PREFACE TO THE FIRST EDITION.

In the prospectus issued for this work it was said that the Municipal Laws of Upper Canada are in importance second to none of the laws of the Province, and that every Municipal Corporation is a small Parliament, possessed of extensive but yet limited powers. It was then pointed out, that to ascertain in every case the existence or non-existence of a power—the nature of it—its precise limit and the mode in which it should be exercised is the object of all who are in any manner concerned in the administration of Municipal affairs.

When it is considered, that in the first instance these matters are to be determined by Municipal Councils, seldom containing Members versed in the laws, often acting without the aid of professional advice, the importance of a guide becomes, as said in the prospectus, manifest.

That guide it has been the aim of the Editor in the following pages to produce. He now proposes as briefly as possible to state upon what principles and in what manner he has performed his task.

The Legislature, having by the Consolidated Act of the present year, classified many Municipal enactments and repealed many of those that were effete or thereby rendered useless, the Editor with the assistance of legal friends of greater experience than himself, in the first place applied himself to the work of expounding the Consolidated Act by the light of adjudged cases. This he did patiently and assiduously, noting latent difficulties and explaining as far as possible all difficulties of every kind that occurred to him. The result is a body of notes more elaborate than he contemplated when he began his labors. All decisions reported in time for his pen, have been carefully epitomized and introduced into the notes so written.

Having in this manner continued his labors until the completion of the Consolidated Act, he next turned his attention to other Acts of a like kind, promiscuously scattered through the twenty-two volumes containing the Provincial Statutes. Beginning at the first Act he selected in chronological order such Acts as from their nature a person would expect to find in a

Municipal Manual, until he reached the last Act of the kind now in force. The result is a large collection of Acts and parts of Acts added to the end of the Consolidated Municipal Act.

One great difficulty which the Editor experienced from first to last, was to publish all Acts at all of use to Municipalities, and yet to keep his book in a single volume of moderate dimensions. To accomplish this, Acts have been abbreviated by the omission of mere formal matter, Acts of a private nature and so of little public utility have been in some places abridged by the statement of substance only, and in others nothing has been given except the title or heading, when expressive of the object. Other Acts, such as those regulating the inspection of Beef, Pork, Ashes and the incorporation of Road and other Companies have, because of their great length and comparatively speaking little general utility, been entirely excluded. So have the Common School and Grammar School Acts. The reason of the exclusion of the latter is that they are contained in "The Educational Manual," a small work within the reach of all, and it is presumed in the possession of all engaged in the execution of those Statutes.

The arrangement adopted has been the chronological, in preference to the analytical. The reason being that by such an arrangement the growth of the law is opened up to public view, while for convenience of reference the addition of a very full analytical Index imparts to the work all the benefits of analysis. Thus, under Toronto, Kingston, Hamilton, &c., in the Index will be found references to Acts applying specially to these Cities though published in different parts of the Volume. To make the chronological arrangement still more effective, the Editor has, as a rule, in the margin of each Statute wherever it is altered or affected by a subsequent Statute, made a reference to the subsequent Statute. The object of this is to guard against reading any one provision as the only or whole law on the subject wherever there are others which ought to be read in connexion with it.

For the convenience of the legal profession as well as for the information of all concerned, the Rules of Court governing contested Municipal Elections, have been added in the Appendix and noted in the general Index like other parts of the work. In the Appendix will also be found a form of By-law to contract a debt by borrowing money. The utility not to say necessity of such forms is well known. In the preparation of this edition of the MUNICIPAL MANUAL, the Editor had neither the time nor the materials to enable him to give a complete set of Municipal Forms. He, however, did what he could towards supplying the void by preparing a form of a By-law of more general use than that of any other form of By-law. His reasons for so doing were two-fold. First, to furnish a model whereby other By-laws may be drawn. And secondly, to furnish a form for that

By-law, which of all others must essentially be correct both in form and in substance.

Great responsibility rests upon those who undertake to prepare By-laws, on the legality or illegality of which large monied transactions are made to depend. Some form must be observed; and yet a close adherence to technical nicety may in certain cases work positive injustice. Were it possible to secure for money By-laws the stamp of legality, so as to remove all suspicion of informality, irregularity or illegality, the effect would be eminently beneficial. It would beget a spirit of confidence, alike of advantage to the seller and to the buyer of Municipal debentures. Less room would be left for speculation or trade in the fears of men or contingencies of law, and more stability be imparted to the negotiation of Canadian Municipal Securities; one consequence of which—and not the least—would be, that the market value of all such securities would be proportionably increased. The only mode likely to attain so desirable an end that at present occurs to the Editor, would be to require all By-laws of this kind to be approved by some public functionary, and, when approved, to be unimpeachable on the ground of informality or want of technical accuracy. Such is the principle applied to By-laws passed to raise money on the credit of the Consolidated Revenue Fund. It is enacted, that “no informality or irregularity in any such By-law, or in the proceedings relative thereto, anterior to the passing thereof, shall in any manner affect the validity thereof, after the Governor-General in Council shall have approved of such By-law; but the order in Council approving such By-law shall be held to cover any such informality or irregularity, and the By-law shall be valid to all intents and purposes.” (16 Vic. cap. 123, sec. 5.)

It is easy to perceive how efficacious would be this seal of approval, if applied to all money By-laws. The object of it is to secure the confidence of the public. That object is as much needed in the case of any ordinary money By-law, as one to raise money on the credit of the Consolidated Municipal Loan Fund; and if beneficial in the one case, the Editor cannot help suggesting that the benefits ought, by some appropriate machinery, to be extended to all similar cases. Indeed the Legislature have, in other instances, partially affirmed the principle. It is by the Consolidated Municipal Act enacted, that “in case a By-law by which a rate is imposed has been specially promulgated in the manner specified, no application to quash the By-law shall be entertained after six calendar months have elapsed since its promulgation,” (sec. 195,) and that “in case no application to quash any By-law so specially promulgated is made within the time limited for that purpose, the By-law, or so much thereof as is not the subject of any such application, or not quashed upon such application, so far as the same

ordains, prescribes or directs any thing within the proper competence of the Council to ordain, prescribe or direct, shall, notwithstanding any want of substance or form, either in the By-law itself or in the time or manner of passing the same, be a valid By-law." (Sec. 200.)

With these observations, the present edition of the MUNICIPAL MANUAL is submitted to the public. Of the public, the Editor has only one request to make. It is, that imperfections are not to be attributed to neglect, but to circumstances—such as want of time and want of space—over which he, however well disposed, had no control.

QUEEN STREET WEST,

22nd December, 1858.

PREFACE TO THE SECOND EDITION.

Nine years have elapsed since the publication of the first edition of this work. During that period the first edition, which was a very large one, has been exhausted, and during the same period many alterations have been made in the Municipal and Assessment laws of Upper Canada, and many cases decided on the construction of the Acts. Besides, the Municipal and Assessment Acts, as from time to time altered, were, during last session of Parliament, amended and consolidated.

Some of the alterations and amendments are undoubtedly for good. The office of Councilman for cities has been abolished, and the number of Aldermen for each ward increased from two to three, and these, instead of being yearly elected as heretofore, will retire from office annually by rotation. There are two Councillors allowed for each ward of an incorporated village having five wards, one of whom also retires annually in rotation. Mayors of cities are no longer chosen by the electors, but by members of the Council from among themselves. On the other hand, Reeves and Deputy Reeves are no longer chosen by Councillors from among themselves, but elected by the people. There may be several Deputy Reeves, in proportion to the number of voters, there being an additional Deputy Reeve allowed for every five hundred additional voters beyond the number required for Reeve and Deputy Reeve. The property qualification of candidates and voters in cities, towns and villages, has been greatly increased. Candidates or voters who have not paid their taxes are disqualified. Provision is made for nomination to offices in cities, towns, incorporated villages, police villages and townships. Only one day is allowed for polling votes, and in towns and cities voters may vote in each ward in which they are rated for the necessary property qualification. Annual value, in cities, towns and incorporated villages, has been abolished, and actual value, as in townships, made the rule of assessment. No Council is allowed, exclusive of School rates, to assess in any one year more than an aggregate of two cents in the dollar on actual value. If, however, in any municipality, the aggregate amount of the rates necessary for the payment of current annual expenses, and the principal and interest of the debts contracted on or before the 15th August, 1866, on that day exceed the aggregate rate of two cents in the dollar on actual value, the Council may levy such further rates as

may be necessary to discharge obligations already incurred, but shall contract no further debts until the annual rates required to be levied within the municipality are reduced within the aggregate rate of two cents. County Treasurers, and not Sheriffs, are now made the proper officers to sell lands for arrears of taxes. The onus of keeping county roads in repair may, under certain circumstances, be thrown upon adjacent local municipalities. Besides, township municipalities may purchase wild lands from Government, drain, and afterwards sell them. Other changes, of less consequence, unnecessary to be here mentioned, will be found noticed in the proper places throughout the volume.

The value of this edition of the Manual, as compared with the former one, will be found greatly increased, owing to the number of decided cases to which the Editor, while annotating the Municipal and Assessment Acts, has found it necessary to refer. Whilst in the former edition reference is made to not more than two hundred, in this edition reference is made to more than six hundred decided cases. Many points that were left in doubt when the first edition was published, have since been settled by judicial interpretation. The Editor has in every case, in his notes, given as nearly as possible the very language of the Judges. On some points decisions will be found in apparent conflict, and the Editor has, wherever conflict was apparent, done his best to reconcile the decided cases. But he is happy to say that the conflicts are few; and now that the law has been consolidated, there will be less risk of conflict in the future. With Courts of co-ordinate jurisdiction, and where, as in *quo warranto* cases, single Judges sit without appeal, conflict of opinion and decision can scarcely be avoided. The Editor has endeavored, under the proper section and in the proper place, to note every decided case bearing on the point under consideration. But, considering the multiplicity of decisions, it is possible that some have been unintentionally omitted. Should any such be discovered by any of his professional brethren, he will only be too happy to be informed of the omission.

Several statutes, bearing on the duties and powers of municipal bodies, which have been selected from the Consolidated Statutes of Canada, the Consolidated Statutes of Upper Canada, and the Statutes of Canada since the consolidation, are published at the end of the work, preceding the Index. The Editor does not assert that he has published all statutes and parts of statutes, directly or indirectly affecting municipal bodies. Were he to do so, it would be impossible for him to keep his work within reasonable bounds. He has therefore contented himself with a selection of the principal statutes; and in order to accomplish this, has been obliged to exclude from this edition several acts of a local and private nature, which are contained in the former

edition of the Manual. The omission of the latter will not render the work the less useful to the general body of those who will require to use it, while it has the effect of keeping the volume within a convenient and portable form.

The preparation of the Index, as well as the supervision of the work while passing through the press, was entrusted to Henry O'Brien, Esq., Barrister-at-Law, a gentleman who is already favorably known to the profession as one of the Editors of "The Upper Canada Law Journal" and "The Local Courts Gazette," and editor of an ably annotated edition of the Division Courts Act. The Index, which is very full, will, it is hoped, be found all that is necessary to the ready use of the work. Much labour has been bestowed upon it, and, so far as the Editor can judge, it has been carefully compiled.

Imperfections in the work, either on the part of the Editor or of his assistant, are not to be attributed to wilful neglect; but as no such work can be made perfect, the Editor must ask forbearance. Much labour has been expended on it, and it is hoped that it will not only lighten the labour of members of the legal profession, but have the effect of expounding and making known the Municipal and Assessment law to the many, not members of the profession, whose duty it is to give effect to the law, and work under it.

The first edition of the work received a generous support, as well from the legal profession as the great body of the Municipal Councillors and officers of Upper Canada. It is hoped that this edition, to which the Editor has devoted much thought, will be equally well received. The delays which have occurred in its issue were unavoidable, and to some extent rendered necessary by reason of the Editor's great anxiety to make his work simple in its language and reliable in its exposition of the law. The work is intended not merely for lawyers, but for men unacquainted with the niceties of law. Most of the notes are therefore written in a popular style, and as free as possible from legal phraseology.

THE

MUNICIPAL MANUAL.

AN ACT RESPECTING THE MUNICIPAL INSTITUTIONS
OF UPPER CANADA, (a)

Being Chapter 51 of 29-30 Vict., as amended by Chapter 52.

[Assented to 15th August, 1866.]

HER MAJESTY, by and with the advice and consent of Preamble.
the Legislative Council and Assembly of Canada, enacts as
follows :

EXISTING INSTITUTIONS CONTINUED.

1. The inhabitants of every County, City, Town, Village, Township, Union of Counties and Union of Townships incorporated at the time this Act takes effect, shall continue to be a body corporate, and every Police Village then existing shall

Municipal
Corporations
continued.

(a) It has been objected to Statutes, both Imperial and Colonial, that their sections are generally involved in a number of provisos, and filled with a redundancy of words. For the first, the remedy suggested is distinctness of subjects, short clauses, short sentences, and the avoidance of tautology. For the second, the use of the present instead of the future tense, as being a more familiar style of writing, and preventing the frequent use of the word "shall" as a mere auxiliary, expressing the future at one time and obligation or penal consequences at another. The framers of this Act, alive to the nature of such objections, have evidently sought to supply the appropriate remedies. The absence of proviso upon proviso, and the substitution of short and complete clauses, manifests a laudable desire to avoid all ground of objection on the first head. The use of the present, instead of the future tense throughout the act also attests the anxiety of the framers to avoid obscurity. The propriety of this mode of expression depends upon the principle, that in a statute as at common law, the law is at all times supposed to be speaking. The use of the future tense rests upon the principle that a statute speaks at and from the time that it becomes a law, and that so speaking, as it were prospectively, its provisions

continue to be a Police Village, with the municipal boundaries of every such Corporation and Police Village respectively then established.

Police Villages.

2. The trustees of every Police Village existing when this Act takes effect, shall be deemed the trustees respectively of every such Village as continued under this Act.

Heads, Officers, By-laws, &c., continued.

3. The head and members of the Council, and the officers, by-laws, contracts, property, assets and liabilities of every Municipal Corporation, and the inspecting trustees of every Police Village existing when this Act takes effect, shall be deemed the head and members of the Council, and the officers, by-laws, contracts, property, assets and liabilities of such Corporation and inspecting trustees of such Police Village, as continued under and subject to the provisions of this Act.

NAMES AND GOVERNING BODY.

1.—CORPORATIONS.

Names of Municipal Corporations

4. The name of every body corporate continued, or erected under this Act, shall be *The Corporation of the County, City, Town, Village, Township, or United Counties, or United Townships*, (as the case may be), of (naming the same). (b)

must be expressed in the future tense. If it be a correct rule that a law speaks at all times as ever operative, the correctness of framing it in the present tense cannot be denied, and this, whether the law is to be applied to present or passing, or to past, or to future events. The effect of reading a statute thus framed, is that the Legislature is regarded as always present—pronouncing the law so long as the law exists—the consequences of which is, that the law meets every event to which it is applicable, as the event arises (Con. Stat. U. C., cap. 2, s. 18, sub-s. 1). When it is considered that this act is for the guidance and government of Municipal Councils, themselves law-makers, throughout the length and breadth of Upper Canada, the importance of simplicity and perspicuity cannot be overrated. The act and every provision of it is to be deemed remedial. Whether its immediate purport is to direct the doing of any thing which the Legislature deems for the public good, or to prevent or punish the doing of any thing which it deems contrary to the public good, the act is to receive such fair, large and liberal construction and interpretation as will best ensure the attainment of the object of its passing, and accord with its true intent, meaning and spirit. (Con. Stat. Can., cap. 5, s. 6, sub-s. 28.)

(b) Words making any association or number of persons a Corporation or body politic and corporate, vest in the Corporation power to sue and be sued—to contract and be contracted with in their corporate name—to have a common seal, and to alter and change the same at their pleasure; to have perpetual succession, and power to acquire and hold personal property or moveables for the purposes for which the

Corporation is constituted, and to alienate the same at pleasure, and also, when not otherwise provided for, a majority of the members of the Corporation to bind the minority by their acts, and exempt the individual members of the Corporation from personal liability for its debts, obligations or acts, provided they do not contravene the provisions of the Act incorporating them. (Con. Stat. Can., cap. 5, s. 6, sub-s. 24.)

To consider these powers more in detail.

The *first* in order is "to sue and be sued." A Municipal Corporation, like an individual, under the limitations involved in its constitution and organization, may have recourse to the Courts of the country to enforce rights and redress wrongs. So one Municipal Corporation may sue another. (*Huron District Council v. London District Council*, 4 U. C. Q. B. 302.) So a Municipal Corporation may be sued for a breach of contract, and in certain cases for wrongful acts not arising out of contract. Thus a Municipal Corporation may be sued for negligence in the construction of a sewer, malfeasance in illegally obstructing a drain or water course, so as to injure the owner or owners of land adjoining, or for wrongfully diverting a stream of water on plaintiff's land. (*Farrell v. The Mayor and Town Council of London*, 12 U. C. Q. B. 343; *Reeves v. The Corporation of the City of Toronto*, 21 U. C. Q. B. 157; *Perdue v. The Corporation of the Township of Clinquacousy*, 25 U. C. Q. B. 61.) To support an action against a Municipal Corporation of the nature suggested, although it is not necessary to show any authority under seal to the person or persons who under the supposed instructions of the Corporation actually did the wrongful act, something must be shewn to connect the Corporation as a body with the doing of the act. (*Farrell v. The Mayor and Town Council of London*, 12 U. C. Q. B. 343.) If the Corporation had a right to do that which they are charged as having wrongfully done, it seems they may plead in general terms that they did the act complained of as they lawfully might for reasons assigned. (*Brown v. The Municipal Council of Sarnia*, 11 U. C. Q. B. 87.)

The *second* power is to "contract and be contracted with." It is a principle applicable to all Corporations, that they must contract under seal. To this principle there are some exceptions. One of some moment has been created with regard to Municipal Corporations. It is that such a Corporation is liable to be sued in an action of debt on simple contract for the price of goods furnished, or labor done at their request and accepted by them. (*Fetterly v. The Municipality of Russell and Cambridge*, 14 U. C. Q. B. 433). Though in such a case there be no contract under seal, the law implies an undertaking by a Corporation to pay for labor and materials employed in their service, and of which they have accepted and are enjoying the benefit, provided the purpose for which the labor and materials have been applied is one clearly within the legitimate object of their charter. (*Bartlett v. The Municipality of Amherstburgh*, 14 U. C. Q. B. 152; *Fetterly v. The Municipality of Russell and Cambridge*, 14 U. C. Q. B. 433; *Pim v. The Municipal Council of Ontario*, 9 U. C. C. P. 304; *Perry v. The Corporation of Ontario*, 23 U. C. Q. B. 391; *Nicholson v. The Guardians of the Bradford Union*, 1 L.R. Q. B. 620.) The exception, however, does

sional Council being or having been appointed for the county,

not extend to executory contracts, such as work, &c., to be done, but is confined to work in fact done and accepted. (*McLean v. The Town Council of the Town of Brantford*, 16 U. C. Q. B. 347; *Wingate v. The Enniskillen Oil Refining Company*, 14 U. C. C. P. 379.) An individual dealing with a corporation through its council or the members of the governing body, is bound to notice the objects and limits of their powers and the manner in which those powers are to be exercised, and it is of much consequence that it should be borne in mind that their acts when beyond the scope of their authority or done in a manner unauthorized, are in general nugatory and not binding on the Corporation. (*Ramsay et al. v. The Western District Council*, 4 U. C. Q. B. 374.) Where work was done under a contract not made with the Corporation or any of its known officers, but merely with persons assuming to act as a duly appointed committee, it was held that no action would lie against the Corporation. (*Stoneburgh v. The Municipality of Brighton*, 5 U. C. L. J. 38.) No action can be sustained for a breach of duty against the head of a Corporation in not applying the seal to make a contract between a Corporation and an individual, founded on a refusal (which if there had been a previous valid contract) would have constituted a breach of it; in other words, there cannot be a remedy against the head of a Corporation, equivalent to a remedy on the contract against the Corporation, had the contract been duly made so as to create a valid and binding agreement. (*Fair v. Moore*, 3 U. C. C. P. 484.)

The powers of a Municipal Corporation to have a common seal, to acquire and hold personal property or moveables, and alienate the same at pleasure, are too well known, and too thoroughly understood to need comment in this place. The right of a Corporation to acquire, hold and alienate real estate, generally depends upon the special provisions of the statute or charter. The power, when not otherwise provided, of a majority to bind the others by their acts, and also the exemption of individual members of the Corporation from personal responsibility will engage attention hereafter.

The next subject which it is proposed to consider is the corporate name of the Municipal Corporation. It is "The Corporation of the County, City, Town, Village, Township, or United Counties, or United Townships (*as the case may be*) of (*naming them*).". Thus, "The Corporation of the City of Toronto," and not as at one time "The Mayor, Aldermen, and Commonalty of the City of Toronto." So, "The Corporation of the County of Middlesex," and not as at one time "The Municipal Council or Municipality of the County of Middlesex," &c. The proper corporate name of a Municipal Corporation ought to be used on all occasions and in all places. But it has been decided that a by-law of a Municipal Council is valid if it appear on the face of it to have been enacted by a Municipal body having authority to make the by-law under the Municipal laws. (*In re Hawkins v. The Municipal Council of Huron, Perth and Bruce*, 2 U. C. C. P. 72; *Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492; *In re Barclay and the Municipal Council of Darlington*, 11 U. C. Q. B. 470.) Slight variances in the use of corporate names, where substantially correct have been held immaterial even in matters of contract. (*Brock District Council v. Bowen*, 7 U. C. Q. B. 471; *The Trent and Frankford Road Company*

It was however held differently as to the intitling of a rule in a proceeding against a Municipal Corporation. (*In re Sams v. The Corporation of Toronto*, 9 U. C. Q. B. 181.)

(c) See note b, to s. 4.

(d) Members of the corporation exceeding their corporate powers may, under certain circumstances, render themselves personally responsible for their acts. (*Thomas v. Wilson et al.*, 20 U. C. Q. B. 331; see also, *Municipal Council of East Nissouri v. Horseman*, 9 U. C. C. P. 189.)

(e) Police Villages are not Incorporated Villages (s. 422, sub-s. 1); hence, not having a corporate seal, they can have no by-laws, but regulations only.

(f) Section 1 applies to existing corporations, but this section seems to be prospective only, that is, applicable only to Municipalities *hereafter* to be erected, and applies to them by whatever authority created.

Counties within which the village is situate, may, by By-law, erect the same into a Police Village, and assign thereto such limits as may seem expedient. (g)

NEW INCORPORATED VILLAGES.

When population 750, County Council may incorporate a new village and name place for first election, and a returning officer.

10. When the census returns of an unincorporated Village with its immediate neighbourhood, taken under the direction of the Council or Councils of the County or Counties in which the Village and its neighbourhood are situate, shew that the same contain over seven hundred and fifty inhabitants, and when the residences of such inhabitants are sufficiently near to form an Incorporated Village, then, on petition, by not less than one hundred resident freeholders and householders of the village and neighbourhood, of whom not fewer than one-half shall be freeholders, the Council or Councils of the County or Counties in which the village and neighbourhood are situate shall, by By-law, erect the Village and neighbourhood into an Incorporated Village, apart from the Township or Townships in which the same are situate, by a name and with boundaries to be respectively declared in the By-law, and shall name in the By-law the place for holding the first Election, and the Returning Officer who is to hold the same; (h) Provided, always, that:—

Area of Town or Village limited.

1. No Town or Village incorporated after the passing of this Act, the population of which does not exceed one thousand souls, shall extend over or occupy within the limits of the incorporation an area of more than five hundred acres of land. (i)

2. No Town or Village already, or hereafter incorporated, and containing a population exceeding one thousand souls, shall make any further addition to its limits or area, except in the proportion of not more than two hundred acres for each additional thousand souls, subsequent to the first thousand. (j)

(g) This clause of course does not apply to Villages either incorporated or already made Police Villages.

(h) This section, so far, is in effect the same as s. 10 of the repealed act, Con. Stat. U. C., cap 64. But what follows is new, and inserted with the intention of circumscribing Towns and Villages within reasonable limits, in order that those who occupy lands for farming purposes, may not be unnecessarily subject to Town or Village taxation.

(i) This sub-section is prospective. Provision is made by sub-s. 3, for existing Towns and Villages.

(j) This sub-section is also prospective. When the population does not exceed one thousand souls, the maximum area allowed is 500 acres.

3. In the case of all Towns or Villages, now incorporated, whenever the area thereof exceeds the proportionate limit above prescribed, to wit, in all cases where the area exceeds the population of five hundred acres for the first thousand souls, and two hundred acres for each subsequent additional thousand, then in all such cases the said Towns or Villages shall not be permitted to make any further addition to their limits, 'until their population shall have reached a proportion as aforesaid to their present area. (*k*)

Existing Towns or Villages exceeding the area prescribed.

4. But in all cases the persons then actually inhabiting the land about to be included within the limits of any Town or Village, may, for the purpose of such extension only, be held and reckoned as among the inhabitants of such Town or Village. (*l*)

How population may be reckoned.

5. The County Council of any County or Union of Counties in Upper Canada, may, in their discretion, upon the application by petition of the Corporation of any Incorporated Village, whose outstanding obligations and debts do not exceed double the net amount of the yearly rate then last levied and collected therein, by By-law in that behalf, reduce the area of such Village by excluding from it lands used wholly for farming purposes : provided that such By-law shall define, by metes and bounds, the new limits intended for such Incorporated Village ; and, provided also, that no Incorporated Village shall by any such change of boundaries be reduced in population below the number of seven hundred and fifty souls ; and provided further, that the Municipal privileges and rights of such Village shall not thereby be diminished or otherwise interfered with as respects the remaining area thereof. and by the sub-section here annotated, two hundred acres only can be allowed for each additional thousand persons beyond the first thousand.

(*k*) While in the case of existing Towns and Villages no provision is by this sub-section made for restricting their existing limits, provision is made as to future increase, &c., that it shall be in the proportions indicated, viz., five hundred acres for first thousand souls, and two hundred acres for each additional thousand.

(*l*) Not for all purposes, but for the purpose of "such extension only," which is an expression by no means free from doubt. But it is apprehended, the design is to exclude such persons from the obligation to pay Town or Village taxes; whether the language used is capable of that construction must be determined by the courts.

(*m*) Before a by-law can be legally passed under this sub-section, certain things are necessary—there must be a petition from the Cor-

When the Village lies within two counties, how to be annexed to one of them by the Councils or Governor.

11. When the newly incorporated Village lies within two or more Counties, the Councils of the Counties shall, by By-law, annex the Village to one of the Counties; and if within six months after the petitions for the incorporation of the Village are presented, the Councils do not agree to which County the Village shall be annexed, the Wardens of the Counties shall memorialize the Governor in Council, setting forth the grounds of difference between the Councils; and thereupon the Governor shall, by proclamation, annex the Village to one of such counties. (*n*)

When by the Governor.

12. In case the Wardens do not within one month next after the expiration of the six months memorialize the Governor as aforesaid, then one hundred of the freeholders and housekeepers on the census list may petition the Governor to settle the matter, and thereupon the Governor shall, by proclamation, annex the Incorporated Village to one of the said Counties. Additions to Villages by Governor.

13. In case the Council of an Incorporated Village petitions the Governor to add to the boundaries thereof, the Governor may, by proclamation, add to the Village any part of the localities adjacent, which from the proximity of the streets or buildings therein, or the probable future exigencies of the Village, it may seem desirable to add thereto; provided always, that nothing herein contained shall be construed as authorizing any departure from the provisions of sub-sections one to five of section ten of this Act. poration of the Incorporated Village, and when the petition is received, it is discretionary with, not obligatory upon, the County Council to grant the prayer thereof. If the outstanding debts and obligations of the Village exceed double the amount of the yearly rate then last levied and collected in the Village, there is no power to pass the by-law. If the effect of the by-law would be to reduce the population in the Village below seven hundred and fifty souls, the by-law cannot be legally passed. The by-law, when passed, must define by metes and bounds the new limits intended for the Village. If the Village be within the limits of two or more Counties, the same must be by by-law annexed to one or other of such Counties (s. 11.)

(*n*) The annexation is in the first instance left to the County Councils jointly. If they do not pass the necessary by-law within six months from the time the petition for incorporation is presented, the Wardens are to notify the Governor in Council thereof, and he is then to cause the annexation by proclamation.

(*o*) In case of the neglect or refusal of the Wardens to do as in the last section provided, a remedy is here given. The months intended are calendar months.

15. In case it appears by the Census return taken under any Act of Parliament, (*r*) or under any such By-law, (*s*) that a Town contains over fifteen thousand inhabitants, the Town may be erected into a City; and in case it appears by the return that an Incorporated Village contains over three thousand inhabitants, the Village may be erected into a Town; (*t*) but the change shall be made by means of and subject to the following proceedings and conditions:

Town containing over fifteen thousand Inhabitants may be made a City; and Village containing over three thousand, a Town.

Firstly—The Council of the Town or Village, shall for three months after the Census return, insert a notice in some newspaper published in the Town or Village, or, if no newspaper be published therein, then the Council shall for three months post up a notice in four of the most public places in the Town or Village, and insert the same in a newspaper published in the County in which the Town or Village is situate, setting forth in the notice the intention of the Council to apply for the erection of the Town into a City, or of the Village into a Town, and stating the limits intended to be included therein;

1st—Notice to be given.

be exercised when the Council of the Incorporated Village petitions for the addition to its boundaries. The Governor in making the addition is to be influenced not only by the proximity of the streets and buildings in the locality proposed to be added, but may look to the probable future exigencies of the Village; subject, however, to the restrictions contained in sub-section one to five of section ten of this Act.

(*q*) This and the following provisions are designed to facilitate the formation of Villages into Towns, or Towns into Cities, whenever the population is sufficiently increased. The Census, it will be observed, may, under this section, be taken "at any time," but when taken, must be under the authority of a by-law of the Council of the Village.

(*r*) Such as under Con. Stat. Can., cap. 33, providing for the taking of a periodical census, is here referred to.

(*s*) *Any such By-law*, i. e., a by-law passed pursuant to the last section.

(*t*) The qualification, as it were, for the erection of a Town into a City is fifteen thousand inhabitants, and for the erection of an Incorporated Village into a Town is three thousand inhabitants.

2nd—Proof of publication of notice and of census.

3rd—Existing debts to be adjusted in case of a Town to be made a City.

4th—Governor may proclaim such Town a City.

Extension of limits.

Secondly—The Council of the Town or Village shall cause the census returns to be certified to the Governor in Council, under the signature of the Head of the Corporation and under the Corporate Seal, and shall also cause the publication aforesaid to be proved to the Governor in Council, then, in the case of a Village, the Governor may, by Proclamation, erect the Village into a Town by a name to be given thereto in the Proclamation; (*u*)

Thirdly—In case the application is for the erection of a Town into a City, (*v*)—the Town shall moreover pay to the County which it forms part, such portion, if any, of the debts of the County as may be just, or the Council of the Town shall agree with the Council of the County as to the amount to be so paid, and the periods of payment with interest from the time of the erection of the new City, or in case of disagreement the same shall be determined by arbitration under this Act; and the Council shall prove to the Governor in Council the payment, agreement or arbitration. (*w*)

Then, the Governor may, by Proclamation, erect the Town into a City, by a name to be given thereto in the Proclamation. (*x*)

16. The Governor may include in the new Town or City such portions of any Township or Townships adjacent thereto and within the limits mentioned in the aforesaid notice (*a*) as from the proximity of the streets or buildings, or the probable future exigencies of the new Town or City, the Governor in Council may consider it desirable to attach thereto. (*b*)

(*u*) This and the preceding sub-section apply both to Towns and Incorporated Villages.

(*v*) This sub-section applies to Towns only. It is an additional condition precedent to the application. It is rendered necessary in the case of a Town, as distinguished from a Village, because when a Town becomes a City, it is no longer like a Village becoming a Town, still within the jurisdiction of the Municipal Council of the County, as respects debts and rates and representation by Reeves in the County Council.

(*w*) Three methods are provided. *First*, actual payment. *Second*, a mutual agreement as to the amount and time of payment. *Third*, an arbitration in case of disagreement.

(*x*) The name, it will be observed, must be given in the Proclamation.

(*a*) *Aforesaid notice.* The notice intended is that mentioned at the end of subsection 1 of the last section, and shows how important it is for the notice to express clearly the limits of the Town or City, as proposed by the Council.

(*b*) See note *p* to s. 13.

17. The Governor may divide the new Town or City into Wards, with appropriate names and boundaries, but no Town shall have less than three Wards, and no Ward less than five hundred inhabitants. (*c*)

18. In case any tract of land so attached to the Town or City belonged to another County, the same shall thenceforward for all purposes cease to belong to such other County, and shall belong to the same County as the rest of the Town or City. (*d*)

Lands detached from Counties.

NEW DIVISION OF WARDS IN CITIES AND TOWNS.

19. In case two-thirds of the members of the Council of a City or Town do in Council (*e*) before the fifteenth day of July in any year (*f*) pass a resolution (*g*) affirming the expediency of a new division into Wards being made of the City or Town, or of a part of the same, (*h*) either within the existing limits or with the addition of any part of the localities adjacent, which from the proximity of streets or buildings therein, or the probable future exigencies of the City or Town, it may seem desirable to add thereto respectively, the Governor may, by proclamation, divide the City or Town, or such part thereof into Wards, as may seem expedient, and may add to the City or Town any part of the adjacent Township or

New division of Wards in Cities and Towns.

