SCARBOROUGH PUBLIC LIBRARY

The Scarborough Public Library founded in 1955 is a community educational service supported by local taxes and provincial grants and dedicated to the ideal that the free dissemination of ideas and information on all subjects through books and other media and the provision of facilities for informal continuing education is an essential service in a democratic community.

In Scarborough as in all the municipalities of Metropolitan Toronto, the library system is governed by a Board of Trustees under The Public Libraries Act of Ontario. The Scarborough Public Library Board operates seven branch libraries, four bookmobiles and an administration centre as a free service for all who live, work, or go to school in Metropolitan Toronto.

BRANCH SERVICES

All Branches are open from 9:00 a.m. to 8:30 p.m. Monday to Friday, Saturday from 9:00 a.m. to 5:00 p.m.

The following services are provided:—

195,000 BOOKS ON ALL SUBJECTS

Ask the branch librarian for help in choosing the book, pamphlet or magazine you want. If the book you need is not in the library branch you visit, it may be reserved for you when it is returned. Ask at the desk for the simple request form. You will be notified by mail when your request is available.

INFORMATION AND RESEARCH

Our staff of trained librarians is at your service to help you with your requests for information, statistics and study materials. You may need up-to-date marketing information or facts about a trade school, university or extension course, or you may wish to investigate a new field of knowledge or improve your golf game. We count this assistance as one of our most important services, and to satisfy your inquiry we use our stock of reference books, encyclopedia, periodical indexes, pamphlets, etc. or we may consult the reference collection of a larger library.

INTER-LIBRARY LOANS

Our book stock is inadequate for many specialized needs, but we make every effort to obtain the material you wish from other libraries in Metro or from the National Library or other special collections. Ask at the desk for the simple request form. You will be notified by mail when your request is available.

CHILDREN'S SERVICES

Each of our branches has a carefully chosen collection of children's books and a staff member trained especially in this field available to be of assistance to the child or the parent.

There are also regular story hours for pre-schoolers and older children in some of our branches and many other children's activities. The story hours at Bendale Branch for instance are led by Lyn Cook, author of a modern classic for boys and girls "Bells on Finland Street" and occasionally Miss Cook conducts "creative drama" groups on Saturday mornings. Also we support a touring puppet theatre operated by children. Inquire at your branch for the time of our children's activities.

FILM SERVICE

Our selection of 100 educational films for adults and children is housed in the McGregor Park Branch. This service is provided for any group or club wishing to include educational films in its programme or prelude a discussion of a subject with an appropriate film. The film librarian will recommend the right one for your purpose and supply a projector and an operator if needed. In addition to our own stock of films, the library as a member of the Metropolitan Film Pool has access to thousands of films from many sources. In addition, films are shown occasionally in our branches as a feature on our extension programmes.

Charges are as follows:

| | |
|-------------------------------|--------------|
| Projector and Screen | \$2.00 |
| Screen only | 1.00 |
| Films - Black and White | .35/10 mins. |
| - Coloured | .70/10 mins. |

BOOKMOBILE SERVICE

Four bookmobiles operate out of our Administration Centre and call at fifty locations on a weekly schedule. Each vehicle carries a selection of about 3,500 books. Requests for books not found on board are accepted and obtained as quickly as possible. Phone 291-1991 for the location and schedule of your nearest bookmobile stop.

THE LIBRARY AND THE COMMUNITY

During the year we worked along with other groups, Boards and Commissions to benefit our community. Talks were given, book lists printed, displays arranged, thousands of books were reviewed, selected, ordered and processed for use, publicity was arranged and a limited extension programme was organized in our Bendale Branch. Although our facilities are still inadequate for the area, they are used more intensely than those of almost any community in Canada and the demand continues to grow each year.

GIFTS TO THE LIBRARY

We receive many hundreds of books as gifts from interested residents of Scarborough. Although we can accommodate only a limited number on our shelves and although many gift books are not suitable and must be discarded, we are always pleased to receive gifts of value and if they are found suitable will be pleased to make them available to our readers by adding them to the collection.
