OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 73, No 1, February 3rd., 1973

Association efforts pay off - Westlake rezoning halted!

The long battle waged by the Guildwood Village Community Association and area residents against an attempt to have several properties rezoned for a 58 unit townhouse development has resulted in success. The Ontario Municipal Board recently issued a ruling denying an appeal by Gulf Investments, the owner of the properties, to have the rezoning take place.

The rezoning had originally been recommended by the Scarborough Planning Board over the determined objections of the Association. Subsequently the Board of Control and Council voted by one vote margins in favour of the rezoning but later refused on two occasions to refer the change to the OMB for approval. In each case the vote was tied.

In August 1972, Gulf Investment launched an appeal to the OMB which, if successful, would have forced the rezoning without Borough approval.

Village residents obtained an unexpected ally when the Scarborough Council voted in mid-December in favour of a resolution to repeal the rezoning bylaw.

The appeal was heard on December 21 and 22 by OMB Chairman A. H. Arrell. In sometimes complicated legal arguments, the Solicitor for the Borough of Scarborough successfully countered the pleading by a battery of lawyers for Gulf Investments. A substantial delegation of abutting Village homeowners expressed their opposition through spokesmen Tom Nicholson and Eric Parker, representing the Community Association, stressed the lack of adequate park facilities in Guildwood Village.

The OMB Chairman, while contending that the present density of six units to the acre was inadequate considering the depth of the lots in question was impressed with the unanimity of opposition, expressed by the residents' delegation to the hearing and some 1100 letters from Village homeowners.

Gulf Investments, with almost half a million dollars invested in the Westlake properties, can be expected to make a further effort to develop the area with multiple unit housing. Village residents will await further developments with interest.

Chairman's report

by Jack Killan

A happy New Year! On behalf of the executive I wish all our members and prospective members just that. For the Association, I hope that it will be. To ensure this, however, we will have to get behind our membership director Gary Stafford for the final push to maintain and, if possible, increase our number of paid-up members over the 1972 total. This is a must if we are to carry out the programs that have been provided every year. The executive has set up a budget on an income approximating that of last year, and should our goal not be reached we will have to make some cuts:- Canada Day, Insect Spray are possible areas that will have to suffer, as most other programs are already underway. Let us get behind Gary Stafford and help him collect the necessary funds. If you have never done anything for the Association now is the time for you to break in and do a little canvassing on your own street among the neighbours you know. Phone Gary and make him an offer he can't refuse. His number is 266-8067. Several streets have yet to be canvassed and if you are on one of them, you are the person we are looking for to help us out.

SCHOOL NEWS

ST. URSULA'S

by C. Cromien

Mr. W. Boyle's class will again take part in an educational excursion to Quebec City and the surrounding area during the month of March. During their visit to an elementary school on the Ile d'Orleans, the students, as part of their preparation for the trip, will present in French a pre-recorded slide and tape presentation. To help raise some of the money for this trip, the class has been active in organizing Saturday afternoon children's movies, a bake sale and Benefit Dance February 16th at St. Boniface Church hall. Tickets are available at the school. Last year's dance was very successful!

Each year the Ontario Red Cross Youth makes an appeal for funds to all school children in Ontario. This appeal, which is sponsored by the Deputy Minister of Education, will take place in our school during the month of February.

Recently we have formed an extra-curricular swim club of 15 to 20 students who are reasonably well-advanced in the basic skills and interested in learning various water games and competitive swimming techniques. Our thanks to Laurier Collegiate for allowing us to use some of their pool time each week for this activity. Mr. J. Clarke, a teacher on staff will be chief instructor.

Congratulations are due to Jeff Morgenstern, Grade 8 student, who has been selected from a large number of interested students on the basis of his outstanding work in Art to participate in a special Saturday morning Art programme sponsored by the Board. Jeff's special field of interest is sculpturing.

Miss M. Metzger's Grade 8 class recently participated in a special programme at the Royal Ontario Museum, as well as the craft programme at Black Creek Pioneer Village.

JACK MINER

The mid-term of our school year is now well underway. Although this term is the shortest, it is nevertheless very important. Fine standards of academic progress attained during the first term must be maintained; other students must work quite hard in an attempt to raise some results achieved last term. Upon completion of this term, students, parents and teachers will better be able to form a valid appraisal of the work done at this particular grade level.

For one afternoon a week during the month of February, an elective program is offered to the students. Here, the student chooses an activity in which he would like to further his own interest and skill. Many varied courses are offered. Students are showing great interest and enthusiasm in anticipation of this progress.

SWIMMINGat LAURIER.

The new swimming pool at Laurier Collegiate is a busy place these days as Village residents and our neighbours from adjacent communities take advantage of the new facility.

The Board of Education makes full use of the pool during the school day for instructional and recreational swimming and competitive aquatic games. During the evening and on weekends the Scarborough Recreation and Parks Department takes over operation of the pool. This joint responsibility ensures maximum utilization of a very valuable resource. The Borough and the Board of Education are to be congratulated for the high degree of co-operation developed over the past few years in this area.

Available time at the Laurier Pool is divided into instructional, recreational and rental periods. Every attempt is made to schedule pool activities to satisfy as many swimmers in each category as possible.

Instructional swimming and lifesaving takes place on Monday and Thursday evenings and Saturday mornings. The evening period is divided into young people's classes from 6:15 to 8:30 P.M. and adults from 8:45 to 11 P.M. Saturday is reserved for the youngsters from 8 A.M. to 1:30 P.M.

Instruction classes for the winter session are now in full swing. Registration for the spring session will be held on Saturday March 31 at 1:30 pm in the Laurier Collegiate cafeteria. Registration fees are:

Children and Teens to 18 years	\$ 5.00
Adults (18 and over)	8.00
Family Program	20.00
Moms and Tots (3 & 4 yr. olds)	6.00
(\$2.00 for each additional tot)	
Pollywog Classes (5 & 6 years)	8.00

GUILDWOOD

by J. F. Heino

Winter is the season for indoor games. At Guildwood Junior School, girls and boys house league volleyball has a large number of pupils arriving early in the morning or at noon to serve and volley. In addition to our house league we have a fine girls' team involved in interschool competition. They have already played and won their first scheduled game; congratulations girls and good luck in the remaining games.

Chess is the most popular activity in our Resource Centre at recess. Two tournaments have been played, Ronnie Crabb is the overall school winner with Wilfrid Wong and John Wilson as runners-up.

Guildwood Junior School is proud of the individual achievements of Cathy McCreadie a pupil of Mr. Smith's grade 6 class. Cathy is a member of the Scarborough Centennial Skating Club. In her club's competition held during the third week in January Cathy won a third place in free style, a third place in figures and a first place in the dance pairs. Congratulations from the entire school go to you Cathy and to your coach. We wish you the best of luck at the interclub competition. The next competition for Cathy is in North York where she will be competing against the top three members of 18 Metro clubs.

The Guildwood School gymnastic club meets with their coach, Mrs. Heinze, every Wednesday. They are assisted by three parents, Mrs. Bjerring, Mrs. Calvert and Mrs. Robertson. The girls are preparing for a gymnastics meet to be held at Henry Kelsey Senior School on March 6.

LAURIER

Montreal Students to Visit Laurier

About a dozen students from Montreal will be coming to Laurier on February 5th. A total of 60 students will also visit two other Scarborough and three Toronto schools. This is a return visit. In November several Laurier students visited Montreal.

On Monday, the Laurier group will attend a panel discussion on "American Influence on Canada" in the Townhall at the St. Lawrence Centre. Later in the day, five separate areas will be visited including H.M. Brule and The Italian Centre. The visitors will attend a luncheon arranged by Mrs. Margaret Birch, MPP Scarborough East. They will also visit the legislative chambers at Queen's Park and will be welcomed by the Prime Minister or his representative.

This program is a project sponsored by the Canada Student Foundation.

Advisory Committee Active

The Laurier Advisory Committee, which serves as a vehicle for parents and general public to express views on school programs, has held two meetings during the current school year.

Among topics discussed were an examination of HSL provincial guidelines, parental attitudes towards homework and an overview of guidance in Scarborough secondary schools. In connection with the latter topic, the committee was fortunate to have Mr. J. P. McLaughlin Assistant Superintendent for Special Services in attendance.

At the first meeting, the committee suggested that it would be desirable to have senior students visit local industry. A sub-committee under the chairmanship of Mr. L. P. Garland was appointed to look into this matter.

The Advisory Committee will meet on two more occasions before June 1973. Meetings are open to the public.

CLAREMONT CONSERVATION SCHOOL

During the period from January 15th. to 19th, 20 students from Laurier attended another session at the Claremont Conservation School. Their activities consisted of individual research and group projects dealing with the physical environment - for example a study focused around a river to de-

Chairman's report cont.

"People Power" is at this time forcing government at all levels to consider the little man and woman's ideas for their community. Remember united we stand, divided we fall. So join your Association.

The Valentine's Dinner & Dance has been arranged at the Guild Inn, in the Studio, by your Social Director Lilly Schaller for Saturday, February 17th. See the advertisement in the paper and come and bring Your Little Valentine.

A favourable O.M.B. ruling on the Westlake Property has been issued. Once more the value of an active, effective community association has been demonstrated. Our case was well presented by Mr. Eric Parker and we are thankful that it was successful.

CURLING

The Guildwood Village Mixed Curling Club, while awaiting the long expected completion of the new Tam-Heather facility at Morningside and 401, continues to provide a weekly opportunity for Village sweepers to keep in trim.

The club has four sheets reserved at the Terrace, Mutual Street in Toronto to every Sunday evening from 8 to 10. If you are interested in curling as a spare call Bernice Foster at 261-0615. Don't be concerned if you are not an experienced curler.

The Ladies Auxiliary of the 3rd. Scarborough East Cubs and Scouts invites you to our annual Card Party.
DATE: Wed. Feb. 14, 1973
PLACE: Guildwood Presbyterian Church
TIME: 8 P.M.
There will be prizes and refreshments. Please bring your own cards. For tickets \$1.50 each, phone 267-2128, 266-4604 or 266-3736.

The monthly meeting of the Ladies Auxiliary will be held on Monday Feb. 5 at 8 p.m. at Guildwood Presbyterian Church. All mothers are welcome.

termine its development, its chemical composition, its inhabitants and the effect of the surrounding farm lands.

In the evening, the students presented their topics and participated in recreational activities.

Professional Development Day

Friday, February 9th is Professional Development Day for Laurier teachers along with their colleagues in other Scarborough schools. Some programs will also extend into the week-end.

Teachers will be participating in a variety of activities. Some groups will visit experimental schools in Buffalo and others will be at vocational schools in Ottawa. Most teachers will be involved locally with study groups in their subject areas. A large number of resource people are being brought in to assist our educators in their professional development endeavours.

ORIENTATION FOR GRADE 8

The concluding visit of Grade 8 students from feeder schools took place on January 29th. In all, about 550 Grade 8 students from our feeder schools have visited Laurier. Heads of Departments of Moderns, Geography, Classics and Home Economics courses offered and the students visited the Shops, Art Department, Music and Typing rooms.

Centennial College Open House

An open House at Centennial College on February 7, 8 and 9 between 10 a.m. and 10 p.m. will give Laurier students and the general public an opportunity to familiarize themselves with the large variety of courses available at the college.

The Open House will feature many interesting displays and exhibits, as well as allowing interested individuals to tour the facilities and meet with various faculty and staff personnel. Exhibits will include Applied Arts, Gas and Arc Welding, Flight Simulation, Computer Games, Operating Marine Engines, Secretarial, Continuing Education Displays, Architectural and Mechanical Drafting, Marketing and Accounting, as well as all the stages of servicing and overhauling cars, trucks, heavy equipment, and aircraft.

Special events included in the Open House will be Arts and Crafts Displays, the International Winter Car Rally, a Musical Concert, and the official opening of the new campus.

Instructors and other staff members will be available to discuss in detail the over sixty (60) full-time day Programs and three hundred (300) part-time evening courses offered by the College.

Letters

January 22, 1973

Dear Mr. Parker:

Thank you for your letter inviting me to contribute monthly articles to your publication Guildwood News and Views. I was not aware of the newspaper since I do not live in your community, but you are to be congratulated for your initiative and desire to keep residents informed.

I appreciate this opportunity to keep the community up-to-date on educational matters of concern to them, both at the Board or policy level, as well as outstanding events taking place in their local schools. Most parents would be aware of what is happening in their own school and so I will not attempt to produce a catalogue of these happenings. However, sometimes unusual or outstanding accomplishments take place that warrant special mention.

Many thanks, again, for your invitation.

Sincerely yours,

Shirley Tomlinson,
 Trustee, Ward Seven

SWIMMING cont. from page 2

Recreational swimming provides an opportunity for the whole family to get out and enjoy themselves. On Fridays 7 to 9 PM, Saturdays 1:30 to 4 PM and 7 to 9 PM, and Sundays 1:30 to 5 PM, the pool is open to anyone. Wednesdays from 8 to 10 PM and Fridays from 9 to 10 PM are reserved for adults and families. During these latter two periods, persons under 18 must be accompanied by an adult.

A number of pool rental times for groups are available during the week. For information as to available times, call the Pool Manager at 266-9954 after 6 PM Monday to Friday and at any time on weekends.

Admission charges for the Laurier pool (and other pools in Scarborough) are very reasonable-Children (up to 18)-25¢, adults-50¢ and families (mother, father and unmarried children accompanied by parents)-\$1.00. Books of tickets may be purchased at the pool. These books are a real bargain-children-20 tickets for \$3.00, adults-10 tickets for \$4.00. These tickets are valid at any Borough of Scarborough facility for swimming, skating and roller skating. The pool rental charge is \$12.00 per hour which includes life-guard service to a maximum of 20 persons.

We now have the swimming pool in Guildwood Village for which we strived so hard for so long. It is available for your use-Have a swim today!

M.P.P. Report.

by Margaret Birch

This isn't world-shaking news, but the fight against pollution is starting to pay off, especially in Lake Ontario. I received a note the other day from the Hon. James Auld, minister of environment, pointing out that a survey conducted along the Metro waterfront found many species of fish returning to the area because of the much improved quality of the lake water. Some of the species observed were rock bass, pike, perch, blue gill, coho salmon and carp. Many of these species have not been seen along the waterfront in the past ten years. This is heartening news and shows that the work being done by the various levels of government in the field of pollution control is paying off.

Since my appointment to the cabinet as Minister Without Portfolio, my workload has been steadily increasing. My main concern at the present time, as head of the Secretariat for Youth, is finding more summer jobs for students. We hope that this year's summer program will be the most successful ever. But even with these added duties, my prime concern is to try and help solve the problems of my Scarborough East constituents. My phone numbers are Queen's Park 965-2951; AID Office 439-1113 and home, 431-0623

Trustee Report.

by Shirley Tomlinson

As your new Ward 7 trustee, I am delighted to have this opportunity to greet you through the medium of this publication.

Thanks to your support, I have enjoyed my first exciting, although hectic weeks as your representative to the Scarborough Board of Education. Besides attending all Board meetings, I serve as a member of the Education Planning and Publications Committees. The most enjoyable aspect of the work, at least in my own opinion, is visiting the 11 junior, senior and K-8 schools and the two collegiates in my charge.

Of great concern to principals, students and parents is the present lack of compulsory subjects at the secondary school level. Although Scarborough principals find that most grade nine and ten students do choose wisely and select from the "recommended" core of subjects, third and fourth years students are completely on their own with no recommended or compulsory subjects—not even English. My motion to ask the Ministry of Education to make English mandatory through to the end of fourth year, received the support of the Education Committee. The motion was amended by trustee George Tetley to include Physical Education as well and this also received the support of members. We hope the Ministry will amend the Secondary school guidelines (HS1) to allow this change. There are other subjects which I feel should be made mandatory, but at least we are moving in the right direction. Any letters to the Scarborough Board or directly to the Minister of Education in support of this motion, would be helpful.

I have asked for an assessment of the Senior school program in Scarborough. Specifically, I would like to know whether students coming from senior schools achieve better results in secondary school than those graduating from the K-8 schools. If not, can we justify the cost of building Senior schools?

Now to things closer to home. Poplar

Road school held the official opening of its new Library Resource Centre just before Christmas. Although it was not quite completed at that time, many parents and residents turned out to tour the addition. If you do not have children attending the school, drop in anyway. It's well worth a visit and you'll be made welcome.

Jack Miner Senior school is one of the two Scarborough schools honored by awards for outstanding building design. The idea for such an award was initiated by architect John Wimbs a member of the Scarborough Planning Board. A committee was appointed to study buildings around the Borough and select the best designs within several different categories. Jack Miner, designed by Town Centre designer Raymond Moriyama, and Timberbank Junior school were the two schools selected. I will have the pleasure of presenting the award to the school on April 11th.

A special Board meeting with the Hon. Tom Wells, Minister of Education has been arranged for 8:00 p.m. on Wednesday, Feb. 7th at the Administration Building, 2472 Eglinton Ave., E. The subject for discussion will be the HS1 guidelines and why we feel they should be revised to permit compulsory subjects in secondary schools. You are welcome to attend and observe.

I will report further next month.

ALDERMAN REPORTS

by Ed Fulton

Since this is the first News & Views following the December Municipal Election, I want to take this opportunity to thank all those people who worked for me, permitted a sign on their lawn and who supported me at the polls. Your expression of confidence is greatly appreciated and I hope I may continue to receive your endorsement.

Council has appointed its various committees for 1973. I have been re-appointed to the Works and Property, Recreation and Parks as well as the Council/School Board Liaison committee. A new appointment for me is to the Scarborough Board of Health.

The Gulf Investments Ltd., application for townhouses at Livingston Rd., and Westlake Rd., came before the Ontario Municipal Board late in December. This long, drawn out fight for better planning was recently decided upon by the O.M.B. They agreed with those of us, including your Association, who were opposed to this application and rejected the Gulf Investments proposal. This is one of the best examples in years demonstrating the value of your Community Association. All of those who contributed to this success are to be congratulated.

Please call me if I can be of any assistance to you, at 267-6720 or 759-4747.

did you know ?

LOCAL INDEPENDENCE GROUP FORMS

The Committee for an Independent Canada (C.I.C.), a nation-wide organization concerned with the level of foreign domination and influence over Canada's economic, social and cultural life, has formed a chapter in our area. The group, the Scarborough East Chapter of the C.I.C., met recently at the home of Henry McCandless, 36 Bledlow Manor to formulate plans for growth and action.

Until recently, there were four chapters of the C.I.C. in Metropolitan Toronto; however membership growth in Scarborough resulted in a decision to divide into three borough chapters.

The next meeting of the Scarborough East, C.I.C. will be held at 15 Bethley Drive., West Hill on February 11 at 2 p.m. For further information call 266-9128 or 266-0862.

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION Vol 73, No. 2, March 3, 1973

Task forces at work

The Kiwaniswood Sub-Committee has been hard at work since our last report. At a meeting on February 6th, it was decided to set up four task forces to undertake study of projects which had received considerable support in our earlier questionnaire to area residents.

The four task forces are currently in the preliminary study phase of the following possible facilities:

1. Outdoor ice skating rink
2. Library
3. Community Centre
4. Playground development

Originally, the fourth task force was designated "Special Projects", with the job of narrowing the choice from a list of six. At its first meeting, the study of playground facilities for our younger set was selected.

The timetable to which each of the task forces is working is:

Preliminary presentation to the

Kiwaniswood Sub-Committee-March 15
Public meeting to hear task force presentations -April 15
Completion of voting by the community for project to be undertaken -April 30
First Kiwaniswood Presentation to Borough -May 7
First Borough Approval of Project -June 30

All task forces are agreed that, once the citizens of the area have selected the facility which they want to have constructed, everyone will throw their weight behind that project.

If you have any information or ideas which may be of benefit to the task forces in their studies, please contact the appropriate chairman:

1. Skating Rink - Doug Frickelton 261-5771
2. Library- Jim Foster 261-0615
3. Community Centre-John McMillan (temporary chairman 261-0967)
4. Playground-Eric Parker 266-9128

Guildwood Social Club

SENIOR CITIZENS

At our Valentine Party on Feb 14th we entertained visitors from the Seven Oaks Sr. Citizens Club. Everyone thoroughly enjoyed the games, prizes and refreshments and agreed we should all get together again in the near future.

We are now entering our third year and warmly invite new members from the Guildwood area.

We will miss one of our original members Mrs. Alice McCubrey who is moving to Windsor and also one of our conscientious drivers, Doreen Thomson who is moving to Calgary.

Speaking of drivers, we are again in need of volunteers to transport our members to and from our meetings at the Church of the Holy Trinity. This involves about 1½ hours per month yet means many hours of enjoyment to our members.

Meetings are held the 2nd and 4th Wed. of each month from 1:30 to 3:30 p.m. For further information please call Mrs. Jean O'Connell 261-3837 or Mrs Marlene MacIntyre 266-8195.

ALDERMAN REPORTS

by Ed Fulton

An announcement has been made that Queen Elizabeth will visit Scarborough on Friday June 29. During the tour the Queen will officiate at the formal opening of your new Town Centre on Ellesmere Rd. Details of the days' events are not yet final but will be forwarded to this newspaper for publication as soon as I have them. The Scarborough Town Centre will equal and probably surpass Toronto's City Hall as a focal point for a variety of activities. I hope that your attendance at the opening is only the first of many visits to the Centre.

In response to a number of questions following the remark of Controller Mallette to the effect that Scarborough taxpayers could afford higher taxes inasmuch as their record of prompt payment was excellent, I would like to make it perfectly clear that the Controller was not speaking on behalf of Scarborough Council but was expressing only his opinion.

If I can be of any assistance to you please call me at 267-6720 or 759-4747.

Chairman's report

by Jack Killan

Be Prepared

The Association executive having made a study of the long drawn out battle against the Westlake properties rezoning, has decided to look ahead and prepare for further confrontations of this type.

We propose therefore to form a Development Committee to study the following points:

1. Properties in the Community to be developed.
2. The zoning of said properties.
3. Proposals for the development of the properties to the satisfaction of the community, especially those residents adjacent to such properties.

If you are the owner of a property adjacent to one of these future development areas, think about it carefully and get involved now. Don't wait until it's too late and then start howling in dismay. Give a member of your executive a call and join in. Help yourself by assisting your executive.

The Association Dinner and Dance held at the Studio of the Guild Inn Feb. 17 was a great success and enjoyed by all who attended. Thanks must go to our Social Director Lily Schaller who did a great job of organizing it all.

Another ball in the fall Lily?

Cubs & Scouts

Guildwood Cubs and Scouts will shortly be undertaking their annual fund raising by selling lawn fertilizer. They will be calling on Village residents in the next week or two. Please support their efforts.

If you don't receive an order form call Reg Miller at 267-3410 or Herb Robertson 266-6801.

SCHOOL NEWS

LAURIER

DOYLE CAPTURES TYPING CROWN

On the afternoon of Friday, February 2, Sir Wilfrid Laurier Collegiate hosted the annual Scarborough Business Education Competition. This event pits students from the 15 Scarborough Collegiates in competitions of speed and accuracy at the various levels of typewriting and shorthand, plus competitions in Marketing, Spelling and Business Machines. The students who participated have qualified through run-off competitions in their own schools.

Laurier was singularly honoured when Debbie Doyle captured first place in the Class 4 Typewriting competition for first year typists, with a net speed of 43.8 words per minute. This effectively makes Debbie the top Grade 9 typist in Scarborough.

LAURIER FILM

A Grade 13 Communications Class is now making a 16mm film. Two facets of school life are being featured: (1) Subjects available (2) Extra curricular activities. The finished product will have a running time of 10 minutes. It is hoped that the film can be used for orientation programs.

TECHNICAL DEPARTMENT

Additional rooms in the Technical Department give the students greater flexibility in choosing their technical options. Building Technology features masonry and other types of wall construction. This year an ambitious program has been launched with the students building a replica 1880 log school house, a French restaurant, a sunken garden as well as completely designing a floor and wall partition layout for an office building and constructing it. The students of Architectural Drafting are doing the working drawings and then building sections of their design in the Building Technology room.

Our Technical Grade 13 Research and Design course is taking shape quite well and these students are researching

Our Technical Grade 13 Research and Design course is taking shape quite well and these students are researching and testing some very unique ideas.

The additional Auto-Electricity room has relieved the load on Auto Shop 1 and allowed the teaching of a new Auto Operators course. There are seven young ladies taking this course along with thirteen fellows. The girls may be the top students in this course!

Fifty Grade 11 and 12 Automotive students recently visited General Motors' engine manufacturing plant in St. Catharines. Seventy-five senior students sent an afternoon at the Building Trade Show at Exhibition Park. Thirty Grade 12 Electrical and Electronic students visited Centennial College, Warden Campus. These tours, arranged by technical teachers for students in their subject area, help to round out the students technical education.

Queens Padre Speaks

On Feb 22nd, Rev. A. M. Laverty, Padre of Queens University spoke to a group of about 100 Grade 13 students who are planning to attend University next fall. His presentation was extremely humorous and highly effective. He spoke of what they might expect of a university generally and what a university expects of them.

Laurier Travels

25 Laurier Senior students made a five day visit to Quebec City, Feb. 21 to 26 to enjoy the pleasures of the annual Winter Carnival in the company of a group of bilingual students from Etienne Brute H.S. in North York.

A geography field exploration to New York City is planned for May 3rd to 6th. The trip is designed to investigate the morphology, structure, growth, economic characteristics and problems of the city in this ever-expanding urban world. New York City is perhaps the best example of a city which is so living vibrant and yet one which exhibits characteristics that there is maybe something wrong in explosive urbanization being experienced in North

America to-day.

It is hoped that participants will be able to feel, hear, smell and perceive the city with a new sense of understanding. Places of exploration would include among other, Madison Square Garden, The United Nations Building, Harlem, Central Park, Broadway, The Empire State Building, The Bronx and the New York Waterfront.

The exploration is open to Laurier Students at cost of \$55.00 plus food.

Musical Variety Show

Laurier has a two night musical variety show coming up in the third term. The show has as its theme, "Music Around the World". It will be a totally music-oriented program, featuring Laurier's best singers, dancers and musicians. cont. page 7

ELIZABETH SIMCOE

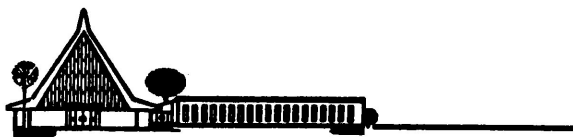

Winter Term activities are in full swing and are rapidly building toward our annual Open House Week. This year's theme will be the Life and Times of the Simcoes.

The school will be open to visitors from 1:30 to 4:00 in the afternoons of March 6,7,8,9,12 and also from 7:30 to 10:00 in the evening of March 12. During the open afternoons there will be special demonstrations and talks by visitors from: Fort York, Royal Ontario Museum, Gibson House, Seneca College, Guildwood School of Arts and Crafts and also parents and Scarborough Board Personnel. These visitors will be describing pioneer life in early Toronto (York) as well as the arts, crafts and customs of the early 1800's. The climax of the week will be the presentation to the school of a portrait of John Graves Simcoe by a representative of the John Graves Simcoe Memorial Foundation. Members of the community will be most welcome during the visiting hours to see and hear these special presentations.

May we take this opportunity to thank our local area for their fine support our annual spring flower sale received. Cont on pg 3

IF GOD IS YOUR PARTNER! THEN MAKE BIG PLANS.

*Guildwood Community
Presbyterian Church*

SCHOOL NEWS Elizabeth Simcoe.

Full-length movies will continue to be provided on the last Friday of each month.

March 30 "Now You See Him, Now You Don't"

April 27 "The Jungle Book"

The annual Baking Competition and Sale will be held on April 11. There will be the usual competitions for boys and girls, and staff plus the grand auction of the winning items. Further information will be published after the Winter Holiday.

The House League teams have now completed competitions in Soccer, Basketball, Floor Hockey, Finnish Hand-

ball, Volleyball and Chess. Purple House has the highest total for girls and Gold House has the highest total for boys. Total point standing for boys and girls gives Purple House the lead.

Laurier Boys Athletics

Athletics at Laurier has been the password at the school this term. Besides hosting the Friar's Basketball Tournament, TDIAA Wrestling Championships, the Scarborough All-Star Basketball game and the 1 on 1 competition, the school has the following teams competing: bantam, midget, junior and senior basketball teams; gymnastic teams and hockey team.

JACK MINER

During this past week, the students in Mr. Vander-yagt's mathematics classes have had an excellent opportunity of observing how concepts studied in the classroom pertain to the "work-a-day" world. Each class visited a neighbourhood supermarket. Here, rates, units of measurement and costs were observed. Students made up mathematical problems based on their observations. These problems were then solved in class during the following lesson.

Our electives program terminates this week. All persons connected with this particular learning process have agreed that the program has been quite successful. Students' reactions have been most enthusiastic. Mr. Harrison is to be commended; he provided the organizational leadership to ensure the success of this venture. We would also like to thank the parents who helped so capably.

Twenty-three girls, who selected modern jazz as their choice in the electives program, visited O'Keefe Centre last Saturday. Accompanied by their teacher, Miss Watson, they viewed a stirring performance by the Royal Winnipeg Ballet Company. It certainly was a most enjoyable, profitable afternoon.

Later this month, four students from our school, Simone Heinze, Lisa Penstone, Brenda Eden and Judy Wilson will be performing with the Scarborough Winstonettes in the Ontario gymnastics championships. Our best wishes go with these girls in all future competitions.

Report cards will be sent home according to the following schedule: cont. page 6

M.P. Report.

by Reg Stackhouse

One of the major political changes of the foreseeable future will be a re-distribution of ridings that recognizes population growth and movement.

On the basis of the census each ten years, an Electoral Boundaries Commission re-arranges the riding borders to provide more or less seats from a province according to population.

The need for this is evident in our own riding where I represent more people than do four M.P.'s from Prince Edward Island. It is therefore in the interests of "representation by population" that more seats be created for areas such as ours.

The commission proposes to create two new ridings to replace Scarborough East and most of the Scarborough portion of York-Scarborough. The riding in which Guildwood is located would be called Scarborough Centre.

Its boundaries would be Lake Ontario on the south; up Ravine Drive and Bellamy Road to the railroad tracks, west along the tracks to Brimley Road; north on Brimley Road to the Hydro right-of-way; east along the right-of-way to Morningside Avenue; south to the lake.

This proposal has not been approved yet and the commission is receiving submissions from all interested parties.

In any case the re-distribution will likely not take effect before 1974 at the earliest or even 1975. If this Parliament of minorities is dissolved before then, the election would be conducted according to the existing boundaries.

I appreciate this chance to reach the community and welcome very much the messages I receive every day by mail and telephone from Scarborough people, as well as their friendly and interesting visits to my Ottawa office.

The riding office is busy at 1 Greenholme Court - 439-1113. I am there every Saturday from 10:30 a.m. to 1:00 p.m.

Trustee Report.

by Shirley Tomlinson

One of the highlights on my February calendar was a tour of the new Scarborough Town Centre, particularly the Scarborough Municipal and Scarborough Board of Education complex. The quarters are spacious, open-spaced areas with planned areas for indoor trees, shrubbery and a small pool. It is hard to believe that all will be ready by late May when we will begin the gradual move to the new location. Queen Elizabeth will be officially opening the complex on June 29th, making the day quite a red letter one in the history of Scarborough.

As usual, our schools are bustling with activity. Poplar Road's Reading Week was a great success, due in large part to Principal Ed Simpson and his staff along with the co-operation of the parents. While a good deal of emphasis was placed on book displays and programs presented by members of the Scarborough Library Board, a new dimension was added this year. Parents were involved and came to talk about their special skills or in some cases how they earned their living. As a result, the staff became better acquainted with the parents and the students learned about the contributions made by those in their own community.

An event that should interest all residents of the Guildwood Community is Simcoe Week to be held at Elizabeth Simcoe Junior School from March 6th to the 12th inclusive. During the week, students will pay visits to the Osterhaut Cabin on the grounds of the Guild Inn. It is here Elizabeth Simcoe came to do some of her sketching and painting. Visits will also be made to Fort York so that students will gain a better understanding of life in York during the time of Lieut. John Graves Simcoe and his wife.

Demonstrations of Carpentry and Smithing and displays of weapons and kitchen utensils will be some of the means used to create a late 18th century Canadian mood. Special demonstrations will also be provided by members from the Guildwood School of

Art; the Curator of Fort York, staff members from Seneca College; Gibson House; the Royal Ontario Museum; the Ontario Archives and the Scarborough Board of Education.

Visitors will be welcomed to the school every afternoon and Simcoe week will culminate with the presentation of portraits of Col. John Graves Simcoe and Elizabeth Simcoe to the school, by the John Graves Simcoe Memorial Foundation. The presentation will be made on Monday, March 12th at 2:30 p.m. Open House will be held that evening from 7:30 p.m. until 9:30 p.m. All in all, a great week for history buffs!

BROWNIES & GUIDES

527th BROWNIE PACK

On Jan. 22nd we welcomed four new Tweenies to our Pack: Liane McLean, Helen Bigall, Kerri Wylie and Sarah Landry. They are all working hard preparing for their enrolment next month.

On January 29th we enjoyed a skating party at Heron Park, where 18 Brownies earned their Skaters Badges.

We are all looking forward, with great anticipation to the week-end of March 2nd when 17 Brownies and our 4 leaders will attend a week-end winter outing at Camp Samac. We do hope the weatherman will be good to us so that we can spend a good deal of time enjoying the outdoors.

Many of the Brownies are busy earning interest badges. Keep up the good work girls!

527th GUIDE COMPANY

Eight girls completed their Tenderfoot test work and were enrolled as Guides at a ceremony on January 29th. Parents and friends were in attendance as Irene Bigall, Jacqueline Campin, Georgina Miller, Susan Moxley, Michelle Paling, Wendy Williamson and Karen Young received their enrolment pins.

The Company observed Thinking Day with each Guide expanding her understanding of the World Association of Guides. The Guides of the 527th Company attended a Church Parade of Scouts, Cubs, Guides and Brownies of the Guildwood District held at Holy Trinity Church on February 25th.

61st. BROWNIE PACK

On February 15th, 1973, we held an Enrollment Meeting. After learning the Law and Promise and passing various tests in the last months, the following Tweenies were now enrolled and enthusiastically received as Brownies in our pack: Beth Dallimore, Karen Dallimore, Buffy Duke, Heather Fitzsimmons, Karen Graham, Pattie

Labadie, Jeannie Morris, Robin McKenzie, Theresa Spohn and Tracey Thompson. Congratulations girls!

That same evening Brown Owl handed out badges to the following girls, who had worked hard and eagerly for them: Marnie Corbold, Jennifer Erwin, Jeannie Morris, Linda Piitz, Ruth Piitz, Karen Seppanen, and Stephanie Redwood. Susan Young was not present that evening, but when she is back from her trip abroad, she will be presented with a badge for Housekeeping, Cooking and Collecting. The pack thanks Susan for sending us a lovely postcard from Greece.

In February we also each sculptured an object out of clay, that was real fun!! We made cups, jars, vases, turtles and even a Snoopy! The following week, when our works of art had dried and hardened, we each painted them in bright colours and brought them home. In the past week we learned about the three primary colours, and how to mix them to make other colours. For that meeting Brown Owl had invited an artist, and she talked to us about colours and various paints. We are going to make a coloured drawing now and thus work towards an artist's badge, which could may-be be presented to all of us in the pack!

Thinking Day, February 22nd, was celebrated in our pack with a candle-light ceremony, during which each Brownie lit a candle for the Brownies in each particular country she represented. Brown Owl told us also the story of the founding of Scouting and Guiding by Lord and Lady Baden-Powell. On Sunday, Feb. 25th, we joined the other Brownies, Guides and Cubs of Guildwood for a special Church service in the Holy Trinity Church.

SPORTS

by Don McRobb, Sports Director

ICE RINKS: This year, we had planned the most successful season for the outdoor ice rinks behind Elizabeth Simcoe and Guildwood Public Schools. Co-operation was 100% with all participants involved, the Recreation and Parks Department's Al Rayner who provided new hoses and a daily flooding crew. Ted Pepler installing the electrical wiring for the lights, Board of Education authorizing the hook-up and our two evening flooding experts Jack Fairfull at Elizabeth Simcoe and Dave Willie at Guildwood. However, gloom set in with the January thaw and continued with unseasonal February temperatures. Several attempts to form a base were thwarted and both areas had only four days of skating. A disappointment, we know to all eager Guildwood skaters both kids and parents alike. But then, there's always next year.

BASEBALL:

With boys' ice hockey and girls' figure skating now behind us for this year, 1973 is shaping up to be a bigger and better baseball season. Registration forms have already been distributed through the Guildwood Village schools with as much keen interest shown from the girls as from the boys who will be participating in this year's softball league. If you have not yet mailed your registration, do so early to avoid going over the cut-off date and missing out. This year the boys' house league is comprised of 3 divisions, with teams in the Mites, under 9 years of age, Atoms, under 11 years and PeeWees under 13 years. The girls' house league has 2 divisions, Novice, 11 years and under and Bantam, 15 years and under. All games will be played in the Village behind Elizabeth Simcoe and Guildwood Schools within easy walking, jogging and cycling distance for all the parents.

As a special feature this years Sports Director, convenors and coaching staffs will be assisting all the boys and girls in raising funds for baseball jackets which will give Guildwood the distinct sporty look for spring.

For those youngsters planning summer vacations, who feel that they may miss out, don't give it a second thought. Register now and play the duration of the regular schedule, up to the end of June; playoffs will be arranged for later.

Trophies will be awarded to those players finishing first in the regular season play as well as trophies to the finalists in the playoffs. All presentations will be made at the end of the season during windup celebrations.

For further information, see the Baseball Registration 1973 form elsewhere in this issue and, if there are any questions, don't hesitate to call me, Don McRobb at 266-3639 and, for those parents interested in coaching -- please call too.

SOCCER

Guildwood Soccer Club are having a fund raising dance on March 23rd. at Heron Park Community Centre. Tickets are available at Magic Dry Cleaners Morningside and Kingston Rd. 282-4723

Guildwood was one of the first Clubs to pioneer indoor soccer in Scarborough. Guildwood was also the first Minor Soccer Club to play indoor soccer at Maple Leaf Gardens. On February 19th. our PeeWee team of 1972 defeated a Westwood team 2 - 1.

soccer on Monday nights at Maple Leaf Gardens, Adults \$2.00, children free with an adult. Call 282-4723.

We are expecting a 20 percent increase in registrations this year. Registrations are still being taken at Borden Secondary School on Poplar Rd., every Sunday from 9 a.m.-5 p.m.

Our next general meeting will be held on March 11th. at Maplewood School on Galloway South of Kingston Rd. at 3:30 P.M.

Guildwood are planning a competitive indoor soccer tournament. We expect to have teams from Wexford and Cedarbrae taking part as well as a team from Montreal. Competition will take place in Atom, Mosquito and PeeWee age groups. We will give further information in our next issue.

Laurier Girls Athletics

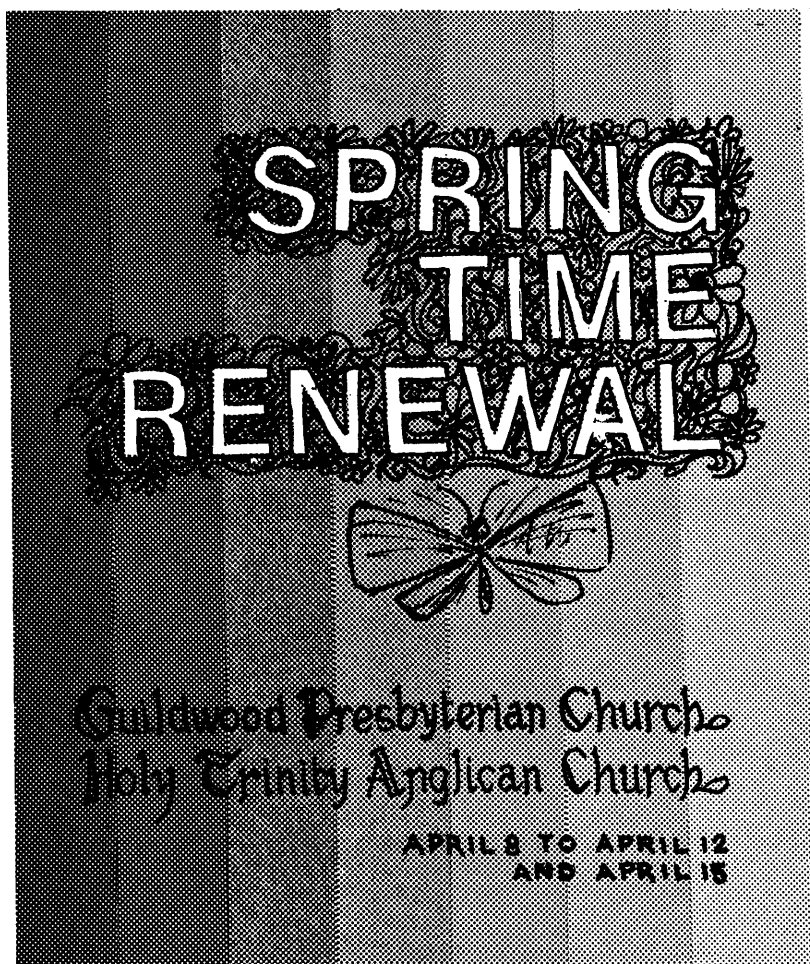

Activities are in full swing in the girls Physical Education and Health Dept. at Sir Wilfrid Laurier Collegiate.

Since Christmas three volleyball teams have been competing with other Scarborough schools and so far, have been quite successful. The senior girls team is undefeated with only one game left in the regular schedule and the juniors have lost only one of their 7 starts. Both of these teams are quite hopeful of being in the sem-finals and of course, will be aiming for the Scarborough Championship in their respective divisions. The midget team had a less successful season with a record of 3 wins and 5 losses. Since the midget division is composed of grade nine students only, hopefully several members of the team will be juniors next year.

The Cheerleading team which supports most of the athletic endeavours of Laurier displayed their unique talent by capturing the Scarborough Championship over all other schools in the competition held at Laurier this year.

Gymnastics has been another highlight in the school's activities since the new year. Class-work has just completed in the junior grades which was followed up by an interhouse meet. The Gymnastics Club and team are continuously practicing to prepare for the Scarborough meets in April.

On the less serious side of school competition was the Grade 9 volleyball Jamboree. This year Laurier hosted this afternoon affair with fourteen schools entering teams. Laurier's team won the tournament and each girl received a ribbon for her fine efforts. Refreshments were served following the tournament and the success of the contest was evident from the happy faces of the participants.

G.V.C.A. meeting on April 11th.

Chairman's report

by Jack Killan

Wednesday, April 11th, 1973 8:30 p.m.

A date to remember because it is on that day that the G.V.C.A. holds its next General Meeting. Make a point of attending this meeting which will be held at the Guildwood Public School, Livingston Road, just north of the parkway. Your executive deserves your support, and you should have a say. So come along and get involved don't always leave it to someone else. Do it yourself!

Our Membership Director Mr. Gary Stafford is leaving us to take up a new post in Halifax and we all wish him well on the coast, Good Luck Gary and Family.

To take up the load that Gary had carried we have been fortunate in obtaining the services of Ethel Niewolski to complete the membership drive over the next few weeks, and I must emphasize that this is important if we are to run a complete program as in previous years. Thank you Ethel.

In reference to the proposed Development Committee mentioned in the last issue of the News and Views and our request for proposals from residents adjacent to such properties, at the time of writing not one call has been received. Are we to understand that nobody is interested or are they just waiting to scream loud and long when something they dislike is thrust upon them. Come on join in now and save a long drawn out "hassle" later on.

Ron Allen our Past Chairman has left the community and to fill this important position we have another very able and ready volunteer in Tom Nicholson to keep the continuity of the Association in order. Thank you Tom.

See you all 8:30 Wednesday, April 11.

TASK FORCE PLANNING CONTINUES

BY John McMillan

On March 19, the Kiwaniswood Subcommittee had its first joint meeting with the Task Force Chairmen. Excellent progress was evident in most areas. The Outdoor Ice Skating Task Force probably has the toughest assignment because of the (Continued pg 5)

CURLING

GUILDWOOD VILLAGE MIXED CURLING

By Bern Foster

Our faithful Culers are still coming out every Sunday evening from 9 p.m. until 11 p.m. We no longer curl at the Terrace, but are in the new home of the Tam-Hunter Club on Millitary Trail.

Our standings as of March 28th. are as follows:

FIRST SECTION		SECOND SECTION	
B. Denny	63	G. Jenkins	80
B. Hughson	57½	B. Denny	74
B. Foster	53	J. Piitz	61½
P. Francey	52½	P. Francey	57
S. Stevens	51	B. Hughson	47
B. Payne	49½	B. Payne	43½
J. Foster	44½	J. McMillan	35
E. Niewolski	43	E. Niewolski	29

Not too many nights left for Curling this year, but are looking forward to a nice wind-up Banquet on May 4th.

BOWLING

3RD. SCARBOROUGH EAST CUBS

by Bernice Foster, Akela

3rd. 'A' Pack have been very busy on Star Work. We have a First in the Pack, a 5 Star Cub, Doug Easton, who has since gone up to the Scout Troop, along with Barry Crouch. Stephen Anco and Kevin Brett have also earned their 5 Stars now. These boys have each been presented with a plaque for their fine effort.

Painting Fabrics Vinyls

New Chums who have recently been invested are:-P. Williams, M. Croxon, D. Whiteside, S. Butcher, W. Brown, R. Klimpel, D. Nash and M. Sneddon.

25 of us went to Winter Camp in Hockley Valley, Orangeville. It was one of our best camps, with lots of Star Work and Badges passed. The Cubs really enjoyed having the Shelburne Arena to themselves for an hour and a half of Hockey and passing Skaters Badge, as it poured rain outside.

An Investiture of Mr. Barry Butcher was held in Camp and he was made an Assistant CubMaster with the Jungle name Bagheera.

3RD. SCARBOROUGH EAST SCOUTS

by Don Willie

The Troop is once again overflowing with eager Scouts. Six Cubs joined us a few weeks ago and all of them, Paul Dav es, Barry Crouch, Doug Easton, Wilfred Wong, Wayne Roberts and Ron Crabb were invested into the World Wide Brotherhood of Scouts on March 28th. Thanks to members of the Ladies Auxiliary for providing refreshments after the ceremony.

This time of year the topic of spring camp always finds time for excited discussion. We believe the older Scouts who are so proud of their badge work will take an active part in the arrangements this year.

We were sorry that Scouter Ed Mac-Nevin was transferred to Halifax in January. Ed shared the responsibilities of the Troop for a couple of (Continued Pg 9)

SEVERAL OPENINGS AVAILABLE FOR NEW AGENTS

SPRINGTIME RENEWAL

Take a stroll down any street in Guildwood and you'll see Spring all around. Your neighbours are investigating the garden where the tulip and hyacinth bulbs were planted. Their wives are lamenting the state of the window glass with the sunshine on it. Kids are fixing bikes for a new season.

Wait a minute! Here's something unusual. . . . a green lawn sign. . they haven't gone and called an election, have they? . . . no - it says Spring Time Renewal, Guildwood Presbyterian Church, Holy Trinity, April 8 to 15. And it's on the lawn next door! Look a little further. There's another. . . . and another.

Spring Time Renewal is an opportunity for a different kind of getting ready for the new season. Every evening during that week, alternating between the Anglican and Presbyterian churches, there's to be a bright, lively hour of music and prayer, with a speaker who will ask you to look again at what you are and where you're going. The theme is 'Behold, I make all things new', and everyone in Guildwood, church member or not, is invited to be part of this renewal.

The Rev. Harry Robinson, who will be speaking each night, is a powerful and thought-provoking preacher. When he shares his faith, people who come once out of curiosity almost always return to really listen and learn.

There will be a coffee hour, books you can buy and a chance to ask questions personally if you want.

Your Presbyterian and Anglican neighbours can tell you more about this very special week and would enjoy your participation.

Spring time 1973 can be the best time of your life!

For further information, call Audrey Shepherd - 261-5939.

Fashion Show

The Ferndale Baptist Church is holding a fashion show on April 24th at

OUR SPORTS DIRECTOR DON MCROBB'S CHILDREN READY FOR THE 1973 BASEBALL SEASON (SEE BASEBALL PROGRAM DETAILS ON PAGE 6 AND REGISTRATION FORM ON PAGE 7)

8 p.m. in the church at 614 Brimley Road.

Children's fashions to be featured will be from the Small World Children's Wear, Livingston Road Plaza. Boutique Caribe, 3178 Eglinton Ave., E will provide ladies' wear and hair styles will be from the Anthony and Leda Beauty Boutique of Livingston Road Plaza. Musical entertainment will be provided by the Trinidad Pride Steel Band from Sir Wilfrid Laurier Collegiate.

Tickets to the fashion show at \$1.50 each are available from any of the businesses above. For further information, call Mrs. MacIver at 266-7488.

HELP NEEDED !

The "News and Views" is looking for a volunteer to supervise delivery of the paper in the area South of Guildwood Parkway.

The person we are seeking must be able to give two hours of his or her time on one Saturday morning

each month, except in July, to personally supervise delivery by young people.

If you can help out your community call Tom Nicholson at 266-4604.

SCHOOL NEWS

ST. URSULA'S

by Mr. C. Cromien

On Saturday March 10th our Grade 7 and 8 students returned home, tired but very excited after their five day visit to Quebec City. The students under the direction of Mr. W. Boyle, assisted by our French teachers, Mrs. M. DiMambro and Miss N. Cassir visited many historic locations, as well as some Quebec schools where they presented a special French Language slide/tape presentation of Toronto. The pupils have been involved, along with many parent volunteers in raising funds for the visit through the operation of children's movies, bake sales and a Quebec City "Benefit" dance. A special thanks to all who contributed their time and effort to this project.

Congratulations are due to Linda Metella (Grade 8 student) our school Public Speaking contest winner (for the second year in a row) and participant in our Regional Trustees' Public Speaking Contest held at St. Malachy's Catholic School. Linda received honorable mention this year for her presentation on the topic-"Jeans".

This year the Board's Music and Physical Education Departments have decided to organize "Festival '73",

a continued programme of music and dance activities. Tickets for parents and friends will be available at the box office in Seneca College Auditorium three weeks prior to the Mid-April performance. We will be represented by our Orff Choir directed by Mrs. J. Schofield, as well as several dance groups at various grade levels directed by Miss M. Metzger.

Early in April our Grade 7 and 8 students will begin their bi-weekly Home Economics and Industrial Arts Classes. The children will receive instructions in the newly renovated facilities at St. Barbara Catholic School (Lawrence Ave., and Markham Road, Approximately).

With the cooperation of Mr. I. Sinclair, principal of the Three Schools of Art, and the Federal Government's "L.I.P.", we have Mr. I. Shaw, a full-time artist, visiting the school on Wednesday afternoons. A number of our senior students have been involved in a series of workshops in sculpturing using clay and moulding plaster. Mrs. D. Duke, parent representative on our School Committee, was instrumental in helping us secure Mr. Shaw's artistic services.

Pre-school Kindergarten registration for both Junior Kindergarten (4 years old by December 31, 1973) and Senior Kindergarten (5 years old by December 31, 1973) will be held Monday morning May 7th. Please contact the school for specific details regarding our registration procedures.

ELIZABETH SIMCOE

The Guildwood News and Views gives us a fine opportunity to express our gratitude to the community for its support and cooperation. The turnout of parents for our special Simcoe Week programme for the afternoons and for the Open House evening evidenced this support. The many parents who shared their special skills and knowledge with the children during the week demonstrated how a school and a community can work together to provide exciting educational experiences.

We would especially like to acknowledge the contribution of Mrs. Kay Long who is one of our parents. She

has given many hours of her time this year, and in past years, to arrange beautiful displays from the Guildwood School of Arts and Crafts; and to enlist the aid of many of the very talented artists associated with that school. These busy people found time in their crowded schedules to work with our children in numerous interesting media.

The quality of education in our school has been greatly enhanced by the cooperative spirit that has developed from this parental interest and involvement. To all of those who attended or participated in Simcoe Week the School extends its sincere thanks.

The Annual Baking Competition and Sale for the Grades 5 and 6 will be held on Wednesday, April 11th. The entries may be seen between 9:30 a.m. and 10:45 a.m. Judging takes place between 10:45 a.m. and 12:00. The auction of winning items will begin at 2:30 p.m. and the sale of all other entries will begin immediately after the auction. Come prepared to bid and buy.

The Spring Thing (our annual music night) will be presented on Tuesday, May 1st. and Wednesday, May 2nd beginning at 7:30 p.m.

The Junior Kindergartens will be taken on their first excursion out of the school area on Tuesday, April 10th. Two of the Grade 6 classes will also have outdoor excursions the same day. Further information will be sent home by the teachers before the trips are undertaken.

Kindergarten Registration Day is Wednesday, May 9th. from 8:30 to 4:00 p.m. Questionnaires will be sent to each home with the forthcoming issue of Your Schools. Please note that on Registration Day the following documents will be required:

1. Birth Certificate or other proof of age.
2. Family OHI number
3. Social Insurance Number for head of Household.
4. Immunization Records.

WELCOME TO TORONTO:

We invite you to worship with us on Sunday mornings at 11:00 A.M.

Nursery is available for children under 3 yrs. There is also a special time for children under 7 yrs. during the service.

We hope your stay in the Toronto area will be pleasant and restful.

If you are in the area on Sunday then we welcome you to JOIN us for an hour of Christian fellowship. If you need spiritual help during the week, then please give me a call. Below is a map showing how to reach our Church.

further major fund-raising campaign. The Library Construction Task Force has made a presentation to the Scarborough Library Board with a proposal to provide a library in the Guildwood area. The Library Board has indicated that they are prepared to consider the matter at some length and get back to Jim Foster by early May or sooner. The Community Building Task Force has settled on location priorities within the Guildwood area and is now in the process of considering construction details for the building itself. Cost of this building will be scaled to what can be obtained through grants, the winter works program and our own money. The Playground Facilities Task Force has prepared a written report outlining its objectives to place playground equipment at two park locations in the community at a minimum cost of \$25,000 at each location. Each location would feature a major play structure which would provide scope for imaginative play and would be the centre of interest in the playground. A Play Time Space Cruiser has been suggested as this major apparatus would be incorporated into the overall planning.

Two members of the Kiwaniswood Subcommittee met with Jack Keay, Scarborough Recreation and Parks Commissioner, to discuss our task force plans and solicit his opinion as to favourable park locations. Jack was most helpful, made suggestions as to sources for further grants, desirable park locations and parks to visit in which various forms of playground apparatus were available for viewing. He felt that our approach was practical and indicated that his Department would be willing to support us on certain of the projects, at least.

The Kiwaniswood Subcommittee has been asked to comment on a Kiwaniswood Tennis Club application to erect a small tennis club building in the vicinity of the Kiwaniswood Tennis Courts. The Subcommittee has no objection to the construction of this building and would be prepared to combine our plans for a Community Building with the Tennis Club plans for a club house should the area residents support this approach. At the present time, there are too many alternatives possible to consider any one at great length.

Finally, a revised time-table for the Task Forces has been prepared as

follows (dates have been set back by approximately three weeks):
Public Meeting to hear Task Force presentations - May 9
Completion of voting by residents for project to be undertaken - May 21
First Kiwaniswood presentation to Borough - May 28

BROWNIES & GUIDES

Cookies !! Cookies !!

Again this year the Guides and Brownies of Guildwood will be selling cookies. The proceeds from the sale of these cookies not only benefit Guiding throughout Metro but profits do come back to each unit enabling us to carry on our programme within the community. Orders will be taken on April 7th., if no one calls on you on that day and you wish to buy cookies contact any of our Leaders or call Mrs. Gray 267-6055. Cookies will be delivered to your door towards the end of April, to be paid for on delivery.

CHURCH PARADE !!

On February 25, in conjunction with the Scouts and Cubs of Guildwood, we held our annual Church Parade commemorating the birthday of our Founders. Again, as last year, we had an overflow attendance at Holy Trinity Church. My thanks to all the leaders who participated, to Mr. Watt who led the service and to Mrs. Tanner and the choir for some very enjoyable music.

Tennis

by Bev Rhodes

The snow has finally gone (again) and there are encouraging signs of spring appearing,--like the nets on the tennis courts. A steady flow of keen players has been using them for a couple of weeks now.

At the general meeting on March 27 those responsible for various aspects of the summer programme outlined plans made. Instruction will be offered ladies on Tuesday mornings for 6 weeks beginning May 1. Call Mary Bigall, 266-1488, for details. Evening instruction for Juniors, Intermediates and Seniors will begin May 15 for five weeks. Call Bill Schachow, 261-1374.

The ladies programme will include ladder play and a series of doubles matches within the club; a similar 'house league' programme of doubles matches is underway for the men.

The club will be entering senior teams in the B. C. and D levels of SLTA this year, as well as a girls team and a boys team in the Junior section.

The club plans a long-range facilities improvement programme. A fenced in sitting area at the south-west corner of the courts is to be built this summer, offering a more comfortable place for spectators during the day and a storage place for equipment overnight.

Looking farther ahead, the opening round-robin tournament will be June 2.

Soccer

by Margaret Gillespie

An indoor soccer tournament was held on March 31st and April 1st at R.H. King Collegiate. The Clubs involved were Guildwood, Wexford, Cedarbrae and two teams from Montreal. Games were played in the Atom, Mosquito and Pee-Wee divisions. At time of writing no results were available.

Guildwood Soccer Club is having Fred Abel, one of the senior instructors of the Metro Ambulance Divisions to instruct all our coaches on what not to do if a player suffers a serious injury. As far as we know this is the first time a soccer club in Scarborough has done anything like this and we ask that all Guildwood coaches attend. The meetings are being held at Cedarbrook Community Centre. The first was on Tuesday April 3rd and the second will be held on April 10th at 7:30 p.m.

The final registration for the 1973 season will be on Sunday April 8th at Borden School on Popular Rd.

We will be having a start of the Season dance on May 19th at Heron Park Community Centre. Tickets are available at Magic Dry Cleaners Morningside and Kingston Rd.-282-4723 also Larry Gillespie-266-2166.

BASEBALL

by Don McRobb

Eager competitors are enthusiastically awaiting the beginning of the softball season. Registrations have

been flowing in since distribution. If you have not yet mailed in your registration, do so now to insure a place on a team. Don't miss out! There will be one day of open registration which will be held at Sir Wilfrid Laurier High School on Saturday, April 14, between 10:00 a.m. and 1:00 p.m.

This year the boy's league is comprised of 3 divisions: under 9 years of age; Atoms, under 11 years and Pee Wees under 13 years. The girl's house league has 2 divisions, Novice, 11 years and under, and Bantam, 15 years and under. All games will be played in the Village behind Elizabeth Simcoe and Guildwood Schools within easy walking, jogging and cycling distance for all.

As a special feature, this year's Sports director, convenors and coaching staffs will be assisting all the boys and girls in raising funds for baseball jackets.

Trophies will be awarded to those players finishing first in the regular season play as well as trophies to the winners in the playoffs. All presentations will be made at the end of the season during windup celebrations.

COACHES:

Dads and mons - your support is encouraged this year as a coach, or assistant coach. Inexperienced, don't be shy! We'll all get together and go over the fundamentals and rules of order of the league. Coaching can be exasperating, time consuming, hard work but a rewarding experience to be sure. Interested parents, call me, Don McRobb at 266-3639.

Baseball Registration

TO ALL PLAYERS AND PARENTS

The Guildwood Association is pleased to welcome you back for another baseball season. The registration fee for the 1973 season, indicated below may be mailed with the completed form to the Sports Director by the deadline date of April 6th. Players may register after this date at the Open Registration at Sir Wilfred Laurier High School on Saturday morning, April 14th between 10:00 a.m. and 1:00 p.m., 1973.

NOTE: *Players registering by mail DO NOT HAVE to send birth certificates.
*Open registration must be accompanied by birth certificates and the Guildwood Village Community Association Card.

FEES: G.V.C.A. MEMBERS

1 child in family \$ 5.00
2 children in family \$ 9.00
3 children in family \$12.00

*registration payable to "the
Guildwood Village Community
Association"

NON-MEMBERS Add \$5.00 to the above

A non-member of the G.V.C.A. will receive full privileges to the association and a membership card will be sent by return mail.
Please enclose a self addressed, stamped envelope.

GUILDWOOD SCHOOL NEWS (Cont'd)

Scarborough final on March 15th at Woburn C. I. we placed fourth. Jennifer McGill placed fourth in vaulting section. This was an excellent showing for the girls in their second year at the sport. We are indebted to Mr. Simpson, principal of Poplar Road School, for the use of their gymnasium and equipment at noon hour each day to permit our girls some practise on the balance beam.

Chess has been a very popular activity in the Library Resource Centre at recess, noon hour and after school. Mr. Rickard has run several tournaments to select two contestants for the all Scarborough Contest on April 9th. Bonnie Lim and Tommy Ricketts will represent Guildwood in this competition and we wish them the very best of luck.

Open House is scheduled for the evening of April 9th commencing at 7:30. There will be a short musical program in the auditorium at 8:00 p.m. and Mrs. Smith, the French teacher, will conduct a typical French lesson with Grade 6 students in the music room (old library) 8:30 - 9:00 p.m. Girls and boys will be hosts to their parents for the evening.

Kindergarten registration will be held at the school in the morning of Monday, May 14th. A letter containing more details will be sent home in mid-April. Parents who have children ready to start school are asked to get birth certificates now.

SIR WILFRID LAURIER COLLEGIATE

"Look-out for the Laurier Look-In"

On Friday April 13th starting at 7 pm Sir Wilfrid Laurier Collegiate will be hosting the 4th annual Laurier Look-In. This evening provides an excellent opportunity to see the activities and accomplishments of Laurier's students.

Look-In features classroom exhibits and demonstrations, the French cafe', girls and boys athletic displays, and a preview look at our future T.V. station and communication centre. The culmination of the program will be a preview of the upcoming Variety Show, "Music Around

the World" featuring the Steel Bands plus assorted singers and dancers in the Auditorium at 9:00 p.m.

ART DEPARTMENT

The Art Department is making plans to present another exhibit of student work for the Laurier Look-In. With the opening of the new Printmaking Room this year, another exhibit area will be possible. As well as the display of student art, there will also be demonstrations in each of the three classrooms.

The Art Department sponsored another in the series of circulating exhibits from the A.G.O. in March entitled "Allegories and Visions", the works of Hieronymus Bosch. The current display from the A.G.O. is "A Fraction of Time" on view in the Library from March 31 to April 20.

LAURIER GIRLS' ATHLETICS

In the last issue of the Guildwood News and Views we mentioned that our volleyball teams were entering the semi-finals. The junior team lost out in this round but the senior team captured the Scarborough Championship for the second consecutive year.

Peak season for our gymnasts is just around the corner as their invitational meets are upcoming, as well as the Scarborough meets which take place in mid-April.

Spring means nicer weather which, in turn, means track and field training for competition in May.

The Badminton Club is still meeting and enjoying their play every Friday from 3:20 p.m. on. The Laurier team took part in the annual Laurier Badminton Tournament at the School April 3rd and 4th. This is a preparatory tournament for the Scarborough meet which will take place a couple of weeks later. The Girls' Athletic Council will host this tournament as well as other events planned for the school itself.