Extension of City.

(*c*) It will be observed that this section has no reference whatever to Incorporated Villages. It will also be observed that no Town having less than 1500 inhabitants can be divided into Wards under this section.

(*d*) Towns and Cities for some purposes continue parts of the county in which situate, and this provides for the annexation for all purposes of tracts detached under the operation of the foregoing section

(*e*) This it is apprehended means a majority of two-thirds of the *whole* number of Councillors, and not merely two-thirds of a less number present at the meeting, though the number present be sufficient to form a quorum for ordinary business.

(*f*) It ought to be observed that the time is here expressly limited. If the act authorised be done after the time limited, it would be a nullity.

(*g*) A Municipal Council ordinarily does public acts through the instrumentality of a by-law. No by-law is, however, here necessary. A formal resolution is all that is required. One difference between a by-law and a resolution is that the former must bear the corporate seal, and the latter need not do so.

(*h*) A change in one or more Wards of a City or Town, without disturbing the remaining Wards, is contemplated.

Townships, which the Governor in Council on the grounds aforesaid considers it desirable to attach thereto. (*i*)

LIBERTIES IN CITIES ABOLISHED.

No liberties. **20.** There shall be no Liberties or outer Wards in Cities. (*j*)

EXISTING BY-LAWS CONTINUED.

21. In case a Village be incorporated, or an Incorporated Village or Town with or without additional area, be erected into a Town or City, the By-laws in force therein respectively shall continue in force until repealed or altered by the Council of the new Corporation; (*k*) but no such By-laws shall be repealed or altered, unless they could have been or can be legally repealed or altered by the Council which passed the same. (*l*)

22. In case an addition be made to the limits of a Municipality, the By-laws of the Municipality shall extend to the additional limits, and the By-laws of the Municipality from which the same has been detached shall cease to apply to the addition, except only By-laws relating to roads and streets,

(*i*) This admits of tracts of adjacent Townships being added to Cities or Towns and annexed to specific Wards. It would seem to be in the discretion of the Governor to fix or define the Wards, or make any necessary alterations therein, but it is probable that the wishes of the Town or City Council would be complied with by him. It may therefore be important that the resolution should explicitly state the changes or additions deemed expedient by the Council. No published or other notice of the intended application is required.

(*j*) Under former statutes, there were liberties and outer Wards attached to Cities; but it is believed that all such have been, before the passing of this statute, incorporated in the Cities, and made inner Wards thereof, and it is not deemed expedient to authorize either liberties or outer Wards for the future.

(*k*) This section relates to Villages newly incorporated, to incorporated Villages made Towns, and to Towns made Cities. An unincorporated Village is subject to the jurisdiction and by-laws of the Township and County Councils. Villages and Towns incorporated are themselves Municipalities, independent of Township Councils. The design of this section is to continue the by-laws of the Township Council in a Village newly incorporated, until the by-laws are altered by the Council of the Village. So also the by-laws of an incorporated Village when it becomes a Town, and of a Town when it becomes a City, are continued until duly repealed.

(*l*) The object of this part of the section is to prohibit the repeal by the new Council of by-laws securing the payment of debentures, &c., which could not be repealed by the old Municipal Council.

and these shall remain in force until repealed by By-laws of the Municipality added to. (*m*)

LIABILITY OF DEBTS TO CONTINUE.

23. In case of the formation of an Incorporated Village, or of the erection of an Incorporated Village into a Town, or of a Town into a City, the Village, Town or City shall remain liable to all the debts and liabilities to which the Village or Town was previously liable, in like manner as if the same had been contracted or incurred by the new Municipality. (*n*)

Liability to debts to continue.

24. After an addition has been made to a Village, Town or City, the Village, Town or City shall pay to the Township or County from which the additional tract has been taken, such part, (if any,) of the debts of the Township or County, as may be just; (*o*) and in case the Councils do not, within three months after the first meeting of the Council of the Municipality to which the addition has been made, agree as to the sum to be paid, or as to the time of payment thereof, the matter shall be settled by arbitration under this Act. (*p*)

And in case of an extension of limits

(*m*) The object of this section is to extend the existing by-laws of a Municipality to tracts of land added to the Municipality after the passing of the by-laws, and to indicate the exemption of such tracts of land from the operation of the by-laws of the Municipality to which they formerly belonged. Even the operation of the by-laws of the old Municipality creating debts, &c., are thus got rid of; but by-laws relating to roads or streets, within the limits of such tracts, are continued until repealed by the Council acquiring jurisdiction over the same. With regard to by-laws creating debt, secs. 23 and 24 of this act ought to be read in connexion with the one here annotated.

(*n*) This strengthens the provisions contained in previous sections for the protection of creditors. At one time Junior Townships and Junior Counties only after separation were still made liable to existing debts. The present section extends the liability to a newly erected Incorporated Village, *i. e.*, renders it still liable for debts of the Township at the time of the incorporation of the Village. A Village made a Town, of course remains subject to its debts, being in effect the same Municipality advanced to a Town. So if a Town be erected into a City. The effect of this section is that a village newly incorporated remains liable to pre-existing township debts, and towns and cities respectively remain liable for the debts contracted by them while they were incorporated villages or towns.

(*o*) The effect of sec. 22 is to exempt tracts of land annexed from the debts of the Municipality to which they formerly belonged; and the effect of this section, read in connection with it, is to render the Municipality to which the annexation is made liable to compensate the former Municipality a reasonable proportion of the pre-existing debts.

(*p*) Resort is to be had to arbitration only in case the Councils do not, within three months after the first meeting of the Municipality

COUNCILS AND OFFICERS TO CONTINUE.

Former Councils and Officers to exercise jurisdiction over new Municipalities, &c., until new Councils are organized.

25. In case any place be erected into an incorporated Village, or an incorporated Village into a Town, or a Town into a City, the Council and the members thereof having authority in the place or Municipality immediately before such erection, shall, until the Council for the newly erected Corporation be organised, continue to have the same powers as before; and all other Officers and Servants of the place or Municipality shall, until dismissed or until successors be appointed, continue in their respective offices, with the same powers, duties and liabilities as before. (*q*)

WITHDRAWAL OF TOWNS FROM THE JURISDICTION OF THE COUNTY.

Town may be withdrawn from jurisdiction of County by By-law on certain conditions.

26. The Council of any Town may pass a By-law to withdraw the Town from the jurisdiction of the Council of the County within which the town is situated, upon obtaining the assent of the electors of the Town to the By-law in manner provided by this Act, (*r*) subject to the following provisions and conditions:

Amount to be paid by Town towards expenses of administration of justice to be settled.

1. After the final passing of the By-law, the amount which the Town is to pay to the County for the expenses of the administration of Justice, the use of the Gaol, and the erection and repairs of the Registry Office, and for providing books for the same, as well as for the then existing debt of the County, if not mutually agreed upon, shall be ascertained by arbitration under this Act; and the agreement or award shall distinguish the amounts to be annually paid for the said expenses, and for the then debt of the County, and the number of years the payments for the debt are to continue; (*s*)

to which the addition has been made, agree as to the sum to be paid, or as to the time of payment.

(*q*) This continues the jurisdiction of the Township Council and officers, &c., over a newly incorporated Village, and so of the Council and officers of Villages and Towns respectively, until the organization of the first Council of the new Municipality.

(*r*) The exercise of the powers of the Council is made subject to the assent of the electors, and even with the assent of the electors is further subject to the provisions and conditions in this section also contained. The effect of the withdrawal is hereafter explained, (see note *v*).

(*s*) The amount to be paid by the Town to the County is made up of the following items:—

1. Expenses of Administration of Justice.
2. Use of the Gaol.
3. Erection and repairs of Registry Office.
4. Books for the same.
5. The then existing debt of the County.

2. In adjusting their award, the arbitrators shall, among other things, take into consideration the amount previously paid by the Town, or which the Town may be then liable to pay, for the construction of roads or bridges by the County, without the limits of the town; and also what the County may have paid, or be liable to pay, for the construction of roads or bridges within the Town; and they shall also ascertain and allow to the Town the value of its interest in all County property except roads and bridges within the Town; (*t*)

Matters to be considered in settling the same.

3. When the agreement or award has been made, a copy of the same and of the By-law, duly verified by affidavit, shall be transmitted to the Governor, who shall thereupon issue his proclamation withdrawing the Town from the jurisdiction of the Council of the County; (*u*)

4. After the proclamation has been issued, the offices of Reeve and Deputy Reeve or Deputy Reeves of the Town shall cease; and no By-law of the Council of the County shall have any force in the Town, except so far as relates to the care of the Court House and Gaol, and other County property in the Town; and the Town shall not thereafter be liable to the County for, or be obliged to pay to the County or into the County Treasury, any money for County debts or other purposes, except such sums as may be agreed upon or awarded as aforesaid; (*v*)

Effect of such Proclamation.

5. After the lapse of five years from the time of the agreement or award, or such shorter time as may be stated in the agreement or award, a new agreement or a new award may be

New agreement after five years.

(*t*) The rule laid down is a fair one. Where the Town has contributed towards building roads or bridges outside of its limits, credit is to be given; but when the roads, &c., are within the limits, it is to be debited with a fair proportion of the outlay. In addition, the Town is to receive credit for the value of its interests in all County property, except roads and bridges within the Town.

(*u*) There is no time limited in any year within which the application to the Governor General is to be made.

(*v*) The effects of withdrawal are here explained.

1. The offices of Reeve and Deputy Reeve necessary only as representatives of the Town in the County Council are to cease.

2. No by-law of the County (except so far as relates to the care of the Court House and Gaol, and other County property in the Town) is to have any force in the Town.

3. The Town is not to be liable to the County for, or be obliged to pay into the County Treasury, any moneys (except as agreed upon or awarded) for County debts or other purposes.

TOWNSHIPS.

ERECTION OF NEW TOWNSHIPS.

New Town-
ship beyond
the limits of
Incorporated
Counties
may be at-
tached to a
County by
proclamation

27. In case a Township be laid out by the Crown in territory forming no part of an Incorporated County, the Governor may by proclamation erect the Township, or two or more of such Townships, lying adjacent to one another, into an Incorporated Township or Union of Townships, and annex the same to any adjacent Incorporated County; and the proclamation shall appoint the Returning Officer who is to hold, and the place for holding, the first election in the Township or Union of Townships. (*a*)

SEPARATION OF UNITED TOWNSHIPS.

Junior
Township
containing
100 freehold-
ers, &c., to
become a se-
parate Muni-
cipality.

28. When a Junior Township of an Incorporated Union (*b*) of Townships has one hundred resident freeholders and householders on the assessment roll as last finally revised and passed, (*c*) such Township shall, upon the first day of January then next thereafter, (*d*) become separated from the Union. (*e*)

(*w*) This is not to be understood as referring merely to the expenses of the administration of *criminal* justice: for they are to be defrayed by the Province. (Con. Stat. U. C. cap. 120.)

(*x*) A fair result of the preceding subsections.

(*a*) At one time no Township could, for the purposes of election and municipal government, be organized until it contained a certain population. Here no such requirement is made. The Governor is enabled by proclamation to incorporate new Townships, separately or in unions.

(*b*) *Resident freeholders and householders.* There must be at least one hundred residents, and these residents must be either freeholders or householders, it matters not in what proportion. Females are not in terms excluded, though it is doubtful whether the law intends them to be included.

(*c*) The assessment roll is under the assessment act revised and finally passed by the Court of Appeal constituted by that act. The roll so revised and passed is the one here mentioned.

(*d*) The day of separation is postponed until the new year, that is, till the period is at hand for the yearly election of Municipal Councillors.

(*e*) When the junior Township attains the required population, the separation is to take place *by operation of law*. No by-law or proclamation is made necessary.

29. In case a Junior Township has at least fifty but less than one hundred resident freeholders and householders (*f*) on the last revised assessment roll, (*g*) and two-thirds of the resident freeholders and householders of the Township, petition the Council of the County to separate the Township from the Union to which it belongs; (*h*) and in case the Council considers the Township to be so situated, with reference to streams or other natural obstructions, that its inhabitants cannot conveniently be united with the inhabitants of an adjoining Township for Municipal purposes, the Council may, by By-law separate the same from the Union, (*i*) and the By-law shall name the Returning Officer who is to hold, and the place for holding the first election under the same. (*j*)

In what case a Junior Township containing less than 100, but exceeding 50, may be separated, and how.

ANNEXATION OF GORES.

30. The Governor may, by proclamation, annex to any Township, or partly to each of more Townships than one, any Gore or small tract of land lying adjacent thereto and not forming part of any Township, and such Gore or tract shall thenceforward for all purposes form part of the Township to which it is annexed. (*k*)

The Governor may annex Gores to adjacent Townships.

ANNEXATION OF NEW TOWNSHIPS.

31. In case a Township be laid out by the Crown in an incorporated County or Union of Counties; or in case there is any Township therein not incorporated and not belonging to an incorporated Union of Townships,—the Council of the County or United Counties shall, by By-law unite such Town-

New Townships, &c., within the limits of Incorporated Counties, to be united to adjacent

(*f*) See note *b* to preceding section.

(*g*) See note *c* to same.

(*h*) The petition may, under the circumstances stated, be made at any time of the year.

(*i*) The power of the County Council to interfere is only when it considers the Township to be so situated with reference to streams or other natural obstructions that its inhabitants cannot conveniently be united for municipal purposes with the inhabitants of an adjoining township.

(*j*) It is to be noticed that the By-law is to fix the place for holding the first election of Councillors and to name the Returning Officer, neither of which is mentioned in the preceding section.

(*k*) This was originally taken from Statute 12 Vic., cap. 11, sec. 2, which authorized such annexation for all purposes, including, of course, municipal purposes. The proclamation must, it is presumed, as usual in the case of Crown proclamations, be under the Great Seal of the Province. (*Keyley v. Manning*, Cro. Car. 180.)

Townships not incorporated or united may be formed into unions, and how. **32.** In case of there being at any time in an Incorporated County or Union of Counties two or more adjacent Townships not incorporated and not belonging to an Incorporated Union of Townships; and in case such adjacent Townships have together not less than one hundred resident freeholders and householders within the same,—the Council of the County or Union of Counties may, by By-law, form such Townships into an independent Union of Townships. (*m*)

Townships in different Counties. **33.** In case the united Townships are in different Counties, the By-law shall cease to be in force whenever the union of the Counties is dissolved. (*n*)

SENIORITY OF TOWNSHIPS.

Seniority of Townships how regulated. **34.** Every Proclamation or By-law forming a Union of Townships shall designate the order of seniority of the Townships so united, and the Townships of the Union shall be classed in the By-law according to the relative number of freeholders and householders on the last revised assessment roll. (*o*)

(*l*) There are in some Counties tracts of land not surveyed or laid out in Townships, and this section requires the County Council of any such County to unite new townships when laid out with some adjacent Township or Townships, in order that the inhabitants may at once enjoy municipal rights and be subject to municipal liabilities.

(*m*) Under this section Unions may be formed of two or more *new* townships, instead of annexing them to *old* townships. This can only be done when the joint population of resident freeholders and householders is not less in number than one hundred.

(*n*) No case can arise under this section, unless the Union have been made by the Council of United Counties of Townships in different Counties of the Union. When such has been done, and the Counties afterwards become separated, provision is made for the separation of the United Townships. The fact that the by-law is in such an event to "cease to be in force," as near as may be restores the Townships to the situation in which they were before the by-law passed.

(*o*) The order of seniority of United Townships is to be declared in the Proclamation or By-law, as the case may be, and the seniority is to be governed by population, so that the more populous Township is to be the senior.

COUNTIES.

NEW COUNTIES.

35. The Governor may, by Proclamation, form into a new County, any new Townships not within the limits of an Incorporated County, and may include in the new County one or more unincorporated Townships or other adjacent unorganized Territory, (defining the limits thereof) not being within an Incorporated County, and may annex the new County to any adjacent Incorporated County; or in case there is no adjacent Incorporated County, or in case the Governor in Council considers the new County, or any number of such new Counties lying adjacent to one another and not belonging to an Incorporated Union, so situated that the inhabitants cannot conveniently be united with the inhabitants of an adjoining Incorporated County for Municipal purposes, the Governor may, by the Proclamation, erect the new County, or new adjacent Counties, into an independent County or Union of Counties, for the said purposes, and the Proclamation shall name the new County or Counties. (*p*)

New Counties, how formed by Proclamation and annexed or united.

36. In every Union of Counties, the County in which the County Court House and Gaol are situate, shall be the Senior County, and the other County or Counties of the Union shall be the Junior County or Counties thereof. (*q*)

Seniority of United Counties, how regulated.

LAWS APPLICABLE TO.

VENUE IN.

38. In the case of United Counties, the venue in any judicial proceedings shall be laid in the proper County of the

Venue how laid in unions of Counties.

(*p*) The provisions of this section are taken from sec. 35 of Con. Stat. U. C., cap. 54. They facilitate the formation of Counties and Unions of Counties in newly organized tracts of land, without the necessity of express Acts of Parliament.

(*q*) There is not only seniority among United Townships, but seniority among United Counties. While among the former seniority is to be determined by population, among the latter it is to be determined by the situation of the County Court House and Gaol. This was the old law.

(*r*) The corporate name will be "The Corporation of the United Counties of," &c. (naming the same), s. 4.

ERECTION OF PROVISIONAL CORPORATIONS AND SEPARATION OF JUNIOR COUNTIES.

PRESIDING MEMBER—FIRST MEETING—COUNTY TOWN.

Provisional separation of United Counties by Proclamation appointing place of meeting and presiding officer;

39. When the Census Returns taken under an Act of Parliament, or under the authority of a By-law of the Council of any United Counties, show that the Junior County of the Union contains seventeen thousand inhabitants, or more, then, if a majority of the Reeves and Deputy Reeves of such County do, in the month of February, pass a resolution affirming the expediency of the County being separated from the Union; and if in the month of February in the following year, a majority of the Reeves and Deputy Reeves transmit to the Governor in Council a petition for the separation, and if the Governor deems the circumstances of the Junior County such as to call for a separate establishment of Courts and other County institutions, he may, by Proclamation setting forth those facts, constitute the Reeves and Deputy Reeves for the County a Provisional Council, and in the Proclamation appoint a time and place for the first meeting of the Council, and therein name one of its Members to preside at the meeting, and also, therein determine the place for and the name of the County Town. 40. The member so appointed shall preside in the Council until a Provisional Warden has been elected by the Council from among the members thereof. (u)

(s) A declaration laying the venue in the United Counties of, &c., (not naming the particular county) was held bad on special demurrer. (*Nelson Boad Co. v. Bates*, 4 U. C. C. P. 281.) A writ of summons was sued out before the separation of the County of Ontario from the United Counties of York and Peel, directing defendant to appear in the United Counties of York, Ontario and Peel. It was not served until after the separation, and the venue in the declaration was laid in the three United Counties. The defendant thereupon demurred. *Held*, not a frivolous demurrer. (*Plaxton et al. v. Smith*, 1 U. C. Prac. Rep. 228.)

(t) The provision made for determining the County Town will, it is hoped, be found sufficient to avoid the difficulties and delays that have been heretofore experienced in such cases.

(u) See s. 135.

DEBTS AND ASSETS OF THE UNION.

46. After a Provisional Council has procured the necessary property and erected thereon the proper buildings for a

lution.

(*v*) The mode of appointment is not here specified; but all such appointments had better be by by-law, under corporate seal.

(*w*) The primary duty of the Warden is to preside at the meetings of the County Council. He needs no greater qualification than any other member of the Council. His selection is made from the Reeves and Deputy Reeves who compose the Council.

(*x*) Their holding is during pleasure. They may, it is presumed, be removed either by by-law or resolution.

(*a*) Power is given to the Provisional Council—

1. To acquire the necessary property on which to erect a Court House and Gaol.

2. To erect a Court House and Gaol; and these powers should be exercised by by-laws.

(*b*) The power to raise money is here implied. That power should be exercised by by-law of the Provisional Council.

47. No member of the Provisional Council shall vote or take any part in the Council of the Union on any question affecting such agreement or the negotiation therefor. (d)

Arbitrament

Payment of debts upon dissolution.

Debt to bear interest.

Proviso:

If there are no debts, as to division of property.

48. In case the Councils do not then agree as to the amount or periods of payment, the matter shall be settled between them by arbitration under this Act, (e) and the junior County shall pay to the senior or remaining County or Counties of the Union the amount so agreed upon or settled (f) and such amount shall bear interest from the day on which the Union is dissolved, and shall be provided for like other debts, by the Council of the junior County after being separated: (g) provided always, that if no such debts exist and the Councils do not agree as to the division of the property belonging to the United Counties, that then an arbitration shall take place within twelve months after the separation of such Counties has taken place, and the arbitrators shall take into consideration and allow to the junior County the fair proportion of the value of any personal property of the United Counties, which by the separation of the Counties becomes the exclusive property of the senior County. Provided also,

(c) It is necessary that the Gaol and Court Houses should be erected before an agreement respecting the debts of the Union is to be entered into, and then and not till then the County about to be separated is to arrange with the remaining County or Counties for a due proportion of the joint debts. In case the Councils do not agree as to the amount or periods of payment, they are to arbitrate.

(d) The reason is plain. Though the members of the Provisional Council are also members of the Council of the Union, yet in this negotiation, the matter lies between the Provisional Council on the one hand and the Council of the Union on the other. And the Provisional Council being for this purpose an independent and interested body, it follows that the interest of the Union, which is virtually the interest of the senior or remaining County or Counties should be protected by the Councillors of the senior or remaining County or Counties.

(e) See section 353 *et seq.*

(f) The sum to be paid by the junior to the senior or remaining County or Counties, is "the amount so agreed upon or settled," that is, either the amount agreed upon between the Counties without arbitration, or the amount settled by arbitration.

(g) Nothing is here said as to the rate of interest.

that the provisions in this section contained shall not apply to any County where proceedings have been commenced or taken, previous to the passing of this Act, for separating such County. (*h*)

GOVERNOR TO APPOINT JUDGES, &c.

49. After the sum to be paid by the junior County to the senior or remaining County or Counties has been paid or ascertained by agreement or arbitration, the Governor in Council shall appoint for the junior County, a Judge, a Sheriff, one or more Coroners, a Clerk of the Peace, a Clerk of the County Court, a Registrar, and at least twelve Justices of the Peace, and shall provide, in the commission or commissions, that the appointments are to take effect on the day the Counties become disunited. WHEN A JUNIOR COUNTY MAY BE SEPARATED.

51. After such appointments are made, the Governor shall, by proclamation, separate the Junior County from the Senior or remaining County or Counties, and shall declare such separation to take effect on the first day of January next after

United
Counties,
when and
how to be
separated by
Proclama-
tion.

(*h*) The two last provisos of this section are new, the latter having been introduced by the amending act passed in the same session, cap. 52. Where there are no debts at the time of the separation, the only thing remaining for consideration is the division of the property in which both are jointly interested. The arbitrators when making the division are to take into consideration and allow to the junior County the fair proportion of the value of any personal property of the Union which by the separation becomes the exclusive property of the senior County. This however is not to apply to any County where proceedings for a separation were commenced or taken previous to the passing of this Act.

(*i*) It is not necessary for the Governor to defer making the appointments indicated till payment. It is quite sufficient for the purpose that the sum be paid by the junior to the senior County has been ascertained by agreement or arbitration.

(*j*) It is by the Statute 29 Vic. cap. 24, s. 4. enacted that there shall be a separate Registry Office in every Riding, Union of Counties, and City in Upper Canada, wherein at the time of the passing of the Act a separate Registry Office was established, and that whenever any County should be separated for judicial purposes from a Union of Counties, or a new County formed and set apart for judicial purposes, there shall be a separate Registry Office established therein by the Governor in Council, which office shall be kept in the County Town in like manner as in other County Towns.

the end of three months from the date of the Proclamation; (*k*) and on that day the Courts and officers of the Union shall cease to have any Jurisdiction in the Junior County; (*l*) and the property of the Corporation of the Union situate in the Junior County shall become the property of the Corporation of the Junior County, and the property situate in the remaining County or United Counties shall be the property of the Corporation of the remaining County or United Counties; (*m*) Provided always, that nothing herein contained shall prevent the Sheriff of any such senior county from proceeding upon and completing the execution or service within the Junior County of any writ of mesne or final process in his hands at the time of such separation, or of any renewal thereof or of any subsequent or supplementary writ in the same cause, or in the case of executions against lands from executing all necessary deeds and conveyances relating to the same, and the acts of all such Sheriffs in that behalf, shall be and be held and construed to be legal and valid in the same manner and to the same extent as if no separation had taken place, but no further. (*n*)

Property
how divided.

Proviso: as
to execution
and service
of writs.

(*k*) It will be seen that the separation does not necessarily take place on the first day of January next after the proclamation, but next after "the end of three calendar months from the date of the proclamation." So that if three calendar months of the expiring year do not remain after the date of the proclamation, the separation will be deferred until the first day of January in the second year, reckoned from the date of the proclamation.

(*l*) This is a very important provision. Every word of it deserves attention. It is, that on the day when the Junior County becomes separate and independent "the Courts and officers of the Union shall cease to have any jurisdiction in the Junior County." Who are "officers of the Union?" Is a commissioner for taking affidavits, appointed by the Courts, such an officer? Though there is room for argument that he is not, the better opinion would appear to be that he is. (See *McWhirter v. Corbett*, 4 U. C. C. P. 203; *Carter v. Sullivan et al.*, Ib. 298; *Glick v. Davidson*, 15 U. C. Q. B. 591; *Fleming v. McNaughten*, 16 U. C. Q. B. 194) Then the jurisdiction of all such officers after the separation, as to the County separated, is to *cease*.

(*m*) The property here meant, it is presumed, is real property. The ownership of it is made to depend on its situation. If within the Junior County, the property of the Junior County. So if within the senior County, the property of the Senior County.

(*n*) This proviso is new and intended to meet difficulties which, under the old law, presented themselves. It was in one case held that the sureties of a Sheriff of United Counties were not liable after separation for his conduct in office as Sheriff of the Union County. (*Thompson et al. v. McLean et al.* 17 U. C. Q. B. 495.)

52. If upon the dissolution of a Union of Counties there is pending an action, information, indictment, or other judicial proceeding in which the Venue is laid in a County of the Union, the Court in which the action, information or indictment is pending, or any Judge who has authority to make orders therein may, by consent of parties, or on hearing the parties upon affidavit, order the Venue to be changed to the new County, (o) and all records and papers to be transmitted to the proper officers of such County, and in the case of any such indictment found at any Court of Oyer and Terminer and General Gaol Delivery, any Judge of either of the Superior Courts of Common Law, may make the order. Indictable offences, how to be disposed of.

(o) The section applies only to pending actions, informations, indictments, or other judicial proceedings, &c., *to be tried by a jury*. The reason is, that in any such proceeding, the jury is to be summoned from the United Counties, or separated County, as the case may be.

(p) It seems to be in the discretion of the Court or Judge to grant or refuse the application.

(q) The senior County is that in which the Court House and Gaol, &c., are situate. (Sec. 36.) The object of this section is to fix the County in which pending proceedings are to be continued, when no order has been made under the preceding section for changing the venue to the junior County after its separation. No provision is made for the change of the style of venue. If no change be made, of course the jury would be summoned from the senior or remaining County, or Counties; so all other proceedings connected therewith would be conducted therein.

(*t*) Offences which may be made the subject of indictment and are below the crime of treason may be divided into two classes—felonies and misdemeanors. The term felony appears to have been long used to signify the degree or class of crime committed, rather than the penal consequence or forfeiture occasioned by the crime, according to its original signification. The proper definition of it, however, as stated by an excellent writer, recurs to the subject of forfeiture, and describes the word as signifying an offence which occasions a total forfeiture of either lands or goods or both, at common law; and to which capital or other punishment may be superadded, according to the degree of guilt. With regard to felonies created by statute, it seems clear that not only those crimes which are made felonies in express words, but also all those which are decreed to have or undergo judgment of life and member by any statute, become felonies thereby, whether the word "felony" be omitted or mentioned. The word "misdemeanor," in its usual acceptation, is applied to all those crimes and offences for which the law has not provided a particular name, and they may be punished according to the degree of the offence, by fine, or imprisonment, or both. A misdemeanor is in truth any crime less than a felony; misdemeanors comprehending all indictable offences which do not amount to felony, as perjury, battery, libels, conspiracies and public nuisances. (Russell on Crimes, i. 44.)

PERSONS ON GAOL LIMITS.

57. In case a debtor or other person be (in manner prescribed by law) admitted to the Gaol limits of a Union of Counties, and the Union be afterwards dissolved, or one or more Counties be separated from the Union, such person or debtor may notwithstanding travel and reside in any portion of the said Counties, as if no dissolution or separation had taken place, without committing a breach of any bond or the condition thereof, or a forfeiture of any security given for the purpose of obtaining the benefit of such limits, (b) and in case any such person after the dissolution of the Union be surrendered or ordered to be committed to close custody, he shall be surrendered or committed to the Sheriff of the County in which he was arrested and be imprisoned in the Gaol thereof. 58. When a Junior County is separated from a Union of Counties, the head and members of the Provisional Council of the Junior County, and the officers, by-laws, contracts,

Officers and property, &c., continued.

(a) Provision is here made for the case of a person arrested or held to bail on *civil* process; and if imprisoned, it is not only declared in what prison he shall be confined, but in what County proceedings shall be carried on, that is, in the County in which he was arrested. No Judges order is in terms made necessary.

(b) The design of this, is to entitle a debtor on the gaol limits of United Counties to have the benefit of such limits after as well as before the separation of one or more of the County or Counties from the remainder; but the necessity for such a provision in the present altered state of the law is not very apparent. Bonds to the limits are no longer conditioned to abide within the limits of any particular County or Counties, but "to observe and obey all notices, orders, or Rules of Court, touching or concerning such debtor, or his answering interrogatories, or his appearing to be examined *viva voce*, or his returning and being remanded into close custody," &c. (Con. Stat. U. C., cap. 24, s. 25.) So long as the debtor is in a position to return to the proper County, and observe and obey all notices, &c., he may reside where he pleases without a breach of the condition of the limit Bond.

(c) While the debtor is on the limits, he may go where he pleases, so long as in a position to observe and obey all notices, &c.; but if committed to close custody, he is to be rendered to the Sheriff of the County, whether junior or senior, in which he was arrested.

property, assets and liabilities of the Provisional Corporation, shall be the head and members of the Council, and the officers, by-laws, contracts, property, assets and liabilities of the new Corporation. (*d*)

BY-LAWS, DEBTS AND RATES OF FORMER UNIONS OF COUNTIES OR TOWNSHIPS AFTER BEING DISSOLVED.

By-laws to continue in Counties and Townships.

59. When a Junior County or Township is separated from a Senior County or Township, the By-laws of the Union shall continue in force in the several Counties or Townships which composed the Union until altered or repealed by the Council or Councils of the same respectively. (*e*)

Upon dissolution of Township unions, the Junior to pay a just portion of debts of the union; and disposition of property of the union.

60. After the dissolution of a Union of Townships, the following shall be the disposition of the property of the Union. (*f*)

1. The real property of the Union situate in the Junior Township, shall become the property of the Junior Township ;

2. The real property of the Union situate in the remaining Township or Townships of the Union shall be the property of the remaining Township or Townships ; (*g*)

Joint interest in assets.

3. The two Corporations shall be jointly interested in the other assets of the Union, and the same shall be retained by

(*d*) The Reeves and Deputy Reeves of a junior County may, under sec. 39, and subject to the provisions of that section, be constituted a Provisional Council, with power to appoint provisional officers, make contracts, and under and subject to the provisions of sec. 51, such junior County may, by proclamation, be separated from the Union. Hence it is enacted by the section here annotated, that the head and members of the Provisional Council of the junior County, and the officers, &c., shall be the head, &c., and the officers, &c., of the new Corporation.

(*e*) The effect of this section is to continue existing By-laws of the Union in both the senior and junior Counties and Townships respectively, after a separation, subject to the powers of each independent Council, to repeal or alter the same when the Council of the Union might have done so.

(*f*) This section, so far it will be observed is in its application restricted to Townships exclusively. It is however by subsection 7 made to apply in all cases where an incorporated Village separates from the Township or Townships in which situate.

(*g*) The situation of the real property is made to govern its ownership. If in junior Township the property of Junior Township. If in remaining Township or Townships, then the property of such Townships.

the one, or shall be divided between both, or shall be otherwise disposed of, as they may agree; (*h*)

4. The one shall pay or allow the other, in respect of the said disposition of the real and personal property of the Union, and in respect to the debts of the Union, such sum or sums of money as may be just; (*i*)

Arrangement as to debts.

5. In case the Councils of the Townships do not within three months after the first meeting of the Council of the Junior Township, agree as to the disposition of the personal property of the Union, or as to the sum to be paid by the one to the other, or as to the times of payment thereof, the matter shall be settled by arbitration under this Act; (*j*)

How to be determined, in case of disagreement.

