and hopes for a speedy recovery,

All in all, the past season has been very successful with the largest number of boys ever, participating. There have been too many people involved to thank personally here, but all of you know who you are, whether you were in uniform or behind the scenes. Thank you one and all. We will be losing two or three leaders for the fall opening and there will be a big gap to fill.

We are asking any adults who can spare two hours a week and wish to see our boys receive the best training for the future to please give wither Herb Robertson a call at 266-6801, or Art James at 261-6745. Have a good summer everyone and come back safe and sound.

GUILDWOOD Kadettes

First of all, we would like to thank the women who sewed skirts for the girls who participated in the May 18th. parade. Without their help, we would never have been able to have the skirts finished on time. The women who sewed are: Miss Sherri Hogarth, Mrs. Proctor, Mrs. Vibert, Mrs. Kumoi, Mrs. Truemner, Mrs. Aston, Mrs. Nicholson, Mrs. Marg Brown, Mrs. Stiver, Mrs. McDonough and Mrs. Bosch. Many of the mothers baked or donated articles to our booth and Mrs. Bernardo, Mrs. Doreen Young, Mrs. Wiley and Mrs. Ross were just some of the mothers who gave up their time to help run the booth. A big thanks to Wally Young and Brian Young who went out of their way to help us and also rented tables for our booth. Scott Young deserves a big thanks too, as he helped load everthing into the camper the night before and unload it the next day.

We have now had two parades and we are quite proud of the girls. We have been invited to go to the Highland Creek Legion Parade on July 1st. Our senior corps will be judged along with other corps from diferent parts of Scarborough. At the present time, we have over sixty girls from 4 years old to 12 and will be unable to take any more girls until September.

Thanks to Ed Fulton and Fred Johnson who helped to have us put on the free list at Sir Wilfrid Laurier High School. With the money we will save from not having to pay rent, we will be able to complete the girls uniforms. We are hoping to have a color Guard in September and once again we will try for a drum corps. We had the boys to play the drums but unfortunately our budget would not allow us to buy even the two snare drums. If anyone knows where we can purchase new or used drums at a reasonable price, please contact Mary Bullied at 267-1526.

Insect Spray

This year the Community Association has contracted for the spraying of Guildwood to provide some control of flying insects of the pest variety. With the governments recent ban on D.D.T. a new chemical formulation is being used. The cost of the new chemicals is much higher than in the past however we still think it is a good value...it is also a safe product and meets all government standards. An effort is being made to have the area sprayed after most of the children have gone to bed. The kids have a bad habit of trailing the spray truck on their bikes and one of these days the truck is going to make a sudden stop and we could have a serious accident. Warn your children to stay away from this vehicle !

they visited many historic locations such as the Parliament Buildings and the War Museum. Enroute they visited man and His World at Montreal, Cornwall, Upper Canada Village at Morrisburg, and Kingston.

On June 19th., both staff and pupils had a chance to relax and enjoy the annual Play-day. For the event the school divided into two groups. One group included Grades 1 to 3 and the more senior grades made up the other. The Kindergartens followed their own special programme. Divided into balanced teams, boys and girls competed in obstacle races, relay races and other games planned by the wily staff. Congratulations to the winners, Teams 6 & 15 of the Senior group and Teams 6 & 13 of the Primary Section.

June 18th. saw the beginning of the Safety Patrol at the school. There are five locations which will be in operation again on Sept. 8th. They are: Catalina at Prince Philip Blvd., and at Bethune Blvd. as well as Sylvan Ave. at Prince Philip, at Bethune and at Elizabeth Simcoe. For several weeks before the Patrol began Police Officers visited classrooms, instructed Patrol members and held an evening programme on May 11th., for parents in the area. Patrols are already being successfully operated in many school districts throughout Ontario and we are confident that our programme will increase safety awareness in the district.

An Assembly was held on June 23rd. so that tabs and other forms of congratulations could be given to students who took part in school activities, such as sports and choirs, throughout the year. Most important event for Grade 8 students was the Graduation Exercise which took place on the evening of June 24th. The Laura Nemchin Trophy for highest academic achievement was presented to Kimberley Headford and Michael Bigoni. We wish our Graduates every success in their future.

School closed on June 26th. and will re-open on Sept. 8th. A special pre-opening registration for pupils new to the district will be held on Sept. 3rd. from 10 A.M. to 3 P.M. We wish all Guildwood Villagers a very pleasant summer.

school news

St. Ursula's

The last month of school has been a busy one around St. Ursula. On Friday May 29th. prospective Kindergarten children and their parents attended a special orientation meeting at the school. The children appeared to be most anxious to start school in September. In keeping with our school safety program, a special bicycle "rodeo", supervised by Officer Sills of the Metropolitan Toronto Police, was held at the school June 22nd. The school year concluded with a "school leaving" evening for Miss M. Metzger's grade 8 class, Thursday evening June 25th.

All our activities were not confined to the school building. On May 26th. our school junior choir, directed by Miss A. Mulholland, took part in our Board's annual invitational festival at Massey Hall. Miss M. Metzger's grade 7 and 8 class took part in a two-day, one night out-door educational program in the Huronia region. The students visited Tiny Marsh, Provincial Hunting area, Huron Indian Village, Martyrs' Shrine, and Sainte Marie Among the Hurons. At the mission the students carried out group studies in the fields of architecture and surveying. During the evening the students had an opportunity to meet several senior residents of the area including Mrs. M. Gouett who lived as a child on the site of Sainte-Marie. Our grade 2 and 3 pupils from Mr. Luck's and Miss O'Malley's classes enjoyed their recent excursion to the Ontario Zoological Park, Wasaga Beach. Mrs. Schofield's kindergarten class visited the Bowmanville Zoo on June 19th.

Last but not least, our athletic programme was active. The boys softball team won our area consolation championship May 25th. at Scarborough Village Park. The children participated very "actively" in our physical skills play day meet held at the school Tuesday June 16th. The Track and Field team participated in a number of meets prior to the Scarborough championship meet held June 12th. at the school. Our 12 year old

boys relay team represented us in the city championship meet June 19th. at C.N.E. stadium to conclude activities for the year.

Elizabeth Simcoe

In the last few weeks of term, the school was a hive of activity. To celebrate the coming of Spring, Mr. Donnelly supervised the Intermediate grades in a sale of Petunias and other seasonal plants. Local home-owners were generous in their support of this fund-raising effort and the money was used to finance field trips and excursions.

On May 14th., Metro Police Officers visited the school for a surprise check on bicycles. The disappointing result was that only 19 of the 100 bicycles checked received the Police Safety Approval badges. We urge the students to take proper care of their bicycles over the summer months and to observe all the rules of the road safety.

On May 14th., Metro Police Officers visited the school for a surprise check on bicycles. The disappointing result was that only 19 of the 100 bicycles checked received the Police Safety Approval badges. We urge the students to take proper care of their bicycles over the summer months and to observe all the rules of road safety.

After an opinion pole of the area showed that most parents were in favour, photographers visited the school on May 25th. to take portraits and class pictures. The results were very good and the majority of the photographs were purchased. We are sure that they will be excellent souvenirs for future years.

At the Scarborough District Tract Meet, Elizabeth Simcoe was placed in a number of events. Of the students who went on to the All-Scarborough Final, we must give special congratulations to Cathy Ostapeic, who came first in the 10-year old running long jump and Jim Stiver, Tom Miller, Jim Qualtrough and Paul Overend who came fourth in the 10-year old boys' relay.

From June 15th. to 17th., Grade 8 students were away on an excursion to Ottawa and Montreal. In Ottawa

BROWNIES & GUIDES

61st. GIRL GUIDE COMPANY

We are very happy to welcome two new guides to our company. Cathy Gillen from 447th. Company and Judy Rhodes from Calgary, Alberta.

Our second to last meeting was held just a little bit differently as a Red Cross Blood Donor Clinic was being conducted in our regular meeting room. We held our Horse-shoe and Colours out in the churchyard. At this time we presented Hostess Badges to Cathy Ostapiec, Sandra Skinner and Judy Robertson. A Second Class badge was earned by Kerry Ann Seeneney. Rev. G. Fish presented Robin Weber with her Senior Religion and Life Emblem.

Our last meeting was a fun night. The girls started off the evening with a Treasure Hunt where each Patrol started off with a balloon. They received such interesting things as potato peelings; an old rag doll; a book cover without the book; etc. They kept a list of what was traded and read their list while they enjoyed pop and donuts. They really had a lot of fun and we wish to thank all the residents living in the Guildwood Parkway-Livingstone area who helped to make their hunt so much fun. They rounded off the evening with a matchstick Handicraft.

On June 6th. about thirty-five people turned out to enjoy an evening of fun in the water at Cedarbrae Pool to finish off the Guide year.

Our very special thanks to all the volunteers who have given so freely of their time to keep our company open until the end of the season. They are Mrs. Smyth, Mrs. Robertson; Mrs. Skinner; Mrs. Garvin and Mrs. Gamble. Without the help of these mothers we would have had to close our company at the end of March. Unfortunately these mothers, due to other commitments, are not able to return in the fall. Therefore our company is now closed down for the summer, will remain closed in the fall unless

someone comes forward who is willing to help share the responsibility of the company, receive training if necessary and become an active leader. If you can give your time and want to help these girls please come forward. There are twenty girls in the company now and several more on the waiting list. They really need your help as they are very eager to carry on. If interested; please contact Lee Weber at 267-2909.

547th GIRL GUIDE COMPANY

The 547th. Girl Guide Company welcomed the following new Guides who were enrolled on May 27th: Robin Dryer, Deborah Hames, Christy Thomson and Karen Weekes.

The following girls wrote examinations to earn their St. John Child Care Badge: Dianne Morris, Marilyn Probert, Beth Park, Linda Glover, Donna Scott, Donna Warnholtz, Karen Wylie, Debbie Collins, Terri Olden, Toni Olden, Jill Bunting, Sandra Thomas, Ann Wylie, Cindy Milburn, Manuela Schmidlechner, Janet Robertson, Dawn Tilley, Lynn Ainsworth, Isla Saunders, Kathy Murray, Janice Murray, Lucille Kingsmill, Bonnie Baker, Kim Boorman, Donna Fawcett, Christianne Shea, Patrice Yoeman and Jennifer Karch. Each Guide passed with honours and will receive her badge in September.

Twenty-two Guides and five adults enjoyed an interesting and rewarding trip to Fort George, Queenston and Niagara Falls on June 6th. Sincere thanks to the mothers who assisted on our trip -Mrs. Collins, Mrs. Karch, Mrs. McLellan and Mrs. Saunders.

527th. GIRL GUIDE COMPANY

At the beginning of April, the older half of our Company spent a most enjoyable week-end camping at Camp Samac in Oshawa. Although the weather was cold, a cosy cabin, good friends and lots of activity made for a memorable outing.

During the month of April, Mrs. Una Ingham, an instructor with the St. John's Ambulance, taught the girls the requirements for the Home Nurse Badge. At the

end of the course an exam was given and almost everyone passed. Our thanks to Mrs. Davis and Mrs. Bruce who helped with the testing.

Our annual Cookie Sale proved very successful and profitable with our total being 576 boxes. Pam Morrison won the prize for selling the most boxes-49.

On May 30th. we took part in the Jubilee Day Rally which was held at Morningside Park. This Rally included all Guide Companies in the Cedarbrae Area. It is estimated that 3,000 Guides were in attendance.

The following Saturday, June 6th. we held our own annual outing, which was in the form of a trip to Toronto Island this year. The younger half of the Company went camping at Camp Unaleyi in Whitby on the week-end of June 12th. and 13th. Most of these girls had not camped before so we experienced a very interesting week-end. The weatherman cooperated completely and we came away with nothing more serious than a few cases of sunburn and mosquito bites.

Four of our girls went to Camp Cedarbrae the week-end of June 20th. and 21st. to be tested for their Pioneer Badge. At this writing we haven't heard the results of the testing. In any case, we hope that they had a good week-end and were successful.

I would like to thank the many parents who have helped out during the past year as drivers for our numerous outings. Your co-operation is much appreciated.

letters to the editor

In great disappointment, we must report that we have received no letters to the Editor during the six weeks since our last issue was published. Perhaps there are no local issues which concern you as a resident of Guildwood Village--however I doubt it. Most of us are fairly voluble in discussing our community. Just take a few moments extra and put your thoughts on paper and forward to the Editor, Guildwood News & Views, 142 Toynbee Trail, Scarborough.

264-3271

SPORTS

BASEBALL

MITES

With the Mite League into its 3rd week of the schedule, the result of the games played indicate a interesting season ahead. This year we invited two teams in from Markham Bluffs. The children in that area had no where to play baseball.

We have had a number of complaints about loaded teams, due to the formation of the teams from last year. Many systems have been tried in past seasons and this year we decided to leave the teams in tact hopefully to produce a better calibre of ball and also give the coaches a team to coach rather than just baby sit.

As of June 22 we will be playing two nights a week - Mondays & Wednesdays. Our regular league play will end in July, we will have August off and start the play off games on September 12th. This schedule makes for 8 games a week requiring an umpire for each game. Anyone who is willing to join our umpiring staff should contact Doug Gamble at 267-2849.

LEAGUE STANDING TO DATE

	P	W	L	T	F	A	Pts
CHAPMANS	2	2	0	0	26	7	4
FULTONS	2	2	0	0	20	18	4
WHIBLEYS	2	1	1	0	33	13	2
RED & WHITE	2	1	1	0	25	29	2
VILLAGE VAR.	2	1	1	0	17	11	2
AMHERST DRUGS	2	1	1	0	12	11	2
SILVER MILE H	2	0	2	0	22	21	0
KIRKS GULF	2	0	2	0	3	38	0

Many thanks to all the coaches and umpires for the time they spend with our children. A nice way to say thank you to these people, folks IS COME OUT AND CHEER YOUR KIDS ON.

Fred Johnson 261-1352

GIRLS

Our league got off to a swinging start on June 11th. with four teams. Guildwood village coached by Marilyn Bernardo, Red & White by Jackie Nicholson, Charlettes under the guidance of Mary Bullied and Gulf headed by Carol Dougall. Two games have been played with great crowd and player participation.

Anyone interested in an umpire position in this fast moving league should call the league convenor, Bill Bullied at 267-1526.

ATOMS

League Convenor-Don Orr

The six team Atom series got off to an excellent start June 1st. with an exhibition game and, as the teams play Monday and Wednesday nights at Elizabeth Simcoe School, the first league game was June 3rd.

The Atom series standings as of June 17th, are as follows:

TEAM	POINTS	COACH
Guildwood Cleaners	8	Jim Sweeney
Kirk's B.P.	7	Bob Randall
Duxbury's Esso	4	Gary Priestman
Melville's Fina	3	Geo. Gyatt
Frank Whibley's	2	Len Heise
Guildwood Shoes	0	Risto Puhakka

The following fellows who have volunteered to umpire in our Atom series games deserve a vote of thanks from our community: Bill McCreadie, Ian Coulter, Bud Wilkes, Dan MacDonald, Dave Canavor, Joe Good, Charlie Etherington and Peter Leonard.

How about you parents coming out some Monday or Wednesday night and supporting your boys, coaches and umpires, and who knows you might even see some great baseball.

TENNIS

The first thing the KIWANIWOOD TENNIS CLUB executive would like to do is thank the residents of Guildwood for the overwhelming support they have given the Tennis Club. The number of people applying for

membership far exceeded all expectations and, as a result, the membership is greatly over subscribed. We unfortunately had to call a halt to accepting any more members and further applicants were and are being placed on a waiting list.

The Tennis Club may be likened to a boat and at this moment the water is only a couple of inches from the edge. If the waters are calm we may be able to take on more members until the water is one inch or less from the edge. But we can not let chaos develop. The very most the tennis courts can handle in one evening is 70 players-if everyone who has had a turn on the courts goes home, and if everyone observes tennis etiquette. It is very unlikely that new applicants will be able to become club members this season, however the courts are open for anyone from 9 a.m. until 4 p.m. on weekdays. We have all been waiting impatiently for the completion of the courts-and we are finally there. By the time you read this the playing surface will be ready with possibly some landscaping to be done around the courts. The opening weekend will be in progress (June 27 & 28) and you are welcome to drop in and have a hot dog and a cup of coffee or pop.

One question the Executive has had to answer over and over is: "I contributed money towards building of the courts, why does that not make me a member of the Tennis Club?" The contributions were used to capitalize 25% of the total cost of the tennis courts and that's all. It takes more money to maintain the courts-for the members and for the public. The Tennis Club provides the nets which everyone can use whether they are members or not. It provides all the accessories such as benches, schedule board, brooms, etc. It provides supervision and organization. It provides liability and damage insurance. It provides the practice area and the practice board. All these facilities are being paid for by members and are for use by all residents. In return for their fees the members must be given some incentive and that is the form of exclusive playing hours.

A threat we often receive goes like this: "If I or my children can't join then we won't contribute to the next phase of Kiwanwood." That's like saying: "If you don't let me jump into the boat, whether it sinks or not, I

won't help you build the next boat." If the Tennis Club were to go under there wouldn't be any need for the nest phase. The fact that enthusissm for a recreational complex is so high should produce even greater support for the next phase, not a boycott of it. We need a swimming pool to give other residents of Guildwood recreational facilities.

We can't all pile into the tennis courts right now but if you are on the waiting list, please be patient.

CURLING

The Guildwood Curling Club will open again for the 1970-71 season at the Tam O'Shanter, 2380 Kennedy Rd. The league will be split into two sections, curling alternate Sundays, games starting SHARP at 8 P.M. and finishing at 10 P.M.

This is a social league designed for meeting with people in Guildwood Village-its purpose is to have fun! You can curl with either section or both sections. Instruction will be available for beginners. So, if you are interested but are hesitant because you have never curled before you have nothing to worry about.

Curling will begin the first Sunday in October. Members will be notified in detail of the schedule before the season begins.

Membership fee to defray banquet and trophy cost-\$6.00 . Cost per person per night -\$2.50.

Complete the attached form and forward it to one of the curling committee prior to July 15th.,1970 or phone:

GUILDWOOD CURLING APPLICATION FORM -----1970-71 SEASON					
Name		Address		Phone No.	
# Years Curled	Position Desired	First Section	Second Section	Both Sections	Spare

SOCCER

The socceer season has started again with Guildwood having 12 house league teams. and 8 representative teams in all age groups. This year boys from the age of 7 to 21 are playing organized soccer with over 300 boys participating in the Guildwood Clubs.

Our house league teams have joined with the Scarborough Spurs and Midland Clubs to form a combined house league, with over 30 teams involved, and lots of competition for the boys (good luck to them all.)

Guildwood House League teams compete in the Scarborough Inter-House League:

SQUIRT	Marvin Starrs Melville's Fina Guildwood Community Assn. Guildwood Pharmacy Gray's Scottish Bakery Schills Delicatessen Kirks Gulf
ATOM	Guildwood Pro Hardware Village Variety Major Jewellers
MOSQUITO	Campbells Soups Guildwood Village
PEE WEE	

In organized competitive leagues, our teams are doing very well.

Junior "A"(under 21) Ontario League
Played 4-won 2 lost 2
Junior "B"(under 18) Scarborough League.

Played 4-won 3 tied 1
Bantam(under 16) Scarborough League
Played 4-won 2 lost 2
PeeWee(under 14) Scarborough League
Played 5-won 5
PeeWee(under 14) Ajax and Pickering League

Played 3-won 3
Mosquito(under 12) Scarborough League
Played 4-won 1 lost 2 tied 1
Atom(under 10) Scarborough League
Played 5-won 4 tied 1
Squirt(under 8) Scarborough League
Played 4-won 2 tied 1 lost 1
A pretty fair record for all concerned, lets hope they keep it up.

ELECTION MEETING OCT 7

BIG HIGHLIGHT OF GUILDWOOD VILLAGE COMMUNITY ASSOCIATION YEAR.
ALDERMAN ED FULTON CUTS RIBBON TO OPEN KIWANWOOD TENNIS COURTS.

KIWANIWOOD PROCEEDS

Hello again! This is your regular Kiwanwood Progress Report. In the May issue we were telling you about some of the problems we had been having with rain which delayed the tennis court construction. When all the clouds had cleared away, the courts were completed June 26 and dedicated June 27, thanks to a much appreciated, concerted effort from both the Recreation and Parks Department and the lighting contractor. Jack Keay deserves a real pat on the back for his efforts here!

As Bill Schachow implies elsewhere in this edition, the Tennis Club is now flourishing, with a total of almost 600 (600, count them, 600) beautiful members. To add icing to the cake, we have not had to turn away any local people who put their name in on the waiting list. This has been most encouraging to our Kiwanwood Subcommittee and just gives us more reason than ever for pushing on to Phase 2, the outdoor Swimming Pool.

We missed our May 31 deadline for completion of the Tennis Courts by 27 days, but we don't intend to let this happen again. We have set our sights a little higher this time (now that we've had a little practice), aiming for the outdoor Swimming Pool at the Sylvan Park location to be completed prior to July 1, 1971 at a cost of approximately \$80,000. We have seen examples of some beautiful outdoor pools, complete with concrete decks and good change facilities, costing less than this figure.

Of course we've got a long way to go yet. We don't yet have a clear commitment to the land itself, nor do we have any firm assurances as to financial backing from the Borough of Scarborough or the Province of Ontario. Nevertheless, on the basis of our previous experience, it should be possible to get the pool built for a cost (to us) of approximately \$30,000. The Kiwanis

- continued on back page -

The next General Meeting of the Guildwood Village Community Association will be held on Wednesday, October 7th at 8:30 P.M. in the auditorium of Guildwood Public School. The meeting will feature a report by the outgoing executive on the Association's activities over the past year and the election of officers for the 1970-71 year.

The past year has been a most eventful one for our community and this Association. Perhaps our most significant milestone was the completion of Phase I of the Kiwanwood Recreation Complex. This project illustrates what can be achieved by an active, concerned community once residents become involved. Elsewhere on this page you will find a report on the Kiwanwood Subcommittee's plans for the next phase.

Another significant happening during the past year was our annual Victoria Day celebration which was bigger and better than ever. Thousands of our residents enjoyed the big village party and the weatherman co-operated fully.

The value of a strong, effective community association was amply illustrated by our successful battle to prevent spot rezoning in Guildwood. We can expect this type of sniping at the character of the Village to continue. We must continue to be an active organization with broad support to resist future rezoning attempts.

We have had a very active sports and recreation programme during the past year. Over 350 boys and girls from Guildwood and Markham Bluffs participated in our softball programme. Over 125 of our boys played organized soccer sponsored by the Scarborough Minor Soccer Association and supported by the Community Association. Other activities included tennis, floor hockey, skating (on outdoor rinks maintained by the G.V. C.A.) and swimming.

Our major social activities were two very successful dances held at the Moose Hall. The association also

SPORTS

TENNIS

KIWANIWOOD TENNIS CLUB

Now that the Guildwood News & Views has resumed publication after the summer holidays, it will be used again as the medium for news about the Kiwaniwood Tennis Club (KTC).

At this time the Club Championship Tournaments are almost completed. There have been some excellent matches but the best is yet to come when the FINALS will be played. At this point it looks like the Finals will take place either on the week-end of October 11 or 18. Please check the Bulletin Board at the tennis courts for the date.

We hope to schedule the Final matches (with approximate playing times given) so that you may come out and watch the matches you are particularly interested in. The Junior Finals will be played then also.

There are three annual trophies and 11 individual trophies for which the players are competing. The annual trophies are: MEN'S SINGLES (donated by the South Scarboro Kiwanis Club), LADIES' SINGLES (donated by the Guildwood Village Community Association) and the MIXED DOUBLES (donated by the tennis club executive).

The other trophies will be won and kept by the champions in the following categories: Men's Singles, Ladies' Singles, Men's Doubles, Ladies' Doubles, Mixed Doubles, Junior Boys' Singles, Junior Boys' Doubles, and Junior Girl's Singles.

Since we do not yet have a parking lot near the tennis courts, most players coming by car park on Sylvan. This is perfectly legal but sometimes a bit annoying to the Guildwooders living there. Anyone who doesn't mind a slightly longer walk can park in the School's parking lot. This walk would warm you up for tennis and make our neighbours feel better.

The Kiwaniwood Tennis Club crests are now available and may be purchased for \$1.25 from Bill Schachow at 50 Sonneck Sq., 261-1374. There are 60 crests on hand--for members of the club only.

The agenda for the remainder of the season is to play as much tennis as possible before the snows close the courts. The Ladder Competition will carry on as well. Unfortunately the Junior members have not been participating as much as had been anticipated. The great enthusiasm they showed at the beginning of the season waned very quickly. The Tennis Club executive would appreciate some aid from the parents in the form of encouragement to the Juniors --if not this season, at least next season.

We would like to build a good club here, and to be a good club the membership must have enthusiastic Junior participation. The Executive hopes to also put more effort into Junior development next season.

A dinner or banquet will be held at the end of the season to present the winners of the Club Championship Tournaments with their trophies. Tickets will be available to anyone desiring to participate in honouring our KTC champions. However, since the time, place and price have as yet not been determined, those particular are not yet available. Anyone wishing to be notified by telephone may leave their name with Holly Clifford, 267-8593. General publication of the details will probably appear in the next issue of the News & Views.

We are hoping for a long and dry Fall to give us plenty of tennis playing yet. Many of the ladies of the Club are getting together Tuesday and Thursday mornings at the courts. If any other ladies are interested, please bring your tennis racquet and your tennis shoes and drop in at the courts. If you have any question about the above, please call Louise Schachow, 261-1374.

CURLING

Attention Curlers! The Guildwood Village Curling Club gets underway soon. Come out for free instruction in curling on Sunday, October 4th, 8:00 P.M. at the Tam O'Shanter Golf and Country Club, Kennedy Road, Agincourt. No experience is necessary.

BASEBALL

A very successful baseball season wound up with playoffs in September and a parade, trophy and crest presentations and a banquet on September 26th.

The parade was headed by the Guildwood Kadettes and a large turnout of Guildwood residents cheered the youngsters who paraded through the fog from Guildwood Public School to Elizabeth Simcoe School.

After presentation of trophies to all members of the winning team in each league and crests to all contestants,

BROWNIES & GUIDES

Another season of activities is upon us and, as usual, help is needed in all aspects of our work. Brownie Packs and Guide Companies that are in existence are fortunate in having well qualified leaders to head up the new year. However, these girls cannot carry the load alone. Helpers, qualified or not, are needed to ease the work load. The Brownie Packs which now exist have some 60 girls on waiting lists and, if these girls are ever to get the benefit of Brownie training, new leaders are needed so we can open a new Brownie Pack. Guide Companies also have waiting lists and it is getting increasingly difficult to move Brownies on to Guides when they become 10 years old. Leaders are besieged with telephone calls, not with offers of help, but by indignant mothers wanting to know why their daughters have not been called for Brownies or Guides. As you can see, help is urgently needed. Anyone who feels they have the time to spend with these young girls, please contact Shirley Gray at 267-6055.

This year we are re-activating a uniform exchange for Brownie, Guide and Ranger uniforms. Anyone having such uniforms for sale, or anyone wishing to buy uniforms, please contact Mrs. Morrison, 261-9513 giving her the details of name, telephone number, kind and size of uniform.

fall fashion show

The Church of the Holy Trinity Ladies Group will present a Fall Fashion Show on Tuesday, October 6th and Wednesday, October 7th at the Church, 55 Livingstone Road at 8:00 p.m. Elegant fall and winter fashions will be presented by Inge's Suburban Shop and the Children's fashions from Heatherbell Fashions, both stores located in the Morningside Plaza. Stuart Interiors will provide the stage setting and the hair styles will be done by Nino and Vincent's. Refreshments will be served and there will be a drawing for door prizes. Come with a friend or gather a group together but get your tickets early. Advance tickets only \$1.25. For information please call Mrs. Verna Parke at 266-3229.

school news

Elizabeth Simcoe

Elizabeth Simcoe begins the school year with an enrolment of 870 students. The number of staff members has increased, as well as the number of portables! We anticipate that this year will be a very active one.

Mrs. Donellan's Grade 1 class got off to a good start by taking the first excursion of the term to Bowmanville Zoo on September 11th. In sports, the Intermediate students are already involved in a friendly Flag Football league.

As in previous years we plan to show a full length movie each month. The first will be on Friday, October 2nd and is the family favourite 'Lady and the Tramp'. A very different form of acting was seen at the school on September 24th when we were visited by the much-sought-after Young People's Theatre Company. They emphasized child participation in their performance of "Balloon Faces" for the Grade 1 and 2 classes and "Almighty Voice" for Grades 5 and 6.

Following its trial run in June, the Safety Patrol organized by Mr. Jones is again doing its invaluable work. At school we are continuing to emphasize that the Patrol can only be effective if other students, especially those in the primary grades, watch for and obey the crossing guards. Car drivers in the area can easily identify the guards by their orange belts and coats.

The school will hold its annual Curriculum Night on October 13th. Parents are invited to meet the staff and to hear the proposed programme of study for the year, as well as an outline of school policy. Our guest speaker will be Mr. F.S. Cooper, the Assistant Director of Education for the Borough of Scarborough. We hope the 13th will provide the opportunity for meeting new families in the district as well as for renewing old acquaintances.

Guildwood

We welcome several new members to the staff of Guildwood Public School this year. Miss B. Bianca, from Toronto Teachers' College, is specially assigned and is doing remedial work in reading in the primary grades; Mrs. C. Henderson is an experienced teacher from the United States who is teaching Grade 5; Mr. J. Cadan from Highcastle Junior School, Scarborough has a Grade 7 class; in Grade 8 as Grade Chairman is Mr. J. Heino formerly at H.A. Halbert School, Scarborough; Mr. G. Barrett, returned from sabbatical leave in England, is the new principal.

The total school enrolment is 555 with 42 children in the kindergarten and 513 in grade classrooms. The senior pupils are involved in a rotary system which has five classes participating in a programme where History, Geography, Composition, Science, Art, French, Physical Education and Health are on a rotary time-table. The home teacher is responsible for the remainder of the subjects.

Girls' teams have been entered in the Junior and Senior Borden-ball League and boys' Soccer teams in the bantam, junior and senior divisions. The girls and boys have been practicing with great enthusiasm and this effort has started to show results as the Senior Boys Soccer team defeated Meadowvale Public School 7-0 in their first game played September 24th.

The first Home and School executive meeting was held on Monday evening, September 28th. The programme for the year was discussed in broad detail and it was agreed that meetings would be planned with the panel discussion theme in mind. There will be a Home and School night in October, and further information will be sent to each home.

St. Ursula's

As a result of the Board's recent decision, St. Ursula's School now offers a half-day morning Junior Kindergarten programme. The purpose is to broaden the experience of each child emotionally, socially,

physically, and intellectually. We have also expanded our French programme this year to include Grade 2 students. These pupils under the direction of Madame M. DiMambro are now having oral French lessons each day.

The sacrament of Confirmation will be administered to pupils in grades 5 to 8 by Bishop T. Fulton, Thursday November 12th at 7:30 P.M. in St. Boniface Church.

Several classes are now preparing for their up-coming excursion to Wye Marsh Wildlife Centre, Midland, Ontario. Under the guidance of several naturalist, the students will view and discuss various adaptations of plants and animals.

St. Ursula School instrumental music programme under the direction of Mr. W. Jacobs now includes students in grades 5, 6 and 7. Some of these students will also soon begin rehearsals each Saturday for the Metropolitan Separate School Board Elementary School Concert Band.

Our school flag football team, coached by Mr. W. Boyle and Mr. J. Clarke, has been working hard to prepare for our area's inter-school tournament. The team recently completed a successful series of exhibition games against some of our neighbouring schools. We would be pleased to have any parents who may have the necessary time and interest assist us with any of the school extra-curricular sports programme that we are now planning.

The Laurier Word

A large group of students went by train to Stratford on September 23rd to see "The Merchant of Venice." Prior to the performance the students went on a short sight-seeing tour of the town. The group was accompanied by Miss MacLea and Mrs. J. Morrison of the Laurier English Staff.

Sir Wilfrid Laurier's annual Sadie Hawkins dance will be held on October 30th at 8:00 P.M. The dress will be in hill-billy style! Marryin' Sam and contests galore will be the major attractions.

On September 25th forty-one Grade 11 Biology students, accompanied by Mr. G. Hemphill and Mr. J. Grosdanoff, Biology teachers, took a field trip to Duffin's Creek. They spent the day collecting specimens and data for studies in the classroom.

Boys' athletics have been active, with a number of recent events. On Friday, September 25th, the 6th annual West-East Football kick-off was held at Birchmount Stadium with defending champions, Laurier Blue Devils playing against Stephen Leacock (a brand new school.) On Friday, October 2nd, Laurier played in a night game at Birchmount Stadium against Thomson C.I. Juniors played on Thursday, October 1st against Thomson at Thomson. No results were available on any of the above games at press time. Both football teams look very promising this year again. We hope to have a good season.

In girls athletics, Sept 25th brought to an end Laurier's 2nd annual Interhouse Week, designed to encourage house spirit among our student body. The interstaff volleyball game on Wednesday after school drew a crowd of student "sports" enthusiasts, while the Junior Sports Nite on Thursday provided an excellent opportunity for Grade 9 and 10 girls to meet with their fellow students in friendly house competition. Our second major interhouse activity will take place during the week of Oct. 5th when we will hold a track meet in which all the girls of the school are invited to participate.

On an interschool level, Laurier has three Basketball teams, two of which begin their fall season on Oct 5th against Mowatt, our newest opponent. The teams are practising keenly to ensure that we make a truly fine showing in the league. The field hockey players are on the pitch nightly after school in preparation for their league opener held Sept. 30th at Thomson Park. The Archery Club also held its first practice during the week of Sept. 28th-Oct. 2nd.

One final note that the sailing elective for the Grade 12 students is progressing very well. The students finish the programme on Oct. 3rd. in a regatta at the Whitby Sailing Club.

QUILDWOOD INDIANS

Both the Junior and Senior teams have had a rough time against more experienced opposition and have dropped their first three starts each. Our novice players are; however gaining valuable experience with each game and we hope to improve the track record during the coming weeks.

We will be canvassing all of Guildwood during the next two weeks selling garbage bags to raise money for new equipment for next year's teams. We ask for your support for this necessary fund-raising activity as adequate equipment is essential to the safety of our players.

The next home games for both Junior and Senior Guildwood teams will be at Laurier Collegiate field October 11th, starting at 1:00 P.M.

SUPPORT OUR Advertisers

LAURIER STUDENTS TO STAGE THREE PLAYS

On the evenings of November 5th and 6th, Sir Wilfrid Laurier C.I. will present three one-act plays for your entertainment. The plays are "Sorry, Wrong Number", a serious drama, and "Sunday Costs Five Pesos" and "The Marriage Proposal", both comedies. All acting, directing and stage and lighting work will be done by the students themselves. These plays are the first dramatic efforts of the school for this year. The admission price is nominal, so make plans to come out and lend your support.

WALKATHON RAISES MONEY FOR OUTREACH

Last Saturday, September 26th, a twenty-mile walkathon was held to raise money for Outreach, an Anglican Church sponsored group which supplies aid to various assistance projects. The first two walkers completed the twenty miles in about six hours; more people started to pour into the last checkpoint an hour later. Most of the slower walkers completed the route in the rain and many who started the walk dragged their weary feet all twenty miles. Congratulations should go to all who took part in this project and thanks to all those who sponsored their friends and neighbours in the walk.

GUILDWOOD YOUNG
ADULTS THEATRE

With the departure of Ross McCallum to Rosedale, the Guildwood Childrens Theatre has now become the Guildwood Young Adult group. Many of our actors and actresses graduated this spring so we are now looking for new interested people over 15 years of age to join our remaining group. We need actors, stagehands, set designers and builders -- no experience needed. Our present plan is to stage a three act play during the coming winter. Rehearsals start every Sunday afternoon and one evening per week. Any students interested please contact Mary-Jane or Peter Large, 120 Catalina Drive, 266-6385.

INTERMEDIATE HOCKEY

The Scarborough Recreation and Parks Department announce that an intermediate hockey league will be operating in Scarborough this winter with all games being played at the Glen Watford Arena (formerly Agincourt Lions Arena).

Anyone between the ages of 18 and 23 years wishing to play hockey are asked to contact Mr. John Schwemlein at 757-8303. For further information, please call the above number.

Church News

GUILDWOOD PRESBYTERIAN CHURCH

by Rev. Gordon Fish

Autumn Greetings:

From G.C.P.C. (Guildwood Community Presbyterian Church) may we extend greetings to all who are once more returning to the humdrum of routine. Summer is at best uncertain and from changes in holiday patterns to the peculiarities of summer weather patterns it is a change to note: there is school five days a week, certain club arrangements that need to be fulfilled and certainly not the least the job now has a certain intensity that has perhaps slacked off during the lazy hazy days of summer.

Church is on again, and for those of us at G.C.P.C. we look forward to a big year ahead. Enthusiasm is always a mark of a happy home life and we think that the mark of enthusiasm that is now appearing gives evidence of a happy spiritual life.

May we share with the readers of the News and Views, a few matters that are immediately before our congregation and would ask your interest in:

Sunday School

No enthusiasm here? It is interesting to hear the statement that Sunday School will be a thing of the past in five years. We would most

sincerely like to disprove this prediction-and so come along-both young and old to our Sunday School program-Gr. 3 and up at 9:50 A.M., and Gr. 3 at 11 A.M.

Sunday Morning Worship

It is still an institution that makes the week complete. 11 A.M. Sundays and there is always a welcome here.

Midweek Activities

Midweek activities are just now getting under way and to avoid missing somebody let's say "There is a full program daily at the church."

The ladies are planning a Fall Bazaar for October the 24th, and we ask readers to note this day on your calendar. Further word will follow.

To all who are new to the community-WELCOME! We are proud of our community and know that you will be too. To all of you folk who have 'For Sale' signs on your lawns-"Will ye moo stay?" We hate to see you leave.

HOLY TRINITY ANGLICAN CHURCH

by Rev. William Watt

'The Earth is the Lord's, and everything in it.' These words were written by St. Paul and are recorded in his first letter to the Corinthians, in the 10th. Chapter. I feel confident that he was thinking of the 24th. psalm which was written many centuries earlier.

This fact of ownership has been written into mens' hearts and minds down through the ages. In an earnest desire to portray the beauty of God's world, the men of Holy Trinity Church have been labouring over the Church property. We believe that it is much more in keeping with our desire to show the Beauty of the Lord to our community.

The external signs of beauty in life are fine, where would we be if the world reflected nothing but ugliness. I, however, believe that the God of all Creation is more interested in the inner beauty of man. Beauty of true love, Beauty of compassion, Beauty of true loving family and community relationships.

This is the message of love from God that we and our neighbouring Christian brethren are trying to proclaim to our community.

As the fall season progresses and we all risk the danger of becoming just 'too busy', let us pause and come to grips with the meaning of life, and the responsibility that rests on each of us to show forth the beauty that God has blessed us with in life, and to pass it on to our children. The alternative is passing on the ugliness and turning our world into one in which we wouldn't want our children, and children's children to live.

Another ancient psalmist wrote words which we would do well to heed. "Teach us to number our days, that we may apply our hearts unto Wisdom." (Psalm 90)

KINGSTON RD at MARKHAM

GUILDWOOD **Kadettes**

The Kadettes majorette organization now numbers 80 girls in Senior, Intermediate, Junior and Beginners corps. We still have vacancies for 10 girls. We also have vacancies for boys or girls 10 years and up in our colour guard. For further information, please call Mary Bullied at 267-1526.

On Saturday, September 26th, we participated in the Guildwood Baseball parade. A total of 54 girls from all corps turned out on a very foggy morning and added their special touch to the proceedings.

We are now practising every Saturday morning at Maplewood Vocational School, Galloway Road at 10:00 A.M.

We are desperately in need of two snare drums, with or without drummers to complete our drum line. If you can help us out please call 267-1526.

It is anticipated that our next parade will be with the Scarborough Recreation and Parks sometime in October

NEW VILLAGE SCHOOL

Construction of the Jack Miner Senior Public School is progressing on schedule. The new facility on the south side of Guildwood Parkway at the foot of Galloway Road, will accommodate Grade 7 and 8 students from the Guildwood Village and East Guildwood areas.

Expected completion date for the new senior public school will be September 1971.

DROP-IN CENTRE

The Guildwood Village Community Association is actively pursuing the possibility of having one or more Drop-in centres established within the Village for the 1970-71 season. The latest development in our efforts is the following letter received from the Scarborough Board of Education.

"Dear Mr. Nicholson:

The Board of Education, and the Recreation and Parks Department for the Borough of Scarborough, have agreed that the Recreation and Parks Department would be in charge of any drop-in centres established in the schools throughout the Borough of Scarborough. This was done in order to give expert leadership and to provide interesting programmes under proper supervision. The Recreation and Parks Department will hire and train the leaders for the centres established. The leaders will be responsible to the Recreation and Parks Department and to the Board of Education for the type of programme and for the discipline and care of school facilities.

Unfortunately, in the fall of 1970, funds for this programme are very limited. It will not be possible to provide all of the groups with a complete programme.

Be assured that the Officials concerned will do everything possible to provide the boys and girls in which you are interested with a drop-in centre, either at the near-by school or within your district.

As soon as a definite decision has been made, your organization will be informed."

chairmans report

As the Association fiscal year draws to a close, I would like to thank the many persons who worked on projects and committees for their cooperation and encouragement throughout the year.

First, a big thank you to the executive committee for their advice and execution of the many programmes undertaken by the Community Association this year.

The Kiwaniswood Sub-Committee, with special thanks to John McMillan for assuming full responsibility for the development of our recreational complex. John works so hard that we had to insist that he abide to a 10:00 p.m. telephone curfew each night.

Les Brown, for his assistance in helping to fill the vacancies in our Executive Committee, providing the leadership and counsel in our defeating the recent re-zoning bid, and keeping us up-to-date on happenings at "City Hall". Les makes everything look so easy!

Bruce Buckingham for providing auditing services.

Ed Fulton, our Alderman, for his prompt attention to each of our requests for information and issues of concern to Guildwood residents.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

The consumer affairs editor of Chatelaine Magazine, Mrs. Una Abrahamson, met with sixty residents of the Guildwood area in the Guildwood Community Presbyterian Church from 10:00 in the morning to 11:30 on Thursday, September 10th. This was the first of the Public Information Forums which I sponsor and share in the Riding. For the first time we held a Forum in the morning and provided day-care services. We had eleven pre-school children come with their parents.

Mrs. Abrahamson spoke about Consumer's responsibilities, their rights, their duties, and their powers. As a follow-up I am sending everyone who participated an application form from the Consumers Association of Canada. Hopefully the Scarborough Branch of the Consumers Association of Canada will become activated and will be able to speak with more authority than individual consumers.

The next two Public Information Forums are to be held at the West Hill Collegiate on Morningside Avenue, north of Kingston Road. We will be meeting in the teachers' lounge. Mark your calendars now as both promise to be lively discussions on public issues in the Riding. The Tuesday October 20th meeting is on Community Recreation in Scarborough (do you want your ten-year-old son to receive 9 semi-professional hockey contracts?) And the next is on Tuesday, November 17th, on Ontario Mousing in the Riding. Again, a highly controversial issue. Forums will begin at 8 p.m.

The Ontario Legislature begins again on Tuesday, October 6th. One of the first matters to be debated will be the estimates of the Departments of Education and University Affairs which account for over forty per cent of the three billion dollar budget.

As the Official Opposition Spokesman for Education and University Affairs I shall be concentrating on duplication of facilities and programmes in Ontario's High Schools, Community Colleges and Universities..

If you want to get in touch with me on any matter of concern to you, please phone me at Queen's Park, 365-2145; at the service centre, 267-0200 or at home, 266-7480.

kiwaniwood

Club of South Scarborough have again thrown their lot in with us and together we will raise the \$30,000. As before, we will operate in the Guildwood Village area and the Kiwanis will handle Markham Bluffs.

There will be lots of meetings, heated discussions and emotional ups-and-downs before we're finished but this is normal operating procedure on a venture such as this.

Our fund raising plans include a giant Walkathon in October or November (before the weather gets bad) a Lottery in the Spring, where we'll probably raffle off a new car, and a neighbourhood canvass (as we threatened earlier), if these first two ventures do not realize the full amount of money required. We also plan a number of smaller activities to whet your interest further and help the cause along.

We have already obtained the services of four outstanding gentlemen in the community to take over the entire running of the Walkathon for us. There will be a lot more publicity on this in the near future as soon as we have determined availability of the land for the pool more precisely.

Our strategy all along has been to get as many good people as possible involved in this operation, preferably people who have not been able to participate in the past; so, don't be at all surprised if you are asked to help out on some zany, but worthy, venture or other.

There's lots yet to be done so let's get with it! For those individuals who are daring enough to actually

VOLUNTEER for active duty, your names will be cheerfully accepted by either:

John McMillan 261-0967
Pete Hagarty 266-9828

Alderman talks

The Recreation and Parks Department has concluded an arrangement with the Board of Education to assume the operation of Drop-In centres. I am hopeful that three Centres will be operated in Ward 7; Laurier and R.H. King Collegiates and Guildwood Public School. The final selection of locations will be governed by budget limitations.

It was my pleasure, early in the summer, to assist in the opening of the Kiwaniwood Tennis Courts. This project spanned less than eight months from conception to completion and is another positive indication of the value of a strong and active Community Association.

The dump that was created on the Bluffs near Livingstone Rd., has been cleaned up. This mess was almost entirely the responsibility of the Town House builders. While their ignorance of our By-Laws and lack of good judgement is no excuse, they did at least co-operate when told to clean it up. I am optimistic that this wanton disregard for the public interest will not be repeated. I have urged our Building Department to tighten up their on-sight inspection of construction projects.

On Saturday September 26th, this years sports program came to an end with a parade, presentation of awards and hot dogs. The many coaches, umpires, sponsors and convenors are to be congratulated for the excellent job they do and for the time and effort they devote to the youth of this area. Very few communities in Scarborough are able to conduct comparable activities for their youngsters.

The majority of calls and letters I receive are usually important but of individual concern. While I welcome these enquires, I would in addition, like to hear your opinions and comments on matters of pollution, housing, transportation, recreational facilities etc. Please call me at 267-6720 or 759-4747

WALK · TO · SWIM FOR KIWANIWOOD POOL

Frank Enfield of the South Scarborough Kiwanis Club looks on with interest as the Walk-a-thon Committee plans the route for the walk. Seated from left to right: Jim Foster, Bill Cartan, Frank Hartshorne and Lorne Buck.

Fund raising jaunt NOV 21

Planning for a Kiwaniwood walkathon is well advanced and a fund raising target of \$12,500. has been set. We have been most fortunate in obtaining the services of four well-known, community-minded Guildwood residents, plus Frank Enfield of the Kiwanis Club of Scarborough South, to head up our Walkathon Committee. Guildwood members of the committee are Jim Foster, Bill Cartan, Frank Hartshorne and Lorne Buck.

The Walkathon will commence at 9:00 a.m. on November 21 (the Saturday after the Santa Claus parade and the Saturday before the Grey Cup) and will include all youngsters from 0 to 90. There are two routes--one of five miles for the younger children winding its way through the Village--the second, of ten miles, including the first, and then going on for a second five miles through Markham Bluffs.

The Walkathon will start in the vicinity of St. Ursula's School and both the five and ten mile routes will terminate at Sylvan Park near the Tennis Courts (where else?).

Four checkpoints at 2.5, 5.0, 7.5 and 10.0 mile points will serve to monitor progress and provide convenient stopping points for tired walkers. Light refreshments will be available.

On Monday, November 9th, Pledge Cards will be distributed to students in all the Public, Separate and High Schools in the area. The children will have 12 days to line up sponsors. A home in the vicinity of each school will be designated as an official Kiwaniwood

membership drive

The Guildwood Village Community Association Membership campaign is now on. Canvassers will be at your door in a few days. Make your Association strong and join now. If you would like to help in the canvassing for membership call Nick Hunsley, Membership Director, 261-4906.

G.V.C.A Elects New Executive

At a General Membership Meeting on October 7, the Guildwood Village Community Association chose its Executive Committee for the 1970-71 year. With only one exception, the slate of candidates presented by Les Brown's Nominating Committee were elected by acclamation. Only the position of Youth Director required a ballot.

The new Executive Committee, which includes a number of holdovers from the previous year, comprises the following members:

Tom Nicholson	-Chairman
Eric Parker	-Vice-Chairman
Pearl Cathcart	-Secretary
Esther Sauve	-Treasurer
Bert McComisky	-Legal Director
Peter Dickens	-Sports Director
Nick Hunsley	-Membership Director
Barb Jensen	-Social Director
Ron Tereshyn	-Youth Director

school news

Guildwood

A very successful "Meet the Teacher Night" was held at the school on Monday, October 19th. The auditorium was filled to capacity and there was an overflow of parents in the foyer during the business meeting which was conducted by the Home and School president.

The staff of the school was introduced to the parents by Mr. Barrett who then outlined the purpose of the evening and gave a brief description of the senior grade rotary system. In the classrooms the teachers conducted two twenty minute sessions in which they talked to parents about curriculum, teaching methods, homework procedures, discipline, etc. The social committee of the Home and School provided coffee for everyone.

The November meeting of Home and School is scheduled for Monday the 9th. On this occasion a panel of teachers representing each grade division of the school will answer questions from the audience on the theme-"What is New in Education at Guildwood?" Mr. Mawthorne will be the panel chairman.

On the sports' scene, the junior girls have qualified for the Borden-ball finals played at Thompson Park, Tuesday October 27th. The girls' Cross Country track team acquitted themselves capably in the final meet at Morningside Park in mid October. The Seniors placed second in the 1½ mile run and the juniors were seventh in the mile event. Senior boys reached the quarter finals in soccer but lost out to the J.G. Workman team by a score of 3-1. The Junior soccer team battled their way to the semi-final series but lost to Charlottetown on October 22nd.

Elizabeth Simcoe

Our Curriculum Night held on Oct. 13th was attended by 350 parents and we are gratified by the interest shown in school activities. The guest speaker, Mr. F. S. Cooper spoke about the continuing improvements in education with particular reference to the way it affects students in Scarborough.

On the Fridays which came before and after the Thanksgiving holiday, Assemblies were held in the General Purpose Room by Mrs. Dick's Junior Grade and Mrs. Wallace's Primary Grade. Apart from the large student audiences, the performances were attended by parents and friends. We hope they enjoyed the plays as much as did the boys and girls taking part.

The Option programme is now well established. At certain periods during the week, the Intermediate students are given a choice of activities in which they can use their initiative and explore areas of personal interest. Amongst the most popular are the printing group, complete with miniature press; gymnastics; orienteering and drama. Mother's should certainly get members of the boys' cookery class to help them in family catering as they produce an impressive variety of dishes!

A representative of the Junior Red Cross visited the school on Oct 19th to show slides and give a talk on the organization. She outlined some of the work now being done by the Junior Red Cross and made the boys and girls aware of the problem of needy children in other parts of the world.

St. Ursula's

We have had 6 "accident-free" years at St. Ursula's. To mark this occasion, Traffic Safety Officer Sills of the Metropolitan Toronto Police Department presented an Elmer Safety Award to the school on Monday, October 5, 1970.

Our boys' school flag football team is having a very successful season. Led by quarterback Tom Edwards and leading scorer Tony Castorino the team has a 9-2-1 record.

Congratulations to our girls' 3-pitch baseball team, coached by Mr. J. Clarke, for winning our area's Consolation Baseball tournament held at Scarborough Village Park. The girls were led by Captain Joanne Chartier.

Miss C. Lynch's class, as a result of their recent visit to a Pet Shop has increased in numbers-one rabbit, 2 turtles, 2 hamsters and 5 different kinds of tropical fish. We are now expecting several additions to our family.

On Thursday October 22, Mrs. M. Farley's Junior Kindergarten class and Miss C. Lynch's Grade 2 and 3 class visited an apple orchard in Stouffville in order to see how the crops are harvested. The farmer made apple cider for the children who were allowed to pick as many apples as they could carry.

A group of our Grade 7 and 8 pupils, accompanied by their teachers Mr. W. Boyle and Miss M. Metzger participated in an "orienteering" competition on Saturday October 3rd. This new activity, land navigation through unknown countryside with map and compass or competitive way finding, is rapidly gaining in popularity.

COMMUNITY ASSOCIATION MEETING NOVEMBER 4

The next General Membership Meeting of the Guildwood Village Community Association will take place at Guildwood Public School, November 4, 1970 at 8:30 P.M.

The recently-elected executive committee will present its plans for association activities for 1970-71 and the proposed budget to carry out its intentions.

We were barely able to make a quorum at our last meeting. The Community Association needs the support of members to be effective. Come out and contribute to planning for the coming year. Remember-Guildwood Public School-November 4--8:30 P.M.

BROWNIES & GUIDES

547th. Guide Company

Congratulations to the following girls who have been working very hard on badges: Swimmers- Sandra Thomas, Donna Warnholtz, Cindy Milburn; 2nd. Class- Sandra Thomas, Cathy Murray; Hostess- Sandra Thomas, Jamice Dyczkowski; Collectors- Beth Park, Christianne Shea, Debbie Hames, Isla Saunders, Manuela Schmidlechner, Cathy Wellington; Minstrel- Bonnie Baker, Sandra Thomas; Horsemanship- Beth Park; Home-maker- Christianne Shea; Laundress- Christianne Shea, Cindy Billinger; Cook- Kim Boorman; Dancer- Bonnie Baker; 1st. Class- Beth Park; Canoeist- Beth Park; Outdoor Cook- Christianne Shea; Pioneer- Beth Park, Gillian Stacey.

The following girls have been enrolled this October: Janice Dyczkowski, Michele Gouveia, Terry Kenny, Karen Vibert, Kristine Brown, Dennise Bullied, Beverly Ann Dickson, and Ruth Trummer.

We were very happy to have Gillian Stacey now with the Sea Rangers come back to our Guide meeting and receive her All-Round Cord. Congratulations Gillian.

A wonderful time was had by all at our hayride and wiener roast. Thanks to our drivers and helpers for the evening.

We have been saving Dominion store tapes and will donate our first gift this Christmas. If you have any sales tapes, we would appreciate them to help us work towards more gifts for the less fortunate. Please call Alice Bainbridge for further information at 266-6280.

We have planned a Christmas Bake and Candy Sale, Friday, December 18, 1970 at the Presbyterian Church. Save yourself time during the holiday season. Come to our Sale and help support the Youth of our community. More information in the next issue of the "News and Views".

527th. Brownie Pack

The Pack is in full swing after the summer break. We welcome Mrs. F. McLean who is our Silver Owl. We are very pleased to have her assistance.

We held an out-door meeting one very warm Monday at Highland Creek Park and all enjoyed this venture.

The girls have done a fine job on their work program. Irene Bigall has completed her Golden Bar. The Thrift Badge has been earned by Lori MacDonald, Krista Phillips and Siobhann Williamson. Krista and Siobhann also passed the Collectors Badge. The toymakers Badge has been completed by Krista Phillips, Siobhann Williamson and Lori MacDonald. Congratulations Brownies!

We welcome four transfers to our Pack. Beverley Burden from Moncton, N.B., Alison Gray from another Metro Pack, Alison January from Edmonton and Sandra Alcocic from Tillsonburg.

61st. Guide Company

We opened our 1970-71 Guiding season with fifteen girls coming back from last year. We are sorry to lose our older girls but this is something that happens each year.

We would like to welcome Mrs. Edith Colbourne who has joined us as Lieutenant and wish her well as she takes on her training in the course of becoming a leader.

We would also like to welcome the following girls who have transferred into our company from various places: They are; Carrie Meloche; Linda Hynes and Karen Kiernan.

We have six girls working hard on their Tenderfoot and hopefully will be enrolled as guides within the next month.

On November 1, 1970, the 61st. Toronto Guide Company will be ten years old. We are working hard planning a celebration for this occasion and are trying to find the past history of the company to start a company scrap book. If anyone has any pictures or bits of information concerning the company please phone Mrs. Weber and let her know at 267-2909.

CUBS & SCOUTS

3rd. Scarborough Scout and Cubs
(Guildwood Village)

Although we still have leadership problems in a couple of cases, all the cub and scout sections are now actively back into action.

'A' Troop welcomed in 4 new scouts, they are John Hulme, Len Simard, Gavin January and Paul Skelton. About eight cubs will be coming up within a couple of weeks, so a waiting list has been set up for new boys. We are very pleased to welcome Bob Pulfrey as an Assistant Scoutmaster and hope that his stay will be long and pleasant. New patrols have been formed and the following boys were promoted to lead the patrols: Simon Tanner is leader of the Cobra's with Derek Bozec as assistant; Ron Sisson is P.L. of the Rattlesnake patrol with David Frickleton to assist; and the Stag patrol has Erle Smith as P.L. and Ian Smythe is the assistant. The Troop has planned one major activity every month. In October they had a swim night where 13 swim tests were passed. On November 16 a trip to the Police department is planned to see their communications department in operation. The Christmas party is planned for December 21st and in January a trip to the 'Gobe and Mail' is scheduled.

'B' Troop has had several boys move on to the Venturers. A senior patrol has been formed for the boys in their last year of scouts, where their experience in scouting will offer them greater responsibilities in the troop and make them available for service in the community. Suggestions will be welcomed! Four new patrols have been formed under the leadership of, Barry Jones, Mike Wenzel, Bob Wright and Paul Willie, with Don Arthur, Alan Yonkers, and Larry Moody as assistants. Two weekend camps have been planned for November 21st. at Samac and the second in the winter. The troop has a full complement of 34 boys with a waiting list of 6 boys.

'D' Pack is smiling once again, as they have found a leader to replace Mrs. Miller who resigned. The new leader is Mrs. Shirley Hession, and the pack gives her a big howl of welcome. Actually Mrs. Hession will not be available for the next couple of months, so Mr. Tom Lee has agreed to help out in her place but he would like some help. If you can spare one hour a week for the next couple of months, please give our chairman Herb Robertson a call at 266-6801.

'C' Pack is not so fortunate. Miss Janet Smith will be leaving the end of this month and they are in a desperate position for a leader. Would you help.....?

The Ladies Auxillary are looking for the mothers of the new Cubs and Scouts who would be willing to spare an hour or so a month to make sure that their boys can continue in the Cubs and Scouts. As it is only due to the help of the parents that the group can survive. Would the ladies please give Mrs. Marjorie Darling a call at 267-1654 and offer to help.

FORMER LAURIER STUDENTS WIN G.V.C.A. SCHOLARSHIPS

At the annual Commencement Exercises held at Sir Wilfrid Laurier Collegiate on October 23rd, Guildwood Village Community Association Awards of \$50.00 each were presented to the most outstanding male and female members of Laurier's 1970 graduating class who are residents of Guildwood Village. This year's recipients were Pam Griffiths and Hardy Limeback, both Ontario Scholars and honour students throughout their years of schooling at Laurier.

Pam is presently enrolled in a General Arts Course at Victoria College, University of Toronto. Pam contributed extensively to the life of the school during her five years at Laurier. She was a member of the debating club from 1965 to 1968, of the senior band from 1965 to 1969, of the assembly club from 1968 to 197-. She played the lead in "Oklahoma" in 1967, served as Simpsons' Representative in 1969-70 and was editor of the year book in 1969-70. Pam resides with her family at 19 Somerdale Square.

Hardy has decided this year to gain a year's work experience and will attend university next year. He is now in Dusseldorf, Germany working on the office staff at one of the large hotels. Hardy added a great deal to the life of Laurier during his five years of attendance. He was a member of the senior band for two years, headed up the United Appeal in 1970 and played senior basketball from 1966 to 1970. Hardy is highly regarded by members of the staff and other students and will undoubtedly be successful in University when he returns to begin his studies next fall. Hardy's home is at 18 Regency Square.

KIWANIWOOD PROGRESS REPORT

Progress continues to be made in our quest for the swimming pool to be built in Sylvan Park. At a recent meeting with one of the Scarborough Parks and Rec. officials, we received considerable support for a pool in Guildwood. He indicated that we could count on the Departments' support in the form of a guarantee to supply land for such a project. In addition, we were advised to go ahead with our fund-raising activities, to indicate

**CANADIAN IMPERIAL
BANK OF COMMERCE**

**GUILDWOOD PKY.
& LIVINGSTON ROAD**

A.C. BATTENBERG: manager

Tel. 267-8278

clearly the level of community interest in the Kiwaniwood Project. The Department has accepted our target date of July 1, 1971 and will work with us, as in the past, once we have obtained the concurrence of the various levels of local government to proceed. The Department agrees that a pool in the Guildwood area is sorely needed.

We will be making our first submission to the Parks and Rec. Committee during the week of October 26. Unfortunately, the outcome of this Meeting was not known at press time.

We have approached one of Metro's largest outdoor pool contractors and discussed our construction requirements with him in considerable detail. He indicated that a 25 metre L-or T-shaped pool with one and three metre diving boards and change facilities could be constructed for \$70,000. Assuming normal participation of the Province under the Community Centres Act and a matching contribution from the Borough, we could count on \$15,000 and \$27,500 respectively from these sources. This would leave us with \$27,500 to raise through our two major fund raising activities-the Walkathon, November 21, and the Car Lottery in the spring. Further Walkathon details are available in a front page article.

Sufficient to say, there is a crying need for a swimming pool in Guildwood. So dig deep when the kids come asking for sponsors and help make the pool a reality.

Church News

Washington United Church

Youth and Adult Groups have commenced their Fall schedule in Washington United Church. There are groups which meet on Sunday evening for young people, 14 and 15 years of age or grades 9 and 10, under the leadership of Mr. and Mrs. Ken Coulter, 261-7888. We also have an enthusiastic group of young people 16 years and over which meets in the Church on Sunday evenings under the leadership of Mel. Dix, 261-1126, and Dave John, 261-4472. Young people desirous of joining either of these groups are asked to communicate with the above people.

The Services in the Church are at 10:30 a.m. each Sunday morning, with Sunday School for all age groups at the same time. All are welcome.

A major upcoming event will be our 165th. Anniversary Weekend, November 6, 7 and 8. On Friday, November 6th, there will be a congregational dinner and dance at Cedarbrae Golf Club and on Saturday night, November 7th, a Teen Dance in the Christian Education Auditorium when the outstanding group "Pile Driver" will be present.

On Sunday, November 8th, at 10:30 a.m., at our Anniversary Service, Dr. A. E. MacKenzie, a prominent United Church leader, will preach.

Guildwood Community Presbyterian Church

Greetings!

We are grateful to the many folk who have sincerely considered the deep needs of our times for a vital faith. Each Sunday as more and more new folk come through the church doors we are reminded of the basic need that ever stirs within each of our lives - a need that must be personally satisfied.

We wish to share with the readers of the "News and Views" a few matters that may be of interest to non-church going homes. At the Guildwood Community Presbyterian Church we are now into our Fall program, which is even more extensive than last year. Here are a few of our concerns and activities:

1. We have a concern that people need more than that one hour 'shot in the arm' called Sunday Worship. So there is now a library made up of current reading materials within the spiritual perspective.
2. We are possessed of the desire that our fellowship mean more than a women's gathering. A Men's Fellowship has now been realized with John Roblin, Art James, Don MacOdrum and Cal Beacock giving directions.
3. A sensed need for one being able to "ventilate" both doubt and conviction. Study groups will now meet in different homes. For example, on Sunday evening, November 1st, 235 Sylvan Ave., at 8:15 p.m. there will be a discussion film from the National Telecourse Film Study, Dr. Albert Bailey leading.
4. Someone has said that, 'The "Teenage Problem" has now become the "Teenage Cliche". The more emphasis we place upon the so-called gulf-

the greater it becomes. To help bridge the gulf we have an intensive program for Junior Hi Life for ages 13 to 15 and Senior Hi Life for ages 16 and up. On Sunday, November 1st there will be a P.P.P. at 6:15 for Jr. Hi's (P.P.P. is Pizza and Pop Party) and Sr. Hi Life will entertain questions and problems with Philip Thompson.

More Church News - Next Page

FUND RAISING(continued from page 1)

Collection Depot and the children will be asked to take their money there once sponsors have paid up after the Walk-to-Swim.

Those completing the walk (of either five or ten miles) will be given a Certificate of Appreciation. There will also be "celebrities" on hand to greet the finishers and to sign autographs. We hope to provide entertainment at the finish line for the younger children.

The Walk-to-Swim is set for November 21. Setting the wheels in motion is all we can do. Now it's up to you! Last year you indicated that you really wanted a swimming pool. We figured, at that time, we needed \$25.00 per family. Many people gave their \$5.00 last time and said, "Come back when you've proved yourself". O.K. THIS IS IT. The Walkathon target of \$12,500. works out to about \$10.00 per family. There will be lots of children walking, so do what you can to help them all if only in a small way.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

Public housing by the Ontario Housing Corporation (O.H.C.) in Scarborough will be the subject for the next Public Information Forum I will sponsor on Tuesday November 17th in the teachers' lounge at West Hill Collegiate. The discussion starts at 8:00 p.m. West Hill Collegiate is on Morningside Avenue just north of Kingston Road. Mark your datebook now! And bring along a neighbour. Find out what government decisions are affecting your own neighbourhood and community before you discover you can't change those decisions.

