CHALLENGE THE SINGER

Manufacturing Co.

But the most celebrated of all "Singers" is the

# SINGER SEWING MACHINE.

---

It sings in every language; its cheering and thrifty tones are heard in the modest cottages of every land and clime, no less than in the abodes where luxury and wealth abound.

This "Singer" is the friend of all women, high and low, rich and poor, learned and unlearned. Great vocalists have sung to thousands; but this great "Singer" is now singing to millions. No one is too rich to be above needing one, and no one is too poor to own one of these untiring helpmeets, which sing sweetly (but not loudly) while it works.

Ladies are cordially invited to visit our offices and inspect our new peerless "L. F." Machines.

No trouble to explain them to callers.