6. The amount so agreed upon or settled shall bear interest from the day on which the Union was dissolved; and shall be provided for by the Council of the indebted Township like other debts; (*k*)

Amount settled to bear interest.

7. The provisions of the six preceding subsections shall apply in all cases where an incorporated village separates from the Township or Townships in which it is situate. (*l*)

Case of Village separating from Township.

(*h*) The word "assets" is a word well known to the law. It is derived from the French word "*assez*"—enough. It has a restricted and an enlarged sense. In its restricted sense it means goods *enough* to discharge that burden which is cast upon an executor, &c., in satisfying the debts of a testator, &c. In its enlarged sense, as used in the Municipal Act, it means property as opposed to liabilities. In the section under consideration, provision is in the first subsection made for the disposition of the real property of the Union situate in the Junior Township; in the second subsection, of the "real property of the Union situate in the remaining township or townships of the Union;" then, in the subsection here annotated, of "the other assets of the Union."

(*i*) *As may be just.* A very vague but under the circumstances as definite an expression as could well be used. The design of the enactment is that the Township Councils should in the first instance come to an understanding or agreement. Failing this, resort must under the next subsection be had to arbitration.

(*j*) So far as the Act directs a distribution of property the Act must be followed. The Corporations cannot of themselves make an arrangement contrary to the Act of Parliament, but in matters where the Act is silent as to the particular division of property or adjustment of assets, it is in the power of the Corporation by amicable arrangement, or through the medium of an arbitration, to adjust the same. (See *The Municipal Council of the County of Wellington v. The Municipality of the Township of Wilmot*, 17 U. C. Q. B. 71.)

(*k*) The rate of interest is not mentioned.

(*l*) This subsection is new. It is an extension of the provisions of the section which originally was restricted to the case of a dissolution of a union of Townships.

Liability of
union for
debts at the
time of dis-
solution.

61. In case of the separation of a County or Township from a union of Counties or Townships, each County or Township which formed the union shall remain subject to the debts and liabilities of the union as if the same had been contracted or incurred after the dissolution by the respective Counties or Townships which constituted the Union, (m) and the effect of the separation of such Union on the officers thereof and their sureties shall be as follows: (n)

How only
officers shall
be affected.

1. The separation of a Junior County or Township from a Union of Counties or Townships, shall not in any case or in any manner whatever affect the office, duty, power or responsibility of any public officer of the Union who continues a public officer of the Senior County or Township or remaining Counties or Townships after such separation, or the sureties of any such officer or their liability, further than by limiting such office, duty power, responsibility, suretyship and liability to the Senior County or Township, or remaining Counties or Townships. (o)

Further as
to officers
and

2. All such public officers shall after such separation be the officers of the Senior County or Township or remaining Counties or Townships, as if they had originally been respec-

(m) Here we have declared the separate liability of each County or Township to the creditors of the Union, irrespective of the adjustment made under preceding sections between the Counties or Townships of the Union. Though it may be agreed by the adjustment that one County or one Township shall assume and pay all the debts of the Union, creditors are not bound by any such arrangement. No arrangement that may be made without the assent of the creditors can absolve the remaining Counties or Townships of the Union. Each County and Township is liable to contribute towards the satisfaction of the joint debts. (But see sec. 64.) The liability, as will be seen by the next section, exists in some cases though the debentures upon which the liability arises be issued by the senior County, &c., alone, after the dissolution of the Union.

(n) The following sub-sections, found necessary in consequence of previously discovered defects in the law, are new and important. (See *Carter v. Sullivan*, 4 U. C. C. P. 298, and *Glick v. Davidson*, 15 U. C. Q. B. 591.)

(o) The necessity for such a provision as this will be manifest upon reading *Thompson et al. v. McLean et al.*, 17 U. C. Q. B. 495. In that case it was held (Burns, J., *dissentiente*,) that without such a provision the sureties of a Sheriff were relieved from liability by reason of the change in the office. To fix the liability of sureties beyond all doubt, notwithstanding the separation of Counties, the Legislature has not only declared their continuous liability in the sub-section under consideration, but repeated the declaration specifically in sub-section three of the same section.

tively appointed public officers for such Senior County or Township, or for such remaining Counties or Townships only. (*p*)

3. All sureties for such public officers shall be and remain liable as if they had become the sureties for such public offices in respect only of such Senior County or Township, or of such remaining Counties or Townships; and all securities which have been given shall, after such separation, be read and construed as if they had been given only for such Senior or remaining County or Counties, or Township or Townships; (*q*)

Their sureties.

4. Nothing herein contained shall affect the right of new sureties being required to be given by any Sheriff, or by any Clerk or Bailiff or other public officer, under any statute or otherwise howsoever. (*r*)

Right to new sureties not affected.

62. After the dissolution, the Council of the senior or remaining County or Township shall issue its debentures or other obligations for any part of any debt contracted by the Union for which debentures or other obligations might have been, but had not been issued before the dissolution, and such debentures or obligations shall recite or state the liability of the junior County or Township therefor under this Act; and the junior County or Township shall be liable therefor as if the same had been issued by the junior County or Township. (*s*)

Debentures to issue for debts, and to bind the old and new Municipalities.

(*p*) This is a consequence of the preceding sub-section. The declaration is not only that the public officers of the union shall, after the separation, be the officers of the senior County or Township, or remaining Counties or Townships, but be so "as if they had originally been respectively appointed public officers for such senior County or Township, or for such remaining Counties or Townships only."

(*q*) This sub-section, in view of what is contained in the two preceding sub-sections, is scarcely necessary, and is only to be found here, owing to the excessive caution of the Legislature.

(*r*) The several sub-sections relate only to existing securities, and so are not to be read as affecting the right to require new sureties, when such new sureties ought to be given under any statute.

(*s*) In the reading of this section there are three points to be noted. *First*, that after the dissolution, the Council of the remaining County or Township shall issue its debentures, or other obligations; but, to be effectual under this section, only "for any part of any debt contracted by the Union." *Second*, that such debentures, &c., shall recite or state the liability of the junior County or Township therefor, under this Act: and *Third*, that the junior County or Township shall be liable thereon as if the same had been issued by the junior County or Township. Some doubt may arise on the third point, as

63. All assessments imposed by the Council of the Union for the year next before the year in which the dissolution takes effect, shall belong to the Union, and shall be collected and paid over accordingly, and after the dissolution, all special rates for the payment of debts theretofore imposed by any By-law of the Union, shall continue to be levied in the junior County or Township, and the Treasurer of the junior County or Township shall pay over the amount as received to the Treasurer of the senior County or Township, and the latter shall apply the money so received in the same manner as the money raised under the same By-law in the senior County or Township. (*t*)

Assessments for year preceding dissolution, who to belong to.

Special rates for debts continued and to be paid over by Treasurer of the Junior County.

If the sum paid over exceeds the just amount, the excess to be refunded.

64. In case the amount so paid over to the senior County or Township, or to any creditor of the senior County or Township, in respect of a liability of the Union, exceeds the sum which by the agreement or award between the Councils the junior County or Township ought to pay, the excess may be recovered against the senior or remaining County or Township as for money paid or as for money had and received, as the case may be; (*a*)

Provisions to apply to separation of Village from Townships.

1. The provisions of the five preceding sections, numbered sixty, sixty-one, sixty-two, sixty-three and sixty-four (except the sub-sections to section sixty-one) shall apply in all cases where an Incorporated Village separates from the Township in which it is situated. (*b*)

to the nature of the liability, *i. e.*, whether it is to be a joint and several liability or joint only. The words used, "as if the same had been issued by the junior County or Township," would indicate the former. The object of the section is to provide for the completion of securities to creditors not perfect at the time of separation.

(*t*) The right to rates for the year next preceding the separation is here determined. The special rates mentioned are to be levied in each respective Municipality, after separation, and be collected by each respective collector, as if the By-law imposing the rates had been made after the separation by each County or Township separately. Such is the effect of the By-law of the Union having force in each Municipality severally after the dissolution of the Union. The duties of the Treasurers require careful attention

(*a*) The liability of the junior County or Township respectively, notwithstanding separation, is explained in the note to sec. 61. The right of the senior County or Township to rates imposed before the separation, is also explained in the note to sec. 63. The section under consideration provides for the reimbursement to the junior Municipality any sum which the junior may have paid, exceeding the proportion which it, according to the adjustment with the senior, was bound to contribute.

(*b*) The insertion of this section here appears to be an afterthought

MUNICIPAL COUNCILS, &c., OF WHOM COMPOSED.

THE HEADS.

65. The head of every County and Provisional Corporation shall be designated the Warden thereof, and of every City and Town, the Mayor thereof, and of every Township and Incorporated Village, the Reeve thereof. Heads of Corporations, &c.

THE MEMBERS.

66. The Councils of Counties, Cities, Towns, Incorporated Villages and Townships shall be constituted as follows: (d) County Councils.

1.—IN COUNTIES.

The Council of every County shall consist of the Reeves and Deputy Reeves of the Townships and Villages within the County, and of any Towns within the County which have not withdrawn from the jurisdiction of the Council of the County, and one of the Reeves or Deputy Reeves shall be the Warden. (e) Counties.

2.—IN CITIES.

The Council of every City shall consist of three Aldermen for every Ward, one of whom shall be Mayor, to be elected in accordance with the provisions of the one hundred and fifth section of this Act. (f) Cities.

on the part of the Legislature. It resembles sub-sec. 7 of sec. 60, and while clearly unnecessary so far as that section is concerned, is intended to have the same relation to secs. 61, 62, 63, and 64, which that sub-section bears to sec. 60.

(c) *Designated.* That is described in all acts, deeds, writs, and matters of every kind in which it becomes necessary to refer to the head of the corporation by name. The proper designation of a warden in a *quo warranto* summons is "Warden of the Corporation of the County of," &c. But "Warden of the County of," &c., is not improper (*The Queen ex rel. McManus v. Ferguson*, 2 U. C. L. J., N. S. 19).

(d) It is not the duty of the members of a Municipal Council to determine the validity of the election of one of their members. Where the Returning Officer has returned him elected, he may sit and vote until unseated by process of law. (*In re Hawk and Ballard*, 3 U. C. C. P. 241.)

(e) This sub-section is as much applicable to provisional as other County Councils. It in terms applies to the Council of "every County."

(f) Formerly the Council of a City was composed of two aldermen and two councilmen; the latter needing less property qualification than the former, but having equal power of voting from each ward. The office of councilman in Cities no longer exists. Its existence was unnecessary, and its abolition under the circumstances proper and right. But while the office of councilman is abolished, an additional

3.—IN TOWNS.

TOWNS.

The Council of every Town shall consist of the Mayor, who shall be the head thereof, and of two Councillors for every Ward, (*g*) and if the Town has not withdrawn from the jurisdiction of the Council of the County in which it lies, then a Reeve shall be added, (*h*) and if the Town had the names of five hundred freeholders and householders on the last revised Assessment Roll, then a Deputy Reeve shall be added, and for every additional five hundred names of persons possessing the same property qualification as voters on such Roll, there shall be elected an additional Deputy Reeve. (*i*)

4.—IN INCORPORATED VILLAGES.

Incorporated
Villages.*As amended
by cap. 252.*

The Council of every Incorporated Village shall consist of one Reeve, who shall be the head thereof, and four Councillors, and if the Village had the names of five hundred freeholders and householders on the last revised Assessment Roll, then of a Reeve, Deputy Reeve, and three Councillors, and for every additional five hundred names of persons possessing

alderman is given to each ward. Another change is the provision for the election of Mayors from among the aldermen, and by the aldermen; this, until lately, was the system that prevailed. The return to the old system has become expedient, in consequence of the deterioration of aldermen and Mayors, since Mayors became elective by the people at large; and from among the people at large. Not only did the elective system in most cases fail to secure as good a man for the office of Mayor as formerly, but leaving the election of Mayor to the general body of electors, destroyed the ambition of those who went into the Council with the hope or the chance of becoming Mayor, which had a dwarfing effect upon the whole body of aldermen. Now that any alderman is eligible to be elected Mayor and must be elected from among the aldermen, and by the aldermen it is believed the general standing of City Councils will be improved.

(*g*) Incorporated towns are divided into wards; and no town is to have less than three wards; and no ward less than five hundred inhabitants (sec. 17).

(*h*) The Council of a town may pass a By-law to withdraw the town from the jurisdiction of the County Council (sec. 26); and if the town be withdrawn, the Mayor and councillors would form an independent Council. If independent they would have no rights to seats in the County Council, and the election of Reeves and a Deputy Reeve would therefore cease.

(*i*) The population of an incorporated town must always exceed five hundred *inhabitants*, as there must be three wards, and each ward contain that number of inhabitants (sec. 17); but there may be in an incorporated town more than five hundred inhabitants (including women and children), and yet not, as mentioned in this sub-section, five hundred *freeholders* and *householders*, on the last revised assessment roll.

the same property qualification as voters on such Roll, there shall be elected an additional Deputy Reeve instead of a Councillor. (*j*)

5.—IN TOWNSHIPS.

The Council of every Township shall consist of a Reeve, who shall be the head thereof, and four Councillors, and if the Township had the names of five hundred freeholders and householders on the last revised Assessment Roll, then the Council shall consist of a Reeve, Deputy Reeve, and three Councillors, and for every additional five hundred names of persons possessing the same property qualification as voters on such Roll, there shall be elected an additional Deputy Reeve instead of a Councillor (*k*)

Townships.

*As amended
by cap. 52.*

67. No Reeve or Deputy Reeve shall take his seat in the County Council until he has filed with the clerk of the county council a certificate under the hand and seal of the Township, Village or Town Clerk, that such Reeve or Deputy Reeve was duly elected, and has made and subscribed the declarations of office and qualification (unless exempted therefrom) as such Reeve or Deputy Reeve; (*l*) nor in case of a Deputy

County
Councils.

*Certificates
to be filed by
Reeves and
Deputy
Reeves.
As amended
by cap. 52.*

(*j*) A Village, to be incorporated, must contain seven hundred and fifty inhabitants (not necessarily freeholders and householders).

(*k*) Formerly Township Councils, when the Townships were divided into wards, consisted of a Councillor from each ward. The division of wards in Townships for election purposes no longer exists. Each Township may have at least five members, of whom one shall be Reeve, and where there are five hundred freeholders and householders on the roll, another Deputy Reeve. So that every Township of five hundred freeholders and householders now may have a Deputy Reeve and some Townships more than one Deputy Reeve; for it is provided that for every additional five hundred names of persons possessing the same property qualification as voters on the roll there shall be elected an additional Deputy Reeve instead of a Councillor. But as no Township Council can have more than five members, any Township of the requisite number of voters may have all its members Reeve and Deputy Reeves. Thus in a Township of 2,000 voters there may be four Deputy Reeves and one Reeve.

(*l*) The clerk may reject the certificate if not in the form required. The section is positive that no Reeve, &c., shall take his seat, &c., until he has filed, &c. The certificate made necessary is the evidence of the right of the person presenting it to a seat in the County Council. The County Clerk is in the first instance made the judge of its legal sufficiency. But no clerk should according to his own caprice or preference of any kind decide in favour of and allow certain persons with defective certificates to take their seats, and disallow other certificates quite as good. In such a case the clerk if made a party

Reeve, until he has also filed with the Clerk of the County an affirmation or declaration of the Clerk, or other person

to a contested election proceedings would be in all probability made to pay costs. But it does not follow that a Reeve or Deputy Reeve, whose certificate is defective, if once admitted by the clerk to sit and vote, has not the right to do so when in truth qualified. Nor does it follow that a certificate in all respects regular entitles the Reeve or Deputy to sit and vote in the Council if not really qualified. The certificate is only evidence that what is contained in it was done. If it has not been done, or the Reeve or Deputy Reeve had not been duly elected, the mere certificate would not give the party holding it the right to sit and vote in the Council. That right comes from his being the Reeve or Deputy Reeve and having made the required declarations. If the certificate were the essence of his qualification and not merely the evidence of it, then it might be held that the acts done by the Reeve or Deputy Reeve who did not possess it, or only possessed a defective one, were void. But the certificate merely being evidence of his qualification, if it turn out that he is really qualified, it cannot be held that his acts as a member of the County Council are void. Nor can they be in any way impugned on account of the imperfect certificate. The Statute does not declare that the votes of any Reeve or Deputy Reeve taking his seat without the certificate shall be void, nor say that the proceedings supported and carried by such votes shall not be binding. The section in this respect may be properly considered directory and so construed. (See *The Queen ex rel. McManus v. Ferguson*, 2 U. C. L. J., N. S., 19.)

The Statute gives no form of certificate. In consequence, defective certificates are frequently given by Township, Town and Village Clerks, who, in the absence of an approved form, are driven to rely upon their own judgment. In such a case the words of the Act of Parliament cannot be too closely followed. (See forms held bad in *The Queen ex rel. McManus v. Ferguson*, 2 U. C. L. J., N. S., 19.) The following is submitted as a form sufficient for the purposes of the section wherever applicable:

I, A. B., of ———, gentleman, Clerk of the Corporation of the Township (Town or Village, as the case may be) of ——— in the County of ——— do hereby, under my hand and seal, certify that C. D. of ———, Esquire, was duly elected Reeve (or Deputy Reeve, as the case may be) of the said Township (Town or Village, as the case may be) and has made and subscribed the declarations of office and qualification as such Reeve (or Deputy Reeve, as the case may be).

Given under my hand and seal at ———, in the said Township (Town or Village, as the case may be) this ——— day of ———, A.D. 18—.

Township Clerk.

The certificate must be "under the hand and seal of the Township, Village, or Town Clerk." It is not said that the Clerk shall certify under the seal of the Township, &c. It would have been better had the Legislature so provided; for the seal of the Corporation if appended to an official paper of the kind would in general be taken as more satisfactory evidence of the genuineness of the writing than the mere private seal of an individual.

do hereby declare and affirm as follows:—

1. That I am the person having the legal custody of the last revised assessment roll for the Corporation of the said Township, (Town, or Village, *as the case may be*.)

2. That there appears upon such roll the names of at least ——— hundred (*five hundred for each Deputy Reeve*), freeholders and householders in the said Township, (Town or Village, *as the case may be*.)

It is apprehended that the Council, having received the affirmation or declaration of the Clerk, &c., that there appears upon the rolls the requisite number of freeholders and householders, &c., have no right themselves to question the fact by rejecting the Deputy Reeve, but should leave the truth of the fact, if doubted, to be determined by the Courts.

(*n*) As to the duties of Trustees of Police Villages, see sec. 308 *et seq.*

QUALIFICATION OF MAYORS, ALDERMEN, REEVES, DEPUTY REEVES, COUNCILLORS, AND POLICE TRUSTEES.

Qualification
of Council-
lors, &c.

70. The persons qualified to be elected Mayors, Aldermen, Reeves, Deputy Reeves and Councillors or Police Trustees, are such residents of the municipality within which, or within two miles of which, the municipality or police village is situate, (*p*) as are not disqualified under this Act, (*q*) and have, at the time of the election, in their own right or in the right of their wives, as proprietors or tenants, a legal or equitable freehold or leasehold, rated in their own names on the last revised assessment roll of such municipality or police village (*r*) to at least the value following :

(*p*) Before this enactment it was held that a person rated on the assessment roll of a city but at the time of the election resident in an adjoining Township of the County in which the city was territorially situate, though almost in the boundary between the two Municipalities, was not qualified to be elected a member of the Council of the city. (*The Queen ex rel. Blasdell v. Rochester*, 7 U. C. L. J. 101; *The Queen ex rel. Fleming v. Smith*, *Id.* 66.) But this section extends the privileges beyond residents of the particular Municipality to residents within two miles of which the Municipality is situate.

(*q*) See sec. 73.

(*r*) It is in general necessary that the person elected should be rated by name on the roll. (*The Queen ex rel. Metcalf v. Smart*, 2 U. C. Cham. R. 114, but see *The Queen ex rel. Laughton v. Baby*, *Id.* 130.)

Where on the assessment roll under the general heading, "Names of taxable parties," were entered the names of "Ker, William and Henry" for two separate parcels of land, and in the proper columns were the letters "F." and "H." and in the column headed "owners and address" was entered opposite to the parcels of land, "Wm. Ker & Bros." *Held*, that "William Ker and Henry Ker," and not "William Ker & Brothers," were the persons in whose names the properties were rated, and that they were sufficiently rated. (*The Queen ex rel. McGregor v. Ker*, 7 U. C. L. J. 67.) Judges are in general disposed to go as far as the facts will allow for the purpose of reconciling the mode of rating with the facts, if the person elected has really a legal qualification. (*The Queen ex rel. Northwood v. Askin*, 7 U. C. L. J. 130; *The Queen ex rel. Ford v. Cottingham*, 1 U. C. L. J., N. S., 214; *The Queen ex rel. Chambers v. Allison*, *Id.* 244.) Where a person elected as alderman of a city made a declaration of office inadvertently qualifying upon property in respect of which he was not entitled to qualify, but was qualified in respect of other property, his election was sustained. (*The Queen ex rel. Hatrey v. Dickey*, 1 U. C. L. J., N. S., 190.) It is not necessary that the party assessed should be possessed of the property to his own use. A landlord is so sufficiently possessed where his tenants occupy the premises. (*The Queen ex rel. Shaw v. McKenzie*, 2 U. C. Cham. Rep. 36.) A landlord may put together properties some occupied by himself and some by his tenants, to make up the assessed

value required by statute. But persons not in fact rated on the roll are not eligible though they may suppose they are, and though possessed of property sufficient to qualify. (*The Queen ex rel. Metcalfe v. Smart*, 10 U. C. Q. B. 89.) So property owned by a candidate but not mentioned on the assessment roll, cannot be made available. (*The Queen ex rel. Carroll v. Beckwith*, 1 U. C. Prac. R. 278.) An administrator, though rated in his own name for real estate belonging to the deceased, is not entitled to qualify upon such real estate. (*The Queen ex rel. Stock v. Davis*, 3 U. C. L. J. 128.) But the roll as to property qualification is in general binding and conclusive. (*The Queen ex rel. Card v. Cottingham*, 1 U. C. L. J. N. S. 214; *The Queen ex rel. Chambers v. Allison*, *Id.* 244.)

(s) Formerly aggregate value prevailed in Townships, but annual value in Cities, Towns and Incorporated Villages. The distinction for purposes of municipal elections no longer exists.

(t) See *The Queen ex rel. Dexter v. Gowan*, 1 U. C. Prac. R. 104.

(u) The estate which the law denominates a term is so denominated because its duration is *absolutely defined*. Hence there must be to every term a certain beginning or definite commencement, and a certain or definite period beyond which it cannot last. (*Watkins' Conveyancing*, 29, 32.)

(v) The qualification may be of an estate legal or equitable. The estate whether legal or equitable need not be free from all incumbrances. If incumbered, and after deducting the gross amount of the incumbrances from the assessed value of the premises, there be still left a sufficient value in respect of which to qualify, the qualification, notwithstanding the incumbrances, is sufficient. (*The Queen ex rel. Blakeley v. Canavan*, 1 U. C. L. J., N. S., 188.) Where defendant in November,

In new Townships not having assessment roll.

71. In case of a new Township erected by proclamation for which there has been no assessment roll, every person who at the time of the first election has such an interest in real property and to such an amount as hereinbefore mentioned, shall be deemed to be possessed of a sufficient property qualification. (a)

If only one person be qualified.

72. In case in a Municipality there are not at least two persons qualified to be elected for each seat in the Council, no qualification beyond the qualification of an elector shall be necessary in the persons to be elected. (b)

DISQUALIFICATION.

Disqualification of Councillors, &c.

As amended by cap. 52.

73. No Judge of any Court of Civil Jurisdiction, no Gaoler or Keeper of a House of Correction, no Sheriff, Deputy-Sheriff, High Bailiff or Chief Constable of any City or Town, (c) Assessor, Collector, Treasurer, Chamberlain, or Clerk of any Municipality, (d) no bailiff of a Division Court,

1858, conveyed the real estate which formed the subject matter of his qualification to his father for a consideration of £800, for which he took his father's notes payable at distant dates, and in February, 1860, purchased the property back, returning to his father all the notes, though the father did not reconvey the property to the son till the 3rd October, 1860. Yet the son was held to have had at the time of the assessment an equitable estate within the meaning of the Act. (*The Queen ex rel. Till v. Cheyne*, 7 U. C. L. J. 99.)

(a) It may so appear that a new Township has not been assessed either separately or as part of a union (sec. 28 *et seq.*) and this section is intended to meet such a case whenever it arises.

(b) In what manner is this section to be construed? Is it only to come into operation when the number is below two persons qualified to be elected for each seat as applied simply to qualification in respect to property, or after deducting all those who are disqualified to be elected from other causes? It is apprehended the expression, "qualified to be elected," must be construed in the larger sense, that is, for the benefit and advantage of the whole body of electors; for if it should happen from some cause or other that all those who might be elected as respects property, yet were disqualified as respects interest or otherwise, the Municipality could have no Council if the inhabitants could not resort to the general body of electors for Councillors (*per Burns, J.*), in *The Queen ex rel. Bender v. Preston*, 7 U. C. L. J. 100). It has been held for the purposes of this section that the roll is not conclusive as to the "persons qualified to be elected." (*The Queen ex rel. Telfer v. Allan*, 1 U. C. Prac. R. 214.)

(c) The old law did not in words extend to Sheriffs, Deputy-Sheriffs, High Bailiffs, or Chief Constables, and to these the list of disqualifications has now been extended.

(d) The old law did not in words specify the particular municipal officers disqualified. The words were, "no officer of any Municipality."

no Sheriff's Officer, (e) no person not having paid all taxes due by him, (f) no Innkeeper or Saloon-keeper, (g) and no person having by himself or his partner an interest in any contract with or on behalf of the Corporation, (h) shall be

To avoid doubt the officers are here described, viz., Assessor, Collector, Treasurer, Chamberlain, and Clerk. A local superintendent of Schools held not disqualified (*The Queen ex rel. Arnott v. Marchant*, 2 U. C. Cham. R.); nor a Mayor (*The Queen ex rel. Sawers v. Stevenson*, 5 U. C. L. J. 42). But an overseer of highways was held disqualified under the old law (*The Queen ex rel. Richmond v. Tegart*, 7 U. C. L. J. 128). So probably the Corporation Solicitor (*Corporation of Peterborough v. Burnham*, 12 U. C. C. P. 103). *Quere*, as to the effect of this statute disqualifying certain officers by designation of office and not as under the old law all officers of the corporation? If at the time of the election there be a dispute in good faith between the candidate and the Municipality, arising out of matters connected with the administration of the duties of a Municipal office previously held by the candidate, having given a bond for the due performance of the duties of his office, he will be disqualified. (*The Queen ex rel. Bland v. Figg*, 6 U. C. L. J. 44; see also *The Queen ex rel. McMullen v. Delisle*, 8 U. C. L. J. 291.) But where all transactions are *bond fide* closed the disqualification no longer exists. (*The Queen ex rel. Armor v. Coste*, 8 U. C. L. J. 290.)

(e) Extends as much to a bookkeeper or clerk in a sheriff's office as to sheriffs' bailiffs.

(f) This is a new and important provision. Its object is to enforce payment of taxes in the year in which they accrue, and under any circumstances before the election for the succeeding year.

(g) A man may be an innkeeper or saloon-keeper, though he take out a license in the name of another, where he does so fraudulently. (*The Queen ex rel. McKay v. Brown*, 5 U. C. L. J. 91.) Where, however, the transfer of license is in good faith, there is no disqualification. (*The Queen ex rel. Crozier v. Taylor*, 6 U. C. L. J. 60.) But a man may be inn-keeper or saloon-keeper though without a license. (*The Queen ex rel. Flanagan v. McMahon*, 7 U. C. L. J. 155.)

(h) The object of this part of the section, like that of sec. 28 of the English Mun. Cor. Act of 5 & 6 Wm. IV. cap. 76, is clearly to prevent all dealings on the part of the Council with any of its members in their private capacity, or, in other words, to prevent a member of the Council, who stands in the situation of a trustee for the public, from taking any share or benefit out of the trust fund, or in any contract in the making of which he, as one of the Council, ought to exercise a superintendence. (Rawlinson's Mun. Man. 53.) The evil contemplated being evident, and the words used general, they will be construed to extend to all cases which come within the mischief intended to be guarded against, and which can fairly be brought within the words.

(Ib.) The words of our enactment are that "no person having by himself or his partner an interest in any contract with or on behalf of the corporation shall be qualified, &c.:" and the words of the English Act are that "no person shall be qualified, &c., who shall have, directly or indirectly, by himself or his partner, any share or interest in any contract or employment with, by, or on behalf of such

Proviso:
As to share-
holders in
Companies,
&c.

qualified to be a member of the Council of any Municipal Corporation. (i) Provided, always, that no person shall be held to be disqualified from being elected a member of the Council of any Municipal Corporation by reason of his being a shareholder in any incorporated company having dealings or contracts with the Council of such Municipal Corporation (j) or by having a lease of twenty-one years or upwards of any

Council, &c." The difference deserves to be noticed. Under an old act, of which the section here annotated is a re-enactment, it was held that a person who had executed a mortgage to the corporation containing covenants for payment of money, was disqualified. (*The Queen ex rel. Lutz v. Williamson*, 1 U. C. Prac. Rep. 91.) Where defendant, before the election, had tendered for some painting and glazing required for the city hospital, and his tender having been accepted, he had done a portion of the work, for which he had not been paid, but afterwards refused to execute a written contract prepared by the City Solicitor, and informed the Mayor of the City that he did not intend to go on with the work, he was notwithstanding held to be disqualified. (*The Queen ex rel. Moore v. Miller*, 11 U. C. Q. B. 465.) So where the person elected had tendered for the supply of wood and coal to the corporation. (*The Queen ex rel. Rollo v. Beard*, 1 U. C. L. J., N. S. 126.) In such a case it is immaterial whether there is or is not a contract binding on the corporation. (*Ib.*) So where it was shown that the candidate elected was at the time of the election surety for the Treasurer of the Town and acting as the Solicitor of the Corporation, he was held to be disqualified. (*The Queen ex rel. Coleman v. O'Hare*, 2 U. C. Prac. Rep. 18.) So a surety in any sense to the Corporation. (*The Queen ex rel. McLean v. Watson*, 1 U. C. L. J., N. S., 71.) Whether the contract be in the name of the party himself or another, is immaterial, at all events in equity. (*Collins v. Swindle*, 6 Grant, 282; see also *City of Toronto v. Bowes*, 4 Grant, 489, S. C. 6 Grant, 1.) But an agent of an insurance company paid by salary or commission, who, both before and since the election, had, on behalf of his company, effected insurances on several public buildings the property of the corporation, and who at the time of the election had rented two tenements of his own to the Board of School Trustees for Common School purposes, was held not to be disqualified. (*The Queen ex rel. Bugg v. Smith*, 1 U. C. L. J., N. S., 129.)

Quere, is insolvency a ground of disqualification for election? It is not made so in express terms, but is hereafter declared a forfeiture of office. (See sec. 121; see also *The Queen v. Chitty*, 5 A. & E. 609.)

(i) The disqualification does not merely relate to the time of acceptance of office but to the time of the election. (*The Queen ex rel. Rollo v. Beard*, 1 U. C. L. J., N. S., 126.) To refer the qualification to the time when the person elected might actually take his seat at the council board would be wholly at variance with the spirit of the act, and fatal to this very wholesome provision of the act as to disqualification. (*Per Hagarty, J., Ibid.*)

(j) The law was formerly different. (*The Queen ex rel. Padwell v. Stewart*, 2 U. C. Prac. Rep. 18.)

property from the Corporation, (*k*) but any such leaseholder shall not vote in the Corporation on any question affecting any lease from the Corporation. (*l*)

EXEMPTIONS.

74. All persons over sixty years of age; all members and officers of the Legislative Council and of the Legislative Assembly; all persons in the Civil Service of the Crown; all Judges not disqualified by the last preceding section; all Coroners; all persons in Priests' Orders; Clergymen and Ministers of the Gospel of every denomination; all members of the Law Society of Upper Canada, whether Barristers or Students, all Attorneys and Solicitors in actual practice; all officers of Courts of Justice; all members of the Medical profession, whether Physicians or Surgeons; all Professors, Masters, Teachers and other members of any University, College or School in Upper Canada, and all officers and servants thereof; all Millers; and all Firemen belonging to an authorized Fire Company (*m*)—are exempt from being elected or appointed Councillors or to any other corporate office. (*n*)

Exemptions.

(*k*) The law in this respect was also at one time different. (*The Queen ex rel. Stock v. Davis*, 3 U. C. L. J. 128; *The Queen v. York*, 2 Q. B. 847; *Sampson v. Ready*, 12 M. & N. 736; *The Queen v. Francis*, 21 L. J. Q. B. 304.)

(*l*) So that the disqualification in the case of a corporation lessee is not entirely removed—in other words, while qualified to be elected he is disqualified to vote in the corporation “on any question affecting any lease from the corporation.”

(*m*) These are without addition the exemptions under the old act.

