THE REVIVAL

Bicycling has taken another notion. From out of the east it started, and already it's in our midst. No fad now—just a sensible mode of exercise pleasant to take. It's a regular bank on saved car fares.

"MASSEY-HARRIS"

Bicycles are made right—look right—sell at the right price.

WILL YOU ACCEPT THE VERDICT ?

After a trial extending over a period of many years, the unanimous verdict of the public, composed of musicians of every degree, is that

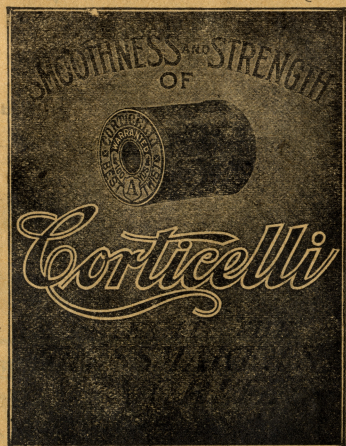

WILLIAMS PIANOS

cannot be excelled by instruments of Home or Foreign manufacture.]

In point of style, durability and tone the Williams Pianos are easily first, while the fact that we have one of the largest and best equipped establishments in Canada for the manufacture of pianos, and employ experts only in each department, enables us to sell a high-class piano at a very moderate price. Terms of payment can be arranged to suit purchasers.