The Girls' Gymnastic Team directed by Mrs. Heinze worked very hard in February in preparation for the semi-final Scarborough Competition on March 6th. The girls did extremely well at this Meet and placed second in overall performance. Individual honours went to Kim Ferguson, second

in balance beam, Jayne McDonald third in vaulting. For all round performance Jayne McDonald placed fourth and Susan Calvert fifth. In the all-

LAURIER BOYS' ATHLETICS

The winter session was quite successful in two sports, basketball and gymnastics.

The Midget basketball team, a fine young group of which we are expecting a lot played in the championship game, but unfortunately came out on the short end of the score. The Senior team provided a Cinderella story in the "B" division, compiling an undefeated record after Christmas. Unfortunately they came up against a bigger West Hill team in the playoffs and lost, however the boys deserve all the credit that we can give them.

Victory is a tradition in gymnastics at Laurier. For the sixth year in a row the team won the dual meet trophy, then proceeded to win the Junior team meet. We were edged out at the Senior meet. The bright aspect of the Senior meet was the winning of the Sr. all-round individual trophy by Rich Scherenzel who gave fine exhibitions of skill in each of his six olympic events.

The scene now turns out-of-doors with track and field, junior and senior soccer teams, a lacrosse team and golf.

years and has scars to prove it. However, Don Easton, a veteran Cub leader from "A" Pack has joined us and arranged many interesting projects. We need a third regular helper with the Troop and this is a rare opportunity for one of you Dads to make time to be part of a very worthwhile movement.

Church News

PRESBYTERIAN CHURCH

by Rev. Gordon Fish

There will be a considerable amount of talk in the next few days in our community as to "What's this thing going on at the Churches in the Village?" "Sounds a bit like old-fashioned religion being pushed again!" Whatever the conversation, let's have it known that Spring Time Renewal is a sincere effort on the part of the two congregations at Livingston and the Parkway that we desire Jesus Christ to be experienced anew in our community.

I have always liked Sam Shoemaker's definition of conversion. He suggested conversion to mean "a maximum experience of Jesus Christ."

Has conversion to Jesus Christ and His ways been your lot recently? Or are you like many of the most sincere and Godliest of Christians realizing that you have much further to go in your experience of Jesus Christ if you are to influence your own children and the Godless neighbours in your community?

So welcome to Spring Time Renewal! A time to discover for yourself the 'Maximum experience of Jesus Christ'.

M.P.P. Report.

by Margaret Birch

Since my appointment to the Ontario Cabinet last fall as Minister Without Portfolio my chief concern besides representing the residents of Scarborough East, has been the formation of the Youth Secretariat, a new department in the government.

The Secretariat has many long-term goals, but the chief target right now is to find jobs for as many students and young adults this summer as possible. The program is known as "Experience '73" and will provide about 7,000 jobs in community projects, assisting police, farm work, assisting nursing care patients, the retarded and the mentally ill, to name a few of the 17 categories. In addition there are another 10,000 jobs available in various government departments to replace vacationing staff.

Also in the past couple of weeks I have written letters to more than 16,000 Ontario companies seeking their co-operation in finding summer jobs. The response from private firms has been terrific. One company Ford of Canada, is providing 183 small trucks and vans for use in the program. Imperial Oil, in addition to providing many summer jobs, has donated \$85,000 for environmental projects.

Although the jobs are going fast (in one day we received 650 applications) there are still some available. If any Scarborough East student is looking for summer work, write or phone the Youth Secretariat at 965-3546 at Queen's Park. I will make sure you get an application form.

ALDERMAN REPORTS

by Ed Fulton

Two meetings of local interest took place in the past week. On Tuesday March 27, the Borough of Scarborough Planning Board met at Laurier Collegiate. The purpose of this meeting was to receive briefs and answer questions related to Phase 2 of the Metropolitan Toronto Waterfront Development Plan (Scarborough sector), as presented by the Metropolitan Toronto and Region Conservation Authority. Guildwood is not directly affected by Phase 2, since nothing takes place from Sylvan Park on the west to Grey Abbey Park on the east. The only exception to this will be shoreline management for erosion control at the foot of the Bluffs. The meeting was very interesting and informative to the many residents who attended.

The second meeting of note took place Friday March 30, when a Multi-level conference brought to-gether members of Scarborough Council, the Board of Education, Metropolitan Toronto, Scarborough's M.P.P.'s and M.P.'s. This meeting was initiated by Scarborough Council and it is hoped it was the first of a series. The agenda was too long for detailed discussions but important items such as housing, transportation, pollution, fiscal responsibilities and joint financing were among topics considered. It is intended that future meetings will allow for more detailed discussion of fewer items to facilitate definite recommendations. It was, in my opinion, important that this first meeting be held. Equally important was the decision to meet again.

If I can be of any assistance to you, please call me at 267-6720 or 759-4747.

UMPIRES

In order to expand the Guildwood baseball league, additional help is required to carry out the duties of umpires. Without adequate and responsible officiating, it's "Game Over". We appeal to boys and girls 16 years and over to lend a hand. In order to provide a basic grounding in the duties and responsibilities of the umpire, a clinic will be held locally under the direction of Mr. George Good. Let me know, Don McRobb at 266-3639.

INVOLVEMENT !

Guildwood Village is a beautiful place to live. No one can deny this statement!

Guildwood's continued prosperity depends largely on our having effective community programmes to satisfy the social, service and recreational needs of the area and its people.

It is essential that a suitable number of adult and youth volunteers come forward each year to assist in running the various programmes in the Guildwood area. Such activities as Cubs & Scouts, Brownie & Guides, coaches and officials for Soccer, Baseball, Tennis and Football. Volunteers for Church and Hospital workers and many more functions - a list too long to mention here.

Chairman's report

by Jack Killan

On Wednesday, April 11th we held our General Membership Meeting with 25 paid up members forming our quorum.

A full report was given on our mosquito control for 1973. Four companies were invited to bid, one replied. Their method of treatment is as follows:

Larviciding

ABATE INSECTICIDE to be applied to wet areas about the middle of May.

Control of Adults

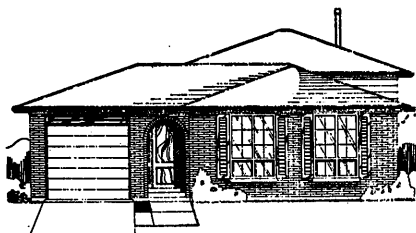

A mixture of 2 insecticides will be applied. One will be Vapona to give us a quick knock-down and the other will be methoxychlor which has a safe LD 50 rating and also provides us with a residual killing action on surfaces such as leaves and grass.

In order to control adults it will be necessary to treat both sides of each street within the treatment areas. The insecticide solution will be applied from the roof of a moving vehicle travelling along beside the curb at a speed of 10 M.P.H. The spray solution will be directed towards the houses by means of a fan propelling ultra low volume droplets having a size of 60 to 110 microns. The apparatus is not a fogging machine and is propelled by electricity, therefore there will be no noise and it will be a clean non-staining operation. Control of adults should commence approximately May 21st and treatment should continue at one week intervals until approximately July 12th. Applications will not be made when wind velocity exceeds 10 M.P.H. Minimum programme will consist of larviciding and six weekly adulticide treatments for a total cost of \$2,400.00. However, the programme covers 8 weeks and it may not be necessary to apply the extra 2 because of weather conditions. Should it be necessary to apply them, additional cost will be \$300 per treatment.

Treasurer's Report shows a paid-up membership so far this year has brought in \$1,915. We have budgeted \$4,400 for 1973 and possibly there will be no funds available for Canada Day Programme.

We have received a letter from the Recreation and Parks Department regarding a proposed clubhouse to adjoin our Tennis Club and requesting comments, especially from neighbouring home owners.

Trustee Report.

by Shirley Tomlinson, Trustee Ward 7

During the past two months, much of the time and energy of Scarborough trustees has gone into an attempt to meet the Ministry of Education's spending ceilings, without adversely affecting programs in the classroom.

As a new trustee this is my first experience with budget problems, although I have been familiar with them throughout my three years as an education reporter. It is fair to say that I cannot claim any credit for the efficient way the board has handled such affairs in the past, but by the same token I cannot be blamed for what might be considered past mistakes. Because I feel it is an important matter as the present budget dilemma, I have prepared the following analysis of the situation as I see it and certainly not as other members of the Board might view it.

Education Minister Tom Wells' offer of an \$8 million interest free loan to the Metro School Board, on top of the \$5 million increase he has already allowed over last year's budget is, in my opinion, both fair and adequate. He refused the additional \$11,450,000 above the ceilings ask-

ed for by Metro Board because it would mean an additional tax levy for Metro ratepayers.

The Metro trustees knew in 1971 that they would have until 1974 to bring their spending under control and meet the ceilings. Instead of making the necessary reductions gradually over this period, some area boards chose to ignore the ceilings, hoping they would dissolve and leave them to continue their uncontrolled spending. This year's Metro budget (the total of all six area boards) was \$29 million in excess of last year. Because the Minister agreed to allow only a \$5 million increase, to be equally divided among the six boards, there remained \$24 million to be cut from the proposed Metro budget. Since the so-called "equitable" Metro policy requires that all boards must apply an equal percentage cut, Scarborough, an historically frugal Board, and one which has always lived within the ceilings, was forced to cut through less fat than the "fat cat" boards of North York and Toronto.

These two boards have consistently submitted ever growing budgets despite the fact that there has been a drop in student enrolment of 5,500 students. I find it difficult to understand why it should cost \$100 more to educate an elementary student in North York than it does in Scarborough, especially in view of the fact that Scarborough is known to provide an education that is second to none in the province and does so with the lowest per pupil allotment in Metro. Because of the \$5 million increase over last year, Metro will be allowed to increase their per pupil spending from \$785 to \$810 per elementary students and from \$1282 to \$1307 per secondary student.

Had the trustees of North York and Toronto spent their time in the worthwhile exercise of closer scrutiny of their budgets, instead of in the mad pursuit of sympathy from the media and public, Scarborough's position would be better, because we wouldn't have had to face such a large reduction. In their determination to score a political point by placing the blame on the Ministry of Education for imposing spending controls asked for by the public, they have deliberately avoided laying the

blame where it really belongs, on the Metro system and the irresponsibility of certain boards within that system. In my opinion, these two boards have attempted the biggest "snow job" of the year on an uninformed public. To needlessly undermine the mental peace of hundreds of Metro teachers by threats of mass lay-offs, is nothing short of contemptible. In spite of such dire predictions last year, no teachers were fired.

The Minister's proposal to appoint a Commissioner to examine the structure and operation of the Metro Board, is good news for Scarborough. This would likely produce the same results as submitting Scarborough's budget to the Ontario Municipal Board for arbitration and the cost would be underwritten by the Province. Since the Minister cannot deal directly with the Scarborough Board, only through the Metro Board, he likely feels that this is the best way to ensure a better deal for Scarborough in the future.

If Metro trustees refuse the \$8 million loan offered they will make our students and teachers pawns in a game of political chess. The public elected them to make decisions concerning all aspects of education and they are expected to do so. Perhaps its time they stopped "crying the blues" and started acting like responsible, elected representatives.

KIWANIWOOD

**Do you want a voice in how your
\$35,000 is to be spent ?**

DON'T CRITICIZE LATER !

A PUBLIC MEETING WILL BE HELD AT GUILDWOOD PUBLIC SCHOOL, LIVINGSTON ROAD ON MAY 9th, 1973 AT 8:30 P.M. FULL DETAILS OF THE PROJECTS OUTLINED BELOW WILL BE GIVEN AT THE MEETING. COMPLETE THE BALLOT ON THE REVERSE SIDE, FOLD AND MAIL TO JOHN McMILLAN, KIWANIWOOD CHAIRMAN.

There have been five investigations by five Task Forces of local residents who have looked into the various ways of spending the \$35,000 collected earlier by the Kiwaniswood Subcommittee for construction of an outdoor swimming pool. The indoor pool at Laurier Collegiate was built on condition that we forego the outdoor pool.

These five suggestions were the most popular and most practical-looking ones culled from a previous questionnaire asking local residents for their ideas. A brief summary of each Task Force position is as follows:

1. Artificial Ice Skating Facility
Construction of a double rink indoor facility in this area is neither practical nor desirable. It would cost upwards of \$300,000 and would significantly modify the character of one of the local parks. Construction of a more modest outdoor artificial ice skating facility would cost approximately \$120,000 and would likely require additional fund raising unless both the Borough of Scarborough and the Winter Works Program were approached for funds. It is understood that an arena complex is planned by the Borough for the "Ab Campbell Triangle" area (bounded by Eglinton, Kingston Road and Markham Road) in the 1977-78 period.

In summary, this Task Force recommends against construction of any artificial ice-skating facility in the area if it means going back to local residents for more money. Should the voting support this proposal, however, the Kiwaniswood Subcommittee would pursue this idea, subject to the above restriction on funding.

2. Guildwood Branch of the Scarborough Public Library
Arrangements have been made to make premises available in the Guildwood Parkway/Livingston area for a Guildwood Branch of the Scarborough Public Library. These premises could be sold to the Borough of Scarborough at approximately \$100,000

below their appraised value by the donation of our \$35,000 plus a reduction in the cost of the property by the present owners. This alternative was presented to the Library Board and was rejected at their meeting of April 19. If residents were to support this proposal, it would be necessary to convince Scarborough Council to proceed against the recommendations of their own Library Board.

3. Community Building
Preliminary plans have been finalized for the construction of a two-level 40' x 70' community building in the Elizabeth Simcoe Playfield area. Such a building could be constructed for \$90,000 with funds provided by the Kiwaniswood Subcommittee (\$35,000), the Kiwaniswood Tennis Club (\$10,000) and the Winter Works Program (\$45,000). Construction of such a building was the original Phase 3 objective of the Kiwaniswood Subcommittee.

Should local citizens approve this project as our number one choice, attempts would be made to obtain approval of Scarborough Council during the Summer months so that construction could begin December 1, 1973 for completion prior to next Spring. The Tennis Club, it is proposed, would both contribute to and benefit from this project.

The Community Building Task Force strongly support this project as the building itself can be used by a broad section of the Community, it can be paid for without additional local fund raising and it can be completed by the Spring of 1974.

4. Playground Equipment for Local Parks

The Playground Equipment Task Force support the installation of additional equipment in two of the local parks. Each location would be built around a major play structure which would provide scope for imaginative play and would be the centre of interest in the playground. Existing

swings, teeters, slides and other apparatus would be incorporated. In order to provide for adults and senior citizens, additional park benches would be provided as well as concrete game tables and chairs. A shuffle board court would also be provided.

Anticipated costs of \$70,000 for this project would be met without resorting to further local fund raising. The Task Force proposes that we seek Borough participation in the project on a dollar-for-dollar basis with the expenditure of \$35,000 in each location.

5. Squash Courts

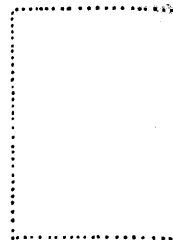

The Squash Court Task Force proposes that two squash courts be constructed on Laurier Collegiate property adjacent to the Laurier Pool. The feasibility of this proposal is currently being investigated by the Scarborough Board of Education engineering staff. Estimates for the total cost of such a project are not yet available. It would be our recommendation, however, that joint participation be negotiated between the Board of Education and the Kiwaniswood Subcommittee.

This is a relatively recent suggestion for a community project and considerable research is required.

General Comments

1. The May 9 meeting will be for information purposes only, although a "straw poll" will be conducted to determine the sentiments of those in attendance.
2. Choice of project will be determined by a count of ballots received by John McMillan at 65 Somerdale Square prior to mid-night May 21, 1973.
3. All ballots are to be signed, one per family, with up to 3 projects selected. Priority to be indicated by "1", "2", "3".
4. All families having one or more members in attendance at the Public Meeting will have their ballot counted as two votes.
5. The Kiwaniswood Subcommittee will endeavour to implement the project by this balloting procedure. Should this project prove infeasible in any way, the subcommittee will immediately proceed to the second priority project without further consultation with residents.
6. Presentations will be made to the appropriate political bodies as soon as the outcome of the balloting is known.
7. The five written proposals as documented for the Kiwaniswood Subcommittee will be copied and provided at the door for all citizens attending the May 9 Meeting.

SCHOOL NEWS

ST. URSULA'S

by C. Cromien

We would like to take this opportunity to acknowledge all our interested parents, relatives and friends who were able to come to our Annual Open House held during Education week, April 8th to 14th. The heavy attendance was our best ever! Thanks are due to the parents who provided refreshments, as well as, a special exhibit of their own Arts and Crafts projects.

Mr. D. Ellis' class has been involved in Project Canada; a class twinning project designed to unite Canadians from coast-to-coast. His students will exchange information directly, as a class project, with a class at the same age level in Newfoundland. They will swap photographs, class projects, exam papers -- just about anything that the students find interesting.

Miss M. Metzger's Grade 8 class will participate during May in the Board's Huronia Programme; a 2-day, one night education excursion. The pupils will visit the Ontario Tree Seed Plant, Sainte-Marie among the Hurons, and the Wye Marsh Wildlife Centre as part of our attempt to integrate the study of several subjects in one project.

There are many special dates of interest during this last term. For example, Lorraine Edwards, Grade 8 student, will represent our school May 2nd at the opening of the new Scarborough Town Centre. The Board's Cross Country Meet for our area is scheduled for Morningside Park on May 10th. We also have several outdoor educational class excursions planned for this term. Our Grade 6 students will visit the McLaughlin Planetarium on May 29th.

ELIZABETH SIMCOE

Although we are still hearing rumours about mothers trying to find their stoves under coverings of sugar and flour, the Elizabeth Simcoe Fourth Annual Baking Competition, which took place on April 11, appeared to be very successful. Through the efforts of the Grade 5 and 6 pupils, the staff and the support of parents, \$250.00 was raised for Red Cross Youth with enough money left over to buy crests for the winning House in our House League.

It is with great pleasure that we announce the boys and girls who placed first and second in the various competitions. Kathryn Hagerman, Kim Branton, Michelle McDonough, Peggy Hornell, Jane Ellis and Karen Young were the winning girls while John Barton, Robert Collins, Robert MacLellan, Kevin Killin, Timothy

Williams and John Smythe were the best of the boys. Miss Yanoshita and Mr. Donnelly won the staff competitions; and Mr. Stevenson has again tied the "Principal vs the Vice-Principal" at two wins each.

As this article is being written, over 200 pupils are busily preparing for the Spring Thing. However, it will be history by the time this issue of the Guildwood News is published. We are looking forward to a successful concert and the usual full houses.

SPORTS

by Don McRobb
 Sports Director 266-3639

BASEBALL

Registration for the 1973 Guildwood Village Community Association, baseball season are now in, for what appears to be a most promising season. Close to 200 boys and girls will be participating in this years summer program. There will be four boys' Mites teams, youngsters under nine (9) years; six boys combination Pee-wee and Atom teams, youngsters under 13 years; and four girls Novice teams, 12 years and under.

A special mention should go to the Guildwood merchants and businessmen who have shown their support by taking part in sponsoring our baseball teams. They are: Chapman Concrete Mobile, Ernie Young, Guildwood Gulf and Triumph Trophies sponsoring the Mites; Bob Jonston Chevrolet, Fulton, Guildwood Pro Hardware, Leader Guildwood Pharmacy, Medical Replacement Centre and N. Foster & Sons Real Estate, sponsoring the Pee-wees and Atoms; Guildwood Cleaners and Tailors, Roy Curran Transport, Swais Fina and Yetman Real Estate, sponsoring the Novices, Each Guildwood News and Views paper will bring you the standings of the team as they progress.

The schedule for games will begin the week of May 25th, with the girls Novice teams playing each Monday and Wednesday behind Elizabeth Simcoe School on Sylvan. The boys Mites play each Monday and Wednesday and the boys Atoms play Tuesday and Thursday, both behind Guildwood School on Livingston. Games will begin at 7:00 p.m. and all parents and residents of Guildwood are encouraged to come out and root for their favourite team.

This year the team members will be running a raffle to raise proceeds for the purchase of baseball

equipment, so when one of your neighborhood girls or boys asks for your support in buying a book of raffle tickets, be lb hearted---they'll be very grateful.

GUILDWOOD INDIANS

The Guildwood Indians PeeWees, and the East Guildwood Argos Bantams, will amalgamate this year, so that this area will once again be able to provide football for boys between the ages of 11 and 15 years of age.

Boys interested in playing PeeWee (13 years and under 105 lbs) phone "Stu" Carson, 284-6089.

Boys interested in playing Bantam (15 years and under 130 lbs) phone Bill Fraser, 282-9188.

Let's Get Behind Our Local Teams!!!

Tennis

by Bev Rhodes

Along with the gardens, things are coming to life at the tennis courts. The lights have been on evenings the last couple of weeks, affording the hardy a longer playing day, and the morning lessons have begun with an enthusiastic turnout.

Evening lessons begin May 15; the format is similar to last year's with the addition of ongoing coaching for juniors after the lesson session is completed.

The draw for the ladies house league teams has been made and these matches will be getting underway shortly. This programme provides the participants an opportunity to meet members

Thinking of decorating

R. BAKER & SON

267-2701

Interior & Exterior

Painting Fabrics Vinyls

in addition to those they regularly play against.

Supervision during club hours is being provided on a rotation basis on evenings and weekends by senior members of the club. Weekdays from 4 to 7 p.m., the Junior Rep on the executive will be in charge. This procedure, combined with an adjustment in playing hours, should enable play to go on congenially.

As a result of the changes made at the general meeting, the playing schedule at the courts is as follows:

Monday-Friday 8 a.m.-to 4 p.m.-Public
 4 p.m. to 7 p.m.-Family
 Saturday 7 p.m. to 10:30 p.m.-Senior
 Sunday-
 - opening to 2 p.m.-Family
 2 p.m. to 10:30 p.m.-Senior

BOWLING

by Carol Butcher

We recently held our elections and the executive for 1973-74 is:
 President- George Good
 Secretary- Carol Butcher
 Treasurer- Jessie Davis

Our annual banquet will take place Friday, May 11th at the Broom and Stone Club.

Anyone interested in bowling in September please contact Carol Butcher 264-2849, G. Good 266-4901 or Jessie Davis 261-9139.

CHURCH NEWS

GUILDWOOD COMMUNITY PRESBYTERIAN
CHURCH

by Rev. Gordon Fish

The gray hairs alone, really don't tell the story! I find my reminiscing over the past a sure-fire sign that, -"Hey bud!-You're over the hill!" But let me enjoy my reminiscing-perhaps those of you over 40 would like to join me and we'll reminisce together. It all has to do with learning through experience.

George - - every school in my day had a 'George' ('George' would not be at our school today, rather, he would be safely ensconced away in one of those 'special' schools.) George went out at recess, I recall, on one bitterly cold day and never came back in at the sound of the handbell. When the teacher had asked the appropriate questions she went to the door of our old one-room school and saw George sitting on the metal swings, his face delightfully screwed up tight to one of the upright bars, stuck tighter than a drum. Today's kids have never known the 'thrill' it seems to touching the tip of their tongue to a very cold bar of steel. It was a clear surprise to George to discover that having laid his whole tongue on the bar he couldn't remove his tongue from it. As I recall, it was quite a performance to release George from the swing. The lesson for all of us looking on, but in particular a lesson that George was to learn through experience.

All your arguments about religion, the 'pros' and 'cons' of different points of views are sheer, futile efforts to theorize and are found often less than profitable. Somewhere in God's Great Plan, He intends that you and I become like 'George', that is to learn through experientially. He asks of you to 'lay on' your whole life. Your 'thrill' will be much different than that of my friend 'George'-but somewhere and somehow it will be no less demanding. See you at church-its one sure place to at least find the ground rules in knowing God through experience.

M.P. Report

Continued from pg 1

Among the topics on which I have asked questions have been bail reform, parole, armed forces personnel, subsidized housing, Rochdale College, air charter rates, airline shuttle service, manpower programs, on-the-job training, Toronto harbour park, Pickering airport.

The second way the Opposition functions is by debating so that harmful possibilities of a bill are exposed and useful alternatives are proposed.

Unfortunately all too few speeches are reported by the media which focus their attention chiefly on the sensational and controversial.

The third way the Opposition functions is by its votes. It can let a bill pass "on divisions", without a recorded vote, or it can require every M.P. to stand up and be counted.

Some people think an Opposition is wrong to oppose but that is surely the same as thinking it wrong for the government to govern.

Both sides of the House have their function and the public is best served when both perform their function.

It is a great pleasure to meet so many people at the Conservative AID Centre, 1 Greenholme Ct., (439-1113). My "office hours" are each Friday evening from 7:30 P.M. until 10:30 P.M.

The school is also very busy right now in preparation for our track and field meet on June 8 at Birchmount Stadium.

A reminder to all parents in our community that May 9 is Kindergarten registration day. If your child will be four years of age in 1973, he/she is eligible for enrolment in Junior Kindergarten. Please phone the school (261-4367) for an appointment.

JACK MINER

"There is no time like Spring,
Where life's alive in every thing."
-Christina Rosetti

Our school days continue to pass quite rapidly. Skates, skis and hockey sticks have been stored away for another year. Now appearing are baseballs, windbreakers and track shoes. With great enthusiasm, many students jog around our school each morning preparing for the senior school track-and-field meet, to be held on Monday, June 11.

The theme selected for one school week this past month was "Appreciation Week". Both staff and students are quite proud of Jack Miner Senior School. During this particular week we developed an awareness and a more sincere appreciation of our school and its important function within the community. Although "Appreciation Week" has officially ended, we do hope that ideas and attitudes developed will continue throughout the remainder of the school year.

Much appreciated also was the enthusiastic support given to us by all those persons who attended our "Open House." It was our intention that the planned program of events should provide a better understanding of the curriculum offered and the teaching methods employed in this school. Students and staff felt that our "Open House" was successful. Comments expressed by many who attended were quite favourable.

Several of our students deserve honourable mention. Congratulations are extended to Lisa Penstone, Renee Schmidlechner, Simone Heinze and Judy Wilson who performed so admirably with the Scarborough Winstonettes. Catherine Ricketts was declared a winner in the Kiwanis Academic Achievement Contest.

Mary Beth Quinn was selected by her fellow students to be our representative at the official opening ceremonies of the new Scarborough Town Centre held on Wednesday May 2.

On Tuesday, May 8, the Chamber Choir under the direction of Mr. Garth Allen will perform at our school. The following day, Wednesday, the Hart House String Orchestra will provide a one hour program.

We sincerely hope that Mrs. MacDonald a valuable member of our teaching staff, who is now recuperating from surgery will be able to rejoin us soon.

GUILDWOOD

by G. J. Barrett, Principal

Our contestants did quite well in the Scarborough Chess Tournament held on April 9th. Bonnie Lim placed fourth and Tommy Ricketts fifth. We congratulate these two students for a very fine effort in their first tournament.

Junior Girls' and Junior Boys' softball teams have been entered in the S.P.S.A.A. again this year. The league is scheduled to begin the first week in May, and the girls and boys have been practising faithfully in preparation for their zone games. Miss McDowall and Mrs. Teather are coaching the girls and Mr. Rickard and Mr. Smith the boys' team.

Wednesday, April 18th was Penny Line Day at Guildwood School in aid of the Canadian Junior Red Cross. Children have been bringing in their pennies for the past month to try to win the competition for their classroom. The overall results were most gratifying! Total amount raised (mostly in pennies) was \$270.18 and this will be forwarded to the Red Cross Society. Congratulations to Mrs. Heinze's Grade 5 class which won the competition with 6407 inches of pennies (\$85.) and to Mrs. Brown and her Grade 3 pupils who placed second with 3346 inches of pennies (\$44.) Many thanks to Mr. Rickard for all his organizational work, and to the girls and boys who measured the pennies and rolled them for the bank.

Our Grade 3 class, with Mrs. Brown as the pioneer schoolmarm, carried

on their lessons in the pioneer schoolhouse at Laurier C. I. on April 24 and 25. The children were all dressed in typical 19th century clothes and they thoroughly enjoyed the experience.

Kindergarten registration will be held at Guildwood Junior School on Monday, May 14th from 9 - 11:30 a.m. If you did not receive one of the notices previously delivered to the homes in the area, please contact the school office.

SCHOOL NEWS

(Continued from page 9)

ers are visiting New York from May 3rd to the 6th inclusive. The students, Grades 10 and 11 are looking at New York as a major metropolis and are visiting specific locations as well. This trip should be particularly meaningful to them as the Grade 11 students are now studying Urban Geography and the Grade 10's have completed a study of Urbanization.

Simpson Dram Festival

The festival was held on April 13th at Woburn. Competitors were from Woburn and Don Mills. The play produced by Laurier was entitled "Little Fears", with cast and crew made up entirely of Grade 10 and 11 students. Although Laurier did not win the Competition, excellent critical notices were received from the adjudicators and from people in the audience. The cast was June-Anne Reid, Phil Henry, Brenda Townsend and Rob McNair.

Mathematics Contest

Laurier did well on a Senior Mathematics Contest written on March 13th. Laurier's team score (the sum of the three highest individual marks) placed us 12th in Ontario out of 356 participating schools.

Mario Pereira is the top student with 57 points out of 150 placing him 40th out of 4757 participating students. Close behind is Rob Rothwell with 56 points placing 44th and the third member of the team is Ricky Lee with 45.75 points.

Mario and Rob, because of their high scores were both invited to participate in the Canada Mathematics Olympiad. This is a contest with very good cash prizes that the best Mathematics students in Canada write by invitation only.

Theatre Arts

Grade 13 Theatre Arts students visited Elizabeth Simcoe and Guildwood Public Schools and a Day Care Centre beginning on April 30th. A complete play including music and costumes were developed by the Theatre Arts Class for presentation as part of the Theatre Arts Course.

Year 4 Work Experience Program

During the past week, 36 students in Year 4 General who are specializing in Business subjects have been out of the school on their Work Experience Program. This program is sponsored by the Board for all the schools in Scarborough as an integral part of the students' business training.

Laurier Band Goes To Bermuda

The Laurier Senior Band under the direction of Mr. Don Buchan are in Bermuda from April 28 to May 6. About 57 students are participating. The band is giving a performance at the Cathedral and several concerts in Hamilton, Bermuda.

The trip was arranged by the Bermuda Government Youth Services. The band will be billeted in a Military Camp. This trip should be well worthwhile both from a musical and educational viewpoint.

Laurier Girls' Athletics

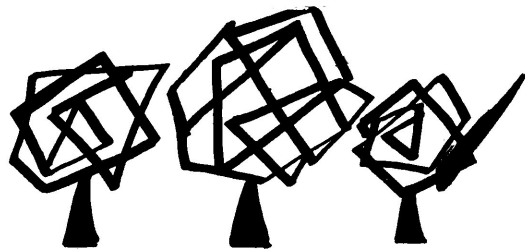

Spring is in the air and it is quite evident in the number of students "taking to the outdoors". Speaking of outdoors brings to mind one of the highlights of the senior program. 120 students, both boys and girls, will have the opportunity to to "camp" during the early part of May. Destination?—Bark Lake—a secluded spot north of Minden, Ontario and sponsored by the Department of Education. From the enthusiasm of the students and the experiences of a weekend stay two years ago the outdoor education program should be a definite success, offering such sessions as canoeing, sailing, orienteering, geography bush survival and nature study.

The girls gymnastics team has nearly completed its season taking an overall 5th position out of 15 schools in Scarborough. Two of the gymnasts, Pam McLeoad and Jennifer Moncur, will proceed to the Ontario Championships.

The girls track and field team are strongly engaged in daily practices hoping to capture placements at the preliminary meets May 7 and 8th. at Birchmount Stadium.

Another annual event planned for May 31st is Laurier's Annual Athletic Awards Night. This year the format of the evening is taking on a "new look".

GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOC. VOL 73, NO 5, JUNE 2ND, 1973

KIWANIWOOD GOES PLAYGROUND!

by John McMillan

Well, the people of the Guildwood area have made their decision. In a close battle between the top two or three contenders, the option to improve the existing playground equipment in the parks won out! Voting was carried out on a 3,2,1 basis with a count of 3 allocated to your first choice, 2 for second and 1 for third. A total of 122 ballots were received (out of a maximum possible 2500 or so). A few were unsigned, making them ineligible, and a couple were write-in ballots favouring other alternatives. A double weighting was allowed for all families attending the public meeting on May 9. The overall point scores for each alternative were tabulated as follows:

cont. pg 8

Baseball Draw

On Canada Day July 1st and 2nd, 1973, your Guildwood Village Community Association will be drawing the winner's names for the 19" portable T.V., from Speedy Pitcher Tube King, and the Sony AM-FM radio. The draw will take place at our Guildwood Plaza at 2:00 p.m.

Currently running their raffle, Girls and Boys of this years baseball teams are out asking for your support which is always there when we need it, in buying a book of tickets.

If you have not yet made your purchase from your neighborhood girl or boy, welcome them when they call at your home, and be big hearted - - - they'll be very grateful.

Janine Greenslade (L) and Susan Calvert (R) busy in the Senior Kindergarten at Guildwood school are in Grade 6 and have helped daily for 2 years with the Kindergarten children (story p. 6)

Chairman's report

by Jack Killan

The Village will not be celebrating Canada Day in its usual fashion this year. The reason is as stated in my report of last month, a lack of funds.

We regret that this decision had to be made, however many people have not yet become members for 1973, others have refused outright to join, our income has either dropped or been slow in coming in; in any case we have had to cut our program to suit our income.

On the good news-side, however, H.M. the Queen will be in Scarborough to open the Town Centre and we have been informed that the Borough will be celebrating at this time on a grand scale for a period of three days. It is hoped that this information will be made available to the public in the near future to confirm our information and thus enable the Villagers to celebrate as citizens of Scarborough.

In the next edition of the paper we will publish a financial report backing the decision of the executive. We regret that it cannot be published in this edition but our Treasurer was abroad on a business trip and we were unable to get one made up in time.

The thanks of Ethel Niewolski and the Executive goes out to those members of the Association who went out and canvassed the village during our membership drive. They worked hard and well on your behalf, it is regrettable that there are not more like them willing to give a little time on behalf of the community. An American Industrialist hit the nail right on the head when he said; If you want anything done, ask a busy person to do it, the others haven't got the time.

The Mosquito Control Program is now under way and the larvaciding of the wet swampy areas has been completed. The next step depends on warmer weather-that has yet to come.

BASEBALL

Already under way, this years' baseball teams began play during the week of May 28th, with much excitement and enthusiasm shown by players and spectators. The Girls Novice teams are playing each Monday and Wednesday behind Elizabeth Simcoe School. The Boys Mites play each Monday and Wednesday, and the Boys Atoms play Tuesday and Thursday, both behind Guildwood School. Games start at 7:00 p.m. and all parents and residents of Guildwood are encouraged to come out and root for their favourite team!

Team standings will be listed in subsequent issues of the "Guildwood News and Views".

Tennis

All facets of club activity,--instruction, club play and inter-club competition,--are well underway in spite of the weather. The three senior SLTA teams have played three matches each and are showing up well. The Junior SLTA teams are being made up for play to begin June 9. Interested Junior boys and girls should call Andrew Lata and Mrs Crichton respectively.

House league play has begun with four men's and four ladies' teams. Members of these teams play together at least once a week sharpening their skills with a view to challenging other teams. The combination of this programme, which involves some 90 people, the club lessons and the Laurier gym classes ensures that the courts are well used.

The draw for the club tournament will be made June 15 from entries received. Each round will have a deadline for completion. The opening round robin on June 2 offers enjoyment to all participants--Juniors from 9 to 1

and Seniors from 1 to 6. As this is a day of fun, players will be matched at random; all entrants will play at least three sets of four games each. Prizes suitable to the occasion will be awarded. Should June 2 be rainy, all this jollification will take place June 3.

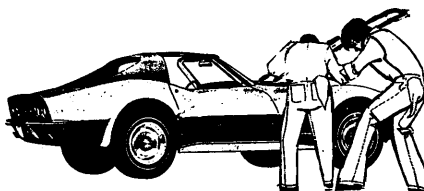

Supervision of the courts has been working well, particularly in the week-day 4-7 period. Jim Clark, one of the club instructors and the supervisor at that time, has offered to coach interested Juniors while he is on duty. In addition, Junior girls are invited to come out on Wednesdays from 4 to 5 when they will be able to play without having to arrange a game ahead of time. Mrs. Crichton is making coaching available at this time as well. The formal instruction offered by the club has also attracted a large turnout. Both the morning and evening sessions are full; these continue until mid-June.

The necessary approvals have been received from the Borough for the enclosed sitting area, and bids are now being received for construction.

Trustee Report.

by Shirley Tomlinson, Trustee Ward 7

In view of the tumultuous conditions now existing in our Secondary Schools, it is important for you to know all the facts relating to this state of affairs.

The recent "sick-ins" at some of our Collegiates were staged with no advance warning to the Scarborough Board of Education. Trustees are not in favour of such actions, which they believe to be irresponsible. With the exception of trustees Pat Collie and David Owen, the Board voted to ask those teachers involved in the sick-ins to produce doctor's certificates or suffer the loss of one day's pay.

A meeting called by the Board of Education at Cedarbrae Collegiate, for the purpose of trying to straighten out apparent misunderstandings on the part of the teachers, was boycotted by all but fifteen of the 1700 teachers involved. The reason given by the teachers was that trustees had broken faith with them over the issue of an increase in the pupil-teacher ratio. This is not so. During last December's election campaign, trustee candidates were asked to answer a questionnaire compiled by the Ontario Secondary School Teacher's Federation. One of the questions asked whether we generally favoured any increase in the pupil-teacher ratio. I answered no, as did most of the other trustees

My answer to that question today would still be no. The question was general and NO PROMISES WERE MADE. After three months of making reductions in non-staff allocation accounts and finding we could still not meet the needed reductions, we were forced to turn to the staff allocation account. This account makes up 85% of our current budget. Other Metro boards had to do the same, and the final Plan approved by the Metro Boards called for reductions in this area. It must be remembered that in view of dropping enrolments, several Scarborough schools were slated to face reductions in their staffs for 1973-74.

MORE FACTS YOU SHOULD KNOW

1. The budget cuts have resulted in a total secondary school allocation of 1,705. Last year's number was 1,765.5.
2. To permit school staff allocations to be adjusted with a minimum of disruption next September, when actual enrolments are known, 1% of all the teachers in Scarborough will be held in reserve until that time.
3. The cutback in staff results in raising the Pupil-Teacher Ratio by .9%. This, in turn, will result in an increase of 2 to 3 students in the average class size. Principals have been asked to organize classes of between 15 and 35 students.
4. Every Scarborough teacher has been guaranteed the continuance of a full-time position for the

1973-74 school year. There will be no dismissals because of budget cuts. The worst which could happen would be the assignment of a very few teachers to the occasional staff, with full salary and full fringe benefits; these few would be returned to regular school positions as soon as vacancies occurred.

Some schools have undertaken surveys in their neighbourhoods in order to determine whether taxpayers would prefer to take less of a tax cut than the \$20.00 made possible by the reduced ceilings. The survey made in the Leacock area showed that 96% of those surveyed would pay another \$5.00 per year in order to prevent any increase in class size. These same people had previously said (some 77% of them) that they wanted controls on educational spending. That is the reason Education Minister Tom Wells did not relent and lift the ceilings.

Hopefully this will be the last year Scarborough will be in such an unfavourable position. With the extra funds allotted this year by Metro, plus the promise of full phasing by 1975 and the examination of the inequities of the Metro system by Mr. Wells' Commission, things must improve for us.

In closing I would like to congratulate the staffs and students of Ward 7 schools, R. H. King Collegiate and Sir. Wilfrid Laurier Collegiate, for their responsible handling of the present situation.

SCHOOL NEWS

ST. URSULA'S

by C. Cromien, Principal

To mark the end of the Grade 8 year, we have planned a Day of Reflection at St. Augustine's Seminary on Tuesday June 5th. In keeping with this period of transition and development, our theme/or the day will be "change". Father C. Giroux will celebrate Mass with the students.

On Saturday May 12th, our Grade 2 students made their First Communion at St. Boniface Catholic Church. For once it didn't rain! Our school choir's contribution also helped make this a very memorable occasion.

Mrs. J. Schofield's kindergarten class are anxiously following the progress of a dozen fertile eggs now resting in the class incubator. We will keep you posted on their arrival.

Young Artists' Week (May 28-June 1st) was celebrated by a number of our Primary students under the direction of Miss M. Morin and Mrs. J. Lane. These students visited Fairview Mall to participate in a number of Art activities including a painting lesson.

St. Ursula's extra curricular swim club, coached by Mr. J. Clarke recently participated in their first invitational swim meet at Birchmount pool, as well as the C.Y.O. swim trials. These students should be congratulated for their very fine efforts at these meets. Track and field activities are well underway now in preparation for our regional meet scheduled for June 11th at Holy Spirit Catholic School.

Once again our playing field will be used 4 nights a week until the Fall by the Guildwood Minor Soccer Club. In connection with the use of our field we would ask any adults visiting our grounds to park their car(s) on the pavement portion rather than on the grassy playing areas.

Mr. W. Boyle's class have produced a very interesting souvenir booklet outlining all of their educational activities in the Quebec City area. This printed booklet promises to be of a very high calibre. Our thanks to Mr. and Mrs. McKinlay for their help with this project.

A number of other class excursions have been planned, or have taken place, now that we finally have warm weather. Our grade 6 students visited McLaughlin Planetarium May 29th to view a number of displays, as well as a special theatre presentation on the Universe. Mr. R. Campbell and Mr. D. Ellis were in charge. Mrs. E. Burn's Grade 4 class are looking forward to

their boat trip of Toronto Harbour and Ontario Place. Mr. Luck's class recently returned from the Ontario Science Centre and Adams Brand plant. More than 180 of our senior students had an opportunity recently to attend a 'live theatre' performance of "Godspell", a portrayal of the life of Christ in a modern theme. Miss M. Metzger's Grade 8 class enjoyed their overnight trip to the Midland area. With an emphasis this year on natural science, they conducted field surveys under the direction of the naturalists at the Wye Marsh. Among other points of interest, the class learned to identify poison ivy—one or two the hard way!

JACK MINER

The school year is fast drawing to a close. It seems hard to believe that only six weeks remain in this, the final term.

Friday, May 18 was Citizenship and Commonwealth Day. All students gathered in the auditorium for a short assembly. In his address, our principal, Mr. Barnard, pointed out how this particular day evolved and the true meaning of the day itself. He also mentioned that as citizens of Canada we are fortunate, but we must realize that we have definite obligations and responsibilities toward our fellow citizens.

On Thursday, May 31, representative Grade 8 students from various schools were tested in their general knowledge of history, geography and current events. Terry Wilson represented our school in the competition to be held at Charles Gordon Senior School with the winner being awarded the Skarathi Trophy. At time of writing, results were not available.

A senior girls' baseball team has entered the inter-school league games. The boys continue to participate actively and enthusiastically in their house-league challenge games. Morning practices for members of the track and field team have become more intensive. Competitors will participate at Birchmount Stadium on Monday, June 11. On the afternoon of Tuesday, June 26, the grade 8 students will have their graduation program.

As stated in a letter sent home with each student, our principal, Mr. Barnard, is retiring this June after a long and distinguished teaching career in Scarborough. A reception in his honour will be held on the evening of Thursday, June 7, commencing at 7:30 p.m. Parents and friends are cordially invited to attend.

GUILDWOOD

by G. J. Barrett, Principal

Susan Calvert and Janine Greenslade, both in Grade 6 at Guildwood Junior School, plan to become school teachers. They have received invaluable training for two years under the guidance of Mrs. M. Blackwell our senior Kindergarten teacher. The

girls have given of their time before 9:00 and 1:00 o'clock assemblies as well as during both recess periods to help in the kindergarten classroom.

Their duties are varied and numerous. In the morning they open the windows, get the paints, paste and paper ready water the plants and print the names of the daily helpers on the blackboard. At recess they pour juice, prepare crackers and cookies and serve the children. During the noon hour they wash the dishes and supervise assembly. At 2:30 p.m. they help the children to dress and assist in the classroom clean-up.

Progress in their own grade has not been neglected because both girls are honour students! They have other extra-curricular interests too. Susan plays the violin in the school orchestra and is a member of the gymnastic team. Janine plays the clarinet in the orchestra and is on the junior baseball team.

The girls have an excellent relationship with all the kindergarten children and are able to teach some lessons and supervise capably. We are extremely proud of Janine and Susan and will follow their careers with pleasure through the senior and secondary schools.

Our Junior Girls' and Junior Boys' softball teams have both won their group and are waiting now for dates on quarter final games. The girls and boys have played very steady and energetic games and we wish them the best of luck in the finals.

School Field Day was held on May 24 and Play Day is scheduled for June 13.

LAURIER

LAURIER BOYS ATHLETICS

The academic year as well as the athletic year is rapidly coming to a close. Teams presently active at Laurier are two fine soccer teams, junior and senior; a lacrosse team; a track and field team which is sending several boys to the TDIAA finals and a golf team.

The athletic year ends on a formal note with our annual athletic banquet at which we honour all athletes as well as extraordinary athletes in all the sports at Laurier.

SAC Election

In the recent S.A.C. Elections the following Executive was elected for 1973-74.

President:	Dave Willie
Vice-President:	Allan Hucaluk
Secretary:	Kahn Majid
Treasurer:	Cathy Munn
Social Convenor:	Paul Haffenden

Urban Geography Field Trip

On Wednesday, May 16 the Advanced Grade 11 Urban Geography students converged on the downtown core, the central business district of Toronto for a first hand visual experience and observation.

The girls track and field team has completed their season with the participation of Gail Aitchison and Rhonda Rosborough in the TDGIAA meet May 25th at Birchmount Stadium.

Lauriers Annual Athletic Awards night was held on May 31, an evening during which all students who contributed to both interhouse and inter-school activities were honoured.

Several of our regular classes have taken to the outdoors with golf, orienteering and softball; others are still indoors on the badminton court.

ALDERMAN REPORTS

by Ed Fulton

The new Civic Centre will be officially opened by Queen Elizabeth on June 29. A full calendar of events will appear in the next issue of the News and Views.

Scarborough Council recently approved the 1973 Budget. Good news is a reduction of 3 mills, a saving to property owners of about \$20 to \$25. This is the second time in the last four years that Council has reduced the property tax.

A site plan has been approved by the Scarborough Planning Board for expansion of the Guildwood Plaza. New stores will be erected between the old Red & White and Huntingwood Apt. Plans call for an additional building in front of the east end of the plaza. If the owners landscape as they have indicated, it could be a very attractive plaza. Scarborough Library Board intend to open a library in Guildwood. If it has funds when plaza space becomes available we could have a branch in the near future.

The owners of the Westlake property are preparing a new submission for development of their land. The new proposal calls for semi-detached houses around a crescent. Details are scanty but I will keep your executive informed of developments.

If I can be of assistance, please call me at 267-6720 or 759-4747.

Sometimes our lives are much like the contraption above. We run good but we really don't do 'nuthin'.

How does one correct this? Jesus said —

"Come unto me all ye that labour (confusion without purpose) and I will give you rest (goals realized!)"

May we invite you to Church — a place for those who, though imperfect, may find the Christ Who is Perfect.

*Guildwood Community
Presbyterian Church*

LAURIER NEWS CONT.

Some students undertook individual primary research project concerning the planning projects of Toronto Islands, Toronto Harbour and Waterfront, China Town, St. Lawrence Market, Kensington Market, Yonge St. Mall and Regent Park while others were escorted on a 5 mile walking tour of the core acquainting themselves with the complexity of the components that comprise the Toronto City Centre, the Annex Area, Spadina Garment District, Bloor Street, Jarvis Street areas.

Laurier Students at Bark Lake

About 130 senior students went to Bark Lake in the Minden area on May 7th and returned on the 11th.

This project was part of the Physical Education Program and included the following activities—canoeing, sailing, orienteering, geography and hiking. Each student had at least 2 hours in every activity.

Facilities at the Bark Lake education camp are maintained on a permanent basis by the Provincial Government. Transportation and food costs are paid by the students.

The Laurier softball team won the consolation tournament held at Bendale — several other Scarborough schools participated in the tournament.

KIWANIWOOD

cont. from page 1

Playground Equipment Improvement	212
Squash Courts	190
Community Recreation Centre	153
Community Library	143
Outdoor Ice Skating Facility	104

There was a distinct preference for the squash courts shown in the voting of people who attended the public meeting, whereas a preference for the community recreation centre was displayed by those people submitting write-in ballots only. However, the second choice of both groups was the playground equipment improvement option and the eventual winner as a consequence.

So, thanks to all of you who cast your ballot! The Kiwaniwood Subcommittee will turn its energies towards early installation of the recommended equipment in the nearby parks.

For those of you favouring the library option and the out-door ice-skating option, take heart! There is an excellent chance that a Guildwood Branch of the Scarborough Public Library will be built as part of the new shopping centre addition, west of the present plaza on Guildwood Parkway. It has already received the support of the Library Board and needs only the approval of Board of Control and Council. As I mentioned in the earlier publicity, there are also plans for a major double rink complex in the Ab Campbell Triangle Area (bounded by Markham Road, Eglinton and

Kingston Road) in the 1977-1978 time period. These plans envisage a major centre for recreation in the area as well, so that a number of our objectives may be accomplished eventually here.

The Kiwaniwood Subcommittee will now become actively engaged in following through on the playground equipment option and will prepare a presentation for the Parks and Recreation Committee as soon as possible, hopefully before the Summer holiday season commences! As always, anyone wishing to participate actively in the Subcommittee work is welcome. Call John McMillan at 261-0967 to volunteer.

International Soccer Tournament-June 29 to July 2

The "Robbie" international soccer tournament, an annual event in Scarborough, will be held over the Canada Day holiday again this year. The tournament is one of the largest in North America and features teams in all age groups from 6 to 21 from across Canada and the United States.

The Guildwood Soccer Club will be hosting teams in the Atom and Mosquito age groups and a full schedule of games will be played on fields in this area over the long weekend.

As in previous years, families of Guildwood soccer players are being asked to billet youngsters on out-of-town teams. If you can help by looking after players during the tournament, call Margaret Gillespie at 266-2166.

GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION VOL 73, NO 8, SEPTEMBER 29, 1973

Association Meets OCT 3

ALDERMAN REPORTS

by Ed Fulton, Alderman Ward 7

In the last edition of this newspaper Tom Nicholson and Eric Parker announced they were stepping down from operating this paper. Tom, Eric, Jackie, Muriel and Company have done a great job over the last four years in helping Guildwood residents keep informed. From my observations around the Borough, your newspaper in every respect is unequalled. It has been an excellent vehicle for keeping each other informed and will be a real loss to the community if someone does not come forward to take it over. In the meantime to Tom, Eric, Jackie, Muriel and crew, thank you for all your hard work, cooperation and interest in your community,

The Bethune Blvd., reconstruction is now complete. One negative result of this work is the speed of south-bound cars. With the new pavement its not hard to exceed the limit but for the sake of the many children from Catalina to Sylvan Ave., we could all exercise more caution.

Over the summer, Scarborough Council decided in favor of free recreational swimming. This will include, of course, Laurier Pool. This new policy will take effect in January 1974 at an approximate cost of \$80,000.

Please call me at 438-7275 if I can be of any assistance to you.

FASHION SHOW

FURNISHING FASHION SHOW

3rd. Scarborough East Cubs and Scouts Ladies Auxiliary presents "Furnishing Fashions of the 70's"

PLACE: Guildwood Community Presbyterian Church

DATE: Monday, October 1, 1973

TIME: 8:30 P.M.

Refreshments will be served. Please come and bring a friend. Tickets may be purchased at the door-\$1.00 adults -50¢ students. The guest speaker at this programme is from the T. Eaton Company.

Trustee Report.

by Shirley Tomlinson,
Trustee for Ward 7

It seems that my message to you as we head into another school year contains both optimism and frustration. As the popular saying goes "first the good news and then the bad".

Our elementary schools are back into their busy routines and the fact that there has been an unavoidable increase in some class sizes, has not prevented the teachers from carrying on a full program. Jack Miner Senior School has a new Principal, Mr. Mark Allen, who comes to us from John Buchan Senior school in Agincourt. I know that his contribution to the school and community will soon become evident to all parents and students.

Many schools are planning Curriculum nights and I certainly urge all parents to attend these sessions. With the many changes in curriculum and the way in which it is carried out in the classroom, a good understanding of just what your child will be learning this year is imperative.

continued page 7.

KIWANIWOOD

KIWANIWOOD SUBCOMMITTEE FINALLY SEES THE LIGHT

by John McMillan

During September, the Kiwaniswood Subcommittee investigated alternatives for spending the Kiwaniswood money. After consolidating our own thinking, five of us met with Jack Keay, Commissioner of Recreation and Parks, last week and discussed our thoughts. We plan to spend this money on two significant projects.

The first of these is the installation of adequate lighting at Poplar Road Park for night softball, soccer, football and, hopefully, pleasure skating and/or hockey.

continued page 7

Chairman's report

by Jack Killan

The next general meeting of the Association will be held at the Guildwood Village Public School, Wednesday, October 3rd., 1973. This meeting is held to elect the Association's new executive for 1973-74. A good turnout for this meeting is essential. If a quorum is not present then the meeting will have to be closed and the Association would be in danger of disbanding. Make a point therefore of attending and bring your neighbours.

Nominations and volunteers are required to fill positions on the executive. If you criticized or complained about the present executive, you are the logical person to run for office and run things the way you think they should. The present executive took office last year in order to keep the association going, but they have nearly all served in more than one position on the executive. It is time for a change. Continuity is a good thing, perituity is not. New faces and new ideas are required.

The positions to be filled are:-

Chairman	Vice-Chairman
Treasurer	Membership Director
Secretary	Sports Director
Social Director	
Youth Director	
Legal Advisor	

If you are willing to put your name forward phone 261-1762

The mosquito control program used this year drew favourable comment from most areas and members in general were in favour of continuing the same program next year. The fact that the method used did not make clouds of fog and a lot of noise gave some people the impression that we had not been sprayed at all. It was a quiet efficient system that caused no discomfort to the village so let us hope it is used again next year.

The owners of the Shopping Plaza applied for an adjustment to a local by-law during the building of the new stores. This adjustment was opposed by the Association on the following grounds.

1. That there would be an increase in business and therefore insufficient parking.
2. Increased traffic to the plaza would cause traffic problems at the Guildwood Parkway and Livingston intersection. The association

M.P.P. Report.

by Margaret Birch, M.P.P.,
Scarborough East

Recently I had the honour of chairing the day-long Ontario Conference on Food Prices sponsored by the Provincial Government through the De-

partment of Consumer and Commercial Relations.

About 200 men and women attended the Conference including members of the press, farmers, food processors, retailers and the labour unions.

As John Clement, Minister of Consumer and Commercial Relations pointed out in his keynote address, there are very real limits to a family's budget that can be spent on food. He said the ultimate goal of the Provincial Government is a fair price for food in Ontario.

All the major supermarkets were represented in a panel discussion on retailing and it brought out some interesting information.

Dominion Stores, for instance, showed that its net profit on a \$20.00 food purchase is only 18 cents.

A & P presented a chart of increases in the price of some products. The cost of flour for A & P has jumped from \$8.24 for 100 pounds to \$14.65 in less than three months. In the same period, rice has increased from \$11.01 for 60 pounds to \$14.67; sockeye salmon from \$33.35 a case to \$50.85.

Who is the culprit that caused these astounding increases in food prices? As John Clement said, world shortage is the main one. But the food industry is so complex, from the producer to the processor, to the wholesaler to the retailer, that it is hard to pin down just who is responsible.

The Conference didn't solve any problems, but I believe it will contribute to stabilizing food prices in Ontario.

Cubs & Scouts

After devoting years of faithful service to the 3rd Scarborough East Cubs and Scouts (Guildwood Village) Mr. Don Willie of 72 Rowatson and Mr. George Good of 49 Fairham Crescent have resigned due to the demands of other activities.

The departure of Mr. Willie leaves A Troop Scouts without consistent leadership and temporarily at least defers the autumn regrouping.

Help is desperately required to provide a competent Scouter for this troop. Capable assistants are already available. Anyone who has any knowledge of where such help can be obtained, please call Group Chairman, Reg A. Miller 267-3410.

* * * *

A Father and Son banquet is being planned for the 3rd Scarborough East Scouts and Cubs (Guildwood Village) for some time in November. It is expected that the facilities of one of our secondary schools will be used for this purpose. The situation that presently prevails regarding secondary school teachers and extra curricular activities makes it impossible to set a definite date. It is hoped that more specific information will be available in our next issue.

3rd. "A" CUB PACK

MEETS: Every Wednesday

PLACE: Guildwood Public School

TIME: 6:30 to 8:00 P.M.

Plans are being made to take the Pack to camp in October and January, and to have many different meetings.

There is room for more new cubs to join, as soon as they are eight years old.

QUALIFIED ADULT LEADERS:

Mrs. B. Foster	Cubmaster
Mr. Don Anco	Assistant

BROWNIES & GUIDES

by Shirley Gray

Once again it is the beginning of a new Brownie and Guide year, our Packs and Companies will soon be opening again. As usual this year we are looking for help both with Brownies and Guides. It is always unfortunate when a Pack or Company has to be closed for lack of Leaders, however this may be the case if no new leaders are forthcoming. Please see if you can find some time to help us, if you are interested in helping please call me: Shirley Gray 267-6055.

SCHOOL NEWS

GUILDWOOD

by G. J. Barrett, Principal

There have been some changes in staff at Guildwood Junior School since June. Mrs. M. Walker, the Special Education teacher, has gone to Tam Shanter Junior School. Mrs. P. Teather is now teaching the Special Education class. Miss S. McDowall transferred to Charlottetown P.S. where she is teaching Grade 4. Mrs. E. Yeoman was temporarily transferred to Charlottetown but returned to Guildwood and is again in charge of the Junior Kindergarten.

The total school enrolment is 343, a decrease of 53 pupils from the closing figure in June. The main reason for this decrease is that 63 students left Grade 6 to enrol at Jack Miner Senior School and only 21 children have been admitted to Junior Kindergarten.

The first Home and School Executive Meeting is scheduled for Monday evening September 24. At that time plans for the yearly activities will be made. The October meeting will likely be a "Curriculum Night" with considerable emphasis for parents given to the new Student Achievement Forms, as well as discussing curriculum with the teachers.

Fall sports' programs are underway

and we are going to be involved in a House League Soccer for boys and Bordenball for girls.

LAURIER

COMPUCORP-OFFICE EQUIPMENT PROGRAMMING CONTEST

In this Scarborough-wide contest, Laurier students Rick Tomson, Steve Stables and Barry Robinson took the first three places. Rick Tomson's first place brought Laurier a handsome trophy and himself a plaque and a monetary prize. Steve and Barry both won monetary prizes.

FIFTH CANADIAN MATHEMATICS OLYMPIAD

by Mr. R. Dermont, Mathematics Teacher
Last spring Canada's top high school mathematicians (as indicated by the results of the Senior Math Contest) were invited to write this very difficult paper. Two of our students, Rob Rothwell and Mario Pereira, were honoured with an invitation. This week the results arrived and both students placed in the top 43 in Canada, receiving honourable mention. Rob and Mario are to be congratulated for this excellent showing.

COURS D'ETE 73

by Claudette Kennedy

Having spent six weeks in Quebec city I can honestly say that I have learned more French than in the five years I have been studying it in an Ontario high school.

To learn a language properly, it is essential to understand the culture and its people. This gives the student a complete picture of that particular society. I was very impressed by the method by which Laval University taught French. The teachers, though they spoke English, conversed with us only in French; regardless of the difficulty we had. Consequently, this forced us to comprehend and reply in French. Though it was frustrating at first, I later came to appreciate the necessity of having to speak in French not only to the people on campus, but in the stores, discotheques and in the city. Since 90% of the Quebecois speak only French, it is imperative to know the language in order to communicate.

The Quebec Government grants bursaries to university students who show even a slight interest in learning about the French Culture. Their purpose; to promote bilingualism in Canada and give people a broader outlook on the issue of French Canada and its' peoples.

The university had an excellent agenda of social activities-movies, soirees, the campus discotheque, and French Canadian performers such as Rene Claude. Countless opportunities were available for people to meet people and to further their understanding.

I highly recommend this course to any student taking or interested in learning the French language. You

understand not only the fundamentals of a language, but the people and culture behind it. This is an advantage which makes the learning process fun, as well as beneficial.

"GIVE AND TAKE" SALE

A "Give and Take" Sale will be sponsored by the Men's Group, Church of the Holy Trinity.

Everyone has articles around the house which have outlived their usefulness and yet are too valuable to give away. Now is your opportunity to turn these treasures into cash and to aid a worthy cause at the same time. We are having a "Give and Take" sale in the basement of the Church of the Holy Trinity, Livingston and Guildwood Parkway on October 27th from 10 a.m. to 4 p.m.

Set your own (very reasonable) prices on the items presented. The profit from the sale will be used to further the work of the Church. Of course, donated items are most welcome.

Some suggestions: children's clothing, toys, bicycles, skates, skis, appliances, radios, record players, T.V.'s, photographic equipment, garden tools, artificial flowers, small furniture items, lamps, pictures, lighting fixtures, hid-a-beds and roll-aways, camping equipment, card tables and chairs, luggage and other useful items.

TAKE OUT AND DELIVERY SERVICE ONLY

Trustee Report from Pg 1

You will then be able to play a more supportive role as a parent. Past experience has shown that Guildwood community parents turn out in large numbers for these evenings, a good indication of the interest they have in education.

At Laurier, as at our other Collegiates, more large classes, in comparison to last year are showing up as a result of staff allocation cuts necessitated by budget cutbacks. At this time we do not have final class counts, because September is usually a month of fluctuating enrolment. This information will be available shortly and we will have a better idea of how serious the problem is at present.

In order to continue their protest against increased class size, the effect they feel they are having on students and the way in which they are affecting their own work load, teachers are withdrawing their voluntary, extra-curricular services. Because of the void left by this withdrawal and in order that students will be able to participate in inter-school sports and other after school activities, the Scarborough Students' Committee has drafted a proposal asking that they be allowed to supervise these activities. Their recommendations were endorsed by both trustees and officials and will take effect immediately. Student Council members in each secondary school will be allowed to initiate and supervise these activities with the approval of the Principal. A report prepared by Board officials also recommended that community volunteers, approved by the Principal and over 18 years of age, be welcomed as assistants.

The students are to be commended for their willingness to carry on these activities and credit must go to Laurier's Dave Willie for his sincere presentation to the Board. Unfortunately, for many students it will mean a loss of valuable time during their crucial grade 13 year.

The teachers feel that, by taking this action now, they will be able to influence the weighting factors which are due to be released around November. These factors have an important bearing on next year's budget. In the meantime, the Scar-

borough Board is unable to do anything to relieve the larger class dilemma, because our staff allocation was determined by this year's budget which has been finalized.

In view of the Minister's 8% increase in ceilings for next year, and probably improved weighting factors, the upward trend in class size should be halted.

