THE COFFEE PLANT grows in a Far off land,
Where there are Arabs, and Camels, and Sand

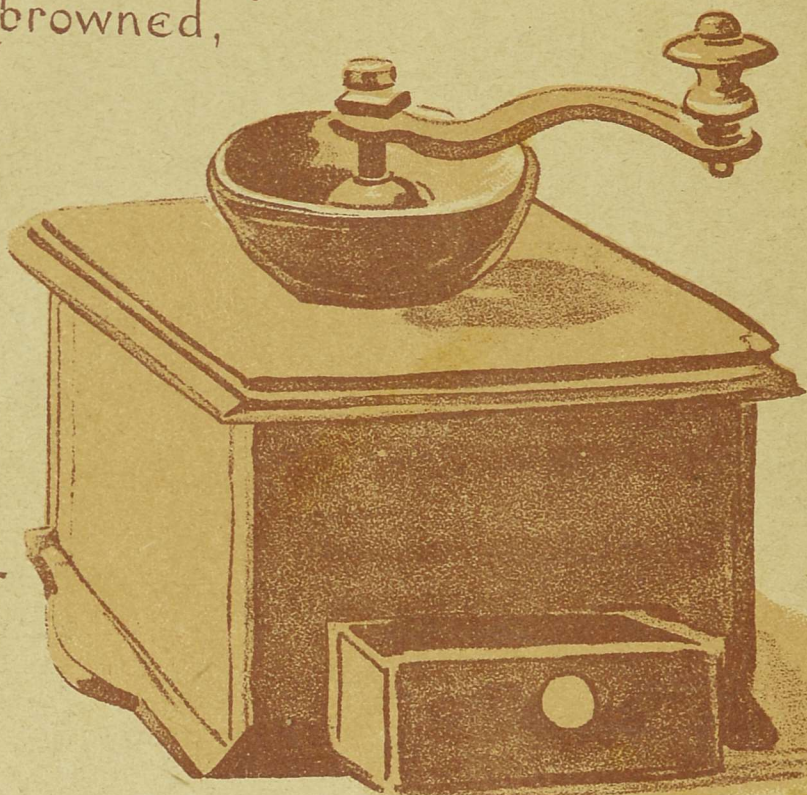

The
BERRIES

are roasted
and when they
are browned,

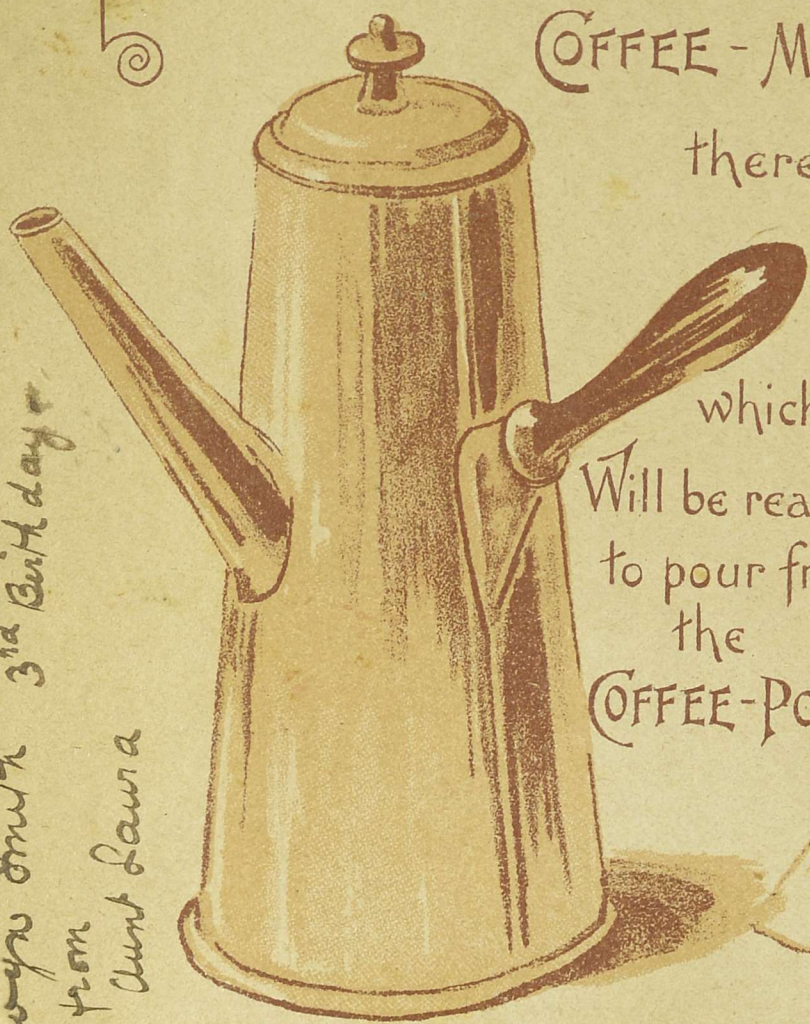

are put in a
COFFEE-MILL
there

to be ground

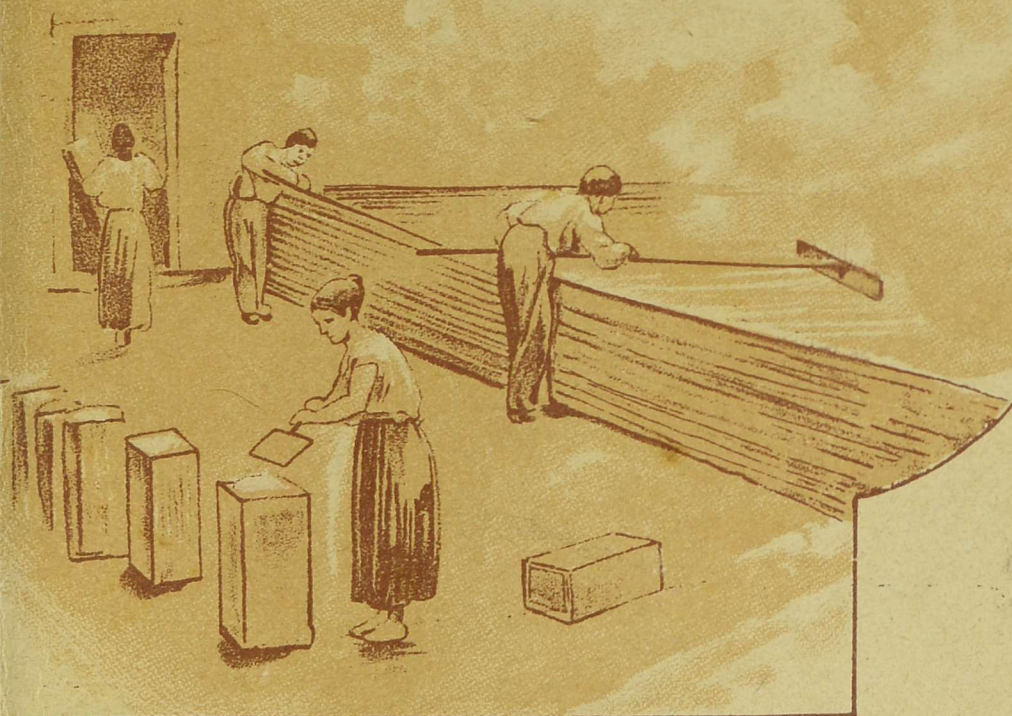

which when mixed with water quite boiling hot

Will be ready
to pour from
the
