Soapine

The Dirt Killer!

FOR WASHING CLOTHES
AND CLEANING EVERYTHING,
No Matter What!

*Will do it Easier, Quicker, Cheaper and
Better than Soap, Sal Soda, Borax,
Washing Crystals, or any
other Preparation.*

*It will be used in every house as soon as
its merits are known
as it relieves the drudgery of washing
and scrubbing.*

Without Injury to Hands, Fabric or Material.

Soapine

MAKES HARD WATER SOFT,

And Makes Splendid Soft Soap.

A tablespoonful of SOAPINE dissolved in a
Pail of Boiling Water makes a Suds that
Removes Dirt and Grease with
Astonishing Despatch.