(*n*) The last section contains the disqualifications, and this the exemptions. The difference between a disqualification and an exemption, as regards an individual, is this, that a person disqualified cannot hold office, but a person exempt, even though qualified, is not bound to accept office. The one is an incapacity or disability. The other is a privilege. It is an offence at common law for a person without some legal ground of objection to refuse to take upon himself an office to which he has been duly elected. (*The King v. Bower*, 1 B. & C. 585.) And held, that payment of a fine imposed by a by-law for not serving in the office was no answer to a writ of *mandamus*. (*Ib.*) A person so refusing may be indicted (see *Vanacher's case*, 1 Ld. Rayd. 499; Carthew, 400), and be subject to a criminal information. (See *The King v. Whitwell*, 5 T. R. 85; *The King v. Heyland*, 3 M. & S. 186.) But the granting of such an information is clearly discretionary with the Court. (*The King v. Grosvenor*, 2 S. 1193. *The King v. Hungerford*, 11 Mer. 142.) So a qualified person duly elected refusing to accept office may be summarily convicted and punished. (See sec. 186.)

ELECTORS.

Electors,
qualification
of, in Town-
ships, &c.,
having an
Assessment-
Roll.

75. The Electors of every Municipality for which there is an Assessment-Roll, and the Electors of every Police Village, (*o*) shall be the male freeholders thereof, whether resident or not, (*p*) and such of the male householders thereof (*q*) as have been resident therein for one month next before the Election, (*r*) who are natural born or naturalized subjects of

(*o*) The distinction is here drawn between a Municipality and a Police Village. The word "Municipality" signifies any locality the inhabitants of which are incorporated. The inhabitants of a Police Village are not incorporated.

(*p*) Females being clearly excluded. This section enables freeholders to vote though not resident. But non-residents cannot vote unless rated on the assessment roll, which they may be at their own request. As to new townships, residence is still required in the case of freeholders. (See 77.)

(*q*) The occupant of any separate portion of a house having a distinct communication with a road or street by an outer door, is clearly a householder (see s. 166); and it seems to be now settled in England, where a house is let out in separate portions to different tenants, and the owner or landlord does not reside on the premises, though there is but one outer door common to all the tenants, that each distinct portion so let is the house of such occupier. (See *The King v. Trafalgar*, 1 Leach, 427; *The King v. Carroll*, ib. 680; *The King v. Bailey*, 1 Moore, C. C. 23; and Littledale, J., in *The King v. Mayor of Eye*, 9 A. & E. 670; see also *The Queen ex rel. Forward v. Bartels*, 7 U. C. C. P. 533.) A person is not the less a householder because he lets a portion of his house to lodgers. (*Phillip's case*, Alcock's Registration cases 20; *Dungenan's case*, ib. 114, *The King v. Weighton*, 5 Q. B. 896.) A person occupying apartments in a gaol held not to be a householder. (*The Queen ex rel. Charles v. Lewis et al.*, 2 U. C. Cham. Rep. 171.) But a person living with his father, having no interest of any kind in the house or land, is not entitled to be assessed either as a householder or freeholder. (*The Queen ex rel. McLean v. Graham*, 8 U. C. L. J. 125.)

(*r*) Nice questions arise as to when a party can, or cannot be said to be a *resident* of a Municipality. A man cannot, within the meaning of the municipal laws, be said to be resident in *two* Municipalities at the same time. A man's residence is where his home is situate—where his family live. An occasional absence from his home to attend to business in another Municipality does not make his home less his residence. Where A had a dwelling-house at Bowmanville, where his wife and family lived, but had a saw mill and store and was Postmaster in the township of Cartwright, which occasioned him frequently to visit that place, and who, while there, used to board with one of his men in a house owned by himself. *Held*, that after voting, in Bowmanville he had no right to vote in Cartwright. (*The Queen ex rel. Taylor v. Cesar*, 11 U. C. Q. B. 461.) Mere colourable residence is in no case sufficient. (*Mhe King v. Duke of Bedford*, 6 T. R. 560.) Each case must, to a great extent, depend on its own circumstances. As to what is sufficient, (see *The King v. Sergeant*, 5 T. R. 466; *Bruce v. Bruce*,

Her Majesty, (s) and of the full age of twenty-one years, (t) ^{As amended by cap. 52.} and who were severally but not jointly rated on the last Revised Assessment-Rolls, for real property in the Municipality or Police Village, held in their own right or that of their wives as proprietors or tenants, (u) and who had paid all Municipal taxes due by them on or before the sixteenth day of December next preceding the election; (uu) and such rating ^{Must have paid all taxes.}

2 B. & P. 229; *The King v. Mitchell*, 10 East 511; *Whithorn v. Thomas*, 7 M. & G. 1; *The Queen ex rel. Forward v. Bartels*, 7 U. C. C. P. 533.)

(s) It is to be presumed that resident and assessed inhabitants of this Province are British subjects till something is shown to the contrary, from which it can be determined that they are aliens. (*The Queen ex rel. Carrall v. Beckwith*, 1 U. C. Prac. R. 284.) It is not sufficient for relator to swear that certain voters are aliens, without giving particular facts to show that they are aliens, and how aliens, as by having been born in a certain place named, out of the allegiance of the British Crown. (*Ib.*) A person born in New York in 1830, the son of a British subject, who had emigrated from Ireland a short time previously, and a year or two after his birth came to Upper Canada, and ever since resided here, held to be a British subject within the meaning of the act. (*The Queen ex rel. McLean v. Graham*, 8 U. C. L. J. 125.)

(t) Full age in male or female is twenty-one years, and is completed on the day preceding the anniversary of a person's birth. (*Anon.*, 1 Salk. 44; *Toder v. Sansam*, 1 Brown P. C. 468.) If therefore one is born on 1st January, he is of age to do any legal act on the morning of the last day of December, though he may not have lived twenty-one years by nearly 48 hours. (Tomlin "Infant," 1.) Upon a question of age of a voter, the written memorandum of the clergyman who married his parents was held better evidence than the memory of individuals, unaccompanied by such memorandum. (*The Queen ex rel. Forward v. Bartels*, 7 U. C. C. P. 533.)

(u) The franchise is not to be lost to any one who is really entitled to vote, if his right can be sustained in a reasonable view of the requirements of the act. (*The Queen ex rel. Chambers v. Allison*, 1 U. C. L. J., N. S. 244.) The inclination of the Courts is in every way to favor the franchise. (*The Queen ex rel. Ford v. Cottingham*, 1 U. C. L. J., N. S., 214.) The rating has been held sufficient where the surnames were correct, though the Christian names were erroneous. (*The Queen ex rel. Chambers v. Allison*, 1 U. C. L. J., N. S., 244.) Thus Wilson Wilson, for "William Wilson." So "Simond Faulkner," for "Alexander Faulkner." (*Ib.*) And "Thomas Sanderson," held *idem sonans* with Thomas Anderson, so as to entitle the person bearing the latter name to vote. (*Ib.*) It is not only necessary that the freeholder or house holder should be rated as such, but, at the time of the election, hold the property in respect of which he is rated (*Anon.*, 8 U. C. L. J. 76), and the property must be held in the right of the elector or that of his wife, and not simply in a representative capacity as executor, administrator or agent. (*The Queen ex rel. Stock v. Davis*, 3 U. C. L. J. 128.) A Municipal Council has not of course any power to declare a qualification of voters different from this Act. (*In re Bell and the Township of Manvers*, 3 U. C. C. P. 399.)

(uu) See note f to sec. 73.

shall be absolute and final, and shall not be questioned either by any Returning Officer, or on any application to set aside any election under this Act, or any Act respecting the Municipal Institutions of Upper Canada. (v)

In Cities,
Towns and
Incorporated
Villages.

76. In Cities, Towns, Townships and Incorporated Villages, such real property, whether freehold or leasehold, or partly each, must have been so rated as of at least the actual value following : (a)

In Cities—Six hundred dollars.

In Towns—Four hundred dollars.

In Incorporated Villages—Three hundred dollars.

In Townships—One hundred dollars.

In Police Villages—One hundred dollars. (b)

In newly
erected
Townships
not having
any Assess-
ment Rolls.

77. At the first election for a newly erected Municipality for which there is no separate Assessment-Roll, (c) every resident male inhabitant, though not previously assessed, (d)

(v) This had previously been held to be the law by several judges under the old act in almost the same language as that here used. (*The Queen ex rel. Ford v. Cottingham*, 1 U. C. L. J., N. S., 214; *The Queen ex rel. Johnson v. Price*, and *The Queen ex rel. Milligan v. Johnson*, 1 U. C. L. J., N. S., 217, note; *The Queen ex rel. Chambers v. Allison*, 1 U. C. L. J., N. S., 244.)

(a) Formerly for Municipal purposes real property was rated at annual value in Cities, Towns and Incorporated Villages, and at actual value in Townships. The distinction is now abolished. Actual value is made to prevail in all local Municipalities.

(b) There is no general law which makes dollars and cents a more correct or lawful designation of Canadian money than pounds, shillings and pence. The only law of the kind really in force is Con. Stat. Can. cap. 74, sec. 21, which requires all accounts rendered to the Provincial Government, &c., to be in dollars and cents. The adoption of dollars and cents by bankers and others is conventional. The description by dollars and cents is however invariably used throughout this act, in preference to that by pounds, shillings and pence.

(c) A newly erected Municipality means more than a newly erected Township, and may include a junior Township newly separated, or a Village newly separated from a Township and incorporated. In such a case there would be the roll of the United Township or Township from which the Village is separated. But neither of these could properly be used at the first election of the new Municipality not being "a separate assessment" roll within the meaning of the section. Where in the case last mentioned the roll of the Township was used at the election without objection, and though objected to in the argument of a *quo warranto* summons, was not set forth in the statement as a ground of objection to the election, the presiding judge refused to entertain it. (*The Queen ex rel. Carrall v. Beckwith*, 1 U. C. Prac. Rep. 278.)

(d) See note r to sec. 75.

shall be entitled to vote if he possesses the other qualifications above mentioned, and has at the time of the election sufficient property to have entitled him to vote if he had been rated for such property; (e) and every person so claiming to vote shall name the property on which he votes, and the Returning Officer, at the request of any Candidate or voter, shall note the property in his poll book opposite the voter's name. (f)

78. In towns and cities, every elector may vote in each ward in which he has been rated for the necessary property qualification; (g) Wards in which electors shall vote.

1.—In townships and incorporated villages divided into electoral divisions, no elector shall vote in more than one electoral division. (h)

79. In case both the owner and occupant of any real property are rated severally but not jointly therefor, both shall be deemed rated within this Act. (i) When landlord and tenant both rated.

(e) See sec. 76.

(f) Every voter is required to name the property on which he votes, but the returning officer is only bound to note the property in his poll book at the request of any candidate or voter.

(g) Before this Act it was held that a voter entitled to vote in the ward in which he resided could not vote in any other ward. (*Anon.*, 8 U. C. L. J. 76.) This section enables every elector to vote in each ward in which he has been rated for the necessary property qualification. The meaning of this probably is, that a voter is no longer restricted to one vote, but if qualified in several wards, may vote in each of such wards. If this be so, property will be, now more than formerly, represented.

(h) There is apparently a difference between wards and electoral divisions. In the case of the former, a voter qualified so to do, may, it is apprehended, vote in each ward. But in the case of the latter, no voter is entitled to vote in more than one electoral division; if he were so allowed, he would be enabled to give two or more votes for each candidate in the ward divided into electoral divisions.

(i) That is to say, that each may vote in respect of his interest, when rated severally, the one as proprietor, if a freeholder, and the other as tenant, if a resident householder (s. 75, 97, sub-s. 9). It is not necessary that the property should be assessed exclusively in the name of the person possessed to his own use. A landlord is so assessed where tenants occupy the premises; and he may, for purposes of qualification as a candidate, put together real properties, some occupied by himself and some by his tenants, to make up the assessed value required by the statute. (*The Queen ex rel. Shaw v. McKenzie*, 2 U. C. Cham. Rep. 36.)

When joint
owners rated
together.

80. When any real property is owned or occupied jointly by two or more persons, and is rated severally but not jointly at an amount sufficient to give a qualification to each, then each shall be deemed rated within this Act, otherwise none of them shall be deemed so rated. (*j*)

PARLIAMENTARY ELECTORS.

Qualification
of electors at
Parliamentary
Elections.

81. Every male person entered on the then last revised assessment roll for every city, town, village or township, as the owner or occupant of real property of the actual value,—in cities, of six hundred dollars; in towns, of four hundred dollars; in incorporated villages, of three hundred dollars; (*k*) and in townships, of two hundred dollars, shall be entitled to vote at all Parliamentary elections, subject to the provisions of the Act, chapter six of the Consolidated Statutes of Canada, except subsections numbered 1 and 2 of section four of the said Act, which are hereby repealed, in so far as they relate to Upper Canada. (*l*)

(*j*) This apparently applies to the case of joint owners or joint tenants. If each be rated for an amount sufficient to give a qualification, then each is to be deemed rated within the meaning of the section. The section apparently applies as much to candidates as electors, though placed under the head of "Electors." (*The Queen ex rel. McGregor v. Ker*, 7 U. C. L. J. 67.)

(*k*) So far the qualification for Municipal and Parliamentary elections is identical. But in the case of townships, while \$100 is all that is required for Municipal elections, \$200 is by this section made necessary as a qualification for Parliamentary elections.

(*l*) Certain public officers are disqualified from voting at Parliamentary elections, viz.—The Chancellor and Vice-Chancellors of Upper Canada, the Chief Justice and Justices of the Courts of Queen's Bench and Common Pleas in Upper Canada, all County Judges, all Commissioners of Bankrupts, all Recorders of cities, all officers of the Customs, all Clerks of the Peace, Registrars, Sheriffs, Deputy Clerks of the Crown and Agents for the sale of Crown Lands, and all officers employed in the collection of any duties payable to Her Majesty in the nature of duties of Excise. (Con. Stat. Can. cap. 6, sec. 1.) Not only is the vote of every such person null and void, but the person himself offending, subject to a penalty of \$2,000. (*Ib.* sec. 2.) Besides it is provided that no returning officer, deputy returning officer, election clerk or roll clerk, &c., shall vote at any such election. (*Ib.* sec. 3.) No woman is under any circumstances entitled to vote at a Parliamentary election. (*Ib.* sec. 4.) It is the duty of the clerk of each municipality after the final revision and correction of the assessment rolls, forthwith to make out a correct alphabetical list of all persons entitled to vote at Parliamentary elections, together with other information made necessary for election purposes. (*Ib.* sec. 6.) The clerk failing to do as required in these respects, is subject to prosecution by indictment.

MUNICIPAL ELECTIONS.

THE HOLDING OF, IN CERTAIN PLACES PROHIBITED.

82. No Election of Township Councillors shall be held within any City, Town or Incorporated Village, (*m*) nor shall any Election for a Municipality or any Ward thereof be held in a tavern or house of public entertainment licensed to sell spirituous liquors. (*n*)

Elections for Townships not to be in Cities, Towns or Villages, and no elections shall be in taverns.

FIRST ELECTIONS IN NEW AND EXTENDED MUNICIPALITIES.

83. In case of the Incorporation of a new Township or Union of Townships; (*o*) and

First elections when Corporations are newly erected or extended.

2. In case of the separation of a junior Township from a Union of Townships; (*p*) and

3. In case of the erection of a Police into an Incorporated Village, or of the erection of a Village into a Town or of a Town into a City; (*q*) and

4. In case of an additional tract of land being added to an Incorporated Village, Town or City, or in case of a new division into Wards of a Town or City; (*r*)

(*Ib.* sec. 20. See also *The Queen v. Switzer*, 14 U. C. C. P. 470.) No person is entitled to vote at such an election unless his name appears on the list. (*Ib.* sec. 6, sub-sec. 5.) No question of qualification can be raised at such an election, except to ascertain whether the party tendering his vote, is the party intended to be designated in the alphabetical list. (*Ib.* sec. 5.) Proceedings may be had at any time before the issuing of the writ of election, for the correction of the list. (*Ib.* secs. 7 and 8.)

(*m*) It is only proper that the election for each Municipality should for the convenience of voters be held within the limits of that Municipality. Cities, Towns and Incorporated Villages are quite distinct from and independent of the Townships in which situate. It is therefore provided that no election of Township councillors shall be held within any City, Town or Incorporated Village.

(*n*) There may be a tavern where spirituous liquors are sold, which is not licensed to sell spirituous liquors. It is doubtful whether or not the words "licensed to sell spirituous liquors" extend to more than the immediate antecedent house of public entertainment. Contravention of the statute in either of the particulars mentioned would, it is believed, invalidate the election (see *The Queen ex rel. Allemaing v. Zoeger*, 1 U. C. Prac. R. 219; *The Queen ex rel. Preston v. Preston*, 2 U. C. Cham. R. 178.)

Times of
elections.

5. In each of the foregoing cases, the first election under the Proclamation or By-Law, by which the change was effected, shall take place on the first Monday in January next after the end of three months from the date of the Proclamation, or from the passing of the By-law by which the change is made,^(s) and until such day the change shall not go into effect.^(t)

85. The Council of every City, Town and Village Municipality (including a Village newly erected into a Town, and a Town newly erected into a City), shall from time to time by By-law, ^(b) appoint the place or places for holding the next ensuing Municipal Election, otherwise the Election shall be held at the place or places at which the last Election for the Municipality or Wards or Electoral Divisions was held. ^(c)

Also for
Police

86. The Council by which a Police Village is established shall, by the By-law establishing the same, name the place in the Village for holding the Election of Police Trustees. ^(d)

^(s) The whole three months must expire. The day of the issue of the Proclamation or passing of by-law as well as the day of the election, must be excluded from the computation of time. (See *Blunt v. Heslop*, 8 A. & E. 577.)

^(t) Not only is it declared that the first election must take place on a particular day named, but that *until* such day "the change shall not go into effect."

^(c) One Robert Gillis had a farm through which ran the division line between wards Nos. 2 and 3. His house stood on that part of the farm included in ward No. 2, but his barn on the part in ward No. 3. The Township Council passed a by-law that the election of Township Councillors for "ward No. 3," should be held at "Robert Gillis'." *Held*, that the by-law must be read as meaning some part of his property in ward No. 3, and that as the election was shown to have taken place in the house without the limits of the ward, it was void. (*The Queen ex rel. Preston v. Preston*, 2 U. C. Cham. R. 178.) The right of the Municipal Council to appoint the place or places for holding municipal elections may be "from time to time" exercised, and when once exercised, the places appointed continue to be the places for all future elections until otherwise directed by by-law. Elections in
Cities.
As amended
by cap. 52.

88. In Incorporated Towns having five Wards, there shall be two Councillors elected for each Ward, on the first Monday in January, in the year one thousand eight hundred and sixty-seven, one of whom shall retire annually in rotation; *(f)* and in towns having less than five Wards, there shall be three Councillors elected for each Ward, on the first Monday in January, one thousand eight hundred and sixty-seven, one of whom shall retire annually in rotation; *(g)* and on the first Monday in January in each year thereafter there shall be one Councillor elected for each Ward in all Towns. *(h)*

may by by-law erect the same into a Police Village (sec. 9); and, by the same by-law, under the section here annotated, name the place in the Village for holding the election of Police Trustees. Only one place is authorized, and no power to change it, as in the case of Municipalities under the last section, appears to be given.

(e) This section is entirely new. It not only provides for the election of three Aldermen, instead of two for each ward as hitherto (see sec. 66, sub-sec. 2 and notes) but further, that they shall retire after 1867, in rotation by ballot (sec. 90) and that the electors shall in every year after 1867, elect one Alderman for each ward, in the room of the retiring member. This is somewhat analogous to the election and retirement of School Trustees. (Con. Stat. U. C. cap. 64, secs. 12, 13.) The office of Councilman for Cities is abolished.

(f) This section, like the preceding, is new. The principle of rotation contained in it is also new.

(g) Where a Town has five wards there shall be ten Councillors. Where less than five wards, three Councillors for each ward. So that according to this section a Town of four wards would appear to be entitled to twelve Councillors, while one of five wards can only have ten Councillors. This result could scarcely have been anticipated or intended by the Legislature. Besides, it is not consistent with sec. 66, sub-sec. 3, which declares that the Council of every town shall consist of the Mayor, who shall be the head thereof, and of "two Councillors for every ward."

(h) On the first Monday in January, 1867, the whole number of Councillors shall be elected for each ward of the Town, and they shall retire in rotation; and on the first Monday in January in each year thereafter, there shall be one Councillor elected for each ward in all Towns.

Yearly elections of Councillors and Police Trustees.

89. The Electors of every Township and Incorporated Village Municipality shall elect annually, on the first Monday in January, the Members of the Council of the said Municipality; and on the second Monday in January, the Electors of every Police Village shall annually elect the Police Trustees of the Village; (*i*) and the persons so elected shall hold office until their successors are elected or appointed and sworn into office, and the new Council or Police Trustees is or are organized. (*j*)

Ballot to determine order of retiring.

90. At the first meeting of the Council of every City and Town, elected after the passing of this Act, it shall be determined by ballot, under the direction of the Clerk, which of the members shall retire in the first, second and third year respectively; and the term of office of each Councillor shall cease, according to the result of such ballot. (*k*)

First election in junior Township after separation.

91. When a junior Township of a Union has one hundred resident freeholders and householders on the then last Revised Assessment Roll, (*l*) the Council of the County shall, by a By-law to be passed before the thirty-first day of October, in the same year, (*m*) fix the place for holding the first annual election of Councillors in the Township, and appoint a Returning Officer for holding the same, and otherwise provide for the due holding of the election according to law. (*n*)

(*i*) The reason for the difference of time is not apparent. But the fact is, that while the members of Township and Incorporated Village Councils must be elected annually on the first Monday in January, the annual election of Police Trustees for Police Villages is postponed till the second Monday in January.

(*j*) The elections must take place on the days named, and cannot take place on any other days. If any election do not so take place, appointments must be made pursuant to sec. 129, which appointments shall have the effect of elections. So that at no time and for no period are the Municipalities to be unrepresented. The Councillors are to hold office until their successors are elected or appointed, and sworn into office, &c.

(*k*) This section is new. It is not said in what manner the ballot is to be taken, further than the same is to be "under the direction of the Clerk."

(*l*) See notes to sec. 28.

The time for doing the act authorized being limited, the act cannot be done after the day named, unless the language used is to be construed as directory only. (*Davison et al. v. Gill*, 1 East. 64.) This would appear to be a continuing provision, liable to be brought into play in any year by by-law passed before 31st October.

(*n**) The Council of every Township may by By-law divide the same into two or more electoral divisions, and may from time to time repeal or vary the same (sec. 278.)

(*o*) This is a new and important section. In the first place it will be observed that Reeves and Deputy Reeves are to be elected by the people, and in the second place that the election is to be by general vote. Formerly Councillors only were elected by the people, and the Councillors then elected the Reeve and Deputy Reeve. Formerly also where there was an existing division of a Township or incorporated Village into wards, the election was had for a particular Councillor in each ward, and not by general vote. The intention of having Reeves and Deputy Reeves elected by the people, is to prevent men by combining in small bodies, in effect, to elect themselves to these offices. The intention of having a general vote is to destroy the sectional strife about the expenditure of money, which often arises where each Councillor looks upon himself as the representative of a particular ward and not of the whole Township. It is not a little singular that this Act, which makes Reeves and Deputy Reeves in Townships and incorporated Villages elective by the people, in Cities and Towns takes from the people the right they had to elect their Mayor (sec. 105.)

(*p*) See sec. 278.

(*q*) *By-law.* An appointment by resolution would not be sufficient. (See *The Queen ex rel. Allemaing v. Zoeger*, 1 U. C. Prac. R. 219.)

(*r*) Where the election is to be by wards or electoral divisions, the Township Councils appoint Returning Officers (sec. 94.) But where there are no wards or electoral divisions, it is here provided that the Clerk *shall be* the Returning Officer.

(*s*) First elections are otherwise provided for. See secs. 83 and 96.

RETURNING OFFICERS FOR THE FIRST ELECTION IN VILLAGES.

For first election in Villages.

96. In every By-law establishing a Police or Incorporated Village, a Returning Officer shall be appointed, who is to hold the first election for such Village. (*t*)

After first election, Police Trustees to appoint.

2. In Police Villages, after the first election, (*u*) the Trustees thereof, or any two of them, shall, from time to time, by writing under their hands, (*v*) appoint the Returning Officer. (*w*)

The absence of the Returning Officer provided for.

97. In case, at the time appointed for holding an election, the person appointed to be Returning Officer has died, or does not attend to hold the election within an hour after the time appointed, (*x*) or in case no Returning Officer has been appointed, (*y*) the electors present at the place for holding the election may choose from amongst themselves a Returning Officer; and such Returning Officer shall have all the powers, and shall forthwith proceed to hold the election and perform all the other duties of a Returning Officer.

THE RETURNING OFFICER TO BE A CONSERVATOR OF THE PEACE.

Returning Officers to be conservators of the peace; their powers.

98. The Returning Officer shall, during the election, act as a conservator of the Peace for the City or County in which the election is held; and he, or any Justice of the Peace having jurisdiction in the Municipality in which the election is held, may cause to be arrested, and may summarily try and punish by fine or imprisonment, or both, or may imprison or

(*t*) The appointment is to be made by the by-law establishing the Village, and if not then made, may, it is presumed, be made pursuant to sec. 94.

(*u*) Which is provided for by the preceding sub-section.

(*v*) Police Villages, not being incorporated, of course have not a corporate seal.

(*w*) A distinction is to be observed between the appointment of the place for holding an election in a Police Village and the appointment of a Returning Officer to hold it. The place is appointed pursuant to sec. 85; the Returning Officer pursuant to the section here annotated.

(*x*) If the Returning Officer be not dead, but fail to attend, a full hour must elapse before the electors present can choose from among themselves a Returning Officer to supply his place, and when the substitute is so chosen it is apprehended the original Returning Officer cannot appear and take the business out of his hand. *Quære*—Does this section apply to the case of the Township Clerk dying or not attending, when Returning Officer under sec. 95?

bind over to keep the peace, or for trial, any riotous or disorderly person who assaults, beats, molests or threatens any voter coming to, remaining at, or going from the election; (a) and, when thereto required, all constables and persons present at the election, shall assist the Returning Officer or Justice of the Peace, on pain of being guilty of a misdemeanor. (b)

MAY SWEAR IN SPECIAL CONSTABLES.

99. Every Returning Officer or Justice of the Peace may appoint and swear in any number of Special Constables to assist in the preservation of the peace and of order at the election; (c) and any person liable to serve as Constable and required to be sworn in as a Special Constable by the Returning Officer or Justice shall, if he refuses to be sworn in or to serve, be liable to a penalty of twenty dollars, to be recovered to the use of any one who will sue therefor. (c*)

Special Constables may be sworn in.

PROCEEDINGS AT ELECTIONS IN TOWNSHIPS AND INCORPORATED VILLAGES.

100. A meeting of the electors shall take place for the nomination of candidates for the offices of Reeve and Deputy Reeves, Councillors and Police Trustees, in townships, incorporated villages and police villages, at noon on the last Monday but one in December annually, at such place therein as shall from time to time be fixed by By-law. (d)

Nomination meeting.

(a) In general, the Returning Officer will act under this section upon his own view. But when, instead of acting on facts observed by himself or within his own knowledge, he acts on the information of others, it is suggested he should take the regular information, and proceed as any other magistrate would be required to do under like circumstances. An example would be, when the complaint is an assault upon a voter coming to or returning from the election, committed at a distance from the poll. The main object of the section is however to empower the Returning Officer to act promptly on the spot in the hearing and determining of offences occurring at the poll; but in point of authority he is not so restricted.

(b) The word "Misdemeanor" in its usual acceptation is applied to all those offences for which the law has not provided a particular name; and they may be punished according to the degree of the offence by fine or imprisonment, or both. A misdemeanor is in truth any crime less than a felony. (1 Russ. on Crimes, 45.)

(c) It is the design of this section to confer additional powers on the Returning Officers, &c., of which it behoves all persons liable to serve as special constables to be advised and take notice.

(c*) The penalty may, it is apprehended, though not so expressed, be sued for in any court of competent jurisdiction, for instance in a Division Court. (See *Brash v. Taggart*, 16 U. C. C. P. 415.)

(d) This section is new. It provides for nominations in the case of

- President. 1. The Clerk (or in his absence a Chairman to be chosen) shall preside at such meeting, of which the Clerk shall give at least six days' notice; (*e*)
- If no more candidates than offices. 2. If only the necessary number of candidates to fill the vacant offices, shall be proposed and seconded, the Clerk or Chairman shall, after the lapse of one hour, declare such candidate or candidates duly elected; (*f*)
- If more and poll demanded. 3. If more than the necessary number of candidates are proposed, and a poll is demanded by any candidate or elector, the

elections in Townships, Incorporated Villages and Police Villages. The time and place for the nomination are both stated:

Time, at noon on the last Monday but one in December annually.

Place, at such place in the Municipality as shall from time to time be fixed by by-law.

The *proceedings* necessary at such nomination are hereinafter detailed.

(*e*) Two things are to be observed—the Chairman and notice. The choice of Chairman in the absence of the Clerk, though not so expressed, must, it is apprehended, be made by the electors present at the meeting of which at least six days notice must have been given.

Should a person other than the person assigned, preside at the meeting, the proceedings would in all probability be held void. (*The Queen v. Backhouse et al.*, 12 L. T. N. S. 579; *In re Hartley and Corporation of Emily*, 25 U. C. Q. B. 12; 1 L. C. G. 23.)

As to the notice—Where a statute says a thing shall be done so many days, or so many days at least, before a given event, the day of the thing done and that of the event must both be excluded. (*The Queen v. Justices of Shropshire*, 8 A. & E. 173; *Mitchell v. Foster*, 9 Dowl. P. C. 527.) Thus suppose the day for the intended election to be 3rd January, notice thereof, to be good, would require to be given at latest on 28rd December preceding.

(*f*) The form of proposing and seconding is made necessary. If only the necessary number of candidates be proposed and seconded, the duty of the Clerk is simply to wait for one whole hour, and then if no more candidates have been proposed, to declare the candidates duly elected. In such case it would seem to be unnecessary that the electors should express any opinion with regard to the merits of those put in nomination, either by holding up of hands or otherwise. If more than the necessary number of candidates to fill vacancies be proposed, it is the duty of the Clerk to proceed as in the next sub-section directed. It would seem that where more persons are proposed and seconded than necessary, and after polling commenced all except the necessary number retire, the Returning Officer could not close the poll unless under the circumstances mentioned in succeeding sub-sections of this section. (See *The Queen ex rel. Horne v. Clark*, 6 U. C. L. J. 114.) The election is commenced when the Returning Officer receives the nomination of candidates. (*The Queen v. Cowan*, 24 U. C. Q. B. 606.) It is not necessary to constitute an election that a poll should be demanded.

Clerk or Chairman shall adjourn the proceedings until the first Monday in January, when a poll or polls shall be opened in each electoral division, or if the municipality be not divided into electoral divisions, then at such place as the council shall by by-law determine for the election, at nine of the clock in the morning, and shall continue open until five of the clock in the afternoon, and no longer; (g)

4. The Clerk or Chairman of the meeting shall, on the day following that of the nomination, post up in the office of the Clerk of the Municipality, the names of the persons proposed for the respective offices, and the Clerk shall provide the Returning Officer, or Officers in case of electoral divisions, with a certified list of the names of such candidates, specifying the offices for which they are respectively candidates; (h)

Notice of persons proposed.

5. The Clerk shall, before the poll is opened, deliver to the

List of Voters

(g) A popular impression exists that the Returning Officer ought, when there are more than the necessary number of candidates, to take a show of hands, and that the omission to do so is an irregularity. The modern practice is no doubt to take a show of hands. But formerly there were several modes of expressing the opinion of the electors, which constituted an election by the view, either holding up of the hands, calling out the names of the candidates, or by dividing into separate bodies. When however a poll was demanded, these forms were unnecessary. (Clark on Elections, 160.) Not only must there be more than the necessary number of candidates proposed and seconded, but a poll must be demanded before an adjournment, with a view to an election, can be had. The poll may be demanded either by a candidate or an elector. When demanded, the proceedings must be adjourned until the first Monday in January, and a poll then opened, at 9 o'clock in the morning. The poll is to continue open "until five of the clock in the afternoon and no longer." Thus making necessary only one day's election and not two as formerly. It is necessary that during the hours for polling, the electors should have free access to the polling place. The fact that a large number of duly qualified electors could not cast their votes, is a sufficient reason for setting aside an election, if the result would have been affected by the unpolled votes. (*The Queen ex rel. Wilson v. Davis et al.*, Chambers, Richards, J., 3 U. C. L. J. 165.) In case, by reason of a riot or other emergency, the election is not commenced on the proper day, or is interrupted after being commenced, provision is made for an extension of the time for receiving votes. (Secs. 103, 104.)

(h) The duty of the Clerk or Chairman under this sub-section is two-fold, viz.:-

1. To post up, on the day following that of the nomination, in the office of the Clerk of the Municipality, the names of the persons proposed for the respective offices.

2. To provide the Returning Officer or Officers, in the case of electoral divisions, with a certified list of the names of such candidates, specifying the offices for which they are respectively candidates.