COFFEE-POT

Always with 3rd Birthday
from
Aunt Laura

SALT is found in SEA

And MINE;

We use SALT-CELLARS

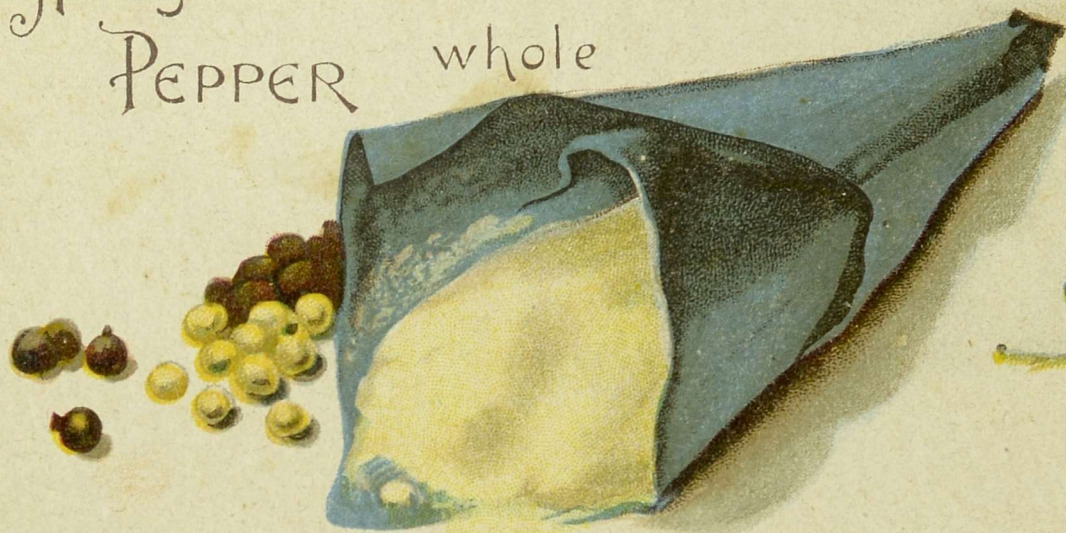

When we dine;

and SALT with ALMONDS some think fine.

Here's
PEPPER whole

and PEPPER ground
and THE PLANT
on which
the pepper's
found.

And here is the
PEPPER BOX ©

Just tilt it gently,
if you please;
The pepper, else, will

make you

SNEEZE.

