

# Agricultural Association for Upper Canada.

TORONTO, AUGUST 6TH, 1862.

Sir,

The undersigned have been appointed, by the Council of the Association, a Committee to secure competent Judges in the Arts and Manufactures Department of the Provincial Exhibition, to be held in the City of Toronto, commencing on Tuesday, the 27th day of September next.

The plan adopted three years ago, and which has been found to work very satisfactorily, is again proposed to be carried out, namely: to apply to Mechanics' Institutes to nominate certain of their Members, or others, to act as Judges in different Classes of this Department; particularly desiring that, in the first place, efficient men may be selected; and secondly, such as will attend to the duty. The Committee of your Institute is therefore respectfully requested to nominate not more than four persons, the same being non-Exhibitors, and transmit their names to the Secretary by the first of September next; specifying also the Classes in which the parties nominated respectively consent to act. From the lists thus furnished the selections will be made, and the result, so far as your Institute is concerned, will be communicated to you, and to the parties selected, forthwith.

The amount of remuneration allowed by the Association, to each of the Judges, toward meeting expenses, is four dollars.
