ARTICLE IX.

Of the Central Board.

There shall be a Central Board for the management of the general business of the Society, consisting of the President, the Vice Presidents, and the other Officers of the Society, and a Committee of not less than twelve Clergymen, and not less than twelve Laymen, who shall be chosen annually at the General Meeting of the Society, from among the Members of the Corporation.

Special Meetings may be called by the President, or in his absence from the Diocese, by two of the Vice Presidents, and four Members of the Board: and not less than seven Members present at any meeting shall form a quorum. When a sufficient number of members to form a quorum shall not assemble on the regular day of the meeting, the members present shall have power to adjourn to another day, and so on *totics quoties*, until a quorum shall be found; and business shall and may then be proceeded in. At all meetings of the Central Board the Chairman, in case of an equality

of votes, shall have a double or casting vote.

The Central Board shall have authority to make such rules as may be necessary for the Government of its own affairs, provided that none of them be contrary to, or inconsistent with, the spirit of the Constitution or By-Laws of the Society.

ARTICLE X.

Of District Associations.

In connexion and correspondence with the Central Board, there shall be formed District Associations (except in the cities of Quebec and Montreal, and the Banlieues thereof); to be composed of the Clergy, and all other Members of the Society resident within the bounds of such Districts,-a contribution of 5s. per annum, constituting membership of such District Associations. The District Associations(except as hereinbefore excepted) shall continue as heretofore settled by the Central Board of the Society, before its Incorporation, until otherwise hereafter determined by the Central Board. The senior Clergyman holding a Pastoral Charge within such bounds shall be, ex officio, Chairman of such Association-they may have a Secretary and Treasurer, and shall meet at such places as they may themselves determine; at one of which meetings the officers shall be appointed and a report of the proceedings for the year read. The District Associations shall have authority to make rules for the government of their own affairs, provided such rules be not contrary to, or inconsistent with, the Constitution or By-Laws of the Society. They shall report annually to the Central Board, at least one month before the Annual General Meeting of the Society, (and at such other times as the Secretary, on behalf of the Board, shall require) a statement of their proceeding, and a detailed account of all the monies received and expended by them during the year.

It is nevertheless provided that the Chairmen of the District Associations of Quebec and Montreal, heretofore existing, shall continue to be Vice Presidents of the Society during the current year until the Annual Meeting in July next.

ARTICLE XI.

Of the Sub-Committees of the Society.

For the more effectually carrying out the designs of this Society, the Clergymen and Church Wardens in every Parish and Missionary Station, and the Ministers and Wardens of every Chapelry within the Diocese, shall be a Sub-Committee of the Society, in correspondence with the District Association, within whose bounds such Parish or Missionary Station is situated, or in the Cities of Quebec and Montreal, with the Central Board, through the Secretary of the Society. This Committee shall meet as often, and at such periods, as they themselves shall decide to be most convenient, inviting the co-operation of all the Parishioners, in their deliberations and designs. They shall collect subscriptions and donations from the members of the Church, in such manner as they shall deem most effective, and endeavour, by every means in their power, to augment the resources of the Society. One sermon at least shall be preached during the year within the limits of each Parish, Station, or Chapelry, on such Sunday as the Bishop shall appoint, in favour of some one or more of the objects of the Society; and a collection shall then be taken up in aid thereof, the proceeds of which shall forthwith be remitted to the Treasurer or Treasurers of the Society; any Parish, Station, or Chapelry, in which such sermon shall not have been preached, shall not be considered entitled to any grant or benefit from the Society, until a sermon shall have been so preached.

All other monies raised by such Sub-Committees, shall be remitted to the Treasurer of the District Association; or to the Treasurer or Treasurers of the Society, where such monies shall have been raised within the Cities and Banlieues of Quebec and Montreal.

ARTICLE XII.