Returning Officer for every electoral division, or police village, a list of the names, arranged alphabetically, of all male freeholders and householders rated upon the then last revised assessment roll for real property, lying in that electoral division or village, to the amount required to qualify them to vote at such election, and shall attest the said list by his solemn declaration ; (i)

(i) It will be observed that the duty of the Clerk under this subsection is also two-fold, viz. :—

1. To deliver to the Returning Officer for every electoral division or police village, a list of the names arranged alphabetically, of all males freeholders and householders, rated upon the then last revised assessment roll for real property lying in that electoral division or village, to the amount required to entitle them to vote at such election.

2. To attest the list by his solemn declaration.

The law requires the Returning Officer to be furnished with a list of the names, arranged alphabetically, of all male freeholders and householders, rated upon the roll, &c., and it is obvious for what purpose. The purpose is, not to enable the Returning Officer himself to judge of the sufficiency or insufficiency of votes taken, but that all persons interested in the election may have a check at hand at the time of polling the votes. (*The Queen ex rel. Dundas v. Niles*, 1 U. C. Cham. Rep. 198; see also secs. 75, 76, 77.) Persons whose names are on the original roll, though omitted by accident from the list, may it seems claim a right to vote; but not persons whose names are on the list, though not on the original roll. (*The Queen ex rel. Helliwell v. Stephenson*, 1 U. C. Cham. Rep. 270.) The list furnished to the Returning Officer ought to be alphabetical, and if not so the Returning Officer should himself make it alphabetical. (*The Queen ex rel. Davis v. Wilson et al.* Chambers, Richards, J., 3 U. C. L. J. 165.) Where the Returning Officer was not furnished with the list, and notwithstanding proceeded with the election, *held*, that it was an irregularity which subjected the election to be avoided if the objection were taken by one qualified to urge it, although it might not *ipso facto* render the election void. *Held*, also, that the acquiescence of the candidates in the election being proceeded with under these circumstances, though it might preclude *them* from disputing the validity of the election on that ground, could not affect the right of a voter who was no party to such acquiescent arrangement. (*The Queen ex rel. Charles v. Lewis et al.* 2 U. C. Cham. R. 171.) In such a case, however, it would seem to be necessary to show that the absence or inaccuracy of the list prejudiced the election, or that some candidate or voter refused on that ground to proceed, and relied upon the objection. (*The Queen ex rel. Ritson v. Perry et al.* 1 U. C. Prac. R. 237.) It might perhaps also be necessary to show that the candidates returned were not eligible or had not in fact a majority of legal votes. (*Ib.*) Where the Returning Officer used the original roll instead of the list, having first announced that he concluded to do so and no one objected, the election was supported. (*The Queen ex rel. Hall v. Grey*, 15 U. C. Q. B. 257.) It would also seem that it is no objection to the list that it was not verified as the statute requires, unless some objection be taken before or during the election. (*The Queen ex rel. Ritson v. Perry*, 1 U. C. Prac. R. 237.)

6. The Clerk shall provide the Returning Officer with a Poll-book, and he, or his sworn Poll-clerk, shall enter in such book, in separate columns, the names of the candidates proposed and seconded at the nomination, and shall, opposite to such columns, write the names of the electors offering to vote at the election, and shall in each column in which is entered the name of a candidate voted for by a voter, set the figure, "1" opposite the voter's name; (*j*)

How kept.

7. In townships, incorporated villages and police villages, every Returning Officer shall, on the day after the close of the poll, return the poll-book to the Township Clerk, verified under oath before the said Clerk or any Justice of the Peace for the county or union of counties in which the said township, incorporated or police village may lie, as to the due and correct taking of the votes; (*k*)

Returning the Poll-books.

8. The Clerk of the township, incorporated village or police village, (or person so appointed Chairman as aforesaid), shall add up the votes set down for each candidate in the respective poll-books, and ascertain the aggregate number of votes, and shall at the town-hall, or other place at which the nomination was held, at noon of the day following the return of the poll-book, publicly declare the Reeves and Councillors, or Reeve Deputy Reeve and Councillors, as the case may be, who have been elected; (*l*)

1. The names of the candidates proposed and seconded at the nomination.
2. The names of the electors offering to vote at the election.
3. And in each column in which is entered the name of a candidate, the figure "1" opposite the voter's name.

(*k*) The poll-book must not only be returned to the Township Clerk on the day after the close of the poll, but be returned verified under oath. It is not, it will be observed, made the duty of the Returning Officer to add up the votes.

(*l*) The duties of the Clerk or Chairman, under this sub-section, are as follow:

1. To add up the votes set down for each candidate in the respective poll-books, and ascertain the aggregate number of votes.
2. To publicly declare the result of the election, at the town-hall or other place at which the nomination was held, at noon of the day following the return of the poll-book.

The duty of the Returning Officer is imperative. His failure in any material point to observe it, might invalidate the election.

give a casting vote for one or more of such candidates, so as to decide the election, and except in such case the Clerk shall not vote at any such election. (*n*)

PROCEEDINGS AT ELECTIONS OF ALDERMEN IN CITIES AND COUNCILLORS IN TOWNS.

Elections,
how con-
ducted.

Nomination
meeting.

Notice.

101. The proceedings at such elections (*n*) shall be as follows :

1. A meeting of the Electors shall take place for the nomination of candidates for the offices of Aldermen in cities and of Councillors in towns, at noon on the last Monday but one in December, annually, in each ward or electoral division thereof, at such places therein as shall from time to time be fixed by By-laws of the said City or Town Councils; (*o*)

2. The Returning Officer for each ward or electoral division, in cities and towns, or in his absence the Chairman to be chosen by the meeting, shall preside, and the Returning Officer shall give at least six days' notice of such meeting; (*p*)

(*n*) It would be well for the Clerk to pay close attention to this clause. No Clerk, whether qualified as an elector or not, is allowed to vote. The exception is, when two or more of the candidates have an equal number of votes. Then, whether otherwise qualified or not, he "shall give a vote for one or more (that is, when more than one is to be elected) of such candidates, so as to decide the election."

The Court will presume that a public officer acts properly and honestly till the contrary is shown; and where it is intended to charge the officer with unfairness or partiality, the case should be plainly stated and clearly made out. (*The Queen ex rel. Walker v. Hull*, 6 U. C. L. J. 138.) Where a Returning Officer, after closing the poll, received an affidavit from M. that his vote had been entered by mistake for relator, on which he altered his vote in the poll-book, and, the votes then being equal, gave his casting vote, the election was set aside. (*The Queen ex rel. Acheson v. Donoghue*, 15 U. C. Q. B. 454). In a similar case the Returning Officer was ordered to pay the relator's costs. (*The Queen ex rel. Michel v. Rankin*, 2 U. C. Cham. R. 161; *contra*, *The Queen ex rel. Coupland v. Webster*, 6 U. C. L. J. 89.) It has been held that a Returning Officer cannot, after the close of the poll, add his vote for a candidate, although he then for the first time discovers a tie between them. (*The Queen ex rel. Bulger v. Smith et al.*, 4 U. C. L. J. 18.) It is not said in the sub-section here annotated, when the Clerk is to give his casting vote, and it may be held that he may now do so at any time before the declaration, and at the declaration make known the result, and how he arrived at it.

3. If only the necessary number of candidates to fill the vacant offices shall be proposed and seconded, the Returning Officer or Chairman shall, after the lapse of one hour, declare such candidates duly elected; (*q*)

If no more candidates than offices.

4. If more than the necessary number of candidates be proposed, and a poll is demanded by any candidate or elector, the Returning Officer or Chairman shall adjourn the proceedings until the first Monday in January, when a poll or polls shall be opened in each ward or electoral division, for the election, at nine of the clock in the morning, and shall continue open until five of the clock in the afternoon, and no longer; (*r*)

If more, and poll demanded.

5. The Clerk of town or city shall, before the poll is opened, deliver to the Returning Officer for every or any ward or electoral division, a list of the names, arranged alphabetically, of all male freeholders and householders rated upon the then last revised assessment roll for real property lying in that ward or electoral division to the amount required to qualify them to vote at such election, and shall attest the said list by his solemn declaration; (*s*)

6. The Clerk of every town or city shall provide the Returning Officer of every ward or electoral division with a poll-book, and at every election at which a poll is demanded the Returning Officer or his sworn poll-clerk shall enter in such book, in separate columns, the names of the candidates proposed and seconded at the nomination, and shall, opposite to such columns, write the names of the electors offering to vote at the election, and shall, in each column in which is entered the name of a candidate voted for by a voter, set the figure "1" opposite the voter's name; (*t*)

(*u*) The Returning Officer should, on request of either of the candidates, or his agent (whether such agent be or be not a duly qualified elector), administer the necessary oaths or affirmations. (*The Queen ex rel. Gardiner v. Perry*; Hagarty, J.; May 12, 1857.) The refusal of an elector to take the oath is, if the relator would otherwise have had one majority, a good ground for setting aside the election. (*The Queen ex rel. Dillon v. McNeil*, 5 U. C. C. P. 187.)

OATHS AND QUESTIONS THAT MAY BE PUT TO ELECTORS.

The only oaths to be required of voters.

8. At any election, or at any public vote in respect of a By-law which requires the assent of the electors, the only oaths or affirmations to be required of any person claiming to vote, are, that he is of the full age of twenty-one years, and is a natural-born subject of Her Majesty, or has obtained a certificate of naturalization from the Quarter Sessions, or was a resident of Canada before the eighteenth day of January, one thousand eight hundred and forty-nine; that he has been, if a householder, a resident within the municipality for which the election is held, or vote taken, for one month next before the election, and that he has not before voted at the election or on the By-law in the township or ward in which he is voting (*as the case may be*); and that he is the person named or purporting to be named in the list of voters (*or, in case of a new municipality, in which there has not yet been any assessment roll*), and that he is a freeholder or resident householder in (*naming the property entitling him to vote at the election*); and that he has not directly or indirectly received any reward or gift, nor does he expect to receive any, for the vote which he tenders at the election; and such oaths shall be administered at the request of any candidate or his authorized agent, and no inquiries shall be made of any such person except with respect to the facts specified in such oaths or affirmations; (*v*)

(*v*) The oath, so far as the elector is concerned, embraces the following points:

1. That he is of the full age of twenty-one years.
2. That he is a natural-born subject of Her Majesty, *or* has obtained a certificate of naturalization from the Quarter Sessions, *or* was a resident of Canada before the 18th January, 1849.
3. That he has been (if a householder) a resident within the municipality for which the election is held or vote taken, for one month next before the election.
4. That he has not before voted at the election, *or* on the by-law, in the township or ward in which he is voting.
5. That he is the person named, *or* purporting to be named, in the list of votes.
6. That he has not directly or indirectly received any reward or gift, nor does he expect to receive any, for the vote which he tenders at the election.

See secs. 75 and 76, as to the qualification of voters.

A Returning Officer who receives illegal votes, not on his list, may be made to pay costs. (*The Queen ex rel. Johnston v. Murney*, 5 U. C. L. J. 87.) Where a voter has parted with the property in respect to which he votes, though on the list, he has no legal right to vote. (*The Queen ex rel. Lutz v. Hopkins*, 7 U. C. L. J. 152.) If a Returning Officer, upon discovering an error in the entry of a vote, has the power to make the necessary correction, he must make it promptly, and only in

9. The Returning Officer shall, at the close of the poll, add up the number of votes set down for each candidate, for the office of Alderman in cities and of Councillors in towns, and shall publicly declare the same, beginning with the candidate having the greatest number, and so on with the others, and shall thereupon publicly declare elected the candidate or candidates respectively standing highest on the poll; but where a ward is divided into two or more electoral divisions, each Returning Officer shall at the close of the poll return his poll-book to the City or Town Clerk, who shall as soon as possible thereafter add up the number of votes and publicly declare the candidate so elected; (*w*)

Returning Officer to declare result of the election.

10. In case two or more candidates have an equal number of votes, the Returning Officer, or in case of a ward divided into electoral divisions the Town or City Clerk, whether otherwise qualified or not, shall give a vote for one or more of such candidates, so as to decide the election; and, except in such case, no Returning Officer or Town or City Clerk shall vote at any election held by him. (*x*)

When to have casting vote.

102. The Returning Officer shall, on the day after the close of the election, return the poll-book to the Clerk of the Municipality from whom he received the copy of the voter's list, and also his solemn declaration thereto annexed, that the poll-book contains a true statement of the poll, and his certificate of the persons (*naming them*) who have been duly elected. (*a*)

Attestation.

103. In case, by reason of riot or other emergency, an election is not commenced on the proper day, or is interrupted after being commenced and before the lawful closing thereof, the Returning Officer shall hold or resume the election on the following day at the hour of ten o'clock in the forenoon, and continue the same from day to day if necessary, for four days,

a case where the mistake in making the entry is beyond doubt. (*Ib.*) A person otherwise qualified to vote is not disqualified by the simple fact of the change of residence from one ward to another of the same township. (*Ib.*) It has been held that names improperly added to the assessment roll at a Court of Revision, will, in the event of a scrutiny, be struck off. (*Ib.*)

(*w*) See note *l* to sec. 100.

(*x*) See note *m* to sec. 100.

(*a*) The Returning Officer is, within the time limited (the day after the close of the election), to return the poll-book, with a solemn declaration of the description mentioned. The consequence of neglect or disobedience is not here mentioned.

until the poll has been open without interruption and with free access to voters for twelve hours in all or thereabouts, in order that all the electors so intending may have had a fair opportunity to vote. (b)

If election is prevented for four days, poll-book to be returned, and a new election ordered.

104. But in case the election has not, by the end of the fourth day from the day the same commenced or should have commenced, been so kept open for the said twelve hours, the Returning Officer shall not return any person as elected, but shall return his poll-book on the following day to the Head of the Municipality, certifying the cause of there not having been an Election, and a new election shall take place; and the Head of the Municipality shall issue his warrant accordingly. (c)

ELECTION OF MAYORS IN CITIES, AND OF MAYORS, REEVES AND DEPUTY REEVES IN TOWNS.

Election of Mayors, Reeves, &c.

105. Mayors of cities shall be elected by the members of the Council, at their first meeting in each year, (d) and Mayors,

(b) It is necessary that during the hours of polling the electors shall have free access to the polling place. (*The Queen ex rel. Wilson v. Davis et al.*, 3 U. C. L. J. 165.) In case, by reason of riot or other emergency, an election is not commenced on the proper day, or is interrupted after commencement, the election must be resumed the next day, and if necessary continued from day to day for four days, till the poll has been open without interruption and with free access to voters for the time mentioned, viz., twelve hours in all. The object, of course, is, that all the electors intending to vote may, notwithstanding riot or other emergency, have a fair opportunity to vote. If it be shown that, notwithstanding the expiration of the four days allowed, there was not a fair opportunity of voting, in consequence of which votes were lost, it is apprehended a new election will be ordered. (Sec. 104.)

(c) The new election is to take place in case the election has not within four days been kept open twelve hours, and the Returning Officer has not returned any person as elected, but has certified the cause of the failure. If the Returning Officer should so far forget his duty as to return any of the candidates elected, the election would no doubt be set aside. (*The Queen ex rel. Wilson v. Davis et al.*, 3 U. C. L. J. 165.) Where it was sworn that intending voters for an unsuccessful candidate were obstructed in approaching the polling place by a crowd controlled by one of the successful candidates, and neither the fact of the obstruction nor the control was unequivocally denied by that candidate, the election was set aside. (*The Queen ex rel. Gibbs et al. v. Branighan et al.*, 3 U. C. L. J. 137)

The tendency of modern decisions is not to compel a party to pay costs, unless it be shown that he really participated in the improper conduct for which the election is set aside. (*The Queen ex rel. Wilson v. Davis*, 3 U. C. L. J. 165.)

(d) This, so far as the election of Mayors is concerned, is a restoration of the old law. Before 1858, Mayors of cities were elected by the

Reeves and Deputy Reeves in towns, shall be chosen by the electors of such towns, at the annual election to be held on the first Monday in January, unless chosen by acclamation on the day of nomination. (*e*)

106. The qualification of a Mayor in cities shall be the same as that of Alderman in cities, (*f*) and the qualification of Mayor, Reeve and Deputy Reeve in towns, shall be the same as that of a councillor in towns. (*g*)

Qualification

107. A meeting of the electors shall take place for the nomination of candidates for Mayor, Reeve and Deputy Reeve at the Town Hall, on the last Monday but one in the month of December before the annual election, at ten of the clock in the forenoon. (*h*)

Time and
place for
nominating.

108. The Town Clerk shall preside at such meeting, or, in case of his absence, the Council shall appoint a person to preside in his place; if the clerk or the person so appointed does not attend, the electors present shall choose a Chairman or person to officiate from among themselves. (*i*)

members of the City Council. In 1858 a change to election by the people was made. The change was not found to work advantageously, and hence the restoration of the law to what it was formerly.

(*e*) The distinction between Mayors of cities and Mayors of towns as to the persons entitled to elect, is to be remarked. While in the case of cities the Mayor is to be chosen by the Council, in the case of a town the Mayor is still to be chosen by the electors, and not only Mayors of towns but Reeves and Deputy Reeves are to be so chosen. The latter, so far as Reeves and Deputy Reeves are concerned, is new, Reeves and Deputy Reeves always, till this act, having been chosen by the members of Council.

(*f*) *i. e.*, freehold to \$4,000, or leasehold to \$8,000. (Sec. 70.)

(*g*) *i. e.*, freehold to \$800, or leasehold to \$1,600. (Sec. 70.) In case there are not at least two persons in the Town qualified to be elected for each seat in the Council, no qualification beyond the qualification of an elector is necessary. (*The Queen ex rel. Bender v. Preston*, 7 U. C. L. J. 100.)

(*h*) See note *g* to sec. 100.

(*i*) The Council should provide for the absence of the Clerk, if at all apprehended or expected. Should they fail to do so, the electors present may choose a chairman. Should the electors do so, it is submitted the chairman so chosen would have a right to conduct the nomination to its termination, notwithstanding the presence in the mean time of the Clerk, or a person appointed by the Council as his substitute. The proceedings at the meeting, if not presided over by the officer or person assigned, would in all probability be held absolutely void. See note *e* to sec. 100.

ing Officer.

109. Such Clerk or Chairman shall have all the powers of a Returning Officer. (*j*)

If only one

111. If more candidates than the necessary number are proposed for any of the said offices, and if a poll is demanded, the Clerk or Chairman shall, on the following day, post up in the office of the Clerk the names of the persons proposed, and give notice thereof to the Returning Officer for every ward or electoral division. (*l*)

Duration of
poll.

112. In case of a contest in an election for the office of Mayor, Reeve or Deputy Reeve, the Returning Officer for every ward or electoral division shall keep the poll open for the full time required by law for taking the votes, though there may be no contest for the other offices for which he holds the election. (*m*)

Poll-books to
be kept,

113. Every Returning Officer shall enter in his poll-book, in separate columns, the names of the candidates for the office of Mayor, Reeve or Deputy Reeve, and of Councillors in towns, and shall, in the column in which is entered the name of a candidate for Mayor, Reeve or Deputy Reeve, or Councillor, voted for by any voter, set the number "1" opposite the voter's name. (*n*)

(*j*) See sec. 98, *et seq.*

(*k*) See note *g* to sec. 100.

(*l*) When a poll is demanded, it is, by the section under consideration, made the duty of the Clerk or Chairman, on the following day, to post up in the office of the Clerk the names of the persons proposed, and to give notice thereof to the Returning Officer for every ward. It is not clear whether the notice to the Returning Officer for each ward must be done on the day following the demand of a poll. That the notice must be posted up on that day, is clear beyond question, and the notice should of course be given without any unnecessary delay.

(*m*) The votes, where there is a contest, as well for the office of Mayor as of the other offices for which the election is held, should be taken concurrently. It may, however, happen, either that there is no contest for "the other offices," (Aldermen or Councillors,) or that the election to those offices has taken place before the election of Mayor is closed. In either event, or on any such event, the poll must be kept open to receive the votes for Mayor "for the full time required by law," viz., eight hours. (Sec. 101, sub-sec. 4.) The object of this section is to provide against any misapprehension on the subject.

(*n*) Only one poll-book is required, and that is to contain in separate

The Town Clerk shall add up the number of votes set down for each candidate for Mayor, Reeve and Deputy Reeve (*as the case may be*), in the respective poll-books so returned, and ascertain the aggregate number of such votes; and in case a poll has been taken, and the poll-books have been returned for every ward or electoral division, the Clerk shall, at the Town Hall, at noon of the day following the return of the poll-books, declare elected the candidate or candidates having the largest number of votes polled. (*p*)

Clerk to add up poll-books and declare the result.

116. In case two or more candidates for Mayor, Reeve or Deputy Reeve have an equal number of votes, the Town Clerk, whether otherwise qualified or not, shall give a casting vote for one or more of such candidates, which vote shall decide the election, but except in such cases, no Town Clerk shall vote at any election. (*o*) The poll-book is not merely to be returned within the time specified, but to be verified by a solemn declaration.

(*p*) It does not appear to be necessary that a candidate, to be successful, should have a majority of the whole number of votes polled, but to have "the largest number of votes polled" that is polled for any one candidate. In the event of there being an equality of votes for two or more candidates, the election is to be decided under section 116 of this Act.

(*q*) The power of the Town Clerk to give a casting vote can only be exercised when two or more candidates have "an equal number of votes; and the casting vote, when given for one or more of the candidates, is "to decide the election." See note *m* to sec. 100.

(*r*) For the terms of the declaration, and before whom to be made, see secs. 178, 179, 180.

(*s*) It is enacted by sec. 182, that "the head and other members of the Council, &c., shall make the declaration of office and qualification before some court, judge, recorder, police magistrate or other justice of the peace having jurisdiction in the municipality," &c. In the section under consideration it is directed that "declarations of office and qualification may be administered to the members of the Council and Mayor elect in cities and towns, by the Clerk thereof."

(*t*) It is apprehended that before electing a Mayor, when that election, under sec. 105, devolves upon the Council, the members ought to take the necessary declarations. Such an election would, it is believed, be deemed "business" within the meaning of this section. What is meant by "the said meeting," is now left in some obscurity. The old law, corresponding with the preceding section, provided that declarations of office should be made at the first meeting. The first meeting is probably still intended.

(*u*) The declaration of the Clerk as to the want of return for one or more wards is to be followed by the action of the Council described in the next succeeding section.

DUTIES OF MAYORS.

123. The Mayor shall be deemed the Head of the Council, and the Head and Chief Executive Officer of the Corporation; and it shall be his duty to be vigilant and active at all times in causing the law for the Government of the City or Town to be duly executed and put in force; to inspect the conduct of all subordinate Officers in the Government thereof, and as far as may be in his power, to cause all negligence, carelessness and positive violation of duty to be duly prosecuted and punished, and to communicate from time to time to the Council, all such information, and recommend such measures as may tend to the improvement of the finances, the police, health, security, cleanliness, comfort and ornament of the City or Town. (*f*)

Mayor to be the Head of the Council; His duties.

(*d*) The candidate to be declared elected is the one having "the greatest number of votes polled," *i. e.*, not a majority of the whole number of votes polled, but the greatest number of votes polled for any one candidate compared with the number of votes polled for other candidates.

(*e*) See sec. 117 and notes.

(*f*) This section defines the position of Mayor and then defines his duties.

His position is "the Head of the Council" and "the Head and Chief Executive Officer of the Corporation."

His duties are as follows:—

1. To be vigilant and active at all times in causing the law for the Government of the City or Town to be duly executed and put in force.
2. To inspect the conduct of all subordinate officers in the government thereof.
3. To cause as far as may be in his power, all negligence, carelessness and positive violation of duty, to be duly prosecuted and punished.
4. To communicate from time to time to the Council, all such information and recommend such means as may tend to the improvement of the finances, the police, health, security, cleanliness, comfort and ornament of the City or Town.

ELECTION WHEN SEATS VACATED, &c.

Seats vacated
by crime,
insolvency,
absence, &c.

124. In case a member of council be convicted of felony or infamous crime, or be declared a bankrupt, or be charged in execution for debt, and remains in close custody, or upon the gaol limits for one month, or applies for relief as an insolvent debtor, or assigns his property for the benefit of creditors, or in case a *nulla bona* has been returned against him, or he absents himself from the meetings of the council for three months without being authorized by a resolution of the council entered on its minutes, his seat in the council shall thereby become vacant. (g)

No remedy can be had by action against the Mayor who is the head of the corporation, for not sealing a bail, in the absence of a binding contract on the corporation equivalent to a remedy on the contract against the corporation, had it been duly made. (*Fair v. Moore*, 3 U. C. C. P. 484.) It is to be presumed that a Mayor refusing to seal or sign a public document was intending to act honestly in the discharge of his duty, and so he would be entitled to notice of action and the other protections extended to public officers by Con. Stat. U. C., cap. 126. (*Moran v. Palmer*, 13 U. C. C. P. 450; s. c. *Id.* 528.)

A bill will lie in equity by some of the inhabitants of a Municipality alleging an illegal misapplication of its funds by the Mayor. (*Pater-son v. Bowes*, 4 Grant, 170.) The Attorney General is not a necessary party to such a suit. (*Id.*) Where the Mayor of a city secretly contracted to purchase at a discount a large number of the debentures of the city, which it was expected would be issued under a contemplated by-law of the City Council, and was afterwards himself an active party in procuring and giving effect to the by-law subsequently passed, he was held to be a trustee for the City of the profit derived from the transaction. (*The City of Toronto v. Bowes*, 4 Grant, 499, affirmed in Appeal, 6 Grant, 1, and afterwards affirmed by the Privy Council.)

(g) The contingencies which will have the effect of vacating a seat in the Council are eight in number, as follows:—

1. Being convicted of felony or infamous crime.
2. Being declared a bankrupt.
3. Being charged in execution for debt.
4. Remaining in close custody or upon the gaol limits for one month.
5. Applying for relief as an insolvent debtor.
6. Assigning property for the benefit of creditors.
7. *Nulla bona* being returned to an execution against him.
8. Absence from the meetings of the Council for three months without being authorized by a resolution of the Council entered on the minutes.

Death is not mentioned among the contingencies, but as to it the necessary consequence is vacation of office. See secs. 125, 150, and 151.

Where the office becomes vacant through any other contingency than death, and the person whose seat is vacant insisted on holding it, the proper remedy against him is *quo warranto* procedure and not a writ of mandamus on the Mayor to hold a new election. (*The Queen v. The Mayor of the Town of Cornwall*, 25 U. C. Q. B. 293.)

125. In any case provided for by the one hundred and twentieth or one hundred and twenty-fourth sections, (*h*) or in case a person elected to a council neglects or refuses to accept office, or to make the necessary declarations for office within the time required, (*i*) or in case a vacancy occurs in the Council caused by death, judicial decision or otherwise, (*j*) the Head of the Council for the time being, or in case of his absence, or of his office being vacant, the Clerk, or in case of the like absence or vacancy in the office of the Clerk, one of the members of the Council (*k*) shall forthwith, (*l*) by warrant under the signature of such Head, Clerk or Member, and under the corporate seal, require the Returning Officer appointed to hold the last election for the municipality, ward and electoral division respectively, or any other person duly appointed to that office, to hold a new election to fill the place of the person neglecting or refusing as aforesaid, or to fill the vacancy. (*m*)

New elections provided for.

126. The person thereupon elected shall hold his seat for the residue of the term for which his predecessor was elected or for which the office is to be filled. (*n*)

(*j*) *Or otherwise*—The object is to provide for every state of circumstances that may render a new election necessary. It is a question how far this section and sec. 150 are reconcilable.

(*k*) The order must be observed. First, the head; if no head, then the Clerk; if neither head nor Clerk, then one of the members of the Council. See note *e* to sec. 100.

(*l*) Where a thing is directed to be done by a Statute "*forthwith*" it means within a reasonable time. (*The Queen v. Justices of Worcester*, 7 Dowl. P. C. 789.) The word "*immediately*" is more strictly construed. (*The King v. Justices of Huntingdonshire*, 5 D. & R. 588. *The Queen v. Aston*, 1 L. M. & P. 491.)

(*m*) The person to be appointed is the person who was appointed to hold the last past election, unless some other has been appointed by the Council to hold casual elections, or to hold the particular election. It does not appear to be left to the discretion of the Head, Clerk or member, who issues the warrant to nominate the Returning Officer. The warrant is to be under the signature of the person issuing it, and to be under the seal of the Corporation.

(*n*) *i. e.*, shall hold his seat subject to the contingencies mentioned in sec. 124.

APPOINTMENTS, IF ELECTION NEGLECTED.

ment if elec-

ed or de-
clined.

129. In case at any annual or other election, the electors, from any cause not provided for by the one hundred and third and one hundred and fourth sections, (q) neglect or decline to elect the members of Council for a municipality on the day appointed, or to elect the requisite number of members, (r) the

(o) Five Councillors were elected in January. At their first meeting, on 17th January, only one made the declaration of qualification, and a doubt having been raised as to the remaining four, in consequence of some employment held by them under the Corporation, they delayed in order to consult the County Judge. On the 19th January they met again and organized themselves, but on the same day the Reeve for the previous year issued his warrant to elect four other Councillors who were returned, and on the 31st January these four with the man who had first qualified, met and claimed to be the Council. *Held*, that the second election was invalid, for the parties first elected not having refused to qualify, but only delayed, and having done so within the twenty days allowed, there was no ground for a new election. (*In re Corporation of Township of Asphodel and Sargent et al.*, 17 U. C. Q. B. 593.) A mandamus was therefore ordered to the Clerk to deliver up the papers to the Council first chosen. (*Ib.*)

(p) The new election is to be held at furthest "within eight days" after receipt of warrant; and it is the duty of the Returning Officer, "at least four days" before the election, to post up a public notice as directed. Where a thing is to be done within a certain number of days, the first and last days are generally inclusive (*Ridout v. Orr*, 2 U. C. Prac. R. 231; S. C., 4 U. C. L. J. 87; *Moore v. Grand Trunk Railway Co.*, 2 U. C. Prac. R. 227; S. C., 4 U. C. L. J. 20; *Cameron v. Cameron*, 2 U. C. Prac. R. 259; S. C., 4 U. C. L. J. 114); and where a thing is to be done "at least" a certain number of days "before," the day of the thing done and that of the event should both be excluded. (*The Queen v. Justices of Shropshire*, 8 A. & E. 173; *Mitchell v. Foster*, 9 Dowl. P. C. 527.)

(q) Which provides for the failure of an election by reason of a riot or other emergency.

(r) The power to proceed under this section may be exercised, first, in case the electors neglect or decline to elect the necessary members

other members of the Council, or if there are none, then the members for the preceding year, or the majority of them, respectively, shall appoint as many qualified persons as will constitute or complete the number of members requisite; (s)

on the day appointed for the election, and, secondly, in case they neglect or decline to elect the requisite number of members.

(s) There is a difference between an election and an appointment. (*The Queen ex rel. Beatty v. O'Donoghue et al.*, 3 U. C. L. J. 75; see also sec. 132 of this Act.) An *election*, whether by the electors at large or by the members of the Council, is by vote, and usually consists in the choice of the members of the Council by the electors of the municipality, or of the head of the Council by the members of the Council elect; both of which proceedings are in general essential to the organization of the Council. (Note s to sec. 127.) An *appointment* is, properly speaking, an act of the Council after it has been organized. Thus: the Clerk and other officers are appointed, not elected, by the Council. (See sec. 152.) The section under consideration speaks of appointments, not of elections. It therefore becomes material to consider precisely under what circumstances the power of appointment under the section can be exercised. If there be an *entire* failure to elect members on the day fixed for the purpose, the power to appoint would of course devolve on the Council of the preceding year, which, having been duly organized, continues in office until superseded by the organization of a new Council. But if the failure to elect be only *partial*, that is to say, if the failure be to elect the requisite number of members, there is more difficulty in interpreting the meaning of the Legislature, as expressed in this section. In such an event, it is declared that "the other members of the Council, or if there be none, then the members for the preceding year, or the majority of them respectively, shall appoint," &c. Does the word "majority" refer to the new or incomplete Council, or does it refer only to the old and complete Council? If it refers to the former as well as the latter, does it do so under all circumstances? Is there any difference in this respect between a majority and a quorum? Is it necessary that there should be such a majority as constitutes a quorum? There is much room for argument, and the editor cannot do more, in the absence of decided cases, than express his individual conviction. It requires a majority of the *whole* number of members of a Council to form a quorum. (Sec. 142.) The decision of the question turns more or less on the word "majority." As applied to the old Council, it undoubtedly implies a majority of the whole number of members. If applicable to the new Council, the question is, whether it means a majority of the *full* members of that Council also, or only a majority of those elected, though less than a majority of the whole: in other words, whether the expression, "or if there are none," means none at all, or none competent to organize as a Council. Less than a majority of the whole number of members requisite could not, it is apprehended, organize. But even on the word "requisite," as used in the section, the same question presents itself in another form. Does it mean requisite to complete the full number of the Council, or only requisite to complete a sufficient number to enable them to organize? If, when the Council is incomplete, the members elect, no matter how few or how many, could appoint the remainder, and if, from any cause, a majority

and the persons so appointed shall accept office and make the necessary declarations under the same penalty in case of refusal or neglect, as if elected. (*t*)

CONTESTED ELECTIONS.

Trial of contested elections or right to elect.