To end on a happier note, there are no surplus teachers with the Scarborough Board of Education. All are teaching in regular classrooms. Four secondary and 22 public school teachers who were below an acceptable standard either resigned at the Board's request, or were dismissed.

KIWANIWOOD from Pg 1

The second project will be construction of Adventure Playground equipment for a number of local parks. Final selection of locations has not yet been made. Adventure Playground equipment includes such items as suspension birdges, playcastles, rocking horses, etc. Much of the equipment is made out of logs and is quite attractive.

We are also considering the construction of cement tables and chairs, possibly a shuffleboard court, things designed to make a park attractive for people.

To assist in the financing, we hope to be able to qualify for a Winter Works Project grant to cover the major portion of the labour costs. We also hope to obtain the assistance of some of the vocational classes in the nearby schools in the construction of some of this equipment. Our schedule is:

1. Obtain survey of the Poplar Road Park area to confirm its suitability.
2. Clarify proposal details with Recreation and Parks Commission.
3. Formulate the proposal to be presented at the October 9th. meeting of the Recreation and Parks Committee.
4. Seek support of Scarborough Council on or about October 11.
5. Solicit support of Winter Works program.
6. Complete construction of lighting and all playground equipment prior to May 1, 1974.

LEARNING GERMAN THE EASY WAY

A new instructive and entertaining method of learning German has been developed by one of the seven schools of "Deutsche Sprachschulen (Metro Toronto) Inc." Adults learn everyday words and phrases by acting out sketches, telephone conversations, etc., arising on a trip to Europe. This provides a lot of fun and helps participants overcome any hesitance. There is no age limit for enrolment. There will be two adult groups, one for beginners and another for those with at least a smattering of German.

Besides adults the schools teach children of all age groups. Also, a special course is offered for Grade 13 students who have no German course available at their Canadian school.

These nonprofit schools run for 3 hours every Saturday a.m. from Sept. 15th to May 18. Fees are \$5 registration and \$48 for the first member of the family; \$42 for the second and \$34 for the third. Fees help cover the cost of operation. Registration every Saturday from 10 a.m. to 1 p.m. at West Hill Collegiate Institute, 350 Morningside Ave., and at Winston Churchill C.I., 2239 Lawrence Ave., E. For more information call 284-6041.

Tennis

by Bev Rhodes

Arrangements are being completed for the dinner-dance. After the successful evening last year, the club is looking forward to an enthusiastic response this year.

Nominations for executive positions have closed; the election of officers will take place as part of the annual meeting. Presentation of trophies is also planned.

At the moment, winners in only two categories of the senior tournament have been decided, mixed doubles - Stu Logan and Barb Ahrens; and ladies' doubles - Mary Bigall and Barb Ahrens. The recent bout of cold weather and wet, combined with the August heat, has slowed proceedings considerably.

SLTA Junior finals were played on September 23 at Centennial; Mark Zambonelli and Eric Auld from our club are scheduled to play in their respective categories. At press time no results were available.

GUILDWOOD NEWS & VIEWS

OFFICIAL PUBLICATION: GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

VOL 73..... No 9 NOVEMBER 1, 1973

Association gets new life

Chairman's report

by Al Hill

My report this month concerns some of the current issues in Guildwood. I invite your comments.

1. PROPERTY TAXES-Your 1975 Taxes Could be a SHOCK!

Guildwood residents could be in for a surprise in 1975 when the new tax laws are implemented. Our homes have appreciated at a greater rate than many Toronto areas. With the introduction of "tax assessment at true market value" our taxes are in for a substantial change. If you don't take an interest in this now, it will be too late after the fact. Come to the meeting at 8:30 P.M. this Wednesday, November 7th at Guildwood Public School, Livingston Rd. The speaker will be Ivor James, Regional Director Property Tax Assessment.

2. PLAZA EXTENSION-A major Parking Problem!

You are all aware that our plaza is being extended. Loblaws (which will be 2 to 3 times the size of the old Red and White) and the Scarborough Public Library will be a real asset to Guildwood. There are also to be 9 additional small stores.

The problem will be parking. The additional and larger buildings consume much of the present area, with only 183 spaces to be provided, 127 short of the Scarborough Planning Board's minimum specification. We are concerned that the plaza will no longer provide convenient shopping, the merchants may lose some of that loyal business provided them by residents over the last 12 years and neighbouring streets will become an extension of the parking lot. A committee of 12 residents has been formed to find a solution. We can't stop the present construction. We want and need the Library and Loblaws. There are, though, 3 stores (between the existing shoe store and the new Loblaws) for which the developer does not yet have a building permit. These we opp-

osed at the Committee of Adjustment and the developer's application was denied. The Builder now wishes to arrange a compromise with the residents before appealing to the O.M.B. One solution might be a parking lot between the Anglican Church and the Laurier laneway.

If you have any comments or suggestions please contact any of the committee. The members are:

-June Evanoff, John Crichton on South Marine Drive
-Maura Eaton, Heather MacGregor, Ruth Miller on Earswick Drive
-Ken Gamey, Jim Foster on Regency Sq.
-Harry Weber, Phil Wadsworth on Toynbee Trail
-Lorraine Walker on Somerdale Square
Final note; the committee has met with the developer. The unanimous decision was to support the Committee of Adjustment's recommendation to refuse the developer's application. The developer must propose a solution to the parking problem. The Committee of Adjustment (who are experienced professionals in this field) must then rule on the feasibility and the Association will fully support them.

(con't pg 5)

KIWANIWOOD

KIWANIWOOD SUBCOMMITTEE TO PARKS AND
RECREATION-OCTOBER 22

by John McMillan

The Kiwaniwood Subcommittee was re-presented at the Scarborough Recreation and Parks Committee meeting on October 22 by Jim Foster, Carlos McEldon, Howard Ruttan and John McMillan. In its proposal, the Kiwaniwood Subcommittee indicated that it favoured as its two major projects:

- (1) erection of adequate lighting at Poplar Road Park for night-time softball, soccer and football.
- (2) construction of "Adventure Playground(s)" in one or more of Elizabeth Simcoe, Rowatson and Guildwood Public School Park areas.

In order to provide adequate financial support for such projects, the Subcommittee offered to turn over its entire proceeds of \$36,707.17 to the Borough with no strings attached. We further agreed to participate with the Borough in discussions of alternative proposals (which would also satisfy our basic objectives) should the original proposals not be considered feasible.

Some concern was expressed by one property owner who lives in the general area of Poplar Road Park. She had obtained the signatures of six nearby residents. Of the seven concerned families, apparently only two directly fronted on the Park.

The Parks and Rec Committee asked Jack Keay, Commissioner of Recreation and Parks, to study the proposal and make recommendations at the next Committee Meeting to be held on or about November 5. More details in your next issue of the News and Views.

The Dirty Dozen

Very rarely do we read about the many good things which teenagers do. The press seems to dwell only on the bad. During the United Way Campaign a group of boys from Neil McNeil High School and Sir Wilfrid Laurier Collegiate, dubbed the "Dirty Dozen", canvassed most of Guildwood Village and raised more than \$3,000. Many thanks to these boys for showing us once again that teenagers can be good citizens.

Trustee Report.

by Shirley Tomlinson, Trustee Ward 7

Few educational innovations have had as much impact on the public as the 12 professional development days granted to Scarborough's elementary teachers by the Ministry of Education and the Scarborough Board of Education. It has been my experience and that of other trustees, that once parents are aware of the reasons for the days, how they are used and what is being done to alleviate any problems arising because of them, they can accept the fact that they are necessary; however, they are not all satisfied that as many as 12 days are needed.

Perhaps I could take this opportunity to answer the questions most asked of me and to present other information which might be helpful to parents.

Why did Professional Development days come about? Because our secondary schools do not have any instructional days after the end of the first week in June, once the students writing exams have completed doing this (by the end of the second week) the remaining two weeks can be used by teachers for any professional development or improvement they wish to make in readiness for the next school year. The elementary school year concludes at the end of June, with students remaining in classes until that time. Elementary teachers were allowed one day out of the year for professional development. Because of the vast number of changes in curricula, the use of audio visual equipment and the emphasis on parent-teacher interviews several times a year, the Ministry of Education felt that elementary staffs were in need of more time for updating, assessing, innovating and parental contacts. A Commission was appointed to bring about proposals which would allow Boards to use more days for this purpose. The modified school year plan, adopted by the Scarborough Board of Education, allowed for 185 instructional days, plus 12 professional development days for teachers.

Why can't teachers use these days during the months of July and August?

The Ministry of Education policy requiring all new elementary teachers hired by area boards to have B.A. degrees by September 1974, has resulted in more of our existing teachers taking degree courses throughout the summer months. In many cases this would preclude attendance at professional development day in-services. Do all Scarborough schools have the same professional development days? No. The Borough is divided into 12 school divisions, consisting of a mix of junior, senior and secondary schools. These school divisions are under the jurisdiction of one Area Superintendent. By holding the days according to the division, the Area Superintendent can work with subject co-ordinators, principals and staffs of his schools to provide worthwhile days for the teachers. This is the only way it would be possible to use subject specialists and resource people to their fullest potential.

What about the effect of these days on working mothers in the community? The Board is fully aware of the inconvenience these days may have caused to parents and ways of co-ordinating recreational or crafts programs with the Parks and Recreation Department, both within and outside the schools on these days, is being investigated. Skating arenas, normally closed during the day, will be kept open for students on these non-instructional days.

Won't the loss of twelve instructional days be harmful to students?

We believe that the benefit teachers will receive from these days will be reflected in the classroom and improve the quality of education your children will receive. We feel most parents can agree with that aim.

Are we committed to these 12 days forever? Definitely not. A motion presented by trustee Don Hansford and myself asked that the program be thoroughly evaluated early in the new year and recommendations made for the number of days to be used in 1974-75. It may be that just as much can be accomplished in fewer days; that the results don't warrant the amount of time allocated this year. Besides these factors, I will bring before the Board the comments of parents in this ward. I value your opinions and welcome them.

In closing I must add that the benefit to the child in the classroom form better informed, better educated and more confident teachers is something that both parents and educators rate as a top priority.

Orval White
Treasurer

ALDERMAN REPORTS by Ed Fulton

The Toronto Housing Company application to the Committee of Adjustment to provide for three stores between Crozier Shoes and the new Loblaw market (under construction) was recently considered by the

Committee and rejected. The prime reason for the denial was due to the shortage of parking which will result when the plaza is completed. According to our Planning staff a deficiency of 127 parking spaces will be created upon completion of the plaza. I understand the owners will appeal the decision to the Ontario Municipal Board or draft a revised application for submission to the Committee of Adjustment in an effort to resolve this matter. The balance of the expansion is being seriously delayed due to a shortage of steel. The new target date for completion, including the library, is now next March.

I expect that the Borough's request for traffic signals at the Parkway and Livingston Rd., will be heard before the Metro Transportation Committee early in November. For a considerable part of the day that intersection comes close to meeting the established warrants to justify signaling. I intend to appear before the Metro Committee in support of our application. I would anticipate a final decision will be made by the next edition of this paper.

I was recently appointed by Council as Chairman of a new 'House' Committee. This committee's terms of reference are to deal with the physical condition, maintenance and operation of the new Civic Centre. Further it is to recommend services needed by Council and by the public in the use of the building and the Campbell Square.

Please call me at 438-7275 if I can be of any assistance to you. Your comments and suggestions are always appreciated.

BAZAAR

The Church of the Holy Trinity, Livingston Road at Guildwood Parkway will hold their annual bazaar on Saturday, November 10th from 11 a.m. to 3 p.m.

The Bazaar will feature:

M.P. Report.

by Reg Stackhouse, M.P.

To make a report to you in person, I am going to hold a People's Forum at the Scarborough Civic Centre, Ellesmere Ave., on Wednesday, Nov. 14 at 8 p.m.

The forum will be in the Meeting Room, the chamber used by the council and Board of Education, and is open to any member of the public.

The program will include a report by your M.P. on my own activities in Parliament and on some of the major

issues before the House. As well, there will be an opportunity for questions and discussion.

This is an effort at two-way communication, giving me a chance to speak to Scarborough East people and giving them a means of expressing their thoughts on current affairs.

It is therefore a dialogue on democracy, and I look forward to meeting with you.

CHANGES

PROPOSED AMENDMENTS TO G.V.C.A.
CONSTITUTION

First Notice of Constitution Amendments - to be proposed at meeting on November 7th.

1. Area covered by the Association
Change from:

"The area to be covered by the Association shall be the four quadrants of Guildwood Village, as officially registered with the Borough of Scarborough."

Change to:

"The area to be covered by the Association shall be bordered on the South by Lake Ontario, on the east by the center of Galloway Rd., on the north by the CNR tracks, center of Kingston Rd., and the top of the escarpment (whichever is more southerly), and on the west by Sylvan Park."

NOTE: This is in order to include the small area of 130 homes west of Bethune.

2. With reference to schedule for General Meetings.

Change from:

"The first Wednesday of" month

Change to:

"Within the first 15 days of" month

NOTE: This is in order to allow your executive some flexibility in scheduling speakers, location, and so as not to conflict with other major events.

SCHOOL NEWS

GUILDWOOD JUNIOR SCHOOL

by Mr. G. T. Barrett, Principal

Curriculum and Meet the Teacher Night on October 15 was very successful. Many parents were in attendance to meet the teachers and discuss the new student achievement forms, hear about the curriculum and learn the teacher's procedure re class standards, homework, discipline etc.

In the Auditorium meeting Mrs. Shirley Tomlinson, Trustee for Ward 7 spoke about the Board's position relative to Professional Activity days. Mr. Barrett outlined the four major areas in which teachers are involved on these days; 1. Parental interviews 2. Curriculum revision 3. In-Service 4. Lesson preparation.

Our school is in the second year of operation of the new Library Resource Centre. We are proud to report the following statistics which reflect a most beneficial program directed by our Resource Teacher, Mr. Rickard: Total number of books-10,000 (approx) 300 filmstrips, 200 cassette programs, 350 tape programs, 1200 slides and 50 records. Equipment available for the children's use includes tape recorders, cassettes, headphones and projectors. There are sufficient quantities for individual or for small group use.

The weekly circulation of books is about 950 copies and each classroom is supplied with 100 books which are exchanged three or four times a year.

All classes from Jr. K. to Grade 6 are scheduled for a library period each week. Pupils may come to the Resource Centre at any time during the day to do research. Grade 4 to 6 children may exchange their books any time and are permitted to take three books out for a two week period. Grades 1 to 3 pupils may have two books for a one week period. Jr. K. and Sr. K. are on a lesser allotment.

In the afternoon Mr. Rickard works 39 pupils from Grade 2 to 6 in a special Remedial Reading program. This is an audio-visual approach which stresses phonics, word attack skills and reading comprehension. In the three years of conducting these remedial classes, many children have been helped sufficiently to put them back into the regular reading stream.

Library assistants are trained each year to help with carding and shelving of books and to prepare new materials for circulation.

JACK MINER SENIOR PUBLIC SCHOOL

by Mr. G. Gardiner, Vice Principal

A capacity crowd attended the 'Open House' program on the evening of Monday, October 1. Our principal, Mr. Allen and his staff were encouraged and gratified by the response shown. Hopefully, parents found 'Open House' to be interesting, educational and valuable.

On Wednesday of the same week, all grade 8 students visited Fort York. Previous to their visit, these pupils viewed the film 'Defenders of Upper Canada'. All students agreed that the excursion was most enjoyable and also helped with a better understanding of their History course.

The season has ended for our soccer and cross-country teams. Members of both teams are to be congratulated on their fine efforts while representing Jack Miner Senior School. Workouts have now started for girls' basketball and boys' volleyball.

The results of the houseleague activities are as follows: girls-winners in border-ball were classes 7b2 and 8a3 boys- winner of the soccer championship was class 8a3 - winner of the football championship was class 8a3 Girls are now playing speedball; boys are starting scoopball.

During the course of the afternoon Friday, October 19, all bicycles were registered with representatives of our police department. The police provide a valuable service in returning stolen bicycles to their rightful owners; the task is easier if the bicycles have been registered with them.

Coming Events

On Wednesday, November 21, all grade 7 students will visit Massey Hall for the symphony concert program. On the evenings of December 18 and 19, our school will present its Christmas Concert.

ST. URSULA CATHOLIC SCHOOL

by Mrs. P. Fitzpatrick, Principal

The school year brought a few new members to the staff of St. Ursula's. On Monday, October 5th, "Meet the Teacher Night" was held for that purpose. A number of parents attended, met their children's teachers and were made acquainted with the overall school policies for the coming year.

Comitato Scolastico Italian Committee is again making use of our school twice weekly from 4:00 to 5:00 p.m. for the purpose of teaching Italian language and culture to children aged 6 to 12. The fee for the full course will be \$15.00. If further information is required, please contact the school (267-8416) for application forms.

The sacrament of Confirmation will be administered to the pupils in Grade 7 by His Grace Bishop Fulton on Tuesday, November 6th in St. Boniface Catholic Church. A special note of thanks to two of the parents, Mrs. J. Hagarty and Mrs. J. Nicholson for their work in preparing many of these children for the reception of this sacrament.

This year the Girls' 3-Pitch Team, captained by Anne McGouran, captured the consolation championship in the Willowdale area.

The School House League System, where in students are responsible for or-

ganizing and running intra-school sports activities, is well under way. The President is Richard Campbell, the Vice-President is Mary Castorina.

On Tuesday, October 16, the Senior Kindergarten and the Grade 8 class participated in an excursion to Hockley Valley Winter Park Outdoor Education Centre. Family grouping was with two Grade 8 students assisting each Kindergarten student in gathering and identifying materials for a terrarium to be assembled in class.

BROWNIES & GUIDES

by Shirley Gray

TOYTIME.

Again this year, in conjunction with the Kiwanis Clubs of Toronto, the Brownies and Guides will be helping with a Christmas Toy Drive. Last year, which was the first year for Toytime, 60,000 bags were filled and \$5,000 was collected. The girls deliver the bags to friends and neighbours one week asking them to contribute either a new toy or money, these bags are collected the following week brought to a central depot where they are picked up by the Kiwanians. They are then sorted and distributed to the needy at Christmas.

This year the girls will be distributing their bags around the beginning of November. They will be back to collect them on Sat. Nov. 10, before noon. Please help us in two ways; first and foremost by placing a new toy or money in your bag, and secondly by making sure someone is home Sat. morning Nov 10. Last year we had some problems with people not being home which necessitated an extra trip to the depot.

Remember: TOYTIME 1973 Nov. 10.

LEADERS NEEDED

As I am writing this there are two Brownie Packs in Guildwood which are closed for lack of leaders. This means that there are about 60 little girls between 7 and 10 who are being left out of the Brownie programme. In a community such as ours this seems unbelievable, yet, there it is. We are very much in need of a couple of experienced Brownie leaders, however if you have no experience but are interested you can be sure we will help you gain the needed experience. For those mothers whose children are enrolled in these closed packs I can only say that, if and when the necessary help is forthcoming, you will be notified.

If you can help in any way, please call: Shirley Gray 267-6055

UNIFORM EXCHANGE

To those mothers whose daughters are leaving Brownies for Guides in the near future there are some very good buys in complete Guide uniforms at our uniform exchange. For further information please call Barb Hulme 266-9916

Chairman's report con't from pg 1

3. TRAFFIC SIGNALS-Guildwood Parkway and Livingston Road

This intersection does not yet meet the minimum volume required by the province for the installation of traffic signals. Requirements are volumes such as 720 cars per hour on the Parkway and 170 on Livingston, 240 pedestrians crossing the Parkway per hour, or 5 accidents (of a type correctable with signals) in the last 12 months. We are reasonably close to this level and will probably surpass it when the expanded plaza opens. We are making every effort to get approval now before a catastrophe. Please direct any suggestions to Risto Puhakka (267-9206).

4. INSECT SPRAYING-These Pests Have Double Sets of Teeth-Let's Keep them Outside Guildwood!

We had a successful spraying program last summer. It was so quiet that many did not think it happened. Let me assure you that the spraying was done and was so effective that surrounding areas are saying that they were eaten alive by mosquitoes scared from Guildwood! We must continue to research and improve this program to ensure that our money is well spent. One intriguing suggestion is to place Blue-Martin feeders around the area. They would add beauty, both in colour and sound, and also keep the area clear of bugs. I am looking for volunteers who would like to start investigating the subject. We must have recommendations prepared by

April 1974. Please call Lorraine Walker (266-1523)

5. VACANT LAND-Guildwood Parkway and Kingston Road

We successfully defeated a proposed 20 storey apartment on the site of the old barn. The proposal is now to build a very attractive Retirement Home. We believe this will be a pleasant addition to Guildwood.

There is still some vacant land in Guildwood. We must ensure that any future development will be an asset to our progressive community. Please call me or Penny Vardy (261-2683) if you are concerned about any rumoured land development.

6. EXPANSION of our ASSOCIATION-West of Bethune to Sylvan Park

We have been approached by residents on Sylvan, Catalina and Heathfield (all West of Bethune) to include them in our Association rather than Markham Bluffs. This we have discussed with Markham Bluffs' Chairman, receiving his agreement. This issue of the News and Views is being delivered to these additional 130 homes. I welcome your comments prior to the next meeting when a constitutional amendment will be presented to incorporate the new area. We require some assistance from this area with our many projects please call me (261-5143). We look forward to seeing all these residents at the meeting next Wednesday at 8:30 P.M. at Guildwood Public School.

7. KIWANIWOOD PROJECT-Near Completion
I believe all residences should appreciate and admire the tremendous accomplishment of those gentlemen associated with this project. A vote of thanks is certainly due to

John McMillan, Jim Foster, Pete Hagerty.

Through this project, we in Guildwood have reaped the lion's share of benefit. We now have a pool, tennis courts and a library and creative playgrounds on the way. Remembering that the money was not only collected in Guildwood Village, but also in 2 other areas, lights have been proposed for the baseball, soccer and football park at Poplar Rd. Everyone will agree that this is the best layed-out and maintained park in this area for the 3 sports. It is available for all to use with only a short walk or drive. Most important in making the choice was consideration for local residents. The lights would be situated so that there would be virtually no disturbance to near-by homes.

We are pleased that this committee is nearing such a successful conclusion after so much hard work and research. I would look for your unrestrained support of their recommendations.

SOMETHING FOR EVERY AGE

Guildwood Social Club

by Shiela McDonald

Our first meeting of the year took place on Wednesday, September 26. We had a Box Lunch Social and a prize was given to the best decorated box. First prize was won by Mrs. Swan, 55 Livingston Road, who incidently is a new member. (Congratulations Mrs. Swan). The box was decorated to represent two sail boats on the ocean. Much imagination went into this creation.

On Wednesday October 10th a film was shown "Hit the Ice" with Abbott and Costello. This was made available to us through Ernie Ing who took the time to come and run the movie for us. On October 17th we attended a play "Breath of Spring" performed by the Scarboro Players at the Theatre in the Pines and at our regular meeting at Holy Trinity Church on October 24th, we had a Games Day.

Any enquiries about the Guildwood Social Club should be directed to Yvonne Gamey at 261-6573.

NO 10

DECEMBER 8, 1973

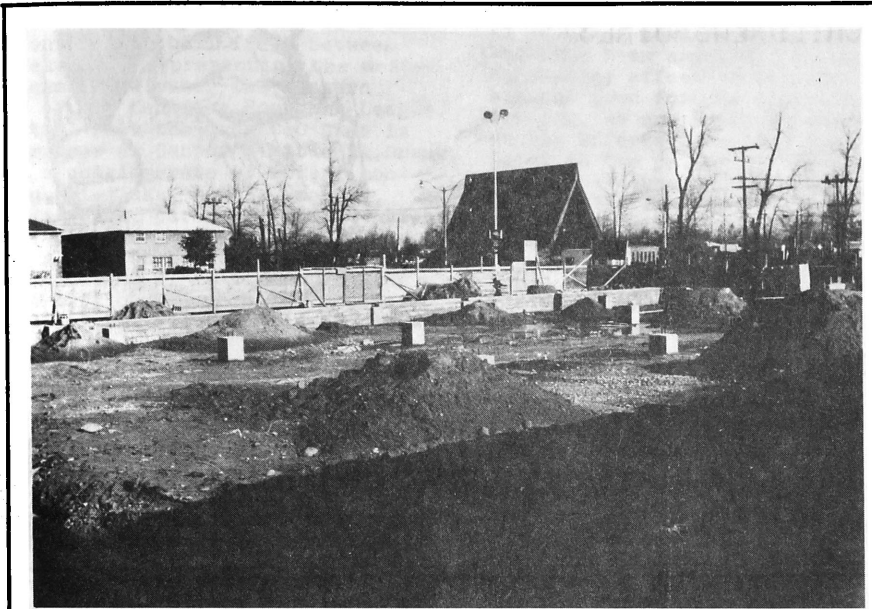

PHOTO BY JIM MELVIN

SHOPPING CENTRE CONSTRUCTION IS SLOWED BY BUILDING MATERIAL SHORTAGES. SEE CHAIRMAN'S REPORT

ADDRESS TO THE GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

by Beryl Aird, News and Views
Columnist

Mr. I. G. James, Regional Assessment Commissioner discussed the new Provincial Property Assessment to a large group of Guildwood residents at the November 7th meeting of the Association.

Mr. James explained that studies made over recent years have shown a general inconsistency in the level of real property assessment. In order to correct this situation the Provincial Gov't has removed the assessment function from local jurisdiction and has pledged itself to a "market value assessment" of all properties in Ontario. "Market value" is the amount that a property might be expected to realize on the open market by a willing seller and a willing buyer.

If a municipality or a property owner is in any way dissatisfied with the assessment the first complaint is to the office of the Regional Com-

missioner, located at 7 Overlea Blvd., in East York. The assessment rolls are open to the public and anyone can look up assessments of any properties.

The new assessment was originally scheduled to be returned in September 1974 for purposes of taxation in 1975 but it is now postponed until 1976 for taxation in 1977.

The taxation in dollars of a home would not normally be changed by the new method of assessment, it would only be changed if the reassessment showed that the owner should, in fairness, be paying more or less taxes than other ratepayers. The assessment is made by the Province but the mill rate is struck by the local municipal council.

Many home owners are under the false impression that if they improve their homes, assessment will go up. Mr. James asserted that assessments will not be changed because you paint your house, tile your floor, fence your lawn, pave your driveway or put a door on your recreation room. Assessors are concerned with the overall value of a property affected by improvements, and in the general neighbourhood by changes in market conditions, not by the normal costs of keeping a property in good repair.

Mr. James stressed that his staff is available at any time to review assessments.

Chairman's report

by Al Hill

"Is there anywhere else you'd rather be?"

"Definitely not!" Guildwood is just great! There is community involvement interest and support like you've never seen before. Also every issue in Guildwood is coming up roses. The Scarborough Expressway won't bother us, the Westlake development is settled, and we're one step closer to a parking solution at the plaza.

THANK YOU!

But where there is sunshine there is often a shadow. The shadow in this report is the bidding farewell to Muriel and Eric Parker and Tom Nicholson (from the staff of the Guildwood News and Views) who for the last 4 years have run our community newspaper with tremendous success. They, together with Ed Wagner, have made this publication into a model for any Association. The News and Views is the best read paper in our village. What other paper do you read cover to cover, and this one is free where most others are 10 or 25 cents (incidentally the real cost is about \$3 per person per year, your membership dues help defray this cost.) We sincerely thank Muriel, Eric, Tom and Ed for their hard and conscientious efforts. They've never missed an issue date, always producing a high quality, informative and interesting paper. On behalf of all your readers, thank you very much. Also, we wish you every success in the future. The new Guildwood News & Views staff takes over with the next issue. I am sure the new staff will appreciate having Muriel, Eric and Tom in the wings for consultation or with suggestions. Thanks.

The Scarborough Expressway- Our "Underground"

The Scarborough Expressway, if it is built, will not cause you any problem in terms of noise or as an eyesore-no elevated roadways or high fences. There are two proposed routes for the expressway past Guildwood.

Both routes are underground. The preferred route is to build the highway under Kingston Road from where the C.N. R. Tracks cross Kingston Rd., out to at least Morningside. The alternate route is along the south side of the C.N.R. tracks. Because of the station parking lot the expressway would be underground from Kingston Rd., to almost Galloway Rd. Hence, (Continued Page 8)

"Merry Christmas"

Church News

Guildwood Community Presbyterian Church

CHRISTMAS IS FOR CHRISTIANS ONLY

by Rev. Gordon Fish

Here is a hard line approach to Christmas that is not really the type of thing that "wins friends and influences people." The statement is a hard pill to swallow but let's look at it in all seriousness.

I write this on the eve of the Grey Cup Game. The Grey Cup Game is a contest on the football field between two teams, one representing the western teams, the other the Eastern teams of the Canadian Football League. In actual fact the Grey Cup Game is better known as Canada's National Drunk. It is a conglomerate of noise, confusion, hi-jinks, hotels, motels, boatels, bars, parades, flesh contests, etc. etc., Did you remember? It was to be a contest between two winning football teams. This it must be for some thirty odd players and coaches on each of the two teams in the contest.

Christmas is like that; it is a party time, gifts, Christmas shopping, merriment, eating and drinking. Again to a relatively small group--a minority group if you will, Christmas is just what it was meant to be: a moment in time when God came to be amongst us in such a way that He could take life at its weakest and most dependent hour and transform it through a human life's experience and then to die--so that we might know what the fullness of life might really be. Personally, I wish we had two celebrations. Call one Christmas and the other by some other name. Let Christians have Christmas and make of it the supreme event of spiritual concern it was meant to be--do what you will with your 'other' event. 'Scrooge' Fish.

P.S: Farewell and God's blessing upon Rev. Bill Watt and his good wife Joyce as they leave our community for Runnymede area of Toronto.

Christmas services and special programs are part of all our church activities for the month. Give an ear and concern for the time of reflection and rededication at this Christmas Season.

CHURCH OF THE HOLY TRINITY

by Bev Rhodes

The last few weeks have seen things happening at a great rate in various aspects of church functions.

The young people's musical group which leads the music at the monthly modern liturgy communion services gave a concert at the Villa in early November for the residents. These same young people, along with others, planned and led an evening service in October. This will be repeated December 9 at 7:30 and all are invited to attend.

The Give-and take Sale in October finished with many satisfied customers, others with more room in their basements and a substantial contribution to Outreach projects. More recently, the Annual Bazaar provided fun, delicious goodies and a source of Christmas ideas for all who took part. Preparations are underway for Christmas carols and readings will take place December 16 at 11 a.m. The Christmas pageant will be presented the following Sunday, December 23 at 11 a.m. Christmas Eve Carol Sing at 11 p.m. will be followed at 11.30 p.m. by Holy Communion; on Christmas Day there will be Holy Communion at 8 a.m. and 11 a.m.

We received news recently that Mr. Watt has been appointed to St. Paul's Runnymede, effective January 1. While others' good fortune should be cause for joy, we are loath to see him go as his efforts have been much appreciated in the parish and he and his family have become our good friends. On December 23 after the 11 a.m. service there will be a reception at the church so that everyone will have a chance to wish them well in their new venture.

BROWNIES & GUIDES

10TH ANNIVERSARY CELEBRATION 527th TORONTO GUIDE CO.

Monday, November 19, 1973, was a gala night for the 527th Guide Company. It was a 10th Anniversary celebration at which many activities took place.

The evening began with the enrolment of 12 Tenderfoot Guides and proceeded through the presentation of many interest badges to the highlight-cord presentation.

All Round Cords were awarded Laurie Barber, Cathy Easton, Laurie Johnson and Susan Young.

The highest award in Guiding, Canada Cords, were presented to Kathy Ellis and Cathy Easton.

The evening concluded with the cutting of a massive cake which was enjoyed by the many parents and friends in attendance.

Our congratulations to all the girls who put such effort into gaining their awards.

61ST. GUIDE COMPANY

Red and white were the main colours at the Guildwood Presbyterian Church meeting of the 61st. Toronto Girl Guides on Tuesday October 30th.

Seven girls received their Canada Cords-Guidings highest award. They each have earned over thirty-six badges ranging from camping to sewing, government to cooking, and fire fighting to ecology.

The girls--Janet Davies-Earswick Drive Linda Hynes -Schubert Drive Catherine Ricketts-Catalina Judith Robertson-Sonneck Sq. Janet Robertson-Sonneck Sq. Cathryn Welling-Catalina Dr

These Guides are now Brownie Leaders and Guide Company Leaders helping the younger girls to the same enjoyment and knowledge of Guiding.

There followed a fly-up of Brownie Laurie Davies and badge presentations to many girls. Refreshments were served to the parents and a lively camp fire sing-song ended the evening.

During the past month the company visited the new Town Centre and attended a performance of the Ice Capades.

GUIDLWOOD DISTRICT GUIDES BROWNIES

TOYTIME

The Guides and Brownies would like to thank everyone who donated toys and money to our Christmas toy drive. It was a great success and I am sure a lot of children will have a happier Christmas due to our efforts.

They say "It pays to Advertise", in our case it has, I am pleased to say that we have found a Brown Owl to re-open our Brownie Pack at the Guildwood Community Church. The Pack will re-open on Thurs. Jan 10th at 7 P.M. in the Church. The Brownies who formerly attended this Pack will probably be notified before then, however if your daughter was a member of this Pack and is not contacted she should go to the Church at the above time.

M.P. Report.

by Reg Stackhouse, M.P.
Scarborough East

The energy crisis is getting the headlines, but an issue arousing as much public concern is the abuse of unemployment insurance.

Two things are wrong with it, and both of them hurt the people.

One is the way unemployment insurance is being used by some people not as support when they are really looking for work, but as an alternative source of income.

In some parts of the country it is being used by seasonal workers who made a year's living from six or seven months work.

In others it becomes a substitute for work, a way of having a temporary income without working for it.

The other abuse is the mismanagement of the U.I.C. causing legitimate claimants to wait weeks, even months, for payments they deserve. Since my election over a year ago, not a day has gone by without a request by some constituent for help in dealing with U.I.C. Most requests have been valid cries for help by people getting the "run-around" by a big government agency.

Unemployment insurance is just and necessary, but these abuses should not be tolerated, and the Minister of Manpower and Immigration must take the responsibility for allowing them to go on and on.

Ice Rinks

In 1973-74 your Association has planned to go ahead with the seasonal ice rinks for your youngsters and parents alike.

Four ice surfaces are planned behind Elizabeth Simcoe and Guildwood schools, two hockey cushions and two pleasure skating rinks for everyone's skating pleasure.

We would like volunteers to establish a good flooding crew to water during the day and evening hours. Would those volunteers call me at 266-3639.

ALDERMAN REPORTS

by Ed Fulton, Alderman Ward 7

The Guildwood Neighborhood Library is scheduled to open in March of next year. The opening will of course depend on the availability of building materials. Right now the shortage of steel is causing a serious delay in the plaza construction. However, it is appropriate to consider now the program for the official opening and, more important, the manner in which the library will operate in the future. As we did with the Cliffcrest Library, I have arranged with the Director of the Scarborough Library Board to establish an Advisory Committee composed of local residents to assist in the planning and programming of the library. The committee will be a short term, voluntary group established to make recommendations concerning all aspects of the branch operation and the services available to the community. Your participation on this Committee is invited and I would appreciate receiving a call or a letter from you asking that you be included as a member of the Library Advisory Committee. All names I receive will be turned over to the Library Board and invited to attend the inaugural meeting.

Two new bus shelters have been installed locally. One at the northeast corner of the Parkway and Livingston and the other up the hill at Kingston Rd. The latter shelter is one of the new fiberglass styles we are gradu-

ally introducing throughout the Borough. I receive many request for bus shelters and I was pleased that we were able to supply both locations at the same time.

Early in November I appeared as a delegation before the Metropolitan Transportation Committee in support of our request to have traffic signals installed at the Parkway and Livingston Rd. The committee decided after some debate, a negative report from the Commissioner, Mr. A. Cass and opposition from the Metro Chairman, Mr. Godfrey, to table our request until January 1974. I will attend that meeting and make a further presentation in support of the signal.

KIWANIWOOD

A recommendation by the Scarborough Recreation and Parks Committee to explore with the Board of Education the installation of outdoor lighting at Laurier Collegiate resulted in discussion at the Liaison Committee meeting held November 8. This decision followed complaints from residents at Poplar Road Park that outdoor lighting at this location would be undesirable.

The Liaison Committee passed a motion by Mayor Paul Cosgrove that "the School Board administration be requested to draft specifications and cost estimates for the lighting of the Laurier Collegiate playfield and to report on this matter to the next meeting of the committee, together with their response to the following questions posed by Mr. McMillan:

- (a) Would the Board support the use of the facilities for soccer in summer, football in Autumn and hockey/pleasure skating in Winter (using natural ice)?
 - (b) Our letter to the Recreation and Parks Committee requested the inclusion of some Adventure Playground equipment in the Guildwood neighbourhood. If the amount of money involved could be limited to, say, \$5,000.00, could this be incorporated into the proposal?
 - (c) Would we create a problem for the Board by offering the use of this community money?
 - (d) Would the School Board/Borough assume initial responsibility for the project-fielding initial citizen complaints for example? (We would be willing to assist here in dealing with complaints, if requested.)"
- The next meeting of the Liaison Committee will be held on December 5 and the viability of the Laurier Proposal will be reviewed.

Thinking of decorating

**R. BAKER
& SON**

267-2701

Interior & Exterior

Painting Fabrics Vinyls

At the November 8 meeting, the School Board indicated its position to be that it saw "little need for the lighting (for School Board purposes) but that it had no objections. If lighting were to be constructed:

- (1) Upon completion, it would become the property of the Board.
- (2) The Board would control the standards of lighting.
- (3) The Board would be responsible for construction
- (4) Lighting would be on a separate metre.
- (5) Current operating expenses would be the responsibility of the Borough.
- (6) If facilities were used by the School Board, it would be willing to pay a fee for use of facilities"

Our recent strategy has been to advise the Borough and School Board that the funds are available, that we have certain specific objectives for betterment of the community recreational needs and leave it up to them to decide to take action on the project. It is not clear what conclusions will be reached by the Liaison Committee.

In closing, I would like to pay tribute to the tireless efforts of the News and Views staff, Muriel and Eric Parker and Tom Nicholson, who, as a team, have put out 10 issues a year, all on schedule and all of top quality. Without the efforts of this staff who issued this paper and also innumerable Kiwaniwood flyers, I doubt that we would have been able to complete our two most successful projects, the Kiwaniwood Tennis Courts and the Laurier Pool.

Trustee Report.

by Shirley Tomlinson, Trustee Ward 7

The Scarborough Board of Education, at its last Board meeting, ratified a two year salary and fringe benefit agreement already approved by the Metro Secondary School teachers. The Scarborough teachers approved the proposal by a narrow margin. All Metro area boards have now ratified the agreement.

The settlement contains a 7.2% pay increase (including increment) for secondary teachers this year and another 8.1% (including increment) for 1974-75, with an additional cost of living allowance of up to \$300.00 for teachers and up to \$500.00 for Principals, Vice-Principals, co-ordinators and assistant co-ordinators, payable in June 1975.

IMPROVED STAFF ALLOCATION

After prolonged discussion between O.S.S.T.F. District Presidents and Chairmen of Metro School boards, the Board Chairmen agreed to increase the 1974-75 staff allocation for secondary schools by 75% of the reduction made this year. This means that some 300 teachers will be hired to replace the positions left unfilled after natural attrition had occurred. Natural attrition means vacancies caused through retirements, maternity leaves, moves to other areas, etc. By not filling these vacancies, the Board was able to stay within the staff allocation budget reduced through provincial ceilings. This 75% increase will be improved by 1% for every \$110,000 that Metro Board does not need to borrow from the Provincial government. Secondary teachers had originally asked for a 100% return to the 1972 staff allocation.

IMPLICATIONS FOR THE ELEMENTARY TEACHERS

The elementary teachers settled their 1973-74 salary and fringe benefits last June. Because Metro operates on the principle of a single salary scale, the boards will meet to adjust the agreement to make it parallel, where possible, to the 1973-74 secondary settlement.

Now that the agreement has been ratified, a return to voluntary extra-curricular activities is likely within one week.

I supported the agreement because I

felt the salary increase was in line with the rising cost of living in general. I was also anxious to put an end to the unrest and unpleasant working conditions in our schools. These conditions were having a disastrous effect on our students who were caught in the middle of a political power struggle. It is hoped that the damage done is not irreparable and that a spirit of co-operation will restore some sanity to the classrooms.

The one contentious aspect of the settlement, as far as many trustees are concerned, is the fact that working conditions were negotiated as part of the package deal. Legislation has not yet been enacted to allow teachers to negotiate working conditions with individual boards, although the Ministry is preparing to do so. It is a precedent that could have serious implications for area boards.

FLOODLIGHTS FOR LAURIER COLLEGIATE

Congratulations to Mr. John McMillan, Chairman of the Kiwanis Sub-Committee of the Guildwood Community Association and his committee, for a proposal to use funds raised by the sub-committee to floodlight Laurier Collegiate playfield. The committee is seeking the support of the Scarborough Board of Education to use the facilities for soccer, football and hockey and pleasure skating. There are problems that must be worked out before such a venture is possible, but the proposal is a good one and could afford much pleasure to Guildwood residents and Laurier students.

CHRISTMAS IN THE SCHOOLS

Many schools are planning special Christmas concerts and open houses to celebrate the Christmas season. Be sure to support your local school and show your appreciation to the staff and students who spend time and effort to brighten your holiday season.

I would like to extend my personal thanks to Mr. Eric Parker for allowing me to contribute monthly to the Guildwood News and Views during the past year. It is an excellent publication and one the people of the Guildwood community can be proud to call their own. Long may it carry on!

My warmest wishes to Eric, his assistants, Guildwood residents and the staffs and students of all Guildwood schools for the merriest Christmas ever and a happy, healthy and rewarding 1975.

OPEN HOUSE AT

GUILDCREST STUDIO

The Guildcrest Studios of Arts and Crafts are holding Open House and registration for the winter term on Monday, January 7th from 10 a.m. to 9 p.m. at Bethune House, 71 Bethune Blvd., Scarborough.

Classes begin Monday, January 14th, 1974 and include art, board art, canvas work, crewel work, decoupage, decorative art, experimental art, papier mache, pottery, rug hooking, sculpture, weaving, a Saturday morning programme for young people, aged 10 and over and a lecture series on Middle Eastern crafts and cultures.

Guildwood Social Club

by Sheila McDonald

Since last reporting to the Guildwood News and Views we have been very busy enjoying ourselves.

On Wednesday, November 7th we spent the afternoon doing some Armchair Travelling. We visited a lot of different countries and heard a good number of stories about the places visited by some of our members.

On Wednesday, November 21st we visited the Science Centre to see the movie "Lady Caroline Lamb". It seemed to be enjoyed by most of them, although a few thought it rather risqué!! After the film we had afternoon tea in the cafeteria and then we headed for home.

We are planning a card party for Wednesday, December 5th and also hope to have some fun guessing who is who from baby pictures of our members. We have been gathering these pictures over a period of two months and have quite a selection.

Wednesday, December 19th is the night of our Christmas Dinner. We hope to have some good old fashioned carol singing, entertainment and a visit from the Old Gent himself-SANTA CLAUS. Anyone interested in joining the club please contact Yvonne Ganev at 261-6573.

Chairman's Report....continued
no matter where the highway is built,
it will be in a tunnel and therefore
we won't see or hear it.

Gerry Haslam, of 89 Toynbee Trail,
will be Guildwood's representative
on the Community Advisory Committee
at the Metropolitan Toronto Transit
Commission. Gerry will continually
monitor and advise us on new devel-
opments, always keeping the interest
of Guildwood in mind. Gerry is moder-
ately opposed and his wife Isabel
somewhat pro-expressways (their one
daughter Sonia, 1 year old, is com-
pletely without bias). Therefore
Gerry should end up taking a purely
objective view. Look for Gerry's re-
port in the next issue of this paper
and call him at 266-1610 with any
comments.

Westlake will be completed!
We will soon see buildings along
Westlake but it won't be the apart-
ments or multiple family dwellings
previously proposed. Plans are now
to construct private homes. These
should be a welcome addition to
Guildwood cleaning up these over-
grown vacant lots.

Property Taxes Break all records!
All records in attendance were broken
at the November Association general
meeting. We apologize for the delay
in starting while we set up over
twice as many chairs and are sorry
we couldn't meet the demand, forcing
some to stand. For those who couldn't
make the meeting we have paraphrased
Mr. Jame's speech on "Property Tax
Assessment". This summary is included
elsewhere in this issue. Thank you
for the tremendous attendance.

"Look for the Library and Leblows
by Easter"

If the steel shortage ever gets
solved we should have the mess at
the plaza cleaned up in time to im-
press the Easter Bunny. The devel-
oper is continuing his campaign to
add more stores but not solve the
parking problem. He managed to get
his proposal on a Scarborough Bor-
ough Committee meeting agenda last
month. Thanks to Ed Fulton and much
to the developers chagrin we were
told that this subject was to be
again discussed. June Evanoff atten-
ed in order to present Guildwood's
views. She was, I hear, verbally
lashed for several minutes by Karl
Mallette who felt she was an idle
housewife wasting their time, forc-
ing them to listen to this committee
of one. Our quick thinking June then
retorted, saying "I'm sorry I didn't
understand all that, could you please
repeat it?" The result was in our
favor, deferring a decision until
after the developer's appeal to
O.M.B. Please call June with any
comments.

Insect Spraying
and Thanks to Margaret Birch
Thanks to Margaret Birch, our M.P.P.,
we may have the Province of Ontario
behind us both financially and tech-
nically this year. Our little enemies
had better watch out when the Prov-
ince and Community team up for the
battle. Watch future issues for new
developments.

Welcoming Group-We need the horses!
We're going to start a Welcoming Group
in Guildwood. Please call Faye Wads-
worth with suggestions or to assist
(264-4430). This should be a great
Band Wagon to welcome new residents
to our beautiful area.

"We're Interested in you"
Your Association is volunteering to
help you. Please call any of the ex-
ecutive (listed elsewhere in this
issue) with any concerns you may have.
Thanks to all our conscientious can-
vassers we should reach almost 100%
membership this year. We need every-
one's support.

MEMBERSHIP REPORT

by Faye Wadsworth

The memberships are coming in quite
well. There are still quite a few
cannvassers out. If you haven't been
called upon or feel that you have
been missed, please do not hesitate
to phone me at 264-4430 or send your
\$5.00 to me at 191 Toynbee Trail.

You will receive your membership
card by return mail. A big thank you
to all our canvassers for a job be-
ing well done.

YOUTH REPORT

by Larry Jensen

The Drop-In at Laurier Collegiate is
still open on Tuesday and Wednesday
evenings for students over 14 years
of age.

We have planned a Swim Night for
Saturday, December 8th from 9 to 10
p.m. at our Laurier Pool. All youth
welcome-no charge.

SCHOOL NEWS

JACK MINER SENIOR PUBLIC SCHOOL

by G. Gardiner, Vice-Principal

Commencing on Monday December 10 and continuing throughout the week, dental inspections will be made of all students. These inspections are to be conducted by Dr. T. Paterson, assisted by Miss J. Ellis and will take place between 9:00 a.m. and 12 noon daily. The film, "Doorway to Dental Health" will be shown to all students.

On the morning of Dec. 14, at 9:15, a representative from the Guidance Department of Laurier Collegiate will be at our school to speak to the grade 8 students and their parents about the program offered at the collegiate level. Parents are welcome to attend.

For two evenings, Tuesday December 18 and Wednesday December 19, students, under the direction of Mr. Mustard, will present a Christmas Musical. Seats are reserved and will go on sale on December 10, 11, and 12.

Members of our school choir have been invited to sing at the new Scarborough Civic Centre on Friday, December 21 between 8:30 a.m. and 9:00 a.m. Needless to say, we are pleased to have been asked to send our choir to perform and lead the carol singing on that date.

School will be closed for the Christmas Holiday from December 22, 1973 to January 2, 1974 inclusive. On behalf of all persons associated with Jack Miner Senior School, please accept our best wishes for the festive season.

GUILDWOOD SCHOOL NEWS

by G. J. Barrett, Principal

Our Christmas musical evening is planned for Tuesday, December 18 beginning at 7:30 p.m. The program will concentrate on Christmas music and our three choirs led by Mrs. Brown, Mr. Heino and Mr. Rickard will perform. Mrs. Blackwell's senior kindergarten children will present the Christmas story. Mrs. Heinze Grade 5 class are working on a Christmas play and we hope to be able to have a girls' gymnastic display. The evening will conclude with carol singing and a social time for parents and children.

The boys' houseleague volleyball has been in full swing since November 5. Games are scheduled for 8:30 a.m. most mornings and the boys have been very enthusiastic. The leading team is the Martians-Jamie McMurray, captain.

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

Preparations are well underway for our annual Christmas Concert, and it certainly promises to be different. Charlie Brown and his irreplaceable crew will try to discover what Christmas is all about. With the help of

over two hundred choir members, choral speakers, dancers and Santa Claus he may find the answer to his problem. The programme will be presented for parents on December 18th and 19th beginning at 7:30 p.m. Tickets will be available at the school office on December 10th.

The much maligned Professional Development Days during the Fall Term have given the teachers wonderful opportunities to meet with the parents of their pupils to discuss the achievements and development of the children. All too often these discussions are left until the middle or end of the year when problems have become so ingrained that solutions cannot be achieved. However the enthusiasm and cooperation that our parents have exhibited during these visiting days has helped the teachers to devise programmes and help for their pupils that will be of lasting value.

The House League has completed a very busy Fall schedule of Soccer and Borden Ball with the laurels going to Gold House. The next schedule will include Floor Hockey and Volleyball. About four hundred boys and girls are involved in the House League teams. House League seems to be the best way to get the adept and not-so-adept fully involved in sports activities.

From everyone at Elizabeth Simcoe to everyone in Guildwood:

Merry Christmas
and
Happy New Year

ST. URSULA CATHOLIC SCHOOL

by Mrs. F. Fitzpatrick, Principal

At the Pre-interview Report meeting held on Monday November 5th, a new executive for the Parent-School Committee was formed. Those elected to office were:

Chairman-Mr. Ron Hughes
Treasurer-Mrs. Whyte
Recording Secretary-Mrs. Plitz
Corresponding Secretary-Mr. Sam Duke
Social Convener-Mr. Larry Gillespie
Communication Convener-Mrs. Mary Hughes

Volunteers Co-ordinator-Mrs. Labadie

On Wednesday, December 19th, the students of St. Ursula School will present a Christmas concert "Carol-On" in Sir Wilfrid Laurier Collegiate auditorium.

Congratulations to both the Boys' Flag Football team who made the finals against St. Kevin's and to the Girls' Volleyball Team, coached by Mr. Ellis, Miss Metzger and Mrs. Colaco, respectively. Both teams displayed fine sportsmanship.

IN AND AROUND GUILDWOOD

by Beryl Aird,
News and Views Columnist

We are comparative newcomers and enthusiastic boosters of our beautiful Village by the bluffs.

I have set myself the interesting task of exploring what there is to do and see in our area and will relate my findings to you, with newcomers particularly in mind.

This month I am dealing mostly with the opportunities for volunteer work, as Guildwood Villa, the Red Cross Blood Donor Clinic, Guildwood Social Club and Cubs and Scouts are all looking for help.

The September issue of the News and Views printed a full list of activities at the Villa--the hours are perfect for mothers with small school aged children. If you have never visited there, do drop in and have a look around. A new Director of Recreation will arrive next week.

For information about work with the Red Cross Blood Donor Clinic, a most interesting service, phone Mrs. Stella O'Rourke at 261-4975.

When winter weather arrives, some of the members (Senior Citizen ladies and gentlemen) of the Guildwood Social Club probably won't be able to attend unless there are more drivers to take them the short distance to Holy Trinity Church every other Wednesday. Phone Mrs. Yvonne Gamey at 261-6573 if you can assist.

Cubs and Scouts badly need helpers--no experience is necessary. Re Miller at 267-3410, will welcome your inquiries

Do all you mothers with pre-school aged children know about the Mother's Co-operative Baby-sitting Service at Holy Trinity Church? It is held every Thursday morning from 9:15 to 11:15 and the cost is only 25 cents a morning per family. Drop in and see the group in action or contact Mrs. Paula Stevenson at 261-1313.

DANCE

ASSOCIATION VALENTINE DANCE
FEBRUARY 16th 1974 7 p.m.-1 a.m.
Following the successful dinner-dance held last year, arrangements are underway for another dance at the Guild Inn February 16th., 1974.

As some members of the Association were disappointed at being unable to obtain tickets, a larger area has been reserved and there should be plenty of room for all. However, tickets may be reserved now. Call Penny Vardy at 284-3165 (evenings) or Lorraine Walker, 266-1523.

Plan an enjoyable evening. Ticket prices are \$8 per person. Cocktails from 7 P.M., followed by dinner and dancing.

You have tried the rest
now try the best !

GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

VOL. 74

NO. 1

FEBRUARY 2, 1974

Chairman's report

by Al Hill

Guildwood - a beautiful, peaceful and a very special home

Look at Guildwood next time you come down the hill. As Toronto rushes by behind you, consider how nice it is to come home to this tranquil community. We appreciate the staff of our schools who are developing and instructing the lucky young. We must thank our civil servants and politicians who keep our streets safe, clean and clear. Most of all you are the biggest asset - you have made Guildwood a model for all to admire. We welcome 1974 by looking forward to another happy, healthy and prosperous year.

New Vigour and Vitality for the "News & Views"

Welcome to the new and thanks to the old staff of this excellent paper. With Lois Taylor at the helm (as editor) we look forward to nine exciting and informative issues in 1974. Assisting Lois are a dozen of your neighbours (listed elsewhere in this issue). Let us not forget the children who through sleet, snow or rain get the paper to your door. I am sure I speak for all the readers when I say good luck and thank you for volunteering.

Improvement - 1000 %

This winter is just great. The four rinks (2 hockey and 2 pleasure) are being well used. Where last year we had only 4 days of skating, we already have had 40 this season (up 1000%).

A special thank you to Don McRobb, Sports Director, who is primarily responsible for getting the rinks installed, flooded and cleared. Thanks also to all who have assisted Don. Volunteers are always welcome (call 266-3639). By the way, the rinks welcome Mom and Dad as well. I hope to see you there some evening - it's fun.

Proclamation - Valentine's Day February 16th this year

Invite your partner soon to the Guildwood Village Annual Dinner Dance at the Guild Inn on Saturday February 16. What better way to brighten up those long cold nights of February. This party is shaping up to be the best in history. Act fast because only 150 tickets at \$8.00 a person will be sold.

Have you ever run to catch the train?

One irate eastbound traveller feels that boarding a train at Guildwood is like playing Russian Roulette. When the train rolls in one door opens at each end, and it is anyone's guess which one is for Montreal and which for Ottawa. You're sure to make the wrong choice. After one such marathon run a Guildwood resident complained to the C.N.R. Here is their reply:

"As you are probably aware, the station building was erected a little less than a year ago, and ancillary constructions have yet to be completed. One part yet to come is a loudspeaker address system, installation of which will probably take place this spring. One of its prime purposes will be to give passengers precise directions as to the location of coaches, club cars and sleepers on each train as it arrives, thus erasing the difficulties that you and other patrons have experienced."

Banks are not just for banking

I hope everyone has noticed the bulletin boards which the two local banks have kindly allowed us to put in their windows. Information of current interest to residents is being posted. Thanks to Dr. Jim Melvin, also have several excellent community pictures to display. Tomorrow morning why not stroll over to your friendly Bank of Commerce or Bank of Montreal to catch up on the latest news.

LETTER TO EDITOR

142 Toynbee Trail,
West Hill, Ont.

January 12, 1974

The Editor,.

Guildwood News and Views.

Dear Lois:

After four years as Editor of the News and Views, I leave the staff of the paper with very mixed emotions. Despite the many hours that went into putting 38 issues together, the experience was a most enjoyable one.

Needless to say, our community paper requires the time and effort of a large number of people. To all those who worked with me for four years, my most heartfelt thanks. In particular I want to publicly express my appreciation to Tom Nicholson whose unflagging dedication as Production Manager, as well as his superior talents in the graphic arts, made the News and Views into the best community news-sheet in Scarborough.

Both Muriel and I would like to thank all those who have been so kind in their appreciation for our efforts on the staff of the News and Views. This kindness is ample reward for our work.

Best wishes to yourself and your staff. I am sure that you will find the News and Views a rewarding experience.

Sincerely,
Eric Parker

Valentine Dance

FEBRUARY 16TH
AT THE
GUILD INN
FROM 7 P.M.

Tickets for the Association's Spring Dance are now on sale and reservations should be made soon to avoid disappointment as we expect a maximum crowd at this popular event.

Your Executive looks forward to seeing their many friends and neighbours.

Tickets are \$8 each and include a special Guild Inn dinner and one of the best M.C.'s in the music business today. A cash bar will be open from 7 p.m., dinner will be served at 8 p.m. and dancing from 9 p.m. onwards. The Dance will be held in the Bickford-Elm-Catalpa Rooms at the Guild Inn.

To obtain tickets please phone Fay Wadsworth at 264-4430 during the daytime or Penny Vardy at 261-2638 in the evening or weekends.

Church News

Guildwood Community Presbyterian Church

by Rev. Gordon Fish

Well it's that time of year again - The Season of Discontent - the awful period between the madness of Christmas and the hope of Spring. The time when bills come in from our brash and reckless spirit of Christmas spending. We are a bit too tired, a little too quick in the uptake; and added to all this we bemoan the good fortune of those who are taking a Barbados or Hawaii trip.

However, it is as well a time for optimism. Those who brood over ill-weather, ill manners and other ills need a refreshment that grips, holds and satisfies through the final blustering months of winter.

Can we share with you some matters for optimism:

1. When bewildered by the discussions on the Energy Crisis - look at the unlimited resources of energy in that child in your home or next door who sees no such shortage in life.
2. When bothered by rising taxes, food prices, gasoline, etc. - examine the sure and certain good fortune of living in a land where there are taxes and there is food and where there is gasoline.
3. When ill weather has got you down in the grubs - take delight in the good news that we have four seasons of the year - that there is the promise of change - (it has been so in the past, should we doubt it for tomorrow?)
4. The concern about politics - measure the great opportunity that we still have to voice a 'yes' or a 'no'. We still hold elections in our lands. It makes one think of the bumper-sticker - "Don't blame me, I didn't vote Conservative (Liberal) (N.D.P.)"

An even more positive stance may be found in the words of the English philosopher of the 16th Century - Francis Bacon - "It's not what men eat, but what they digest, that makes them strong; Not what we gain, but what we absorb, that makes us learned; Not what we preach, but what we practice, that makes us humble."

Are you a Christian? Then remember your need for praise and balance and the spirit of enthusiasm at such times as these is gained when you develop your fellowship with others in Christ in His Church.

HOLY TRINITY ANGLICAN CHURCH

by Jim Roles

We are sure that all in the community who knew the Rev. W. S. Watt share our regret that he has moved with his family from Guildwood to become the Rector of St. Paul's, Runnymede in West Toronto. Although our

church is currently without a resident minister, we hope in the very near future to be able to announce the appointment of a new Rector. Meanwhile, all services and activities will continue as usual and we are particularly fortunate in being able to share our services each Sunday with clergy who are involved in a variety of interesting work in other areas of the Anglican Church ministry.

Everybody is most welcome to join us in all our activities. The next visiting preacher will be the Rev. W. McKeachie from the Diocesan office at 9.30 a.m. and 11 a.m. Sunday, February 3rd.

We are looking forward to another visit by the young group of musicians and singers known as "The Hakamu" on February 10th at 7.30 p.m. This is a group of some 20 young people who can express the joy and love of Christianity most effectively in music and action. They particularly appeal to high school and college students of their own age, but younger and older folk are not immune to the infectious joyful involvement the Hakamu create and everybody should make an effort to join us on February 10th to hear them.

Cubs & Scouts

3RD 'A' SCARBOROUGH CUB PACK

by Fern Foster

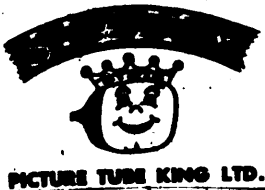

Our Pack has had a good Fall season with an Investiture in December and November of several new chums: Duncan Brett, Michael Fitzpatrick, Robert Scullion, Douglas Campbell and recently Michael Horvath. Each Cub exchanged a small Christmas present at our Christmas Party along with the leaders. Terry Thompson has now earned his Five Stars and will receive a Cub Shield award for a good achievement.

On January 11, 12 and 13, our Pack had a great Winter Camp at Hockley Valley with 25 Cubs and 9 leaders and fathers. Our thanks to Messrs. Sneddon, Cranswick, Williams, Foster and Dave Cawthorne, who supplied a truck for transportation of equipment. All of this extra help certainly makes a week-end easier for leaders. There is nothing like going on a Snipe Hunt in the woods in the dark, or playing hockey for an hour from 6 a.m. to 7 a.m. before breakfast. All in all it's great fun being a kid again.

3RD SCARBOROUGH EAST CUBS AND SCOUTS

Parent and Son Dinner will be held Thursday February 14th, 6.30 p.m. Tabor Park Vocational School, 959 Midland Ave., Scarborough (located on east side of Midland just north of Eglinton)

GUILDWOOD DISTRICT - GUIDES AND BROWNIES

We started the New Year off right by re-opening our Brownie Pack in the Guildwood Community Church. All our Packs are now filled to capacity and have waiting lists, but we will try to accommodate all girls of Brownie age as soon as possible.

Our annual Church Service will be held on Sunday, February 24 at 7 p.m. in the Guildwood Community Church. We would ask all parents to encourage their girls to attend and to turn out themselves. In the past this has been a very worthwhile outing.

We are always on the look-out for helpers throughout the community. At the present time a list of testers for various badges is being compiled. If you have a special talent and would be interested in either teaching or testing please contact Shirley Gray at 267-6055.

Our uniform exchange still has some uniforms available - call Barb Hulme at 266-9916.

547TH BROWNIES

Brownies have started again and the girls are busy working. We have 13 tweenies who can't wait to become Brownies and we are hoping to have an Enrolment in the next few weeks.

The Brownies are going skating on January 28th and this seems to be popular as they all want to try for their Skater's badge.

GUILDWOOD COMMUNITY MIXED CURLING

by Bern Foster

The Curling this past year has gone by very quickly. Now our new season is well on its way. There are not too many months left before play-offs. We have had a very good turn out of regular curlers and some reliable spares. We can still use some more spares for both sections. Call Bert Paine at 282-6240 if you would like to curl on Sundays.

Our team standings are as follows:

FIRST SECTION JANUARY 6

Phyllis Francey	56
Bern Foster	50
Don Anco	43
Shirley Stevens	42
Bernie Hughson	41-1/2
Ethel Niewolski	34-1/2
Bert Paine	27
Jim Foster	18

SECOND SECTION JANUARY 13

Orval White	53-1/2
Shirley Stevens	44-1/2
Hernie Hughson	42
Bert Paine	42
Bev White	39-1/2
John McMillan	34-1/2
Phyllis Francey	28
Ethel Niewolski	28

Our Banquet is planned for Friday May 3rd at Annandale Curling Club in Pickering, where we are curling. Tickets will be \$8.00 each for non-members. Will keep you informed later. Good Curling.