The first "Community Conversation" attracted 72 Guildwood residents: 18 teenagers and 54 parents. That was on September 29th at Sir Wilfred Laurier Collegiate. I learned a lot from the often heated discussions on education, foreign ownership, drugs, etc. I am holding these informal, "non-structured" meeting in every neighbourhood in the provincial riding of Scarborough East (east of Markham Road). Politics is a two way street: I must provide the opportunities to meet the people I represent and you have to get in touch with me either at such forums or make the effort to phone or call on me!

The Ontario Legislature went back to work on October 6th. The spending estimates of both the Department of Education and the Department of University affairs, totalling more than \$1.5 billion, have been passed. As the Official Opposition spokesman for the estimates, I spoke at length on the waste of the taxpayers' money on duplication of facilities and programmes and called for a Special Investigation on Education costs in Ontario. The Government turned a very deaf ear to such a proposal. If you would like to have a copy of Hansard which contains my remarks and proposals please phone Mrs. Frances Winter at 365-2145 and ask her to send you the material.

I'd appreciate your comments and suggestions for future debates in the Legislature.

It is a privilege to represent you in the Ontario Legislature.

TRUSTEE REPORT

by R. F. Stackhouse
Trustee, Ward 7

The growth of community involvement in education is one of the more encouraging trends in our schools these days, and one which has the support of most educators.

The Council-Board Liaison Committee, of which I am co-chairman, for example, is promoting ways by which schools can be used recreationally evenings and weekends.

This has led to the opening of drop-in centres at three schools in Ward 7-Laurier (Tuesday and Wednesday evenings); Guildwood (Friday evening); R.H. King (Monday and Thursday evenings).

All are under leaders appointed by the Recreation Department. Funds for this staff have been provided through the Board of Education granting that department the free use of schools for all its programs instead of charging rent as in previous years.

Volunteers to help these leaders will be much appreciated as the attendance is often large.

Why have these centres? One reason is that they offer a more wholesome place than street corners for young people to spend their evenings, and it is also hoped that if a student participates in a healthy activity instead of an unhealthy one, he is better prepared to meet the requirements of his school day.

Another example of community involvement is the public opinion survey the Board of Education has authorized to learn what citizens think on various educational issues. This study will provide a guide for trustees and educators in charting the course our schools should follow.

Safety patrols to help pupils cross busy intersections have been established at many Scarborough schools. They have been added recently to the program of Elizabeth Simcoe, and appreciation is expressed to the boys and girls who are helping on these patrols. Training is provided by the police department and organization is co-ordinated by the principals and the board staff.

Holy Trinity Anglican Church
by Rev. W. S. Watt

What is Freedom?

We are acutely aware that this question is being seriously analyzed today, by both individuals and groups, in our Country from the Atlantic shore to the Pacific.

A Free Citizen, a Free Christian lives by contributing his God-given talents to solving the problems which do exist. Doing otherwise is nothing short of contributing to the problems.

The issue, of course, is the fact that our Government considered it necessary to introduce the War Measures Act, thereby depriving us of some of our freedom.

I believe, and it appears that the vast majority in Canada believe, that the only people who will suffer any discomfort by the actions of our Government, will be those against whom the Government found it necessary to act.

The vast majority of us will live our everyday lives as we did a few days ago. This brings me back to the question posed at the beginning, 'What is Freedom?'

The ancient writer of the Book of Proverbs in the Holy Bible wrote, 'One man gives freely, and grows all the richer; another withholds what he should give, and only suffers want.'

Freedom isn't something passive, it demands action on our part. Freedom isn't the abandonment of responsibility, it is giving of oneself, as mature adults, to the responsibilities of living in society.

Those who call themselves Freemen, and ignore the responsibilities required to share in a free Society; those who call themselves Christians, and refuse to heed Christ's call to serve in His earthly instrument, the Church, are not Free. They are slaves; slaves to self, slaves to apathy, slaves to the fear of involvement.

SPORTS

Peter Dickens, Guildwood Community Association Sports Director has announced that plans are already underway for the year's sports program, under the new executive. Two areas that required immediate attention are swimming and skating:

SWIMMING. The Success of last year's "Swim Nights" warrants a repeat of the program. It is anticipated there will be 5 nights, on the same night each month, December to April, inclusive. Location has not been finalized. It will either be Cedarbrae, as last year, or Centennial pool.

For those not familiar with the program, swim night is an open invitation to Association Members' families to join in an hour of FREE (to them) swimming.

SKATING Tentative plans are for one pleasure rink and one hockey cushion at Guildwood School, and a LARGE pleasure rink at Elizabeth Simcoe. Boards for a hockey rink are an expensive item, but your Executive feels it is well worth-while. Hopefully, the hockey cushion will be lighted. On the other hand, it is the general feeling that lights are not so vital to a pleasure rink. (As a matter of fact, many feel the pleasure increases as the light decreases).

Needless to say, rinks do not materialize out of the air, nor do they flood themselves. A handful of community-conscious residents have been looking after the ice surfaces in recent years, and deserve a break. So if your're asked to pitch in and help, don't try to duck it.

Your executive plans to support the other sports activities for village young people(soccer, baseball, football) as it has in the past, with a view to maintaining a year-round schedule of activities.

We would like to see a greater participation, especially by the parents of the young athletes who benefit from it.

CURLING

The Guildwood Village Curling Club has played one game in each of its two sections. Anyone interested in sparing once in a while please call J m Morrison at 261-0238 or Jack Brown, 267-8983. Tam O'Shanter Golf, Curling and Skating Club, 2380 Kennedy Road, Agincourt is the place; Sunday, 8:00P.M. is the time.

Guildwood Village Bowling League

The league started its' schedule on Tuesday, September 15th and once again we have ten full teams of six bowlers each. We have a number of new bowlers this year and we extend a special welcome to them. We have already bowled together now for six weeks and continue our past reputation as a real "fun" league. The League Executive for the current year as elected last Spring are as follows;

PRESIDENT-BOB JONES- 266-3885
SECRETARY-DORIS JESSOP-266-3255
TREASURER-MARY MARTIN- 266-2363

If you wish to join the League, we would suggest you contact any member of the Executive and have your name added to our "Spare" list. This will allow you the opportunity of bowling occasionally and meeting your "neighbours" in Guildwood. Persons on our "Spare" list have the first chance at joining the league on a regular basis as vacancies occur. Come along on Tuesday nights to Cedarbrae Bowl and have fun with us.

KIWANIWOOD TENNIS CLUB

The tennis season is drawing to a close and we, the executive and members, feel that it was a very successful season. We will, of course, try to do even better in 1971 because we will have had one year's experience behind us.

It has been very enjoyable to have the tennis courts here--many adult and even more youngsters have spent countless hours hitting that tennis ball around keeping fit.

The weekend of October 17 and 18 saw most of the Club Championship tournament played off. The Juniors put on a very good show and some tough sets were played to determine the champions.

In the Girls' Singles Susan Bunting just edged out Joan MacLean 4-3 and 4-3. Susan wins a trophy and a Club Crest and Joan wins a Club Crest.

In the Boys' Singles we had 34 boys competing for the honor of being champion. After some very good games in the sim-finals against Jim Clark and Rob MacLean, Tom Edwards and Bill Boyce fought it out for the top honor. Bill Boyce came through to win the trophy. Tom gets a crest for his valiant effort.

In the Boys' Doubles Tom Edwards and Dave Archambault beat out Ken Arve and Mike Deverill. All four win a crest and the Champs each get a trophy.

In the Senior Tournaments the first to come through with their win were Louise Schachow and June Evanoff when they edged out their opponents Pam Owens and Georgina Lawless in the Ladies' Doubles.

In the Mixed Doubles Stu Logan, our Ladder Champion, and Pam Owens teamed up to defeat Brian and Yvonne Bunting.

In the Ladies' Singles it was a good game between Pam Owens and June Evanoff with June winning the title.

The Men's Singles between Stu Logan and Eric Remedios were a terrific battle. After 3 hours and 5 sets Stu was victorious. In the Men's Doubles Stu Logan and Brian Bunting combined to take the championship from Ralph Zambonelli and Eric Remedios.

On November 21, Saturday evening, from 7:30 until about 9:00 the Kiwaniwood Tennis Club will hold a closing-off get-together at the Guildwood Village Public School on Livingston Road. Refreshments and pastries will be provided. The purpose will be to present the Club Championship trophies to the respective winners and Club Crests to the Junior finalists. Members' friends or family may also attend. There will be a charge to cover the cost of the facilities and the refreshments--probably around \$1.00 per person. We decided not to have a banquet because it would be too expensive and we do want the Junior members to show up.

For further details please contact Mrs. Holly Clifford, 267-8593. We would appreciate it if you could call and let us know that you are going to attend--so we'll know how much food to order.

\$6,500 FOR POOL

MRS. MACHER, 94, SHOWS THE WAY FOR YOUNGER WALKERS DURING THE KIWANIWOOD WALK TO SWIM ON NOVEMBER 21st.

THEY'RE OFF--HUNDREDS OF YOUNG PEOPLE READY TO LEAVE ST. URSULA SCHOOL ON THE 10 MILE COURSE.

Approximately 750 walkers participated in our Walkathon held two weeks ago. Youngsters from 5 to 94 participated, with Mary Macher, our 94 year-young Queen of the Day starting things off on the right foot. She and Uncle Bobby both spoke words of encouragement to the children at the starting line. Upwards of 50 Guildwoodites and Kiwanians helped with the Walkathon, filling in as route marshalls, check-point-charleys or officials at the finish line. The Laurier cheerleaders and the Sea Rangers also turned out and were pressed into instant service, checking out the Hedge Cards and issuing Certificates of Appreciation.

A special note of thanks is extended to two of our walkers, who never even walked; each because he was confined to a hospital bed. Ed Fulton was scheduled to walk and, instead, ended up in Scarborough Centenary; Doug Frickelton, our official photographer and member of the Kiwaniswood Subcommittee, in Scarborough General. Bill Bellefontaine, Alderman for Ward 1, walked for Ed and looked after his children; Don Scott took over Doug's photographic duties on short notice and is responsible for the fine shots appearing in this issue. Both the Fulton and Frickelton families were represented in the walk despite their troubles.

It is still too early to predict the final outcome of the Walkathon. An early count of the Pledge Cards indicates a conservative estimate of \$6,500. As of Saturday, November 28, \$3,500 had been turned in, but a large number of children are yet to be heard from. Some are waiting until they collect all of their money before bringing in any of it. Urge the children in your family who walked, to turn in any money they have collected to date. We would like parents to assist children in their final collections in order to complete the final accounting of the Walkathon as quickly as possible.

Church News

WASHINGTON UNITED CHURCH

On Sunday, November 22, Washington United Church took a very important decision. This was to join in partnership with the Scarborough Y.M.C.A. in initiating a Youth Counselling Service at the former Church Manse, 3741 Kingston Road. This will begin in a small way to meet a need for Youth Counselling in Scarborough. Other agencies, including the churches, are no doubt striving to do what they can in this field of work but the concept of the church working in partnership with the Y.M.C.A. could be a new approach to a community requirement. Further announcements will be made in the press as to when this work will begin. It is difficult to know exactly what will transpire but in Scarborough, when a need for counselling and other services emerge, there are concerned people who wish to help. If and as work proceeds it will require people and dollars to maintain it.

Our Worship Schedule for December

Sunday, December 6, 10:30 a.m.
Public Worship. The Sacrament of the Lord's Supper will be administered.

Sunday, December 13, 10:30 a.m.
White Gift Sunday.
7:30 p.m. C.G.I.T. Girls' Annual Vesper Service. All welcome.

Christmas Sunday, December 20, 10:30 a.m. Christmas Pageant presented by members of the Church School with our Junior Choir and suitable organ music. This will be a service for all the families of the Church and any other families who wish to join us.
7:30 p.m. a United Carol Service will be held at Washington when the Choirs, senior and junior, and organists, from Holy Trinity, Guildwood Presbyterian and Washington Churches will combine. A collection will be taken to be devoted to some urgent current cause. Following last year's experience we hope that the Church will again be filled to capacity for this event.

HOLY TRINITY ANGLICAN CHURCH by Rev. W. S. Watt

Christmas is approaching faster than many of us care to admit. The outside lights are appearing on more and more houses daily. I feel confident that the tempo of many of our lives is increasing more and more as the season of joy and happiness approaches.

Christmas is a time of joy; Christmas is a time of love and friendship. How many of us make certain that we visit friends whom we haven't seen for many months, or invite friends to share in an evening with our own families.

Christmas is a time for love of others. Few indeed can bear the thought of children being deprived of the joy accompanying Christmas gifts. Few can bear the pangs of sorrow of a family not being able to sit down to a hearty Christmas dinner 'with all the trimmings'. In response to this desire to share, many organizations dedicate their efforts to seeking out those who will be left out, and countless thousands respond to the appeals to help those less fortunate.

Let us pause for a moment and reflect on one other fact. Christmas is Christ. Christmas joy, happiness and love is the fact of God's love us. God in Christ confronted man. God in Christ brought His forgiving, loving nature to us. This infant Jesus grew into the man Jesus who opens up the whole nature of man for scrutiny. Who shows us what man can be. Who leads us to the Father, and is a living presence in our lives-- if we let Him.

Christmas can not be Christmas without Christ, they are inseparable.

CAROL SERVICE-SUN. DEC 20. 7.30 P.M. WASHINGTON UNITED CHURCH

The Clergy, congregations and choirs of Holy Trinity, Guildwood Presbyterian and Washington United invite everyone to a carol service and reading of the nine lessons. The old beloved carols and the familiar passages from God's Holy Word are a source of joy, love and strength to so many. Come and bring your friends. May all have a blessed, joyful Christmas.

DROP-IN CENTRE

by Ron Gostick

As winter sets in we are finding more and more people becoming involved at the drop-in centres.

At the Laurier Drop-in, Tuesdays and Wednesdays the number of people attending is probably now over 150 people per night. The average age group here is about 16 1/2 yrs. More and more activities are being introduced such as cooking, make-up sessions and bead making by the girls; and photography, basketball, rope climbing contests by the boys. Paints, cards and checkers have been supplied by Parks and Rec. and are always in use.

At the Guildwood Drop-in, Friday nights the record so far is 67 people and rising, with the age group around 14 1/2 yrs. The people here amuse themselves with basketball volleyball, checkers, cards and discussions.

We have found these drop-ins to be a big success compared to other areas where they have closed down because of lack of or no attendance at all. In fact, these (Guildwood and Laurier) are such a big success that the staff is finding that they can't get around to the activities and desperately need assistance in keeping up with the crowds.

If perhaps you are interested in seeing what goes on at these drop-ins, if you are interested in assisting us in the activities we already have, or are interested in introducing one of your own hobbies or interests, we ask you to call Mrs. G. McDougal at 267-0177 for more information. You'll be doing a bunch of good kids a really nice favour.

Merry Christmas and a Happy New Year from the Drop-ins.

KIWANIWOOD POOL

(CONTINUED FROM PAGE 1)

In other cases, people intended to sponsor more children than showed up. As you know we need \$10.00 from each family. If your home was not adequately canvassed, please phone in or submit your pledges to:

Bill Cartan, 268 Sylvan Avenue
266-3339

Jim Foster, 75 Regency Square
261-0615

Frank Hartshorne, 214 Catalina Dr
261-0775

If you participated in the Walkathon, come to 113 Guildwood Parkway in the Plaza and see if you can spot yourself in one of the many photos displayed in the front window and outside. Finally, a number of homes in the area were not canvassed at all.

school news

Elizabeth Simcoe

Congratulations to the students from Elizabeth Simcoe who successfully completed mileage on the Walkathon on Nov. 21st. The walkers from our school included Mrs. Wallace, who represented the staff. We must give a special mention to Larry James and Julian Wierslicki, who were the first students to cross the finish line.

Exercise of another kind takes place in the form of the Girls Volleyball League. Eight teams from the Intermediate Grades play once a week and competition is keen. The Intermediate boys are presently involved in a friendly Basketball League and play in the lunch-hour under the guidance of some of our men teachers.

November saw many excursions from the school. The Intermediate Grades attended a performance by the Toronto Symphony Orchestra at Massey Hall. Grade 1 students enjoyed a trip downtown, where they saw a puppet show at Simpsons. Before the weather turned cold, Grade 6 classes were involved in Science excursions to Clairmont Conservation Area where the emphasis was on creek life. An unusual outing was taken by the Grade 5 students, who visited local spice mills.

Our thoughts are turning to Christmas and the highlight of our programme will be the Christmas Pageant on Dec. 17th. This year it will be staged at Laurier Collegiate so that we can accommodate our increasingly large audience. The students at Laurier are co-operating enthusiastically in an effort to make this pageant our biggest success, since next year we shall not have the mature backing of the Grade 7 and 8 students at our school. We hope parents, friends will attend.

Primary report cards were issued at the end of November and reports for Junior and Intermediate Grades will be sent out early in December.

School closes on Dec. 22nd and re-opens Jan. 4th. We wish every-one a Merry Christmas and a Happy New Year.

St. Ursula's

At St. Ursula's we are now following the Canadian Catechism Programme, commonly called "Come To The Father" series, in Grades 1 to 8. In order to better acquaint interested parents with this programme, we started a series of three consecutive Thursday evening meetings at St. Boniface Church Hall on November 26 at 8 p.m. Parents are most welcome to come to these meetings to discuss the main characteristics and orientation of our Catechetical programme. We are also holding our first term parent-teacher interviews during the first week of December.

The children attending our afternoon Kindergarten class were invited to participate, with the residents of Guildwood Villa, in a Hallowe'en party at the Villa. The children certainly enjoyed this opportunity to wear their own homemade costumes.

The Grade 4 students had an enjoyable afternoon at The Royal Winter Fair viewing the animals which they have been studying in a unit on "Animal Friends".

Mrs. A. Kurosky's Grade 3 class are scheduled to visit the McLaughlin Planetarium to see the film "From Here to Infinity", as well as the many displays on the Universe.

Our Grade 8 pupils recently attended a performance of "Rita" by Donizetti presented by The Canadian Opera Company. The performance was followed by a short discussion period conducted by the singers. For many of the students this performance was their first real experience of opera. They were impressed!

Our Music and Drama Club also attended a student performance of "Alice in Wonderland" at the Ryerson Theatre.

On the sports' scene, the girls and boys area volleyball tournament is scheduled for December 1 and 2. Our school teams have been working hard preparing for these tournaments.

Guildwood

Miss McDowall and Mrs. Harrison took their grade 6 classes on an excursion to the Royal Winter Fair. The pupils thoroughly enjoyed this experience. The pupils of Mrs. Rule's grade 1 class had a delightful day visiting Toyland and Santa. The kindergarten class is planning a trip on December 14th to the St. Lawrence Centre to see a live performance by the Young People's Theatre and then over to Toyland to see a puppet show.

The school is fully involved in volleyball, with the junior girls' team winning their group and preparing for the games which may lead to the finals. The three boys' teams are practising each day but have yet to play in competition. The first scheduled game is on Thursday, December 3rd.

To cheer our teams to victory we now have ten cheerleaders. The girls practice daily. They will be outfitted in blue tunics and white accessories. The tunics are being made by Mrs. Adams and other staff members.

The Laurier Word

Our music night "Cantiques de Noel" on December 10th at 8:15 P.M. will feature Senior and Junior Bands, a spring ensemble and a steel band, all Laurier students. The programme will include Christmas carols and other Christmas music. Admission will be \$1.00 for adults and 50 cents for students.

SPORTS

A series of six once-a-month free Swim Nights starts Saturday, December 12, 9-10 p.m. at Centennial Pool on Ellesmere Avenue. Rental of the pool is paid for by the Association, and all members' families are welcome to come out and enjoy a refreshing dip. The Centennial Arena is also open on the same evening for public skating from 7:30 to 9:30 p.m. Admission charges to the rink are: Adults 50¢, Children 25¢, Family \$1.00. Enjoy a full evening for the whole family. Make December 12th a "Swim and Skate Night".

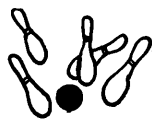

The Parks Department is well along with plans to install a pleasure ice rink beside Elizabeth Simcoe school and a pleasure rink and hockey cushion at Guildwood Public school.

At the last General Meeting a question was raised concerning hockey playing on the pleasure rink. This is a problem experienced everywhere that an ice surface is available and there is no sure-fire solution. Your Association asks parents to help in two ways: 1) If you have a hockey-playing boy in the family, try to impress on him that a special cushion has been provided for puck-chasing and to leave the other surface free for pleasure skaters. 2) If anyone wishes to suggest a method of policing the skating rinks (perhaps a band of hardy mothers to supervise the little skating stars), your Sports Director will be delighted to consider any suggestion. Drop a note to 12 Wythenshawe Wood.

The Parks and Recreation Department has an excellent list of pointers for safe skating, which will be published in the next issue of the News and Views!

For now -- enjoy the swimming, and get your skates sharpened!

SOCCER

Now that the soccer season is over, all there is to do is look back and see how our teams fared. Starting with our representative teams in the Scarborough League, we had a very successful year, with our Atoms winning the Scarborough league and also the Metro Trophy. Our Mosquito age group team reached the Semi-Final of the Ontario Cup, which was a very good run for our 12 year olds.

We had two competitive Pee Wee teams, one in the Scarborough League and one in the Ajax-Pickering League. In the Scarborough League our boys were runners up and won the Consolation Trophy in the Robbie Tournament. Our other team won the Ajax-Pickering League and were finalists in the cup.

Guildwood representatives in the Bantom League won the Scarborough Cup after a slow start. Finally, the Junior B Team were runners up in the league, Finalists in the Cup, and Semi Finalists in the Ontario Cup.

In Inter House League competition we won the Mosquito League with Hardware taking the laurels, and Major Jewellers being Cup Finalists. In Atom, we won the league with Grays Bakery doing the trick.

A very successful season concluded with our Annual Banquet at the Heron Park Community Centre on November 7th.

kiwaniwood

Since the last issue we have successfully completed another milestone in our quest for the pool. At a meeting of Scarborough Council, November 9, agreement in principle was given, on a vote of 11 to 3, to provide us with a grant of \$30,000 towards the cost of an outdoor pool in Sylvan Park. The province will supply \$15,000 and it is up to us to raise the remaining \$30,000 by April 15, 1971, the latest date for tendering on the pool.

At a meeting with the Recreation and Parks Department and a pool building consultant, our plans were reviewed in detail and the figure of \$70,000 for pool construction approved as being reasonable for all costs except

services. Permission of the Recreation and Parks Committee has been asked to obtain detailed engineering drawings of the swimming pool complex from which more precise services costs can be determined and from which tenders can be called in March or April of 1971.

Things are shaping up quite nicely as you can see. Now it is merely a problem of raising money. Remember, we are looking for an average donation of \$25.00 per family from both the Guildwood and Markham Bluffs areas. By now you should be at about the \$15.00 point, including \$5.00 for the Tennis Courts. If you wish to contribute further please contact Bill Carten, Jim Foster or Frank Hartshorne whose phone numbers and addresses are provided in the Walk-to-Swim article.

TRUSTEE REPORT

by R. F. Stackhouse
Trustee, Ward 7

It was fun to walk with neighbourhood students on November 21 when about 700 of them turned out to support the proposed Kiwaniswood's swimming pool for Guildwood.

Organizing their efforts involved liaison between the local committee and the schools through the Board of Education's Auxiliary Services Department.

It was only one of several such efforts in which Scarborough students have shared under this department's leadership in 1970--Rotary Olympathon, Unicef, Miles For Millions, Kinsmen's Elephant Walk, Grotto Cerebral Palsy tag day, United Nations Peace Rose Day, the United Appeal being others.

Participating in projects of this kind is a constructive demonstration of "student power" and also a learning experience for our society's future adult citizens.

The Jack Miner Senior Public School on Guildwood Parkway is progressing on time and should be completed this Spring in good time to receive its Grade 7 and 8 pupils next September. Why is it being built? Its facilities and program will both relieve potential crowding at two local schools and also give pupils a better preparation for collegiate. This kind of school brings the Scarborough system up to the level of education in other parts of Metro, all of which have a three-level program. Some have senior public schools (Grades 7 and 8), others junior high schools (Grades 7, 8 and 9), others middle schools (grades 6, 7 and 8). Intermediate schools have been introduced throughout the province and not to do so here would short-change our own children. The opening of the new Jack Miner Senior Public School will thus mark real progress in our program. It will serve boys and girls from Guildwood, Elizabeth Simcoe, and Poplar Road Public Schools.

Alderman reports

By Ed Fulton
Alderman, Ward 7.

My comments in this issue of the News & Views will of necessity be brief.

Unforeseen circumstances prevented me from participating in last week's Walkathon. I would like to congratulate all those who organized and participated in the fund raising effort for our swimming pool.

In particular I'd like to thank my son Christopher and Ald. Bill Belfontaine for standing in for me and salvaging my sponsors' support. My wife Joan and I would like to express our appreciation for the many calls, cards, good wishes and offers of assistance we have received. Thank you.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

Ryerson Press was named after Egerton Ryerson, the founder of the public education system of Upper Canada in the 1800's. It is now a wholly-owned subsidiary of McGraw Hill, the very large U.S. textbook and learning materials publishing company.

Why is this sale of Ryerson Press not in our (Canadian) national interest? Of the sixteen companies in Canada that sell textbooks to our elementary and secondary schools, our colleges and our universities, there remain only two small companies that are not wholly-owned and controlled by foreigners. This means that a vital element of competition has been allowed to die within the Canadian textbook publishing industry; there is now a lack of effective competition from Canadians in a U.S. dominated industry located in Canada which produces products that have to do with what our children learn and think in our educational institutions.

An objective of government policy in the immediate future must be to insure that at least five of the sixteen school textbook publishing companies

in Canada are owned and controlled by Canadians so that the forces of competition from "Canada oriented" publishers keep the foreign-owned publishers honest in their definition of their "good Canadian corporate citizenship"!

The Ontario Legislature finished up just before midnight on Friday, November 13! Over four billion dollars of your money and mine was approved to be collected and spent by the present government. I believe that at least \$300 million is not being wisely and carefully spent. For example, in the area of education a great deal more could be done to eliminate the costly duplication of facilities and programmes between the twenty colleges of applied arts and technology across Ontario and the one hundred secondary schools nearest to those twenty campuses. If you want to get in touch with me on any matter which you think is important to you, please phone me at Queen's Park, 365-2145; at the Service Centre, 267-0200 or at home, 266-7480.

A DROP-IN CENTRE FOR PARENTS
by Pearl Cathcart.

A great idea I say.

It has occurred to me as a sometimes amused and abused parent that the time has come to consider a drop-in centre for parents. It would be a quiet haven where we could gather and exchange views on mutual problems. Perhaps we might even discover a happy solution or two.

Somewhere along the way we have been so intimidated by our children that we are constantly attempting to justify our beliefs and rules. We so fear that they are going to be emotionally destroyed if we resist their demands or disagree with their unacceptable behaviour.

We are the proud parents of teenagers but we would welcome a place where we could share our thoughts with other parents over a quiet cup of coffee. A drop-in centre for parents? Why not?

LAURIER-continued from page 4

On December 14th, two representatives from the University of Toronto will speak briefly to our Grade 13 students. Following this they will spend the morning in the Guidance Office. Students who wish to make inquiries regarding courses offered, etc., will have an opportunity to consult with them.

Quite an extensive and interesting display of Mock Theatre Sets has been prepared and set up by students in Grade 12 of the 4 year Theatre Arts Class. Grade 11 students of the same course have made up several large and interesting collages.

The winter term in athletics has begun operations with 4 basketball teams, a gymnastic team, a wrestling team and a hockey team all in operation. Following is a list of upcoming sports events:

- Dec. 9-Wrestling, Cedarbrae at Laurier 3 P.M.
- Dec.10-Hockey, Laurier vs Mowat 5p.m. at Heron Park.
- Dec.11-Basketball, Annual East-West Preview 7 P.M. at Laurier.
- Dec.13-Basketball, Scarborough Secondary Schools Athletic Association Clinic at Laurier.
- Dec.15-Basketball, Laurier at Cedarbrae, 3 P.M. Junior and Senior, Cedarbrae at Laurier 3:30 P.M. Mid.
- Dec.16-Wrestling, Wexford at Laurier 3 P.M.

Dec.18-Basketball, King at Laurier 3 P.M. Junior and Senior; Laurier at King 3:30 P.M. Mid.

In girls athletics, we started the school year in fine style when the Laurier cheerleaders placed first in the Scarborough Championships. With constant hard work, these girls came up with some original and well-executed cheers. The senior basketball team plays their semi-final game at Laurier against Birchmount on Tuesday December 8th. Playoffs will be the 10th and 14th in a home and home total point series. Just getting underway are the gymnastic club and volleyball teams, while intramural basketball continues following exams.

BROWNIES & GUIDES

We are very grateful to those who volunteered their help for our Brownie Packs. In the new year we will be able to open another Brownie pack which will eventually clear the waiting lists of existing packs. Girls now on waiting lists will be notified.

Our Girl Guide Companies are overflowing and we have no place to send the girls from Brownies except to another waiting list. We need help to expand these companies. We now have 2 leaders in each of 3 Companies, but with a third leader in each of these Companies more girls could be accommodated.

Some interest has been shown in the formation of a Mothers' Association to help Brownie, Guide and Ranger leaders of Guildwood. We know that many Districts have such an Association. Members attend 1 or 2 meetings a year and are available to help the leaders at any time as drivers for outings, for telephoning, fund raising and in many other ways. Help is already available to organize such an Association. All we need are some interested mothers (or fathers). For more information call: Shirley Gray 267-6055.

61st. GUIDE COMPANY

On November 3, 1970, the Company celebrated its 10th. anniversary. We were able to contact all former captains of the company and invite them to join with us for this happy occasion.

We were very pleased to welcome Mrs. Helen Jamieson (formerly Miss Helen Beatty) who was the first captain when the company opened in 1960. In February 1961, the first fourteen guides were enrolled into the company. Miss Beatty became engaged and left the company to be married.

Mrs. Mary Bigall then became captain and the girls enjoyed their first weiner roast on the site where Guildwood Presbyterian Church now stands. Mrs. Bigall later resigned due to family commitments and Mrs. Marion Kite took over as captain.

Mrs. Kite, now residing in St. Catharines, was unable to attend our anniversary, but sent a letter expressing her regret and extending a very thoughtful word of greeting to the company quoting Lord Baden-Powell. Mrs. Kite also enclosed in her letter a copy of the service held in the Church of the Holy Trinity, Guildwood dated February 24, 1963 in which the company flags were dedicated. The company flag was donated to the company by Mr. Adamson, a father of one of the guides, and the Canadian flag was donated to the company by the local Boy Scout Association. When Mrs. Kite moved away, Mrs. Florence Hewitt then took command of the company for a short period.

Mrs. Margaret Davies became captain of the company as well as the 547th Company as their captain had an accident. When more leaders were available the two companies were again split and Mrs. Davies carried on with the 61st. Company. She was with the guides from 1963 until 1969 when she was forced to resign due to a car accident. Mrs. Lee Weber who had been assisting as Lieutenant then took over the command of the company.

Our anniversary evening opened with the usual Horseshoe formation and then we introduced each ex-captain in turn working from present day back to the beginning of the company. A highlight was a large cake decorated for the occasion. Each Patrol Leader and Patrol Second, our Lieutenant Mrs. Colbourne and our Captain Mrs. Weber each lit a candle and placed it on the cake to represent our ten years as a company. All the former captains combined to blow them out. The evening ended with a short campfire and taps.

On November 10th, we enrolled four girls as guides. A warm welcome to Carolan Miller, Rose Meloche, Joanne Garvin and Heidi Graham. We hope their years in guiding will be fruitful and happy ones.

We were pleased to welcome Madame Commissioner, Mrs. Shirley Grey, to our company for the evening to present two first class pins and badges. They were presented to Karen McAuley and Robin Weber. We congratulate these girls and wish them well in future guiding.

We also presented fifteen proficiency badges as follows: Collectors Badge-Carrie Meloche-Child Care-Nancy Garvin-Cathy Gillen-Cooks Badge-Carrie Meloche-Hostess Badge-Linda Hynes, Cathy Gillen, Judy Rhodes, Nancy Garvin and Carrie Meloche-Swimmers Badge-Nancy Garvin, Linda Hynes and Judy Robertson-Pioneer Badge-Karen McAuley-Laundress Badge-Robin Weber-Bakers Badge-Carrie Meloche.

Patrol Leaders stripes were presented to Debbie Smyth and Yvonne Raap and Patrol Second stripes to Sandra Skinner, Cathy Ostapiec, Judy Rhodes, and Nancy Garvin. These girls had been on probation for six weeks before receiving their stripes. Several service stars were also presented.

We wish to thank all the parents who came out to see their daughters being enrolled and receiving their badges. Your support at these meetings does much to encourage the girls in the work with the guide movement and we certainly appreciate all the support and help we can get.

547th. GUIDE COMPANY

Congratulations to the following girls; Hostess Badge-Bonnie Baker, Patrice Yoeman, Cathy Murray, Janice Murray and Ann Wylie. Collectors-Debbie Hames, Donna Warnholtz, Lucile Kingsmill, Susan Keen, Janice Dyc Zkowski, Karen Wylie, Cathy French-Minstrel-Janice Dyczkowski-

Cook-Karen Wylie, Christianne Shea-Skaters-Karen Weeks-Singers-Dianne Jones-Team Sport-Dianne Jones.

Heather Smith and Kathleen Harman were enrolled on November 18. Congratulations girls.

547th. BROWNIE PACK

On Nov. 2nd our Brownies had a "Backward Night" not only did they wear their Uniforms backwards, but we started the meeting with the end of our regular meetings, and closed with the beginning. (Sounds confusing-well it was but it was a lot of fun and enjoyed by all).

Snowy Owl took some of the girls, working for their Golden Hand, on an outing on Nov. 9th along the Bluffs, where they enjoyed a sandwich and hot chocolate and studied different things of nature.

Our new Brownies, Debbie Thomson, Debbie Bernardo, Ruth Ann Brown, Maria VanDenThillart and Sandy Baker are working toward their Golden Bar.

On Nov 23rd we were busy presenting badges to Beverley Nesbit-Thrift Badge-Debbie Bernardo and Diane Latham-Collectors -Kathy Barton-Swimmers-Kim Warnhalts and Lisa Wark-Dancers.

Three year pins were presented to Leslie Goodreid, Alex Harte, Kathy Barton, Diane Latham and Shelley Baker. Two year pins were presented to Nancy Jo Thomson, Beverley Nesbit, Heather McDonald, Sharon Wark and Deanne Iosch. One year pins went to Tracy Jenkins, Karen Hulme, Judy Spooner, Kim Warnhalts, Lisa Wark, Marianne Kingsmill, Beverley Thomas, Michelle Chartier, Natalie Taylor and Judy Iosch.

After working hard the following Brownies received their Golden Bar-Karen Hulme, Marianne Kingsmill, Natalie Taylor, Beverley Thomas, Michelle Chartier, Judy Spooner, Judy Iosch, Kim Warnhalts and Lisa Wark.

We now are starting to think of Christmas and expect to have the next few weeks, not only busy with Brownie work but also busy with our Christmas plans.

CUBS & SCOUTS

The life of the group committee seems to be one of jumping from one leader problem to another. Last month we mentioned a serious leader shortage with 'C' Pack, that has been plugged by Ken Roberts volunteering to be 'Akela' and Bill Robertson as assistant. Now we are very sorry to learn that 'B' Pack is about to lose it's three leaders. Jim and Carol Bates are resigning due to business reasons and Bill

McDonald has also had to resign for business reasons. This of course makes it imperative that we get help before we have to close down 'B' Pack. If anyone can help, then please call Herb Robertson at 266-6801 or Art James at 261-6745.

'A' Pack is progressing on with it's 'Star' work. Drew Butler and John Morris have been promoted to sixers and Paul Ramey, Peter Morris, Andrew Gray and Graham Mells were made 'seconds'. The cubs are busy working towards the 'Carpenters Badge'. We are happy to welcome back one of our leaders, Ed Gouge after a lengthy illness. The cubs are busy preparing for xmas, hoping to make some little item as a gift in craft class.

'C' Pack has taken in ten new cubs, they are Terry and Billy Adcock, Mark Auld, Tommy and George Ricketts, Kevin Erwin, David and Vincent Stone, Craig Pulfrey and Jamie McMurray. Future plans include a factory tour, a hockey game and a weekend hike-cookout. Red Six was top six for October and won a trip of their choice in Toronto. Any parent willing to help drive for these special outings! Please give Janet Smith a call at 261-5655 or Ken Roberts 267-3-43.

The two scout troops met together for a very successful camp in which 30 boys took part. The boys were very active for all the 48 hours including the night time when the leaders found out that they had only slept for 3 hours during the weekend. Perpetual motion was very much in evidence.

'B' Troop had a swim night the last Friday of November and the boys proved that they are the next thing to seals.

The ladies auxiliary are having a demonstration and sale of 'Sarah Coventry' jewelry during their meeting on Monday 7th December at the Presbyterian Church at 8 p.m. All ladies are invited to participate and to bring a friend. Special door prize for some lucky person.

Get a head start on your xmas shopping.

Official Publication · Guildwood Village Community Association Vol 71. No 1.

POOL TARGET - JULY '71

kiwaniwood

O.K. Guildwood, the time has come to put our money (and brains, and effort) where our mouth is! Our past canvass experience has told us that the pool for Guildwood was the big thing, that tennis courts were nice, but what really mattered was the swimming pool! Well, we have the pool within our grasp. It's only a question of money now! To be specific, we have obtained \$10,000 of our total requirement of \$30,000. The remaining \$20,000 must be produced from our car lottery, upcoming this month of February.

coming events

- Feb 7 -Metropolitan Toronto Road Racing Association Marathon Starts from Laurier Collegiate at 1 P.M.
- Feb 8 -Open House, Guildwood School 7:30 P.M.
- Feb 10-Scout Auxiliary Card Party, Guildwood Presbyterian Church, Bring Your Own Cards 8 P.M. Admission \$1.50. Call 267-33 267-3312 or 267-2848 for tickets.
- Feb 11, 12 & 13- "Diary of Anne Frank" Presented by Laurier Dramatic Club Directed by Mrs. Peters, 8:30 P.M. Admission, Adults \$1.00 Students \$.75
- Feb 13-G.V.C.A. Family Swim Night, Centennial Pool, Ellesmere Ave., 9 P.M.-Free to Member Families. Also Public Skating, Centennial Arena 7:30
- Feb 14, 21 & 28 Guildwood Presbyterian Church Special Services (See Church News for details)
- Feb 17-Slide and Lecture Presentation on Scarborough's Water-front Development Plan. Guildwood Presbyterian Church 8:30 P.M.
- Feb 17-St. Ursula School, Meeting for Parents of Kindergarten to Grade 2. "Family Life Education" 8 P.M.

pool details

The Kiwaniwood pool will be 25 meters long by 42 feet wide, L-shaped in order to facilitate diving. Both one-and three-meter boards will be located side by side in the short part of the L. The deepest location in the pool will be about 12 feet. It is our intention that the pool be utilized for recreation, swimming instruction and competitive swimming in that order.

Change facilities will be provided at the pool site for both swimmers and life guards. Also included will be showers, toilets, shelves for tote boxes etc. (Cont'd Page 7)

membership lags

1971 Membership in the Guildwood Village Community is lagging behind previous years despite a very modest membership fee and an active and effective programme over the past year.

Association membership currently stands at 650 families (down 20% from 1970) out of a total of over 1200 in Guildwood Village.

We have experienced some difficulties in completing our canvass. There has been a shortage of people prepared to canvass homes in the Village and, in addition, some people who originally agreed to help out, have not done the job. (Cont'd Page 11)

ANNOUNCEMENT

DR.E.C.WARD wishes to announce the opening of an office for General Practice at 107 Guildwood Pkwy. For appointment phone 266-9534.

school news

Elizabeth Simcoe

The New Year has brought new challenges and one of these is the Canada Physical Fitness Programme which involves all girls and boys between the ages of 7 and 17. Classes are already hard at work practising basic skills such as sit-ups and broad jumps ready for the testing time in the Spring, when the best performers in each age group will receive an award. We are sure students will participate in this programme with good sportsmanship and hopefully with suitable gym clothing!

January 29th. was the date of the Baking Competition and Sale held at the school to raise funds for the Fluid Bed being used by Cameron Smith, a former student, who suffered severe burns last summer. Cooking competitions were held for the students of Grades 6,7, and 8 as well as for the Staff. There was a hard-fought contest between the Principal and Vice-Principal which was won by Mr. McLeod with his

chocolate Torte. Judging was done by Pastry and Home Economics teachers, and the baked goods were sold by auction, raising the sum of \$350 for the fluid bed.

Some Intermediate students are due for an interesting time when they take part in an exchange with students of Quebec City. From Feb. 11th to 15th. they will stay at the homes of boys and girls of their own age and, in the Spring, the students from Quebec will return the visit. This is an ideal opportunity for exchanging ideas and values.

On February 25th., the school will be closed for the annual Professional Development Day. Our staff will spend the morning in discussion and activity groups aimed at improving the learning situation at Elizabeth Simcoe. In the afternoon, we shall be joining other Scarborough teachers at the O'Keefe Centre for a forum with William Davis, Minister of Education on the topic, "Professionalism: concerned teachers who participate actively."

Guildwood

Open House at Guildwood School is planned for Monday, February 8th commencing at 7:30 p.m. All classrooms will be open and pupils work will be displayed for inspection. Parents are cordially invited to come out with their children and visit not only the classrooms of their own children but to tour the whole building. The remedial reading, the French and the speech correction teachers will be in attendance to answer any specific questions in these areas.

We have been very active in the excursion department during the month of January. Both grade 5 classes had a very interesting and worthwhile visit to the Royal Ontario Museum, the three grade 7 classes travelled to the Ontario Science Centre on January 21st and found the experience most rewarding. Miss McDowall's grade 6 class also visited the Science Centre and had a profitable time. On January 13th, the grade 8 teachers and the guidance teacher took a number of the grade 8 students on a tour of Sir Robert L. Borden Secondary School. Last week the National Ballet put on a program at Sir Wilfrid Laurier C. I. to which our grade 8 classes were invited. Teachers and pupils thoroughly enjoyed the performance. We have two excursions planned for February. Mrs. Harrison's grade 6 class is to have a tour of place of interest in Metro Toronto and the grade 8 pupils are going to the McLaughlin Planetarium.

Mr. J. Alloul is the new teacher of French for grades 6 to 8 at Guildwood. Mr. Alloul lived for 17 years in France and taught for several years in an elementary school in Lyon. He is presenting a very interesting French program to the senior students.

In the sports' field we had two teams advance into the quarter finals in volleyball. The junior girls were defeated by Hunter's Glen in a series of well-played games which had very close scores. The boys won their

first game against G. B. Little and looked to be on their way to victory but our opponents rallied well and won the next two games by narrow margins.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

What does a Member of Parliament do when his "House is not sitting"? I simply sit around home enjoying a rather extended holiday until the successor to the Honourable John Roberts calls all 117 members of the Ontario Legislature back to sit in solemn consideration of new laws and a new \$4 billion budget?

Well, here's some of the things that have been keeping your MPP busy.

The "Community Conversation" programme in the riding has been stepped up from one every two weeks in October and November to at least three every two weeks starting in mid-January. If you were unable to come to the Community Conversations at Sir Wilfrid Laurier last September or at Elizabeth Simcoe in November, you are most welcome to come and participate in one of these informal discussion sessions in another neighbourhood. Here are some scheduled dates and places: Tuesday, February 9th at Military Trail Senior Public School; Thursday, February 11th, Cedarvale Junior Public School; Tuesday, February 16th, Tecumseh Senior Public School. Other dates are February 18th and 23 and March 4, 10 and 23. These meetings start at 8:30 p.m. For more details you can always phone the Scarborough Liberal Service Centre (267-0200) or Colin McDonald (284-1228).

I am also spending time visiting schools, teachers and students in Scarborough East. Sometimes I am invited by a history teacher to come in to meet with students and talk with them about public affairs and politics. For example, on January 20th, I had a three hour hard-hitting quiz session with 40 Grade 13 students at West Hill Collegiate (we had a really great debate on the issue of foreign domination of Ontario). I am also distributing a questionnaire specially designed for high school students to seek out their views on public and education issues. (This is the counterpart of

the questionnaire I have been sending to all voters.) The response has been fantastically good. If any group of young people wants to meet with me to talk about issues, I am just as open to them as I am to adult groups. Just phone me at home (266-7480)

In December Mr. Robert Nixon the Leader of the Official Opposition, appointed me the Task Force Chairman on Education for the annual provincial policy Rally. This took up a great deal of time in December and January and the resulting report stirred up a heated debate at the Rally! If anyone would like a copy of this policy paper, please drop me a note.

The phone calls to the Service Centre, Queen's Park and my home continue to make me feel useful. My phone numbers are: 267-0200; 365-2145; and 266-7480.

Alderman reports

By Ed Fulton
Alderman, Ward 7.

After an enforced layoff I am gradually resuming my duties as your representative at Council. I hope you will continue to bear with me while I wade through a small mountain of paper.

As outlined elsewhere in this paper, the lottery for the swimming pool is about to get underway. I hope everyone is cognizant of the need to raise as much money as possible as quickly as possible. The Kiwaniswood Committee would appreciate it if you would sell or buy as many chances for the car as you can.

During the past year at Council, I have repeatedly observed the need of having strong and active associations within the various communities in the Borough. By opposing an issue or, just as often, supporting an idea, associations have frequently demonstrated their value to the neighborhood. If you haven't joined the Guildwood Village Community Association I would urge you to do so soon.

A wide variety of issues come before us at Council and all too rarely do we hear the opinions of a large number of our constituents. I would welcome your views, preferably written, on topics such as, financial grants to organizations, the waterfront development plan, a pollution control tax and residential are speed limits. If you have any comments please contact me at 2001 Eglinton Ave. E., or at 196 Sylvan Ave.

If I can be of assistance to you in any other matter please call me at 267-6720 or 759-4747.

TRUSTEE REPORT

by R. F. Stackhouse
Trustee, Ward 7

Controlling the cost of education is one of the big challenges facing the Board of Education this year. In Scarborough we have had a good record in this regard, our per pupil cost at present being the lowest in Metro. Nonetheless, we will be required to cut our budget still further in 1971. How can this be done? It will mean postponing any worthwhile proposals for program improvement and even cutting back some already started. But as well, it may mean a slight increase in the pupil-teacher ratio.

The largest part of our school operation costs are the instructional salaries which come to 70% of the annual budget. It is difficult to conceive major savings that don't affect this #1 item. That is why the Metropolitan Toronto School Board suggests the possibility of an increase in the pupil-teacher ratio. This would mean our teaching staff would not expand in 1971 as much as it has during recent years.

The idea is not welcome to anyone who knows the importance of the pupil-teacher ratio but it may be unavoidable.

This matter is still before the Board and trustees must look at every aspect of budget control in order to achieve the best savings and at the same time, safeguard the quality of the school program.

The Laurier Word

A NEW KIND OF HOME AND SCHOOL FOR LAURIER

After all the troubled reports emanating from Laurier, this could be considered a "good news" story.

A group of Students, Teachers and Parents have agreed to sit on an Advisory Committee at Laurier, for the purpose of cultivating a closer working relationship between home and school.

Over the next few months it is our intention to have discussions, and hopefully solutions, for a variety of problems affecting students, teachers and finally parents.

Our first meeting of the year was held January 25th and the agenda included a round table discussion on the "questionable preparedness" of a student entering the business world today. It is a shattering experience for him to discover that his sheltered learning years did not sufficiently prepare him for the "competitiveness" and "decision making" expected of him once he enters the marketplace. There was a general agreement that more on-the-job training, or in-school corporation (or business) management, should be incorporated into the school system.

Also high on the agenda was discussion of the Board of Education proposal to increase the pupil-teacher ratio in Ontario schools. A very determined stand will be taken by the Committee in opposing this action as it was agreed that any increase in the size of the class would be detrimental to the function of both the teacher and the student, and must be avoided. We will be making recommendations as to more acceptable areas of cost-cutting (eg-equipment budgets, administrative personnel, fuller use of buildings and equipment)

St. Ursula's

There will be a meeting at the school Wednesday, February 17th (8:00 P.M.) for the parents of children in Kindergarten, Grade One and Grade Two to discuss our new Family Life Education programme.

The Metropolitan Separate School Board has approved the principle of the establishment of a representative School Committee to foster two-way communication between the school and the community. Plans are now being made to form a "Steering" Committee of interested parents, teachers and others to assist us with the establishment of this Committee. Our thanks to Mr. T. Nicholson for his interest in representing the Association on this Committee.

The West Hill Fifth Venture Club now use our facilities on Monday evenings from 7:00 to 10:00 P.M.

Despite the cold weather our Grades Three and Four students look forward to their weekly swimming programme at the West Scarborough Boys' Club.

Our Junior Choir under the direction of Miss A. Mulholland recently entertained the residents of Guildwood Nursing Villa. The Choir looked very colourful in their bright red knitted scarves and hats.

During December each classroom had a very successful "canned goods drive" to help feed destitute men in downtown Toronto. The Brothers of the Good Shepherd were most pleased with our Christmas gift.

Congratulations to ours boys'volleyball team for winning our area's consolation championship. Both girls and boys basketball teams are now preparing hard for their upcoming area tournaments to be held mid-February.

The Grade Two and Three classes of Miss M. Morin and Miss C. Lynch have made plans to visit the Toronto-Dominion Centre. The children are also looking forward to skating at the Toronto City Hall outdoor rink.

POOL DETAILS (Continued)

The pool will be located adjacent to the south boundary of the tennis courts (on the Sylvan Ave., side) Yes, Virginia, there will be some tennis balls landing in the pool!

We are currently negotiating completion of the written specifications for the pool so that the final costing for utilities can be completed and the Borough of Scarborough can call for tenders.

We are attempting to design the pool with the idea of eventual enclosure in mind. To provide some improvement over the normal two and one half month season, we will be installing a pool heater. We believe that this will provide us with at least 4 1/2 months of swimming annually.

letters to the editor

257 Sylvan Ave.,
Scarborough, Ontario.
December 7, 1970.

Dear Mr. Parker,

Following is a communication which I sent to the Ontario Municipal Board about the appeal by Balmoral Heights Estates against the decision of the Committee of Adjustment. Balmoral Estates wants to build a recreation centre to service its town house "development." By-law 9676 states that a minimum set-back of 450 feet from the water's edge is necessary for all buildings. The recreation centre would have a set-back of 430 feet.

Mine is a definite feeling of disillusionment and dejection on Sylvan about the town houses being built at all. Mine is also a fairly active movement to prevent any additional building.

I would appreciate some mention of this situation in the Guildwood News and Views.

Yours truly,
(Mrs. J.D.) Cheryl Cardiff

Re:Appeal by Balmoral Heights Estates

I firmly oppose the appeal of Balmoral Heights Estates against the May decision of the Borough of Scarborough Committee of Adjustment. As previously stated in May to the Committee of Adjustment, we feel that the building of Balmoral Estates has severely limited the use we can make of our back yard. The lack of privacy makes any recreational activities impossible.

Furthermore I feel the blame for this idiotic crowding of people lies directly with the Council of the Borough of Scarborough and the Ontario Municipal Board. The land on which the town houses were built by Balmoral Estates was ideal as a natural green belt area. Now we read that the "government" is planning to demolish houses in Scarborough (further west along the bluffs) to provide a scenic driveway! disillusionment with the sanity of the municipal government is complete.

This Land Is Your Land
Canada Day--July 1
Celebration Committee of Scarborough

105 Dolly Varden Blvd.
Scarborough, Ontario.
January 26th, 1971

Dear Mr. Parker

Your see the name of our theme and of our committee, comprised of citizens of Scarborough working in close co-operation with the Borough.

We as a committee find that July 1st is taken for granted by a large portion of Canadians and involvement is to show concern over the name of our organization.

We are planning a day of celebration in Scarborough involving industry, business, ratepayers and Home & School Associations, service groups, ethnic groups, sports and youth associations, and hobby groups, in fact as many groups and individuals in ward and borough activities as possible. The Scarborough Minor Soccer Association has planned an International Soccer Tournament to take place July 1-4.

Plans formulated so far include a historical pageant, demonstrations of scout and guide activities, a house decoration competition, a parade in the evening from Cedarbrae Plaza to Confederation Park on Ellesmere Road, followed by band concerts variety shows; a dance program and finish of the celebrations with a fireworks display.

This is our progress to date, the committee meets every 2nd and 4th Monday at 8:00 P.M. at Cedarbrook Community Centre and cordially invites you to attend.

If you require any other information please contact me at 445-5850 between 9-4 and 293-7042 from 5:30 in the evening.

Yours truly,

F. E. Goldring,
Director of Publicity

Laurier girls' athletics

The Laurier Sports Programme for girls has been very active with major emphasis on outdoor winter activities.

We have been experimenting with snowshoeing and have been using a course laid out at the back of the school. Our skiers have been active in a programme which includes out- ing at Caper Valley 3 days per week for 5 weeks.

Our Outdoor Education Day was held on February 3. The day's activities included snowshoeing, skiing, curling, and power skating.

The Senior volleyball team ended the regular schedule in first place in its division. The team is anxiously awaiting the start of the finals. The Junior volleyballers lost only one game and are hopeful of getting into the finals. The Midget volleyball team are now in practice. Their first game will be played during the week of February 8th.

Our gymnastics team is looking forward to their first competitive meet to be held at Laurier on February 18th and also to the Athletic Night at Laurier on February 19th. which parents and friends are cordially invited.

Laurier Drama

CAST HEAR DETAILS OF "DIARY OF ANNE FRANK" FIRST HAND

Twenty-nine years ago, a Dutchman named Kraler hid eight Jews in the attic of his office building in Amsterdam. One of the fugitives, thirteen year old Anne Frank, kept a diary that was later published, publicized, and adapted into a stage play. The students of Sir Wilfrid Laurier C. I. are presenting that play on Feb. 11, 12 and 13 with a little help from Mr. Kraler. His real name is Krugler, and he has lived in Canada for fifteen years. Despite the fact that he now lives in Weston, he made the trip out to Guildwood Village on Jan. 24th to speak with the cast and crew of "The Diary of Anne Frank". He sat in a straight chair, with the students circling him on the floor, and searched for the English words to describe Amsterdam in the Second World War. Pictures of Anne and her sister Margot, young Peter Van Daan, and the secret home of the Franks and Van Daans were passed around while Mr. Krugler told of what happened after Anne's story had come to an end...his own capture and freedom, conversations with Mr. Frank, who is still alive in Switzerland. "Anne was a very quick girl," he said, remembering. "She perceived everything immediately..." In the play "The Diary of Anne Frank" the Laurier Drama Club will bring this perception to life again.

CUBS & SCOUTS

All the cub packs are in full gear. We are happy to say that "B" Pack has again started up again thanks to Harry Foster, Mary Jane Large and Ken Bernardo who have agreed to run the pack.

"C" Pack have been concentrating on their badge & Star work, with many fine projects being completed. Green Six won a trip to visit a newspaper as a reward for being the best Six for the month. Recently invested, Mark Auld has been welcomed officially, while Janet Smith, who has been our Akela for the past two years was presented with a desk-pen and stand as a token of the Pack's appreciation for her leadership. The pack will always welcome Janet whenever her busy schedule allows her time to visit. Arrangements are underway for a pack visit in February, plans will be announced shortly.

The two Scout Troops are busy in their programmes, with 'B' Troop visiting traffic court next Wednesday. (We hope they all come home.)

The Venturer's are in the stage of reforming under the direction of Peter Salter, we hope to announce more about them in the next issue of the News and Views.

SCOUT AUXILIARY CARD PARTY

The Ladies Auxiliary of the 3rd. Scarborough Boy Scout Group (Guildwood Village) are holding their annual card party on February 10th at 8 P.M. at Guildwood Presbyterian Church.

Bring your own cards, make up a foursome and play any game you wish. Refreshments and prizes will be provided. All this for only \$1.50.

For tickets call 267-3312 or 267-2848

profile

PROFILE: KENNETH WEBSTER
by Debra Chaytor

Mr. Webster, new principal of Sir Wilfrid Laurier Collegiate Institute was formerly a commercial teacher in Sault Ste. Marie and Markham. He and his wife now live in Toronto, where he has taught at R.H. King Collegiate and Thompson Collegiate (as head of the Commercial department). Before coming to Laurier, Mr. Webster was Vice-Principal of Porter Collegiate. His own schooling was in Toronto; he attended Malvern and U. of T.

Mr. Webster does not plan any drastic change in school policy, for he feels that Laurier is a fine school as it is. He insists that there can be no substitute for getting out to meet the students and spends as much time as possible with the student council, assembly committee, yearbook staff and other groups within the school. Even so, he regrets that his administrative duties prevent him from spending more time with the students as individuals.

This year an advisory committee will be established at Laurier, with communication as its keyword. The committee will consist of four students, four teachers, and six or seven parents. It will act as a sounding board, allowing issues pertaining to the school and students to be properly and fairly discussed from all sides. This is the first year that such a board has been attempted by a secondary school, and its establishment should be indicative of the future of Sir Wilfrid Laurier C.I. under the administration of Kenneth Webster.

KIWANIWOOD POOL

(CONTINUED FROM PAGE 1)

We were very pleased with the results of the Community Walkathon. A total of \$7,100 has been banked and a surplus of \$2,300 has been carried over from the initial canvass for the tennis courts. We hope to collect all of the Walkathon money within the next two or three weeks, raising our balance to the \$10,000 mark.

The Kiwaniswood Tennis Club has delighted us with a pledge of approximately \$750.00. Bill Schachow, the President, has announced that the Club will provide us with 3/4 of their 1970 gross proceeds, less one hundred dollars. It is most gratifying to see this type of feedback occurring so quickly, less than a year from the start of our original fund raising. Not only is our first baby alive and well but, at the age of 10 months, is able to help support its parents! Our congratulations, Bill, for a job extremely well done.

In our campaign of last year we were able to apply 98 cents of every dollar collected, towards the cost of building the courts themselves. In other words, the fund raising was accomplished in total by hard working, unpaid volunteers from the Community. Only a few unavoidable expenses for printing and postage were charged against the Project. It is our intention that this next phase of the campaign will be carried out in the same economical manner.

I hope you received your Kiwaniswood flyer at the door last Saturday January 30. This flyer was delivered, not only in Guildwood proper, but also in East Guildwood and Markham Bluffs. In it we mention that on Saturday February 13, between 2:00 and 4:00 P.M., one of our Team Captains will call on you to deliver your sales package consisting of a personal letter, a flyer providing additional project information and two books of lottery tickets worth \$20.00 in total. It is

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Greetings:

The aftermath of Christmas and New Years-the time for seasonal doldrums and the rush for the medicine chest to stave off colds, flu, bugs, etc., is upon us. There is as well, however, a flush of activities that become purposeful as we put our hearts and minds into them. These are the activities that take place in our fellowship that we find give dimension to living: Training-The oldest concept of the Christian Church is that of the discipline of training.-'They met for . . . apostle's doctrine.' A christian community that forsakes the premise that the fellowship is a school and not a nursing home has lost the goal of purpose. Spiritual Exercises-That we enjoy the gift of humanity is only fully realized as we give ourselves to the concept that man without God is much akin to that of the 'fish out of water.' Someone has said that-'all problems are theological.' Such a statement is dependent upon the conviction that God made us for Himself. Service-To look always to the 'pie in the sky' of Christian experience is to deny the earthly ministry of Jesus, the Master. He didn't come to add more to the religious jargon in existence then. He came to give a new dimension of relationships, first to God as Father, then to man as a brother. So we need a fellowship in service.

It is in foregoing them that we programme our activities for the next few weeks. Here are four special events to which we extend a warm welcome for your interest and participation. Note the following Sunday services:

Feb. 14th-Youth Emphasis Sunday
Feb. 21st-Guide and Brownie Service
Feb. 28th-The Ontario Bible College and The Ladies Ensemble.

The Ladies Fellowship extend a welcome to both men and women to come

and share in a slide and lecture presentation of Scarborough's Waterfront Development programme with Roger Brown-Feb. 17th at 8:30 P.M. in the C. E. Hall.

Finally, a welcome to all newcomers to the Village. May you find a desire for Christian fellowship. Understand that there is always a welcome here at the Community Presbyterian Church.

THE CHURCH OF THE HOLY TRINITY by Rev. William S. Watt

CREDIBILITY GAP and COMMUNICATION GAP

These are two word groupings that have become commonplace in our vocabulary. Generally speaking, we confine the former to our disbelief in the words and promises uttered by politicians, whereas the latter is used primarily when one doesn't hear, won't hear, doesn't believe the sincerity of the other. Generally the young not believing the older.

There is a great deal in common between the two phrases. To paraphrase-Your actions are contrary to your words!

IS THERE A CREDIBILITY GAP IN YOUR CHRISTIAN LIFE?

I feel confident that the latest census rolls would list at least 95% of our community as Christian. I also believe the 'action rolls' of the various churches would contain far fewer names of those who put their action where their mouths are. That difference in percentages represents the Christian 'credibility gap' in our lives.

The younger generation accuse the older generation of having a distorted sense of values. 'What you practice belies what you preach'

I believe a great number of the young are equally confused, but that, in no way, discredits what they proclaim.

If we believe in God as revealed in Christ, and don't live it---the gap is real.

If we insist in our children going to church school or confirmation class and don't attend the worship services of the church, then our definition of Christianity is sim-

ilar to our belief in castor oil; it is good for you--but not for me.

We live by our values. Our values in turn reflect our attitudes, which in turn reflect our actions. Some claim, in way of defense, that values and attitudes can't be measured?

Jesus didn't appear to agree with this excuse. I believe he was declaring an accurate measuring stick when he said 'By their fruits you shall know them' (Matt7:16)

If we are amongst those who contribute to the Christian credibility gap, yet proclaim to be Christian--then our faith leaves us no choice but to reassess our values, and perhaps we will discover the validity of the claim of the young.

volunteers wanted !

Do you have any mornings or afternoons available to spend in a challenging and rewarding way? Have you ever thought of doing volunteer work but hesitated? Guildwood Villa Nursing Home needs ladies and gentlemen to be visitors and to assist with programmes. If you would like to explore the possibility of being a Volunteer, please phone Mrs. Carol Price at 266-7711

SPORTS

Ice Rinks

The hockey cushion at Guildwood School and the pleasure rinks there and at Elizabeth Simcoe have been in operation since late December. Local residents helping to maintain the ice surfaces are Mr. P.J. Fairfull, 227 Catalina (for the Sincoe rink) and Mr. Doug McDonald 231 Livingston, and Dave Willey, 72 Rowatson, and his friends (for Guildwood). The Sincoe rink has been limited in size by impending school expansion, and has had to be flooded from a hydrant. This has meant that flooding of that rink could not be done with temperature below 15 degrees, for fear of the hydrant freezing up. This year, lights at the Guildwood rinks have extended their use well into the evening.

Baseball

Despite the mountains of snow, plans are being made for the 1971 baseball season. In addition to House Leagues at the Mite and Atom levels, there is also a possibility of a return of Pee Wee House League if there is sufficient registration. We have a commitment from East Guildwood that once or two Pee Wee teams from Guildwood could be integrated into their House League if we don't have enough teams for a self-contained league of our own.

Scarborough Softball Association has developed a five zone system with Guildwood in Zone 5, along with East Guildwood and Markham Bluffs. This will provide an opportunity for some of our better players to participate in "A" series play on the Zone team in each of the three groupings: Atom, Pee Wee and Bantam. Baseball registration is planned for later this month. Watch for announcements.

BOWLING

The League are in need of two permanent players and would also be pleased to have more names on our spare list. We meet on Tuesday evenings, so if you would care to join in the fun, please contact us.

Road Race FEB 7

Residents of Guildwood Village who are interested in Long Distance Running will be privileged to watch a top quality race this coming Sunday right in Guildwood Village. The race, sponsored by the G.V.C.A. and the Metro Toronto Road Runners' Association is an open 15 Kilometre (9.3 mile) race. Some top runners from Toronto, Sarnia, Sudbury, Hamilton and other points around Ontario will converge on the corner of Livingston Rd. and Guildwood Parkway at 1p.m. for this championship event. The race will meander through the Village, around Grey-abbey Trail, north and east to West Hill and back via Kingston Rd. with the finish line near Guildwood P.S. on Livingston.

Some of the entrants to date include such International competitors as Mike Goerke from Australia, Peter Lever from Great Britain, Bill Hopkins from Sarnia via England, Wayne Yetman from London, and Ron Wallingford from Sudbury. Of local interest will be the appearance of Jack Webb, 65 Regency and Lorne Buck 19 Avonmore, winner of last fall's Beaches' Marathon, the guy many of you see in the red suit on his daily runs through the Village.

FOCAS

At its Annual Meeting on January 25, the Federation of Citizens' Associations - Scarborough elected its new executive for 1971.