130. In case the right of any Municipality to a Reeve or Deputy Reeve or Reeves, or in case the validity of the election or appointment of Mayor, Warden or Reeve or Deputy Reeve, Alderman, Councillor or Police Trustee, is contested (*a*) the same may be tried in term or vacation by a Judge of either of the Superior Courts of Common Law, or the senior or officiating Judge of the County Court of the County in which the election or appointment took place; (*b*) and when the

of the whole Council only were chosen, it would devolve upon the minority to appoint the majority—a thing which, it is submitted, the Legislature never contemplated. Were this the case, in the city of Toronto for instance, with a Council ordinarily, under the new law, of eighteen members, if from any cause returns should be made by one ward only, the three aldermen chosen for that ward would have it in their power to appoint the remaining fifteen members of the Council. This would be absurd, and dangerous to municipal government. It is upon the whole submitted, but not without some doubt, that to enable a new but incomplete Council to appoint under this section, there must be elected at least a majority of the whole number necessary to enable the Council to organize; and that if there be not that number, or if there be none, it devolves upon the Council of the preceding year to appoint all (or the number deficient) of their successors.

(*t*) See sec. 178, *et seq.*

(*a*) Two matters are stated as subjects that may be contested.

1. The *right* of a Municipality to a Reeve or Deputy Reeve or Reeves, which must depend on the number of freeholders and householders on the last revised assessment roll. (Sec. 66, sub-secs. 3, &c.)
2. The *validity* of the election or appointment of Mayor, Warden or Reeve or Deputy Reeve, Alderman, Councillor or Police Trustee.

Until the passing of the Municipal Institutions Act, Con. Stat. U. C. cap. 54, the only mode by which the right of a Municipality to a Reeve or Deputy Reeve could be contested was an information in the nature of a *quo warranto*. (*The Queen ex rel. Hart v. Lindsay*, 18 U. C. Q. B. 51.) Not until the passing of that Act was there any power in a summary manner to determine the validity of an appointment. (*The Queen ex rel. Beaty v. O'Donoghue*, 3 U. C. L. J. 75.)

(*b*) Before the summary mode of trial of contested elections prescribed by the Municipal Act, the only remedy was the tedious and expensive one of information in the nature of a *quo warranto*, and the cases where the provisions of the Municipal Act is inapplicable, that remedy must still be adopted. (*The Queen ex rel. Davy & Bogart*, 2 U. C. Prac. R. 18; *The Queen ex rel. Hart v. Lindsay*, 18 U. C. Q. B. 51.) Where an information in the nature of a *quo warranto* is asked for on behalf of an individual it must, if allowed, be exhibited in the name of the master of the Crown office. (*Ib.*) The summary mode

right of a Municipality to a Reeve or Deputy Reeve or Reeves is the matter contested, any Municipal elector in the County may be the relator, and when the contest is respecting the validity of any such election or appointment as aforesaid, any candidate at the election, or any elector who gave or tendered his vote thereat, may be the relator for the purpose. (c)

prescribed by the Municipal Act is, so far as applicable, intended as a substitute for the proceeding by *quo warranto* information. (*The Queen ex rel. White v. Roach*, 18 U. C. Q. B. 226.) The general practice is as much as possible to confine parties aggrieved to the relief to be obtained under the statute. (*In re Kelly and Macarow*, 14 U. C. C. P. 457.)

(c) The relator is the person upon whose application the jurisdiction of the Judge is put in motion. It is to be observed that when the right of a municipality to a Reeve or Deputy Reeve or Reeves is the matter of contest *any* Municipal elector *in the County* may be the relator, and when the contest is respecting the validity of any such election or appointment aforesaid "any candidate at the election, or any elector who gave or tendered his vote at the election," may be a relator. The right to be a relator is, as regards the last mentioned subject of contest, thus confined to two classes; first, candidates; second, electors; and the right of the latter is restricted to such electors as either voted or tendered their votes at the election. It is not enough for him to show that he "protested and voted" against the person elected. (*The Queen ex rel. White v. Roach*, 18 U. C. Q. B. 226.) The interest of the relator is not established by the ordering of the writ. (*The Queen ex rel. Shaw v. Muckenzie*, 2 U. C. Cham. R. 36.) It is presumed that if the election of a head of a corporation, not being a mayor of a city or town, be questioned, any member of the council who either voted or tendered his vote for such head, would be an "elector" within the meaning of the section.

It is not necessary that a relator who was a candidate should show in his application to oust the successful candidate that he himself is qualified to accept office. (*The Queen ex rel. Mitchell v. Adams*, 1 U. C. Cham. R. 203.) An elector who himself has been instrumental in electing a candidate, will not in general be allowed afterwards to complain of the election of that candidate. (*The Queen ex rel. Loyall v. Ponton*, 2 U. C. Prac. Rep. 18; *The Queen ex rel. Rosebush v. Parker*, 2 U. C. C. P. 15; *In re Kelly and Macarow*, 14 U. C. C. P. 457; *The Queen ex rel. Grayson v. Bell*, 1 U. C. L. J. N. S. 130.) Upon similar principles it has been held that a councillor who is instrumental in the election of a particular person as Reeve or Deputy Reeve, cannot afterwards be allowed to move against the person so elected Reeve or Deputy Reeve. (*The Queen ex rel. Rosebush v. Parker*, 2 U. C. C. P. 15.) It is not desirable that the Clerks of Municipal Corporations having the custody of the papers of the Corporation should be relators in *quo warranto* proceedings to unseat members of the Councils of which they are Clerks. (*The Queen ex rel. McMullen v. De Lisle*, 8 U. C. L. J. 291.) All the Judges, whether of Superior or County Court, named in this section, possess concurrent and co-ordinate jurisdiction. But where a judge of the Superior Court was of opinion against a sitting member, he declined to withhold his judgment, upon the ground that

131. The proceedings for the trial shall be as follows :

1. If within six weeks after the election, or one month after acceptance of office by the person elected, (*d*) the relator (*e*) shows by affidavit (*f*) to any such judge, (*g*) reasonable grounds for supposing that the election was not legal, or was not conducted according to law, or that the person declared elected thereat was not duly elected, (*h*) and if the relator

there was a prior relation at the instance of a different relator against same defendant for same cause, pending before a County Court Judge, which relation it was sworn was collusive and intended to protect the defendant in the enjoyment of office contrary to law. (*The Queen ex rel. McLean v. Watson*, 1 U. C. L. J. N. S. 71.)

(*d*) The first point for consideration is the time within which the application is to be made, that is, "within six weeks after the election, or one calendar month after the acceptance of office by the person elected." In the computation of the six weeks, the day of the election is to be excluded. So it would appear that six weeks at all events is allowed, to impeach the election, although the office may have been accepted more than a calendar month. If the application be not made within the six weeks, the test is then whether the office has been accepted more than one calendar month. (*The Queen ex rel. Rosebush v. Parker*, 2 U. C. C. P. 15.) The application must not only be made within the time limited, but be made as the practice directs. (*The Queen ex rel. Telfer v. Allan*, 1 U. C. Prac. R. 214.) Therefore, where there was no written motion paper, as required by Rule No. 1, and the statement was not signed, as required by Rule No. 2, the application failed (*Ib.*, see Appendix); and if the time limited be allowed to elapse without an application, the relator will not be allowed to file an information in the nature of a *quo warranto*. (*Reg. ex rel. White v. Roach*, 18 U. C. Q. B. 226.)

(*e*) *Relator*. See note *c* to sec. 130.

(*f*) There should be at least two affidavits: the one of the relator, to the effect that he believes the grounds mentioned in the statement to be well founded; the other an affidavit of the relator or other person, setting forth fully and in detail the facts and circumstances which support the application. (Rule No. 2.) But though the affidavit of the relator may be sufficient to obtain the writ, the relator is an incompetent witness to establish the case at the trial, and therefore other evidence is required. (*The Queen ex rel. Carroil v. Beckwith*, 1 U. C. Prac. R. 278.) It seems, though it has not been expressly decided, that the attorney of the relator may act as a commissioner for taking the affidavits. (*The Queen ex rel. Blaisdell v. Rochester*, 12 U. C. Q. B. 630.)

(*g*) *i. e.*, either a Judge of the Superior Courts of common law, or the senior or officiating Judge of the County Court of the county in which the election or appointment took place. (Sec. 130.)

the first branch of the clause involves the second, and the second the third. If the elections have not been conducted according to law, the election would not be legal, and the person declared elected could not in all probability be "*duly* elected." But the converse of the rule will not hold. The election may have been conducted according to law, and yet the person declared elected not have been duly elected, as where he is not qualified to be elected.

The following may be the form of writ:

UPPER CANADA.

VICTORIA, by the Grace of God, &c.

To —, of —, &c., in the County (*or United Counties*) of —.

We command you (*and each of you*) that you (*and each of you*) be and appear before the Chief Justice or other Justice of our Court of Queen's Bench or Common Pleas for Upper Canada, presiding in Chambers, at the Judges' Chambers in our City of Toronto, on the eighth day after the day on which you shall be served with this writ, then and there to answer and show to such Chief Justice or Justice by what authority you claim to use, exercise or enjoy the office of —, which office, upon the relation of —, having as he says an interest in the election to the said office as a —, we are informed that you have usurped and do still usurp [and that (*if so claimed*) the said — (*relator or party or parties mentioned*) was (*or were*) and should have been declared duly elected and admitted thereto], and further to do and receive all those things which our said Chief Justice or Justice shall thereupon order concerning the premises.

Witness, the Honorable —, Chief Justice of our said Court of — (*or other Justice in whose name the writ is tested*), at Toronto, this — day of —, 18—, and in the — year of our reign.

To the writ must be attached a copy of the relator's statement of objections and grounds, and of the names and additions of the persons who shall have made the affidavits upon which the writ issued. (Rule 103.)

The notice may be in the following form:

IN THE QUEEN'S BENCH (*or COMMON PLEAS*).

THE QUEEN, upon the relation of —, against —.

To — and —, named in the within (*or annexed*) writ of summons.

The within (*or annexed*) writ of summons has been issued at my instance and relation; and a statement concerning the premises, whereof a copy is hereunto annexed, is filed in the office of the Clerk of the Crown in this Court (*or with the Clerk in Chambers at the city of Toronto*), together with affidavits supporting the same; and the names and additions of the deponents to the said affidavits are hereunder written. And you are served with the said writ of summons to the intent that you do appear and answer, as herein commanded, or otherwise judgment will be given against you by your default, and your election to the therein mentioned office will be declared invalid, and you will be removed

validity both of the election complained of and the alleged election of the relator or other person ; (*l*)

When several are complained of.

3. In case the grounds of objection apply equally to two or more persons elected, the relator may proceed by one writ against such persons ; (*m*)

All to be tried by the same Judge.

4. Where more writs than one are brought to try the validity of an election, or the right to a Reeve or Deputy Reeve or Reeves as aforesaid, all such writs shall be made returnable before the Judge who is to try the first, and such Judge may give one judgment upon all, or a separate judgment upon each one or more of them, as he thinks fit ; (*n*)

therefrom [and the said ——— (*the relator, or ———, the party or parties, if any, alleged to be entitled*) therein named be declared duly elected, and will be admitted thereto in your place].

A. B. in person,
or by
C. D. his Attorney.

The above mentioned deponents are :

——, of ——.
——, of ——.

(*l*) It seems to be well understood that before a Judge will entertain an application, not merely to make void the election of the party complained against, but to declare the relator or some other person elected in his stead, it must be shown, to the satisfaction of the Judge, that notice had been given of the disqualification of the successful candidate at such a time and in such a manner as must have made the electors aware that if they voted for that candidate their votes would be thrown away. (*The Queen ex rel. Clarke v. McMullen*, 9 U. C. Q. B. 467.)

(*m*) It has been held that a private relator has no right by a writ of summons, in the nature of a *quo warranto*, either to attack the Township Council by name upon grounds which, if mentioned, must necessarily lead to a dissolution of the body, or to attack the whole Council in one proceeding, through the individual names of every member of it. (*The Queen ex rel. Lawrence v. Woodruff*, 8 U. C. Q. B. 336.)

(*n*) At an election there may be several candidates ; so there may be several persons elected to office. One person may see fit to contest the election of any successful candidate ; so another person may see fit to contest the election of another of the successful candidates. Each relator complying with this statute, may have his own separate and independent writ. In this way there may be several writs brought to try in fact the validity of the same election. When such is the case, all the writs are to be made returnable before the Judge who is to try the first. One object is obvious, and that is, to preserve uniformity of decision. Where the first relation is collusive, and merely intended to protect the defendant in the enjoyment of office, it may be disregarded. (*The Queen ex rel. McLean v. Watson*, 1 U. C. L. J. N. S. 71.)

5. The writ shall be issued by the Clerk of the Process of the said Superior Courts, or by the Deputy Clerk of the Crown in the County in which the election took place, (o) and shall be returnable before the Judge in Chambers of the Superior Court at Toronto, or before the Judge of the County Court at a place named in the writ, (p) upon the eighth day after service, computed exclusively of the day of service, or upon any later day named in the writ; (q)

Writ, who to
issue, and
return day
thereof.

(o) If not tested on the day it was issued, it would be irregular. (*The Queen ex rel. Linton v. Jackson*, 2 U. C. Cham. R. 18.) But the irregularity may be waived by appearance. (*Ib.*) Where the proceedings were irregular, and relator notified defendant not to appear, it was held that the same relator was not precluded from making a second application. (*The Queen ex rel. Metcalfe v. Smart*, 10 U. C. Q. B. 89.)

(p) Although a County Court Judge may grant a fiat for the writ, it is always to be issued out of one of the superior courts. It is suggested that the fiat should state before what Judge the writ is to be returnable. It has been held that a County Court Judge may order the writ to issue returnable before a Judge of a superior court. (*The Queen ex rel. Lutz v. Williamson*, 1 U. C. Prac. R. 94.) In such case it is the duty of the relator to see that the proper papers are transmitted to Toronto. (*Ib.*)

(q) Thus, a writ served on Monday of one week would be returnable on Tuesday of the ensuing week, "or upon any later day named in the writ."

The following may be the form of affidavit of service:

IN THE QUEEN'S BENCH (or COMMON PLEAS).

THE QUEEN, on the relation of —, against —.

Upon the return of the writ, the party or parties summoned may appear either in person or by attorney. (Rule No. 4, Appendix.) The manner of appearance is by endorsing on the back of the relator's statement, attached to the motion papers, the words, "The within named C. D. appears in person (or by attorney, as the case may be) to answer the grounds of objection to his election which are within stated." (*Ib.*) If on the return no appearance be entered, the Judge

Returning
Officer may

6. The Judge before whom the writ is made returnable, or is returned, may, if he thinks proper, order the issue of a writ of summons at any stage of the proceedings to make the Returning Officer a party thereto; (r)

Service to be

7. Every writ under this section shall be served personally, (s) unless the party to be served keeps out of the way to avoid personal service; in which case the Judge, upon being

sitting in Chambers may before rising on that day direct an entry to be made on the back of the statement, as follows: "The within named C. D. (and E. F.) being duly summoned, hath (or have) not appeared to answer the matters within objected." (Rule No. 5, Appendix.) This entry, if not made on the day directed, may be made on a subsequent day. (*Ib.*) The Judge may thereupon, on that or any subsequent day, proceed to hear and determine the matter. (Rule No. 7, Appendix.)

(r) "Is made returnable, or is returned." This expression appears to be used in order that a writ "returnable" on the face of it before a Judge named therein, may be "returned" to and acted upon by any Judge presiding in Chambers, or the Judge presiding in the County Court for the time being, according as the Judge mentioned in the writ belongs to a superior or an inferior court.

The writ to make a Returning Officer a party may be in the following form:

UPPER CANADA.

VICTORIA, by the Grace of God, &c.

Whereas, upon the relation of —, in our Court of Queen's Bench (or Common Pleas), —, it hath been ordered that a writ of summons should issue —, to show by what authority he (or they) claims or exercises (or claim or exercise) the office of —; and whereas it appears to our Justices of our Court of Queen's Bench (or Common Pleas), before whom the said writ hath been made returnable (or as the case may be), that you were the Returning Officer by whom the said — hath (or have) been returned as duly elected to the said office, and that it is proper you should be made a party to the proceeding aforesaid: These are therefore to summon you to be and appear before the Chief Justice or other Justice of our Court of Queen's Bench (or Common Pleas) for Upper Canada, presiding in Chambers, at the Judges' Chambers, in our City of Toronto, on —, then and there to answer such matters and things as shall then and there be objected against you, and further to do and receive all those things which said Court or said Justice shall thereupon order concerning you in the premises.

Witness, &c.

This writ must be served, with the like papers annexed, and the service thereof proved in like manner as is provided for other writs of summons. (Rule 6, Appendix.) The appearance and subsequent proceedings must also be the same. (*Ib.*)

(s) "Personal service" of a writ has never been defined by the Legislature. Each case is left to depend on its own particular circumstances. The Courts have not held it necessary to put process into the actual corporeal possession of the defendant, to constitute personal

satisfied thereof, by affidavit or otherwise, may make an order for such substitutional service as he thinks fit; (*t*)

8. The Judge before whom the writ is returned, may allow any person entitled to be a relator to intervene and defend, and may grant a reasonable time for the purpose; and any intervening party shall be liable or entitled to costs, like any other party to the proceedings; (*u*)

The Judge may allow persons to intervene.

9. The Judge shall, in a summary manner, upon statement and answer, without formal pleadings, hear and determine the validity of the election, or the right to a Reeve or Deputy Reeve or Reeves, and may by order cause the assessment rolls, Collectors' rolls, poll-books and any other records of the election to be brought before him, and may inquire into the facts on affidavit or affirmation, or by oral testimony, or by issues framed by him and sent to be tried by jury by writ of trial directed to any Court named by the Judge, or by one or more of these means, as he deems expedient; (*v*)

Judge shall try summarily.

service, but have looked more to the object of the service—timely notice to defendant of intended legal proceedings against him. (Har. C. L. P. A., note *f* to sec. 84, p. 73.) In general a copy of the writ should be left with defendant, and the original shown to him if he desire to see it. (*Goggs v. Huntingtower*, per Alderson, B., 1 D. & L. 599.) The copy of the writ must be left with, and not merely shown to defendant. (*Worley v. Glover*, 2 Str. 877.) Though defendant refuse to take the copy, if the person serving it bring it away with him, the service will be defective. (*Pigeon v. Bruce*, 8 Taunt. 410.) Where the copy was thrust through the crevice of a door to defendant, who had locked himself in, the service was held to be sufficient. (*Smith v. Wintle*, Barnes, 405.) Service upon a wife, agent or servant, is not personal service. (*Frith v. Donegal*, 2 Dowl. P. C. 527; *Davies v. Morgan*, 2 C. & J. 237; *Goggs v. Huntingtower*, 1 D. & L. 599; *Christmas v. Eicke*, 6 D. & L. 156.)

(*t*) Personal service can only be dispensed with under the circumstances here mentioned. (*The Queen ex rel. Arnoit v. Marchant*, 2 U.C. Cham. R. 167.)

(*u*) No elector unless one who has voted or tendered his vote at the election, can be a relator. See note *c* to sec. 130. A relator is not necessarily bound to prove his interest unless denied. (*The Queen ex rel. Bartliffe v. O'Reilly*, 8 U.C. Q. B. 617.)

(*v*) The duty and the powers of the Judge are here mentioned.

The duty is, in a summary manner, upon statement and answer, without formal pleadings, to hear and determine, &c.

The powers are:

1. To cause the assessment rolls, collectors' rolls, poll-books, and any other records of the election, to be brought before him.

And remove
admit or
confirm.

10. In case the election complained of be adjudged in-

2. To inquire into the facts,
On affidavit or affirmation,
Or by oral testimony,
Or by issues framed and sent to be tried by jury,
Or by one or more of these means, as he may deem expedient.

The following may be the form of writ of trial:

[L.S.] VICTORIA, by the grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the faith.

To the Judge of the County Court of the County of —

Greeting:

Whereas, upon the trial of the validity of an election of —, chosen upon the — day of —, to be — for the Township of —, (*or as the case may be*) in the County of —, and which election hath been complained of by E. F., as the relator, alleging (*as the case may be*) that he himself, or that he and C. D., &c., or that C. D., &c., was or were duly elected, and ought to have been returned, it hath become material to ascertain whether (*here stating concisely the issues to be tried*) and whereas it is desired by —, our Chief Justice (*or Justice*) of our Court of Queen's Bench (*or Common Pleas*) before whom the same is pending, that the truth of such matters as aforesaid may be found by a jury: We do, therefore, pursuant to the statute in such case made and provided, command you, that by twelve good and lawful men of the County of —, who are in nowise akin to the said E. F., the relator in the said case, or to the said (*the other party or parties, naming him or them,*) and who shall be sworn truly to try the truth of the said matters, you do proceed to try the same accordingly; and when the jury shall have given their verdict on the matters aforesaid, we command you that you do forthwith make known to our said Chief Justice (*or Justice*) what shall have been done by virtue of this writ, with the finding of the jury hereon indorsed.

Witness, the Honorable —, Chief Justice (*or Justice*) of our said Court at Toronto, this — day of —, in the — year of our reign.

The following may be the form of indorsement of verdict thereon:

I hereby certify that on the — day of —, before me, L. M., Judge of the County Court of the County (*or United Counties*) of —, came as well the within named relator as the within named (*the other party or parties*) by their attorneys (*or as the case may be*) and the jurors of the jury, by me duly summoned as within commanded, also came, and being sworn to try the matters within mentioned on their oath, said that, &c.

The relator is not allowed at the hearing to object to the election of the party or parties complained against, or to support the election or elections of the person or persons alleged to have been duly elected on any ground not specified in the statement on which the summons was moved. (Rule 9, Appendix.) Still the Judge may, if he see fit, entertain upon his own view of the case any substantial ground of objection to or in support of the validity of the election of either or any of the parties which may appear in the evidence before him. (*Id.*) When the party or parties summoned has or have appeared, no more formal answer need be made by him or them to the relators case than by affidavits filed in answer. (Rule No. 10, Appendix.) But the

valid, (*w*) the Judge shall forthwith, by writ, cause the person

Judge may in his discretion require from either or any of the parties further affidavits or the production of any such evidence as the law allows. (*Id.*) None of the proceedings had in any case for trying the validity of an election, or which follow the determination thereof, are to be set aside or held void on account of any irregularity or defect, which shall not in the opinion of the judge before whom the objection is made, be deemed such as to interfere with the just trial and adjudication of the case upon the merits. (Rule No. 18, Appendix.) Contempts in disobeying writs of summons, *certiorari*, *mandamus* or other process, rule or order of court or of any judge thereof, acting in the execution of the powers conferred by this Act, are to be certified into the court from which the writ of summons issued, to be dealt with like other contempts of of such court in other cases. (Rule No. 16, Appendix.) The forms given may be changed when necessary, at the discretion of the Judge who tries or determines the case, to adapt the same to such particular case. (Rule No. 17, Appendix.)

It has been held that a Judge of a County Court cannot, in determining the validity of a contested election, incidentally decide against the validity of a Township By-law. (*The Queen ex rel. McLaughlin v. Hicks*, 5 U. C. L. J. 89.)

(*w*) The following may be the form of the judgment :

In the Queen's Bench (*or* Common Pleas) the Queen on the relation of — against — (*and* "A. B. Returning Officer made a party by the order of a Judge.")

Be it remembered, that on the — day of —, in the year of our Lord one thousand eight hundred and —, at the Judges' Chambers in the City of Toronto, before me, —, Chief Justice (*or* Justices) of Her Majesty's Court of Queen's Bench (*or* Common Pleas) came as well the above named relator by — his attorney as the above named — by his (*or* their) attorney and service of the writ of summons hereunto annexed, having been duly proved upon affidavit and upon the said day and upon other days thereafter at the Chambers aforesaid, having heard and read the statement and proofs of the said relator, touching and concerning the usurpation by him alleged against the said — of the office of — in the said writ of summons mentioned (and of the alleged misconduct of said A. B. as Returning Officer at the said election) [*and (if so) the election of (the party or parties named) thereto*], and the answers and proofs of the said —, and having heard the said parties by their counsel (*or as the case may be*), and upon due consideration of all and singular the premises now, that is to say, this — day of —, in the year aforesaid, I do adjudge and determine :

First—That the said relator had, at the time of his making his aforesaid complaint, an interest in the election to the said office of— as a —.

Second—That, &c.

Third—That, &c.

Fourth—That the said — hath (*or* have) usurped, and doth (*or* do) still usurp the said office, and that he (*or* they) be removed therefrom [*or* that the election of — to the said office was void, and that he

found not to have been duly elected to be removed, and in case the Judge determines that any other person was duly elected, the Judge shall forthwith order a writ to issue caus-

(or they) be removed therefrom (*as the judgment may be*)). And that the said relator [*or the said (naming the party or parties whose election is affirmed, when he or they are adjudged to be entitled to the said office)*] was (*or were*) duly elected thereto, and ought to have been returned, and is (*or are*) entitled in law to be received into, and to use, exercise and enjoy the said office.

And I do adjudge and determine that the said — do not in any manner concern himself (*or themselves*) in or about the said office, but that he (*or they*) be absolutely forejudged and excluded from further using or exercising the same, under pretence of the said election [*and further, that the said (naming the relator or party whose election is affirmed) be (or be respectively) admitted to the said office in his (or their) place (or places.)*]

And I do further order, adjudge and determine, that the said relator do recover against the said — his costs and charges by him in and about the said relation and the prosecution thereof expended, to be taxed in the said Court.

All which the said writ of summons, and the said judgment, and the statements, answers and proofs of the said relator and of the said —, and all other things had before me touching the same, I do hereby certify and deliver into the said Court, there to remain of record as a judgment of said Court, according to the form of the statute in such case made and provided. . . . E. F., J.

The following may be the conclusion of a judgment for the defendant, to follow the word *affidavit*, in the foregoing form :

Thereupon now at this day, that is to say, on the — day of — aforesaid, at the Judges' Chambers, at Toronto aforesaid, all and singular the relation and proofs of the said relator, and the answers and proofs of the said — being seen and fully understood, I do consider and adjudge that the said office of — so claimed by him (*or them*) the said — be allowed and adjudged to him (*or them*), that the said — be dismissed and discharged of and from the premises above charged upon him (*or them*) and also that he (*or they*) the said — do recover against the said relator his (*or their*) costs by him, (*or them respectively*) laid out and expended in defending himself (*or themselves*) in this behalf. All which, &c., (*as in the judgment for the relator.*)

The following may be added if costs allowed and taxed.

“Afterwards that is to say, on the — day of —, in the — year of the reign of our Lady the Queen, cometh, the said —, and prayeth that his (*or their*) said costs, so as aforesaid adjudged to him (*or them*), be taxed and assessed according to the form of the statute in such case made and provided, and the said costs of the said —, in and about his (*or their*) prosecution (*or defence*) aforesaid, and (*when the Returning Officer is a party*) of the said —, in and about his defence aforesaid, so as aforesaid adjudged to him (*or them*), are now here accordingly taxed and assessed as follows, that is to say, the costs of the said — at the sum of — [and the costs of the said

ing such other person to be admitted; (*x*) and in case the Judge determines that no other person was duly elected instead of the person removed, the Judge shall by the writ cause a new election to be held; (*y*)

11. In case the election of all the members of a Council be adjudged invalid, the writ for their removal and for the election of new members in their place, or for the admission of others adjudged legally elected, and an election to fill up the remaining seats in the Council, shall be directed to the Sheriff

If all the members ousted, &c., writ for new election to go to the Sheriff.

— (when *Returning Officer* entitled thereto) at the sum of —,] and the said —, in mercy, &c.”

(*x*) The following may be the form of writ for removal, &c.

VICTORIA, &c.

To the Corporation of — (the town, township, or city of)

Whereas on the — day of — in the year of our Lord one thousand eight hundred and — at the Judges' Chambers in the City of Toronto, before — Chief Justice (or one of the Justices) of our Court of Queen's Bench (or Common Pleas) for Upper Canada, it was by the said Chief Justice (or Justice) adjudged and determined that — of — had usurped, and did then usurp, the office of — [and that — was (or were) duly elected thereto, and ought to have been returned, and was (or were) entitled in law to be received into, and to use, exercise and enjoy the said office,] all which has, by the said Chief Justice (or Justice) been duly certified into our Court of Queen's Bench (or Common Pleas), pursuant to the statute in that behalf. Now, we being willing that speedy justice be done in this behalf, as it is reasonable, command that the said (the person or persons, naming him or them, whose election has been declared invalid) do not in any manner concern himself (or themselves) in or about the said office, but that he (or they) be absolutely forejudged, removed and excluded from further using or exercising the same, under pretence of his (or their) election thereto.* [And we do further command that the said (the person or persons, naming him or them, who has or had been adjudged lawfully elected) be forthwith admitted, received and sworn into the said office, to use, exercise and enjoy the same.] And we do hereby command you and every of you to obey, observe, and do all and every act, matter and thing that may be necessary, on the part of you or any of you in the premises, according to the purport, true intent and meaning of these presents, and of the statutes in that behalf, and that you make known to our Court of Queen's Bench (or Common Pleas) at Toronto, on the — day of — how this writ shall have been executed.

(z) The following may be the form of writ in such case:

A writ requiring a new election may be in the following form:

the said corporation, in the place and stead of the persons whose elections have been so declared invalid ; and we hereby command, and strictly enjoin all and every person and persons (*continuing as in the last precedent to the end.*)

Witness, &c.

(a) Sections 94 & 125 of this act, taken together, show that the Sheriff is to appoint a Returning Officer when an old Council has been superseded by a new one. Where the members of the new Council have been ejected there can be no longer any councillors in possession of the office. The object therefore of this clause is to enable the Sheriff to take the steps necessary to the election or admission of new members with a view to the re-organization of the Council.

(b) The writ is to be generally made returnable on the eighth day after service, computed exclusively of the day of service (sub-sec. 5, of sec. 131); and the design of this clause is, that the disclaimer, if any, should be filed before the writ is returned.

(c) When the writ has been issued by direction of a Judge of one of the Superior Courts and is returnable before a Judge of any such Court, the disclaimer should be addressed, "To the Clerk of Judge's Chambers, at Osgoode Hall, Toronto," or if returnable before the Judge of the County Court, then to "The Judge of the County Court of the County of, &c." In either case, the disclaimer so addressed may, if preferred, be mailed or else be delivered to the proper Judge or Clerk. If mailed, the envelope must on the outside be endorsed with the word "Disclaimer." The letter must also be registered in the office where mailed. (Sub-sec. 13.)

Posting and
Registry of
disclaimer.

13. Such disclaimer, or the envelope containing the same, shall moreover be endorsed on the outside thereof, with the word "Disclaimer" and be registered at the Post Office where mailed; (*d*)

Duplicate
disclaimer to
be delivered
to Clerk.

14. Every person so disclaiming shall deliver a duplicate of his Disclaimer to the Clerk of the Council, and the Clerk shall forthwith communicate the same to the Council; (*e*)

Costs provi-
ded for.

15. No costs shall be awarded against any person disclaiming as aforesaid, unless the Judge is satisfied that such party consented to his nomination as a candidate or accepted the office, in which cases the costs shall be in the discretion of the Judge; (*f*)

(*d*) Two things are here made requisite:

1. That the disclaimer or envelope containing the same be endorsed on the outside thereof with the word "disclaimer."
2. That it be registered at the post-office where mailed.

(*e*) This is to apprise the Council that the party no longer claims a seat therein. It is made the duty of the Clerk "forthwith" to communicate, &c., as to which see note *l* to sec. 125.