M.P. Report.

by
Reg. Stackhouse, M.P.
Scarborough East

It was a great inspiration as a Canadian to join men and women from across Canada at the Installation of our new Governor General, Jules Leger, in the Senate Chamber.

Governor General Leger commended himself nobly by his inspiring address in which he emphasized the need for Canadians to search out spiritual values. We need that kind of leadership.

The office of the Governor General does not get much attention usually but it is vital to Canadian democracy! It is a symbol of our national unity insofar as the Governor General, representing the Queen, provides us with a Chief of State who is above political battles and division. His office is also a symbol of the continuity of our institutions in a time of upheaval and change, and we know it is important to value the stability of the Canadian system.

The Watergate scandals in our great and neighbouring country remind us that in the monarchy and parliamentary system we have something valuable. The Installation of our new Governor General should be a time when we become all the more aware of the need for Canadians to prize the constitution that we have developed.

YOUTH REPORT

PARENT EDUCATION GROUP

SUPPORT OUR ADVERTISERS

On December 4th we had a swim night at the Laurier Pool. This was probably the last of our organized swim nights as swimming is now free in all the Borough pools.

Laurier students had a trip January 31st to Mount St. Louis featuring ski-ing, tobogganning, snowball fights and snowmobiling. The Activity Day, February 1st, was topped off at night with a concert by Edward Bear and New Potatoes and a dance with Chester.

The Scarborough Public Health Department is presently holding child guidance courses in various districts. A 10-week programme to help parents in rearing children of all ages starts this week in Guildwood.

Under the direction of Mrs. Anne Kulpa and Miss Jean Ball, the course will be based on Dr. R. Driekurs' book "Children the Challenge", and will include presentation of material and group discussion.

Sessions will be held at Guildwood Community Presbyterian Church on Thursday afternoons, starting Thursday February 7, from 1.15 p.m. to 3 p.m. As the group is limited to 20 applicants registration is necessary. Phone 438-7461. A fee of \$1.00 will be charged for the complete course.

If mothers are unable to arrange baby-sitting, a free service will be available at the church. Toys must be provided by each parent.

The Public Health Department is appealing for help from women in the community to make this service possible. If you can donate one or more Thursday afternoons to the baby-sitting service please phone 438-7461. Mothers with small children would be welcome to bring them along.

ALDERMAN REPORTS

by Ed Fulton

The matter of traffic signals for the Guildwood Parkway and Livingston intersection was presented again to the Metropolitan Toronto Transportation Committee. For the second time in two months, the question was deferred pending further study by Metro officials. There is no question that at certain peak periods of each day, signals are required at this intersection. Metro's argument is that over their standard of an eight-hour period, warrants to justify the installation are not met. I will be appearing before the committee again in the near future to re-present our arguments. Your letters in support of our application would be of some help, so I would appreciate it if you would take a few minutes and write to me on this matter (150 Borough Drive, Scarborough).

The Kiwaniswood project to provide floodlighting of the Laurier Football Field is proceeding along. The cost estimates were before the Property/Finance Committee of the Board of Education on Monday January 21. I appeared before the trustees in support of Kiwaniswood and the Board Committee unanimously adopted the principle of the project. I am confident that the matter will receive approval by the Board of Education in the near future at which time Kiwaniswood will make their final decision to proceed.

The various Committees and Board appointments were recently ratified by Council for 1974. I was appointed to the Fire, Development & Legislation Committee, re-appointed chairman of the House Committee, re-appointed to the Parks and Recreation Committee and selected as its chairman. In addition I was re-appointed to the School Board/Council Liaison Committee.

The very popular Sunday Concerts in the Civic Centre Rotunda will resume at 2 p.m. February 10, 1974, and continue each week until April 28. All concerts are free to the public. At the same time guided tours of the Centre are available and of course the ice rink will continue in operation for several more weeks. A snack bar, change rooms and rest rooms are available.

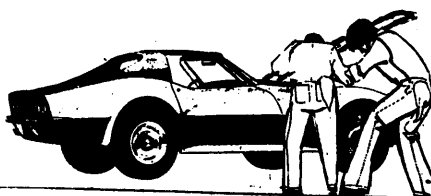

More volunteers are needed to serve on the Citizens' Advisory Committee for the new Guildwood Library as outlined last month in the News & Views. If you are interested please call me at your convenience.

If I can be of any assistance to you on any matter please phone me at 438-7275.

CHAIRMAN'S REPORT (Continued)

Believe it or not - March 30th is the target

The Library and Loblaws are hoping to open on March 30th (in 1974 that is). I must commend the outstanding work being done by the Library Board on our behalf. They have surveyed the school libraries to avoid duplication and obtained lists of books in demand but not now available. They have determined the information requirements and reading habits of our residents (children, adults and senior citizens). Also, they are now setting up an advisory board of local residents to ensure that we get the best library ever. Volunteers are most welcome. Incidentally, I'm sure Loblaws is surveying our food customs, but they haven't yet asked for nominations to their Board of Directors!

Support and interest is tremendous! Activities in Guildwood are continuing at a great rate. Here are comments on a future and a past event.

1. Youth - congratulations to Larry Jensen, Youth Director, for organizing the very successful December swim night. Look for more fun and frolic.

2. Canada Day - to be earlier, bigger and better. Risto Puhakka is now preparing for the 1974 Canada Day to be held this year one week earlier, Saturday June 22nd, so it won't interfere with anyone's long week-end plans. We hope all 6,000 residents will take part. Mark the date on your calendar now.

Library News

by Clarice Henschel
Cedarbrae District Library
431-2222

The new Guildwood community library, now under construction, has been a top priority of the Scarborough Public Library during the past months. A core reference collection has been selected and ordered, so that the newest editions of encyclopedias etc. will be on Guildwood shelves. Book selection committees for various subject areas have been automatically adding Guildwood to ordering lists for new books.

The objective of the collection building for Guildwood is to provide a variety of materials for all ages. Ample provision has been made for the addition of materials to meet specific community and individual needs. The collection will include fiction, non-fiction, phonorecords and cassettes (both music and spoken word), magazines and newspapers.

It is worth noting that the complete resources of the Scarborough Public Library system will be available to Guildwood patrons through the teletype network, which links all libraries in Scarborough. From your local library, materials from all public libraries in Metropolitan Toronto can also be tapped through a co-operative inter-library loan system. A daily delivery system between libraries in Scarborough facilitates the borrowing of all material.

Flexible planning of the interior of Guildwood Library will provide space for programs of various kinds, including story hours, crafts, exhibits and art displays.

The library in Guildwood will be part of your community. Please let us know your ideas and suggestions.

SCHOOL NEWS

GUILDWOOD SCHOOL NEWS

by G. J. Barrett, Principal

During the month of January many of our pupils have been involved in some very profitable excursions provided by the Scarborough Board of Education. Mrs. Eisler's Grade 2 class and Mrs. Banks' grade 3's joined together for a trip to the Ontario Science Centre and the Scarborough Civic Centre. The Grade 4 pupils from Mrs. Brown's and Mrs. Harrison's classrooms had a most worthwhile tour of parts of Metro Toronto. A new experience for the Grade 6 pupils in Mr. Heino's room occurred when the class visited Richmond Hill to discover some of the historical background of the area. The students interviewed town officials and made a door to door visit in the older section of the town to get information from the citizens. An enjoyable time was also had at the Dunlap Observatory en route home. Mr. Smith's Grade 6 pupils joined with a class from Chine Drive on a Science trip to study glacial land forms in the Stouffville District.

The junior boys' volleyball team opened the season on January 24th with a win over William G. Davis school. This is one of the new schools from West Rouge which became part of Scarborough on January 1.

The girls' gymnastic team has been practising faithfully and strenuously each week in preparation for the March competition.

Chess Club members, numbering about sixty girls and boys, began their activities on January 20. They are all very keen to get in mental shape for the tournament to be held in March.

ST. URSULA CATHOLIC SCHOOL

by Mrs. P. Fitzpatrick, Principal

On Monday January 14th the Parent-Teacher Committee held its General Meeting. The turn-out of interested parents was most gratifying. Plans are now under way for the "February Fling", a dance to be held in St. Boniface Church Hall on February 22nd.

During the month of February the students of St. Ursula's will again produce a variety of Arts and Crafts under the guidance of the parents and staff. The results of this programme in the past have been most worthwhile and given scope for the development of a variety of talents.

Miss Metzger's Grade 8 class are anticipating their live-in at St. Marie, where they will attempt to experience and understand the rigours of life in 17th century Canada.

Pupils in Grades 2, 3 and 4 are enthusiastic about "Newcomb", a simplified version of volley-ball. Miss Richardson, Miss Lenehan, Mrs. Lane and Mr. Clarke are directing the children in this activity.

M.P.P. Report.

by the Honourable Margaret Birch

As you probably know, I operate an AID Centre. If you have anything you would like to talk over with me privately, don't hesitate to drop in to the Conservative AID Centre on Monday evenings from 7 to 10 p.m. The AID Centre is also staffed from Monday to Friday from 2.00 to 7.00 p.m. It is located downstairs at One Greenholm Circuit, the first street east of Markham Road running north from Lawrence.

The phone number is 439-1113 and there is a 24-hour answering service. I can also be reached at my Queen's Park office at 965-2951.

Looking over my records, I find that few people contact me from your area so it would appear that most problems are of a Municipal or Federal nature. However, I do get a variety of enquiries from people in other parts of Scarborough East and these enquiries include such diverse items as O.H.C. Housing, Scarborough Expressway, GO-Urban routes, Metro Zoo, Senior Citizens, Youth Work programmes, the Airport, North Pickering Project, Workmen's Compensation, By-law and Zoning applications, employment opportunities for adults and a host of others.

Many of these problems, of course, do not fall under my jurisdiction, but I am pleased to assist by putting people in touch with the right Ministry, Department, person or Agency.

BOB JOHNSTON

4121 KINGSTON ROAD - SCARBOROUGH - 284-1631

GIWANIWOOD TENNIS CLUB - by Bev Rhodes IN AND AROUND GUILDWOOD

After a busy season of play, the club held its annual meeting in conjunction with a most successful and festive dinner-dance at Mazaryktown. Again this year, one of the features was the marvellous buffet prepared by Barb Ahrens. Trophies won during the annual tournament were presented including a new one donated by Ron and Mary Moore for the winners of the Ladies' Doubles.

The following slate of officers for 1974 was approved at the annual meeting:

President-	Bill Chalmers
Past President-	Gord Maclean
Vice-President-	Stu Logan
Secretary-	Bev Rhodes
Treasurer-	Louise Schachow
Executive Committee	
Ladies' Rep-	Irene Devonshire
Men's Rep-	Gerry Haslam
Teams Chairman-	John Sickinger
Social-	Madelin Hutchinson
Junior Rep-	Brett Dean
Membership-	Julie Blunk
Junior Chairman-	Bill Schachow
Facilities-	John McMillan
Maintenance-	Ron Hutchinson
Court Supervision-	Lorne Cooper

The executive are currently meeting to plan 1974 activities and prepare a club constitution which will have to be filed with the Borough in compliance with the new regulations for tennis clubs.

FOUND

An initialled silver-coloured identification bracelet was found January 12th in Elizabeth Simcoe Park. If it is yours call Bev Rhodes at 266-8624.

By Beryl Aird

This month I am exploring mostly around Guildwood - the wonderful wealth of parkland we have so close at hand. In my inquiries I came upon enough interesting material to fill several columns but will restrict this one to mentioning a few parks that we have visited for our winter enjoyment.

We are cross-country skiers and our explorations in Morningside, Colonel Danforth and Thomson Parks were done on skis but could be enjoyed equally on foot. Each of these parks has a delightful stream winding through that can be followed and is winter beauty at its best. At Colonel Danforth Park the stream can be followed down to Lake Ontario - about a mile walk from the Lawrence Avenue entrance.

Thomson Park at Lawrence and Brimley is a hive of activity. It has two outdoor rinks - one for hockey, a toboggan booster, and several other good hills for ski-ing and tobogganning. Both cross-country and downhill ski-ing lessons are in progress. Washroom facilities are open too!

I noticed a challenging looking hill at Masaryk Town Cedar Park, which is just beyond the Scarborough Golf Club. Upon investigation discovered that this is part of the Czechoslovakian Recreation Centre and that non-members are welcome to use the hills for tobogganning and ski-ing.

The entrance is at 450 Scarborough Golf Club Road.

Lastly, and closest to home, is Sylvan Park, situated at the end of Sylvan Avenue in the Village. It is a perfect spot too for an invigorating breath of air and open view of the Bluffs.

Guildwood Social Club

(65 years young and over)
by Shiela McDonald

Since last writing to the Guildwood News and Views we have had our Christmas Dinner along with carol singing-very good entertainment provided by some very talented young girls. Santa paid a visit and brought a gift for everyone. Although the weather was not too kind to us we had an excellent turnout and everyone seemed to enjoy themselves.

Wednesday, January 16th was our first meeting in 1974 and to start off the New Year we had a game of Bingo. There were lots of prizes and plenty of winners.

Wednesday January 30th we are planning a return trip to the Theatre in the Pines to see a play put on by the Scarboro Players called "How the Other Half Loves".

For information regarding the Social Club, please call Yvonne Gamey at 261-6573.

KIWANIWOOD

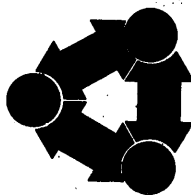

by John McMillan

The Kiwaniwood Sub-committee has offered approximately \$32,000 for use by the Borough of Scarborough for the construction of floodlights for Laurier Collegiate football field. Use of this field from April to November for soccer and football leagues from the Guildwood area is supported by both the Borough of Scarborough and the Scarborough Board of Education. The remaining money (approximately \$5,000) would be used by the Borough in the construction of "adventure playground" equipment for the local parks.

At a meeting of the School Board/Borough Liaison Committee held December 5 it was agreed that the cost of lighting be determined by the Board of Education. This question was, in turn, passed to a firm of consulting engineers who provided cost estimates for two alternatives. The first, using forty 1,500 watt quartz iodine floodlights mounted on eight 60 foot concrete poles, could be constructed for an estimated \$32,000; the second, using thirty 1,000 watt metal halide floodlights mounted on ten 60 foot concrete poles, could be constructed for an estimated \$39,000. The first alternative was recommended by the Consulting Engineers and was, in turn, supported by the School Board's Property/Finance Committee at their meeting. This recommenda-

tion has been passed forward to the Council/School Board Liaison Comm. with the recommendation that tenders be called from 3 or 4 electrical contractors and the contract be awarded to the lowest acceptable bidder if the price is within the estimate.

I will keep you posted on future developments as they occur via future issues of the News & Views.

**SCARBOROUGH EXPRESSWAY?
ITS YOUR CHOICE!!**

By Gerry Haslam

The Metro Toronto Transportation Plan Review is holding its second series of public meetings. At these meetings, additional information will be presented on the alternative routes of the Expressway from Birchmount Road to Highway 401, and on other transit alternatives.

The formal meetings begin at 8.00 p.m. at the locations listed below. However, an information centre will be open from 7.00 p.m. to 8.00 p.m. If you have any questions about the Expressway or the transit alternatives, and don't like to stand up in a public meeting to ask them, this is the

time and place to get your answers. At the meeting, questionnaires will be handed out, in an effort to obtain as wide a range of opinion as possible.

It is not often that we have the chance to express an opinion on a public project before it is begun. Let's take advantage of it now!

Mon. Feb. 4 Malvern Collegiate
8.00 p.m. 55 Malvern Ave.,
Toronto.

Wed. Feb. 6 Birchmount Park
Collegiate,
3663 Danforth Ave.,
Scarborough.

Mon. Feb. 11 West Hill Collegiate,
8.00 p.m. 350 Morningside Ave.

MARCH 2, 1974

Chairman's

Report

by Al Hill

Congratulations to Laurier Graduates

One of the honours bestowed on your chairman is to attend the Annual Commencement at Sir Wilfrid Laurier. We can all be proud of our students. Laurier walked away with the lion's share of the Scarborough and Provincial awards and we congratulate these winners. Each year your Community Association recognizes one girl and one boy for their high scholastic grades and well-rounded school careers. This year Pam McLeod and Mike Vogel were recipients of this prize. Both are high achievers in school, sports and extra-curricular activities. Our best wishes for success to them in their chosen fields of Dental Hygiene and Engineering respectively. These good wishes and congratulations cannot be limited to just two but are meant for all the graduates who are striving to achieve their goals.

Have "Denis" will Dance!

As we all discovered, when you hire Denis (alias Denis the Menace) as Disc Jockey everyone dances and has a fantastic time. As most know I'm talking about the Guildwood Village Valentine Dance where we could never vacate the dance floor because the D.J. would then extract a tune from the 40's, 50's or 60's that was irresistible.

Penny Vardy and her two assistants Lorraine Walker and Faye Wadsworth well deserve our thanks for a party very well done.

The consequence of success is that everyone there is looking forward to another dance really soon. Due to the fabulous time had by all and therefore the expected increased demand for tickets next time means we may be forced to hold it in the street.

Wake Up Guildwood! The 6.10 "GO" is in the Station!

Objections are pouring in regarding the proposed loudspeakers at the station. The alarm clock could be a thing of the past as the CN address system may wake everyone before the clock has the opportunity to ring. The old-fashioned chalk board could do just as well and the money saved could be spent on additional platform waiting rooms. Please write Mr. J.J. Menary, Regional Manager, C.N.R., Rm 1454, 10 York St. Tor., with suggestions.

PRESENTATION TO MIKE VOGEL AND PAM McLEOD BY AL HILL

Winter Fun not yet over - We salute the Rink makers

A special thank-you to Don McRobb, Scott MacIntyre, Jack Fairfull, Danny O'Leary, the Rec. & Parks Dept. and the many others who have provided this facility for our enjoyment this winter.

Items of Interest - Comments
Welcome

1. On Wednesday March 6 at 8 p.m. there is to be a free lecture by Pierre Berton on "The Canadian Character". This is to be held at David and Mary Thomson Collegiate (2740 Lawrence Ave. E.) sponsored by the Committee for an Independent Canada" - everyone welcome.

2. We are again planning an attack against the mosquitoes and black flies in Guildwood. See Margaret Birch's report for the latest word.

3. We thank the many who have volunteered to serve on the Library Advisory Board. They will all be contacted shortly. I don't know how it can happen but the scheduled opening is still March 30.

FAITH AND FELLOWSHIP
by Valerie Austin

Holy Trinity Anglican and Guildwood Presbyterian Churches are sharing in a mid-week service during Lent to share our Christian fellowship through worship and study together to give witness to our unity in the faith to the community around us and to grow in understanding of our Christian faith.

The services will be as follows:

Wednesdays at 7.15 p.m.

Feb. 27 - Guildwood Presbyterian
Mar. 6 - Holy Trinity
Mar. 13 - Guildwood Presbyterian
Mar. 20 - Holy Trinity
Mar. 27 - Guildwood Presbyterian
Apr. 3 - Holy Trinity

Thur. Apr. 11 - Holy Trinity at 7.15 p.m.

Fri. Apr. 12 - Guildwood Presbyterian 11 a.m.
GOOD FRIDAY SERVICE

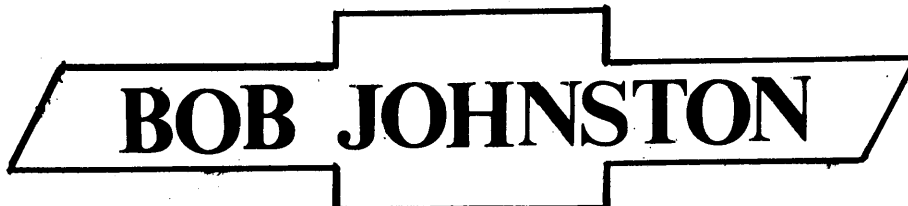

We hope that as many people as possible will join with us in these services of fellowship and learning conducted by interesting speakers. There will be a short coffee study afterwards for all those wishing to participate.

Hi! We're your new neighbours

Church News

CHURCH OF THE HOLY TRINITY by Bev Rhodes

The good news this month is the Bishop's appointment of the Rev. Fraser Bournes as rector of the parish. He has begun his ministry among us, assuming all the responsibilities and details awaiting a rector's attention at this busy time in spite of having to commute to the parish. He and his wife, Ruth, and his daughter, Maureen, will move into the rectory early in March. Preparations are being made for the formal service of induction at 7 p.m. on March 3. Bishop Read will also be present for the Confirmation service at 11 a.m. on that day.

In spite of the bad weather there was a large turn-out for the Hakamu group on February 10, including a group of young people from St. Paul's, Runnymede.

The Lenten programme begins February 27 with a service for children and students at 9 a.m. followed by a service of Holy Communion at 10.30 a.m. Beginning that same evening at Guildwood Presbyterian Church there will be a series of evening services, which will be held Wednesday evenings at 7.15 during Lent at Guildwood Presbyterian and Holy Trinity alternately, sponsored jointly by the two churches. Details of services for Holy Week and Easter Day will be announced later.

BROWNIES & GUIDES

by Shirley Gray

Cookies!!

It is that time of year once more - "Cookie Time". The Guides and Brownies will be around starting March 2 to take your orders. The first call is just for orders so please - no money then - pay for your cookies when they are delivered on and after April 4. If no-one comes calling please do not hesitate to call any of our leaders - they will gladly take your orders.

Church Parade

Our Annual Church Parade was held on Sunday February 24 at Guildwood Community Church. At this time I would like to thank everyone who helped us with this service - Rev. Fish who helped us with the entire arrangements and conducted the service, Mrs. Joy Gannicott, Mrs. Joan Kerr and the Junior Church Choir for their musical help, all the Leaders who brought their respective groups and of course the children and parents. A portion of the offering will be donated by the Guides and Brownies to our "World Friendship Fund" to promote International Guiding.

547TH BROWNIES by Sheila McDonald

The Brownies had a very exciting evening on February 18th when 12 tweenies became Brownies. The parents and families of these girls were all present for the ceremony,

as well as Commissioner Gray. Mrs. Lois Goodreid was enrolled as a Guide, and both Mrs. Goodreid and Miss Sandy Hulme received their Tawny Owl Pins.

The new Brownies names are:

Anne Murton	Tami Folkes
Nathalie Karvonen	Sandy Thillart
Simone Goveia	Kathleen Hill
Irene Kingma	Dorothy Pawlicki
Lisa Lawrence	Christine Thillart
Diane Verburgt	Lisa Roberts

Cubs & Scouts

3RD SCARBORO "A" PACK by Bern Foster

The Cubs are still eagerly working hard earning stars and badges. Both Dale Nash and David Proctor received their fifth star and a Cub shield, presented by two guests at our pack the other evening - Mrs. Dorothy Gorham, our Service Scouter and Mrs. Muriel Pelfrey, a lady Cub Master from Cedar Park School Cub pack.

Most of the pack attended a very nice Father & Son Banquet with their Dad, brother or Mom on the 14th of February. Paul Willie, who has helped us for quite some time has been given a jungle name in the pack. By the time this is read the Cubs will have participated in their annual Church Parade honouring Lord Baden-Powell's birthday, held at Guildwood Presbyterian Church. This Cub pack has grown very quickly since Christmas and has 34 Cubs, with 8 new chums and a new Six formed - the Brown Six, under Sixer Mike McLeod.

SCHOOL NEWS

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

It was a bright, but frosty day for the first Elizabeth Simcoe Winter Carnival. There were a few cases of numb hands and feet, but everyone seemed to enjoy the spirited outdoor activities. Several Jack Miner students were permitted to leave their school and assist the teachers with some of the activities. Their help was greatly appreciated; and we hope to have similar exchanges in the future.

The second round of House League games have been completed, and floor hockey games will begin this week. Purple House is leading with 42 points. The other standings are: Gold House - 39, Blue House - 32, Red House - 31, Orange House - 16.

The Grade Six classes will visit the McMichael Conservation Art Gallery next week and the Grade One classes are busily planning a Spring trip to a maple sugar bush.

The Annual Baking Competition and Sale will be held on Friday, 5 April. We hope the usual enthusiasm will prevail among the Grade Fives and Sixes, because the teachers are beginning to prepare their favourite recipes for their part of the competition. The auctioneer is practising for the auction of the first and second place items. Further information will be sent home after the Winter Holidays.

GUILDWOOD JUNIOR PUBLIC SCHOOL BY G. J. Barrett, Principal

At the end of January we were very sorry to lose the services of our school secretary. Mrs. Adams has been at Guildwood School for fourteen years and has made a great contribution to the life and welfare of the school during that time. The staff and students miss her greatly but wish her well in the new job.

Our Junior Boys' Volleyball team has been extremely successful in winning their group and in so doing didn't lose one game. They now advance to the quarter finals and we hope their winning ways will continue.

In the last three weeks we have had students from Centennial College come to our school to talk to pupils about foreign countries. Miss Angelic Schroeder spent an afternoon with Mrs. Harrison's and Mrs. Teather's classes and brought much information about Holland. Mrs. Brown's pupils spent an enjoyable morning talking about Uganda with Miss Shamin Mamadani. Mr. Khanna Chandar of India met with Grade 5 pupils of Mrs. Heinze's classroom and showed them many interesting slides about his homeland.

We appreciate the time and effort taken by these students in bringing us practical information about countries which our students are studying.

SIR WILFRID LAURIER'S ANNUAL COMMENCEMENT (February 15/74)

by Mr. Torrance
Guidance Director

Laurier's Commencement exercises postponed from last fall were held the evening of Friday, February 15th. Considering that the Commencement had been postponed for such a period of time, a large number of graduates were in attendance. Mr. Webster in his comments recalled that one year ago about one sixth of the Grade 13 graduates had been Ontario Scholars. He noted that this year the proportion has risen to approximately one fifth.

Among the many worthy award winners one young man stands out. Ricky Lee has earned the highest overall average achieved at Laurier - 97.0%. He won the Latin prize for three successive years and the Geography prize last year. Ricky's main interest, however, is Mathematics and he was the top scholar this year, having won the William M. Mercer Limited Mathematics Award. In addition he was our top student in Physics. Ricky is enrolled in the Systems Design Co-operative Course in Engineering at the University of Waterloo and has been awarded an Undergraduate Research Assistantship as well as an A.P.E.O. Entrance Scholarship. We all wish Ricky the best of luck.

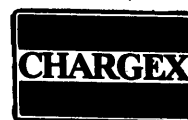

The evening was concluded by an informal reception in the cafeteria.

JACK MINER SENIOR PUBLIC SCHOOL
by G. Gardiner

Considerable enthusiasm was evident in the public speaking competition held this past month. Under the co-ordination of Mr. Lindsay, each pupil presented a topic to his/her class. Classroom winners advanced to competition at the grade level. From each grade, two winners were declared:

Grade 7 - Jane A. Macdonald and Greg Mason

Grade 8 - Joann Furdas and Chris Travell

Representing our school in the zone final competition was Chris. Travell.

All students are actively engaged in houseleague activities. The girls from class 8b4 have emerged as basketball champions; playoffs have commenced for the boys of grade 8. A senior girls' volleyball team, coached by Mrs. Maxwell and Mrs. Lennox is entered in the inter-school league.

The grade 9 String class from Sir Oliver Mowat Collegiate, under the direction of Mr. Clarkson, presented several selections to the String and Band classes of our school. It was an enjoyable, valuable experience for the listeners assembled to hear them.

Worthy, educational excursions have been taken on buses provided by the Scarborough Board of Education. All

Grade 7 students were given a guided tour of our new Civic Centre. This excursion was especially interesting for the students of Jack Miner School, since Mr. R. Moriyama, the architect responsible for the new Scarborough Civic Centre also designed our school.

Mr. Thomson and Miss Shemuda used a limited day bus to take their grade 8 classes to Toronto City Hall, Queen's Park and the Marine Museum. While visiting Queen's Park, students were thrilled to meet our local member of parliament, Mrs. Margaret Birch, who spoke to the group and then provided them with milk and cookies at the conclusion of their visit.

Trustee Report.

by Shirley Tomlinson

After a postponement of three months, Scarborough's secondary schools held their annual commencements. Ward 7 collegiates, Laurier and R. H. King, both held successful programs on February 15th. I managed to spend some time at each school and enjoyed both programs very much. The decision by the Principals to postpone the commencements until February was a commendable one. Although the delay was a disappointment to the students, holding them during the withdrawal of voluntary service sanction last Fall would have proved even more disappointing for students, parents and teachers.

Math Report

As a result of a motion I proposed and which was supported by members of the Board, calling for an assessment of the Math program in the elementary and secondary schools, a committee was established to investigate the effects of the New Math program on our students. The committee's report was brought to the Education Committee on February 4th and proved to be interesting, but found certain deficiencies in the program.

It is strange that while our good Math students are better than ever before and have benefitted from the challenge of the New Math, the average or poor Math students are floundering in a sea of abstractness they find confusing. Many are dropping Math after the first or second year of secondary school. The Scarborough Board's Math and Program departments have realized the situation for some time and I know that all schools in this Ward and hopefully throughout the Borough, are spending a good deal of time on basics and drills, necessary for the average or poor Math students. The more adept students are not held back by this, but are allowed to progress at their own speed and level of difficulty.

The Scarborough Board's Research Department, headed by Dr. H. J. Dilling, will apply to the Ministry of Education for a grant in aid of research, to undertake a statistical analysis of certain

grade levels. A more realistic Math program should result, allowing the majority of students to experience a measure of success, rather than failure.

Bill 275

The Scarborough Board of Education along with all Metro boards has been asked to study Bill 275, proposed legislation prepared by the Ministry of Education in conjunction with teacher groups and trustee representatives. This legislation will have a profound effect on Board-Teacher relationships.

For some time teachers have wanted the right to negotiate working conditions with their local boards and the legislation would give them this right. However, some trustees feel that local boards should not be involved in detailed working conditions negotiation, which could include setting pupil-teacher ratio. The Bill also calls for compulsory, binding arbitration to settle disputes, while teachers and some trustees favour the right to strike. If the right to strike was granted, teachers would then be subject to the Labour Relations Act. Boards would also be allowed the right to impose sanctions, such as lock-outs.

These are two of the most controversial items contained in Bill 275. The Ontario School Trustees Council plan to ask the Minister of Education to delay consideration of the Bill until local Boards and teachers' groups have had an opportunity to make suitable amendments to it.

Committees

For the year 1974 I will be serving as Vice-Chairman of the Education Committee, a member of the Planning Committee and Chairman of the Publications Committee. Perhaps you have noticed the "new look" of our "Your Schools" publication. The publications committee welcomes comments or suggestions regarding any of these issues.

I am always pleased to hear from residents of the Guildwood Community and I thank those who have given me support and encouragement over the past year.

ALDERMAN REPORTS

by Ed Fulton

At a recent meeting Council approved the bus shelter locations for 1974. One of the first priorities is the northwest corner of Kingston Rd. and Cromwell Rd. at the Nursery. The concrete pad is already in so that as soon as the shelter is available from the manufacturer it will be installed.

I have received a number of letters from residents concerning the need for traffic signals at Livingston Rd. and Guildwood Parkway. I am still waiting for the Metropolitan Toronto Transportation Committee to reconsider our application. Your letters of support are greatly appreciated and I hope will assist our presentation. I would like to receive additional letters as I think they will be of benefit to our submission. If we are not successful in our next bid to the Transportation Committee they will probably not hear this matter again this year. Any additional support you can offer would be appreciated.

The matter of the expansion of the Guildwood Plaza, specifically between the shoe store and Loblaw's, has not yet been heard by the Ontario Municipal Board. However, the builders made a special application to the Board to determine whether the covered walkway should be included in the calculations of the gross floor area of the plaza. The Board ruled that the covered walkway should not be included and, therefore, the parking deficiency is numerically reduced by approximately 35 cars.

In discussions with the Solicitor for the Retirement Income Home at the top of the Guildwood Parkway at Kingston Road I understand that they will be commencing construction in about two months time.

I have now twelve volunteers to serve on the Library Advisory Committee. The first meeting of the Committee should take place in the near future. If you would like to participate on this Committee or if I can be of any assistance to you on any matter, please call me at 438-7275.

M.P.P. Report.

by Margaret Birch

I hope that everyone in the Guildwood Community received my newsletter through the mail a few weeks ago and that you will have answered the questionnaire and perhaps have a better idea of what is happening at Queen's Park these days.

Since my last report, I have been further checking the problem of insect spraying in your neighbourhood, particularly as I feel that the community should not have to pay 50% of the '74 operating budget for such a program. At the time of writing, I have to report that the Metropolitan Conservation Authority has not yet been involved in spraying programs. However, I am now checking with the Metro Parks Department to see if it can assist. The Ministry of Agriculture does not have funds for a grant and I am advised that due to the hue and cry that was raised over the use of DDT, a good many chemical control programs have been abandoned. As I understand it, people are now having second thoughts, particularly because there never was any proof given of adverse effects of DDT on the human population.

When I have something further to report I will contact your Chairman, Al Hill.

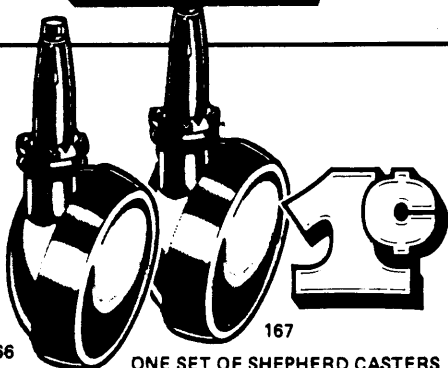

Youth by Larry Jensen

Students of Laurier Collegiate produced a very successful three night run of "Return to Vaudeville" on February 21, 22 and 23. There were songs, dances, old movies and skits under the capable direction of Mr. Laing and Mr. Ferens.

On February 15 Commencement exercises were finally held at Laurier. The Guildwood Village Community Association again presented two fifty dollar scholarships to outstanding students. This year they were won by Pamela McLeod and Michael Vogel. Mr. Al Hill, our Chairman, presented the awards on the Association's behalf.

All students are looking forward this month to their Winter Break, the week of March 18, which follows Exam Week March 8 to 15.

SPORTS

by Don McRobb

ICE RINKS

This year was a much better year for outdoor natural ice but there is still room for improvement. The unseasonable winters we have been having in recent years puts a little gloom in the hearts of the outdoors people. We hope those that took advantage of skating enjoyed themselves and assure you we'll be back next year.

BASEBALL

It doesn't seem possible that another year has gone by and soon another baseball season will open its spring training. In 1973 we had a very successful season with boys and girls enjoying the summer evenings while they were at home in the village. We would suggest that you complete the 1974 baseball registration form found in this issue at your earliest possible convenience, to avoid going over the cut-off date and missing out.

This year the boys' house league is comprised of 3 divisions, with teams in the Mites - under 9 years of age, Atoms - under 11 years and PeeWees under 13 years. The girls' house league has 2 divisions, Novice - 11 years and under and Bantam, 15 years and under. All games will be played in the village, behind Elizabeth Simcoe and Guildwood Schools, within easy walking, jogging and cycling distance for all the parents.

For those youngsters planning summer vacations, who feel that they may miss out, don't give it a second thought. Register now and play the duration of the regular schedule, playoffs will be arranged for later.

Trophies will be awarded to those players finishing first in the regular season play as well as trophies to the champions in the playoffs. All presentations will be made at the end of the season during wind-up celebrations.

If there are any questions, don't hesitate to call me, Don McRobb, at 266-3639 and for those parents interested in coaching - please call too.

GUILDWOOD COMMUNITY MIXED CURLING

by Bern Foster

Only a few more Curling Sundays remain before play-offs begin. The teams have changed some of their standings since my last report. You just never know how the game is going to end, and can never count score until the last rock has stopped moving. When a Skip yells "Take it off" you do not pick up the moving 44 lb. rock and carry it down to the end of the ice. We do have a lot of fun. I'm looking forward to our Banquet and Dance on May 3rd at Annandale Golf & Curling Club. If you'd like to join us give me a call, it'll be \$8.00 each for a good evening - Bern Foster 261-0615.

Sorry to see Gerry Piitz leave our group, but he's still curling with Tam Heather Club. Don Anco was good enough to come in as Skip and is doing fine.

Bowling

by Carol Butcher

The Guildwood Bowling League is starting their final series of the year. We have had another great bowling season and all are looking forward to the banquet on Friday April 26th.

Elections were held recently for the 1974-75 season and our new officers are:

President - Garnet Garrett
Secretary - Carol Orr
Treasurer - Eleanor Anco

We wish them well with their new duties.

MEN'S BASKETBALL

by Wayne Casselman

- Great way to keep in shape
- Sharpen your reflexes
- Increase your stamina
- Have some competitive fun

Saturday mornings - no experience necessary, only requirement is a pair of running shoes that haven't had much use lately, a middle-age spread or Molson muscle that you want to lose, and a towel for a shower to get rid of all that sweat you're going to give.

If interested call Wayne Casselman at 267-8025.

CHAIRMAN'S REPORT - Continued

Good Wishes to a few Guildwood residents

We wish Mrs Macher a speedy recovery. Many people I am sure have missed seeing her on Livingston Rd. each day going to and from the stores. Mrs Macher should soon be released from Centenary Hospital where she has been for the last month.

We welcome the Rev. Fraser Bournes and his family to Guildwood. He is to be the new rector of Holy Trinity Anglican Church.

A major Recreational Facility possible close to Guildwood

The Borough is in the process of acquiring the Campbell's Field for development of a major recreational facility. The Borough also plans to acquire the Campbell farm including the adjacent sugar bush, as these are now features of historical significance. The farm could serve a variety of uses, the most obvious of which is its continued operation as a farm for educational purposes similar to that of the Black Creek Pioneer Village Conservation area. Also, since the Craft Centre in Bethune Park is soon likely to reach its handling capacity, it is suggested that the farm could be used as another Craft Centre. It is rumoured, but not yet substantiated, that the Bay and Dominion Stores plan a major enclosed mall adjacent to the Campbell triangle at the corner of Eglinton Ave. and Markham Road.

Keep that bicycle - Scarborough Bike Path starts in Guildwood

A proposed Scarborough bike path will begin in the area of Heathfield Dr. Its route will be along parkland to Sylvan Park, where it will follow the Bellamy ravine north to Kingston Rd. and thence up to Lawrence Ave. This park should be a very pleasant pedal on a spring day. Also, if the Scarborough Expressway is approved, there will be a pedestrian-bicycle path system (approximately 8.5 miles long) constructed along with the expressway. The system would be in a park-like setting, linking many of the neighbourhood parks and schools.

With all these proposals I wonder whether the car may give way to the bike in the future?

LETTER TO EDITOR

February 5, 1974

The Editor:

Dear Lois:

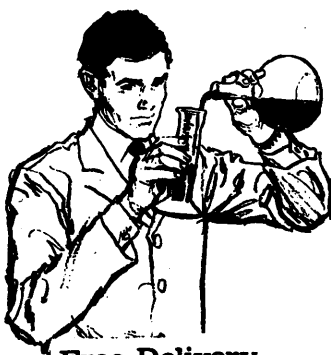

Your chairman, Al Hill, gave us all a little pride and something good to think about when he wrote about Guildwood being a "beautiful, peaceful and a very special home".

With that in mind there is a cost-free project all our residents could undertake to ensure it remains so. Let us add that little something extra to make Guildwood Village stand out with pride by instilling in our residents from age 4 (school age) all the way up the ladder, a sense of respect for each other.

It is our individual training in this good habit that will let our children walk to and from school without being physically harassed, that will let our teenagers walk in a village of peace and our senior citizens walk their streets without fear.

To the parents, teachers and understanding residents of Guildwood, give this project an honest effort. It will only cost your thoughtfulness.

Sincerely,
Francine Parry

editorial

by Lois Taylor

Space did not permit comments from your new staff last month. Needless to say David and Shirley Parker and I found out what our jobs entailed and appreciated our predecessors' work even more, once we had put that first issue together. Tom Nicholson's financial report showed our Association subsidized the paper by only \$132.00 last year. The cost of paper, as well as printing and advertising rates, has increased but Ed Wagner continues to sell advertising space to local merchants and because of their support we can continue to publish. Without them we could not. We ask you to give our advertisers your support, and please be patient with the local plaza parking mess - Spring is coming!

This issue finds your editor confined to barracks with some type of flu, but thanks to Mother Bell we made it to the printers on time. We are all extremely grateful for graphic help and know-how kindly given by Bryan Mills, a recent arrival to our area from Ottawa. Just compare the advertising with last month's issue and you'll see what we mean. We also want to publicly thank John Rowe for keeping the press rolling last month, and all our correspondents who keep you posted on what's what. Suggestions or articles for future issues will be gratefully received by your editor.

QUEBEC WINTER CARNIVAL - 1974 by R. Stephenson

Twenty-three Laurier students, Miss Stephenson and one parent were greeted with songs of welcome when they boarded the train for Quebec City Wednesday evening. Their fellow travellers were twenty-four bilingual students from Welland's Confederation High School, principal M. Giroux, tour organizer M. Dufour and their wives. All quickly became friends.

After a long train ride we arrived at the Villa Manrèse and rested up for the play, "Une journée dans la mort de Joe Egg", performed in French on Thursday evening at the beautiful new Grand Theatre in Quebec City.

The next day students trekked across the Plains of Abraham, scaled the walls of the Citadel, toured the Parliament building and Ice Palace and generally enjoyed the many aspects of Carnival. The day was rounded off with the discovery of pigs knuckles, tourtière and sugar pie as part of a typical French Canadian dinner following by dancing at a nearby discothèque.

Leaving the city next day to tour the Ile d'Orléans and the Montmorency Falls, all enjoyed the entertaining bus driver who included in his commentary various bird calls, impersonations, editorials and legends about the sights.

Sunday, students chose their own activities and some went tobogganing, others visited the car races, pee-wee hockey tournament and ice sculptures. A wide range of activities and sights were available free of charge and all close to each other.

A final party Sunday night at the Villa included games such as musical chairs, cards and songs. It was an early night since breakfast was to be at 6 a.m. next morning in order to catch a 7 o'clock train for Toronto. Only tentative farewells were exchanged at Guildwood since students from both schools were already planning their soonest possible reunion.

Say "Hi" to Harry Usher, our new resident "Traffic Director" at Livingston and the Parkway.

Guildwood Social Club

At our meeting on February 13th, the members made Valentines to send to the patients at Extendicare Nursing Home on Lawrence Avenue. They were very pretty with lots of lace and flowers. We had a member of the Lion's Club visit our meeting and he offered an invitation to our members to attend an evening of entertainment at Heron Park Community Centre on March 21st.

We are in the process of selling raffle tickets for a hand made woollen Afghan. This Afghan was made by four senior citizens and a lot of work has gone into it. The tickets are 25¢ each and can be purchased from Yvonne Gamey at 261-6573 Or Sheila McDonald 266-3557.

KEEP GUILDWOOD TIDY

VALENTINE DANCE by Penny Vardy Social Director

The Association's annual Spring event was held February 16th at the Guild Inn. A large crowd turned out and enjoyed an excellent meal followed by dancing to tunes, old and new. I would like to thank Faye Wadsworth and Lorraine Walker for their help in making the occasion such a success.

CHAIRMAN AL

IN AND AROUND GUILDWOOD
by Beryl Aird

News and Views staff have thought it might be interesting to do profiles of some of our neighbours. I felt a good place to start would be with Al Hill, not only because he is our Chairman but also because I feel that the Hill family typifies a good many Guildwood residents.

Al spent most of his growing-up years in Shawinigan, Quebec. Following this he attended McGill University where he graduated in Electrical Engineering. He worked for the Federal Government and Bell Telephone before being employed by IBM where he has been for the past 8-1/2 years.

Nancy, Al's wife, also graduated from McGill with a BSc degree in Nursing and later worked mostly with the V.O.N. They lived in Montreal, Toronto, Kitchener and for the past three years here on South Marine Drive. There are three Hill children - Kathleen 7, Jeffrey 5 and Julie 17 months.

The Hills lead a very full life. One senses a warm family atmosphere - they obviously have fun together. They are active at Church of the Holy Trinity where Al is on the Advisory Board and is Chairman of sidesmen.

Despite the young family, Nancy manages to fit in tennis and badminton as well as lending a helping hand in various activities. She is friendly and interested and must be very organized as the Hills are well known for their hospitality. The children are involved in swimming, hockey and Brownies.

When the plea for help for officers of the Association was made last Fall, Al responded and offered to be Treasurer (something he could do at home). He wanted to see the Association continue and to have a voice in keeping Guildwood the way it has been. At the end of the meeting he found himself to be Chairman.

Al says it has not proved to be the arduous task one might suppose as he has had wonderful help and co-operation from everyone. He has found it interesting and has been pleasantly surprised at how easy it has been to get people involved when personally approached. Actually Al has a quality of enthusiasm that is contagious. He is also diplomatic, business-like and good humoured. You know from reading the "Chairman's Report" how the Hills feel about Guildwood. They enjoy it more than any place they have lived and hope it will be home for a good while. We hope so too!

EASTER CANTATA

The choirs of Guildwood Presbyterian Church and Holy Trinity Anglican Church are uniting for the first time for a Good Friday Cantata on April 12th at 11 a.m. at Guildwood Presbyterian Church. Confirmation is being awaited as to whether or not it will also be sung that afternoon at Scarborough Civic Centre. The choir is under the very able direction of Mrs. Joy Gannicott. Joy is a very modest person, so we can only quote her, "don't say anything about me unless you want to say if anyone has any carrot-tops for our rabbit please bring them along to 22 Nuffield Drive". Well, Joy, we said it!!

APRIL 6, 1974

MARGARET BIRCH, M.P.P.
PROVINCIAL SECRETARY
FOR SOCIAL DEVELOPMENT

General Meeting: Tuesday April 16th, 8 p.m. LAURIER AUDITORIUM

AGENDA:

1. BUSINESS MEETING
2. MUSICAL ENTERTAINMENT BY THE JCKs
3. ADDRESS BY THE HONOURABLE MARGARET BIRCH
ON CURRENT ISSUES, CONCERNS AND ACHIEVEMENTS
4. QUESTION AND ANSWER PERIOD

CONSTITUTIONAL AMENDMENTS

Constitution changes submitted and agreed by the Executive of the Association at a meeting on March 19th, 1974.

The following amendments to the Constitution will be presented to the next general meeting of the Association:

1. Article II - AREA

Change from - "The area to be covered by the Association shall be the four quadrants of Guildwood Village, as officially registered with the Borough of Scarborough".

Change to - "The area to be covered by the Association shall be bordered on the South by Lake Ontario, on the east by the centre of Galloway Road, on the north by the C.N.R. tracks, centre of Kingston Road, and the top of the escarpment (whichever is more southerly), and on the west by Sylvan Park.

2. Article V - EXECUTIVE

Proposal to delete the words "who shall be a woman" following the title "Social Director".

3. Article VI - DUTIES OF OFFICERS

(e) The Sports Director shall be the ultimate officer responsible for organising and co-ordinating all sports activities on behalf of the Association. He may form sub-committees to carry out these functions and he shall be honorary chairman of all such sub-committees. He shall not act as coach or umpire for any sports activities without the prior approval of the Executive of the Association and in this event a temporary Sports Director shall be appointed.

4. Article VII - BY-LAWS

(b) (1), (2), (3).

Change from "The first Wednesday of" month.

Change to - "Within the first 15 days of" month.

5. Article VII - BY-LAWS

(n) The Guildwood News and Views shall be the official publication of the Guildwood Village Community Association. The staff of the paper shall be appointed as required by the Executive of the Association and Editor shall be invited to attend all executive meetings.

Al Hill reports

There are only three Association General Meetings each year, and this one promises to be interesting and entertaining for all. Laurier Auditorium will accommodate a large crowd and the seats are very comfortable. This is your chance to find out what's going on at Queen's Park and to strongly express Guildwood's needs. We sincerely hope that all 1,600 homes will be represented. Mark your calendar now and arrange for sitters (if required). Hope to see you all there

Your Association is working for you!

Look for the special report in this issue on what is being done for you by the Guildwood Village Community Association. This has been a very successful year. With your suggestions, ideas and support we can make it even better. So please look for, read and ponder the "Special Report".

Canada/Guildwood Day on June 22nd

Plan now to be around for this great day. Risto Puhakka is organizing exciting events for all ages.

Continued on Page 9.

WILL HAVE PREFERENCE.

FOR APPLICATION FORM AND FURTHER
INFORMATION, PLEASE CALL 438-7411.

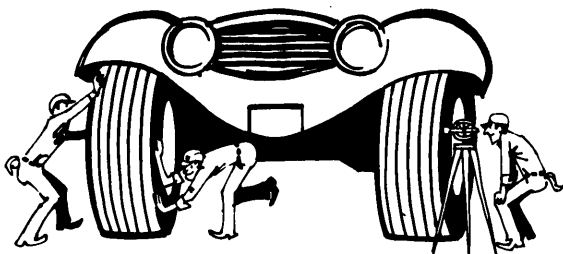

Alderman Fulton reports

On Monday, March 25th the subject of
traffic signals for Guildwood Parkway
and Livingston Road was again before
the Metropolitan Toronto Transporta-
tion Committee. On a split 3 to 2
vote the Committee voted not to in-
stall signals until such time as the
warrants were met. The whole point of
view with Metro has been that over
their required day-long study period
it will likely be a long time before
their warrants are met. The point is,
of course, for some hours each day
the intersection is now one of the
more hazardous residential inter-
sections in the Borough. The matter
will next move to the Metropolitan
Executive Committee for their con-
sideration and I have written to the
Committee asking to appear as a dele-
gation. I expect the final outcome of
this debate will not be known until
this item reaches Metropolitan Tor-
onto Council.

Due to the widening programme on Kingston Road, it has been necessary to review and consider a change of alignment of Eglinton Avenue at Kingston Road and other related operational changes, all in conformance with the Official Roads Plan. In order to improve traffic flow on Kingston Road and on Scarborough Golf Club Road, it is planned to realign Eglinton Avenue at Kingston Road to a point immediately east of Muir Drive and introduce a signal at Scarborough Golf Club Road and Kingston Road.

A median will be constructed between Markham Road and Guildwood Parkway with openings at Saunders Road/Guildcrest Drive, Scarborough Golf Club Road, Eglinton Avenue and Brimley Boulevard. The existing service road on the south side of Kingston Road between Markham Road and Muir Drive will provide access from the residential streets to the south. The Metropolitan Toronto Roads and Traffic Department advises that construction is planned to commence this Summer with completion scheduled for late Fall 1974.

The Scarborough Planning Board recently received the Consultants report dealing with the Kingston Road frontage between Bellehaven Crescent and Guildwood Parkway. One of the prime reasons for this study was an attempt to determine the best possible use of the vacant lands currently zoned for apartments, at 60 units to the acre, and highway commercial zoning. Of particular interest to the Guildwood Community is the parcel of land at the Southwest corner of Guildwood Parkway and Kingston Road. The existing zoning on the lands is highway commercial which could provide for yet another strip plaza. With the expansion of the Guildwood Plaza this is obviously not required or desirable. The Consultants are recommending that the lands be rezoned to provide for multiple family townhouse development. While there is not yet any special application for any development of these lands I would appreciate your comments on the Consultants recommendation.

If you require any further information on any of the foregoing or if I can be of any assistance on any other matter please call me at 438-7275.

School news

Support Red Cross Youth in the schools of Scarborough.

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

The winter holidays have passed, and the pleasures and shocks of Report Cards are almost forgotten as everyone prepares for a busy Spring Term. The now famous Baking Competition and Sale has reached its climax and the proud winners are happy to describe their culinary prowess.

Preparations are well underway for Education Week (April 22-26). This year's theme will be "The Child and the Environment". The school will welcome visitors each afternoon to observe the development of the theme. Open House on the evening of 30th April will provide the students with an opportunity to display the culmination of the work they have done during Education Week. We hope that all parents and members of the school community will visit the school sometime during this special period.

The House League continues to keep the various teams very busy with the Floor Hockey schedule. Purple and Gold Houses continue to battle for league leadership.

The following dates should be marked on your calendar:

Friday, 12 April, Good Friday - all schools closed

Monday, 15 April, Easter Monday - all schools closed

Thursday, 25 April - Professional Development Day - Public Schools of this area closed

Friday, 26 April - Movie "The Aristocats"

Tuesday, 30 April - Open House

GUILDWOOD JUNIOR PUBLIC SCHOOL

On March 12, our Girls' Gymnastic Team participated in the Scarborough finals at Stephen Leacock C.I. and placed second in the competition. Jayne McDonald won a first on the balance beam, a third in the floor exercises, a fourth in vaulting and was third in all round performance. Congratulations Jayne

on a very fine effort! Karen Koch did very well in the balance beam event and earned second place. Other members of the team are Kim Ferguson, Wendy Williams, Leslie Smith, Tracey Ferguson and Jackie Campin. Thank you girls for all your work in gymnastics this year. To Mrs. Heinze, the team coach, and to Mrs. Bjerring who assisted in the coaching, congratulations and thanks for all your hard work.

Two House Leagues are in full swing this month. Thirty-three girls are happily involved in volleyball supervised by Mrs. Harrison and Mrs. Teather. Sixty boys are showing keen enthusiasm for their floor hockey games under the watchful eyes of Mr. Rickard and Mr. Smith.

The annual chess tournament will be held at Norman Cook P.S. on Monday April 1st.

Open House is scheduled for the evening of Monday, April 8th. Pupils will again act as hosts and will conduct their parents on a tour of the classrooms.

We are planning a Talent Night during Education Week, on Monday, April 22nd. To date there are approximately two hundred pupils who will perform in some capacity.

ST URSULA CATHOLIC SCHOOL

by Mrs. P. Fitzpatrick, Principal

The Prologue to the Performing Arts recently presented the pantomime "The Clown of Hearts" to an enthusiastic group of students from the primary level.

On Ash Wednesday Miss Richardson's class started the Lenten season by attending a special Mass at St. Martin de Porres Church. Special thanks are due to the mothers who assisted in driving the students.

The first session of the Arts and Crafts programme has been completed. The following options were offered: wood relief carving, puppetry (marionette-type), film making, knitting - loom-weaving, crochet, needlepoint, Swedish huck-weaving, crewel, paper mâché (maracas), flower making (using various media), macramé, dolls' clothes, banner-making, rug-making (both latch-hook and punch needle), rug-hooking, cross stitch, mosaics, paper sculpture, weaving on looms, film anim-

ation, lino block printing, paper animal sculpture and stained-glass vases, knitting.

One of the many advantages of this programme is to teach the children how to re-cycle used and left-over materials.

The adult Arts and Crafts session has been in progress since Feb. 12th. The wide variety of crafts offered seems to be very popular with the ladies in the community.

The Parent-School Committee held a very successful dance in St. Boniface Parish Hall. Mrs. D. Labadie, Mrs. L. Gillespie and the dance committee are to be commended for this most enjoyable evening. The results of this endeavour will assist various projects throughout the school.

The pupils in Mr. Boyle's class spent two very worthwhile days at the Metropolitan Separate School Board audio-visual department learning the technique of T.V. film making. This included producing, filming and scripting a T.V. programme.

Under the guidance of Mrs. Lane the children in Primary 2 are preparing for First Holy Communion.

Pre-school registration has been scheduled for Wednesday April 17th from 9 a.m. - 12 a.m. For further information phone St. Ursula School - 267-8416.

At present the students in Senior Kindergarten and Grade 5 are planning a trip to the Bruce Mills Conservation area to observe the making of maple syrup.

One of our students, Roddy MacDonald has won his first bout at the Cabbagetown Boxing Club by a technical knockout in the first round. Roddy, a member of the West Hill Boxing Club, is trained by his father, Mr. Hugh MacDonald.

Miss Metzger's students survived the rigours of pioneer life in Huronia. Conditions were more primitive than they had ever experienced, with only a wood-burning open fireplace to ward off the chills of a 30° below zero night. Because of the limited selection of food and the absence of the supermarket and variety store, the students appreciated the delicious home-cooked meals prepared by Madame Di Mambro, especially when they became aware of the difficulty in producing such meals over an open fireplace. Radio and television were not missed as the students made their own entertainment, playing soccer under the stars and snow-shoeing with Mr. Bob Ferguson, the religious education resource teacher, through the Wye Marsh.

Those homely forgotten chores of wood-chopping, floor-sweeping and washing in cold water brought a healthy appreciation of modern comforts and a deep respect for those who had spent their whole lives under such conditions. The students developed an awareness of the importance of co-operation, respect for others and the need for harmony and mutual support.

JACK MINER SENIOR PUBLIC SCHOOL
by G. Gardiner, Vice Principal

During the week previous to the March Winter Break, all students from our school had the opportunity to visit the Laurier Pool for a one hour swimming lesson. We were fortunate to have access to the pool facilities while the collegiate students were writing their examinations. Our thanks are expressed to all persons who made the swimming instruction a valuable, enjoyable learning experience.

At our last assembly, tab awards were presented to students who this year were members of inter-school teams, presented topics in the oratorical contest, capably assisted in the library or performed as referees in the houseleague activities. Recognition was also made of all classroom winners in the houseleague programme. At this assembly, our principal, Mr. Allen also revealed plans to award a new crest to successful participants in the "Hundred Mile Club". A measured course will be marked out; students will run this course, on their own time, until a distance of 100 miles has been compiled. Those who manage to complete this distance will then be presented with their crests. Participants in the "Hundred Mile Club" will have an excellent opportunity to improve their own physical fitness and also get in shape for the track and field competitions to be held at Birchmount Stadium June 6. Hopefully, with the enthusiasm of all concerned, Jack Miner Senior Public School will be able to improve on the fine showing of last year.

On Tuesday morning of last week, students and teachers of the grade eight classes visited the Planetarium. All agreed that it was a most enjoyable, informative excursion.

A representative from the Ministry of Education presented three students with tape recordings of the radio programme on which they appeared. The programme, "Catch 203", was a panel discussion about various aspects of the "energy crisis". Congratulations are extended to Susan Morin, John Empey and Larry Sullivan.

- a date to remember
On Tuesday, April 30 from 7.30 to 8.30 p.m., there will be a gymnastic and dance demonstration in

our gymnasium. A silver collection will be taken with proceeds to go towards the purchase of leotards for girls of the school.

SIR WILFRID LAURIER C.I.

LOOK-IN ON LAURIER by L. Shepherd

On Friday, April 26th, Sir Wilfrid Laurier Collegiate Institute will be hosting the 5th Laurier Look-In commencing at 7 p.m. The evening provides an excellent opportunity for every member of the community to see first-hand the activities and accomplishments of Laurier's students. In previous years Look-In has been an extremely successful event but this year promises to be the best to date.

The Art rooms will feature students working at their various assignments including printmaking, ceramics, sculpture and figure drawing and painting with a live model, at which visitors are invited to participate. The "Art Gallery" will feature a preview of work, which the students will be presenting for the first time ever on the main floor of the Scarborough Civic Centre in the month of June.

The Home Economics students will demonstrate their talents by holding three fashion shows with the warmer weather in mind. Their theme being "Sew Inspirational Fashions of Spring 74". They will also be serving coffee and cookies for visitors.

"Chez Alice", the previously popular French Cafe will also re-appear, where one may enjoy French cuisine and drinks while relaxing to the live entertainment of guitarists and singers in a subdued French atmosphere. However, if you prefer to listen to music in the absence of food, music students will be entertaining with ensembles and solos.

For the Science fans there will be exciting displays and activities in the fields of Biology, Chemistry and Physics, including Laurier's first Science Fair where students will show their own individual exhibits and hobbies.

The Technical Department has many fascinating and mind-bending displays including a life-size display of sections of historical structures such as a 12th Century English castle, an Egyptian tomb and a 14th Century English town house.

At the time of writing exhibits and displays by the other departments are still in the planning stages. Musical entertainment by "Kaleidoscope" in the Auditorium will conclude the evening.

It certainly appears that Laurier's Look-In will be a tremendous success and well worth a visit by everybody. Admission price is only 50 cents, and everyone who purchases a ticket will be eligible for the draw prize - a hind quarter of beef. At today's prices that has to be an additional bonus. So why not go and "Look-In on Laurier", Friday April 26th at 7 p.m. You won't regret it. See you there.

LAURIER C.I. - GIRLS PHYSICAL EDUCATION by Mrs. Carol Grosdanoff

Laurier Girls Inter-School Teams have had some fine athletic showings so far this year. Both junior and Senior Girls Volleyball Teams, although not winning the Scarborough Championship played well and showed that they will be strong contenders next year.

The Grade 9 Girls Volleyball Team swept to the Scarborough Championship against 12 other schools in a Tournament held at Laurier.

The Girls swim team with their new ethic of working as a team rather than as individuals succeeded in attaining second place in the Scarborough and 6th place in the all-Ontario swim meet.

The Gymnastics team has been working morning and night polishing off their routines in preparation for the Scarborough meet which is to be held at Scarborough College April 9th and 10th.

Inter-House Gymnastics was extremely successful. It had to take place over three nights so that all participants would have opportunities to compete.

Both Inter-House and Inter-School Badminton has caused a lot of spirit and excitement lately. Girls are competing for their houses in extraordinary numbers this year as compared to others. A special Invitational Badminton Tournament is being held here at Laurier, March 27th to help prepare competitors for the Scarborough Co-Ed Meet to be held at Scarborough College - April 4th.

The Girls Track & Field Team is looking for some good weather for outdoor practice but until then the long Laurier halls and stairs are providing a stop-gap. The Co-Ed Track Meet will take place at Birchmount Stadium on May 16th.

3RD SCARBORO "A" CUB PACK by Bern Foster

We now have a large family of 43 Cubs. They are all eager workers and anxious to learn. Another Cub, David Schachow has completed his Five Stars and was awarded a Cub Shield. This gives us a total of six Cubs with all Five Stars. Plans are in the making for another overnight at Don Anco's cottage in May. We hope to enter some Cubs in an East Scarboro Swim Meet on Saturday, May 4th at Cedarbrae Collegiate. Also the Pack will be taking part in a District Cuboree on Saturday, June 1st, at Morningside Park. This will be a great way for the adults to see approximately 800 Cubs and Leaders having a real fun day. Registration is now being collected, \$6.00 per boy, for our re-chartering on March 31st. This money is all sent to Toronto Region Headquarters, to be distributed in many ways for total Scout Work and Insurance coverage. The Cubs will be out on Saturday, April 27th for their annual Apple Day. Looks like a busy and exciting time ahead.

OUR TEEN-AGE MUSICAL GROUPS

by Beryl Aird

I wonder how many of you are aware that we have three very promising teen-age musical groups in Guildwood - the JCKs, the Teen Handbell Choir and Kaleidoscope.

The JCKs, a folk music group, was started over a year ago by Rev. Watt, former minister at Church of The Holy Trinity, and Deirdre Walcott. There are now seven other members - Diane Parke, Sharon Vardy, Linda Aird, Connie Davis, Phil Claxton, Graham George and Barry Jones. They range in age from 14 to 16 years.

The group has four guitars and all are singers. They make their own arrangements, write some of their own songs and all have a turn at introducing numbers.

JCKs perform at two Young People's services a month and also have entertained at Nursing Homes and Hospitals. They recently gave their first professional (paying) performance at Oshawa. You will be able to hear them at the April Community Association Meeting.

