Friday, February 8th

Films for children of all ages at Guildwood Library. 2:00 p.m. Everyone is invited.

Saturday, February 16th

Films for children of all ages at Guildwood Library. 2:00 p.m. Everyone is invited.

Tuesday, February 19th

Evening seminar - "Income Tax and Related Problems" at Guildwood Library. 8:00 p.m.

From the NEWS & VIEWS Staff - - -

A Happy and Prosperous New Year to each of our 2400 subscribers and to our advertisers;

The News and Views is managed by a group of volunteers, all residents of Guildwood Village, who have an interest in our community.

There have been a number of "retirements" over the past couple of months. We extend our thanks to Pat Wilmot the previous editor and to Barbara Wagner who "retires" after this issue. Thanks for a job well done. To Betty and Alex Beauchamp and to Lynn Fischer, new additions to the staff, we say welcome.

We urge you to join the Guildwood Village Community Association.

AND COMMUNITY NOTES

There have been changes in the association's 1980 social program, arising in part from this year's slow start.

Monte Carlo Night, originally planned for about the end of January, has been postponed to the fall because we could not find suitable accommodation for the early part of the year.

To compensate for this disappointment, something new has been added for Friday, February 1 - a wine and cheese party to be held in the hall of the Church of the Holy Trinity.

An important feature of this party is that tickets will be distributed FREE - two admissions for each paid-up membership until the supply runs out.

To order tickets, call any member of the Social Committee (listed separately) and quote the number of your family membership card. If the membership canvasser hasn't reached you yet, give a cheque for \$6 in favor of the Guildwood Village Community Association to the member of the Social Committee and you will then qualify for free tickets to the party. In this case, be sure to print your name and address on your cheque so we can subsequently arrange a membership card.

I feel certain that the demand for tickets will far exceed the capacity of the church hall, and will ask the Social Committee to record any requests which cannot be filled for the February 1 party.

Annual Dinner

The association's Annual Dinner will be held Friday, April 18, at

the Guild Inn. Details will be provided in a later issue of the News & Views, but try to reserve that date.

Membership Canvass

The membership canvass is finally under way after a late start which resulted from circumstances beyond our control.

When a shivering canvasser rings your doorbell, please invite her/him in to prepare your card while you dig up the \$6 fee or arrange a cheque in favor of the association.

Remember, the more support we have from the family memberships, the more we can accomplish in making the village an interesting place to live.

Staff Changes

The last issue of the News & Views listed many new names on the association executive and the staff of the paper, but with some carryovers to hold operations to the established pattern. We welcome the new crop of volunteers and extend the association's thanks to those who have completed their tour of duty.

I decided not to mention any names, but the continuing strength of the association is due to the many people who through the years have served on social committees, organized sports activities, prepared for Guildwood Days, taken care of finances, edited and produced the paper, etc. Since the Chairman has a fairly easy time of it, I feel free to praise the efforts that many others have put into the association.

See you at the February 1 party, if you can get tickets.

GLEN WITHERSPOON

YOU WROTE US TO SAY

December 18/79

EDITOR:

I'd like to take advantage of 'News & Views' to give a 'king-sized' THANK YOU to the two teenagers who were throwing sand on Bethune Dr. Hill during last night's snow storm. They turned my "toboggan" back into a car. We (the drivers) would have been in a sad state without them. Thanks.

C.M. King

GUILDWOOD LIBRARY

On Tuesday, February 19 at 8:30 p.m. GUILDWOOD LIBRARY will present an evening programme entitled 'Income Tax and Related Problems'. This will be a good opportunity for anyone having difficulties with their Income Tax Return to participate in an instructional seminar designed to clear up problems. Mr. John Brooks, a Public Relations Officer with Revenue Canada Taxation, will be present to answer questions.

Your newspaper requires a volunteer to assist in meeting with the Guildwood business people to work with them on their advertisements. If interested in this exciting position, please call - Phil Diamond - 266-1546

SKUNKED !

The early morning walks this past summer with the family pooch turned into an early morning adventure. Not one day passed when we didn't see a skunk going about his early morning business. Garbage pick up days were particularly bad as these little brazen beasts felt that we were interrupting their feast and no way were they going to leave the scene.

Being bleary-eyed at this early hour and with a somewhat myopic mutt, danger lurked behind every bush and hedge. Twice our pooch was sprayed and once went head to head with a large skunk. Since the skunk wasn't able to turn in order to aim his nozzle, this confrontation was fought to a draw. It was an exciting match!!

The colder weather has driven them to their lairs. Whatever will we do next summer? The skunk population is growing at an alarming rate. We'd like to hear from you, in writing, if you have a physically possible, legally acceptable method of ridding our Village of these pests. It's them or us!

REPORTS

MARGARET BIRCH, M.P.P.

I am very pleased with the announcement made in December by the Minister of Health, the Honourable Dennis Timbrell that the top three floors at Scarborough Centenary Hospital will be completed.

This completion will provide 76 active treatment beds, 70 chronic care beds, a 30-bed rehabilitation program, and a co-ordinated intensive care-cardiac care unit of up to 25 beds.

At the Scarborough General Hospital, the Ministry of Health has approved the conversion of 42 chronic care beds to rehabilitation beds and the staffing of five additional psychiatric beds bringing the total to 25 beds.

FAMILIES, a newsletter to be published quarterly is for individuals and organizations who care about family life in Ontario. Through FAMILIES, we hope to promote and further stimulate discussions about social issues affecting the

family and to provide a way of exchanging information on activities relating to family life.

Your ideas and contributions for future issues will be most welcome. Copies of the first issue of FAMILIES are available in the AID office 4599 Kingston Road, Suite 208, or call 281-2787.

Help is available again this year to those Senior Citizens who reside in the Riding of Scarborough East, in filing their 1979 Income Tax forms. For information please call my Riding office 281-2787.

SHIRLEY TOMLINSON, TRUSTEE

As this will be the first issue of the 'News and Views' for the year 1980 and indeed for this decade, I would like to take this opportunity to wish all our readers a happy, healthy and peaceful year. I have appreciated the opportunity over the past seven years of being able to keep you informed on educational matters and Board policy. The 1980's will prove to be a challenge because of declining enrolments, decreased

educational grants, the new thrust in co-operative and technical education programs and the wise deployment and re-training of teachers. The Scarborough Board is unique in that it has developed, along with public input a five-year plan to help launch us into the 80's with care and planning.

CO-OPERATIVE EDUCATION

Many Laurier parents and students will remember with great admiration, technical teacher Ken Page. Because of his knowledge of various technical trades and his understanding of the needs and goals of the students enrolled in technical courses, Ken Page was the natural choice to launch the Board's new Co-operative Education program.

For many years our Vocational and Secondary schools have worked with local firms and small businesses to provide work experience for students for one or two weeks during the school year. With the added stress now placed on the need for technically proficient students by the Ministry of Education, it is im-

portant that this program be extended to include more students and for longer periods of time - perhaps six to eight weeks yearly. Mr. Page is working to encourage more firms to enrol in the program and thus provide a type of "apprenticeship" training for students. He has made many good contacts, but is always looking for people willing to assist with this program. It is hoped that this practical exposure to the real working situation, will develop good attitudes and help to develop skills useful to eventual employers. A most important aspect of course, is that students will hopefully gain confidence through success in their vocations.

Any readers who can offer assistance in this program would be most appreciated and can contact Ken Page at 438-7718 or 438-7531.

Board and Committee Meetings

Please remember that all Board and standing Committee meetings are open to the public. They run consecutively, Board, Education, Planning and Property Finance, usually on Monday nights.

Board's Information Office 438-7541.

SCHOOLS

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

Now that the girls' volleyball season is over, the focus for the school teams will be on the boys' volleyball activities. Our school will have two teams, Mr. Belcher looking after the bantams and Mr. McEvilla the juniors. For the benefit of all students, our house program will continue and we will be completing the volleyball schedule and then we expect to proceed into cosom floor hockey.

One particular area of focus for our junior grades will be on Public Speaking. All students in grades four, five and six will have an opportunity to participate within their classrooms and, at the end of January, the best speakers from each class will speak in front of their peers to select our school representatives. While the primary grades are not directly involved in this process, our grade three classes will be able to hear the best speakers from the junior grades.

The Library, always a focal

point of the school will be featured in an activity devised by Mr. Duncan called Loto Simcoe. Briefly, each book that a child reads entitles him or her to one entry in our weekly draw. At the end of the week, eight or ten names will be drawn, and those students selected will receive a paperback book as a gift from the Library. Each week, new names are put into the box for the next draw. Loto Simcoe generated considerable interest last year, and we are looking forward to focussing our students' interest even more on recreational reading.

ST. URSULA CATHOLIC SCHOOL

December was a very busy month. The Parent-School Committee held a Bake and Toy Sale on Friday, December 7th in the School Gym. \$408.00 was made at the sale and these proceeds will go towards the playground equipment to be built at Guildwood Public School. Deanna Gubb, Grade 3 student presented the che cheque to Guildwood Public School when three of their classes came over to see our Christmas Concert on Monday, December 17th.

BARB AHRENS HAS BEEN ACTIVE IN SELLING HOMES IN GUILDWOOD VILLAGE FOR OVER 5 YEARS, AND FOR THE PAST 4 YEARS, HAS BEEN OUR TOP REAL ESTATE AGENT (WE HAVE OVER 800) IN THE GREATER TORONTO REGION.

St. Ursula's School will be involved in the Multiple Sclerosis Read-a-Thon starting at the end of this month. We hope the Community will support this very worth-while project.

The staff, students and parents of St. Ursula's School would like to thank Mr. Doug Souilliere for organizing a crew of men to help build a stage for our gym. Mr. Jim Martin, Mr. Bob Rynyk, Mr. Philip Aleong, Mr. John Mulvenna, and Mr. Charles Balogh spent many long hours on this project. The Parent-School Committee will be holding a fund raising event in March to help pay for the stage.

During the months of January and February, the teachers will be preparing the children for Public Speaking and for our first Science Math. Fair.

JACK MINER SENIOR PUBLIC SCHOOL

SPORTS

In boys' houseleague volleyball 7C won the grade seven pennant while 8A won the grade eight honours. The girls' grade seven bordenball was won by 7A and the grade eight King's Court will not finish until mid-January.

The Junior Boys went into the John McCrae Tournament where they went right to the final losing out to an excellent team from Bliss Carmen Sr. P.S.

CHRISTMAS AT JACK MINER SR. P.S.

The highlight of our Christmas program was the Christmas Concert on Wednesday, December 19th.

Special thanks to Mr. Mustard, Miss Shemuda and Mrs. Pasutto for their efforts in producing and co-ordinating the evening.

EXCURSIONS AND SPECIAL EVENTS

Jack Miner's Science Fair will be held during the week of January 14 - 18 and Jack Miner has been chosen as the sight for the Area 7 Science Fair on February 29th and March 3rd and 4th.

Dining Out

**On a trip to the near east
Jim White discovers some tasty
Egyptian delights well worth a
trip to exotic Scarborough**

In the shimmering heat it might be explained as a mirage, but how do you explain, on a cool fall evening, this incredible oasis in the culinary desert that is Scarborough?

As out of place on Kingston Road (at Eglinton) as a pyramid itself, is the Stone Cottage Inn, a fine Egyptian restaurant.

Owner Eid Attia makes Middle Eastern magic in the small stone coach house, built for travellers in 1867. Any downtowners who persist in thinking of Scarborough as being just this side of Suez are advised they don't need a visa to make the pilgrimage. Just a Visa card.

Sweet sections of baklava come with Egyptian coffee thick as Nile silt

Venturing there, the emerald lady and I, and four dining companions, we had not a meal, but an experience. Our reservations were for 8 p.m. but others would be advised to begin earlier, for this Faroukian feast can last four hours if your dinner party is high spirited.

The world of mystery and charm is darkly lit and richly decorated. A crimson rose graces each table. Large tapestries and ornamental antique lanterns hang on the walls.

Upstairs in a sultan's tent, hassocks, small round brass tables and back-lit arched windows give a sense of privacy. A perfect place to start an evening, and an even better place to end it.

For the Egyptian initiate I recommend the "gourmet selection" which includes just about everything on the menu.

We begin with a platter of three Middle Eastern appetizers. Hummus, a rich chick-pea puree is pushed — as opposed to nudged — into action with garlic sauce.

Belly-dancers Sylvia (left) and Candice (right) show Bill Duron of the convention and tourist bureau an Egyptian eyeful. See them weekly at the Stone Cottage Inn.

Zagazig, a refreshing concoction of yogurt, mint and cucumber is soothing, and abu gannouch (also called baba ghanouj) is a poetic puree of eggplant, sesame oil and lemon juice. All appetizers are scooped and eaten by hand with sections torn from hot pita, the popular mid-East pocket bread.

This is followed by bite-sized portions of falafel, a deep fried ball of ground chick-peas highly spiced with cumin and parsley; dolma, a grape leaf stuffed with rice and meat; and "smarty," a deep-fried delectable that you wouldn't eat if you knew what it was.

Attia, who supervised all cooking and serving, brings the next course, casseroles of mousaka — a divine blend of egg-

plant, beef and lamb, baked and covered with a bechamel sauce and Parmesan cheese. This course and the dolma give the dinner an unmistakable Greek flavor but Attia argues the dishes originated in his homeland.

The Egyptian-born owner has a marvelous patience, explaining thoroughly to each guest, time and again, what is being served. It is like being in his home. The question, "Can a chemist from Ortho Pharmaceutical find happiness running an Egyptian restaurant in Scarborough?" begs a screwball comedy on the big screen, but it's essentially the story of Attia, who gave up a career in chemistry for a business his family knew back in Alexandria.

Eight years after opening Metro's first popular Egyptian restaurant it would appear that the answer to the question is yes.

The main course is served in between additional rounds of wine and beer (imported brands \$2.25). Points off for not providing an ice bucket to keep our white wine chilled.

My roast leg of lamb is succulent, sweet, evenly cooked and perfectly seasoned. Words cannot describe the sensation on my palate.

Others in the group feast on King Farouk shrimps served in a butter and wine sauce, curried lamb. Someone has a skewer of marinated beef, adroitly charcoaled and so long that the only thing coming close in length, I fear, will be the dinner tab.

But I am wrong. The price is a more-than-reasonable \$26 per couple, liquor, dessert, tax and tip not included. These days you can't find value like this in Cairo, let alone Metro.

Dinner terminates in the tent upstairs. Sweet sections of baklava are served with a thick Egyptian coffee which has a sediment as thick as Nile silt.

The luncheon menu offers many of these items at reduced cost — if you can trek to Mecca and get back to your office in a single lunch hour. Dinner can also be ordered a la carte, rather than as a gourmet package.

"Tut, tut," is as much a cautionary note as a reference to the boy pharaoh. You needn't spend \$200 to enjoy an Egyptian meal as many will do Wednesday night for the gala dinner kicking off the Treasures of Tutankhamun exhibit.

For \$45 and a round trip ticket to Scarborough you can have your own Egyptian evening to remember.

The Stone Cottage Inn, 3750 Kingston Rd. \$40-\$50. Major cards. Licensed. Open seven days. 266-6200.

Tuesday, March 25th

A programme for women returning to the work force will be held at Guildwood Library. Speaker: Ann Petite, Personnel Consultant. 8:30 pm. All welcome.

Saturday, March 29th

Guildwood Library will have a craft session "Tiny Japanese Tree Garden" at 2:00 p.m. Children aged 6 - 14 are invited.

AND COMMUNITY NOTES

The big item of community interest in this edition of the News & Views is the announcement of details of the annual dinner-dance to be held at the Guild Inn April 18. This is just to draw attention to the announcement and to suggest that you take early action about reserving tickets if interested in attending this popular annual activity.

We expect a sell-out.

Wine and Cheese

The wine and cheese party February 1 was well attended and is certain to become a regular activity of the association.

We saw many new faces at the party; people who have not taken part in our social activities in the past. Some suggestions were offered to make the next such gathering even more enjoyable.

Baseball

At a recent meeting of the association executive, Sports Director Pierre LeBrun reported that

permits have been ordered for the baseball diamonds for this summer. More umpires are needed and Pierre will be calling for volunteers.

Membership Canvass

Membership Director Steve Harwood reports that his canvassers are being well received in Guildwood households and that good progress is being made in the collection of 1980 membership fees.

Community News

Although my report on community activities is featured at the front of each edition, the News & Views in its entirety is a report on Guildwood events of the past and future and I think is well worth reading from beginning to end. Many of the activities sponsored by schools, churches and other organizations are open to all residents, and anyone who reads our community publication should never be hard up for something interesting to do.

PLAN TO ATTEND!!

YOU WROTE US TO SAY

DEAR EDITOR:

You have probably seen the commercials on TV by Ann Murray telling about all the things the Canadian Imperial Bank of Commerce is doing for business all across Canada. Well that sure doesn't apply to us newspaper boys. You know how hard it is to collect all your money on time and put it in the bank. I had trouble collecting one week and my cheque was returned because I didn't get my deposit in on time. But the Canadian Imperial Bank of Commerce charged me an extra \$5.00 to return my cheque. The Bank of Montreal charged \$2.00. This made me mad because I have to work one whole week to make up \$5.00 so I closed my account to move it to the other bank. You know they then charged me a dollar to close out my account. Is this the way to help small businesses grow? So All You Paper Boys Beware!!

Greg Young (10 yrs. old)
71 Prince Philip, Scarborough.

DEAR GREG YOUNG:

We regret that there have been any problems in the operation of your bank account. We appreciate the fact that carriers are not always

able to complete their collections on time. We also realize that an overdraft charge cuts significantly into profits from a paper route. However, the charges referred to are standard.

The only other comment we can make is that we have numerous other newspaper carriers as customers in this branch who have operated their accounts for some time without any problems of any kind.

Yours very truly,
B. Palmer
Manager

DEAR MR. EDITOR,

Re your article "Skunked" in the Guildwood News & Views, you end it by referring to skunks as pests. How cute! Are they the pests?

I have never seen a skunk scrounging in someone's garbage - but I have seen many a dog. I have never yet watched a skunk "dirty" my lawn, nor have I ever stepped in skunk droppings. I have never had a skunk intimidate me or my children when I'm out walking or bicycling. I have never had a skunk bark incessantly, disturbing my peace. Why did your dog get sprayed? Was he not under your control? Was he not on a leash as he is supposed to be?

I like animals of all-kinds including dogs and skunks. No skunk has ever bothered me or

caused me any problems. Let's be honest, Mr. Diamond. Who are the pests in the Village? How about a "physically possible, legally acceptable" method of ridding our village of dogs? Or should it be their masters?

STU LOGAN

COMMUNITY NOTES

representatives on municipal and other public bodies are of interest as are the advertisements which are aimed at the residents of Guildwood.

So, I suggest you settle back for the next half hour or so and enjoy reading the contributions of the many people who prepared this community report for your interest and pleasure.

Kidney Foundation

I don't recall having heard of the Kidney Foundation until recently when I received a call from Roy Barnes, organizer of a drive for funds throughout Scarborough. He is looking for help in a canvass of the Guildwood area.

Possibly someone who has received benefit from the services of the foundation, either personally or through a friend or relative, may wish to help in this work. If so, please call Mr. Barnes direct - 439-5768.

Final Word

Remember the dinner-dance April 18, and order tickets now.

GLEN WITHERSPOON

"OPERATION BOATPEOPLE"

The national press seems to have forgotten the 'Boat people', but Guildwood Presbyterian Church realizes that they are still a major national problem. With this in mind, the church has undertaken the sponsoring of two families from the far east under the title 'Operation Boatpeople'. The first family is expected in late April or early May, and the church families are gearing up to supply the family with necessary items. They know that many of the residents of Guildwood Village would like to help in this project and they welcome you in joining them with this worthwhile project. If you would like to contribute articles of clothing, household furnishings, food or finances, then please give the church office a call 9 A.M. - 10 A.M. at 261-4037 or George Fullerton anytime at 266-2874.

REPORTS

ED. FULTON, ALDERMAN

In the November issue of the News and Views, I reported on the results of an informal meeting between Members of Scarborough Council and the Borough's four Members of Parliament. With the call of the election all the matters under review were, of course, set aside. Given the importance of these subjects, both locally and to the Borough generally, I will ask Council, as soon after the Federal Election as possible, to invite our Federal Members to resume these informal but productive meetings.

Due to increased traffic to and from the Guildwood Go Station, our Transportation Department has determined the need for additional traffic controls at the Westlake and Livingston intersection. Further investigation is underway to determine other traffic needs near the Go parking lot.

The Borough continuously strives to achieve a reasonable balance between residential and commercial-industrial assessment. With that in mind, the Mayor's Office announced another \$50 million office complex to be located at Markham Road and Highway 401. Similar to the recently announced hotel and office complex, also valued at \$50 million, proposed for the Town Centre, this new project was encouraged by the development of the \$100 million Light Rapid Transit system now in the planning stages. In addition, Teleglobe Canada announced a \$6 million switching station project to be located at Milner Road and Morningside Avenue.

If you wish further information on any of the foregoing or if I can be of any assistance to you on any other matters, please call me at 267-6720 or 438-7275.

MARGARET BIRCH MPP

The Government of Ontario redistributed 2.1 billion dollars to Ontario residents through the Ontario Tax Credit System from 1972 to 1977.

In the 1977 taxation year, the last year statistics are available, three million Ontario residents claimed a total of 435 million

dollars. Of these residents 648,000 were senior citizens who claimed a total of 177 million dollars.

You may be eligible to claim any or all of the four tax credits available for the 1979 taxation year. The four tax credits available are - Property, Sales, Pensioner and Political Contribution Tax Credit.

The Ontario Tax Credit System has been providing tax breaks since 1972 when the Property Tax Credit was first introduced to lessen the burden of rent and property taxes on tenants and homeowners with low or moderate incomes. In 1973, the Sales Tax Credit and the Pensioner Tax Credits were brought in to give additional tax relief. Maximum claim for Property, Sales and Pensioner Tax Credits is \$500. To ensure that this program helps those most in need, the total of these three credits is reduced by 2% of the taxfiler's taxable income.

The Political Contribution Tax Credit was introduced in 1975 to encourage public participation in provincial politics. Maximum claim is \$500, and official receipts must be attached to your income tax return.

Ontario residents 16 years of age and older may qualify for Ontario Tax Credits. For married couples, however, the Property and Pensioner Tax Credits must be claimed by the spouse with the higher taxable income. You may claim Property, Sales and Pensioner Tax Credits even if you have no income tax payable, but to claim you must file an income tax return.

You do not have to enclose your 1979 rent or property tax receipts, however, you should keep them in case proof of your claim is required. If you have receipts you may claim Property, Sales and Pensioner Tax Credits back to the 1976 taxation year.

To claim for the Ontario Tax Credit, complete the mauve-coloured form which accompanies the federal income tax return and mail them together to Ottawa. If you are entitled to a refund, a cheque will be mailed to you with your federal notice of assessment.

For more information you may call the Ministry of Revenue's

multilingual Information Centre at 965-8470. Staff can answer Ontario Tax Credit enquiries in 18 different languages.

Help is available again this year to Senior Citizens who require assistance in filing their 1979 Income Tax forms. For information please call the AID office, 281-2787.

SHIRLEY TOMLINSON, TRUSTEE

My motion asking that Armistice Day, November 11th, be marked on that day in our schools with special services, was defeated at a recent Education Committee meeting. As I explained in a previous article, most schools do hold special services on a date previous to November 11th but the schools are closed on Armistice Day. It was my feeling that the day then became just another school holiday.

The Scarborough Principals presented a brief opposing the motion, feeling that to ignore the day and have schools remain open would lead to a lessening of the importance of the date and an erosion of our traditions. Many trustees agreed with this view and felt that the present practice should be retained. The motion did cause an examination of the topic and it was decided to continue to stress to students the reason for the special observance of Armistice Day.

VANDALISM

A recent report on vandalism in Scarborough schools, points up the need for continued vigilance on the part of teachers, students, parents and communities in general. Last year, taxpayers paid out a staggering \$600,000 to cover damages to school facilities. Where vandals are known and caught, they are charged and often retribution is made. However, most damage is done after school hours and on weekends and by students often living outside the "target" school area. School staffs are trying to impress upon students the importance of respect for property, but this must be done in concert with parental guidance.

There are many more constructive uses for the \$600,000 paid out for what in most cases amounts to

Continued Page 4

deliberate, mindless acts of destruction.

ENERGY SAVING

On a more positive note, a well thought out and executed energy conservation plan reduced Scarborough Board's energy costs nine percent for a saving of \$490,000 in 1979. The fact that this was achieved on a voluntary basis through the co-operation of individual schools is commendable. Mr. Tom Lennard, Supt. of Plant for the Board worked closely with maintenance staffs in order to conserve on heating and lighting in our schools. The Board's goal is a 15% reduction on costs and it is hoped to move towards that goal during 1980.

CALLING ALL INSTRUMENTAL MUSICIANS

Do you play an instrument for your own enjoyment but feel it would be more enjoyable to play in a band with others of like talents? If so, David Craig, Bandmaster of the Scarborough Community Band has issued an invitation to interested

musicians to join his band. David, as many readers will realize, is a well known C.F.R.B. radio announcer, with a talent for music. He has been Bandmaster of the Centennial College Band, but when it decided to go semi-professional, the new Community Band was formed.

The band rehearses every Tuesday evening at 7:30 p.m. in portable #4 at the Ashtonbee Campus of Centennial College, located on Warden Avenue just north of Eglinton Avenue. Amateur musicians of all ages are welcome. For further information call 447-5276.

WE ARE ASKING FOR HELP!

Our News & Views Staff is short by 2 people. Please call Phil Diamond at 266-1546 if you can spare some time to work in our Advertising Department. The positions play a major part in the ongoing operation of the newsletter and can be a lot of fun.

GIRL GUIDES

All Guiding units have been very busy since September. The age change is working well, with many new brownies starting at 6 years of age. Our two Pathfinder units are now in full swing and have openings for girls 12-15 years of age. If any girl is interested in joining Pathfinders she could phone Ann Redford at 261-4804. No previous Guiding experience is necessary.