The new slate of officers is comprised of:

Rick Green - President;
Frank Faubert and George Caunce - Vice-Presidents;
Eric Parker - Treasurer;
Kathryn Hoxby - Secretary;
Betty Hellens - Recording Secretary;
Roy Pink and Dick Murphy - Directors

The Meeting also adopted a revised constitution containing a number of amendments designed to strengthen F.O.C.A.S. and develop better communication between the organization and the approximately 40 community associations, ratepayers' groups and tenants' associations in the Borough of Scarborough.

Outgoing President, Mrs. Betty Hellens, citing various examples of poor government in the municipality, urged all community groups to support and strengthen F.O.C.A.S.

DROP-IN CENTRES

by Ron Gostick

The Drop-in Centres opened on January 5th. after the Christmas break. This season we are going all-out in our activities.

We are hoping also for live music, which is a big attraction. If anyone would like to practice or play in front of a good audience, we ask you to let us know at the Drop-In Centres. After all, it won't hurt and it will be good for both you and your audience.

We ask everyone to keep his ears open for information concerning future events in the community.

The Youth Director, Ron Tereshyn and myself conducted a survey at the Drop-In Centres during the week of December 7th. The survey was concerned directly with the Drop-In programme. Thanks to Tom Nicholson for his efforts in making this survey possible. Participation was very good. Results will appear in this and future issues of the "New and Views". Following are the first three questions and compilation of the answers:

1. How do you like the "Drop-In Centres" compared to last year's programme?
Better than last year-46%
Not as good -31%
The same as last year-21%
2. Why do you come to the "Drop-In Centres"?
Companionship -25%
Nothing to do at home -29%
Just to get out of the house -24%
Exercise -15%
3. How do you like the "Drop-in-Centre" programme?
Like it as it is -19%
Want to see changes -81%

Senior Citizens Club

HAPPY BIRTHDAY
GUILDWOOD SOCIAL CLUB
by Jean O'Connell and
Marlene MacIntyre
Co-Chairmen

It hardly seems possible that a year has gone by since the formation of the Guildwood Social Club for Senior Citizens. In February 1970, 19 members turned out and this has grown to a faithful 46 at each meeting. It has been a busy and productive year for the group. Card parties, movies, bingos, luncheons, a fashion show and an auction provided a varied programme.

The response to this club has been absolutely tremendous. Not just from the people who attend but outside sources as well. We were invited along with other clubs (free of charge) to attend a performance of "Oliver". This was presented by the Scarborough Theatre Workshop Players and was an outstanding production. Then an invitation came from the "Scarborough Players" again free of charge, to attend the opening nights of their plays. We have had the Sr. Citizens Rythm Band from St. Margaret's-in-the-Pines perform. Many offers of slides and movies have come forth. Who said people don't care about Senior Citizens? Perhaps the most memorable evenings were our first Christmas Party and the trip to the Ice Follies. The Christmas party was well attended even though it was a very bad night weatherwise. A tour of the lights in Guildwood preceded a very lovely party with an exchange of gifts, delicious refreshments and, of course a visit from Santa.

The Ice Follies trip was more recent and great fun. Forty-six of the club and seven drivers took a chartered bus to Maple Leaf Gardens and watched a truly beautiful show. To The Church of the Holy Trinity we extend our utmost thanks for the use of the auditorium and all the facilities. To the drivers and gals who work so hard-again we say thank you. And last but not least-to the warm and friendly members of the club who make it such a pleasure to be with them. What a great year it has been and we know 1971 will be even better!

new girls' auxiliary forms

The Girls Auxiliary of the Anglican Church is calling all teen girls 13 years and up to come and join in a programme of fellowship, recreational activities, Duke of Edinburgh Award Scheme, Church teaching and service to others.

We will be meeting at the Church of the Holy Trinity, Guildwood on Wednesday evenings from 7 to 9 P.M. For further information call Mrs. L. Weber 267-2909 or Mrs. Hogarth 261-6694

membership

Canvassers are desperately needed to carry out a Saturday blitz on membership callbacks. Please volunteer your help to-day! Call Nick Hunsley 261-4906.

If you are a new resident of Guildwood Village and are asking yourself why you should become a member of the Community Association, call any member of the executive listed elsewhere in this issue and they will be pleased to explain the many activities and benefits of the Association.

1970 Members who have not yet been canvassed for 1971, please call 261-4906 and your new card will be delivered.

PARENT APATHY THREATENS DROP-IN CENTRE

This year the Parks and Recreation Department agreed to administer the Drop-In Centres in Scarborough with the co-operation of the Scarborough School Board. The Borough required the Guildwood Village Community Association to sponsor the Drop-In Centres at both Guildwood School and at Laurier Collegiate. The Laurier Drop-In is quite successful; however the Guildwood Public School Centre is far from encouraging.

We have received a number of complaints with respect to damage at this school and in particular, the washrooms! We are also informed that there has been little parent support to assist in the supervision of the programmes.

We must have Parents to volunteer to assist in the Guildwood Drop-In Centre activities. If we do not receive the support of at least six Parents we will be forced to close this Drop-In Centre.

Please contact Tom Nicholson at 266-4604, no later than February 13. IT'S UP TO YOU TO INSURE THAT THIS FACILITY REMAINS OPEN!!!

GUILDWOOD NEWS & VIEWS

Official Publication · Guildwood Village Community Association Vol 71. No 2.

ALDERMAN ED FULTON SENDS OFF RUNNERS FROM THE CORNER OF LIVINGSTON AND GUILDWOOD PARKWAY ON FEB. 7. THE 15 KILOMETRE RACE, SPONSORED BY G.V.C.A. AND THE METRO TORONTO ROAD RUNNERS ASSOCIATION, DREW RUNNERS FROM VARIOUS CENTRES IN CANADA AND THE U.S.

KIWANIWOOD FUND RAISING

At time of writing, we are just starting our mammoth blitz to get in the receipts from the Lottery. Early indications are very encouraging. A number of residents have phoned in to ask for additional books of tickets, some after the very first day. We have requested the Team Captains, who are collecting from residents, to extend the dead-lines for return of books, particularly if the resident feels that he can sell the tickets given a little more time. So, if you are in the position of still having unsold tickets, please do what you can to convert them to cash. From the experience of the Kiwaniwood Executive, they go like hot-cakes at the office, particularly on pay day!

With less than five or six walkers to be heard from, our Walkathon receipts total \$7,800 which is most gratifying. We anticipate a final total of approximately \$8,000.

The Kiwaniwood Tennis Club, as promised have come through with their donation of \$750.00 towards the swimming pool. This is a beautiful illustration of how strong community activities can reinforce each other.

In addition, the Scouts will be helping us this year, donating to Kiwaniwood the proceeds from their annual sale of fertilizer. They are expanding their coverage to include both East Guildwood and Markham Bluffs. This is the same coverage given to the Lottery.

Incidentally, we have been very pleased with the enthusiasm displayed by these residents in backing us on the sale of tickets.

A major side benefit of all this fund raising will be a much closer integration of the three districts as a consequence of residents all working toward a common cause. Thanks Guildwood! and East Guildwood! and Markham Bluffs!

sleepy hollow golf

and Country Club.

If you like playing GOLF, but are not so keen on teeing up at 6 o'clock in the morning, or having to play with strangers, using 7 hours for 18 holes, and suffering all the other disadvantages of public "pay as you play" courses join "The SLEEPY HOLLOW GOLF & COUNTRY CLUB." It is run by its members, and offers: A well laid out challenging 18 hole course. A first class club house with all facilities. A swimming pool, free to all the family. A dining room and snack bar (tasty food). COMPANIONSHIP AND SOCIAL FUNCTIONS. Initiation fee: \$300.00, easy terms 1 to 3 years, with reimbursement if you resign during this time. Annual dues \$285.00 senior men, payable net or 4 instalments. The Club is conveniently located on Highway 47 in Stouffville, and you can avoid the traffic jam on 48 by taking the 10th. line from Morn- inside. This takes you to the first tee in 30 minutes. For more information call: Willy Gersdorff, 265 Sylvan Ave., Tel: 266-4201

Church News

WASHINGTON UNITED CHURCH

At Washington United Church, Scarborough, a Marriage Counselling Course for those about to marry, or having recently been married, will commence on Tuesday, March 9, in the Church Parlour at 8 p.m.

The first speaker will be Dr. J. Eisenberg. His subject will be "The Individual and Marriage". Other lectures will be delivered on Tuesdays, March 16, 23, 30 and April 6, when professionals will conduct the meetings. Subjects treated will be "Cooking in the Kitchen", "Marriage and Emotions", "Family Money Management" and "Religion in Marriage".

Please register at Washington Church Office, 267-1551. The fee for the course is \$5.00 per couple.

CHURCH OF THE HOLY TRINITY

As I prepare this article for our local paper, I am very conscious that today is Ash Wednesday, the first day of the Lenten season, (February 24). I have just returned from conducting the second Church Service this morning and have one more to go. I wonder if many in this modern world think that keeping Lent is passé.

Jesus Christ contemplated His ministry before He acted. He prayed to the Father; He sought the Father's will; He listened to the Father's response; then He went about preaching and healing.

Jesus' ministry was to help people grow--grow to their greatest potential, which is only achievable when one grows physically, mentally and spiritually. Ignoring any aspect of man hinders full development.

Our busy society encourages people to act--to talk--but doesn't permit much time to listen. We have this breakdown in communication, harming our family life as well as our Spiritual life.

Perhaps Lent is the time for us to pay attention to the words of the ancient Psalmist when he wrote, 'Be still, and know that I am God'.

St. Matthew 4, verse 1, tells us that Jesus was tempted just as we are to cut corners, to be a hero, to be recognised as the leader of society. He realized that this doesn't enable man to grow, if anything it hinders his development and his relationships.

We are often tempted to make number one priority the amassing of wealth, of possessions (to provide the best for our family of course, to give our kids things which we didn't have) We devote our entire time and energy to this aim, which becomes our God. So we succeed, except that we have devoted so little time to those for whom we were allegedly working, that we have seriously damaged the relationship with our loved ones. 'Man does not live by bread alone'. The words of Christ.

Matthew's 2nd and 3rd temptations also hit very close to home. To be such a dramatic personality that everyone pays homage to us as a real hero; to have such power over others that homage is something that others must pay. Is this what life is all about? Jesus Christ, who offers the fullest life to man, says 'No'. He declares that life in its totality can only be found in Him, that He brings to man the opportunity to share in God's kingdom the life that the Creator God intended. All we need is to accept it and come to Him.

Lent may be just the opportunity we need to seriously consider His Godly invitation.

help!

The "News and Views" is desperately in need of an Advertising Manager as John Greenhough has been forced to resign through pressure of business.

We are looking for a community minded individual who enjoys meeting people and who is prepared to devote a few hours each month contacting existing and potential advertisers. If you are interested in volunteering your time and talents, call Eric Parker at 266-9128 or 866-8877.

We want to take this opportunity of thanking John for his efforts during the past year during which he so ably assisted us in getting through the reorganization of the "News and Views".

DROP-IN CENTRES

by Ren Gostick

I think everyone will be surprised to know that the Drop-In centres have passed the half way mark in their operation for this winter.

At the Laurier Drop-In everything is running well. We have introduced movies in response to many requests by people attending. Our first show was screened on Wed. March 3rd.

The Guildwood Drop-In is gradually coming out of its "rut". The number of people attending has been less due in part, to the lack of parent participation in assisting in Drop-In activities.

In this issue of the "News and Views" we are releasing the results of the survey that dealt with what the youth felt their parents would answer in respect to parent participation in the Drop-In Programmes along with the changes they would like to see. Following are the questions and the answers given.

What changes would you like to see?

More formal activities?	13%
Less formal activities?	4%
Movies?	27%
Crafts?	11%
Live music?	41%
No improvements?	2%
Guest speakers?	3%

Have your parents offered to come to the Drop-In Centres to assist in the programmes?

Yes 8% No 92%

Would they come if invited or given a chance to participate?

Yes 16% No 51% Don't know 33%

If the answer to the above is "No" why are they not interested?

No time 63% Just not interested 23% Unaware of the need for adult help 14% Do not approve of the Drop-In-Centre concept 7%

TRUSTEE REPORT

by Dr. R. F. Stackhouse
Trustee, Ward 7

Picture the mammoth O'Keefe Centre filled with a lively, interested audience ready to jeer or cheer, groan or applaud.

They are not a typical matinee crowd for a smash hit.

They are this borough's mighty teaching task force which this year held its annual Professional Development Day in one place for all teachers from Kindergarten to Grade 13, and had to go to the O'Keefe to find a place big enough to hold them.

Attending part of their session was a great insight for me. It drove home just how big a school system we have in Scarborough and how it has mushroomed in the last decade and a half.

In 1954 a similar all Scarborough convention was held and all the teachers met in the General Purpose Room of Cliffside Public School. Today with 87,000 students, the fourth largest public system in Canada, 4,000 teachers needed the O'Keefe.

When we consider that 71 cents of every dollar spent to operate our schools go into instructional salaries, we see one of the major reasons for the cost of education-and it is money well spent because there cannot be good education without good teachers.

The teachers at this meeting were impressive for the way they put pertinent questions to their distinguished visitor, Hon. William Davis, Ontario's new prime minister making his last public appearance as Minister of Education.

While they showed all the courtesy due an invited guest who was also the chief of the province's government, they knew how to articulate their concerns clearly and forcibly. They knew also how to stay on important issues and not waste time on trivia. All in all, their participation showed visitors our teachers

MPP REPORTS

As Her Majesty's Loyal Official Opposition Spokesman in the Ontario Legislature for University Affairs, I believe our universities are rapidly being "de-Canadianized." I wonder what you think?

In my opinion, the point of no return has been reached in the de-Canadianization of the teaching staff, in the de-Canadianization of the graduate student body and in the de-Canadianization of the learning materials available in the libraries, bookstores and in the offices of the teaching staff. Virtually by the process of omission, Canadian undergraduate and graduate students are being increasingly denied opportunities to discover and study about their own present culture and their own past inheritance.

The Government of the Province of Ontario must:

(a) Require each university in Ontario to have Canadians make up at least a majority of its teaching staff within two years.

(b) Encourage with financial incentives the hiring of qualified Canadians in the 1970's so that each department in each university would have Canadians as a majority of its teaching staff within three years, with this ratio reaching the two-thirds level in six years.

(c) Require the President of any university that did not meet these standards to appear before the Standing Committee on University Affairs of the Ontario Legislature to explain why his university had not achieved these standards. The Canadian public has a right to know just why at McMaster University, for example, 13 of the 18 teachers in the Department of Political Science are Americans, when there are so many highly qualified Canadians in this particular field who are looking for university teaching positions. My own personal view is, that for most of the de-Canadianized Departments (where Canadians account for fewer than two-thirds of the teaching staff), this policy would:

(a) mean that no present non-Canadian teacher need be let go because of his citizenship---the policy is phased in over six years and present non-Canadians could, if they wish to become part of our country, become Canadian citizens;

(b) mean that for some Departments which are excessively non-Canadian because of an excessive policy of hiring anybody but Canadians in the 1960's, a policy of hiring "qualified Canadians-only" would have to be adopted or additional staff hired at all in those particular departments.

In my opinion, there are too many first-rate Canadians being denied teaching positions in Ontario's universities and too many less than first-rate non-Canadians hired at this very moment. This must stop. Please tell me what you think.

Scarborough Ballet Company Seventh Annual Season of Ballet

Ballet returns to our area on April 1st. when the Scarborough Ballet Company presents it's seventh annual season of ballet at Cedarbrae Auditorium, Markham Road at Lawrence.

The Company, founded in 1964 by it's Artistic Director, Maureen Stewart, comprises 30 dancers of both sexes, aged 16 to 25. Many of them have won awards for their talent and skill as soloists and dancers.

This year's programme presented nightly by the Company from Thursday April 1st. through Saturday April 3rd., includes Tales of Old London, a ballet bringing to life the colourful ceremony and tradition of London, England through the past century.

The programme concludes with Amenartitis, a three act ballet set in ancient Egypt 3,000 years ago, portraying the tragic love of an Egyptian officer of the Royal Guard for a young priest-maiden, Amenartitis.

On the final night, Boris Volkoff, father of Canadian ballet and one of this country's leading authorities on the Dance, will adjudicate the performance and present the Trophy to the best solo dancer.

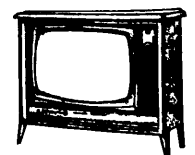

Curtain time for all performances is 8:30 p.m. Tickets, priced at \$1.50 adults, and 75 cents students, can be obtained at the door or by phone-ing 282-7152 or 423-2853

SPORTS

ICE RINKS: We're coming to the end of the season. Yes, already.

The Parks department is about to start dismantling rinks, and putting flooding equipment into storage. However, any ice surfaces that are suitable for skating, and safe, will be left in operation for a while. In case you think it's too early--records show there is little certainty of ice with any consistency after Feb. 25

BASEBALL: Registration for the house league baseball for both boys and girls is near at hand.

Those who have had children taking part in the past will notice a slight increase in the registration fees. Like everything else, it costs more than before to run a baseball league. As you will see by the registration form, registration will be taken in four age groups for boys and three for girls.

When sending children to register be sure they take with them their birth certificates and the registration fee in cash or cheque, with the oldest child taking the money for all members of one family,

TENNIS

We are ready to start the ball rolling for the 1971 tennis season.

There will be a general membership meeting on March 19, Friday evening at 8 p.m., at the Mackie Public School located on Heathfield Road which is off Hill Crescent in the Markham Bluffs' residential area.

The purpose of the meeting will be to present to and discuss with interested and participating members the plans for the coming season.

Furthermore, the meeting will also be an elective meeting. Any members wishing to run or nominate someone for one of the following positions: President, Vice-President, Treasurer or Secretary, should call 261-1374.

Membership letters are also being sent to all members of the past season. Renewals of membership must be in by April 15 at the latest. New memberships will be accepted starting April 16. Please direct all applications and inquiries to: Pierre Shea, 7 Bethune Blvd., 267-9052.

Scarborough Recreation & Parks Department is currently recommending implementation of a policy which would not allow any independent Tennis Clubs in Scarborough -- that is, tennis clubs located on Borough-controlled land. This would make it easier for the Recreation & Parks Department since all the clubs would then be uniform. But not all clubs want to be uniform. It would mean relinquishing financial control and operating under a set of rules which do not necessarily fit the tennis club in Guildwood.

SOCCER

The Guildwood Minor Soccer Club at a recent meeting elected Mr. Wally Kerr, 16 Burnage Court, as President for 1971. Mr. Colin Beales, 44 Rowatson Road was elected Vice-President.

The club plans to run house league teams and Scarborough league teams for boys 6-12 years.

For boys 12-18 years, the club plans to run Scarborough league teams. There will be A and B teams in this age group, if enough applications are received.

Registration takes place at Sir Wilfred Laurier Collegiate on March 6 and 13 from 9 a.m. until 2 p.m., or boys can register by phoning the Registrar, Mr. J. Shepherd at 266-5111. Registration fee is \$8.00.

The club plans to have the boys inside for training soon after registration.

The club executive, managers and coaches have been meeting at Sir Robert L. Borden Secondary School

since mid December, training and planning for the coming season.

The club has been growing steadily for the past five years and hopes to have close to 300 boys competing this year.

school news

Elizabeth Simcoe

This is the time of year when we invite parents to visit the school and see it in action. Our programme this year is quite different because parents may come to classrooms in the mornings as well as one evening. Our regular Open House will be on March 8, from 7:30 to 9:30 p.m. but rooms will also be open on the mornings of March 9 to 12 between 9:15 and 10:30 a.m. so that interested parents can watch the teacher and students working together. During this Education Week, all students will also have the opportunity to take part in special activities in the General Purpose Room or in their own classrooms. We hope parents will accept our invitation to see whether things really have changed since they were learning the Three R's.

Because of its success last year, we shall again be offering for sale a selection of Spring annuals ready for planting in your gardens. Order forms will be available at the school if you have not already received one. Deliveries will be in May.

There are a few dates in March which deserve a special mention. On March 15 we shall be holding an Immunization Clinic at the school for certain Grades. Special permission forms will be sent home to parents of students involved. The Winter Holiday falls between March 20 and 28 and the Easter Holiday April 9 to 12. Report cards will be sent home on Monday, March 29.

St. Ursula's

Open House at St. Ursula's is planned for Wednesday, March 10th, commencing at 7:30 p.m. Parents are cordially invited to come out and visit the many classroom displays and activities.

Our newly formed "Steering" Committee of interested parents, teachers and others has decided to organize an informational meeting on a topic of concern to many in our community. On the evening of April 1, there will be a panel discussion at St. Ursula's

on the subject of DRUGS. Parents and other interested members of our community are most welcome to attend this meeting.

Miss M. Metzger's Grade 8 class participated in a voluntary instructional ski programme held at Uplands Ski Hole, Thornhill, Ontario. One purpose of this pilot project was to improve the learning situation for the beginner as well as the skier so that skiing may be enjoyed as another carry-over leisure time activity. By all reports the children thoroughly enjoyed their opportunity to take part in this programme.

Congratulations to Karen Chartier (Grade 8), our school public speaking contest winner and participant in our area's recent Trustees' Public Speaking Contest held at St. Albert's School.

Our Girls' School Basketball team recently won the Consolation Basketball tournament held at St. Richard's School. The Boys' team also had a very successful season, reaching the final round for the Championship trophy. Congratulations are in order to Mr. W. Boyle, the coach of both teams.

Our Grade 8 students will attend a performance by the Young People's Theatre at Notre Dame High School. The Company will be presenting a special adaptation of Under Milk Wood by Dylan Thomas. The performance will be followed by a short discussion period conducted by the actors.

Guildwood

Despite a very severe snowstorm on Monday, February 8, our Open House was an extremely successful affair. Teachers reported that with few exceptions, the parents of children in their classrooms were in attendance.

Musically, at the moment, we are preparing for the operetta "Pirates of Penzance" which will be presented March 15, 16, 17 and 18. Pupils from grades 6, 7 and 8 are involved in this operetta under the direction of Messrs. D. Rickard and J. Meino. We are again much indebted to Mrs. D. Gannicott for her contribution as pianist.

open to parents in the afternoon as well as the morning.

Wednesday, March 10 - The Junior Choir are performing in the Scarborough Music Festival at Woburn Collegiate Institute commencing at 10 a.m.

There has been somewhat of a lull in the sports' programme this past month. The boys had a house league in hockey and played their games at Heron Park Arena at noon hours.

Many classes took advantage of good ice conditions on the rinks in our schoolyard and skated or played hockey for physical education periods. We have a senior basketball team, coached by Mr. J. Cadan, and they are competing in the S.P.S.A.A.

During Education Week, March 7-13, there are several planned activities:

Monday, March 8 - 8 p.m. Home and School Association Meeting. A panel of parents and teachers will discuss "Should Guildwood Public School continue to have a Home and School Association next September?"

Tuesday and Wednesday, March 9-10 All classrooms will be open in the morning for parents to come to see the pupils in their regular work periods. The kindergarten will be

The Laurier Word

On February 9th and 10th, twelve Grade 13 students visited Scarborough College. They were given a complete tour of the college and were able to discuss courses with instructors and also were able to sit in on many of the lectures. The reaction to the visit was excellent. Students reported that they thoroughly enjoyed the trip and now have a more comprehensive idea of university life in general. On March 2nd and 3rd another group of approximately 12 Grade 13 students also visited the college. The students selected for these trips had indicated their preferences to attend either the University of Toronto or Scarborough College.

Grade 13 students in Home Economics attended a Conference at Woburn Collegiate on Dating and Courtship. The speaker, Prof. Brodarick from Penn. State University discussed how dating developed and dating patterns.

LAURIER GIRLS SPORTS

On Thursday, Feb. 18, Laurier finished a highly successful volleyball season by losing the Scarborough Senior Girls finals against Woburn in the fifth game of the match. Previously unbeaten, the team played well but was defeated by a strong Woburn team. The junior team was defeated in the semi-finals by Birchmount in a very closely fought and exciting match. Both teams are to be congratulated on a fine season.

Teams still in progress! The midget girls' volleyball team's season continues until March 10. The gymnastic team is busy practising for the Scarborough Meet to be held at W. A. Porter on April 15th. Badminton players spend each Friday after school practising their skills for the May tournament.

On the intramural scene, gymnastics leaders club continues each Tuesday and Wednesday morning attracting approximately 50 girls for each session.

session at 8:00 a.m. The co-educational volleyball tournament sparks fresh enthusiasm each week as each house vies for the championship.

As winter term ends, we look forward to a highly successful spring track programme.

DAY

"A Winter's Nite" at Casa Loma
by Debra Chaytor

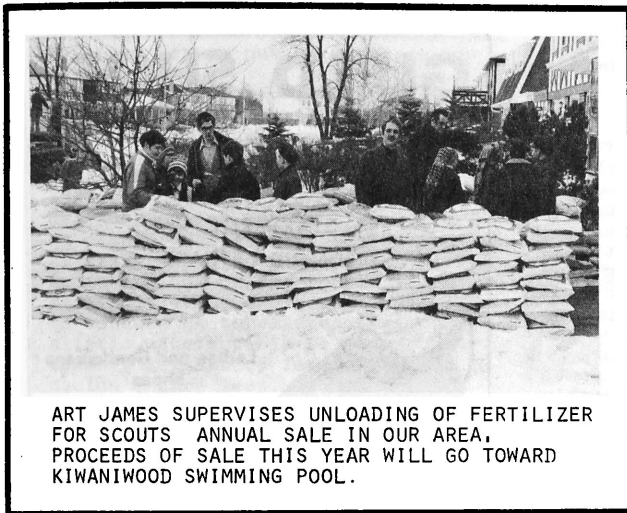

On the evening of February 26th. the sons and daughters of the citizens of Guildwood Village doffed their slob shirts and blue jeans for tuxedos and long dresses and set out for Casa Loma. Destination: "A Winter's Nite", the formal dance sponsored by Sir Wilfred Laurier C.I., West Hill C. I., and Sir Oliver Mowatt C.I. There they danced to popular music (unfortunately not of this decade) and avoided various teachers whose classes they had foregone in favour of the hair-dresser's and barber's shops that day. The festivities began at eight and continued until the witching hour, at which point the students returned to their respective homes, slob shirts, blue jeans---and of course, the weekend's homework.

MPP TO ADDRESS MEETING

ART JAMES SUPERVISES UNLOADING OF FERTILIZER FOR SCOUTS ANNUAL SALE IN OUR AREA. PROCEEDS OF SALE THIS YEAR WILL GO TOWARD KIWANIWOOD SWIMMING POOL.

TIM REID GUEST SPEAKER AT GUILDWOOD VILLAGE COMMUNITY ASSOCIATION GENERAL MEETING-APRIL 7TH. GUILDWOOD SCHOOL

The Association is pleased to have Tim Reid as guest speaker at the General Membership Meeting to be held on April 7. He plans to speak on a facet of "Education" and time will be provided for a question and answer period following his talk.

We are looking for good attendance at the meeting to hear the up-to-the minute details of our pool project, a discussion on Canada Day activities (July 1), our involvement with the F.O.C.A.S. organization and, of course, to hear our M.P.P.

An amendment to our constitution will be proposed at this meeting (Details on page 2)

The current Community Association executive has reached the mid point of its tenure and we are thinking towards next year! A nomination committee will be formed in the next few weeks and their committee will be responsible for establishing a slate of candidates for the 1971-72 executive positions. If you would like to serve your committee during the 71-72 fiscal year you can contact any member of the current executive or someone on the nomination committee.

coming events

- April 6-Ladies Auxiliary 3rd. Scarborough Boy Scout Group. Guildwood Presbyterian Church
- April 7-Guildwood Village Community Association General Membership Meeting, Guildwood Public School, 8:30 P.M.- Guest Speaker-Tim Reid MPP.
- Junior and Senior Kindergarten Registration for the 1971-72 school year. St. Ursula School(see School News for details.)
- April 11-Final registration for 1971 Boys and Girls Baseball, 12 Wythenshawe Wood 12 noon-2 P.M.
- April 23-Guildwood Village Curling Club Dance, Guild Inn.
- Kindergarten Registration for 1971-72 school year. Elizabeth Simcoe Public School(see School News for details)
- April 24-G.V.C.A. Dance-Guild Inn 7 P.M. SOLD OUT-Kiwaniwood lottery car draw 11 P.M.

KIWANIWOOD

We are continuing to make great progress in all areas toward construction of a swimming pool. The sale of lottery tickets continues at a rapid rate and we are most pleased with the response from Guildwood, Markham Bluffs and East Guildwood alike. Following are details of our financial situation:

Kiwaniwood Bank Account (as of Feb. 28)	\$ 1,944.80
5 month notes due May 1971	8,000.00
Donation from Kiwaniwood Tennis Club	750.00
Estimated receipts from sale of fertilizer	800.00
Lottery returns deposited as of March 27	15,325.00
Total funds available for pool construction	\$26,819.80

This puts us within \$6,200 of our target, (\$30,000 for pool construction, \$3,000 for lottery prize and expenses). Since we still have 23,000 tickets outstanding, we should reach our objective with ease. Any surplus money received will be devoted to landscaping and beautification. Keep up the good work and complete your buying and selling this week if you haven't already finished!

Right now we are in the process of hammering out detailed pool specifications. The various engineering drawings are virtually complete and it is necessary now to prepare written specifications for the various subtrades-masonry, electrical wiring plumbing, etc. Our time-table is going to be tight and looks something like this:

Completion of specifications-April 8	
Tenders received by	-May 8
Start of construction	-May 15
Big Splash Bash	-July 1

Early in the week of March 22nd we were surprised to learn of a petition signed by 53 residents in the general

(continued page 4)

OPEN DANCE AT LAURIER

ARRANGEMENTS ARE BEING MADE FOR A DANCE FEATURING "CROWBAR", SUBJECT TO RECEIPT OF A PERMIT FOR USE OF THE SCHOOL FROM MR. WEBSTER, (PRINCIPAL OF SIR WILFRID LAURIER), ONCE THIS IS OBTAINED, DEFINITE PLANS WILL BE ANNOUNCED. SO FAR IT LOOKS LIKE 8:30 P.M. FRIDAY, APRIL 16TH. THE ADMISSION WILL BE \$2.00 PER PERSON AND \$3.00 A COUPLE. TICKETS WILL BE AVAILABLE AT 3:15 P.M. DAILY IN THE TICKET BOOTH AT SIR WILFRID LAURIER COLLEGIATE.

GIRLS AUXILIARY FORMED

A new group has been formed for teenage girls called The Girls Auxiliary from Holy Trinity Church. So far we are few in number but very enthusiastic. Our special project right now is to help the unwed mothers at Humewood Home. Since most of things must be purchased we have to raise money. To do this we are collecting good used pocket books for resale. We would also be willing to accept any good used maternity clothes to help the girls at Humewood. If you are able to contribute any books or clothing, please phone 267-2909 or 261-6694 for pick-up.

Any teenage girls interested in our programme may also contact either of the above numbers for further information.

PROPOSED AMENDMENT TO THE G.V.C.A. CONSTITUTION

An amendment has been proposed by Mr. Jim Sykes to revise Article VII-By-Laws, of the Guildwood Village Community Association. Following are details of the proposed amendment:

PRESENT CONSTITUTION

"(q) Only a paid-up member and his or her spouse, if applicable, will be permitted to vote on any question at any meeting of the Association"

PROPOSED AMENDMENT

"(q) Only a paid-up member, his or her spouse, and their children of age 16 and over, if applicable, to a maximum of two votes per family, will be permitted to vote on any question at any meeting of the Association"

REASON FOR AMENDMENT

Under Article VI-Duties of Officers, Section (h), "The Youth Director shall...represent the youth of the community on the Executive Committee" This fact seems to be in direct conflict with the fact that youth, as part of a family membership group in the Association, is denied the right to properly elect a representative of their own choice. In order to obtain this right our constitution requires that a youth must buy his or her own membership which defeats any purpose in Article IV (a)

The above proposed amendment will be placed before the membership of the association for consideration at the General Membership Meeting to be held at Guildwood Public School, April 7, 1971.

TRUSTEE REPORT

Dr. R. F. Stackhouse

Our school board has always taken pride in being ready to look at a new idea, and as a result has given leadership in many new developments such as community colleges, special vocational schools, and others. It showed this pioneering spirit at a recent meeting when it agreed to prepare a course in religious studies for use in the secondary schools as a credit option.

Until now religion has been taught exclusively in the elementary schools and never as a credit subject. Putting it into the secondary curriculum, however, was recommended by the McKay Committee on religion in public education, and it is expected the Ontario Department of Education will soon authorize this teaching.

You may wonder why this is being proposed when some people have wanted to eliminate all reference to religion in schools, but there are good reasons.

One is that if religious studies are offered as an option, they will be taken only by those students that want them. There can be no question of discrimination, pressure, or any other undesirable influence.

START-RITE
BONNIE-STUART

Ladies and Gentlemen's shoes

phone
261-0726

A second is that religious studies have acquired a new popularity in many universities and colleges where they are offered on the same optional basis. Religion is not only part of life exciting a natural curiosity among the young, but it deals with the fundamental issues of existence and therefore speaks to a young person where he is really concerned.

The proposed course will be prepared by a committee of Scarborough

educators and will have to be submitted to the provincial department and the local board before being used. It is not expected it will be introduced before September 1972.

Church News

CHURCH OF THE HOLY TRINITY

April 4th, Palm Sunday, begins Holy Week for Christians. We feel certain that almost everyone is familiar with the dramatic events of the first Holy Week almost twenty centuries ago.

Jesus was given a hero's welcome when he entered Jerusalem. The crowds cheered themselves hoarse. Quickly the cheering turned to chants of 'Crucify Him'.

Jesus didn't meet their pre-conceived image of what God's Messiah should be like. He was put to death on the Cross.

God raised Him from the dead on that first Easter morn.

We are able to interpret the reasons and attitudes which ended in the death of Christ the man. He disturbed people. One segment feared that He might bring down the wrath of the Roman Legions on the people if he wasn't quieted; another was disturbed because He threatened their legalistic, comfortable religion; the largest segment by far just plain couldn't care less. This group could be led in any direction, or in all directions at once. ----- "He is the Messiah, Hurrah!-----He isn't, Crucify Him!"

God answered Jesus' plea "Father, forgive them, for they know not what they do." by raising Jesus from the dead, forgiving those who seek it, and giving all men a peek into what is meant by eternal life.

Christ the man died once. Christ the God is still being crucified. Whenever Murder, Hatred, Injustice, Bigotry rise to the fore Christ is Crucified. Whenever one's life is changed to a life of Godly love found in Christ, Christ is raised from the dead.

Today is the day Christ died---but thanks be to God, today is also the day when hearts everywhere experience the Resurrection by discovering Christ and His love in their hearts.

The Christian family of Guildwood Presbyterian Church is joining their brothers at Holy Trinity on Maundy Thursday (April 8) at 8 p.m. to share in the remembrance of the institution of the Lord's Supper. On Good Friday at 11.00 A.M. the Holy Trinity family is visiting Guildwood Presbyterian Church for the Good Friday service. Will you share in the services of Worship and Thanks?

May God's richest Blessings be with you this Happy Easter time.

GUILDWOOD PRESBYTERIAN CHURCH

The month of April brings the return of Spring once again. Needless to say that for most of us, Spring cannot come any too soon. There are a host of things to take place within the Church community in April as well. The following note is to tell you something of the events planned for our congregation for the coming month.

APRIL 4th is Palm Sunday and is marked in our fellowship as the time and opportunity for our people to join together in observing the Lord's Supper.

APRIL 8th is known as Maundy Thursday of Holy Week. An invitation has been extended from the folk of Holy Trinity to the members of our congregation to join them at 7, Maundy Thursday evening so that, corporately, as a Christian Community, we might prepare ourselves for the Easter event.

APRIL 9th is Good Friday. It is our opportunity to reciprocate for Thursday at the Anglican church, by extending an invitation in their direction to join us for a Good Friday service at 11 in the Presbyterian Church.

APRIL 11th is, of course, Easter Sunday and throughout our Churches and Communities the message of Easter will once again peal forth. Strange isn't it, the great fact and feature of Easter is based upon two holes in the ground. The hole which became the socket in which was placed the Cross, and the second hole being the open entrance to a grave that could not hold the Risen Christ.

We cordially invite one and all to join in these services of preparation, witness and praise.

Tel. 267-8278

APRIL 18th will be a special service in our fellowship for it represents a time of visiting in our church community. Plans are underway at the present time to see that we once again may make "a new start." Keep this date in mind as well.

Finally, as we go to print with this issue you may be wondering if the Village has had a bit of an earthquake this week, (the Mid-term break.) An 'Adventure Week' programme with Uncle Bob and Aunt Mary was a terrific success with numbers exceeding 200 coming to this daily program at the church.

Thanks for your time and, should you be reading this letter and have no church home, may we extend a welcome to you to come and make your spiritual home with us.

113 GUILDWOOD PARKWAY

THE CHAIRMAN SAYS....THANK YOU !

Many people in Guildwood help the Community Association in its various activities.....to many persons to mention is this article. However, it is in order to mention a few names of persons who have been particularly helpful in recent weeks.

FRED JOHNSON.....perennial community worker has agreed to again convene the "Mites" baseball league.

DON ORR.....has agreed to again convene the "Atom" baseball league.

BRUCE BUCKINGHAM....for recent auditing services and assisting our treasurer in establishing a more efficient account-system.

Mr FERRIMAN (Esso Service) for providing space on his property to display the Kiwaniwood Lottery prize auto.

kiwaniwood (CONTINUED)

area of the pool. The petition requested the Borough to delay construction and indicated that some other location should be chosen, Laurier Collegiate being the prime candidate. We agree with the petitioners that Laurier would have been the best location possible for the pool but it was out of the question since the next addition to Laurier was planned without a pool, despite the most determined efforts by the residents of Guildwood to have one included. If we were to delay our pool in hopes of having a pool included in some possible future expansion at Laurier, we would have no guarantee of construction by 1972, by 1973, by 1979 or ever!

Under the able chairmanship of Alderman Ed Fulton, a meeting was held on March 26th at the Elizabeth Simcoe School Auditorium to discuss the petition. It was attended by School Trustee Reg Stackhouse, the Kiwaniwood Sub-Committee, Community Association executive, and 15 or so local residents, most of whom signed the petition. It was a well conducted meeting and some limited agreement was reached on points such as traffic, noise and alternate locations (likely none).

The whole problem is aggravated by the relatively small percentage of park area in the immediate vicinity. Whatever space is available should

be used to the maximum advantage of all of the local residents, not just those living adjacent to it; however, Community Association and the Kiwaniwood Sub-Committee is fully aware of its obligation to the residents near the pool. We intend to take all reasonable steps to minimize the noise level in the immediate vicinity by constructing an elevated area around the pool to deflect the noise upwards and by planting dense trees to absorb as much sound as possible. We have secured a commitment from the Board of Education to construct 18 additional parking spaces for Kiwaniwood as part of the current construction of a new

wing to Elizabeth Simcoe Public School. With 21 spaces presently available, plus these 18, we believe, on the basis of statistics we have overcome any potential parking problems.

If you have any questions regarding Kiwaniwood and its progress, problems or future plans do not hesitate to call John McMillan at 261-0967 or Pete Hagarty at 266-9828.

If you wish to find out more details regarding the petition, call Ted Clifford at 267-8593.

DROP-IN CENTRES

by Ron Gostick

As spring sets in we are finding that the days are getting longer and the Drop-in season is getting shorter.

The Laurier Drop-In is running smoothly but is almost at the end of its budget. The movie "In Like Flint" was shown on March 17th. There was good attendance but the showing was a loss financially.

On March 25th it was decided by the Recreation and Parks that, due to damages, lack of space and lack of attendance, the Guildwood Drop-In would be closed permanently. This is unfortunate because a lot of people won't have anything to do on Friday nights and will have to look elsewhere for entertainment.

In this issue of the "News and Views" we are releasing the last results of the survey that dealt with attendance per night and how the youth get to the centres.

Are the Drop-in-Centres held on a convenient night?

Yes	70%	No	30%

school news**Elizabeth Simcoe**

We are pleased to report on the large number of visitors to the school during Education Week. Many parents came to the evening Open House, whilst there was a good audience of mothers each day to observe the students, both in the classrooms and taking part in extra activities. Such varied displays as the Folk Dancing and a Reptile Authority helped make the week enjoyable and successful.

Local residents have no doubt noticed that work has now begun on the new extension to the school. The ground was broken at the beginning of March and construction is due to be finished on Sept. 1. The fenced area on the East side of the school is now the private property of the Contractors and we ask parents to urge the boys and girls to watch the fascinating progress on the site from a safe distance.

Kindergarten Registration will take place on Friday, April 23. The Kindergarten teachers and school nurse will be present and will require each child's Birth Certificate, Immunization Records and family OHSIP number. We ask that parents attend according to the following schedule:

Surnames beginning:	Time
A-G	9:15-10:30
H-M	10:45-11:45
N-S	1:45- 2:30
T-Z	2:45- 3:30

The school will be closed for the Easter Holiday from April 9 to 12 inclusive.

St. Ursula's

The staff would like to take this opportunity to thank the parents who came to our annual Open House during Education Week. We had a very heavy turnout of interested parents, relatives and friends.

On Wednesday morning April 7th, there will be pre-school registration for students entering our school for the first time in September 1971. Registration for both Junior Kindergarten (Four years old by December 31, 1971) and Senior Kindergarten (Five years old by December 31, 1971) will take place as follows:

- (a) Surnames A-L 9:15-10:30 A.M.
- (b) Surnames M-Z 10:45-12:00 Noon

The Primary Orff music choir directed by Mrs. J. Schofield and the Junior School choir directed by Miss A. Mulholland have been rehearsing for the Board's annual Music Festival to be held Wednesday evening (7:30 P.M.) April 7th at Cedarbrae Collegiate.

Members of St. Ursula's three Brass bands enjoyed their recent visit to the Edward Johnson Building (U of T) Concert Hall to hear the Canadian Armed Forces Band from Ottawa who were performing as part of the American Band Masters Association Convention.

Mr. A. Luck's and Mrs. J. Schofield's classes are looking forward to Bruce's Mill Conservation Area for the Maple Syrup demonstration and Tour.

Miss C. Lynch's class will visit the Ontario Science Centre early in April.

THIRD SCARBOROUGH BOY SCOUT GROUP

Fund raising seems to be the main topic of our report this month. The Ladies Auxiliary once again held a successful card party. The ladies were able to hand over \$200.00 for their operating expenses. The ladies would like to thank the merchants in the local area, the 'Silver Mile' and radio station C.F.R.B. who donated gifts, people who came out to support the card party.

The scouts themselves went out on a fund drive. This time it was for the benefit of the Kiwaniwood swimming pool project. The boys took orders from the neighbourhood for fertilizer, then, with the help of their parents, delivered the product to the homes during the week of March 20th. A few problems arose from some of the boys not calling back to pick up orders, also a burden was placed on the parents who came out, because they could have done with another half dozen drivers. But all in all the project was very rewarding, as over \$800.00 was given to the Kiwaniwood committee after expenses. A big, big "thank you" to all who helped and who bought the fertilizer.

The Venturers held a winter camp under canvas. The boys all came back raving about how good their cook was, I guess Mike Wotherspoon should take a bow for that. The chicken dinner on Saturday was the highlight of the meal.

The ladies are holding their monthly meeting on April 6th at the Presbyterian church. They have invited Deidre Wright, a "Girl Guide", to be their speaker. Deidre will talk about the Jamboree she attended in Sweden last year.

BROWNIES & GUIDES

547TH GUIDE COMPANY

Our sincere thanks go to Mrs. Alice Bainbridge for giving her time and energy to the company for the past five years. She is greatly missed by all the girls.

Mrs. Marily Bernardo has taken over as acting Captain, Mrs. Linda Warnhoetz as Lieutenant and Ranger Gillian Stacey as helper. The telephone committee are: Mrs. Brown, Mrs Bunting and Mrs. Harman.

Last month 32 of the girls qualified for Fire Prevention badges. Our thanks to the firemen at the Coronation St. Fire Hall and also to all the parents who drove.

Dierdrie Wright came on March 17 and showed us her slides from her trip to Sweden last summer.

Next month some of the girls will be taking a course on Home Nursing.

547TH BROWNIE PACK

On January 25th we had a skating party at the school, then hot chocolate and donuts, which we all enjoyed. Brown Owl presented some badges, and the following Brownies received their Golden Hand: Leslie Goodried, Kathryn Barton, Alix Harte, Sharon Wark, Diane Latham, Shelley Baker, Beverley Nesbitt, Deanne Iosch, Nancy Thompson. After singing a couple of songs we closed with Brownie Taps. Thanks to the Mothers and Fathers who helped us.

In February we had a good turn out for our Church Parade which coincided with "Thinking Day".

On March 15th. Commissioner Mrs. Gray visited us on the night of our enrolment. We had nine Tweenies who became Brownies. They are: Patty Hewitt, Susan Matzki, Cathy Hislop, Lori Frickleton, Sharon Nesbitt, Diane Singleton, Susan Ostapeic, Jennifer Austin and Lisa Aherns. We enjoyed having some of the parents, brothers and sisters with us for the enrolment. They helped to welcome our new Brownies.

We are now looking forward to selling our cookies for Girl Guide Cookie Day. Most of the girls are also busy working on different badges.

61ST GUIDE COMPANY

On February 22nd which was "Thinking Day" for the Guiding and Scouting movements to honour the joint birthdays of Lord and Lady Baden-Powell, the 61st. Brownie Pack, 527th Brownie Pack, 61st. Guide Company and 527th Guide Company joined together at Guildwood Public School to honour their Founder with a special ceremony.

Guides from each Company formed colour parties in the centre with girls each carrying a picture of Lord and Lady Baden-Powell.

The Brownies wearing flags, bunting, etc, formed a circle around the colour parties and each sent greeting to Brownies in another country that belongs to the Association.

The guides then formed an outer circle around the Brownies sending greeting to all guides in other countries.

The Brown Guiders also sent greeting to other countries while the Blue Guiders sent greetings to the Guider in charge and her staff at each of the World Centres.

The guides and leaders then all lit candles and the Brownie and Guide Promises were repeated. The evening ended with a fun campfire.

Our special guests for the evening were Mrs. Shirley Gray, District Commissioner and Mrs. Barbara Sauder, our district secretary.

On March 2, we were pleased to enrol and welcome Cathy Shiels into the company. We also presented a total of 30 proficiency badges and two service stars.

Unfortunately we had to say goodbye to one of our Guides, Sandra Skinner, who moved to Vancourver.

Before leaving we were very pleased to present Sandy with her Second Class Badge also Swimmer; Child Care and First Aid. We certainly hope she is able to tie up with another company and wish her the best of luck in future guiding.

GUILDWOOD DROP-IN CENTRE CLOSED

As a result of recent damages at Guildwood Public School the Recreation and Parks Department has closed the Centre. Damage to a light fixture and the discharging of a fire-extinguisher resulted in this action. Previous damage to washroom fixtures were overlooked; however the Community Association and the Recreation and Parks Department could not continue to be responsible for damages to School Board property.

A lot of work went into our getting the Recreation and Parks and Board of Education people to agree to our having this drop-in centre. Other areas were deprived of a facility in favor of Guildwood.

Kids! You asked for a drop-in centre and we got it for you. Now you have blown it! Congratulations!

	Louise Schachow	

Gord MacLean reported on the outcome of talks with Recreation and Parks. The club will be left to operate independently this year and The Borough has given written notice of its expectations. At the end of the year it will check on facilities and maintenance; if these are satisfactory, the club can continue on its own; if not, it must come under the direct control of Recreation and Parks. The Parks Board sets fees (to encourage players to join in their own neighbourhoods, rather than shop for lower fees) hours of play for general public and age groups. The club appreciates very much the time taken on its behalf by Gord MacLean and John McMillan in these talks.

Membership applications for this year have been sent to all last year's members. If those interested in instruction would mark the box on the form, those organizing the classes will have a good idea of preparations necessary. Anyone wishing more information or willing to offer help with instruction, please call Omar Majid, Bill Boyle, Gerry Piltz or June Evanoff.

Membership renewals should be in by April 15. After that, both new applications and renewals will be received on an equal basis.

baseball registration

Sports Director Peter Dickens announces that registration for boys and girls summer house league softball will end Sunday, April 11. There have been two registration days held in March at Laurier Collegiate, and coaches have been contacting members of last year's teams who had not signed up for 1971. Now, in order to clear the way for teams to be organized and other arrangements made, registration will close on the date listed above. Anyone wishing to play house league softball this summer may still sign up at 12 Wythenshawe Wood, Sunday, April 11, Noon-2 p.m. A registration form appears in this issue of News & Views, and spare copies will be available at the above address.

AGE GROUPS:

Alderman reports

E. Fulton

The Scarborough Lakefront Development Plan has been before the Scarborough Planning Board and members of Council since September, 1970. During the past six months extensive public participation and scrutiny of the Plan has been carried out.

At the urging of the Alderman for Ward 1 and myself, two night-time meetings of the Planning Board were held to explain the planners' proposals and to hear the residents' response. In addition, I assisted in organizing, and participated in several other well attended meetings held to exchange views of this Plan. The Planning Board now wishes to hear formal presentations and has called a night meeting on Thursday April 15 for this purpose. Anyone wishing to submit a brief on this subject should advise the Planning Commissioner at 2001 Eglinton Ave. E or call me.

A short while ago Council filled a vacancy on the Committee of Adjustment. This appointment was delayed for several weeks because Council would not endorse the choice of the Board of Control. In addition, several members including myself, felt that appointments should be advertised to encourage capable new people to get involved with the affairs of the Borough. Failing Council support, five colleagues and I ran advertisements at our own expense and received, much to everyone's surprise, about forty applications. The same majority at Council who had vigorously opposed making these appointments public, turned around and supported an applicant who had responded to our advertisement. I will continue to press for public notification of the various public appointments that come before council.

At a recent meeting of the Council-School Board Liaison Committee, I was appointed committee co-chairman, along with Bert Tetley, Trustee for Ward 3. This committee explores matters of mutual concern such as drop-in centres, joint use and maintenance of facilities, future school sites for multi purpose accommodation and many other items of general interest. I would welcome any suggestions or comments you may have in this regard.

If I can be of any assistance to you please do not hesitate to call me at the Borough office-759-4747 or at home-267-6720

GUILDWOOD NEWS & VIEWS

Official Publication • Guildwood Village Community Association VOLUME 71, NO 4

POOL FUND \$33,000

At the Guildwood Village Community Association Dance at the Guild Inn on April 24th, Mrs. Marv Macher our "First Lady of Guildwood" drew the name of the lucky winner of our car lottery, Mr. Gordon R. Hart, 127 Shoreham Drive, Downsview. The seller of the winning ticket, #38660, was George Abbott, 260 Sylvan Avenue.

We're over the top in our pool fund raising! At the time of our draw on April 24th, we had over \$33,000 after expenses. As we indicated earlier, any surplus funds will be used to assist in landscaping and beautification of the site; however, it is premature to speculate at this time since we have not yet gone to tender. Although we have strong assurances that the tender price will be less than \$70,000 for the pool itself (less than \$80,000 for the total cost of

pool plus services), we have no way of knowing what the actual costs will be until bids are opened.

We were successful in our recent submissions to the Scarborough Recreation and Parks Committee, Board of Control and Council. Initially we received support for the project, subject to the restriction that "further discussion take place with regard to the possibility of locating an alternate site for the swimming pool. In our opinion, we completely satisfied the requirement to examine alternate locations and we received the unanimous endorsement of Board of Control (5 members) and Council (15 members). A special thanks to Alderman Ed Fulton for his vital support. Ed was instrumental in convincing Board of Control that all feasible alternate locations had been sought.

It is virtually impossible at this time to thank all of the people who have assisted us on this project

We have had 40 Area Captains alone helping us (including our Board of Education Trustee, Dr. Reg Stackhouse and our M.P.P. Tim Reid) and these fellows all worked hard. The Area Captains enlisted the assistance of 150 to 200 Team Captains who in turn distributed lottery tickets to upwards of 1,500 homes who in turn sold something of the order of 25,000 tickets. A vote of thanks here to our organizing genius, Jim Foster, who developed the idea for this sales organization, and who made it work!

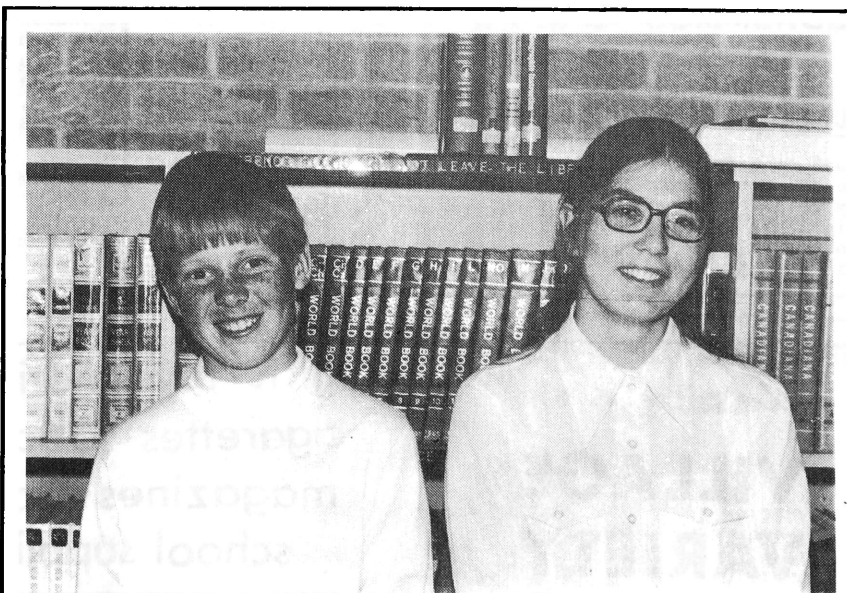

We are completing plans and specifications prior to going to tender. Although we lost two weeks on our schedule, we believe that we can still meet our completion date of July 1.

Church News

WASHINGTON UNITED CHURCH

Activities continue in the usual way at Washington United Church-worship at 10:30 Sunday morning plus Church School for all ages, followed by a Coffee Fellowship; Youth Groups meet later in the day. Mid-week groups like Cubs, Scouts, Explorers, C.G.I.T., Badminton Club, Young Mothers' Group and United Church Women's Groups meet at their usual times. Young Mothers' Group and U.C.W. Groups meet once per month.

Special events coming up will include Christian Family Sunday at 10:30 a.m. on Sunday May 9th, to which all are welcome. The Merry - Weds' Couple's Club will conduct the service, and the special speaker will be Dr. Irwin Hilliard, M.D., F.R.C.P., one of our elders.

The MerryWeds' Couple's Club of Washington United Church is sponsoring an Auction Sale to be held Friday, May 14th, at 8:00 p.m. on the Church premises. The Auctioneer will be Mr. Norris Hoag.

GUILDWOOD PRESBYTERIAN CHURCH

Much of life is looking back. May we be excused if we begin a bit by reminiscing? April has been a big month for our churches here in the village as elsewhere. It has been the time to re-think the

meaning of Holy Week and Easter. I believe the matter uppermost in the minds of the two congregations in the Village is the fact that we shared, and that most enjoyably, the Maundy Thursday and Good Friday services.

Now what about Easter '71. Has it meant anything to you and your family? Or, like the measles, something that has to be endured as part of the business of living. Easter, without the consideration of the cost of man's sin becomes just that-a yearly referral or milestone. Martin Luther thought deeply about sin and the problem of forgiveness. He once quoted Horace's old rule of the drama: "Do not bring a god into the play unless the plot is hopelessly tangled up that only a God can unravel it." This has been the lot of your life and mine. I sincerely trust that Easter '71 has brought the Risen God into the unravelled plot of your life.

What's up for May? Well, we have just seen a Friendship Visitation program take place in the congregation and we want to tie up the efforts of this program with special services and programs. May 1st, Men's Fellowship at the church with a Men's Breakfast. Art James has taken charge of this has procured for our viewing the film: 'Where It All Began.' Then, each Sunday, there is special emphasis upon Christ and the Home. There are a host of other activities on as well. May we say "Welcome" to newcomers to the community and to those without a church home, who desire a place to form spiritual ties of Christian Fellowship, do come and share with us the good things you have in Him.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

Elected politicians often get asked to join and support voluntary citizen groups and to become publicly identified with them and their objectives. Why, then, has the newly formed COMMITTEE FOR AN INDEPENDENT CANADA (CIC) made it a policy not to ask MP's and MPP's to become members of the Committee? Why has the CIC treated such politicians as undesirables?

The answer is found in the purpose of the CIC which is to let governments at all levels (including school boards) know that millions of Canadians from all parts of Canada regardless of their political party affiliation are aware and deeply concerned about the effects on their country of the present degree of foreign influence on our values, culture and economy. The CIC believes that the issue of foreign influence on Canada is in danger of becoming monopolized by a rather small, articulate minority who believe in solutions that are unacceptable to most Canadians and that this is unwise for two reasons.

First, other Canadians who are just as concerned about the future of their country are in effect excluded from having an organized influence on governments. Secondly, because the solutions of the articulate minority, for example, large scale nationalization, are so unacceptable to governments that those governments will use this as an excuse to do very little, if anything, at all about the problem. Therefore, the CIC wants to safeguard its-

KIWANIWOOD POOL

There are two further ways in which local residents can assist us in this project. It will be necessary to set up two additional teams to work along with the Kiwaniwood Subcommittee in making this pool a success. The first is a Landscaping Team who will take over when construction is complete, work with members of the Recreation and Parks Commission to finalize detailed plans for landscaping, scrounge free services from Metro garden centres, con the local residents into helping and generally wheeling and dealing to ensure that we have a site we can all be proud of. The second is a sort of pool Board of Governors who will work with Recreation and Parks Department to develop an annual time-table for pool use. If the children realize that there are planned activities at the pool, preferably with some sort of local swim meet near the end of the season as the Grand Finale, there will be a very high level of interest generated.

These, then, are some ideas that will be kicked around by the Subcommittee in the weeks ahead. If you feel in a position to help us in either of the two areas above, please call either:

Pete Hagarty at 266-9828 or John McMillan at 261-0967.
Any other suggestions will be most gratefully received.

ATTENTION GUILDWOOD PARENTS

Would you like more time alone? Visit or window shop a few hours but feel you're wasting money by having to pay a sitter? Have a few dollars to spend on a movie or dinner out but the extra \$2 to \$4 for a sitter makes you decide against it? Have to cut weeknights short because of a teenage baby sitter?

Perhaps we can increase our freedom and decrease our spending by sitting for one another. Who is better qualified to care for our children than we ourselves?

April's Chatelaine Magazine gives details of how such a group would work. Exchange sitting is the idea. Give and receive an equal amount of sitting time. As records must be kept, members, in turn, serve as Secretary for a two week period; recording member hours-debit and credit. If you need a sitter you call the Secretary who makes the necessary arrangements.

A limited membership of 30 couples is suggested. Can a group be formed here in Guildwood? If interested, call Mrs. Edwards at 261-4478.

BROWNIES & GUIDES

61st. GUILDES AND BROWNIES

On April 27, 1971 we were pleased to enroll and welcome into our company Lisa Campbell; Nancy Thomson; and Tammy MacPherson. We also enrolled Mrs. Shirley Wood who is working with us from another district for a short time.

Citizenship Badges were presented to Beth Parke and Karen McAuley.

Second Class Badges were presented to Judy Robertson; Cathy Ostapiec; Lucile Kingsmill; Nancy Garvin; Janet Davies; Linda Hynes and Carrie Meloch. It is very rewarding to see so many girls finish Second Class work together.

Friends, relatives and Guiders were present by special invitation to share in an important night for our guides who are also our Company Leaders.

Our guest of honour, District Commissioner, Mrs. Shirley Gray, presented All Round Cords and pins to Karen McAuley and Beth Parke. We wish to congratulate these girls and wish them every success in future guiding.

547TH. BROWNIE PACK

On April 5th. Alix Harte received her Writers Badge and we then had a Fly-Up.

The following girls flew up to our new 497th. Guide Company: Shelley Baker, Kathy Barton, Leslie Goodreid, Alix Harte, Deanne Iosch, Diane Latham, Heather McDonald, Beverley Nesbitt, Sharon Wark, Nancy Thompson will be going to the 61st. Company.

Brown Owl presented Mrs. Harte, our Snowy Owl with a cheque to help the new 497th. Guide Company get started. Mrs. Harte, who now becomes Captain of the new company, was also given a small gift by our Brownies in thanks for all the help she has given us.

Our Brownies did very well with their cookie sales and are now busy with their regular Brownie work.

self and its purposes from being (or even appearing to be) dominated by any one political party or any one political point of view on this specific issue. For these reasons, rightly or wrongly, it excludes people like me!

I agree with this decision. It is critical to the future of our country that the vast majority of Canadians who are not members of a political party and who ordinarily participate in the political process only on election day, become members of the COMMITTEE FOR AN INDEPENDENT CANADA. To be truly effective on public policy the CIC must become a Committee of a Million Canadians.

For further information contact: Eric Parker at 266-9128 or Henry McCandless, 36 Bledlow Manor 266-0862.

Alderman reports

E. Fulton

The Kiwaniswood swimming pool received final Council approval on April 12. Final specifications are scheduled to be presented to the Recreation & Parks Committee April 26 and from there the project will go to tender. Assuming full co-operation from the contractor and the weatherman, it's quite possible the pool will open on schedule July 1. Our aquatics staff have demonstrated their optimism in that they have already arranged the instructional programme for our pool.

How much are you willing to pay to combat pollution? Proposals have come forward to separate the sewers in the southwest section of the Borough. This is a very large project and of course, very expensive. It is estimated that each of us would be required to pay \$7.50 per year for ten or more years to finance this project. Will you agree to pay this amount to reduce the pollutants pouring into Lake Ontario?

Congratulations to Barb Jensen and her committee for the fine job in arranging the dinner dance last week. Special congratulations are extended to Gordon Hart the winner of the Kiwaniswood Car Lottery.

If I can be of any assistance to you, please call me at 759-4747 or at home at 267-6720.

CUBS & SCOUTS

3RD. SCARBOROUGH BOY SCOUT GROUP

The Scouts and Venturers want to get cracking on their canoe project now that the weather is warming up. They have the mould to make a 16ft. fibreglass canoe, but are looking for a source to buy the materials. For one canoe they need 84 sq. ft. of mat fibreglas and woven roving also 5 gallons of resin. So if you know where there are short ends of material or resin available, please call Don Willie at 266-2214. This is an excellent Scout project and the boys are eager to start.

"B" troop have just recently taken a course for the 'St. Johns Ambulance' badge, under the instruction of Mrs. Ingham. The boys outdid themselves because they passed the exam. The Scouts are now taking instruction for the 'Photographers' badge. A bicycle rally is planned in the area, using the same rules as car rally drivers. In their spare time the boys are working hard to finish their exhibits for the annual 'Skill-O-Ree' being held at Washington United Church on May 1st.

The Ladies Auxillary are meeting for the last time this season at the Presbyterian Church on May 3rd at 8 P.M. This will be a Tupper Ware Party, just in time to get your supplies for camping and cottage or those summer wedding showers. Please come and bring a friend or two. The ladies have done a fantastic job in the past five years they have been organized, raising over \$1,000 for the cubs and scouts. As well as supplying scarves for the boys and refreshments during the annual Apple Days. Now they are looking for fresh blood. If you have a boy in Cubs or Scouts, or are just plain interested in helping, please give Mrs. Darling a call after 5 p.m. at 267-0654.

GUILDWOOD Kadettes

Now that the nice weather is here, the girls will be entering as many parades as possible and it will make all their hard practising during the winter months seem worthwhile.

We would like to take this opportunity to thank Barb Wiley and all the mothers who assist her in telephoning the majorettes for us when last minute changes arise.

We still have a few openings for girls who are interested and they are asked to contact Mary Bullied at 267-1526 after 5 p.m.

If all goes well, we should be able to add more to our uniforms this year. We are still trying to start a Colour Guard and have not been able to form a Drum Corps due to the lack of funds to buy equipment. Our Senior Corps is hoping to be able to enter a few more competitive parades and shows this year.

Some of the girls feel that they are too old to belong to the Corps when they reach the age of 13 years but it is these girls who we need to meet the age requirements of some parades and shows.

The Laurier Word

The Laurier French Club sponsored a trip to Quebec for 4 days following the Easter Exams. 35 students, accompanied by Mrs. Muir and Mr. Bowers, travelled by train to Quebec City where they stayed in a small hotel in the old section of this historic city. During the stay there was sight-seeing in the main sections of the city, both old and new. For most of the students it was their first trip to Quebec and their first real contact with the French culture.

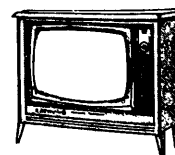

This year one student will be selected from each of the Scarborough Secondary Schools and from this group two students will be selected from all of Scarborough to participate in an exchange programme sponsored by the Organization France-Canada. The winners will be an all-expense paid trip to Paris and will spend three weeks living in a small French town in either Brittany or Normandy. The Laurier candidate is Karen Archbell of 5-12 F.

SPORTS

GUILDWOOD INDIANS

FOOTBALL-----IN APRIL?

