

LAWSON'S
Concentrated

FLUID BEEF.

The Perfect Health Giver.

THIS PREPARATION

Is a highly concentrated form of BEEF FOOD, being an amalgamation of all the essential elements of the finest Meat, viz.:

Essence, Fibrine and Albumen.

Unlike most other extracts of Beef, it is not merely a stimulant, but embodies the **HIGHEST NUTRITIOUS PROPERTIES** which combine to form brain, bone and muscle.

It is easily assimilated and digested by the most feeble invalid, and is highly recommended by the Faculty and leading Physicians, by whom it is considered to be invaluable to all who require a nourishing diet.

It can also be advantageously used in making soups, sauces and for general household purposes.