Once again the girls are taking orders for Girl Guide Cookies. We would like to thank all who support us by purchasing them. If we have missed you please contact Ann Redford at 261-4804 or Alice Bainbridge 266-6280.

THE WAY WE WERE:

The following ad for a new house would attract attention in today's real estate market:

"New, 3 bedroom bungalow with attached garage \$14,000 full price, \$4,000 down, 6½% - 25 year NHA mortgage."

Well, the ad is from 1959 and is representative of the type of ad Mr. Lewandowski of Jamar Construction wrote to sell the houses he was building on Rowatson Rd.

Surprisingly, only 5 of the 24 houses built that year by Jamar were sold. The balance were maintained over the winter and sold the following Spring. The \$4,000 minimum down payment was an enormous sum in those days (equivalent to approx. \$25,000 in today's dollars). The NHA regulations didn't allow for second mortgages. These reasons plus the fact that Guildwood was a long way from shopping and a long way out of town made it difficult to attract buyers.

Construction was started in the early Spring and finished in the Fall when they went on the market. Ready-made items such as kitchen cabinets

and windows were things for the future. Carpenters, working for the builder, made them for each house. Walls were plastered as dry walls were not produced as yet. Poured concrete basement walls were just starting to be used.

Guildwood was mainly empty fields at the time. A few cottages dotted along the bluffs, the Guild Inn was there and the gates on Kingston Rd. had been constructed. To come later was the shopping plaza, the high school, the Senior Citizens Home and the churches. The Parkway was a narrow 2 lane paved road. The side streets were under construction. In the Spring, mud was deep and everywhere.....

We've come a long way.

FROM THE NEWS & VIEWS STAFF

A special thanks to David Willmot who has retired from the post of Production Manager. Your energy and hard work over the years, David, is appreciated. Thanks also to Cathy Latham for her efforts and support.

Wes Morris and Dorothy Marcotte have joined our staff. Welcome!

MOTHERS - FATHERS - STUDENTS

The in-house Baseball League for Guildwood Village requires volunteer Umpires and Coaches.

If you want your child to play baseball this summer, become a coach or an umpire and make sure there is a league.

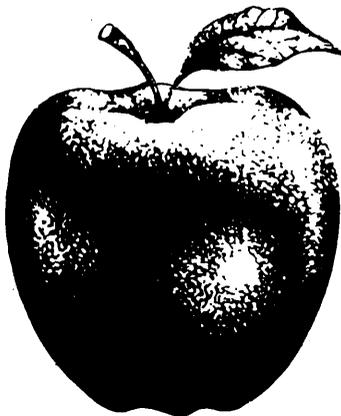

The games are played Monday and Wednesday evenings in June and July only.

If you can donate your time, call the Guildwood Chiropractic Centre - 266-7723.

MEDICAL CORNER

By

Dr. W. Kingston

PEPTIC ULCER DISEASE

The Cause

The truthful answer is that we don't know the cause of Peptic Ulcer. The prime factor is excessive production of acid by the lining of the stomach (gastric mucosa) which is worsened by smoking, excessive use of caffeine (in coffee & tea), stressful factors at work and at home, infrequent eating habits and presumably the life-style of the patient.

Drug therapy may be an important cause of Peptic Ulcer. Anti-inflammatory or arthritic preparations may precipitate peptic ulceration. Steroid medications are often potent causes of ulcers.

Seasonal variations in the symptoms exist: Spring and Fall are worst since acid-production is excessive at these times of year.

The Treatment

Treatment of peptic ulcer can be divided into 2 groups - conservative (medical) or active (surgical).

Medical treatment consists of diet, rest, antacid therapy, modification of life-style i.e., smoking, alcohol & caffeine drinks, eating small frequent meals and avoiding stressful situations whenever possible.

The use of the drug Tagamet is effective in reducing or removing the patient's symptoms. It appears to help in the healing of ulcers, but its long-term use is not yet established.

Surgical treatment is indicated in patients with chronic ulcers, with significant bleeding from the ulcer or who have perforated their ulcer. Surgery usually consists of dividing the (vagus) nerves which cause production of acid by the cells lining the stomach (gastric mucosa). Rarely is removal of part of the stomach now indicated.

SPORTS EXTRA

The following letter reprinted from the Readers Digest appeared in the Minor Hockey Newsletter and in the Winchester Press. It is so good and still so appropriate that it should be shared...The Editor.

Dear Coach:

Tomorrow morning my son starts hockey. He's going to step out on the ice and his great adventure that will include joys and disappointments begins. So I wish you would take him by the hand and teach him the things that he'll have to know. Teach him to respect the referee and that his judgement is final. Teach him not to hate his competitors but to admire their skills. Teach him it is just as important to be a playmaker and get assists as it is to score a goal. Teach him to play as a team and never be selfish. Teach him that winning is not everything but trying to win is. Teach him it is far more honourable to lose than it is to cheat. Teach him to be a competitor. Teach him gently but don't coddle him.

This is a big order, Coach, and I place my son in your hands. See what you can do for him. He is such a nice little fellow.

**THE CANADIAN RED CROSS SOCIETY
SCARBOROUGH BRANCH**

Until 1914, transfusions were made directly from the donor's arm to the recipient's. Then it was discovered that by using non-toxic salt in the bottle, it would prevent the blood from clotting. One refinement in over 60 years of study was the development of a solution in the bottle which enabled us to store blood for 21 days.

Rare blood types are frozen for many years, but at great cost.

When plastic packs replaced the bottles, the donations could be separated into 4 components in a centrifuge machine. These are plasma, red cells, platelets and cryoprecipitate. Some patients require whole blood. Others can benefit from 1 component from many units.

Please help. If you don't, how can we?

Can you donate at one of the following blood donor clinics in March?

HOME REPAIRS

Your home is probably the most valuable possession you will ever own. Even if it's in relatively good shape, it needs care and attention. You can protect your investment and save a lot of money if you know how to diagnose its ills and keep it in good shape.

You are the best judge of whether you can or can't do a repair job yourself.

EASY

- . Minor wall and ceiling damage.
- . Painting.
- . Wallcoverings (most).
- . Minor floor damage.
- . Surface panelling damage.
- . Elementary plumbing.
- . Elementary electric.
- . Hanging things on most walls.

MEDIUM

- . Patching gypsum wallboard.
- . Replacing ceiling tile.
- . Replacing new floors, any type.
- . Replacing damaged panelling.
- . Major repairs in hardwood or resilient flooring.

- . Removing squeaks from floors and stairs.
- . Installing new wiring.
- . Installing and repairing ceramic tile.
- . Framing.
- . More complex wallcoverings.

DIFFICULT

- . Structural damage.
- . Major repairs to bearing walls.
- . Behind-the-wall plumbing.
- . Untrimmed wallpaper.
- . Major ceiling repair.
- . Plastering.

SCHOOLS

GUILDWOOD JUNIOR PUBLIC SCHOOL

VOLLEYBALL

Both the school teams are playing well and the coaches and school can be proud of their efforts at the time of writing. Both are still in the running for playoff positions, with the Bantam Boys' team being assured of one as they have lost only one game. There has been considerable improvement in the skill levels and the strategy of both teams since the beginning of the season. The junior team is coached by Mr. Geddes, and the senior by Mr. Smith.

HOT DOG LUNCHES

The monthly hot dog luncheons at the school have been a very worthwhile fund raising endeavour. Each month brings the G.I.P.S. closer to their objective re the installation of an adventure playground here. On February 14th Glen Ottoway, a well-known magician, entertained the children with an array of illusions and self-deprecating humour.

The volunteers who prepare the hot dogs, organize the entertainment, etc. are to be commended for their fine efforts.

GIRLS' BASKETBALL

For the first time in several years Guildwood has a girls' inter-school basketball team. They are experiencing the growth pains of an expansion team but their dedication and enthusiasm are giving them moments of elation too. As the season progresses, we expect to see under the guidance of Mrs. Richards, continued improvement and, hopefully, the satisfaction of some successes.

LANGUAGE ARTS

Under the direction of Mr. Geddes there was a very successful "Language Arts" competition at the school this year. On a voluntary basis many of the primary children prepared speeches for their classrooms and most of the junior grade children entered one of three formats: A - a prepared, stand up speech, B - an original drama type presentation or C - a reading or

acting of a non-original poem or play. We were impressed with the wide variety of topics this year. Competition was keen and resulted in the following school winners: Format A - Heather Cook, whose topic was about speech also won the zone contest and committed herself admirably at the district finals. Format B - Mary Sue MacDonald and Cathy Grundy who presented a very humorous skit about the problems of being small. Format C - Krista Keirstead who recited the poem 'With My Foot In My Mouth'.

SCIENCE FAIR

The Science Fair season has been upon us once again. Guildwood School's fair was assembled in the halls around the courtyard on February 27th. The entries were judged the morning of February 28th and parents and neighbours were invited to view the displays that afternoon and evening. Some of the entries will be taken to the district Science Fair at Jack Miner School for Monday and Tuesday, March 3rd and 4th.

CHOIRS

Mrs. Coulter will be taking her choirs to the Scarborough Music Festival. This is one of the largest non-competitive festivals anywhere. An adjudicator assesses the performance of the choir, (praises the areas of excellence) and (makes constructive criticism for improvement).

All choirs for that day sing one pre-selected song or festival piece and one of their own choice.

As they listen to the other choirs and the summary of their performances they have the enjoyment of each other's songs and the benefits of the adjudication.

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

The final Loto Simcoe draw was held on Monday, February 4th. Each book that a student read entitled the student to one ballot to go in the box for the draw. We had a fine response to this program during the month of January and are pleased to report the following students as winners in the final draw: Kelly Thomerson - Grade 3, Chris Brown - Grade 4, Drew Arnold - Grade 5, and

Erica Range, Debbie Cooper and Tanja Degan all of Grade 6. Each of these winners was entitled to a paperback book of his/her choice. Congratulations to them all! For the conclusion of the Speech Arts program, we are pleased to report that Brent Eddington from Grade 5 won not only the District Semi-final competition, but went on and won the Format "B" division in the Finals held on Wednesday, February 13th at William G. Davis Junior Public School. Congratulations to Brent for his well staged presentation on "A Clown".

Drew Arnold, the manager of the Bantam Boys' Volleyball Team reported that the team played six games during the regular season, winning four of them. Presently the team is looking forward to the quarter finals with their coach Mr. J. Belcher. The members of the teams are: "A" Team - Ken Akai, Terry Wasilishin, Jeff Wasmund, Graham Duncan, Darren Brown, Reza Satchu, Zoltan Orzag, Jimmy Rhodes.

"B" Team - Rob Hewson, Steve Green, Steve Labadie, Rob Nichol, Jeff Haebe, Greg Swan, John Steverink and Doug Scullion.

We salute our Junior Boy's Volleyball team for having completed their regular season undefeated! The boys will now participate in the Scarborough Finals. Members of the team are: Derek Burgen, Scott Cooper, Ken Derby, Kevin Dorr, Tim Harris, Leith Hawker, David Hewson, John Ostapeic, Niel Mason, Paul Price, Darin Roberts, Mark Schachow, Alan Scott, Edward Siddleley and the coach Mr. McEvilla.

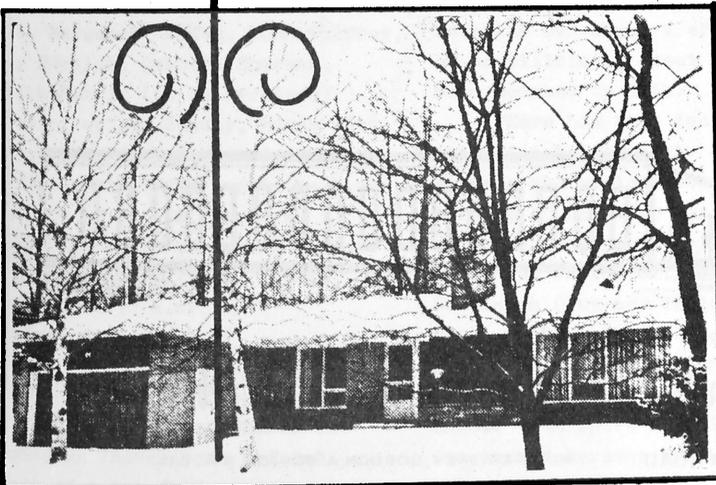

The week of February 25th was a busy one for our junior grades. Our Science Fair was set up in the east gym and judging was done during the Monday afternoon. On Wednesday evening all of our parents were invited to see the projects prior to the meeting with Mr. Ron Wideman, Director of the Scarborough Values Education Program, which was hosted by the Elizabeth Simcoe Parents' Group.

Another exciting day to watch for is the day prior to closing for Winter Break. Our Annual Baking Competition and Sale will be held on Thursday, March 13th and more information will be going home shortly about this big event!

CHURCHES

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Where a warm welcome awaits you

Minister: the Rev. Gordon Beaton
Phone: Church: 261-4037
Home: 267-1927

Services: 11 a.m. Sundays
Church School: 10 a.m. Grades 7 & 8
11 a.m. Nursery & Grades Jr.K. to 6

"For God loved the world so much that He gave His only Son, so that everyone who believes in him may not die but have eternal life" John 3:16.

During the Lenten Season, the Christian community recalls those days leading up to the death of Jesus of Nazareth. It's a very important period of the Christian year. Through meditation and prayer we are reminded of the power and the glory of the Cross.

Our Lenten season will be enriched by the installation of our new Classic Organ early in March. At the dedication on March 9th at 7:30 p.m., we will celebrate with congregational singing and anthems

as well as organ music by a guest organist. A fellowship hour will follow, to make this a very special evening.

The Sunday evening series led by Dr. Burdette McNeel on the theme "Christian Living and Survival" will continue on Sunday, March 30th at 7:30 p.m. with the topic "The Survival of the Church". Everyone welcome.

We look forward also to the 10:30 a.m. Good Friday Communion Service, and then to Easter Sunday celebrations at 11 a.m., April 6th. Later in April, we mark 20 years as a congregation, a significant milestone for the Guildwood community. Before too long, we anticipate the arrival of a Vietnamese refugee family. We will also welcome two teenagers who will be brought in under the government program called "Unaccompanied Refugee Minors", and fostered by one of our families.

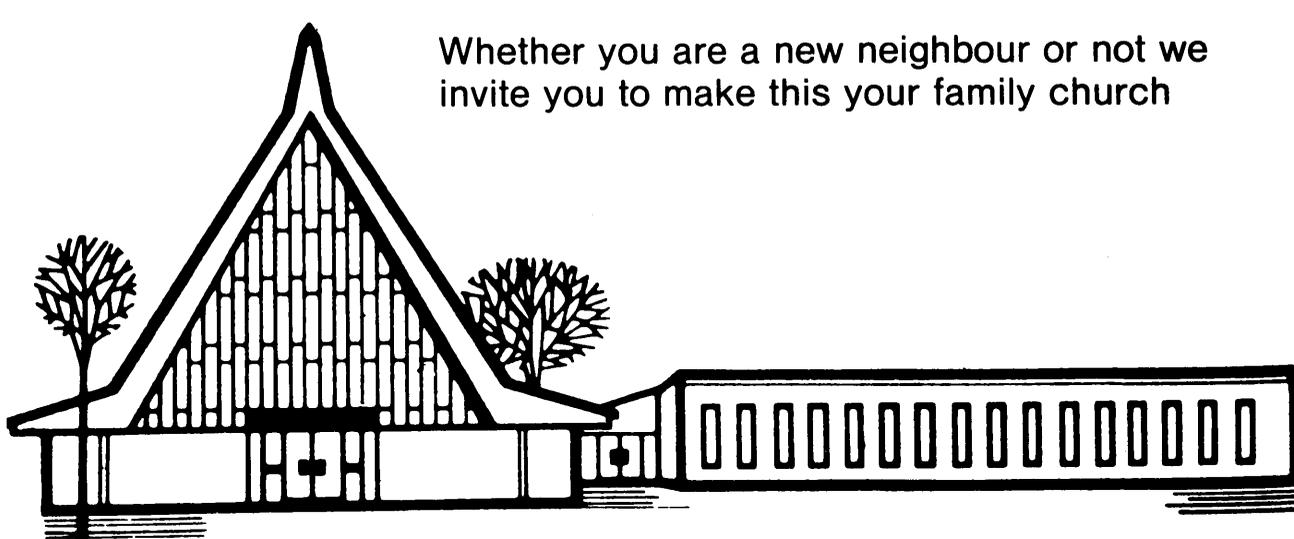

Christian commitment is most rewarding. Wouldn't you like to become involved?

CHURCH OF THE HOLY TRINITY

Reverend Harold F. Roberts, Rector
Phone: Church: 261-9503
Rectory: 266-2868

Services: Wednesdays at 7:30 p.m.
Sundays at 8:00 and 10:30 a.m.

Election of the 1980 Parish Council highlighted a lively and well supported Vestry meeting on January 27th. Again this year Holy Trinity is fortunate that its stewardship rests in competent hands with names not only familiar to parish life but, in many cases, in community leadership as well. Those elected include Reg Miller and Bob Pulfrey as Church Wardens with Bill Hogle as Deputy Warden. Gerry Haslam retains his chairmanship of Parish Council while Peter Harris and Robbie Rhodes continue as chairmen of Outreach and Worship Committee respectively. Lee Weber has assumed vice-chairman responsibilities for Communications which now includes Flo Schwerdtner's Program Coordination subcommittee. Herb Robertson remains as treasurer. New faces include Alf Parke at the

Whether you are a new neighbour or not we invite you to make this your family church

Guildwood Community Presbyterian Church

140 GUILDWOOD PARKWAY AT LIVINGSTON ROAD. MINISTER: REV. GORDON A. BEATON, B.A., B.D., 261-4037

helm of Finance Committee and Sue Price as Council Secretary. Rachel Boles, retiring as Rector's Warden, was presented at the Vestry meeting, with a token of appreciation in recognition of her selfless and inspired service.

While the Parish Council represents the corporate and administrative structure, the real health of the parish is, of course, measured by the dedication of individual committee members and the commitment of the congregation at large to God's work. In addition, a church is community and Holy Trinity extends a warm invitation to you and your family to join in worship and fellowship and grow with us in this Christian community. And what better time to start than now, as Easter, the season of spiritual rebirth gets underway.

An interesting worship calendar has been planned:

Palm Sunday: March 30th - 10:30 a.m. with Archbishop Garnsworthy presiding.

Maundy Thursday: April 3rd - Holy Communion, 7:30 p.m.

Good Friday: April 4th - 10:30 a.m. "7 last words from the cross".

Easter: April 6th - Holy Communion at 8:00 and 10:30 a.m.

Palm Sunday 1980 will be particularly memorable for the eleven member Confirmation class to be included at the 10:30 service with Archbishop Lewis R. Garnsworthy presiding. Congratuations to: Laura Davis, Pam Davis, Garry Franklin, Hal Kent, Alexandra Peck, Susan Price, Margaret Rhodes, John Pulfrey, Nancy Hucaluk, Deborah Sherman, Patrick Morris (to be received).

Similarly, Sunday, March 16th will not be without some impact on the future since six baptisms highlight the 10:30 a.m. service. Remember as well, the men's Corporate Communion breakfast, Sunday, March 2nd, 8:30 a.m. Meantime, Happy Easter!

WASHINGTON UNITED CHURCH

Washington United Church has launched an Indochinese Refugee Project of a two-fold nature: A fund has been established to support a family of six persons for one year in an effort to help them become

Royal Trust congratulates Barb Ahrens on her achieving the highest volume of residential sales for the fifth consecutive year.

We are confident that Barb's enthusiasm for Guildwood and her knowledge of the area enables her to provide the type of service the community deserves.

Business: 293-1992
Residence: 293-1615

established in Canadian society. This family is expected to arrive in late February or early March, and will be looked after by a special committee of about fifty people who will provide furnishings, clothing, housing and assist the family in finding meaningful employment. To date some \$9,000. has been collected of a target of \$12,000.

The second phase of the church's Indochinese Refugee Project is to raise funds for the United Church Refugee Fund. The monies collected will assist families who will remain in refugee camps for the time being, or who will be resettled in their own country after the end of hostilities. About \$700.00 has been donated to date.

There has been increased attention to community oriented programmes and various committees are working on plans to expand or consolidate programmes oriented toward youth and senior citizens. A Badminton Club and Table Tennis Club, meeting Friday nights at 6:30 p.m. serves young persons primarily who are interested in this type of indoor team sport activity. Interested persons are welcome to join these clubs and should contact the church, 267-8265, for further information.

Interested members of the congregation are planning to re-establish a Boy Scout Troop at Washington, which may be operative in the fall of 1980.

The Women's World Day of Prayer service for our area will be held in Washington on March 7th at 2 p.m. Guest speaker for the occasion is Mrs. Miriam Gqubule, a native of South Africa who is currently spending a sabbatical along with her husband who teaches at Emmanuel College.

Services of worship are held every Sunday morning at 10:30 a.m. At the same time classes for children and youth of all ages are provided to further Christian Education. Special services during the season of Lent and Easter will include a presentation by the choir of Faure's Requiem and Vaughan Williams' Five Mystical Songs on Good Friday, April 4th at 10:30 a.m. There will be a Sunrise Service and Easter Breakfast on April 6th, and a special service of celebration at 10:30 a.m. on that date.

Visitors and newcomers are always welcome at Washington United Church.

KATE'S KITCHEN

Most every cook has a collection of recipes that, for them, are "tried and true" and can be counted on to please even the fussiest palate.

I'd like to share two of my "dependables" with you which are great for the family Sunday dinner.

CHINESE PORK ROAST

- 1 Tbsp. Sugar
- 1 Tbsp. Honey
- 3 Tbsps. Chicken Bouillon
- 1 Tsp. Salt
- 1 Tbsp. Soy Sauce
- 2 Lbs. Fresh Pork Butt or Shoulder of Pork, cut in 3 pieces, lengthwise.

Mix the marinade together in bowl until well combined. Soak pork for 3/4 of an hour, in marinade, turning occasionally. Remove from bowl and place on rack in a roasting pan, adding a few tablespoons of water to prevent from smoking. Roast in moderate oven at 350° for about 1 1/2 hours, turning occasionally. Slice pork and serve immediately with hot mustard.

PINEAPPLE UPSIDE DOWN CAKE

- 1/2 Cup Butter/Margarine, melted
- 3/4 Cup Brown Sugar
- 3 Tbsp. Pineapple Syrup
- 1 Can Pineapple Slices
- Maraschino Cherries
- 1 Pkg. Yellow Cake Mix

Mix first 3 ingredients and pour into a greased mold (a regular square cake pan will do). Add pineapple slices (not overlapping) and put cherry in the middle of each. Prepare cake mix - pour 1/2 batter into pan. Make cupcakes with rest. Bake 40-50 minutes in 350° oven. Let stand 5 minutes. Remove mold.

You don't have to eat an apple a day to keep the doctor away. He won't come to the house, anyhow!

N. Fox PHOTOGRAPHER

WORK FORCE

Thinking of going back to work? Feeling confused, inadequate - unsure of yourself? Uncertain of your skills, talents, aptitudes? Wondering how to approach the job market - how to find out where the job opportunities are? Feeling that you are alone in your confusion?

Take heart - you are not alone! Job-hunting goes on continuously - changing jobs every 3-4 years is not at all uncommon. The problem is to find a job that you enjoy. Some people never seem to find a satisfying job - others always seem to have all the luck. How do you become one of those fortunate individuals who gets the "lucky" break? The answer is - not through luck, through good, clear thinking. You can learn to be an effective job hunter - the results are worth the time and effort.

Have you ever calculated the number of hours you might spend at a job? Start with an 8 hour day five days a week, then 40 hours a week, 50 weeks of the year. That is a lot of time to spend doing

something with no satisfaction. Avoid that situation. Take time to decide what you really want to do to explore the various possibilities, to learn how to get what you want. That time will be a good investment. After all, if you don't know where you are going, how will you know when you get there?

Learn how to identify your aptitudes and skills, where and how your talents may be useful and marketable, how to put together a resume and covering letter, how to have a successful interview, how to face possible rejection.

Help is available in libraries, community colleges, through Man Power, professional counsellors. Talk to everyone you know - remember that most of the best jobs come through personal contacts. Have courage - time, patience, planning pay off!

For additional information, see "Comming Events" on page 1, Tuesday, March 25th.

KIWANIWOOD TENNIS CLUB

Even though weather conditions (at this writing) are not conducive to thinking tennis, the executive of Kiwaniwood has been hard at work preparing another year's activities.

Membership forms have been sent to all 1979 members with a deadline for renewal set for February 29th. After this date, depending, of course, on the number of renewals received, we will begin to contact individuals on our waiting list. If you have any questions regarding membership or wish to consider membership for the 1980 season, please contact Joyce Murton at 267-4760.

Our annual general meeting will be held on Monday, March 31 in the library of Elizabeth Simcoe Jr. Public School at 7:30 p.m. It is extremely important that we have as many members as possible attending this meeting. Plans for the 1980 season will be presented and voted upon.

The executive wishes to impress upon all members that this is your chance to speak up about the direction you would like our club to follow. As an added incentive, we will be offering an "exciting door prize! Hope to see you there."

GUILDWOOD LIBRARY

On Tuesday, March 25th at 8:30 pm Guildwood Library will be presenting a programme on women returning to the work force. Ann Petite, a Personnel Consultant, will discuss some problems faced by women in making this decision, and offer some suggestions on preparing resumes, job-hunting and interviews.

ELIZABETH SIMCOE BLOCK PARENTS

The children of Guildwood Village are very fortunate. They live in an area of caring, loving people who have taken the time to become involved in the very successful Block Parent program. It takes such little effort - and yet can be so very important in keeping our community safe. If you are new to our neighborhood, you too can 'let your caring show'. Become involved; be a Block Parent.

A number of our present Block Parent homes have residents who are over 16 and who have not been approved by the police and the Central Committee. ALL people in a Block Parent home must be accepted or we will have to take your sign back. Please look after this now.

We have a successful program. Thank you and keep up the good work. Make proper use of your sign - keep it visible.