If the Argos can steal headlines from hockey, baseball and soccer. why not the Guildwood Indians? We are very happy to announce that Ron Bell and his staff of George Morgan, Ross Rennie and Dave Simpson will guide the fate of our senior team for the 1971 season. Ron previously was the coach of the Woburn Wildcats-Senior Champions of the Scarboro Boys Football League for 1968, 1969 and 1970. We welcome Ron and his staff and look forward to an equally successful career in Guildwood.

Last years senior coach, Jack Brown and his staff of Butch Stockton and Gary Vale will take over the Junior team for the coming season. Many thanks to Glen Lush who came out of retirement to guide our Juniors last year.

We have ordered completely new equipment and expect to field two teams which will be a credit to the leagues and community.

Weight divisions are as follows:
Senior: 15 years of age by Sept 1/71 and 120 lb. weight limit.
Junior: 12 years of age by Sept. 1/71 and 95 lb. weight limit.
Registration fee is \$15.00 per player (but you get to keep the sweater)

We only intend to field 28 players for each team so any bcys interested should contact: Ron Bell 293-4216-Seniors. Jack Brown 267-8983 Juniors as soon as possible.

Last years players will be contacted by the coaches.

BASEBALL

Baseball registration is complete, and the teams are being prepared. We will be operating boys leagues at the "mite" and "atom" levels,

and one league for girls. Enough pee wee boys registered for one team, and it will be integrated into the East Guildwood house league.

We still hope that some Guildwood Village boys will make the "A" teams in the Atom, Pee-Wee and Bantam divisions for Zone 5, and we understand an "A" calibre diamond is to be prepared

at Poplar Road School, as the "home" park for the Zone teams. We have also asked for some work to be done on the Guildwood diamonds to improve their playing condition, but as yet there has been no commitment from the Scarborough Recreation and Parks Department.

UMPIRES NEEDED

Anyone willing to help with the operation of the softball house leagues by umpiring is asked to contact Sports Director Peter Dickens at 12 Wytheshaue Wood, 267-9152. It need not involve more than one night a week, if enough response is obtained. You don't have to be a baseball wizard.. Just someone willing to help the Community Association, and the children.

TENNIS

Tennis, anyone? If you haven't already seen about your club membership, or are wondering who to see, call Pierre Shea--267-9052. The nets are up, the courts are open and the lights will soon be on.

Opening Round Robin-Saturday, May 15 from 2 P.M. Keep the day!

In the meantime, plans are being made for Tuesday evening classes in May and June. Please check your membership letter for timetable and admission details. Beginning date to be announced. URGENTLY NEEDED to make instruction worthwhile--willing coaches to help instructors. The better the instruction, the better the results and the more enthusiasm generated in the club. Don't wait to be coaxed, call Omar Majid 264-2906.

In addition to the above lessons, there will be a 6 week series for ladies on Tuesdays at 8:30 a.m.

starting May 11, given by Roberta Johnson whose classes were so successful last year. There is a fee for this series--\$1, payable on registration the first day. The ladies day programme (Thursday mornings 9:30 - 11:30) will resume May 6. Please call June Evanoff-266-1738 for any further details on these ladies' events.

Please note the comments in your membership letter about the change in Junior hours of play, as well as those respecting membership buttons, whites and, particularly, use of the schedule board.

Tennis shoes are a MUST for all players as hard shoes damage the court surface. Players without proper shoes will be asked to leave the courts.

Tennis balls are available through the club at \$2.60 a can from Bill Chalmers, Bill Boyle, Gord MacLean or Bill Schachow.

Finally, if there are any comments regarding the club or the courts, please direct them to Gord MacLean or Bill Schachow.

CURLING

In the play-offs, Joe Landry's team won the cup for Division A and Dave Uren's team for Division B.

The Curling Banquet to wind up the season was held in the 'Studio' at the Guild Inn on April 23rd. A terrific time was had by all, thanks to the efforts of the Committee who went all out on arrangements and prizes.

If you wish to curl for the fun of it, this is the group to join next fall.

SOCCER

The Guildwood Minor Soccer Club will be joining the Woburn Wolves and the Maple Leafs to form the East Scarborough House League for this season.

The Guildwood Club has 225 boys registered so far. We will have 10 teams in the East Scarborough House League, 4 Squirt, 4 Atom, and 2 Mosquito. In the Scarborough Minor Soccer League, the Club will have 1 Squirt, 2 Atom, 2 Mosquito, 2 Pee-Wee and 1 Bantam team. One Pee-Wee team will be entered in the Pickering Ajax League, while one Junior B team will play in the Ontario National League.

Teams will be picked soon and league play will start around the middle of May.

The Executive would like to thank all the sponsors for their generous support of the club.

MAGAZINES DESPERATELY NEEDED

The Womens Auxiliary of the Scarborough Centenary Hospital are looking for magazines (no older than four months) to increase the supply of reading material for hospital patients.

Don't throw your magazines out when you have read them! Deliver to Ethyl Niewolski at 213 Toynbee Trail.

HOSPITAL VOLUNTEERS NEEDED

The Womens Auxiliary to the Scarborough Centenary Hospital will be expanding their services within the hospital in the near future and will be needing more volunteers. If you can spare two or three hours once a week or every other week or on week-ends, this could be a most satisfying way of serving your community. If you are interested or wish for more information, please call Mrs. Cole Director of Volunteers 284-8131 extension 243.

school news

Guildwood

The pupils of grades 5 to 8 have just recently completed a chess tournament. The finalists, Bob Craymer and Murray Baubie competed against pupils from nine other Scarborough Schools on Monday, April 19th, but were unsuccessful in their bid for a spot in the Chessfest finals.

Another activity in which the

school is fully involved is preparation for Field Day which is to be held on Thursday, May 20th. As in previous years we are dividing the school from grades 4 to 8 into two houses, Red and Blue. The pupils of the various houses under the direction of the teachers, will be coached and trained in all events.

On Saturday April 17 two grade 8 pupils represented the School at the Kiwanis Academic Achievement Contest. This is an annual contest held for the girl and boy in grade 8 who demonstrates the highest achievement based on the November and March Report cards. The examination is based on general knowledge. Two pupils from each Public and Separate School in Scarborough are chosen to participate. This could mean over 200 pupils. Four boys and four girls who achieve the highest standing are presented cash awards. Our two representatives both won. Our congratulations are extended to these outstanding pupils Evelyn Buettnier and Charles Williamson.

Did you miss the Guildwood Kindergarten registration? If you did and your child was born in the year 1966 we would be pleased to accept registrations any Wednesday morning. (School nurse is at the school then)

St. Ursula's

Congratulations are due to Charlene Johnson (Grade 6) for participating in the April 2nd Cancer Drive opening ceremonies with the Scarborough Elaine's Baton and Drum Corps.

Saturday, May 8th, is a big day for our Grade 2 students. They will be making their First Communion at St. Boniface Church at 9:30 a.m.

Karen Chartier (Grade 8) is our representative in the 27th Annual C.Y.O public speaking contest.

Several of our classes soon will be involved in a number of interesting outdoor excursions. Mr. W. Boyle's class will visit the Cold Creek Conservation Field Centre near Bolton, Ont. Mr. J. Clarke's class is now preparing for a visit to the Niagara Falls region. Plans also are being made for Miss. M. Metzger's Grade 8 class to be involved in a two-day, one night out-door programme during the month of June in the "Huron" area.

We have been very busy of late in the sports field. Our boys' school basketball team recently participated in the Fourth Annual Invitational Basketball Tournament at Neil McNeil High School. Both boys and girls singles table tennis tournaments now have reached the finals. League champions have been declared in the boys and girls floor hockey leagues. Preparations now are underway for the boys softball tournament scheduled for May 26th at Scarborough Village Park. A large number of boys and girls have been training for our area meet to be held June 8th at Holy Spirit School, Agincourt, Ontario.

Elizabeth Simcoe

Work is continuing on the addition to the school and we are very impressed by the rapid progress being made. The roof should be in place by the middle of June and we are confident that the Sept 1st. dead-line will be met. In spite of the fact that the drainage excavation on the west side of the school has put even more of our land off-limits, we are very pleased with the behaviour of the students.

Our annual Music Night will be held on May 10th. and 11th. in the General Purpose Room. As always there will be students from all grades taking part in choirs, gymnastics and displays. Some of the more talented musicians will be giving solo performances on one of the two nights. Tickets will be available soon for 25 cents. Be sure to get yours early as we are always sold out! The final testing for our Canada Fitness Programme is now being done, only to be replaced by another athletic competition-the Scarborough Public School Track and Field Events to be held on June 1st. Practice has already begun for the various sprinting and jumping events so we hope for good results. During May 13-17th., sixty students from Quebec City will be returning the visit made by our Intermediate students earlier in the year. They will be staying in homes in the area and we hope they will enjoy their time with us. Kindergarten Registration was held on Friday, April 23rd. If you have a new neighbour who has not yet registered children, we shall be glad to see them any time before June 30th.

GUILDWOOD NEWS & VIEWS

Official Publication · Guildwood Village Community Association VOLUME 71, NO 5

CANADA DAY -- on the way!

Big Guildwood Celebration JULY 1st

Once again this year the Guildwood Village Community Association is sponsoring the giant Annual Village party. As previously announced, the festivities will take place on July 1 mainly in and around the Laurier Collegiate grounds.

Activities for the day will commence at 8 A.M. with the starting gun for an international marathon run followed by our big decorated bicycle parade which has become a tradition with Guildwood Village young people.

Other events throughout the day will include pony rides, games, refreshments, contests and entertainment. Another innovation this year will be several games in the Pee Wee division of a huge four-day

soccer tournament sponsored by the Scarborough Minor Soccer Association.

Our track and field meet will be bigger and better than ever. An application form and further details are included elsewhere in this issue.

As always, the day's activities will conclude with a giant fireworks display at dusk.

In order to make our Canada Day celebration a big success, many volunteers are required to assist in the various activities. Help make July, 1971 in Guildwood Village a big success. Call Tom Nicholson at 266-4604 or
(cont'd page 8)

Alderman reports

Ed Fulton

For the first time in years your Municipal taxes in 1971 will actually show a decrease! This will amount to \$18 on a house assessed at \$5000.00 While the deduction is not that large, I'm sure that with to-day's economic situation any reduction is welcome. Savings could have been greater but Council decided to continue its prepayment program for the new Town Centre and to allocate much needed funds to our Recreation and Parks Department. Nearly a quarter of a million dollars will be spent to improve, enlarge and connect the dressing rooms at the arenas we covered last year. Other major items include the installation of an all weather track at Birchmount Stadium and, of course, the Borough share of the Kiwaniwood Pool.

Last October, Alderman Belfontaine and I initiated negotiations with the Metro Roads people to explore how Kingston Rd. might be improved aesthetically and structurally. The early results of our efforts was the resurfacing of Kingston Rd., from Midland Ave., to Markham Rd. Subsequent to this, with the assistance of Alderman Paul Cosgrove and our Commissioner of Works, a report was prepared and unanimously adopted by Council. This report to Metro stresses the need to improve the road bed, more clearly define egress and access points, provide improved curbs and sidewalks, improved street lighting and clean up and landscape the median strip and road shoulders. I don't think Metro has paid enough attention to Scarborough's needs over the years and this current request to assist us in improving our main thoroughfares is more than reasonable. Heaven knows we need it. Your written support would be appreciated.

If I can be of any assistance to you, please call me at 759-4747 or at home 267-6720.

SWIMMING POOL REPORT

In spite of herculean efforts on the part of our architectural and design staff, there will be a six week delay in pool completion to August 14. Our designer, Allen Workman of A.C. Murphy Construction Limited, has literally worked around the clock for us as has Bob Fernandez of Frost-Fernandez Associates. I can't speak too highly of the co-operation we have received from these two gentlemen, neither of whom is from the Guildwood area.

What has caused the delay, if we have received this type of co-operation? I would have to say: "Inexperience". We underestimated and exactness of the drawings and written specifications. Our final package will consist of ten detailed drawings and approximately 80 typed pages of materials and methods of construction. We heartily endorse this degree of exactness demanded by the Borough for, without it, we would have no guarantee of quality or staying within budget.

We thought we had two things going for us but both turned out to be of less assistance than anticipated. A pool contractor provided a drawing which proved to be of limited value. Written specifications,

provided from another pool in Scarborough were similarly of small use. We did not encounter this problem in construction of the tennis courts as the Recreation and Parks Commission were able to supply us with a complete set of written specifications.

We can take consolation from the fact that the building of any future outdoor pool in Scarborough should be easier, since it could also be constructed using our specifications.

If we were doing things over again, we would probably have tried to complete the specifications at the same time we were involved in fundraising and answering the petition against the pool. Both of these activities took considerable of our resources and we elected to hold plans and specifications until later. So, Apologies! We'll do our best to see that no further delays ensue.

Our present schedule calls for tenders to be opened June 16, Construction to start June 30 and to be completed by August 14. Stay with us then and keep your fingers crossed; you couldn't possibly be more unhappy about the delay than we are.

school news

Guildwood

Despite the poor weather conditions this spring, our girls and boys have been energetically involved in baseball practices and games. The senior girls' and the bantam and junior boys' teams were eliminated in their group series. The junior girls and senior boys advanced to the quarter finals which are to be played as soon as the weather permits.

During May several classes were involved in very interesting and worthwhile excursions. Mrs. Eisler, Mrs. Derrington and Miss Rabb took their classes to Black Creek Pioneer Village and the children had an excellent time. Mr. Harris' grade 8 class went on a fishing trip to Lake Simcoe on the morning of May 13th, and in the afternoon they took Mrs. Rule's grade 1 class to the Science Centre. Our safety patrollers had a fine trip to Ottawa, May 20-22. Mr. D. Smith, the teacher in charge of the patrol system, accompanied the pupils and reported that everyone thoroughly enjoyed the experience.

The Junior Band and Stringed Instrument Group from Sir Wilfrid Laurier C.I. put on an excellent concert for our grades 6 to 8 on May 5th. There were over 200 secondary students performing and the music was much appreciated by our pupils.

Track and Field Day on Thursday May 20th was a highly successful project. 340 children from grades 4 to 8 participated in numerous events which ended in a victory for the Blue House over the Red House competitors. Six pupils were outstanding in winning all three events in which they were entered and of these one girl and one boy will receive the school Track and Field

St. Ursula's

Trophies based on their performance at the Birchmount Field Day on May 31st.

Top Performers-(Winners of three events)

Registration for students entering our school for the first time in September may be completed during the month of June by contacting the school at 267-8416.

St. Ursula Music and Drama Club, directed by Mrs. M. Cunningham and Mrs. J. Schofield, will present our first performance, "Tom Sawyer's Morning" on the evenings of Tuesday, June 15 and Wednesday June 16 at 7:30 p.m. Tickets will be available at the school for 50¢ each after June 7th.

The newly-formed St. Ursula School "Steering" Committee has made a successful beginning this year to establish a Committee that will be of assistance to both our school and the community. Our thanks to all who have given us their time and cooperation. The next executive meeting will be held early in the Fall term.

For the second successive year the Primary Orff Choir directed by Mrs. J. Schofield and the Junior School Choir directed by Miss A. Mulholland participated on June 1st in the Board's annual Metropolitan Toronto Music Festival held at Massey Hall.

Wednesday May 26 was a big day for Mrs. J. Schofield's Senior Kindergarten children. Both staff and students followed with great interest the slow arrival of the baby chicks.

Congratulations are due to:
-Karen Chartier(grade 8) for her second place standing in the annual C.Y.O. oratory contest.
-Our senior students who successfully completed the 'Miles for Millions' walkathon.
-Students are participating in the 'Participation Parade' walkathon on Saturday June 5.

During the next few weeks a number of classes will visit such places of interest as the McLaughlin Planetarium, Ontario Science Centre, Bruce's Mill, Bowmanville Zoo,

Horton Farms, and the Toronto Dominion Centre.

LAURIER

LAURIER STEEL DRUM BAND

A totally new and exciting extra-curricular activity entered the Laurier scene last fall. At that time steel drums began to appear in Room 105 and Mr. Gomes, formerly of Trinidad, began to instruct anyone who was interested in the production of sounds and eventually songs from these unusual instruments. Since that time the Laurier Steel Devils have come a long way through twice weekly practices and conscientious effort on the part of the 25 student members and their leader.

The band had its debut at the Laurier "Cantique de Noel" last December and was warmly received. Performances since then have included ones at the Saint Lawrence Centre, MacDonald Collegiate, True Davidson's Birthday Party and the History Conference on the Third World, The Laurier Look-In and at Saint Margaret's In-The-Pines, at which time the band also auditioned for the opening of Ontario Place.

The music of steel drums originated in the West Indies and is quite different from the music we hear everyday. Laurier's drums, which range in size from full oil drums to those of eight inches in depth, were fabricated by Mr. Gomes and the stands were made by the Laurier Technical Department.

LAURIER STUDENTS PLACE IN NATIONWIDE MATHEMATICS CONTEST

A Junior mathematics contest sponsored by the University of Waterloo and open to students up to the level of Grade 11, resulted in over 19 thousand students across Canada taking the multiple choice test.

Both individually and as a team Sir Wilfred Laurier students did extremely well. The following list indicates how they ranked compared with other contestants from Scarborough:

First-Rob Rothwell (84.75)
Second-Rick Lee (83.5)
Fourth-Rick Jones (70.75)
Sixth-Nora Carson (68.75)
Seventh-Mario Pereira (65.25)

The team score, made up of the sum of the three highest scores, placed Laurier ninth in Ontario and twenty-second in all Canada.

Rob Rothwell placed 32 in Ontario and 77th in Canada while Rick Lee placed 39th in Ontario and 88th in Canada. Congratulations are certainly due to these students.

LAURIER GROUP MAKES STRATFORD TRIP

Happy the Stratford Group that the sun shines on! May 18th was such a beautiful day—swans and girls and boats on the river and, incidentally, an excellent production of "Much Ado about Nothing", before a tremendous student audience.

This euphoric experience was shared by 100 students who will be graduating from Laurier this year and four teachers from the English Department, Mr. Head, Mrs. Dermont, Mrs. Prosser and Mr. Letson.

* * * *

Elizabeth Simcoe

As soon as the fine weather arrived at the end of May, we were able to organize a Fence-Paint on the hoardings around the construction site. A variety of panels based on a Social Studies theme were painted by representatives from each grade and the results are very colourful.

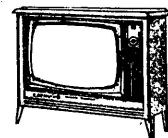

June brings the usual bustle of activity. Throughout the month the different Grade 3 classes will be attending the swimming and safety programme at local pools. June 8th., Grades 6 and 7 will make an orientation visit to Jack Miner Senior Public School which they will be attending next year. Our Playday will be held on the afternoon of June 25th. and the students will be divided into two age groups for the usual games we enjoy at this time.

The Grade 8 excursion this year will be to Algonquin Park. From 23rd to 25th of June, students will be staying at cabins in an exclusive children's summer camp. They will explore the geography and ecology of the area and will visit Tom Thomson's cabin. Grade 8 Graduation will take place on June 29th.

CUBS & SCOUTS

3RD. SCARBOROUGH CUB & SCOUTS

'A' pack has done well this year. Many of the boys have earned badges and completed their 'stars'. All the cubs took part in one way or another in the recent 'Skill-o-ree'. The following boys won ribbons: John Morris, Kenin Brett, Philip Lessel & Buddy Taylor won Firsts; Peter Morris a Second, Paul Rhamey won a First & a Third; with Doug Easkn getting Two Firsts & a Third. The pack also won a Second for its display.

The cubs had a terrific time at Hockley Valley Camp, and the weather co-operated to make it perfect. We are sorry to lose one of our leaders, Hans Morris who has moved away from the district. Thanks go to Mrs. Marg Willie, Don Easton, Aubrey Rhamey & Ed Goudge for their outstanding help as leaders, in helping to keep 'A' pack rolling.

The rest of the group did extremely well at the "Skill-o-ree", with 'B' troop collecting a fistfull of awards. The Venturers spent an enjoyable week-end at camp and are planning a lot of canoe camping this summer.

Cub and Scout activities are rapidly coming to a close for another season. The boys will be doing a lot of camping and hiking this

summer but regular meetings will be suspended until September. With the commencement of next fall, comes our perennial problem. We have 22 leaders for the 200 boys in our group and unfortunately we lose four or five every year due to family & business reasons. Next season is no different. We need five leaders, both for Scouts and Cubs. If you can spare one evening a week this coming year would you give Herb Robertson a call at 266-6801 or Art James at 261-6745.

We wish all our leaders, boys and friends a very happy summer and hope you all return refreshed in September.

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Here at Guildwood Community Presbyterian Church we are most grateful for hopes and aspirations of 'greater things'. Recently a Friendship Visitation was carried out, and now a committee of our Session is busy preparing a development plan for the work of the Church in our community, particularly as it affects our fellowship. Fall plans are presently being considered, a new sense of Mission pervades the whole purpose and goal for our being.

The Church under stress may make it appear that the physical property, membership and poise of the Church is being diminished, while in fact, the true Church, a company of committed people, must ever be restless, understanding, observing and doing the Will of God in Christ, Jesus. It is to this purpose and to this cause that a ready welcome is ever extended to those who know or those who are seriously concerned about God's Great Plan. May we invite you to come and to share in the pursuit of this Great Plan and the much lesser plans involved in our community fellowship.

This is early June and now our plans are all but finalized for our Summer fellowship. Beginning June 27 our church joins with Melville Church, West Hill in a joint

Summer Church program. Plans are as follows: Sundays, June 27th through July 25th, Sunday services at Guildwood remain at 11 a.m. A midweek program will be followed at Melville Church at West Hill on Wednesday evenings, Rev. Wallace Whyte in charge.

Sundays, August 1st to 29th, Church services at the same time with the midweek service at Guildwood Church on Wednesday evenings, The Rev. Gordon L. Fish in charge. Will you make plans for these dates through the Summer months? A prayerful interest and concern as we seek together a true spirit of re-creation for the Summer months will be found as most beneficial.

WASHINGTON UNITED CHURCH

Here is a resume of Washington United Church activities throughout the summer.

All our services are held at 10:30 a.m. on Sundays. Church School meets at the same time when classes for all ages are held except for the summer months July and August.

Our upcoming schedule is as follows:

Sunday, June 6th 1030 a.m. Cubs and Scouts will parade, the Intermediate Class will participate in the service and the Youth Choir will lead the singing.

Saturday, June 12th We will hold our Annual Washington Golf Tournament for the men of the Church, tee-off Rouge Hills Golf Course 1:00 p.m. First prize-the Coulter Trophy.

Sunday, June 13th 10:30 a.m. Our Summer Communion Service. In the afternoon-Family Church Picnic, sponsored by the MerryWeds' Couple's Club.

Sunday, June 20th 10:30 a.m. Annual Memorial Service.

Tuesday, June 22nd 6 p.m. until dark Annual Strawberry Fun Fair on the Church grounds.

HOLY TRINITY ANGLICAN CHURCH

The Church is presently celebrating the Season of Pentecost, the season of the awareness of the Gift of God's Spirit.

The Spirit has many Godly attributes one of which is the Spirit of Truth.

In the Eighth Chapter of St. John's Gospel, Jesus is reported as saying 'If you dwell within the revelation I have brought, you are indeed my disciples; you shall know the truth and the truth will set you free'.

Aren't many of us, of all ages and classes, prisoners of the big lie, the big put-on act. The truth will certainly set man free to be man, to be whole man in the image of the Creator.

Where does one start? Perhaps the following poem which appeared recently in a Nova Scotian Newspaper will help us understand that first of all truth must start with being true to oneself. There is no other way. The Poem is entitled 'The Man in the Glass'

SPORTS

KIWANIWOOD TENNIS CLUB

The season started officially on Saturday May 15, with a round-robin tournament. All who came out enjoyed the afternoon and were able to play several games. Top honours on the basis of games-won average went to Pam Owens. Details of Club Tournaments and Ladder Competition will appear on the court notice board; an enthusiastic response will make the competitions a success.

Tuesday evening instruction began May 25 with the Junior classes divided into beginners at 6:30 and advanced at 7:30, followed by Intermediate and Senior at 8:30. There is still an urgent need for instructors, particularly for the Junior classes, and in all categories--instructors and assistants, both full-time and spare. If you are at all experienced, don't hang back, call Omar Majid, 264-2906.

The Ladies morning lessons began with such a turnout that the class has been divided; beginners at 9:30 and more advanced at 10:30. A few enthusiasts have been playing Thursday mornings in spite of the weather. Once that improves so should the turnout.

For those juniors interested there are still a few memberships available, but for the time being there is a waiting list for seniors.

Steps are being taken to muffle the practice board; in the meantime members have been asked not to use it after 8:30 p.m. Likewise, court closing time has been moved back to 10:30 p.m. For those who live beyond walking distance to the courts, there is parking space in the school lot. In the interests of neighbourliness, those who can are asked to walk. All who use the courts, members of the club or not, are reminded that hard-soled shoes or shoes with any kind of heel cannot be worn on the courts.

The tennis players are out polishing their skills; now let's hope the weather man will improve his performance.

Mite boys: Monday and Wednesday evenings, Guildwood Public School.
Atom boys: Tuesday and Thursday evenings, Sylvan Park.
Girls: Monday and Wednesday evenings Sylvan Park
 Our Pee-Wee team in the East Guildwood house league plays Thursday evenings at Guildwood School.

* * *

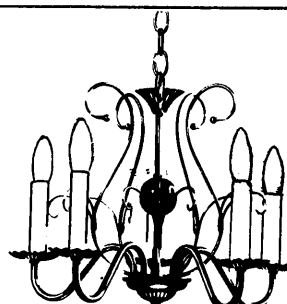

'When you get what you want in your struggles for self,
 And the world makes you king for a day,
 Just go to a mirror and look at yourself
 And see what THAT MAN has to say.

'For it isn't your father, or mother, or wife
 Whose judgement upon you must pass.
 The fellow whose verdict counts most in your life
 Is the one staring back from the glass.

'Some people may think you a straight shooting chum,
 And call you a wonderful guy,
 But the man in the glass says you're only a bum
 If you can't look him straight in the eye.

'He's the fellow to please, never mind all the rest,
 For he's with you clear to the end.
 And you have passed your most difficult, dangerous test,
 If the man in the glass is your friend.

'You can fool the whole world down the pathway of life,
 And get pats on your back as you pass,
 But your final reward will be heart-aches and tears,
 If you cheat the MAN IN THE GLASS.

TRUSTEE REPORT

by R. F. Stackhouse
Trustee, Ward 7

The place is filled with over a thousand teen-agers. They have come not for fun and games, although there will be some of them too. They are assembled for one of the most serious and thought-provoking gatherings Scarborough people of any age can attend.

It is the annual conference the history departments organize for Grade 12 students and visitors from many parts of the United States and Canada. This year its theme was "The Third World" and its sessions were held at Cedarbrae Collegiate and at Convocation Hall on the St. George Campus of the University of Toronto.

The program consisted of panel discussions involving experts on Latin America, Asia and Africa, as well as students. The large plenary sessions also broke into smaller seminars for discussion purposes so that as many could be personally involved as possible.

This conference is only one example of the way Scarborough Teachers are demonstrating not only their own intellectual vitality but their willingness to give the lead in inspiring and guiding their students. Arrangements took many committee meetings and extra hours on the part of administrators and teachers, the kind of "second mile" our ed-

ucators take much more often than most of us realize.

We can be proud of everyone connected with this conference. It represented Canada and Scarborough at their best, as hundreds of young people with their teachers wrestled with some of the big issues of our time. Not the least fringe benefit of the experience, however, was the opportunity for so many Scarborough families to meet students from other places who were billeted with them.

MPP REPORTS

by
Tim Reid MPP
Scarborough East

POLLUTION PROBE has come to our community. I would like to tell you about Pollution Probe and how to go about working with it.

Pollution Probe is a citizens' group dedicated to attaining a clean and healthy environment. Members believe that man must alter his life style to accommodate the ecological value; It is certainly a matter of survival

Pollution Probe now has an ecological action and information centre at Scarborough College in West Hill (University of Toronto). Its staff wants to help smaller neighbourhood anti-pollution groups and individuals who want to do something about pollution.

Pollution Probe projects in Scarborough are numerous and designed to create personal involvement. In

order to give you an idea, there will be a major study of the amount and kind of pollutants in Highland Creek. These facts will be used along with other pertinent details to ascertain the source of this pollution and what can be done about it. It is hoped that through pressure by Pollution Probe along with the citizens' support, a change will be brought about in the present situation.

Another major study group will focus on urban development issues in Scarborough. Present zoning laws in Scarborough, are, according to Pollution Probe, resulting in uncontrolled growth of commercial establishments, light industries and typical sub-divisions and apartment complexes which leave little room for recreation, proper mobility and an aesthetically pleasing environment.

The question of proposed major changes in Scarborough's road system, for example, the East End Expressway will also be studied. In this case, after some careful deliberation, Pollution Probe hopes to make recommendations that will change present and future plans towards a better environment.

Please contact Pollution Probe at Scarborough College if you can help in any way or if you need assistance in some matter. Pollution Probe Scarborough College, 1265 Military Trail, West Hill, Ontario.
Telephone 284-3346 or 284-3152

Letters

May 25,1971

Mr. T. W. Nicholson,
Guildwood Village Community Assoc.
11 Avonmore Square,
Scarborough, Ontario.

Dear Tom:

Please express my appreciation to
the Guildwood Village Community
Association for their donation of
\$50.00. Your donation has purchased
a portable blood pressure manometer
for our Emergency Department and is
now in use.

It is nice to see Guildwood expand-
ing into the greater Scarborough
community and supporting their hos-
pital.

I am enclosing an official hospital
receipt for your records.

Many thanks again-

Personal regards,

L.P. Brown,
Chairman
Public Relations Committee

school news

St. Ursula's

We would like to take this opportu-
nity to thank all of the parents who
attended our "Fun and Fantasy '71"
on Wednesday June 16th,1971

Our Junior Kindergarten class under
the direction of Mrs. M. Farley cer-
tainly enjoyed their recent
"barbeque."

Congratulations are due to our boys'
school baseball team for their Scar-
borough Championship. The boys came
from behind to win.

Miss Metzger's grade 8 class took'
part in a two day, one night out-
door educational programme in the
Huron region. At the site of Ste.
Marie Among the Hurons our students
carried out detailed architectural
studies of various reconstructed
dwellings.

Mr. J. Heffernan from the Scar-
borough Foreign Mission Society re-
cently gave our Junior and Senior
students an excellent slide and
tape presentation on life in Guyana.
Mr. Heffernan has just returned
from Guyana where he has lived for
the past three years.

A "School Leaving" evening is be-
ing planned now for our Grade 8
students, Tuesday evening June
29th,1971.

pool details

KIWANIWOOD POOL ON THE WAY

We've made considerable progress on
our way to pool construction since
the last issue. By June 18 we had
secured the approval of the Ontario
Department of Health, who, incid-
entally, were most helpful us us
in their suggestions. (These
people were swamped with work as
a result of the new regulations
regarding swimming pool construc-
tion, yet were able to meet with
us whenever we needed help). By
June 23 we went to tender and
the closing date for receipt of
tenders has been announced as
July 7.

We have been fortunate in that
quite a large number of General
Contractors and Swimming Pool
Construction Companies have tak-
en out the plans and specifications.
The four or five most highly
thought of outfits all intend
bidding on this one. The response
was so good that it was necessary
to "publish a second edition" of
our plans and specs. We may have
a best seller on our hands. The
reason of course we want a large
number of bidders is that, this
way, we have the best opportunity
of getting a good price on the
contract.

The moment of truth, though, is
July 7 at 12:00 noon when tenders
are opened. Until that time any
talk of final cost is pure spec-
ulation. Following meetings with
Borough officials on the after-
noon of July 7, the Kiwaniswood
Subcommittee will meet that even-
ing either to get drunk if costs
are in line or else to consider
ways and means of additional fin-
ancing. Please keep your fingers
crossed for us; we've done every-
thing possible to see that costs
are within budget. It's up to
"the luck of the draw" now. Be
generous if we need any further
help!

PARADE SMAK

DECORATED BICYCLE PARADE
BIG EVENT FOR YOUNG PEOPLE

On July 1, one of our major events will be the annual decorated bicycle parade. Last year there were more than 250 entries and parade organizers hope to exceed that number on Canada Day.

The parade will be led by Scarborough East MPP Tim Reid and Mrs. Reid. The Guildwood Kadettes will add colour and marching precision.

The parade will assemble at Guildwood Villa Nursing Home at 9:30 AM. Entries will be divided into age groups, for judging while the parade is in progress.

The parade will move off at 10 AM onto Guildwood Parkway, east to Laurier Collegiate and along the west side of the school building to the parking lot at the rear.

Prizes will be awarded for the best girl's and boy's bicycle, tricycle, wagon or vehicle of any kind in each of the following age groups: up to 7, 8 and 9, 10 and 11, and 12 and up. There will also be prizes for best group entries (maximum of 3 riders on the vehicle) and for the best presentation of a Canadian theme.

KIDS, this is your chance to use your imagination! Anything goes! Turn your bike, trike or wagon into a rocket ship, stagecoach, a bunch of flowers-anything! Dad and Mom may be able to give you some ideas if you're stuck. Don't Wait-Start Now! We'll see you at Guildwood Villa Nursing Home, 9:30 AM July 1.

SCARBORO MODEL AIRCRAFT KLUB

Members of the Scarborough Model Aircraft Klub (SMAK) are actively engaged in all phases of the sport of model aircraft building and flying. Membership in SMAK is open to people of all ages who wish to share their hobby with others or who may wish to learn more about this fascinating form of recreation. Anyone in the Guildwood area who would like more information concerning membership, meeting and flying activity times and dates please call Gord Grimes at 266-3598.

SMAK will be putting on a demonstration of control line flying during the Guildwood celebration at 6:00 P.M. on July 1st. Various types of flying will be featured including aerobatics and combat. A static display of all types of models will be on view all day and some members of the club will be available to answer any questions.

SOCCER

GUILDWOOD MINOR SOCCER CLUB
JULY 1-4
PEE-WEE SOCCER TOURNAMENT

The Guildwood Club is hosting the Pee-Wee division of the July 1-4 Soccer Tournament in connection with the Scarborough July 1 celebrations.

Teams are coming from Virginia and New York City while Ontario will be represented by teams from London (2) St. Catharines, Georgetown, teams from most Metro Municipalities and surrounding area.

One of the highlights of the tournament will be the Guildwood versus Annandale, Virginia game at Laurier Collegiate at 7:00 P.M. on July 1st.

Games will also be played at Sir. Robert L. Borden and Maplewood Schools.

The Club would appreciate any offers to billet out of town players. Contact Dave Stone at 284-5884 or Wally Kerr 261-3432.

TENNIS

KIWANIWOOD TENNIS CLUB

The first part of the season has shown a high interest in tennis among all age groups in the neighbourhood. There are about 270 Senior and Intermediate members and an equal number of Juniors. Many are good or excellent players and, judging by the turnout at the various sessions of lessons, there are as many or more keen on learning the game. Among the Junior players the enthusiasm is great and several high calibre players are developing.

The courts are being well used and at some times are even crowded. Sportsmanlike use of the schedule board during the day as well as in the evening should keep things running smoothly. It is when courtesies are ignored that snags develop. One particular discourtesy, the wearing of shoes with heels, can cause a

serious snag---damage to the court surface. There are still a few who neglect to wear tennis shoes, even though coming to the courts equipped with a racket.

Plans are underway to promote more play among the membership. The senior club tournament should be in by July 25th, either at the courts or to Gerry Piltz at 267-1514. The Junior tournament will be played on the weekend after Labour Day. The ladder is also being set up, with the possibility of having two divisions.

Tennis balls are now available at \$2.25 a can (including tax) from Bill Chalmers and Fritz Bigall.

SWIMMING POOL REPORT

As most of our readers are probably aware, the construction of the Kiwaniwood Swimming Pool in Elizabeth Simcoe Park did not commence according to the schedule previously announced. Although the Kiwaniwood Subcommittee and G. V. C. A. Executive were optimistic that the tenders would come in within budget, a rude shock shattered that optimism.

Briefly, to review the events surrounding the pool tenders, here is what happened:

July 7 - Tenders opened. Three bidders with lowest bid \$124,500 - over 50% higher than budget.

July 7 - Kiwaniwood Subcommittee meets to drown sorrows, re-enforce determination to proceed and plots future course of action.

July 14 - Presentation to Board of Control which indicates that the Borough is unable to provide any further funds in 1971 beyond the \$30,000 previously pledged by Council.

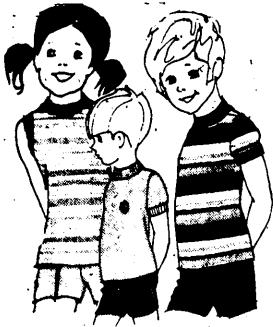

Faced with the above "facts of life", the Subcommittee decided to revise specifications with the advice and assistance of two major pool building contractors. The objective, according to Subcommittee Vice-Chairman Pete Hagarty, was to make the minimum number of changes necessary to bring the pool costs down to the budget price. Revisions to the plans have been underway during the past month.

Recently Mr. Hagarty, filling in for Subcommittee Chairman John McMillan who was on a well-earned vacation, stated that a meeting was expected during the week of August 30th with officials of the Scarborough Recreation and Parks Department to obtain approval of the revised plans and specifications for the pool. Approval is expected to be followed by retendering and construction during the autumn with the pool opening re-scheduled for spring 1972.

SPORTS

TENNIS

The main portion of tennis news this issue revolves around competitions. The senior club tournament is well underway; there have been entries in both men's and ladies' singles and doubles as well as mixed doubles. The matches are in progress and the next News should see the announcement of the winners.

In the meantime, play in the ladder competition has been going on and there have been various changes in position. In addition to those begun earlier in the season, there is now a girls' ladder and second ladders for boys and men.

The junior tournament will be drawn in time to be played the weekend after Labour Day.

Early in July ladies' draw tournaments took place with the following results: Beginning Ladies--Julie Blunk and Val Sockett defeated Carol Barrand and Ingrid Degen 6-4. Advanced Ladies--Mary Bigall and Kay Munkley defeated Pam Owens and Holloy Clifford 6-4.

BASEBALL

ATOMS

The Guildwood Hardware team won the Atom House League title, losing only two of its 14 games.

Amherst Drugs	6	2	7	14
Curran Transport	5	1	9	11
Fulton	5	0	10	10

The top four teams will play off for the championship. The lower four teams will play off for the "B" series title.

GIRLS

Standings were unavailable by deadline date as convenors Bill and Mary Bullied are on vacation. They'll appear in the next edition.

PEE WEES

Our Pee Wee team playing the East Guildwood House League, and coached by Gary Hughson, finished first. CONGRATULATION!

Letters

17 Rowatson Rd.,
Scarborough, Ont.

July 1, 1971.

To The Editor:

On behalf of my family and myself I wish to thank all of the members of the Association who worked so hard to make Canada Day in Guildwood the success it was.

It was, as usual, an excellent demonstration of what a community can do with a little planning and a common purpose.

You have reminded me once again that my \$5.00 fee is the best bargain in town.

New owners settle debt

Pollution is one of the most serious problems facing our society today. It is a problem that threatens not only our peaceful, healthy enjoyment of life but also life itself. It's my problem and it's yours.

As your representative in the Legislature of the Province of Ontario, I realize that strong legislation is necessary to control the pollution of our environment. I would appreciate your suggestions and comments on legislation that you would like to see become law in this area.

There are many other things that you can do to help in controlling pollution in our community. Pollution Probe has opened an office at Scarborough College through which many helpful suggestions are available on how each of us as individuals can adapt our personal way of living to reduce pollution of our environment (284-3152). The individual can help also by making the appropriate authorities aware of specific instances of pollution that should be dealt with.

In Scarborough, the Bylaw Enforcement Officer (759-4747) has the responsibility of enforcing those bylaws covering the maintenance of plazas, vacant lots, etc. The Recreation and Parks Department of the Borough (also 759-4747) is ready to deal with any type of pollution in the parks in Scarborough. (For general refuse collection enquiries there is a special number-293-1961).

While pollution is a very real problem for all of us, many people have other problems that are equally or more severe. The Scarborough Liberal Service Centre is a place where you can turn for information and help with these problems. The volunteer staff there will be pleased to serve you or to direct you to a source of help for your particular problem.

Through the Centre you can also get in touch with me or your federal Member of Parliament, Martin O'Connell.

Mr. Gerry Green, the new manager of the FINA station located at 3795 Kingston Road, made full resitutation for a bad debt incurred by the former lessees of that station.

Although he had no responsibility to do so, a personal cheque in the amount of \$105.00 was handed over to our Treasurer for deposit to the Association's account.

This "good will" gesture should not go unrecognized by the residents of Guildwood. It looks like we have another good neighbour and we wish him every success in his new business. Good luck, Gerry!

Hoofathon !

HOSPITAL "HOOFATHON" SEPT. 25TH.

The Scarborough Centenary Hospital is holding a 10 mile walk, dubbed "Hoofathon" to raise the additional \$100,000 necessary to finance purchase of urgently needed angiographic equipment.

According to Les Brown, Hoofathon Chairman, the walk will start at 8:30 A.M. on September 25th. from the hospital parking lot at 2867 Ellesmere Road. The 10 mile route will follow Ellesmere, Morningside to Guildwood Parkway, Kingston Road, Eglinton, up Markham Road to Ellesmere, east past the hospital on Ellesmere and finally down Morningside once more to Morningside Park and the finish line.

Organizers hope that the Hoofathon will be a family walk. Students will receive sponsor forms and collection envelopes at their schools. Forms will also be available at any chartered bank in Scarborough or at the homes of Alderman Ed Fulton, 196 Sylvan Ave and Les Brown, 34 Cadbury Court.

For further details, call Mrs. D. J. Morrell, Hoofathon Coordinator at 282-9992.

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

by Rev. Gordon Fish

The Summer of '71 is now all but over, and more than a few feel like the proverbial last rose of Summer, "Oh, they cry, 'when will school ever start!'" But that is not true of all and for a great many families the holiday season has been rich and rewarding in family ventures which will be simply impossible throughout the remaining months of the year.

The immediate prospect is for the Autumn season. In the churches of the community there is a look of expectancy to see what the Lord has planned for us, as those interested in a Christian fellowship and a Christian mission in life. We are in what someone has described as "the decade for experimentation". To some degree, our particular fellowship has launched forth into such a stream and will follow this course further this year. As we do this, we are conscious that we dare not take our eyes off the Essentials of the Christian Faith.

To those who are newcomers to the Community-WELCOME! We are sure that you will discover a rich, invigorating community spirit. We dare ask you further that while you live here in this community that you consider our fellowship as a spiritual home. Join us as we seek to discover new patterns for the Seventies, that perhaps God in His rich mercies might deal richly with each and every one of us.

Next month, Personalia-Patterns-Prospects, will be considered in this column.

Can you help?

Guildwood Villa is looking for more volunteers to join us for arts and crafts, knitting, sewing, cards or visiting. Do you have 2 or 3 hours a week to spare? If so, why not give us a try! Also needed are used nylons and small pieces of plywood and other wood for our arts and crafts programme.....If you can help in any way please contact Carol Price at 266-7711 or just drop in.

Your turn next?

On October 6th, the Annual General Meeting of the Guildwood Village Community Association will elect a new slate of officers to direct the activities of the Association for the 1971-72 fiscal year.

So far, there have been no volunteers for any of the positions on the Executive. To encourage citizens to step forward, following is a list of the positions open and a brief description of duties:

Chairman- Oversees the activities of the Association and the operation of the Executive Committee. Chairs all general and executive meetings.

Past Chairman- The present Chairman will remain on the Executive Committee and will provide advice to the new Chairman.

Vice-Chairman- Assists the Chairman as required and acts for him in his absence.

Secretary- Responsible for agendas and minutes of all meetings. Handles Association correspondence.

Treasurer- Maintains financial records and bank accounts of the Association. Pays bills. Current book-keeping system is quite simple and in excellent order. Outgoing Treasurer will provide advice.

Membership Director- Organizes and directs the annual membership drive. Maintains membership lists.

Social Director- Organizes and coordinates Association social activities (dances and swim nights).

Youth Director- Organizes and coordinates youth activities.

Sports Director- Organizes and coordinates all sports activities of the Association. May form subcommittees to carry out these functions.

The new Executive Committee will have the following support:

Guildwood News and Views- Current staff of the newspaper will continue during the balance of the '71 and the '72 calendar years if the new Executive wishes.

Letter to the Editor:

What Would You Do?

What would you do, when you see an effort meant to create good and order; that is supported by free-will giving of people who are concerned for the good of the community; an enterprise that is meant to be a place for inspiration and comfort, simply wasted by youthful wantonness?

There is a church structure in our Community that is supported and maintained by the people of the community, not the government—that is constantly being harrassed by those who delight in vandalism. People who give to a Cause with both conviction and concern must surely become discouraged when they see a weekly bill for replacement of that which makes up the fabric of a building in which they worship.

Through the two summer months, there have been five sheets of glass broken and replacement will cost in excess of \$200. A microphone and two fire extinguishers were stolen and a door broken. All of this makes a fairly sizeable list for a period of some 60 days.

What would you do? A valid suggestion would be more than welcome to a group of people who are much concerned.

REV. GORDON FISH

(YOUR TURN? Continued from Page 4)

Federation of Citizens' Associations - Scarborough (F. O. C. A. S.)-

The outgoing Vice-Chairman and Secretary are on the F.O.C.A.S. executive and will continue to represent the Guildwood Village Community Association if the new Executive so desires.

Kiwaniwood Subcommittee- The present chairman of the subcommittee has indicated his willingness to direct the current phase of the project, the swimming pool, to its conclusion.

Guildwood Village needs a full slate of candidates to operate the Community Association during the coming year. PLEASE HELP YOUR COMMUNITY! Call Tom Nicholson at 266-4604 and have your name placed on the ballot.

pool details

Like most things worthwhile, our Kiwaniwood Recreational Complex has had its share of obstacles and temporary reverses; however the "News and Views" has always been impressed with the determination and dedication of the Kiwaniwood Subcommittee of the Guildwood Village Community Association. We have no doubt that swimming will start-We'll have our pool in seventy-two(1)!

Letters

Please express my appreciation to the Guildwood Village Community Association for their donation of \$50.00. Your donation has purchased a portable blood pressure manometer for our Emergency Department and is now in use.

It is nice to see Guildwood expanding into the greater Scarborough community and supporting their hospital.

I am enclosing an official hospital receipt for your records.

Many thanks again -

(signed) L. P. Brown, Chairman,
Public Relations Committee

G.V.C.A. Pushes Laurier Pool

Indoor Pool in Laurier in 1972 a Possibility

The Kiwaniswood Subcommittee has been actively engaged during the past month in a dual role. We have been pushing forward with retendering plans for the outdoor swimming pool and we are also involved in "last-ditch" effort to put a pool in Laurier Collegiate. This twin strategy has been adopted knowingly with the basic aim that any discussion or activity associated with the Laurier proposal does not in any way delay or prevent construction of the outdoor pool. This action is being taken with the knowledge of civil servants and politicians from both the Scarborough Board of Education and the Borough. What we hope to achieve is the possibility of giving you a choice between two attractive alternatives rather than to merely push doggedly on with the outdoor pool. Initially, we felt that further discussion of an indoor pool was simply an academic exercise because of the past history of failure but we were amazed at the success of recent efforts in this direction (spearheaded by Ed Fulton with our full support). Things have now reached the point where the Scarborough School Board/Board of Scarborough Liaison Committee on September 23 unanimously adopted the following resolution: "That the Council of the Borough of Scarborough and the Scarborough Board of Education agree to jointly undertake the construction of an indoor 25 metre swimming pool (of depth varying between 3 and 9.5 feet, accommodating a one metre diving board) at Sir Wilfrid Laurier Collegiate; construction to start as soon as possible so that completion can be scheduled for the Summer of 1972. This proposal is contingent upon the Kiwaniswood Pool Committee not proceeding with its plans for construction of an outdoor swimming pool".

This resolution, to become law, will have to be approved by four political bodies: the Recreation and Parks Committee, Board of Control and Council from the Borough of Scarborough and the Scarborough School Board itself. It is conceiv-

able that all of these bodies could support this resolution by formal vote as early as Monday September 27 (to-morrow, as I write) and quite likely by Tuesday October 12 (two weeks later). In either case, construction could be commenced in 1971 to be paid for from money taken from 1972 levies. There is no certainty that these bodies will even support this resolution but past history indicates a strong probability of success. (see page 7)

If the various politicians give their concurrence to the indoor pool, it will be necessary for the Kiwaniswood Subcommittee to forego its plans to build an outdoor pool. This we will not do until we have been given appropriate direction by the Community Association. The final arbiters, will be the people of the area.

We are most pleased with the way things have proceeded to date and welcome any reaction you may have to the current situation. Your comments will be welcomed by:

	Home	Office
John McMillan	261-0967	486-2180
Jim Foster	261-0615	264-3271
Ed Fulton	267-6720	759-4747
Tom Nicholson	266-4604	866-7166

As far as the outdoor pool is concerned, we have obtained sketches of an appropriate 25 metre pool and change facilities and have discussed these with Recreation and Parks Department officials. Modified plans will be submitted in the near future. Our target here, as for the indoor pool, is completion of construction for the summer of 1972.

MPP REPORTS

by Tim Reid MPP
Scarboro East.

Last Spring I initiated your Borough's first recycling project. The programme undertaken with the full cooperation of the can and glass manufacturers, established a receiving depot at the Borough's main yard on Midland Ave., at Ellesmere Rd., open 24 hours a day. To date the public response has been favorable but deposits still represent only a fraction of the non-returnables being sold. If we were all really

serious about reducing the littering of our streets and parks and combatting pollution generally, perhaps each of us could arrange
(Cont'd next page)

Alderman reports

E. Fulton

On Wednesday October 6 the Guildwood Village Community Association will hold its Annual Meeting. Normally at this time an executive is elected or re-elected. This year most executive members, having served for two terms are unable to continue in office as outlined in the Constitution. Apparently there are very few people coming forward to volunteer their services. This is unfortunate. Each of us, as homeowner or tenant, would lose should this Association cease to function. I don't think its necessary to detail the many activities performed over the years by successive

(cont'd Page 6)

Candidates

Candidates to State Positions

An all-party candidates' meeting featuring Scarborough East candidates in the upcoming provincial election will be held at the Church of the Holy Trinity, Livingston Road at 8 P.M., October 12.

According to Rev. William Watt of Holy Trinity, candidates Tim Reid, Margaret Birch and Sean Reagan will be in attendance to speak and answer questions.

G.V.C.A. to Elect New Executive

The Annual General Meeting of the Guildwood Village Community Association will be held at Guildwood Public School, Livingston Road at 8:30 P.M. October 6th. The main order of business will be the election of officers for the 1971-72 Fiscal Year. We still do not have any nominees for several executive committee positions. All members of the Association are urged to come out to this meeting to elect the new Executive.

a trip once each week or month to our non-returnable receiving depot. If there are any teen-agers willing to assist in this project, I would like to hear from them.

A clean and healthy environment is the right of each individual. It is everyone's responsibility to combat it.

The provincial government must ensure that government departments and agencies do not pollute. The government must give scientific and financial help to industries committed to the fight against pollution. Pollution violators must be sharply penalized and deterred.

An Environmental Council should be created to provide an independent assessment of our progress in the fight against pollution. This Council's membership should be drawn from the ranks of anti-pollution and conservation groups, the scientific community, industry and citizen's groups.

We must take new approaches in our use of non-degradable items, whether they be liquor bottles sold by the provincial government, plastic packages or scrap automobiles. These wastes can never be thrown away, they must be recycled. We cannot live in a garbage pit and we must not leave one to our children.

SPORTS

KIWANWOOD TENNIS CLUB

As advertized in the last issue, there has been much activity in all sections of the club tournament. Play in the ladies' sections is just about complete. Pam Owens and Mary Bigall defeated June Evanoff 6-4, 6-2, in the Doubles final and in the singles Mary Bigall and June Evanoff will play off this weekend. In the men's doubles, Brian Bunting and Stu Logan have reached the finals and will play against the finalists produced by the other section of the draw. Similarly in the men's singles--Stu Logan

and Bill Boyle have reached the semi-finals,--and in the mixed doubles--Pam Owens and Stu Logan have reached the finals. Play is underway in the junior boys' singles and doubles and the junior girls' singles. Trophies will be presented to the respective winners at a general meeting and reception at Guildwood School on Friday, October 22. The meeting will start at 8 P.M. and be followed by refreshments. Members with ideas for the club's programme next year will have the opportunity to put them forward.

Those wanting to practise evenings and those who live within earshot will be glad to know that the practice board has been soundproofed. The club appreciated the effort and time put forth by Norm Lamport, Brian Mattingly, Gerry Piltz, Fritz Bigall, John Sickinger, Bob Owens, Doug Robinson, Gord Smith and Maureen Perkins. Painting the practice board and extending the practice area are the next improvements under consideration.

GUILDWOOD INDIANS

SENIORS SWAMP OPPOSITION

The Guildwood Indian Senior football team is currently demolishing its opposition in the Scarborough Boys Football League. In two league and one exhibition game our team has amassed 82 points against 0 by the opposition. "One of the finest collection of players, I have ever had", says Ron Bell, senior coach, who has many league championships to his credit. "They have skill, strength and depth that is rarely equalled by boys in their age group", stated Dave Simpson, team trainer and league registrar.

The Junior team, 12 years and under, although losing their first two league games, shut out last year's champion East Guildwood Argos 7-0 at Birchmount Stadium on Saturday Sept. 18th during the annual "Football for Fun" exhibition games. Coach Jack Brown says, "with only

4 boys left from last years team, rebuilding will take some time. By late season though, we will be real contenders".

These teams should put Guildwood on the junior football map and deserve the support of all residents. Our home schedule with all games played at Sir Wilfred Laurier Collegiate is as follows: Sunday Oct. 3--vs Seven Oaks Jr.

& Wildcats Sr.
 " Oct.17--vs Viking Jr & Sr.
 " Oct.24--vs Colt Jr. & Chargers Sr.
 " Nov. 7--vs Mustang Jr. & Bronco Sr.

Come out, enjoy the fresh air, and some exciting boys' football. Our Active Ladies Auxiliary will provide hot and cold refreshments for your enjoyment.

A benefit dance is to be held Friday Oct. 15, at St. Thomas More Church, Ellesmere Ave. Why not arrange a party to meet your neighbours and assist our teams on this date?

Call Jim Morrison 261-0238 for details.

BOWLING

The bowling season is now in full swing and we have a full quota of bowlers. WE would be pleased, however, to add interested new members to our waiting list. These people could, if they wish, act as spare bowlers in the meantime.

Please contact:
 Bob Jones Pres. 266-3885
 Mary Martin Treas. 266-2363
 Doris Jessop Sec. 266-3255

BASEBALL

The Community owes much to the coaches, umpires, groundskeepers and sponsors who made possible a most successful season of House League Softball. Thanks, too, to the three convenors: Don Orr, Atoms; Fred Johnson, Mites; Bill Bullied, girls. And let's not forget those parents who turned out to provide some spectators for the games. The excitement continued to the end, with not one of the league titlists winning the playoffs.

ATOM PLAYOFFS

First-place Finishers, Guildwood Hardware, won a semi-final from Swiss Chalet in two straight games. Guildwood Cleaners won the other semi-final from Murphy Construction 2 straight.

GUILDWOOD CLEANERS won the playoff, beating Guildwood Hardware 2 straight.

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

by Rev. Gordon Fish

enthusiasm (-zi-) n. Ardent zeal (for, about, a cause etc.)

There are other definitions that one might propose for the word 'enthusiasm'. The pocket dictionary is a bit too concise and doesn't give quite the usage that we normally make of this word. The pragmatist is likely to point out that the key to the meaning lies in the last four letters of the word-I Am Sold Myself. We often relate the use of 'enthusiasm' with the spirit of youth, to sports as 'enthusiasts', in fact we often tell our children that we expect more than anything else that they exhibit enthusiasm to all of life.

Everywhere that is, but when it comes to religion. Of all places, don't show enthusiasm here-you can't really afford to be called a religious enthusiast. It's a bit much!

The word 'enthusiasm' however has a root meaning that plays foul with the reaction above. The Greek root for this word that we use is 'entheos' which simply means-'in god.'

The Church institution that you see at the corner or that mysterious body that we condemn as the institution is dying today, or showing signs of death and decay. It is really the fault of there being too few who are willing to be 'in God' about the whole area of responsibility to him and to His creation. We are literally dying for want of enthusiasm.

Remember the shoe polish ad? 'Have you got It?' Let's ask ourselves this very same question when it relates to our enthusiasm for the things of God.

'Come and Worship' then becomes meaningful to those who explore at this level of relationship to God's concern for you and for one another. Let's not hide the fact nor ignore it-the Christian in the Seventies must be an enthusiast of the best kind. Do you dare?

THE CHURCH OF THE HOLY TRINITY

What is a Church?

Why is the Church?

What is it for?

May times over the past decade I have read where critics have described a Church building as a dark, tax-evading tomb which opens its doors once a week for an hour. The implication being that it is a parasite in Society designed to meet the ego needs of a few (frequently referred to as hypocrites).

If there are any Church buildings only open one day week, all I can truthfully say is that I am not aware of their existence. General taxes are not charged against Churches, local improvement taxes are.

This is not unusual. Many buildings are tax-exempt. Schools, Art Galleries, Community Centres to name but a few.

The Church exists because of man's faith in the existence of a God who is the purpose of life. The Christian Church exists because of Jesus Christ. The Christian believes that in Christ we meet God face-to face; that in Christ we experience a deep personal relationship with God, and through Christ we learn the meaning of love, of community, of the truth of life. We try to enrich our lives in the love of God and live our lives in weakness, not God's in Jesus Christ.

This brings me to the third question. Trying to live our lives in love with God and man we invite all to share with us in this family community of man under the Fatherhood of God.

Holy Trinity is hopping practically every day and evening. Our Brothers in the Presbyterian Church can make the same claim. Their activity is as rich and lively as ours. Both Churches are part of the body of the Church.

Back to Holy Trinity, we have something to share with everyone, whether he be five or eighty-five (or younger, or older). Fun and fellowship is offered in Brownies, Scouts, Junior Auxiliary, Girls' Auxiliary, Thursday afternoon ladies Group and Senior Citizens, as well as Church School instruction, Choir training, Servers' Guild and on and on. No excluding the invitation to share with your friends and neighbours in Corporate worship of Almighty God with all the beauty and love man so desperately needs.

Many of your neighbours are actively engaged in helping the young grow, in working with Senior Citizens, in many of the challenging organizations within the Church, and in many services to their fellow man outside of the Church.

Truly we encompass all ages, and we extend a sincere invitation to you to come and join with us-your friends and neighbours.

The Hak-am-u Group which created such an impression last winter is returning Sunday evening October 17th at 7 P.M. This is a singing-talking-instrumental group of young people, most of whom are in University or Community Colleges. They, through us, invite everyone in the community to join them here. Remember the date-OCTOBER 17TH. 7 P.M.

Kadettes

Now that the cold weather is approaching, we have moved from practicing outside at Laurier Collegiate to Jack Miner Senior Public School on Guildwood Pkwy. We hold our practices on Monday from 7-8 P.M. We have openings beginning the 1st. November for girls from 4 years of age and up. Anyone interested in joining our Corps may contact Mary Bullied at 267-1526 after 5.30 P.M.

CUBS & SCOUTS

3RD. SCARBOROUGH CUBS AND SCOUTS

Happy and sad news start off the new season for the boys. Happy news first. All the Cub Packs are staffed and going into high gear for another successful year. We have lost some leaders but new ones have stepped forward to fill their places.

The Venturers have been quietly going about their activities, and have made themselves a fibre-glass canoe. They are now in the process of finishing the insides with wood and paint. The boys have made such a good job of the canoe that they have started on a second, hoping to finish it during the winter months.

Now the 'sad' news. Both Scout troops have not reopened for the fall season, because of the lack of leaders. They are desperately in need of men to help them run meetings. You do not need previous experience in scouting or as leaders. So, if you care for our teenagers, please give Herb Robertson a call at 266-6801 or Art James 261-6745.

The Ladies Auxilliary is also in need of mothers. The previous executive has done a great job but now wish to bow out. Can you spare one evening to help your son? Give Mrs. Darling a call at 267-0654 or, better still, come out to the first meeting of the season-Monday, October 4th. 8 P.M. at the Presbyterian Church.

PARADE

On Saturday October 2nd the Guildwood Village Baseball House Leagues will have a parade of teams led by the Guildwood Kadettes. The parade will leave Laurier Collegiate at 11:00 a.m. and end at Elizabeth Simcoe School.

Festivities will include the awarding of trophies and crests and followed by food and refreshments for all the players and coaches. We are looking forward to seeing all of the players, coaches and sponsors for this big event. We invite all of the residents of Guildwood to come out and see this parade of young athletes.

GIRLS BASEBALL NEWS

Girls baseball season was brought to a close with Pollard Roofing, coached by Mary Bullied and Jean Smythe, taking the championship with Patti Shepherd pitching a no hit

game backed up by her team mates. Second place winners were Irois Landscaping coached by Wink Isin-off and Bruno Bonazzo.

The overall winners of the season were Penguin Fashions coached by Elsie and Bruce Taylor, closely followed by Tim Reid Tigers coached by Jackie Nicholson and Marg Collins.

As convenor, I would like to take this opportunity to thank all the parents who turned out to offer their support to their favourite team, and to all the girls who played so hard and showed such good sportmanship. I would like to thank Dave Canavor, Ken McConnel, Jim Richards and Joe Good who gave up their time to umpire our games so fairly. Last but not least, I thank the most important member of our teams, the SPONSORS,-POLLARD ROOFING, TIM REID, PENGUIN FASHIONS AND IROIS LANDSCAPING.

It is my hope that next year we can have an even bigger and better league.

W. R. "Bill" Bullied, convenor

school news

Guildwood

Our school has experienced quite a loss of staff members this year due to the conversion to Kindergarten to Grade 6 levels. Miss S. Bianca is teaching at Eastview Junior School, Miss R. Radda at Centennial Road, Mrs. C. Henderson, Mr. Cadan and Mr. B. Harris are on staff at Jack Miner Senior School, Mr. J. Alloul is teaching French in another area of Scarborough and Mr. R. Sills is now Vice-Principal of Inglewood Heights Junior School in Agincourt. A new addition to the Guildwood Staff is Mrs. M. Walker who is teaching a Special Program class for perceptually handicapped children. There are eight pupils in this group and they come by taxi from outside our school area. We have a new Public Health Nurse, Mrs. M. Rainford who will be here at the school on Tuesday and Friday mornings. Mr. J. Arbuckle, our Guidance Counsellor, will be counselling children on Tuesday afternoon.

The Home and School Executive held its first meeting on Monday, September 27th, and plans for the year were formulated. The October general meeting will likely take the form of a "Meet the Teacher Night." Further information will be sent home in the October Home and School bulletin.

In the sports' area, the boys have been organized for inter-school competition and we have Bantam and Junior Soccer teams entered in the leagues. The Bantam boys won their first game 2-0 over Poplar Road School. The girls are having a house league in Borden Ball.

St. Ursula's

The new school year has brought a number of changes at St. Ursula.

We now have both a morning and afternoon Junior Kindergarten programme (four year old children). These classes, under the direction of Mrs. M. Farley, are set up gradually during the month of September in order to assist the children to adjust to the new school environment.

A new bus route has been established for the first time to accommodate Catholic children who live in the areas east of Galloway Road and North-East of Kingston Road and Celeste Drive. This route is the result of a study by the Board's transportation department after considering factors such as the safety of the children and the number of children involved.

With the enrolment of a new Grade Five class this year, our instrumental band programme, conducted by Mr. Wm. Jacobs, is now complete. Thus, by the time new band members reach Secondary school, they will have had four years of instruction.

In addition to our "in-school programme, many of these students also participate in the Board's orchestra and concert band on Saturday mornings. This year trips are planned to various Catholic secondary schools, as well as an exchange visit with a high school band from the Simcoe County area.

With the expansion of oral French to include Grade 3, Mrs. P. Joseph and Miss C. Lancette have joined our staff to assist Mrs. M. DiMambro with this programme.

Spirited practices, complete with grunts and groans, will be heard coming from our general purpose room every Tuesday evening. The East Scarborough Boys' Club will use our facilities for their Judo programme.

Mr. J. Clarke's Grade 5 class will visit the McLaughlin Planetarium on Thursday, September 30th, to view the Movie "Look to the Sky" as well as the many displays on the universe.

Despite the rainy weather our girls 3-pitch baseball team is looking forward to our area's inter-school tournament. In the meantime, the boys' flag football team has been working hard to prepare for its games.

Elizabeth Simcoe

We start this year with a new title that of Junior Public School. Since all Grade 7 and 8 classes have been transferred to Jack Miner Senior

Public School, we now have a smaller enrolment of students, from Kindergarten to Grade 6 only. After several years of over-population, the school building is once again able to house all the students and it was with a sigh of relief that we saw the summer departure of most of our portables.