(*f*) The rule is, that the costs of a contested election are in the discretion of the Judge. (Sub-sec. 16.) The exception is, where a regular disclaimer is made within the time limited for the purpose, in which case no costs are to be awarded against the party who disclaims. If, however, the Judge be satisfied that the party "consented to his nomination as a candidate, or accepted the office," the case comes within the rule, and not the exception. Where defendant before this Act personally contested the election, but on its being moved against sent in a disclaimer praying to be relieved from costs, because, having been duly elected, he was obliged, under a penalty, to accept office, the learned Judge in Chambers refused to relieve him of costs. (*The Queen ex rel. Featherstone v. McMonies*, 2 U. C. Cham. R. 137.) If the disclaimer be filed too late, clearly costs are in the discretion of the Judge. (*The Queen ex rel. Hawke v. Hull*, *Id.* 182.) On the 4th March the relator obtained a summons to contest defendant's election, and the writ and statement were served on that day. On the 9th, defendant sent a written disclaimer to the Judge in Chambers, which was received on the 10th, and on the 13th the relator's affidavit was filed stating that defendant had consented to his own nomination, and had taken his seat, &c. No proof of the grounds taken in the statement were ever filed, and the case was then allowed to drop. On the 27th April the relator filed a further affidavit stating that after the disclaimer the Reeve had ordered a new election, at which he, the relator, was duly elected, but that the defendant persisted in retaining his seat, contending that it had not become vacant by his disclaimer. Sir J. B. Robinson, under these circumstances, refused to give judgment, as if the matter were still pending on the summons, there being no proof of any of the objections taken, but held that the disclaimer could not nullify the election, as the parties seemed to have supposed; and that if

the Council should support the relator in his seat, the defendant or some one else must move against his election on the ground that it was illegally ordered. (*The Queen ex rel. Freeman v. Jones*, 1 U. C. Prac. R. 306.) The Judge, who was in Chambers at the return of the summons, might perhaps enter an adjournment to a certain day, and call for proofs as to the first election, and give judgment. (*Ib.*)

(g) The Judge has a discretion to withhold costs altogether from either side, if he see fit (*The Queen ex rel. Swan v. Rowat*, 13 U. C. Q. B. 340), or to distribute the costs, that is, to order each party to pay his own costs. (*The Queen ex rel. Gordanier v. Perry*; Chambers; Hagarty, J.; 3 U. C. L. J. 90.) Where it was sworn that intending voters for an unsuccessful candidate were obstructed in the approach to the polling place by a crowd under the control of one of the successful candidates, and neither the fact of the obstruction nor the control was unequivocally denied by that candidate, the election as to him was set aside with costs. (*The Queen ex rel. Gibbs v. Branighan*, 3 U. C. L. J. 127.) The tendency of modern decisions is not to make a party pay costs unless it be shown that he himself participated in the improper conduct for which the election is set aside. (*The Queen ex rel. Davis v. Wilson et al.*, 3 U. C. L. J. 165.) But relators are not to be discouraged from bringing cases of invalid elections under notice of a Judge at the peril of having to lose the costs necessarily incurred. (*The Queen ex rel. Rollo v. Beard*, 1 U. C. L. J., N. S., 126; see also *The Queen ex rel. Charles v. Lewis*, 2 U. C. Cham. R. 177; *The Queen ex rel. Hawke v. Hall*, 2 U. C. Cham. R. 187; *The Queen ex rel. Dillon v. McNeil*, 5 U. C. C. P. 137.) In one case a learned Judge refused to make a relator pay costs, though unsuccessful, where it was shown he had acted in good faith in bringing forward his complaint. (*The Queen ex rel. Crozier v. Taylor*, 6 U. C. L. J. 60.) So where a Returning Officer, made a party to the proceedings, was shown to have acted in good faith, though illegally, costs were not imposed on him. (*The Queen ex rel. Coupland v. Webster*, 6 U. C. L. J. 89.) Where the Returning Officer was acquitted of blame, and relator's statement was shown not to be strictly correct, the latter was ordered to pay costs to the former. (*The Queen ex rel. Hawke v. Hall*, 2 U. C. Cham. R. 182.) The Master, on taxing costs to the successful party, should consider whether or not the successful party produced an unnecessary number of affidavits, or affidavits unnecessarily diffuse, and act accordingly. (*The Queen ex rel. Walker v. Hall*, 6 U. C. L. J. 138.) A by-law to pay the costs of a contested election is illegal, and will be quashed with costs. (*In re Bell and the Municipality of the Township of Manvers*, 2 U. C. C. P. 507; S. C., 3 U. C. C. P. 400.) A municipality cannot legally support such a contest, or indemnify one of the parties to a contest of the kind. (*Ib.*) As to table of taxable costs, see Appendix.

1. Disclaimer under sub-section 12, which must be transmitted "within one week after service of the writ."

2. Disclaimer under the sub-section here annotated, which may be transmitted "at any time after the election," but "before the election is complained of."

In the case of the former there are no costs, unless the Judge is satisfied that the party disclaiming consented to his nomination as a candidate, or accepted the office.

In the case of the latter there can be no costs, as the disclaimer must be made before writ, and when made relieves the party "from all liability." The latter provision is a new one.

(*i*) Under the old act, leave was given to appeal from the decision of the Judge to the full Court. (*The Queen ex rel. McKeown v. Hogg*, 15 U. C. Q. B. 140.) That privilege was in the Municipal Institutions Act of 1858, when introduced to the Assembly, but was struck out in committee. The object, no doubt, is effectually to ensure the summary relief intended. The elections being annual, the delays caused by appeals are calculated to frustrate the objects of an application.

To regulate the practice respecting the suing out, service and execution of such writs, and the punishment for disobeying the same or any other writ or order of the Court or Judge, and respecting the practice generally in hearing and determining the validity of such elections or appointments, and respecting the costs thereon.
3. To rescind, alter or add to such rules.

But it is declared that all existing rules are to remain in force until rescinded or altered. The existing rules which have been in force since the Municipal Act of 1849 will, if not suspended before this work is completed, be found in the Appendix. They in several respects need change, in consequence of the altered state of the law since they were first promulgated. It was the intention of the late Mr. Justice Burns to have revised the rules, especially as to costs, giving increased counsel fees, and making an allowance for briefs, &c.; but his much lamented death prevented him carrying his intention into effect.

came within the clauses for the summary trial of contested elections, and it was held that they did not. This section supplies the defect which was then felt to exist in the law, and as regards the trial of contested elections, places appointments and elections on the same footing.

Hence the day appointed for the first meeting of a County Council is later in the month of January than that of any other Municipal body.

But that, under certain circumstances may, subject to appeal to the ordinary tribunals, be determined by the County Clerk. (See *The Queen ex rel. McManus v. Ferguson*, 2 U. C. L. J., N. S. 19.)

(*u*) The Clerk, if one, is to preside. If no Clerk, then a person is to be selected by the members present. The person so selected must be one of themselves. If the election be presided over by a person other than directed, the election itself may be held invalid. See note *e* to sec. 100.

(*a*) See *The Queen ex rel. Pollard v. Prosser*, 2 U. C. Prac. R. 330; and *The Queen ex rel. Hume v. Lutz*, 7 U. C. L. J. 103; and Statute 24 Vic. cap. 37.

(*b*) The object of this section would seem to be to enable a County Council to sit in a city or town that has been separated from the county, when the proper county buildings are situate therein and are owned by the county. (See secs. 134 & 139.) But the language ("every other Council") is broad enough to admit of any Municipal Council holding sittings elsewhere than within the municipality, which probably was not really intended. The meetings are to be held "at such place," &c., as the Council from time to time, by *resolution* on adjourning, to be entered on the minutes, or by *by-law*, appoints. The difference between a resolution and a by-law is fully explained in note *l* to sec. 190. It is apprehended that an established place of meeting would be by by-law, and that in the absence of any such by-law the place may be determined for the next meeting by resolution on adjourning, at which time there would be no opportunity of passing a by-law. In the absence of any by-law, &c., the next meeting would be understood as appointed to be held at the place of the last meeting. (Sec. 141.) Strictly speaking, there ought to be either a by-law fixing a permanent place, or a resolution from time to time entered at each adjournment. See *In re Pafford and The Corporation of the County of Lincoln*, 24 U. C. Q. B. 16.

- Place of may be in Cities.** **139.** The Council of the County in which any City lies (*c*) may hold its sittings, keep its public offices, and transact all the business of the Council and of its officers and servants within such City, and may purchase and hold such real property therein as may be convenient for such purposes. (*d*)
- Meetings to be open.** **140.** Every Council shall hold its ordinary meetings openly, and no person shall be excluded except for improper conduct. (*e*)
- Special may be closed; where held.** **141.** In case there is no By-law of a council fixing the place of meeting, any special meeting of the Council shall be held at the place where the then last meeting of the Council was held. (*f*) and a special meeting may be open or closed as in the opinion of the Council, expressed by Resolution in writing, the public interest requires. (*g*)
- Quorum.** **142.** A majority of the whole number of members required by law to constitute the Council shall form a quorum. (*h*)
- In Councils of five, three must concur.** **143.** When a Council consists of only five members, the concurrent votes of at least three shall be necessary to carry any resolution or other measure. (*i*)

(*c*) *Qu.*, or "town separated from a county." See sec. 26.

(*d*) The power is not only to hold but to purchase real property in a City for County purposes, even after the separation of the City from the County.

(*e*) It is one of the essential qualities of a Court of Justice that its proceedings be public, and that all parties who may be desirous of hearing what is going on, if there be room in the place for that purpose, provided they do not interrupt the proceedings and provided there be no other kind of improper conduct, have a right to be present and hear what is going on, (per Bayley, J., in *Daubney v. Cooper*, 10 B. & C. 240.) This rule is to its fullest extent to be applied to ordinary meetings of every Municipal Council. But a special meeting may be open or closed as, in the opinion of the Council expressed by resolution in writing, the public interest requires. (Sec. 141.)

(*f*) The first meeting is required to be held at the County Hall, if there is one, otherwise at the County Court House. (Sec. 134.)

(*g*) The line drawn between an open and a closed meeting is here defined. The former is the rule (note *e* to sec. 140); the latter the exception, and only to be allowed when in the opinion of the Council the public interest requires it.

(*h*) The Court upon an application to quash a by-law, on the ground that a quorum of the Council was not present at its passing, refused to interfere. (*Sutherland v. The Municipal Council of the Township of East Nissouri*, 10 U. C. Q. B. 626.)

(*i*) This applies to municipalities having five members only (see sec. 66,) and the effect is, that although three constitutes a majority and

forms a quorum, a majority of that majority cannot decide any question before the Council. When three members only are present, they must be unanimous. When four or five are present, it requires three at least to make a majority.

(*j*) In the midst of a Parliamentary debate upon a question, any member may move "that this house do *now* adjourn," not by way of amendment to the original question, but as a distinct question which interrupts and supersedes that already under consideration. If this second question be resolved in the affirmative, the original question is superseded; the house must immediately adjourn and all business for that day is at an end. (May on the Law and Practice of Parliament, 21.) The motion for adjournment in order to supersede a question must be simply that the house do *now* adjourn. It is not allowable to move that the house do adjourn to any future time specified, nor to move an amendment to that effect to the question of adjournment. (*l*b.) The house may also be suddenly adjourned by notice being taken that the necessary number of members to constitute a majority are not present; and an adjournment caused in that manner has the effect of superseding a question in the same way as a formal question to adjourn when put and carried. In either case the original question is so entirely superseded, that if it has not yet been proposed to the House by the Speaker, it is not even entered in the votes, as the House was not fully in possession of the question before adjournment. If a motion to adjourn be negatived, it may not be proposed again without some intermediate proceeding and in order to avoid any infringement of this rule, it is a common practice for those who desire to avoid a decision upon the original question on that day, to move alternately that "this House do *now* adjourn" and "that the debate be *now* adjourned." The latter motion, if carried, merely defers the decision of the House, while the former, as already explained, altogether supersedes the question. Yet members who only desire to enforce the continuance of the debate on another day, often vote for an adjournment of the House, which if carried, would supersede the question they are prepared to support. This distinction should always be borne in mind, lest a result should follow that is widely different from that anticipated. Suppose a question to be opposed by a majority and that the minority are anxious for an adjournment of the debate; but that on the failure of a question proposed by them to that effect they vote for an adjournment of the House; the majority have only to vote with them and carry the adjournment, when the obnoxious question is disposed of at once, and its supporters have themselves contributed to its defeat. (*t*)

147. In the absence of the head of the Council, and in the case of a Town, Village or Township, in the absence also of the Reeve, if there be one, and also of the Deputy Reeve or Deputy Reeves if there be one or more, by leave of the Council, or from illness, (*u*) the Council may, from among the members thereof eligible to be elected head, appoint a presiding officer, who, during such absence, shall have all the powers of the head of the Council. (*v*)

(*n*) A bare majority is all that is here meant or required, but it must be a majority of the whole number of the Council.

(*o*) *i. e.*, Of a town not separated from the county in which situate (see secs. 26 & 66); for in a town not so separated the Mayor is head, then the Reeve, and then the Deputy Reeve.

(*p*) *i. e.*, In the absence of both the head of the Council and the Reeve.

(*q*) In a township or village the Reeve is head, and then the Deputy Reeve.

(*r*) The latter part of this section belongs to the whole section, that is, any acting head authorised by the section may, among other things, at any time summon a special meeting of the Council.

(*s*) In certain towns and incorporated villages there may be several Deputy Reeves. (Sec. 66, sub-secs. 3, 4.) Hence the necessity for the provision here annotated as to the necessity in some cases of witnesses for the prosecution.

(*t*) See notes *y* and *z* to sec. 131, as to form of writs in such case.

(*u*) Provision is here made for the absence of all persons *ex officio* entitled to preside.

(*v*) The word "eligible," as used in the former act, applied to cities, in which aldermen were so eligible, but not councilmen. (Sec. 66.) Now that the office of councilman no longer exists, the use of the word is of no peculiar force, for all members of the council are eligible.

148. If the person who ought to preside at any meeting does not attend within a reasonable time after the hour appointed, (a) the members present may appoint a Chairman from amongst themselves, and such Chairman shall have the same authority in presiding at the meeting as the absent person would have had if present. (b)

RESIGNATION OF HEADS OF COUNCIL.

150 The Warden of a County may resign his office (e) by verbal intimation to the Council while in session, or by letter to the County Clerk, if not in session, (f) in which case the Clerk shall notify all the members of the Council, and shall, if required by a majority of the members of the County Council, call a special meeting to fill such vacancy. (g) Vacancies

Resignation

Vacancies,

(a) Provision is made in the preceding section for "death," or "absence," and here for non-attendance "within a reasonable time after the hour appointed."

(b) *Chairman*; that is, it is apprehended, a person eligible to be head or presiding officer of the Council. See secs. 147 & 150.

(c) The general import of the words used deserves attention. Apparently no question can come before the Council or meeting, on which the presiding officer or chairman is disentitled to vote. There is no exception of any kind in the enactment. The right to vote is given "on all questions." Its exercise on any particular question, perhaps affecting the conduct of the presiding officer or chairman himself, is a matter left entirely in his own discretion.

(d). This is in accordance with the well known Latin maxim, "*Omnia presumuntur pro negante.*"

(e) The right of a member of a Municipal Corporation to resign in the absence of express provision authorizing it, has been doubted. (*The King v. Tidderley*, Sid. 14, Com. Dig. tit. "Franchise," F. 30; *The King v. The Mayor of Ripon*, 1 Rayd. 563; *The Queen v. Lane*, 2 Rayd. 1304.) In 2 Roll. Ab. 456, it is said that an alderman, with the assent of the Corporation, may resign his office in the Corporation, and that the Corporation may accept the resignation as of right. The power of the head of a Corporation, under the section here annotated, to resign, is given with or without the assent of the Corporation. No ordinary member can resign without the assent of the majority of the members. (Sec. 151.)

(f) The mode deserves attention, viz., *by verbal intimation* to the Council while in session, *or by letter* to the County Clerk if not in session. This part of the section is new, and intended to remedy a defect pointed out by the Editor in the first edition of this Manual.

(g) The duties of the Clerk are two-fold:

1. To notify all the members of the Council of the resignation.
2. To call a special meeting to fill the vacancy, if required by a majority of the members of the Council.

The act being after the organization of the Council, the head, &c., of the Council would of course preside and take the votes. In the event of an equality of votes, there would, it is presumed, be in effect a negative, under sec. 149,

(*h*) Which see, and notes thereto.

(*i*) See note *e* to sec. 150.

(*j*) *i. e.*, by election. See sec. 125.

(*k*) It appears to be imperative on the Council to appoint a Clerk. Convenience, if not duty, however, will at all times render one necessary. The appointment would appear to be one till removed, and not merely for a year. (*The Corporation of the Township of Beverley v. Barlow*, 7 U. C. L. J. 117.)

(*l*) The Clerk being an executive officer of the Council, it is his duty to make all entries as directed. He is not at liberty, without the previous sanction of the Council, to exercise any discretion of his own. His record of proceedings is to be "without note or comment."

The duties of the Clerk, here enumerated, are the following:

1. To record all resolutions, decisions, and other proceedings of the Council.
2. To record the name and vote of every member voting, if required by any member present.
3. To keep the books, records and accounts of the Council.
4. To preserve and file all accounts acted upon by the Council.
5. To keep the original or certified copies of all by-laws, and of all minutes and proceedings of the Council.
6. All which he is to keep in his office, or in the place appointed by by-law of the Council.

Other duties are imposed by succeeding sections of this act.

153. Any person may inspect any of the particulars aforesaid at all seasonable times; and the Clerk shall, within a reasonable time, furnish copies thereof to any applicant at the rate of ten cents per hundred words, or at such lower rates as the Council appoints; (*m*) and shall, on payment of his fee therefor, furnish, within a reasonable time, to any elector of the municipality, or to any other person interested in any By-law, Order or Resolution, or to his attorney, a copy of such By-law, Order or Resolution, certified under his hand and under the Corporate Seal. (*n*)

(*m*) Upon tender of the remuneration specified, it is made the duty of the Clerk to furnish the copies required, a duty which, it is conceived, might, in the event of refusal, be enforced by mandamus.

(*n*) See notes to sec. 198.

(*o*) This is required with a view to the appropriation of moneys arising from the clergy reserves. (Con. Stat. Can., cap. 25, sec. 7.)

(*p*) It is made the positive and distinct duty of the Clerk, on or before the day mentioned, not only to transmit the return, but to accompany it with the affidavit, of which a form is given. A penalty for neglect of duty is imposed by next section. (Sec. 155.)

(*q*) The affidavit must be made before a Justice of the Peace.

CHAMBERLAIN AND TREASURER.

to be appoin-
ted.

161. Every City Council shall appoint a Chamberlain, (*f*) and every other Council shall appoint a Treasurer, (*g*) and

(*v*) In addition to a return containing all the particulars furnished to him pursuant to sec. 158, it is to be specially noticed that he is required to make a return "of the same (similar) particulars respecting his County as a separate Municipality."

(*a*) A City being deemed for Municipal purposes a County, the Clerk of the City has the same time allowed him within which to make his return as the Clerk of the County. (Sec. 157.)

(*b*) Sec. 156.

(*c*) This and the next succeeding section (160) prescribe the duties of the officers therein mentioned. It is only necessary to discriminate between what is to be done by the Clerks of the different Municipalities, by the County Treasurers, and by the Provincial Secretary respectively.

(*d*) See sec. 155.

(*e*) See note *c* ante.

(*f*) See note *k* to sec. 152.

(*g*) The offices of Chamberlain and Treasurer, and member of the Council, are incompatible. (*The Queen v. Smith*, 4 U. C. Q. B. 322, and sec. 162.) If by any disregard of the law, accidental or otherwise, a

every Chamberlain and Treasurer, before entering upon the duties of his office, shall give such security as the Council directs for the faithful performance of his duties, and especially for duly accounting for and paying over all moneys which may come into his hands; (*h*) provided that it shall be the duty of every Municipal Council in each and every year to enquire into the validity of the security given by such Chamberlain or Treasurer and report thereon. (*i*)

To give security.

Proviso.

162. Every Treasurer and Chamberlain respectively shall receive and safely keep all moneys belonging to the Corporation, and shall pay out the same to such persons and in such manner as the Laws of the Province and the lawful By-laws or resolutions of the Council direct; (*k*) but no member of the

person has been placed in the office who cannot by law hold it, things must take their course—the illegality must be ascertained and pronounced upon in a proper proceeding, instituted to try the question. (*Ib.*) A Treasurer of a Municipality should not be permitted also to act as a Bank agent. (*The Corporation of the Village of Ingersoll v. Chadwick*, 19 U. C. Q. B. 278.)

(*h*) The Chamberlain or Treasurer is, first, to give security; secondly, the security is to be given before he enters upon the duties of his office; and, thirdly, it is to be for the faithful performance of his duties, and especially for duly accounting for and paying over all moneys which may come into his hands.

It is no objection to the bond that it was executed before the appointment to office was made. (*The Corporation of the County of Essex v. Strong*, 8 U. C. L. J., 15; S. C., 21 U. C. Q. B. 149.)

(*i*) The imposition of additional taxes to those assessed at the time of taking the security and the increase of risk thereby, has been held not to violate a bond given for the general performance of duties and payment of moneys. (*The Corporation of the Township of Beverley v. Barlow et al.* 10 U. C. C. P. 178; S. C. 7 U. C. L. J. 117.) Nor is it a defence that the money received by the Treasurer was not demanded by the Government which was entitled thereto. (*Corporation of Essex v. Park*, 11 U. C. C. P. 473.)

The latter part of this section is a new and very necessary provision.

(*k*) In an action by a Municipal Corporation against their Treasurer on his bond, charging him with not having paid over moneys received, it appeared that the Corporation had a contract with one E. to build bridges for them; E. wanting money got the Reeve to indorse his note for \$600, which was discounted by defendant at the Niagara District Bank, of which he was agent, as well as Treasurer of the Municipality. A few days afterwards another note for \$400 made by E. and indorsed by other persons, one a member of the Corporation, was discounted at the same bank. When these notes were about to fall due, a meeting of the Council took place at which defendant was present, and the Reeve swore that it was then understood that the Council should assume these two notes, and he thought the defendant was

Corporation shall receive any money from such Treasurer for any work performed or to be performed; (l) and such Chamberlain or Treasurer shall not be liable to any action at law for any moneys paid by him in accordance with any By-law or resolution passed by the Municipal Council of the Municipality of which he is the Chamberlain or Treasurer. (m)

163. The Treasurer or Chamberlain of every Municipality for which any sum of money has been raised on the credit of the Consolidated Municipal Loan Fund, (n) shall so long as any part of such sum, or of the interest thereon, remains unpaid by such Municipality, transmit to the Board of Audit, on or before the Fifteenth day of January in every year, a Return, certified on the oath of the Treasurer or Chamberlain before some Justice of the Peace, containing the amount of taxable property in the Municipality according to the then last Assessment Roll or Rolls,—a true Account of all the Debts and Liabilities of the Municipality for every purpose, for the then last year,—and such further information and particulars with regard to the liabilities and resources of the Municipality,

authorized to charge them both to the Corporation; but other councillors examined did not agree with the Reeve in their recollection of what took place; and the only resolution or minute in writing was that the Council should give their note for \$700 to be used in the Niagara District Bank by the defendant. This note was accordingly made by the Reeve and endorsed by the other members. *Held*, that under these facts the Treasurer had no right to charge the Council with the remaining \$300. (*The Corporation of the Village of Ingersoll v. Chadwick*, 19 U. C. Q. B. 278.) In an account rendered by defendant to the Council, this \$1,000 was charged as paid to E. and it was asserted the Council made subsequent payments to him, assuming the account to be correct. But, *held*, that assuming this to be the case, of which there was some question, the Council by omitting to notice or object to this item were not bound to pay it. (*Ib.*)

(l) See note h to sec. 73.

(m) The first part of the section makes it the duty of the Treasurer to pay out moneys in such manner as the laws of the Province and "the lawful by-laws or resolutions of the Council direct." But in order, it is presumed, to relieve the Treasurer from the responsibility of deciding what by-laws or resolutions are or are not legal, it is here decided that he shall not be liable to any action for "any moneys paid by him in accordance with any by-law or resolution passed by the Municipal Council of the Municipality of which he is Chamberlain or Treasurer." In other words, the by-law or resolution whether legal or illegal, if requiring him to pay the money, is a protection to him. This part of the section is new and intended to relieve Treasurers from the embarrassment indicated.

(n) See Con. Stat. Can. cap. 83.

as the Governor in Council may from time to time require, (o) under a penalty, in case of neglect or refusal to transmit the Return, account, information or particulars, of one hundred dollars, to be recovered with costs as a debt due to the Crown, according to the thirty-first section of the Consolidated Statutes of Canada, chaptered sixteen, *An Act respecting the collection and management of the Revenue, the auditing of public accounts, and the liability of public Accountants*; (p) and it shall also be the duty of such Chamberlain or Treasurer to prepare and submit to the Municipal Council half yearly, a correct statement of the moneys at the credit of the Municipality whose officer he is; provided that in case of dismissal from office or absconding, it shall be lawful for the successor to such Chamberlain or Treasurer to draw any moneys belonging to such Municipality. ASSESSORS AND COLLECTORS OF CITIES, TOWNSHIPS, TOWNS, AND INCORPORATED VILLAGES.

164. The Council of every City, Town, Township and Incorporated Village shall, as soon as may be convenient after the annual election, appoint as many Assessors and Collectors for the Municipality as the Assessment laws from time to time authorize or require, and shall fill up any vacancy that occurs in the said offices as soon as may be convenient after the same occurs; (r) but the Council shall not appoint as Assessor or

Can. cap. 83, sec. 64, made the duty of the Treasurer of any Municipality in *arrear* for any sum of money under that Act or the Municipal Loan Fund Act, to certify to the Provincial Secretary, within one month after the time when the sum of money is payable, the total value of the assessable property, and the rate in the dollar in such Municipality, for the year preceding the default.

(p) In any action for the recovery of such a penalty, it is sufficient to prove by any one witness or other evidence, that such return, &c., ought to have been transmitted by the defendant as alleged on the part of the Crown; and the onus of proving that the same was so transmitted is to rest upon the defendant. (Con. Stat. Can. cap. 16, sec. 31.)

(q) The latter part of this section is new.

(r) It was made a question, whether the Council, once having appointed an assessor, can cancel the appointment at their mere will and pleasure. (*In re McPherson and Beeman*, 17 U. C. Q. B. 99. But now, see sec. 177 of this Act.) The Council, by resolution, appointed B. assessor, who was sworn into office, and made the assessment. This appointment was made by a vote of three against two. The election of one of the three Councillors was afterwards set aside, and by a subsequent vote the resolution was rescinded, and a by-law passed appointing a different person assessor. Both made assessments, and

(u)

Assessors to designate freeholders and householders in their assessment rolls.

165. The Assessors shall state in their assessment rolls whether the persons named therein are freeholders or householders, or both, (a) and shall, in separate columns for this purpose, use the initial letters F. and H. to signify the same respectively. (b)

Householder defined.

166. Every occupant of a separate portion of a house, such portion having a distinct communication with a public road or street by an outer door, shall be deemed a householder within this Act. (c)

Collector of Provisional Council.

167. The Collectors of the several Townships in a junior County of a union of Counties shall *ex officio* be Collectors in such Townships for the Provisional Council, and the Collectors shall pay over to the Provisional Treasurer the money they collect under any By-law of the Provisional Council. (d)

in consequence much confusion arose. The Court, under these circumstances, granted a *quo warranto* to determine the validity of the last appointment. (b)

(s) A member of a Council to become eligible to be appointed assessor or collector would have to resign under sec. 150 or 151, before accepting the appointment.

(t) See sec. 70.

(u) See sec. 19.

(a) See notes to sec. 75.

(b) Great responsibilities rest upon assessors. Their work is not only the basis of municipal but of parliamentary elections. It is from the assessment roll, as revised and finally passed, that the list of parliamentary voters is made.

(c) A party is not the less a householder, or the less an occupant, because he lets a portion of his house to lodgers. The retention of any portion of the house as his own dwelling, gives him the legal occupation of the whole. The occupation of a lodger is considered in law that of the landlord. (See *Phillip's case*, Alcock's Registration cases, 20; *Dingnan's case*, lb. 114; see also Saunders' Law and Practice of Municipal Registration, 1.) No lodger, though occupying the principal part of the house, is ever rated; but the owner, how small soever the part reserved to himself, is in the eye of the law the occupier of the whole. (*The King v. Eyles*, Cald. S. C. 414.) See further, note q to s. 75.

(d) The powers of a Provisional Council are not in any way intended to interfere with the powers of the Council of the Union. (Sec. 45.) Any money raised by the Provisional Council in the junior County is independent of any money raised therein by the Council of the Union (b.)

168. The money so collected shall be deemed the money of the Union, so far as necessary to make the Collectors and their sureties responsible to the Union therefor; (e) and in case the Corporation of the Union receives the same, such Corporation shall immediately pay the amount to the Provincial Treasurer, retaining the expenses of collection. AUDITORS.

169. Every Council shall, at the first meeting thereof, in every year, after being duly organized, appoint two Auditors, one of whom shall be such person as the head of the Council nominates; (g) but no one who, at such time, or during the preceding year, is or was a member, or is or was Clerk or Treasurer of the Council, (h) or who has, or during such preceding year had, directly or indirectly, alone or in conjunction with any other person, a share or interest in any contract or employment with or on behalf of the Corporation, (i) except as Auditor, shall be appointed an Auditor. tion for
office of.

170. The Auditor shall examine and report upon all accounts affecting the Corporation, or relating to any matter under its control or within its jurisdiction, for the year ending on the thirty-first day of December preceding the appointment. (k)

Duties of.

(e) The Corporation of the Union is, as it were, a trustee of the money for the Corporation of the Provisional Council. But as between the former and its officers, it is no defence to the latter that the Corporation of the Union is not beneficially interested in the money.

(f) It would seem that a demand of some kind of the money ought to be made before commencing a suit for its recovery. (See *Trustees School Section No. 3, Caledon, v. The Corporation of the Township of Caledon*, 12 U. C. C. P. 301.)

(g) The Council is to appoint two Auditors annually, but one of them is to be a person nominated by the head of the Council. Hence it will be seen that a nomination by the head of the Council, though not in terms an appointment, is, under this section, in effect the same.

(h) All persons who have been members of the Council, or held office under the Council, are not disqualified, but only such as held office "during the preceding year;" that is, the year preceding the appointment. (See *The Queen v. Rivers*, 7 A. & E. 960.)

(i) As to being a contractor, or having an interest in a contract, see note to sec. 73.

(j) This is to enable the same individual to be reappointed to the office of Auditor. As to the declaration to be taken by an Auditor before entering on the duties of his office, see sec. 181.

(k) The Auditors, when appointed, have a duty to perform, and that duty is to examine and report upon all accounts affecting the Corporation, or relating to any matter under its control or within its jurisdiction. &c. Further duties are prescribed by the next following section (171),

To prepare abstract and detailed statements of receipts and expenditures, &c.

171. The Auditors shall prepare an abstract of the receipts, expenditures and liabilities of the Corporation, and also a detailed statement of the said particulars, in such form as the Council directs, and report in duplicate on all the accounts audited by them, and make a special report of any expenditure made contrary to law, and shall file the same in the office of the Clerk of the Council within one month after their appointment; (*l*) and thereafter any inhabitant or rate-payer of the Municipality may inspect one of such duplicate reports, at all seasonable hours, and may, by himself or his agent, at his own expense, take a copy thereof or extracts therefrom. (*m*)

The Council to audit finally, &c.

172. The Council shall, upon the report of the Auditors, finally audit and allow the accounts of the Treasurer or Chamberlain and Collectors, and all accounts chargeable against the Corporation; (*n*) and in case of charges not regulated by law, the Council shall allow what is reasonable. (*o*)

Clerk to publish abstracts and statements.

173. The Clerk shall publish the Auditors' abstract and report (if any), and shall also publish the detailed statement, in such form as the Council directs. (*p*)

-
- (*l*) The duties of Auditors, under this section, may be thus classed:
1. To prepare an abstract of the receipts, expenditures and liabilities of the Corporation.
 2. To prepare a detailed statement of the said particulars, in such form as the Council may direct.
 3. To report in duplicate on all accounts audited by them.
 4. To file the reports in the office of the Clerk of the Council within one month after appointment.

(*m*) The right to inspect the Auditor's reports is extended to "any inhabitant or rate-payer." The difference between an inhabitant and a rate-payer is, that "inhabitant" means a resident, whether a rate-payer or not, and that a "rate-payer" is a person who pays taxes, whether a resident or not. (See *The King v. Inhabitants of North Curry*, 4 B. & C. 961.) Mere colorable residence is insufficient to constitute a person an inhabitant. (*The King v. Sargent*, 5 T. R. 466; *The King v. The Duke of Richmond*, 8 T. R. 560; *Bruce v. Bruce*, 2 B. & P. 229, *n*; *The King v. Mitchell*, 10 East. 511; *Whithorn v. Thomas*, 7 M. & G. 1.)

(*n*) It is the duty of the Auditors, within one month after appointment, to file their report. (Sec. 171.) It then becomes the duty of the Council to finally *audit and allow* the accounts of the Treasurer, &c., and all accounts chargeable against the Corporation. Some discretion is involved in this duty. It would even appear that the Council, in the performance of the duty, have power to overrule the Auditors. (Sec. 174.)

(*o*) That is, a *quantum meruit* or reasonable compensation for the services performed.

(*p*) The "abstract" is one thing, and the "detailed statement" another, each of which is described in sec. 171. The first is to be

The Council of every County may appoint two or more Valuators within the County, for the purpose of valuing the real and personal property, whose duty it shall be to ascertain the value of the same, as directed by the County Council; but such Valuators shall not exceed the powers possessed by Assessors under this Act; and the valuation so made may be made the basis of equalization by the County Council for a period not exceeding five years. SALARIES AND CONTINUANCE IN OFFICE.

176. In case the remuneration of any of the officers of the Municipality has not been settled by Act of the Legislature, the Council shall settle the same, and the Council shall provide for the payment of all municipal officers, whether the remuneration is settled by statute or by By-law of the Council. printed and published by the Clerk, the second is to be published under the direction of the Council.

(g) The power of the County Council is to regulate and audit all moneys to be paid, &c. The word "regulate" appears to refer to an order prior to payment, as does the word "audit" refer to an act done after payment. The Council have, under sec. 172, a general power to finally audit and allow all the accounts of the Treasurer, &c., and all accounts chargeable against the Corporation.

(r) This section is new. Hitherto a County Council arrived at the value of lands situate in the several local municipalities of the County, merely by a process of equalization on an assumed or arbitrary valuation, with the object of producing a just relation between the different local municipalities without reducing the aggregate valuation of the whole County. This has been found unsatisfactory, and for remedy the section here annotated has been enacted. The appointment of County valuers is the main feature of the new remedy, and is left discretionary with the County Councils. The purpose of the appointment is "the valuing the real and personal property" in the County. The duty of the valuers, when appointed, is to ascertain the value, "as directed by the County Council," but on this stipulation, that they (the valuers) are not to "exceed the powers possessed by assessors under this act." When the valuation is made in any particular year, it may be made the basis of equalization by the County Council "for a period not exceeding five years."