Saturday, May 3rd

White Elephant and Rummage Sale at Guildwood Presbyterian Church. 10:00 a.m. to 1:00 p.m.

Thursday, May 8th

Guildwood Library presents an illustrated talk, "David Milne, His Uxbridge Years". Speaker: Professor Lora Canney. 8:30 p.m. All welcome

AND COMMUNITY NOTES

Group Homes

I have had some phone calls about a notice enclosed with a recent hydro bill about an open meeting at the Scarborough civic centre April 17 on the subject of group homes.

Since I never rush about opening bills, I didn't know at first what the callers were talking about. The situation apparently is that Scarborough by-laws at present allow only one type of group home, for the mentally retarded - and the provincial government wants the regulation widened to include other types of group homes. The association executives discussed this aspect. The executive asked me to write the Commissioner of Planning with the suggestion that the borough should move cautiously about any change in the rules. If a change is decided upon, the interests of present home owners should be protected by having such homes spread out and in the case

of some types of home subject to firm rules which would avoid annoyances to the neighbourhood.

Advent of Spring

This is the time of year when winter-weary hockey parents have a few weeks of relaxation before the soccer and baseball seasons get under way. I think the boys and girls generally favor hockey over the summer sports, but the big drawback from the parental point of view is the scarcity of hockey rinks which means getting up at five o'clock in the morning on occasion. Summer sports are played at more sensible hours, and it's pleasant to take along a lawn chair and enjoy the balmy evening air of summer.

PLAN TO ATTEND!!

YOU WROTE US TO SAY

Dear Editor:

Re: Mr. Logan's response to the article "Skunked".

Mr. Logan states that he has never seen a skunk in the garbage cans. All I can say is he must retire very early and rise very late as there is seldom an evening from spring until fall that skunks are not seen in the Guildwood Village. I personally have seen three together one evening on his street exploring in the garbage cans! I have had to stop my car on Sylvan while mother and family crossed the road in front of me. But for the odour, I was tempted to rid the Village of at least one family!

We have had our dog sprayed twice while she was in her own fenced yard on a summer's evening. Next time I'll phone Mr. Logan to help me shampoo her - a sickening task!! We have had skunks in our garage eating the garbage; a skunk trapped on the winter cover of our pool, unable to climb back up; I have watched from my living room window while two skunks fought in my backyard; I have watched a skunk

brazenly saunter across my neighbours' front lawns right across the road from me while I put out our garbage cans in broad daylight! There is seldom a summer evening when we are not forced from our patio by the hideous odour of those pests. While locking our pool gate one evening a skunk scurried out from beneath our spruce a few feet from my son.

So please, Mr. Logan, don't make light of this problem! Certainly dogs running loose are a nuisance, but this was not the issue that was being raised. I for one am very annoyed with these pests, tired of having to check my yard before allowing my pets out in their own fenced yard!

So Mr. Diamond, when you find that legal solution to ridding the Village of these PESTS call on me and I will help lead the charge! And as for you, Mr. Logan, take off those blinkers - those aren't black and white pussy cats romping on your street!!!

Yours truly,
Lois Rigney

REPORTS

ED FULTON, ALDERMAN

An application to develop the old "barn" site at the southeast corner of the Guildwood Parkway and Kingston Road has been submitted to the Borough Planning Department.

This latest proposal includes a combination of residential development and retail stores.

The residential component would consist of three linked apartment buildings, at a height similar to the original barn. The apartments are proposed to be constructed in two phases and are intended for retirement accommodation. The submission now indicates that most of the construction would be contained at the top of the hill.

The retail component is proposed as one floor in height, generally facing the Parkway. The applicant has suggested ten thousand square feet of commercial space which, according to their submission, would accommodate eleven tenants.

I have sent a copy of the proposal to the Chairman of your Community Association in order that he and the executive can examine the submissions. I expect to meet with your executive for discussions prior to this matter coming to the Borough Planning Board or a public meeting of the Association. When more detail is available from the applicant, I will attempt to have a copy of the proposal posted in the library.

If you wish further information on the foregoing, or if I can be of assistance to you on any other matter, please call me either at the office 296-7275 or at home 267-6720.

MARGARET BIRCH, M.P.P.

START PREPARING FOR "FAMILY UNITY" MONTH

May 1980 will again be declared Family Unity Month by official proclamation. The Ontario Government has made this annual proclamation to promote an awareness of the value of family life. This is an opportunity for families to set aside time to do meaningful things together.

KEEP ONTARIO BEAUTIFUL

"Pitch-In Day" Saturday June 7,

1980 has been organized by the Ontario Federation of Anglers and Hunters with the support of the Ministry of the Environment. Ontario residents will pitch in on a one-day environmental blitz to beautify Ontario, by undertaking local environmental projects. O.F.A.H. co-ordinators are now organizing community action groups across the Province to identify major challenges and to line up volunteers and equipment. If interested contact Mr. Emil Schuch, Coordinator for Zone 5, 276-5756 or 624-2620 and leave a message.

The Ontario Youth Secretariat has prepared three information booklets to assist Youth in Ontario. The booklets How to look for a Job, How to Start your Own Business and How to Make the Most of your Job are available in the AID office located at 4599 Kingston Road, Suite 208 or Call 281-2787.

SHIRLEY TOMLINSON, TRUSTEE

FAREWELL AND HAIL AT GUILDWOOD

Guildwood School had a change of Principals as of March 24th, due to the retirement of Sandy Murdoch, who came to the school in September 1978. Friends of Sandy Murdoch will gather to honour him and say farewell at a reception at Guildwood School on Thursday, April 17th between 7:30 and 9:30 p.m.

While the loss of such an experienced principal is deeply felt by so many, we are extremely fortunate to have Mrs. Verla Stinson take over the Principal's chair at Guildwood.

FRENCH PROGRAMS

During a recent discussion on the recommendations from Board officials that French instruction not be lowered to the grade four level at this time, I voiced the opinion that our present "hodge-podge" approach to French instruction was not providing continuity of program that would allow students

to end up with enough fluency and grammatical excellence to make them bilingually proficient. At the present time, we have French instruction in our Grades 6, 7 and 8. We have French immersion at specially designated schools beginning in the Kindergarten grades and extending upwards each year with the students. Students are enrolled because of parental choice and the willingness to take care of transportation needs. However, until recently, the program in grades 6, 7 and 8 was not compulsory and students were opting out with parental support for one reason or another.

In our collegiates, French is not mandatory and chosen only by those encouraged to do so by their parents or because they sincerely enjoy studying the language. For many others high school marks the end of any French instruction they may have. Until the present program gets more support and enforcement, should we really be talking about lowering it to grade four?

In order to provide French instruction down to the grade four

level, we would have to fire 29 teachers now on staff and hire the same number with French options. I am not willing to do this. I do support the other choices which are to continue to hire if possible, teachers who already have French instruction certification and to encourage teachers presently on staff to take French courses to secure their certification.

I will be part of a committee established to study the French program and to recommend ways to achieve lowering French to grade four. Before I can support that move, however, I want to see proof from Boards now handling French instruction in grade four that this is indeed a successful program and that students given this earlier opportunity are any more proficient at the grade 8 level or, more importantly, do they continue to study the language in their secondary years? In other words do the end results justify the cost to the taxpayer and provide the bilingual proficiency that should be the goal of any French instruction in this Borough.

SCHOOLS

JACK MINER SENIOR PUBLIC SCHOOL

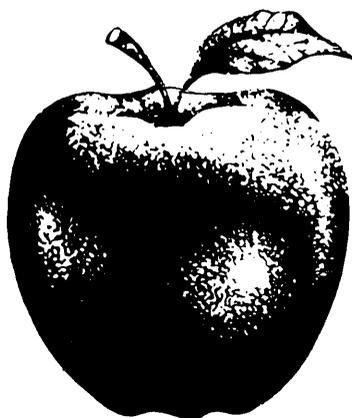

MUSIC

On Wednesday, March 12th a special Music Night was held at Jack Miner. On this occasion our instrumental groups and choirs performed the pieces they had played earlier in the Kiwanis Festival and the Scarborough Music Festival. Over 500 parents enjoyed this musical evening.

INTER-SCHOOL SPORTS

Our Senior Boys' Basketball team enjoyed a very fine season, advancing to the championship game against Robert Service Sr. P.S., and although they lost the two game total point series the boys are to be congratulated for their efforts. The team is coached by Mr. Carson.

The Girls' Senior Volleyball team also advanced to the Championship round but lost out in a four team round robin series to declare the champion. The team was coached by Mrs. Glanville.

**SIR WILFRID LAURIER COLLEGIATE
INSTITUTE**

Community Connection

Laurier Collegiate Institute is hosting its second "Community Connection" evening on April 24, 1980. The evening will enlighten all members of the community with a variety of activities and concerns available within Scarborough and within Laurier Collegiate Institute.

There will be displays, discussions and activities that will interest one and all who attend. Let yourself be entertained by the Toronto Spitfires Wheelchair Basketball team, the Laurier Synchronized Swimming team, a

variety show, and many more sports demonstrations.

Tickets are \$1.00 and may be purchased in advance at Laurier Collegiate Institute, and will also be available at the door on April 24th. The doors open at 7:30 p.m. Buy your ticket, and be eligible for the door prize - a diamond valued at \$700.00. The winner must be present at the time of the draw.

" DAMN YANKEES "

The students of Sir Wilfrid Laurier Collegiate will be presenting the play "Damn Yankees". The dates of the play are April 17, 18, and 19th. The play will be presented at 8:00 p.m. and the price of the tickets are \$3.00 Adult, \$2.00 Students, \$1.00 Senior Citizens and Children. The play will be staged in the school auditorium at 145 Guildwood Parkway.

FROM THE NEWS & VIEWS STAFF

We wish to welcome 2 additions to the News and Views staff. Brian Irvine who assumes the position of Assistant Editor and Cathy Diamond who will assist Wes Morris in the production of the newsletter are joining us.

ELIZABETH SIMCOE JUNIOR PUBLIC

We would like to issue a very cordial invitation to all the residents of our community to come and visit with us on Open House Night on Tuesday, April 22nd, from 7:00 p.m. until 8:30 p.m. We would like to direct a special invitation to people who do not have children in the school to come and visit with us. Look through the classrooms, talk with the teachers, visit our library. We will be very pleased to see all who will come! On Tuesday, Wednesday and Thursday, April 29, 30 and May 1, we present our version of the classic "Peter Pan" under the direction of Mr. P. Emond. The cast has spent many hours rehearsing for this production and we will welcome your support and attendance. If you have not been contacted by one of our students, please phone the school office at 261-4367 and order your tickets at a cost of seventy-five cents each - the same as last year! Curtain time will be 7:30 p.m.

Junior Kindergarten registration for September 1980 will take place on Wednesday, April 30, 1980. All children born in 1976 are

eligible. On that day, please bring with you: your child's birth certificate or registration of birth, O.H.I.P. number for the head of the family, social insurance number (head of the household) and, if applicable, proof of landed immigrant status. Please phone Mrs. Birgeneau at the school office, 261-4367 for an appointment time. This will help us greatly and use the minimum amount of your time. If you do not have your child's birth certificate, applications are available at the school office.

The Laurier Family of Schools Music Night on Tuesday, May 6 will just be one of the programs in which we will be involved during Education Week, May 5 to May 9 inclusive. Please watch for the April issue of our school newsletter for further information. It will be coming home on Friday April 25th with the youngest member of your family in our school.

HELP !! - We are looking for 2 people to help in our advertising dept. beginning with our September issue. If you want to meet people and help out in the community, please call Phil Diamond at 266-1546.

GUILDWOOD BOWLING LEAGUE

The league is nearing the end of its third and final series of the season, after which all six play-off teams will have been determined. The other four will compete in the Consolation round.

CHURCHES

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

The 1980 Lenten season has been particularly meaningful at Guildwood Presbyterian. On February 23rd., the Junior Choir under the direction of Helen Peat and Joanne Vanderyagt, thrilled us with the presentation of "Noah's Ark", a cantata written especially for young people.

In the coming weeks we look forward to other exciting happenings. On the evening of Sunday April 20th at 7:30 p.m. our series on "The Survival of the Christian in Today's World" continues with the focus on "The Survival of the Family". You are invited to attend. On April 27th, we celebrate 20 years as a congregation. Guest preacher at 11 a.m. will be Dr. Stanley J. Walters, Professor of Old Testament Studies at Knox College. Dr. Walters has a wonderful ability to communicate well, and is in great demand to share his Christian ministry with many congregations and universities.

In April or May, we anticipate the arrival of both our refugee family and two teenage boys who will be cared for by the James family. Committees are at work making the necessary arrangements, and collecting the household furnishings etc. which will be required. If you would like to share in this project by contributing any articles of furniture, bedding, kitchen equipment, etc., please contact Cathy MacOdrum 284-8429, or call the church on a weekday between 9 and 10 a.m. for information.

WASHINGTON UNITED CHURCH

Members of Washington United Church continue to be extensively involved in community-oriented programmes. A large number of people have been working in support of the Canadian Red Cross Scarborough Branch, the Canadian Cancer Society and the Canadian Heart Foundation. Currently a team of volunteers is preparing for a blood donor clinic to be held August 16th in the Auditorium of the church.

Youth activities continue to flourish with a Hi-C Group (persons between the ages of 14 and 16), meeting every second Sunday night, and a senior youth group, meeting for fun and fellowship on every second Sunday night. The Badminton and Table Tennis Clubs for young people meet every Friday night from 6:30 to 8:30.

*special interest services.

April 20th - A unique act of worship to highlight Christian literature. Theme: 'Journey Toward

April 27th - 10:30 a.m.; Focus on the world. Guest Preacher: Prof. Dr. Gqubule of South Africa.

8:00 p.m.; Divine Service, District #7, the Grand Lodge of Ontario.

May 11th - Family Sunday (The Sacrament of Baptism will be administered).

May 25th - Pentecost Sunday (Confirmation of young people).

Guildwood Community Presbyterian Church

140 GUILDWOOD PARKWAY AT LIVINGSTON ROAD.

MINISTER: REV. GORDON A. BEATON, B.A., B.D.,

CHURCH OF THE HOLY TRINITY

Again this year Holy Trinity will take part in Laurier's "Community Connection" project on April 24th. Plan to drop in for a cup of coffee and a chat--we would be delighted to see you.

Inside the building we are already enjoying the music of Jim and Rachael Boles who have taken over as organist and choir director respectively. While their welcome and highly regarded skills will once again ensure musical stability

we would be remiss in failing to extend a special vote of thanks to Adrienne Hucaluk for pinch hitting so admirably these last few months.

Knowing how many people enjoy singing the "good old hymns" the choir is planning a sing-along supper for Sunday, May 4th. Although this is some time ahead, we hope you will mark the date on your calendar: so join us at 7:30 p.m. for supper and stay afterwards to sing your way through favourite gospel hymns.

Peggy Denman has been appointed

Lay Chaplain for the Villa and is enjoying getting to know so many of the residents on a more personal level. She reports, "This work is very rewarding and, believe me, I learn from some residents as they have years of experience and living to share."

Finally, a note to our parishioners (but not to discourage the rest of you, of course). Circle April 26th for inside cleanup at the church and May 10th for the outside. We hear Bob Harper is looking for volunteers.

GUILDWOOD SENIOR CITIZENS CLUB

A buffet luncheon will be held on Wednesday, April 23rd, at 1:00 p.m. at the Guild Inn. All members are welcome and it is hoped as many as possible will attend. The special rate for the lunch is \$4.50 per person.

APPEAL FOR VOLUNTEERS

The Senior Citizens badly need some volunteers, who will drive them to and from their regular meetings at Guildwood Presbyterian Church. The meetings are held every two weeks on Wednesday afternoons. Anyone who could help out, please contact Mrs. McKeown, The President, at 267-5931.

GUILDWOOD LIBRARY

PUBLIC LIBRARY WEEK MAY 4 - 10

Public Library Week, May 4 - 10, will be kicked off on Nathan Phillips Square Sunday afternoon, May 4 with M.C. Don Harron, Lieutenant Governor Pauline McGibbon, entertainers, writers and anticipated thousands of the public, drawn by the stage show, clowns, bands, and a mammoth Metro Toronto Public Library Book Sale. cont'd pg.9

POETRY CONTEST

Are you a poet at heart? Does the rapture of spring make you turn a phrase? Well ... now's your chance.

THE GUILD INN has graciously donated 2 adult tickets for their daily buffet as a prize for the best original poem on "Spring In Guildwood".

Submit your entry (please 20 lines maximum in length) by May 23 to Phil Diamond, 3 Earswick Drive.

The judges decision will be final. Poems will be returned upon request.

Winners name and the winning poem will be announced in the June 6 edition of The News and Views.

HOME show & sell

According to recent activity in the real estate market in Guildwood Village, it doesn't seem to matter that the mortgage rate is surpassing record levels. The houses that come on the market are quickly sold with both buyer and seller apparently satisfied.

Pat Wilmot of A.E. LePage, Patty Chop of Bosley and June Evanoff of A.E. LePage all agree that the name Guildwood Village has a certain charm to it as far as prospective house buyers are concerned. People sense a feeling of friendliness, closeness; are pleasantly surprised to see how well most of the houses are maintained and how attractive the streets are named, laid out and landscaped. We, who now reside here, I'm sure would agree with this assessment.

If a house is to be put on the market to be sold, what steps can be taken to help the house to "show well"? Again all three real estate agents agreed that cleanliness is of utmost importance. The rooms should be bright, tastefully decorated with neutral or off-white paint and/or with subtle, quiet wallpaper. Pat Wilmot says that the decor should fit the furniture in the room so that prospective buyers can then visualize what their own furniture will look like. Patty Chop remarks "renovate for themselves but decorate to sell". To make a house more saleable and consequently perhaps obtain a better price, the home-owner should start with kitchen renovation. With out doubt, according to June Evanoff, this is the most important room in the house. Minor renova-

tion would mean new paint or wallpaper, new light fixtures, new curtains. Make it bright and cheerful. Major projects would include new cupboards or a new floor. Next in line of priorities would be improvement of the bathroom, then on to other areas of use ie. dining room, living room/ family room, bedrooms.

If a recreation room is to be built or renovated, it should be done well with professional care. A poorly finished room does not add to the value and could turn off the prospective buyer. Finishing the basement in a bungalow is important. It seems people psychologically want two floors in a home... perhaps a place to hide or get away from it all!

A fireplace attracts buyers as does a garage - a full garage rather than a carport. A deck off the back door is not a good investment, mainly because many of them are poorly done which distracts buyers. A pool, on the whole, doesn't relate to the investment. In other words, if a pool is installed, you may not realize your investment, in increased value to the home.

Good grooming of the grounds surrounding the home is very important. It shows hard work and much care has been put into the house and helps to put the buyer in the right frame of mind. It may also stop dirty looks from your next door neighbour!!

Three people who know, all agree, good investments in your home, in todays real estate market, will pay dividends.

WHY SHOULD I QUIT SMOKING?

A familiar question to a family doctor is "why should I stop smoking?" Often it is asked in response to being given advice to give up cigarettes.

Smoking is held to be partly responsible for the cause of many diseases - bronchitis, heart disease, peptic ulcer and of course cancer of the bronchus (or lung).

Inhalation of cigarette smoke, by constantly irritating the airways, causes bronchitis and lung cancer. Because it increases the production of stomach acid, cigarette smoking is a potent factor in worsening peptic ulcer disease and its symptoms. Heavy cigarette smoking is a factor constantly present in patients having heart attacks.

When we talk of smoking causing cancer we are referring to cigarette smoking, not cigars and pipes.

Cigarette tobacco burns at a much higher temperature than cigars, and pipes and thus produces certain nicotinic tars which are responsible for the production of the cancer changes in the major airways (bronchus). Because pipe and cigar smoke is not usually inhaled they do not contribute to the previously mentioned diseases. However pipe smoking is a consoling factor in lip and tongue cancer. It is therefore apparent that cigar smoking is the safest form of smoking habit to acquire.

How to quit smoking is a very difficult problem. Once acquired the habit is hard to break. As Mark Twain remarked "I don't see that giving up smoking is difficult - I have given up hundreds of times" - a remark most inveterate smokers would agree with. Most smokers will keep trying to give up only to start again. Hypnosis and nicotine substitutes are the present vogue, but the only certain way is will power.

SWING INTO SPRING

We are now approaching that time of year when we feel eager to play some golf. This should mean some time practicing and exercising before we actually play a full round of golf. However, in our eagerness to play we sometimes forget that the preliminaries to the game are most important. Hopefully the following tips on starting the season will help you better prepare for a more enjoyable golf season.

For the first while, when practising and trying to retune your swing, try to stay away from the Drivers and 2 & 3 irons. You should start swinging early in the year with an 8 or 9 iron until you feel comfortable enough to move on to the long irons or woods. All you will do by starting with the longer clubs is make bad swings and get mentally and psychologically downtrodden.

The purpose of the golf swing is to bring the clubhead squarely on a line (flightpath) through the ball at the maximum possible speed with the largest accumulation of

Mass factors. (Mass factors are the strength and weight being placed in the clubhead by contributing body muscles and movements)

If you are a beginner, the best thing you can do is to take lessons from a professional. You will find that lessons will give you the insight into the game that would be very hard to acquire otherwise. Also remember golf instruction must be constructive. The so-called "cold turkey" lesson where the pro dumps a bunch of balls on the ground to try and give someone a one-short "cure" should not be considered constructive. Your good teaching professional should be able to teach you the following as a base - a good grip, a good platform or posture, a sense of target projection, a sound takeaway and a good finish, facing the target, in balance. At the end of 5 or 6 basic lessons, you should have a clear understanding of these 4 base components of the golf swing.

Remember that of all the world's golfers, including golf professionals, that only 10% can break 100.

April means Easter, spring and rain showers; the promise of flowers, green budding trees and new life. New life can also mean a donation of blood. For the recipient it can be a gift of hope. Please give hope to someone by donating at a blood donor clinic.

For the remainder of the month of April and May, clinics will be held as follows:

Tuesday, April 15

Knox Church,
4158 Sheppard Ave. E. 2 to 8:30 pm.

Saturday, April 26

Bendale Acres Home for the Aged
2920 Lawrence Ave. E. 9:30 to 12:30 pm

Tuesday, April 29

Masonic Temple,
2201 Ellesmere Rd. 5:30 to 8:30 pm

Wednesday, April 30

St. Simons Church,
305 Morrish Rd. 2 to 8:30 pm

Thursday, May 1

Agincourt Mall,
3850 Sheppard Ave. E. 2 to 8:30 pm

Tuesday, May 6

Cedarbrook Lodge,
520 Markham Rd. 2 to 8:30 pm

Friday, May 9

A.M. International,
165 Milner Ave. 9:30 to 11:30 a.m. and 1 to 3:30 pm

Tuesday, May 20

St. Paul's Church,
200 McIntosh St. 5:30 to 8:30 pm.

Thursday, May 22

Woodside Square,
McCowan & Finch Ave. 2 to 8:30 pm

Saturday, May 24

Registration can be accepted by phone up till the first day of the course.

clean up time

It's that time of year again! Time to get out of storage the rakes, hoes, shovels and other paraphenalia usually connected with spring clean-up.

Limber up your back, Father and Mother, sharpen up your "green thumb". This is the year the flowers will be blooming all year and you just know that this is the year that darn front lawn doesn't turn brown by August.

L. Solty and Sons, landscaping and garden supply, who've been located on Kingston Road across from the Guildwood gates for some 20 years, pass on the following advice for lawn care, pruning, planting and seeding.

After the frost is out of the ground, rake the lawn lightly to get rid of debris and dead grass. Use a straight fertilizer, not a Weed and

Feed type. Coverage is 10 lb to 1000 square feet. The Weed and Feed fertilizer with Kilex should be applied end of April/early May to kill the weeds once they've matured.

The pruning of trees, bushes and hedges should have been done last Fall. Woody bushes and hedges should not be pruned now as the sap is running and the tree can "bleed". Small bushes can be done in April. All evergreens can be pruned late May/early June.

New fruit trees, shrubs and evergreens can be planted as soon as the frost is out of the ground.

Flowers should be planted around the end of May.

Vegetable seeds can be put in the soil as soon as the ground is workable. Tomatoes should be put in mid-end of May.

Mix peat moss into your gardens. This is organic matter which breaks up the clay and increases water capacity of the soil.

For patches of winter kill, rake to clear out debris and seed with a mixture of good grass seed. New sod is usually available around the end of April and may be put down any time thereafter. Remember to water the sod well and frequently. It will take about 3 weeks to root well.

Good luck and good grooming!!

WEST HILL COMMUNITY SERVICES

The News & Views feels that one of its responsibilities as a community newsletter is to publicize the efforts of service organizations which serve our local community.

One such group is the West Hill Community Services located at 4301 Kingston Rd. (south-east corner off Galloway Rd). This multi-service and volunteer organization has been in operation for some 7 years and now has approximately 120 volunteers working with them.

The objectives/aims of the organization are to identify service needs and issues in the community, to take appropriate action to meet those needs, to facilitate a more effective delivery of services by intergrating and coordinating the efforts of agencies and organization of the community with one another.

The services now undertaken:
Send out Meals on Wheels to Seniors, Disabled and the ill.

- . Arrange transportation for the disabled and seniors who are unable to pay or unable to use public transportation.
 - . Have a luncheon at Maplewood School for those to get out with volunteer assistance
 - . Friendly visiting for the lonely and the shut-ins.
 - . Telephone reassurance for those who want a friend to confide in.
 - . Try to introduce Seniors to other Seniors.
 - . Referrals to agencies, ie. Family Services, Childrens Aid, etc.
 - . Information on any subject.
 - . Legal advise every Wednesday evening 6:00pm - 7:00pm, Tenant, Landlord, Marriage problems.
 - . Playschool - Tues. to Fri. 9:30am to 11:30am.
 - . General problems of all sorts.
 - . Just being a friend.
 - . Crafts, Games and Bingo.
- Phone 284-5931. They can always use volunteers.

Editorial.

This is our final issue for the 1979-80 season. We take a break for the summer as the next issue is scheduled for October '80.