We welcome to the staff this year Miss Yanoshita, who has a Grade 2 class, and Mrs. Yeoman, who is taking a morning Kindergarten class. Both teachers are residents of Guildwood Village. Instead of a resident French teacher, this year an itinerant teacher, Mrs. Magrath, will come to the school to take the Grade 6 classes.

Our long-awaited addition is finally completed and in use. The addition includes several assets to the school. Downstairs we have a Library and Resource area under Mrs. Dick; as well as an Open Space area for Grade 4 students. Upstairs is a larger Open Space area for Grades 2 and 3. To supplement our General Purpose Room, there is a new Gymnasium.

As well as innovations in the classroom, we have a new venture in Sports in the way of a soccer team taking part in the Junior Public School League. We are pleased to report a win in the very first game against Poplar Road P.S. of 2-0. Both goals were scored by John Morris. Aside from Mr. Allum, who rushed onto the field in his excitement, the referees were pleas-

ed with the fair play shown on both sides and we hope our good luck continues.

Curriculum Night this year will be held on the evening of Wednesday, October 20th. We invite parents and friends to visit the school and hear about the programme planned for the coming year. You will certainly want to hear our guest speaker

JACK MINER SENIOR PUBLIC SCHOOL

A year of construction, months of planning and requisitioning, weeks of organization and unpacking, days of arranging, hours of jitters, a final few minutes of excitement--and Jack Miner Senior School rang its first official bell at nine o'clock on September 7, 1971! The last and most important detail was added when nearly five hundred boys and girls poured into assembly areas and school began.

That Tuesday was quite a day. One hundred percent co-operation was needed; it was given, as classes were quickly formed, lockers assigned, supplies distributed, information given and more plans formed. At the end of the day, everybody was tired, but there was a feeling of relief in the air--relief that we were finally in operation and confident that we could be a good school.

In these first weeks of the fall term, the pupils have been called upon to cope with new surroundings, new teachers, a more complicated schedule, and some new responsibilities. They have made these adjustments very well. We are hoping now to add new interests in the way of extra-curricular activities which will add to their enjoyment and development.

It is hoped that a date for the official opening of the school will soon be announced. However, it may well be that parents will wish to contact the school before that time; the telephone number is 284-0211.

Alderman reports (cont'd)

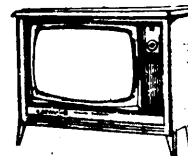

executives and their volunteers. I for one, however, would like to see the continuation of the sports programme, the Canada Day Celebrations, this community newspaper and the many special events. Also, as your representative, it is of real benefit to have a strong organization to help resist unwarranted rezoning applications, or assist in other matters that come before Council. The outgoing executive have served this community well, with dedication and enthusiasm rarely seen in community groups. I sincerely hope there are enough of you willing to participate and keep this Community Association alive. See you on October 6.

I have often said "If I can be of any assistance to you in any matter, please call me." This is not said casually. As your municipal representative I expect and welcome your calls. Contact with you, in many cases, in many cases, is my only indicator of your feelings and concerns. Call me at 267-2720 or 759-4747.

BROWNIES & GUIDES

The following is a partial list of the packs and companies operating in Guildwood. Unfortunately, one Guide Company will have to be closed due to lack of a leader. We hope the girls who are now enrolled in this company will be placed in existing companies, this will depend on the space available. We are in the process of opening a new Brownie Pack but plans have not yet been finalized. Rangers will re-open the beginning of October if a suitable leader is found.

BROWNIES-

61st. Pack-Meets-Thurs. 6:30-8 P.M.
Guildwood Community Presbyterian Church.

RE-ELECT Tim Reid

"I have represented you for the last four years as your Member of Parliament in the Provincial Legislature. If you feel I have been a good representative, then I ask you to vote for me on October 21st.

In our community I have supported the objectives of the Guildwood Community Association. For example, I canvassed for funds door-to-door in our neighbourhood last winter and raised about \$500 for the proposed swimming pool. I am proud that the "TIM REID TIGERS" had so much fun in their baseball games this year. It was an honour to be asked to speak at your Association's general meeting last spring to discuss important public issues.

As a member of the Scarborough Centenary Hospital Board of Governors, I was really pleased to be involved in helping to interest students in their own community "Hoofathon" last week and walking the ten miles with them."

If you would like to contribute some of your time or put up a sign or help in any way

VENTURERS TO SHOW CANOE

Guildwood Scouts and Venturers have been working at a canoe building project this summer and are eager and proud to show you the results of their efforts.

On Saturday, October 16th at the Plaza, we invite you to come and see, talk to and encourage the boys who will have on display a finished canoe, the mould and the basic materials they used and some idea of how much it cost.

Please stop by while you Shop Saturday 16th.

Mosquito "A"-Guildwood placed 3rd. in a 4 team loop.

Mosquito "B"-Our team was last in the final standing.

Pee-Wee-Guildwood "A" Golden Mile Chev had an excellent season ending up on top of the 5 team league. The team won the annual Robbie Tournament over St. Andrews 5-0 but was narrowly defeated 2-1 by St. Andrews in Scarborough Cup finals. Guildwood also made the finals of the Dominion Day International Tournament and was edged out 2-1 for the championship by the New York German American Club.

The team topped a very successful year by defeating Toronto City 3-1 on September 25th. to win the Metro Cup.

Bantam-Guildwood Caledonians placed 3rd. in league play but came on strong in cup play, reaching the semi-finals of the Metro Cup and

the quarter finals of the Ontario Cup before being ousted by Toronto City and Westwood respectively.

Ajax-Pickering League

Pee-Wee-Our Guildwood "B" team went through an undefeated regular season, ending up at the top of the 7 team league but lost out 3-1 to Ajax Legion in the Challenge Cup game.

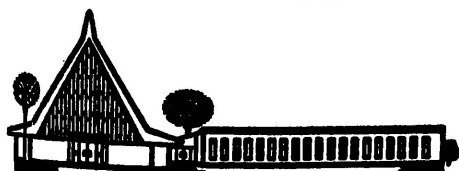

Bantam-Guildwood "B" placed 3rd. in regular league play and was edged out in the challenge competition.

REACHING 1350 VILLAGE HOMES

G.V.C.A. BUDGET NIGHT NOV. 3

THE NEW EXECUTIVE OF THE GUILDWOOD VILLAGE COMMUNITY ASSOCIATION WILL PRESENT ITS PROPOSED BUDGET FOR THE APPROVAL OF VILLAGE RESIDENTS AT THE NEXT GENERAL MEETING OF THE ASSOCIATION ON WEDNESDAY, NOVEMBER 3, GUILDWOOD PUBLIC SCHOOL AT 8.30 P.M.

OTHER MATTERS OF INTEREST TO ASSOCIATION MEMBERS TO BE DISCUSSED WILL BE THE PROPOSED REZONING OF PROPERTIES OWNED BY GULF INVESTMENTS ON WESTLAKE ROAD, FAMILY SWIM NIGHTS AND ASSOCIATION DANCES.

help wanted !

DUE TO A RESIGNATION, THE EXECUTIVE COMMITTEE OF THE GUILDWOOD VILLAGE COMMUNITY ASSOCIATION IS SHORT ONE MEMBER, A SOCIAL DIRECTOR. THIS POSITION SHOULD BE FILLED BY A WOMAN ACCORDING TO THE CONSTITUTION; HOWEVER WE ARE DESPERATE ENOUGH TO ACCEPT A MAN IF THERE IS NO MEMBER OF THE FAIR SEX WILLING TO HELP OUT.

GET INVOLVED! WE NEED YOU! CALL RON ALLEN AT 267-1692.

Alderman reports

by Ed Fulton, Alderman, Ward 7

Congratulations to Ron Allen, our Associations new Chairman, and to the other members of the new executive for taking on this responsibility. A couple of weeks ago this Association seemed headed toward extinction until Ron and several others came forward to volunteer their services.

While on the subject of elections, I would like to extend my congratulations to our new M.P.P., Mrs. Margaret Birch. I look forward to working with Mrs. Birch for the benefit of our mutual constituents. To our former Member, Tim Reid, I extend my appreciation for his past assistance and cooperation.

coming events

November 3 -
Guildwood Village Community Association General Membership Meeting, Guildwood Public School, 8:30 P. M.

November 3 -
University Information Programme Night, Sir Wilfrid Laurier Collegiate Institute, Guildwood Parkway, 7:30 to 9:30 P. M.

November 7 -
Guildwood Indians Football, Final Home Games, Sir Wilfrid Laurier Field 1:00 P. M.

November 12 -
Official Opening of Jack Miner Senior Public School, Guildwood Parkway. Parents invited to attend evening activities.

November 21 -
Laurier All Steel Band, Musical Evening at Holy Trinity Church, Livingston Road, 7:00 P. M.

editorial

The provincial election on October 21 resulted in a change of representation in the legislature on behalf of the residents of Guildwood Village. This change leaves us with mixed emotions as we are losing a most able and dedicated M.P.P.

Tim Reid has been one of our most loyal advertisers in the past two years but, beyond that, he has also been one of the most consistent contributors through his column "M.P.P. Reports". Tim was also deeply involved in community activities in our area. He was one of the co-ordinators of the canvass in Markham Bluffs for the Kiwanis Wood Recreational Complex and has spoken at Association Meetings. "Tim Reid's Tigers" have been a familiar sight on baseball diamonds in Guildwood. Our sincere thanks go to Tim for all he has done for us in Guildwood.

To Margaret Birch, our new M.P.P., we extend a sincere welcome. We trust that our relationship will be mutually productive. We look forward hopefully to having Mrs. Birch as a contributor to this publication.

**SUPPORT
OUR
Advertisers**

As you all know we are finally going to get a swimming pool at Laurier Collegiate. At the last meeting of Scarborough Council, the recommendation to build the indoor pool was adopted unanimously. The slim possibility of an indoor pool became apparent late last June, when a joint School Board, Recreation and Parks staff report was received by the Board/Council Liaison Committee. When the disastrous tenders were opened for the Kiwaniswood Pool, I decided to make one more concentrated effort to secure a pool. This resulted in an intensive series of meetings

culminating with the Board of Education approval on September 27 and Councils concurrence October 12. I understand that actual pool construction will start early in November and that completion is scheduled for the summer of 1972. The pool will be this Municipality's first 25 metre facility and, I understand, only the third in Metropolitan Toronto.

I would like to thank the members of the Kiwaniswood Sub-Committee and the Guildwood Association Executive for their cooperation and valuable assistance, particularly over the past several weeks.

If I can be of assistance to you, or, if you wish to express an opinion, please call me at 267-6720 or 759-4747.

The Laurier Word

Ryerson Trip

On October 15th, approximately 50 senior students from Laurier attended Open House at Ryerson. They were given a tour of the institute and had an opportunity to discuss courses and ask questions of their tour guides. The Teachers accompanying the tour felt it was quite worthwhile.

Centennial College

On October the 14th, Mr. Dan King and Mr. Ron Rogers from the Admissions Office of Centennial College visited the school. They set up a display in the main foyer during the 4 lunch periods. The purpose of their visit was to give out pamphlets and information and answer questions from students regarding admission requirements and courses offered.

Business Mathematics-Field Observation Study

On Thursday, October 21st, Grade 11 Business Mathematics students undertook a field observation study. The purpose of the study was to discover the problems of credit buying and borrowing money. Each student selected an article to be purchased on credit and a loan source (bank finance company, etc.). They studied prices, interest rates, collateral, etc., talked to managers of various institutions and prepared written and oral presentations of their findings.

Political Assembly

On Tuesday, October 19, the three political candidates, Margaret Birch, Sean Reagan and Tim Reid spoke to the students of the school. Following the addresses the students were given the opportunity of questioning the candidates regarding party policies.

United Appeal

A United Appeal Assembly was held on Monday, October 25th to let the student body know what the United Appeal is for-to get them in high spirits for the upcoming week.

About 25 class projects are now underway and the list is growing. Projects ranging from car washers to selling chances on Theatre Tickets. Some students are selling spaces on the cafeteria plywood wall (temporary) so that "artists" can express themselves.

About 150 students attended a starve-in commencing at noon on Saturday, October 23 and continuing for 33 hours until 9 P.M. Sunday. They stayed overnight at Laurier and were only allowed liquids. Soft drinks and coffee were supplied by A&P and Dominion Stores. Participating students had sponsors who payed so much for each hour that the starving student lasted.

GIRLS PHYSICAL EDUCATION

The girls of Sir Wilfrid Laurier Collegiate have been involved in a basketball league with the other schools in Scarborough on three levels Midget, Junior and Senior. The Senior team is still in strong contention for first place in the Eastern division. Also this fall our Field Hockey team participated in a tournament and although they won only one game of three we are hoping to improve this record next year. Our annual Inter-house Track and Field Meet was rained out on two occasions and had to be postponed until the spring. Upcoming activities include Archery and Swimming meets in December, Volleyball league play and Interhouse events in all sports.

* * * * *

UNIVERSITY INFORMATION PROGRAMME NIGHT

On Wednesday, November 3rd., A University Information Programme will be held at Laurier for students of Grades 12 and 13 and their parents.

The programme, commencing at 7.30 P.M., will permit participants to acquaint themselves with courses, admission requirements and special features of selected Ontario universities through direct discussion with representatives from these institutions. Representatives from 16 universities in the province will be in attendance and each student will have an opportunity to speak to up to three of them during the two hour programme.

LAURIER STUDENTS RECEIVE G.V.C.A. AWARDS

Two Guildwood Village students received awards of \$50.00 each from Guildwood Village Community Association Chairman Ron Allen at the

(Cont'd Page 3)

Chairman's Report

Many communities in the Metropolitan area are experiencing difficulties with youth groups, land developers, local and provincial governments. This is, of course, a recurring problem and each community passes through the cycle every few years. The knowledge of this fact generally leads people to develop an association of civic-minded persons which will represent and voice the collective opinions of the membership. Such a group is the Guildwood Village Community Association, a group which, in the past, has been responsible for maintaining the image of Guildwood, of ensuring that the citizens of the community should have first choice in what they want and first voice in what they need.

In 1970/71, the Association represented a paid membership of 823 households on such issues as rezoning and sports facilities for the community, as well as making available sports activities, youth programmes and preparing the enjoyable Canada Day celebrations. To continue these types of programmes requires very little individual member time. A general meeting in October to elect the officers of the Association, a meeting in November to present the budget for the coming season and a meeting in April to review activities and outline plans for May and June and the summer months. In addition, some issue may need special attention and a member may contact the executive personally to have that issue considered. That small investment in time assures you and your family the continuance of the type of community you want to call home.

'I am proud to be a Guildwood Villager' is something we can all say, but to really mean it, let's support the activities of the Association. Let us ensure that the Guildwood Village Community Association firstly, represents the majority views of the community and secondly, represents the community to ensure that future changes are those wanted by the community.

The opportunity to participate is open to all residents. Support your Association!

Ron Allen.

Annual Presentation of Awards Evening at Sir Wilfrid Laurier Collegiate on October 29th.

The awards presented to the outstanding male and female members of the graduating class who are residents of Guildwood Village.

This year's recipients are:
Susan Dziewa, 56 Galloway Road.

Susan was a tower of strength in the Drama Club and a member of the Art Club from 1966 to 1971. She was also a member of the Latin Club from 1967 to 1970. She was an enthusiastic and excellent worker throughout her years at Laurier. Susan holds a Grade 8 certificate in piano. She is now enrolled in Natural Science at McMaster University.

Michael Scott, 20 Sonneck Square, a hard working, capable student who is expected to do well in his courses at Victoria College, University of Toronto, where he is now enrolled in the programme leading to a Bachelor of Commerce degree. Michael was the organizer and student leader in the Assembly Club at Laurier. This involved the contacting of outside speakers where necessary and the setting up of the assembly programmes. He also served on the Dance Committee, Audio-Visual Crew and Yearbook Staff.

Church News

CHURCH OF THE HOLY TRINITY by Rev. W. S. Watt

All of us at Holy Trinity were thrilled to have so many of our friends and neighbours at our Church on Sunday evening October 17th to see and hear the HAKAMU Group. They are an amazing group of young people who have so much love and happiness in their lives and are so willing to share it with everyone.

YOUNG PEOPLE'S SERVICE EVERY SUNDAY AT 7.00 P.M.

This is the most important announcement we have to make this month. A group of young people are heading this up. There will be a short service in the Church at 7.00 P.M. followed by a programme (arranged by the young people) in the auditorium. The music for the service and afterwards will be provided by some of the many young musical groups in our community. All young people 15 years of age and over are invited to share in the whole evening. Needless to say, everyone is invited to the service, but the programme following is the auditorium is restricted to the older teens.

A SPECIAL INVITATION THE COMMUNITY

The Sir Wilfrid Laurier All Steel Band, under the direction of Mr. S. Gomes, will be conducting a musical evening at Holy Trinity Church at 7.00 P.M. Sunday evening November 21st. We hope you will reserve the date. These young musicians are really a delight to hear.

146 Toynbee Trail,
Scarborough, Ont.
23rd., Oct. 1971,

The Editor,
G.V.C.A. News & Views.

Dear Sir:

I should like to take this opportunity of thanking the retiring Executive of the Guildwood Village Community Association for the service which they have given to the residents of the village over the past two years.

Unfortunately it seems that many of us in the village do not realize what has been done on our behalf by a few concerned and interested people. I appreciate the hard work that has gone on behind the scenes and resulted in an organized and effective Association.

I wish the incoming Executive as much success as their predecessors.

Yours faithfully,
G. J. Wallace.

An Apology!

The News and Views extends sincere apologies to Ed Fulton and Tim Reid. If any of our readers noticed a certain lack of continuity in their columns in the last issue, it can not be blamed on our columnists. The production staff of this publication have been severely reprimanded for their inexcusable inefficiency in mixing up copy. Their salaries have been slashed to a fraction of what they received previously.

The first meeting of the current school year of the Guildwood Home and School Association was held on Monday, October 18th. An excellent audience of parents was in attendance to "Meet the Teacher" and to participate in discussions of curriculum and of basic classroom procedures. All staff members reported that very worthwhile sessions took place in the classrooms and much was accomplished to strengthen the understanding between the home and the school.

An assembly in the auditorium preceded the classroom discussions. Mr. S. Kunz, Home and School President, chaired this portion of the programme. The major item on the agenda was a presentation by Mrs. D. Breton of a plan to involve parents more actively in the daily life of the school. Parents were asked to fill out a questionnaire indicating their willingness to assist in school activities and thus help to build a meaningful bridge between the child's home and the school environment. The questionnaire sought information such as skills, hobbies and areas of special interest which could be utilized in the classroom:— to assist children with reading, to teach a particular skill or subject, to tell of life in another country, to help with excursions, projects etc. The response to this appeal was quite good and the executive will now summarize the results into a form which can be used by the staff when required.

Our bantam and junior girls cross-country teams qualified for the Scarborough Finals, which were held at Morningside Park on Wednesday, October 20th. Although neither team won an award, they acquitted themselves very well by placing 5th and 6th in their events. We are very proud of Alison Gray who did extremely well individually and finished second in the junior cross-country event.

In volleyball this year we plan to operate a house league in the school in lieu of entering the S.P.S.A.A. competition. The teachers feel that, in this way, we can offer greater participation

to our pupils. While they will miss the games against other schools, more children will learn to play volleyball and be members of a team.

Elizabeth Simcoe

We have come to expect a large turn out of interested and concerned parents for our annual Curriculum Night and October 18 was no exception. Approximately 450 visitors came to the school to hear our guest speaker, Mr. Campbell, to meet the staff and, of course, to inspect the new addition.

Another school tradition, the Apple Sale, again proved profitable when 80 bushels of apples were delivered to houses in the area in time for Thanksgiving weekend. The money raised in the sale will be used for excursions and school sweaters. Thanks go to the home-owners who helped by placing orders.

On the sports field, we are pleased to announce that our team came second in the Junior Soccer League. Congratulations to Eastview Public School, who were the winners. Tee shirts and shorts in the school colours will shortly be on sale and we hope parents will give serious thought to buying these. Since we now have two well-equipped gymnasiums, we should like to encourage increased participation in gymnastics. Physical Education lessons can be more enjoyable and worthwhile with the proper clothing.

We are sorry to see the departure of Mrs. Bromley, who is leaving to play her part in the population explosion. As Primary Chairman then Librarian, she has been a friend and guide to both teachers and students. Mr. Donnelly will succeed Mrs. Bromley as Junior Chairman.

Passers-by may have seen activity at the school on Saturday, Oct. 16th. This was the day of the Staff Car Rally, beginning and ending at the school. Fortunately, none of the teachers were lost, but it is understood that several are considering enrolling in courses in simple mathematics and elementary navigation!

St. Ursula's

On Saturday, September 25th., Scarborough Centenary Hospital sponsored their "Hoofathon", a ten mile walk, to raise funds to purchase vital life-giving equipment. Congratulations are due to many of our students who successfully took part in this worthy project.

We now have had seven "accident free" years at St. Ursula -- a record we all want to continue. To mark this occasion, the Metropolitan Toronto Police Department will present an Elmer Safety Award to the school.

Our boys' flag football season is now coming to an end. Our team, coached by Mr. W. Boyle and Mr. D. Ellis, had a successful series of league games. The boys' excellent team play also has been matched by the enthusiasm of our red and white uniformed cheerleaders. November will bring our school into the volleyball season.

Mrs. M. Williams Grade Three and Four class certainly enjoyed eating their own "homebaked" cookies. Plans are now being made for Miss M. Metzger's class to visit the Royal Ontario Museum in early November.

Jack Miner

Official Opening Approaching.

The date for the official opening of the new school had been set for Friday, November 12, with afternoon and evening programmes being planned. The children of the school will form the major part of the afternoon audience, while parents and other guests will be invited to attend in the evening.

Mr. B. L. Davidge, Assistant Superintendent of Programme for the Scarborough Board of Education, had consented to address the Pupils in the afternoon, bringing a surprise with him. The speaker of the evening will be Dr. R. F. Stackhouse, Trustee of Ward Seven in Scarborough.

(Cont'd Page 8)

SMACK

S.M.A.K. flies at Guildwood

Is there any sweeter sound to a youngster's ears than the sound of a model airplane engine revving up?

The members of S.M.A.K. (Scarborough Model Aircraft Klub) put on a thrilling display of their model planes for the crowd on Dominion Day which lasted for almost an hour.

All eyes were turned skyward to follow the colourful ships as they manoeuvred in their aerobatic flights, trying to out-do each other.

The members of the club were on hand to answer questions and show off their planes to the audience, many of whom seemed very interested in learning more about the planes. Incidentally, the Scarborough club meets on the last Sunday morning of each month at the Cedarbrook Community Centre at 11 A.M. The boys' ages range from 12 years upwards and the club is always interested in getting new members and helping the boys getting started.

If you have a youngster who is interested in flying model airplanes, bring him over Dad! It's a great sport; it's a great hobby! Really keeps them busy too. For further information call-Gerd Grimes at 266-3598.

CUBS & SCOUTS

3RD. SCARBOROUGH BOY SCOUTS

The Scouts and Cubs held a father and son banquet on Saturday, October 23rd at the Presbyterian Church. A success? Yes and No:

- Success-140 Fathers & Sons were expected; 240 came!
- Success-Ladies prepared for 140; Served 240!
- Success-Bill Symons of the Argos came and answered questions on football and about himself for the boys and Dads for over half an hour!
- Success-George Holmes a district leader gave an inspiring talk on scouting to the fathers!
- Success-The help provided by the Venturers!
- Failure-Only 8 mothers turned out to prepare and serve the food!
- Failure-Enough response from the fathers to guarantee the continuation of the Scouts!

The Scouts will provide all training and assistance for anyone wishing to help either the Cubs or the Scouts.

You know fathers, you may enjoy it; We Know Your Son Will!

Senior Citizens

GUILDWOOD SOCIAL CLUB (Senior Citizens)

"Youth is not a time of life. . . It is a state of mind. Nobody grows old by merely living a number of years.. But to give up enthusiasm wrinkles the soul. You are as young as your faith, as old as your doubt, as young as your self confidence, as old as your fear, as young as your hope... So long as your heart receives messages of beauty, cheer, courage grandeur and power from the earth... So long you are young!"

The above quotation expresses the outlook of the "young" members of the Guildwood Social Club. Last June's bus trip to Niagara Falls was a good example. After a fun filled drive there and some sight-seeing, we enjoyed a delicious turkey dinner for lunch. This was provided very capably by a group of senior ladies at an Anglican Church at the Falls. Later we were entertained by the Greater Niagara Falls Senior Citizens Association. Tired, but happy we boarded the bus for home and everyone agreed a good time was had by all.

Our first meeting was held on Wed. Sept. 22nd in the form of a pot luck luncheon. It was well attended and it was fun to see everyone again, including some new members who were there for the first time. We are looking forward to another active season and are busy making arrangements for our members to attend a T.V. show and stage plays, plus entertainment for our regular meetings. On Nov. 10th. the Senior Citizens Rhythm Band from St. Margaret's Church are coming to Holy Trinity and if you have not heard them before this is a golden opportunity to do so as we are opening our meeting to anyone in Guildwood Village who would like to come, at 1.30 p.m.

We also extend a warm invitation to to any Guildwood resident, male or female, 65 years or over to come and join us at our monthly meetings

which are held at The Church of the Holy Trinity, 85 Livingston Rd., every 2nd and 4th Wednesday at 1.30 p.m. Finally, we are in need of volunteer drivers to take our members to and

from meetings. This involves approximately 1 hour twice a month and is so greatly appreciated by all concerned. For further information please call Marlene MacIntyre, 266-8195 or Jean O'Connell 261-3837.

**kiddies
corner**

Bill Symons recently was a guest at a father and son night at the local Presbyterian Church and here are some of the questions and answers that were exchanged:

Boy: Mr Symons...Why did you let Montreal beat you last week ?

Bill Symons: Did your father ask you to ask that question.

Boy: Mr Symons....How fast can you run ?

Bill Symons: It all depends on how scared I am.

Boy: Mr Symons....who high are you?

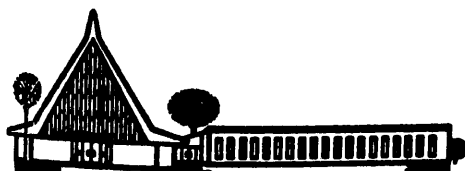

Bill Symons: (No answer)

Boy: How many goals do you score ?

Bill Symons: I score every time I carry the puck.

Boy: Mr Symons...are you going to win the Grey Cup.

Bill Symons: Yes!

Guildwood Parkway at Livingstone Road
Scarborough, Ontario
Telephone 261-4037

Countless men and women right here in Guildwood Village will better face the responsibilities of the week BECAUSE they spent part of Sunday morning worshipping God in the church of their choice. Will you be among them?

If you find you are unable to attend your particular 'brand' of church, would you consider ours?

Guildwood Community Presbyterian Church

Laurier Pool a reality !

Because of excellent coverage in the Scarborough Mirror and the local "grape-vine", I suspect that the news that Laurier is at last about to get-its indoor pool is somewhat of an anti-climax. However, it's true and the Kiwaniswood Subcommittee and the Guildwood Village Community Association executive couldn't be more pleased. These feelings are shared by the vast majority of the residents we have talked to over the past few weeks.

There are a number of additional details which I'm sure you will find interesting. First and foremost, construction is slated to begin November 1. Assuming sufficient progress can be made prior to the onslaught of winter, a nine-month construction period is envisaged. This places completion of construction at or about August 1, 1972, as well within our revised estimate. Secondly, a total of \$440,000 has been voted for this project to be shared equally between the Scarborough Board of Education and the Borough of Scarborough. The majority of this money is to come from the 1972 current budgets of both bodies. Thirdly, the \$30,000 we have deposited with the Borough of Scarborough will not be used on this project and will be made available for community use in ways decided by the citizens of the community.

The itinerary of meetings involving various Borough and School Board Committees and their recommendations makes interesting reading:

September 8(School Board)

The question of an indoor pool at Laurier was raised by Alderman Ed Fulton and the Kiwaniswood Subcommittee was invited to attend the next meeting of the Property-Finance Committee in order to present its views on this subject.

September 20(School Board-Property Finance Committee)

The Property-Finance Committee, with the support of the Kiwaniswood Subcommittee, recommended that the Liaison Committee, consisting of members from both the School Board and the Borough of Scarborough, consider the possibility of immediate construction of the indoor pool at Laurier.

September 23(Liaison Committee)In perhaps the biggest breakthrough of the whole campaign, the following resolution was passed(4-0):"Recommended that Council and the Scarborough Board of Education jointly undertake the construction of an indoor 25 metre swimming pool to a depth of 3 feet to 9½ feet to accommodate a one metre diving board at Sir.Wilfrid Laurier Collegiate and that construction start as soon as possible so that completion can be scheduled for the summer of 1972, subject to the Kiwaniswood Pool Committee not proceeding with its plans for construction of an outdoor pool at Elizabeth Simcoe Park.

"Committee further recommends that the cost of the proposed pool be equally divided between Council and the Board of Education and that the funds be made available from the respective 1972 Current Budgets."

September 27--9.30 A.M.(Scarborough Recreation and Parks Committee)

By a vote of 6-0 the Minutes of the Liaison Committee(see above)were adopted in total, assuming the total cost of the pool would be of the order of \$440,000.

September 27--8 P.M.(School Board)

The resolution of the Liaison Committee was accepted by a vote of 12-0, subject to the amendment that the sum be contributed by the Board of Education is not to exceed \$220,000.

October 6(Board of Control)The Recreation and Parks Committee resolution was accepted by a vote of 4-0.

October 12(Scarborough Council)Council recommended adoption of the

Liaison Committee resolution by a vote of 15-0.

Most of the credit for the unanimity of opinion by all elected bodies and the speed with which this whole complex issue was resolved must go to Alderman Ed Fulton who spearheaded the whole campaign for the indoor pool, carrying it from its status of vain hope to actuality in just five weeks. Congratulations Ed!

In anticipation of Councils' vote on October 12, the G.V.C.A. General Meeting of October 6 supported the Laurier proposal by a vote of approximately 41-0. A poll by telephone conducted on the weekend of October 9-11 elicited the following information (on the basis of 124 families contacted):

	LAURIER PROPOSAL	OUTDOOR PROPOSAL
East Guildwood	12	0
N.E. Quadrant	53	1
S.W. Quadrant	41	5
Markham Bluffs	10	2
TOTAL	116	8
Guildwood Village Sub-		
Total	94	6

	PERCENT FAVOURING LAURIER
East Guildwood	100%
N.E. Quadrant	98%
S. W. Quadrant	89%
Markham Bluffs	83%
	94%
Guildwood Village Sub-	
Total	94%

The number of individuals contacted in each area is roughly proportional to the money collected from each. Our sample was directed largely at the Area Captains and the Team Captains who had helped us raise the major portion of the \$30,000 via the Lottery.

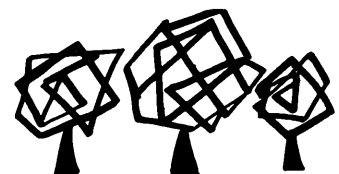

Well then, where do we go from here? First of all, it's our intention to leave the \$30,000 with the Borough of Scarborough where it will gather interest at the rate of 6% while we're thinking. This makes sense from another point of view in that we don't want to do anything with the money until we see visible signs of construction on the pool at Laurier.

We would also like your help in considering uses for this money. These uses should be in keeping with our original objectives of making the Guildwood, East Guildwood and Markham Bluffs communities a better place in which to live. I think that any recreational, educational or social service that adds to community life should be considered seriously; the more people served the better!

Our near-term approach will likely be this. We will shortly contact local residents by flyer on which we will list a number of attractive-looking proposals and to which further ideas could be added. We will ask you to vote by returning the flyers to us indicating your choice(s). We would then select the four or five most popular suggestions and examine the merits of each by means of a relatively exhaustive feasibility study. The study would likely take two or three months and, where possible, we would employ the services of one of the proponents of each scheme to work with the Subcommittee. At the end of this period, the advantages, disadvantages and probable cost of each alternative would be tabulated and published either through a public meeting or in writing. Finally, by means of a second ballot, the best proposal for the community would be accepted and the Subcommittee would aggressively adopt the strategy best calculated to achieve this objective in the shortest possible time.

Lets' hear your comments!

GUILDWOOD INDIANS

GUILDWOOD INDIANS SENIORS.

LEAGUE LEADERS

How about football champs in Guildwood? - well that's where we're headed. Our Seniors have won every game so far this season, having scored 152 points compared to only one point scored against them. Guildwood has never before reached the finals and this year we intend to turn the tide and bring home the championship.

Our Juniors are playing good football but haven't been as successful as the seniors. With a few more wins they could make

the play-offs - so come on out and cheer them on to victory. They're not out of the running yet.

The dance we held on Friday, October 15th. was such a gigantic success that plans are underway for another in early spring. Details will be published later on and, if you really like a good time, you certainly should plan on attending.

Don't forget our remaining home game at Sir Wilfrid Laurier Collegiate on November 7th. at 1 p.m.

CENTENNIAL HOUSE REVIVED

The almost total lack of good restaurants available locally to Guildwood residents appears to be changing as the old stone building on Kingston Road near Eglinton which was once a familiar eating place in our area, reopened about six weeks ago as the Stone Cottage Inn.

Muriel and I were recently dinner guests of the new management, Messrs. Eid Attia and Garry Ohannesyan. We were treated to a fine meal and excellent service in the attractive, subdued surroundings of the main dining room. This intimate room, with its colourful red and gold linen and beautiful fireplace, is tastefully decorated with various items of Canadiana.

Our host, Mr. Attia, selected the speciality of the house, an Egyptian shishkebob for us. We opened the meal with the soup du jour, chicken noodle which was hot and tasty. A crisp salad with delicious home-made dressing (rather than the usual bottled variety) was a very pleasant surprise, as was the ample supply of hot garlic bread. The shishkebob came steaming hot on a bed of rice garnished with baked tomato and we were not disappointed when we tasted this delicacy.

Dessert was a mouth-watering dish. It was unfamiliar to us until our charming waitress informed us that it was "basbousa" a favourite on Egyptian menus. The meal was topped off with Turkish coffee of excellent quality.

Our host took pains to assure us that our meal was typical of the house and comments by other diners tended to confirm this.

The menu, as befits a good eating place, is not excessive-three varieties of shishkebob from \$2.65 and six entrees ranging from rock

be our guest

.....any Monday Morning for COFFEE.....

BOYD'S SELF SERVE LAUNDRY

93 Guildwood Pkwy.....in the Plaza.

cornish hen and wild rice at \$3.45 to Nova Scotia scallops on toast at \$2.50, all including soup and hot rolls. There are also three specialties at 95¢ to \$1.15 for the young ones whose gourmet tastes have not yet developed. The menu will be changed from time to time.

The Stone Cottage Inn is rapidly undergoing improvement and renovations, as the new management is determined to turn this beautiful old building into a landmark eating place for Guildwood residents with absolute emphasis on service and quality. Banquet facilities are available for parties up to 100 and beverage licences can be obtained. A small, intimate room in Egyptian motif for parties from 12 to 20 will open in approximately three weeks. For those who prefer a more informal dining atmosphere, there is also a lunch counter room.

The Stone Cottage Inn, 3750 Kingston Road, Scarborough, phone 266-6200. Hours--10 A.M. to midnight, Fridays and Saturdays to 2 A.M.

Eric Parker

Jack Miner (continued)

A special guest of honour will be Mr. Manly Miner, son of the famous Canadian naturalist for whom our new school is named. Mr. Miner, who carries on the work started by his father in the bird sanctuary at Kingsville, Ontario, has set aside this day to be in the school, even though it is taken from one of the busiest times of his year, when the birds are in migration. This is not the only proof of his interest in the school and his kindness is much appreciated.

Meanwhile, choirs are practising, decorations are being made, programmes are being planned, and the school is becoming excited over the prospect of welcoming the public and having the school officially opened.

GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD COMMUNITY ASSOCIATION VOL. 71 NO. 10 REACHING 1350 VILLAGE HOMES

BOARD PASSES SPOT REZONING

MAYOR, MALLETT, HARRISON VOTE AGAINST GUILDWOOD AS BOARD OF CONTROL RECOMMENDS SPOT REZONING ON WESTLAKE. MORRISH, HARRIS SUPPORT OUR OPPOSITION TO APPLICATION BY GULF INVESTMENTS. NEXT STEP IN FIGHT WILL BE PRESENTATION TO COUNCIL IN DECEMBER.
(SEE CHAIRMAN'S REPORT FOR DETAILS)

MPP REPORTS

Margaret Birch.

First, may I thank the editor of the Guildwood News, Eric Parker, for the opportunity to express my views in this excellent community newspaper.

Secondly, my thanks to the hundreds of residents in the Guildwood community who supported me in the election. I am honoured by the confidence you have placed in me and I will do my utmost to represent Scarborough East at Queen's Park.

On Dec. 13th, a special session of the Legislature will be held. It is expected to last only a few days and will deal mainly with a change in legislation to effect a 3% cut in your personal Ontario income tax. This, combined with a 3% cut in Federal income tax announced October 14th, by Finance Minister Benson will mean a saving in taxes of about \$150 million a year for Ontario taxpayers. For a family of four with an income of \$7,000, it will mean a saving of about \$30 next year.

There is also good news for those residents 65 and over. Beginning January 1st, they will no longer have to pay medicare premiums. Hopefully in the next edition of this paper I will be able to announce the opening of a service centre to serve the residents of Scarborough East. Meanwhile, if you wish to contact me, my Queen's Park office number is 365-2951 and my home phone is 431-0623.

May all of you have a Merry Christmas and best wishes for the New Year.

TRUSTEE REPORT

BY REG STACKHOUSE

The opening of the new Jack Miner Senior Public School was an indication of how important good education is to this community. Held on Nov. 12, this ceremony attracted a

standing-room-only audience of parents, educators, and visitors, all keen to see the new facilities provided for the Grade 7 and 8 pupils of Guildwood.

Several school board officials claimed it was the largest crowd they had ever seen at a public school opening, and took it as evidence of the keen interest this neighbourhood takes in its young people.

Those young people were rightly the stars of their own show that night, the senior and junior choirs of the school holding the attention of the more than 500 people who overflowed the large meeting hall where the ceremony was held.

Manley Miner, son of Jack Miner, the great Canadian naturalist after whom the school is named, was present and soon showed how he had become a much beloved "Uncle Manley" to all the boys and girls of the school.

Principal James Bernard and his staff certainly deserve credit for organizing such a fine evening so soon after the actual commencement of classes. Teachers and pupils functioned together so well, no one could tell they first met only two months earlier.

To provide for the growing school population of the Guildwood area, several major building projects have been undertaken or are being planned. The addition of several teaching areas and a library-resource centre at Elizabeth Simcoe has been completed and is in use. An addition to Laurier Collegiate will include a swimming pool, designed to serve not only the students of that school but of neighbouring schools at certain times of the year. It will also be used in the evenings and on weekends by the general community.

Poplar Road Junior Public School is to receive an addition of two classrooms and a library resource centre because of increased enrolment. At Guildwood Junior Public School, two classrooms are to be converted into a library resource centre.

FAMILY SWIM NIGHTS

The family swim nights, which are a regular feature of our Community Association winter programme, will start early in the new year.

As in previous years the swim nights will be held on Saturday evenings at Centennial Pool, Ellesmere Road just west of Markham Road. Following are dates and times:

Jan. 8	9-10 P.M.
Feb. 5	9-10 P.M.
March 4	9-10 P.M.
April 1	9-10 P.M.
May 6	10-11 P.M.

For families wishing to have a full evening's outing, public skating is available in the Centennial Arena (same building as the swimming pool) every Saturday evening from 7:30-9:30 P.M. Admission for skating is 25¢ for children and 50¢ for adults.

Remember our family swim nights start January 8. Bring the whole family for a dip—It's FREE!

Seasons Greetings from the staff of the "News and Views". Standing (L to R): Eric Parker, Rick Williams, Liz Wallace and Tom Nicholson. Seated: Muriel Parker.

GUILDWOOD CENTRE OF ARTS AND CRAFTS TO MOVE

The Recreation and Parks Dept. of Scarborough recently acquired four acres of parkland at 71 Bethune Blvd., and arrangements have been approved for the Guildwood Centre of Arts and Crafts to use and maintain the 7 room bungalow on the property as an arts and crafts centre. The official opening will take place on Wednesday January 5th., 1972.

Having outgrown their present premises in the Folkstone Apartments, the group will now be able to expand and develop their programme. During the Fall some 280 students attended 25 classes weekly in 10 different courses, as follows:- Decorative & Folk Art, taught by Barbara Jean Rodgers; Oil Painting by John Smith; Experimental Art with Kay Long; Sculpture- Elizabeth F. Williamson; Rug Hooking- Marjorie Judson and Maureen Brown; Decoupage- Thelma Rowe; Papier Mache- June Pendrith; Board Art (Country Decoupage)- Marion Halls; Creative Stitchery and Crewel- Marjorie Carr-Braint; Sketching- Gary Cook.

In the Winter Term Louise Smyth will teach Macrame and Imelda and Peter West will do Pottery. Plans also include a programme of Saturday morning classes in Pottery and Art for young people age 12 and over.

Ferriman's Esso

Quality  *Service*
with a
firm guarantee

Everyone is invited to Open House & Registration on January 5th from 10 a.m. to 9 p.m. at 71 Bethune Blvd. (just south of Kingston Rd. at stop 25A). Displays and Demonstrations of all crafts will be featured. Classes will commence Monday January 10th. For further information telephone 266-0991.

Kadettes

by Mary Bullied

It has been brought to my attention on several occasions, that most of the residents of Guildwood Village are under the impression that the Guildwood Kadettes are sponsored by the Community Association but are a self-supporting Corps. We use the name Guildwood Kadettes as the majority of our girls are from the Guildwood Village area. The Corps raises money by charging each new girl a \$2.00 registration fee and 50¢ each week for her lesson. Batons are purchased through the Corps for \$6.00 each, giving the Corps a 70¢ profit on each baton.

I would like to thank the residents of the Village for purchasing chocolate bars from the Kadettes as this money will go towards the purchase of their new uniforms. The Kadettes are hoping to raise enough money between now and spring so that they can go on parade next year in new outfits. If we can raise enough money, we will be able to form a colour guard as well.

This year we attended six parades, the Twirl-A-Rama, and the Strawberry Festival at Washington United Church. On November 20th, the Kadettes were in the Christmas Parade at Cedarbrae Plaza and immediately following the parade went to Parkway Plaza to be in another parade. On November 27th, we were invited to Port Credit to march in their Christmas Parade.

There are still a few openings for new girls this winter, and anyone wishing to join can contact Mary Bullied at 267-1526 after 5 P.M. We practise each Monday night from 7 to 8 P.M. at Jack Miner Senior Public School on Guildwood Parkway.

I would like to thank everyone for their support during 1971. On behalf of all the girls and myself in the Corps and all the parents who have assisted us in so many ways, I would like, at this time, to wish everyone Season's Greetings and a very Happy New Year.

Laurier Girls' Athletics

This fall the girls at Sir Wilfrid Laurier have been engaged in a variety of activities. The most prominent of these was basketball. Lauriers Senior Team after only one loss during the season and an exciting win in the semi-final game lost out in the two-game total point final series against Woburn. Another successful season was turned in by the girls powderpuff football team as well. The record was three wins one loss and then a loss in the fin-

al game. Upcoming events are archery and swim nightsearly in December.

HOWLING

At the end of the first series the team standings were as follows:-

TEAM STANDINGS	PTS	TOTAL PINS
1 Don Anco	33	23,023
2 Fran McGregor	32	22,776
3 Ernie Clark	30	22,623
4 Frank Martin	26	22,346
5 Bill Kucharski	25	22,767
6 George Good	25	22,104
7 Barry Butcher	21	22,345
8 Jim McKinley	19	21,238
9 Harry Spence	18	21,494
10 Gord Pearce	16	21,666

We would welcome a call from anyone wishing to be put on our spare list and feel sure they would enjoy an evening with us.

Please contact:

Bob Jones	266-3085
Mary Martin	266-2363
Doris Jessop	266-3255

CURLING

The loss of the Tam-O-Shanter curling rink almost spelled disaster for the Guildwood Village Curling Club this year; however our very energetic executive under Les Brocklesby scurried around and finally came up with ice time on Sunday evenings from 9 to 11 P.M., at the Whitby Curling Club and competition got underway on October 24th. As in previous years we have two sections in operation on alternate Sundays.

After two nights of curling, the standings were:

First Section	Pts
Les Brocklesby	20
Dave Uren	17½
Bernice Foster	14
Bernie Hughson	13
Jim Foster	13
Bruce Jones	11
Jerry Piitz	10½
Bert Payne	5

Guildwood Villa Nursing Home

60 Guildwood Parkway

OPEN HOUSE BAZAAR CARNIVAL

Saturday DEC 4 1971

130.430 P.M.

All Welcome

Second Section

	Pts
Bob Arnold	22
Bruce Jones	20
Bert Payne	15
Bernie Hughson	13
Bill Denny	13
John MacMillan	9½
Ethel Niewolski	6
Orval White	5½

The Club Executive would like to say a special word of thanks to all the members who remained loyal throughout the weeks of indecision while suitable ice was being sought and found. It was worth waiting for, wasn't it?

We are in need of spares to fill in (and possibly curl full time). If you are interested in a pleasant social evening and a little exercise on Sunday evenings call Rex Scaiff at 266-6136 or Bruce McDonald at 261-5602.

CUBS & SCOUTS

SCOUTS

Three boys in the neighbourhood are holding their heads up high, because their fathers have proved to be more than just food providers. We thank Don Willie for re-starting the Scout troop, with the assistance of Mike Buccci and Bob Pulfrey. The troop is already at full complement with over 24 boys, which is causing problems because we have cubs from all four packs ready to move up into scouts but no troop to go to. I guess that there will be a couple of dozen boys prematurely leaving the Scout movement unless more fathers take up the challenge.

The new troop is following in true tradition. Twelve of the boys were out on November 23rd to help at the blood donors' clinic. Mr. Willie and his assistants can be very proud of them. We would like to take this opportunity to thank all the women and men who have helped in the past year. There are too many to mention by name but you know who you are. We wish you a Merry Christmas and a Happy New Year and hope to see you in '72.

3rd. SCARBOROUGH CUBS & SCOUTS

'C' Pack is pleased to welcome into their pack, Dave Twinem, Mark McDayter, Paul Wilkes, Steve Edge, Ken Spooner, Bernard Wond and Saeren Soth. By Christmas all the boys will be invested.

The Pack is boasting about it's skill at signalling, as a matter of fact they are challenging any of the other packs to a signalling competition. I guess 'A', 'B' & 'D' Packs cannot take that quietly, even if they don't tell us how they are doing.

ON OUR ADVERTISERS

Guildwood Pro Hardware
by Eric Parker

As most of us who are homeowners in the Village know, there is always something around the house that needs fixing and there is no better place to get what is needed for home maintenance and repair than at Guildwood Pro Hardware, one of the most popular places in the Guildwood Plaza.

Guildwood Hardware has been in business for nine years and has been a member of Pro Hardware, a nationwide group of independent dealers, for the past five years. Bob, with 15 years in the business and Jim, with 12 years, emphasize that first and foremost they are hardware merchants. As Bob puts it "Our aim is to help householders with their problems and try to give the best information at least cost."

Bob and Jim enjoy doing business in Guildwood Village because of the community atmosphere and the friendliness of people in our area. Most customers are regulars who, like the writer, know that they will get a friendly reception and reliable, professional assistance in selecting the correct hardware item for that leaky tap, defective switch or the cure for any of the hundreds of home problems and maintenance needs which arise.

Guildwood Pro Hardware has continuously supported the community and the aims of the Guildwood Village Community Association through sponsorship of sports teams. According to Bob, "Our philosophy is that a business can't take everything out of an area, we must put something back in."

This publication has been associated with Guildwood Pro Hardware for a number of years. We are pleased to have such a responsible and enterprising firm in Guildwood and urge our readers to "Support our Advertiser"

Chairman's Report

by Ron Allen

Well, November has passed us by and if you look at your calendars we're just three weeks from Christmas. It's amazing how quickly time passes when you're active-and the Association has been active. Our protest of the proposed zoning amendment on November 12 fell on several sympathetic ears but only enough to produce a 3-5 vote for the amendment. Several persons were obviously disgruntled with this decision and justifiably so. To add insult to injury was unnecessary, but for fifteen cents, it is perhaps unlikely one can expect the quality one gets for an expenditure of seventy-five cents per week. Be that as it may, many residents of Guildwood rallied to the cause and made their feelings known. The Association executive has since had two meetings and make a presentation to the Board of Control on November 24. Our thanks to Eric Parker for an excellent representation of the village residents. Again, we missed the mark by one vote, but we are not finished. We shall not accept defeat without pursuing all avenues open to us.

At present, the wheels are in motion for our contact with the Council, and here again we wish representation from village residents. We shall attend the next session of council scheduled for Dec. 6, unless some unforeseen situation occurs. We shall contact as many people as possible should the date change so mark Dec. 6, on your calendar and keep in touch with your neighbours.

We have finalized our Swimming nights and will begin Jan. 8, 1972. It was decided to not pursue a Christmas Dance but rather to follow up last year's successful Spring Dance with a similar evening in April.

If anyone is wondering about membership, our canvassers are on the road, and failing contact, please call any member of the executive.

school news

Guildwood

Open House is scheduled for Guildwood School on Monday, December 6th, from 7:30 to 9:30 P.M. Pupils will be acting as hosts to their parents and will conduct them through the school to view the displays of

work in each room. We hope the children will be especially proud of their own classroom and make sure that Mom and Dad see all the work that has been done since September 7th.

Individual interviews have been arranged by the staff during November preceding the first report which was issued on November 26th. Open House is not to be a "Discuss Problems with the Teacher Night," but rather a time where pupils' work is seen and admired, and teachers are in the classroom to greet parents and direct them to items of special interest.

During the evening there will be two brief programmes of music presented in the auditorium at 8:00 P.M. and again at 8:45. Mrs. Brown's Junior Choir (45 pupils from grades 2, 3 and 4) and Mr. Heino's School Choir (30 pupils from grades 5 and 6) will sign some Christmas selections. A group of 10 children studying stringed instruments will play a few numbers directed by Mr. Rickard.

A project of Community Involvement in the school has progressed very satisfactorily since it was proposed to the parents on Curriculum Night. Thanks to the efforts of two of our mothers we now have a system in operation which initially has been most gratifying. Approximately 50 parents volunteered to help in the school in a variety of ways such as: teaching a skill subject to a class; showing slides of foreign countries with a commentary; helping individual children with reading (18 mothers offered their services in this area) providing concrete materials for teaching purposes; helping with pupils' lunchroom supervision; assisting on excursions etc. Our teachers have access to a system of file cards from which they can readily get the names of parents who are willing to come to the school and get involved. A number of parents have already been of great help in classroom activities and we anticipate greater participation as the year progresses.

The school staff is indeed grateful for this opportunity of working with parents to make the relationship between the home and the school more meaningful.

Jack Miner

The Junior Choir of Jack Miner School, under the direction of Mr. D. Thompson, entered a competition in the East Toronto Music Festival on Thursday, November 18. Of course, they

proudly brought back the plaque of first prize! Now, it may be whispered about that this was because they were the only choir which entered this particular event. No such thing! The Adjudicator made it quite clear that she was very favourably impressed, and left us with the idea that we would probably have won, anyway. After all, we had the only choir that was ready to try, so we are proud of our singers and of Mr. Thompson.

Another musical event took place on November 30, when the entire school, 526 pupils and teachers, went to Massey Hall to attend a symphony concert. We had the entire second balcony to ourselves.

Our official opening is history now. We were pleased with the deportment of our pupils and with the response of the parents and other guests. After hearing Mr. Davidge and Mr. Miner, our guest of honour, we are all becoming more conscious of the wild birds around us. A formation of migrating Canada Geese is always a thrilling sight; it has special meaning for us now.

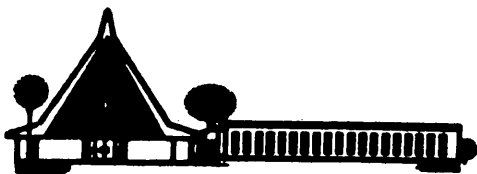

Elizabeth Simcoe

The last week in November was designated Canada Music Week by the Federal Government and there were several special events at the school to celebrate the occasion. Junior students watched an Assembly by the pupils of Room 8, which included songs and music from the history of Canada. The Primary grades thoroughly enjoyed a visit from a folk-singer, who had every-one joining in the popular songs.

The last month has seen much activity in sports. Floor hockey is very popular with Grade 4 boys and girls and Grade 5 boys. There is much competition in their House Leagues. The Junior boys' Volleyball team played hard in the Inter School competitions but, unfortunately, did not win. Grade 6 girls are involved in inter-mural Volleyball.

All our energy is now being directed toward the Christmas Concert, which will be performed on Dec. 20th and 21st. This year, Martians will land at the school to discover the meaning of Christmas through the Nativity scene, Christmas around the world and in Canada. Choirs and actors and narrators are practising hard to ensure a successful programme and we hope that parents and friends will plan to join us on one of the nights.

Report cards were sent home on Nov. 29th, an indication that the first term of the year is almost ended. School will close for the Holiday on Dec. 22nd, and re-open on Jan. 3rd. We wish every-one a Very Happy Christmas.

Alderman reports

On Friday, Nov 12, at a special night meeting of the Planning Board, the Gulf Investments Ltd. application to rezone the lands abutting Westlake Road was heard. After presentations from both sides and lengthy discussion, the application was approved by a 5 to 3 vote. This application then proceeded to the Nov 23 meeting of the Board of Control where it was approved by a 3 to 2 vote. Barring any unforeseen delay this application should come to Council on December 6th. The Association has been well represented by Nick Hunsley and Eric Parker at the above meetings, backed by over 1200 letters opposing the application. The basic argument involved in these proceedings is the observance of the existing community by-laws. Once again the real value of your \$5.00 Association membership has been demonstrated.

As indicated in a previous article the bus shelter has now been installed in front of the Nursing Home on the Parkway. At the upcoming debate on 1972 budget, I intend to provide for more funds for additional shelters. It seems reasonable that if we are serious about enticing people to utilize public transit, we should attempt to make the total system more comfortable and convenient.

If I can be any assistance to you please call me at home at 267-6720 or at the Borough 759-4747.

The Laurier Word

Grade 8 Students to Visit Laurier

Beginning on December 6th and going through December 16th, Grade 8 students from G.P. Mackie, St. Martin de Porres, St. Boniface, St. Ursula's, Scarborough Village, Joseph Brant and Jack Miner will visit Laurier.

Their trips have been set up so that students who plan to attend Laurier next Fall may have a preview of such departments as: Art, Music, Home Economics, and Shops. They will be given ample opportunity to see the school in action and will be better able to make a firm selection of the options they would like to choose for next year. Representatives from Laurier will visit the schools noted above as soon as possible after the Grade 8 students tour Laurier to discuss options available and to assist, where necessary, in the selection.

University Programme Night

Representatives from 17 Ontario universities visited Laurier on November 3rd and made three separate presentations during the evening. The attendance was greater than had been projected and approximately 15% were parents. Reports from students indicate that they were well pleased by the presentations made by the university representatives and the question and answer periods which were held afterwards. Several groups of students are now making plans to visit specific universities.

St. Ursula's

Many interested parents attended our recent meeting to discuss our newly introduced "Family Life Education Programme" in the Primary Grades. Mr. R. DeLeskie, Coordinator of this programme, was our guest speaker. We are now planning a future meeting regarding our new Grade 8 programme. We are also holding our first term Parent-Teacher interviews during the first week of December.

Our school "Steering" Committee has been active recently in discussing and planning for effective ways to involve parents more actively in the daily life of our school. The results will be presented at a general meeting near the end of January. At this time, an election of a new Executive also will be held. The Committee also will be initiating the sale of our newly designed School Crest (Contest was won last Spring by Tim Darling, now a Grade Eight student).

We have been active lately in the music field. Mr. A. Luck has had an excellent response to his offer to provide, as an extracurricular activity, weekly instruction in the playing of a harmonica. Our two choirs-Primary Orff directed by Mrs. J. Schofield and Junior School Choir under Miss M. Metzger-also have been working hard lately in preparing for our Christmas programme.

Congratulations are due to:

- Our Grade 8 students who coordinated our special Remembrance Day Observance Service in our general purpose room.
- Mrs. M. Cunningham's class for their first edition of our newspaper--"The Tribune". The children raised over \$5.00 for the Scarboro Missions. We are looking forward eagerly to their Christmas time edition.
- Miss M. Metzger for her article on our "Huronian" programme published in the November issue of the Scar-Missions magazine.
- School volleyball teams (boys and girls) who have been preparing hard for our area's up-coming tournament; also to our staff volleyball team for their recent victories in our teachers' tournament.
- Parents who have helped at the school in various ways, especially during our Immunization Clinic.

A RECENT CONCERN:-the large number of broken pop bottles, beer bottles, etc.

that we find after every week-end littering the school parking lot, running track and playground. The safety of ALL children is endangered by the thoughtless actions of a few people. We need the cooperation of all concerned Guildwood area residents to alleviate this situation.

BROWNIES & GUIDES

On behalf of the Guides and Brownies of Guildwood I would like to thank all the people who helped to make our Fashion Show a success. We realized enough money to pay off our Camp Cedarbrae allotment cover our expenses and even have some left over which will be used to purchase equipment needed in our local packs and companies.

Again I am appealing for leaders. Help is needed in our Guide Companies and we are very much in need of a Ranger Leader. Our Ranger Crew, at the present time, is closed for lack of a leader. This crew numbering around a dozen girls ages 14-18 years, was very disappointed that their unit had to be closed, however it is very difficult to find a person with the talent and time to give to these girls. I am sure anyone who could help would be duly rewarded for their effort. Please call Shirley Gray 267-6055 if you are this person.

61ST. GUIDE COMPANY

The girls from the 61st. Guide Company are well under way with their usual activities and are busy

learning new songs and games as well as the new Guide programme set out for them this year.

Late in October we had an enrolment and Badge Presentation Evening, when the guides were presented with the badges earned during the summer.

In our Enrollment we were pleased to enroll and welcome into the company, Jill Mainhood, Meika Soth and Ingrid Bjerring.

We were pleased to welcome Mrs. Marg Davies back to the company, this time as our new Division Commissioner. Mrs. Davies presented an All Round Cord and pin to Robin Weber. This was Mrs. Davies first official function in her new capacity and we would like to wish her "Good Guiding" as she takes yet another giant step in keeping the programme open for our girls and also to wish Robin all the best in Guiding with her Cord and hope she will continue to work hard.

The guides of the 61st. Guide Company would like to try and save Dominion store tapes in hope of obtaining some much needed equipment for Centenary Hospital. Each year the girls have done something for the hospital and this year they have chosen to save tapes. We would appreciate anyone who shops at Dominion Stores (over)

527TH. GUIDE CO.

Monday Nov. 22nd was a big night for the guides of the 527th. company. The evening started with a Brownie Fly-up where Kathy Shunk from the 61st. Brownie Pack and Jane McDonald from the 527th. Brownie Pack flew on to their next step in Guiding.

After the Brownies were received into the Guide Company, the Guide enrollment took place. Those enrolled were Barbara Baron, Pauline Easton, Cathy Johnson, Maureen Cox, Cynthia Gostick and Laura Leslie-Smith.

A Badge presentation came next. A total of 15 badges were presented to 11 of our Guides. Janice Fisher and Nancy Vicary both earned their Challenge Badge which is the new name for Second Class.

A Patrol Second Stripe was presented to Janet Bigall and Patrol Leader Stripes to Nancy Vicary and Kelly McDonald. Company Leader stripes went to Kathy Ellis.

The highlight of the evening was a Gold Cord Presentation to Deidre Wright who was a Ranger and is now working as an acting Lieutenant with our Guide Company. The cord was presented by Mrs. Alice Bainbridge, Deidre's ex-Guide Captain. Also present were Mrs. Annis Reid, Area Commissioner for Cedarbrae Area-Mrs. Marg. Davies, Division Commissioner for Cedarbluffs and Guide Captain of the 527th. Company. Mrs. Shirley Grey, District Commissioner for Guildwood District-Mrs. Betty Easton, Brown Owl of the 527th Brownie Pack, -Mrs. Marilyn Maclean Snowy Owl of the 527th. Brownie Pack-Mrs. Madge St.

Denis, Lieutenant of the 527th. Guide Company and three rangers from the West Hill Land Rangers.

The evening was rounded off with a campfire and coffee for all our guests, including the parents who joined us.

547TH. BROWNIE PACK

On Nov. 1st. we celebrated Halloween by having a backwards night. Not only did the Brownies wear their uniforms backwards but our whole programme was backwards: starting with Good night and ending with Hello, we all enjoyed the evening.

Nov. 22nd was Badge night. Second year stars were presented to Karen Hulme, Tracy Jenkins, Kim Warnholtz Judy Spooner and Lisa Wark. First year stars went to Maria Vandenthilart, Sandy Baker, Debbie Bernardo, Debbie Thompson, and Georgina Miller. The following received their Golden Bar-Melody Karnovan, Sharon Nesbit, Lisa Ahrens, Diane Singleton, Cathy Heslop, Lori Frickleton, Susan Matzko, Susan Ostapeic, Jennifer Austin and Patty Hewitt. Collectors Badges went to Diane Singleton, Lisa Ahrens, Maria Vandenthilart, Cathy Heslop and Lori Frickleton. Swimmer Badges to Ruth Brown, Melody Karnouan, Diane Singleton, Lisa Wark and Debbie Thompson.

497TH. GIRL GUIDE COMPANY

The 497th. Co. started the year off with a camp fire at Morningside Park on the evening of Nov. 2nd. We ate our supper, sang songs, told ghost stories and toasted marshmallows over the fire. A good time was had by all.

On Nov. 29th. five brownies from the 547th. Co. flew up to Guides. Welcome Kim Warnholtz, Karen Hulme, Lisa Wark, Tracy Jenkins and Judy Spooner.

youth report

by Ron Gostick

This year, I intend to write my articles, not only about the Drop-In centre as last year, but also about the activities of the Guildwood Youth Council and everything else that deals with youth.

Because of the success of the Laurier Drop-In last year, the Recreation and Parks Department decided to reopen Laurier to the youth from 14 up on Tuesday and Wednesday nights. The staff this year are Jessy Pool (leader) Peggy Gullins (Ricky), Peter Leonard and Ken Mapill. Activities consist of volleyball, baseball, trampoline, checkers, cards, paints and music. The average participation is between 175 and 200 people per night, a great increase over last year.

On September 27th members of the Guildwood Youth and myself approached the Church of the Holy Trinity and asked for the use of their facilities one night per week for Youth Activities. We first opened the doors Sunday, October 24 with a short informal church service (about ½ hour) in the Auditorium conducted by Rev. W. S. Watt, followed by a programme downstairs conducted by the Guildwood Youth. The programme is split up into a two week cycle, with floor hockey, ping pong, cards, checkers and music one week and community groups playing the following week. The programme starts at 7 P.M. and we have an average of 25-30 people per night and rising. THE MINIMUM AGE IS 15 YEARS OF AGE.

An advanced notice and good news. The Rock Opera "Jesus Christ Superstar" will be presented at the Holy Trinity Church, Sunday Feb. 20th 1972 for your enjoyment by the Guildwood Youth. This will be the same type of performance as West Hill United put on last Good Friday with a quadroplet sound system. Everyone will be welcome. Merry Christmas and Happy New Year from the Guildwood Youth.

Church News

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

by Rev. Gordon Fish

'Tis the season to be jolly,
fa-la-la-la-la-la-la-'
It is as well the season to be grateful for the rich experience of life given to us through Jesus Christ at Bethlehem and at Calvary. So we invite you as would the other churches in the community to come and express again the joy of Christmas in the special services through the Advent and Christmas season.

One special invitation is given to you as a family, to come and join with us on Christmas Eve at 7 p.m. May we see you then?—Friday, December the 24th at the Guildwood Community Presbyterian Church.

Now would you spare a couple of minutes and answer this questionnaire? We are interested in finding out why the churches in Guildwood are not being supported by the majority of the residents.

We would appreciate comments from you, either to the questions or anything else you would like to comment on.

1. Do you think the churches in this community are making a worthwhile contribution to community life?
2. Do you think that church is a waste of time?
3. What programmes do you think the community churches should undertake?
4. Do you attend church?
(a) Regularly.... (b) Frequently....
(c) Seldom..... (d) Never.....
5. In the event of a family crisis, would you feel free to contact a local church for spiritual counsel?
6. Would you like to live in a community where there is no church?
7. Do you think the church of to-day is obsolete?
8. Do you think there is a God?

If you wish to sign the questionnaire, then we will let you know the results and keep you advised as to further developments.

Please mail this questionnaire to the 'Guildwood Presbyterian Church' Guildwood Pkwy & Livingston Rd. Scarborough, Ontario. Or drop it in to the church. Thank you.

Holy Trinity Church.

Christmas is just around the corner. Christmas with all its joy and love. The same Christmas brings joy to millions, but increases the sadness for the lonely and rejected. It is the season of God's love, and this same Godly love in man compels him to seek out the lonely, the sad and the rejected so that all men everywhere can share in the joy that Christmas brings.