The Teen Handbell Choir of Guildwood Presbyterian Church started two years ago and now has nine faithful members under the direction of Mr. Bill Siddall. The choir uses 25 Schulmerich (American) handbells which play two octaves. They play in church and have performed for several Hospitals and Nursing Homes. The group are aged from 12 to 18. Players are Jane MacDonald, Nicola Parker, Jane Saltmarsh, Carmyn and Craig Siddall, David and Paul Fish and James and John Penner. You can hear this choir at the rendering of the Easter Cantata at Guildwood Community Presbyterian Church on Good Friday at 11 a.m.

Kaleidoscope, the third group (formerly called "Facts of Life") has only been together since September. They are Laurier C.I. students directed by teacher Mr. Jack Laing who also plays with them. They play almost every type of music.

"Kaleidoscope" has at least 10 different types of instruments, including steel drums, electric piano, conga's and guitars. Most members play more than one instrument and there are five singers and three dancers.

Members include another teacher, Mr. Bob Taylor, Beth Park, Laura Flanagan, Janet Day, John Chenard, Donny Doling, Paul Haffenden, Tim Carrol and Bruce Campbell.

The group has already had a number of engagements as well as playing at the Laurier Variety Night, and are booked heavily for April and May. These bookings include a professional one at the "Broom and Stone" and a tour of school assemblies at Ottawa and surrounding communities. They will appear at the Laurier Look-in later in the year.

The enthusiasm and dedication of these young musicians is wonderful to see - do make a point of going to hear them!

ERNIE YOUNG SERVICE CENTRES LTD. 70 GUILDWOOD PKWY. 267-1861

we keep the village on wheels

Margaret Birch mpp reports

I'm sure most of you have read or heard of the recent Ontario Cabinet changes made by Premier Davis. Seven new ministers were added to the cabinet, five were dropped and seven moved to different portfolios.

I have been moved from the Youth Secretariat to the post of Provincial Secretary for Social Development. This will mean added responsibility, as the social development portfolio will co-ordinate our efforts in the areas of health, education, universities and colleges, community and social services and the youth secretariat. My new phone number at Queen's Park is 965-6502.

It means a greatly increased work load but I am still available to try and solve any problem the residents of Guildwood Village may have. I will still be in the Aid Centre at No. 1 Greenholm Circuit each Monday night from 7 to 10, if you wish to see me personally.

This is a special note to senior citizens who read the Guildwood News and Views. If you are 65 or over you are entitled to greatly increased Ontario tax credits for 1973. In order to obtain them you must file an income tax return by April 30. If you wish additional information or you need help in filling out your tax return I have arranged for an accountant to assist you with your return. He will be at the Aid Centre most Monday nights but it is best to phone 439-1113 for an appointment. There is no charge for this service.

(Ed. Note: The above note was received by us before Mrs. Birch was asked to speak at the Association general meeting. We congratulate Ontario's first female Cabinet Minister on her new appointment.)

BROWNIES AND GUIDES

Cookies will be delivered to those who placed orders any time now. Please have the required change ready if possible to facilitate deliveries by our young sales girls. Thank you one and all for your support.

With the coming of the good weather some of our companies will be off to camps for the week-end.

'Nuts 'n Bolts 'n Things'

"Let's have it Again!"

"Children's Television from a 'religious' point of view"
"Razzle-Dazzle" with a Sunday School twist".
"Mr. Dress-Up" with the Bible".

These have been some of the many comments made concerning 'Nuts 'n Bolts 'n Things'.

The programme was originally done in Wingham, Ont. by Mr. Fish and his congregation for the local T.V. station.

The present series of 13 programmes was produced and financed by the

Scripture Union of Canada and the Presbyterian Church of Canada. Co-producers were Maurice Eastwick and Rev. Gordon Fish. Video-taped in Guildwood Presbyterian Church Hall during last winter's mid-term break, the programmes have been seen commercially on Channel 11 (Hamilton), in Calgary and Peoria, Illinois.

The series has been through one run on Channel 10 and now has been asked for again. Some of the local people in it are Mr. Fish, Joy Gannicott, Jamie Penner, Andrew Knautz, Paul Fish and even the Fish family's poodle 'Peppe'.

"nuts 'n Bolts 'n Things' can be seen on Wired City (Cable 10) at 11 a.m. Sundays or 4.30 p.m. Mondays. Great for kids of all ages.

CHAIRMAN's REPORT Continued

Thanks for your many interesting letters

Pam McLeod and Michael Vogel have written to thank the Association for their scholarships. They both intend to use this award to further their educations.

If there is any matter on which you would like your Association to take action please jot it down and send it along to me.

To Be or Not To Be Bitten by Mosquitoes?

We are in the process of getting quotations on controlling these pests. We still hope that the Province and/or Borough will assist us in our dilemma. Two quotes have been received to date, both including the total area now covered by the Association (west of Bethune to Sylvan Park).

Both advocate the same method. Larviciding is done once or twice in early spring by scattering a granular substance in all pools of stagnant water or wet areas. This should kill all eggs before they hatch and if done efficiently about 70% of the battle is over. (please advise me if you know of any especially good breeding grounds in case we use this treatment). Larviciding would be followed by weekly spraying from May 21st to July 12th, using an ultra low volume of two insecticides electrically propelled from a vehicle travelling at 10 m.p.h. This is effective for a distance of approximately 25 feet and the vehicle would cover each side of every street. There is no noise or odour, and it is a clean, non-staining operation using Vapona and Methoxychlor. The latter has a residual effect lasting about 2 weeks. Unfortunately only the front yards can be treated as the additional cost of covering back gardens would be prohibitive compared to the additional benefit gained (on an individual basis the cost would be \$10 per treatment per yard).

An alternative method which has been used here in the past is "fogging". It is more reasonable than the above and all insects contacted are killed. However, there is no residual effect and within 48 hours the mosquitoes are back. Fogging is most effective at campsites and cottages, where nightly spraying is done. A malathion solution can be applied to shrubs weekly during the early summer. It is readily available, reasonable and recommended.

We will be obtaining further quotes from as many sources as possible and would appreciate your views. We understand that several research grants have been made this year to promote new methods of insect control in Ontario. Mrs. Birch is checking on our behalf but if anyone has any other ideas please let me know.

Ed. Note. See article on the Purple Martin, page 11.

Anyone for a "Dial-a-Bus"? Tid-Bits of News

The following are bits of information as yet unconfirmed. If anyone knows anything for a fact please tell me.

1. I understand Guildwood is one of the areas being suggested for a Dial-a-Bus Service.
2. There is a possibility of medium capacity rapid transit along Eglington.
3. Hearsay is that the Balmoral Estate town houses at the foot of Livingston are going condominium, and will be sold to residents, possibly for around \$57,000. We understand present residents have been given a one year lease after which they must purchase or vacate.

Calling any New Resident!

Look elsewhere in this issue for a report on the Social Action Committee. If you see a moving van on your street call Penny, Lorraine or Faye, all of whom deserve much credit for an excellent job of organization.

The Guildwood News and Views - A Handy Tip

Keep your "News and Views" handy by your telephone and support our advertisers. You'll probably be surprised how often you want something and a potential supplier's number is in this paper.

How is this country run? - An education for all children!

I strongly recommend a trip to Ottawa for anyone with children. During the school break we completed such a tour. Call Reg Stackhouse, our M.P., for passes to the "member's gallery". This and a visit to the "Museum of Science and Technology" (very different from Toronto's Science Centre) are unforgettable educational experiences. Older children (especially boys) would like the War Museum and the Aeronautical Museum at Rockcliffe.

Finally please don't forget

Margaret Birch and the JCKs on Tuesday April 16th at the Laurier Auditorium at 8 p.m.

CHILD GUIDANCE COURSE TO BE REPEATED

Miss Jeanne Ball of the Scarborough Department of Health will conduct a second 10-week series of sessions to help local parents cope with children of all ages. The first series was very successful and popular.

The course will again be based on Dr. R. Dreikurs' book "Children the Challenge" and include discussions. Commencing Thursday April 25th, ten sessions will be held at Guildwood Community Presbyterian Church on Thursday afternoons from 1.15 to 3.00 p.m. Pre-register at 438-7461 as only a limited number of parents can be accommodated. A fee of \$1.00 will be charged for the complete course.

**SOLTY'S

CALLING ALL CARTOONISTS

A Competition is being held this month for a cartoonist to brighten the "News & Views". Whether you are an aspiring cartoonist - you have to start somewhere - or a failed cartoonist (so you lost your job to Ben Wicks) - we care not. Just submit your work to the Editor, 20 Regency Square, before April 24th (copy deadline for May 4th issue). Art work should measure 3-1/2"x 3-1/2" and be in black and white.

Prizes: 1st - Publication of your work at no charge and further offers of producing unpaid work for the News & Views!

Runner-up - Two free tickets to baseball game of your choice in series played by the Community Association, and offer of doing further unpaid work for the News & Views!

MEMBERSHIP REPORT by Faye Wadsworth

We did it! We have over 800 members with still 9 canvassers to be heard from. Would those 9 canvassers please send in their money and lists as soon as possible as I am planning a coffee night for all the canvassers to congratulate them on a job well done. The date is Wednesday April 24th from 8 p.m. to 10 p.m. at my home.

If you were missed when the canvasser called please send your \$5.00 to me at 191 Toynbee Trail and I'll send you a membership card by return mail.

DR. CHARLES HEFFERNAN

Professor of Music

Piano & Voice

Guildwood Village · 267-8721

Editorial

The masthead reads "Guildwood News and Views". We have a fine group of regular contributors of News but aside from the Association Executive - mainly Al Hill - we seldom have any 'Views' to print. How about it? A pleasant exception this month was a letter from Mrs. Lois Brown advising us that she and each of her grade 3 & 4 pupils at Guildwood Public School had written letters to Metro Chairman Paul Godfrey protesting the proposed Zoo admission prices. Copies of her letter were circulated to Toronto and Scarborough newspapers. We noted it in the Mirror and were ready to print it and her letter to the Editor, when the Zoo Board of Directors announced that \$5.00 per family would be charged when the Zoo opens on Aug. 1st. Season and group rates will also be available. Everyone who complained, including Mrs. Brown and her students, must be pleased by this news.

Now let's all write a letter to Ed Fulton to help him fight for the stop-lights at the Plaza corner.

Circulation for this issue will be 2,150. Please note that it is printed with a different type-face, this column is different again and our original type is used in the Baseball Registration form. Which of the three do you find easiest to read? Comments to Editor may be sent to 20 Regency Square.

IN AND AROUND GUILDWOOD by Beryl Aird

How did the young people of Guildwood who remained at home during the Winter Break amuse themselves?

I thought it would be interesting to find out, so conducted a poll of families from different areas of the village. At first I divided it into three different age groups but abandoned that when it developed that, on the whole, all ages were enjoying more or less the same activities.

For the boys, Hockey was the big thing - in the rinks, on the road, in the basement or as a spectator. There were some league games going on but most of it was just getting together with friends and having some fun. Some made up teams and rented ice-time at Heron Park Arena. One group of older boys had the ice from 1 a.m. to 3 a.m. one morning!

Every young person interviewed had at least one special outing and some had several. Almost everyone saw a movie - there was a good selection showing. The Sportsman's Show and the Dinosaur Display at the Museum were the most popular events of that sort. Smaller numbers attended the Science Centre, Planetarium, libraries and the Nautilus Arts and Crafts on Old Kingston Road (a new name to me - enjoyed by the children who went.)

Then there was bowling, ice-skating, roller-skating, skiing, motor-cycling, judo and swimming. The number swimming at Laurier was surprisingly small. Some hardy little boys were playing baseball and riding bikes.

Most families went to a shopping centre - the entertainment at the Town Centre was a big attraction for all ages.

Older teen-agers were out in the work force in large numbers. There were house parties, various gatherings of friends eating at MacDonald's as well as the previously mentioned activities.

In most cases a lot of time was spent at home just "doing their own thing" - having playmates in, sewing, practising music and watching T.V. Sleeping-in and just generally relaxing were appreciated. There were also visits with friends and relatives in other communities.

The Star ran an article on this subject last week and my findings differed from theirs in several ways. Firstly, a much wider field of activities was mentioned in Guildwood and there was no evidence here that young people were spending most of their holiday hanging around shopping centres. Also, apart from some children shut in with colds and a few whose friends were away, none admitted to being bored. In addition, none complained about the weather - apparently they had expected it.

One is continually hearing that there isn't enough for young people to do. As you can see this is hardly the case in our little corner of the world.

PLAZA NEWS

We have been in touch with a spokesman for the Developer, and construction is now proceeding as rapidly as possible. They are hopeful that most of the stores in the new extension will be ready for tenant leasehold improvement work by April 15th. (Translation - the merchants will be putting up shelves, displays, counters and stocking their premises etc.). Many will hopefully be open for business Monday April 22nd. Our new library will have the following neighbours: Becker's Milk, Small World Children's Wear, Dantelli Clothes (Menswear), Village Pet Shop, Nino & Vincent Hair Stylists, Parkway Travel Agency and a Fast-food Take-out Service (Hamburgers, hot dogs, pizza etc.)

Loblaws will be ready approximately a month later. No data is available at this time as to how long it will take to stock this store, but we hope it can be done quickly. It will certainly be great when everything is finished!

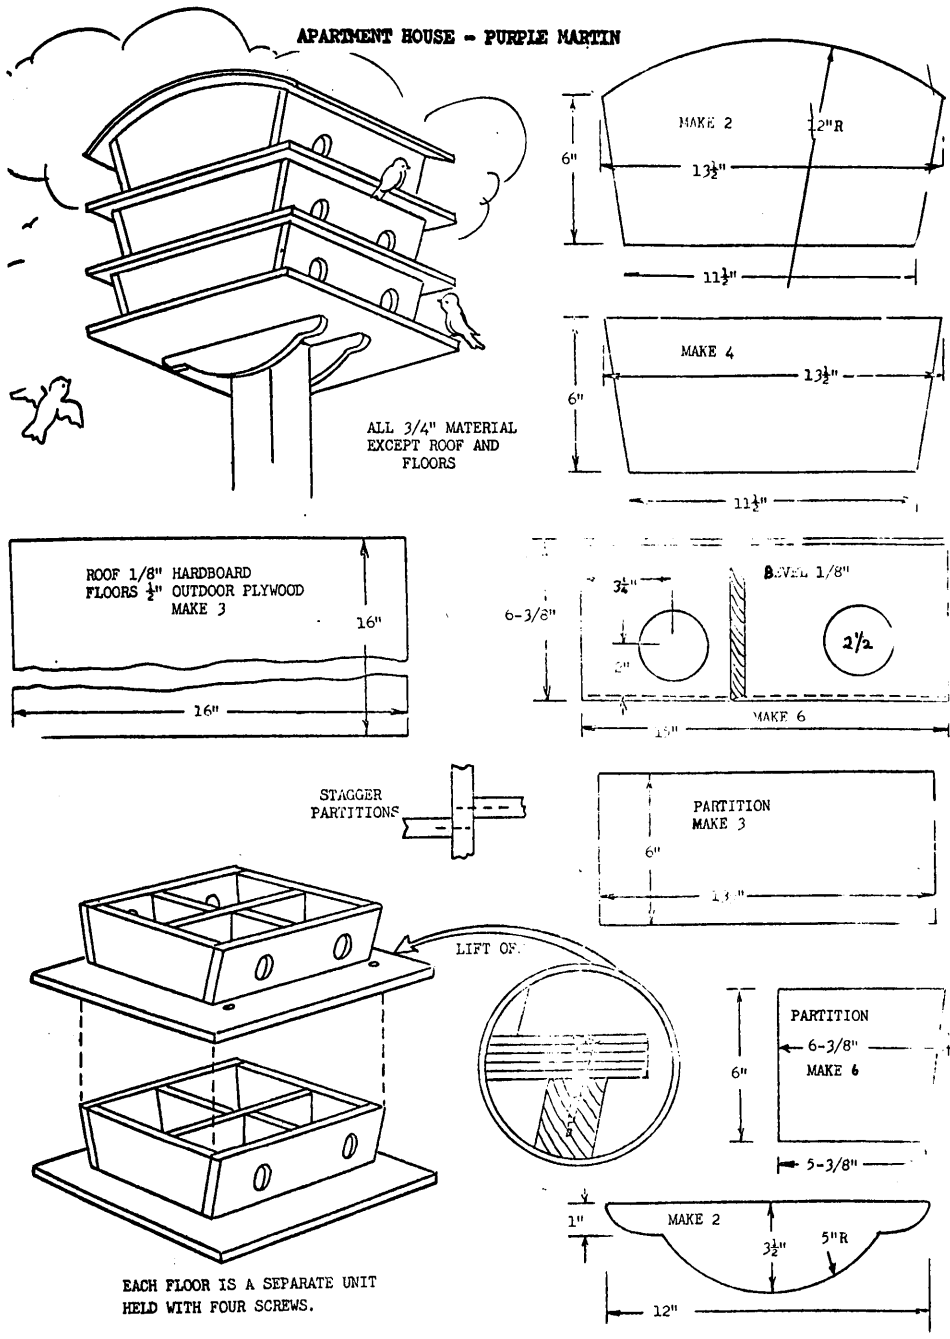

ART RETURNS TO THE GUILD INN

An interesting art exhibit will take place April 18-20 in the Banting Suite at the Guild Inn. New residents to Guildwood, Eleanor and Leon Hubley have started the Dauphin Gallery as a hobby. The artist featured is Horst Guilhauman whose work has captured the spirit and simplicity of Waterloo County and the Mennonite community. Born in Eastfriesland he now lives and paints in Waterloo in a fieldstone farmhouse built in 1853.

We are pleased to announce the appointment of Mr. Murray Whatmough to our sales staff. A resident of Guildwood Village for the past 15 years, he will be anxious to serve his many friends and neighbours. Murray will be selling the fine line of Chevrolets, Oldsmobiles and Cadillacs and, should you be considering a new or used car, purchase or lease, please call him at 481-5111 (office) or 267-9315 (home).

Parkwood Central Ltd., 2400 Yonge Street, Toronto

Federation of Ontario Naturalists

1262 DON MILLS ROAD

DON MILLS, ONTARIO

THE PURPLE MARTIN

This bird, the largest member of the Swallow family, may be a possible solution to the "mosquito problem" of Guildwood Village. Edmonton has installed special Purple Martin houses in local parks in an effort to control insects. Residents in Claremont are also involved in a similar programme. The Purple Martin nests in single pairs, within large groups. Many today nest in man-provided Apartment Houses similar to the plans shown.

The birds feed entirely on insects which they catch on the wing, and it is said that each bird eats its weight in flying insects every day. By erecting suitable houses we might induce these fine swallows to spend their summers in our gardens. Their graceful flight, pleasant voices, gentle ways and beneficial food habits make them a real asset. Starlings and House Sparrows will compete with them for nesting sites, therefore Purple Martin houses should be taken down in the Fall and not put up until the Martins return each Spring.

Field Marks - 7-1/2" - 8-1/2". Our largest Swallow. The male is uniformly blue-black above and below. No other Swallow is black-bellied. The female is light-bellied, sometimes with a faint collar around the back of the neck.

Guildwood Social Club

by Shiela McDonald

On Wednesday March 13th we had an auction of articles which were donated by members of the club. The proceeds from this Auction will go towards our bus trip in June.

On March 20th the Senior Citizens were entertained at a Variety Night held in the Heron Park Community Centre. Refreshments were served at intermission and everyone seemed to enjoy the performers. Community merchants donated some very nice door prizes and many of them were won by our group. This evening was made possible by members of the West Hill Lions Club and their wives and we would like to offer our thanks to them.

Wednesday March 27th was a busy day as thirty-three members turned out a lovely collection of gift card-holders, using tin cans, string, fancy paper and plenty of ingenuity. The judges, Mr. Victor Powell and Mrs. Shirley McDonough, awarded 1st prize to Mrs. Alice Keiller and 2nd prize to Mrs. Doris Robinson. Afterwards, all the holders were taken as gifts to Guildwood Villa by Mrs. Betty Robson. One of the better-known guests presently at the Villa is Mrs. Macher.

Volunteer Drivers are always welcome. For further information call Yvonne Gamey at 261-6573 or Shiela McDonald at 266-3557.

April is campaign month for the Canadian Cancer Society. Please give generously to your canvasser and help prove that :
CANCER CAN BE BEATEN.

Library news

When the Guildwood Branch of the Scarborough Public Library opens, (tentative date: Monday Apr. 22), it will be the eleventh public library in the Borough.

The Library Administration is extending an invitation to interested community residents to attend a meeting to form an Advisory Group for the Guildwood Library. It will be held on Wednesday, Apr. 10, 8 p.m., at the Cedarbrae District Library, 545 Markham Road.

It is hoped that a representative community group will give specific suggestions as to the collection, as well as help to develop effective activities, programmes and exhibits for their new library. The Administration welcomes this direct input from residents of the area.

The Advisory Group will also be able to assist with plans for the Open House of the Guildwood Branch planned for early in May.

The regular hours of the new library when opened will be Monday to Friday 12.30 p.m. to 8.30 p.m., and Saturday 9 a.m. to 5 p.m. The phone number will be 266-4787.

COMPETITION - LIMERICKS

Most people can write Limericks and there are millions of them. We do not have any pertaining to Guildwood. You are invited to submit entries which begin -

"There was a -- -- of Guildwood"

The high moral tone of the News & Views will prevent us from printing certain obvious rhymes. Submit entries to the editor before April 24.

Prizes: 1st. Publication at no charge of work, and a year's free subscription to the "News & Views".

Runners up - Two free tickets to Laurier Pool

There was an old man who averred
He had learned how to fly like
a bird
Cheered by thousands of people
He leapt from the steeple -
This tomb states the date it
occurred.

SPECIAL REPORT by Al Hill

Your Association and You!

There is a dual motive to this special report:

1. To make sure that you are aware of what the Guildwood Village Community Association is doing, since it is your time and money which is making this year so successful.

2. Although more than half of the residents are members many have not yet joined. We want you to know why we are asking for 100% support and that you have the opportunity to join. We appreciate the tremendous job our canvassers have done but are certain that there were houses where no-one was at home. I also realize that it is sometimes hard to give a positive response, just before payday, to a surprise visit asking for \$5.00, no matter how worthwhile the cause. Rather than ask our volunteers to return we would appreciate you sending your membership fee of \$5.00 to Mrs. Faye Wadsworth, Membership Director, 191 Toynbee Trail or call Faye (264-4430) or Al Hill (261-5143) and we would be pleased to pick it up and give or mail you a membership card.

At this time I want to thank those who for personal reasons or due to pending moves made donations rather than joining. This type of action gives one a very warm feeling - thank you!

The prime objective of the Association is to keep Guildwood the best home in the world for all of us. To some extent we are working very hard with the young but at the same time we are very concerned with protecting the adult interest and investment in our Community.

The objectives of the Association as defined in our constitution are:

- (a) to foster the betterment of conditions within its area
- (b) to co-operate and negotiate with other organizations and with Municipal officials on broader issues.
- (c) to promote community activities.
- (d) to always act without political bias or affiliation.
- (e) to promote greater interest and participation in Municipal Affairs.

We are part of Metropolitan Toronto but here in Guildwood we have all the advantages of a small town. By far the greatest advantage is to have your neighbour as your friend. The new Social Action Committee will strive to make newcomers feel that Guildwood is immediately their home.

We attempt to provide for all residents. Sports for all ages. Excellent shopping, recreational and library facilities; controlled traffic and safe streets; good schools and quiet neighbourhoods. All of these are extremely important and do not just happen. A strong, dedicated Community Association is vitally important for their development and continuation. Therefore we sincerely ask for your support.

Please act now if you are not a member. Call Al (261-5143) or Faye (264-4430). Thank you very much!

SOCIAL ACTION COMMITTEE

Penny Vardy, Lorraine Walker and Faye Wadsworth, all members of the Association Executive, have organized this committee. They have collected and packaged numerous booklets and information from various municipal and community organizations and services. The official aims of the group are as follows:

1. To attempt to contact each new resident in the Guildwood area and provide them with an information package and advice on local facilities.

2. To provide service or refer to appropriate agencies in cases where help is needed.

3. To inform new residents about the Guildwood Village Community Association and invite them to become members.

4. To arrange and invite new residents to a social evening twice each year, in May and November.

5. To collect names of members of the Association who will volunteer to help provide emergency transportation, baby sitting, day care, visiting and other services for senior citizens and others requiring help.

An official welcome complete with names and telephone numbers of organizers of local activities has been prepared, and Chairman Al Hill has outlined the Community Assoc. objectives and described how the Association acts to protect and further the interests of the residents. Space does not permit us to re-print either letter here but they should impress future newcomers very favourably.

The following is of general interest to all residents:

For information on pre-school and public school-age children's activities and baby-sitting service:

Elizabeth Hogle	261-7828
Faye Wadsworth	264-4430

For information on activities for older children and adults:

Jennie Lane	267-7487
Penny Vardy	261-2683

For information on emergency transportation, shopping and visiting service for older residents:

Jackie Schermerhorn	266-0519
Lorraine Walker	266-1523

For any other information, advice and any comments or suggestions you would like to make, please do not hesitate to contact any of the above committee. Additional volunteers would be more than welcome.

Correction:

Re the proposed loudspeaker system at the GO Station, comments should be mailed to:

Church news

HOLY TRINITY CHURCH by Rev. Rhodes

March has been a busy month, starting off with two very significant occasions on the same day. Bishop Read officiated at the confirmation on the morning of March 3. A new order of service combining baptism and confirmation was used, during which one of the candidates was baptized before making his own profession of faith with the others.

That evening, the Rev. Fraser Bournes was inducted as rector of the parish. There were former parishioners of Mr. Bournes present who had come from as far as Brampton, as well as those from Markham and downtown; in addition to the officiating clergy, many others were in attendance. The preacher for the occasion was the former Primate, Archbishop Howard Clark, whose address was as witty as it was thought provoking.

The Lenten programme shared with Guildwood Presbyterian Church has been stimulating and well received. Speakers, both visiting and from our own number, provided thought provoking commentaries on Paul's Epistle to the Romans. This week services will take place at 7.30 on Thursday evening at Holy Trinity, and Good Friday at 11 a.m. at Guildwood Presbyterian. The Easter Cantata will be presented at the latter by the joint choirs.

Over the March break Mr. and Mrs. Bournes accompanied a group of students from Mrs. Bournes' school on a trip to Russia. We are looking forward to an armchair tour later in the spring.

In a lighter vein, the film show on March 16 drew an appreciative crowd of youngsters; a second programme on March 30 which was more widely advertised will likely lead to similar ventures. The proceeds from this project are directed to the Diocesan Outreach programme.

At the time of writing, preparations are well underway for the annual card party, indicating that the occasion will live up to its reputation for good fun and fellowship.

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH by Gordon Fish

Has Lent meant anything to you this year? A few years ago Lent was a period for self-denial. It was part of one's experience to feed his 'religious' life, and to accomplish that it was thought the ideal way would be to restrict oneself by not eating certain foods, or controlling certain habits, etc. It was as if one might, through abstaining from certain physical pleasures, (food, sleep etc.), master desire and be made more holy. The theory was neither correct theologically or psychologically and we perhaps have learned this lesson - though not too well.

We trust in these few weeks before Easter that you have been doing something positive - perhaps you have taken on something. A lawyer once came to Jesus to ask how he might inherit eternal life. The end result of the interview (Luke 10: 25-28) was that rather than denying some experience of life it was for him and others to do something with their lives.

The congregations of Holy Trinity and Guildwood Presbyterian have been meeting on Wednesday evenings to look hard at several issues found in Paul's letter to the Romans. It has been more than a time of reflection and study - we have been involved in sharing as we come to give of earthly possessions for the cry of despair of multitudes in other lands. Offerings were directed to World Development Fund of the churches.

Remember! Maundy Thursday at Holy Trinity, Good Friday at Guildwood Presbyterian are further opportunities for you to become involved and to do something about your faith.

March 27th

Mr. Alan Hill, Chairman,
Guildwood Village Community
Association.

Dear Al:

Please accept this letter as my resignation as Sports Director from the Guildwood Village Community Association for the remainder of 1974.

Due to business undertakings I feel that the responsibilities and loyalties of the directorship would not meet the expectations of what should be done for the youth in Guildwood.

I would be pleased to assist a successor at the onset.

Yours very truly,
Don McRobb

P.S. TO CHAIRMAN'S REPORT - Al Hill

We are sorry to accept Don McRobb's resignation as Sports Director. Don has always been an active volunteer in Guildwood Sports. We thank him for serving as Sports Director for the past year and a half, giving freely and capably of his time and talents.

The Executive feel fortunate to have obtained the services of Don Morrison to carry on. Don is particularly well suited for this position since, though not actively involved in Sports at present, he has a degree in Physical Education and worked as a teacher in this field prior to entering the business world. The two Dons will work together on baseball registration and organization. Future Baseball Registration forms should be mailed to D. K. Morrison, 230 Guildwood Pkwy. Phone 261-7440.

KIWANIWOOD TENNIS CLUB by Rev. Rhodes

The spring general meeting held March 27 at Elizabeth Simcoe School faced keen competition from the Chicago-Toronto hockey game and from the very cold, un-tennislike weather. Those who did turn out, however, took part in spirited discussion.

To comply with the new Borough tennis policy, the club must submit a constitution through SLTA. The draft sent out with the meeting notice was approved with a few alterations, as were the by-laws.

John McMillan reported on progress in negotiations with the Borough for the resurfacing of the courts. This proposal requires approval of two thirds of the membership; votes received at the time of writing seem to indicate general approval. Should the project go ahead the work would be done some time between mid-June and the end of July.

Both men's and ladies' programmes will proceed much as last year. The ladies' morning lessons are scheduled again in May and early June. House league matches will be organized for both men and ladies. For further information on these programmes call Irene Devonshire - 261-8012 or Gerry Haslam - 266-1610.

Members have until April 15 to renew their memberships; after that time those on the waiting list will be contacted. Part of the new Borough policy has been a change in rates; the fee structure outlined in the application applies to all clubs in Scarborough and was set by the Parks and Recreation Department.

Looking further ahead, the round robin will take place May 25, weather permitting.

GUILDWOOD VILLAGE MIXED CURLING by Bern Foster

Our Curling Season was totally successful. Only one more night left for each section, then its all over but the cheering at our Dinner Dance. This has always been a grand finish, and we welcome any guests who might be interested in Curling with us next year.

Team standings as of March 24th:

FIRST SECTION

Phyllis Francey	91-1/2
Don Anco	77
Bert Paine	70
Bern Foster	67
Shirley Stevens	66
Ethel Niewolski	62-1/2
Bernie Hughson	61
Jim Foster	35

SECOND SECTION

Shirley Stevens	92
Orval White	87-1/2
Phyllis Francey	77
Bert Paine	70
John McMillan	68-1/2
Bev White	62-1/2
Bernie Hughson	61
Ethel Niewolski	54-1/2

The Dinner Dance will be held on Friday May 3rd at 7.30 p.m. at Annandale Golf & Country Club, on Church Street, south of 401, Pickering. Tickets are \$8.00 each, or \$2.50 each for the Dance, and are obtainable from Bert Paine (282-6240), George Adamson (266-6262) or Bern Foster (261-0615) no later than April 26th. Do try to join us for a fun evening on May 3.

Refreshments

OPEN HOUSE AT GUILDWOOD LIBRARY

Although it is hoped that the library will be open before May 30th, there will be two days of activities to mark the formal opening of the new Guildwood Branch.

On Thursday, May 30th at 8 p.m. ceremonies will include opening remarks by Mrs. L.C. DeGroot, Chairman of the Library Board; a look at the past history of Guildwood by Mr. Les Brown, founder of the Guildwood Community Association and an updated account of the community by the present Chairman

of the Association, Mr. Al Hill. The staff of the library will be introduced by Mrs. Helen Peterson, Director of the Scarborough Public Library. It is hoped that school children will be part of the official ribbon cutting ceremony. There will also be music and refreshments.

Everyone is welcome throughout Friday May 31st, from 12.30 to 8.30 p.m. Special activities will include a Senior Citizens Tea at 1.30 p.m. with local residents serving tea. Impromptu storytelling by volunteers and puppet shows will start at 3.30 p.m. Students will act as hosts and hostesses. At 7 p.m. a local musical group will provide entertainment and teen-agers will be asked to participate as library guides.

A display of work from the Guildcrest Studios of Arts and Crafts will be the feature exhibit during the opening weeks.

A warm welcome is extended to all to visit the library on these days.

Branch Hours:

Mon. to Fri. - 12.30 to 8.30 p.m.
Saturday - 9 a.m. to 5 p.m.
Telephone: 266-4787

Al Hill reports

"Congratulations Ed Fulton!"

Thanks to our Alderman's continued efforts, traffic lights have finally been approved by the Metro Toronto Council for Livingston Rd. and Guildwood Parkway. Read all the details under "Ed Fulton Reports".

Tremendous interest shown for the JCKs and Margaret Birch

Attendance figures continue to climb for our General Meetings. We well appreciate your support.

After the business section, we were impressed by the professional calibre of entertainment provided by the JCKs. We thank them for an excellent performance.

A short speech by the Hon. Margaret Birch followed. She announced that she has arranged for a member of the Federal Gov't's "Biting Fly Committee" to act as a free consultant for our Mosquito Control Programme. (There really is such a committee and we shall use this service shortly.) At present the Pesticide Control Branch of the Ministry of Environment is conducting tests at Orillia on various methods of controlling mosquitoes. We hope their results will help us.

During the question period, undeveloped parkland, bluff erosion, the new budget and other topics were discussed. Mrs. Birch was introduced by Barb Wylie and thanked by Bill Stadnyk. We thank you, Mrs. Birch, for helping to make our meeting a success. We look forward to your active assistance with our

The Toronto Island - should permanent residents be allowed?

Gus Harris has asked for our feelings on the Island residents. The vote taken indicated a majority in favour of supporting Metro Council's decision to expel them, but the majority abstained, wishing further information. If you could attend a meeting on this please call me at 261-5143.

Plan now for June 22nd - Canada Day in Guildwood

This will be a great day - so be sure you are here. The next issue June 15th, will have full details.

Alderman Fulton reports

The traffic signals at Guildwood Parkway and Livingston Road will be installed this year! I appeared before the Metropolitan Toronto Executive Committee on Friday, April 19 to again present our arguments. After considerable discussion they reversed their previous decision and voted overwhelmingly in favour. The matter was quickly moved on to Metropolitan Toronto Council on Tuesday, April 23rd and approved there also. I am advised, that considering the material shortage, the installation will likely take place in late Summer. I would like to thank the many individuals who assisted me in this matter by taking the time to write letters in support of our application.

On Easter Sunday the combined choirs of Holy Trinity and Guildwood Presbyterian Churches performed a Cantata in the Civic Centre in the rotunda. It was a beautiful performance and a new experience for the people of Scarborough and the Centre. I look forward to similar presentations in the future. All those participating should be congratulated on their fine performance.

The availability of parking at the Guildwood Go Station is becoming critical. Cars are having to park constantly on both sides of Westlake Road. As a result of this, I have initiated, through our Works Department, negotiations with Go Transit people to determine whether the necessary additional parking facilities will be provided.

If you require any further information on the above or if I can be of any assistance to you on any matter, please call me at 438-7275.

Margaret Birch mpp reports

One of the things I most enjoy as the MPP for Scarborough East is the opportunity to visit and talk with the members of community associations throughout the riding. To date the most pleasurable was the opportunity to attend the Guildwood Village Community Association's general meeting in April. I thoroughly enjoyed the evening and the warm reception I received.

I would like to thank you for the lovely porcelain bowl of trilliums, our provincial flower, which the association presented to me.

The evening was certainly enhanced by the musical group the JCKs. These young musicians are a credit to the community.

In my newsletter distributed some time ago I included a series of questions on various problems. To date I have hundreds of answers and they are still trickling in.

When all the answers are tabulated I will be sending the results to the Guildwood News & Views.

Reg Stackhouse m.p. Reports

Inflation remains the number one issue demanding the attention of Parliament. It has to be when the cost of living is increasing at the current crisis rate. In the last 12 months the cost of living index has increased 10.4. It is wrong to say that incomes are keeping pace. Statistics Canada reports that in the same period of time, incomes have increased only 7.3. It is especially difficult for people on fixed incomes, in the lower income brackets, and on very slowly rising incomes to make ends meet. If the present run-away inflation continues, the suffering of large numbers will be the greatest economic hardship for Canadians in a generation.

Inflation must be fought. It is not enough simply to attribute it to world conditions. Over half of these price increases are generated by factors within Canada itself. The long term solution is increased productivity although just a few years ago the Federal Government was paying farmers not to grow food. But we need a short term policy as well, something to help those finding it difficult to pay their way here and now. This is especially challenging to young people who aspire to own a home of their own, the cost of housing having skyrocketed. Is it not fantastic to consider how the price of housing has catapulted in the last year? We have reached a point where only a very small minority can ever expect to own a house. Surely that need not be in a country such as Canada. This is especially vital to families with young children. Nothing is more important socially than the future of our country's family life, and our housing policies must be understood in these terms.

My riding office continues to serve a large number of people to seek information and assistance. I am there each Friday evening from 7.30 p.m. on and will be glad to see any Scarborough-East person whom I can help. The telephone number is 439-1113. The address is 1 Greenholm Circuit, one block east of Markham Road on the northside of Lawrence Avenue, East.

Youth by Larry Jensen

Laurier had a very successful dance on April 18th with Mornington Drive playing. Look-In was well attended on the 24th.

The Geography Department, plus 50 students are presently away on a 4 day trip to Washington D.C.

PROFESSIONAL DEVELOPMENT DAYS

Elementary Schools

The Education Committee of the Scarborough Board met as usual during the winter break week and gave its approval to a plan proposed by officials for the scheduling of nine professional development days during the 1974-75 school year in our elementary schools.

The recommendations from officials were based on a report requested by the Board, assessing the professional development days held so far this year. A sampling of opinion from 321 parents, representing students from all our elementary schools, was gathered in a survey conducted by Mr. David Disney of the Ontario Institute for Studies in Education. The student enrolments for all Scarborough elementary schools were put into numerical sequence. A set of random numbers was then used to select 321 numbers. School secretaries were asked to use enrolment files to look up the name and telephone numbers of the parents to be contacted. The telephone survey was conducted on January 31st, to ask the parents' co-operation in filling out a questionnaire. Of the 321 forms sent out, 315 were returned.

The results showed that between 75% and 85% of parents were in agreement with the professional development days. Between 74% and 84% felt that there will be a direct benefit to their children from these days. Between 54% and 64% felt that there were not too many days. Between 82% and 92% of the parents would prefer all schools to hold their professional development days on the same date. Between 90% and 100% said they were kept well informed as to when the days were scheduled.

The reason for the 10% spread in percentages is that this type of survey is accurate within 5 percentage points either way of the actual percentage determined.

Principals and teachers were also surveyed and were enthusiastic about the results of the days held so far. They offered worthwhile suggestions for improvements and were especially pleased with the parent interview days, which allowed much more time for in-depth discussions, especially where problems existed.

Because the Ministry has set the number of instructional days per year at 185 days and the year 1974-75 will have only 194 school days, there will be only nine days instead of twelve to be used for professional development days.

It was decided, because of suggestions from both parents and teachers, to hold all days on the same dates for all Scarborough schools. The days will be scheduled as follows for the 1974-75 school year beginning in September:

December 5th and 6th, 1974
February 14th, 1975
March 20th, 1975
June 23rd to June 27th, 1975

Secondary Schools

The Secondary Schools will be reduced to nine professional days, losing one of the ten days normally used during the last two weeks of June, after exams are finished and students have departed. These ten days are important to teachers because of the amount of work involved in preparing year-end reports, holding promotional meetings, clearing up problems with students and parents and program planning for the following September. As well as the one day loss here, no days will be allowed during the regular school year for professional activity. The teachers have generally had one day arranged by the teachers' federation, outside of their own schools. They feel it is just as important to hold one day for professional activity within their own schools. Because of the strong recommendations by the teacher's representatives for retaining the twelve days at the secondary level, the Committee agreed to ask the Minister of Education to relax the 185 instructional day requirement to 182 days for the year 1974-75.

These proposals as outlined were approved by the full Board and planning is now underway for next year.

School news

GUILDWOOD SCHOOL NEWS

by G. J. Barrett, Principal
Guildwood Junior School sent a cheque for \$243.08 to the Canadian Junior Red Cross on April 5th. This money was raised through the Penny Line Drive conducted in March under Mr. Rickard's direction. All pupils joined in the competition which was won by Mrs. Heinze's grade five class for the best average per pupil.

Open House held on April 8th was most successful with a great many parents in attendance to visit the classrooms and speak to the teachers. Talent Night, during Education Week, was not as well attended but the children gave a fine performance for those who did come out.

Our school was represented in the all Scarborough Chess Tournament by Steve Kallan and Bernard Wong. Both boys won two games and enjoyed their experience greatly.

Mrs. Blackwell who has been the Kindergarten teacher at Guildwood School since it opened in September 1959, is planning to retire this year. We will certainly miss her from the staff of this school and wish her the very best in the future.

Dates to Remember - Junior and Senior Kindergarten Registration
Tuesday, May 14 9 - 12 a.m.
Field Day - June 12 - 13
Play Day - June 18
Awards Day - June 20

FAREWELL TEA

As mentioned in Mr. Barrett's message in the Guildwood Public School news, Mrs. Blackwell, who has taught the kindergarten class at Guildwood for 15 years, is retiring this June. The Guildwood Home and School Association Executive cordially invites all of her former pupils and their parents to an afternoon tea to be held in Mrs. Blackwell's honour in the school auditorium, on Monday, June 10th from 3.30 to 5 p.m. Please come and help us make this an occasion for Mrs. Blackwell to remember in her retirement years.

RETIREMENT RECEPTION

Mr. George J. Barrett modestly omitted to mention in his report that he himself is retiring this June, after 40 years in the teaching profession.

An evening reception has been planned for Wednesday June 5th from 8 - 10 p.m. in the school auditorium. All parents and former students are invited to attend.

Plans are being co-ordinated by Mr. J. F. Heino and school secretary Mrs. Joan Riding. For information contact them at 267-8371.

ST URSULA CATHOLIC SCHOOL

The class of Grade 4 is taking a trip back in time - about 114 years. Mr. Clarke's class is now deeply immersed in studying early pioneer life in Upper Canada in order to spend four days in May in the Dickson Hill School of Black Creek Pioneer Village.

The theme of the trips is the "Living Village". In keeping with this, the children are preparing costumes and researching important aspects of village life in a typical crossroads community of the Pre-Confederation Era.

Thanks are due to the many parents who volunteered time and services to offer the students an opportunity to work on a wide variety of crafts. Candle-making, which was inadvertently omitted from the last report, is much enjoyed by the students, as is batik, a craft which has been added this session.

These items will be displayed at the combined Open House and General Meeting scheduled for Monday, May 6th at 7.30 p.m.

Students in Grade Five and Senior Kindergarten travelled to Bruce's Mill to observe maple sugaring. They enjoyed sampling the sap from the trees and observing both the traditional and modern methods of tapping and collecting the sap.

On return to the school, the students participated in a Pancake Festival. With great enthusiasm they

prepared and feasted upon their own pancakes covered with real old fashioned maple syrup.

Excitement is high in the Grade 5 class of Mrs. Davis as the children prepare to perform on April 30th in the Metropolitan Separate School Board's Festival '74. They will present a medley of songs from the Sound of Music. The class is proud to be able to represent their school in this region-wide Festival at Seneca College.

Miss Lenehan's and Miss Richardson's students are planning a visit to the McLaughlin Planetarium on April 26th. This program is designed to familiarize students with the night time sky, the planets of our solar system and the place of the earth among them.

Some of St. Ursula's most energetic students are preparing for the Metro Separate School Board's cross country running meet. It takes a great deal of dedication to maintain a daily practice routine, but most are persevering.

The children in Primary 2 will receive their First Holy Communion in St. Martin de Porres Church on Saturday, May 4th at 10 a.m.

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL by Mr. Stevenson, Principal

We are pleased to announce that Paul Truemer of Room 21 has won the Scarborough Junior Chess Championship, and was first runner-up for the grand championship.

The Annual Baking Competition Sale was an outstanding success again this year. Our Judges, Miss M. Harvie, Principal of G.P. Mackie School, and Mr. A. McLeod, Principal of Chester Blvd. School, had a most difficult time selecting the winners. But after much tasting and deliberation they awarded silver dollars to the following: Kevin Watson, Tom Watson, Eva Dubiski, Mary Long, James MacLellan, James Penner, Kathy Kurpita, Suzie Thomas, Jim Laforet, David McRobb, Wendy Stevenson, Rochelle Sneddon, Stephanie Redwood, Mrs. Hoevelmann, Mrs. Donely, Mr. Graham, Mr. Allum, Mr. Purich and Mr. Stevenson.

The profits from the Bake Sale and the new Rose Sale will make it possible for our school to make a donation of five hundred dollars to Ontario Red Cross Youth. We are very pleased with the effort the students

have put forth to raise this amount to provide a helping hand for children who are less fortunate.

Education Week was highlighted by the afternoon open house programme, the special display from Guildcrest Studios of Arts & Crafts (formerly Guildwood School of Arts and Crafts) and the Open House. Those parents who participated in classroom projects and activities brought many interesting talents to share with the students and teachers. It gives us great pleasure to take this opportunity to thank them for generously sharing their time and talents with us.

Please mark the following events on your calendar:

- 14 May - School pictures to be taken by Town School Studio
- 16 May - Spring flower delivery
- 20 May - Victoria Day Holiday
- 21, 22 May - Spring Thing
- 29 May - Professional Development Day

JACK MINER SENIOR PUBLIC SCHOOL
by G. Gardiner, Vice-Principal

Many students are actively participating in the extracurricular activities existing at our school. In the houseleague program, girls are engaged in basketball while the boys are enjoying floor hockey. Enthusiasts have now begun to run a mile a day in order to become members of the "Hundred Mile Club". A junior boys softball team, coached by Mr. Lindsay has been entered into the interschool competitions. Mrs. MacDonald and Mr. Cadan are directing the students in preparation for the track and field meet to be held at Birchmount Stadium on June 6.

Open House will be held on Monday, May 13 at 7.30 p.m. Students and staff have worked hard to make this evening interesting and enjoyable. Hopefully, all parents and friends of our school will visit us.

A group of students will be visiting the Ontario Legislature as a guest of Education Minister, Mr. Thomas Wells. Mr. Wells is quite interested in meeting the students who played an important role in the rewriting of a brochure given to the students who had visited the Ontario Legislature.

After thirty-six years of teaching, our Home Economics teacher, Mrs. Gregor is retiring at the end of the school year. We know that the parents and students of our school join her colleagues in wishing her the

best of health and happiness in her retirement. Friends and fellow teachers are cordially invited to attend a reception in her honour at the school on Thursday, May 30, commencing at 8 p.m.

SIR WILFRID LAURIER C.I.

BOYS' PHYSICAL EDUCATION DEPARTMENT BY D. Kelcher

This department is actively involved in its spring program. Both interschool sports and intra-mural activities are progressing well.

The Blue Devils have fielded two soccer teams and are working hard at Track and Field as well as Golf and Tennis. The intramural program is running smoothly with both Jr. and Sr. Ukee Ball Leagues in operation.

Plans are now shaping up for a very intense fall program of football, cross-country and volleyball.

ART DEPARTMENT

by Mr. Stadnyk, Head of Art Dept.

The Art students are spending the final term preparing for a major exhibit which will take place in the main lobby of the Civic Centre in June. It will include paintings, drawings, prints and some ceramics and sculpture. The planning and preparation will introduce the students to the practical problems of display and presentation of their work. We are looking forward to a successful show that will be well supported by the community.

Several Grade 13 students from the painting and drawing course have been occupied with the design and execution of murals. Work has been completed in three major stairwells and is presently going on in the cafeteria. A unique mural on cloth with a sports theme will be hung in the gym. Working with murals has introduced the students to the problems of creating designs for public viewing and the use of massive space and scale.

Another exhibit from the A.G.O. will be in the school library April 19 to May 10 featuring the work of American artist Andrew Wyeth whose realistic rendering has fascinated art lovers all over the world. The 40 panels will display over 100 of Wyeth's major works.

KEEP GUILDWOOD CLEAN.

KIWANIWOOD REPORT

by John E. McMillan

LIGHTING OF LAURIER FIELD

Tom Lennard of Scarborough School Board staff informs us that tenders for flood-lighting for Laurier Football Field will be issued around May 1, and will be opened on or about May 15, 1974. Consultants have estimated that this will cost about \$32,000. Should satisfactory bids be received at or below this figure, construction will commence as soon as possible. Should the lowest satisfactory bid be above the \$32,000 figure, further discussions will be held by the School Board and Kiwaniswood Sub-Committee officials. We hope that construction will be completed quickly so that the lights can be used this season. If you wish more information contact me at 261-0967.

Editorial

Many thanks to Faye Wadsworth and her committee who held a coffee party for the canvassers on Apr. 24.

Due to the postal strike, contest entries received to date will be held for publication until next month, as some are undoubtedly in transit. Further submissions will therefore be accepted. Closing date for the June 15th issue will be June 5th. The co-operation of the correspondents who delivered their copy by hand for this issue is appreciated.

GUILDWOOD LIBRARY ADVISORY COMMITTEE

During the past month there has been increased activity preparing for the opening of the Guildwood Library, and two meetings have been held of Guildwood residents and Scarborough Public Library staff. In order to continue the close co-operation between the committee and the Library personnel, the Guildwood Library Committee has been formed and includes the following volunteers:

Mrs. Beryl Aird	266-1589
Mr. Wayne Casselman	267-8025
Mrs. Audrey Gibson	261-1203
Mrs. Mary Mossman	261-6542
Mrs. Kathleen Saunders	267-9008
Mr. Wm. Stadnyk	266-2168
Mr. Barry Taylor	266-1077
Mrs. Lorraine Walker	266-1523

Participating Library personnel:

Miss Rita Giffin,	Neighbourhood
Mrs. Nancy Hall	Branch Head
Miss Wendy Wright	Cedarbrae District Librarian
	Community Development and Program Co-ordinator

If you have any suggestions or comments please contact any of the committee members.

Membership

by Faye Wadsworth

The membership campaign is nearly over with just 3 canvassers to be heard from. We have 860 members so far. I think the canvassers did a great job this year and I would like to thank them again. If you were missed and want to join, just send the \$5.00 to me at 191 Toynbee Trail and I will send a membership card by return mail.

IN AND AROUND GUILDWOOD

by Beryl Aird

This month I am going to talk about a service which is available to everyone, free of charge, in and around Guildwood - in fact everywhere in Scarborough. I am speaking about the Department of Health's Public Health Nursing Programme. This programme is second to none in the country but I am afraid that a good many of our residents are not aware of the many services involved and are therefore not taking full advantage of them.

Actually there have been a great many changes in this service - particularly in the past five years and the image of the Public Health Nurse has changed considerably. The PHNs are all Registered Nurses and in addition have University Training in Public Health. They work with Doctors and other Community Agencies and are concerned with everyone - the well, and the sick and the disabled.

ROCCO'S

CUSTOM TAILOR & MEN'S WEAR... SPECIALIZING IN ALTERATIONS... MENS' & LADIES' MADE TO MEASURE SUITS

MORNINGSIDE PLAZA, 284-8746

How many people know that they can just pick up the phone, dial 438-7461 and arrange to have a Nurse call at your home and give you and your family help on any Physical, Emotional or Social problem? They offer information, teaching and counselling in Pregnancy, Child and Adolescent Development. They give aid to the non-hospitalized sick, visit mothers with new babies, support people facing crisis situations of all sorts and help the elderly with health problems, housing etc.

In addition, the Nurses work with the Doctor in the Clinics - held in the Health Dept. Office - 160 Borough Drive, Scarborough. These clinics (also free of charge) provide counselling, diagnosis and treatment when required for Family Planning, Venereal Disease, Immunization and Tuberculosis. The Family Planning Clinic - phone 438-7436 - deals with Birth Control Information, Pregnancy Testing and Abortion Referrals to anyone sixteen years old and over. Help is given to under-sixteen year olds as well if they are accompanied by a parent.

All the Clinics except Venereal Disease require an appointment in advance. The VD Clinic is open Tuesdays and Thursdays from 4 - 6. For information phone 438-7436.

Nurses work in the School Health Service where their time is allotted on the basis of need as well as how much they are able to participate in Health Teaching and Counselling in the particular school. Hearing and vision screening programmes are carried out at specific times in the child's school life as well as immunization and tuberculin testing.

There is also the Hospital Health Service which was a new one to me. Each hospital, Scarborough General and Centenary, has three PHNs. The nurses receive referrals from Doctors and other hospital staff to help patients who will need some follow-up in the home after discharge. They act as a liaison between the hospital and the community.

Pre-natal Classes and Parent Education Groups are being conducted by the PHNs on a regular basis. At the present time nine out of twelve Pre-natal Classes are being attended by couples rather than just the prospective mother as was previously the case. The 10-week Parent Education Course which took place in the Guildwood Presbyterian Church beginning in February was so successful and popular that it is now being repeated in the Village.

I have met and talked with a number of our Public Health Nurses and have found them to be dedicated, sympathetic and concerned - I would feel that I could discuss my problems with them. If they can't provide the help needed themselves they will refer you to other agencies - this could be particularly helpful to newcomers as it does take awhile to get ones bearings in a new community. Remember everyone is eligible - you are paying for it with your taxes!

BUSINESS CARDS will be accepted in the News & Views at \$4.00 per insertion and on a contract basis only.
Ad. Mgr. Ed Wagner, 155 Toynbee Tr.

GUILDWOOD SOCIAL CLUB
(65 years young and over)
by Sheila McDonald

Since last writing to the News and Views our Club Members have been busy again with some Crafts. Mr. Powell handled the wire snippers very well! The idea came from Mrs. Lessard and it consisted of a plastic 4" bathroom tile, softened in the oven and then moulded into a bowl-like shape. Plasticine was placed inside the bowl, artificial spring flowers were added and they made a beautiful array. When they were all completed they were taken to a nursing home, "Extendicare", to be placed on breakfast trays on Easter Sunday.

We held the draw for our Afghan and this was won by a member of the Club, Mrs. Margaret Gray. The proceeds of this draw will go towards our outing in June.

Wednesday, April 24th, we were entertained in a very interesting way by Mr. Stewart Dow of Travellers Tour Department. He brought along some very good films of the Canadian West Coast and Hawaii. I am sure it has put some of our members in the travelling mood.

Mrs. Best and Mrs. Corras are still under the weather, so we wish them a speedy recovery.

For further information call Sheila McDonald at 266-3557 or Yvonne Gamey at 261-6573.

Guildwood Scouting

CUBS AND SCOUTS

The Cubs and Scouts of Guildwood wish to thank everyone for the tremendous support given to their annual Fertilizer Fund Raising Drive. If you missed out on this opportunity there are still a few bags of Weed and Feed left. Act fast as they won't last long. Call Reg Miller at 267-3410.

GUIDES AND BROWNIES

by Shirley Gray - Commissioner

The Guides and Brownies of Guildwood would like to thank everyone who bought cookies this year. We sold about 300 cartons, which is 3,600 boxes, and that's a lot of cookies! The Girl Guides of Canada realize 45% profit on the cookies sold each year - anyone who is in business will know this is a very good venture. This profit is divided many ways, starting right at the top, but the local units do get a little from each box sold. Again, thanks for supporting our cookie campaign.

Between May 1 and May 11 there will be a display of Guide and Brownie work, and demonstrations of various skills at the Scarborough Town Centre. May 7 is the day that our local Guides and Brownies will be represented. During the day leaders

will be on hand to answer questions regarding the Guide and Brownie Programmes. During the evening the Rangers will take over to answer questions and give out pamphlets. Between 6.30 and 8 Brownies will be demonstrating crafts and other Brownie skills. This will be followed by a large Girl Guide Campfire between 8 and 9.30. Do plan to attend the Town Centre sometime during that period - and remember that the day for local participation is Tuesday May 7th.

547TH BROWNIES by Sheila McDonald

The 547th Brownies had a visit from Mrs. Karla Kingma on the Monday before Easter. Mrs. Kingman has visited us before to help the girls with special crafts which she has designed for them. As a special treat for Easter the Brownies made novelty egg covers, these were made out of coloured felt and were in the shape of Hens, Chicks and Bunnies. Mrs. Kingma had cut out all the shapes beforehand and the Brownies sewed them together and added a few personal touches. We would like to offer our sincere appreciation to Mrs. Kingma for an enjoyable evening which we shared and hope she will come back and visit us soon.

Three new Tweenies started Brownies on April 22nd: Cheryl Bainbridge, Nicole Clark, Betsy Perrin.

On Monday, April 29th the Brownies and Leaders visited "McDonalds" at Morningside and Lawrence, where they were shown a movie and allowed to try their hand at making hamburgers, milkshakes etc.

3RD SCARBOROUGH A PACK
by Bern Foster

The Cub Pack season is drawing to a close, but there are several events coming up in the next six weeks. Thank you for your donations to the Boy Scouts on Apple Day, Saturday April 27. This money stays with our Group.

Twelve Cubs are taking part in a Swim Meet on Saturday May 4th from 9 p.m. to 11 p.m. at Cedarbrae Pool.

Mrs. Una Ingham will have received a gift from the Cubs for donating her time and training to instruct the Pack on St. John's First Aid. Many thanks, Una.

The Sixers and Seconds of the Pack will be holding a Sixers' Conference overnight at Mr. Don Anco's cottage on May 11th and 12th.

The whole Pack will be taking part in an Olympic Cuboree on Saturday June 1st from 8.30 a.m. to 5.30 p.m. at Morningside Park. Come and see 800 Cubs and Leaders in action and having a lot of fun together. This will also be our last meeting for this season.

The following Cubs will have been invested into the Pack this year: Elias Issa, S. Torak, R. Hill, A Schunk, S. Fullerton, S. Starbuck, T. Mueller, T. Perry, G. Cobold, G. Meyers, M. Grundon and B. Youngblut. This brings the Pack up to 41 Cubs. A great group of boys.

Church news

HOLY TRINITY by Bev Rhodes

April has seen a great variety of activity and, more particularly, of mood at Holy Trinity. At the beginning of the month we were in the midst of the shared Lenten programme with the members of Guildwood Presbyterian Church which meant serious concentration on Paul's Epistle to the Romans for those directly involved. Then we shared the solemnity of Maundy Thursday and Good Friday; the joint choir presentation of the Easter Cantata was a timely reminder of the ultimate significance of Good Friday. All this culminated in the joy of Easter Day which was marked not only at Easter services in the church, but also at the regular monthly service at the Villa which happily fell at Easter, and at the Civic Centre where the combined choirs presented the Easter Cantata as part of the Sunday afternoon concert series.

Some "housekeeping" activities have been carrying on in the background. A group of women and girls completed painting the nursery, making the new accommodation bright and cheerful for our youngest members.

Plans are being completed for the next men's dinner on May 14, when the Rev. Reg. Stackhouse, M.P. for Scarborough East, will speak on "Being a Christian in the World". Call Charlie Walcot by May 12 to let him know you will attend the dinner on the 14th at 6.30 p.m. at the Queen's Plate.

The young at heart are continuing to enjoy Ernie Ing's film presentations. The next one is May 11 at 2 o'clock.

Looking further ahead, the Parish Picnic will take place June 9.

GUILDWOOD COMMUNITY PRESBYTERIAN

from the desk of gordon fish

Plans made for Summer? I wonder how often we hear this question being asked. In fact, how many of you have not made some plans for this Summer? It seems most natural for all of us to prepare for holidays and for us - that usually occurs during the Summer. School closes and so plans are made according to the time that the children are out of school. Gardening is a very seasonal event and so we talk of plans for our gardens. Weather permits us to do more things and so even the weather dictates our plans.

Your plans this Summer? Too varied to capture in this brief paragraph but so many plans when looked at closely are very selfish and are disjointed by nature of a disease described as the inverted eyeball.

A certain farmer, said Jesus, had a bumper crop - his barns were still full from last year's harvest and here was another bumper crop at hand. His plans were to take down his present barns and build even greater ones. And then he sat down and said to himself, "Soul take your ease - eat, drink and be merry! You have much goods laid up for many years"

If you recall the story - God called him a fool, for his plans had covered everything but - death.

Plans are being made in your home for everything else. Has a place for the deeper things of the spirit a place in your plans?

Bible Study Groups, where the deeper things of the Spirit can be seriously looked at, explored and enjoyed are in the making. Have you an hour to get together in a home study program with several others and possibly find an answer to life's basic riddle? I'd appreciate a call from you - either 261-4037 church or 264-3309 home.

Best of plans for each of you.

EASTER CANTATA

Much though we would like to, space prevents our thanking by name all members of the choirs who gave us such an inspirational experience this Easter. We will, however, mention a few.

Obviously we must mention Joy Gannicott, the director and Rachel Bowles who assisted with the arrangements. Gordon Fish must be complimented for his carpentry as he built the choir stand using 4 doors - 2 Anglican and 2 Presbyterian - even though he almost had to keep his promise and visit any who were injured as a result of his handiwork. Bill Siddall's success with the Bell Choir is already well-known and he should be congratulated for this.

The male vocalists, Al Hitchcock and Bob Cook are to be applauded, even though the latter's wife was concerned less the constant rehearsal of "the earth did quake" should prove prophetic. Sharon Vardy and Diane Park sang delightfully the duet which they adapted. Finally we must mention the excellent narration by Bill Henderson and the superb cymbal solo.

A special word of sympathy to Alex Bowles, the youngest member of the choir, who after weeks of preparation fell ill and was unable to perform. However, he was able to attend the re-union of the two choirs and eat his fair share of strawberry shortcake and go home with the music for next year's Cantata.

Your Executive

Chairman - Al Hill	
41 South Marine	261-5143
Vice Chmn. - Risto Puhakka	267-9206
Treasurer - Orval White	264-2958
Secretary - Lorraine Walker	266-1523
Sports Dir. - Don Morrison	261-7440
Memb. Dir. - Faye Wadsworth	264-4430
Social Dir. - Penny Vardy	261-2683
Youth Dir. - Larry Jensen	266-2783
Past Chmn. - Jack Killian	261-1762

The Island residents invite all Guildwood residents to an 1890's type Festival in their community on the afternoon of May 12th. There will be baked goods, boutiques and fun for all. In case of rain the fair will be postponed a week to the following Sunday, May 19th.

NEWSPAPER RECYCLING

The Borough of Scarborough is holding a special bi-weekly collection for tied and bundled newspapers. In our area (No. 4) the pick-up started Thursday April 25. Upcoming dates are May 9, May 23, June 6 and alternate Thursdays thereafter.

Papers are to be left near the street curb, before 7.30 a.m. on the Special Collection days.

Discarded bottles, food cans and newspapers may also continue to be taken to the Scarborough Recycling Centre at 2000 Midland Ave. (at Ellesmere).

