THE LEADING PAPERS OF CANADA

The MAIL is really the only great paper we have in Canada, and it can afford to be independent of any party or any set of politicians. It has ample capital at its back; it has the endorsement of the great bulk of the Dominion, and a large circulation in every Province.—Port Hope Times.

The Toronto Daily Mail.

All other Canadian papers combined do not equal it.—Chicago Tribune. Unquestionably stands at the head of the press of the Dominion.—Brookville Monitor. The MAIL is most decidedly the best paper in Canada.—Thornbury Standard. The MAIL is the best paper in the Dominion. It has the finest office on the continent, and is equipped with the best and fastest machinery yet invented. It is certainly far ahead of anything else in Canada. Such a paper is a credit to America.—Mitchell Advocate.

The Toronto Weekly Mail.

THE TORONTO MAIL is undoubtedly at the present time the leading journal in Canada, both in enterprise and ability, as well as in circulation and political influence.—Halifax (N.S.) Herald. The MAIL takes the lead.—Stratford Times. A paper of which Canadians have reason to feel proud.—Whitby Chronicle. The influence exerted by THE MAIL to-day is not equalled by any other Canadian paper.—Berlin News.

The Farm and Fireside.

THE ONLY AGRICULTURAL WEEKLY IN CANADA. FARM AND FIRESIDE has a guaranteed minimum circulation of 25,000 copies per week. It is taken by the leading farmers of Canada, and is read throughout the Dominion from Prince Edward Island to British Columbia. Address all communications to THE MAIL, TORONTO, Canada.