Christmas, however, is not man's creation; it is God's. The love of the Creator for man every-where is most definitely displayed when he, in Jesus Christ, came to share man's life, came to share our sorrows and joys. He offered himself to man to bring man to God and to enable man to live in his love, deepening and enriching the relationship between man and God, God and man, and man and man.

This season focuses on the love, faithfulness and dependability of God the Creator. It is centred in the birth of God's child, Jesus, the man for the whole world. An ancient Psalmist wrote, 'Be still and know that I am God'. In modern language: Stop, slow down, and think—about life, about its meaning— and about the heavenly Father who gave us this life. Take time to realize that Christmas is a time of joy and friendship.

CAROL SERVICE: Once again Guildwood Presbyterian Church, Washington United Church and Holy Trinity Anglican will be sharing in a carol service at 7.00 p.m. Sunday Dec. 19th. at Washington United Church.

CHRISTMAS SERVICES: Holy Trinity will celebrate Christmas with Holy Communion at 11.30 p.m. Christmas eve; 8.00 and 11.00 a.m. Christmas Day. The 11.00 a.m. service is directed towards the whole family, all children are urged to attend with their parents. Sunday Dec. 26th. Holy Communion will be celebrated at 8.00 and 11.00 a.m.

Laurier Boys' Athletics

Our interschool athletic program has been quite successful this fall. The activities that our athletics participated in at the interschool level included: tennis, cross country running, junior and senior football, senior volleyball and the newly founded junior volleyball.

In football, our Senior team had games in which they should have won and others in which they put everything together and came up with convincing victories. Their record for the season was 3 wins and 3 ties—placing them in third place in their division and enabled them to advance to the quarter finals where they were narrowly defeated by Thomson C.I. 2-16. As a result of the Junior team's 4 wins and 2 losses and there second place finish, they also advanced to the quarter finals and defeated Cedarbrae 31-18. In the semi-finals, the Laurier team trounced King Juniors 51-21 and earned the right to meet Midland Juniors in the Championship game at Birchmount Stadium. In a game that saw Laurier take the lead 12-7 in the early part of the third quarter, Midland came back in the fourth quarter to defeat our Juniors 34-12. Congratulations to all players and coaches on a fine season.

GYMNASTICS AT LAURIER by Wendy Gamey

Gymnastics is an art that combines exercise with self-expression. The gymnast develops a routine by working with the balance beam and bars, and becoming poised and skilled with exercise.

Early in November, practices began at Laurier for those girls who like athletics and are interested in developing grace, agility and competition. A Junior Meet will be held March 1972 at Agincourt C.I., and the Senior on April 13th at West Hill C.I. The gymnasts who win will participate in the Ontario Gymnastics Meet at York University, on April 20. The best gymnastic groups in the province will be there.

Hopefully, the talent at Laurier will make a good showing at all these events.

LACK OF SPEED IN COMPLETING DESIGN SEEMS TO BE HOLDING UP THE START OF THE NEW INDOOR POOL AT LAURIER. AT TIME OF WRITING (JANUARY 29) THERE WAS NO EVIDENCE OF CONSTRUCTION. IT IS HIGHLY UNLIKELY THAT THE SCHOOL BOARD CAN DELIVER ON ITS PROMISE TO COMPLETE THE POOL IN 1972. KIWANIWOOD SUB-COMMITTEE CHAIRMAN, JOHN MCMILLAN STATED THAT HE WILL TRY TO GET ANSWERS FROM THE BOARD PRIOR TO OUR NEXT ISSUE

Alderman reports

by Ed Fulton

In conjunction with the bottle and can recycling depot at the Midland and Ellesmere yard, I have proposed that we expand this project to include newspapers. Paper comprises about 25% of the bulk of waste disposal and is in growing demand for recycling purposes. The initial phase of this project will involve locating additional receiving bins at the yard and disposing of the paper through a private waste handling contractor.

In addition to the foregoing we are planning to undertake a pilot project with the Seven Oaks Community Association. That community has volunteered itself as a test area for reclaiming paper. Receiving bins will be located at the Centenary Plaza, opposite the hospital, or at local schools. Both of these projects will have been before Council (Cont'd Page 5)

BROWNIES & GUIDES

Plans are being made to hold a Church Parade for Brownies, Guides Cubs and Scouts at Washington United Church on Feb. 27 at 7 P.M.

In the past each group has held their own parade; this year we hope this combined effort, with a programme geared to the young, will command a large turnout. Mr. John, of Washington Church, is very enthusiastic and I am sure he will have an excellent service. The Cubs and Junior Choir from Washington will join us.

At this time of year, Brownies, Guides, Cubs and Scouts do something special to celebrate the birthday of our founder, Lord Baden Powell and of his wife which both fall on Feb. 22. We hope that this service will stimulate more interest in the movement; therefore we invite all parents, friends, and would-be Cubs, Scouts, Guides and Brownies to attend with us. We are hoping for a large turnout which might warrant making this an annual affair. Everyone is welcome. Please come and join us.

468 BROWNIE PACK

The 468th. pack recently held an enrollment of 24 Tweenies. Shirley Grey our District Commissioner attended, and enrolled the girls with the assistance of Miss Von Wenderen.

Special note was made of some of the lovely crafts made by Carolyn Smith for her 'craft badge'. Many thanks to all the mothers who helped with the food.

The Brownies recently visited Guildwood Villa, taking gifts with them. The ladies & gentlemen of the Villa were just as happy to see the girls as the girls were to see the folks.

CUBS & SCOUTS

3RD. SCARBOROUGH CUB & SCOUTS

Ladies:

Girl Guide and Brownie mothers are invited to meet with the mothers of the Cubs and Scouts on Monday Feb. 7th. at 8 P.M. in Guildwood Presbyterian Church. The meeting is to plan a joint annual card party to raise funds for the Brownies & Guides of Guildwood. We are hoping that the combined effort will yield much needed financial help for Guiding in the Community.

'C' Pack now has 36 invested Cubs. They welcomed into the pack, John Andrews, John Dixon, Steve Duke, Richard Evanshen, Kerry and Kevin Gamble, Peter Marthaler & Mike O'Leary. Gold Six won the first of a series of contests, rewarding their efforts in the cubbing program with a skating trip. A close pace exists in the second contest.

A timely bird feeding project is underway, while expanding interest in a Cub car project has every one looking forward to a possible derby around the end of March.

The Cubs of the other packs and the Scouts should nag their leaders to get away from the ski hills & T.V. for five minutes to let us all know what they are doing and plans for the future.

'A' Pack is planning a winter camp to Orangeville for Feb. 11th. The Venturers and eight senior Scouts are planning a tent camp at the Hockley Valley Scout Camp for the same week-end. Maybe we will find out how they made out for the next issue.

While on the subject of camping, any Scouts interested in going to a composite camp at Haliburton this summer should contact the Scout H.Q. for application forms as soon as possible.

We are sorry to learn that Ed. Gouge one of our leaders is in hospital. We all wish him a speedy recovery.

We are still desperately in need of an adult to help in the forming of our 'B' troop. We have 20 boys waiting, but alas no leaders for them. How about it Dad! Can you not spare one evening a week?

PANEL TO DISCUSS ABORTION

It has been said that the Church today follows and seldom leads. Has the Church something pertinent to say on the issue of Abortion in our society? The Guildwood Community Presbyterian Church thinks so and is sponsoring a panel discussion to air several viewpoints on the issue, "Abortion-The Rights and Wrongs of It!"

The participants will be Dr. Marion Powell M.O.H. for Scarborough and a former missionary with her husband the Rev. Donald Powell in Japan; Dr. Jane Schunk who, with her husband Karl, practices medicine in Scarborough and residents of our community; and The Rev. Wayne Smith, Secretary to The Board of Evangelism and Social Action, The Presbyterian Church in Canada. Moderating the discussion will be Mr. A. J. 'Bert' McComiskey. Discussion from the floor will be encouraged.

Place: Guildwood Community
Presbyterian Church,
Christian Education Hall.

Time: 8 P.M.

Date: February 6th.

series of talks on automobile safety. Through guest speakers and diagrams he hopes to make us much more aware of what is necessary to maintain a safe vehicle and in general make us more familiar with the inner workings of our automobiles. The charge for this series is \$5.00 for one person, or \$7.50 for any number of people in one family. Mr. Ferriman is returning all monies collected to the church to assist in its mission of being Christ's witness in our community.

On Sunday, Feb. 20th. at 7 and 9 P.M., there will be presentations of "JESUS CHRIST SUPERSTAR". This will be a professional production put on by many of the young people in our community, using a system which was first shown at the Canadian National Exhibition. There will be a collection taken up to offset the fairly substantial equipment rental cost. Any money over and above this will be used by the young people to further their work with the young in our community. More information on this evening is available in Ron Gostick's Youth Column elsewhere in this paper.

Everyone will be heartily welcomed at any or all of the above events.

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

by Rev. Gordon Fish

Suffering from mid-winter shloopy? Whatever the term, it would seem that there are a few of us suffering from an affliction with "my get up and go, has got up and left" syndrome. There must be a catchy word to describe this special virus of tired blood; "shloopy" can only best describe it for me.

To those of you who are not the Winter weekenders that frolic on the hills, or fortunate enough to head to sunnier climes-can we at Guildwood Community Church prescribe some alternative for "shloopy" conditions?

HOLY TRINITY ANGLICAN CHURCH by Rev. William S. Watt

We wish to bring to the attention of the residents of Guildwood three coming events which we believe will be of great interest to many.

On Sunday evening, Feb. 13th., at 7.30 P.M. John Aitchison (a resident of Guildwood and a member of Holy Trinity Church) will be showing slides taken in Red China. John was one of the first businessmen from this country permitted to enter Red China and he visited there last fall on an extended business trip. We believe many will be interested in seeing slides of a country about which we know little.

Beginning Tuesday, Feb. 15th., at 8 P.M. and continuing for approximately six Tuesdays, Mr. Sandy Ferriman the proprietor of our local Imperial Esso Station, will be conducting a

school news

Elizabeth Simcoe

The changeable January weather did little to dampen the enthusiasm of a number of Simcoe teachers who took their classes on excursions during the month. Mrs. Beach and Miss Yanoshita accompanied their pupils to Herongate Farm, the Grade 6 classes visited Kleinburg and Mrs. Donellan's Grade 1 class had their picture taken for the newspaper when they visited the strike-bound airport recently.

Things have been happening in the General Purpose Room too. Mrs. Tamberling's students had an assembly on 'Time' and Miss Lowther transformed her Grade 5 class into Ali Baba and the 40 thieves. Officer Martin visited us on January 28th. to give his presentation on Winter Safety. In this connection, we should spare a word of thanks for the faithful Safety Patrol, who have an unenviable but vital task at this time of year.

For the annual Professional Development Day, the Scarborough Board of Education is closing half the Schools in the borough on Feb. 9th. and the rest on Feb. 23rd. This will enable teachers to visit each other and observe the teaching situation in other schools. Elizabeth Simcoe will be closed on Feb. 9th. and the teachers will be going to several different schools in the morning, returning in the afternoon for a Science workshop.

Looking ahead to Spring, Education Week will be held at the beginning of March and we shall be repeating the Art Week which was so popular two years ago. We shall be inviting parents with special skills or talent to come to the school to demonstrate or participate. Start digging out those Paint-by-Number sets! On the subject of digging, Mr. Donnelly will soon be sending out his order forms for Spring flowers. Plan ahead for a colourful garden and help support this school project.

Guildwood

Professional Development Day for this inspectorate is scheduled for Wednesday, February 9th and our

school will be closed to permit the teachers to take part in various educational activities.

In the morning, the staff will be involved in a workshop at the Audio-Visual Centre at the Scarborough Board of Education. Some of our teachers are going to Elizabeth Simcoe School in the afternoon to participate in a Science workshop arranged by the staff of that school. A few teachers have elected to use this day to visit other schools in Toronto and Scarborough to look for new methods and ideas to employ in their own classrooms.

A new Library Resource Centre will be constructed at Guildwood School this Spring. The Board of Education has approved the conversion of two classrooms on the ground floor on the east side of the building for the new Centre. This will give an area of approximately 1600 sq. ft. in which will be an office work room, an audio-visual room, shelving for books, carrels for individual work, new tables and chairs where children can read or do research work etc. If all goes according to plan this project should be completed in May.

We have entered a junior girls' volleyball team in the Scarborough League which commences early in February. The girls have been practising faithfully each day for the last two weeks and are looking forward to their first game. The boys are involved in a House League which is composed of five teams with about fifty boys participating. They play their games from 8:00 to 8:45 in the morning and the competition is very keen. The winners of this House League will be presented with crests.

On February 11th we are having a penny line at the School to raise funds for the Canadian Junior Red Cross. Mr. Rickard, the Library Resource Teacher, has organized this project and classes are competing to win the prize for the longest penny line.

Laurier

Laurier's annual variety show is coming up shortly! There will be three performances, under the direction of Mr. Jack Laing, on Feb. 17, 18 and 19.

GUILDWOOD CLEANERS
(Guildwood Plaza)

Latest and Most Modern equipment, right on the Premises!

SAME DAY SERVICE!

Shirt Service • Cleaning
Expert Tailoring • 267-1873

The show will feature the Junior and Senior Bands, the Trinidad Pride Band (Thursday only), the Laurier Steel Band and a Rock group. There will be lots of variety-classical music, dance numbers, songs, skits and one-line laugh-ins. There will be a special variety night assembly for the students on Feb. 14th. Admission-Adults \$1.50, Students \$1.00.

On Feb. 10th, Grade 11 Home Economics students will go on a field trip to Ryerson and the Royal Ontario Museum. At Ryerson students will be given an outline of Vocational opportunities for Ryerson graduates. They will also visit the Early Childhood Education Department. At the Royal Ontario Museum our students will study Historic Costumes and Pioneer Living exhibits. Mrs. M. Smith and Mrs. A. Easton will accompany students on the tour.

On Feb. 11th. Mrs. J. Sandbrook will take her "World Politics" students to the Art Gallery to see an exhibition of Soviet Art and Architectural Models in the period from the Storming of the Palace to the rise of Stalin. Related News Reels will be screened.

On Feb. 11th. a group of Grade 13 students accompanied by Mrs. A. Arrell and Mr. A. Fletcher will visit the University of Guelph. Students will have an opportunity to visit the faculties of Arts, Science and Family and Consumer Studies.

N. FOSTER & SONS

REALTORS

113 GUILDWOOD PARKWAY

St. Ursula's

Family Life Education programmes have been approved this school year for use in every Catholic School in Primary Level and the Intermediate Level-Year 2. We held a special meeting on Jan. 27th. with the parents of our Grade 8 students to discuss this new programme.

On Jan. 4th. the Young People's Theatre Group under the direction of Mrs. S. Rubes presented an exciting "Audience-in-the-Round" play "Let's Make a World" by Leonard Peterson to our Grade 4, 5 and 8 students. The children certainly enjoyed their opportunity not only to see a live theatre presentation, but also, being "actors" in the various scenes.

Mr. W. Boyle's Grade 7 and 8 students are working hard now in preparation for their four-day education excursion to Quebec City and the surrounding area during the month of March. The students will be staying at the "Auberge" on Ile d'Orleans. During their visit to a Quebec school, the students, as part of their preparation for the trip, will present in French a pre-recorded slide and tape presentation of "Toronto-Where We Live". Congratulations also to the many parents who organized bake sales, Saturday movies and a "Bon Voyage" School dance to help raise the necessary funds.

During the month of February, we are having a special Arts and Crafts Festival for all our students. There will be a wide variety of choice among many activities, ranging from ceramics to furniture refinishing. The children thus will have an opportunity to use new tools and materials to gain the necessary control and skills in such "leisure-time" activities.

On the sports' scene, our school basketball teams are preparing for their upcoming tournaments during the month of February.

During the first week of March, two groups of children from our school (Miss M. Metzger and Mrs. M. Cunningham class) will participate in the Board's Annual Dance Festival at Eaton Auditorium. The children are enthusiastically learning two Scottish dances-Hebridean Weaving Lilt and the Petionella-for this occasion.

Mr. J. Clarke's Grade 5 class recently enrolled in the Junior Red Cross Youth programme. This programme is important in the promotion of practical citizenship, as well as, in helping others less fortunate than ourselves. This year we will be asking for your support for the 1972 campaign.

ALDERMAN REPORTS (cont'd from Page 1)

prior to your receiving this newspaper. Assuming we receive approval, the depots should be in operation by the end of February. Judging from the number of calls I have received related to recycling, these projects should be successful. If the public responds, I will make every effort to expand the bottle, can and paper recycling program. The next step will be to locate depots at major shopping plazas and to involve Community Associations, such as Guildwood, in local projects.

I regard recycling as one of the more important aspects of my job as your Alderman and I intend to involve myself with this effort wherever possible. If you have any ideas or suggestions along this line please call me at 267-6720 or 759-4747.

road race

15 KILOMETRE ROAD RACE-FEB. 6th

The Metro Toronto Road Runners Association will be holding their second annual 15 Km (9.3 miles) Road Race in Guildwood Village starting in front of the Plaza at 1 P.M. Sunday Feb. 6th. The route the runners will follow is via Prince Philip to Sylvan, cutting back on South Marine to Livingston, around Toynbee Trail to the Parkway, east around Greyabbey Trail, then north and east to West Hill with the runners returning via Kingston Rd., under the Go-Train underpass and finishing in front of Guildwood Public School.

This should be an excellent race and, weather permitting, fast times should be recorded as some of our country's top distance runners will be competing. The MTRRA was most appreciative of the help given by members of the Guildwood Community during the two races they held down here last year and the members voted strongly in favour of holding this race and the Canada Day Marathon here again this year. So, come out Sunday and watch this race or at least look for the runners as they pass your house and give them a cheer or word of encouragement as they go by.

Stone Cottage Inn

Senior Citizens

GUILDWOOD SOCIAL CLUB SENIOR CITIZENS

On the evening of Dec. 8th the club attended a Scarborough Players production of "Ladies in Retirement".

We held our annual Christmas Party on Dec. 15th. The evening began with a sit down dinner at 5.30 with 50 enjoying a lovely meal. Everyone agreed the roast beef was delicious and we wish to thank those at the Red & White who cooked, sliced and packaged it. Dinner was followed by a tour of lights after which we returned to the Church of the Holy Trinity for a carol sing and entertainment. Santa arrived to assist us with our gift exchange and although there was no mistletoe all the ladies received a very hearty kiss.

On Jan. 18th Eva and Joe Tiffin celebrated their 50th Wedding Anniversary. Sincere Congratulations to our Santa and his bride.

We are preparing for another mini bazaar scheduled for March. Details to follow. Proceeds from the bazaar will provide funds for the club's all day excursion in June.

Our meetings are held at The Church of the Holy Trinity on the 2nd & 4th Wednesday of each month at 1.30 p.m. The programme is varied and we extend a warm welcome to any resident of Guildwood who would like to share an afternoon with us.

On occasion we find ourselves short of drivers to take members to and from meetings. Anyone interested in helping the Senior Citizens of this area please call either Marlene MacIntyre 266-8195 or Jean O'Connell 261-3837.

kadette news

by Mary Bullied

With spring rapidly approaching, the girls in the Corps are busy smoothing out their new routines for the upcoming parades; Due to the hard work done by the girls through the

air chocolate bar sales and hand bill deliveries, our finances are slowly improving. We feel confident now that the girls will be outfitted in new uniforms for the upcoming season. We would like to thank the following merchants for their support: Small World Children's Wear, Pizza Village, James E. Hyatt Limited and Carl Wood at the Dairy Barn Stores.

We would also like to thank all parents and friends for their assistance with the chocolate bars.

Due to a most generous contribution from the International Police Association, Region 2, Canadian Section as a part of their efforts to assist youth work throughout Metropolitan Toronto, the Senior Corps will appear in new uniforms shortly. I would like to personally thank these people for their contribution of \$500.00.

On Jan. 28th, a dance was held by the Guildwood Kadettes and the Royalettes of Scarborough at the Cedarbrook hall on Eastpark Blvd. A great assortment of fine prizes were donated by the merchants of Cedarbrae Plaza. A list of donators will be printed in the next issue. Proceeds of this dance have been divided between the two Corps and will go towards new uniforms. I would like to thank all the parents and friends (about 120 people) who attended.

MPP REPORTS

by Margaret Birch

One of the many problems facing us to-day is how to get the best use out of our schools, not only for educational purposes but for the benefit of the community as a whole.

It is a problem the Ontario Government now hopes to do something about. During the mini-session of the Legislature held in December a committee representing all three parties in the Legislature was named to enquire into the use of educational facilities in the province.

Briefly these are the guidelines: Wider community use of educational facilities at all levels from public schools to universities.

Year-round use of such facilities for educational and/or community programs.

Ways and means by which the above-mentioned activities could be brought about and emphasized.

How do the residents of the Guildwood community feel about this problem? How best can we use the facilities at Laurier, Jack Miner or any other schools in Guildwood? It is an intriguing question, and as a member of the committee I would like to hear your ideas.

The committee plans public hearings throughout Ontario and several will be held in the Toronto area. If you have any thoughts on this question put them on paper and send them to me either at my office at Queen's Park or my home, 53 Burnview Cresc.

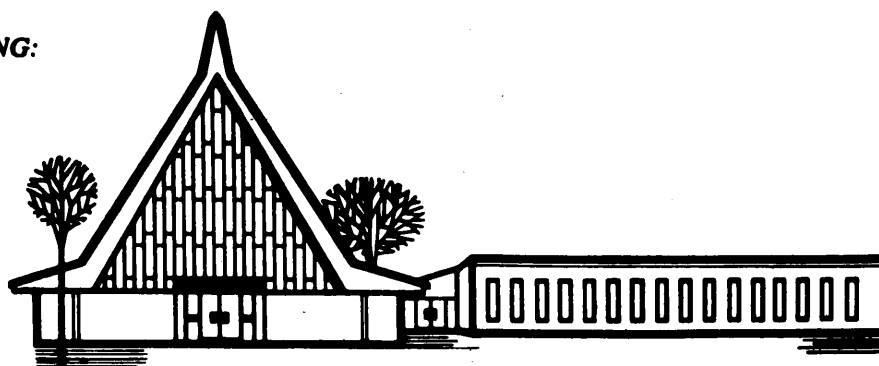

Mothers of cubs and scouts

To the sixteen ladies who sewed 50 blue and 25 white scarves this year, many thanks. We now have enough scarves to finish this term. Any ladies who have not returned the finished scarves would you do so as soon as possible.

Chairman's Report

I've been looking in at the ice rink and hope that we have at least enough cold weather left to allow everyone a chance to enjoy this facility. Unfortunately, poor weather in December resulted in the boards being knocked down and it being impossible to produce a good ice base. Thanks to certain people, this is being overcome and I look forward to letting everyone know who to thank at the end of the season.

Without pushing the seasons too quickly, I am pleased to say that our Social Director has plans for our Spring Dance well under way - and it looks to be as enjoyable as last year.

We will shortly be looking into Canada Day Celebrations and we are interested in opinions regarding this program being conducted on July 1st or using the May 24th weekend. Contact any member of the executive and get your thoughts on record.

Ron Gostic and his committee were responsible for a very successful dance on Jan. 21st featuring the Rock Group "Draco". The evening was well planned and concluded without incident producing a profit and a vote of confidence in our youth.

I am looking forward to seeing the production of "Jesus Christ Superstar" which Ron and his committee will be presenting, later this month. Keep an eye open for advertising posters.

Looking forward to seeing you at our next swimming night, Feb 5th. Look for me, I'll be wearing blue water wings.

GUILDWOOD GETS RECOGNITION! Picked best in Scarborough

THANKS TO THE EFFORTS OF OUR ALDERMAN, ED FULTON AND TO OUR OWN ACTIVE ORGANIZATION IN GUILDWOOD VILLAGE, THE COUNCIL OF THE BOROUGH OF SCARBOROUGH HAS VOTED US THE "GROUP OF THE YEAR".

SOME OF THE ACTIVITIES WHICH CONTRIBUTED TO THIS HONOUR INCLUDE KIWANIWOOD, OUR SPONSORSHIP OF SPORTS, ICE RINKS, SUPPORT TO VARIOUS ORGANIZATIONS, OUR DANCES AND FAMILY SWIM NIGHTS, INSECT SPRAY PROGRAM, SCHOLARSHIP AWARDS, OUR ANNUAL CANADA DAY PARTY AND LAST BUT NOT LEAST THIS PUBLICATION.

Guildwood Featured on T.V.

The Guildwood Village Community Association was recently featured on a cable TV program in Metro Toronto. The program, one of a monthly series produced by the Federation of Citizens' Associations Scarborough, (FOCAS) was an in-depth look at different kinds of community groups and their successes and failures broadcast on York Cable TV February 24. Guildwood was the illustration of a successful association!

LAURIER POOL TENDERED.

LAURIER POOL REPORT (THE NITTY GRITTY)

by JOHN MCMILLAN

"What's happening to the Laurier pool? is a question I'm sure a lot of people are asking. As chairman of the Kiwaniwood Subcommittee, it's a question I've been asking myself too. Accordingly, I have spent some time recently in checking with people "in the know". I have spoken to Ward Seven Trustee Reg Stackhouse, Alderman Ed Fulton, Recreation and Parks Commissioner Jack Keay, Superintendent of Plant for the Board of Education Tom Lennard, and School Board Architect Doug Smith. I'm up to date now on what is happening and I'd like to pass it on to you.

CHAIRMAN'S REPORT.

by Ron Allen

I am concerned by the fact that few people have responded to questions put forward in the News and Views. So, I ask again-May 24th weekend or July 1st for our Guildwood Celebrations? Call anyone on the Executive and register your vote, and your support if you wish to assist in the preparations.

Two weeks ago, your Association was honoured twice. We received the Borough "Group of the Year" award and were requested by F.O.C.A.S. (Fed. of Comm. Ass. in Scarb) to participate in a video-tape production for York Cable T.V. on Community Associations. We hope to have this tape available for our next General Meeting in April.---So the Association is still active and doing something. How about you?---If you're interested in becoming involved let us know.

By the way, membership returns seem to be slowing down a bit. If you haven't been contacted as yet give Nick Hunsley a call or myself.

One final note, we are considering continuing the "Mosquito Spray" this summer--so if you are bothered at all by the insecticide please let a member of the Executive know and we will put you on our "Call" list prior to the start of spraying. See you in the pool at Centennial.

CHURCH NEWS

THE CHURCH OF THE HOLY TRINITY

by Rev. William S. Watt

Last Sunday evening many of us thoroughly enjoyed a most enjoyable and professional presentation of "Jesus Christ-Super-Star" put on by many of the young in our community. On behalf of those who were in attendance I wish to thank: Mark Johnston, Dave Jackson, Ron Gostick, Rick Rogers, Scott MacIntyre, Pat Hennessey, Jeannie Hubertm, Barb Smith, Sharon Stone, Glenn Slade and Garry Marrow. Congratulations, and thanks for a most enjoyable evening.

We are now in the season of Lent. Perhaps it is time for many of us to unwind and start thinking about the meaning of life and the meaning and direction of all our activities.

In the Crucifixion scene, Pilate asked Jesus 'What is Truth?' Pilate was obviously a man who lacked the courage of his convictions. He was unable to find any fault in Jesus, no reason to judge him guilty, nevertheless he did. Why? The Gospels are quite clear. Pilate was afraid to become unpopular. He wouldn't stand up and be counted for what he believed. His decisions were based upon security and popularity, rather than on his own belief.

I believe there is a bit of Pilate in most, if not all of us. We are quite certain that we know what is right, yet we all to frequently act in the opposite direction. We are more inclined to establish our priorities in life on convenience, popularity and personal pleasure rather than on conviction.

Jesus had answered Pilate's question (and the question of many this day and age) when he had earlier told his disciples that 'I am the way, I am the truth, I am life'. Lent gives us the opportunity to assess our personal priorities, and our life's direction, before the great wonderful day of love;-Easter.

Holy Trinity is holding mid-week on Wednesday evenings during Lent. We invite all to share in Our Lord's gift of himself through his sacrament of Holy Communion and spend a few minutes contemplating the meaning of our lives, by relating them to the people involved in the crucifixion incident.

There will be services held Maundy Thursday evening and Good Friday in conjunction with Guildwood Presbyterian Church. Then Easter day will be celebrated with Holy Communion at 8.00 A.M., 9.15 A.M. and 11 A.M. All are most heartedly invited to share with your neighbours and friends in these services.

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

by Rev. Gordon Fish

February-March is that time of year when many of us find the going rough. We envy those who are able to go South. We who stay at home read our pulse and diagnose our condition as 'tired blood.'

But then, Christians are supposed to be 'bouncy' people. You know-the effervescent type, bright-eyed and eager. Unfortunately there are too many so-called Christian people who lack that special 'sparkle' and prove to be poor advertisement of what the life of Christ is all about. A philosopher of quite a number of years ago, Soren Kierkegaard, told this parable that may well speak to your problem and mine:

"Once in a dirty barnyard surrounded by a high fence, there lived a flock of geese. Every Sabbath morning, there came into their midst a strange creature, known as, "the preaching goose". This bird spoke to all his fellows. He told them that they need not stay in that barnyard. Beyond the board fence, he said, there were green pastures, blue skies, running brooks, freedom and happiness. He pointed out to the geese that God had given them

wings to fly. They need only to use their wings to escape from their dreary prison to the real world beyond. The geese never tired of hearing the message. To them, it was good news. They looked excitedly to one another and praised their preachers style of oratory. But one thing they never did: they never stretched their wings and flew, for as Kierkegaard said, the corn was fattening and life was secure in that barnyard."

Now if you think that this is a plug to pick up and fly South-you're wrong!

Please Note:

A series of Pulpit messages at our church are meant to enrich the step of discipleship. We follow a theme of 'Would-Be Disciples.'

A keen welcome to you to consider the Cause of Christ at this special Season of Easter.

REALTORS

113 GUILDWOOD PARKWAY

SCHOOL NEWS

JACK MINER

On Thursday, February 3, forty of our students and teachers, well bundled against the cold weather caught an early morning train for Quebec City. After a day in a school there, they spent the week-end with French-Canadian families, whose children are studying the English language, and returned to us on Monday to thaw out and try to express themselves in English again. We look forward to meeting their young hosts when they make a return visit to us in May.

Another Thursday, February 17, was the date of a "String Workshop" which was operated at Jack Miner School by the Music Department of the Scarborough Board of Education. Three hundred and twenty-nine students, of Grade Seven or even younger, each with his violin, viola, cello, or bass, being drilled by Mr. Tom Monohan, principal bass-player of the Toronto Symphony Orchestra, made a wonderful and inspiring sight, and brought forth sounds, which one could plainly hear improving as the morning progressed. If your son or daughter practises a stringed instrument while you endure, cheer up! You aren't alone. When you hear your offspring in a real symphony it will all seem worth-while; in the meantime there are few sights more beautiful than a row of young faces, showing earnest concentration on the experience of making music together.

We hate to talk again of fund-raising, but when Metropolitan Toronto is planning to create in Scarborough a Zoo which will rank among the finest in the world and we have the opportunity of sharing in the work, we can't resist the urge to be in on the ground floor and participate in "Noah's Project." This is a plan of the Scarborough Board of Education which will allow us to choose a prospective zoo tenant and pay for it! What about that?—We'll be part owners of the best zoo in the world! Further information will follow, as the students are forming a committee to take up the matter.

We are looking forward to "Police Week", which will begin on March 27, and make us feel more inclined to return to school on that day, after our winter break. We are hop-

ing to have some of the police experts visit us during the week to bring us information on police training, methods of prevention of crime, detection, finger-printing, etc. It lets the world know whose side we are on, too.

GUILDWOOD

Our "Penny Line" competition held on February 11th to raise money for the Canadian Junior Red Cross was a great success. Total amount raised was \$228.12! The winning classroom was Mrs. Heinze grade 5 pupils whose total was \$48.84. They were closely followed by Mrs. Brown's room with \$41.28 and then two grade 2 classes, Mrs. Eisler \$31.50 and Mrs. Banks with \$30.14. We are proud of the pupils for their generous contribution which has been forwarded to the Junior Red Cross. Many thanks to Mr. D. Rickard who organized and directed this effort.

The Junior Girls' Volleyball team was eliminated in their league competition but played some splendid games. They won all their home engagements, but were unable to do as well when playing at other schools. The girls were very pleased in their last encounter with Heron Park School who won the group, because we were able to defeat them in two straight games. It looked as though our team was just reaching their peak performance when the league ended.

We are planning to present an operetta "His Majesty's Pie" written by Mr. K. Bissell during Education Week March 5-11. This operetta will be directed by Mr. J. Heino, and Miss S. McDowall and Mr. D. Rickard are assisting. We will again be indebted to our very able accompanist Mrs. D. Gannicott. Further details will be sent home to parents early in March.

ELIZABETH SIMCOE

We recently sent out one of our information bulletins to parents and we hope this brought them up to date on school activities. We should like to repeat some of the more interesting items as a reminder to check the dates off in your engagement Calendar.

Education Week is from March 6 to March 13 and teachers have some exciting plans for art activities. We have had several volunteers come

forward from amongst the parents, to assist and demonstrate art techniques during the week. The school will be open for visitors between 1.30p.m. and 3.30 p.m. each day and Open House will take place in the evening of March 13.

Although a little further in the future, preparations have also begun for the Spring Thing at the beginning of May. In previous years we have called this event our Music Night, but we feel the new title more appropriate to the variety of dances, gymnastics and musical presentations which make up the programme. We hope to have something to please everyone.

Thinking ahead to next year, our Senior Kindergarten Registration will take place on May 9th and 10th. The format will be changed a little this year and details will be sent out later. Please make a note of the dates and pass them on to any new neighbours with pre-school children.

The school will be closed from March 18th to 26th inclusive for the Winter Break and again from March 31 to April 3rd. for Easter. Report cards will be sent home on March 27th.

ST. URSULA'S

Our annual Professional Development Day is scheduled for Tuesday March 7, 1972. School will be closed to permit teachers to attend the morning session at O'Keefe Centre, as well as a number of special afternoon workshop activities in our local area.

Our first "Arts and Crafts Festival" was a great success! We wish to thank more than 40 mothers who so generously donated their time and special skills for this special programme. The mothers were involved in demonstrating various crafts, running a nursery and keeping the coffee hot and ready.

The excellent creative efforts of the children will be on display during our annual Open House, Monday March 6, 1972. All parents are most welcome to drop in and view the wide variety of activities.

In connection with our Arts programme we also had an interesting and talented Don Mills Artist visit Mrs. M. Cunningham's Grade 8 class-Mr. Jim Shortt. He brought an oil painting and a number of slides with him to show the results of his output this past year.

A special thanks to all the parents who organized our very successful Quebec City school dance recently held at St. Boniface Church Hall. Preparations for the trip are now almost complete. The class will leave Wednesday March 8 and return Saturday March 11, 1972.

Congratulations to Linda Metella (Grade 7 student) our school Public Speaking contest winner and participant in our Area's recent Trustees' Public Speaking Contest held at St. Victor' Catholic School.

A number of senior students have designed science projects for the Board's Science and Mathematic Fair held during March. These exhibits range from a Photoelectric Cell to a study of Hydraulic Engineering. Students presently working on their projects are-Tim Darling, Peter Thelander, Ronald Wulf, Tim Walker, Michael Wenzel, Peter Burns and Mike McGovern.

We also have been busy in the outdoor education department. Class trips have been planned for such places as the Ontario Science Centre, Bruce's Mill and Cedarbrook Park.

LAURIER

Winter examinations will begin on Friday March 10 and terminate on Friday, March 17. The following week is the winter break.

You have tried the rest
now try the best !

VILLAGE BARBER SHOP

LADIES' HAIR CUT
MEN'S HAIR STYLING

119 Guildwood Pkwy (261-0795)
... in the plaza.

The Music Department sent a Flute Quartet, A Saxophone Quartet, A Woodwind Quintet and a Trombone Ensemble (8 players) to Wexford Collegiate on February 24th. The Laurier groups participated in the Music Festival in the morning.

On Wednesday March 1st a Junior Mathematics Contest was held at Laurier. The contest was sponsored by the University of Waterloo. The purpose of the event is to encourage the study of Mathematics in the Collegiate Institutes and to provide a yardstick to evaluate the Mathematics program.

BOYS ATHLETICS

Athletic activities at Laurier during this winter term have been quite favourable. Both the senior hockey and basketball teams finished first in their respective divisions--the first time ever for our puck squad and the first time in four years for our cagers. While the hockey team 'bowed out' in the semi-finals to MacDonald, the basketball team defeated Midland in their semi final game. They are now entering into a two game total point series with Cedarbrae Collegiate for the Scarborough Senior championship.

In winter outdoor education, a full day of skiing, snowmobiling, skating and snowshoeing for the grade 12 students took place at Mansfield on February 8. This day allowed our ski team a final day of practice prior to the Scarborough Championships where Laurier did exceedingly well, capturing 3 out of the 5 trophies--girls' slalom, giant slalom, and overall team trophy. Congratulations to the ski team for their first ever Scarborough Ski Championship.

In the wrestling finals, Claude Kailan was second in the 90 pound division, Ken Howes placed third in the 141 pound division while Craig Finlayson placed third in Scarborough and in the TDIAA finals.

GIRLS ATHLETICS

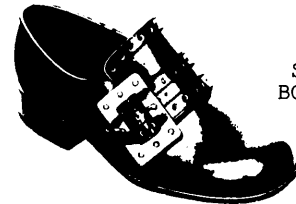

In the field of athletics the Laurier girls are in the midst of Gymnastics and Volleyball playoffs. The Scarborough Junior Gymnastics Meet took place on March 1 at Agincourt C.I. The girls taking part were novices which means they have never before competed at an area meet. Three competitors from each school took part in each of the four events. (No results available at press time). The Senior Gymnastics Meet takes place April 13 and other gymnasts have been working hard to perfect their routines.

Two of three of Laurier's Volleyball teams have made the playoffs. The Midget team which placed in the top 4 in Scarborough began its playoff games on Feb. 24. The Senior team finished second in the East Division and was involved in the semi-final contest on Monday February 28. At time of writing we don't know the

outcome of these games but we are sure that our girls gave a good account of themselves.

Senior Citizens Club

It's happy birthday time again! Where does the time go? The Guildwood Social Club for Senior Citizens entered its third year on February 25th, 1972. Due to bad weather conditions, cars that were inoperable and vacationing drivers, we were forced to cancel our Feb. 23rd. meeting at which we had planned to have a birthday celebration. We will have our birthday party at the next regular meeting on Wed. March 8th.

We enjoyed the Scarborough Players' presentation of "The Anniversary", on the evening of Feb. 10th. We highly recommend this amateur theatre group and wish them much success when they perform at the drama festival.

On April 12th at 1:30 we plan another mini-bazaar. Last year's proved to be a great success, and the proceeds enabled the club members to take an all day bus trip to Niagara Falls. (We plan another excursion in June.) Plans are in the making for crafts displays, tea room, bake-table, quilt raffle etc. More details in the next issue of the News and Views. In the last issue we appealed for volunteer drivers and we thank Mrs. Sandy O'Leary and Mrs. Muriel Parker for offering their services.

Our meetings are held the 2nd and 4th Wed. of each month at 1:30 at Church of the Holy Trinity, 85 Livingston Road. Anyone interested in attending may call Jean O'Connell, 261-3837 or Marlene MacIntyre, 266-8195.

M.P.P. Report.

by Margaret Birch

One of my pledges during the election campaign was to open an office in the riding to serve all the residents of Scarborough East.

After several frustrating months searching for a suitable location we finally settled on an office at No. 1 Greenholm Circuit on the North Side of Lawrence Ave., just east of Cedar Heights Plaza.

Entrance to the Service Centre is on Lawrence Ave. There is lots of parking space available and the TTC bus stops at the door.

The Service Centre should be in full operation by March 15 and will be manned by volunteers. I personally will be at the Centre at least one night a week, ready to discuss any problems you may have.

Over a period of months we will be expanding the Centre to provide information on all types of activities at both the local and provincial levels.

Please drop in and see us.

My phone numbers are 431-0623 (Home) and 365-2951 (Queen's Park).

Trustee Report.

by Reg Stackhouse

The annual Variety Night at Laurier Collegiate was an unintended answer to questions posed at a recent meeting of parents, teachers and students about freedom and authority in our schools. Discussion at the meeting was often polarized between those who thought freedom was excessive and others who thought authority tyrannical.

But Variety Night could not have been produced without a balance of both.

It was a bouncy, fun-filled evening that kept the capacity audience entertained, even enthusiastic. Applause kept bursting out as spectators joined in the party spirit the ener-

getic, talented performers stimulated from the stage. It was clear these young people were free.

But the program showed they were also willing to accept organization, and the authority it requires. It could not have been produced without teachers and students committing themselves to hours of work and being willing to accept direction.

It is not always possible to strike the balance in the way our schools are run, but my impression is that most staff and students are making the effort. On the whole, I think they are succeeding.

did you know ?

One of the lesser known branches of Scarborough's school system is the Special Education Department which provides services for students with special needs.

Its staff includes a wide variety of skilled experts, each practising his own specialty but co-operating with the others to make an effective team.

There are two child psychiatrists, who work in conjunction with psychologists and social workers. There are reading, hearing, and speech specialists, as well as others in charge of testing. "Is all this really necessary?" might be the question a practical person could ask. The real wonder, however, should be that such a relatively small staff can deal with the needs of 87,000 students who comprise Canada's fourth largest public education system.

A student with a learning disability in reading, for example, may be "crippled" for life and needs special help if he is to develop himself. A student who is emotionally disturbed cannot learn effectively until his inner problem has been solved.

The work of this department is necessary for the sake of the individual, his family, and the society which needs him as a healthy citizen. Scarborough people can be proud they have the integrated team program this department is providing.

ALDERMAN REPORTS

by Ed Fulton

A number of residents have called me regarding the availability of cable TV. The latest information that I have is that cable will be available about July 15, 1972. Many of the feeder lines are now in and work is in progress in the balance of the area.

The public response to our recycling depot at Midland Ave. and Ellesmere has far exceeded any of our expectations. Since its start in July we have received 82,500 lbs. of glass and 25,600 lbs. of cans. The most impressive statistic, though, is that of the above poundage, 36,000 lbs. of glass and 12,000 lbs. of cans have been collected this year. This clearly indicates that public awareness and interest is on the increase and I want to thank those of you who have contributed to this success. I understand that Scarborough is now the only municipality in Canada involved in this type of project.

Each year, the Borough of Scarborough through the Recreation and Parks Department, recognizes the efforts of the various Community Associations. The "Group of the (cont'd Page 7)

YOUTH REPORT

by Ron Gostick

In this column I would like to point out some of the activities for Youth in this community with the focus on this year.

The Drop-In Center, ran by the Scarborough Parks and Recreation Department is held at Laurier C.I. Tuesday and Wednesday nights. Activities range from volleyball, basketball and gymnastics in the gym to loosely organized activities in the cafeteria. This activity draws an average of 190-200 people per night. This season, believe it or not, has passed the half way mark and the Laurier Drop-In is still the best in Scarborough.

At Holy Trinity Church, Sunday nights the G.Y.C.(Guildwood Youth Council) have a Drop-In Coffee House(with Community Groups) arranged by the Council. We are drawing anywhere from 15 to 35 people per night. A small fee is received to help finance these activities.

Parents are desperately needed to help supervise activities with Rev. Watt. Call Ron Gostick 266-0880.

The G.Y.C. is a group of 17 people, aged 17-19, interested in this community. Its main aims are to arrange, organize and run activities in Guildwood for and with the Youth. I (Youth Director) have also made this my major concern in the community. Credit it should be given to them for the following:

On Jan. 21st., an open dance starring "Draco" was held at Laurier C.I. under the organization of the C.Y.C. We received an estimated 462 people and made a grand profit of \$57.00. This is the first time in Guildwood History that a community dance has done better than end up in the "hole". On Feb. 20th. the rockopera Jesus Christ Superstar was presented at Holy Trinity. The best way to describe it is to say the performances were excellent.

For those of you who missed it, consider yourselves the losers.

Congratulations to the Guildwood Youth Council. You deserve it!

GUILDWOOD ON TV CONT'D

In introducing the segment on Guildwood, FOCAS President, Rick Green congratulated our Association on being named Scarborough's "Group of the Year". Appearing on the program were Ron Allen, GVCA Chairman, Tom Nicholson, Past Chairman, Les Brown former Chairman and a founder of the Association in 1958 and Executive Committee members Jack Killan, Barb Jensen and Bob Deane. Your Editor also appeared later in the program on a panel with Rick Green and David Cole, Director of the Ontario Government's Community Development Branch.

The program will be rebroadcast on York Cable TV, Channel 10 at 9 PM March 9. If you have any friends who are on the York system, why not prevail on them and see your Community Association in action. The program will also, in all probability appear on the Scarborough Cable System. If you have access to a set on their hookup, give Scarborough Cable a call and find out when they plan to run the program.

Camping anyone ?

FAMILY CAMPING COURSE 1972

The Borough of Scarborough Recreation and Parks Department announces the opening of registration for the Family Camping Course to be held at the Cedar Brook Community Centre, 91 East Park Blvd., (Markham Rd., South of Lawrence Ave., E.) The following dates:-

April 10th, 17th, 24th
May 1st and 8th

Camping has become a way of summer life for many Scarborough residents. Register now for the family camping course and learn what it is about. Prepare now for your summer '72 vacation.

You may register for the course by mail or the first night. Registration fee is \$5.00 per family. Registration is limited, so register early.

For further information, please call the recreation office 759-4747, Local 272.

Year" award is presented at the annual Recreation and Parks Recognition Night. My recommendation, after two previous attempts, was approved at the Council meeting of February 10. This year's recipient is our own Guildwood Village Community Association. This long overdue recognition is a tribute to the many Chairmen, Executive members and hundreds of volunteers who, over the years, have contributed so much of their time, energy and enthusiasm to this community. As a resident and a parent, thank you and congratulations

POOL REPORT

First of all, I should mention that the decision to proceed with the pool in September was a very quick one and did not leave the planners much opportunity to iron out all of the construction details. Following the main decision to go ahead, it was necessary to clarify a number of issues prior to construction. The School Board just does not have a design package available for the construction of an "instant pool". The creation of such a package is the function of the Architect.

One major decision was to provide for spectators, since the pool was to be 25 metres, a desirable length for competitive swimming. Then, if we're going to have seats, should they be of the deck-level or the balcony variety? We've opted for balcony seating on the basis of cost (the total square footage of the building can be reduced, since the seats will not extend as far back from the pool). About 450 seats are planned.

Another major decision was to adopt the unorthodox approach of "sequential tendering" so that planning and construction can proceed at the same time rather than planning first and then the starting construction. In sequential tendering, the initial planning is completed for part of the main building design and tenders

are called for this portion of the total construction. Then, while construction proceeds for this portion of the job, planning continues for the next, and so on. The total job could be divided up into four or five separate modules in this manner. The objective is, to reduce the total time for the project, from the decision

to go ahead to the time the first alderman or school trustee is pushed fully clothed into the pool as part of the dedication ceremony.

One thing which permitted this sequential tendering was the fact that actual construction was in progress at Laurier to make additional space available for class rooms and technical shops; a second was the fact that the School Board was willing to add this project to the work-in-progress. Through this happy combination of circumstances, it was possible to work with the present contractor, another major time saving measure.

O.K. so where are we now! Friday February 18 saw the first tenders opened. These covered bids by subcontractors for excavation, foundation, concrete and structure, a substantial portion of the total job. Tom Lennard reports that he is "quite content" with the bids received. He adds that there have been some increases in the magnitude of the total job due to regulations of the Fire Marshall and modifications for spectator seating. Tom believes that they are working on a "tight budget" but that there is no reason to think that it can't be lived with.

The major concern we are faced with at the present time is the rodmen's strike. The School Board is very reluctant to commence excavation of the hole itself until such time as the strike is settled because of additional costs that could be incurred as a result of water problems. Site clearance could be commenced now, but, since it can be completed in one or two days, it is not necessary.

Doug Smith, the Architect, tells me that the target for completion of the overall project is September 30, not as early as we had hoped, but, I think, quite reasonable in view of the problems encountered and overcome and the short lead time the School Board and Borough technical staff had available to them prior to construction. Doug says "We're on our way now."

I plan to attend the next meeting of the Liaison Committee, a joint team of School Board Trustees and Borough Aldermen, at which time Tom Lennard plans to present design specifications and architectural drawings of the proposed pool. This is an information session only and is intended to bring the members of the Committee up to date. I'll pass

Soccer

SOCCER REGISTRATION-MARCH 4 and 5

The Guildwood Minor Soccer Club is holding its final registration days for the upcoming season on March 4 and 5 at Maplewood Vocational School, Galloway Road between 1:30 and 4:30, P.M.

Complete registration will take place at the above times for both house leagues and representative teams in all age groups from 6 to 16. This year's registration fee is \$10.00.

Further information regarding registration may be obtained from Wally Kerr, 261-3432.

Tennis

KIWANIWOOD TENNIS CLUB

The Tennis Club's first general meeting of the 1972 season takes place on March 4th at 8:00 p.m. at Guildwood Public School, Livingston Road. The purpose of the meeting is to elect a new Executive and to discuss plans for the 1972 season.

Nominations for elective positions will be accepted by Bill Schachow, 261-1374, right up to the time of election. Any questions regarding the positions, e.g. duties, may be directed to Bill.

Suggestions for the upcoming season will be gladly accepted and a tentative plan of action for 1972 is to be presented for general discussion. Everyone interested in the Club's affairs is invited to attend.

Refreshments will be served.

GUILDWOOD VILLAGE SCOUT COMMITTEE

In order to be able to subsidize the funds of the Cubs and Scouts, the Committee have made arrangements with a well known supplier of gardening needs to sell fertilizer and weed killer.

THERE ARE TWO TYPES AVAILABLE.

7-7-7 FERTILIZER

For both lawn and garden. Well balanced formula of 7% each nitrogen, phosphoric acid and potash. It has a slow nitrogen release to extend life of the fertilizer - puts it into the ground at a more uniform rate, over a longer period.

40 lb. bag DELIVERED TO YOUR DOOR..... \$3.00

WEED and FEED

Same as above plus a special additive to kill dandelions, plantains and other broad leaf weeds. Free running, dustless and sanitary. Application instructions on bag.

40 lb. bag DELIVERED TO YOUR DOOR.....\$5.00

Please mail the form to 236 Catalina Dr. or phone in

the order to : 261-6745 or 266-2214. Thank you.

Delivery will be on March 18th.

BROWNIES & GUIDES

547TH. BROWNIE PACK

We held an Enrollment on Monday Feb. 21st. The following were enrolled:
Kelly VandenThillart: Susan Baker:
Theresa Merton: Colleen Gosley:
Donna Clark: Linda Starr: LeAnn
Hutton: Sharon Duncan: Peggy Hornell.

One of our Brownie's Father made up the following poem for us for Thinking Day, and we would like to share it with the community.

Thinking Day

Many, Many years ago,
Lord Baden-Powell took
Some boys out on a hiking trip,
To learn to camp and cook.

From that moment Scouts were born,
Then Guides soon joined the band,
The Brownies came and with their
name,
A motto-"Lend a Hand".

On February twenty-two,
We all give thanks and pray,
And ask God's blessing for us all,
On this our Thinking Day.

The birthday of our founder,
Is a fact that we all learn,
And celebrate with birthday cake,
And a special good...good turn.

So let's all have a party,
Play games, dance and fool,
Put candles on the cake and sing,
Around our pack's toadstool.

CUBS & SCOUTS

3rd. SCARBOROUGH BOY SCOUTS

The Ladies Auxillary monthly meeting will be Monday March 6th, 8 P.M. at Guildwood Presbyterian Church. Plans & preparations will be the main topic. All mothers are welcome, even if you have not been to any previous meetings.

'A' Pack

18 Cubs and 6 leaders and fathers spent an enjoyable week-end at a lodge in the Hockley Valley during the month of February. The group went on a hike, built fires and learned how to build 'lean-to's'. Snipe hunt was held on Saturday evening. Some of the boys skied and all of them participated in the hockey game. It was a busy time, but all of the boys had a great and exciting time. Thank you fathers who helped to make it a successful week-end. Five of the boys recently were promoted to the Scout troop. They are Andrew Gray, Phillip Lessel, Ken Morrison, Randy MacNevin & Stephen Good. We wish them all good luck.

SCOUTS

Patrol Leaders Ron Sisson, David Middleton and Robert Kunz, Assistant Patrol Leaders Michael Willie and David Frickleton, Scouts Jim Smith Rod MacNevin and Robert Field, under Scouter Don Willie enjoyed-yes we really enjoyed-a camp under canvas in the Hockley Valley the weekend of Feb. 12th. It was strictly a "no heater, no stove" survival experience and we can't recall one cold toe between us. The weather was perfect, and there's something about the combination of a big camp-fire, sparks that mingle with the stars (or was it wolves eyes) cedars for walls, the quiet snow and the unimportance of time that forms a memory cell in anyone's mind. Come and join us-be part of Scouting.

Our second Scout Troop, formed three weeks ago from 14 advanced Cubs, is now well under way. We hope they will all be invested as full fledged Scouts during Boy Scout week Feb. 21st. After that, they will need more guidance with their badge work and Scout games than Scouters Don Willie and Ed MacNevin can adequately cope with. If you feel its about time you got involved with something, you couldn't pick a better time than the start of a new troop.

Venturers

Another group out winter camping were 11 Venturers Scouts and their advisor Peter Salter. They pitched their tents in the Goodyear Scout Camp, also in the Hockley Valley. They had numerous adventures, including hair raising toboggan rides

CANADIAN IMPERIAL
BANK OF COMMERCE

GUILDWOOD PKY.
& LIVINGSTON ROAD

G.W. "Bill" BAILEY

Manager

Tel. 267-8278

down the steep hills, wild ski-runs and learned many lessons about 'survival'. What is more important, the boys considered their week-end a lot of fun and can't wait to start some Spring & Summer camping with the canoes they built last year.

Isn't this better reading than to read about the drug gangs and problems that some of the other teenagers get into. This type of report is only possible by the untiring efforts of the leaders, who are your busy neighbours as well. So please support all activities in which the boys participate.

The group is in the process of their annual fund raising campaign, by selling fertilizer. The Venturers have been delivering the order forms but if they missed you please fill in the form found elsewhere in this issue and send it in now.

editorial

A Community Project?

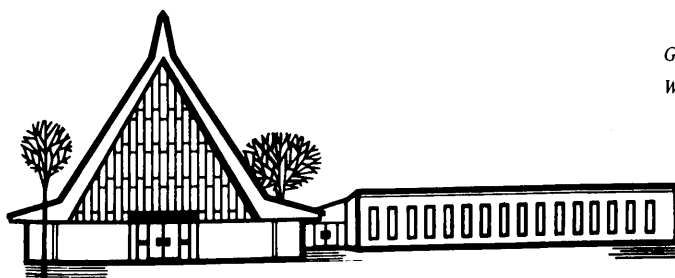

Every year in Guildwood Village as the snow melts we are faced with the re-appearance of a winter's collection of garbage on boulevards, in ditches and in our park areas.

As citizens with pride in our Village, we should all be as concerned about litter in our public areas as we are about our own private property. Unfortunately, this is probably a case of each of us waiting for the Borough or someone else to do something about it.

How about a Community Clean-up day late in April or early in May? It wouldn't take much time, effort or funds. All that we require is volunteer labour, rakes, shovels, a couple of cars and trailers plastic bags and a little organization.

If you agree that we need a spring clean-up, talk to any member of the Community Association Executive or call the News and Views. Let's keep Guildwood Village the most beautiful area in Metro Toronto. How about it?

Guildwood Celebration JULY 1st

In a previous issue of the "News and Views" it was announced that the date for our annual Guildwood Village celebration was under review by the executive of the Community Association.

Jack Killan, Vice-Chairman of the Association has announced that the celebration will take place again this year on July 1-Canada Day.

As in previous years, the celebration will feature parades, track and field meet, entertainment, games and a giant fireworks display.

Planning for the big day is in full swing. If you have any ideas or want to help out call Jack Killan at 261-1762.

- April 26-Guildwood Social Club for Senior Citizens-Mini Bazaar -tea room, bake sale, lucky draw, craft display and White Elephant Booth. Holy Trinity Church, 85 Livingston Road, 1:30 p.m.

Chairman's report

As time moves forward, it becomes apparent to myself that there is a communication problem in the Guildwood area. This thought stems from the fact that on two separate occasions through the Guildwood News and Views, I have solicited information from residents. In both instances the response was minimal. In addition, over the past few years attendance at our General Meetings has dropped considerably; so much so that at certain times we must send Members out to solicit additional votes to carry a motion, as those in attendance are not sufficient to form a quorum. There also seems to be a lack of enthusiasm on the part of the people in the area unless there is a particular issue at hand. Such functions as the sports program are continually having to try and get additional aid in the form of interested adults wishing to assist. As Chairman, I sometimes look at this and wonder whether or not we are fighting a losing battle. We were honoured recently by the Borough as Group of the Year. This is not an award of achievement for this current year's Executive or the current Association, but rather recognition for what we have become in some twelve years of operation. So now we look to the future-where are we going, what will we do, how will we go about it, and perhaps of greatest concern the question "Who is truly interested". I hope that as you read this you will scan the balance of the front page and look inside the newspaper, find out what's going on. I hope you will also be aware that the Guildwood Association members will be attending a Dinner Dance this evening. Tickets have been on sale for some two months now. We are probably sold out, but check with one of the members of the Executive if you are interested.

I also asked in the last issue of the News and Views for those who were interested in the Association, interested in becoming involved. I've received no response. This may lead one to believe that again, the Executive next year will comprise of those few who are interested in carrying on the activities of the G.V.C.A. and that Executive may be drawn from those who have participated over the past years. Surely there

The ladies auxilliary card party is coming up fast, so ladies snag your hubby, make up a foursome and order your tickets from any cub or scout mother. If you want a direct line to the ticket seller, then call 267-9831. The date is May 3rd. at the Guildwood Presbyterian Church hall. The ladies' next monthly meeting is May 1st. at the church, to plan last minute arrangements for the card party and other business. The time is 8 p.m.

'C' Pack welcomed Randy Samson, Don Grundy and Hanno Soth into the pack. The boys have been busy this winter on model projects and most of them have completed either bird feeders or 'cub cars'. What is a 'cub car'???

The pack wished Steve Grundy and Frank Morissey well, as they went up to the scouts. The boys are planning a spring hike on the Bruce Trail and around Toronto. They hope John Andrews will hurry up and get well so that he can join them. John is in Scarborough General Hospital recovering from a broken leg.

Where are you, A, B and D Packs - still hibernating?

Guildwood Social Club

Lack of drivers during the school break forced us to cancel yet another meeting on March 22nd. Consequently our mini-bazaar has been post-poned from April 12th. to April 26th. Plans are underway for a tea room, bake table, lucky draw, craft display and white elephant booth. Last year's success was due to the wonderful support of the "villagers" and we are hoping the response this year will be equally as enthusiastic. The proceeds from this sale enable the club members to enjoy a one day excursion in June, which is the highlight of our year. Please plan to attend the mini-bazaar at Holy Trinity Church, 85 Livingston Rd. on April 26th. at 1.30 p.m. See you there.

Mr. R. Allen,
50 Rowatson Road,
Scarborough, Ontario.

Dear Mr. Allen:

Congratulations to you and to the members of the Guildwood Village Community Association on being selected the "Group of the Year." I'm sure the efforts of your organization to enhance the quality of life in the community are appreciated by the residents of the area.

I appreciate receiving a copy of the "Guildwood News and Views" and wish to compliment Mr. Parker and his staff on turning out a very fine publication.

Again, congratulations and keep up the good work!

Sincerely,

K. D. Webster.

Scarborough Expressway-Good or Bad?

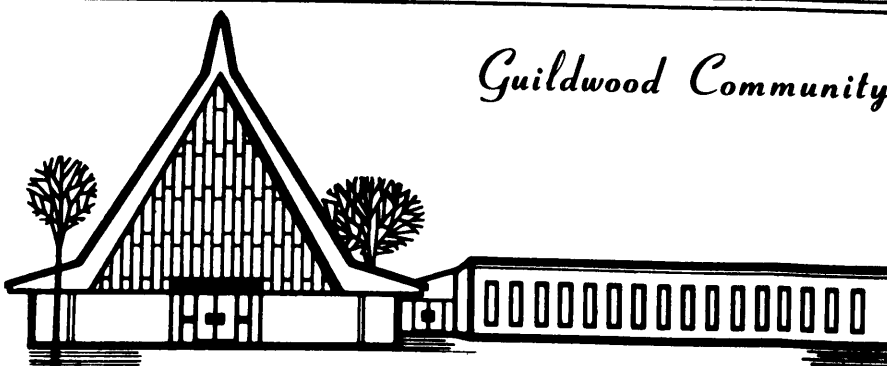

The expressway has been stalled for almost a year by the Ontario Municipal Board which ordered Metro to justify the requirements for the road. When the issue is reopened it is expected that Metro will be opposed by citizens groups whose communities lay in the path of the proposed route.

Do we need the Scarborough Expressway? Is it a faster way to get to and from downtown Toronto or just a source of noise and pollution. What is required, an expressway or an improved GO-Train and subway system? This subject will be of increasing concern to Guildwood residents in the years to come.

CUBS & SCOUTS

by Art James

Thank you One and All for your continued support, by ordering your fertilizer from us. Even though some of you doubted that the TALL Venturers who took your order were still in the boy scouts. We still have half a dozen bags of each kind left. If you wish some, then give Art James a call at 261-6745.

SCHOOL NEWS

GUILDWOOD

by G. J. Barrett

The presentation of the operetta "His Majesty's Pie" was extremely successful on both nights during Education Week. We appreciate the support given to this performance by the parents and were most pleased to have sold all seats for each night. Dr. R. F. Stackhouse, trustee for Ward 7, came at the beginning of the programme on Thursday and brought greetings from the Scarborough Board of Education.

Congratulations to all those who worked so hard to make the evenings so enjoyable. Mrs. B. Rule and her Grade 1 pupils performed very capably and gave the audience much pleasure. Mr. J. Heino the director of the operetta, Mrs. D. Gannicott our accompanist, Miss S. McDowall, Mrs. A. Teather and Mr. D. Rickard all contributed greatly to the success of the programme. Finally, a great expression of thanks is due to the girls and boys of the operetta who came through with a fine performance.

Work was started on Wednesday, March 15th on the new Library-Resource Centre. This is to be located in the area of Rooms 101 and 102 at the south east corner of the building. Mrs. Rule has moved into Room 104 next to the office, Mrs. Banks is on the second floor in Room 202 and Miss McDowall's grade 6 class have taken over Room 106.

Completion date for the new Centre is tentatively set for mid-May. We are planning to have an Open House for parents to come to the school during the day or evening to see the new facilities. Complete details will be sent to all homes when firm dates can be set.

ST. URSULA'S

by C. Cromien

On Thursday April 13th we will have pre-school registration for students entering our school for the first time in September 1972. Registration for both Junior Kindergarten (four years old by December 31, 1972) and Senior Kindergarten (five years old

by December 31, 1972) will take place as follows:-

Surnames A-L-9:00 - 12:00 noon
Surnames M-Z-1:30 - 4:00 P.M.

At this time our school nurse will be in attendance. Vision and hearing tests also will be carried out. Please pass this information along to any other Catholic Families new to the area who would be interested in sending their children to the Catholic School.

We would like to take this opportunity to thank all our interested parents, relatives and friends who came to our Annual Open House during Education week. We had an excellent attendance!

On Thursday March 16th Mr. E. Harper, our Religious Education Resource Teacher, outlined how our Canadian Catholicism programme attempts to develop the moral awareness of the child at his particular stage of development. He also presented an informative film on the Sacrament of Penance.

Our School Community Committee has decided to sponsor a School Bake Sale sometime during April. Parents interested in contributing their favourite recipe are asked to contact Mrs. M. Baxter (266-4946). More details will follow later on.

Swimming classes for our Grade 4 students will begin the week of April 3rd on Tuesday afternoons at the West Scarborough Boys' Club.

Congratulations are due to Ronald Wulf, Grade 8 student, for his recent winning entry in the General Science Section of the Board's Regional Science and Math Fair. Ronald's excellent project involved a study of hydraulic engineering. This project will be entered in the Metropolitan finals scheduled for April 5th at J. J. McGrand Catholic School, 66 Dufferin Park Avenue, Toronto 4.

Our Primary Orff music choir directed by Mrs. J. Schofield and the Junior school choir directed by Miss M. Metzger recently entertained the residents of Guildwood Nursing Villa. Miss Metzger's Grade 5 and 6 class also enjoyed this opportunity to display their Scottish Country Dancing skill.

Despite the bad weather Mrs. M. Cunningham's Grade 8 class recently enjoyed "Fiddler on the Roof", a movie based on the life and traditions of the Jewish people living in the Soviet Union. Mrs. A. Kurosky and Mrs. J. Schofield's classes visited Bruce's Mill on Monday March 27th to observe the Maple Syrup making.