ARTSCRAFTSANTIQUICKITY

The Guildcrest Studios of Arts and Crafts (formerly Guildwood School of Arts & Crafts) are holding their 5th Annual "Artscraftsantiquickity" at the Campbell Farm, 3620 Kingston Rd. on Saturday, June 8th from 12 noon to 6 p.m. If it rains on Saturday it will be on Sunday June 9th. Admission 75¢, with accompanied children free.

The Studios will present a complete day of Arts and Crafts - a happening. A show and sale of paintings and antiques; decorative art and decoupage; crewel and canvas work; batiks and baked goods; rug hooking and macramé; weaving and pottery; Bar-B-Q Beef and beverage for your enjoyment and of course the ever popular flea market. It promises to be another day of fun for the whole family.

This Arts and Crafts School started at Corycliff Lodge on the Guild Inn property in September 1968. They outgrew their premises, spent 2-1/2 years in the Folkestone Apt. Building and now have classes going strong from September 1 to April 30 at Bethune House. Our community should be proud of this self-supporting non-profit organization, and the beautiful work they produce.

Sports news

BASEBALL by Don Morrison

Baseball registration was completed Saturday, April 20th, with the following results:

Boys	- Mites (Under 9 on Jan. 1/74)	47
	- Atoms (Under 11 on Jan. 1/74)	41
	- Peewee (Under 13 on Jan. 1/74)	27
Girls	- Novice (Under 12 on Jan. 1/74)	42
	- Bantam (Under 16 on Jan. 1/74)	21
	Total	178

The Mites, Atoms, and Novice girls are in good shape, but where are the rest of the Peewees and Bantams hiding? The Executive are considering various alternatives of combining some age groups (and even sexes) to ensure that everyone gets a chance to play.

We would like to see 48 participants in each group in order to have a Guildwood House League of 4 teams of 12 players in each category. If any of your friends haven't registered yet, have them do so by calling the Sports Director, Don Morrison, at 261-7440. We can use several coaches and umpires this year, so if you can volunteer to help out even 1 night a week please call me at 261-7440. You parents will be there anyway; this is your chance to be part of the game.

GUILDWOOD MIXED CURLING

by Bern Foster

It has been a great season. As President I have had little to do. My thanks to the Curlers for a good year, and to Bert Payne, Geo. Adamson, Gerry Piltz and Orval White for the fine work they've done for me. Our gala banquet was Friday May 3rd at Annandale Golf Course. The Winners of each Section and new executive will be written up in the next News & Views.

KIWANIWOOD TENNIS CLUB
by Bev Rhodes

Special General Meeting

Wednesday, May 8
8 p.m.

Elizabeth Simcoe School

This meeting has been called under the provisions of the new constitution at the request of several members. Topics to be discussed are By-law 22 (court hours), programme for the season and court resurfacing. Any members who have not already given their ballots to one of the executive are asked to hand them in at the meeting.

By press time the opening Junior round robin will have been held. This was scheduled in two sections on April 27 and May 4. Coming events include a Men's and Boys' Tournament on May 11 and a Ladies' & Girls' Tournament on May 18. These will be fun doubles matches between balanced teams. To enter (Seniors - please note we have a lot of Juniors who will need partners), to offer your services, or for further information, call Bill Schachow at 261-1374.

The Senior round robin is scheduled for Saturday, May 25 (with the usual provision that, in case of rain, events will take place May 26, or if necessary, on June 1 or 2). In any case the programme will begin at 1 o'clock.

Registration for Ladies morning lessons will be Tuesday, May 7

between 9.30 and 10.30 a.m. Lessons will begin the following Tuesday, May 14. Ladies fun matches are being organized in two groups this year. For information about the lessons or fun matches, call Irene Devonshire - 261-8012.

Kiwanilwood is entering a team in the Ladies Morning League this year. Matches will be played during May and June on Wednesday mornings, with matches taking place at our courts on May 22, May 29 and June 5. SLTA matches will begin mid-May. Kiwanilwood is entering three teams again this year - B, C & D. Individual teams have been enlarged to ten players to accommodate an additional men's doubles match.

Work is continuing on the resurfacing proposal with a view to having the work done sometime after mid-June and before the end of July - contractor's time and weather permitting.

Keep these dates: May 8, 8 p.m. Special Meeting and May 25, 1 p.m. - Senior Round Robin.

**THE YOUNG AT HEART
BASEBALL TEAM**
also known as
"THE GERITOL LEAGUE"

will play again
on Sunday mornings
starting May 11th at 9.30 a.m.
Guildwood Public School

For information call Jim Foster at 264-3271 or 261-0615.

GUILDWOOD BOWLING by Carol Butcher

Another year of bowling has come to an end, and I'm sure I express the feelings of all, that we had a "ball" this past season.

The final winners in each category are:

High Average	High Single Flat
Bill Tilley 231	Fred Robins 350
Carol Orr 207	VI Boon 307

High Triple Flat	High Single With Handicap
Ron Stapleton 879	Len Harford 342
Fay Wadsworth 734	Carol Barrand 344

High Triple with Handicap
Don Davis 810 Alma Bucc 791
The Championship was won by Helen Feeney's team, who roared through the playoffs, holding the lead right from the start of the 2 week finals. The members of her team are:

Helen Feeney, Nick Torok, Malcolm McDougall, Hilda MacLennan, Susan Brown, Jack Tuff
The consolation winners - lead by someone close to my heart, and motivated by your quiet, introverted President!!! - fought back from an irregular season, to win the consolation from game one of the playoffs. The members of this group were B. (who cares) Butcher, G. (Bad) Good, F. (Waddles) Wadsworth, Edna (Tiddles) Tilley, Roy (Rotten) Clarke, Orde Tuff (and Stuff).

At this time I would like to thank everyone for their support during the past two years, and to wish our new executive for 1974-75 all the best.

Guildwood Day, June 22

GUILDWOOD DAY by JOHN HAWKER

Saturday June 22nd

PARADE - GAMES - ENTERTAINMENT -
RACES - MUSIC - REFRESHMENTS
Plus

A STREET DANCE and
A CHANCE TO WIN A MILLION!

Groundhogs, Pancakes and Goblins have their own Special Day. Guildwood Village has had Dominion and Canada Day celebrations in the past. In 1973 we did not want to conflict with Scarborough's big programme combining Canada Day with the opening of our great Civic Centre, and also the Association's Treasury was short of funds. But this year we, you, old and young will have Guildwood Day. We're bringing back the Fun, Contests and Noise.

A DAY-LONG PARTY FOR EVERYBODY

Quick notes on Guildwood Day Events:

DECORATED BICYCLE PARADE

- for children of all ages, up to 10
- age groups indicated with signs
- local celebrities invited as part of Parade and to be Judges
- awards for each age group
- a fun start for the Day and something for the folks at the Villa to enjoy
- we hope to be led by our own Guildwood Kadettes - of course there will be marching music

GAMES

- all types for all ages
- older kids (up to age 101) will have a chance to win a MILLION DOLLARS!
- most games will be simple, with small prizes, the extravagance of 2 years ago is no more.

MUSIC

- Guildwood's own groups, JCKs and Kaleidoscope

TRACK & FIELD EVENTS

- for boys and girls, tykes to mid-teens
- preferably for Guildwood kids
- award ribbons plus food and drink vouchers

TROPHY RACES

These are true tests of running for all age groups. Many of the competitors have worked on conditioning. We expect there'll be not only a good time for spectators but also keen competition.

If there is enough interest we'll open up a 880 yd. or Mile race for adults!

Trophies (naturally) plus ribbons will be the well worth the efforts awards.

FOOD AND DRINKS

Tasty food and thirst quenching drinks will be available all day and into the evening.

With an organization led by members of Holy Trinity Anglican Church you'll be able to choose from home-made Box Lunches and other goodies plus cooked-on-the-spot hot dogs. There'll be soft drinks, chips etc. also. Box lunches should be pre-ordered through the Scouts and will cost \$2.50.

MOSQUITO SPRAY DEMONSTRATION - ALLIED PEST CONTROL

Demonstration just prior to the dance. This will serve the dual purpose of killing the insects in the area for the evening and showing you how the procedure works.

STREET DANCE - REAR PARKING LOT OF LAURIER

For all ages.
Hey you "old folks" who remember the 50's, we'll have music for you, too ... and for your older brothers and sisters!

Music Under the Stars.

Romance in the Air (your responsibility)

Refreshments (soft) and snacks.

You won't find a great night out for a better price - no charge - just attend and relax with kin and neighbours.

Bring your own garden chairs and walk to the school if possible because no cars will be allowed at the back of the school.

For further information or offers to assist or officiate at Guildwood Day call Risto Puhakka at 267-9206.

ALL CANDIDATES MEETING

Monday June 17th 8 p.m.

at Holy Trinity Anglican Church

CANDIDATES FOR SCARBOROUGH EAST:

John McMahon N.D.P.
Martin O'Connell Lib.
Crawford Smyth P.C.

Each candidate will present an 8 minute prepared speech. Question and answer period will follow. Everyone is welcome to attend.

Al Hill reports

June 22nd is Family Day in Guildwood!

From 10 a.m. until late evening Risto Puhakka has planned festivities for every age. Starting with the decorated bike parade assembling at the Villa, followed by box lunches prepared by Holy Trinity Church, games, races and musical entertainment, the day will finish in great style with a street dance behind Laurier School. Bring your friends, neighbours and families.

Mosquito Spraying Now Being Done!

We have awarded the contract to kill the "biting flies" in Guildwood to Allied Pest Control. This year a process called "Ultra-Low-Volume" is being used and wooded areas and suspected breeding grounds are also being treated by a man on foot using a portable sprayer. In addition both sides of each and every street are being sprayed from a moving vehicle. As a result we hope that these pests will be kept to a minimum. At least 2 treatments will have been done by the time you read this. Mr. Dick Murphy will demonstrate his equipment at Laurier during the evening on June 22nd. We have learned a great deal about the life cycle of the mosquito and will try to pass it along in a future issue. Pool owners are the people most affected by mosquitoes, and can do a great deal to eradicate this pest in their own immediate vicinity. The spring crop starts to develop as soon as the ice breaks up.

All Candidates Night

Hope everyone comes out to the All Candidates Night which we have arranged for you. See the notice of time and place elsewhere in this issue. This is your chance to pick the best man to represent us federally in Scarborough East. Also - don't forget to vote on July 8th.

Softball Season Underway

Thanks to Don Morrison and George Kent the softball schedule is now underway. Come out and watch the games. Remember everyone wins if the players have fun, regardless of whether they win or lose the game.

Social Action

There are needs in Guildwood which your Community Association is trying to fulfil. We want to welcome every new resident personally. The Social Action Committee deserves our thanks for the great job they are doing. See their report elsewhere in this issue.

There is help currently needed for an 8 year old boy, Jimmy, who lives close to Guildwood. When Jimmy was 18 months old he had a stroke. This caused severe brain damage, leaving him unable to walk or talk. The physiotherapy technique called patterning has given new hope to Jimmy and his family. Through a series of special exercises, the brain can be re-taught to send messages through the body. The patterning routine is done 7 times a day, 7 days a week and 5 people are needed for each session for a possible total of 245 people per

week! Jimmy's patterning started only three weeks ago and many more volunteers are still required. Only one hour per week of your time would be a much appreciated blessing to Jimmy and his family. This opportunity to perform a rewarding service is open not only to adults, but also to High School students. If you have a free hour a week, in the mornings, afternoons or evenings call Jill Walton at 282-4762.

KIWANIWOOD REPORT by John McMillan

Lighting of Laurier Field

The contract has been awarded. The low bidder was Roxborough Electric Limited at \$34,580, which was \$2,580 above our estimate. After a polling of members, the Kiwaniswood Sub-committee agreed to go ahead, accepting the higher price. In light of today's rising prices we felt that to delay would jeopardize the entire project needlessly. This money will be forwarded to the Board of Education shortly.

Work has commenced on the job and orders have been placed for the equipment required. Estimated completion date is September 1, 1974. Tom Lennard, Superintendent of Plant for the Board of Education, indicates that the Board has recently encountered some difficulty in obtaining electrical components, especially transformers. He will keep us fully informed in the event of project delays. We hope that these lights will be available this year for football, if not soccer.

final disposition of the remaining money, \$3,000 or so, will be decided by the Kiwaniswood Sub-Committee in the near future.

ALL WORK GUARANTEED

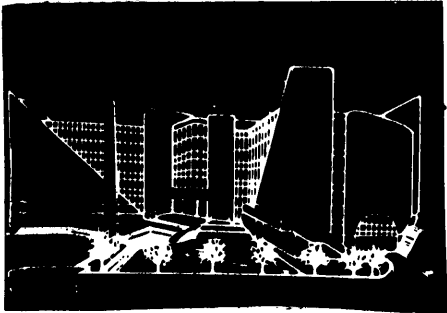

WE KEEP THE VILLAGE
ON WHEELS!

Reg Stackhouse m.p.

For ten years it has been my privilege and pleasure to represent Guildwood on the Board of Education and in Parliament. Guildwood was always very good to me at the polls, and I hope my service has been satisfactory. The many friends and supporters I have known in Guildwood have made my public life a happier one, and I will always be grateful to your warm-hearted community.

Election day will be July 8. May I urge you to cast your vote. Democracy is only strong when people are concerned.

Alderman Fulton reports

By the time you receive this issue of the News & Views, our new branch library will have been officially opened. I would like to extend my personal thanks to the staff and to the many residents who have served on the Advisory Committee. They have all done a splendid job and I hope many of them will be able to continue assisting the Library operation.

Our Traffic Department is continuing to explore the need for additional car parking and bicycle storage at the Guildwood Go Train Station. I expect to have some indication from Go Transit by the next edition of this paper.

A number of major works projects that will affect Guildwood residents are now underway. Eglinton Avenue East reconstruction has started at Midland Avenue and is expected to be completed through to Kingston Road by November of this year. The contracts for the continuation of the Kingston Road Remodelling Project, which will include some landscaping of the median, have been let and completion date is expected to be the end of October 1974. The pre-engineering for the St. Clair Ave. East rebuilding is currently underway but construction will not begin until 1975. More locally, preparatory work is completed for the resurfacing of the Guildwood Parkway between Livingston and Galloway Roads.

The Scarborough Council Softball Team has rejuvenated itself and is establishing a schedule of games for the Summer. Our future games are June 17th against Borough of North York Council and June 21st against the Scarborough Board of Education. All games are tentatively scheduled for Thomson Park (Brimley Road at Lawrence Ave. E.). The games this Summer are in aid of the Albert Campbell Memorial Fund to assist in the purchase of the Hand of God sculpture.

Through our Recreation and Parks Department I have had a new flower bed located on Livingston Road opposite Catalina Drive in conjunction with an attempt to generally improve the appearance of this section of Livingston Road. The garden should be in full colour in the very near future.

The excellent Sunday Afternoon Concerts will be continuing all Summer long. The Concerts start each week at 2 p.m. and are free and currently scheduled to continue until the end of September. Tours of the new Civic

Centre follow each concert and if you have not already been up to the Centre it is an excellent way to spend a Sunday afternoon. On Sunday June 30th, starting at 2 p.m. a complete day's programme has been arranged. The activities, which will run through until 9.30 p.m. include Sweet Adelines, Bill White Singers, The Irish Choral Society, Salvation Army Band and the Scarborough Concert Band to name a few. On Monday, July 1st, the Annual Scarborough Canada Day Parade will begin from Thomson Park at Brimley Road and Lawrence Ave. E. at 6.30 p.m. and proceed north on Brimley Road over to McCowan Road and then back along Ellesmere Road to the Civic Centre. At 8 p.m. Peter Schofield and the Young Canadians will be performing for your enjoyment. I hope that you will be able to take advantage of some of the many activities over the holiday weekend.

If you require any further information on any of the foregoing or if I can be of any assistance to you on any other matter please call me at 438-7275.

Trustee Tomlinson reports

First a few bouquets! Congratulations to Alderman Ed Fulton and all those who worked so hard and so stubbornly to get approval for stop lights at Guildwood Parkway and Livingston Road. Because of my concern for the safety of the school children using this crossing, I gave Mr. Fulton my full support. I personally find it a nightmare to drive through the intersection and consider it a death-defying feat to walk across it.

Congratulations are in order too, for three people who are important in the lives of students of the Guildwood Community. Guildwood Junior school Principal, George Barrett, is retiring after a teaching career spanning 39 years. The last 17 years were spent here in Scarborough schools. I believe the school reflects his quiet yet firm guidance and a philosophy that places much stress on a sound, basic education. He will be missed greatly by all of his colleagues, students and parents.

Mrs. Matilda Blackwell, a senior kindergarten teacher on Mr. Barrett's staff at Guildwood, is also ending a teaching career which began in 1930 and has taken her to many parts of the province. The last 15 years have been spent in Scarborough. The number of kindergarten students Mrs. Blackwell has launched on the journey through the school years are too numerous to contemplate. As a Guildwood resident I'm sure she will be carrying away the best wishes of many when she leaves at the end of June.

Jack Miner Senior School will lose a dedicated teacher of Home Economics when Mrs. Dorothy Gregor retires. Dorothy's career extends over 36 years and she has been a teacher here in Scarborough for seventeen of those years. She has taught hundreds of young women the importance of skills, which

despite Women's Lib, are still important in the lives of many women. We hope she enjoys good health and happiness in the future years.

"YOUR SCHOOLS"

The June issue of "Your Schools" contains much information for those who are new to Scarborough. Also, with so many changes and expansions in our school system, it is a good opportunity for all parents to keep abreast of what is happening.

You will notice the dates set aside for nine Professional Development days for the 1974-75 school year. The Ministry of Education is undertaking an assessment of the 12 Professional Development days allowed during this past school year. The opinions of Principals, administration officials, trustees, teachers and parents will be sought. Other individuals or groups interested in expressing their opinion may do so by obtaining questionnaires from the Regional Offices and from the Supervisory Service Branch, Ministry of Education, 16th floor, Mowat Block, Queen's Park, Toronto, M7A 1M5.

As I understand this is to be the last edition of News & Views until September, I would like to wish the editorial staff of this publication a well-earned rest. To all students, teachers and Guildwood residents, a happy, healthy summer.

SUMMER SERVICE BUREAU

Lawn mowing, garden watering, house painting, helping mothers with small children - these are just a few of the jobs which have to be done in the summer months.

If you are a home owner, planning to be away and needing a reliable young person to do some odd jobs for you or if you are a teenager and would like to earn some pocket money during the vacation we will help you to get in touch with each other. Call Elizabeth Hogle at 261-7828. She will maintain a register of jobs and names. If you need some help or would like to work then please call.

The next issue closes for copy on Aug. 14th (new adyts. on Aug. 7th), and will be delivered August 24th, a week before Labour Day week-end.

BEST WISHES FOR A GREAT SUMMER
FROM THE NEWS AND VIEWS STAFF!

Editorial

We like getting letters but we cannot publish them if they are not signed. We will respect your wishes if you do not want your name printed by using the phrase "name withheld". This month we received an excellent letter designed for 'Guildwood Pool Owners' - but we cannot print it because it is from a 'Concerned Guildwood Resident', and has not been signed. The following is an extract....

"On hot summer nights when comfort is at a minimum no one wishes to deny those who are able the chance to cool off and play in the privacy of their yards.

However, in speaking to many people in this neighbourhood, both owners and non-owners of pools, we have been amazed to hear that so many people have time to think only of themselves. The many nights some of our residents have been awakened at 2, 3 and 4 a.m. because thoughtless neighbours wanted to cool off - with whoops and hurrahs, loud screaming and acrobatic dives.

Maybe these people just aren't aware that quiet noises let alone loud boisterous sounds carry so easily at night.

There are many young children in this area, people who must get up early to go to work, people who just need a good night's sleep yet these people are not being considered in the least.

Those people indoors do not wish to deny anyone the opportunity of cooling off and relaxing but we do feel that between the hours of 11 p.m. and morning these sounds should be kept to a minimum."

Screeching tires, barking dogs and loud stereos could all be mentioned in this same category. Please remember your neighbours and observe the basic rules of thoughtfulness this summer.

Our local Hardware has moved from the plaza to Lawrence Ave. E. Bob and Jim and staff were always most helpful to Guildwood residents, their advertising kept the paper going and they sponsored local teams. They will be missed by many in the community and we wish them well.

SOCIAL ACTION COMMITTEE
by Penny Vardy

In the Guildwood News & Views of February 1974 the formation of this Committee was announced. Already the members of the Committee have been busy meeting new residents, seeking solutions to problems and answering queries from people in the Guildwood community. However, the Committee urgently needs volunteers for this really worthwhile service to our community. If you would like to help in any capacity - driving, baby sitting, shopping etc. on an occasional basis, the Committee would be delighted to hear from you. Please call Jennie Lane 267-7487 or Elizabeth Hogle 261-7828 and let them know if you require aid or in what way you would be able to help.

A coffee evening was held at the home of Mrs. Lorraine Walker in May and it was a really enjoyable occasion. The members of the Social Action Committee and Association were delighted to meet the new residents who were able to come and look forward to the next evening in late fall. If you are a recent arrival and were not contacted to attend please call Jackie Schmerhorn at 266-0519 and leave your name. We shall look forward to meeting you next time.

Any fool can drive a car fast. it impresses only another fool. Drive safely this summer, particularly in the area of the Village.

Church news

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

There's a certain sound in the air for those in "High"; its - "Over!" For the younger folk in our homes its met with disgust - big brother or sister gets out of school before they do - but it will soon be over for them, for another year. "Over at last" for the kids and school.

There are times when you rather long to be a child again. Put the books away and begin the mad plans that you have been thinking of for the past several months. But whatever the age, isn't there still an element of a child or young person in all of us? "We have made plans this Summer!" And a whole scheme

of things have been entered into: from building a cottage to a "once in a lifetime trip".

Can we wish you a happy Summer and really pleasant one. Then add to it a reminder - make it a safe one and a profitable one. We think of Summer as a time for recreation - then make Summer '74 a time for re-creation! Think purposefully in leisure moments of "who you are", "why you are" and "what you are". Spiritually minded people are at a premium in this age of madness, this Summer could make a change.

Welcome Plaza! Glad to have all this construction with delays over. Beginning Sunday, June 30th the congregation of Melville Presbyterian and Guildwood Presbyterian commence their joint Summer services. This year the 9.45 service is at Guildwood - the 11 a.m. service is at Melville.

Many thanks for the Community's interest in and support of our Garage Sale, Auction and Chicken Barbecue, June 15th at 2 p.m.

Have a Happy Summer!

HOLY TRINITY CHURCH by Bev Rhodes

Earlier this month at the annual session of Synod, in addition to the usual more or less routine matters, several subjects affecting all church members were discussed and voted upon. As a result, not only the principle of ordaining women was approved, but also

the practice of "hiring" them. Several speakers pointed out the necessity of passing the "no discrimination" section of the resolution to make commitment to the principle real. The proposed Plan of Union seemed to offer too many drawbacks to be accepted in its present form, but rather than approve a recommendation to discontinue formal talks, Synod adopted a recommendation to General Synod that talks be continued with a view to revising the Plan. In the matter of Christian Initiation one of the main points made was the necessity for tightening the approach to baptism, combined with greater concentration on Christian nurture of the young and increased emphasis on adult commitment.

In our own parish those attending the men's dinner were able to take part in a stimulating and timely discussion with Reg Stackhouse on how individuals can best conduct day to day business according to Christian principles.

At the time of writing, plans are being made for the parish picnic at Morningside Park on June 9. There will be a service of worship at 11 a.m. followed by lunch and an afternoon of races or relaxation. Later in June there will be a barbecue supper for the adults of the parish. Previous barbecues have offered good fun and fellowship; we are looking forward to continuing this tradition.

At the Canada Day festivities food and refreshments will be sold this year by Holy Trinity. Hot dogs, hamburgers, potato chips and candies will all be available, as will soft drinks, tea and coffee. Tickets will be sold in advance for box lunches. The boxes, priced at \$2.50, will include sandwiches, dessert, fruit and chips for tea or coffee for two people. The Third Scarborough Scouts under Scott Alderson (261-1203) will handle ticket sales. There will also be a bake table featuring goodies to take home or enjoy on the spot.

School news

ST URSULA CATHOLIC SCHOOL
by Mrs. P. Fitzpatrick, Principal

After spending four full school days in the Dickson Hill School of Black Creek Pioneer Village, Mr. J. Clarke and his Grade Four students returned to St. Ursula School filled with fascination and admiration for their pioneer forefathers.

An activity-oriented week was spent learning the Three R's, supplemented by sessions in which the children learned pioneer crafts, i.e. spinning, dipping candles, baking and milling flour. A wagon ride and a visit to the blacksmith shop added to this happy experience.

In a letter received by Mr. Clarke, the conservation supervisor commented on "what a help it was for them to have such an authentic, as well as excellent presentation".

Although the weather was very cool, several students from St. Ursula enjoyed participating in the Metropolitan Separate School Board Cross Country Meet at Morningside Park on May 6th.

Congratulations to Marlene Edwards who stood second in the city-wide C.Y.O. Public Speaking Contest held in St. Michael's Choir School Auditorium on May 12th. Marlene's topic was "The United Way", a subject in which she is extremely interested.

A number of students are preparing for the Metropolitan Separate School Board Track and Field Meet to take place on Wednesday, June 12th at St. Malachy School.

A special play-day for Junior and Senior Kindergarten will be held Tuesday afternoon, June 18th. The rest of the school will hold theirs in the morning of the above date. The activities will be planned to incorporate the various skills developed throughout the year.

On Thursday afternoon, May 16th, twelve students from Grade Four visited La Chasse Gallerie, the French cultural centre of Toronto. Throughout the visit only French was spoken. The children had the opportunity to work with clay. Because of their good behaviour the supervisor of the Gallerie allowed, for the first time, a number of the students to use the potter's wheel.

This excursion was arranged by Mile Ledenyi who was assisted by Mrs. G. McGrae.

The Senior Kindergarten celebrated a special Mass in their classroom with their own prayers and hymns, based on the Orff-Kodaly music approaches and instruments.

This form of participation made the Mass more meaningful for the little ones.

A special evening is being planned by the parents and teachers of the Grade Eight students to mark the completion of their education at St. Ursula.

GUILDWOOD JR. PUBLIC SCHOOL
by G. J. Barrett

Retirement Party

The evening of Wednesday, June 5, 1974 will always remain in memory as the highlight of my educational career. The renewal of friendships extending back through forty years was a thrilling experience never to be forgotten.

There were 187 signatures in the guest book including Mr. Len G. Hill my first principal, and Mr. Willis Wright, vice-principal at Bessborough Drive School at that time and later principal of Rolph Road and Northlea Public School; most of the staff members from 1945 to 1956 days at Rolph Road School; many of my former staff from Warden Ave. School; parents of the Guildwood community; all the present Guildwood Staff; and many relatives and close friends. A tribute such as this comes once in a person's lifetime and I am deeply grateful to

all those who attended to afford me such an honour.

For the wonderful gifts presented to Mrs. Barrett and myself we extend sincere thanks - to the Home and School Association for the projection table, to the Scarborough Principals' Association for the projection screen, to associates past and present for the redwood patio table, umbrella and chaise longue and to my staff for a second chaise longue. We will use these gifts with great pleasure and think of the donors appreciatively.

For all the hard organizational work which went into making this evening such a success may I express my gratitude to John Heino and to Mrs. J. Riding, our school secretary who bore the brunt of all the planning. Capably assisting these two people were Mrs. Banks, Mrs. Eisler and Mr. Rickard. Refreshments were provided by the Guildwood Home and School Association, and served by the girls of the senior choir, who also entertained.

(Ed's Note: The entire evening was enjoyed by all. Mr. Heino reported that over 250 attended. The various speeches were very good and two of the speakers gave Mr. Barrett quite a "roasting". The Barretts have planned a quiet summer at their cottage followed by an extended trip to B.C. in the Fall. We are all sorry to see Mr. Barrett leave us but join with his colleagues in wishing him all the best for a long and enjoyable retirement)

JACK MINER SENIOR PUBLIC SCHOOL by G. Gardiner, Vice-Principal

Presently, activity is at a frantic pace in order that everything will be completed before the end of the school year. All grade 6 students from our feeder schools, Guildwood, Poplar Road, Elizabeth Simcoe and G.P. Mackie have had their Orientation Period at our school. Hopefully, these visits were interesting, informative and also gave an insight into what might be expected during the forthcoming academic years at Jack Miner Senior Public School.

On Thursday evening May 30, a reception was held for Mrs. D. Gregor, who is retiring after a successful teaching career of thirty-seven years. Former students, friends and fellow teachers were in attendance. Our students will honour their retiring Home Economics teacher at an assembly on June 10th. Going with Mrs. Gregor in her retirement are our best wishes.

Members of the track and field team have been practising earnestly for our Meet at Birchmount Stadium. We know, that with the expert coaching and training by Mrs. MacDonald, Mr. Cadan and

their helping staff members, our track team will again perform admirably.

In the Skarthi trophy competition to be held this year, Christina Tracey from Class 8b3, will represent our school.

Commencing on Monday June 10, the Grade 8 students will embark for their outdoor education programme at Camp Kawabi. Under the direction of Mr. Harris, four representative teachers from our staff, plus members of the camp recreational staff students will participate in many, varied educational activities in the great outdoors.

Graduation exercises will be held on Tuesday June 25, beginning at 1.45 p.m. Because of our limited seating capacity, admittance will have to be restricted to parents only.

The end of any school year always brings with it many changes. Students of the grade 8 classes graduate and make way for another group. Changes also appear in any school staff. Leaving our staff this year will be Miss Watson, Mrs. MacDonald, Mrs. Gregor, Mr. Thomson and myself. On behalf of all the staff members leaving Jack Miner I would like to thank the parents of our school community who have given us the utmost in encouragement, support and co-operation throughout the past school year.

Best wishes and do have a pleasant summer.

UT 312 Ionization Fire Detector

- ① A fire can be detected here, in the incipient period, only by an ionization type products-of-combustion detector such as the UT-312. Detection at this stage is essential for prevention of loss of life and gives the fire department precious time to save the building.
- ② At this stage the fire is giving off considerable smoke and has usually broken into open flames. Optical "smoke detectors" can detect a fire here, but precious time has lapsed.
- ③ Now, the fire is well kindled. The rate of rise detector is unresponsive until this time, when the temperature is rapidly accelerating.
- ④ When the fixed temperature detector turns in an alarm the building life is often minutes.

In addition to your home, don't forget to install Unitec detectors for safety in

- your office
- your summer home
- your mobile home or camper
- your apartment
- your boat

The Annual Athletic Awards evening honoured students in a number of categories for their individual or group performances throughout the year. The most valuable athletes were:

GIRLS

Grade 9	Barb Calderone
10	Anne Moxley
11	Janice Leighton
Senior	Cathy Buckingham and
School	Kim Headford
Guild Trophy	Cathy Johnston and
	Kim Headford
Basketball	Kim Headford
Volleyball	Cathy Black
Gymnastics	Terry Norman
Track & Field	Janice Leighton
Swimming	Cathy Buckingham

BOYS

Grade 9	Ray Widuckel
10	Ig Racansky
11	Dave Int Veen
Football	John Horwood
Basketball	Rick Fisk
Swimming	Keith Bourdon
Track & Field	Russ Godwin
Wrestling	Mike Richards
Gymnastics	Ken Roach
Soccer	John Aird
Tennis	Eric Auld
Hockey	Tom Watson
Badminton	Dave Int Veen
Athlete of the Year	Rick Fisk

An Achievement Assembly was held to recognize those who had represented the school with distinction in competition. Among the groups included were:

Girls' Senior Basketball Team - Scarborough Champions; Grade 9 Boys' Team Gymnastics - T.D.I.A.A. Champions; Tennis Team - S.S.S.A.A. "A" Division Tournament Champions; Badminton Pairs - T.D.I.A.A. Champions; Grade 9 Volleyball Team - Scarborough Champions; Scarborough German Contest - Sonja Neuhold, 2nd in Borough; Canadian Legion Public Speaking Contest - Sandra Jiggins, Jr. - Joan Ritscher, Sr.

Art Department

The art students of Sir Wilfrid Laurier Collegiate are looking forward to the art exhibition which will take place at the Borough Civic Centre in June. The show will include drawings, paintings and prints, as well as three-dimensional work. This display will be on view throughout the whole month of June in the main lobby of the Centre. We hope you will take the opportunity to see this exhibit. The building itself is an additional incentive to make the trip - the interior provides an attractive setting for such a display.

Provincial Mathematics Contest

Annually the Mathematics Department enters a team in a contest open to all schools in Ontario. Each year we do well and this one was no exception. The members of the team were Rob Rothwell, John Doyle and Lawrence Mah. Their collective score placed them 31st out of 350 schools. Rob Rothwell's individual score ranked him fifth in place out of 4,700 students across the province!

Provincial Chemistry Test

The CHEM-13 NEWS chemistry examination sponsored by the Universities of Toronto, Waterloo and McMaster was written on Monday, May 13. There were 5,463 participants from over 400 high schools in Ontario.

Winning book prizes (for being in the top 100) were:

Neil Robinson - ranking 44th
John Reeve - ranking 82nd

Lawrence Mah stood 217th and was awarded a chemical circular slide rule. All three students are taking chemistry at Sir Wilfrid Laurier Collegiate this year.

The Scarborough Science Awards Competitions were held at the end of May and were open to science students across the Borough. Prizes totalling \$900 were donated by local industries such as Honeywell, Warner Lambert and Consumers' Gas.

For the second year in a row, Laurier students did exceedingly well, taking 33 per cent of the prizes and 26 per cent of the prize money.

Physics Competition

1st Prize Andrew Lata
2nd Prize Chris Bjerring
3rd Prize Neil Robinson

Biology Competition

4th Prize - Lawrence Mah
5th Prize (tie) Peter Atfield

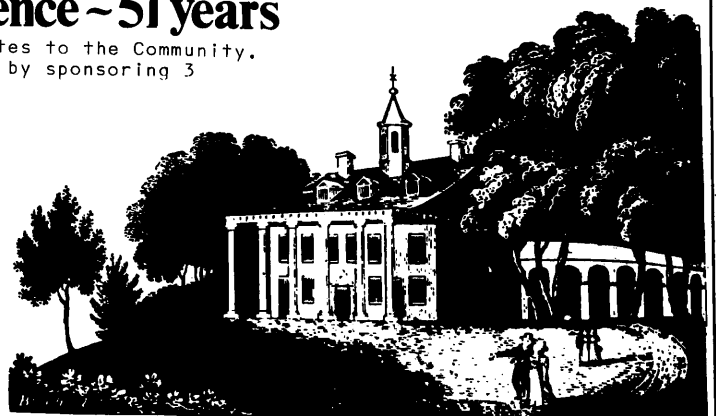

Congratulations to these students and several others who were in the top ten in each category.

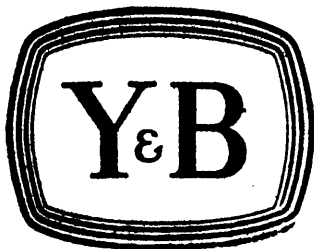

Trust your transaction to experience ~ 51 years

When selling your home, list with someone who contributes to the Community. This year we are again supporting the sports programme by sponsoring 3 soccer teams, 2 baseball teams and 1 hockey team.

Guildwood Social Club

(65 YEARS YOUNG AND OVER)

Since last writing in the News & Views our Club has had two meetings. On May 22nd we had as our guest a representative from the Government's New Horizon Plan. It was a very interesting talk and if our Club is interested in beginning a project we can apply for a New Horizon Grant. A number of Clubs have used these Grants to start them off on some very worthwhile projects. A group of Senior Citizens started evening classes at York University and this caught on so well that their numbers have swelled from 60 enrolments the first year to over 300 this past year. On June 5th we had our annual outing. We went to visit some greenhouses in Dundas and had lunch in the Collin's Hotel, Dundas, which by the way is the oldest operating hotel in Ontario, and then we toured the African Lion Safari in Rockton, Ontario. The weather was beautiful and everyone had a very pleasant day. We have been invited to attend a Strawberry Social being held by the Seven Oaks Senior Citizens Club on June 12th.

To close off the year we are having a Garden Party at the home of one of our members, Mrs. McKeown, who lives on Bellehaven Crescent. This will be attended by all our members and we just hope that the weatherman is kind to us on June 19, 1974.

IN AND AROUND GUILDWOOD

by Beryl Afrd

When you read this, our new Library should be officially opened and hopefully a good many of you will have enjoyed the festivities which were planned and carried out by the Library staff and the Library Advisory Committee.

We have all been looking forward to having our own Library and from all I've learned, as a member of the Committee, we are not going to be disappointed! I feel it is going to be like Guildwood itself - with the convenience, friendliness and flexibility of a small library but access to all the many facilities of the whole Scarborough system. When you visit the Library pick up a pamphlet entitled "Welcome to the Scarborough Public Library" and keep it handy. It clearly sets out all the information you will want to know about services, possible programmes and so on.

Suddenly the summer holidays are almost upon us, the young will be free and all of us may be looking for something different to do. The Scarborough Recreation and Parks Department suddenly the summer holidays are almost upon us, the young will be free, and all of us may be looking for something different to do. The Recreation and Parks Dept. publishes a booklet "Scarborough Citizen", outlining all of their programmes. It is usually delivered to every home and we understand that this will shortly be done in Guildwood. Copies are available now at the Civic Centre or call 438-7411.

S.T.O.P. LAURIER

(1.30 - 4.30 7 to 10 p.m.)
Operated by the Board of Education and designed for the youth group from Grade 7 up, this programme is unstructured - they can "Do Their Own Thing". The facilities of the gym and Cafeteria will be available. A Director and three trained Student Assistants will be there at all times. Activities will be planned according to the wishes of the group.

Pre-High School students will attend mainly in the afternoon session, with the older group in the evening. Apart from the use of the gym, they can just drop in, have a "Coke", listen to music, work on Art or whatever.

In addition to the above there is of course the Swimming set-up at Laurier Pool, and the other village activities mentioned elsewhere in this paper. The only thing I can see missing is something for us "Middle-Aged Types" - maybe next year?

HAVE A HAPPY SUMMER

WELCOME NEWCOMERS!

Newcomers to the community please call 266-0519 and make yourselves known to Jackie Schmerhorn, a member of the Social Action Committee. She will arrange to have the information package on Scarborough and the Guildwood area delivered to you.

Guildwood Scouting

GUILDWOOD DISTRICT GUIDES AND
BROWNIES by Commissioner
Shirley Gray

Another very successful year of Guiding has come to a close. I would like to thank all the leaders who have been instrumental in keeping our programme alive and thriving in Guildwood.

It is not easy to be a Brownie or Guide leader. It takes patience, perseverance, some training, but first and foremost a sincere liking for young girls. Unfortunately I feel our leaders deserve more help and appreciation than they receive. Many of these women have families of their own, some have full time jobs and combine both, others are students, yet they still find the time to be out every week at Pack

or Company meetings, to take girls camping or on excursions, to attend meetings and trainings, but to some parents they are providing two hours a week of free babysitting.

Did you know that in Guildwood, beside the women who help in the local units there are those who are on District, Division and Area Committees, some are on Training, Camping and International Committees, and some on National Committees which formulate policies for the whole of Canada? We have a wealth of Guiding knowledge right here and we are very lucky our girls can benefit from it.

No doubt there are parts of the programme which you do not agree with - which you feel need updating or need to be deleted. We would welcome any constructive criticism or suggestions for improvement. Call any of the leaders if you can offer suggestions or better still if you can offer help. Leaders are always looking for resource people to supplement their own knowledge in the teaching of badges. So please, we need your help. Don't be like a mother who phoned me one night with a complaint and when I suggested she might help she replied "I haven't got time to help, but there must be someone somewhere who can!"

3RD SCARBOROUGH "A" PACK by Bernice Foster

"A" Pack & Scout Troop Win Swim Meet

10 Cubs and 4 Scouts entered in the District Swim Meet at Cedarbrae Collegiate on May 4th and won enough events to win the Scarborough Swim Trophy. Since then the Pack and Troop have presented the 14 winners each with a small trophy.

The Cubs have worked very hard this year on Star Work and Badges. Four

Cubs went up to the Scout Troop in a ceremony on Monday, May 28th. Best of luck to Dale Nash, Wayne Brown, Stephen Anco and Terry Thompson in Scouting.

On Saturday, June 1st, the 3rd "A" Pack tied for First Place in the District Olympic Cuboree out of 25 Packs. It was a beautiful day and very exciting toward the end. This was our final get-together for this season. This was also my last time with the Cub Pack as I am retiring now after 25 years in Cubbing. I wish all the Cubs "Good Hunting".

61ST TORONTO BROWNIE PACK by Patricia Fraraccio

In spite of a late start, this year has been a successful one for the Pack. The culmination was on May 16th, when six Brownies were presented with their Golden Hand badges and "flew up" to Guides. They were: Christine Barrand, Marnie Corbold, Mary Louise Darbyshire, Lori Ransom, Karen Seppanen, Rachel Spencer. A lot of hard work was done by Karen Graham, Janet MacIntyre and Jean Morris who "walked" up to Guides. We are very proud of all these Brownies and shall miss them at our meetings.

The Flying-Up ceremony was followed by campfire singing led by the Guides and their Captain, Jane Robertson, and then silence settled while everyone enjoyed hot dogs and soft drinks. We thank Commissioner, Shirley Gray, for joining us at the meeting, and two Brownie Mums, Mrs. Redford and Mrs. Watt for preparing the eats.

About thirty Brownie badges were awarded during the year, including five Artist badges, the result of a course given by Mrs. Kathie Stewart. Others included Cooks, Swimmers, Housekeepers, Skaters and a Baton Twirler, representing a great deal of work.

547TH BROWNIES by Sheila McDonald

The highlight of the 547th Brownie Pack's activities in May was the surprise shower held for our Sandy Owl, Sandy Hulme of Sylvan Ave. Sandy is going to be married in October and so our very best wishes to Sandy and Dan.

We closed off this year by having a trip to Centre Island.

Have a good summer Brownies and we will see you in the Fall.

Sports news

Baseball

by Don Morrison

The Baseball season got off to a fine start on Monday June 3, and all teams are now in action.

We mentioned in the last issue that the executive was considering various alternatives to solve some registration problems. It was decided that our best option was to play an interlocking schedule with the East Guildwood Association. As both Associations cover a wide geographic area, we will play most of the games at Poplar Road School, the closest facility to the centre of the area. The Atom boys, who are not in an interlocking league, will play all their games at Guildwood Public School.

For those of you who would like to come out and watch, the leagues play the following nights:

Girls		
Chicks (6-9)	Monday	Poplar Road School
Novices (10-12)	Tuesday	Poplar Road or Thur. School
Bantams (13-14)	Monday and Wed.	Guildwood Public and Eastview

Boys		
Squirts (5-6)	Wed.	Poplar Road
Tykes (7-8)	Tuesday and Thur.	Poplar Road
Atoms (9-10)	Monday & Wed.	Guildwood Public
Peewee (11-12)	Tuesday & Thur.	Guildwood Public & Peter Secor

All games start at 6.30 p.m. If your child has a transportation problem, the coaches have phone numbers of other parents. The standings will be published in the next issue.

KIWANIWOOD TENNIS CLUB by Bev Rhodes

The playing season was "officially" launched with the Senior Round Robin on May 25; in spite of the weather players had an afternoon of tennis and fun and prizes were awarded in the same spirit later that evening at the wine and cheese party at the Guild Inn. Top honours went to Len Abbott for the men and jointly to Mary Moore and Kath Crichton for the women. The Junior Round Robin took place in two sessions on April 27 and May 4, followed on successive Saturdays by tournaments for Men and Boys and for Women and Girls.

Senior SLTA play started mid-May and Junior play began June 8. We also have teams entered in the Toronto Ladies' League and the Men's City League giving our members the opportunity to meet players from other parts of Metro. These matches and the lesson programme will conclude by the end of June. The Junior lessons, however, will carry on through the summer.

A ladder competition amongst the Juniors has given Maureen Perkins, Bill Evans, Brett Dean, Jeff Chalmers and Eric Auld the privilege of being able to play in Senior time on invitation by a Senior member.

FOOTBALL

Boys between 11 and 15 will again be playing football this fall. Practices will commence around the end of July.

For Guildwood Indians - Pee Wees:

Boys up to 13 years old and under 120 lbs should call Stu Carson - 284-6089.

East Guildwood Argos - Bantams:

Boys up to 15 years old and under 145 lbs please contact Bill Fraser at 282-9188.

For interested spectators - schedules will appear in next issue.

GUILDWOOD MIXED CURLING by Bern Foster

A grand Dinner Dance was held on May 3rd. 60 people sat down to a delightful hot roast beef dinner at the Annandale Golf & Country Club.

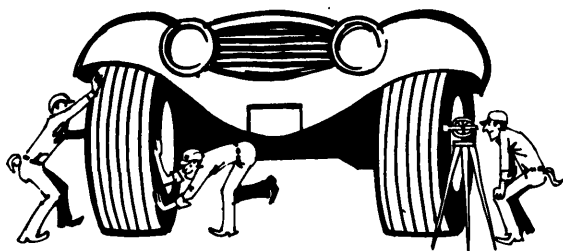

Winners of the First Section were Phyllis Francey, Arnold McLean, Ray Vibert and Jill Paine; Runners-Up were Don Anco, June Bedford, Harry MacLean and Harry Taylor; Winners of the Second Section were Shirley Stevens, Arnold McLean, Neal Trent and Kathryn O'Brien; Runners-Up were Orval White, Gord Irvine, Mike Niewolski and Lorna Aicheson.

The new executive for 74-75 will be Jill Paine, Mike Quinn, Joe Ferdas, Allan Bedford and Gord Irvine. Best of luck, and may we have good Curling again next October.

Guildwood News & Views

GUILDWOOD VILLAGE COMMUNITY ASSOCIATION VOL. 74 NO. 6 AUGUST 24, 1974 CIRCULATION 1,650

Alderman Fulton reports

The Kingston Road remodelling project is obviously well underway. The current contract provides for rebuilding between Markham Road to just east of the Guildwood Parkway Gates. It calls for construction to be completed by the end of this coming October. However, it appears that construction is running somewhat ahead of schedule. In addition to the road itself, sidewalks are being provided on both sides of Kingston Road within the contract. As indicated in the previous issue, landscaping is included in this remodelling programme. Planter boxes and trees have already been located on the median strip for a major portion of the roadway. This landscaping programme will continue eastward as soon as possible.

Further, I would like to remind you that as the Eglinton Widening Project proceeds, Eglinton Ave. East will enter Kingston Road at a right angle at the point just east of Muir Drive. This intersection change will facilitate the signalization at that location and possible signalization of Kingston Road and Scarborough Golf Club Road.

I recently had the opportunity of attending the Second Annual Indianapolis-Scarborough Peace Games. This is a thirteen sport competition ranging from aquatics and baseball to tennis and volleyball. This year Scarborough won five events: Badminton, Golf, Soccer, Table Tennis and Volleyball. The American team won: Baseball, Basketball, Horseshoes, Kickball, Softball, Swimming, Tennis and Track and Field. Over 700 enthusiastic people participated representing Scarborough in the various sports. A number of competitors were from the Guildwood area and their performance and conduct was a credit to their community.

The level of this international competition was excellent and the spirit of sportsmanship, co-operation and understanding was of great value to all of us who had the opportunity of participating. We look forward to hosting the Indianapolis contingent in Scarborough in 1975.

The Guildwood Plaza has finally been completed and has been officially opened. To this point the parking shortage that was anticipated does not seem to have created any serious problems. The builders of this Plaza have co-operated as much as possible in meeting our various requests during the construction period. Particularly, I think they should be complimented on their effort to landscape the Plaza.

Team Scarborough continues its Summer programme to raise funds for the Albert Campbell Memorial Sculpture. Our softball team is playing 500 ball against opponents from all over Scarborough and especially and particularly various radio stations. We will have played the Guildwood Village Community Association (Geritol) team on Friday August 23rd and I anticipate that we will add to our win column. Regulars on the Team include: Mayor Paul Cosgrove, Controller Karl Mallette, Alderman Fred Bland, Alderman Frank Faubert, Alderman Doug Colling and myself. A number of games are arranged throughout September and should be announced in the local papers.

If I can be of any assistance to you on any matter, please contact me at 438-7275.

On September 1, approximately 548,000 Ontario residents will become eligible for the Drug Benefit program announced in the Ontario budget last April.

This program was initiated to remove the burden of high drug costs to those who are needy, disabled or elderly.

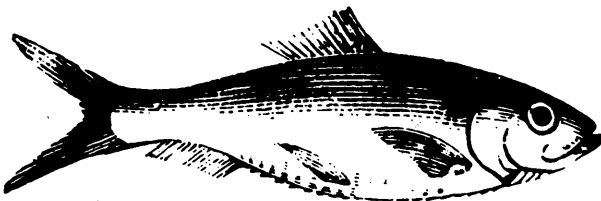

The cards which are mailed automatically to those who are eligible may be left at any pharmacy and may be reclaimed if the recipient wishes to deal with another firm.

The program which is being administered by the Ministry of Health, provides for approximately 1,200 drug preparations which may be prescribed by a doctor or dentist. The Ministry will pay the cost of the lowest priced interchangeable product on the list. For example, if there are eight brands of penicillin tablets listed from \$2.50 to \$11.10 for 100 tablets and the eight are judged of the same quality and therapeutic value, the Ministry will reimburse the pharmacist for the lowest priced penicillin.

Some essential non-prescription drugs such as insulin and iron also will be provided as benefits when they are prescribed.

Under the new program, many Ontario residents who were unable in the past to pay for essential drugs will be assured of receiving the medication they need.

mp. Reports

In the July 8th Federal Election, the Riding of Scarborough East elected Martin O'Connell as M.P. He had represented us in the parliament which preceded the past one.

Mr. O'Connell was travelling out west early in August and could not be reached prior to press time for a report, despite numerous telephone calls by your editor.

In the absence of this report the staff of the News & Views would like to congratulate him on his victory and offer the following quotation:

"The budget should be balanced; the treasury should be refilled; public debt should be reduced; the arrogance of officialdom should be tempered and controlled; assistance to foreign lands should be curtailed; the mobs should be forced to work and not depend on government for subsistence."

FROM CICERO'S ADDRESS TO THE
ROMAN SENATE

School news

Nine days will be permitted for professional activity sessions in Scarborough Public Schools during the 1974-75 season.

These days are to be used by the schools for "evaluation, parent and student counselling, curriculum development and staff development" and students will not attend school.

The schedule is as follows:

December 5 and 6, 1974, February 14, March 20 and June 23 to 27 (incl.) 1975.

The winter break will be a full 11 days, including the weekends, as it takes place on the 5 school days immediately preceding the Easter week-end. Dates of the 1975 winter break will thus be March 21 to 27, with schools closing at the end of the day on Thursday March 20 and re-opening at 9 a.m. on Tuesday April 1.

GUILDWOOD JUNIOR PUBLIC SCHOOL

The new principal of Guildwood Junior Public School will be Mr. F. Reid. A graduate of the University of Toronto, Mr. Reid has had varied teaching experience at the elementary and secondary school levels. He is a family man with 4 children, 2 boys and 2 girls. His hobbies include ski-ing and baseball.

Mr. Reid has been active on many committees and has served on the East York - Scarborough Reading Council.

ZOO

The Metro Zoo is now open. The best way to reach it by car is along 401 East, turning north on the new Meadowvale Road (formerly Kirkhams Rd.). Do wear very comfortable shoes (6 miles of walkways) and please do not feed the animals.

My Bike & Welcome To It by D. Parker

One evening this summer, while on one of our daily walks, the good spouse commented on the increased number of couples who were cycling. This it was suggested was somewhat romantic, recalling the days of our teens. I informed the good spouse that the real reason for their cycling together was not love or companionship but security or sport.

We do not cycle together nowadays, although we did in our teens. Now one of us regards cycling as a means of keeping less unfit, while the other regards it as a means of learning the decoration schemes of others for the purpose of plagiarism.

This was the year that I returned to the cycle and changed my outlook on many things. One evening for example I suddenly realized the importance of the location of lawn sprinklers. A car is impervious to them and a child accepts them as a challenge but to a cyclist they are monsters. Having neither the acceleration or the deceleration of a child a cyclist has often to drive into the spray.

Road signs acquired new significance. Stop signs do not exist, they are really just a misspelling of "Yield". But then many motorists have always believed this. I became aware of how meaningless were certain speed limits. Maximum 50 - now be reasonable I beg you ...even with 10 speeds

There was no danger of my exceeding the maximum as I slowly slogged my way uphill towards the gates onto Kingston Rd. Conversely there was no way that I was going to reduce my speed to that limit, whatever it was, as I sped joyously downhill on the return journey.

My response to the good spouse concerned security and sport. This was particularly with reference to man's best friend - the dog. To all dogs a cyclist's ankle is a delicacy without equal and apparently it becomes more appealing the faster it revolves. When faced with a dog, the cyclists must work in pairs. As the dog rushes to the bait of the first cyclist's ankle he can only be effectively dealt with by a second cyclist who by some pre-arranged game plan, such as tapping the dog on the nose with a bicycle pump or scooping it up in a bicycle basket, score a touch down, or home run or basket or something. Only a rookie would attempt to kick a dog. A kick is easily avoidable and it is very difficult to pedal when a dog has swallowed your foot.

The sign of a potential Hall of Fame member is that he wears shorts and no socks (I hope the negative is not transposed).

Another great danger to cyclists is of course the truck, as most of them are secretly addicted to cyclists. Rarely does a truck overtly consume a cyclist by blatantly knocking one down. It relies on more subtle methods.

It relies on air currents which can pick up a cyclist and throw him unceremoniously on to the truck's back or if the rider is lucky onto the branches of a nearby tree. Some of the trucks use their length and size so that an unwary cyclist with head down and bottom up will turn left and ride under it, never to be seen again. Rarely however does a truck tackle two cyclists at once. Thus as with dogs can be seen the wisdom of cycling in pairs.

The greatest danger I experienced this summer was not dogs or trucks; it was not those motorists who still believe in their divine right when for example they turn right in such a way that the cyclist almost rides through the open window to sit next to the driver; it was not the many drains which ran parallel to the direction of travel and so threaten to grab hold of the wheel and throw the rider into a convenient ditch or collection of garbage bags; it was not even lawn sprinklers - it was in fact the other cyclists. In particular it was the one who, having easily missed an unsupervised child that ran into the road, continued to watch the child and so ran into me. Tell me, what is the best closing line, that the other rider carried no insurance or that it was a woman rider?

MANNERS

I eat my peas with honey
I've done it all my life
It makes the peas taste funny
But it keeps 'em on the knife!

Church news

HOLY TRINITY CHURCH by Bev Rhodes

Again this summer we have shared in services of worship with the people of St. Simon's, Highland Creek. While Mr. Bournes was on holiday in July, Mr. Isaacs looked after both parishes, and this month Mr. Bournes is returning the compliment. Throughout the summer there have been three services on Sundays - at one of the churches at 8 a.m. and at both at 10 a.m. This congenial and workable arrangement, continued from other summers, functions with the co-operation of the lay readers of both congregations. The regular service schedule (8 a.m. and 11 a.m.) will resume September 1.

Through many peoples' contributions of time and effort the congregational participation in Guildwood Day was a great success. Terrific team work was involved in assembling the baking, keeping the baked goods out of the heat and arranging to supply the table at the necessary rate. In the snack department, a succession of short-order cooks looked after the hunger pangs generated by the day's activity. In the background were many others who provided garage space, prepared order lists and looked after all the innumerable details involved.

Over the summer the attention of the parish landscape artists to the recurring need for lawn mowing has kept the church property presentable.

from the desk of gordon fish
GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Summer is all but over - how do I know? Well, for most of us holidays for '74 are a thing of the past. The locusts are busy chattering their long drone-like sounds which are familiar late summer sounds. C.N.E. is on, the football season has returned. There are a host of other signs as well.

Today I received the real summons that Summer is past and Winter is at hand. To my desk came a folder on Christmas music suggested for 1974. New songs, new carols to be bought and learned.

Somehow, some of us ache for a re-run of our present summer - it has gone all too fast. But then, there is a bit of excitement as we make plans for the Fall and Winter season. There will be school, clubs, programs peculiar to the Fall and Winter season.

Before you make too many plans and fill in all your days and even-

ings, may I as a local preacher add this word of advice?

Let's get a bit of interest into a program of activities that have a concern for the care of the soul. You are more than mind and matter. How well do you really know the answers to the basic questions of "Who am I?", "Why am I?", "Why am I here?"

In making your plans to attend sewing classes, skating and swimming lessons etc. etc. why not give some serious thought to becoming part of a group who desire to establish their real identity and the understanding of their true selves?

Your church, it is said, is in need of you. The reverse statement is more particularly true. You stand in need of spiritual care and feeding - you need your Church.

Trust you have had a pleasant Summer - may you by your planning have an even more eventful Fall and Winter.

"A MIDSUMMER NIGHT'S DREAM"
by Joy Gannicott

Every summer Guildwood Village has a number of proud Grandmas and Grandpas visiting from Great Britain and other countries.

Within the congregation of Guildwood Presbyterian Church we were privileged with the visit of a very colourful couple - you may have seen them strolling around the area. A blind man pushing his wife in a wheelchair. This was Rev. and Mrs. John Brown from Newcastle, England, visiting their son and daughter-in-law and three grandchildren.

Mr. Brown is a Presbyterian Minister, a fabulous musician and a wonderful wit. During his three weeks here he baptised his 3 month old granddaughter Margaret Joy, persuaded the Church that an organ we had been looking at for some time was worth buying, then when it was duly installed gave us an unforgettable musical evening. (Just in passing, he tuned a few of our pianos and matched the church's piano with the new organ).

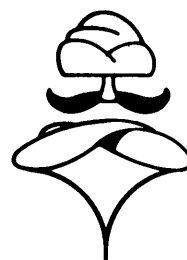

"A Midsummer Night's Dream" was an impromptu evening attended by about 70 people. We went out into the highways and byways, gathering in people who were not yet on holiday and a few friends from the Villa. Mr. Brown demonstrated all the moods an organ can muster, delighted us with his singing and had us roaring with laughter at his stories. During his career as a musician and a minister he has played Bach to no less a personage than Albert Schweitzer, and at one time had the Beatles in his Youth Club. Mrs. Grace Skeet had worked hard to prepare the refreshments that followed the musical entertainment.

Although he has been afflicted by his blindness since the age of five, John Brown and his wife Ruby radiate joy and a zest for living which is infectious. Their visit will be fondly remembered by those of us privileged to have met them.

Al Hill reports

Too bad Summer was so short!

Welcome home anyone who was away this summer. If you're like me, you must appreciate our village as a quiet place in which to relax after a very busy and enjoyable holiday away. Summer got off to a "streaking" success with Canada/Guildwood Day. Thanks to Risto Puhakka and his many helpers and participants June 22nd was enjoyed by everyone. Please call me if anyone lost or found anything of value on that day. Thanks again to Risto, Fred, George and all the others.

The Plaza comes to life!

By now all will have visited the new plaza. I must compliment the developers on the most attractive landscaping. There is one window sign though which detracts somewhat. On your behalf and in order to keep Guildwood as beautiful as possible we are trying to have this corrected.

Thanks to Bill Taylor for officiating at the opening on my behalf for the Guildwood Village Community Association. I hope everyone will support both our new and old merchants as they are very much a part of our community. They do support us in many ways. By the way, re the three additional stores, the application to OMB has been withdrawn.

Keep Guildwood Beautiful - "Thanks Art Graham"

I want to thank Art Graham who for years has picked up litter around the churches and schools. He has done much to keep Guildwood neat and tidy. He serves as a good example to us all. Thank you very much, Art.

If you think something could be better why not take some action to improve it. A case in point is the atrocious condition of the portables at St. Ursula's School. We are attempting to have them re-painted. Another suggestion - if you see any chronic speeders just take down the licence number and details and forward them to Ed Fulton, our Alderman.

Is anyone willing to serve on our Association Executive and/or our newspaper?

Don't hesitate please, we want to hear from you! So please call me, Al Hill, at 261-5143. By the way it is fun, not just work.

Since we need continuity and assistance on the Executive I would like to propose a constitution change to "Article V - Executive"

From

"(a) The organization's Executive Committee shall consist of ten officers: Chairman, Vice-Chairman, Past Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, Social Director and Youth Director who shall be a person 21 years of age or under."

To

"(a) The organization's Executive Committee shall consist of ten to fourteen officers: Chairman, Vice-Chairman, Past Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, Social Director, Youth Director who shall be a person 21 years of age or under, and up to four Members at Large."

Also propose an addition to "Article VI - Duties of Officers" of:

"The members at large shall assist the other officers as necessary".

It is hoped that the "Members at Large" would be able to assist

primarily Sports and Membership Directors, whose responsibilities are very heavy, and also to provide continuity in these positions as well as others.

No end to the Road Construction

I hope it won't be long before the mess at the Guildwood gates is back to normal. You are probably also aware that the junction of Eglinton and Kingston Road is being changed. In future in order to go down Bethune one must go over to Golf Club Rd. and then back. This is being done on purpose since it was felt that if Eglinton fed directly into Bethune that much of the current Parkway traffic would come that way. Also there are to be traffic lights at Golf Club Rd. to make for easier crossing and turning.

Please drive with care

School is about to start again so please drive carefully and slowly. Don't let a traffic tragedy happen in Guildwood.

Foster Homes urgently needed

We have received a special request from the Children's Aid Society to publish the following:

"We are in urgent need of families willing to foster our children. We have children in all age groups, but a particular need is homes for pre-schoolers and teenagers.

Our foster parents find that looking after children is a way that they

can do something from their own homes. Not only can they help a child, but also find some self satisfaction in this kind of involvement.

Right now we have a crisis situation. Scarborough children will soon have to be placed as far away as Orangeville and Port Hope. As one of our aims is to have most children return as soon as possible, visiting with their families is essential. With children placed so far away, visiting is made more difficult.

Please consider babies and pre-schoolers if you are home all day. Teenagers fit well in homes of working parents as well as a home with mother around.

Please contact Mary Forsyth at the Children's Aid Society, phone no. 759-4111 or Lynn MacKenzie (foster mother) home phone number 755-6323, to arrange for a meeting or for individual information. Thank you."

P.S. thanks to all the coaches and officials who gave our children a great summer of baseball.

Cubs & Scouts

The Ladies Auxiliary will be holding their first meeting at the Presbyterian Church at 8 p.m. Thursday September 12th, when the new officers will be inaugurated.

Guides — Brownies

by Shirley Gray

Another season of Guiding is fast approaching. By the middle of September most units in Guildwood will be opening for another year. There are three Brownie Packs, three Guide Companies and a brand new Ranger Unit operating in Guildwood. For information regarding either Brownies, Guides or Rangers please contact Shirley Gray - 267-6055 or Barb Hulme - 266-9916.

Guildwood Social Club

This good group of between 40 and 50 members will be meeting again every second Wednesday afternoon at 1.30 in Holy Trinity Church starting around the middle of September. Previous members will be contacted by telephone as to the actual date. The organizers would be delighted to hear from anyone able to drive members to and/or from their meetings. Call Yvonne Gamey 261-6573 or Shirley McDonough 261-6986 if you are interested in joining or helping.