One-half of all monies paid into the hands of the Treasurers of the District Associations, respectively, and not specially appropriated by the contributors, shall be transmitted to the Treasurer of the Society, to be at the disposal of the Central Board, and the remaining half of all such collections shall, when required, be expended within the Parish or District in which they have been made, for such objects only as are specified in the Constitution of this Society—the allotment to be made by the Committee of the District Association. All monies remaining unappropriated at the General Annual Meeting of the District Association, shall be forthwith transmitted to the Treasurer or Treasurers of the Society to be at the disposal of the Central Board; it being understood that nothing contained in this Article shall interfere with any existing arrangement or agreement between any Clergyman and his flock.

ARTICLE XIII.

Of the Lay Committee of the Church Society.

This Committee shall consist of the twenty-five Members appointed before the Incorporation of the Society, and shall be governed by the Constitution, Rules and Regulations, adopted and in force before that period, until the same shall be altered by the Committee or by the Society at the General Meeting.

The proceedings of the Lay Committee shall be subject to the sanction of the Bishop of the Diocese. The clerical and other members of the Central Board, may attend at any of the General Meetings of the Committee, and may propose and discuss matters therein, but shall have no vote: and the Committee shall report their proceedings to the Central Board at their stated meetings. The objects of this Committee shall be:

First.-The placing the Clergymen, now resident and doing duty in the Province, upon a just footing as regards the sufficiency and permanency of their incomes.

Secondly-The providing for a permanent and adequate support of an increased number of Clergymen, so that, with the least possible delay, the members of the Church in every portion of the Diocese, may have the means of access to a Church within a praticable distance.

Thirdly-The building in every place where it may be required a Church of stone or brick, upon a well considered plan, as to dimensions, external form, and internal arrangement, keeping in view the probability of its re-

quiring enlargement. Fourthly—The building, in a good situation, convenient to the Church, a comfortable Parsonage of brick or stone, upon an uniform plan, which should be carefully considered, with reference to size and internal arrangement, and should admit of additions being made, with the sanction of the Bishop.

Fifthly-The insuring such Churches or Parsonages against losses by fire.

Sixthly-The procuring an adequate and permanent support for all the Institutions, authorities, and functionaries, suitable and appertaining to the Establishment of the Church of England in this Diocese.

Seventhly--The investing all life subscriptions (unless so far as the application of these may be otherwise limited by the contributors) in a permanent and accumulating Fund, of which the interest only shall be applied to the general purposes of the Society.

Eighthly--The encouraging the formation of a local Endowment Fund, at every station or place having a Church or Clergyman, by special contributions, or by setting apart a portion of the Pew rents, to form an accumulating fund until the net income shall in each case amount to $\pounds 50$ per annum; for the more effectual promotion of which object the Society will engage, whenever such fund shall be formed and shall amount to £100, invested in Bank stock, or other public securities, to add thereto an amount not exceeding £100; provided always, that such investment shall stand in the name of the President of the Society.

ÁRTICLE XIV.

All Meetings of the Society and of the Committees shall be opened and closed with the Prayers used by the two Societies in England, adapted to our situation, under the direction of the Bishop.

No alteration or amendment in the Constitution or By-Laws of the Society shall be made, unless such alteration or amendment shall first be communicated to the Secretary, to be submitted for examination and consideration to a Special Meeting of the Society, at least one month before a General Annual Meeting, and adopted at such General Annual Meeting. Provided that the rejection or adoption of any such alteration or amendment, by such Special Meeting, shall no wise bind or restrain the General Annual Meeting, in considering and disposing of the same. ARTICLE XV.

Whereas some members of the Church, who are not unmindful of the great Spiritual wants of their own neighbourhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a Gracious Providence has blessed them, towards the spread of the Glorious Gospel among the nations which still sit in darkness; the Society will gladly receive and forward to the Society for the Propagation of the Gospel, the Church Missionary Society, or the London Society for Promoting Christianity among the Jews, whatever sums may be given for the conversion and instruction of the Heathen or the Jews.

Prayer to be used at all Meetings of the Society,

AND OF ITS SEVERAL ASSOCIATIONS.

Prevent us, O Lord, in all our doings, with thy most Gracious favour, and further us with thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally, by thy mercy, obtain everlasting life; through Jesus Christ our Lord. *Amen*.