Mr. Boyle's class arrived home, tired, but very excited and eager to tell all about their four day trip to Quebec City. The days were

shoes

long and filled with many visits to the famous historical landmarks in the area. Evening activities included among other things, skating and tobogganing. The students certainly enjoyed the exchange of ideas and observations with their counterparts from L'Ecole St. Laurent. The large quantity of snow piled high in banks also were a source of amazement.

JACK MINER

by Myles Parker

Now that spring and better weather are here, school will begin at 9:00 a.m. instead of 8:55 a.m.

The Noah's Project to raise money to buy an animal for the new Metro Zoo is over. We voted for a lion and we made a profit of \$1,200 after all the bills for the chocolates were paid. Prizes were given out for the largest number of orders. The first four were awarded battery-electric radios and four were given battery radios.

The highest class was 8-7 which had 1,300 orders. Three people from the class received Battery-Electric Radios.

ELIZABETH SIMCOE

What is an Alpaca? If you don't know ask one of our students. We're going to buy an Alpaca as our donation to the new Metro Zoo and all our efforts are being directed towards that goal. Remember that work of art you purchased during education week and that order for spring flowers? More money for the Alpaca. If you haven't made your contribution yet, you can look forward to our bake sale or our Spring Thing. By the way... what is an Alpaca anyway?

You have tried the rest
now try the best!

CHURCH NEWS

WASHINGTON UNITED CHURCH

by Rev. W. H. John

School for Brides and Grooms at Washington United Church on Sunday, April 23rd. Young couples recently married or contemplating marriage this year are invited to participate in a School in which discussion on preparation for marriage will be the main feature. The School will commence at 2:00 p.m.

Fully qualified professionals will be present to lead groups on such subjects as Food in the home, money and marriage, emotional areas.

Dinner will be served at about 5:30 to 6:00 p.m.

And later a panel in which the professionals will answer questions.

The staff for the programme will consist of:

Dr. B.H McNeel,
Mr. Ralph Wood
Mrs. Judy Harris
Dr. Ken Allen

Register at Washington United Church, 3739 Kingston Road, 267-1551 or with Rev. W. H. John-431-9543

Registration fee \$5.00

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

by Rev. Gordon Fish

The other night I had a dream..... In my dream I dreamt that I had contracted some special disease that quickly took its toll and I died. It was a beautiful funeral - much weeping and wailing! But of that which was said, (or might have been said) I'll not trouble you. But one of the necessities that was left to my widow and the family is one that I'm sure some of you have been concerned about. There needed to be acquired a stone, plaque or what-have-you to identify my remains from the others in the cemetery. In my dream, I dreamt that I had some say about what should be erected over my grave so I joined my widow at the business where such details are discussed and purchases made.

One could not have described the scene as being particularly happy. In spite of my presence, my wife continued to tell the business-man what a good husband she had and he nodded knowingly, though I don't ever recall seeing the fellow before. Finally a stone was purchased, Eastern Townships granite I believe; and the question was asked, "What kind of an epitaph do you wish on

your tombstone?" Then I dreamt that my lips were sealed and I had really nothing to say in all of this. That which would be written to weather out all ages was left simply to the good wishes of a distraught widow and a tombstone salesman. I saw a booklet brought out from under a table. It lay aside those bits of abominable verse that we see added to the 'In Memoriam' column in our newspapers.

The pages were hurriedly thumbed. I looked over my wife's shoulders and saw that she and the salesman had apparently agreed upon a particular epitaph. I quickly scanned the page they were looking at and I read:

"He slept beneath the moon,
He basked beneath the sun,
He lived a life of going-to-do
And died with nothing done."

Needless to say, I woke with a start, pinched myself to see that I was fully awake and then asked myself "Could this really be said of me?"

The business of the Gospel is a demanding one. Jesus prior to the Cross constantly asked of those about Him to 'Come'. If you notice, the theme following the Resurrection is not so much 'Come', as it is 'GO!' Mean business about your life for Christ's sake, lest the epitaph of my dream, be yours.

Did Easter mean anything to you this year? If it did, you found something of the truth of the Resurrection. Nothing at all? Then the greatest discovery of your life has yet to be made - do something about it!

Baseball

Before throwing out the first ball I would like to thank our rink flooding crews for a job well done and

Peter Dickens for carrying on as Sports Director for the winter program.

Baseball registration for boys and girls will be held at Laurier College on Saturday April 8 between 9:00 a.m. and 1:00 o'clock or you can mail registration forms to F. Johnson, 70 Prince Philip Blvd., Scarborough c/w with cheque etc.

The plan for this year is to end baseball league play during the last week in June with playoffs in July. Last year we had occasions when, due to players being on holidays in July, some teams had to default games. This is one reason for the change. So, all you kids' that didn't register other years due to the fact that you went away for the summer, lets see you this year.

Girls!

Our girls' league last year had very poor registration. In the older groups, this caused a mixing of ages on all the teams. It worked but it is a poor solution putting 7 year olds with 16 year olds. Besides looking for accidents, the older girls lose interest playing with the younger kids. Unless we have adequate registration this league may not exist this season.

As always we need, convenors, coaches, umpires and grounds keepers for all age groups.

BASEBALL REGISTRATION

FORM ON BACK PAGE

special thanks

From all the boys who have gone through your teams' in the last few years a big thank you to Don Orr, who has asked for time off from the baseball after 8 years' as coach and convenor. Go get him Canada Day Committee!

M.P.P. Report.

by Margaret Birch

It seems I was a little premature in announcing in the March issue of the News and Views that an office to serve the residents of Scarborough East would be opening March 15. So many things had to be done, alterations, decorating and furnishing, that the opening was delayed until April 3rd.

The AID Office is Suite B-2, No. 1 Greenholm Circuit, the first street east of Cedar Heights Plaza on Lawrence Ave. Office hours will be from 2 p.m. to 7 p.m., Monday to Friday and Noon to 5 p.m. on Saturday. The phone number is 439-1113 and an answering service will take care of after office hours calls.

I will be at the AID office at least one night a week from 7 to 10 p.m. if any constituents would like to come and discuss their problems with me. And a word about AID. It means Assistance, Information and Discussion.

I hope all the residents of Guildwood will make good use of this office. It has been set up to serve the residents of Scarborough East.

My phone numbers are 431-0623 (Home) 965-2951 (Queen's Park) and 439-1113 (AID Office).

ALDERMAN REPORTS

by Ed. Fulton

Last month it was announced that Guildwood was the recipient of the Borough's Group of the Year Award. The presentation will be made Wednesday May 17, at the Centennial Centre, during the Recreation and Parks Recognition Night Awards Banquet. Tickets will be available soon and we hope that many of you will take this opportunity to attend. Perhaps the many past chairmen living in the area might get together and book a table.

I recently had the opportunity of hearing the Laurier Collegiate Steel Band. What a delightful surprise and experience it was to be entertained by this local group. There is a great deal of talent and an abundance of enthusiasm amongst these young performers. It was indeed a refreshing experience and I would like to congratulate all the members of the band and all those who made the band possible.

According to the most recent reports (March 25) the rodmen's strike is over. As you know this strike has been holding up the construction of the Laurier Pool. I will be checking with the Board of Education next week but it would now seem probable that actual on-site work can begin in the next few days.

If I can be of assistance to you in any matter, I would like to hear from you at 267-6720 or 759-4747.

CHAIRMAN'S REPORT. continued from page 1

must be some new ideas out there. Certainly some-one must be concerned. Definitely people are of differing opinions. If you wish to express these, if you wish to make yourself heard, if you would like to find out what makes the organization tick, circle April 5th on your calendar—that's the next General Meeting—Wednesday, April 5th 9:00 p.m. Guildwood Village Public School. The same place, the same time as always.

As part of that evening, we hope to be able to present the video-tape production I mentioned that members of the Executive participated in in February. As we don't have cable T.V. in the Village as yet, this will be one of the prime opportunities to see this film. Hopefully arrangements will be finalized by April 5th.

I would like to take this opportunity to thank those responsible for maintaining our skating facilities this year and I hope that many of you will attend the meeting April 5th and thus give an indication of the appreciation of the residents of Guildwood.

I'M CONCERNED—ARE YOU?
Ron Allan—Chairman—267-1692

Ballet

SCARBOROUGH BALLET COMPANY'S EIGHTH SEASON OF BALLET

Scarborough Ballet Company's 8th. Season will feature something old, something borrowed and something Blues.

The Season, opens April 20 at Cedarbrae Collegiate auditorium with "Evangeline", an adaptation of Longfellow's narrative ballad. Staged in Acadia the ballet depicts the love story of a young couple set against the background of the forced evacuation of Acadian settlers in 1755. Adapted by Bernard Thorne, the two act ballet is choreographed by Artistic Director Maureen Stewart.

"La Mer Fantasie", the company's "something old", is a reworking of a picturesque underwater ballet which is a favorite item on the Ballet's repertoire.

This year, Scarborough Ballet Company is adding the delightful children's folk tale "Peter and the Wolf" to its program. Paul Harvey, who studied Dance and choreography in Winnipeg, is choreographing the ballet in addition to dancing the lead role as Peter.

This year's Rock-Blues Divertissement, "Awakening", is a mind-blowing mixture of strobes and sound, psychedelic staging and contemporary dance will wind up what is expected to be another record-breaking season for Scarborough's own Ballet Company.

The Company, now 35 strong, will perform on Thursday, April 20th through Saturday, April 22. All profits from the production will be donated to the Retarded Workshop of Scarborough. Previous productions have resulted in donations totalling over \$2,000.

Curtain time is 8,30 p.m. All seats unreserved. Tickets; adult \$2.00, students .75¢ available at the box office or phone 282-7152 or 432-2853

Umpires Needed

The Scarborough Recreation and Parks Department invites anyone interested in umpiring baseball or softball to attend a clinic on rule interpretations and mechanics of officiating at the Scarborough Centennial Recreation Centre, 1967 Ellesmere Road (Markham Road & Ellesmere).

The Baseball Clinic will commence Monday, April 10th at 7:00 p.m. and every Monday thereafter through the month of April.

The Softball Clinic will commence Wednesday, April 12th at 7:00 p.m. and every Wednesday thereafter through the month of April.

This is a paid position and all applicants must attend in preparation for employment with the Borough of Scarborough Recreation and Parks Department to officiate in the Scarborough Softball Association and affiliated leagues. For further information, please call the recreation office, 759-4747, local 272.

POOL REPORT

By John MacMillan

Excellent Progress on Laurier Pool

The construction crew at Laurier is really making itself felt these days as progress on the 25 metre indoor swimming pool has moved into high gear with the settlement of the four week long rodmen's strike. (Rodmen are the workmen who put in the steel reinforcing rods in reinforced concrete structures). The strike was resolved on March 27, at which time construction commenced. All excavation work and the installation of footings is complete. As of date of writing (April 26), formwork for the holding tank and sump pits and the construction of concrete block foundation walls is in progress.

I attended the last meeting of the Scarborough Council School Board Liaison Committee at which Tom Lennard, Superintendent of Plant for the Board of Education, provided an up-to-date report on progress. All but four of 23 contracts have been awarded for all phases of the construction at a total cost of less than \$350,000, somewhat under budget. Tom Lennard has expressed cautious optimism that the total project will be completed at or below the total budgeted figure of \$440,000.

The method of sequential tendering used on this project was strongly endorsed by Anson Taylor, Director of Education for Scarborough, as an excellent means of securing close adherence to budget estimates. Individual tenders for specific portions of the work are opened over a considerable time span and comparisons with budget estimates are made at numerous points to ensure that major deviations from estimates can be accommodated. Should a project be about to go over budget, decisions can be made to either allocate more money or scale down some of the lat-

YOUTH REPORT

by Ron Gostick

As most people know, summer is just around the corner. In fact, for people in high school there are only twenty-some odd days left until summer. The weather is getting warmer and people are spending more time outdoors than in.

The Drop-In centre at Laurier officially closed May with the memory of a good year in which the Centre was well attended and served its purpose to the Youth and the Community.

The program at Holy Trinity has come to an end and we feel confident that it will be open next fall to our Youth for a second season.

The Guildwood Youth Council will be active this summer aiding in the Canada Day Celebrations on July 1 and on August 25 we are hoping to have

(Cont'd Page 7)

Chairman's report

by Ron Allen

Point In order to ensure that all residents have been canvassed for membership, letters were sent out over 2 weeks ago. To date, the response has been minimal-out of 250 letters we acquired some 20 new members.

Point The By-Law amendment for the Westlake Properties has been approved on third reading in Council. Letters are being sent by the Borough to all residents within 400 feet of the subject lands. If you still feel as you did last fall-then voice your disapproval by replying to the Borough. I have sent a letter to Mr. J. A. Kennedy, Chairman, Ontario Municipal Board, requesting the opportunity of a Public Meeting to finally decide this issue.

Point In April there were several events. April 1st-G.V.C.A. Annual dance-attended by some 112 people who appeared to enjoy themselves immensely. April 5th-G.V.C.A. General Membership meeting-attended by about 30 card holding members. April 18th-Baseball registration-an opportunity to have your children participate in activities organized by the G.V.C.A. and this was well attended.

Point Canada Day will be celebrated on Saturday, July 1st. Plans are now underway to organize the days activities. As always, we need volunteers. Jack Killan is the man to call but perhaps this is a futile request. We'll probably have to petition those few, who help year after year to help again, so you can enjoy yourselves.- Prove me wrong.

Point There have been several For Sale signs changed to Sold signs in the past month. Have these people been introduced to the Association? If you are one of the new residents call any member of the Executive for information about what the G.V.C.A. is and what it does.

In three weeks, I will, on behalf of all those who have participated over the years, accept the award of "Community Association of the Year". So, we are recognized, you are reprimanded, and we are successful.

If you're interested in being on the winning team, let us know!!!

SCHOOL NEWS

GUILDWOOD

by G.J. Barrett

Our school has chosen a mule deer as our donation to the Metropolitan Zoo. Fund raising began during the week of April 17 with Mrs. Brown's Grade 3-4 class leading off in excellent style to make \$100.00 on their sale of books, popcorn, candies et. It appears quite likely, from this fine beginning, that we will be able to purchase a second animal (a West African brushtailed porcupine). Mrs. Heinze class had all preparations ready for a car wash on Saturday April 22nd but they were rained out. They are going to try again on the 29th and hope to get enough business to add substantially to the Zoo Fund. Other classes are planning different money raising schemes for future days.

Catherine McCreddie, a grade 5 student in Mrs. Heinze classroom, won a gold medal for first place in figure skating competition, April 19th to 23rd. Cathy belongs to the Scarborough Figure Skating Club and was entered in the pre-juvenile girls' class. Congratulations Cathy for this fine effort!

Janine Greenslade won a prize in the Science Competition at Charles Gordon Senior School April 21-22. Janine is in Mr. Heino's Grade 5 class. Several other pupils from our school entered projects in this display and we were very pleased with the results.

The baseball season has been delayed this year due to the poor weather conditions but when it does get underway, we plan to have a Junior Girls' team in the Scarborough League. The boys have plans for a House League and will involve as many boys from Grade 3 to 6 who wish to play.

Progress on the new Library-Resource Centre is slower than anticipated. We had hoped to have a combined Home and School meeting and open house in the new Centre on May 8th, but this will not be possible. At present it would seem that completion will be feasible by the end of May, so tentative plans are being made for an early June date. The Home and School bulletin will be sent out with further information.

You have tried the rest
now try the best !

ST. URSULA'S

by C. Cromien

Congratulations are due to Ronald Wulf, Grade Eight student, for winning an award at the Kiwanis Academic Achievement Contest held on Saturday April 15th. 154 competitors from the Public and Separate schools of Scarborough participated in this contest. Ronald also placed second in our Board's Third Annual Metropolitan Toronto Math/Science Fair held at J.J. McGrand Separate School.

St. Ursula School Community Committee has been very active of late. Our special thanks to all those parents who baked or helped out in any way with the recent school bake sale. The Committee also has arranged for class pictures to be taken on Friday May 19th.

Saturday May 6th is a big day for our Grade Two students. They will be making their First Communion at St. Boniface Church at 9:30 a.m.

For the first time Senior Band groups from St. Ursula, St. Martin de Porres and St. Malachy have joined together to form a composite band of about 55 members. This new band played at one of the Regional Music Festivals on April 25th.

Permission has been given to the Metropolitan Toronto Association for Mentally Retarded to distribute "Flowers of Hope" packets the week of May 14th-20th (National Week for the Mentally Retarded). The children, on a voluntary basis will deliver the packets to their own homes only.

The Metropolitan Toronto Police Department conducted a campaign in our school the first week of May to register the serial numbers of bicycles belonging to our students and their families. It is hoped that this central record will reduce the number of bicycle thefts and aid in tracing the owners of lost or stolen bicycles.

School Track and Field activities are in full gear now that the snow has finally disappeared! We will participate in the Board's regional semi-final meet to be held at Holy Spirit School June 7th. The first and second place finishers in this meet will go forward to the Scarborough Championship meet scheduled for June 15th. Many of these students are now working hard to be members of our "Twenty-five mile" club.

JACK MINER

The tremendous response to "Noah's Project" which was made by our students and their long-suffering parents and neighbours was reflected again in the many questions we rec-

shoes

eived regarding the identity of the animal we were to buy for the new zoo.

Taking into account the list of animals available to Scarborough, the amount of money we had raised, and the results of the students' vote, we proudly applied for the honour of buying one of the largest and most interesting. We have this honour. We are going to buy a hippopotamus!

We had bicycle racks at school-- good, servicable racks, new last fall but we needed several more. We'd rather spend our money on other things, so we became very practical and spent a little money on wood and nails. The boys measured and calculated, Mr Warren loaned us tools, boys (and girls) sawed, hammered and varnished in their lunch periods. The result is twenty-eight feet more of custom-made, super-de-luxe, autographed racks to improve our appearance in the eyes of the world, as they hold bicycles in front of the school.

Two items of entertainment are scheduled for May. A Gilbert and Sullivan operetta, "The Mikado" directed by Mr. Mustard, is to be presented in the auditorium on two evenings, May 16 and 17. A "Girls' Variety Night" under the direction of Miss Watson will be presented in the gymnasium on the evening of May 9. This programme will feature gymnastics and dancing, and promises to be very interesting. As a charge is being made for each of these, we consider it rather unreasonable to charge two admission fees of any parent who has sons or daughters in both productions. Any parent in this position is asked to contact the office to receive a free ticket for the Variety Night (284-0211).

rummage sale

The Ladies Auxiliary of the Guildwood Minor Soccer Club will be holding a rummage sale to raise funds for the club's 1972 activities on Saturday, May 13th.

The sale will take place at Guildwood Community Presbyterian Church, corner of Guildwood Parkway and Livingston Road from 1:00 to 3:30 p.m.

If you wish further information or to contribute goods for the sale please contact Evelyn Sinclair 284-0392.

CUBS & SCOUTS

3RD SCARBOROUGH BOY SCOUTS

by Art James

The Ladies Auxiliary will have had their 'Card Party', by the time this report is read. Judging by the overwhelming request for tickets, the party was another huge success. We thank all of you who came and helped to make it successful. The final meeting for the summer is planned for Monday June 5th. Please mark your

calendar and come out for the final meeting of the season.

"A" Pack 'A' Pack is coming along nicely, with many Stars and badges being earned. Several cubs were invested recently. They are M. McLeod, M. Fox, R. Steinmeister, S. Anco, B. Beckett, C. Arnold, B. Cockburn and B. Foster. The Pack toured Scarborough to help them in preparation for their 'Guide' badge. New Sixers and Seconds were presented with their Gold and Silver emblems.

After more than 20 years in Scouting Ed Goudge one of our leaders has moved from the area. He is reportedly feeling better after a long hospital stay.

We are pleased to welcome Don Anco into the Pack as a new leader.

"C" Pack The warm weather has 'C' Pack out taking several trips. Included has been a visit to a pet hospital, a trip to the Police station and some hikes.

A pack camp on June 17th is planned, and some new boys were welcomed into the pack just in time to plan for the camp. They are:- Tommy Robertson, Brian Evanshe, Mark Bowden & David Andrews. Fifteen 'cub cars' are in various stages of completion and the boys are looking forward to a rally. (What is a cub car?) The construction and finishing of these model racers from a block of pine wood presents a real challenge to both the Cubs and their fathers. Several excellent entries has been produced so far.

Best wishes were passed to Bruce Goxen and Tom Rieke Rickets in a Going-Up ceremony as they moved into Scouts. The pack will miss both boys.

There is available a Boy Scout uniform & a Cub uniform. If anyone is interested they can contact A. James at 261-6745.

"B" Troop The boys are excited about the Spring Camp and are busily planning for a week-end at Lake Scugog late in May. Swimming, boating, hiking, scoutcraft, fishing and outdoor games are on the agenda. The boys will camp in tents in separate patrols operating as independent units. Also under discussion is a day of horseback riding at a local stable. Scouter Mike recently arranged for us to tour the John Street Pumping Station where the large diesel eng-

ines and pumping systems were explained and demonstrated. A very enjoyable and informative evening. New Patrol Leaders are David Frickelton and Jim Smith; Assistant Patrol Leaders: Robert Field and Rod McNeven.

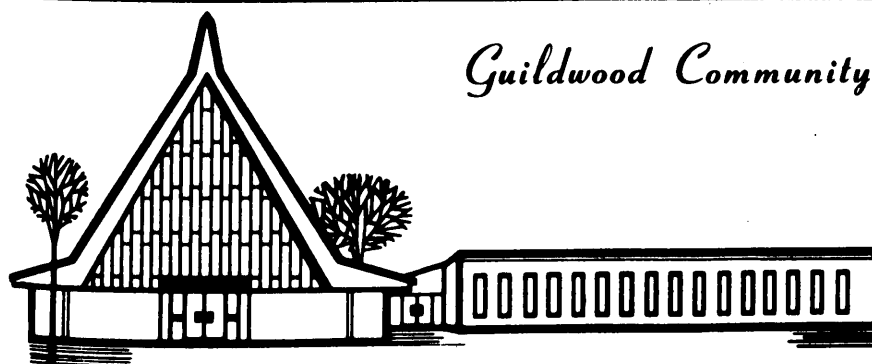

BROWNIES & GUIDES

547TH BROWNIE PACK

Brown Owl was asked to take four of our Brownies to the Sportsman Show to help make the Public more aware of the Brownie, Guide and Ranger Movement. So on March 23rd. Debbie Thompson, Ruth Ann Brown, Georgina Miller and Maria Vandenthillart went with Brown Owl to the Guide Booth at the Sportsman Show. There they enjoyed themselves doing Crafts and Singing Brownie and Guide songs. I am sure the Public could't help but notice the comradeship and good times these girls enjoy through the Guide movement.

Our Pack is proud of our Girls who went to represent all of us.

We had a busy time getting our cookie orders and it won't be long until we deliver them.

Our executive for next season is:-

President George Good 266-4901
Secretary Carol Butcher 264-2849
Treasurer Jessie Davis 261-9139

We look forward to meeting new members in September and would request those interested to please call one of the Executive. Best wishes for a Happy Summer.

Baseball

by "Mr Fred"

With baseball registration in its final stages the teams are forming for

the start of another season. You should hear from your coach with-in the next week.

We indicated in last months' report that if the girls registration was not great enough for a house league we would have to discontinue that division. The registration was poor but things look great for the girls. We have entered one Bantam "A", one Bantam "B", and two Novice teams in the Scarborough League with all the home games being played at Elizabeth Simcoe School. For information on the girls' league, call Bill Bullied 149 Catalina Dr. 267-1526.

The Mite Registration was down this year with only enough for four teams. I am still looking for a convenor in this division. For information concerning the Mite League contact Don McRobb-28 Livingston Road.

In the Atom League, four teams will go again this year. For information in this division call Mr. Risto Puhakka, 126 Toynbee Trail, 267-9806.

Bantam and Pee Wee boys will be playing in the East Guildwood league this year. Boys who registered in these age groups will be contacted shortly. As I will be away during the month of May, Please contact the convenors for any information on baseball.

Our sponsors to date are Ed Fulton, Guildwood Cleaners, A.C. Murray Construction, Guildwood Red & White, Triumph Trophy, Stone Cottage Inn, Hair Port and Medical Replacement Centre. A special welcome to our new sponsors and thanks again to the good old stand bys.

Tennis

KIWANIWOOD TENNIS CLUB

The courts are open, players have been renewing their skills and committees are at work on plans for the season.

This year the club will enter teams in Scarborough Lawn Tennis Association competitions, likely two Junio and two Senior teams.

A six-week series of morning lessons for ladies, offered again this year, started on May 2. Call Mary Bigall at 266-1488 for further details. Evening lessons for adults will start mid-May. More information will follow in the next club letter.

Plans are being made for the opening tournament to take place early in June.

Tennis balls are again available through the club. Call any member of the executive.

Membership renewals have been coming in at a steady rate and since April 20 new members were admitted until the limit was reached. By the time you read this, all vacancies will probably be filled. If you wish to place your name on the waiting list, call June Evanoff at 266-1738 for further information.

The courts are open to the public weekdays from 8 a.m. to 4 p.m., and all using them are reminded of the necessity for proper tennis shoes.

Soccer

SOCCER CLUB HAS RECORD REGISTRATION

The Guildwood Minor Soccer Club, with 350 boys already registered, is starting its 1972 season of play with house leagues getting underway on May 16th.

Registrar, Albert Cunningham announced that the Club will field 29 teams in all age groups from Squirt to Intermediate (under 23). House Leagues of six teams each will operate in Squirt Atom and Mosquito ages in the Guildwood area. Final details are not yet completed on locations and times, as the tremendous demand for all available playing fields is creating scheduling problems. Schedules will be published shortly.

Guildwood will field 7 representative teams in Scarborough leagues-Squirt, Minor Atom, Atom, Minor Mosquito, Mosquito, Pee Wee and Bantam. A Pee Wee team is also entered in the Pickering-Ajax League. In addition, our club will have three teams in National League play-Bantam, Junior "B" and Intermediate.

From June 30 to July 3, the Scarborough Minor Soccer Association is hosting the Scarborough "Robbie" International Soccer Festival. A major tournament, the Festival will be sponsored this year by the Toronto Kinsmen Club, with proceeds to the Cystic Fibrosis Foundation. The Guildwood Minor Soccer Club will be hosts to the Bantam section of the Festival. It is expected that 20 teams, including four from the U.S. (Rochester, Cincinnati, Baltimore

Guildwood Social Club

By Jean O'Connell & Marlene MacIntyre

Many thanks to all the people who supported our Mini-Bazaar on April 26th.

The morning dawned clear and sunny and much activity was seen around the Church of the Holy Trinity on Livingston Road. Card tables, cakes, crafts and crepe paper were being transported, priced, inspected and hung. By

noon most everything was on display and our busy ladies were on the run again, home to change, pick up passengers, feed children and grab a quick cup of coffee (or whatever) and back to the Church. The bake table had many delicious items for sale and as usual the first hour was pretty hectic at all the tables, but most enjoyable. The tea room started to fill up and it was standing room only for a little while as sandwiches, cakes and cookies, tea and coffee were being served by our capable waitresses.

At 3 o'clock the Lucky Draw prizes were selected and the following happy people all seemed surprised to be among the lucky winners.
Quilt-Mrs. Bella Collins, Prince Philip Blvd.

Afghan-Alfreda Noseworthy, Whitby
Pearl Necklace-Mrs. Theresa Hewitt, Grandor Court
Nino & Vincent Shampoo & Set-Mrs Irene Martin, Catalina Dr.
Shawl-Cathy Connor
Child's Poncho-Mrs. Miriam Wright, Morningside Ave.

Proceeds from the sale will enable us to enjoy a day's bus excursion in June and we thank all who helped make it possible. More details on our trip next month.

Next meeting is May 10th at 1:30 p.m. Church of the Holy Trinity, 85 Livingston Rd.

Jean O'Connell 261-3837
Marlene MacIntyre 266-8195

Curling

After a bad start made by the loss of the Tam O'Shanter Club by fire on the day we were to start play for 1971-72 and a late beginning at the Whitby Curling Rink, our season ended up with a bang.

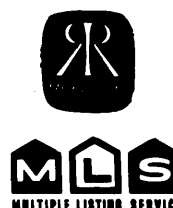

On April 16, we closed the playing season with a bonspiel. Eight rinks enjoyed two 8 end games each during the afternoon followed by a delicious buffet supper. The members of the winning rink, Les Brocklesby (skip), Al Parker, Muriel Parker and Ethel Niewalski will be able to enjoy the summer relaxing in their deck chairs; however everyone was a winner as there were prizes for everyone.

The grand finale was our banquet at the Guild Inn on April 21 at which time prizes for the year were presented and the new executive for 1972-73 acclaimed. Outgoing treasurer Art Mumberson was able to turn over \$138.67 which certainly was a feat considering the difficulty the club had gone through. Outgoing President Les Brocklesby had special praise for his executive and welcomed the new slate. Bert Payne, President; Bernice Foster, Vice-President; George Adamson, Treasurer; Gerry Piitz, Drawmaster, and Orval White, Assistant Drawmaster.

M.P.P. Report.

by Margaret Birch

Don't be surprised if within a few years Scarborough has one of the finest networks of bicycle pathways in North America.

Late in April the first step was taken when the Borough approved a three mile bike path down the west branch of Highland Creek from the Ellesmere Rd. area to Cedarbrook Park. The path will be built by Pollution Probe, Scarborough in co-operation with the Recreation and Parks Commission and should be ready for use late in July if present plans are followed.

To the residents of Guildwood and most other Scarborough residents, this bicycle path won't be of much use, but it is only the first step in a grand plan that envisions paths along Scarborough bluffs and northward to the new Metro zoo. I for one am giving full backing to this Pollution Probe project and I hope other residents will give it their support. When it was announced recently that the Ontario Department of Education had decided to end Ontario Scholarship grants of \$150, I received many letters protesting the end of the grants. The government has reconsidered and will continue the grants for this year at least.

Don't forget that the Conservative AID office is now open at One Greenholm Circuit, Phone 439-1113. I will be there on Monday nights from 7 to 10 p.m. if you wish to drop in and discuss any problem you may have.

Trustee Report.

by Reg Stackhouse

Community use of schools is one of the major interests of the Scarborough education system. Two recent events in Guildwood schools show how the schools are reaching out more and more to the community as a whole.

One of these was the beginning of construction of the Laurier Pool. This had been delayed by several unavoidable factors such as a strike and changes in building plans to

meet the requirements of the Scarborough Recreation and Parks Department. But excavation has commenced and it is expected that the pool will be open for use this fall.

Like all the other swimming pools attached to Scarborough schools, this one will be available for community use after school hours throughout the week, as well as on Saturday and Sunday.

Jack Miner Senior Public School had a fine program recently that aimed at establishing a more personal relationship between young people and the police. What was called a "Police Week" was held at the school with many instructive programs being offered, including an address by Metro Police Chief Harold Adamson, himself a Scarborough citizen.

These events are only two of the many ways by which schools throughout the Borough are establishing closer ties with their communities.

This year school facilities will be used by community organizations to the extent of 88,000 hours or 3,666 full days. Of those 88,999 hours, 87% are made available at no charge to the organization using the facilities. This is one reason why Scarborough people can feel confident that their impressive school buildings are being used to the full.

ALDERMAN REPORTS

by Ed Fulton

The sidewalk between Jack Miner School and Laurier Collegiate is now completed. That half mile long walk was finished almost to the day we were promised back last fall.

At the time of writing, the strike of C.V.P.E. local 43 was still on. The most obvious results of this strike are the growing mountains of garbage in our parks and elsewhere. Of the three temporary dump locations in the Guildwood area, the least obnoxious is the Westlake site at the top of Livingston Rd. This site has the greatest capacity and is farthest away from residential areas. I would urge you to use this location

if you are not storing your garbage at home. All of Scarborough's dump sites are being sprayed by professional exterminators on a regular basis to help minimize the health hazard. It would be appreciated if you would take only your perishable garbage to the disposal areas. This will, among other things, reduce the fire hazard. Your cooperation during this strike has been greatly appreciated by all concerned.

Please call me if I can be of assistance to you. I can be reached at 759-4747 or 267-6720.

CHURCH NEWS

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

BY Rev Gordon Fish

For many of the younger readers of Guildwood News and Views, May will be the last full month of school. Education has changed a great deal since I was a boy and perhaps to some of the other folk who read this column, you may be in agreement with me on this point.

I am a product of the one room school. That was a bit of archaic nonsense that we see being revived in this more sophisticated society. In my day, School was a challenge primarily in this area; we were busy developing new techniques and methods in which we might better harrass our teacher. (For some unknown reason we had a new teacher each year-I had always understood it was because of the salary paid). By the way, I never did have a man teacher, apparently women came cheaper and it seemed clear to some of the fellows that the trustees had poor eyes, for most of my teachers if living, are still known as Miss- - - - -.

But putting this all aside, can I bring you up on some verse that we scribbled on our text books away back in those 'good old days'. (We at least were devoted to writing poetry that had a rhyme.)

"I love to do my homework
It makes me feel so good;
I love to do exactly
As my teachers say I should

"I love my schoolwork very much,
I never miss a day;
I even love the men in white
Who are taking me away!

Well, what does all of this nonsense have to do with a church column? For some of us Church is much like school - sort of a necessary evil. We as parents send our kids to Sunday School, either because, "Well, that's what I had to do when I was their age! or, "It won't hurt them to hear a few of those stories for a year or two." In these terms Church-going is not so much a matter of joy as it is a matter of duty, as every life must have some affliction in it, we can accept

this as a matter of maturing.

Had you ever heard that the Church is really where at least two or three are gathered together in Jesus' name? Had you ever heard of His promise that if the foregoing be so then-He will be present? Can you honestly imagine it being dull in His presence? In fact, this age of ACTION must recognize that all personalities would be incredibly dull in comparison to that of Jesus Christ. Well, Church is meant to be **ALIVE**, because He is there! If YOU don't find it so there may be several reasons. For example, was the first condition of His promise met?

We trust that there is ACTION at our church, through His people. We meet for worship on Sunday mornings at 11 a.m. We welcome you to come and be part of His Church with us.

WASHINGTON UNITED CHURCH

by Rev W.H John

At Washington United Church on Sunday, May 7, 1972, at 7:30 p.m., the Annual Masonic Church Service Toronto District 3, A.F. and A.M. will be held.

The service will be conducted by Rev. W.H. John, with Bro. Rev. Wm. O. F. Morris, B.A., District Chaplain, preaching. Also taking part will be Grand Master Bro. William K Bailey and Rt. Wor. Bro. Aubrey M. Rhamey. All welcome to a fellowship hour in the Christian Education Auditorium after the service when refreshments will be served and the Glee Club will sing.
The Scarborough A.O.T.S. Glee Club will be in attendance to lead the singing.

POOL REPORT (Continued)

er expenditures. Anson indicates that the upcoming Scarborough Town Centre, a \$13,000,000 project, is being constructed on this basis. The completion date, as a consequence of the rodmen's strike, has been set back four weeks to October 31, however, in the absence of further strikes, it may be possible to regain some of the ground that has been lost. This cannot be counted upon; consequently, the official target date remains at October 31, 1972.

(Cont'd from Page 1)

SCHOOL NEWS

(Cont'd from Page 2)

After the Victoria Day holiday of May 22, we hope to begin "Anti-Pollution Week" on the 23rd. Eddie Luther, whose voice we hear from the traffic helicopter, is planning to visit us on the Tuesday to get us off to a good start. While keeping in mind the importance of the academic programme, we hope to include films, speakers, and discussions on this important topic in our schedule for the week.

LAURIER

On Friday, April 28th an Achievement Assembly Program was held in the Auditorium. During the assembly fifteen different groups of students were honoured for outstanding achievement in both academic and athletic endeavours. Among those honoured were the Boys' Junior Football Team, the Girls' Senior Volleyball Team, the German Contest winners, the Junior and Senior Math contestants and the Typing Contest Winners.

Mrs. Spratt, Mr. Tierney and Mr. Ogle took 70 Consumer Education students to the City Hall Courts. The experience was extremely worthwhile and arrangements will be made next Fall for a similar visit.

Laurier's Look-In will be held on May 12th at 7:00 p.m.-Admission 50¢. Many activities will be going on simultaneously throughout the school. Poplar Road Public School gymnasts and Laurier gymnasts will perform. Refreshments will be served in a French Cafe and a simulated English Pub. The History Department will be conducting a mock Parliament. Displays will be set-up by other Departments as well. Some displays will consist of charts and pictures and student projects. Other displays such as Chemistry will be in action. A Rock Group under Jack Laing will be performing in the Auditorium.

Laurier's Steel Band continues to be well booked-up. On April 18th they appeared at the St. Lawrence Centre as guest artists with the Toronto Men Teachers' Choir. On May 10th they will play at Assemblies at

David & Mary Thomson Collegiate. On May 12th both Steel Bands will play at Laurier Look-In. On May 25th the Junior Steel Band will play at the Athletic Awards Night. On May 26th the Band will perform at Cedarbrae Collegiate. Plans are underway to cut a 45 R.P.M. record, copies of which will be sold at the school.

On the Art scene, things have been very active. Some of the new activities were:

-On April 28th Grade 9 Art Students went to Buffalo, New York to visit the Knox Allbright Gallery.

-A special class of practical Art students in Grade 9 visited the Auto Museum in Oshawa for sketching. They later visited the McLaughlin Art Gallery.

-Grade 10, 12, 13 Art students visited the Mowat Building in Queen's Park. They were later taken on a tour of the Art Galleries in the Yorkville area.

-Grade 12 students took a Sculptural Tour of the Art Gallery of Ontario.

-Grade 10 students visited the Kensington Market and Allan Gardens for sketching.

ELIZABETH SIMCOE

A sign of spring is the increasing numbers of bicycles on the streets. We urge parents to check the family bicycles for safety and encourage children to obey the rules of the road. In an effort to curb the problem of bicycle theft the Metropolitan Police will visit the school on May 8th to register bicycles. Anyone who wishes to have a bicycle registered should bring it to the school on the morning of that day.

Senior Kindergarten Registration takes place on May 9th and 10th and Junior Kindergarten Registration on June 1st. Forms have been sent home from school but further information can be obtained by calling the secretary.

Because of the new Health Dept. Regulations, appointments will be made at a specific time for each family.

Our "Spring Thing" will be held on the evenings of May 24th and 25th. Apart from the presentations by the Primary, Junior and Grade 6 choirs, there will be a gymnastic demonstration and a real vaudeville show. All proceeds will be added to our Alpaca Fund.

We regretfully announce that Mrs. Downs, our remedial teacher, will be retiring in June. We know that many parents and former colleagues will want to join us in wishing her a happy retirement and they are invited to come to an afternoon tea in honour of Mrs. Downs. Dates and details will be announced later.

Our Youth

by Jaqueline LeGresley

The world to-day is moving very fast, But some of us still remember things of the past.

They are still around us in many ways, And will continue to be in future days.

Children are still the same as before, And I'll tell you why at the risk of being a bore.

They can still make old hearts young, By their zest for things they've never done.

We hear of the bad deeds done by them all, But these ones number very small.

I say let's hear it for the good they do, And quit thinking of the bad done by so few.

Oh there are riots and drugs we know, But not everywhere our children go! What of the volunteer work some of them do?

Or maybe our eyes are so clouded we can't see through. Clouded by our so called unbiased news,

Who only give us their opinionated views.

I donot state, there are no bad kids, I only say they are no different than yesterday's kids.

And if we look at the beautiful side, and the good ones praise, Maybe we'll have more good ones in future days.

So lets stop giving the troublemakers front page,

And then, they won't think what they do is the rage.

fight pollution

Stop throwing paper away. Start saving it to-day. Take your old newspapers to Guildwood Public School Parking lot, 225 Livingston, June 3rd and 4th. Paper collected will be recycled. This is the third such project on Scarborough this year - we hope it will be as successful as the other two. For further information, call Carol de la Plante at 261-6365. Volunteers are needed to man the depot at any time between 9:30am and 5:00pm on either day.

FOND FAREWELL

The staff of the News and Views are sorry to lose Liz Wallace from our little band. Liz has been our Business Manager for the past 1½ years and her smiling face and gently persuasive manner have combined to help us keep the News and Views solvent.

Liz and husband Graham of 146 Toynbee Trail have decided to return to England (or is it Wales?) after several years in Canada. They will be leaving many good friends and neighbours. Liz will also be fondly remembered by students at Elizabeth Simcoe Public School where she has taught for the past two years.

Liz, we wish you all the best and many thanks for all your help.

Chairman's report

by Ron Allen

I find myself slowly being frustrated into old age by the attitude of a very few residents of the Guildwood area. Surely to goodness in view of the recent garbage strike, a single day's delay in pick-up shouldn't inconvenience the average person. The majority of us already have garbage cans or garages in which to keep the refuse. Why then is it that people still go down to the end of Livingston Road and dump their garbage? Slightly more than six months ago, a comment was made in the Scarborough Mirror Press that certain areas of the Guildwood Village were strewn with rusting wrecks and littered with refuse. Must some of us go out of our way to prove that statement correct? Must we pay to have that area policed or to have a guard on permanent duty to hand out citations to the offenders?

A few months ago I wrote an article regarding the pride one takes or should take in their community, the satisfaction in pointing out to someone that you live in Guildwood Village and it is unique, that the geographic location coupled with the attitude of the residents makes it perhaps one of the most pleasant places to live, certainly in Metropolitan Toronto. Well where is that pride-where is that involvement that is necessary to maintain that image-

will we still leave the basic planning and work to a handful of people. For those of you who are new to the Guildwood Village area if you wish to know what the Association provides for the community, or wish to join, contact any member of the Executive listed in this paper.

Canada Day Celebrations-want to help? Call one of the Executive. As always there are more jobs to be done and insufficient numbers to do them.

Those residents interested in the Westlake properties and the re-zoning application, contact any member of the Executive for the present status on this subject, as the Board of Control meeting which we will be attending occurred after this paper went to print.

to do? Shortly we will be going to nominating committee whose purpose it will be to select candidates for the next Executive of the Community Association. Why wait until you're approached-why not volunteer, or if you know of someone who is interested, or who would like to assist in some particular activity, suggest they pass their name on or pass it on for them. Help us make the Association as strong as it will be necessary in the coming years.

F.O.C.A.S. telethon

F.O.C.A.S., the Federation of Citizens' Associations, Scarborough is sponsoring a Telethon June 16 to 18 on cable TV in support of Big Brothers.

The show, to be seen on Rogers, York and Scarborough Cable TV systems will feature acts from the Garden Brothers Circus, Frankie Laine, Billy O'Connor the rock groups "Ocean" and "Rain" and a host of local talent.

The show will run continuously from 10 p.m. June 16th to 10 a.m. June 18th. Volunteers are needed to man phones. Contact Betty Hellens at 267-4881.

Guildwood Social Club

Briefly: Arrangements have been made for an afternoon tea at the Guild Inn on June 14th. This will be in place of our annual garden party.

At our May 24th meeting the club members decided on Peterborough as the destination for our yearly bus trip. This will include lunch and a boat ride on Stoney Lake and will be our final meeting until Sept.

Marlene MacIntyre 266-8195

SCHOOL NEWS ELIZABETH SIMCOE

GUILDWOOD

by G. J. Barrett

Our Junior Girls' Baseball team has won all six of their games to date and thus qualify as group winners. They will proceed to the quarter finals of the S.P.S.A.A. sometime next week. Good luck girls in your future games.

Fund raising for our donation of the deer and porcupine to the Metro Zoo continues to go well. We have accumulated a total of \$274.00 towards our \$450.00 objective. Other classes are planning sales and shows during June and we soon hope to reach our total goal.

School "Field Day" is scheduled for Thursday, June 15th. Mr. D. Smith is the co-ordinator this year and he has planned on awarding special individual trophies for each age level in addition to the usual 1st, 2nd and 3rd ribbons. We invite all parents to come out and join us on this day of competition.

"Play Day" for the Primary Grades will be held on Thursday, June 22nd. Mrs. J. Harrison and Mr. J. Heino are co-ordinating the program and they are planning an exciting series of events for the Grade 1-3 children.

Following two successful performances of our Spring Thing, we are pleased to report that our target of \$1,500. has been reached and arrangements can go ahead to purchase the Alpaca for the new zoo. Thank you to the many parents and friends who helped our various projects.

On June 13th, parents of children entering Kindergarten next September are invited to attend a meeting at 8 p.m. in the new gymnasium, to discuss the programme and to put forward questions. This is the first meeting of this kind ever to be held at the school and, especially in view of the new Junior Kindergarten programme, we hope for an enthusiastic response.

Although much of the excitement of the Track and Field Meet at Birchmount Stadium has now passed, don't forget our own day of fun and games. Play day will be held on June 22nd. We hope that last year's wet weather will not be repeated so that parents, students and teachers can enjoy the activities.

Excursions continue periodically and the most recent was a Grade 2 trip to Pioneer Village. Mr. Jones proved a very successful camera-man and his filmstrip of the event was very interesting. Most Grade 3 students have completed their 2-week swimming and safety classes at Cedarbrae Pool and Mrs. Beach's class will be going at the end of June. This is a very worthwhile and enjoyable programme.

A tentative date of June 21st. has been set for Mrs. Downs's retirement party and we look forward to seeing parents there. Please call the school for further details.

ST. URSULA'S

by C. Cromien

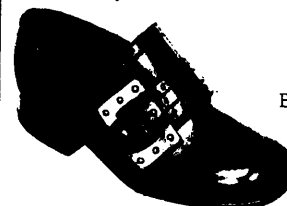

The students of St. Ursula Catholic School will soon be involved in donating pennies for the programmes being carried out by Jean Vanier in Richmond Hill for mentally retarded adults, and by Mother Theresa for the needy in India. Our school will have the opportunity, therefore, not only of raising needed funds for the works fostered by these two great Christian Witnesses, but also helping to inculcate in our young people a sense of responsibility and concern for the poor and suffering of this world.

Approximately one hundred of our students participated in the "Miles for Millions" walk. Mr. David Ellis, our Grade 7 teacher, was in charge of this very worthwhile project. Congratulations to all the students who gave of their time and shoe leather to help make this walk a success.

The hockey season is now over for another year. We would like to congratulate several boys from our school who played on the winning Atom B team from St. Martin de Porres Parish. The boys are: Bill Baxter, Paul Bain, Gary Hogan and Ricky Randazzo.

The boys school softball team reached the finals in the championship round of the Scarborough Area tournament held at Scarborough Village Park.

A number of class trips have been planned, or have taken place, now that we finally have warm weather. Mr. J. Clarke's Grade 5 class, for instance, enjoyed many new experiences learning various pioneer craft activities at the Black Creek Pioneer Village. The children were very eager to show all the results of their days work.

Mrs. M. Cunningham's Grade 8 class will visit Stratford on Thursday evening, June 8th, to attend a performance of "As You Like It". A communal picnic dinner also is being planned for this occasion.

LAURIER

Laurier's Third Annual Look-In held on Friday May 12, 1972 attracted its largest gathering to date, with an estimated 2500 people visiting the school. This year's exhibition featured classroom exhibits, an English Coffee House, a French Cafe and a Dessert House sponsored by the Home Economics Department. The Physical Education Department featured its TDIAA Championship Gymnastic team as well as the Poplar Road Junior Public School Gymnastic Champions. The evening also featured Laurier's Steel Band and "Raunch", a local rock group. All in all, the exhibition provided an excellent opportunity for the community to Look-In.

at the MacDonald relays Laurier finished fourth. At the Scarborough finals, two athletes distinguished

themselves-namely-Dave Duncombe who was first in the discus and Bruce Robinson who placed second in the high jump, triple jump and shot put.

* * * * *

The girls at Laurier have been actively engaged in a variety of spring activities. With the finish of gymnastics in late April, track and field moved into full swing in preparation for the Track and Field Meet on Tuesday May 23. In the meet we had two firsts; one by Gail Spackman in Senior Discus and a

record of 4' 11" by Kim Headford in Intermediate High Jump. We also had several other placings in field events. Our runners, however, were outshone by those of MacDonald and Agincourt.

Badminton is a favourite activity. We are now in the process of holding a mixed doubles staff-student Badminton Tournament.

We have concluded activities for this year and we ended it off with the presentation of trophies and badges of recognition at Awards Night 7 p.m. Thursday May 25.

* * * * *

Laurier's Track and Field Team (boys) started this season with four new coaches-Mr. Parsons, Mr. McKay, Mr. Laing and Mr. Stratton. A successful interhouse meet at the beginning of the season brought out new athletes for the school team. Consequently,

On Thursday May 25 the Athletics Awards Night was held in the Cafeteria. Mr. Warren Campbell, Physical Education Co-ordinator for Scarborough spoke on Sportsmanship. Bronze, Senior and Junior letters were presented to male and female participants who qualified on points earned. Awards were given to grade Athletes of the Year and also to Laurier's male and female Athletes of the Year. The Laurier Cup was given to the House System winners and Championship Teams received plaques.

CUBS & SCOUTS

3RD SCARBOROUGH BOY SCOUTS

The Ladies Auxiliary is having its last meeting of the season this Monday, June 5th 8 p.m. at Guildwood Presbyterian Church. Some of the ladies have been involved with the Auxiliary for the past 5 years and feel that they have earned a rest. So they are asking for mothers who are not involved to come on out and give a hand.

The leaders and all 18 scouts from the Wednesday night troop had a very successful camp during the May 13th week-end at 'Camp Oba-Sa-Teeka' near Cookstown. They would like to thank Dave Scott who shared the programme and responsibilities with them. Thank

you, also Messrs Croxon, Ellis, Morrison and Gray for assisting with transportation. None of these boys has been in the scouts longer than 4 months, yet there was a real eagerness to maintain the true 'Scouting traditions'. Rope bridges, tent inspection, tug-of-war with a challenging troop, kitchen duties, games galore, a creek to fall into, plaster casts of animal tracks, crafts, campfire, and more pies and cream, cakes and cookies than could be eaten. It was a perfect camp in all respects and judging by the dirt ring around the bath tubs on Sunday evening when the boys returned home, it was truly the mark of a good time. Scouters Ed MacNevin and Don Willie wish to thank all the parents who have helped to make this a happy troop.

'C' Pack is in the throes of preparing for a week-end camp June 17th, and all the boys are eagerly gathering their camping equipment together.

With the summer approaching the packs and troops take a couple of months off from meeting in the schools and churches. At this time the Group Committee, on behalf of all the boys, would like to thank the Two Churches in Guildwood for giving them space to have their meetings; also the caretakers of Guildwood and Elizabeth Simcoe Public Schools for their help in making the pack meetings happy and successful.

ALDERMAN REPORTS

by Ed Fulton

The Metropolitan Toronto and Region Waterfront Plan, 1972-1976 is nearing the final approval stage. The Plan, first released in September 1970, has been undergoing continuous restudy and revision. It is now expected that the new proposal will be brought to the Scarborough Planning Board before the end of June. Hopefully, Council will deal with it by the middle of July. Of some significance to the communities involved is that we have arranged an ad hoc committee including at least one representative from each of the lakefront communities to assist and advise in the preparation of the brief. The major focal point for development is between Brimley Road and McCowan Road, however Sylvan Ave. Park will be developed for passive recreational uses. The area south of the Guildwood Parkway between Livingston Road and Galloway Road is also within the scope of the Plan. Negotiations are presently underway between the owners of the Guild Inn and the Ontario Heritage Foundation for the Heritage Foundation to receive the Guild Inn and 19 acres surrounding the Inn as a gift to be held in perpetuity. Subject to negotiations between the Foundation and the Guild Inn coming to a satisfactory conclusion, this project would enable the acquisition of certain waterfront lands around the Inn being acquired and developed as a public resource park. The attractive nature of this property, the existing access to the lake and the possibility of linking these lands with the Cudia/Sylvan complex by a hiking trail makes this an important waterfront area. Facilities which would be provided in the area would be in keeping with the passive nature of the land.

If I can be of any assistance to you please call me at 267-6720 or 759-4747.

M.P.P. Report.

by Margaret Birch

Recently I had the pleasure of sitting with your community association chairman, Ron Allen and Mrs. Allen,

The occasion was the annual awards dinner sponsored by Scarborough's Parks and Recreation Commission.

After hearing Ron recount some of the achievements, and outline the goals of the Guildwood Village Community Assoc., it is easy to understand why Guildwood received the award as the "Community Association of the Year".

It is also easy to understand why Guildwood is recognized not only as one of the best community groups in Scarborough but in all Metro. Again, congratulations.

Also congratulations to Blanche Kenny of the Guild Inn who recently was given the monthly Ambassador of Hospitality Award by Metro Toronto. Blanche is well-known to many residents of Guildwood in her capacity as manager of Crafts and Antiques at the inn.

Ontario Place is open for its second season and I hope you will have an opportunity to visit it during the summer months. I have had several complaints about the admission fee being raised from \$1 to \$1.50, but you are still getting a lot for your money in comparison with some other amusement areas. Recently a friend visited a park near Sandusky, Ohio. The admission fee was \$3.50 and once inside he found only a midway with a charge for every ride. No Cinesphere, no Pod II, no Forum. He thinks Ontario Place is a bargain, and so do I.

M.P. Report

REPORT FROM MARTIN O'CONNELL M.P.
SCARBOROUGH EAST

I was pleased that so many of you accepted my invitation to the seminar on government aid to local sport, held April 15. At that meeting there was a great deal of interest expressed in the federal government's "Sports Caravan."

I am delighted that I have been able to arrange for the Sports Caravan to come to Scarborough's Centennial Centre from June 16-18. (This will be its only visit to Metropolitan Toronto apart from an appearance at the Canadian National Exhibition in August.

The Caravan brings facilities to demonstrate skills in 22 major sports:

gymnastics, tennis, golf, track and field, baseball, judo, karate, football, soccer, etc. Petra Burka will demonstrate figure skating on the Caravan's own artificial ice surface. We also expect that Harry Jerome and Elaine Tanner, as well as other noted Canadian athletes, will be involved in the demonstrations.

In addition to the various demonstration, there will be an opportunity for everyone to participate in the Canada Fitness Award Program. For younger children there will be a play area and a "kindergym"

One of the chief objectives of the Sports Caravan is to encourage amateur sports and the involvement of the community in these activities. The Borough of Scarborough is providing a great deal of assistance to make this an outstanding weekend. We need volunteers to help with both the demonstrations and the Canada Fitness Award testing. If you can help please let me know. My office number is 267-0200.

YOUTH REPORT

by Ron Gostick

School is almost over for most high school people and a long summer will be before them. Some will be travelling or working; others will be staying here in the Guild without much to do. I'd like to concentrate on those who are staying.

The Guildwood Youth Council will be holding a small rock concert on August 25 to help liven the youth up for school in the fall. We will be in touch during the summer and may plan other events for the holidays.

The Scarborough Board of Education will be offering a drop-in program called STOP, for the summer to be held at 5 to 10 collegiates throughout the Borough. They will be open 1:30 to 4:30 p.m. and 7:00 to 10.00 p.m., six days a week. More information will be available through the Board.

I think that the police receive more trouble during the summer months than in winter with the youth. This can, perhaps, be blamed on lack of activities during the summer. Parents should be aware of this and help to provide or suggest some means to keep their young people active in this period. Boredom and loneliness can be classed as two of our greatest enemies.

* * * * *
Please help to help the youth of this community and beyond. It will be appreciated and respected. Thank you.

GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 72, No. 6 June 24th, 1972.

Chairman's report by Ron Allen

Again, this year, we will celebrate Canada Day. We will have a marathon, a children's parade, a field day, a variety of games, pony rides, music groups and a confection stand. We will end up with the most spectacular aerial fireworks display in the Borough. As these are items committed for by the Executive last fall, every effort will be made to see this day pass as planned---in spite of a shortage of volunteers necessary to carry the days events.

Several calls have been received regarding mosquito spray. The company we had contracted with in the past, decided after a one week deliberation not to continue their contract this year. As a result, I have been in contact with Abell Waco Ltd. and made arrangements for them to do our spraying this summer.

Westlake rezoning is at a standstill but may be resumed by the developer at any time. In view of this, at such time as the item is brought up again we will have to be ready quickly to maintain our opposition. Therefore, those of you who are still concerned particularly those abutting owners, let any member of the executive know if you receive any information personally.

cycle club ?

A SUMMER PROJECT ON YOUR STREET?

Most adults are aware of the need for youngsters to become safer cyclists but few of us know exactly how to go about it. The Ontario Department of Transportation and Communications has an answer.

The Crusader Cycle Club is a way to teach safer cycling to our children. The club can be organized by one adult and all teaching and examination materials, registration forms, publicity material, membership cards and lapel pins are provided by the Department of Transportation and Communications.

If you have some spare time during the summer vacation this year, organize some of the young people on your street into a Crusader Cycle Club and teach them cycling safety. For further information, call Eric Parker at 266-9128.

YOUTH REPORT

by Ron Gostick

In this column I would like to outline the S.T.O.P. program for Laurier Collegiate this summer.

Basically its purpose is to open the high school to parents and youth six days a week (Monday to Saturday) from 1:30 to 4:30 P.M. and 7:00 to

10:00 P.M. The program will run from July 4th to August 12th inclusive.

Activities consist of arts and crafts exhibits and participation, volleyball, basketball, babbinton, tennis, soccer, gymnastics, movies, rock group, field trips of various kinds at least twice a week, and much more!

The co-ordinators are D. McKay (leader), Marilyn Payne, Ole Larson and Ron Gostick.

Parents are welcome, as I said, to use our facilities without charge. If you wish to organize an activity or game, phone us at least two days in advance and we will be glad to set aside facilities for your use. We have both double gyms, so there won't be any trouble in accommodating you. Also, if you wish to just come in and do your own thing, you are welcome.

Your suggestions and ideas are welcome. Call: D. McKay, Scarborough Board of Education 266-3111 or Ron Gostick 41 Bledlow Manor 266-0880.

* * * *

A reminder that there will be Groups playing at Guildwood Canada Day Celebrations, July 1st, starting in the afternoon.

Volunteers are needed to help man some of the game booths. Phone Ron Gostick at 266-0080.

I hope to see you at both of these activities.

BROWNIES & GUIDES

547TH. BROWNIE PACK

by Cathy Latham

On May 23rd., seven of our Brownies were welcomed into the 497th. Guide Company. The Brownies who flew up were Georgina Miller, Maria Vandenthillart, Ruth Ann Brown, Debbie Bernardo, Debbie Thompson, Marianne Kingsmille, and Sandy Baker. On June 3rd. saw our Brownie Pack down in

Colonel Danforth Park where we had our closing picnic; hiking, games and a delicious lunch were enjoyed by all. Thanks to Mrs. Thompson, Mr Hulme, and Mr. Latham for their help.

Our Brownie Pack presented Diane, who has been helping us at Brownies for the last two years, and myself with a lovely farewell gift; as we are moving to Calgary in July. We were both so pleased with our gifts and know they will always bring back fond memories of our time spent with the other Leaders and girls of the 547th Brownie Pack.

I'd also like to thank the other Guiders of Guildwood for the lovely Guide Cup and Saucer they gave me to remember the years of Guiding Comradship I spent with them.

GUILDWOOD GUIDES AND BROWNIES

by Shirley Gray

We have come to the end of another year, a most successful one I think. Four Brownie Packs and three Guide Companies have enjoyed a full year of activities which this year have included many trips and visits outside the community. Some of our Guides went to Queen's Park and had lunch with Mrs. Birch., other groups visited the Planetarium, the Art Gallery, the Museum, Cedarbrae Library, and various other places of interest both for their own enjoyment and to gain the needed knowledge to pass Badges. We went as a District, nearly 100 strong, to Camp Cedarbrae and another group will be going camping come Sept. I think this is a very long and impressive list of activities when you consider that this is over and above regular weekly meetings.

I would like to express my sincere thanks to the leaders who give of their time, energy and talents to guide these girls. We all extend our thanks to the leaders who for various reasons cannot continue with us. We will miss you and hope that at some more convenient time we can call on you again.

With the departure of about nine leaders there will be a desperate need for help in the fall. If no help is forthcoming, at least 3 Units will have to be closed. In September we are offering an evening of Basic Training for leaders. If you would like to help but feel you do not have

GUILDWOOD CLEANERS

(Guildwood Plaza)

Latest and Most Modern equipment, right on the Premises!

SAME DAY SERVICE!

**Shirt Service • Cleaning
Expert Tailoring • 267-1873**

the qualifications, this basic course is just what the doctor ordered. If you have been a leader before and feel you are a little rusty, we are having an Elementary course later in the fall. If you don't want to be a leader but could help in other ways we have lots of jobs, not requiring too much time, but still needing to be done. Please give this some thought and if you would like to help contact Shirley Gray 267-6055 or any of the leaders.

A special thank you is extended at this time to the Cub and Scout Mother's Auxiliary. This year, with the help of some Brownie and Guide Mothers, they sponsored another successful Bridge Party, the proceeds of which have been turned over to the Brownies and Guides to further Guiding in Guildwood. Much thanks to this small but active group. Such cooperation helps everyone. By the way, they too are looking for willing hands, so if you have boys in the movement rather than girls here is your chance.

In the fall we are hoping to start a Cadet group in Guildwood. This will be for girls 15-21 who are interested in becoming leaders in our units. Many girls who are now in Guides have expressed an interest in such a group and I'm sure there are others who have been in the movement and left who might find this new group to their liking. Any one interested please call Mrs Gray 267-6055.

On May 28 at Holy Trinity Church, 19 Guides were presented with their Religion in Life Badge. Mr. Watt spent much time with these girls going over

SCHOOL NEWS

ST. URSULA'S

by Mr. C. Cromien

We extend a cordial invitation to all to attend our annual Music and Drama evening Tuesday, June 27th at 7:30 p.m. This year for the first time we will be using the Auditorium at Sir Wilfrid Laurier Collegiate Institute. The program being planned for this evening will be a representative sampling of our school programs and activities. We hope you will be able to take in our "FUN AND FANTASY '72". (Admission-Adults 50¢, children 25¢. Tickets are available from any students in the school.

Our thanks to the members of the Guildwood Community Presbyterian Church for allowing us to use their Church for our annual Grade 8 School Leaving Activities. Our senior students will return to the school to enjoy a buffet dinner sponsored by the parents of our present Grade 7 students. Following dinner, there will be a dance until 11:00 p.m. Our thanks to all who will make this evening a memorable occasion.

The Scarborough Y.M.C.A. will be making use of our gym and field facilities throughout the summer for their Sports Day Camp. Guildwood Minor Soccer Association also use our playing field each week-day summer evening for their sports program.

The Annual Progress Report of the School Board was published in the Toron-

to Star on Saturday June 10th, as a supplement to the Canadian Magazine. This 8 page report contains the current thinking of the Board on programmes and purposes of education in Toronto Catholic schools as well as a review of the 1971-72 school year. It also contains reports from pupils colour photographs, statistics, School Board services, and identification of the trustees by schools.

N.B. If for any reason you were unable to obtain this edition of the Star, please let me know and I will arrange for you to have a copy of this report.

We had 67 participants represent our school in the Regional Track and Field meet held on June 7th at Holy Spirit Catholic School.

Our best wishes and Bon Voyage are extended to Mrs. A. Kurosky, our Grade 3 teacher, who recently moved to research position with the University of Texas. At the same time we welcome Mrs. P. Doyle to our staff.

This year for the first time we have had bus transportation for Catholic children who wish to attend our school and live in the areas North of Kingston Road and East of Galloway Road. This bus route will be continued again next year; however, since this route was established after the closing of school last June, there may be some parents interested in making use of this service. Please note that a special bus takes both Junior and Senior Kindergarten students directly to their respective homes. If interested, please contact the school for further information.

School will be closed for the summer holidays on Friday June 30th at 2:30 p.m. For the benefit of new families moving during the summer, our school secretary will be on duty the week after school closing, as well as, the week prior to school opening in September for parents who may wish to register their children.

M.P.P. Report.

by Margaret Birch

Proposals to extend the Gardiner Expressway into Scarborough are back in the news. The Metro Transportation Planning Committee has recommended that the expressway be continued from Leslie St. to Birchmount Rd. and that plans be completed for the Birchmount to Highway 401 section. There are still some hurdles to be overcome, but I get the feeling that work on the expressway extension may be started before the end of the year.

During the election campaign last fall, and in talking with constituents since then, I have received the distinct impression that the vast majority of Scarborough residents are in favor of completing the Scarborough Expressway as soon as

shoes

possible. Certainly for any Guildwood resident who uses a car to go to work downtown, extension of the expressway can't come too soon.

Don't forget that the Conservative AID office is open to serve the residents of Scarborough East. The office is at One Greenholm Circuit, Phone 439-1113. I will be in the office on Monday nights from 7 to 10 p.m. if you wish to drop in and discuss any problem you may have.

M.P. Report

by Hon. Martin O'Connell

Since my appointment as Minister of Labour in January 1972 many of you have had questions as to the jurisdiction and role of my Department. I thought in this report to you I might outline some of the proposed changes in Canadian labour legislation.

Part 1 of the Canada Labour Code (Fair Employment Practices) prohibits discrimination in employment, within federal jurisdiction, based on race, colour, religion or national origin. Similarly, no trade union may exclude or expel or suspend a person from full membership on the same grounds.