Sports news

KIWANIWOOD TENNIS CLUB by Bev Rhodes

Saturday mornings all summer have seen a good turnout of juniors for the club lesson and coaching programme, particularly among the beginners. The tests for various levels of achievement have shown quite good results. When OLTA introduces its standards, probably in 1975, the club will adopt them, as well as the names for the levels. These Saturday morning sessions continue until August 24. The Junior SLTA tournament will take place September 7, 14 and 22. Kiwaniwood will host some of the September 7 matches. The club Junior tournament will take place September 14 and 15. SLTA league play continues until the end of August; our two teams (one boys', one girls') have made a quite reasonable showing this year.

In the Senior department, the club tournament is underway; quarter finals are scheduled for Labour Day weekend and the finals for September 7 and 8. The club's Senior SLTA teams finish their schedule mid-August. At the time of writing the B team was leading its section, C was holding its own and D was licking its wounds.

Also at the time of writing, the court resurfacing was scheduled to begin August 19. Weather and contractor willing, by publication our refurbished court surface, colourful and smooth, will be in use.

Baseball

BASEBALL by Don Morrison

The Baseball Season is rapidly drawing to a close, with regular season play now completed in all divisions. Play-offs will be underway, and in some divisions completed by the time this paper is issued.

Shortly after publication of the last article, the interlocking schedule for the Chicks and Novices was discontinued. This was caused by a difference in the age brackets for these girls between the Guildwood Village Community Association League and the East Guildwood League. As a result, each division ended up with two teams, with the girls meeting each week. This arrangement worked very satisfactorily and an enjoyable season resulted. Play-offs are now completed in the Chick Division with Malvern Gremlins coached by Marcella McGregor defeating Waverly Construction, coached by Lyda Lee Kent, in two straight games for the Chick Championship. Yetman Real Estate and Swais Fina meet to decide the Novice championship in games to be played in the next two weeks.

A fast improving Roy Curran Transport finished fifth in the tough Bantam league. These girls are a real threat to win it all in the play-offs despite their finish in regular season play.

In the Squirts league, the T-Ball game proved to be a great success. The two G.V.C.A. teams, Bob Johnson Chev-Only and Chapman Concrete, finished third and fourth in the regular season. Chapman Concrete won their semi-final play-off to advance to the finals, while Bob Johnson Chev-Only were eliminated in their semi-final round.

In the Tyke Division, the two East Guildwood teams finished first and second, followed by our three teams. Malvern Hornets captured third place, followed by Guild Esso Service centre and Ed Ignatov's unsponsored team. Play-offs in this division start this week.

The Atoms fought it out over a long season, with Leader Guildwood Pharmacy building up an early lead and hanging on to nose out Guildwood Gulf for first place. N. Foster and Sons Real Estate captured third spot, with Triumph Trophies playing strongly at the end, but finishing fourth. Playoffs are scheduled to start after Labour Day.

The Peewees were plagued with a shortage of players all year. The Fulton team and Guildwood Cleaners and Tailors ran into very strong competition from the three East Guildwood teams and have been eliminated from the play-offs.

HAIRSTYLISTS
GUILDWOOD VILLAGE PLAZA
266-2441

Our sincere thanks to all the coaches, umpires and sponsors, who gave up their time to help the players this season. The improvement in skills displayed as the season progressed, and the enjoyment of the children, is totally due to the efforts of these men and women, volunteers all, who have displayed the community spirit and willingness to help that is needed to make any of our community projects possible.

The final event of the Baseball Season will be the awards banquet, at which the team photographs will be taken. Time and place is not yet finalized, so more about that later.

Football

The football schedule begins Sunday September 15th. There are still a few positions to be filled. Interested boys should contact the following:

Guildwood Indians - Pee Wees
Stu Carson - 284-6089
Boys up to 13 years old and under 120 lbs.

East Guildwood Argos - Bantams
Bill Fraser - 282-9188
Boys up to 15 years old and under 145 lbs.

Bowling

by Carol Orr

It's time again to get those arms in shape! Guildwood's Mixed Bowling League starts Tuesday September 3rd at 7 p.m. at Shea's Cedarbrae. For all bowlers - pairs or singles - who would like to join this year, please call Carol Orr at 266-3832 (after 6 p.m.)

This year's Executive will be:

Pres. Garnett Garrett - 282-5920
Treas. Eleanor Anco - 261-7943
Sec. Carol Orr - 266-3832

CURLING

Will be taking place either at Annandale or Tam-o-Shanter. Details were not finalized at press time. For information call Jim Foster at 264-3271.

RESIDENTS' EYE VIEW OF THE SHOPPING PLAZA

We have the Plaza at last and it is a decided asset - lovely to see the flowers and trees. For consideration by the Executive of the Community Association and Ald. Ed Fulton here are just a few improvements that they might be able to suggest to the Management of the Plaza:

1. There is only one ramp readily accessible to someone in a wheelchair. This is outside Loblaw's. A ramp to the drug store end of the Plaza would also be useful.

2. Another bicycle stand at the side of Loblaw's; more and more housewives are taking to bicycles.

3. The park area beside Loblaw's could be a nice resting place for older citizens if benches or seats could be installed.

4. Persuading the management of the Plaza that a matching roof on the older shops would give a much more aesthetic appearance to the Plaza. Also that the huge steel garbage container readily visible from the Parkway (outside Beckers) is very unsightly and could perhaps be treated with redwood fencing in the same manner as the one outside of Loblaw's.

5. There are two empty shops - from opinions that I have heard it seems that another Hardware store and possibly a fabric store carrying materials, knitting and handicraft supplies would be very desirable.

6. The library is a pleasure to have but I find my diet has been more important to me since it opened. Surely those shelves could be further apart to allow two people to stand back-to-back selecting books comfortably instead of the present "after you" state of affairs. There seems to be plenty of room at the front and back for them to be rearranged.

7. It has been suggested that additional litter baskets would encourage residents not to spoil the pleasant atmosphere presently generated by this new showplace.

The entire area is fast becoming the social centre of Guildwood, so let's all do our part to keep it clean. Let us create another shortage - a shortage of litter.

Library news

A programme of weekly story hours for pre-schoolers will begin on September 24. This is designed for children aged 3-5 (children must be 3 by September 1). Registration will be limited to two classes of twenty children each and will be accepted at the library now. Times are:

Tues. afternoons 1.30-2.15 p.m.
2.30-3.15 p.m.

Two successful programmes held during the summer were "Let's go to the Circus" - creative drama with Andre Gagnon - where the children were made up as clowns and had a great time; and secondly, a Summer Music Experience series involving instruction in basic musical instruments, held at Laurier.

It is interesting to note that the Guildwood Branch can "lend a flag" and during July 12,499 items from here were in circulation.

A home-reading service for the disabled and shut-ins is available free of charge. If you have a request, call the Bookmobile Dept. at 291-1991, ext. 42 or 47, between 9:00 a.m. and 4:45 p.m.

SOCIAL ACTION COMMITTEE

This committee is still actively engaged in welcoming newcomers to Guildwood. Check the following for information:

Re: Pre-school and Public School Age Activities and baby-sitting services:
Elizabeth Hogle - 261-7828
Faye Wadsworth - 264-4430

Re: Activities for older children and adults:
Jennie Lane - 267-7487
Penny Vardy - 261-2683

Re: Emergency transportation, shopping and visiting service for older residents:
Jackie Schermerhorn - 266-0519
Lorraine Walker - 266-1523

Note: The T.T.C. strike will hopefully be settled by our publishing date. The above does not apply to general transportation emergencies caused by the strike.

Editorial

Congratulations and thank you to our staff photographer Jim Melvin who took many great pictures at Guildwood Day and put a few of them together for our front page. He did two excellent collages and it was a difficult decision for us to make. Both will shortly be displayed on the Bulletin Boards in our Banks.

Your editor wishes to thank the staff of this paper for the excellent and humorous articles appearing in this issue. Needless to say many of our regular contributors are on vacation and our brain seems to have become solidified, perhaps by the altitude at which it spent the first half of the summer. Flying has never been our favourite pastime, but when one begins a 23,000 mile journey in a 747 which refuses to start until 6 mechanics hook a piece of string into the #4 engine and pull on it, one does have a few reservations. South Africa, however, was well worth every moment of pre-flight jitters.

Your turn next?

In our Chairman Al Hill's report there is a mention of the annual need for new members to serve on the Association Executive. The staff of this newspaper have enjoyed their jobs, but some of us feel that, come December, we will have completed our year and helped fulfil our obligation to the community. The fact that this inexperienced team only needed two issues to learn the ropes indicates that others could do equally well, if not better!

You are hereby offered a chance to learn about printing and publishing. Please call the editor at 261-9064 if you are interested.

Lois Taylor

SWIMMING

Congratulations to Cindy Nicholas, the 16 year old swimmer who conquered Lake Ontario and broke all existing records. Cindy lives at the top of Bethune Hill at 91 Hill Crescent, overlooking Guildwood, and we should all be very proud of her.

GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

VOL. 74 NO. 7

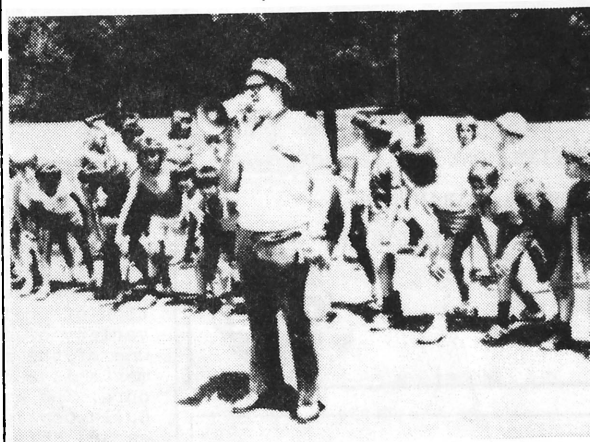

SEPTEMBER 28, 1974

CIRCULATION 1,650

General Meeting:

Tuesday October 8th, 8.30

Guildwood Public School

READY, SET, GO.....TO THE MEETING

Al Hill reports

This meeting is one of three held annually by your Association. Please make every possible effort to attend.

The main purpose of this meeting is the election of officers for the 1974/75 year. Unbelievable as it may seem, in 1972 the meeting had to be adjourned because only 28 people out of 700 family members attended. In setting the date we tried to avoid hockey games and meet-the-teacher nights to the best of our ability.

We sincerely ask that each and every one of you consider volunteering. Call me, Al Hill or my wife Nancy at 261-5143. Also think about nominating your friends and neighbours to help with this very worthwhile responsibility, and bring them along.

I can honestly say that your current executive have all enjoyed working together over the past year. Most of the jobs are not too time-consuming and are actually fun. The real reward comes in seeing things turn out successfully. It's amazing how many are willing to help when asked, but someone must do the asking. You don't have to be a long-time resident or know lots of people. As we discovered, all that is required is that you have the interest of Guildwood at heart.

Positions to be filled include the following: Chairman, Sports Director and Youth Director.

The remainder of the present executive are willing to stand for re-election, which proves the point I made above.

Thanks to my executive!

With the 1973/74 association year coming to a close I want to say thank you to all my executive for the successful ventures they undertook on your behalf. Each has also been of tremendous assistance to me. Thank you.

Now is the time to anticipate these problems:

1. High rise development.
2. Speed Control.
3. Youth Activities.
4. Public Transportation.
5. Vandalism.
6. Drug Problem.
7. Property Taxes.
8. Recreational facilities.
9. Bluff erosion.
10. Commercial vehicle control.
11. Mosquito control programme.

Whether you are a new or old resident, member or non-member, owner or tenant, we look forward to seeing you at Guildwood Junior Public School on Livingston Road at 8.30 p.m. Tuesday, October 8th.

PROPOSED CONSTITUTIONAL AMENDMENTS

to be voted upon on OCTOBER 8th:

Article V - Executive

From

"(a) The organization's Executive Committee shall consist of ten officers: Chairman, Vice-Chairman, Past Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, Social Director and Youth Director who shall be a person 21 years of age or under."

To

"(a) The organization's Executive Committee shall consist of ten to fourteen officers: Chairman, Vice-Chairman, Past Chairman, Treasurer, Secretary, Legal Director, Sports Director, Membership Director, Social Director, Youth Director who shall be a person 21 years of age or under, and up to four members at large."

Also propose an addition to "Article VI - Duties of Officers" of:

"The members at large shall assist the other officers as necessary".

We need the continuity and assistance on the Executive which members at large would provide.

School news

ST URSULA CATHOLIC SCHOOL by
Mrs. P. Fitzpatrick, Principal

We extend a sincere welcome to the new members of St. Ursula School Community.

Already the girls are involved in trying out for 3-pitch under the direction of Miss Richardson. Mr. Gillespie, one of our parents, has kindly volunteered to coach the school soccer team. The Intermediate Boys' Flag Football team, coached by Mr. Calderone and Mr. Walker, are anticipating a season of fun and good sportsmanship. The finals for these three events will be in late October.

In conjunction with the study of pioneers in early Ontario, a trip to Black Creek Pioneer Village for the pupils in the intermediate level is planned for late September.

On Tuesday, September 24 at 7.30 p.m. a general meeting was held for the purpose of meeting the new staff members and forming the Parent-School Committee for 1974-5. The results of this meeting will be in the next issue.

GUILDWOOD JUNIOR PUBLIC SCHOOL
by J. Heino

During the final week of school in June the annual awards day was held at Guildwood Junior Public School. At this assembly trophies and tabs are presented to pupils in recognition of their accomplishments in a variety of different activities. One of the most difficult achievements is acquiring a flash for honours. The pupils still attending Guildwood Junior Public School who earned this distinction during the 1973-74 school year were Vera Bigall, Kevin Brett, Jill Code, Brent Foster, Sheilagh Croxon, Pam Grannum, Phillip Grannum, Lori Haywood, Gillian Magder, Jayne McDonald, Diane Mikola, Linda Morrison, Todd Phillips, Carol Roberts, Stephanie Robertson, Randy Samson, Sharon Sauve, Susan Schofield, John Shepherd, Ward Smith, David Twinem, Lisa Wagner and Karen Williamson. The award for achievement was also presented to the following pupils: Helen Bigall, Mario Douven, Denise Evans, Susan Garvin, Mike Krmpotic, Todd McDonald, Jimmy Morrow and Susan Moxley. The pupils who received this award have made most improvement in academic subjects during the year. We congratulate all the pupils mentioned above and wish them every success during the new school year.

Another popular presentation was for the boy and girl who displayed the highest quality of sportsmanship during the year. The A. Grigsby Trophy was presented to Susan Moxley and the J. Wallace Trophy was presented to Todd McDonald. These two pupils showed outstanding athletic ability, qualities of leadership, fair play and morale building. The teachers and pupils of Guildwood Junior Public School are proud of the achievements of these two fine young people. Many other rewards for sports and extra-curricular activities were presented and congratulations extended to those who assisted.

In September and October a soccer house league is being played dur-

ing the lunch hour. About 45 boys are taking part and they are enjoying the keen competition. The Blue Devils captained by Todd Phillips, the Stampeders captained by Gary McCreddie and the Thudernauts captained by Brian Wodehouse are engaged in a close contest. The winners will be presented with shoulder flashes in June 1975.

Mrs. Heinze is starting her gymnastics club for girls. Some of these girls will compete in the all Scarborough Gymnastics competition to be held later in the year.

ELIZABETH SIMCOE JUNIOR PUBLIC
SCHOOL

The staff of Elizabeth Simcoe Junior Public School would like to welcome back all former parents and students from what we hope was a pleasant summer. A warm welcome also goes out to all families who are new to the area. We are looking forward to meeting you.

New Staff Members:

We are pleased to announce that five new teachers have joined the Simcoe staff as of September 3, 1974. They are Mrs. K. Strong - Grade 1, Miss C. Pearce - Grade 4, Mr. R. Coonman - Grade 5, Mr. J. Belcher - Grade 6 and Mr. L. A. Wilson, Vice-Principal.

House League Activities

Once again, both staff and students are looking forward to a most exciting year of house league activities. All students from the junior grades who indicated a desire to participate were divided into ten houses. One teacher will act as coach for each team for all of the activities. Eight other staff members will officiate as referees at the various games. Points will be awarded throughout the year and in June the two championship houses will be announced and awarded school crests. The first activities (soccer for the boys and field hockey for the girls) are well under way and the enthusiasm is mounting. Good luck to all houses!

Reminder re Safety Patrol

This year the safety patrol consists of a large number of Grade 5 and 6 pupils under the direction of Mrs. S. Donely. We are very proud of these fine young people and we hope that the community appreciates their untiring efforts to serve and to protect the young people of our area. For this reason we would like to ask a favour of all parents - please stress the importance of the Safety Patrol with your children. All pupils, whether they are in a junior public, senior public or collegiate should do their best to co-operate with the Safety Patrol. Let us do our part to prevent accidents. 1973-74 was an accident-free year.

Excursions

Two Grade 5 classes (Mr. Coopman and Mr. Levingbird) had the opportunity to visit the new Metro Zoo on September 10. From all reports the students enjoyed the experience immensely.

By the time this report is printed Miss Lowther will have taken her class on an educational and enjoyable nature hike to Bruce's Mill. No doubt the students will have many interesting details to relate to their parents.

On September 10, 11 and 12, the four Grade 6 classes enjoyed the outdoor excursions on the Scarborough Board Science Bus. Only Mr. Belcher's class had to cope with some wet weather.

Keep these future excursions in mind:

Oct. 8 - Gr. 3 tour of Pioneer Village.

Nov. 13 - Gr. 1 visit to a Fire Station

Dec. 9 - Gr. 4 tour of Metro

Movies

The monthly feature-length movies will again be provided beginning on September 27th with "The Phantom Toll Booth"

Oct. 25 - "The Happiest Millionaire"

Nov. 29 - "The Barefoot Executive"

Dates to Remember:

Oct. 14 - Thanksgiving Monday (school will be closed)

Nov. 11 - Remembrance Day (school will be closed)

Dec. 5 & 6: Professional Activity Days (no classes will be held - Interviews will be arranged for all parents)

Dec. 23, 1974 to January 3, 1975

- Christmas Holidays

Mar. 21 - 31 (inclusive)

- Winter and Easter holidays

JACK MINER SENIOR PUBLIC SCHOOL

by Mrs. V. Stinson, Vice-Principal

In addition to over 240 new students at Jack Miner Senior School there are seven new staff members, including myself - Mr. P. Soloman (Guidance), Miss J. Awcock (Science and core), Miss S. Christopherson (Instrumental Music), Miss A. MacKenzie (Physical Education), Mrs. E. Martin (Home Economics) and Ms. P. Handelsman (core).

We are all looking forward to our first year at Jack Miner Sr. School, and to meeting you, the parents of our students, at Curriculum Night to be held October 2, 1974.

Mr. Soloman, our guidance counsellor is centrally located in Jack Miner Sr. School, but visits each of the Junior schools in our area for one afternoon per week. His schedule is as follows:

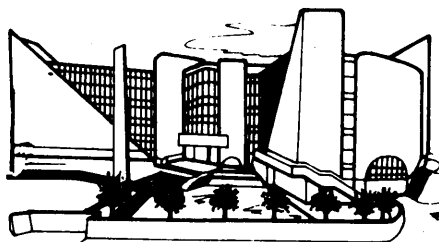

Mon. 1.30 - 3.30 at Poplar Road
Wed. 1.30 - 3.30 at Elizabeth Simcoe
Fri. 1.30 - 3.30 at Guildwood

Presently, many students are actively engaged in the many extra-curricular activities available in our school.

In the house-league programme, girls are participating in Bordenball, while the boys are enjoying soccer. Teams for both these sports have also been entered for inter-school competition. In addition to these inter-school sports, Jack Miner Sr. Public School is also entering girls' and boys' Cross Country teams at both the junior and senior levels. Clubs such as Science, Girls' and Boys' Chorus and figure skating are underway or in the planning stages.

NEWSPAPER RECYCLING

Next pick-up will be Thursday October 10th and every two weeks thereafter. Pre-bundled and tied newspapers should be left at the curb by 7.30 a.m.

Trustee Tomlinson reports

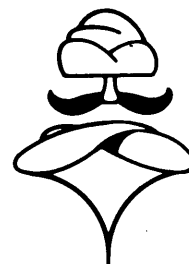

Now that summer is over, the pace of an elected official's life is as hectic as ever. Within the few weeks the schools have been open, the Board of Education has grappled with three major issues:

Lowes Commission Report:

In considering the 90 recommendations made by the Lowes Commission, established to study the structure and financing of the two-level Metro educational system, our Board disagreed with the proposal that area boards be responsible for negotiating salary and working conditions with their staffs. Most trustees felt that direct dealing with the Ministry in the area of capital funds for building and sites, would perhaps be more beneficial. The majority of Board members disagreed with the two year rather than the three year term of office for municipal representatives and disagreed that candidates running for Board of Education should be given financial assistance determined on a per voter allotment for each ward. They did agree that trustees should post a \$100. bond when seeking office, which would be refunded should they gather 10% of the vote. They agreed that candidates should also give a written account of all donations made to them during the campaign.

The most controversial issue was the right of local boards to levy an additional tax to raise funds for specific projects, once they had spent up to their ceiling allotments. The same mill rate levied in Scarborough would generate far fewer funds than it would in North York or Toronto. Trustees felt that the difference in the amounts raised and the benefits received by one Borough as opposed to another might cause jealousy between boards and residents alike. It was generally felt that a common levy arrived at by the Metro Board, applied across Metro and then divided between the local boards on a per pupil allocation might bring a fairer distribution of funds.

The Lowes Commission, headed by Barry Lowes, ex-chairman of the Toronto School Board visited all Metro School Boards and talked with trustees. Their report covered a great deal of ground and was no doubt a difficult task because of the widely varying views (certainly on Scarborough Board) of trustees in many areas. The Committee will now study the responses to their recommendations and prepare final proposals.

Day Care Proposals

In considering the recommendations of the Margaret Birch report on the expansion of the Day Care program in Ontario, the majority of trustees congratulated Mrs. Birch for the philosophy behind the proposals. Some expressed concern for the increased number of children per supervisor in certain age groups. Mrs. Birch pointed out that the government would rather put the \$15 million into expanding Day Care facilities and subsidizing those parents who cannot now afford to use the facilities, but who justifiably need the assistance, than spend money to maintain the status quo for parents who can afford it but who could and should be doing the job themselves. In order to do so, the government would relax rules and regulations that they feel are hindering such expansion and which are unnecessary. In the past only those holding certificates in child care were eligible to work in Day Care centres. Teachers, nurses and other competent people were not eligible. These people will now be accepted, if agreed by the Day Care Committees, and along with volunteers should provide good care for more children.

In the past only premises having kitchens could be used so that hot meals could be prepared for the children at noon. Now facilities that are acceptable in every other way may be used if an agreement is arranged to have hot meals catered and brought into the children.

In the past, day care could only be provided in ground floor facilities. Now if the premises meet rigid fire regulations set by the Province, they may be located up to and including the fourth floor of a building. Parents would have no objection to leaving their child on the fourth or even the tenth floor of a hospital, so Mrs. Birch feels this should not cause any undue alarm for parents. Under the new proposals, school Boards may be given additional funds to convert unused school rooms into day care centres if the need can be established. A sensible move.

Moral Education in the Schools

Education Minister Tom Wells has requested that a programme be implemented to emphasize moral values in as many subject areas as possible in our curriculum. Space does not allow for a full explanation of this proposal, so I will enlarge upon it next month.

Alderman Fulton reports

A number of items are being dealt with relating to the finishing of the plaza extension and remodelling. I have discussed the bicycle situation with the owners and since the Borough lacks jurisdiction over private property, the owners will do their own policing with a security service. They are also endeavouring to install more bicycle racks and, further, they will consider posting "No Bicycle Riding Signs" for the sidewalk area. A ramp will be considered for installation at some point on the east side of the plaza, similar to the one at Loblaw's to facilitate the use of wheelchairs. The large garbage bin currently located on the north wall of the plaza, will be removed soon. The builders are awaiting a Building Permit to construct a proper storage area beside the drug store. They are most anxious to remove the bin and intend to start construction of the storage area immediately.

At the time of writing, the installation of long-awaited traffic signals at Guildwood Parkway and Livingston Road has commenced. The signals will be operational in a few days time.

The Borough of Scarborough Softball Team played the G.V.C.A. Geritol Team in a re-scheduled contest. As forecast earlier, Jim Foster and Company were no match for the Council team - losing 11 - 7. The Borough team has now won 7, lost 4 and tied 1 in the season and raised a few dollars for the Campbell Memorial Fund in the process.

The Metropolitan Toronto and Region Conservation Authority recently concluded lengthy negotiations to acquire approximately 25 acres of parkland south of St. Augustine's Seminary at Kingston Road and Brimley Road. This is a major step in the over-all development of the waterfront park. We are very hopeful that the Marina operation will be available in 2 - 3 years time.

Premier Davis has announced that former Premier Robarts will undertake a one-man Royal Commission on Metropolitan Toronto. Mr. Robarts will be studying all aspects

of Metro's government including the structure, financing, administration, organization and boundaries and will recommend improvements. Mr. Robarts will consider the question, among others, of further consolidation including the establishment of a one-tier municipality for Metro and will hold public meetings to hear opinions of citizens and groups interested in the future of Metro.

Margaret Birch mpp reports

There are a number of interesting exemptions that have been added to the Land Speculation Tax Act introduced in the Legislature last June and I would like to tell you about some of them. For instance, if you move before you have sold your first residence, you can claim it as your principal residence for up to six months. Another exemption is of particular interest to Scarborough residents who rent rooms to college students. Recently the Ontario Cabinet agreed that the speculation tax would not apply to owner-occupied rooming houses. Some people who rented rooms to students in the past were reluctant to offer the space again this year because of the tax. The exemption will apply to other rooms and boarders too but the exemption is not extended to self-contained apartments within a residence.

As the cold weather approaches, some of you may be looking forward to trips south. There is an exemption for those who go away for the winter. If the house is rented or leased, the land speculation tax is not applicable.

I want to remind you again that my office in the Conservative Aid Centre is open on Monday evenings from 7 p.m. to 9.30 p.m. The address is 1 Greenholm Circuit. Our telephone no. is 439-1113 and there is a 24 hour answering service. You may also call my Queen's Park office at 965-6502 to make an appointment for the Aid Centre. I would be pleased to see any of you if there is some problem you feel I can help you with or if you just wish to drop in for a friendly chat.

mp O'Connell Reports

It is a great feeling to be back in Ottawa as your Member of Parliament, and I want to thank the residents of the Guildwood Community for their support and confidence. Help me do the job well by sending me your views and concerns.

As promised, I will be opening a permanent constituency office at 3460 Kingston Rd., Suite 209, just west of Markham, on November 1st. Mrs. Bonnie Trela will act as my Secretary and Assistant, and will staff the office from 9 to 5 every weekday. We will also be on a 24 hour answering service, so that you may call on us at any time. My Scarborough office will be linked by telephone to my Ottawa office, which is in Room 448-N of the Centre Block. My telephone number in Scarborough will be 266-3151 from November 1st, but you can still reach me or Mrs. Trela at our former number, 751-6530. In Ottawa, my telephone numbers are 992-0047 and 992-1895. Please do make use of these offices, either by telephone or by writing in. When you are in Ottawa, do call on me, you will always be welcome.

During the election campaign, the people of Scarborough East have brought forward a number of concerns, the main one always being inflation. It is our number one problem. We cannot let up the fight against it. To the measures already adopted by the Government over the past year, the Prime Minister has more recently added the statement that the Government will live within its means, and hold the line on expenditures. We realize that this might mean a slower introduction of some of our planned programmes. We will have to be patient. But I am anxious that the principal budget measures be brought back and I expect they will be. They are needed.

I would like to report briefly on some of the points brought out during the election:-

1. Bail Reform Act. Many of you, especially policemen and their wives, complained of the operations of the amended Bail Reform Act. The tendency under the new Act is to release rather than detain in custody accused persons awaiting trial. The result is that many of the persons who have actually been released on bail are often the ones who are committing other crimes. The scales seem tipped in favour of "freedom of the individual" rather than "protection against crime". The public seems less protected than before. I want to work towards restoring the balance between these two principles.

2. Railway Crossings - Underpasses and Overpasses. I am happy to report that I was able to arrange for three federal officials from the Department of Transport, the Ministry of Urban Affairs and the Canadian Transport Commission to come to Scarborough on Friday, September 13th to meet with elected and senior Borough officials and explore ways in which Ottawa may be helpful to Scarborough as it approaches a very costly but essential programme of building a great number of grade separations, underpasses and overpasses. These are

very expensive. However, federal grants have been doubled to a maximum of \$1,000,000. per crossing and there is provision for further special grants in special circumstances. The construction of these underpasses and overpasses at railway crossings is an important safety measure which is greatly needed in our area and I shall be following it closely.

3. Curb cuts in sidewalks at intersections. A number of you voiced concern on this particular point. I have already contacted Borough officials to suggest that they consider providing some shallow ramp going down from the sidewalks onto the streets, so that citizens who are in wheelchairs, or young mothers with babies in carriages and strollers can cross at main intersections more easily. This is an example of a local matter that arose during the campaign, but on which I can be helpful. It is not a federal matter, but I was pleased to pass it on to the Borough officials. On this and a number of other local matters I have found the utmost co-operation from the Borough, and I do want to return this in kind. Only in this way can all elected officials serve constituents well.

I have begun a series of consultations with senior officials and authorities in our community, with a view to deciding which would be the best remedy - amendments to the basic statute, or changes in the way it is being handled by officers and the courts. Let me have your views on this question.

Let me now tell you of some new happenings at the federal level since July 8:

- In October there will be an increase in Old Age Security Pensions, which are adjusted to the cost of living, calculated every three months.

- The new issue of Canada Savings Bonds will carry nine equal annual interest coupons of 9-3/4% to maturity, in 1983.

- The Local Initiatives Program for the coming winter has been announced by the Government. All applications must be in by October 1st. I will be proposing a constituency advisory group to assess and give priority to any applications that arise in Scarborough East. It will be composed of eleven persons drawn from various backgrounds and interests in Scarborough.

- The Borden Chemical Company of Canada located in West Hill has been granted \$92,000 by the Department of Regional Economic Expansion, in order to expand their facilities in North Bay.

Do write to me on these, and every other matter of concern and importance to you. I want and need your opinion. In conclusion, I do want you to know that, whereas I enjoyed very much my role as Principal Secretary and Personal Advisor to our Prime Minister, there is no greater feeling than to return to Parliament Hill as your elected representative; let me serve you well by telling me your needs.

SOCIAL ACTION COMMITTEE by Penny Vardy

The G.V.C.A. Social Action Committee has continued to operate during the summer months and was able to provide help for residents who needed jobs to be done, day care assistance, transportation and other problems.

There seems to be a real need for the services of those people willing to provide day care in their homes - particularly on an occasional basis. There are many mothers who would like to be able to do some supply teaching, shopping, voluntary work or other temporary activities and who would be delighted to know of a reliable person with whom to leave their children.

If you are at home all day, please do consider getting in touch with a Committee member and leaving your name. This is a real service to the community which can benefit us all.

Editorial

In the June issue our chairman wrote about Jimmy, an 8 year old Guildwood resident who suffered a stroke at 18 months and is undergoing a physiotherapy technique called patterning which requires 5 people per session 7 times per day. Jimmy spent part of the summer in hospital but help is urgently needed now, especially at 6 p.m. on weekdays and at all times on week-ends. One hour per week from a teenager or adult would be much appreciated. Call Jill Walton at 282-4762 if you can possibly help.

Guildwood Villa Nursing Home is also in need of volunteers. If you have any free time, you will find this to be worthwhile and rewarding. Phone 266-7711 to offer your services.

Don't forget to attend the meeting on October 8th, 8.30 p.m. at Guildwood Public School.

Church news

GUILDWOOD COMMUNITY PRESBYTERIAN

from the desk of gordon fish

Have you a hobby? If I had a hobby it might be described as "a reader of epitaphs". Not too exciting, but it is sometimes most informative and even humorous. In the cemetery of a small town, north and west of London, Ontario, there is this information cut into a certain stone, "A captain of the seas, he gave a thousand pounds to missions and died in peace". I'm sure there must be quite a story behind those brief words - fascinating! In the village churchyard at Olney in England there is the epitaph of another sea captain and it reads thus: "John Newton, Clerk, once an infidel and libertine, a servant of slaves in Africa, was by the rich mercy of our Lord and Saviour Jesus Christ preserved, restored, pardoned and

appointed to preach the faith he had long laboured to destroy near sixteen years in Olney in Bucks and ... years in this Church .." Newton had spent six of his eighteen years transporting African slaves to North America. He was described as "a wild, profligate and blasphemous sailor. After reading "The Imitation of Christ" by Thomas a Kempis a profound change took place and he resigned as a sailor and took studies toward the Christian ministry. When 80 years old he was asked to give up preaching. His response? - "What! Shall the old African blasphemer stop, while he can still speak?"

All of this to suggest that such an experience seemed necessary to enable him to write the hymn that became number 1 on the hit parade - "Amazing Grace". The above might be described as "The Tale of Two Captains", but I think it is easily recognized as evidence of what real changes can take place when one allows the dynamism of Jesus Christ to take over. The business of our churches is to expose men and women to this change through Jesus Christ and to provide study and witness for those who would follow him.

Our time has been described as the age of apathy. Before we renege completely in the matter of involvement, get into the action of your local church or congregation in the Village and be INVOLVED.

Dates to Remember

Sept. 29 - Sunday School starts:-

9.50 a.m. - Sch. Grade 3 and up

11 a.m. - Nursery

11.10 a.m. - Kin ergarten and Grades 1 & 2 (follows children's story in church.)

Sat. Nov. 2nd - Annual Fall Bazaar

The Women's Fellowship is working on plans under co-convenors Mildred Angus 282-9985 and May Fockler 261-9134. All are welcome at work meetings - please call for details.

HOLY TRINITY CHURCH by Bev. Rhodes

Sunday, September 29 will be a full day for the parish. That morning the 11 o'clock service will be one of thanksgiving for all the blessings of harvest, at which Canon A.H. Davis, former General Secretary of the Missionary Society of the Anglican Church of Canada, will preach. In the afternoon at Varsity Arena, there will be a festival service of word,

praise and sacrament offering an opportunity to people from all over the Diocese of Toronto to share in an act of witness. The special preacher for this occasion is the Rev. Michael Marshall of All Saints, Margaret Street, London, who has also spoken during the week at services, deanery meetings and missions in the city.

At the time of writing plans are being made for a parish barbecue and for a family social evening. These occasions give newcomers a chance to get to know others in the parish, oldtimers the chance to keep in touch and everyone a lot of fun. Plans are also being made for a young people's group with a view to providing a more active programme for that part of the congregation. Some of the young people met with Mr. Bournes on Sunday evening to discuss possibilities. Preliminary arrangements are underway for a course in Christian theology which would give participants the opportunity to examine various aspects of Christian belief. More definite information will be available in October. The annual walk in aid of Diocesan Outreach projects takes place October 19; this year walkers who complete less than the 15 miles will be able to have their efforts certified at the check-point where they sign off acknowledging their participation.

Since the resignation of Jim Boles became effective at the end of July, we have been without a regular organist. Jim served in this capacity for several years and the congregation appreciates the skill and attention he gave to his duties.

At our own courts tournament play is in high gear; the final matches remaining in the Junior and Senior sections are scheduled for September 21 and 22. Two titles have been decided, both girls' doubles, as follows: Under 13 - Yasmeen Majid and Rhonda Tovey. Under 16 - Maureen Perkins and Mary McMillan. At the time of writing the following finalists have been determined:-

Under 13

Girls' singles:

Yasmeen Majid vs Fiona Crichton

Boys' Singles:

Tony Chalmers vs Scott Crichton
 Boys' doubles: Tony Chalmers & Scott Crichton vs Ibn & Lyndon Majid

Under 16

Girls' Singles:

Maureen Perkins vs Tina Jackson

Boys' Doubles:

Eric Auld & Brett Dean vs Steve Mason & Bill Evans

Senior

Ladies Singles:

Mary Moore vs Kath Crichton

Ladies' Doubles: Mary Moore & Kath Crichton vs Irene Devonshire & Nancy Hill

Men's singles:

Andy Lata vs Gerry Haslam

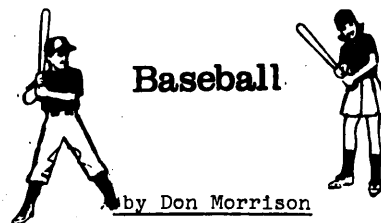

Bill Boyce vs Stu Logan

Men's Doubles: Andy Lata & Bill Boyce vs Stu Logan & John Sickinger

In the annual SLTA tournament Bill Boyce has reached the men's singles final in his division.

Plans are being made for the annual meeting and wind-up party toward the end of October. At this time the new executive will be installed and trophies presented to the tournament winners.

In the meantime we are taking advantage of what good weather remains and enjoying the rejuvenated courts.

Baseball

by Don Morrison

The baseball season has drawn to a close with play-offs completed in all divisions. With Chick and Pee-wee results reported in the last issue, the remaining results are as follows:-

In the novice division, Yetman Real Estate, with coaches Kim Borman and Debbie Allan, fought hard for victory in a very close series with Swais' Fina, coached by Marnie Spooner and Ruth Miller.

Roy Curran Transport, coached by Winkie Issinoff, were eliminated in semi-final play in the Bantam division, with the East Guildwood Teams going on to finals.

In the Squirt series, Bob Johnson Chev Only, with coach Ruth Clark, defaulted in semi-finals due to a shortage of players. Coaches Debbie Casselman and Wendy Moore took their Chapman Concrete team into finals, but were unfortunately unsuccessful in coming off with the banner.

Two of our Tyke teams were eliminated before the playoffs. These were Guild Servicentre, coached by Bob Coates, and Ed Ignatov's unsponsored team. The remaining team, the Malvern Hornets, with coach Gerry Williams, went into the semi-finals but lost to East Guildwood before the final series.

The Atoms final series was a very exciting one with Dave Moxley's Leader Guildwood Pharmacy team taking the pennant after three very close games with Ken MacLennan's Guildwood Gulf team.

N. Foster and Sons Real Estate with coach Bill Tilley, and Triumph Trophies with Risto Puhakka were defeated in semi-finals.

Plans for the awards banquet will soon be finalized, and we will be in touch with players and coaches shortly. Our thanks again to all who assisted the baseball programme this summer.

CURLING

by Bern Foster, Past President

Sundays, 9.00 p.m. to 11.00 p.m.
 Annandale Golf & Country Club,
 Church St., Pickering
 South of 401

That's right - it's getting close to that time again. Here is your new Executive for 1974-75:-

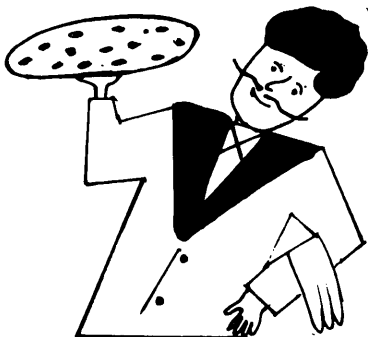

Joe Ferdas - 266-4951
 Gord Irvine - 282-4818
 Jill Paine - 282-6240
 Allan Bedford - 284-8535
 Mike Quinn - 267-1049

The teams will be arranged in the next few weeks. If you are a newcomer and interested in social Curling, give any one of us a call.

Curling starts Sunday, October 20th at 9 p.m.

GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

VOL. 74 NO. 8

NOVEMBER 2ND, 1974 CIRCULATION 1,650.

MEET YOUR MAYOR TUESDAY NOV. 19 8.PM LAURIER AUDITORIUM

MAYOR PAUL COSGROVE OF SCARBOROUGH WILL ADDRESS THE NEXT MEETING OF THE ASSOCIATION. KEEP THIS DATE FREE AND HEAR YOUR MAYOR AND THE PLANS OF YOUR NEW EXECUTIVE AND VOTE ON HOW YOUR FUNDS WILL BE SPENT IN 1974-75.

TUESDAY NOVEMBER 19TH

Paul Hyatt reports

As this is my first report as new Chairman of the Guildwood Village Community Association, I would like to thank Al Hill and the past Executive for doing an outstanding job in the community, promoting the interests of Guildwood with their time, effort and activities. A hearty thanks from all of us in the Village.

It pleases me that many of the above are carrying on, and the new executive looks forward to working with all members of the association to explore even more new ideas relevant to the community.

The only position not filled is that of Legal Director. The association was able to function without legal advice last year, but we hope that one of the many qualified residents will respond to our request. Please call me at 261-1615.

The time has arrived for membership canvassers to knock on your door and ask you to participate in your community. How? By buying one of the greatest bargains of our time - a Guildwood Village Association membership at only \$5.00 per household. We have been able to undertake mosquito control spraying, actively participate in defeating proposals which were against the

interests of the community and chair meetings or gatherings which would be of interest or benefit. Members have in conjunction with Kiwaniswood helped to raise funds for a swimming pool and playground equipment in local parks. These are just some of the areas in which this Association has been very active - because of your support. Remember - your membership fee is only \$5.00.

Congratulations and thanks are in order to Ed Fulton, our hardworking alderman for the traffic light installation at the Parkway and Livingston corners. We finally have lights - but they present us with new problems. We, as drivers must not forget they are there and children must not use them as they would a crosswalk. We forget that many children in the area have never used traffic lights before. It might be a good idea for parents to walk over with their children and teach them the meaning and use of the light.

The Association will instigate some exciting new awards this year. They will be Community Service Awards given each year to a boy and girl between the ages of 6 and 12 and a boy and girl between the ages of 13 and 18 - four in all, with each Award being \$50.00. Basically they will be awarded to deserving young people in Guildwood who serve their

community in some way - whether it be by shovelling an older person's walk, working with people in the area, or by doing unselfish acts of kindness. Later in the Spring, the News & Views will ask the residents

to submit the names of deserving candidates. Final decisions will be made by the Association Executive. I think these Community Service Awards will be truly worthwhile and hope all who read this will bring it to the attention of anyone eligible. The prizes will be awarded on Guildwood Canada Day with the usual pomp and ceremony due the award. Good luck everybody (18 and under that is!)

help wanted!

Unless replacements for the Editorial - Production Team are found immediately, there will only be one more edition published of the Guildwood News & Views. The Association Executive appoints the staff of the paper, so if you have any interest in keeping it alive, contact me, or any other member of the Executive. (See complete list of names, addresses and telephone numbers on page 12).

The present group assure me that except for the typist, no great expertise is required for this team, just an interest in one's community, some spare time, patience and perseverance.

Your Schools

ST URSULA CATHOLIC SCHOOL
by Mrs. P. Fitzpatrick,
Principal.

A number of parents attended the general meeting held in the school gymnasium on Tuesday, September 24. At this time the Parent-School Committee for 1974-75 was formed. The following people were elected:-
Chairman - Mr. G. Witherspoon
Recording Sec. - Mrs. R. Darbyshire
Correspondence Sec. - Mrs. R. Duke
Social Convener - Mrs. J. Piitz
Communication Convener - Mrs. M. Taylor

Volunteer Co-ordinator -
Mr. P. Leroux
Teacher Representatives: Madame
Di Mambro, Mrs. M. Farley, Miss C. Lockett.

The House League season, under the guidance of Mr. Walker, has begun. At present the boys and girls from grades 5 to 8 are participating enthusiastically in volleyball.

The members of the girls 3-Pitch team beat St. Thomas More in the semi-finals but were defeated by the St. Joachim team.

Although the boys have not been too successful in the football games, they have enjoyed themselves and have displayed good sportsmanship qualities.

The soccer season is now over and we wish to thank Mr. Gilleppe for his time and effort in coaching our boys.

GUILDWOOD JUNIOR PUBLIC SCHOOL
by J. Heino, Chairman

September and October have been very busy months at Guildwood Junior Public School. The soccer houseleague was a very close contest. The Blue Devils captained by Todd Phillips won one game, tied three and lost two. The Stampeders captained by Gary McCreadie won one game, tied four and lost one. The Thundernauts captained by Brian Wodehouse won two games tied three and lost one. All of the players are to be highly commended for the calibre of the play and the sportsmanship that they displayed. The captains also showed a great deal of leadership. Congratulations to all who took part.

The cry of "net", "set" and "side down" has been ringing through the halls of Guildwood during the last few days. The bantam volleyball team and their coach Mr. Reid have been getting ready. Also a volleyball houseleague will be starting soon.

Our Gymnastics Club has begun to practise. After school on Thursdays 45 girls are hard at work practising on the balance beam, vaulting over box horse and many other activities, preparing themselves for a competition that will be held sometime in February or March. Mrs. Heinze is ably assisted by six former Guildwood students and several parents. Our sincere thanks to them all.

On October 17 the annual Guildwood Public School Curriculum Night was held. Mrs. Wylie, the vice-presi-

dent, greeted the parents who attended. Mr. Reid then introduced the staff of Guildwood Junior. All were pleased to see Mrs. S. Tomlinson, school board trustee for Guildwood (Ward 7) in attendance.

An experience oriented music programme, that has been planned for the pupils of Grades 4-6, was presented to the parents. All of these pupils will receive instruction in instrumental and vocal music as well as music appreciation. The pupils and staff are looking forward to working together on this programme.

We have had word from three of the teachers who retired from Guildwood last year. Mr. Barrett spent a quiet summer at his cottage near Parry Sound, and is at present visiting his brother in British Columbia. Mrs. Blackwell is also enjoying her retirement. She won a trip for two to Jamaica which she and her husband will be taking in February and Mrs. Harrison is studying for her B.A. degree and also doing office work as a change from the teaching profession.

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

Curriculum Night. Annual Curriculum night was held on Sept. 24th. After some introductory remarks, Mr. Stevenson introduced the staff members. Following this, one of our new teachers, Mr. Belcher, gave a very informative presentation concerning the values and details of an excursion which the Grade 6 students will be taking in the Spring. The parents were then invited to various classrooms where staff members described the curriculum for their particular Grade levels. Our sincere thanks goes out to those parents who were able to attend.

Sports. The sports programme, both houseleague and interschool, has been in full swing since the second week in September. Many teachers and students have been putting in extra hours in an effort to bring home a trophy or accumulate points for their respective houses. Here are a few details about the accomplishments of the various teams.

(a) Interschool Soccer. These talented boys, under the coaching of Mr. Allum and Mr. Donnelly have had a very successful season so far. They are eagerly awaiting a game against Bellemere which will determine their chances of getting into the semi-finals for all of Scarborough. Team members are: Ian Cunningham, Andy Matthews, Brian Gillan, Ken Dyas, Peter Konecny, Andy Hinds, Steven Torok, Scott Crichton, Greg Manikas, Todd Hansen, Mark Paling, Mark Stokes, Steven MacDonald, David Zambonelli, Rob Hughes, Chris Redford.

(b) Cross-Country. On Saturday October 5/74 a number of the Cross-Country team members took part in the General Brock Invitational Meet at Thompson Park. Unfortunately we were unable to win any of the events though the experience gained was very valuable. On Thursday October 17, our teams participated in the district meet with more tangible rewards. The Bantam boys' team placed fourth and the Bantam girls' team placed

third. Both teams and Ken Dyas, who came third in the Junior boys' event, had the honour of participating in the Scarborough final meet on Thursday Oct. 24th. Team members are: Bantam Boys - Lyndon Majid, John Harper, Jeff Wentworth, Lee Morita, Paul Bernardo, Rob Harvey. Bantam Girls - Kelly Vandenthillart, Sarah Holliday, Karen Redwood, Jacqueline Carley, Susan Brown, Robin Fulton, Carol Johnson, Diana Curran. Junior boys - Greg Manikas, Ken Dyas. Junior girls - Lynda Martin. Coaches: Mr. Donnelly, Mr. Wilson

(c) Boys' Houseleague Soccer. Congratulations to the boys in the Red House who won the soccer championship. Coach - Mr. Graham. Team members are: Todd Hansen, David Zambonelli, Mark Degen, Dan Karvonen, Russell Patterson, Mark Stokes, Chris Redford, Andrew Pateman, Todd Merkel, Steven Torok, Greg Manikas, Richard Hyatt, Michael Cavanagh, David Harvey, Steven MacDonald, Tom Franchville, Elias Issa, Bradley Bamford, Jamie Massie, Tim Scott.

(d) Girls' Houseleague Field Hockey. Congratulations to the Orange House girls for winning the championship. Coached by Mrs. Beach the team members are: Kathryn Holmes, Lynn Davison, Michelle Malone, Susan Ostapeic, Carol Johnson, Anne Smith, Sharon Duncan, Kelly Vandenthillart, Karen Barbiero, Lesley Tovey, Colleen Gosley, Sandra Kirk.

(e) Boys' Interschool Volleyball. Mr. Belcher is organizing a Junior volleyball team to compete with other Scarborough schools.

Movies. Approximately 300 pupils attended our first movie in September. Mr. Donnelly would like to thank all students and parents who continue to support these projects. On November 29, 1974 we will show "The Barefoot Executive".

Christmas Concert. Elizabeth Simcoe will present its annual Christmas Concert on Monday and Tuesday December 16th and 17th. A cordial invitation is extended to all.

Parental Interviews. On Dec. 5 & 6 there will be no classes for students as these days are Professional Activity Days. We hope to be able to hold interviews with all parents at that time. Term Report Cards will be given to the parents during these interviews rather than being sent home with the pupils. Parents will be contacted prior to December 5 to arrange suitable times.

Assemblies. So far we have had the opportunity of seeing two excellent Junior assemblies. Mr. Graham and Mrs. Konik must be very proud of their pupils for the professional manner in which they presented the various programmes. We welcome parents to all assemblies in which your children are taking part. Future assembly dates are: Nov. 15 - Mr. Belcher, Nov. 29 - Mrs. Marshall, Jan. 24 - Mr. Coopman, Feb. 7 - Miss Köhlhurst.

JACK MINER SENIOR PUBLIC SCHOOL
by Mrs. V. Stinson - Vice Principal

The Jack Miner Resource Centre is bustling with a variety of activities this month, including research in Music and History, individualized reading programmes in Literature and French and special

instruction in Library skills. A word of commendation goes out to all the students who operate our Centre. At present, there are 5 Head-Librarians, 13 Assistant-Heads, 38 classroom librarians, and 2 Audio-Visual technicians. A special word of thanks is extended to two volunteers from the community - Mrs. Alice Hall and Mrs. Eleanor Channen, who so capably assist with the typing and filing in the Centre.

The first House League session was concluded this week. Boys Football Champions are 7b2 and 8a1. Girls Bordenball Champions are 7b3 and 8b3. Tremendous enthusiasm and class spirit were exhibited throughout the entire season, and were especially evident during the playoffs.

Boys Basketball and Volleyball and Girls Basketball are now underway.

Junior and Senior Girls and Boys Cross Country teams participated in the Senior Schools Final Meet at Brooks Road School on Thursday October 24. In addition, several other students are running each day in order to become members of the "Hundred Mile Club".

The Science Club, under the direction of Mr. Lyons went on a fishing trip this month, to the Stouffville area. Everyone was successful in bringing home rainbow trout, and we were told that they made delicious meals. Our thanks, to Mrs. Hume and Mrs. McRobb, parents who accompanied our group on this worthwhile excursion.

Our entire school population has been involved with excursions during the month of October. Grade 7 has visited the Scarborough Civic Centre while Grade 8 has been to Fort York and the McLaughlin Planetarium. The next excursion will be a Grade 7 visit to Massey Hall on November 12.

Jack Miner Christmas Programme will take place in the school auditorium at 8 p.m. on December 18 and 19. The programme will include numbers by the Boys Chorus, of whom we are especially proud - a group started by Miss Shemuda last year. Auditions for drama, band and dance are all in progress at this time.

Other clubs such as Art and Orff are actively engaged and are working towards their contribution to the Christmas Programme.

The first issue of our school newspaper for this year "Jack Miner Journal" is to be on the newstand later this week. The newspaper staff and editors are students from 8a2, the editors being Bill Slater and Doug Brown. The format of the "Journal" is directed towards the interests of the school student body - sports events in the school, club reports, upcoming events in school and community, message from the editor, such articles as Do's and Don'ts when Babysitting and a column featuring the Teacher of the Month.

First term report cards will be distributed to students on November 29, and parent interview days are being scheduled for the week of December 2 - 6.

SIR WILFRID LAURIER C.I.
by W. J. Torrance

November 6, 7, 8, 9, 1974. - The students at Laurier are presenting the musical comedy "L'il Abner". On Wednesday Nov. 6th and Thursday Nov. 7th the musical will begin at 8 p.m. at the cost of \$1 or \$2. Friday Nov. 8th the musical will begin at 7 p.m. and Saturday, Nov. 9th at 8 p.m. at a cost of \$1.75 or \$2.00. The community is cordially invited to attend and support this endeavour.

November 13, 1974 - Laurier will be the host school for a University Information Programme beginning at 7.30 p.m. on the evening of November 13th. Representatives of all Universities in the Province, Ryerson Polytechnical Institute and the Royal Military College will be present. The purpose of the evening is to provide an opportunity for students in the Borough, particularly those in Grades 12 and 13, to speak with representatives of various post-secondary institutes. Each representative makes three presentations, thus a student has the opportunity to gain first hand information about three different universities. The programme will be repeated the following evening at W.A. Porter C.I. While the evening is aimed at students in Grades 12 and 13, parents are cordially invited to attend.

Boys' Physical Education Department
The Fall sports programme is quickly coming to a close. Although it was not a success in terms of championships won, it was a tremendous success in terms of participation in the various activities. Over 150 young men took part in the interschool sports of Football, Volleyball and Cross-Country running. About four year 1 students were part of an inter-house Flag-football league.

With the cold weather comes a full slate of activities. This year Laurier will field three Basketball teams, a Hockey team, a Swim team, and a Wrestling team. At Laurier, we feel we are developing better young men through sports. We hope that the members of the community will continue to give us their support.

YOUTH REPORT

by Janis Evanoff

Hi! As your new Youth Director, I am open for new ideas and suggestions for interesting and fun activities for the youth of Guildwood. A skating party at Little Switzerland is in the planning stage for the coming winter months.

Laurier Commencement took place on Friday October 24th.

A "Sock Hop" was held at Laurier C.I. on October 31 from 3.30 p.m. to 6.30 p.m. Several came out, had fun and supported the United Appeal.

Call me at 266-1738 with your ideas and let's make it a good year.

Metrification

21° C is normal room temperature.

Toronto to Niagara is 128 km.

A large bottle of wine holds 11 litre
40mph is equal to 64 km/h.

Trustee Tomlinson reports

The Scarborough Board of Education recently endorsed a proposal by board officials to establish a committee of teachers interested in studying the request by Education Minister, Tom Wells, to expose students to more moral value judgments in everyday school life.

Because of the danger of attempting to simply "teach morals" (one might well ask whose morals?) it is felt that the best approach would likely be to initiate discussions on the best moral approach to any given problem under discussion in several subject areas. Health, history, current events, etc. would probably lend themselves best to this approach.

While it is generally agreed that results could not be measured easily within a short span of time, it is likely students could develop a more responsible approach to decision making which would be beneficial in future years.

At this time I would like to look back on some of the accomplishments of the Board which have been of particular satisfaction to me.

A complete assessment of the Math programme from K-13 resulted in a more practical and basic program including more basic drill.

The Senior Schools were evaluated and found to be achieving most of the goals established for them. The Scarborough Board obtained approval from the Ministry of Education to make English Courses mandatory in high schools until the end of Grade 12.

At our instigation, the Ontario government is now encouraging teachers and educators to produce Canadian textbooks for use in our schools. Financial aid and secretarial help is being considered for them.

At the last Board meeting a report was requested on the possibility of hiring noon hour supervisors in Junior Schools where more than 50 children remain daily for lunch. This would be subject to the principal's wish for such assistance. I feel that such a program should be financed mainly by parents using the service.

In the future I would like to see a greater stress on physical education throughout all grades. In the area of special education Scarborough is doing a fine job, but in my view we have done very little for the gifted or bright students.

As your representative, I have attended regular Board meetings, acted as Vice-Chairman of the Education Committee, member of the Planning Committee, Chairman of the Publications Committee, member of the

Alternative Schools Committee and chaired the Status of Women Committee (Administration employees). Besides this I have attended as many special school events in the Ward as time would allow.

As this will be the last edition of the News & Views to be delivered to you before the December municipal election, I will take this opportunity to say how much I have enjoyed the privilege of reporting to you each month. I hope to continue to do so in the future. If I can be of assistance in any way, I can be reached at 261-1245.

Alderman Fulton reports

An additional bus shelter has been approved by Scarborough Council for the Guildwood area. The concrete pad has been installed at the southwest corner of the Parkway and Livingston Road and the shelter will be installed in two or three weeks time.

Construction is underway adjacent to the Drug Store in the Plaza to allow for the storage of large garbage bins presently situated at the front of the Plaza.

I have requested our Traffic Department to report on the feasibility of permitting two left turn (west-bound) lanes exiting from Guildwood Parkway now that the reconstruction of Kingston Road is nearing completion. I would hope to be able to report further on this matter by the date of the next publication.

At every Election the appearance of our streets and boulevards deteriorates with the proliferation of election signs. In the interests of retaining the appearances of our neighbourhoods and thoroughfares Council has passed a By-law prohibiting the use of election signs on all public property.

Just a reminder that the free Sunday afternoon concerts inside the Civic Centre are being continued. Concerts are from 2 to 4 p.m. and tours of the building are also available. The ice rink at the Civic Centre will be officially opened at 2 p.m. on Saturday, November 2nd with a figure skating demonstration by the members of the Scarborough Figure Skating Club. Change rooms, restrooms and refreshments are available adjacent to the ice surface for your convenience.

Arthur Maloney, Q.C., has been engaged by the Metropolitan Toronto Board of Commissioners of Police to conduct an independent review of the function and organization of the Complaint Bureau of the Metropolitan Toronto Police with particular regard to its ability to adequately respond to and resolve complaints from the public regarding the conduct of policemen pursuant to the following terms of reference:

"To study the existing structure and method of investigations and to suggest any beneficial changes;

To obtain all information necessary for the conduct of the review, from the public or the police, through interviews, hearings, or written submissions as deemed advisable;

Margaret Birch mpp reports

The first grants under the government's new Day Care Programme have been announced, and it is heartening to note that exactly half of the 32 projects will serve the handicapped and Indian children.

The 32 projects will receive a total of more than \$4-million and more announcements will be made over the Fall months.

These are the first grants for funds made under the new Day Care Programme that I announced in the Legislature last summer. The grants reflect our philosophy of helping those who need help the most. Our priorities are for the handicapped, low-income families, native children and towards a better distribution of day care service in Ontario.

To meet our objective, the government more than doubled the budget for day care to \$28-million from \$13-million.

About 70% of the grants are for conversion of existing facilities, again reflecting our philosophy of using the funds for renovations rather than new buildings whenever possible.

Altogether, more than 170 applications for funds have been received from associations for the handicapped, Indian bands, municipalities and from non-profit organizations. Surely, that is a strong endorsement of the new Day Care Programme.

mp O'Connell Reports

At the time of writing this report, the Government is in the final stages of issuing new temporary regulations to get better control over the steeply rising number of immigrants seeking entry to Canada. If changes are not made now it is clear that immigration will outrun the capacity of the Country to absorb newcomers without serious unemployment, housing and social problems. These temporary regulations will be followed in the New Year by a Green Paper which will set out alternative population objectives and immigration policy options. It will afford the public an opportunity to discuss the whole range of social, economic and national questions which focus on immigration.

After the public discussion and debate phase, the Government plans to prepare new legislation for debate in Parliament late next year, or in 1976.

Canada has been fortunate in its immigration experience. The temporary regulations are not designed to alter the character of present immigration patterns so much as to ensure control over total numbers for the next two to three years at a level reasonably related to the past 10 year average. The current sharp rise in applications results from poor economic and social conditions in many of the source countries and to restrictions recently applied in such host countries as Australia, New Zealand, Great Britain, France and other European countries. An increasing number of people are turning to Canada, which has been more fortunate than most other countries in the world's economy, and which has had an open policy based on a non-discriminatory system of points and on the principle of unification of families. These new temporary regulations will preserve the basic principles of our immigration policy while giving more emphasis than before in the system of points to definite job offers or other evidence of labour force attachment.

I am serving on three Parliamentary Committees which have much work before them, including the spending estimates for the year and a heavy legislative program. One of these is the Standing Committee on Finance and Economic Affairs where we will be in a position to press for

Clarke Painting & Decorating

Specialty - Wall coverings and professional painting

maximum effort to control inflation, to consider further ways to enhance Canada's control and ownership of its economy; to press for further processing of Canadian resources before export and to consider taxation policies, employment and other economic questions. I am

also serving on the Committee on Procedure and Organization which will make another attempt to amend the rules of the House to expedite its business.

I have now completed the drafting of two private member bills and will prepare others. The first is to amend the Bail Reform Act to protect the public better from accused persons who have been released while awaiting trial and who are likely to commit further offences during this period.

After researching this question personally I concluded that the pendulum had shifted too far away from protecting society against crime in order to ensure the rights of accused persons and avoid unnecessary and costly detention. My amendments will try to restore a better balance.

The second bill would amend the Elections Act to ensure that Polling Stations are more accessible to persons in wheelchairs or otherwise incapacitated, and that the two Advance Polling dates do not fall on Statutory Holidays as they did in the last election (the Saturday and Monday of the July 1st weekend). I am also considering an amendment that would permit Canadians temporarily living outside Canada to vote, as do members of the Armed Forces and Public Servants.

Since my last report I have had the great pleasure of spending an evening with the Adanac Senior Citizens Club to celebrate their 4th Birthday; attending the Pontifical Mass, Banquet and Concert to celebrate the 25th Anniversary of St. Peter and Paul Ukrainian Catholic Church; and attending the Scarborough Historical Society Thanksgiving Open House at Lowell House in David and Mary Thomson Park. I also met a delegation of mothers who are seeking part-time work opportunities with the right to retain more of their earned income before deductions are made from Family Benefits. The Province recently changed its regulations to encourage greater self-sufficiency.

The Martin O'Connell Rockets won the Guildwood Soccer Club Mosquito House League Playoffs. Congratulations to the boys and especially to the Coach, Bill Duhme. Volunteer Managers, Coaches, Women Auxiliaries and Organizers do a tremendous job for our young people in Scarborough. Numerous letters and phone calls; have been received and interviews held both in my Ottawa and Scarborough Offices. My new Scarborough Office is located at Suite 209, 3464 Kingston Road (just west of Markham Road). Unfortunately, I am unable to provide you with the telephone number at the present time as we are awaiting this information from the Bell Telephone Company. However, I will include the telephone number in my next bulletin.

In my next report, more about Local Initiatives and Senior Citizens services.

Guildwood Social Club

by Sheila
McDonald

65 years young and over

On October 7th we went on a Fall Colour Tour. The weather was lovely, and the sunshine showed the trees off to their best advantage. The tour took us through Woodbridge, Kleinberg, Pa'grave, Bolton, Hockley Valley, Caledon Hills, Brampton and then home. We stopped for lunch at the Gypsy Lane Inn where we were served a hot buffet lunch. This was an ideal spot to stop as the view from the Dining Room window was breathtaking.