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but rather that he should be converted and live; Have mercy upon all Jews, Turks, Infidels, and Hereticks, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd: Prosper, O Lord, the labors of those Societies of the Church in the land of our Fathers. which Thou hast deigned to use in the promotion of this object, and which have nourished the Church, in the Colonies: and bless in like manner with Thy Holy Spirit and Providential succour, the Society in whose cause we are now met, and the undertakings which we have now in hand. "Prosper Thou the work of our hands upon us; O, prosper thou our handy work," for the sake, and through the merits of the same Thy Son Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Ghost, one God, world without end. Amen.

Our Father, which art in Heaven, Hallowed by thy name. Thy Kingdom come. Thy will be done in earth, As it is in Heaven. Give us this day our daily bread. And Forgive us our trespasses, As we forgive them that trespass against us. And lead us not into temptation: But deliver us from evil: For thine is the kingdom, The power and the glory, For ever and gver. Amen.

FOURTH ANNUAL REPORT.

"To do good, and to distribute, forget not; for with such sacrifices God is well pleased." This Apostolic injunction, addressed to the whole Christian family, should be received by every Member of the Church in this Diocese, both as a command and an encouragement to active benevolence. The Church Society, whose Fourth Anniversary we are this day met to celebrate, is constituted in strict conformity with this Divine sentence. Our richer and poorer Members are here united in doing good,—in distributing of their worldly substance, to send forth the Minister of Christ to those destitute of the means of Grace, to assist in the erection of Churches, and in other ways to promote the Glory of God and the spiritual good of men; and the more our individual efforts have the nature of "sacrifices", may we not expect from the encouraging declaration of St. Paul, a larger blessing from on High upon our Society, and upon our Diocese.

In detailing the proceedings of the past year, the Central Board would renew their expression of devout acknowledgment to God, for the measure of success which has heretofore attended the Society's operations. Deeply conscious that He alone giveth the increase, we would ask the prayers, as well as the strenuous exertions, of the members and friends of the Society, that a double blessing may rest upon it, during the ensuing year. There is a great work to be done, and the Society has fairly entered uponit; may its own prayer, offered in the Psalmist's words, be graciously answered, "Prosper, O Lord, the work of our hands upon us; O prosper thou our handy work."

Patronage.

On the departure of Lord Metcalfe from Canada, in the autumn of last year, under the unhappy circumstances which rendered it necessary for him to leave the Government of this Province, the Society lost a munificent Patron. By his donation to the Society, his honoured name will, however, stand in the list of Life Members. But we have much satisfaction in announcing, that His Excellency the Earl Cathcart, has signified his consent to become Patron of the Society.

Clergy Reserves.

The Provincial Legislature has been again appealed to, to interpose with Her Majesty's Government at home to obtain an alteration in the Imperial Statute 3 and 4 Vict. ch. 78, to the effect that a portion of the Clergy Reserves, equivalent to the amount of the proceeds of their sale awarded to the Church of England by the Imperial Act, might be vested in the Church Society, to be managed for the best interests of the Church. Petitions were presented, as on the previous Session of Parliament, from almost every Parish and Mission in the Diocese, numerously signed, but we regret to have to add, that this very reasonable request was not acceded to by our Representatives. The Petitions to the Legislative Council, and the Legislative Assembly, were referred to Select Committees of either House respectively, and favourable reports were made, but on an adverse proposition being introduced by a Member of the Legislative Assembly, involving the rejection of the prayer of the Petition, it was adopted by a considerable majority.

But the subject is one of paramount importance to the future interests of the Church; and a great responsibility devolves on us to see that this property should not only, not be sacrificed, but should be rendered as productive as possible, towards the endowment of the Parishes and Missions in the Diocese.