The amendments to this Part of the Code, which I introduced in the House of Commons last month would substantially reinforce and improve the government's ability to seek and eradicate such discrimination wherever it occurs within federal jurisdiction. The list of prohibited reasons for discriminatory acts would be expanded to include age, sex and marital status.

The inclusion of sex as a prohibited reason for discrimination stems from the government's firm commitment to improve the status of Canadian women. The experience of human rights administrators in Canada has been received respecting employment policies aff-

ecting married women. The principal complaints have been that married women are not hired by many employers and that many employers release women when they marry.

It is important to note that the Bill would not apply to any superannuation or pension plan, or to any insurance plan that provides life, accident, sickness or disability benefits. Without this exclusion a great number of such plans might be found to be illegal, resulting in substantial disruptions. The government recognizes that there may be discriminatory elements in these plans, and is considering what can be done to remedy the situation.

I feel that the new Bill marks a significant advance toward the objective of equal employment opportunity and treatment for all Canadians.

Trustee Report.

by Reg Stackhouse

A children's choir singing, "For She's a Jolly Good Teacher," mothers expressing their thanks for what she'd done for their boys and girls, educators lauding her contribution to the Scarborough school system, an engraved silver tray expressing the respect of her colleagues and community—that was the way Elizabeth Simcoe Junior Public School said "Thank You" to Mrs. Mabel Downs who retired from teaching this month after 30 years' active service.

It was the kind of party held recently all over the borough in honour of the more than 40 teachers, principals and administrators who are retiring, and reminds us of the basic truth we can so easily forget—that the chief resource of our society and its institutions is its people.

This is certainly true in the schools and we are very fortunate to have the kind of person we do on our educational staff. They work hard, putting in much longer hours than most of us realize, with few chances for a recess. They also work skilfully, bringing to the job dedication and knowledge.

Poplar Road Junior Public School will be sorry to lose its highly regarded principal, Mr. Orrett who has been

appointed head of a senior public school. He will be ably succeeded, however, by Mr. Simpson who has made a fine contribution to Jack Miner Senior Public School as its vice-principal.

Staff and students of Jack Miner offered two large audiences a professional quality performance of the Mikado, showing the impressive standard this school's music program has already attained.

Pupils of Elizabeth Simcoe are planning to present Mr. Albert Campbell, Metro chairman, with a cheque for \$1500 for the purchase of an alpaca for the Metro zoo. These young people have surely set a record for fund-raising by a junior school.

Athletes of Sir Wilfrid Laurier Collegiate held their annual awards night with one of the largest attendances by parents. Laurier was the scene recently of a special assembly when winners of a mathematics competition throughout the borough received awards.

ALDERMAN REPORTS

by Ed Fulton

The June 7th edition of the Scarborough Mirror stated that the proposed townhouse development on Westlake Road has been stopped. The Article is misleading in that it appears that the applicants defeat is absolute and final. This is not the case. There are a few courses of action open to the applicant and Council. Since the By-Law was approved, Council could be asked to consider a report of the Borough Clerk to repeal the By-Law. The applicant may have a legal basis for circumventing Council and making a direct appeal to the Ontario Municipal Board. However, in my opinion, the most likely event will be a direct appeal to the Council to reopen the matter to allow the application to go on to the Municipal Board. This last course of action will require that a member of Council who voted against the application will have to move to have it reopened. There is no way of knowing when any of the above steps may be taken but it is unlikely that the developer will allow his application to remain dormant for long.

Council, at its next meeting June 19, will be asked to consider my proposal to establish a Borough sub-committee on recycling. The function of the sub-committee will be to co-ordinate all aspects of recycling not in effect, to deal with all future requests of community groups and to study new developments in this field. I expect to meet with your executive in the near future to discuss the possibility of a pilot project in Guildwood.

As a footnote to the foregoing you may be interested in the most recent (May 23) totals from our recycling depot at Midland and Ellesmer Rd; glass-108,000 lbs., cans-36,000 lb paper (for approx. one month) 12,000 lbs.

Tennis

KIWANIWOOD TENNIS CLUB

There has been a lot of activity at the tennis courts in the last few weeks. More people have been taking lessons this year and as a result more are playing more often. In the Monday evening series just concluded 95 Juniors and 85 Seniors and Intermediates took part and in the Tuesday morning series 66 came out to learn or sharpen skills. Helping to make the series of lessons successful were the members who taught the Juniors and assisted the instructors brought in for the adult classes. The resulting total involved in instruction, both giving and receiving, comes to more than 250.

On June 15 there was a ladies tournament drawn from the classes for more experienced players in which 26 took part. On June 20 there will be another made up of entries from the beginners classes.

The official opening festivities took place on June 3 with a round robin tournament for Juniors in the morning to which 44 turned out to play singles matches, and for the Seniors and Intermediates in the afternoon which attracted 50 for men's, ladies' and mixed doubles.

Kiwaniwood players are also involved outside the club. There are two teams entered in the Scarborough Lawn Tennis Association,--this represents some 40 players as there are 4 men and 4 women on each team in addition to several alternates. Both teams are doing well--the C team is at present in first place in its division.

The Junior boys SLTA series began Saturday, June 17 and the team plays 11 matches ending August 26. Five or six matches will be held here, the first on June 24 at 9:30 a.m. against Leacock. There are also some of our boys playing for Scarborough in the Toronto Community Lawn Tennis Association.

In order to encourage the top Junior players to improve further, four, Wanda Hawling, Doug Brenner, Paul Archambault and Tom Edwards, have been given Intermediate privileges to enable them to play with adult play-

ers. There will likely be 2 more girls and 4 boys accorded this privilege shortly.

GUILDWOOD COMMUNITY NURSERY SCHOOL

For registration phone 266-1238
Three year old children enjoy nursery school. The programme is geared to their interests and abilities. Opportunities are provided for the free development of their own creative abilities in a stimulating setting planned to develop their curiosity and awareness. Social development takes place in free interaction and group games, songs, and activities in co-operation with other children. A well trained and experienced staff provides appropriate guidance and care.

Parents enjoy nursery school not only because of the freedom gained but because they know they are providing a happy worthwhile childhood experience for their child--a solid foundation for their child's growth socially, mentally, emotionally and physically. You are glad that your child is getting a half day of enrichment greater than you can provide at home alone.

Bazaar big success !

Many thanks to the helpers and visitors of "Super Summer Spree". The residents spent many hours in baking, sewing, knitting, cutting, gluing and painting in preparation for this event. Approximately \$400 was raised at this bazaar which will be used for the residents.

Also this month the residents celebrated Ontario Nursing Home Week with a Wine and Cheese Party. These oldies sure love to party.

Your turn next?

There is a need for several people to stand for election as officers of the Association for the 1972-73 fiscal year. The election of officers will take place during our General Membership Meeting on Wednesday, October 4th.

If you are prepared to take your turn as a member of the 1972-73 Executive, please call Ron Allen at 267-1692.

Protect our Schools

Every year during summer vacation, the incidence of vandalism at our schools increases substantially. We all end up paying for repairs caused by a few troublesome youngsters with too much time on their hands.

As parents and citizens, we all have a responsibility to help in protecting our public property. We should try to instill in our children respect for school property. We should ensure that they don't get bored and restless. We should keep our eyes and ears open for suspicious goings on, particularly if we live in the immediate vicinity of a school, and report immediately to the police--the appearance of a patrol car can often halt vandals before they do serious damage.

Remember, our schools belong to all of us. Let's all do our part to protect them!

the requirements for the badge. We are most grateful to him for the time he spent. I'm sure that the Guides learned a great deal and, by his own admission, so did Mr. Watt. Our thanks to you Mr. Watt.

One last word of thanks to the many unsung helpers in our neighbourhood, to the mothers and fathers who drive Brownies and Guides to and from activities often with their cars laden down with camping gear, to the parents whose freezers are full of Girl Guide Cookies, to the parents who turn out to various pack and company functions like enrolments, fly-ups, banquets etc. Your interest is appreciated by us but more so by your children; and last but not least, outsiders who come into the units to help with specialized teaching. To one and all, leaders, children parents, have a good summer and I hope we will all return with renewed enthusiasm and strength come the fall.

GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 72, No. 7 August 26th, 1972

Special meeting on REZONING

SEPT 6th

Long awaited pool in Guildwood is inside this new structure at Laurier Collegiate. Late '72 opening is expected.

A special general meeting has been called by the Executive of the Guildwood Village Community Association to discuss the proposed rezoning of property on the corner of Guildwood Parkway and Kingston Road in the area where the barn now stands.

The meeting will be held at Guildwood Public School, Livingston Road, on September 6th at 8:00 P. M.

All Association members are urged to attend the meeting. Non-members who may be affected by the proposed rezoning are also welcome.

Walkathon

HOSPITAL WALK SEPTEMBER 23rd

by Les Brown

SCARBOROUGH CENTENARY HOSPITAL is planning to hold its second annual Hoofathon (Walkathon) on Saturday, September 23rd in an effort to raise \$90,000 for diagnostic equipment.

The Hoofathon begins at 8:30 a.m. from Highcastle Park (which is 3 blocks north of the hospital). The route of the walk covers a distance of 10 miles and is slightly different from last year.

It is expected that upwards of 10,000 adults and students from over 100 schools in Scarborough, Pickering and Markham Townships will participate in the walk.

The public is being asked to support the walk financially by sponsoring the "Hoofers". Sponsor forms are available in all the banks in Scarborough and through the schools. School students should obtain their forms through their school.

Scarborough Centenary Hospital needs your support.....support your community and your hospital!

Information concerning the Hoofathon may be obtained by calling Mrs. D. J. Morrell, Hoofathon Co-Ordinator, at 282-9992.

Baseball

Baseball in the Boys' Divisions ended during the first week in August. The final standings are shown below:

MITES

1. Medical Replacement
 2. Chapmans
 3. Triumph Trophies) tied for 2nd.
 4. Hair Port
- The playoff between Chapmans and Triumph Trophies for second place will take place on Thursday, Sept. 7 at 6:30 P. M. at Guildwood School.

Playoffs will take place on Sat. Sept. 9th at 1:00 P. M. Team 1 will play Team 3 and Team 2 versus 4. The final will be on Sept 10th at 1:00 P. M. All games are at Guildwood School.

ATOMS

1. A. C. Murphy
 2. Fultons
 3. Guildwood Cleaners
 4. Red and White
- Semi-finals will be at 9:30 A. M. on Sept. 9th, with Team 1 going against Team 3 and Team 2 against Team 4. The final will be played on Sept. 10th at 9:30 A. M.-all games at Guildwood School.

Your turn next?

On October 4th, the Annual General Meeting of the Guildwood Village Community Association will elect a new slate of Officers to direct the activities of the Association for the 1972-73 fiscal year.

Members of the Association are invited to volunteer for any of the following positions: Chairman, Vice-Chairman, Secretary, Treasurer, and Membership, Social, Youth, Sports and Legal Directors.

Please phone Ron Allen at 267-1692 to volunteer your services.

SPORTS

Tennis

by Bev Rhodes

First of all several hundred square feet of CNE mod sod disappear, and then two nets from our tennis courts ---perhaps someone is building his own private courts! The loss of two nets slowed up play in the Junior tournament, already held up by the weather and the loss of the court draw sheets to some sports-minded vandal. There has been a good turnout for the tournament, and, in spite of everything, play has reached the semi-finals in both boys' and girls' events. Entries for the Senior tournament closed August 17 and play is underway with the finals to take place early in September. This year there is to be a consolation tournament, ensuring those eliminated in the first round of at least two matches.

In SLTA competition, both boys and girls Junior teams are just finishing their matches, and have done quite well over the summer, especially considering that for many this is the first inter-club competition. The Senior teams, for their part have had very good results; the D team has finished in first place, and the C team is virtually assured of first place.

GUILDWOOD INDIANS

by Jack Arthurs

Well, we're back to that time of the year when the tube is full of football games, the women can't drag the men out, and the Guildwood Indians football team is hard at practices for the upcoming season.

We have some good news and some bad news to report on the minor football in the area. First the good news. The peewee team (13-year olds and under) are into serious practices under head coach Jack Brown and are progressing very nicely. He feels he has the nucleus of a winning team with the return of some veteran players and the addition of some new faces. The coach thinks this year's team is more advanced at this stage than last year's and the league championship may be in sight.

Now the bad news. The bantam team (15 and under) had to fold from lack of interest from area boys. This is a shame as there is a full set of equipment in good condition. The coaches had gone to a lot of time and trouble organizing the schedule.

We still have one team representing Guildwood. They would love to see some of their neighbours at games as a cheering section. Next month we will fill you in on dates and times of our games.

Soccer

The big news from the Guildwood Soccer Club is the selection of six of our players to Ontario Provincial Teams. Tom Busshell and Silvano Mior are Junior B representatives, Alan Jorgenson and Ray Leonard are with the Provincial Bantam team, and Pee Wee players Steve Hunter and Greg Stamkos are with the under 14 team.

The Junior B and Bantam players will be in action in the Eastern Canada Championships on Sept. 30th and the National Championships Oct. 14 and 15, both in Toronto

ALDERMAN REPORTS

by Ed. Fulton

An application for the development of the vacant lands at the south-east corner of Kingston Rd. and Guildwood Parkway has been received by the Borough Planning Department. According to the site plan submitted by the applicant, the apartment project will be 5 floors in height; approximately the height of the existing barn. The proposed development is to be a retirement residence consisting of 110-1 bedroom and 98-2 bedroom suites. The architect's submission contains a long list of amenities for the future residents for day-to-day services and recreational purposes. The Planning staff expect the application to be presented to the Planning Board at its next meeting, Thursday August 31. I would appreciate hearing your comments regarding this proposal.

The Gulf Investment Ltd., proposal for townhouses on Westlake Rd., is still in limbo. I understand the applicant is attempting to appeal directly to the Ontario Municipal Board for a hearing. Should a hearing be granted, our objections would be heard at the same time. In any event, I have been advised that Scarborough Council still must make a decision for or against this project. As you know this application resulted in a series of tie votes at Council.

A newspaper drop box is to be located at the Fire Hall on Coronation Rd.,

just east of Galloway Rd. This receiving depot should be set up and in operation by mid September.

Please call me at 267-6720 or 759-4744/4747 if I can be of any assistance to you.

ABBREVIATED ISSUE

You will notice that this issue of the "News and Views" is rather small.

Our next issue, on September 30th, will be back to its normal size. If you have announcements, letters or articles to contribute to the upcoming issue, please deliver to Eric Parker, 142 Toynbee Trail no later than September 20th. GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 72, No. 8 September 30th, 1972

Hoofathon !

The Scarborough Centenary Hospital recently asked for your support in either participating or supporting financially, in its HOOFATHON to raise funds for badly needed hospital equipment. Their request was heard and the Hoofathon was a super success.

Walkers by the thousands were greeted with good weather (someone up there likes us) and nearly all of the walkers were successful in completing the ten mile course.

ONLY HALF OF THE JOB IS DONE

It is now very important that all of the walkers revisit their generous sponsors to collect the monies pledged. The sooner the funds are in- the sooner we will know how successful we were. Collect your pledges to-day and follow the instructions given you at your schools to insure speedie delivery of the cash to our local hospital. And, don't forget to give yourselves "three cheers".

Baseball

The Atom League was very successful this year although we did have difficulty in getting dads' to volunteer as coaches, umpires etc. As a matter of interest we had to recruit a coach from outside Guildwood to look after the Red & White team.

All teams played well, however, from the outset, it was clear, that because of pitching strength, that A.C. Murphy Construction and Fultons, would battle it out for the championship. Well, this was the case! Both teams played outstanding ball all year and the play-offs provided the fans with, in my opinion, the best house league baseball game ever played in Guildwood. The pitching was almost flawless and the infielding excellent.

A.C. Murphy won the championship however there were no tears from the losers after the game. The winners and the losers knew that they gave their very best and it was fitting the game ended up in a friendly handshake and a "wait until next year" promise from the defeated Fultons.

Both teams were coached well and the persons involved deserve a lot of praise.

CUBS & SCOUTS

BOYS:

SHOW THIS ITEM TO YOUR MOTHER AND FATHER IF YOU WANT TO CONTINUE IN CUBS OR SCOUTS IN GUILDWOOD.

LET GEORGE DO IT!

That is a well known cliché meaning the other guy. Well folks there are no more "other guys". The present group committee consisting of four tired old men have ground to a halt.

They took over the group about 7 years ago from other tired "old" men who's boys were not involved in scouting. Now this group have come full circle and intend to bow out, as most of them do not have boys in the scouts. The group is also desperately in need of men and women to fill gaps in the leadership of boys. As you can see, THERE WILL BE NO SCOUTING in Guildwood unless George & Georgina come forward.

There are nearly 200 boys in the cubs and scouts waiting for the outcome of this meeting! which will be held

at the GUILDWOOD PRESBYTERIAN CHURCH, Oct. 4, 8:30 PM to pick the future of Guildwood scouting. The Ladies' Auxiliary, in need of mothers, plan to meet on Oct. 16 at the church but is off if the Oct 4 meeting fails. For further information, call Herb Robertson, 266-6801 or Art James at 261-6745.

ELECTION MEETING Oct 4

Chairman's report

by Ron Allen

Well it is election time again! Placards already line the streets for candidates in the Federal bid. Some have already declared candidacy for the municipal elections and we are also in a position where a few people have come forward for election to next years' Executive of the Guildwood Village Community Association.

My thanks to those who called after the notice in last months issue of the "News". After the

many calls for volunteers to help in other activities it was refreshing to have such a quick response from those people. But a note of concern....maybe despair on my part, but I can't understand why of a registered membership of over 700 families we could only get 4 or 5 who were genuinely concerned. Someone mentioned to me recently that often the group which wins the "Community Association of the Year Award" generally ends up folding the following year. Even when you read this article-there is still time to volunteer. The next general meeting is scheduled for Oct 4 which will also be election night. Before I go any further, last issue

of the News and Views did not carry a Chairmans Report. As there was to be a special meeting of the Association to discuss a rezoning application of the property where the "barn" is situated. I felt I would make my report then to those who attended. That meeting was attended by 44 persons of whom only 36 were card holding members.

Quite a display of concern. Many who didn't attend reminded me of the Hockey Game when we canvassed for attendance many said afterward they were sorry they didn't make it, but the game and all.

Trustee Report

Guildwood Schools

Guildwood schools continue to
enjoy impressive progress in their
structure and equipment.

Perhaps the project of greatest inter-
est to the public is the Laurier
Pool, now well on its way to com-
pletion, the end of October being
the target date.

This fine pool will be of Olym-
pic size so that Scarborough
swimmers will have one pool in
their Borough suitable for any
competition.

It has been equipped also with
bleacher facilities so that these
swim meets can be watched by inter-
ested audiences.

The cost of this jointly financed
by the Board of Education and the
Borough's Recreation Department
budget, has been well controlled
and the planners of this pool
deserve great credit for provid-
ing what they have for the money
involved.

Sometimes projects such as this
are criticized as "frills", but
there is another side to these
debate.

In most Communities- and certainly
in Guildwood- a pool is construct-
ed chiefly as a result of local
demand. The efforts of the Kiwani-
wood Committee have certainly
been an example of how a community
can get behind a project, and
demonstrate how much this pool
is what the people of the area want.

It is right that they should. We
certainly have had enough
reason this year to recognize
Canada needs a new emphasis on
physical fitness. Just as health
is one of the most precious
possessions an individual has,
so it is a society's and what
we spend on this will be return-
ed many times.

In a time when many under-
standably are concerned about
drug abuse and the like, it is
important to see what a positive
contribution healthy sports and
other creative activities make
to Building good character and
personality.

Laurier has also been equipped
with a much enlarged library re-
source center, more adequate to
serve the enlarged student pop-
ulation receiving an education
that puts a new stress on indiv-
idual study and research.
Larger library-resource centres
have been provided also at
some of the public schools,
including Guildwood and Poplar
Road. These improved facilities
aim at making learning a per-
sonal discovery experience.

Junior kindergartens were open-
ed this Fall in all our junior
public schools so that four
years now becomes the normal
starting age. These 'JK's' are
very popular as a way of giv-
ing children a better begin-
ning for those vital primary
grade years.

by REG STACKHOUSE.

Tennis

Preparations are now being made for
next season. An election by mail is
underway so that a new executive can
be presented to the club at the wind
up in October and take office in
November to begin planning for next
year.

The club tournament is finishing and
the finals remaining will be played
the week-end of Sept 30 with trophy
presentations and refreshments at
that time.

Both our Senior SLTA teams ended up
first in their leagues. Next year,
these teams will move into B and C
leagues respectively and a new D team
will be formed.

ALDERMAN REPORTS

by ED FULTON

The application on behalf of National Nursing Homes Ltd for a retirement accomodation apartment at Kingston Road and Guildwood Pkwy was received by the Scarborough Planning Board on September 14th. After some debate the Borough agreed to advertise the application to the public. The Guildwood Association may hold a second meeting to discuss this project with the applicant. In any event we will have the opportunity to present our views to the Planning Board, Board of Control and Council.

On a number of occasions I have attempted to have traffic lights provided at Livingston Road and the Parkway. This intersection, while a serious problem at some times of the day, does not meet Metropolitan Toronto's warrent for lights. However, the pedestrian volume, particularly school children, has increased significantly. Through the efforts of some local residents, the Metropolitan Police have recognized the growing hazards of this intersection and have agreed to provide a school crossing guard at this location.

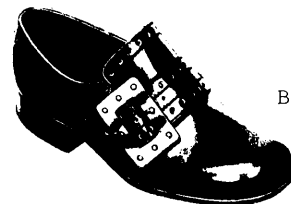

The annual meeting and election of Officers of the Guildwood Village Community Association takes place on Wednesday October 4th, 1972. Volunteers are needed to serve on the new executive and to carry out the program we have all enjoyed over the years. At the moment only two persons have offered their services. Hardly enough to put this Community newspaper together! Needless to say, without your help Canada Day, the Sports programmes and numerous other events will only be a memory.

Please call me if I can be of any assistance to you: I can be reached at 267-6720 or 759-4747

VILLA NEEDS HELP!!!

Guildwood Villa Volunteer
Programme: September-December
Season.

Any ladies who would like to add a bit of challenge to their daily routines, as well as add challenge to someone else's Guildwood Villa Volunteer Program can be a very rewarding association for you. The ladies and gentlemen of our nursing home always appreciate a volunteer visitor, a driver another assistant in a program. Each volunteer brings her own personality and a contact with the outside community to each visit made.

If you have a liking for people, a respect for old age, patience and a sense of humor you can be a Villa Volunteer.

Any ladies able to commit themselves once a week to our Volunteer program, please phone Mrs Carol Price, Recreation Director at 266-7711. Also our arts and crafts needs are as follows: dd nylons for stuffing, corks, and empty thread spools.

SCHOOL NEWS

ST.URSULA'S

The new school year has brought a number of changes at St.Ursula's.

Our Oral French programme now includes the Grade 4 students. With the addition of this new grade level our programme is now complete from Grade one to Grade eight.

For the first time we are forming both a junior and intermediate instrumental school band, composed of students from our regular band classes. In addition to our "in house" programme, many of these students will soon begin rehearsals on Saturday mornings for the Board's concert band.

The Sacrament of Confirmation will be administered to pupils in Grades Seven and Eight, by Bishop Francis Allen, Thursday November 9th, at 7:30 P.M. in St.Boniface Catholic Church.

Spirited Football and Soccer practices, complete with grunts and groans are held on our playing field after school each evening during the Fall term. Our inter-school sports programme and house league will soon be in full operation. We will have a girls pitch baseball team, as well as boy's flag football and soccer teams.

On September 25th, Mr.J.Clark's class visited Pioneer Village at Black Creek to participate in the pioneering craft activities program.

GUILDWOOD INDIANS

Toronto Argonauts and Leo Cahill please note. The Guildwood Indians opened their football season on a winning note.

The schedule started on September 17th, at Maplewood and we are pleased to report that the peewee team played a great game coming away with a hard-fought, well deserved 20-12 victory over the Vikings. All the boys played well and coach Jack Brown was encouraged with

CANADIAN IMPERIAL
BANK OF COMMERCE

GUILDWOOD PKY.
& LIVINGSTON ROAD

G.W. "Bill" BAILEY

Manager

Tel. 267-8278

their performance. He feels with that game under their belt they should have a winning year. The Vikings have always been a powerhouse in the league and this year should be no different.

Only one thing was distressing. All the cheering section was for the Vikings. These boys take the games seriously and would love to see some of their friends and neighbours out at the games.

A rundown of their schedule is as follows: Sunday October 1st, at Maplewood at 1:00 P.M.(Colts); Monday October 9th at Mowatt Park on Col.Danforth Trail at 2:30 P.M (Stampers); Sunday October 15th at Highview Park, Kingston Rd and Danforth at 2:30 P.M.(Bears) Sunday October 22nd at Scarborough Village Park at 2:30 (Wildcats); and Sunday October 29th at Agincourt at 2:30 P.M. (Wranglers).

Try to make it out to a game. The boys will appreciate it.

There still is a need for a line coach. Anyone who feels he(or she) can fill the bill contact Jack Brown at 267-8983.

The practice area has been extended using the same surface as the courts; the little children will miss the sand, but those out for some tennis practice will be glad of the extra playing surface.

CHURCH NEWS

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Christmas is coming!

The other evening I sat in at a meeting in which plans were being made for Christmas. Here I was having trouble getting the gears changed into the routine that locks our homes into the daily regimen of school hours again-Christmas again? Life's like that today. You are

You have tried the rest
now try the best!

VILLAGE BARBER SHOP

LADIES' HAIR CUT
MEN'S HAIR STYLING

119 Guildwood Pkwy (261-0795)
... in the plaza.

hardly acclimatised to the events that presently surround you, when all of a sudden you discover that you are being jettisoned into a completely new set of circumstances.

The truth is, that many of us go to bed at night, first either to listen to or view the news coverage before we roll over to sleep, then to wake up the morning to the sounds of the early morning newscast to see if we are still in operation for that day.

Time slips by and we have hardly enough time to keep up with yesterday's events without considering today's. Were we to resign ourselves from contemporary events and happenings, what a drab lot we would be.

Sometimes the Church is thought of as having resigned itself to yesterday. It may be well that the institution or organization has in many ways-but not its Lord. We say it, and have heard it said many times: "Jesus Christ, the same yesterday, to-day and forever." - We say it- but are we convinced of it? There is a real ring of contemporaneity about it. So, if the systems drags, it's because of the people and not of its Lord.

We welcome you then to the services of worship and instruction that are meant to be relevant today. Dealing with life and life's situations is still our task and the resources were never more sure - "Christ is the Answer".

A Sunday School program begins at 10 to 10 for those of school grade three and up. Those younger have programs designed for them at 11 a.m. Divine Worship at 11 o'clock. WELCOME!

\$5

\$5 is a lot of money baby!

Something to think about when you contemplate joining or not joining the Community Association this year. Well, maybe we don't need the Association at all! I have a plan to rid ourselves of all the fancy committees and of course, save everyone five bucks.

First we take all the people on Catalina and have them form a sports committee to run the baseball leagues including the coaching, sponsoring and related functions! How about the folks on Toynbee Trail looking after the communities dealings with the Municipal Government! Cadbury Court is small so a little chore- look after the dances and other social events! Prince Philip can produce the Community Newspaper-soft touch-about 40 hours a month! How about Sylvan looking after a Youth Programme, drop in centres etc. Rowatson, Leverhume and Livingston can get together and form a committee to get going on our next building project - a snap for those good folks! South Marine, Earswick and Bournville can look after the

insect spray programme. This one is the easiest - just raise about \$1,300 and call in a contractor! Regency can flood the rinks in winter. All the outfits that usually get grants from the Association (Football, Soccer etc) can raise their own funds. All the streets not mentioned above, and south of the Parkway, can get together and run Canada Day. That's really too easy. Only 45-50 volunteers and about \$1,500. All the guys on the north side of the Parkway and not mentioned above can write the communities position papers on redevelopment projects - like Lakeshore Development etc- too easy so lets add legal advice and accounting activities for their neighbours handling other projects.

Hey! wasn't that easy. Sometimes I think I'm a genius. And. don't forget, you still have your \$5. DO YOU REALIZE WHAT FIVE BUCKS BUYS THESE DAYS. YOUR'E RIGHT; OFF TO THE STORE FOR A CASE OF TWENTY FOUR THAT IS UNLESS YOU DRINK YOUR BEER OUT OF CANS.

WHO NEEDS THE ASSOCIATION ??????

T.Nicholson

Chairman's reportContinued

Well. I hope those of you who saw the game in total enjoyed it and are considering subscribing to Cable T.V. because if an apartment is built on the hill it may just foul up T.V. reception in the area.

Canada Day this year will be well remembered by those who attended and won some of the terrific prizes and trophies. My thanks to those who assisted in putting together that day-particularly those who co-ordinated the fireworks display, helped built the stalls and stands, organized the childrens parade, the super field day (Bud Wilkes), the pony rides, the confections. Without your help the day would not have been. Thank you again.

PHILIPS

LIFETIME COLOR T.V.

New 26" Screen Size

This new size adds a full 20 square inches of picture area. You'll enjoy a broader view of your favourite programs in brilliant color.

It's Fiddle-Free

Automatic circuitry was invented by Philips. The whole idea is to take care of problems before they happen. We know what's possible, so we make compensations right in the various circuits. That means you have less fiddling to do with controls, once you've set everything the way you like it. Even the picture comes on the instant you pull the button.

Automatic Fine Tuning

Makes tuning child's play. All you do is "rough tune", press the A.F.T. button and colors snap into sharp focus. No guesswork. No fiddling.

Automatic Horizontal Hold

Some television pictures have a tendency to flop on their sides. That means you get up to set it right. Philips doesn't let it happen. The circuit controlling this problem prevents it.

Automatic Voltage Regulator Prevents Power Damage

Special resistors (monitrons) eliminate power surges and drain that makes pictures "bloom" out of focus or shrink to a smaller size. Not letting it happen is protection from damage of expensive components, including the picture tube.

Automatic Color Control

Keeps the whites in line. Doesn't let bright white areas overpower colors. Keeps colors true to life, well contrasted, automatically.

Automatic Degaussing

Magnetism that normally plays havoc with color receivers doesn't have a chance with Philips built-in degaussing circuit.

Personal Preference Controls

Everyone sees things differently. So Philips makes it possible for you to adjust color performance to suit your personal taste.

Cabinets That Endure

The best way to get a thing done right is to do it yourself. That's why Philips maintains its own cabinet factory at Strathroy, Ontario, where only expert craftsmen are employed to construct stereo and television cabinets. Here the designer's art is translated into a living, solid piece of furniture. The close co-operation between stylist and cabinet maker is evident in the final result.

Cabinet craftsmen are artists in their own right. They display this talent in the technique they employ when routing wood grilles, fashioning single piece corner posts and carefully fitting backs and end panels.

Syncrotint

The important color in a television picture is flesh tones. Sometimes the flesh tone will shift due to transmitter error. Flesh tones become tainted by purple or green. You can change that situation immediately with the Syncrotint switch.

Convenient Thumb Wheel Controls

Just to make it much easier for you, Philips built smoothly adjusting thumb wheels for major control functions.

New Polyguard Finish

A Philips cabinet is processed six times before we're satisfied with the finish. Then we add Polyguard, a new material which has qualities that protect the fine furniture finish without covering up its beauty. Polyguard resists most common household dangers.

Crisper Switch

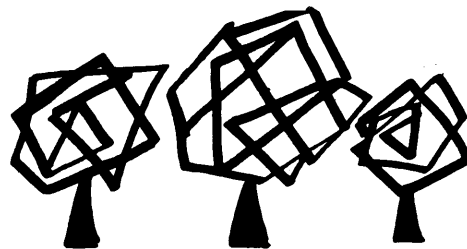

This is a three-position switch that allows you to change the actual crispness of the overall picture instantly from soft to full crispness.

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 72, No. 9, October 28th, 1972

TIME RUNNING OUT!

REGULAR ELECTION MEETING OCT. 4 FAILS
NO QUORUM AS ATTENDANCE ONLY 28

Astounding as it may seem, it was necessary for the Executive of the Guildwood Village Community Association to adjourn the October 4th meeting without holding an election of officers for the 1972-73 season.

From a total Association membership of over 700 families, it is unbelievable that only 28 of our citizens bothered to come out to elect an executive to carry on community activities during the coming year.

Another meeting will be held at Guildwood Public School, Wednesday, November 1, 1972 at 8:00 P. M. At that time, elections will be held, provided there is a quorum.

A new Executive Committee will be hard pressed to initiate an effective programme for the coming season. A full slate of officers is essential. Candidates are still needed to fill a number of positions. Please call Ron Allen at 267-1692 and volunteer your services.

REMEMBER; TIME IS RUNNING OUT!

ALDERMAN REPORTS

by Ed Fulton

Laurier Pool NOV 17

Laurier Pool will open Monday, November 6. Barring any mechanical failures, this long sought facility for Guildwood and area will open just about on schedule. An official opening ceremony for the community is being planned by the Borough and the Board of Education for Friday November 17.

Programming of the pool is not yet completed, but I would like to pass on to you the following; six week introductory instructional classes will be held this year. Registration will take place at 6:30 p.m. Thursday Nov 2 in the Laurier cafeteria. Registration for the full winter term January 2 to March, will be Saturday December 16 at 1:30 P.M. also in the Laurier cafeteria. Tentative plans are that instructional swimming will be Monday and Thursday evenings and Saturday mornings. Recreational swimming is scheduled for Friday and Saturday nights and Saturday and Sunday afternoon. By the time you receive this newspaper you should have also received at your door, the Aquatics Supplement to the Scarborough Citizen Recreation Brochure with further details on the pool scheduling.

The time of the official opening November 17, is 8 p.m. This is your opening of your pool. Please plan on attending.

If you require any further information please call me at home at 267-6720 or 759-4747.

SCHOOL NEWS

ST. URSULA'S

by C. Cromien

On Saturday September 23rd, Scarborough Centenary Hospital sponsored their "Hoofathon" to raise funds to purchase vital life-giving equipment. Congratulations to our senior students who successfully took part in this project.

We now have had eight "accident free" years at St. Ursula. To mark this occasion the Metropolitan Toronto Police Department have presented an Elmer Safety Award to the school. While on the topic of safety, our thanks to the many parents who expressed their concern for the Safety control problem at Livingston Road and Guildwood Parkway. As a result of a police study at this location, we now have a crossing guard.

Comitato Scolastico Italiano Committee will make use of our school twice weekly from 4:00 to 5:00 for the purpose of teaching elements of Italian Language and Culture to children age 6 to 12. Children will be asked to pay a fee of \$15.00 for the full course which will last from Oct. 2, 1972 to June 15, 1973. If interested please feel free to contact the school for application forms.

Mrs. M. William's grade three class enjoyed making their own "homebaked" cookies for Thanksgiving. A special thanks to Mrs. Hill for helping out.

The Fall term has been a very active one for us in the sports department. Our school Girls' 3 pitch baseball team, boys' flagfootball and soccer teams have all competed against other local schools. Both boys and girls House League teams also have been formed for volleyball competition.

GUILDWOOD

In September when the pupils returned to school a cross-country team was organized. Every morning, in fair weather or foul, pupils from grades 4, 5 and 6 charged through the streets running farther and farther. The hard work, with determination, resulted in a second place finish for the boys' team and a first place finish for the girls'. Congratulations are due to those who worked so hard. Also we wish them luck when they compete at the final meet on October 24th.

October 16th was another auspicious day at Guildwood Junior P.S. for it marked the annual "Meet the Teacher Night", the first major event of the Home and School Association. On this occasion the parents were given their first opportunity to see the new Library Resource Centre. Parents browsed through the centre examining the new books and audio visual equipment while enjoying the refreshments which were made available by the Home and School Association. With the improved facilities, many parents commented that learning should be a much easier and interesting process. All were impressed with the centre.

JACK MINER

Jack Miner Senior School is now into its second year of operation. Both staff and students are quite proud of our school. We sincerely hope that we will be able to achieve all our goals and serve our community well throughout the entire school year.

On November 2 and 3, four classes of Grade eight students will be traveling to the Jack Miner Bird Sanctuary at Kingsville, Ontario. Included in this excursion will be a tour of the Ford Assembly Plant at Dearborn, Michigan, and a nature hike through Pelee Provincial Park.

Throughout the months of September and October there has been considerable activity in the school. Before classes commence and after they have ended for the day, each student has the opportunity to participate in many and varied sports activities and interesting clubs. Both junior and a senior soccer team performed admirably in their inter-school games. Much enthusiasm was generated in our House League games. Each boy had the opportunity to represent his class on the football field; girls represented their classes in the gymnasium, playing bordenball. After many exciting games, the boys of 7-6 and 8-6 won the football championship in their respective divisions. The girls of 7-4 and 8-4 emerged victorious in their bordenball activities. Starting at 8 am. the Cross Country Team continue to jog around the schoolyard each and every morning in preparation for their upcoming meet.

Looking ahead, we intend to send report cards home during the first week in December. This report will indicate the student's progress achieved throughout the first term. How time does fly!

LAURIER

BOYS' PHYSICAL EDUCATION

The Grade 9 and 10's have finished a pentathlon, a series of five Track and Field events. The boys are now involved in an inter-house volleyball tournament after school in which they play class against class to determine a grade champion and then the Grade 9 and 10 champions play off to determine a grand champion. To facilitate the tournament the boys received a week's instruction in volleyball, but there will be more volleyball instruction later. The next activity is basketball.

The Grade 11 and 12 program is an elective system in which they choose their own activities from a long list varying from orienteering to weight training and conditioning.

The inter-school activity, of course, is football. An activity which this year has provided Laurier with some excellent talent but extremely bad luck which is evident in the fact that both Junior and Senior football teams are still looking for their first wins at press time.

POLITICAL ASSEMBLY

All three political candidates, Mr. Reg Stackhouse (PC), Mr. McMahon (NDP) and Mr. O'Connell (LIB) spoke to an assembly of senior students on three different occasions. A lively question and answer period followed each meeting.

GEOGRAPHY FIELD TRIP TO CLAREMONT CONSERVATION SCHOOL

From Oct 16th to 20th, 17 Laurier students under the guidance of Miss Brodie spent an enjoyable and profitable week at the Claremont Conservation School north of Pickering. This is the fifth time in the last three years that the Geography Department has sponsored outdoor education programs at Claremont. The students besides partaking in extensive outdoor activities and field exercises related to ecology also work on a project of their own choosing. The topic either involves geographic skills or research in Biology.

VISITS FROM UNIVERSITY REPRESENTATIVES

On Nov 8th, Representatives from the University of Toronto and Scarborough College will be in the Guidance Office. Grade 13 students who are considering university courses will have an opportunity to speak with them.

COMMENCEMENT

Annual Commencement Exercises will be held at the school on November 10th.

"BYE-BYE BIRDIE"

Laurier is pleased to present a new production of "Bye-Bye Birdie" on the evenings of November 1-4 (Wed - Sat). Performances begin at 8:00 p.m. and good seats are still available for all four evenings. There are in excess of 100 students and 8 teachers directly involved in the preparations and staging of the show, and it appears that we will have a first class production.

CURLING

OH' COME ALL YE CURLING

by Bern Foster

Guildwood Community Mixed Curling will begin on Sunday, November 12th, at the new Tam Heather Club, situated on Military Trail, just west of Morningside Ave. Curling will be from 9 p.m. to 11 p.m. at the price of \$2.50 each per night. Membership fee will be \$8.00 each. New curlers are welcome and no experience is necessary.

Application Form below may be filled out and sent to Mr. Gerry Piitz at 54 Somerdale Square, Scarborough, no later than November 1st. Or, if you wish, phone any of the following people:

Gerry Piitz	267-1514
Bert Payne	282-6240

GUILDWOOD INDIANS

by Jack Arthurs

The peewee football team has come along nicely despite losing two key boys to injuries. The rest of the boys have risen to the task with second-year players Bill Walker (defensive end), Roddy MacDonald (halfback) and Brian Millerson (flanker and linebacker) playing very well.

Coach Jack Brown is pleased with the team's 3 and 2 record to date and feels they should make the playoffs if they can keep up the good work. The fine play of first-year players Dan Myles (halfback) and Vince Stone (defensive lineman) has been gratifying and has contributed to the team's success this year.

The response for help was not overwhelming but Barry Martin has volunteered and has taken over the duties as line coach with Coach Brown's son, Glenn, assuming the job of defensive coach.

On Oct. 29 our team meets the Wranglers at Agincourt (2:30 p.m.), Nov. 5 the East Guildwood Argos at Borden (1 p.m.) and wind up the regular schedule on Nov. 12 at Maplewood playing the Mustangs. The semi-finals are on Nov. 19, with the finals at Birchmount Stadium on Nov. 26.

Get out and catch a game--you'll enjoy it.

Baseball

by "Mr Fred"

Saturday, September 30 ended the season with our parade and hot dog feast at Elizabeth Simcoe School. Trophies and crests were presented. Congratulations to Chapmans Building Supplies, the Mite Champions; A. C. Murphy Construction, Atom Champions and Guildwood 'A', Girl Champions.

My apologies to anyone who missed the day, but the convenors phoned the coaches and I would have hoped the coaches would have phoned you. For the ones who missed getting their crests, let us know. We have them for you.

Thanks to all who supported our sports program this year.

CHURCH NEWS

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

By Gordon Fish

Something Personal
The other day, I went to the bank and borrowed some money. This may not be an earth-shattering event - but ministers do need money from time to time and so, I suppose, are a bit human here too.

I went to my local bank and, as tactfully as I could, mentioned to my friendly accountant, - "I would like to borrow some money." I think I said it almost in a whisper and, while asking, looked about to see if any of my parishioners were present. You know how it is. It might be interpreted

You have tried the rest
now try the best!

VILLAGE BARBER SHOP

LADIES' HAIR CUT
MEN'S HAIR STYLING

119 Guildwood Pkwy (261-0795)
. . . in the plaza.

ted as poor money management, too much car, too many clothes, an expensive wife, spoiled kids, etc., etc., etc. Much to my surprise my friendly accountant said, discreetly, "Sure, how much do you need? Then, astutely, if not correctly in my situation, said, "Living is expensive these days."

Living is expensive. In fact, it takes a great deal of living to keep up with the times, for if we were to believe every commercial, there would be the need for a few more trips to the bank and a few more whispered pleas, "I need a loan!"

There is a marvelous verse of scripture that meets the demands of this high cost of living and this I want to share with you. I found it in Paul's letter to the Colossian Christians of centuries ago:

'Let heaven fill your thoughts; don't spend your time worrying about things down here. You should have as little desire for this world as a dead person does. Your real life is in heaven with Christ and God.' (Col. 3:2,3 in Living Letters.)

A bit foreign to the theory of those who prepare the advertisements for newspapers, magazine, radio and TV - but nevertheless, a theory I find most satisfying.

Now, all of this is a circuitous route to invite you to share in discovering with us the Christian message and the Christian life in the fellowship of His church. Sunday School is at 10 to 10 for grades three and up. Nursery, Kindergarten and children in Grades 1 and 2 meet at church time - 11 a.m. In spite of the high cost of living, can we look forward to seeing YOU?

BROWNIES & GUIDES

by Shirley Gray

Here we are well into another Guide and Brownie year, all our units, with the exception of one Brownie Pack, are well in hand. Unfortunately, due to family illness one Brownie Pack still remains closed.

We have acquired many new faces this year. This is most gratifying to those of us who have been doing this work for some time because, no matter how hard you try, you tend to become complacent and stale. You require new ideas and that little nudge from more enthusiastic newcomers. We are, however, still in need of helpers for the closed Brownie Pack which meets on Monday evenings at Elizabeth Sir oe School, or it may have to be closed indefinitely. Come on out and be a Brownie leader. The Brownies are fun to work with and I am sure you will find the time well spent. Call: Shirley Gray at 267-6055

Again this year, our Guides and Brownies are collecting for U.N.I.C. E.F. Please be generous with your pennies, they are for a good cause. Thank you in advance for your help.

TENNIS

KIWANIWOOD TENNIS CLUB

by Bev Rhodes

The tennis club marked the end of the season at a dinner-dance October 21 at Mazaryktown. After a splendid buffet dinner prepared by the club social director, Barbard Ahrens, the winners in the club tournament received their trophies. The gathering also provided the opportunity for presenting the proposed slate of officers for 1973 for acceptance by the members. The new executive will be able to begin this fall to lay the groundwork for next year's programme, and be able to present the membership with detailed plans at the general meeting in the spring.

CUBS & SCOUTS

by Art James

Well father, once more your son can go to his Cub and Scout meetings, thanks to four fathers out of 150 who came out to the meeting to see if we were going to 'carry on'.

All the four Cub packs and two Scout troops are meeting regularly even though one of the packs and one of the troops has only one leader each. How would you like that. Dad. Remember how you sometimes are ready to blow your stack with only one or two children in the home, well how about the man who has 20 boys to look after for two hours with an interesting programme for them. Can you hold your head up high with your son? If you want a challenge and an interesting evening, please call our new Chairman, Reg Miller, at 267-3410 or Herb Robertson at 266-6801.

The Ladies Auxiliary had their meeting last month. June Wright, a dynamic leader, was elected Chairwoman. The ladies will be planning next year's programme at their next meeting November 6th at Guildwood Presbyterian Church. How about coming out mother and giving them your support. No experience necessary! just an interest in your son.

All former cubs, please return your scarves to your pack as they are needed for the new boys now being enrolled. Anyone wanting to donate a used uniform could give it to your former Akela. If these uniforms are not needed in this area, they can be sent downtown to needy boys.

Ed Fulton announces

.....announces his intention to seek re-election as Alderman Ward 7.

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 72, No. 10, December 9th, 1972

KIWANIWOOD

A Guildwood Village Community
Association Project

PHASE 3

by John McMillan

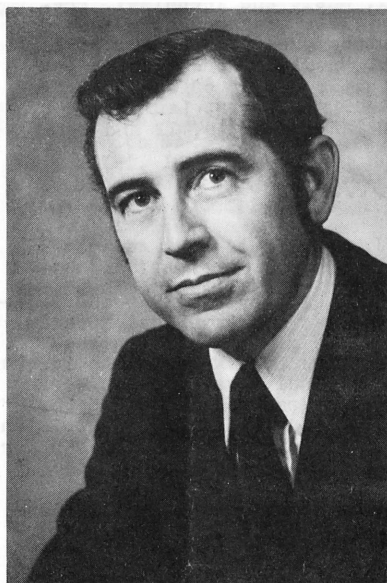

As of November 29, I received 73 responses to our survey requesting citizens of the Guildwood, East Guildwood and Markham Bluffs to indicate their views as to how the money collected earlier by the Kiwan-wood Subcommittee should be spent. Nine or ten of the respondents have indicated a desire to be of further assistance and this I find to be encouraging. The most popular item of the choices indicated was the outdoor hockey cushion, with the library project slightly behind and the wading pool (with or without the ornamental fountain—a controversial item!) a far distant third. Of the write-in suggestions there was extremely strong support for pleasure skating on an outdoor artificial ice surface. We could not likely obtain ice for the sole purpose of pleasure skating but we would certainly insist that a sizeable percentage of the total skating time be devoted to pleasure skating. The hockey players need to have their time too but hockey should not be permitted to monopolize facilities!

A word of caution must be expressed at this point. We have no commitment from anyone to the idea of an outdoor artificial ice surface in the Guildwood area. Furthermore, earlier cost estimates indicated that we were talking of dollar values in the \$85,000 range, probably \$100,000 right now.

I am merely mentioning these points to indicate that the element of feasibility must come into our thinking. We don't want to tackle the impossible! At this time it would appear that we will be making studies on the artificial ice idea, the library, a community hall and/or a youth centre and a few others.

To date, I have classified 31 distinct suggestions which include, in addition to those already mentioned, building more tennis courts, a curling rink, tennis club house, sports equipment storage facilities, play-

Continued page 3

Congratulations to Guildwood resident Ed Fulton recently re-elected Alderman Ward 7. Ed effectively represented us during his last term in office and we look forward to his continuing to do a fine job for all those living in Ward 7.

Chairman's report

by Jack Killan

This, the first report of your new Chairman, should start with our thanks to the Executive Committee of last year, Ron Allen and company, for the time and effort that they put in on behalf of your Community Association. Our sincere thanks Ron and Gang.

The Executive this year will do their best to emulate the efforts of all those who have served the community before us. The programme that we propose to run will follow closely to that of last year and will be published when finalized.

The last two Association meetings have been very poorly attended by the membership, one in fact was not called to order, because a quorum was not present. This does not make for a lasting Community Association. If you wish your ideas, proposals or complaints to be considered, our meetings are the place to bring them forward. It may surprise you how much support you will receive from members who think as you do. This lack of interest in our Association meetings worries me and I feel that I should point out that there are ten sure ways to destroy any organization and I quote:

1. Don't come to meetings.
2. If you do come, come late.
3. If the weather is inclement, don't think of coming.
4. If you attend a meeting, find fault with the work of officers and other members.
5. Never accept office, as it is easier to criticize than to do things.
6. However, get rebellious if you are not appointed to a committee, but if you are, do not attend the committee meetings.
7. If asked by the Executive for your opinion regarding some important matter, reply that you have nothing to say. When the meeting is over, proceed to tell all and sundry how it should be done.
8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves and willingly and unselfishly give of their time and labour to help matters along, tell the world it is being run by a clique.
9. Hold back your dues as long as possible or don't pay them at all.
10. Don't bother about enrolling the new neighbour. Let George and Georgeanne do it, they have more time to spare than you.

Continued page 5

SCHOOL NEWS

ST. URSULA'S

by Mr. C. Cromien

The Staff, in cooperation with a large number of interested parents and friends, have offered throughout the first term to all our students an Elective Programme of workshop activities ranging from wood carving to rug making. This is designed to provide children with valuable learning experiences, knowledge and skills usually not found in the main curriculum. It also permits parents and other members of the community to be involved in the work of the school. We are told that many of the completed craft projects this year will appear under the Christmas tree!

As a result of the great interest shown in the Elective Programme, a large number of parents have decided to organize their own evening workshops to teach each other various craft activities. A kind of parent Drop-In Centre. If interested please feel free to contact the school for further information.

Congratulations to all of the children who carried UNICEF boxes on Hall-owe'en. Our school contributions this year totalled \$243.76. This figure compares very favourably with the 1971 school total of \$178.00.

As in the past, our school Christmas project will centre on a canned good drive for the Good Shepherd Refuge. Since January 1st, 1972 the Refuge, located at 412 Queen St. East has served approximately 130,000 hot meals to many hungry and homeless men. Each family can help by encouraging the children to bring one tin of canned food in order that the Little Brothers of the Good Shepherd may continue their apostolate of feeding the hungry.

For the Fall term a large number of out-of-school excursions either have taken place or are being planned for the near future. Mrs. E. Burn's Grade 4 class visited the Royal Winter Fair while our Grade 8 students previewed Laurier Collegiate's presentation of "By, Bye Birdie". Other groups of students will attend "Fiddler on the Roof" and "The Sound of Music". The MacMillan Art Centre will be visited by Mr. D. Ellis and his class; the R. C. Harris Purification Plant by Mr. Wm. Boyle and his class.

LAURIER

On December 6th and 7th in the afternoon Grade 11 and 12 Architectural Drafting and Building Technology students went to a Construction Show in the Automotive Building at the C.N.E. Grade 11 and 12 Electronic students and Electrical Theory students visited Centennial College to see the Electricity and Electronic Teaching Facilities. On December 7th some Grade 11 and 12 Automotive students travelled to the McKinnon Industries Car Engine Assembly Plant in St. Catharines. These tours were all arranged by the Technical Teachers concerned.

Cantique de Noel

On December 14th the Annual Cantique de Noel will be presented by the Music Department of Sir Wilfrid Laurier C.I. Junior and Senior Bands, String Ensemble and various instrumental groups will be featured. Christmas Carols with audience participating will also be included on the program. Admission-Adults \$1.00 and Students .50¢

GRADE 8 ORIENTATION

The purpose of visits to Sir Wilfrid Laurier Collegiate by Grade 8 students is to enable the students to see subject areas such as Art, Commercial, Music and Technical. Prefects will be assigned as guides for the various groups. Boys and girls from St. Ursula's were with us on Dec. 8th. Groups of 60 students from Jack Miner will be at Laurier on each of January 8, 10, 12 and 15th.

GUILDWOOD

by G. J. Barrett

Our school did very well at the Scarborough Cross Country Final Meet in October. The girls' team finished third and the boys were fourth in the standings. Individual results were good-Alison Gray was 2nd and Kathy Paddley 7th in the girls' event, Glen Wake was 7th and Scott Magder 8th for the boys.

During the first school term all pupils from Grades 1 to 6 were involved in some type of excursion. Grade 1 children visited a local fire hall in October and recently travelled downtown to see a Christmas puppet show and look through Toyland. The Grade 2 classes had a tour of Metro Toronto. Pupils in Grade 3 had an historical tour of Scarborough and Mrs. Brown's class had a trip to the Science Centre. The Grade 4's had a specially planned tour of Metro Toronto and spent considerable time investigating Kensington Market. Mrs. Heinze, Grade 5 class, went to Oshawa to see the McLaughlin Art Gallery. Both Grade 6 classes spent a most profitable morning November 17th at the McMichael Art Collection in Kleinburg. The Special Education pupils visited Old Fort York in September and had a day at the Royal Winter Fair in November.

These trips are extremely helpful to staff and students and we appreciate the Board's progressive programme which makes such excursions available.

The next Home and School Meeting is scheduled for Wednesday, December 20 at 8:00 p.m. At this time there will be a musical programme presented by pupils from Kindergarten to Grade 6.

ELIZABETH SIMCOE

November has been a busy month at the Simcoe 'bee hive'. The Grade 5 classes have been travelling the country with visits to the Art Gallery, the Antique Car Museum in Oshawa, and the Royal Ontario Museum.

In our House league sports action, Red House has stolen the lead from Gold House as the floor hockey and Finnish handball schedules draw to a close.

At present the choirs are busily tuning up for our annual Christmas concert. Santa's elves have construction well in hand, and the actors are practising their 'tearful' performance.

The Junior Kindergarten anxiously awaits the first heavy snowfall-to try out the new toboggans. Senior Kindergarten will visit Eatons and Simpsons downtown stores on December 19.

Christmas Concert presentations will be on Tuesday, 19 December and Wednesday, 20 December commencing at 7:30 p.m. Tickets will go on sale on Wednesday, 6 December.

We are presently beginning a collection of materials and information from the John Graves Simcoe and Elizabeth Simcoe period. All contributions to this collection will be greatly appreciated.

JACK MINER

In just a few short weeks, the first term for this school year will be finished! One's initial reaction might well be that of amazement; where has the time gone? However, closer observation will reveal that much has been accomplished and both students and teachers can take pride in the goals which have been attained throughout our first term.

The Royal Trust Co.

PLEASE CALL YOUR NEIGHBOUR - Virginia Finlay
Business - 438-1020 **Residence - 267-5759**

Many enthusiastic students are involved in the sports activities offered. In our school house league, this term, all girls have the opportunity to represent their classes in the speedball games; the boys derive great satisfaction from participating in the scoopball matches. A senior girls' basketball team and a junior boys' volleyball team represent Jack Miner Senior in games at the interschool level of competition.

On Tuesday, November 29, the entire school body attended a stirring performance of the Toronto Symphony Orchestra at Massey Hall. Included in this concert were selections from the works of Handel, Mozart, Strauss, Somers and Borodin.

By now, report cards have been carefully examined by parents. First term reports are very important since they provide an evaluation of the work done thus far and also indicate what results might be expected throughout the remainder of the school year. If parents wish to comment further regarding their child's progress, they are asked to call the school at 284-0211 so that time for an interview can be arranged.

This year, all grade 8 students will be given a guided tour of Sir Robert L. Borden Secondary School in December and Sir Wilfrid Laurier Collegiate in January. Students will view the facilities and gain a better insight of the valuable programmes offered by both schools.

Two worthy excursions are planned for this month. On December 13, Mr. Harrison intends to take two grade 8 classes to the Marine Museum, Military Institute and Parliament Buildings. Since two students from this school, Judy Robertson and Gordon Watt, are engaged as pages during this sitting of the Legislature, it will be an excellent opportunity for some of their fellow students to see them in action.

On December 18, Mrs. Seebach is taking two grade 7 classes to the Ontario Science Centre. Both excursions will offer supplemental information to be correlated with topics presently being studied in the classrooms.

On the evening of December 19, at eight o'clock, our school will present its Christmas Concert. The theme selected this year is "Christ-

mas is Love." Mr. Mustard and his capable assistants are working hard in order to make this evening truly successful. Included in this concert will be selections by our choirs, bands, drama and Orff groups. A cordial invitation is extended to all parents who wish to attend this concert. Tickets may be purchased from students at a cost of \$.75 each. All proceeds will be used to purchase lighting equipment for our stage.

Since this is the last publication before Christmas, on behalf of all staff members here at Jack Miner Senior School please accept our best wishes for the coming Festive Season.

P.S. Parents are asked to please save empty jars and lids for us. Baby food jars are especially good. They are used by boys in the Industrial Arts programme. One particularly useful project requires more than a dozen empty jars with lids.

KIWANIWOOD

.....continued

ground equipment, a tennis court dome, a marina, a recreation centre, squash courts, lawn bowling greens, shuffleboard courts, a running track, bowling alleys and a roller skating rink. Other ideas include retaining Spencer Clarke's barn, creating nature trails along the top of the bluffs, bicycle paths, creating scholarships for worthy local stud-

ents, donating the money to charity, cleaning up the nearby plazas and public land generally and, finally, donating the money towards a cardiac unit for Scarborough Centenary Hospital.

Our next step will be to take the more popular and more interesting of these ideas, pick teams of individuals who can investigate the pros and cons of each and determine the real possibilities of each one. In a few months we will be back asking you again (for real this time!) as to which project or projects we should actively promote and sink our blood, sweat, tears and dollars into!

As usual, all further volunteers are welcome! Phone me at 261-0967

GUILDWOOD INDIANS

by Jack Arthurs

The Guildwood Indians football team fared much better than another team we can think of (but we won't go in to that now). After a tough season and some great games, they got into the semi-finals but could not get by the Colts. The first half belonged to the Colts who went ahead 20-0. In the second half however, the boys seemed to put it all together and Greg Ryan, the quarterback, rambled 90 yards from scrimmage to put the Indians on the board. Guildwood looked good from then on, but try as they did, they could not crack through and the game ended at 20-6 for the Colts and brought down the curtain on another successful year for the Indians.

The Colts moved into the finals at the ONE stadium but lost a heart-breaker to the Seven Oaks Stampede 1-0.

The annual banquet for the boys was held on December 5 at St. Andrews Church in Scarborough with Jim Corrigan of the Toronto Argos guest of honor. Jim presented the trophies, with the Most Valuable Player award going to Greg Ryan; Most Valuable Offensive Lineman, Dave Johnston (left guard); Defensive Lineman, Bill Walker (defensive end); Offensive Back, Dan Myles (running back), and Defensive Back, Bryan Millerson (right corner linebacker). These were tough awards to make because all the boys played well and congratulations to all.

We feel a special thanks is due Jack Brown who coached the team, his son Glenn who was the defensive coach and to Barry Martin who took over as line coach. These men gave their time and effort to provide Guildwood boys with leadership and have Guildwood Village represented in amateur sports.

We are sorry to report that this is Jack's last season. Business and personal matters have finally caught up and he has to hang up his cleats. Anyone interested in coaching a winning football team next year should contact Jack Brown at 267-8983. We say winning team because 50 per cent of the boys are eligible to play next year. Merry Christmas.

BROWNIES & GUIDES

"Toytime" This year the Brownies and Guides have joined with the Kiwanis and the Salvation Army to collect toys, mittens and tuckers which will be distributed at Christmas time to underprivileged children. This year was our first try at this, and, despite a late start and little publicity, the venture was a resounding success. Hundreds of bags were returned filled with toys, still more with monetary contributions, for which we would like to thank everyone who participated. Our special thanks to the Brownies of the 527th, 468th., and 61st., Packs and to the Guides of the 527th., Company for all their work and to the Leaders who manned the Depot at the Church most of Saturday. With success like this we hope to repeat this Good Turn next year.

At this time of year, I would like to extend Season's Greetings to all members of the Guiding Organization and to everyone in the Community who helps in so many ways with Guide and Brownie work in Guildwood.

61st. BROWNIE PACK

November 21st., was an important date for our Pack. On that date the whole pack visited the 61st., Guide Company and we saw our Tawny Owl, Mrs. M. Fitzsimmons, being enrolled. That same evening we waved goodbye to two of our Brownies; Susan Graham and Susan Erwin. These girls had earned their Golden Hand and Wings and were now ready to fly up to the Guides.

One week later we welcomed 10 new girls into our group. We have a big Pack of 30 girls; luckily we acquired another Packie, Laurie MacDonald who is eager to assist Brown Owl and Tawny Owl!

On November 16th., Brown Owl handed out badges for various crafts and talents. Brownies who received badges were: Marnie Corbold, Sandy Langfield, Laurier-Ann Morgan, Linda Piitz, Stephanie and Karen Redwood,

Julie Smith, Rachelle Sneedon, Cynthia and Sharon van Wanderen.

Presently we are making glittering decorations for Christmas, which we hope to hang in our homes. Merry Christmas from the 61st. Brownies.

Letters

Dear Mr. Parker:

Re: SURVEY PHASE 111-PROJECT KIWANI-
WOOD-HOW TO SPEND \$35,000 IN THE
BEST INTEREST OF THE CITIZENS OF
GUILDWOOD, EAST GUILDWOOD AND
MARKHAM BLUFFS

I believe that the best interests in our community could best be served by contributing the money to our hospitals, namely Scarborough Centenary and Scarborough General.

An example would be to sponsor the Cardiac Unit in Centenary Hospital- the cost would be approximately \$17,000. Similar arrangements could be made with Scarborough General for a large, much needed piece of equipment.

With government spending on hospitals being curtailed, and if we are to continue giving our community the best possible service, we must help them!

Yours truly,

Les Brown,
Chairman,
Public Relations Committee
Scarborough Centenary Hospital

CHURCH NEWS

CHURCH OF THE HOLY TRINITY

by Rev. William S. Watt

This is the last News Letter before the great festivities of Christmas. Christmas with its fun and sharing and gifts. Families are drawn closer together, neighbourhoods become alive with visiting back and forth. Christmas is for all men. But what is your deepest feeling as to the meaning of this great holiday?

Is it nothing more than a date on the calendar inviting mankind to let off steam, and to spend money? or is there a deep truth to this event.

You have tried the rest
now try the best!

VILLAGE BARBER SHOP

LADIES' HAIR CUT
MEN'S HAIR STYLING

119 Guildwood Pkwy (261-0795)
...in the plaza.

The day is set to remember the birth of the infant Jesus. The Christian believes with all his heart that God Almighty worked through this birth and life. God, in his Divine wisdom, came to share our lives. God, realizing the deepest needs of man, and the necessity for man to root his life in love and truth, poured himself into His creation in this life.

Christmas is indeed "joy", the greatest joy the world has ever experienced. It is the joy that God loves his creation. God is the master of life and of history. Without God life would be nothing more than a tragic series of accidents. Hopelessness would be the order of the day. But the event fills us with hope. The hope through God that we are part of his plan, we share with him the purpose of life, and his promise is eternal peace. Can one receive a greater gift than this from anyone, at daytime in our lives?

We invite you to share part of this Season in the Church offering your thanks and worship to the Divine God, the source of true love, ultimate truth and forgiveness.

All the Christian Churches publish their Christmas Joy Services. If you wish to attend Holy Trinity, Guildwood, we would welcome you with open arms. The Holy Season Services are listed below.

Sunday, Dec 17th 11 a.m. Advent Carol Service.

Sunday, Dec 24th 11 a.m. Christmas Pageant re-enacting the lovely story of Christ's birth.

Christmas Eve at 11.30 p.m. First Holy Communion of Christmas.
Christmas Day at 8.00 a.m. Holy Communion
Christmas Day at 11.00 a.m. Holy Communion-(Family Service)

May God's richest Blessing be with us all this Christmas.

Chairman's report

The following items are still under the scrutiny of the Association:

The Westlake properties rezoning: at last report at a standstill.

The Kingston Road, Guildwood Parkway (site of the old barn) rezoning;-First move has been made through Planning Board and we have been assured that all points put forward in our brief have been protected.

The Executive will be meeting regularly and should any decisions on items of importance have to be made, you will be informed by our Newspaper.

To take advantage of strength through unity and friendship supplied by the Guildwood Village Community Association.

Thrown a 'snit' lately?

Sometimes it helps to 'blow your cool', so we tell ourselves - but what has really changed?

Hurt feelings, a guilty conscience and the sense of having made a fool of one's self; certainly no means to an end.

Sometimes there's need for a fresh start - a new approach - a different attitude. It's here that we may offer an alternative. Jesus Christ has never been proved wrong our conviction is that when one is joined to Jesus Christ, he is a new person. You may even feel great!