Ground grains of WHEAT provide
our flour;

FROM FLOUR and water
dough
is made;

To knead the dough
and shape the loaf

Are part of every
BAKER'S
trade

Bees are gathering pollen and nectar from the flowers;

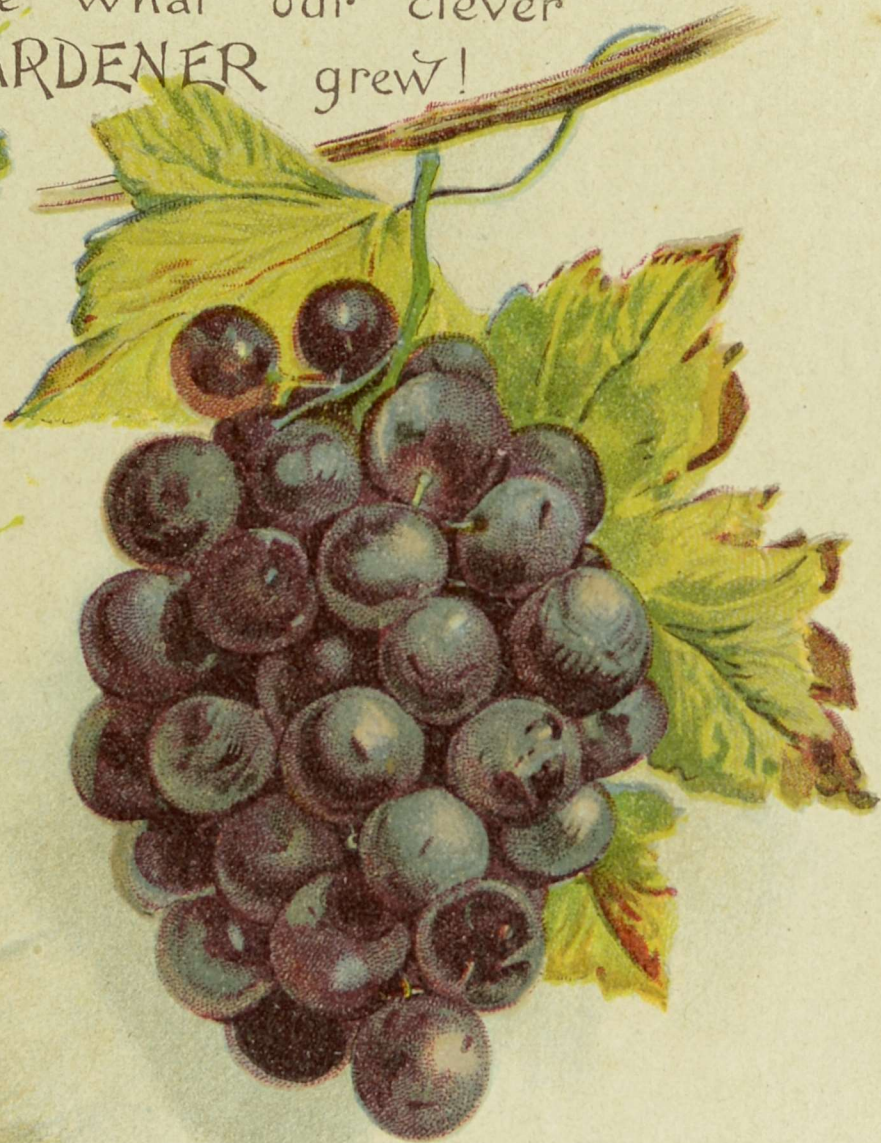

They are never idle all the sunny hours,
To the straw-roofed HIVES they bring their treasure home,

Storing up their honey in the waxen COMB.

See what our clever
GARDENER grew!

GRAPES
and a big

PINE APPLE, too

If he will send
them to the show,
He's sure to take
a prize, you know.

A TEA POT,

And, what may
this be ?

A TEA SET,

A CHINAMAN
carrying chests of tea.

Ships from India
bring us
RICE;

30

A baked
RICE-PUDDING'S
very nice.

INDIANS eat it more than you,
For breakfast, dinner,
supper, too!

This is the
FRUIT OF THE COCOA-TREE.

To make our COCOA the

seeds
must
be

Roasted and ground If then combined
With sugar,

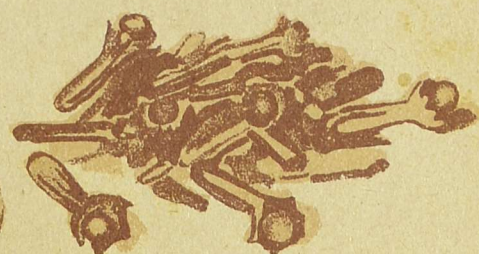

it's CHOCOLATE you'll find.

SUGAR
which little
boys so like
to eat

Comes from the
SUGAR CANE
juicy and sweet

GINGER
NUTMEGS and CLOVES

which come from the East
Are Spices and dainties that add to a feast.