It is presumed that no person desires to lay sacrilegious hands on this property, dedicated to the service of Almighty God, and devote it to secular purposes; neither that any would do indirectly or partially what honour and a regard to public opinion, if not Christian principle, forbid them attempting directly and wholly. It is therefore assumed that it cannot be the desire of the majority in the Legislative Assembly, who voted on the occasion referred to, (which majority consisted almost entirely of gentlemen who are members of other Christian Communions, unconnected with the Church of England,) but that this property should be made to yield all, that by judicious management, it may be calculated to afford, for the permanent maintenance of the Ministry of our Church in the Diocese. With due respect and deference, therefore to the decision of one branch of the local Legislature, which refused to interpose with the Imperial Authorities in England to procure an alteration in the Imperial Statute, particularly remarking the circumstances under which that decision was made, it must, we apprehend, be regarded as perfectly open to the Members of the Church, to exercise their sacred privilege of addressing Petitions immediately to the Queen in Council, or to the Imperial Legislature, in order to obtain an alteration in the Act referred to,

Midows' and Orphans' (Clergy) Jund.

A distinct Fund has been commenced for this interesting object of the Society. In the autumn of last year, Sermons were preached in the Churches of the Diocese, and collections made for this purpose. The amount paid into the hands of the Treasurers of the Society, consequent upon these appeals, is ± 281 7s. 0d. The money collected has been invested for the present, in Montreal Bank Stock, and the Dividends accruing therefrom, are to be expended, this year, in providing for the education of the orphan children of a deceased Clergyman.

A Committee of the Central Board was appointed in January last to consider and report upon the best means of investing or applying this fund. They have sought information from the different Life Insurance Companies; and have received data and calculations from persons well informed on the subject. It is hoped that they will be enabled to elaborate some scheme of Life Insurance, or mode of investment, which may be satisfactory and profitable to adopt. The Board has received from its Committee a preliminary report, in which it was recommended as a necessary part of any plan that may be devised, that an annual collection after Sermons should be made in the Diocese.

Enbestments.

During the past year, an additional sum of £307 from the Society's General Fund, has been invested in Quebec Bank Stock.

The whole sum invested in that Stock, for the general purposes of the Society, is now $\pounds700$.

The sum of £277 10s. 0d., has been employed in the purchase of £250 Stock of the Montreal Bank, specially for the Orphans' and Widows' Fund. There is also invested in Quebec Bank Stock, in the name of the President of the Society, for the special Endowment Fund of Nicolet Church, the sum of £225. £100 of this money was paid by the Society, in accordance with its pledge, contained in the 8th Clause of the 13th Article of the general By-Laws, as referred to in the last year's Report.

By-Laws.

A Special Meeting of the Society, under the Article 14, washeld on the 29th May, at the instance of the Central Board, with a view to obtain an alteration in the 8th Clause of the 13th Article. As that clause now stands, the Society is under obligation to allot the sum of £100 to any Parish which raises a similar sum towards the endowment of their Church. It is thought better to leave the amount to be granted to the discretion of the Board; limiting it in the maximum to £100. The Board would explain, that the suggested alteration is not to be construed into any reluctance on their part to aid in the endowment of existing Churches. On the contrary, their desire and purpose has been, as they trust it will be that of their successors in office, to encourage and forward the endowment of our Churches, by voluntary contributions; but inasmuch as the clause, as it now stands, might, under peculiar circumstances, occasion much embarrassment to the Society's operations, it is thought preferable to leave the amount to be granted, optional with the Executive Board of the Society.

Trabelling Missionaries.

It is with regret we have to announce that the Society has not at present any Travelling Missionary engaged.

The Rev. E. G. Sutton, who was appointed by the Lord Bishop in July last, visited many destitute settlements on the Ottawa River, and proceeded as far as Clarendon, officiating as opportunity was afforded him. He also visited the Eastern Townships. His strength proving insufficient for the arduous but grateful duties of a Travelling Missionary, he retired in January to become the Assistant Minister at Grenville. The Rev. C. Rollit, whose dutics lay in the Districts of Quebec, Megantic, and St. Francis, was actively engaged in visiting destitute settlements of our people, until the breaking up of the winter His labours appear to have been very acceptable, and we trust roads. much blessed of Him who "sendeth forth laborers into his harvest." In the course of his duties he assisted occasionally in the formation of small District Branches of the Society, and in the promotion of subscription lists. His connection with the Society ceased in May last, and he has received the appointment of Missionary at Rawdon. The Journals of the Travelling Missionaries are in the hands of the Secretary, who will be glad at any time to furnish extracts, or to transmit them to any member of the Society who may desire to peruse them. It is trusted that the Lord Bishop will be soon enabled to supply the place of the retired Missionaries with well qualified, earnest, and singlehearted laborers, and that this interesting and needful part of the Society's operations, may yet be more abundantly blessed.

