Dear Madam,

Taylor's Infants'

Delight Soap is best for  
little folks and best for  
big folks- it is pure soap  
of finest quality, delicately  
perfumed. The creamy,  
soothing lather will cleanse  
the skin and leave it so soft  
and velvety that it will  
delight you. Buy a cake  
to-day.

Yours truly,

John Taylor & Co. Ltd.
