

AYER'S CATHARTIC PILLS.  
(THE COUNTRY DOCTOR.)

**AYER'S PILLS** supply the universal want of a safe and reliable purgative medicine. The disorders which they are designed to cure, and for which they prove a sure remedy, are all caused by the derangement of one or more of the digestive and assimilative organs, and include Constipation or Costiveness, Indigestion, Dyspepsia, Biliousness, Heartburn, Loss of Appetite, Flatulency, Foul Stomach, Nausea, Dizziness, Headache, Numbness, Jaundice, Diarrhoea, Dysentery, and Disorders of the Liver.

Eruptions and Skin Diseases, and Piles, when the result of Indigestion or Constipation, are cured by the use of **AYER'S PILLS**. They are, also, often the best remedy for Rheumatism, Gout, Neuralgia, Dropsy, Kidney Complaints, and other disorders arising from a reduced condition of the system, or the obstruction of its functions. In Colds they operate beneficially by opening the pores, removing inflammatory secretions, and allaying fever.

**AYER'S PILLS** are made of vegetable ingredients only, and may be administered even to children with perfect safety. They are sugar-coated, and pleasant to take; and for all the purposes of a cathartic medicine they are unequalled.

*AYER'S PILLS are usually put up in oval wooden boxes; but for hot and damp climates, and for export, in sealed glass vials, as above represented.*