The Missionary at Russelltown, the Rev. R. G. Plees, may also be regarded as connected with the Society, in the capacity of Travelling Missionary. His Mission embracing a large portion of the country that was formerly under the charge of the Missionary of the Montreal Society, that body continued to pay the half of Mr. Plees' income, until it merged in the Church Society; since that time the Church Society has made quarterly grants to Mr. Plees, equal to what he had previously received. His Mission is extensive. He has eight Stations, which he regularly visits, and where he officiates. One Church has been erected through his exertions since his appointment to the Mission, and a second is drawing near its completion.

Grants.

As might have been expected from the detail of works in progress in all parts of the Diocese, furnished in the previous Annual Reports of the Society, the applications for aid during the past year have been numerous and urgent; and the Central Board, with the valuable assistance of the Finance Committee Reports, have endeavoured to exercise a wise and kind discretion, in meeting the several cases, and making grants in proportion to their relative claims, to the utmost extent which the resources of the Society would admit.

The grants have been twenty-one in number, amounting to $\pounds 266$ 16s. 10d. Cy: of these grants, ten have been made to assist in the erection or completion of Churches in the Diocese—three towards the erection of Parsonage-houses—four to Clergymen (the Rev. Messrs. Plees and Rollit, Travelling Missionaries)—one to the Widow of a deceased Clergyman of the Diocese—one to aid in the purchase of a site for a Parsonage—and one small grant for the purchase of Sunday School Library Books. There was also another grant made, at the May meeting of the Board, to purchase a lot of land on which a Parsonage-house had been inadvertently built, without previously securing a deed of the site, the amount to be determined by the Lay Committee, to whom it was referred to effect the purchase of the land.

That these Grants have been beneficial it is unnecessary to say; the circumstances of the cases, as recited in the letters of application, and the grateful acknowledgments of the parties assisted, strongly attest it. Neither will it be doubted that they will have proved encouraging to the Parishes and Missions assisted, both in leading them to renewed and increased exertions to accomplish the good works in hand, and in inducing the determination, that, when their local pressing necessities shall have been supplied, they will labour in the support and furtherance of the Society which remembered them in their time of need.

The Annual Meeting of this Association was held at St. Andrews on the 27th May. It was preceded by Divine Service, when a Sermon was preached by its Secretary, the Rev. James Pyke; the collection after Sermon amounting to £2 2s. 6d., has been remitted to the Treasurer of the Society.

The Annual Subscription List is greater than reported last year, but the collections after Sermons on Quinquagesima Sunday not so great The following are the sums contributed in the several Parishes and Missions of the District during the past year:

At VAUDREUIL many additional subscribers were enrolled during the past year. The Church in this Mission, though still unfinished, has been painted, and otherwise improved from local funds.

At ST. ANDREWS, also, several new subscribers have been obtained. The sum of £100 has been raised by subscription to defray the cost of an Organ for the Church; and they are about to erect side Galleries to their Church, the accommodation being insufficient for the Congregation.

At GRENVILLE the sum of £57 10s., has been subscribed, for procuring an Organ.

At AYLMER, upwards of £100 has been collected during the year for the purpose of completing this Church. The Church at Clarendon is still unfinished, and the Grave-yard unenclosed. The people are desirous of early accomplishing these necessary objects; hence the smaller amount of subscriptions to the Society for this year.

At RAWDON the sum of £17 3s $7\frac{1}{2}$ has been raised during the year, and devoted by the subscribers toward the completion of the Parsonage House.