Publishing a community newsletter is fun, interesting and rewarding. It requires time and effort from a surprising number of people to put out a 16 to 20 page newsletter every 6 weeks. To them we say:

Thanks Wes and Cathy for putting the newsletter together.

Thanks Brian for correlating the advertising and the copy.

Thanks Elenor for checking the copy and correcting the mistakes.

Thanks Betty for typing the columns.

Thanks Ann, Dorothy and Ann for working with our advertisers.

Thanks Alex for distributing the newsletter.

Thanks Lynn for keeping our books straight.

Thanks to our contributing reporters.

Thanks to our advertisers.

Thanks to you for reading the newsletter.

See you in the Fall - have a good summer.

Poetry contest

The Guild Inn donated 2 adult tickets as a prize for the best original poem on "Spring In Guildwood".

And the winner is

Lois Rigney
89 Sylvan Avenue
Scarborough, Ont.

CONGRATULATIONS!!

Spring in Guildwood

The aroma of springtime fills the air
The days are getting longer.

'Tis the essence of skunk - I do declare
The smell is getting stronger!

The lawns are slowly turning green
With brown spots here and there,
As joggers daily can be seen
Running unleashed dogs with out a care!

The children play on roller skates
How great to hear them laugh -
Until we hear the screech of brakes
As bicycles dart across our path!

The Laurier lads are keeping fit
As around the Guild they run.
At crowded courts tennis players sit
Well, at least they're getting sun!

These signs of Spring to you I give
As seen throughout the Guild.
It's still the greatest place to live
To buy, or rent, or build!

EDITORIAL COMMENT

The companies who advertise in the Guildwood News & Views contribute largely to the continued success of your Newsletter. Why not drop in and see the fine products and/or excellent service they can offer you. We think you'll find they're nice people to deal with. While you're there would you tell them you saw their ad in the News & Views? Thanks.

GUILDWOOD NEWS AND VIEWS READERSHIP SURVEY

The following survey was taken at the Guildwood Shopping Plaza on April 25, 1980 at 7:00 pm.

The purpose was to check distribution, to evaluate readership of ads and articles and to hear any recommendations regarding content or format.

The results:

. Guildwood Residents	100%
. Receive the Guildwood News and Views	100%
. Read Articles and Ads	72%
. Scan Through Newsletter	20%
. Do Not Open Newsletter	8%

LOOKING

..... for some help!! The next issue of the News and Views is October 1980 and we need 3 people to help us publish the newsletter next year.

C'mon, get involved, it's fun and interesting.

Call Phil Diamond at 266-1546.

VILLAGE BASEBALL

Registration for the Guildwood Village Community Association in-house baseball teams will take place on Saturday, June 14/80 at the Guildwood Chiropractic Centre, 81 Livingston Road between the hours of 10am to 12 noon.

The age groups will be:
Boys & Girls 6 - 9
Girls 10 - 14
Boys 10 - 12

Cost will be \$10.00 per child. Games will be played Monday and Wednesday evenings at Elizabeth Simcoe Public School and Guildwood Public School between 6 and 9pm.

The season will end July 30/80.

REPORTS

ED FULTON, ALDERMAN

Further to my report in the last edition of the News and Views, the Borough Planning Board has now heard the application to develop the 'barn' site at the Guildwood Parkway and Kingston Road.

The Planning Board moved to have the application advertised in the community as provided by Section 12 (1) (b) of The Planning Act. The Board also asked the applicant to meet with the appropriate Borough staff to attempt to improve the appearance of the proposed development. As well as the foregoing, I have concerns regarding the potential traffic impact on the Parkway and the effect of the commercial component as proposed, on the existing retail/office uses currently available in the Village.

Following the circulation of the application, Planning Board will receive written and verbal comments or objections sometime in June.

I would like to point out that having the application circulated does not imply approval by the Planning Board. At this stage we are dealing primarily with the land use.

I expect to discuss this application again in more detail with your Association Chairman and Executive prior to the matter coming back to Planning Board.

If you wish further information on the above, or if I can be of assistance to you in any other matter, please do not hesitate to contact me at the office 296-7275 or at home 267-6720.

MARGARET BIRCH, M.P.P.

Improvement in "GO Parking at Rouge Hill and Guildwood Stations.

Plans to increase the parking facilities at the Rouge Hill and Guildwood Stations will improve the parking situation for GO train commuters.

The Honourable James Snow, Minister of Transportation and Communications has approved the allocations of funds to the Toronto Area Transit Operating Authority to

allow construction this year.

Improvements will be made after the Environment Assessment Act requirements are satisfied and additional lands are acquired.

GO transit officials are working as quickly as possible to relieve the parking problems at both stations.

If public groups or individual members of the public wish to be involved in the design study on a continuing basis, they must indicate their interest to TATOA, preferably in writing. Only those groups or individual who declare to TATOA an interest in being involved in the design of the project will be accommodated. Please address declarations of interest of Mr. High Clelland, Manager, Plant Development and Maintenance Branch, Phone 630-5414.

New Tax Payment Services for Ontario Business

Ontario Revenue Minister Lorne Maeck has unveiled some good news for the Province's business community. Effective May 1, Ontario's taxpayers may pay their monthly retail sales tax and corporations tax installments at their local chartered bank. The new service will be provided without any bank service charge to the taxpayer. The service is entirely optional. Any taxpayer who wishes to remit tax payments by mail or by personal delivery may continue to do so.

Places to Grow is a report on capital investment made by the Ontario Ministry of Culture and Recreation, 1975-1979.

This report brings together for the first time information on all the Ministry's capital funding programs, including the Wintario Capital Program. It documents the expenditure of \$196 million over a four year period, and reports on a broadening awareness of what should constitute the recreational resources of a community.

The information contained in Places to Grow will form the background for future changes in the Ministry's capital funding programs.

Copies of Places to Grow are available in the AID office, call 281-2787.

A one-day conference entitled, Survival Through the Family, was held May 3rd, in Thunder Bay, Ont.

This was the third of four regional conferences being sponsored by the province with the aim of encouraging people to talk to people about families and discuss successes and solutions in their homelife. The first conference was held in Kingston in December followed by one in London in April and the final conference will be held June 14, in North Bay, Ont.

It is my hope that these regional meetings will in turn inspire other communities to initiate their own discussion about the family.

"Families" the newsletter published quarterly to help foster a public dialogue on issues affecting family life in Ontario, will be pleased to publish information on family-related activities, events, conferences, etc., that you are planning in your community. Let us know what you're doing to strengthen family life.

The summer issue of "Families" will feature the Ministry of Community and Social Services Foster Care Program. Copies of "Families" are available in the AID office.

Effective April 1980, the monthly GAINS levels have been increased to \$379.03 for single pensioners, \$738.06 for married couples. On an annual basis, these guaranteed levels are \$4,548.36 and \$8,856.72 respectively.

If you require detailed information about GAINS rates or eligibility requirements, please contact Ministry of Revenue Information Centre 965-8470.

I am available for personal visits Monday evenings after 7:00 p.m. in the AID office, call 281-2787 or Queen's Park 965-6502.

THANK-YOU GUILDWOOD

We would like to extend a big thank-you to all the people of Guildwood who supported us with their time, donations, and considerations towards our first annual Kidney Foundation Campaign. Your help was greatly appreciated.

497TH PATHFINDERS - GIRL GUIDES

To the residents of Guildwood:

On behalf of the 497th Pathfinders Unit (Girl Guides of Guildwood) we would like to thank you for your help and support of our paper drives, which will continue until May, 1981. These paper drives will contribute, along with Garage Sale, Bake Sale, Tupperware Sale, towards helping to send a group of girls and leaders to Our Chalet, a Girl Guide Centre in Switzerland in the summer of 1981.

KIWANIWOOD TENNIS CLUB

Another busy season is getting underway at Kiwanewood.

Many Junior members of the club took part in a week long series of lessons after school from Monday, May 5 until Friday, May 9. We have had many favourable comments regarding this new format for the children's lessons. Now we urge all of those in the lesson program to follow up their skills by playing as much as possible. Take Mom and Dad out for family time on Sunday morning. A Round Robin Tournament was held for all Juniors on Saturday, May 17.

The official season for our adult members got underway Saturday, May 24 with our opening Round Robin Tournament. S.T.F. team play began the week of May 13th. We have four teams competing against other clubs in Scarborough. Adult lessons are well underway under the leadership of Kevin Gardiner. Our annual "B" Tournament will be held throughout June. Watch for notices at the courts in order to sign up.

All members are cordially invited to come to the courts each Thursday evening for a night of Round Robin Tennis.

Congratulations to Kiwanewood's Eric Ould who in April together with his partner Rob Novoroski, tennis pro at Scarborough College, won the Class A Doubles at the Ontario Racquet Club in Clarkson.

COMING EVENTS

Saturday, June 7

GUILDWOOD DAY.

Films for children of all ages at the Guildwood Library. 2:00 p.m. Everyone is invited.

Sunday, June 8

Ecumenical Service held outdoors at Holy Trinity Church. 10:30 a.m.

Tuesday, June 10

Tupperware Party given by 497th Pathfinders - Girl Guides at Elizabeth Simcoe School. 7:15 to 8:45 p.m.

Monday, June 16

Registration starts at Guildwood Library for the summer reading club, "Bookworm Inc.". This is for ages 6-14.

Saturday, June 21

Films for children of all ages, including a Laurel and Hardy movie at Guildwood Library. 2:00 p.m. Everyone is invited.

Saturday, June 28

Pathfinders' Paper Drive. Please put bundled newspapers in your driveway before noon. If raining, will collect next Saturday. (Emergency Pick-up - 266-6280).

Thursday, July 3

Reading Club "Bookworm Inc." starts at Guildwood Library.

GIRL GUIDES

We are quickly approaching the end of a busy and interesting Guiding year, and I would like to express my thanks to all the leaders who give so much of their time to the Guiding Movement in our Community; to their families, and to the Community itself for their support.

Guiding is really on the move here in Guildwood and as I see many happy faces when I visit the units, I know that all the work involved in programming crafts, banquets, camping, etc., is more than worthwhile.

I would also like to thank the many girls who give of their time to the "causes" that request their help.

Have a happy summer and I'll see you in September.

Ann Redford,
District Commissioner.

How householders help housebreakers

..... and how we can stop making things easy for them.

About 8000 homes were broken into in Metro in 1979.

We spoke with Constable Lionel George at 43 Division recently and asked him what we could do, as a group so that Guildwood residents aren't adding to the statistics.

There are many many precautions we can take. Simple things that perhaps one doesn't think about until after the fact.

Prevention is the key!

Break and Enter (B & E) operation is for 2 purposes, vandalism or burglary. "Professional" burglars are in your house for only one reason - to get something of yours. They do their job so well that sometimes it's a few days before it is realized that something is missing. They are also very quick; in 5 minutes they can be in and out. Consider this, then when you dash across the street to visit your neighbour - "for a couple of minutes" - and leave your front door unlocked or open.

Prime times for burglaries is 8:30am to 4:30pm and 6:00pm to 8:00pm. Be aware of suspicious people driving or walking around your neighbourhood. They could be looking for an easy target. Adopt the "buddy system" and keep an eye open as to what is happening around your neighbours homes. They'll do the same for you.

If you see anything out of the ordinary report it to the Metro Police. The emergency number is 967-2222. Why not write the number down and display it prominently near the phone.

Constable George outlined

Operation Identification. This is a program designed to discourage theft of valuables from your home and other locations and provide a way to easily identify stolen property. You can join this Operation by calling 43 Division. You will be loaned an electric engraver, free of charge. You will also receive Operation Identification record sheet and decals. Your valuables should be engraved with a personal identification mark or social insurance number. The decals should be placed at main entries, to indicate that your valuables are marked.

A few other precautions that could be taken:

- . install deadbolt locks on exterior doors.
- . put valuables whenever possible in bank safety deposit boxes.
- . put some lights on timers and periodically change the timing.
- . if you install an alarm system make sure you get a reliable firm to do the job. Equipment of this type can be temperamental if not installed properly.
- . basement windows can be reinforced with a bar.
- . most windows can be pinned for security purposes.
- . keep garage doors locked at all times.
- . keep good control of house keys and never leave them hidden outside your home.
- . don't leave a window open so that the cat can get in.
- . remove ladders from around the house.
- . when you go out leave some lights on and the radio playing.
- . lock the milk chute.

. don't carry your house key with your car keys.

Now that summer is fast approaching and a vacation is possibly in the planning stage, the following further precautions should be taken for your protection while you are away;

- . turn down your phone so unanswered ringing won't be heard.
- . put window shades in normal position so neighbours can see in your house.
- . inform a neighbour that you'll be away. Ask them to pick up mail and circulars.
- . contact a professional home protection company.
- . cancel newspaper deliveries etc.
- . ask someone to cut the grass while you're away.
- . just before you drive off, have a thorough look around your home testing doors, windows etc.

Remember, prevention is the key!

GUILDWOOD SENIOR CITIZENS CLUB

We had a very enjoyable meeting on May 14th. Three of our members had birthdays and a cake was provided by one of our Junior Members to celebrate the birthdays and Mothers' Day. As usual bingo was played during the afternoon. We were pleased to welcome three new members to our Association.

A Garden Party is being planned for the middle of June. There will be no meetings during July and August.

For information about the Senior Citizens Club, call Mrs. McKeown, President. - 267-5931.

TERRIFIC T-SHIRT CLEARANCE CENTRE

SAVE ON ENDS OF LINES AND FACTORY CLEAROUTS

Up to 70% off regular price

OPEN - FRIDAY ONLY FROM 10am to 5pm.

LOCATED - 73 LIVINGSTON RD (BESIDE BANK OF MONTREAL)

THE CANADIAN RED CROSS SOCIETY
SCARBOROUGH BRANCH

Many myths still surround the practice of donating blood. One of these is that the recipient could acquire the racial traits of the blood donor! NOT TRUE. Everyone's blood is red and every unit donated is a priceless gift.

Most people have an understanding of what blood means to them. But throughout literature blood has collected a number of meanings: There is hot blood, innocent blood, pure blood, bad blood and blue blood, among others. Red Cross knows that whatever you call it, blood means life.

You are needed at one of the following blood donor clinics in June.

Wednesday, June 4

St. Lawrence Church,
2210 Lawrence Ave.E. 2 to 8:30 pm.

Thursday, June 5

Crouse-Hinds Ltd., 9:30 to 11:30
1160 Birchmount Rd. and 1 to 3:30

Wednesday, June 11

Wilmar Heights Church,
963 Pharmacy Ave. 2 to 8:30 pm.

Thursday, June 12

St. Stephens Church,
3817 Lawrence Ave.E. 2 to 8:30 pm.

Monday, June 16

St. Barnabas Church, 2 to 4 and
Sheppard & Washburn Way 5:30 to 8:30

Tuesday, June 17

Alcan Canada Folds, 9 to 11:45 and
1891 Eglinton Ave.E. 1:15 to 4 pm

Friday, June 20

Scarborough Gen.Hospital
3050 Lawrence Ave.E. noon to 4 pm.

Friday, June 20

Scarborough Centenary Hosp. 9:30 to 11:30
2867 Ellesmere and 1 to 3 pm.

Saturday, June 21

Bendale Acres Home
for the Aged
2920 Lawrence Ave.E. 9:30 to 12:30

Tuesday, June 24

Disco Inc., 9:30 to 11:30
50 Melham Court, and 1 to 3 pm.

Monday, June 30

Moose Hall,
733 Birchmount Rd. 2 to 8:30 pm.

For further information call The Canadian Red Cross Society, Scarborough Branch at 438-5243.

Volunteers are desperately needed for our Blood Donor Service - telephone program. Volunteers to make pre clinic appointments with regular blood donors (evenings from our office - 1095 Bellamy Rd., N. at Ellesmere). Phone: Anna - 438-5243

Royal Trust congratulates Barb Ahrens on her achieving the highest volume of residential sales for the fifth consecutive year.

We are confident that Barb's enthusiasm for Guildwood and her knowledge of the area enables her to provide the type of service the community deserves.

"Annual Guildwood Dinner Dance"

The Association's annual dinner dance was held at the Guild Inn on April 18th. Unfortunately, the ticket did not sell as well as in past years and we had only 85 people at the dance

However, the meal and service were extremely good and most people enjoyed the extra room on the dance floor. This year we had round tables which made conversation much easier. The music was provided by Gord Barber, a resident of the village, and enjoyed by everyone. Our thanks to you, Gord, for another pleasant evening.

We had many door and spot prizes donated this year, and a full list of these is included in this issue. We really appreciated the kindness of all the donors - thank you very much!

There wasn't a week-end for two prize this year however the highlight of the evening were the Wendy's T-shirts. They were a big hit for spot prizes with their slogan "Hot and Juicy" printed on the front!

Also, given away, were two tickets for the Blue Jays game, which is so appropriate since they're doing so well this year.

I would like to thank the other members of the social committee who

helped to make it an enjoyable evening for all of us. Thanks to Lorraine Walker and Catherine Finn.

I personally would like to thank Sue Brown for all the typing she did and also the posters for the dance.

Faye Wadsworth

The following is a list of the companies and/or individuals who supported our annual dinner and dance at the Guild Inn. On behalf of the Guildwood Village Community Association, thank you for all donations received.

BOWEL HABITS

Why do doctors ask patients about their bowel habits? Any change in regular bowel habits of an adult patient must be taken seriously.

Sudden onset of stubbornness or constipation in an adult of previously regular habit requires investigation to exclude the possibility of bowel cancer. Another cause of constipation is diverticular disease which is very common in the western world.

Diarrhoea may result from simple infective processes such as gastroenteritis, or may herald the onset of such diseases as ulcerative colitis or crohn's disease. Diverticular disease may also cause diarrhoea.

When changes of bowel habit are associated with bleeding from the bowel the need for investigation is greater.

Investigation consists of sigmoidoscopy, which allows the doctor to visualize the lower 25cm

(12 in.) of the large bowel. A barium enema x-ray examination allows visualization of the remainder of the large bowel.

The procedure of colonoscopy allows visualization of the whole of the large bowel (colon) using a flexible instrument, which also allows the doctor to biopsy any abnormality seen and submit it for histological examination by the pathologist.

Not all growths found in the bowel are cancer, many are benign polyps. All need removal and examination by the pathologist.

Any change in bowel habit in a previously regular individual should be reported immediately if associated with bleeding. Although haemorrhoids are the commonest cause of bleeding associated with constipation other causes have to be excluded.

\$ Money Market \$

There is a lot of talk about people losing homes through high interest rates.

Here is my suggestion of how to cure this, as housing is the most important part of our economy.

There are many ordinary people in all walks of life saving money in Banks, Insurance and Trust Companies, Credit Unions, etc.

'SET UP A CANADIAN MORTGAGE COMPANY'

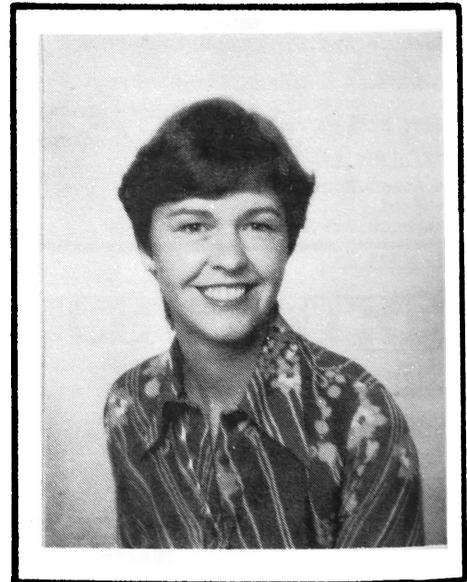

- (1) Offer anyone who puts money in 10% tax free on their investment. This is an arbitrary figure. Most people pay 25-33% of their income in taxes. 30% of 14%, which is what they are getting now leaves them with 9.8 tax free money.
- (2) What is the point of me investing my money in a bank, or so on, and receiving 13-14%, having to pay income tax and then my son or daughter has to go to the same source and borrow it at 15-16%.
- (3) I have talked to a lot of people and I have only met three people who would not

 SERVICE!**

CALL : PATTY CHOP
 19 BLEDLOW MANOR DRIVE
 RES: 261-5690
 BUS: 291-9911

do this. There is a mountain of money out there in small amounts.

- (4) This mortgage money should be put out for long terms, not six months, one year, three years, at these crazy periods when people do not know where they are going. When I bought my home mortgages were for 25 years.
- (5) Ordinary people would not want to invest for a long, long period of time but I am sure there would be a way of having a large stock pile of money with some liquid all the time for people who needed to draw their money out on any given period, say 3 to 5 years minimum.
- (6) This should be a non-profit company, as, in my opinion, housing is the key to most problems. They would just need a spread in the cost of money coming into the Company of 1%, approximately, to the cost of money going out.

I have given this considerable thought and I think it would work. This would put the builders back in business and start the economy rolling on a proper basis. Rents would not have to be increased. It would put people at ease in buying homes, which is the key to most things.

Call me if you would like to discuss this some more and I will be pleased to accommodate.

Yours truly,

Jim Foster, Broker
N. FOSTER AND SONS LIMITED

REPLY FROM
Minister of State
Department of Finance Canada

Dear Mr. Foster:

Thank you for your April 10 letter commenting on the government's interest rate policy and providing me with your suggestions to assist the economy and the people of Canada in this matter.

I have noted your suggestions and appreciate your making me aware of them. My colleague, the Honourable Allan MacEachen, and I will be examining possible initiatives with regard to this important matter during the courses of the forthcoming budgetary deliberations. You may be sure that we share your concern and will be monitoring developments closely.

Thank you again for making your suggestions available to me.

Yours sincerely,
Pierre Bussieres

KATE'S KITCHEN

It's summertime and the cooking is easy! Put your Barbeque to work and have an outdoor feast. Try this easy sparerib recipe (can be made ahead of time) next weekend. Compliment it with vegetables also done on the grill (take frozen vegetables, dab with butter and seal tightly with heavy duty foil).

SATURDAY NIGHT SPARERIBS

- 6 lbs. pork spareribs (cut into 2 rib portions)
- 3/4 cup honey
- 2 tbsp. curry powder
- 1 tbsp. lime juice
- salt

In 8qt. saucepan, cover ribs with water, heat to boiling. Reduce heat to low - cover & simmer 1 hour or until ribs are tender. Remove ribs and refrigerate.

About 1 hour before serving, prepare barbeque. In small bowl, combine honey, curry powder, lime juice and 2 tsp salt.

Place ribs on grill over medium heat, cook 20 mins. or until heated through brushing with honey mixture and turning ribs often. (6 servings)

Feature

A little bit of Egypt is here in Toronto at the "Stone Cottage Inn" in Scarborough. (Kingston Rd. East of Eglinton)

Eid Attia, the proprietor of this fine restaurant was born and raised in Egypt, and for the past nine years has been delighting customers with his culinary delights and authentic Egyptian Cuisine.

In addition to the delicious Egyptian master pieces of cookery, they offer a variety of Canadian food and also a taste of French Cuisine.

The Stone Cottage Inn also offers a complete catering package for weddings and private parties, on or off the premises. In fact, they were the official caterer to the Royal Ontario Museum while the King Tut exhibition was in Toronto last year. They have facilities to accommodate up to 100 people for a private party at the Inn.

This is just one of their many mouth-watering dishes:

MOUSSAKA

3 medium eggplants
1 cup corn oil

Dash Parsley
Dash Oregano
1/3 tsp. Cumin
Dash Tarragon
Dash Mistira

1 cup onion
1 lb. lamb/beef
1 cup tomato puree
1 bay leaf

Bachamela Sauce

1/4 lb butter
1/4 cup flour
2 cups milk
1/2 tsp. salt
1/2 tsp. pepper
1/2 tsp. nutmeg
1 tsp. garlic powder
1 egg
1 tbsps. lemon juice

Parmesan cheese

Slice 1st eggplant into 1/4" thickness. Put 1 layer raw eggplant in 9"x13" baking dish. Mix spices and sprinkle 1/3 mixture over eggplant.

Slice 2nd eggplant into 1/4" thickness. and fry in corn oil till slightly tender and golden. Use this as 2nd layer and sprinkle another 1/3 spices on top.

Slice 3rd eggplant into 1/4" thickness and use raw as third layer. Sprinkle remaining spices over all.

Combine ground beef or lamb with onion, tomatoe puree and bay leaf (and cook as you would for spaghetti sauce). Put mixture on top of eggplant. Cover with foil and bake 30 min at 350°.

Meanwhile prepare Bachameli Sauce. Combine butter, flour and mix thoroughly. Add milk gradually. Then add salt, pepper, nutmeg, garlic powder and egg and lemon juice. Mix well. Add over eggplant and beef mixture and sprinkle parmesan cheese over the top.

Bake uncovered for a further 1 hour.

Mr. Attia has been kind enough to say that if anyone has any questions on how to make this tasty Moussaka dish to call him and he'll be glad to help you out.

CHURCHES

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Where a warm welcome awaits you
Services until June 22: 11 a.m.
Services after June 29: 9:45 am

It isn't often that when a family moves away, a dozen familiar faces are removed from our congregation. But such will be the case when the Beatons move to Lethbridge. We will be left with empty spots in the Bell Choir, the Junior Choir, C.G.I.T., Women's Fellowship, Youth Group, etc., and of course the most challenging one to fill, the empty pulpit. The Rev. Gordon Beaton has accepted a call from St. Andrews Presbyterian Church in Lethbridge, Alberta. He will move there in June with his wife Elizabeth and their eleven children. The June 1st Communion Service will be Mr. Beaton's last Sunday as our Minister.

The five years of Rev. Beaton's leadership at Guildwood Presbyterian have been happy and memorable ones. Our congregation has developed not just in a numerical sense, but in a

spiritual way as well, as a result of his outstanding leadership. Every member of the family will be missed, not only by our church but by the community. We wish them every blessing and happiness as they take up this new challenge.

During the period until a new minister is appointed, the Rev. Goodwill MacDougall will be our Interim Moderator. In the months before Mr. Beaton's appointment here, Dr. MacDougall preached several Sundays, and so he is coming back as an old friend.