Our next meeting is going to be very interesting to both young and old. We have been fortunate in obtaining the services of Mr. Gray, who has a slide presentation of Toronto Yesterday and Today. Mr. Gray has shown these slides to numerous groups and also on Television and they are always accepted very well.

A date to remember - Wednesday November 6th - Tupperware Party - proceeds going to Guildwood Social Club - everyone welcome - 1.30 p.m. Holy Trinity Church, Livingston and Guildwood Parkway.

Happy Birthday
Best Wishes and congratulations to Walter Colby who recently celebrated his 102nd Birthday at the Villa. Long Live The King.

KIWANIWOOD by John McMillan

Floodlighting of Laurier Football

Field. I visited the Laurier football field at 11.45 p.m. Thursday October 24, 1974 and was delighted to see that all eight floodlight pole standards were installed. They appear to be operative (or within one or two days of becoming so).

I hope that it may be possible to use the field for several games before the season ends.

This brings the Kiwaniswood Subcommittee close to the end of its useful life. For the expenditure of \$44,000, we've managed to "buy" three tennis courts, a \$440,000 indoor swimming pool and the lighting for the Laurier football field. I think that you will agree that we have provided you with good value for your money.

Lest anyone on the Subcommittee wish to rest on his laurels, I would like to remind him that our cash position still indicates a positive balance of \$4,015.55. Accordingly, be prepared for an early meeting to discuss the use of this money in the construction of adventure playground equipment for the East Guildwood/Markham Bluff communities. With the completion of this final project, we should be able to relax and mark "finis" under the item "Kiwaniswood".

LETTER

Letter to the Editor, Every Guildwood Resident, and in particular the past Executive.

I am writing to express my appreciation to the community for their support during my term as your Chairman. I feel really proud to live in Guildwood where the residents are so sincerely interested in the welfare and beauty of our town. Thank you to each one of you. I can only hope that your support will continue and increase.

Synonymous with involvement and support were my Executive, who gave so much of their time, ideas and concern to anything that could be done in or for Guildwood. I expect most people are not aware of the effort that is required and is so vital in maintaining and promoting our pleasant community. Risto your Vice Chairman organized and ran an outstanding Guildwood Day. Orval our Treasurer and Lorraine our Secretary were super efficient in keeping our books and communications in order. The two Dons (Morrison and McRobb) who split the Sports Director's duties did just a "bang up" job of providing many hours of enjoyment for our children. Faye our Membership Director ran just a fantastic membership campaign. Larry our Youth Director was in there pitching at every request for help. Penny our Social Director not only gave us a great community dance, but also "spearheaded" the "Social Action Committee" which has and will provide Guildwood residents with very tangible benefits. My appreciation to Jack Killan, my predecessor, who continually assisted me with suggestions and advice. Thank you very much to these people who helped me so very much and so capably during my year as your Chairman.

Finally, my best wishes to your new Executive under the able leadership of Paul Hyatt. I would sincerely request that your community support be continued under Paul. Please join the Community Association and if possible become more involved. This is your happy home, \$5 and/or some small amount of time is a minimal premium to protect your large investment.

My sincere thanks to each of you and also good luck in the future.

Your neighbour and past Chairman.

Al Hill

Membership

MEMBERSHIP REPORT by Faye Wadsworth

Have you got your \$5.00 ready? It is that time of the year again. We are looking forward to another successful campaign but we cannot do it without your support.

Would anyone like to canvass? I have quite a few of the canvassers from last year but we are in desperate need of more. If you have some time please get in touch with me at 264-4430.

If anyone prefers to mail in their membership fee just send it to me at 191 Toynbee Trail and I will send you a membership card by return mail.

Editorial

Our new chairman, Paul Hyatt, has requested that we briefly list the duties done by the personnel for whom he is seeking replacements on this newspaper.

The editor wheedles copy out of the correspondents and wields a blue pencil when necessary. The Press Room Manager types the copy and has the use of a beautiful typewriter owned by the Association (an ability to hyphenate words in strange places is also helpful). The Production Manager uses scissors and rubber cement and notes that competitors should not face each other when positioning the advertisements. He also takes the pasted-up pages to the printer and picks up the issues 5 days later and delivers the various bundles to the Distribution Managers for delivery. The Business Manager bills the advertisers, pays the bills, and does the banking. The Advertising Manager sells the advertisements and luckily Ed Wagner has time to continue in this capacity. Because of the increased size of the paper, however, he would like an assistant, available during the day, to chase down some of the copy for the advertisements. The above two positions could possibly be done by the same individual as close co-operation is required. As in all voluntary positions, a sense of humour can be the most valuable asset.

The present group have enjoyed their term but those resigning have too many other commitments to continue. Think about it, and call me at 261-9064 if you have any questions.

Don't forget the meeting on November 19th at Laurier Auditorium.

IN AND AROUND GUILDWOOD by Beryl Aird

We have lived in Guildwood for two years and I am almost daily making discoveries of what is available in and around the Village in the way of shopping and services.

One has to visit the large shopping centres occasionally, but more and more I am finding what I need close at hand without the wear and tear. I lapsed recently on school supplies (especially loose-leaf paper) and went far afield, returning with my arm almost paralyzed from the heavy load, only to find that our local Drug Store and Variety Store were both selling the same brand for considerably less.

I'm sure everyone is enjoying our extended Plaza. The Library and Loblaws are particularly welcome additions for our family.

What isn't available in Guildwood is almost certain to be found in West Hill. The Scouts' "West Hill and Highland Creek Business Directory" (which is delivered to the door) lists almost everything. If you don't have a copy call 284-3425. You can get shoes repaired, bicycles repaired, lawn-mowers sharpened, skates exchanged, upholstery work, rugs repaired, secretarial services, instant copying, veterinarian services and so on.

There are countless stores - many are excellent and good buys can be had at Cross-Town Department Stores and Family Wear House if you have time to browse around. I will especially mention two stores (who incidentally have advertised in the News & Views). Riddles Music Store is a pleasant store to do business. They carry new and used instruments, give lessons in most instruments and are very obliging about ordering hard-to-get music which they will do over the phone. Chaross Arts & Crafts Centre (that attractive orange building across from the Post Office) has a wide variety of materials - mostly for needlecraft. Advice given is helpful and knowledgeable.

Recently we were given the impossible task of trying to reserve four motel units for out-of-town acquaintances for a holiday weekend. My daughter and I covered both sides of Kingston Road from Highland Creek to Eglinton Ave. in our search. We didn't have any luck but it was interesting!

The Import Shop at Morningside Plaza has some different gift ideas, and don't forget the Gift Shop at the Guild Inn - they have a nice selection (I particularly like their jewellery) and the prices aren't out of line either.

I would like to thoroughly explore the Dining and Entertainment facilities in the immediate area. This may take a while as unfortunately the News & Views doesn't supply an expense account for this sort of thing. If you have hit on somewhere you have enjoyed in this regard I would really appreciate a call from you - 266-1589. Until the next issue.....

CHILDREN'S PROGRAMMES FOR NOVEMBER

SAT. NOV. 9 AT 10.30 A.M. Magic Show entitled "A Trick for a Penny". Magic show with a comedy routine. Young magician Robert Darrell.

SAT. NOV. 16 AT 10.30 A.M. Films for children - "Chip and Dale", "Setting up an Aquarium", "Laughing Gravy", "Phillip and the White Colt".

SAT. NOV. 23 AT 10.30 A.M. Children's craft programme. Registration required. Pre-registration before the craft is necessary. Limited to 25 children.

SAT. NOV. 30 AT 10.30 A.M. Films for children - "Winter Storage", "The Orphans", "Wildlife Island".

NOVEMBER EVENTS OF INTEREST TO ADULTS

NOVEMBER 27, 28 and 29 - Festival of Arts and Crafts.

The teachers and students of the Guildcrest Studio of Arts and Crafts shall demonstrate various crafts at the Guildwood library for three days. Crafts will be demonstrated from 2 to 4 p.m. each afternoon, and from 6 to 8.30 each evening. An exhibit of the studio's work will also be on display at the library from November 15 - 29.

TUES. NOV. 26 AT 8.30 P.M.

"Cross-Country Skiing for the Whole Family", speaker will be Mr. Peter Brogden from the Southern Ontario Division of the Canadian Ski Association.

Mr. Brogden will talk about involving the whole family in touring - kinds of emergencies one might encounter, equipment failures, what to do, ski modification, conversion of alpine to cross-country skis, simple waxing tips especially for uphill, means of saving energy and where to ski places suitable for families.

Participation.

Keep a canvasser happy. Spend \$5. and join the Community Association. It could be your best buy yet.

3RD SCARBOROUGH EAST CUBS & SCOUTS

Next meeting of the group committee will be at 8.30 p.m., November 13th at the Presbyterian Church.

Winter and Spring camps are being planned. The Cubs will be selling Christmas cards as a fund raiser this year. Your support would be appreciated by all.

Sports news

Tennis by Bev Rhodes

At the time of writing members are looking forward to the Fall wind-up party on October 25. In this atmosphere of conviviality trophies will be presented to the tournament winners and a short business meeting will be held to elect officers for 1975. Trophy winners are as follows:

Under 13. Girls Singles - Yasmeen Majid. Girls Doubles - Yasmeen Majid & Rhonda Tovey. Boys Singles - Tony Chalmers. Boys Doubles - Tony Chalmers & Scott Crichton.

Under 16. Girls Singles - Maureen Perkins. Girls Doubles - Maureen Perkins & Mary McMillan. Boys Singles - Eric Auld. Boys Doubles - Eric Auld & Brett Dean.

Senior A. Ladies Singles - Kath Crichton. Ladies Doubles - Kath Crichton & Mary Moore. Mixed Doubles - Irene Devonshire & Gord Maclean. Mens Singles - Andy Lata. Mens Doubles - Andy Lata & Bill Boyce. Senior B. Ladies Singles - Julie Blunk. Ladies Doubles - Mary Bigall & Julie Blunk. Mixed Doubles - Julie Blunk & Norm Lamport. Mens Singles - Eric Auld. Mens Doubles - Perce Nancekiyell & Karl Kampe.

The proposed slate for 1975 is as follows: President - Bill Chalmers; Past President - Gordon Maclear; Vice-President - Stu Logan; Secretary - Moira Yungblut; Treasurer - Louise Schachow; Ladies Rep. - Julie Blunk; Men's Rep. - Tom Caldwell; Junior Rep. - Brett Dean; Junior Chairman - Bill Schachow; SLTA Rep. - Ron Hutchinson; Social - Isabel & Gerry Haslam; Facilities - John McMillan; Membership - Mary Maclean; Teams - John Sickinger.

CURLING by Bern Foster

On Sunday evening, October 20th, 32 men and women were riding their brooms at Curling at Annandale. It was great to see such a lot of new faces amongst the old reliables.

We have an extra team at present which means one team takes a bye. If you are still thinking of joining Curling, we still need four more people to make another team.

HOUSE TO SMALL? NO FAMILY ROOM ? NOT ENOUGH BEDROOMS ?

WHY MOVE ? RENOVATE....

WITH THE HIGH COST OF HOUSING TODAY, IT MAKES GOOD SENSE TO RENOVATE. IF YOUR HOME IS NO LONGER ADEQUATELY FILLING YOUR SPACE AND DESIGN NEEDS, NOW IS THE TIME TO CONSIDER A RENOVATION, ADDITION OR BOTH.

FOR A COMPLETE DESIGN AND WORKING DRAWING SERVICE THAT IS TAILORED TO YOUR PERSONAL NEEDS

CALL: W. MORRIS, ARCHITECTURAL AND INTERIOR DESIGN 261-9679

Why not join us and have some fun every other Sunday evening from 9 p.m. to 11 p.m. Call Joe Furdas at 266-4951. Its a great way to meet some more people of the Village and to get a fair amount of exercise.

Baseball by Don Morrison

Just a final note as I bow out as Sports Director to once again thank all of the coaches and umpires who contributed their time and effort to give the youngsters in our community a chance to play ball this past summer. A special thanks also to our sponsors who provided most of the funds. I trust that your generosity will be rewarded by the patronage of our community.

Congratulations and best wishes to Fred Johnson, our newly elected Sports Director. Fred is returning to this post after a few years off, bringing valuable experience to the position. Let's all get behind Fred to give him the help he needs in his job, not only by assisting on committees for registration, finding sponsors, acquiring equipment, typing rosters and the hundreds of other jobs that need to be done. Experience welcome but not necessary.

There will be a closing banquet in spite of the delay, unfortunately caused by a heavy travel schedule recently experienced by this writer. Keep the faith a little longer, and I will be in communication with the coaches to pass the message along. Have a good winter and we will all get together again next spring.

Bowling - by Sheila MacDougall

Guildwood Bowling League started out this year with a "big bang", or should I say "bowl"?

We have 60 Bowlers using 10 alleys and a good variety of spares. The standings as of October 22nd, are as follows:

TEAM	PTS
1. Gord Pattison	35
2. Lorne Brown	31
3. Harry Usher	29
4. Don Anco	27
5. Ed Butcher	27
6. Rob Brown	26
7. George Good	24
8. Len Harford	20
9. Marie Peters	18
10. Bill Kucharski	8

Your Churches

GUILDWOOD PRESBYTERIAN CHURCH by Gordon Fish

It's Fall again! While writing this column I can't help but see that almost all of the leaves outside the window have fallen. There are the bright orange bags gathered by the street, evidence that someone has already packed their leaves away for another year. Oh yes, in less than two months now - Christmas!

All of this to remind you that there are activities other than the Spring Summer and early Fall variety. Fall and Winter - 'when the frost is on the pumpkin' - sort of thing; a time for fireside reading and relaxing. Oh yes, and when the mood takes - time for a bit of church attendance too.

By the way, it would appear that preaching in the 'grand style' seems to be a thing of the past. Remember when the sermon was part of the diet for conversation during the Sunday dinner meal? Now it's "Hurry - for the football game is on at 1!" The sometimes and somewhat irreverent Mark Twain wrote about a small midwest town on a Sunday - "It was high noon and the churches were giving up their dead". Possibly poor preaching has been 'in style' for some time. Martin Luther once described certain expressions of preaching, such that, 'it would not entice a dog from behind a warm stove'. John Bunyan once described a preacher's task in a more idyllic light in "Pilgrim's Progress". Christian,

in the Interpreter's house, is shown a picture of one who had 'eyes lifted up' to heaven, the best of books in his hand, the law of truth ... upon his lips, the world behind his back'. He stood as one who pleaded with men.

Church, church-going, sermons, preachers, are all part of the matter of hearing God's plan - His plan to change people and events. Now that Fall and Winter are back with us - it's time to hear, heed and respond to His will. Happy church-going to you - at least for the Fall and Winter months!

HOLY TRINITY CHURCH by Bev Rhodes

Nearly five thousand people attended the Diocesan Eucharist on September 29 - "The Church Alive" was the theme. Several thousand more turned out on Saturday, October 19 to witness in another way - taking part in 'Anglicans Alive!', the seventh annual diocesan walkathon, which took participants on a 15 mile circular tour around the north end of the city beginning and ending at St. John's, York Mills. The funds collected at the cost of so many blisters and aching muscles will go toward the outreach work of the diocese.

In connection with the Appeal for the North, there will be a display of books, maps and photographs in the Library of the Diocesan Centre during November, dealing with various aspects of Northern development. The Library is open 9 to 5 weekdays.

Here in our own parish various programmes are underway. Tuesday evenings for the next few weeks, any-

one interested can join in the examination and discussion of aspects of Christian belief. The young people are meeting on Sunday evening, following a service led by some of their number. A good representation of the adults of the parish enjoyed the barbecue and its accompanying camaraderie and singing in September; now an evening for the whole family is being planned for November 1.

November 16 offers another opportunity to shop for needed items at a saving; on that Saturday afternoon from 1 till 4 a selection of good used items of all descriptions will be sold in the church basement as well as books and a selection of Christmas specialties. In conjunction with this sale there will be a bake table offering a wide range of home baking.

A 'Ghost Bazaar' has replaced the usual Christmas Bazaar this year giving regular workers much needed 'time out' and the parish a chance to re-think the place of the traditional bazaar in the scheme of things.

We are pleased to have the services of a regular organist again; Bob Robinson assumed his responsibilities at Thanksgiving.

"Merry Christmas"

"Merry Christmas". We say it every year: we say it to our friends and our family and to those with whom we work and play. Let us this year pause, and wish a Merry Christmas to some others. A Merry Christmas to.....

To the old couple who have shared so many Christmases together and who have given the joy of Christmas to so many others over the years. May this Christmas match the best of their past ones.

To those who will be working this Christmas, to nurses, to Bell Telephone, to the Police, the Fire Department, the crew of the Toronto Island Ferry. May we, by being more considerate make their work less unpleasant.

To the old lady to whom the best Christmas gift would be sharing a few minutes with someone, with anyone. If you know her, why not give her that present.

To those who have suffered the loss of someone this season, for death and tragedy strike at any time. May the peace of Christmas be theirs.

To the angry, the bitter, the Arabs, the Jews, the Irish and all others who fight and hate. May they have one day of peace this Christmas, and may that one day give them a lust for a life of peace.

To the addicted, the derelicts and Skid Row. May a glimmer of hope shine through the clouds of despair.

To the profiteers, the greedy and all who abuse wealth and power and cause suffering. May they learn that it is indeed better to give than to receive.

To those children who will receive no present this year. May they realise that this is through no shortcoming on their part, and that love is not measured by the size and price of a gift.

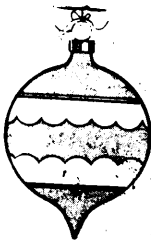

To those unhappy people sitting desolate at the airport waiting for the weather to clear so that they can get home. May they realise that the spirit of Christmas need not end after one day.

To the young child in hospital who will have to wait to try out those new skates. May patience be his. And to those children in hospital who will never try out skates. May life-long patience be theirs.

To those for whom there is hope we wish a Merry Christmas but we cannot to the starving millions of Africa and Asia for whom Christmas is just one more day of suffering, on the way to a painful death. May we when faced with our overabundance resolve to make some sacrifice to help them.

To all of these, to all of you, to all of us we wish the Peace and the Love of Christmas and we hope, a Merry Christmas.

IN AND AROUND GUILDWOOD by Beryl Aird

When Christmas advertising first loomed on the horizon this year and with it the thought of the work and pressure ahead, my mind turned back to a Christmas which was probably our most memorable and certainly the most relaxing.

We moved to Ottawa ten days before Christmas - the children at the time being 10 and 7 years old. For some reason, I am always more organized on a move than at most times, and I gathered my wits and completed all my Christmas preparations well before the move. I decided that this was it, anything not done would remain that way. A few days before Christmas we moved into our new house in a new subdivision - only 4 other homes were then occupied. As we had no living room drapes, we bought a really big Christmas tree, put it in the front window, found spots for our other decorations and after purchasing necessary supplies, we were ready.

As we weren't booked up socially, we settled back to enjoy the things we usually didn't have time for at other Christmases - activities as a family. We did some exploring - viewed the lights, attended a Church Christmas Service, watched "A Christmas Carol" together on T.V., went for a walk in the new snow and so on. I remember thinking how wonderful it was to feel refreshed rather than wrought-up!

Having fellowship with friends and relations is, of course, one of the joys of this season, however, one really does not have to see everyone one knows in this short time and a promise of a get-together in the doldrums of January or February is often more welcome. Where a young family is involved, it is especially helpful to have some of these quiet times as excitement is at a high pitch and unfortunately the "Homemaker" finds herself anything but relaxed.

There are endless possibilities for outings in the city. The publications are full of them, all that is needed is to set aside the time. Most cost very little or nothing at all - the lovely Church Christmas musical offerings, Pioneer Village's "Good Old Christmas" festivities, skating at the Town Centre or City Hall, tobogganning and all the other activities at Thompson Park. Just walks can be an adventure - along the creeks at Morningside and Col. Danforth Parks, along the Bluffs, downtown window shopping - there are many choices.

With prices so high, perhaps people will get back to a slower-paced holiday season - I think many people are just waiting for someone to take the lead and they will gladly follow.

I'm feeling rather righteous at the moment in being far ahead of usual in my preparations (I've cut down too) and hope to enjoy a more serene and meaningful Holiday season than has sometimes been the case. I hope you will be able to do this too.

GUILDWOOD VILLAGE COMMUNITY ASSOCIATION VOL. 74 NO. 19 DECEMBER 7, 1974 CIRCULATION 1,650

FRED JOHNSON

ONE OF GUILDWOOD'S OUTSTANDING RESIDENTS WAS HONOURED WITH A LIFETIME HONORARY MEMBERSHIP IN THE COMMUNITY ASSOCIATION AT THE RECENT MEETING. CONGRATULATIONS.

Fred and Aileen Johnson moved to Guildwood in 1963 and their official record is as follows:-

1963 Aileen - Association Secretary
1966 Fred - Vice Chairman
1967 Fred - Vice Chairman
1968 Fred - Chairman
1969 Fred - Past Chairman
1970 Fred - Membership Chairman
1971 Fred - Sports Director
1974 Fred - Sports Director

In 1972 and 1973 Fred assisted with Canada-Guildwood Day and in many other ways in the community. As Les Brown said in making the presentation, the Johnson family would be more than welcome in any community. They are truly devoted to Guildwood and we are fortunate to have them here. Congratulations on a well-deserved award!

SPECIAL BUS SERVICE FROM GUILD INN TO AIRPORT

A bus service to the airport now operates from the front doors of the Guild Inn. Times as follows:

Mondays to Fridays -
7 a.m. & 9 a.m. 2 p.m. & 4 p.m.
NO SERVICE ON SATURDAYS
Sundays - 2 p.m. and 4 p.m.
Charge: \$4.50 each.

LETTER TO THE CHAIRMAN

Dear Paul: On behalf of my wife and myself I would like to thank the Guildwood Village Community Association for the honour bestowed on us at the recent general meeting.

To have been presented with an honorary lifetime membership in the Association was indeed an unexpected pleasure.

Thank you once again.

FRED JOHNSON

Paul Hyatt reports

Now that we have had our first snowfall, we hear a mixture of sounds - squeals of delight and groans of misery. The squeals of delight come from the young children who love to play in the stuff and the groans of misery from the older children who have to shovel it. But this year it is possible for these youngsters to gain recognition for their generosity and hard work by qualifying for one of the Community Service Awards. These awards will be given out on Canada Day to people aged 6-18 who are nominated for giving their time and effort to the community in a meaningful way. Snow shovelling is only one of many ways to achieve eligibility.

We discovered at our last executive meeting that we were missing records of the minutes of all the meetings prior to 1969. If anyone has any knowledge of their whereabouts, please let me know. Perhaps they may be sitting in someone's basement, forgotten over the years and just waiting to be discovered.

Many thanks to the people who responded to our plea to save this paper. As you will remember last issue we asked for anyone who was interested in volunteering their services to the continuance of the "News and Views" to please let us know loudly. I was re-assured of the paper's value as new faces appeared on the horizon and was most pleased with the calibre and enthusiasm that came with them. The new editor will be Norma Harte of 9 Sonneck Square, 266-0959. Production Manager will be Len Harford and Press Room will be Rose Harford, both of 29 Bledlow Manor, 267-5174. A complete list of the new staff will appear in the next issue. I commend all of them for their sincere community spirit - and a special thanks to continuing staff. Their experience will be most helpful. I will at this time thank all those of the present staff for the superb job they did in publishing the News and Views in 1974 (this issue is their last but not their least). They contributed their efforts to give us a quality publication that only lots of work, solid ideas and sincere dedication to community service could really produce.

On behalf of all the readers of your publications - well done and enjoy your retirement.

At the Guildwood Village Community Association meeting held at Laurier Collegiate on November 19, Mayor Cosgrove was the guest speaker for the evening, our budget for 1975 was passed and Fred Johnson received a Lifetime Membership from the Association. Congratulations, Fred and thanks for the many years of service that you have given the Village.

The Executive passed unanimously the motion to assist financially the First Guildwood Ranger Group who have been meeting in Guildwood since September of this year. This group consists of nine young girls aged 15 and 16 and we wish them well in their adventure.

If any person knows of new people moving into the community please contact our Social Action Committee so that these strangers to our Village can be made welcome. These residents will be our neighbours and every effort should be made to make them feel "at home". Please call Jackie Schermerhorn 266-0519.

Membership

by Faye Wadsworth

There are about 45 canvassers busy knocking on doors. Please join when he or she calls upon you. We need 1,000 members so we can accomplish all the major events such as Guildwood Day, our annual dance, mosquito spray, our newspaper and baseball programme.

If you feel you may have been missed when the canvasser called, please send your cheque for \$5.00 to me at 191 Toynbee Trail and I will send you a membership card by return mail.

GUILDWOOD JUNIOR PUBLIC SCHOOL

As the leaves fall and the weather grows colder, indoor activities increase. An annual event in Toronto at this time of the year is the Royal Winter Fair, which hosts a variety of international competitions. On November 20, Mrs. Heinze's class visited the Fair where they gained insight into the quality of Canadian agricultural products.

Our two junior kindergarten classes with their teachers Mrs. Hoevelmann and Mrs. Yeoman are becoming seasoned travellers. They went to a farm where the pupils gained first hand knowledge about the animals and farm products. They also visited the Scarborough Civic Centre and enjoyed a brief tour. They then went window shopping at the adjoining Town Centre and completed their excursion by watching a puppet show. That same puppet show was performed by the Guildwood Junior Public School senior kindergarten under the direction of Mrs. Brown. The play was entitled "Little Red Riding Hood", and it was very well received by the audience. Our sincere thanks go to the parents who assisted us by driving to the Centre.

We have just completed one month on our music experience programme. Both teachers and pupils are very enthusiastic about their activities. This programme requires some assistance and perhaps you can help us. Our school enrolment has increased and we are faced with a shortage of wind instruments. If you have a clarinet, trumpet or some other wind instrument that you could lend to the school it would be put to good use. If you have an instrument please contact Mr. Heino at 267-8371.

The pupils of Miss Allen, Mrs. Banks and Mrs. Heinze had a most interesting four-footed visitor on Nov. 18. His name was Buddy and he was brought to the school by his owner Mrs. Nancy Montgomery, who is sponsored by the Kindness Club of Canada. Using Buddy, her dog, as an example, Mrs. Montgomery taught a lesson in which she tried to instill a respect for all life, an understanding of the needs of creatures, and a sensitivity for all living things.

From the many boys who tried out, the following were selected to represent Guildwood Jr. as the Ban-

nam Boys' Volleyball Team: Daryn Barry, Robbie Gordon, Ronnie Kunz, Jamie MacDonald, Brett Richards, Randy Samson, John Shepherd, Ward Smith and David Twinum. The boys usually practice at 12.45 under the direction of their coaches Miss Allen and Mr. Reid. Another valuable member has been Jeff Morrow who is the team's manager. At the present time the team has won 3 games and lost 2.

Mr. Rickard and Mr. Smith chose the following boys to represent the school as the Junior Boys' Volleyball Team: Oliver Baldes, Bill Becket, Kevin Brett, Ian Buckingham, Steve Kailan, Gary McCreadie, Todd Phillips, Kevin Rasmus, Scott Rayner and Jeff Schaller. At the present time the team has won 4 and lost 2 with 2 games left on the schedule.

With the approach of Christmas many of our school activities centre around this annual celebration. The senior kindergarten will try to re-live a part of an old-fashioned Christmas by going to a tree farm to cut down a Christmas tree for their classroom. Mrs. Derrington and Mrs. Rule have planned to take their classes downtown where they will examine the Christmas windows, take a tour of toyland and visit Santa Claus. One Wed. Dec. 18, 85 pupils from the Junior division will be going to the O'Keefe Centre to watch the National Ballet of Canada perform the Nutcracker Suite.

To add to the festive mood of the Christmas Season we will be decorating the school. As well, during the last weeks of school this term the pupils of all grades will be making the halls of Guildwood echo with the sound of the familiar Christmas Carols. A Christmas Assembly has been planned for the last week of school and all parents are cordially invited to attend.

ELIZABETH SIMCOE JR. PUBLIC SCHOOL

Sports

(a) Boys' House League Pushball
Congratulations to the boys in the Red House who emerged as champions for the second time this fall. It would appear that Mr. Graham has a very talented group of boys on his squad this year.
Team members are: Todd Hansen, David Zambonelli, Mark Stokes, Chris Redford, Andrew Pateman, Todd Markel,

Steven Torok, Greg Manikas, Rick Hyatt, Michael Cavanagh, David Harvey, Steve MacDonald, Tom Franchville, Elias Issa, Mark Degen, Dan Karvonen, Russell Patterson, Brad Bamford, Jamie Massie, Tim Scott.

(b) Girls' House League Pushball
Congratulations to the girls from the Red House and Orange House who tied for the championship.

Red House Coach - Mrs. Donely, Team members are: Nancy Atkins, Georgina Miller, Sharon Nesbitt, Lisa McVeigh, Angela Chalmers, Christy Orr, Susan Brown, Deborah Newton, Linda Smith, Robin Fulton, Lisa Roberts, Elizabeth Anderson, Tracy Morgan. Orange House - Coach, Mrs. Beach, Team members are: Kathryn Holmes, Lynn Davison, Michelle Malone, Susan Ostapeic, Carol Johnson, Anne Smith, Sharon Duncan, Kelly Vandenthillart, Karen Barbiero, Leslie Tovey, Colleen Gosley, Dawn Michie, Sharon McLeod, Sandra Kirk.

(c) Junior Boys' Interschool Volleyball. The volleyball team, under the capable coaching of Mr. Belcher, is very busy these days. The boys have won a number of games and we are looking forward to many more. The players are:

James MacLellan, Steven Torok, Ken Dyas, Marc Paling, Greg Keen, Steven Lush, Blair McRobb, Michael Folkes.

Movies. Thanks again to students and parents for supporting these school projects. Future movies include: Jan. 31/75 - "World's Greatest Athlete". Feb. 28/75 - "Biggest Dog in the World"

Primary Display at Town Centre
Congratulations to Mrs. Miller and Miss Kohlfurst, who, along with some of their students, were invited to participate in the Primary Display held at the Town Centre on Wednesday November 6. Mrs. Miller's group demonstrated a unique art lesson which attracted many of the shoppers. Miss Kohlfurst's class prepared a display depicting early pioneer life.

Excursions. Future excursions include: Grade 4 - Tour of Metro Toronto - Dec. 9. Grade 6 - Tour of McMichael Gallery - Jan. 14/75.

Assemblies. We would like to express our appreciation to those parents who have attended the various assemblies. It is very gratifying to the pupils to have their parents in the audience. Mrs. Beach, Mrs. Marshall and Mr. Belcher each provided excellent programmes during the past month. Future assembly dates: Jan. 24/75 - Mr. Coopman, Feb. 21/75 - Mr. Allum.

Christmas Concert. The Simcoe elves are busily preparing for their performance of "Sing the Songs of Christmas". Our Christmas concert this year is aimed at reducing the obscurity about the origin of many of our favourite Christmas carols.

The junior school choirs are tuning up as the actors are applying the final polish to their performances. All will be ready for two performances on Dec. 16 and 17 at 7.30 p.m. Come and join us in an evening "Christmas Spirit". Tickets will be on sale on a first-come first-served basis on Monday December 9.

School will be closed from Dec. 21 1974 to Jan. 5/75 inclusive. Classes will resume on Monday Jan. 6. We hope that all students and parents have a safe, enjoyable Holiday Season. From everyone at Elizabeth Simcoe to everyone in Guildwood - Merry Christmas and Happy New Year.

JACK MINER SENIOR PUBLIC SCHOOL
by Mrs. V. Stinson - Vice Princ.

Sports. Since the last edition of the Guildwood News and Views, the Cross Country finals for Scarborough Senior Public Schools were held. We are indeed proud of our teams from Jack Miner for their fine efforts. Junior Boys' team placed second, Junior Girls' team placed fourth, and Senior Girls' team placed fifth. Team members were: Junior Boys - Doug Brown, David Dermont, Colin Foster, Neil Foster, Steve Headford, Rhett Morita, David Landrigan, Mark Steinhoff. Senior Boys - Mike Butler, Paul Grabb, Mike Malone, Brian McGee, Danny Scarcello, Allan Davison, Paul Davies, Jeff Meisner, Eric Froebel. Junior Girls - Laurie Davis, Carolyn Gray, Mary Eaton, Roxanne Hector, Irene Bigall, Amy Smith. Senior Girls - Alison Gray, Roberta Morrison, Cathy Davis, Jackie Kappel, Fiona Crichton, Sharon Yetman, Lynn Bebee, Tracey Jenkins.

Interschool. Boys Volleyball and Girls Basketball teams are still involved in their respective competitions, while boys are also engaged in houseleague scoopball.

Christmas Programme. Tickets for the Jack Miner Christmas Programme (Dec. 18 and 19) will be available for purchase at the school on Dec. 15, and unless sold out will also be obtainable at the door on the evenings of the concert for .75¢. Students and teachers are working very hard to make this production a success and we extend a cordial invitation to everyone.

Excursions. On Nov. 26, classes 8b1 and 8b2 were accompanied by Ms. Handelsman and Mr. Vanderyagt on a very worthwhile and interesting excursion to the David Mirvish Art Gallery and Ontario Art Gallery. These classes also enjoyed a conducted tour of Hart House at University of Toronto.

Resource Centre. Plans for "Xmas Specials" are underway in our Resource Centre. For example, two grade 8 classes under the direction of Mrs. Lauder have been searching for information on toys that pioneer children from Upper Canada might have received at Christmas. Crafts such as carving, whittling, sewing and painting are being carried on by these pupils in readi-

ness for the Pioneer Toy Museum to be assembled in the Centre in December.

Another interesting research activity presently in progress, is in the area of Science. Grade 8 students are exploring a variety of problems on the unit "Animals Without Backbones". To add further interest to this topic Marianne

Kingsmill of 8a4 has created an attractive underwater display with strange creatures swimming the depths, free from lobster traps and fishermen's nets. What better treasures to be found with these sea animals than a selection of looks with a "fishy" flavour!

YOUTH REPORT

by Janis Evanoff

Just a thank-you to all those who participated in and contributed towards the United Way campaign for 1974. A very special thanks to Kim Headford and Teresa Del Duca who organized and ran the campaign, and to the 24 guys who broke the 72 hour street hockey record and went on to play for one hundred hours to raise \$2,500 towards the campaign.

Also, a reminder of the dance on December 16 at Sir Wilfrid Laurier C.I. featuring "Devotion". Come on out and have a good time!

Have a great holiday and a very merry Christmas.

SIR WILFRID LAURIER COLLEGIATE

presents

GUILDWOOD DISTRICT RANGERS, GUIDES
AND BROWNIES by Shirley Gray,
Commissioner.

Our thanks to everyone who bought calendars, filled "Toytime" bags, put pennies in UNICEF boxes and helped us in many ways. The collection of toys for needy children and UNICEF boxes are two of the way the girls help less fortunate children. On the other hand the selling of Girl Guide calendars is a way we can help ourselves. From the sale of each 50¢ calendar the Units keep 25¢ to further their own programmes, to purchase badges, ensignias, books and anything else

needed within the packs and companies. This year in Guildwood we sold 450 calendars and we could have sold more. Thanks again.

As you know we have a uniform exchange in Guildwood for Brownie and Guide uniforms. At the present time we are in need of uniforms, especially those for Brownies. If you have a uniform that you wish to sell or are in need of one, please call Mrs. Barb Hulme - 266-9916.

61st BROWNIE PACK
by Patricia Fraraccio

On November 7th, we were very pleased to welcome ten new Brownies to our Pack and their respective parents to watch the Enrolment Ceremony. Those enrolled were: Cheryl Alix, Debra Corner, Mavis Dixon, Laura Davis, Peggy Hogle, Jane McGhee, Patricia McRobb, Erica Smith, Stephanie Taylor, Barbara Watson. We know that with the enthusiasm that they have shown so far, these new Brownies will be an asset to the Pack.

The Ceremony was followed by some of the Brownies' favourite games which were much enjoyed by all - if a trifle noisy.

At present we have a full Pack but are accepting names on the waiting list. Please call Patricia Fraraccio, 267-2676.

547TH BROWNIES by Shiela McDonald

Since last writing in the Guildwood paper our two tweenies have been enrolled. They were Betsy Perrin and Sheryl Bainbridge. We welcome them both to the 547th Brownie Pack.

Due to the school being closed to us on a number of Brownie nights, the Brownies who were hoping to fly up to Guides have been delayed, which in turn has effected the entrance to Brownies of a number of girls on our waiting list. We hope this will all be resolved early in the new year.

Our Christmas party this year is on December 9th and is going to be a Father-Daughter banquet.
MERRY CHRISTMAS.

GUILDWOOD SOCIAL CLUB
(60 years young and over)
by Shiela McDonald

On Wednesday, November 20th we had a very successful Auction. The proceeds from this Auction will go into our funds towards our Day Trip in June. We made approximately \$80 through auctioning a number of very varied articles.

Our meeting on December 4th is going to be a Craft Afternoon. We plan on making material flowers and a few other articles appropriate for this time of year.

We are having our Christmas dinner on December 18th at 6 p.m. in Holy Trinity Church. After dinner we are going to be entertained by the Sunshine Girls. This group is made up from a number of housewives, and they generously give up some of their time to entertain at Senior Citizens Clubs and Nursing Homes.

We would like at this time to offer our best wishes for A VERY MERRY CHRISTMAS AND A HAPPY NEW YEAR to all of the Guildwood News and Views readers.

GUILD PRO HARDWARE

LAWRENCE AVE E & PORT UNION RD PH. 282-4022

Alderman Fulton reports

Delays at the manufacturing level are holding up installation of the bus shelter at the SW corner of Livingston Rd. and the Parkway and 28 other locations in the Borough. The Transportation Dept. is studying my proposal for 2 left turn lanes exiting westbound onto Kingston Rd. from the Parkway. I expect this will be under consideration in the 1975 Budget.

This is the last issue of the "News and Views" to be produced by the current staff. I would like to thank Lois Taylor, Ed Wagner, David and Shirley Parker, Bryan Mills and Carol Butcher for their co-operation and assistance over the past year and for the excellent of their production.

My re-election by acclamation as your Alderman was quite a surprise to me. I thought acclamations were a thing of the past. While my committee and I were delighted to win again, I do feel that any candidate should be tested by the electorate and incumbents particularly held accountable to their constituents. However, I will endeavour to work as hard for you in the next term as I have in the past. Thank you for your continuing support and trust.

Merry Christmas to all and if I can be of help please call 438-7275.

Margaret Birch mpp

The United Nations has proclaimed 1975 as International Women's Year and Ontario plans to participate in a number of programmes. It pleases me that the first objective set by the U.N. is the promotion of equality between men and women.

Ontario will make a number of grants of \$1,000.00 to groups and associations who plan special projects to mark the occasion. These grants will not be marked exclusively for women's groups, but will go to deserving projects whether they are run by men or women.

On Feb. 18th the Province will be host at a meeting of representatives of labour and management to focus attention on equal employment opportunities for women. In Ontario, two of every five women work outside the home.

During the coming year, the Province will honour a group of women who will be nominated by their own communities and organizations for outstanding achievement. The Federal Government also plans to mark the occasion with a series of special events.

As this year draws to an end, it is pleasant to reflect on the many happy events in which I have participated during the past year across Ontario, but especially those that took place in Scarborough. As a reminder, I am at my Aid Office every Monday night from 7 to 10 p.m. and you can telephone me there at 439-1113.

My best wishes to all of you for 1975 and I hope that both you and yours enjoy the coming festive season.

mp O'Connell Reports

This was Budget month. It was an unusually important Budget because the Canadian economy has joined other economies in entering a period of slowdown. The Budget, therefore, came at a time when the economy is in a phase change or on a "knife-edge". But the Government expects growth to resume by mid-1975.

I will just emphasize the substantial reductions in personal income tax for 1975 which were announced in the Budget. Taxpayers will be given a minimum cut of \$200 and a maximum cut of \$750. Federal taxes will be reduced by a total of \$615,000,000 in the 75-76 fiscal year.

The Budget also encourages and protects savings. For example, the first \$1,000 of interest income from bonds, mortgages, bank accounts, etc. will be exempt from income tax. Dividends can be included in this income. For retired persons, the first \$1,000 of pension income, other than universal pensions paid by Government, will be exempt from tax.

Regulations to Ensure Safety of Car Seats: One item which could be of interest to a good number of constituents is the introduction by the Minister of Consumer and Corporate Affairs of new regulations, effective November 1, to upgrade the safety of children's car seats. The objective is to provide protection for children in car crashes at least equal to that built into new cars for the driver and adult passengers. All products now offered for sale must carry this statement - "THIS PRODUCT COMPLIES WITH THE APPLICABLE REQUIREMENTS OF THE CHILDREN'S CAR SEATS AND HARNESS REGULATIONS". Departmental inspectors are trying to clear the market of non-complying products. Please check to ensure that the statement of compliance is on any new seat you purchase. Many now in the hands of consumers, bought since 1972, can be modified easily to provide greater protection. If you wish to receive a fact sheet, please contact my Scarborough office, 266-4413.

Constituents are Coming to Ottawa It was very nice to be visited in my office in Ottawa recently by Mrs. Lorraine Walker and two children who were her guests. I hope more Guildwood residents will find it possible to come to Ottawa and will give me the pleasure of a visit.

Editorial

Recently our treasurer, Orval White, has succeeded in having the News and Views declared officially tax-exempt, as the official publication of a Community Association. We are not too sure of the legal technicalities involved here, but it certainly has aided our budget a great deal. Like all sweet things, printing costs have gone up drastically this year, and the almost 20% saving will help to partially offset the increase. ...Thank you Orval....

1974 has been quite a year for many of us in Guildwood. In looking back I'm surprised at what has been accomplished. As the year draws to a close, there are many people to whom I would like to express my appreciation.

The "team spirit" of the News and Views Staff has enabled us to help each other with our respective duties. David and Shirley Parker have both actually done more "writing" than you editor, and much more creatively I must say. David's technique with the glue pot has improved with each issue, although his patience must have been sorely tried on occasion by the changing of the minds about him on 'paste-up' days. He wrote the Christmas message on page 1 of this issue. Shirley continues to amaze me with the speed and accuracy of her typing, and also with the bits and pieces she dashes off... see A Christmas Fantasy for Adults and the book review elsewhere in this issue.

Ed Wagner consistently sells our advertisers space, without which this paper could not be published. Please show them your support, by dealing with these merchants as much as possible.

Bryan Mills has done a fantastic job of up-grading our appearance - both with appealing advertisements and crisp headlines. He has been most generous with his technical knowledge as well as his imaginativeness. Jim Melvin has spent many hours in his darkroom, often on pictures which space did not permit us to print! Carol Butcher has capably done our banking, billing and book-keeping. Beryl Aird has contributed many interesting articles, adding colour and a light personal touch.

Ed, Bryan, Jim and Beryl are able to continue on the staff. Regrettably the Parkers, Carol Butcher and I can not. I do regret having to give it up, because it has been lot's of fun, despite the hard work and harrowing moments when things did not fit or an article got up and walked away - on it's own. Things always worked out and we are all still friends - and that is the important thing after all. My family will be glad to have a mother home every weekend, and I thank them for their patience.

Another group who deserve all our thanks is the correspondents who respond each month with columns of copy.

We hope that the incoming staff of the paper enjoy working on it as much as we have, and wish them every success in the future. Lois Taylor.

FAVOURITE BOOKS L.T.

Charlie Farquharson's History of Canada by Don Harron

Published by McGraw-Hill Ryerson Ltd. - 1972. This hilarious, fun and pun-filled view of Canadian history was thoroughly enjoyed by your editor. Charlie's unique way of mis-using and mis-spelling 'yer English' really tickles me. Enjoyment of the book is directly related to one's (a) interest in and knowledge of Canadian history and (b) ability to read phonetically in order to catch the fun.

This year "Jog-free of Canada" by the same author is No. 1 on my Christmas Book List (and high upon the best-seller list also).

BOOKS I HAVE LOVED S.P.

"I never read a book before reviewing it; it prejudices a man so" H. Pearson, 'The Smith of Smiths'

Write about your favourite books they said, perhaps giving suggestions for Xmas Gifts. What a task, even with reading having been an obsession from the age of five - one of my most vivid memories is of the day all those funny symbols suddenly became words and the words told me stories. Anyway, here goes..

One of the books I have most enjoyed in the last two years is "The Rise and Fall of the British Nanny" by Jonathan Gathorne-Hardy. My friends have often heard me say that if I was rich I would care about nothing if I could have a nanny for the six or so children I would then indulge myself with. Having read this book I'm not so sure!

It is a very amusing book often but mostly a fascinating social commentary on a way of life which is rapidly passing. I recovered from an illness more quickly I am sure with the aid of Laurie Lee's delightful "Cider With Rosie" an account of a childhood spent in an English village prior to World War I. Malcolm Muggeridge's autobiographies "The Green Stick" and "The Infernal Grove" are beautifully written. If these books seem to have a British bias I can only say I have tried them out on an all-Canadian friend and she loved them!

MY BOOK OF THE YEAR

D.P.

My boss may not take immediate action on my business recommendations but he usually listens to my recommendations on drama, music and books. So recently when I walked into his office and in great excitement told him of a magnificent book that I was reading, he looked up with interest. "What's it about?" "Rabbits" I said. "Really ..." he replied and I left his office.

But in spite of that, "Watership Down" by Richard Adams is a beautiful book. The exuberance of some of the critics is almost enough to deter one from reading it. "The Times" (London) wrote - "I announce with trembling pleasure the appearance of a great story".

It is a great story, one which I am glad to have read, but sad to have finished, one which if you have any soul left in you you must read.

KIWANIS IN GUILDWOOD

The Kiwanis Club of Scarborough has recently celebrated its 25th year of community service in Scarborough. The oldest Kiwanis Club in the Borough, it has continued to help the community become a better place in which to live. Possibly the only club in Guildwood, it meets right here at the Guild Inn, on Thursdays at 6.30 p.m., and programmes at these meetings are very interesting.

Recently the Kiwanis Club of Scarborough played a key role in the organization of the Kiwaniswood Tennis Club here in Guildwood and along with the Community Association influenced the decision to build the Laurier Swimming Pool.

Who belongs to the Scarborough Kiwanis Club? A cross section of men in this area who enjoy fellowship and are concerned with the betterment of life in the community. Members come from advertising, banking, sales, teaching, law, politics and the church.

Guildwood men interested in associating themselves with this fine Club are invited to phone one of the local members listed below. Anyone of them would be most pleased to talk "Kiwanis",

Ken Summerville	267-3824
Frank Enfield	261-7720
Andre Thillart	267-5345
Geoff. Mason	267-3865

Friends please note - Mrs. Macher has been released from hospital and is now at Guildwood Villa.

SHIRLEY TOMLINSON REPORTS

At this time I would like to wish the readers of the News and Views every blessing at Christmas and health and happiness in 1975. I have enjoyed the privilege of keeping in touch with you throughout 1973 and 74 and thank you for your support.

A CHRISTMAS FANTASY FOR ADULTS

'Twas the night before Christmas. Santa Claus swerved round the Parkway on his last trip. He had delivered gifts to all the children everywhere and now it was the turn of the adults - this year he was going to start with Guildwood. Santa was smiling to himself, he was fed up with delivering his usual load of perfume, negligees, ties and socks and this year had decided to go for the unusual....

He trotted here and there depositing his bright ideas. To a lady on Tynbee Trail who always had a problem with her washing he left a sock-washing device guaranteed never to separate socks in the wash, and to her husband he left matching socks for those he only had one of. To a gentleman in Livingston Rd. who loved to make wine he left the most precious gift - a 28 lb. bag of sugar. To the new editor of the News and Views went a telephone of her very own, so that she would not have to keep the family away from it at Press time. To a gentleman on Prince Philip Blvd. went Santa's favourite gadget - an interesting device to make ice for the skating rinks in 60° weather. He had one request, that he had hesitated over, a lady had requested a trade-in for her spouse, preferably one in the latest model, but he knew underneath it all she would miss him, so settled for a hot-water bottle instead.

When it was all done he went flying out over the Bluffs and in the breeze could be heard "Merry Christmas to All....."

SOCIAL ACTION COMMITTEE

by Penny Vardy

As canvassing is progressing throughout the community and door to door contacts are made, new people are discovered who have recently moved into our area.

The committee are constantly on the look-out for new residents and rely on a network of information but sometimes new residents are missed.

If you are new or if you know of any new residents in your road, please call Jackie Schermerhorn, our Co-ordinator, at 266-0519 so that we can arrange for a neighbour to call round to say "hello"

We shall look forward to the next coffee party when we can all get together. We are fortunate to live in this area and should all spread a little warmth around. Anyone interested in joining our group or coming to the next coffee night is most welcome. Call Elizabeth Hogle at 261-7828 and let her know.

By the way, we have many requests for babysitters for the day time. Anyone able to help others in this way, please call Elizabeth or Jackie above.

Library news

Mrs. Carol Fisher has been promoted to be Branch Head of the new Highland Creek Branch of Scarborough Public Library. Mrs. Josephine Taylor is taking her place as assistant to our Branch Head, Rita Giffin, at Guildwood.

Recently the shelves in our library have been moved so that we now have more space in between for the convenience of the public. (Ed. note: they read this paper!)

DECEMBER PROGRAMMES

Dec. 14 Films for school-age children. Donald and Pluto (Walt Disney) The Night Before Christmas, Lizard, Country Hospital.

Dec. 21 Craft for ages 6-11. "Gifts for the Christmas Tree" 10.30 a.m. Registration necessary.

Dec. 28 Films for school-age children. On Ice (Walt Disney), Frats, We call them killers, The Lorax (Dr. Seuss).

Following the custom of other years we will be having the Christmas trees of other countries in the libraries. Each branch will have a different country and at Guildwood ours will be decorated in the tradition of France.

The Staff would welcome suggestions from the community on programmes for the Guildwood branch. They would like to have some idea of what you expect in the line of activities within the library. Towards this end a suggestion box is being placed in the library so that patrons may feel free to make an expression of what would interest them. Please don't hesitate to use it.

BOOK REVIEW by Beryl Aird

"The McMichael Canadian Collection" is a book which would be a valuable addition to any library and would greatly enrich one's visits to the McMichael Collection at Kleinburg. It illustrates the collection in full, with many beautiful full-page reproductions and the text is very readable. It measures 10-1/2" x 11" with 176 pages. The book can be purchased at the Gallery or at the Ontario Government Bookstore, 330 Bay Street, for only \$7.95. Calendars are also available at \$9.25.

Sports by Mr. Fred

If my column could be ringed with bright lights it still would not be sufficient to thank four Guildwood residents who volunteered to assist in flooding the ice rinks. Let's really hear it for Messrs. McCordic, MacDonald, Edmonston and Fairful.

While on the subject of skating rinks, the Borough is in the process of obtaining permission from the school board for the go-ahead to use Board property. With the co-operation of Old Man Winter we should be skating by Christmas.

The lights are now completed around Laurier track. I would appreciate any suggestions as to how we can make good use of them. Some of the suggestions so far have been: skating-in-the-round, bleachers and sanctioned track events.

GUILDWOOD BOWLING LEAGUE by Sheila MacDougall

The first quarter results again indicate a close finish as Gord Pattison nudged out Lorne Brown for 1st place and a spot in the playoffs next Spring.

Standing	Nov. 26.	2nd Qtr.	Final 1st Qtr.
Rob Brown	24	28	
Gord Pattison	19	40	
Marie Peters	17	23	
Geo Good	16	26	
Ed Butcher	16	27	
Lorne Brown	16	38	
Harry Usher	10	36	
Don Anco	9	32	
Len Harford	7	20	
Bill Kucharski	6	10	

The Bowling Executive extends to you best wishes for the Xmas season.

GUILDWOOD VILLAGE MIXED CURLING by Bern Foster

The Curling is well under way now with lots of friendly rivalry. Team standings are as follows as of November 17th and 24th.

Section 1. P. Francey 20, B. Foster 8-1/2, J. Foster 17, B. Paine 32, M. Quinn 12, N. Francey 8, B. Hughson 16, F. Dormier 24-1/2, J. Furdas 24-1/2, L. Smith 19-1/2.

Section 2. M. Quinn 9-1/2, E. Niewolski 23-1/2, F. Dormier 29-1/2, J. Furdas 23, B. Hughson 19-1/2, B. Paine 22-1/2, O. White 8, P. Francey 17-1/2.

Merry Christmas to everyone and good Curling in the New Year.

Your Churches

Sing, choirs of angels,
Sing in exultation,
Sing, all ye citizens of
heaven above:
"Glory to God
In the Highest"

Music is an integral part of the Christmas season as radio and television daily illustrate. Music is a vital and integral part of Christian worship at all seasons but particularly so at Christmas.

We in Guildwood are particularly fortunate. We can go downtown to hear performers like Lois Marshall, Donald Bell, the Festival Singers and Camarata; to hear works directed by Melville Cooke, Derek Holman and David Christiani, or we can hear locally some excellent and exciting performances. There are some very talented village performers: our own combined church choirs last Easter and the two members of David Christiani's choir prove that. But music is not just listening, it is also singing, so come and be part of this Christmas.

Enjoy the music of Christmas, the effort is worthwhile. See you in Church.

CHRISTMAS MUSICAL EVENTS IN LOCAL CHURCHES

HOLY TRINITY - GUILDWOOD

Dec. 15 at 11 a.m. North York Chorale Society present the Christmas section of Handel's Messiah.

Dec. 22 at 11 a.m. Annual Christmas Pageant by the children of the Church school.

Dec. 24 from 11 - 11.30 p.m. Carol Singing followed by Choral Eucharist.

GUILDWOOD PRESBYTERIAN CHURCH

Dec. 8 at 7 p.m. - Combined Choirs of Guildwood and Wexford at Wexford Presbyterian Church - Lawrence Ave.E. at Elinor, west of Warden. "CAROL OF CHRISTMAS", well-loved carols in a setting by Peterson.

Dec. 24 at 7 p.m. Candlelight Carol Service.

MELVILLE PRESBYTERIAN CHURCH at Old Kingston Road.

Dec. 15 at 7.30 p.m. A Service of Christmas Carols by Candlelight.

GUILDWOOD BIBLE CHURCH by Jim Hume
It has been said by some women that having a child makes them feel complete, it gives them a sense of fulfilment. The ability to conceive and bear children is a precious gift. How happy new parents are when they announce the birth of their child. It would seem that no other emotion can supplant the feeling one gets when they hold new life in their hands.

What would you say if you were told that you were going to have a baby and that the child would be a boy? Sounds like an old wives tale? Well let's go further, supposing you were also told what the boy's name should be by someone you had never met before. Sounds like the work of a busybody, doesn't it?

Many, many years ago a young woman had a visitor, it shook her up a bit at first, but when the visitor had left the young woman ran, not walked, but ran to the home of her cousin and told her a strange story. That story has been recorded for us and that young woman was chosen to be the mother of a most unusual baby. You see the young woman's name was Mary and the visitor was an angel, and the news he gave to her was not only was she to be honoured in a most selective manner but that in spite of being a virgin she was going to have a baby. That she was not to have any say in choosing his name was made very clear. The angel's instructions included the name of the baby.

If we read the account of the angel's visit to Mary in Luke's gospel we read these words "And the angel came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women.... Fear not Mary for thou has found favour with God and, behold, thou shalt conceive in thy womb, and bring forth a son, and shalt call his name Jesus." (Luke 1 -28/31).

It seems that a great number of people only read about the birth of Jesus on Christmas cards, how sad they must feel, how empty their lives must be because of their not knowing more of this Jesus. That such a man should have been born shows to us how great is the love of God. Consider if you will the person of Jesus and in knowing Him "the joy of Christmas will most certainly stay with you throughout the coming year".

BETHLEHEM REVISITED

Nov. 74 R.B.

With his first breath, a human cry,
A child is born on earth.

And we who at our mother's knee
Learned that we were made
In the image and likeness of God,
Look at him and wonder.
Can it be true, we ask again,
That this is God, now made
In the image and likeness of man?

See, here he is, a tiny child,
With eyes tight closed in sleep,
Warm and fed, content for now,
This child, can this be God?
How perilously he is placed,
Vulnerable and small,
Trusting himself to human love,
Sharing our life as one of us,
Knowing its uncertainty.

Thus God, Creator and Sustainer,
Leaves behind his majesty,
His crown of immortality,
And now wears swaddling clothes,
Drawing his breath for a child's cry
Of absolute dependency.

HOLY TRINITY by Rachael Boles

Zorro, black as night, a witch,
a ghost, an Arab in flowing robes;
a very small princess and a very
tall rabbit; false noses, wigs and
all kinds of disguises. If you
haven't already guessed, we held a
Masquerade Party at Holy Trinity
on the day after Hallowe'en. And
not only were the guests in fancy
dress, but the church basement was
also transformed, decorated for
the occasion and warmly lit by
Jack-o-lanterns. The evening was
made extra special by the fact
that this was a family party with
children, teens and adults enjoy-
ing each others' company, dancing
and playing together, and laughing
quite a lot.

In the middle of the month, the
basement was once again transformed,
this time into a sale room for the
November Sale. Now the course of
church sales never does run smooth,
but nevertheless, they usually
turn out successfully. This one was
no exception, thanks to the wonder-
ful co-operation of church members
and the support of the community.

GUILDWOOD BIBLE CHURCH on Morningside

You are invited to worship at
Guildwood Bible Church, 44 Morning-
side Ave., not only during the
Christmas season but each Sunday
at 11 a.m. and 7 p.m.

We wish you a Merry Christmas,
And a happy New Year.

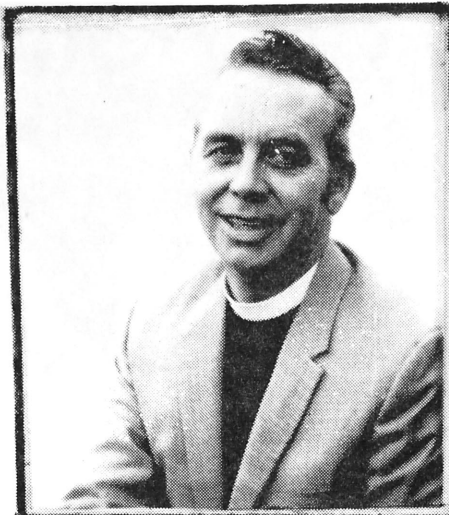

GOD'S INCREDIBLE COMPLIMENT
by Rev. Fraser J. Bournes

Some become very uptight at what they consider the rampant commercialism of Christmas. Personally I believe that we can use this "worldliness" for good. Behind the tinsel, decorations and blaring loudspeakers there is ever the fact of the Babe born in humble surroundings. Without this fact all the crass commercialism would have no meaning. It is true that God does use the things of this world to bring us closer to himself. Sometimes I am concerned with the harsh words uttered by well-meaning Christians. Would it not be far better to accept so much of what is and use it to the greater glory of God?

Christians never cease to be amazed at the incredible compliment that the Divine Creator gave to his creation. For Christmas is the time of gift giving and we are called once again to ponder the amazing grace and love bestowed upon us. It is a most humbling thing to realize that He cared enough to give Himself in the Person of the Babe of Bethlehem. The giving of a gift should always elicit a response and for the Christian that response is one of loving obedience and service to our Lord and to his world. Even in the midst of the frustrations and bewilderment around us it is strengthening to know that God reigns and that the last word shall be his.

Love came down on that first Christmas morn and the world has never been the same. This Christmas it might be well for us to think of what the world might have been if Christ had not been born. In the midst of a world of gathering darkness Light shined and the darkness could not overcome it. This is the declaration of the opening chapter of St. John's gospel. Through the ages men have tried to extinguish that light but have not succeeded. That is why we say that Christmas is a time of Hope even today. God has not left his Creation but rather is still very much involved with us. My earnest wish for us all is that once again we shall listen to the message of the angels given to the shepherds while they went about their daily tasks - "Glory to God in the Highest and Peace on Earth - Behold I bring you tidings of great joy, for you and all mankind". Thanks be to God. May peace be with you.

A TRIBUTE TO GORDON FISH

After 5 years Gordon Fish has left Guildwood Presbyterian Church to serve in Hamilton. We feel that the best, the truest and the most sincere tribute that could be paid to him is to record a few of the comments made by some of his congregation:

"A wonderful minister
A true friend
A most genuine man
A real Christian
Children loved him
A wonderful sense of humour
Our loss is Hamilton's gain
Honest, Humble, Human"

Such a man has such a wife, they will both be missed.

PRESBYTERIAN CENTENNIAL CHOIR

Soloist: Erica Goodman

Present a Christmas Concert
at Knox College
59 St. George St.

Mon. Dec. 16th - 8.30 p.m.

Tickets \$3. Available at the door
or through Joy Gannicott, 266-6166

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH by Rev. Gordon Fish

I assume that this will be my last entry into pages of Guildwood "News and Views". May I commend the Association for this exceptional production of interest for the many folk living in the community.

This gives me an opportunity to say "Thank You". "Thank You" for five and a half years of a delightful village life here in Guildwood. Village life is really such when you have established a form of community that has character. Character invariably includes the need for and the incorporation of "characters". Guildwood has character as it has characters, (I use this term in the very best sense.) As an example - there's Shirley at the Post Office in the drugstore. Once you know Shirley you must be prepared for a bit of sass and some droll humour. Yes, a door or two away you will find the folk at the Real Estate office seemingly finding time to pass the time of day with someone of the community. "Harry" the crossing guard, already we have some of the kids calling him - "Lead Foot". "Art", now busier than ever picking up the papers that we have carelessly dropped. Busy for some time now seeing that the centre of the village looks at least respectable. There are a host of nameless folk who look after the athletic program for the youth, those who weekly give leadership in the programs of Cubs, Brownies, Guides and Scouts.

Yes, even the churches have character in our village. Happy to report that here in the centre two denominations at the corner work well and harmoniously together - tremendous.

"Thank you - Guildwood". Here we were fortunate enough to have our family together - and now as we leave and they begin to leave their nest we will always look back to living in Guildwood as the time when we were together as a family.

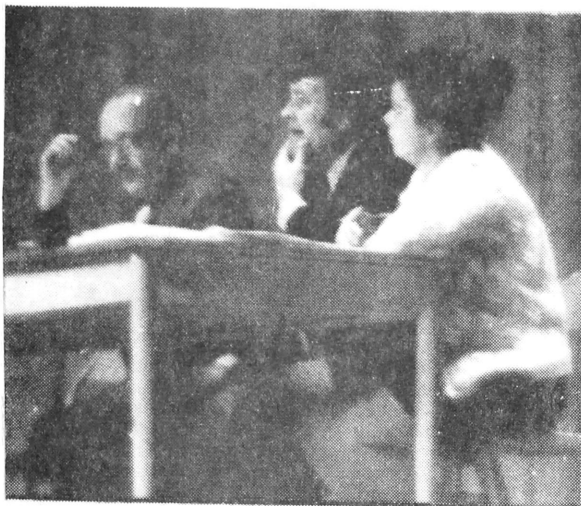

Finally, "Thank you - Guildwood", and can it be better said than in the message of Christmas? May the Joy of that First Christmas Morn be yours - as you receive the Christ of Christmas for your life individually, as families and as a community with real character.