The Church at KILDARE still remains in an unfinished state.

At DURHAM the amount of £25 14s. 3d., has been raised for local Church purposes, and appropriated by the contributors.

From HUNTINGDON, the Rev. Mr. Morris writes that two subscrip-

tion lists have recently been commenced, with a view to the erection of two Churches about eight miles distant from Huntingdon, under a promise from the Lord Bishop of assistance, and of a resident Clergyman. On one list was subscribed £80 and on the other £120. He also states: "We have succeeded in raising, during the year, sufficient funds to fence in the Burial-ground and to paint the Church both inside and outside. A small lot of land has been given as an addition to the Church-yard;—and a three acre lot to be used for Church purposes." He remarks, what it is believed many other Clergymen in the Diocese have equally to lament, and what it is trusted the Society will soon be in a situation, through its Book Depositories, the better to meet, "The want of Sunday School Books and religious tracts is a great drawback on the prosperity of our Sunday Schools."

The Saint Johns subscription list has received a few additional names during the past year; and the Ladies' collections which will appear in the Appendix, are satisfactory. It were much to be desired that the practice, which has subsisted in St. Johns from the beginning of the Society, of engaging the assistance of the Ladies to go among the mothers and younger Members of families to receive their contributions to the Society, had been generally pursued. The Central Board would take this occasion to commend the great objects of the Church Society to the Christian sympathies and kind co-operation of the Ladies. Let every Parish and Mission henceforth see its Lady Collectors; a little done, a little given in love to the Saviour, will be blessed to the giver, and prove helpful to the Society. The Church at St. Johns sustained recently much injury from lightning; the sum of $\pounds 90$ has been raised in the Parish to repair the damage and improve the Church.

At CHAMBLY, the Parsonage is nearly completed. An additional sum of £82 15s., had been contributed in the early part of the year for that work, and within a few days past, a further liberal sum of £101 5s. Also an Organ has been placed in the Church, for which the sum of £65 has been raised in the Parish. The Church Society granted £10 towards the erection of the Parsonage, which has been gratefully acknowledged.

The CLARENCEVILLE subscription list has been much augmented during the past year. A small sum, £4 5s. 9d., has been raised for local Church purposes. The Church building at Henryville in this Parish, is progressing but slowly. A further subscription of £29 5s. has been made, to carry forward this work, towards which the Central Board and the Richelieu District Committee have made grants.

The new Church at RUSSELLTOWN is drawing towards completion, a further sum of £32 has been contributed for it during the past year. In acknowledging grants made to aid in this work, the Missionary writes, "I gladly embrace the opportunity to acknowledge the liberality with which the Church Society, and its Richelieu Branch, have responded to our request for aid to the Russelltown Church Building Fund. The Church is greatly needed, yet the hope of that need being supplied must have been abandoned had not the Society 'come over and helped us.'"

The new Church at Hemmingford is also advancing; a further sum of $\pounds 25$ has been contributed towards it. It is hoped it will be capable of being used by the next winter, though far from complete.

It is expected that three new Churches within this District will be consecrated by the Lord Bishop, on his approaching Visitation, being now completed, and sufficiently furnished, viz: the Churches at Lacolle, Sherrington, and St. Remi.

At GRANBY and MILTON the annual subscription lists amount to £10 0s. 5d., which sum has, again this year, been appropriated for the payment of debts incurred in the erection of the two new Churches. The Missionary writes, "The two new Churches erected respectively at Granby and Milton since 1843, are now completed and ready for consecration, which ceremony the Lord Bishop has signified his intention of performing in August next. A subscription has been set on foot for the painting of the Church at Milton, which it is expected will be done before the time of consecration."

The new Church at PHILIPSBURG though still incomplete, has been opened for Divine Service. The Rector asks the Central Board for the whole amount raised in the Parish during the past year for the Church. He expects it will be consecrated on the approaching visit of the Lord Bishop.

At ST. ARMAND EAST a substantial shed has been built near the Church at the expense of £64. The fund for the repair of the Church, is year by year augmenting.

