THE MONTREAL TELEGRAPH COMPANY.

This popular Company, which has its wires laid along the line of railways and connections, was incorporated in the year 1847, with a capital of \$60,000, and began its operations with 12 or 15 offices between Montreal and Quebec. Its history has been an uninterrupted success from that start its lines having been extended to the remotest sections of the country wherever they can be maintained, and offices opened in nearly every village and hamlet throughout the country. Its capital stock has been increased to \$2,000,000; its miles of lines to 22,000; and its number of offices to over 1,500. Extensions are constantly going forward into newer and remoter sections of the country as routes are opened up, and new offices are almost daily being opened.

This Company is apparently unaffected in its prosperity by rival schemes, having outlived several in the course of its history. No country in the world is probably better served in the matter of telegraphic communication than Canada. The great abilities and enterprising spirit of Sir Hugh Allan, the President of the Company, have been as serviceable in developing the organization we are now describing as in founding the magnificent system of Oceanic communication with which his name is so familiarly identified. An enterprising, but at the same time shrewd and far-seeing, policy has, in fact, characterized the Company's operations from the very outset. In this respect, and in all questions demanding liberal and comprehensive action, this Company has been greatly assisted by possessing in Mr. H. P. Dwight, the Superintendent of the Western District, a gentleman who has had regard not so much for an immediate return for the work undertaken as the certain, steady expansion of business in a corresponding ratio with the increase of trade or population. Mr. Dwight's management extends over the most important section of the Company's territory.

PREFATORY.

We present our edition for 1881 with every confidence that it will meet with approval. We have used all possible means to obtain correct information—in many instances sending back several times for a single individual—and if omissions do occur we can scarcely be blamed, as many *refuse* particulars or give them wrongly for (perhaps) obvious reasons.

Our readers will please remember that all names are arranged in strictly alphabetical order, according to the manner in which they are spelled, instead of their pronunciation; therefore, in looking for the name of a person which is spelled *Browne*, they must bear in mind that it *cannot* be found in the same arrangement as *Brown*, and that such names as *Bailey*, *Bailie*, *Baillie*, *Baily*, *Bayley* and *Bayly*, also *Mc* and *Mac*, are each to be found in different places.

We are happy to state that the number of our subscribers is steadily increasing, and we beg to express our thanks for the extra support we have received this year in the advertising department, without which a work of this description could scarcely be conducted with legitimate success.

We have been informed of cases in which persons have been gulled into making payments, by canvassers representing themselves as our agents, and we beg again to caution the public, as *we never take money in advance*, although in the interest of our subscribers as well as ourselves we require payment in all cases on delivery.

In conclusion we beg to thank all who have in any way contributed to bring the work to a successful issue.

BURDOCK BLOOD BITTERS cures Dyspepsia and Biliousness.

"The PRESBYTERIAN is, without doubt, the best religious publication in the Dominion, and is a welcome visitor to thousands of families."—STRATFORD BEACON.

THE
CANADA PRESBYTERIAN.

A 16pp. Family Journal, published on Friday, at \$2 per annum.

The only paper of the kind published between Halifax and the Pacific Coast; and having upwards of **fifty thousand readers**, its columns afford advertisers an excellent medium through which to reach a solid and intelligent class, at a very moderate outlay.

NONE OTHER THAN UNOBJECTIONABLE ADVERTISEMENTS TAKEN.

ADVERTISING TERMS: Under 3 months, 10c. per line per insertion; 3 months, 75c. per line; 6 months, \$1.25 per line; 1 year, \$2.00. No advertisement charged at less than five lines.

OUR CONSTITUENCY.

"The Presbyterian Church in Canada now numbers 870 pastoral charges and 1000 congregations; 637 ministers, 65,000 families, 110,000 members, and 335,000 of the population, or about one-tenth of the entire population of the Dominion."—*Rev. W. Cochrane, D.D., Convener H. M. Committee, Presbyterian Church, in the "Gospel in all Lands," for 1880.*

In this immense field the **CANADA PRESBYTERIAN** is the **ONLY PAPER**, if one published in Halifax, N.S., is excepted; and that it worthily occupies the field is evidenced by the following

OPINIONS OF ADVERTISERS:

From W. D. McLaren, Esq., Manufacturer, Montreal.

"I have used the advertising columns of the **CANADA PRESBYTERIAN** for a number of years, and consider it a first-class medium for reaching an intelligent and well-to-do class of the community. *This paper is recognized as the organ of the powerful denomination whose name it bears.*"

From N. W. Ayer & Sons, Advertising Agents, Philadelphia.

"It gives us great pleasure to say that our intercourse, which has been frequent, and extending over a period of about ten years, has always been of the most satisfactory and correct character."

From Messrs. Hugh Miller & Co., Wholesale Druggists, Toronto.

"We have long used the columns of the **CANADA PRESBYTERIAN**, and look upon the paper as a superior advertising medium.

* Scores of additional testimonials of a similar tenor to the above could be given from advertising patrons of the paper; but there is no necessity to multiply words, as a brief trial will satisfy the most exacting as to the excellency of the paper as an advertising medium.

— Advertising rates very moderate, considering circulation and influence.

OUR SUNDAY SCHOOL PAPERS.

"Sabbath School Presbyterian,"

"Golden Hours for the Young,"

and "Early Days."

The first two are monthly and the third is fortnightly. All are beautifully illustrated, and extremely well adapted for distribution in Canadian Sunday Schools. It is well to add that **GOLDEN HOURS** and **EARLY DAYS** are thoroughly undenominational.

LESSON SCHEMES, 60 cents per 100 sheets.

Estimates furnished on application.

THE attention of authors and publishers is invited to the fine quality of Book-work being done at this Office ; and the recent purchase of two new and improved printing presses, in addition to previous excellent facilities, will enable me, even better than ever before, to turn out a superior style of work at greatly increased speed.
