

## FIVE THINGS

THERE ARE AT LEAST FIVE THINGS THAT BURDOCK  
BLOOD BITTERS CAN DO AND WILL DO.

---

1. They will cure all weaknesses of the stomach, such as loss of appetite, indigestion and dyspepsia. If you want to eat a hearty meal, this is the medicine you need.

2. They will remove every vestige of disease from the blood, such as erysipelas, salt rheum, scrofula, chronic sores, pimples, blotches, etc., being an unexcelled purifying and strengthening medicine.

3. They will cure constipation, and sick headache in every instance of their use. Don't suffer from either of these troubles, when you have a perfect remedy in BURDOCK BLOOD BITTERS.

4. Thousands of people are steadily failing in health yet do not know what ails them. BURDOCK BLOOD BITTERS will cure this class of people. They will build up the wasted vital forces. Let no debilitated person fail to test them.

5. BURDOCK BLOOD BITTERS will convince the user of them that they stand in front and at the top of all proprietary and non-proprietary medicines. Try once.
