CHILDREN'S LIBRARIAN

Visited 57 classes in the Leaside schools and 114 classes came to the Library.

These contacts familiarize Leaside boys and girls with the privileges available to them, and also initiate them into the joy of reading worthwhile literature.

SPECIAL ANNOUNCEMENT

Plans have been drawn to add another room to the south of the main adult circulation room. We hope to have this space in operation before the end of 1958. This will enable your Library to supply greater service to the present 11,152 members and will adequately take care of the anticipated increase in population when Thorncliffe is developed.