You may have seen our choir on the CBC TV Sunday news recently. Now you can meet them in person on Guildwood Day. They'll again hold a Pancake Breakfast at the plaza between Loblaws and Photomat from 9:30 until noon. A pleasant way to get you started on the June 7th celebrations. On Sunday, June 8th, we look forward to sharing with the other community churches in the Service of Worship on the lawn of Holy Trinity.

We wish to thank those in the

Guildwood area who have contributed in any way to our refugee program. The James family has been advised that the two teenage boys that are to be in their care have arrived in Edmonton, and should be here by the end of May. In addition, our refugee family is expected to arrive any day.

Please note that our summer Services will begin at 9:45 a.m., from June 29th till the end of August. We will again co-operate with the Rev. W. Whyte of Melville Presbyterian for the summer period.

CHURCH OF THE HOLY TRINITY

Rector: Rev. Harold F. Roberts
Services: Wednesday at 7:30 p.m.
Sundays at 8:00 and 10:30am
Phone: Church: 261-9503
Rectory: 266-2868

Holy Trinity's room at Community Connection was well attended. Members of the congregation chatted with visitors over coffee while slides of church functions over the years were shown in the background.

The Singalong Supper sponsored by the choir was much enjoyed by some fifty people. We hope this will become an annual affair.

Both inside and outside Clean Up days put a spring shine on our property - thanks to all who turned out and worked.

Upcoming events: The church picnic will be held June 1st at Thompson Park, Site A at 10:30 a.m. Bring your own lunch. Anyone needing transportation please be at the church by 10 a.m.

The theme of the annual Ecumenical Service to be held outdoors at Holy Trinity, June 8th, 10:30 a.m. is, "We Celebrate Community". This year we are joining with Guildwood Presbyterian, Washington United and St. Boniface in an open air service of worship.

Holy Trinity would like to express a word of thanks to Rev. Gordon Beaton of Guildwood Presbyterian for his help and cooperation and wish him and his family well in their new home.

Again this year the refreshment booth on Guildwood Day, June 7th, will be operated by Holy Trinity.

The stand opens at 12 noon. Give yourself a lunch break and join us for delicious hamburgers, hot dogs, pop, etc.

As of July 6th the morning Sunday services will be at 10 a.m. for July and August. Please note the change in time. Have an enjoyable summer!

WASHINGTON UNITED CHURCH

Minister: E. J. Furcha
Services: Sundays, 10:30 a.m.

On Pentecost Sunday, May 25, sixteen teenagers were confirmed and received into full membership of the Christian community at Washington United Church. Prior to the service the Worship Committee in cooperation with the Christian Education Committee of the church provided a supper for the parents of the persons to be confirmed. On this occasion, a film was shown on the meaning of the Christian life and a discussion hour followed in which the confirmants were able to

express their understanding of their Christian faith and commitment.

Washington United will participate with other churches of the Guildwood Community in an ecumenical service to be held on June 8th at 10:30 a.m. The Washington congregation will then proceed to the Annual Family Picnic.

June Tunes, on Thursday, June 12th at 7:30 p.m. is a highlight of the musical offerings made by the choir. Hit tunes from well known musicals, and choral presentations in a lighter vein will be featured.

The Sacrament of Baptism will be observed during worship on Sunday, June 29th.

During July and August, services of worship are held every Sunday at 10:30 a.m. Visitors to the community are welcome to attend.

A Vacation Bible School is being held for children aged 4-11 from July 7th to 11th. For Further information please phone the church office - 267-8265.

SCHOOLS

ST. URSULA CATHOLIC SCHOOL

The results of the School Public Speaking Contest for St. Ursula's are as follows:

1st place - Robbie Witherspoon;
2nd place - Lucy Miglionico, and in
3rd place - Jenny Eaton. All three
speakers spoke at the Catholic
Woman's League Contest and Robbie
Witherspoon placed first at the M.
S.S.B. Scarborough East Public
Speaking Contest and third at the
Regional Contest.

The winners of our first St.
Ursula's Science Math Fair were
Lucy Miglionico, Josephine Brennan,
Ricky Lopez, Christine Trainor,
Adrienne Blazo, Ron Pischinger,
Leo Van Den Thillart, Cheryl
Nicholson and Chrisanne Phyper.
They entered their exhibits at the
Regional Science Math Fair at St.
Richard's School.

The winners of a badminton
tournament that was held at the
school went on to the Regional
Tournament at Scarboro College.

The Players were Josephine Brennan,
Christine Trainor, Audrey Spark,
Ann Marie Abbott, Michael Souilliere,
Paul Kerrigan, Philip Bowden and
Michael Spohn.

The Chess Finals for Scar-
borough East were held in April.
David Witherspoon, Terry Rynyk,
Michael Barradas and Nigel Yhap re-
presented our school.

We had three runners to repre-
sent our school at the Metropolitan
Separate School Board crosscountry
finals at High Park on May 6th. The
runners were Mark Goldie, Jimmy
Russell and John Meier. Teachers
are now working with Track and
Field events in preparation for our
first meet on Monday, June 2nd.

Many excursions are planned
for the last two months of school
to places such as Ryerson Theatre,
Thompson Park, Just-A-Farm, McKenzie
House, Midland, Harbourfront Tours,
etc.

First Holy Communion was held
at St. Martin de Porres Church for

our Grade 2 Class on Saturday, May
24th. Graduation for our Grade 8
students will be held at the Church
on Wednesday, June 25th at 7:00 p.m.
Play Day for all our grades will be
on Thursday, June 19th.

Our final School Mass will be
held on Thursday, June 26th at 11:00
a.m. followed by a Hot Dog lunch out-
side in the school yard.

To those who are leaving Guild-
wood Community, we wish you blessings
and success on your new paths.

To those who are preparing to
travel the many routes that summer
brings, we wish you well. May you
find the changing circumstances of
the summer enjoyable, restful, in-
vigorating and spiritual. We look
forward to the return of our students
in the new academic year so that we
may continue our privileged work
with them.

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

Peter Pan was alive and well for three nights at the end of April and the first of May. Over six hundred tickets were sold in total and the money will be used to support school activities, an example of which would be a grant to the cost of the French trip for a number of our grade six students. It was an additional pleasure for Mr. Emond, the director, and the cast to take the play to Guildwood Junior Public School where it received an enthusiastic reception. The months of practice for all of the cast and crew was very much evident during the performances. We would like to thank all of the community who supported us so generously.

At 12:15 p.m. four of our students, along with hundreds of others took part in officially opening Education Week on Monday, May 5th. The program took place at the Meeting Square outside the Education and Borough offices. Our four representatives were from grade five: Lisa Corby and Sophie Mason from Mrs. Donely's class and Brian Liddle and Kristen Yungblutt from Mr. Belcher's class. At the conclusion of the ceremonies, our students, along with all the others, released the helium filled balloons they had been holding and the sky was filled with a mass of brightly coloured balloons, last seen heading north by north-east.

The music night held at Sir Wilfrid Laurier Collegiate on Tuesday, May 6th involved over one hundred children from our school

alone. Again, the work of many teachers and the cooperation of the parents and children combined to make this Family of Schools Music Nights a most enjoyable and memorable experience.

Thursday and Friday of Education Week were open days in our school and we would like to thank all of the parents who took advantage of the opportunity to visit in their child's classroom. Your interest confirms to your child the high value you place on his/her activities in school.

JACK MINER SENIOR PUBLIC SCHOOL TRACK AND FIELD DAY

Our track and field day was held on May 8th with 8D and 7A winning the classroom honours. Individual trophies went to Laura Lindsay, Selwyn McGarrell, Angela Baluke, Al Buck, Michelle Amerie and Bruce Bell.

Students then prepared for the S.P.S.A.A. Track & Field meet at Birchmount Stadium on Wednesday, May 28th.

NATIONAL BOOK WEEK

Jack Miner celebrated National Book Week with several activities based in the Resource Centre. On Monday, May 5th two Canadian authors visited the school and on Wednesday, May 7th we were privileged to have Father Tom McKillip speak to the youngsters about his friendship with John Howard Griffin, the author of "Black Like Me".

Several other activities included a slogan contest and a draw for a Canadian book.

OTTAWA

Our Wind Ensemble returned Wednesday, May 14th from a four day trip to our National capital where they played at the Parliament Buildings. One of the highlights of the trip was an unexpected visit from Joe Clark, the leader of the opposition.

SOFTBALL

For the first time in many years, Jack Miner is represented in all four softball divisions. Although rain and poor field conditions have hampered the schedules, the teams are enjoying success on the diamond.

UPCOMING EVENTS

- June 5 - 13 - Music Camp (1st session)
- June 11 - 20 - Art Camp
- June 16 - 23 - Music Camp (2nd session)
- June 23 - Graduation (1:00 p.m.)
- June 24 - School closes

GUILDWOOD JUNIOR PUBLIC SCHOOL

EDUCATION WEEK

In keeping with this year's theme "Together in Education" Guildwood students decided to study Life

in the Guildwood Community. Each class used the community as a classroom for portions of the week visiting local facilities such as the Public Library, Laurier Collegiate, Guildwood Plaza as well as making exchange visits with our friends at St. Ursula Separate School. Students were involved in many activities which included mapping skills, researching and photographing our local community, interviewing community leaders and store managers, publishing a class newspaper, and studying the Guildwood area to discover and report on the various niches of wildlife that inhabit this area such as local birds, pond life, wild animals as well as tree identification.

The results of our efforts were on display at the Open House. Parents, students and friends were also invited to visit our French discotheque in the auditorium during the evening. An entry fee of \$1.00 included entertainment and refreshments. Mr. Geddes and the grade six students will use the money raised at the discotheque for their Quebec trip scheduled from June 9 - 12.

JOGGING CLUB

Guildwood Jogging Club which had been underway for a few weeks culminated in a five kilometre Fun Run at the end of May. Participants were awarded a certificate of merit.

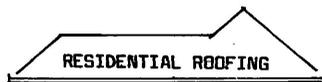

We are also pleased to include several mothers in our Jogging Club, who have been faithful members, and whose names are proudly displayed on our school wall charts. Any parent interested in early morning conditioning is most welcome to come out and join us.

LUNCH SUPERVISION

Anyone in the Guildwood Public School area who is interested in providing lunch for students (12 noon - 1:30) please contact the school at 267-8371. Lunch room facilities are extremely limited and for this reason we would like to compile a list of people who would be willing to provide lunches for students of working parents. These working parents would then be able to contact you to make suitable arrangements regarding particular days your services would be needed, payments, etc.

SHIRLEY TOMLINSON, TRUSTEE

Congratulations to all teachers, students and parents who co-operated to make Education Week 1980 the best yet. Students and teachers took part in special events in their own schools and at local shopping malls around the Borough, as well as at the Civic Centre. A surprise addition to the week's activities, although not planned specifically for Education Week, was Laurier's Music Night featuring musical groups from all of its feeder schools. Favourable comments are

still being heard about the evening from participants and audience alike. We can be justifiably proud of the music programs within these schools and the results are quite outstanding. Previous commitments at Cedar Drive and G.P. Mackie schools prevented my attendance, but thanks to the Guildwood Community for the support and interest they showed in the program.

Schools welcome visitors at any time - it is your right to visit. Protocol dictates a phone call just prior to dropping by or a call in to

the office to let the principal know you are in the school.

BOARD BACKS MARIJUANA RESOLUTION

The Scarborough Board unanimously supported my motion calling upon Board members to endorse the Secondary School Headmasters' Council resolution in which the Council asked for input from educators before any changes are made in existing federal Marijuana laws.

The Headmasters' Council, comprised largely of Ontario Secondary School Principals, feel any changes in drug laws could have significant effects on students and the learning environment. They want to be able to assess any proposed changes so they can be "thoroughly understood and accurately anticipated by those responsible for the welfare and safety of our students. The Scarborough Board will send letters to the federal Solicitor-General and Scarborough's four M.P.'s stating its support of the resolution.

MINISTRY BOARD EVALUATION

The Ministry of Education in conjunction with the Scarborough Board of Education will be embarking upon an examination of the school system which will include the roles of its trustees, administrators, teaching and non-teaching personnel. Many aspects of program, curriculum as well as the attitudes of students and taxpayers will also be examined. It promises to be the most intensive investigation yet undertaken and the involvement of external (Ministry) personnel should ensure unbiased attitudes. I am pleased that I am to be one of the two trustees serving on the Co-operative Evaluation Committee.

Saturday, January 17.

Films for Kids. A one hour film programme for children of all ages featuring Walt Disney cartoons will be presented at Guildwood Library at 2:00 p.m.

AND COMMUNITY NOTES

CHAIRMAN'S MESSAGE

by David Wilmot

Your Community Association has been involved in many recent events affecting your neighborhood. I would like to take this opportunity to describe these activities and to outline the Guildwood Village Community Association's social calendar for 1981.

At the General Meeting held at Guildwood Junior Public School

on Nov. 6th, a new Executive Committee was elected to organize and run the 1981 season. The names of the new executive are listed on page two.

Prior to the election, the outgoing committee took on a number of issues affecting Guildwood Village. The site of the former Esso station on Guildwood Parkway was under serious consideration by 7 Eleven Stores.

Alderman Ed Fulton is now working with the association and with Esso, who owns the site, to find a use more suitable to a residential neighborhood.

The association also reviewed plans for a plaza and senior-citizens' home on the vacant property just north of the Guild Inn Gates. Our concern for unnecessary competition with the existing Guildwood plaza ended when the proposal was dropped. The association is currently watching Spencer Clark's plans for the Guild Inn and their potential effect on traffic through the Village.

Days before the General Meeting John Pratt was able to organize the residents of Sari Crescent to change the location of the entrance to the new GO parking lot. The people on Sari were able to secure their change before the association could actively take their side, but we were nevertheless given another demonstration of Guildwood residents' working as a group to control outside interests.

NEW CONCERNS

Those attending the Nov. 6th General Meeting were told of the growing trouble and violence in a number of Guildwood parks. Drugs,

fights and raucous noise into the early morning hours have frequently resulted in confrontations between Police and Guildwood youths. Fires have been started, at least one car has been overturned and people have been hospitalized. Those attending the meeting directed the new executive to take an active role with Police and politicians to combat the problem.

1981 PROGRAM

Your new executive is already preparing for an active and exciting year, one directed as much to the young people as to the adults. Membership dues will again help to provide supervised soccer teams and other organized sports. We will repeat the very successful Wine and Cheese Party intended to bring out new association members and those less active in the past, along with other social gatherings such as the Annual Dinner Dance. The 1981 Guildwood Day will be a return to the gala events of the past with a parade, ponies, pancake breakfast, dance and (if the budget will allow) a very special finale.

HELP! * * * * *

We need help! One of the first activities of the new executive is the collection of membership dues -- \$6 from each household, and inexpensive at that. A canvasser will be coming to your door soon and we hope you will help him or her by having your membership fees ready. Alternatively, you could send in the completed coupon from the association advertisement in this paper.

If you can possibly help with canvassing, that too would be greatly appreciated. Call Peter Harris at 267-7735 or Alton MacLean at 266-5069.

Editorial.

At the general meeting of the Guildwood Village Community Association held November 6th a new slate of officers were elected for the term 1980-81. Consequently, the Guildwood News & Views is back in operation - at least temporarily. Unfortunately, we'll have to close up shop permanently unless we get some offers of assistance.

It was most gratifying to see the number of people who attended the meeting and particularly the people who volunteered to work on the Board. There seems to be a lot of enthusiasm in the group and you can expect your Association to be very active in the coming year.

LOOKING

This could be the FINAL ISSUE of the GUILDWOOD NEWS & VIEWS.

We need people, some 6 in number, to help in publishing the community paper.

Last year, in each issue, we asked for people to help. No one stepped forward.

We're asking again.

The paper is read. Our 'Readership Survey' of May, 1980 proved that.

Please don't wait for the other guy. It's your paper.

Phil Diamond

YOU WROTE US TO SAY

Last year we had a series of articles and letters about the skunk problem in Guildwood. I picked out an article in the Toronto Star this summer, which told about a skunk that got its head stuck in a glass jar. Now, that is a skunk problem!! Congratulations to Allison Grayhurst and Denise Colton who got everything back in odour er, order without any damage to anyone.

Received a note from Scott Butcher telling us about a marathon street hockey game they played in the GO train parking lot on September 21, 1980 to raise money for the Terry Fox Fund. The people who played for some 6 hours were Sal Randazzo, Ralph Randazzo, Scott Butcher, Paul Jerinkitch, Mike Haney, Imi Beci. The score-keeper was Pam Barber. They raised \$50.00 for a very worthwhile cause. Well done guys!!

GUILDWOOD SENIOR CITIZENS CLUB

The senior citizens meet regularly every second Wednesday at Guildwood Presbyterian church hall.

Our Christmas Dinner is planned for December 10th at the Guild Inn and after that there will be no meeting until January 14th. We still need volunteer drivers to help some members get to the regular meetings.

All new members are most welcome. Anyone interested should contact Mrs. Graham - 261-0640.

Season's Greetings

FROM
OUR STAFF

MEMBER OF THE TORONTO REAL ESTATE BOARD

REPORTS

ED FULTON - ALDERMAN

I would like to take this opportunity to thank the many people who assisted in my recent re-election and supported me for another term as your Alderman. I was very pleased to see that, once again, the Guildwood Community was among the leading communities for voter turnout. I was also very pleased to be able to meet with so many people over the course of this campaign, to discuss Borough-wide issues and local concerns.

I would also like to thank David Wilmot for assuming the Chairmanship of the Guildwood Community Association at its recent annual meeting. I congratulate David and the others who volunteered to serve the Community and I look forward to working with David and his new Executive. I have always maintained that a strong and active community association is the best insurance a community has.

You may recall the details of the application for development of the "Barn" site at Guildwood Parkway and Kingston Road. This project was received and processed last Spring by the Municipality. I wish to advise you that the application has been withdrawn by the developer. I expect to meet with the Executive to discuss the details of the situation and to determine what potential use may be acceptable for this site.

If you wish further assistance on the above, or any other matter, please give me a call at 296-7275 or 267-6720.

MARGARET BIRCH, M.P.P.

Congratulations to 1980-81 Executive

My congratulations to President David Wilmot and the Executive of the Guildwood Village Community Association who were elected at the recent annual meeting.

If, at any time I can be of assistance, please do not hesitate to contact me. Queen's Park - 965-6502 or Scarborough AID office - 281-2787.

Junior Rangers

A reminder to students who are interested in the Junior Ranger Program that now is the time to

send in your application.

The program offers eight weeks of outdoor work, outdoor learning and outdoor recreation and the chance to meet new friends from across the Province.

Applications will be considered from students who are receiving secondary school education, are 17 years of age but not 18 on August 31 next, in good physical condition, a resident of Ontario and eligible to work in Canada.

Because the number of applicants is usually greater than the number of positions, it is important to get your application in as soon as possible. Junior Rangers are selected on a first-come, first-served basis as the completed applications are received.

Brochures outlining the program and application forms are available in the AID office. What's in an Ontario Winter for you?

When planning your winter holiday, weekend or outing, first visit our AID office and pick up the Ontario Winter Book, Winter Events or Ontario Ski Packages. Ontario Winter Book was designed to introduce you to a full range of winter recreation in Ontario. No matter what your pleasure, Alpine or Cross-Country skiing, snow-mobiling, ice fishing, this book will help you enjoy it more. Winter Events is a comprehensive and up-to-date listing of special seasonal happenings in Ontario, including shows, theatre, carnivals, winter sports and parades.

MTC Winter Road Reporting Service

The Ministry of Transportation and Communications has announced that its Winter Road Reporting Service for the public went into operation on Monday, November 3.

The Road Information Centre at Toronto and the ministry's district offices throughout the province have up-to-date information on the condition of all provincial and secondary highways 24-hours-a-day, seven-days-a-week during the winter months.

Information on winter road conditions may be obtained around-the-clock by telephoning the Road In-

formation Centre, Toronto 248-3501.

Christmas Carol Party

You and your family are cordially invited to join me and my family at a Family Christmas Carol Party at St. Margaret's in the Pines 4130 Lawrence Avenue East Wednesday, December 10, 1980 7:30 p.m.

And after for refreshments in the South Auditorium.

As you prepare for the Festive Season, I extend warm Christmas Greetings to residents of the Guildwood Community. May the Joys of Christmas shared with family and friends continue into a Prosperous New Year.

SHIRLEY TOMLINSON - SCHOOL TRUSTEE

I am pleased to be back through acclamation to serve the people of Ward 7 for the next two years. I appreciate the faith shown in me and the support you have given me over the past 8 years as your trustee.

Many important tasks remain to be done over the next few years and I'm pleased to have the opportunity to work with and for you to ensure that a quality education is offered to our students.

CO-OPERATIVE EVALUATION AND DEVELOPMENT OF SCHOOL SYSTEMS

Scarborough's school system is now the largest in Metropolitan Toronto and while the Board carries on constant evaluation of various programs and aspects of the system, it has been difficult to do an in-depth study and evaluation project. The Ministry of Education has approached the Board to engage in a joint evaluation of our system over the next two years. Known as the Co-operative Evaluation and Development of School Systems (C.E.D.S.S.) it will involve teachers, students, parents, education officials and trustees, and specific areas of study, chosen by representatives of these groups, will be undertaken. Meetings to explain the program have been set up in various collegiates around the Borough and it is hoped school principals and parent group representatives will hold programs in their local schools to involve parents in the evaluation process.

Ask your Principal for information about this project. Ministry of Education officials will begin their evaluation after the Board has completed its assessment. Joint recommendations will then be presented to the Scarborough Board for discussion and implementation.

FRENCH INSTRUCTION

The Ministry of Education has asked Boards to work quickly to implement Grade 4 French Instruction and as Chairman of the French as a second language Committee, I will be very involved in preparing recommendations for the Scarborough Board as to how we can best accomplish this goal.

CO-OPERATIVE EDUCATION PROGRAM

This program is well underway with over 1,200 students and 1,000 firms engaged in practical work experience programs. The work periods last up to ten weeks and the jobs are related to the students' courses of study. Commercial, vocational, advanced and general level students may be involved in the program. Diploma credits can be earned if the work periods are successfully completed.

VALUES EDUCATION

Some schools do not use the program, which by the way is incidental and used when opportunities present themselves in almost any subject area. Ask your principal about the program at your school and suggest a meeting to explain the concept to parents in your community.

GAY LIASON?

The Gay Liason group interaction with secondary school students as contemplated by some trustees on the Toronto Board of Education, has been an expressed concern of many parents in Scarborough. The Scarborough Board of Education has not been approached to participate in such a program and even if this did happen, I am certain the large majority of our Board members would be completely against any such move. As your trustee, I can assure you that I will strongly oppose any attempt to promote this alternative lifestyle to the students within our schools.

If you have any concerns or suggestions I would like to hear from you. Phone - 261-1245.

GUILDWOOD LIBRARY

The Guildwood Library invites the Senior Citizens of the area to our Fifth Annual Senior Citizens Christmas Party on Tuesday, December 9th, between 2 and 4 p.m.

Admission is FREE. Come and join us for an afternoon of entertainment, refreshments and fun!

Transportation for those needing it will be provided again by the Kiwanis Club of Scarborough. Should you require transportation, please phone the Guildwood Library at 266-4787 and leave your name and address.

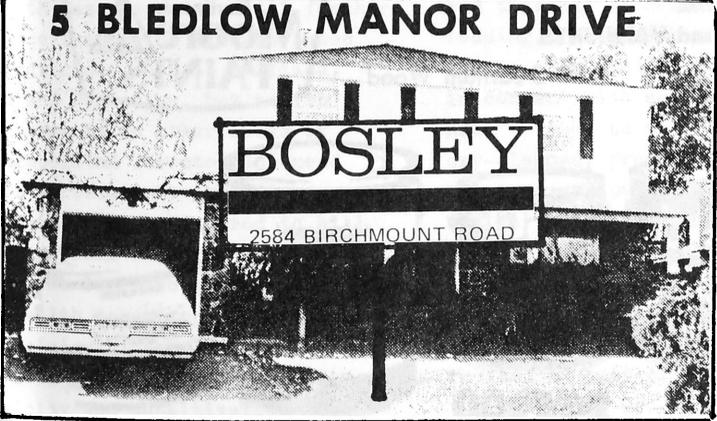

The Guildwood Library staff would be most appreciative if our friends will be kind enough again to provide some baked goods for this event. Thank you.

FEELING LOUSY?

by Pat Wilmot

You keep your children and your home clean and attractive, so no one in your family could have lice, right?

Pediculus Capitis
[Head Louse]

Wrong.
Lice don't care if you're

clean or dirty, rich or poor, fair or dark. The only things lice don't particularly like are an unhealthy host and kinky hair, experts say.

Officials at the Scarborough Department of Health hotly deny that there's an epidemic of head lice (pediculosis) among Scarborough schoolchildren.

"I can honestly say the problem is not bad," Director of Nursing Ella Beardmore said on Nov. 18th when she and her colleagues, Medical Officer of Health Dr. E. K. Fitzgerald and Nursing Supervisor Doris Moore were interviewed at the Scarborough Civic Centre.

But Guildwood Drug Mart owner Irving Kreid said on Nov. 24th that demand for Kwellada insecticide jumped from a normal rate of "a couple of calls a week" to "three or four dozen calls in a couple of weeks" during late October.

Druggists in some areas of Scarborough say the number of requests for anti-lice preparations has been about the same this year

as in the past, but pharmacists in Bridlewood Mall, Parkway Plaza and Cliffcrest Plaza report an increase in demand for these products of almost 50 per cent this fall.

Dr. Fitzgerald said his department doesn't send general information notices regarding pediculosis home through the schools because "people get hysterical" and because older children have a poor record of giving letters to parents.

Dr. Fitzgerald and Miss Beardmore conceded that it's mainly younger students in Kindergarten to Grade Two who get head lice, and agreed that these children are quite reliable about taking notices home, but insisted that the situation doesn't warrant a mass distribution of letters to parents.

"We don't think the problem is that severe," agreed Miss Moore.

