**THAT** this Council

feels that it cannot separate at this its final meeting without placing on record a warm and sincere expression of its high appreciation of the service rendered to the City by the retiring Mayor.

**JOSEPH OLIVER ESQ.**

during the past two years.

**HIS** election to this important position, on both occasions by large majorities, evidenced

the esteem and confidence of the electorate, and it must be a pleasure for him to feel that he has, by wise and energetic administration of the affairs of the City, given general satisfaction to the citizens.

**I**s not possible to make special reference here to the many important problems which have been solved during His Worship's occupancy of the Civic Chair, so the Council must be content in offering a hearty acknowledgment of the ability, wisdom and perseverance that His Worship has displayed in the conduct of the business of the City, and of the kind and courteous manner in which he has performed the onerous and exacting duties devolving upon the presiding officer of the Council.