At BEDFORD the Church-yard has been well fenced, and a valuable addition made to it, by a donation from the Honble. R. Jones.

At FARNHAM WEST in the Mission of Stanbridge, about sixteen

miles from the nearest Church, the people have subscribed £180 towards the erection of a Church. The timber is now upon the ground, and contracts have been entered into, that the building may be proceeded with at once.

The Church at DUNHAM being so much decayed as not to admit of repairs, it is intended to erect a new one next summer. The sum of $\pounds 400$ has been subscribed among the Parishioners for this purpose. Through the exertions of the Assistant Minister, who is also the Missionary at Brome, a considerable amount of annual subscriptions has been obtained for the first time in this Parish. Attached to the Mission of Brome is Sutton, where a substantial stone Church is in course of erection.

At ROUGEMONT the new Church is advancing. A contract for £100 has been entered into, for finishing the inside. The Society has made a grant for this Church, to be paid when it shall be prepared for consecration.

At SHEFFORD the sum of £8 13s. 9d., has been appropriated by the subscribers toward the completion of Waterloo Church, and the repairs of West Church.

£7 14 9 £4 11 $4\frac{1}{2}$ £6 7 $2\frac{1}{2}$ For the completion of St. Paul's Church, Gaspé Basin, the sum of £47 188. has been raised during the year.

A subscription has been entered into on behalf of the Church in the South West Bay, which as yet is only roofed in, amounting to $\pounds 30.$, and the frame work of a new Church was put up last autumn at little Gaspé at a cost thus far, of $\pounds 25$ to the people.

From the Bay Chaleurs Mission, the Clergyman writes; "It is in contemplation to do something toward finishing New Carlisle Church, during the present season, which is deemed very necessary. Messrs. Donations of Land,-203 acres, with two other small portions.

By comparing this result with the previous year, it will be seen that in the item of Contributions to the Society and Associations, we have an increase of £180 2s. 11d.; and on the total amount subscribed during the past year for Church purposes contemplated by the Society and wholly appropriated by the donors, a decrease of £18 16s. 6d : there is also the further sum of £780 subscribed for the erection of Churches, to be commenced in the course of the ensuing year.

It will be perceived by the foregoing statement that we have followed the method of last year's Report, and classed the Contributions to the District Associations, payable in the first instance to the District Treasurers, with the collections in the Cities, which are wholly paid to the Society's Treasurers; and this has been done, we believe, in conformity with the Constitution of the Society. The By-Laws which have been legally enacted and approved, provide for the establishment and governance of the District Parochial Branches, which being thus a part and parcel of the Incorporated Society, so long as they conform to the Act, and regulate themselves by the general By-Laws, they are referred to, and their proceedings noticed, as an integral part of the Church Society. We trust that as the Society becomes better understood, in its Act of Incorporation, and its general By-Laws, its operations, especially as it concerns the District and Parochial Associations, will be more uniform. We would commend to the kind consideration of the Officers of the District Branches, whether, if they proceeded in strict conformity with the 10th, 11th and 12th Articles of the By-Laws, always remarking the privilege given to individual subscribers by the 8th Article, they would not find the management of their respective Associations, simplified; and that they could thereby better promote the interests of the Society.

Allusion might here be made to two interesting and important objects, also contemplated by the Society,—Scriptural education on the principles of the Church of England, as it respects our Diocese, and Missions to the Heathen, especially the aborigines of this country, had the Report not been so much extended; and this may be regarded the less needful, as the Resolutions about to be proposed have particular reference to these subjects.

On reviewing the whole proceedings for the past year, there is we believe much to encourage the friends of the Society, in the hope that it will yet attain to its full stature; and like the majestic tree receiving its nourishment from the soil on which it grows, and its health and vigour from the sunshine and the rain from heaven, will overshadow the whole Diocese with its protecting and fruitful branches. Let all, according to their means, be kindly active in this sacred cause,—and they will find, we trust, its labour grateful to them,—and the benefits which they seek to impart to others, for the Lord's sake, returned ten-fold into their own bosom.