The Department of Health in Scarborough, unlike those in North York, Etobicoke and Toronto, has no systematic pediculosis screening procedure in the schools, so parents should check their children's hair

regularly and report any cases of lice to a Public Health Nurse, who will inspect the child's class.

WHAT TO LOOK FOR

Although persistent itching and scratching are common symptoms of pediculosis, the only sure way to discover infestation is careful inspection of the hair for lice or their nits.

The adult louse is a whitish-grey insect about the size of two pinheads. It clings to the first half-inch of the hair shaft by means of six pairs of hooks and punctures the scalp to obtain blood, causing irritation and itching. Scratching these punctures can lead to infection.

Nits are whitish oval-shaped eggs about the size of an elongated pinhead. They stick to the hair shaft and unlike dandruff, do not fall off when flicked.

If nits are within half an inch of the scalp, they are freshly laid. If they're farther down the hair, they're probably dead casings from which new lice have hatched.

The most usual places to find lice and their nits are the back of the head and behind the ears, but they can be anywhere on the head.

TREATMENT

The Toronto Department of Health has suspended until further notice the use of lindane-based insecticides such as Kwellada, GBH and Pedicaine, but health departments in other areas of Metropolitan Toronto recommend these products because they are the only ones guaranteed to kill nits as well as lice.

The Scarborough Department of Health says preparations containing lindane pose no danger as long as they are used as directed. Toxicity and sensitization occur only with constant use, Dr. Fitzgerald said.

Ella Findlay, Clinical Coordinator for the North York Department of Health and an expert in pediculosis control, is most emphatic about applying Kwellada shampoo to DRY hair.

Instructions the Scarborough Department of Health issues to parents of infested children state that the hair should be wet before using the shampoo, but this method

dilutes the insecticide to the point where some lice and nits survive treatment, according to Mrs. Findlay.

Neither Dr. Fitzgerald nor Miss Beardmore realized that the manufacturers of Kwellada had changed their instructions from wet to dry application.

Bill Patton of the Block Drug Company said on Nov. 21st that the change took place "about a year ago" because the company had found that wetting the hair first could dilute the product's effectiveness.

After shampooing the hair according to the manufacturer's directions, the hair should be rinsed in vinegar and wrapped in a towel for up to two hours, according to the Scarborough Department of Health's instructions.

Experts agree that ALL nits must then be combed out of the hair, preferably with a metal nit comb. These combs are available at cost (\$3 - \$4) through the health departments in Toronto, North York and Etobicoke, but not in Scarborough. A Public Health Nurse will tell Scarborough residents where they may purchase the metal combs at a retail cost of approximately \$8.50.

Every member of the family, INCLUDING PARENTS, must be inspected and treated, if necessary. All bedding, hats, combs, brushes, towels -- anything that has been in contact with an infested person's hair -- must be either hot-laundered, dry-cleaned, pressed with a very hot iron, or put away in a plastic bag for at least 10 days.

An insecticide spray, called R&C Spray, is available for use on upholstered furniture, mattresses, rugs -- anything that cannot be treated by another means.

Although Dr. Fitzgerald, Miss Beardmore and Miss Moore were all unaware of the existence of R&C Spray, Block Drug's Bill Patton credited this product with a significant reduction in the recurrence of pediculosis. School boards that have used R&C Spray in infested schools have been very pleased with its results, Patton said. If you have any questions regarding pediculosis, the telephone number for the Scarborough Department of Health is 296-7454. ■

COMMENT:

The companies who advertise in the Guildwood News & Views contribute largely to the success of your newsletter. Why not drop in and see the fine products and/or excellent service they can offer you? We think that you'll find they are nice people to deal with. While you're there would you tell them you saw their ad in the News & Views. Thanks.

DIAMOND ANNIVERSARY

Mr. & Mrs. P.G. Wills
242 Guildwood Parkway

Laura and Percy will be celebrating their 60th Wedding Anniversary on Jan.1st, 1981. They will be honored at a family dinner held at the Guild Inn to mark the occasion. Originally from London, Ontario, they met and were married in Hamilton. They have two daughters and six grandchildren.

Mr. Wills has been retired for 20 years from the Bell Telephone Co. The family wishes them many more years of health and happiness together.

SCARBOROUGH DISTRESS CENTRE

Although the Scarborough Distress Centre is often involved in anti-suicidal work, this is only a small part of the overall service they provide to the community.

Many of their callers are desperately lonely people who are on their own and have no one to talk or turn to.

Our presence allows these people to talk to someone when it is needed and provides callers with a feeling that somebody cares.

Calls to the Centre usually number about 1,000 each month. To respond to these calls, however, requires the services of many people. The heart of the Centre is the people who voluntarily give their time to this worthwhile operation.

Funding is provided by a variety of sources including the United Way, Metropolitan Toronto, the Borough of Scarborough, public and corporate donations.

The most important qualities needed by volunteers are listening skills, concern, empathy and the ability to be non-judgmental. Volunteers must be at least 20 years

of age, mature and emotionally stable. In addition, they must be willing to work two shifts of four hours each and one overnight shift per month for a period of at least one year.

All applicants are interviewed to determine their eligibility. Upon acceptance, volunteers participate in a complete training programme that adequately prepares them for this important function.

Yes!! You can help --- both yourself and others - call 751-4888.

BLOCK PARENTS

"Get out o'my way" snickered big bully Burt.

He didn't care if I was scared, He didn't care if I got hurt.

He scooped a near pile of rocks with his powerful hands, And I shivered and shook while he made his demands.

Standing frozen in my fear, not knowing what to do -

A sudden thought came to my mind 'Block Parents care for you' And there upon a window near, the sign was clear to see.

"I'll get some help Big Bully Burt if you won't let me be".

He growled and sneered as he spied

KIWANIWOOD TENNIS CLUB

We have come to the end of
another successful tennis season at
Kiwaniwood. Our courts saw much
tennis activity over the past six
months and received a much needed
face-lift in the manner of a re-
surfacing job completed in July.

Two successful tournaments
were held, the "B" Tournament in
June and July which was open to any-
one in the club who has never pre-
viously won a tournament and the
"A" Tournament in September and
October which was open to all
Senior and Intermediate members.
The results of the latter are as
follows:

Men's sgl's.winner: Eric Auld
Runner up: Lyndon Majid

Ladies Sgl's.Winner: Louise Schachow
Runner up: Janice Horwood

Ladies Dbl's.winner: Louise Schachow
& Mairead Rowan
Runners up: Isobel Haslam
& Janice Horwood

Mixed Dbl's.winner: Louise & Bill
Schachow
Runners up: Janice & Joe

CHURCHES

CHURCH OF THE HOLY TRINITY

Rev. Harold F. Roberts, Rector
 Phone: Church: 261-9503
 Rectory: 266-4868
 Services: Wednesdays at 7:30 p.m.
 Sundays - 8:00 - 10:30 am.

As cottage country closed this Fall, many new faces appeared amongst the old, and parish life went back into gear again. At the same time, the regulars were saddened to learn that two of the familiar and very active families were moving on.

Michael Price, a former church warden, his wife Sue and their children returned to Great Britain while Audrey and Roy Shepherd moved to Brantford. In recognizing their sustained leadership and service to Holy Trinity for almost two decades, the Shepherds were presented with an engraved silver tray following the Thanksgiving service October 5, at which Roy, a lay reader, had preached.

The 6 week lecture series "The History of Christianity" which began Monday evenings on October 20th provided an excellent opportunity for the Christian community to learn more about their spiritual evolution during the past 20 centuries. Those attending from various parishes in Scarboro have had some very good things to say about the project. A similar series, but on a different theme, will get underway in the new year.

A youth group, ranging in age from 13 to 20 years, under the leadership of Lee and Walt Weber, began meeting on alternate Sunday evenings earlier this Fall. A Christmas party is planned for December 14th and the group will be serving refreshments following the candlelight service, Dec. 21st.

Activities at Holy Trinity approached a fever pitch during the past month. The Anniversary Dinner and Dance at the church on Nov. 15, a catered affair by the very professional staff of the Stone Cottage Inn, will not soon be forgotten, nor will the service the following morning with the Rev. Ken Scott, our first rector, in the pulpit. Then a short week later, the annual bazaar. It was, of course, an honour to host the Lt. Gov. of Ontario and the St.

Andrews Society who shared the morning service with us on the 30th.

But November was just the warm-up. The pace quickens in December with the joy of Christmas now just a few days away. Join us if you can in this marvelous season. We will be delighted to welcome you.

WASHINGTON UNITED CHURCH

Ministers: The Rev. Glenn Tenpenny
 Mrs. Kay Cho
 Church Phone: 267-8265
 Secretary: Mrs. Elaine Kozie
 Beginning on the first Sunday of Advent (November 30th), services for Christmas at Washington will have a "family flavour". Children from the Church School will be joining with us for the latter part of each service, to share their learning and activities about Advent in the Church School, and to celebrate the meaning of Advent with a candle-lighting service.

As well, the children and adults will be participating in our White Gift Christmas Fund, designed to make concern and help available to human need, both local and around the world.

Members of the CGIT will conduct a Candlelight Vesper Service on Sunday evening, December 7th at 7:30 p.m. in the sanctuary.

On Sunday evening, December 21st, at 7:30, in the Washington C.E. Auditorium, our choir will be presenting "Amahl and the Night Visitors", an operetta in one act.

On Christmas Eve, there will be a Family Service at 7:00 p.m., especially for parents and grandparents with younger children. It will last about 45 minutes, finishing in time for reasonably early bedtime. At 11 p.m., the Sacrament of Holy Communion will be celebrated.

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

where a warm welcome awaits you

Interim Moderator:

Dr. A. Goodwill MacDougall
 Phone: Bus. 441-1111
 Church 261-4037

Services: 11 a.m. Sundays
 Church School-10 a.m. Grades 7 & 8
 11 a.m. Nursery & Grades Jr. K. to 6

In June, our church reluctantly bade farewell to the Beaton family. The Rev. Gordon Beaton, who had served so well as our minister for five years, accepted a call from St. Andrews in Lethbridge, Alta. On June 2nd, after weeks of preparation, Gordon and Elizabeth set off in two cars with their eleven children, and left a cavernous gap, not only in our church family but in the Guildwood community. They have settled well in their new home, but we still miss each other.

Meanwhile at Guildwood, the Rev. Goodwill MacDougall has been doing a wonderful job as our Interim Moderator. Dr. MacDougall acts as a liaison with Colleges and Universities for the Presbyterian Church in Canada, and he has brought a wealth of experience to our pulpit. In this interim period our own members have been serving well in a variety of ways. For example, on Layman's Sunday, we had a stimulating and uplifting service conducted entirely by talented people in our midst.

The Vacancy Committee expects to have selected a minister from the many applicants to preach for a call in January. We look forward to welcoming the person who will guide us in the eighties.

Our Vietnamese family has been living in the manse since their arrival in June. After working hard at English lessons all summer, Manh, the father of the family, felt confident to accept a job in Pickering at glass cutting, a trade in which he is quite skilled. His wife Ha, who is also studying English, stays home to look after their two young children. We wish them well as they make the big adjustment to our Canadian winter.

Also under our sponsorship, Art and Thelma James are looking after two teenage boys from Viet Nam, and helping them begin their new life in Canada. Duc, who is 18, is particularly good at math, and is enrolled in Grades 12 and 13 subjects at Cedarbrae. Thanh, 16, who knew no English at all on arrival, has also made good progress and is finding school quite a challenge. Both boys are pleased to have had contact with their families since arrival.

We anticipate the Christmas season, with the special events it means for our church. On the Advent Sundays, beginning Nov. 30th, four families will take part in the annual lighting of the Advent candles. On Dec. 7th, as part of our Communion Service, we will have a Reception of New Members. On the 14th, our Young People's Group will take part in the service. There will be special music for Christmas Sunday, Dec. 21st and for our 19th annual Christmas Eve Service. As always, you and your family are most welcome to attend.

SCHOOLS

ELIZABETH SIMCOE JUNIOR P.S.

The courage of Terry Fox caught the imaginations of many of our girls and boys who took part in our "Run for Terry" during the Fall. Day after day, our girls and boys, with their teachers' encouragement ran the course around the school, and when they were finished, collected the pledges from the community. Even though the amount that any one person could pledge was deliberately kept low, we were surprised and pleased to be able to send a cheque to the Canadian Cancer Society for One Thousand, Three Hundred and Seventeen Dollars and Thirty-Five Cents (\$1,317.35).

Speech Arts has been highlighted during our Fall Term and every student in grades four, five and six was required to prepare and deliver a presentation on the "A" format. In addition, a few students prepared offerings in the other two formats and the best speakers from each classroom spoke in front of the Junior Division on November 12th. We were pleased to send to the semi-finals Brent Eddington in the format "A", Ausma Khan, in the format "B" and Kristen Yungblut and Lisa Corby in the format "C". Although none of our participants were selected to go on to the finals, each was a very worthy presenter! As a memento of the occasion, each candidate in the semi-finals round received a medallion.

Since it is important to have children learning to speak effectively as early as possible, a Primary, non-competitive program was held in the auditorium on Friday, November 7th. Two or three representatives from each of the primary classes presented in front of their peers and gained valuable experience in public speaking.

Our Bantam Boys' Volleyball team has been having a successful season and reached the quarter finals at a tournament held Saturday, November 14th at Charles Gordon Senior P.S. The sportsmanship was excellent and the competition keen, as our boys, after five twelve minute games with little time off, met fresh teams in the quarter finals but continued to play

hard even though tired. The season continues with renewed enthusiasm.

To focus attention on the world of books, we are having a Book Fair during December 9, 10 and 11. A variety of paperbacks suitable for children has been selected by our Library Resource Teacher and Chairman Mr. J. Duncan. The Book Fair will be open Tuesday evening (Dec. 9th) so that interested parents and their children can take advantage of the selection. With the Christmas season so close, we hope that our timing has been appropriate.

Our Christmas Program is now being developed and will be presented Tuesday and Wednesday, December 16 and 17. We hope that interested parents will keep one of these evenings free to be with us.

For additional school news, please watch for our Newsletter which will be published on Friday, December 19th.

ST. URSULA CATHOLIC SCHOOL

Additional enrolment and new staff members were welcomed this Fall. Mrs. Rosanna Hermann has a Gr.8 class and Mrs. Isobel Reid a Gr.5 class. Mrs. Maggie Clay teaches vocal music to Gr.1-8 and Mrs. Janet Purcell is our Librarian.

A pleasant start to the school year was the opportunity to host a luncheon for the staff members of our neighbours, Guildwood Public

School, on Friday, September 12th. In a brief hour there was a rapid exchange of ideas and plans for sharing activities during the year.

An opening Mass was held on September 11th in the auditorium, followed by a Hot Dog Lunch outside, under the trees. The following week, September 15th-19th, many students were involved in a run to support Terry Fox. Under staff supervision the students covered 2 kilometres daily through the adjacent streets, raising a total of \$1,307.00 in pledges.

"Meet Teacher Night" was held on the evening of September 25th and Mrs. Kitty McGilly, from the Catholic Teacher's Centre, gave a thought-provoking address on the subject "Parents, Teachers - A Shared Ministry".

At 8:00 p.m. October 2nd, the Parent-Teacher Committee met in the staff-room. The Executive Committee for this year includes Angus Ross - Chairman, Pat Nicholson - Secretary, and Brigitte Whitley - Treasurer. The Committee is sponsoring the show "Red" on December 9th at 7:30 p.m. in St. Boniface Hall. Tickets are available through the school office at \$2.00 each with proceeds going to the Parent-Teacher Committee.

Boys and Girls were involved in Intra-Mural Soccer. The boys came 2nd in their Division and the

girls won and went on to win Scarborough-East title. Students are already training for Cross-Country under the guidance of Mr. Broderick. A mural of copper-tooling was placed in the hallway. This had been undertaken as a "Year of the Child" project and was worked on by students in Primary and Junior grades with the help of Mrs. Schofield.

The Sharelife Collection produced a total of \$124.00 in children's contributions. The contents of the U.N.I.C.E.F. boxes brought back after Hallowe'en totaled \$153.00.

Guidance Counsellors from the Catholic High Schools visited the Gr.8 class to discuss programs available for the following year. Also, a Night for Parents was held on Tuesday, November 4th.

Students from Guildwood Public School joined our Grades J.K. to Gr.7 to enjoy the Puppet Show, Aesop's Fables, on Friday, November 14th in our school gym.

Both Mrs. Hermann's Gr.8 class and Mr. Sheehan's Gr.4 class have visited the Art Gallery. "Hansel and Gretel" at Minkler Auditorium was enjoyed by Mrs. Park's Gr.1 and Mrs. Cavanaugh's Gr.2. Ryerson Theatre's "You're a Good Man, Charlie Brown" was seen by Gr.7 and 8 students, with Mrs. Green and Mrs. Hermann, and by Gr.3 students with Mr. Broderick. Gr.8 students enjoyed a stay of 3 days and 2 nights at Lake St. George Conservation Area, at the end of October, as part of their Outdoor Education Program.

The Christmas Concert will be on Tuesday, December 16th at 7:30 p.m. The School Band, Choir and Jr. and Intermediate grades will be performing.

On Friday, December 19th a Christmas Mass will be celebrated at 11:00 a.m. in the auditorium and members of the Community are welcome. A Hot Dog Lunch for the students will follow.

Christmas holidays will commence at 2:30 p.m. on December 19th and school will resume for the second term on Monday, January 5th 1981.

We wish all members of the Guildwood Community a Joyous Christmas Season and Happiness in the New Year.

GUILDWOOD VILLAGE COMMUNITY ASSOCIATION GENERAL MEETING

An interesting and constructive meeting of the Village Association was held recently in the Guildwood Public School when David Wilmot, a resident of Livingston Road, was elected as chairman for the coming year.

During the meeting attended by forty members, past Chairman Glen Witherspoon summarized Association activities during the past year. Complaints were heard concerning the proposed parking entrance for the new GO parking lot and Jane Douglas a resident of the Sylvan-Heathfield area of western Guildwood outlined the nuisance of people partying it up in the Bluffs area in her neighborhood. Action was reported and taken by the meeting on both complaints.

In the past chairman's annual report, Mr. Witherspoon spoke of the possible expansion of the Guild property, the aborted development of the old barn area on Kingston Road, of efforts made to open another group home in the Village and the circumstances concerning the furore over the plaza "topless" situation.

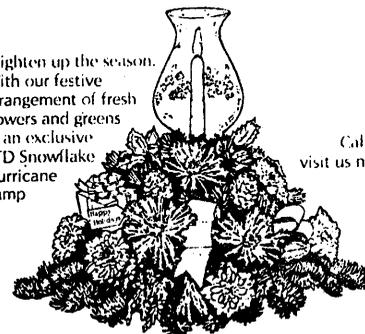

Other meeting speakers included Alderman Ed Fulton and Verla Fiveash. Ms. Fiveash was representing Margaret Birch, M.P.P., who was unable to attend the gathering.

The Association's finances were spoken of by treasurer Peter Harris who revealed that the Association had a \$4,475.00 surplus for the year compared to a surplus of \$2,698.00 for the previous year.

Other officers elected during the meeting included Fred Johnson, Vice-Chairman; Ken Lyall, Secretary; David Calvin, Treasurer. Committee members elected include Ted McIntosh, Sancha Pritchard and Faye Wadsworth, Social Committee. Peter Harris and Alton MacLean, Membership Committee. Lorraine Walker, Bev. O'Hearn, John Mitchell and Chisholm MacDonald, Members at large.

YOUR CHRISTMAS TREE & YOU

(Excerpts Reprinted From Canadian Living Magazine)

If your tree is loaded with chubby little elves and angels, it says the owner is sentimental. If it's decorated with hand-made wreaths, little carollers and delicate crocheted snowflakes, it says there's an artist at work. And if the perfectly balanced branches are artificial and bear streamlined decorations, it says you're organized and efficient.

When all is said and done, each tree tells its own story - a personal story about the family who put it up.

TYPE OF TREE

Natural: You're a family-centred traditionalist. You prefer spending Christmas in your own home. You enjoy being outdoors when the weather is fine and probably have a favorite park you frequent on weekends.

Cut-Your-Own: You're very much in touch with nature and prefer rural settings to city surroundings. Because you're an old fashioned romantic, you go to a lot of trouble to recreate a pioneer-like Christmas. Your outdoor decorations are as merry as the indoor ones.

Artificial: You're tidy, highly organized and urban minded. While the child in you would prefer a big natural tree, your adult side overrules because falling needles and leaking water from the tree stand make just too much mess. The unbalanced branches, broken tops and bare middles on the over-priced natural trees at the neighborhood tree lot don't fit in with your perfectionism, and a long-standing fear of fire was the final clause

to convince you to switch to artificial.

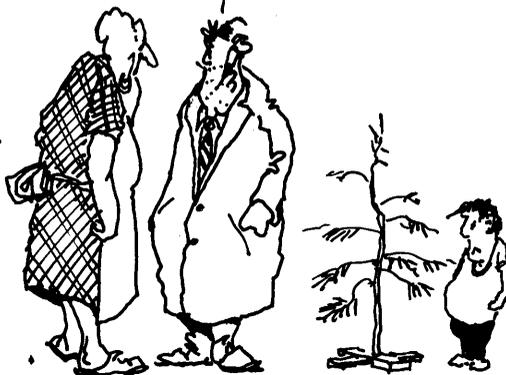

VARIETY OF TREE

Spruce: It sheds more needles than most but is easiest to find. You're carefree and easy to get along with.

Scotch Pine: It sheds fewer needles but appeals to you because of family traditions and your wish to carry them on.

Balsam: It's not an easy tree to find. You're eccentric and take care to select special and unusual things to suit your unique personality.

*It was only two bucks.
It'll be fine with a few decorations.*

SIZE

The 12-foot tree that scrapes the ceiling indicates confidence. If it's a natural tree, you're an expansive, joyful phillobat (one who loves wide-open spaces). If it's artificial, you're also high-spirited but at \$2 a foot, you prefer to recycle last year's tree.

If the tree is a tiny table-top type, you're timid and shy. If it's a natural tree, you're an acnophile (one who prefers cosy corners). If it's artificial you're the type who's easily worried.

Although space allowances usually determine the breadth of the tree, personality often over-rides the decision. The broad, busy tree is selected by the broad-minded person and the slim short-branched tree by the highly controlled personality.

LOCATION

This is the moment of truth. Are your Christmas lights splashed outdoors as well as indoors? Do the family room, living room and hall get decorated as well?

If all the decorating is outside with none indoors, you'd like to

think you're a nature lover. But it may be a cover-up for not wanting the mess indoors.

If your lights shine outside as well as in, you're a family-centred person who goes all out to seek pleasure and joy for yourself, your family and others.

If you only have decorations indoors, you're private, family centred and prefer to stay inside out of the cold.

If the tree is in the hallway rather than the room the family gathers in, you may be decorating just for appearances' sake rather than with joy.

LIGHTS

Lots of lights in random colors indicate a warm expansive personality. Two alternating colors indicate a perfectionist at work and uni-colored lights are a sign of self-control and personal order, or perhaps just a wish for them.

GIFTS UNDERNEATH

The tree with gifts tumbled underneath belongs to fun-loving care-free people. If they are neatly arranged and forbidden territory until Christmas morn, you're very controlled and more concerned with appearance than celebration.

THE ROOM

If the tables, mantel and fireplace are also laden with decorations, you're a total celebrant. You're extravagant with your emotions and celebrate birthdays and other holidays in similar fashion. For you, family pictures around the tree are important. You like to punctuate the years and mark like with these happy occasions. ■

"It's my new invention. Talk to your mother for an hour on this and it will heat the whole house for a month!"

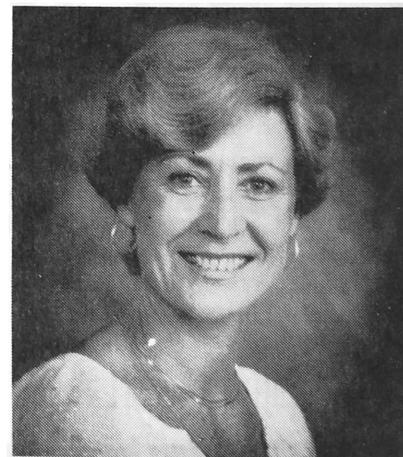

The Name Friends Recommend

The West Hill office located at 4547 Kingston Rd., (next to the Post Office) is pleased to announce that once again June Evanoff is the top sales person of the Year.

June has handled \$4,000,000 of Real Estate Volume during 1980 with the vast majority of that volume being sold in Guildwood Village.

You are invited to call June for any and all your Real Estate needs.

Guildwood News & Views

OFFICIAL PUBLICATION - GUILDWOOD VILLAGE COMMUNITY ASSOCIATION

FEBRUARY

VOL. 81

NO. 1

CHAIRMAN'S MESSAGE

by David Wilmot

February may be the cruelest month for most Canadians but if you have decided not to flee to Florida, your Community Association has planned at least one pleasant treat for you. On February 21st, (see the notice in this issue for details) there will be a Wine and Cheese Party to honor those valiant canvassers who braved the bitter cold to collect your Association fee. If you have paid this fee or are willing to do so at the door, you too are invited. Last year, the W. & C. Party was a great success so we are looking forward to a good turnout again.

The family membership fee is six dollars and if you have not already paid for your membership, remember you can help by sending a cheque payable to the Guildwood Village Community Association together with your name and address to Peter Harris, 57 Somerdale Sq. This year's membership drive is expected to be very successful because of the increased interest in our community and your Association's activity plans; even though the canvass did get off to a slow start due to the exceptionally miserable weather of January.

You can evaluate the Association's plans by reviewing the budget printed in this issue of the News and Views and if you have questions, please discuss them with members of the Executive at the W. & C. Party.

The News and Views is produced by a team of hardworking volunteers. This issue is published under the Editorship of Ken Lyall who recently took over for Phil Diamond. Phil's new responsibilities in his job do

PLANNING UNDERWAY FOR GUILDWOOD DAY

Fred Johnson and his Guildwood Day committee are planning an outstanding Guildwood Day with more attractions for mom, pop and the kids. At this time of the winter, when snowbanks are high and winds cold Saturday, June 20th seems light years away -- but Fred and Company are busy as beavers making many of the arrangements.

