CLOSE SEASON FOR GAME.

The close season for deer, elk, moose, reindeer and caribou is from 15th November to 1st November of the following year, but no moose, elk, reindeer or caribou must be hunted or killed before the 1st of November, 1900. No dogs must be allowed to run deer in the close season.

No resident of Ontario shall hunt or kill deer without a license signed by the Chief Game Warden and the Provincial Secretary or his deputy, the fee for which is two dollars. To each license is attached two coupons, one of which is to be attached to each deer or part of a deer shipped.

No person shall kill more than two deer, elk, moose, reindeer or caribou in the season. Hunting or killing deer by what is known as "crusting" or while they are "yarding" is forbidden also while in the waters of any river or lake, or immediately after leaving such waters. No common carrier or other person shall transport or have in possession for that purpose, after the same has been killed, any wild deer, the head or raw skin thereof, or any venison, save only from 1st November to 22nd November in each year, unless accompanied by an affidavit that same was taken during the open season, and unless there be attached thereto one of the shipping coupons belonging to the license authorizing the shipper to hunt or kill deer

The close season for grouse, pheasants, prairie fowl, partridge, woodcock, snipe, gull, plover or other water fowl or game bird or animal, including black or grey squirrels and hares, is from the 15th December to the 15th September in the following year. For quail or wild turkeys, from 15th December to 15th October of the following year, but no wild turkeys must be killed before 15th October, 1900, and no prarie fowl or English or Mongolian pheasants before the 15th September, 1900.

The close season for swans and geese is from 1st May to 15th Semtember, and for ducks of all kinds from 15th December to 1st September following.

No wild fowl must be taken between half an hour after sunset and half an hour before sunrise, nor on the Lord's Day.

No beaver or otter shall be hunted, taken, killed or had in possession between 1st April and 1st November, nor trap set for them during that period, and no muskrat between 1st May and 1st January. But no beaver or otter shall be hunted, taken or killed before the 1st November, 1900.

No person except residents of Ontario shall be entitled to hunt without first procuring a license from the Provincial Secretary, the cost of which is $25. (Provision was made in 1897 for reciprocity in hunting facilities between inhabitants of Ontario and Quebec.)

The game laws do not apply to Indians nor to settlers in unorganized districts who kill game for food, except that no settler shall hunt or kill any moose, elk, reindeer or caribou before the 1st of November, 1900.

No game birds or animals shall be exported from Ontario, except under special conditions.

Dominion Fishery Laws.

Net fishing of any kind is prohibited in public waters, except under leases or licenses. The size of nets is regulated so as to prevent the killing of young fish. Nets cannot be set or seines used so as to bar channels or bays. A general weekly close time is provided in addition to special close seasons. The use of explosives or poisonous substances for catching or killing fish is illegal. The use of firearms for killing fish is prohibited. Mill-dams must be provided with efficient fish passes. Models or drawings will be furnished by the Department of Marine and Fisheries on application.

The above enactments and close seasons are supplemented in special cases, under authority of the Fisheries Act, by a total prohibition of fishing for stated periods. All communications relating to fisheries should be addressed to the Deputy Minister, Department of Marine and Fisheries, Ottawa.

The close season in Ontario (under Dominion regulations) for bass is from April 15th to June 15th; maskinonge, April 15th to June 15th (in Rice Lake to June 1st); pickerel (dore), April 15th to May 15th; speckled trout, September 15th to May 1st; salmon trout, November 1st to November 30th; whitefish, November 1st to November 30th, both days inclusive in each case.