This is a community day and this is where members of the community can pitch in and help. Many hands are needed to run the events and keep things rolling. So if you can help, volunteer now by giving Fred Johnson a call at 261-1352.

not allow him to contribute to the Newsletter on a full time basis, but we can thank him for an excellent effort over the past year and for all the many hours that he and his newspaper team put into it.

THREAT OF RABIES INCREASES

Three skunks infected with rabies were found recently in Scarborough. The most recent one was killed in December by a dog in its backyard.

Public Health officials are concerned by what they see as a growing threat of the disease. According to Dr. E. Keith Fitzgerald, Medical Officer of Health for Scarborough, "This seems to be a peak year for rabies. We've found four rabid skunks since last March. The recent ones were found in a 2-mile radius of one another in a school yard, near a TTC bus shelter and a backyard. Residents should take certain precautions to protect themselves and their pet animals from the deadly disease."

Dr. Fitzgerald suggests that pet owners have their dogs and cats vaccinated against rabies by their veterinarians. Children should be warned to stay away from all wild animals -- even if they look friendly. Stray cats and dogs may be infected with the fatal disease, but not show any symptoms.

If you suspect that your pet has been in an animal fight, don't handle it unless you wear heavy leather gloves. Finally, if you are bitten by a wild animal or by your pet, wash the bite immediately with strong soap and water and call your physician.

Report any wild animal you see acting in a sick or unusual way to Animal Control: 291-8491. Nights and weekends the number is 293-1961.

GUILDWOOD SENIOR CITIZENS CLUB

Plans are underway to mark the 10th anniversary of the establishment of Guildwood's Senior Citizen's Club. This event will take place at a meeting to be held in the Guildwood Presbyterian church hall Wednesday, February 25th.

The local club got underway in February 1970 when the need of such a group was pointed out to members of Holy Trinity Church. That started the ball rolling and a get-together tea was held February 25th, 1970 when due to the kindness of Spencer Clark, a meeting place for the club was established at the Bournemouth Apartment on Livingston Road.

The following bit of philosophy was written many years ago as a tribute to our Seniors:

"Youth is not a time of life -- it is a state of mind. Nobody grows old by merely living a number of years. You are as young as your faith, as old as your doubts, as young as your self confidence, as old as your fear, as young as your hope. So long as your heart receives messages of beauty, cheer, courage, grandeur and power from the earth---so long, you are young."

The Guildwood Seniors are a social club and are not affiliated with any of the area churches. In speaking with the News and Views,

REPORTS

SHIRLEY TOMLINSON
SCHOOL TRUSTEE

Now that Christmas and New Year's are only memories, our schools have embarked on their busy second term schedules. I hope all our readers enjoyed the holiday season and that 1981 will prove to be a happy, healthy and successful one for all of us.

COMMUNITY MEETINGS

In November, I had the pleasure of meeting with a group of parents from the Poplar Road community. Despite the fact that parents were offered an opportunity to come along and hear what is going on in education within the Borough and provincially, only a few chose to avail themselves of this opportunity. The few parents, along with principal Florance Dix, who attended the meeting provided good discussion and raised questions which I believe were answered to their satisfaction.

On January 15th, I met with a group from the Elizabeth Simcoe community and we had another good exchange of information and concerns.

SPEECH ARTS

As you know, the Speech Arts competitions were held in November instead of February and I was greatly impressed by the calibre of our young speakers. It is increasingly difficult, when asked to judge these competitions to select winners because the spread in ability of the students is often negligible. Congratulations to all competitors and winners.

SCIENCE FAIRS

With February fast approaching, students are preparing for Science competitions within their own schools and hopefully for inter-school competitions. The Scarborough Science competitions began on a small scale with a few keen science students, encouraged by their teachers, preparing their exhibits. The interest of other students was awakened and most schools now have

their own science competitions. The exhibits range from the very simple entries of our youngest students to the very sophisticated exhibits of secondary school students. John David Swain, a student at Sir John A Macdonald Collegiate recently won a scholarship in an international competition for his design and construction of a laser photoelectron microscope, the first in the world. Students learn so much from entering the yearly competitions and the support and encouragement shown by their parents and teachers is largely responsible for the success of the Scarborough Science Fair.

CLASS SIZE SURVEY

In January of each year, the Board is presented with a summary of class sizes in our elementary, senior, collegiate, occupational and vocational schools. The report showed a decrease in both elementary and secondary class sizes. Since 1974, the average class size for elementary pupils has decreased from 27.8 to 25.9. The average elementary class size this year is 25.9 down from 26.1 last year. Sixty-seven percent (67%) or approximately two-thirds of all elementary pupils were in smaller classes than the previous year. This was especially true of senior kindergarten, primary and junior classes. An increase in class size occurred in the intermediate division. The average class size for grades 7 and 8 was 31.9 an increase of 1.7 pupils over 1979.

In the Secondary schools, class size has decreased by .8 in collegiates by .9 in the academic classes in occupational and vocational schools with the shop classes

MARGARET BIRCH M.P.P.

Provincial
Secretary for
Social
Development

Gains Increased

Effective January 1981, the monthly guaranteed income levels have been increased for single pensioners to \$453.96 and \$852.92 for qualified married couples. On an annual basis, these guaranteed levels are \$5,447 and \$10,235 respectively.

Anyone 65 or older, who receives the Federal Guaranteed Income Supplement and whose income falls below the province's guaranteed income level, automatically receives further financial assistance from the Ontario government through GAINS, Guaranteed Annual Income Supplement.

If you require detailed information about GAINS rates or eligibility requirements, please contact my Scarborough AID office - 281-2787.

New Information Booklet for Senior Citizens

A new booklet providing Ontario' senior citizens with a one-window view of all services available to them from three levels of government and many private agencies has been

remaining the same. In collegiates, 82.1% of students were in classes of 30 or fewer students as of October 17th, 1980. In the occupational and vocational schools, there were 96.3 percent (96.3%) of occupational students in classes of 25 students or fewer; and 84.1% of vocational students were in classes of 20 students or fewer.

produced in six languages.

The publication entitled, "Guide for Senior Citizens" is part of the provincial government commitment to improve customer service for the public and enhanced access to information.

The booklet will be available in English, French, Italian, Portuguese, Greek and Cantonese.

The comprehensive resource booklet, designed to be used for future referral, has a function index broken down by major groupings such as "education" and "health" and a key word index as well, which reflects common usage such as "consumer complaints" or "wills".

The resources offered are briefly described along with an address and telephone number where more detailed information is available.

A copy of the guide will be mailed to every senior citizen in Ontario who receives the federal old age security pension, and will also be made available in my Scarborough AID Office, located at

BLOCK PARENTS

Residents please note; this could be more than a legal concern!

Re snow removal:

By-law #16693 sec.5 states that "The occupants of all buildings

4286 Kingston Road, Unit 1.
New Minimum Wages

The Minister of Labour, Dr. Robert Elgie, has announced under the Employment Standards Act, new minimum wage levels for workers in Ontario's service and trade industries.

In response to the general increases in wages and the overall cost of living in Ontario, revised minimum wages will affect about 225,000 workers. The 2 stage increases will establish the following wage levels:

Minimum Wage	Current	Mar.31 1981	Oct.1 1981
General	\$3.00	\$3.30	\$3.50
Student	2.15	2.45	2.65
Persons Serving			
Liquor	2.50	2.80	3.00
Learner	2.90	3.20	3.40
Construction	3.25	3.55	3.75

These revisions replace the existing wage levels which were established two years ago.

shall remove snow or ice from sidewalks on highways in front of, alongside or at the rear of buildings within twelve hours from the time such ice or snow shall have fallen or accumulated thereon so that such sidewalks shall be kept clear of snow or ice."

After a snowfall most residents will invariably be found clearing away snow in their driveways. When doing this don't forget to include sidewalks and, if you live on a corner, also remove snow blocking access from the sidewalk to the roadway. Our little people are sliding down these snowbanks and out into the street.

The old adage about Canada not having one child to spare is still very much a reality. Please help us to keep our children safe.

Mon. Mar. 9-8 P.M.
 "Parenting"

- Linda & Glen Tenpenny, Janis Coulter, Jeff Marchant

The meetings will be held in the Church Lounge.

One of the most difficult things we do in our day is learn to deal with changes that happen so rapidly around us, particularly changes in the way that we and others think about things. Here is a chance to think and talk about it.

FEBRUARY IS
 HEART MONTH
 IN SCARBOROUGH

February is Heart Month and right across Canada preparations have almost been completed by Heart officials for this year's canvass of funds which will be expected to raise \$13 million for heart and stroke research and other heart related problems.

There are 215 provincial Heart Foundations in Canada forming the

Canadian Heart Fund; Ontario as the largest Province in the Dominion with the most Foundations, has a target of \$7 million to raise when the canvassers hit the street.

Ontario Heart Foundations in 1981 are planning to concentrate on Heart and Stroke research with emphasis on the C.P.R. method. This phrase, C.P.R., is a short description of action concerning Cardio Pulmonary Resuscitation, a system of manual chest compressions and lung ventilation which is applied in the event of heart stoppage in order to sustain life.

The aim of this program is to train non-medical persons to recognize signals indicating severe heart and stroke indications and what the person can do to aid the victim until medical help arrives.

The Scarborough Branch of the Canadian Red Cross Society will be offering C.P.R. classes to the public if interest is shown for the classes. The course would last for three evenings or a week-end and would take place at the Scarborough Red Cross

Heart Fund canvassers are urgently needed for the Guildwood area February Heart Fund drive. Any persons willing to aid the work of this worthy cause are requested to contact Mrs. Marie Hornell at 267-1247.

**ELIZABETH SIMCOE
JUNIOR PUBLIC SCHOOL**

On Friday, January 16th, forty-six tired and happy grade six students returned from a five day outdoor education experience at the Leslie M. Frost Natural Resource Centre near Dorset, Ontario. All were involved in a number of outdoor experiences including lighting a survival fire in the deep snow of the woods with one match, a study of wood as energy, the managing of fur bearing animals, an examination of how an inventory is made of the various trees in the forest, and learning about the use of aerial photographs in three dimensions to survey and decide on the use which can be made of various land areas. In addition, tubing (sliding down a hill on a large inner tube) skating, and cross country skiing rounded out the activities to produce tired but happy students.

The evening of Tuesday, January 20th was a particularly happy one for all of us. Mr. George Purich, who has been the Chief Caretaker at our school for over ten years was recognized by the Scarborough Men Teachers Federation for the outstanding contribution which he has made to the students of our community. Mr. Purich received the Diamond Jubilee Award Certificate at a Federation dinner. Our sincere congratulations go to Mr. Purich and say we all - "well deserved sir, well deserved!!"

On Wednesday, January 21st we enjoyed a visit from Mr. Ron Satok, a blind artist who worked with a group of children from grades two and three. Mr. Satok demonstrated his painting technique and how art and music can be used as a very effective means of communication.

An annual event which will be

occurring on February 11th will be our Baking Competition for interested students in grades 3 to 6 inclusive. There will be a number of different categories for students to enter and the rapid disappearance of the items which are sold at the end of the day attests to the expertise of our young bakers.

The week of February 11th marks the beginning of Scarborough's Non Competitive Music Festival and the experience gained by the children in the eight groups we have entered should make all the effort worthwhile.

Volleyball has always been a key sport at our school and once again this year, we will be hosting a Bantam Girls' Tournament on February 4th and a Junior Girls' Tournament on February 18th. The level of competition is always very keen and we are looking forward to a full slate of eager volleyball players.

JACK MINER SENIOR PUBLIC SCHOOL

After a very enjoyable Christmas vacation, Jack Miner students are back into the swing of things.

Our athletic program is underway with the grade 8 boys' house-league Eukee ball and grade 8 girls' King's Court. Inter-school teams are now practising for boys' basketball and girls' volleyball.

As usual our music program is in full swing as Mrs. Pascutto prepares for the Kiwanis Music Festival on February 9th and February 11th.

Several excursions are planned for the second term. The grade 7 classes spent an enjoyable day at the Ontario Science Centre on January 5th. The grade 8 classes are looking forward to their visits to Pioneer Village during the week of February 2 - 6 followed by a trip to the McLaughlin Planetarium on February 11th.

February

- 2 - 6 Pioneer Village Excursions- (gr.8)
- 2 - 6 Jack Miner's Science Fair
- 5 Science Fair viewing (P.M.)
- 9 Kiwanis Music Festival
- 11 Kiwanis Music Festival
- 12-13 Professional Development Days
- Mar.10- Reports go home
- " 11-13 Scarborough Science Fair
- " 16 Interview Day

6 - 14 are invited to craft session. Please register, limit 25.

Saturday, Mar.14 - 2:00 PM

Films for kids. A one hour film programme will be shown for children of all ages.

Monday, Mar.16 - 2:00 PM

Let's play bingo. Children ages 6 and up are invited.

Monday, Mar.23 - 2:00 PM

Let's make a coat hanger. Children ages 10 and up are invited to a craft session. Please register, limit 25.

Tuesday, Mar.24 - 2:00 PM

Let's play a game. Children ages 6 and up are invited to use our boardgames.

**Spring Fever
Festival**

A variety show "Spring Fever Festival" will be staged in Guildwood's Sir Wilfrid Laurier Auditorium Saturday, April 25th. The show will be sponsored by the community churches, Guildwood Community Presbyterian Church, Anglican Church of the Holy Trinity and the Washington United Church.

A feature of the festival will

be the singing of 25 police officers forming the Metropolitan Police Association Male Chorus. Additional acts scheduled include Lisa Blum, a top Canadian baton twirler, the Austrian Folk Dancing group and a presentation by Joy and Jamie McPherson. The McPhersons are considered to be one of the most entertaining banjo and accordian acts in the Toronto area.

John Evanoff, the well-known Guildwood personality will M.C. the show.

Dianne Pendock program convenor for the evening stated that many other acts will be on hand to round out an evening of fun and entertainment for the whole family.

Further information and tickets can be obtained from Mrs. Pendock at 264-3548.

PHONE TODAY

CHURCH OF THE HOLY TRINITY

Rev. Harold F. Roberts, Rector
 Phone: Church: 261-9503
 Rectory: 266-4868

Services: Wednesdays at 7:30 p.m.
 Sundays - 8:00 - 10:30 am.

"Time and tide", it is said, wait for no one". So it goes at Holy Trinity (but with the ravages of our winter this 1981, a noticeable number are taking a week or so in the south checking the tides for themselves.

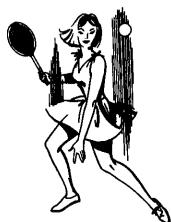

But the clock does tick on through the Christian cycle. As Advent fades behind us, Lent and the promise of Easter beckon on the horizon. This year our Lenten seminar program entitled "The Bible for Today's Church" runs Monday evenings, 7:30-9:30, March 9th through April 15th. The approach is ecumenical and everyone with an interest in Christian education will be more than welcome. Call 261-9503 for details.

Our church facilities have become a temporary meeting place for members of the West Indian-Canadian International Apostolic Fellowship. Pastor Roderick Davey from Mount Olivet Pentecostal Tabernacle conducts prayer meetings Wednesdays at 8:00 p.m., Divine Worship on Sundays at 12:30 and 7:00 p.m. "Developing an evangelical outreach and closer ties with the West Indian population of the area", says Pastor Davey, "is the aim". Holy Trinity is pleased to assist Pastor Davey and wishes him well in his ministry.

Bradley Michael Ahern, Judy Elenor Majory Jerome and Haley Alma Dynes were welcomed into the family

KIWANIWOOD

TENNIS CLUB

Even though it may be difficult to turn your thoughts to tennis when the temperature outside is -20°C, rest assured that the 1981 Kiwaniwood Executive is hard at work planning this season's activities.

Our newly elected secretary, Joan Little, has had to temporarily resign from her duties with the club

of God through baptism on Sunday, January 11th.

Parishioners are asked to note that Bishop Alan Read will be with us on March 8th for the Confirmation service. Candidates under instruction include Greg Trew, Debbie and Paul Knautz and Scott Coleman.

Holy Trinity has been invited to share with Washington United and Guildwood Presbyterian in an ecumenical benefit - a family entertainment night - at Laurier Collegiate on April 25th. Diane Pendock is the Chairperson. Mark your calendars, it promises to be fun.

Two further notes on the subject of entertainment: Dress for the outdoors on February 8th for immediately following the 10:30 service will be our first ever winter picnic. An event you can really warm up to! The second note is a reminder of "Mardi-Gras Night" at Holy Trinity on February 28th. Plan to attend.

due to a heavy work load in her business. We look forward to having Joan back with us as soon as possible. In the meantime much thanks goes to Patty Chop who has agreed to fill in for Joan for the next few months.

The annual general meeting of K.T.C. will be held at Elizabeth Simcoe Public School on March 18, 1981, at 7:30 p.m. We hope as many members as possible will attend. Refreshments will be served after the meeting.

An extension of the Scarborough inter-club tennis league season to 14 weeks will allow more club members to participate.

THERE IS HELP FOR YOU !!!!

If you are the potential tennis player who joined and then did not play for one or many reasons, or if you would like to join a club but have been afraid to get started, we invite you to JOIN NOW !!!

Kiwaniwood Tennis Club will hire a tennis professional, whose job will be, besides teaching tennis, to get you to come out and play. This Pro will look after scheduling of play at the courts, introduce you to other players, help to make up games and run special events - such as weekly round robins.

Tennis is inexpensive and it is fun! If you play at least once each week, adult membership costs only \$1

per week. The more you play the cheaper it is. Special family rates are available.

Membership enquiries: Mrs. Helen Bosy, 261-6785. She'll be happy to tell you more about it and to send you an application form - but do it soon; approximately 30 new memberships are available.

HELP YOUR COMMUNITY TO HELP YOU

GUILDWOOD IS ONE OF THE FEW COMMUNITIES IN METRO THAT'S LUCKY ENOUGH TO HAVE AN ACTIVE COMMUNITY ASSOCIATION, BUT THE ASSOCIATION CAN'T CONTINUE TO OPERATE WITHOUT THE FINANCIAL SUPPORT THAT ONLY YOU CAN GIVE. THE MEMBERSHIP FEE IS ONLY \$6.00 PER HOUSEHOLD - INEXPENSIVE IN RELATION TO THE MATERIAL BENEFITS YOU ENJOY - SO PLEASE HELP YOUR ASSOCIATION TO CONTINUE ITS FINE WORK BY BUYING A MEMBERSHIP. HERE ARE JUST A FEW OF THE THINGS YOUR \$6.00 BUYS ...

- REPRESENTATION OF YOUR INTERESTS ON GOVERNMENT MATTERS THAT AFFECT YOUR NEIGHBORHOOD.
- SOCIAL ACTIVITIES SUCH AS THE ANNUAL DINNER DANCE, WINE AND CHEESE PARTY AND/OR MONTE CARLO NIGHT.
- THE GUILDWOOD NEWS AND VIEWS FOR ALL MEMBERS OF THE COMMUNITY.
- SPONSORSHIP OF SUPERVISED SOCCER TEAMS FOR YOUR CHILDREN AND THE OTHER CHILDREN OF GUILDWOOD.
- A VOTE AT GENERAL MEETINGS OF THE GUILDWOOD VILLAGE COMMUNITY ASSOCIATION.
- A BIGGER AND BETTER GUILDWOOD DAY IN 1981.

CANVASSERS WILL BE IN YOUR AREA SOON. HELP THEM BY HAVING YOUR \$6.00 READY OR BY MAILING IN THIS COUPON AND YOUR CHEQUE FOR \$6.00 RIGHT AWAY!

GUILDWOOD JUNIOR PUBLIC SCHOOL

As we begin our second term of this school year, all staff and students are actively engaged in many activities, both within the classroom, as well as extracurricular events.

These activities range from inter school girls volleyball (bantam team), choirs (primary and junior), band, strings, preparation for our upcoming Science Fair in February, photography club, art club, chess club, gymnastics, house league floor hockey, and of course, preparation for the Scarborough Music Festival, in which Guildwood Students will be performing on eight occasions (3 classroom groups, 2 choirs, 2 bands, 1 recorder and Orff group) between February 23rd and March 5.

Our Junior Choir will also be performing in the Toronto Kiwanis Competitive Music Festival on February 11th. This choir, of whom we are very proud, is directed by Mrs. Phyllis Coulter and had the opportunity of singing two selections of their Christmas music for C.F.R.B. radio station last month.

January 11th marked the one hundred and sixty-sixth birthday of Sir John A. Macdonald, Canada's first Prime Minister. During that week, boys and girls at Guildwood commemorated the anniversary of his birthday, and acquired more understanding and knowledge of Canada's origins. Students were eagerly engaged in a film strip/cassette presentation and discussion of Sir John's contribution to our country, a Sir John A. quiz, designing birthday cards and political cartoons, as well as creating poems and stories depicting the possible feelings of Sir John A. Macdonald, should he return to our Canada of 1981. Of course, no birthday celebration would be complete without a birthday cake, so several classes took this opportunity to bake cakes in memory of this famous Canadian. After blowing out the large candle on the cake they had just baked, students from Mrs. Richard's grade 2 class decided to follow the customary procedure of making wishes. These wishes ranged from - "I wish he didn't die, so we could ask him some questions about Canada in those days"

to "I wish we could eat the cake now."

Each Christmas season, our kindergarten classes have enjoyed a delicious as well as beautiful gingerbread house, through the courtesy of Mrs. Ecker and her students in Family Studies at Jack Miner Senior Public School. We would like to extend a very special thank you to Mrs. Ecker and to former Guildwood Students for their work and time in preparing this year's gingerbread "masterpiece" for us. It was most appreciated by our girls and boys.

A display of entries for "The Great Canadian Book Machine" poster contest, is presently on exhibit in our library. Entries by Paul Wilmot, Jeff LaMendola, Heather Cook and Amelia Cook will be sent to the Children's Book Centre for possible publication in Book Times.

All of us at Guildwood are looking forward to our new image, after having purchased new school T-shirts, shorts and tube socks this week. Not only will we have good looking gym classes, we are convinced that our performance will probably improve too. Request to our Guildwood community - Volunteer helpers are needed in our kindergarten on Monday, Tuesday and Thursday afternoons from 1:15 - 2:30 and Wednesday mornings from 9:00 - 10:30. If you are able to help on any of these days, please contact Mrs. Dickson at 267-8371.

On Wednesday, January 14th, eighteen girls and boys from the Guildwood Enrichment classes accompanied by Mrs. Mustard, visited the Ontario Puppetry Association Centre in Willowdale. Mrs. Creighton, Mrs. Tomlinson and Mrs. Dowds assisted on this excursion, and their services were most appreciated on such a stormy day.

After a conducted tour of the Puppet Museum, curator Dorothy McKay gave the history and description of puppets from all around the world, including the better known ones such as Kermit, Boot, Big Bird and the Waterville Gang. Mrs. McKay demonstrated the various types of puppets - marionettes, hand, rod and shadow. Students were allowed to experiment with the puppets using professional puppet stages and theatres.

In the afternoon, a workshop on

manipulation and scripting gave the students an opportunity to practise the techniques using individual hand puppets. They were taught how to develop an original idea and how to adapt a written play, story or poem into an effective puppet show.

This was a most enjoyable, informative and worthwhile experience, and these students recommend such a visit to girls and boys of all ages.

WE GET LETTERS. . . .

(Yonge St. Mission, Toronto)

"On behalf of the hundreds of people in families and those who live alone, who benefit from the Mission's special Christmas cheer efforts, we want to say a warm 'thank you' for your school's gift of assorted goods for our Christmas hampers.

Our appreciation is directed to all those in your school who participated in your contribution to the Mission, for it is support such as yours which enables us to give to others."

(Scarborough Town Centre Merchants' Association)

"On behalf of the Scarborough Town Centre Merchants' Association, we wish to thank you and the Guildwood Elementary choir for sharing a most delightful Christmas Concert with us this season. We thoroughly enjoyed your choir performance in our Centre and the students' version of 'The Jingle Bell Rock' was very well received by the audience."

(Toronto Star Santa Claus Fund)

To: Gr.5/6 students, Rm.106, Guildwood Junior Public School.

"Thank you all so much for your generous donation of one hundred and eight dollars and seventy seven cents (\$108.77) for this year's Santa Claus Fund. Your kindness is most appreciated by all those boys and girls who received gifts on your behalf."

Dates to Remember:

ST. URSULA CATHOLIC SCHOOL

The New Year is off to a busy start for both students and staff. Preparations are underway for the Gr. 6,7 & 8 Public Speaking Contest to be judged on January 28th. The winners will go on to compete at St. Edmund Campion Catholic School on February 3rd. Winners from Gr.7 & 8 will participate in the C.W.L. Contest at St. Martin de Porres School on February 11th at 7:30 p.m. Students from younger grades will be sharing speeches with their classmates and teachers.

Projects are being prepared for a Science Math Fair to take place on February 26th. Successful entries will be presented at the Regional Science and Math Fair, on March 7th at St. Aidan's School.

On January 15th, students from Gr.2 to Gr.8 gathered in the Auditorium for a presentation on this year's Multiple Sclerosis Read-a-thon. This has been an undertaking that has produced, in the past, an eager response and a good deal of reading for a worthy cause.

Grade 6, with Mr. Broga, spent an interesting and informative morning at the Art Gallery of Ontario, on January 13th, learning about print-making and sculpture. On January 30th, they will receive instruction on brass rubbings and, it is rumoured, possibly bring back a sample for the pleasure of all!

On January 30th, Gr.6 students with Mrs. Green and several parents will venture forth into the community to provide a Day of Service. The Gr.8 students participated in a similar exercise during early December, and expressed a good deal of satisfaction with a day spent at various places of help in the community including Sick Children's Hospital, Pelletier House, the Good Shepherd Refuge, the Distress Centre and the Red Cross. This Day of Service represents the culmination of studies centred around Confirmation and self-commitment.

Mrs. Park's Gr.1 and Mrs. Cavanaugh's Gr.2 relived happy memories of a pre-Christmas visit to "Hansel and Gretel", when they received a gift of a Gingerbread House!

Guildwood's First Choice

Barb Ahrens

Business: 293-1992
Residence: 293-1615

For all Real Estate Services

Newcome will commence by February, for Primary students, under the direction of Mr. Cavanaugh and Mrs. Schofield.

Mr. Broga has arranged for his Gr.6 students to participate in a First-Aid course given by Bell Telephone Company on February 24th.

Weather seems to be ideal this winter for Cross-Country skiing, and a number of outings have been arranged. Grades 4, 5 and 6 will leave for Bruce's Mills on Friday, February 6th, where instruction and a day's skiing will be enjoyed, while Gr.7 & 8 students will be involved in similar fashion at Pleasure Valley, on February 13th.

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Where a warm welcome awaits you
Interim Moderator: Dr.A.G. MacDougall
Phone: Bus. 441-1111
Church 261-4037

Services: 11 a.m. Sundays
Church School 10 a.m. Grs. 7 & 8
11 a.m. Nursery &
Grs. Jr.K. to 6

Our Vacancy Committee has been very active since fall, screening candidates for minister of our church. Their task is virtually complete now, as they have made their choice as to the one who will preach for the call. The Rev. James A. Sitler, Minister of First Presbyterian Church in Montreal, has been invited to conduct

the Service on Feb.15th. So we expect to have a "full house" for this important occasion.

Our hard-working church secretary, Mrs. Joan McLeod has been busy typing the annual reports of all our organizations and committees for presentation to the Annual Meeting later in February. Dr. Goodwill MacDougall continues to do an outstanding job as our Interim Moderator.

On February 22nd, we look forward to "mission Education Sunday", when our guest speaker will be the Rev. J.P. Schissler, who served for a time as Director of the Kenora Fellowship Centre which ministers to native Indian Canadians. For a five-year period, a top priority of the Presbyterian Church in Canada is the church's ministry to native people, and this will be an opportunity for us to learn more about the nature of the work, the problems involved, and the successes experienced. After the service, we will have a chance to meet and chat with Rev. Schissler and his wife.

A Congregational Pot Luck Supper on February 28th will be followed by entertainment arranged by the various organizations in the church. If last year's evening is any indication, we will have some

YOU WROTE US TO SAY

Dear Editor:

A MUNICIPAL CANDIDATES "THANK YOU"

The great advantage to running in a municipal election is that the excitement and exhilaration of the campaign is unbroken until it is all over. Only at the end do you find out if you won or lost. The campaign is not marred by seeing your competition pull ahead because nobody knows who is winning until they have won. It is not like a track race where each contestant can see who is in front and who at the rear. It is more like a sailing race where everybody takes off in which whichway trying to find the favourable voter breeze. Because you do not know, losing like I did in no way deters from the fun and excitement.

In a campaign you learn how generous people are to teach you what you do not know. The Ward has many more apartment tenants than I expected and quite a few social problems which may be of interest in future articles. In addition to these things, I learned why politi-

cians seem so bland and why every one of them seem to be saying the same thing. Assuming the objective is to win and that you have devoted time and money to the campaign for that purpose then, if you are serious, you soon find out that two people will vote against what you say for every one person you convince.

My conclusion is that, contrary to popular opinion, campaigns are not to inform the voter of the issues for you can only remind them of what they already know. If you take the time to explain, the reaction of most people is a yawn because they have just heard six before you and still have six after you and no one, including me, finds political comment so profound as to keep me awake all night. If you skim the issues no one will really appreciate the significance and therefore your significance. No sour grapes intended, but if the voter does not already know the issues in a local election not covered by detailed newspaper and television comment then they will not learn it in the campaign for a final and more compelling reason. Each

candidate knows that you will insult more voters by being opinionated or a hard liner than you will if you appear reasonable and flexible and saying nothing is the best possible way to appear reasonable and flexible.

If what I have suggested is true, and I believe it is, then real change does not come about by some politician shouting from the roof tops during a campaign, but will only occur when the voter has settled the issues at the back of his mind even before the campaign. Change is not brought about by the politicians, but by the individual voter. I like that and it was worthwhile learning.

JOHN MACKIE

**GUILDWOOD COMMUNITY CHURCH
(FROM PAGE L4)**

pleasant treats in store.

We wish to thank one of our members, Mrs. Diane Pendock, who conceived the idea of holding a Variety Night at Laurier Collegiate in conjunction with Holy Trinity and Washington United. Mrs. Pendock has arranged for a wonderful assortment of professional talent for "Spring Fever Festival" on Saturday, April 25th. For example, in addition to the Metro Police Male Choir, there will be a world class gymnast, and a baton twirler who has ranked third in the world. And much more - all for the modest price of \$3. for adults, and \$2. for Seniors and children. It is expected that tickets will go quickly, so call Mrs. Pendock, 264-3548, to arrange for yours.

Our Vietnamese family and teenage boys were guests of honour at a dinner party in January at the home of Mr. and Mrs. George Fullerton of South Marine Drive. Several delicious Vietnamese casseroles and soups were included in the meal enjoyed by over 60 guests.

We celebrate with Mr. and Mrs. Jim Cooper of Somerdale Sq., who recently learned that their son Ronald Gould Cooper, who is confined to a wheelchair, has been made a Queen's Counsel (Q.C.).

Before you know it, this snow will be a thing of the past, and we'll be into Lent and the anticipation of Easter events. If you haven't been attending church regularly, we invite you to come and "get involved". The rewards are beyond measure.

SWIMMING AVAILABLE

AT LAURIER POOL

Winter blahs? No Florida or Nassau because of money shorts? How about a series of swims to cheer you up? Swimming is available to the public Fridays, Saturdays and Sundays at our own Sir Wilfrid Laurier Collegiate swimming pool.

The pool is available for community swimming Friday evenings from 7 to 9 p.m., Saturday--same hours and Sunday afternoon from 2 to 4 p.m. It is not for free, but has a charge of \$1.00 for adults and 50 cents for children.

Concerning water safety and the fact that too many of our fellow Canadians die every year from drowning, Jean Gilly of Scarborough Parks and Recreation stated last week that there will be swimming lessons for children and adults at the Laurier pool with registration Saturday, February 7th. The registration will take place in the school cafeteria from 10 P.M. to 12 Noon.

RECYCLING

Don't throw it, stow it, and by stowing it right your trash can be reused by recycling.

The Scarborough Works Department has several recycling depots with appropriate bins for glass bottles, metal cans and bundled newspapers. The depots are open seven days a week, twenty-four hours a day.

There is a Morningside Recycling Depot, and that is located beside the

Works Department Morningside Yard on the east side of Morningside Avenue north of Military Trail.

Other recycling depots are located at:

Lawrence Avenue, south side, east of Port Union Road on the G.E. plant property. This is a Saturday morning deal operated by the Scarborough East Recycling project. Glass bottles and metal cans only.

Waste motor oil? Take it to

the facility beside the Ellesmere yard on Midland Avenue north of Ellesmere.

Two other depots are for glass bottles and metal cans only. Modern Road beside the PUC yard west of Underwriters Road and Kingston Road at Kildonan Drive on the service station property.

These locations are not garbage dumps. They are recycling depots and the material gathered is channelled back into industry.

So don't throw it -- stow it.

REPORTS

SHIRLEY TOMLINSON SCHOOL TRUSTEE Grade four French instruction

Scarborough's elementary schools will begin a program of French instruction at the Grade 4 level in September of 1981 and add Grade 5 French in September 1982. Scarborough students now receive French instruction in Grades 6, 7 and 8 and by 1982 will receive five years of French instruction before secondary school.

The Board plans to hire enough teachers with French language qualifications to launch the Grade 4 program and then to do the same for the Grade 5 program the following year. We are presently using French itinerant teachers who are each assigned to several schools. Our ultimate goal is to have one teacher on the staff of each elementary and senior school to handle the program for that school.

Scarborough has early French Immersion programs located in five elementary schools and these are highly successful and popular programs. The French as a Second Language Committee, which I chair, is now looking at an immersion pro-

gram for Grades 7 and 8, where students would take nearly all subjects in French.

Strap

For the fourth time in four years, the Scarborough Board of Education voted by a narrow margin to retain the strap in Scarborough schools. Our present policy for Scarborough's elementary schools was developed in consultation with our teachers, principals, parent associations and officials. I believe it to be fair and workable and it is strongly supported by the majority of parents in this Borough and across the province.

Our policy asks that Principals use other means of discipline for children with emotional problems or those who commit minor misdeeds and use the strap only as a last resort for the few students who fail to respond to reason or warnings. Principals always contact parents for permission to strap and record the reason for its use.

In my eight years as a trustee, I have received no calls or complaints from parents on the use or abuse of the strap. Other trustees

report the same response. Most of our schools report no use of the strap over the past year and the remainder report only occasional use.

I welcome your comments on this matter

I can be reached at 261-1245.

3RD EAST SCARBOROUGH BEAVERS CUBS AND SCOUTS

Many parents are concerned about the disaffection, cynicism and apathy of our young people. The scouting program of the 3rd East Scarborough group is designed to redress such problems with an exciting, creative and worthwhile structure of activities as part of the Scouting movement.

If you have a boy who would like to try Scouting, mark down Monday, Sept. 14 as registration day for Beavers (age 5-7), Cubs (age 8-11) and Scouts (age 11-14). In fact, you need not wait until next Fall; our youth and our neighborhood need some volunteer help now. For more information, call Doug Chute at 261-8675.

MARGARET BIRCH M.P.P., Provincial Secretary for Social Development

A special thank you to the residents in the Guildwood Community for their support during the Provincial Election on March 19, 1981. Your vote of confidence is greatly appreciated.

My Scarborough AID office, located at 4286 Kingston Road, Unit 1, will continue to be open to serve all constituents in Scarborough East. The office is open Monday to Friday, 8:30 a.m. to 5 p.m. and Monday evenings for personal appointments after 7 p.m. The telephone number is 281-2787.

If you have any concerns which you would like to discuss with me, please do not hesitate to contact my office in Queen's Park (965-6502).

Students Looking for Jobs

What every student needs to find a job this summer is "The Edge," a special handbook to assist young people find work in the highly competitive job market. The handbook includes models for preparing a resume and application letter. It

suggests tips on how to make a good impression when you go for an interview. Use the checklist provided to make sure you're doing everything you possibly can to get the best job for yourself. Copies are available in the Scarborough AID office.

Student Venture Capital

If you want to be your own boss this summer, perhaps Student Venture Capital is for you. The Ontario Youth Secretariat offers interest-free loans, to a maximum of \$1,000 per venture, to persons who are 16 years of age or over who are returning to full-time study in the fall. For information, call the Scarborough AID office.

Ontario Youth Employment Program

The Ontario Youth Employment Program is being continued in 1981 to create job opportunities for the young people of the province. OYEP is designed to benefit both employers and the young people by:

- creating new full-time job opportunities for Ontario's young people.
- providing young people with valuable work experience, skills, contacts, and references that will better prepare them for permanent participation in

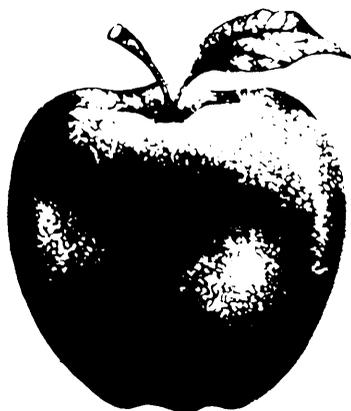

the labor force.

- encouraging additional productive activity by reducing the cost of summer labor to Ontario's farms and businesses.
- assisting the farm and business sectors in recruiting young people for future employment.

If you want to participate in OYEP this year, you should apply now. The deadline for applications is July 3, 1981, or earlier if all grant funds have been allocated. For complete program guidelines, application forms, or more information, contact the Subsidies Branch, Ministry of Intergovernmental Affairs, Queen's Park, Toronto, M7A 2R8. Telephone number (416) 965-0570.

Women in the Workplace

The Women's Bureau of the Ministry of Labour is making available "A Blueprint for Employers: Women in the Workplace." The booklet presents an overall view of labor legislation, affirmative action, non-traditional work, job evaluation, career development and sexual harassment and focuses on the position management can take in changing the status of women in the workplace. Copies are available in the Scarborough AID office.

GORDON GILCHRIST M.P.

June 3, 1981 is Census Day in Canada -- the day when you and I and more than 24 million other Canadians will be asked to count ourselves in by filling out a census questionnaire.

The census is a 315-year old tradition in Canada and we are required under the law to complete the census form. All information you provide will be kept strictly confidential, but combined with data from others it helps to form the complete picture of Canada needed at the start of the 80s. Your participation will ensure a complete and accurate 1981 Census that will benefit all of us.

Information from the Census of Population is put to a variety of uses that affect us all -- from the allocation of federal assistance and grants to the selection of new hospital sites. Similarly, fundamental policy decisions concerning the food system are based on data gathered in the Census of Agriculture, which will be conducted the same day, June 3, on Canadian farming across this nation.

During the summer the Scarborough East Constituency Office will be open and the staff at your service. Remember that in addition to the regular services we offer, we maintain a wide variety of Government pamphlets. You are welcome to drop in to the Constituency Office at Suite 206, 3464 Kingston Road and pick up any of these pamphlets, or give us a call at 264-3241 and we would be pleased to mail them to you.

After you "count yourselves in," have a happy summer.

ED. FULTON, ALDERMAN

The Metropolitan Toronto Corporation and the Borough of Scarborough recently approved their 1981 Current Operating Budgets. Metro approved an expenditure of \$866 million, including an increase in the Police Department's budget of nearly \$27 million. Scarborough's budget was approximately \$103 million, an increase of 9.2%. The result to the homeowner is an increase of about \$105 on an assessment of \$6,000. Details of the above budgets are available upon request.

I have had further discussions

with representatives of Imperial Oil and other interested parties concerning the eventual use of the abandoned Esso site at Prince Philip Blvd. and Guildwood Parkway. By the end of May, I expect to receive a development proposal which I will discuss with your Executive. Depending on the details of the application, it may be advisable to present the proposal at a future meeting of the Association.

Metro Council has appointed me to the Guild Inn Task Force. I have had one meeting with your Executive to discuss, in general terms, the preliminary findings of the consultants hired by Metro to assist in determining the Guild's future. The Task Force has agreed to invite the sub-committee of the Guildwood Village Community Association for discussions, probably before the end of June, and to ask for comments and recommendations.

If you wish further information on any of the foregoing, or if I can be of assistance to you with any other matter, please call me at 267-6720 or 296-7708.

SCHOOLS

ELIZABETH SIMCOE JUNIOR PUBLIC SCHOOL

For the final edition of the News and Views before the summer, we would like to focus community attention on a group of girls and boys who perform a very valuable service for the students in our school.

Our Grade 5 and 6 Safety Patrollers are on the job regardless of the weather, keeping watch over the three main crossings in our area and conducting the kindergarten children across our busiest streets in the morning and afternoons. Here are their names:

CAPTAIN: Terry Wasilishin

Wendy Allison	Laura Johnston
Robin Asae	Fiona Kennedy
Cathy Barless	Marion Lewin
Jennifer Bosa	Penny Locke
Sean Clark	Wendy Ludwig
Joanne Cooksey	Michelle McDayter
Lisa Corby	Janet McGhee

ST. URSULA CATHOLIC SCHOOL

During the past few months a number of dramatic presentations have been enjoyed by students from all grades.

Much enthusiasm was generated throughout the grades by the Science Math Fair and both participants and viewers enjoyed the results.

Winners selected were:

Chemistry: Natalie Mauters and Andrea Yhap, Melanie Stalteri and Marisa Di Raimondo.

Biology: Chrisanne Phypher and Cheryl Nicholson and Michelle De Sa.

Earth/ Environmental Science: Nadine Rynyk, Jenny Eaton and

Elizabeth McIsaac.

Michelle De Sa, a Grade 7 student, placed third in the Toronto Diocesan C.W.L. Public Speaking Contest, held at St. Edward's School on Sunday, April 12.

There was an enthusiastic response to the Multiple Sclerosis Read-A-Thon, and a total of 460 books were read, raising \$459.39. Sean Chung, in Grade 2 raised \$93.00, David Matthews in Grade 2 raised \$45.15 and Deanna Fucco in Grade 3 raised \$37.50.

A W5H Quiz was held at St. Martin de Porres School on Tuesday, April 14 and Thursday, April 16. St. Ursula School was represented by Michelle De Sa, Elizabeth McIsaac, Michael Spohn, Michael Souilliere, Peter Stachiw, Philip Bowden and Stephen Remedios.

On Saturday, April 25, Elizabeth McIsaac and Michael Spohn represented St. Ursula School at the Kiwanis Academic Achievement Contest.

The Badminton team from Grades 7 & 8, coached by Mrs. Barclay, participated in the Scarborough-East York Tournament

at Scarboro College on Thursday, April 9. Team members were Jennifer Eaton, Elizabeth McIsaac, Cheryl Nicholson, Nadine Rynyk, Stephen Remedios, Greg Donegan, Philip Bowden, and also Michael Souilliere and Paul Canham, who placed 2nd in the boys' Doubles Tournament.

There has been keen interest in Cross-Country Running, under the guidance of Mr. Broderick. When the weather was inclement, the students exercised indoors after 4 p.m. The results have been rewarding, as shown at the "C" Division, Morningside Park Meet, when 32 of the 38 students qualified for the Scarborough-East York Finals on Thursday, April 30.

The following runners also qualify for the Scarborough-East York Finals: Michelle Logue, Suzanne Mahood, Debbie Whitley, Fred Ortencio. Winners of this meet, (with the exception of the 9 yr. olds) will be eligible to participate in the Metro Finals on Wednesday, May 6 at High Park.

CHURCHES

GUILDWOOD COMMUNITY PRESBYTERIAN CHURCH

Where a warm welcome awaits you

Interim Moderator:-
Dr. A. Goodwill MacDougall
Phone: Bus. 441-1111
Church 261-4037

Services: 11 a.m. Sundays

Church School: 10 a.m. G 7 & 8
11 a.m. Nursery &
G J-K to 6

Our new minister, the Rev. James Sitler, will take up his duties early in June. In the meantime, renovations are under way at the manse.

The Rev. Sitler is a graduate of the University of Waterloo and Knox College. After being ordained in 1972, he served three years at North Park Presbyterian Church in Toronto. Then he began his present post as minister of First Presbyterian Church in Montreal. We look forward to welcoming Mr. Sitler, his wife Gwendolyn, and their two sons, Matthew, 9, and Justin, 6. It is expected that he will conduct his first Service of Worship on June 14.

On May 31, we will be holding our annual congregational picnic at Thompson Park.

On June 7, Dr. Goodwill MacDougall will conclude his year as our Interim Moderator with the Sacrament of Holy Communion. We have indeed been blessed with Dr. MacDougall's dedication and guidance over this period when we were selecting a new minister.

June 21 is the date of the annual Ecumenical Service of Worship held on the lawn of Holy Trinity in conjunction with Guildwood Day. If the weather does not co-operate, the service will be held in our church. So mark your calendar now, and bring along the family for this community Worship Service.

Our summer services will again be held in co-operation with Melville Church. Mr. Sitler will conduct services in July at both churches, while Mr. Whyte will be responsible for August. All summer services at Guildwood are at 9:45 a.m., beginning July 5.

WASHINGTON UNITED CHURCH

Ministers: The Rev. Glenn Tenpenny
Mrs. Kay Cho

Church Telephone: 267-8265
Secretary: Mrs. Elaine Kozie

Our last publication in the News and Views outlined a series of events which focused on social concerns common to us all. The topics, under the general heading "Coping with Changes," covered Retirement; Marriage, Separation and Divorce; Womanhood; Grief and Dying; Human Sexuality and the Church; and Parenting.

Our Lenten project this year

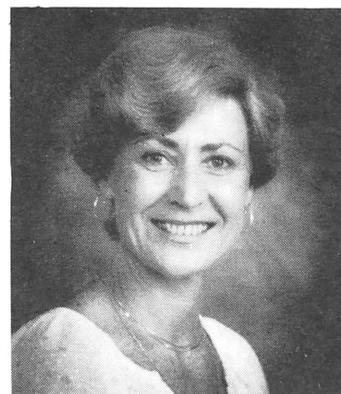

The Name Friends Recommend

The West Hill office located at 4547 Kingston Rd., (next to the Post Office) is pleased to announce that once again June Evanoff is the top sales person of the Year.

June has handled \$4,000,000 of Real Estate Volume during 1980 with the vast majority of that volume being sold in Guildwood Village.

You are invited to call June for any and all your Real Estate needs.

CHURCH OF THE HOLY TRINITY

We welcomed Bishop Allan Read as our Regional Bishop (The Highland District) on March 8, then we bade him farewell on Maundy Thursday, April 16. Our good wishes go with him as he goes to be the Bishop of Ontario based in Kingston.

On April 26, we welcomed into our church family by Baptism, Lisa Patricia Whalen, daughter of Brian and Jo-Ann Whalen. Our next service of Baptism will be held on May 24.

Once again this year, Holy Trinity will be serving refreshments on Guildwood Day. Hamburgers, hot dogs, popcorn, chips, soft drinks and coffee will be available at reasonable prices.

You are invited to attend Guildwood Ecumenical Service June 21 at 10 a.m. to be held on the lawn at Holy Trinity.

On the first Sunday in June, We will be changing to our summer schedule with services held at 8:00 a.m. and 10:00 a.m. This will continue throughout June, July and August.

DATES TO REMEMBER

June 7- Pentecost June 14 Trinity Sunday
June 21-Ecumenical service followed by church picnic at Thompson Park.

ANNUAL DINNER AND DANCE

This year Masaryk Town on Scarborough Golf Club Road hosted Guildwood's annual dinner and dance. The highlight of the evening was a superb dinner consisting of mushroom and leek soup, salad, veal Cordon Bleu and asparagus. Pastries were served later in the evening, after a couple of hours of dancing to Gord Barber's excellent selection of music.

Although attendance was lower than anticipated, everyone at the dance had a most enjoyable evening. The Guildwood Village Community Association would like to thank Faye Wadsworth, Lorraine Walker, Chisholm McDonald, Ted MacIntosh, Beverly O'Hearn and John Mitchell for their extra assistance in selling tickets.

The association would also like to thank the following merchants for their donations of door prizes and spot dance prizes:

- Guildwood Home Hardware
- Nino and Vincent Hairstylists
- Dusk to Dawn Shop
- Judy's Village Shoppe
- Parkway Travel
- Guildwood Cleaners
- Guildwood Pizza
- Loblaws
- Dominion Stores
- Scotts Chicken Villas
- The C.N. Tower
- The Blue Jays
- National Jewellers

Washington United Church - continued was to support the summer camp program at Participation House in Markham. We are delighted that we were able to meet our goal and a presentation will be made to the Director of Participation House, Mrs. Pahl, during our worship service on May 10.

Music continues to play a vital role at Washington. During May and June several young people will participate in the services as soloists and instrumentalists. Some of those who will be sharing their talents include Samuel Ho, Janis Coulter, Don McLean and Grace Bender.

At 8 p.m. on Thursday, June 11, the choir presents "June Tunes '81," an evening of secular music when everyone -- choir and audience -- is intended to "have fun." Plan to join us.

Summer plans include a Vacation Bible School for children aged 4 to 11, which will be held the week of August 10 - 14, from 9:30-12:00 a.m. For further information about this event contact Kay Cho at 267-8265.

GUILDWOOD DAY EVENTS

SATURDAY JUNE 20TH 1981 (RAIN DATE SUNDAY)
LAURIER COLLEGIATE - REAR GROUNDS

Guildwood Day promises to have something for everyone, from the decorated bicycle parade in the morning to the evening band show and fireworks. There is a lot planned, and we'll have a few surprises. Plan to attend and make this year's Canada Day a resounding success.

DESCRIPTION & TIME OF EVENTS:

- 10:30 AM The decorated bicycle, tricycle, wagon and float parade will assemble at Guildwood Villa, proceed East along the Parkway to Laurier Collegiate for judging and award of ribbons. So come on kids, start our day off with a bang!
- 10:00 AM Flea Market will open in Laurier grounds. Space may be purchased for \$10. (Non-G.V.C.A. Members will be charged \$15) This will be paid prior to June, payable to G.V.C.A. To confirm space, contact Bob O'Hearn @266-7006. Bring your own table and Junque.
- TO
3:00 PM
- 10:00 AM Pancake Breakfast at the Guildwood Plaza will again be provided by the Presbyterian Church.
TO
12 NOON

11:00 AM Members of the Holy Trinity Anglican Church have again taken on the Snack Bar Concession and will sell hamburgers, hot dogs, hot and cold drinks throughout the day and evening.

1:00 PM Guildwood Day will feature an assortment of races for all age groups along with the ever popular Egg Toss event. Ribbons will be awarded. Gigantic Bake Sale. Games for the kids. Fish pond, ring toss, pony rides, and the old Dunking Machine making a come back with many surprise dunkees, including your Alderman, Ed Fulton!

TO
5:00 PM

Ongoing events will include kite flying and model aircraft demonstrations, freckle-face contest, adult baseball game, and Helium Balloon-Card send off.

3:30 PM HOT AIR BALLOON demonstration by some of Canada's top Balloonists!

7:00 PM Gala Evening Parade will assemble at Laurier Collegiate and proceed through the Village. Parade will return to Laurier for evening events. The parade will include The Highland Creek Pipe Band, 180th Air Cadet Band, Cubs, Brownies, Beavers, Sesame Street characters, Markham Majorettes, and dignitaries. Also our Monte Carlo games will open for adult entertainment. Come and take a chance!

8:45 PM Evening show will include a mini band tattoo featuring three trumpet bands to be confirmed after this publication. The Markham Majorette and the Highland Creek Pipe Band. Prizes will be awarded.

9:50 PM GALA FIREWORKS DISPLAY AT DARK!

10:20 PM Teen dance with live group will be rocking till 11:30 pm.

Guildwood Day takes many people to make it work. Anyone wishing to help with the day, please contact Bev O'Hearn @266-7006 Fred Johnson @261-1352

Thank you and see you on June 20th.