(s) Under a power to remunerate all "township officers," it was held that Municipal Councillors had no authority to remunerate themselves. (*In re Wright and the Municipal Council of the Township of Cornwall*, 9 U. C. Q. B. 442; *Daniels v. The Municipal Council of the Township of Burford*, 10 U. C. Q. B. 478.) And it was made a question whether the Warden of a County is to be deemed an officer, so as to be entitled

to remuneration as such. (*The Queen v. The District Council of the Township of Gore*, 5 U. C. Q. B. 357.) But now such questions are to a certain extent set at rest, for it is made lawful for the Council of every *Township and County* to pass by-laws for paying the members of the Council for their attendance in Council and mileage. (Sec. 271.) Where a Municipal Council, in 1850, passed a vote assigning to the Clerk of the Peace a fixed salary for that year, "in lieu of all fees," it was held (the Jury Act, 13 & 14 Vic. cap. 55, having been subsequently passed), that this could not debar him from claiming the fees allowed by that statute for preparing the jury books for the following year. (*Pringle v. McDonald*, 10 U. C. Q. B. 254.)

(*t*) The appointment of this officer is authorized by sec. 161.

(*u*) That is, during the pleasure of the Council. (See *In re McPherson and Beeman*, 17 U. C. Q. B. 99.)

(*v*) Duties are in this act prescribed for such officers as Chamberlains, Treasurers, Collectors, Assessors and Auditors, but the Council are here empowered to impose additional duties on these and all other officers of the Council. (See *The Corporation of the Township of Beverley v. Park*, 11 U. C. C. P. 473.)

And a declarant is a person who, instead of making either oath or affirmation, makes a solemn declaration, which, if false, is visited with punishment as much as either an oath or affirmation. (See note *d* to sec. 178.)

(*q*) The duty of the person administering an oath, &c., of the kind authorised, is two-fold, *first*, to certify and preserve the same, and *secondly*, within eight days to deposit the same in the place mentioned.

(*r*) As to misdemeanors, see note *t* to sec. 55.

(*s*) This provision apparently applies only to a case in which the party is himself returned at the election, and not to a case in which, though he was in truth elected, another person was improperly returned. (See *The Queen v. Coaks*, 3 El. & B. 249.)

(*t*) This renders the acceptance of the offices mentioned obligatory, at the risk of the penalty which follows refusal. Besides, it would seem that the mere payment of the penalty is no excuse for non-acceptance of the office. (*The Queen ex rel. Blasdell v. Rochester*, 7 U. C. L. J. 101.) Nor does the neglect to accept office work a forfeiture of the office. (*The Queen ex rel. Forsyth v. Dolsen*, 7 U. C. L. J. 71.)

(*u*) The gist of this is the *scienter* or *knowledge* of the appointment. (See *The Queen v. Preece*, 5 Q. B. 94.)

OFFENCES.

THE EMBEZZLEMENT OF BOOKS, MONEYS, &c.

Embezzlements by municipal officers.

187. All books, papers, accounts, documents, moneys and valuable securities respectively, by any person or officer appointed or employed by or on behalf of any Council, kept or received by virtue of his office or employment, shall be the property of the Corporation; (a) and in case any such person or officer refuses or fails to deliver up or pay over the same respectively to the Corporation, or to any person authorized by the Council to demand them, he shall be deemed guilty of a fraudulent embezzlement thereof, (b) and may be prosecuted and punished in the same manner as a servant fraudulently embezzling any chattel, money or valuable security of his master; (c) but nothing herein shall affect any remedy of the Corporation or of any other person against the offender or his sureties, or any other party; nor shall the conviction of such offender be receivable in evidence in any suit, at law or in equity, against him. (d)

(a) So as to enable the Corporation to maintain civil actions for or in respect of them, or to prosecute criminally when the offence of embezzlement is committed.

(b) This is a most important provision. It is in the first place declared that all books, papers, accounts, documents, moneys, and valuable securities, by any person or officer appointed by or on behalf of the Council, &c., kept or received, are the property of the Corporation. In the next place it is declared that if any *such* person refuse or fail to deliver up or pay over *the same*, he *shall* be guilty of a *fraudulent embezzlement thereof*, &c. Refusal or failure apparently constitutes the offence, regardless of intention. Embezzlement is a statutable stealing, and is an offence of a serious nature.

(c) For the punishment of embezzlements committed by clerks and servants, it is enacted, that if any clerk or servant, &c., shall, by virtue of his employment, receive or take into his possession any chattel, money or valuable security, for or in the name of or on account of his master, and shall fraudulently embezzle the same or any part thereof, every such offender shall be deemed to have feloniously taken the same from his master, although such chattel, money or security was not received into the possession of such master otherwise than by the actual possession of the clerk, servant or other person so employed. (Con. Stat. Can. cap. 92, sec. 42; *Ib.* cap. 99, secs. 58, 59; and the leading case of *The Queen v. Cummings*, in Appeal, 4 U. C. L. J. 182.) The punishment is imprisonment in the Provincial Penitentiary at hard labour for any term not exceeding fourteen nor less than seven years, or imprisonment in any other prison or place of confinement for any term not exceeding two years. (Con. Stat. Can. cap. 92, sec. 41.)

(d) The civil remedy is to be distinct from, and independent of, the criminal procedure for punishment of the offender.

STEALING WRITS OF ELECTIONS, POLL BOOKS, &c.

188. If any person steals, or unlawfully or maliciously, either by violence or stealth, takes from any Deputy Returning Officer or Poll Clerk, or from any other person having the lawful custody thereof, or from its lawful place of deposit for the time being, or unlawfully or maliciously destroys, injures or obliterates, or causes to be wilfully or maliciously destroyed, injured or obliterated, or makes or causes to be made any erasure, addition of names or interlineation of names, into or upon, or aids, counsels or assists in so stealing, taking, destroying, injuring or obliterating, or in making any erasure, addition of names or interlineation of names into or upon any Writ of Election, or any Return to a Writ of Election, or any Indenture, Poll Book, Certificate or Affidavit, or any other document or paper made, prepared or drawn out according to or for the purpose of meeting the requirements of the law in regard to Municipal Elections; (e) every such offender shall be guilty of felony, (f) and shall be liable to be imprisoned in the Provincial Penitentiary for any term not exceeding seven nor less than two years, or to be imprisoned in any other place of confinement for any term less than two years, (g)

Stealing or destroying, &c., certain documents relating to Municipal Elections to be felony.

2. Unlawfully or maliciously, either by violence or stealth, takes from any Deputy Returning Officer, or poll clerk, or from any other person having the lawful custody thereof, or from its lawful place of deposit for the time being;
3. Unlawfully or maliciously destroys, injures or obliterates, or causes to be wilfully or maliciously destroyed, injured or obliterated;
4. Makes or causes to be made any erasure, addition of names, or interlineation of names, into or upon;
5. Aids, counsels or assists in so stealing, taking, destroying, injuring or obliterating, or in making any erasure, addition of names, or interlineation of names, into or upon;

Any writ of election, or any return to a writ of election, or any indenture, poll-book, certificate or affidavit, or any other document or paper, made, prepared or drawn out, according to or for the purpose of meeting the requirements of the law in regard to municipal elections, shall be guilty, &c.

The words, "any other document," &c., do not include the assessment roll, which is the foundation of the poll-book and several of the other documents mentioned. (*The Queen v. Preston*, 21 U. C. Q. B. 86.) So that it has been held that an indictment will not lie for forging or altering the assessment roll for a township deposited with the Township Clerk. (*Ib.*)

PROVISIONS APPLICABLE TO ALL COUNCILS.

Certain sections to apply to all Municipalities-

JURISDICTION OF COUNCILS.

Local jurisdiction of Councils.

190. The Jurisdiction of every Council shall be confined to the Municipality the Council represents, except where authority beyond the same is expressly given, (*k*) and the

Powell, 21 U. C. Q. B. 215; *The Queen v. Travers and Green*, C. P. T. T. 1866, *M. S.*)

(*h*) There may be either fine or imprisonment, or fine *and* imprisonment, as the Court may award.

(*i*) It is apprehended that the species of property must be proved as laid. Thus, if the stealing alleged were of a writ of election, it would not be sufficient to prove the stealing of the poll-book merely. But if several articles, such as writ of election, poll-book, and indenture, it will be sufficient to prove the stealing of any one of them. So if not a stealing but an obliteration or alteration be alleged. (See *Arch. Cril. Pl.* 272, 15 Ed.)

(*j*) Police villages are neither enumerated here nor intended to be included under the operation of the sections from sec. 186 to sec. 240 inclusive. A police village is not a municipality, within the meaning of this Act. (Sec. 422, sub-sec. 1.)

(*k*) A Municipality, whether a County, City, Township, or Village, is a locality; and a Municipal Council is the governing body of that locality. Beyond the limits of the locality the Council has not in general any authority whatever. For this reason the section begins by declaring that "the jurisdiction (or authority) of every Council shall be confined to the Municipality (or locality) the Council represents." Thus one Township Council has no power to impose any regulations on a township of which it is not the Council. So of every other local Municipality. The proposition is so reasonable and so self-evident that little more is required to be said about it. Nor can one Municipal Council, in general, benefit another Municipality at the expense of its own; for instance, build a school house in a township of which it is not the representative. This too is an unmistakable proposition, but as between Townships and Counties not so clear as

powers of the Council shall be exercised by By-law when not otherwise authorized or provided for. (1)

the preceding. For many purposes a Township is within the jurisdiction of the Council of the County in which it is situate, and is subject to be taxed for county purposes by the County Council; but the right of a Township Council to tax itself in aid of the county, is limited. It would seem that a Township Council has no right voluntarily to pass a by-law imposing a rate in aid of a county rate. (*Fletcher v. The Municipality of the Township of Euphrasia*, 13 U. C. Q. B. 129.) So the right of a Township Council to pass a by-law in aid of the cost of a school-house ordered by the County Council is doubtful. (*Kennedy v. The Municipal Council of Sandwich*, 9 U. C. Q. B. 326.) So a Township by-law was quashed as to so much of it as related to the raising of a sum of money to defray the demands of the County Council on the Township, as an equivalent to the Government school grant, &c., it not appearing on the face of the by-law that it was directed to the purpose of meeting a deficiency, nor even that there was any, if that would have authorized the by-law. (*Fletcher v. The Municipality of the Township of Euphrasia*, 13 U. C. Q. B. 129.)

(2) The jurisdiction of every Council is not only to be confined to the Municipality the Council represents, but is to be exercised, when not otherwise provided for, by *by-law*. When a corporation is duly erected, the law tacitly annexes to it the power of making by-laws or private statutes. This power is included in every act of incorporation; for, as is quaintly observed by Blackstone, "as natural reason is given to the natural body for governing it, so by-laws or statutes are a sort of political reason to govern the body politic." (1 Bl. Com. 476.) Though the power to make by-laws is unquestionably an incident of every Corporation, it is rarely left to implication; but is usually, as in the present case, conferred by the express terms of the Act of Parliament. And where the act enables the corporation to make by-laws in certain cases and for certain purposes, its power of legislation is limited to the cases and objects specified—all others being excluded by implication. (Angel & Ames on Corporations, § 325.) The legislation of a municipal body is at all events confined to the objects of its incorporation. (*Ib.*) And a by-law has the same force within its limits and with respect to the persons upon whom it lawfully operates, as an Act of Parliament has upon people at large. (*Hopkins v. Mayor of Swansea*, 4 M. & W. 640.) The Courts upon general principles recognize judicially what Municipal Councils are competent to do, and hold that it is not necessary for them to recite in a by-law all that is requisite to show that they have proceeded regularly in passing it. (*Grierson v. The Municipal Council of Ontario*, 9 U. C. Q. B. 623; *Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492.)

Municipalities with the very best intentions are frequently plunged in difficulties by reason of defects in the by-laws they pass. Their powers are large, the matters in respect to which they are empowered to make by-laws, extensive and varied. The members of the corporations however competent in other matters, are not in general equal to the task of preparing complicated by-laws that require not only an acquaintance with the provisions of the statutes, but a familiarity with

General
power to
make local
regulations.

191. Every Council may make Regulations (*m*) not specifically provided for by this Act, and not contrary to law, for

the general principles of law and the decisions of the Courts. It is no matter of surprise therefore that county as well as lesser municipalities occasionally transgress their powers, or omit some necessary matter of form, and the by-laws they pass turn out to be illegal and inoperative. (2 U. C. L. J. 133.)

It is a common belief that a municipal body can do by resolution whatever may be done by by-law. Nothing can be more erroneous or more tend to the insecurity of municipal government. (See *The Queen ex rel. Allemaing v. Zoeger*, 1 U. C. Prac. R. 219.) The general principle known to the common law is that a corporation of the kind can only act through its seal, and that its rules and regulations, whether general or special, should also be embodied in by-laws under seal. (Sec. 190.) But among people generally, and among that class composing Municipal Councils particularly, there is a dislike of formality, and in consequence the too frequent abandonment of by-laws for mere orders or resolutions. Now the proceedings of a Municipal Council that may be lawfully had by order or resolution, are comparatively few and unimportant. A by-law should not be dispensed with unless in a very clear case. In fact, whenever a Municipal Council is in doubt whether it can or cannot do a particular thing by order or resolution, it would be much safer and wiser, owing to the doubt, to use a by-law. Were this, as a rule, understood and followed, it would prevent much confusion in the administration of municipal affairs. Another common but erroneous belief is, that a Municipal Council can by order or resolution do that which, if done through a by-law, would be illegal. This it cannot do. No Municipal Council can do that informally which it has no power to do directly and formally. (*Daniels v. The Municipal Council of the Township of Burford*, 10 U. C. Q. B. 478.) A by-law, order or resolution, which revives an illegal by-law, is of course itself illegal. (*Canada Company v. The Municipal Council of the County of Oxford*, 9 U. C. Q. B. 567.) An order or resolution duly signed and sealed is virtually a by-law; but many orders and resolutions pass by mere vote, without being thus authenticated. The municipal rules of proceeding generally require more formal steps to be taken in passing a by-law than in adopting an order or resolution. The power to make by-laws necessarily supposes the power to enforce them by pecuniary penalties, competent and proportionable to the offence. It is impossible to lay down any rule as to what is a reasonable penalty, for this must be determined by the nature of the offence. (*Angell & Ames on Corporations*, 261.) Fifty dollars would appear to be the general maximum (sec. 246, sub.sec. 6.) The penalty may be levied by distress, and, failing that, by imprisonment of the offender. (*Ib.* sub-secs. 7, 3.) In construing a by-law, &c., the court will look at the whole of it, to ascertain its meaning, and construe one part with another, or other parts, so as if possible to give full effect to the whole. (*In re Cameron and the Municipality of East Nissouri*, 13 U. C. Q. B. 190.)

(*m*) *Regulations*.—It is not stated in what manner these regulations are to be made, whether by-law, order or resolution. It is certainly not stated that they are to be made by order or resolution. And it is elsewhere provided that the powers of a Municipal Council, “when not

governing the proceedings of the Council—the conduct of its members—and the appointing or calling of special meetings of the Council, and generally such other regulations as the good of the inhabitants of the Municipality requires, (n) and

To regulate meetings and proceedings;

otherwise authorized or provided for,” shall be exercised by *by-law*. (Sec. 190.) Little doubt therefore exists in the mind of the editor, but that the regulations in this section mentioned must be in the form of by-laws. (See note *e* to sec. 190.)

(n) Every Municipal Council is under this section empowered to make regulations for the following purposes:

1. The governing of the proceedings of the Council.
2. For the conduct of its members.
3. For appointing special meetings of the Council.
4. For calling such meetings.
5. And generally such other regulations as the good of the inhabitants requires.

Provided there be no such regulations specifically given in this Act, and provided the regulations be not contrary to law.

It is a principle applicable to every regulation of a Municipal Corporation, first, that it be not contrary to the municipal acts or law authorizing the formation of the corporation, and, secondly, that it be not contrary to the general law of the land.

First—The regulations of a Municipal Council must not be inconsistent with the Municipal acts, for these acts create it an artificial being, impart to it its power, designate its object, and prescribe its mode of operation. They are in short the constitution of the Corporation. Hence all laws in contravention of them are void. The true test of all by-laws, says Mr. Justice Wilmot, “is the intention of the Crown in granting the charter and the apparent good of the corporation.” (*The King v. Spencer*, 3 Burr. 1838.) So of a Municipal Council it may be said that the true test of a by-law is the intention of the Legislature in incorporating the Council, and the apparent good of the Municipality affected. Mr. Justices Yate, in the same case, said, “Corporations cannot make by-laws contrary to their constitution. If they do so, they act without authority.” (*Ib.*; but see “The Case of Corporations,” 4 Co. R. 77, 78.) As transcending the Municipal Acts, by-laws creating a new office, imposing an oath of office where none is required by the acts, giving a vote to a class of persons not entitled to vote by law, qualifying persons to be candidates not qualified by the acts, giving a casting vote to an officer not entitled to it by the acts, restricting or extending the right of admission or eligibility to office, altering the prescribed mode of election, or imposing new or additional tests or qualifications either on members or voters, would be void. (See Angell & Ames on Corporations, 345.)

Second.—The law of a country being as well a rule for the proceedings of corporations as for the conduct of individuals, all by-laws contrary to the common or statute law of the country are void. “All by-laws,” says Hobart, “must ever be subject to the general law of the realm, and subordinate to it.” (*Norris v. Staps*, Hob. 21.) For this reason, a by-law “impairing the obligation of contracts,” or taking “private property for public uses without just compensation,” would be void. (Angell & Ames on Corporations, 333. But where a statute authorized the corporation of a city to make by-laws “regulating,” or if necessary “preventing,” the interment of the dead within the city,

To repeal or
alter by-laws may repeal, alter and amend its By-laws, save as by this Act
restricted. (o)

it was held that though that corporation had granted lands for the purpose of interment, and had covenanted that they should be quietly enjoyed for that purpose, yet that the corporation was not thereby estopped from passing a by-law forbidding such interment, under a penalty. (*Ib.*) This case was decided on the ground that the legislative power of the corporation over this subject was delegated to it *for the good of the city*, and that the by-law passed was to be regarded as if passed by the legislature; that no person is entitled to use his property so as to injure another, and that no covenant could give him power so to do, even though made with the corporation; since, as tending to control and embarrass the exercise of its important powers as a *local legislature*, the covenant, when it came in competition with them, must give way or was repealed. (*Ib.*) The legislative power of a corporation is not only restricted by the statute law, but by the general principles and policy of the common law. Indeed, whenever a by-law seeks to alter a well-settled and fundamental principle of the common law, or to establish a rule interfering with the rights or endangering the security of individuals or the public, a statute or other special authority emanating from the creating power must be shown to legalize it, either expressly or by implication. It is upon this principle that, though many by-laws passed by the ancient municipal corporations in England for the *regulation* of trade have been adjudged good, yet many were adjudged void as in *restraint* of trade and an oppression of the subject. (Angell & Ames on Corporations, 335.) In New York, where the trustees of a village corporation were empowered to make such prudential by-laws, rules and regulations as they from time to time should deem meet relative to "huckster shops in said village," provided they were not inconsistent with the laws of the State, or of the United States, it was held that a by-law passed by the trustees, that hucksters should take and pay for a license from the trustees, under a penalty, especially where it did not expressly appear that prudence required such a by-law, was in restraint of trade and void, as contrary to the general principles and policy of the State. (*Ib.* 335.) There are however numerous municipal ordinances and by-laws affecting the property of the subject, such as ordinances requiring the owners of lots fronting on certain streets to fix curb stones and make a brick way in front of their lots, or assessing the owners of buildings for similar purposes, affecting and regulating certain occupations and modes of using and exhibiting certain animals, such as by-laws prohibiting unlicensed persons from removing house dirt and offal from the city, prohibiting farmers from occupying stands for the purpose of selling in certain streets constituted by by-law a part of the city market, prohibiting the keeping of bowling alleys for gain, prohibiting the driving or riding of horses on a trot or gallop in the streets of a city, or the public exhibition of stud horses in a city, or requiring coal, &c., to be weighed, which in the United States are held reasonable and valid, as no more than a proper exercise of that general legislative power usually vested in municipalities, for the due police and government of their crowded thoroughfares. (*Ib.* 336; see also sec. 264 of this act and the act *passim*.)

(o) It need hardly be mentioned that the same body as a municipal council, which has power to make has power to repeal by-laws; it

HOW AUTHENTICATED.

192. Every By-law shall be under the Seal of Corporation, and shall be signed by the Head of the Corporation, or by the person presiding at the meeting at which the By-law has been passed, and by the Clerk of the Corporation. (*p*)

being of the very nature of legislative powers that, by timely changes in the rule it prescribes, it should be enabled to meet the exigencies of the occasion. (Angell & Ames on Corporations, 329.) But the power does not extend to all by-laws. There are certain by-laws, such as those authorizing the issue of debentures, &c., upon the faith of which third persons act and change their circumstances, and from which the Municipality in general derives an immediate benefit—these being in the nature of securities, rather than ordinary regulations, cannot be repealed until the loan or debt arising thereout or dependent thereupon is satisfied. (Sec. 235.) Hence it is that in the section here annotated the power given is to repeal, alter or amend by-laws, is general, “save as is by this act restricted.” When, however, a part only of a sum of money provided for by a by-law has been raised, the Council may, under certain restrictions, repeal the by-law as to any part of the residue. (Sec. 234.)

(*p*) The formalities prescribed in this section are indispensable. The by-law must be—

1. Under the seal of the Corporation.
2. Signed by the head of the Corporation.
Or by the person who presided at the meeting at which the by-law passed.
3. Signed by the Clerk of the Corporation.

Unless the by-law be sealed, it is not a legal by-law. (*In re Croft and the Municipality of the Township of Brooke*, 17 U. C. Q. B. 269.) Where the head of the Corporation, either from caprice or obstinacy, refuses to do his duty in passing a by-law which is required for the benefit of his township or a part of it, it would seem that the remaining members of the Council would be justified in requiring another member of the Council to take the chair, and do that which the head of the Council perversely refuses to do. (*Preston and the Corporation of the Township of Manvers*, 21 U. C. Q. B. 626.) It is not, at all events, in the power of the head of the Council, by refusing to do his duty, to obstruct the regular proceedings of his colleagues in Council, and then move against their proceedings on account of their not bearing his name, which he has refused to attach to them. (*Ib.*)

No action can be sustained, as for a breach of duty, against the head of a Municipal Corporation for not applying the seal to make a contract between the Corporation and the plaintiff, founded upon a refusal, which, if there had been a previous contract, would have constituted a breach of it. There cannot be a remedy against the head of the Corporation equivalent to a remedy on the contract against the Corporation itself, had the contract been duly made, so as to make a valid contract where there is none. (*Fair v. Moore*, 3 U. C. C. P. 484.)

A copy of any By-law, (*g*) written or printed, without erasure or interlineation, (*r*) and under the Seal of the Corporation, (*s*) and certified to be a true copy by the Clerk and by any member of the Council, (*t*) shall be deemed authentic, and be received in evidence in any Court of Justice without proof of the Seal or signatures, (*u*) unless it is specially pleaded or alleged that the Seal, or one or both of the signatures, have been forged. (*t*) The certificate of the copy being a true one is to be signed "by the Clerk *and* by any member of the Council."

(*u*) On a motion to quash a by-law, order or resolution, it is only necessary to produce a copy, certified under the hand of the Clerk alone, and under the corporate seal, together with an affidavit of the party applying, that the copy was received from the Clerk. (Sec. 198.) The latter section is framed for a special purpose, while the section here annotated is meant to provide for all general cases. (Per Draper, C. J., in *In re The Board of School Trustees and The Corporation of Sandwich*, 23 U. C. Q. B. 639.)

3. That some of the signatures were obtained upon incorrect statements.
4. That the proposed by-law is contrary to the wishes of the persons whose signatures were so obtained.
5. And that the remaining signatures do not amount to the number, nor represent the amount of property necessary to the passing of the law.

The time must not of course be inconvenient or unseasonable, and the place must be "every place at which the elections of the members of the Council, &c., are held." If the Returning Officer named fail to attend, it is apprehended that the electors may choose from among themselves a Returning Officer. (Sec. 97; sec. 196, sub-sec. 4.)

(*j*) The by-law is to be published in the manner directed, and to be so published "for at least one month," which means one calendar month. (Con. Stat. U. C., cap. 2, sec. 13.) The manner of publication is to be the insertion of a copy of the by-law in some newspaper published weekly or oftener in the municipality, or, if there is no such newspaper, in some newspaper in the nearest place in which a newspaper is published, and by putting up a copy of the by-law at four or more of the most public places in the municipality.

The municipality of Kingston proposed to take £7,500 in a road company, and published a by-law (No. 6) to authorize a loan, containing the usual recitals, imposing a rate, and directing the issue of debentures, &c. When the by-law came on for discussion, a clause was added reducing the sum to £5,000, and directing the rates to be altered accordingly, and, thus amended, it passed, in June, 1854. In December following, another by-law was passed (No. 8) providing for the issuing of debentures (authorized by No. 6), and directing a rate to be levied for the payment of the interest thereon, but making distinct provisions for meeting the principal out of the profits of the stock to be taken, and from other funds. This by-law did not repeal No. 6, but the enactments in it showed clearly that the rates imposed by that by-law were meant to be dispensed with. *Held*, that the last mentioned by-law was bad, for it was a new and independent by-law, and not a mere supplement to No. 6, and should therefore have been published before the passing, and have contained the usual recitals and enactments required in by-laws for creating a loan. *Held* also, that by-law No. 6 was bad, though not moved against, for it was not published beforehand in the form in which it ultimately passed. (*In re Bryant and the Municipality*

3. Appended to each copy so published and posted, shall be a notice signed by the Clerk of the Council, stating that such copy is a true copy of a proposed By-law which will be taken into consideration by the Council after one month from the first publication in the newspaper, stating the date of the first publication, and naming the hour, day and place or places fixed for taking the votes of the electors; (*k*)

Notice to be given.

4. At such day and hour a poll shall be taken, and all proceedings thereat and for the purpose thereof shall be conducted in the same manner, as nearly as may be, as at a Municipal election; (*l*)

Poll.

5. Every Returning Officer shall, on the day after the closing of the poll, return his poll-book verified to the Clerk of the local Municipality in which the poll was taken, and in case of a By-law of a County Council, the Clerk of the local Municipality shall forthwith return to the Clerk of the County Council every poll-book so delivered to him; (*m*)

Verified poll book to be returned.

6. The Clerk of the Council which proposed the By-law shall add up the number of votes for and against the same, and shall certify to the Council under his hand whether the majority have approved or disapproved of the By-law, (*n*) and

of *Pittsburgh*, 13 U. C. Q. B. 347; see also *Simpson v. The Corporation of the County of Lincoln*, 13 U. C. C. P. 48.) But the Court, in its discretion, has refused to quash a by-law under which a large sum of money had been borrowed, on the ground that the by-law was not published as often as necessary, and that the copy published in some respects differed from the by-law as ultimately passed. (*Boulton and the Town Council of the Town of Peterborough*, 16 U. C. Q. B. 380.)

(*k*) The publication of the notice is quite as necessary as that of the by-law itself. The notice may be in this form:

Take notice, that the above is a true copy of a proposed by-law, which will be taken into consideration by the Council of this municipality after one month from the first publication in the (*naming the newspaper*), the date of which first publication was (*stating the day of the week, month and year*), and that the votes of the electors of the said municipality will be taken thereon at (*naming the place or places*), on (*naming the day, &c.*), at (*naming the hour*).

C. D., Clerk.

(*l*) See sec. 101, *et seq.*

(*m*) *Verified, &c.* It is presumed, by a solemn declaration thereto annexed, that the poll book contains a true statement of the poll. (See sec. 102.)

(*n*) It is made the duty of the Clerk of the Council to add up the number of votes, &c., and to certify, &c., but no time is limited for the performance of the duty. It must, however, be done before the day appointed by the Council for taking the by-law into consideration.

shall keep the same with the poll-book among the records of his office; (o)

What rate-payers only shall vote on by-laws for incurring a debt not payable in the current year.

7. The rate-payers entitled to vote on any By-law for incurring a debt or raising money, which shall not be payable within the then current year, shall be such rate-payers only as are rated on the assessment rolls for an estate of freehold, either legal or equitable, of sufficient value to entitle them to vote at any Municipal election, or of a leasehold the duration of which shall not be less than the period of time in which the debt to be contracted or the money raised under such By-law is made payable, and in the lease for which leasehold the lessee covenants to pay the municipal taxes, (p) and the Clerk shall furnish the Returning Officer with a verified list of those entitled to vote on such By-law; (q)

Oath, &c., required of rate-payer offering to vote.

8. Any rate-payer offering to vote on any such By-law as in the next preceding sub-section mentioned may be required by the Returning Officer or any rate-payer entitled to vote on any such By-law, to make the following oath or affirmation before his vote is recorded:

Form.

"I, A. B., do solemnly and sincerely make oath (*or affirm, as the case may be*) that I am the person named or purporting to be named on the list of voters according to the terms mentioned in sub-section number seven, of section one hundred and ninety-six of the Act (*citing the title of this Act*) to entitle me to vote on the By-law which is now submitted to the rate-payers." (r)

(o) See sec. 152, *et seq.*, as to the duties of Clerks of Councils.

(p) This is a new provision. Its object is plain, viz., to declare what persons are entitled to vote as to their approval or disapproval of such by-laws as are mentioned in the section. All ratepayers are not so entitled; but only such "as are rated on the assessment roll for an estate legal or equitable of sufficient value to entitle them to vote at any Municipal Election, or of a leasehold, the duration of which shall not be less than the period of time in which the debt to be contracted or the money raised under such by-law is made payable, and in the lease for which leasehold the lessee covenants to pay Municipal taxes." The latter words as to leasehold interests, are peculiar. It is not intended that any lessee not fully interested in the lease shall vote. In the first place his lease must be in duration as long as the time for which the money is borrowed or debt created. In the next place it must appear that such lessee has covenanted by the lease to pay Municipal taxes.

(q) See sub-sec. 6 of sec. 100.

(r) This, which is new, is the only oath made necessary when voting on a by-law. It is simply an oath of the identity of the person ten-

WHEN REQUIRING THE ASSENT OF THE GOVERNOR IN COUNCIL.

197. The facts required by this Act to be recited in any By-law which requires the approval of the Governor in Council, shall, before receiving such approval, be verified by solemn declaration, by the Head of the Council, and by the Chamberlain or Treasurer and Clerk thereof, and by such other persons and on such other evidence as to the Governor in Council satisfactorily proves the facts so recited; (s) or in case of the death or absence of any such Municipal Officer, upon the declaration of any other Member of the Council whose declaration the Governor in Council will accept. (t)

When the assent of the Governor is required to By-laws.

WHEN AND HOW QUASHED.

198. In case a resident of a Municipality, or any other person interested (a) in a By-law, order or resolution of the

By-laws, how to proceed in

dering his vote with the person named on the voters list. There is apparently no power to go behind the list for the purpose of inquiring whether the name is rightfully or wrongfully on the list.

(s) This section applies only to by-laws requiring "the approval of the Governor in Council." To procure the approval, it is made necessary that—

1. The By-law be verified by solemn declaration.
2. The declaration be made by the Head of the Council,
" " the Chamberlain or Treasurer,
" " the Clerk of the Council.
3. And by such other persons and on such other evidence as to the Governor in Council satisfactorily proves the facts recited.

(t) Will accept, i e., may accept or deem satisfactory.

(a) The applicant in strictness should state that he is a resident of the Municipality in which the by-law was passed, or has an interest in the provisions of the by-law. (*In re Babcock and the Municipal Council of the Township of Bedford*, 8 U. C. C. P. 527; *In re Bogart and the Town Council of Belleville*, 6 U. C. C. P. 425.) Where applicant, who moved against a by-law of the United Counties of Peterborough and Victoria, swore that during all the year 1850, he had been, and was at the time of the separation a resident of and within the limits and boundaries of the Town of Peterborough, a Corporation within the said County of Peterborough, it was held that applicant was sufficiently described as a resident, so as to be entitled to make the application. (*In re Conger and Peterborough Municipal Council*, 8 U. C. Q. B. 349.) Where a freeholder of a Township, though not a resident, applied to quash a by-law; and it was objected, that being a non-resident he could not do so; it was held that as a freeholder of the township he had an interest in all the by-laws passed by the Township Council, sufficient to enable him to move to quash any of its by-laws. (*In re De la Haye and the Municipality of the Gore of Toronto*, 2 U. C. C. P. 317.) So it has been held that the owner of real estate in the Municipality which has been assessed, though not himself named on the assessment roll had a sufficient interest. (*In re*

Boulton and the Town Council of the Town of Peterborough, 16 U. C. Q. B. 380.) Where the affidavit stated deponent to be a rate-payer and a resident householder, it was held unnecessary to give any further description of him. (*Baker v. The Municipal Council of Paris*, 10 U. C. Q. B. 621.)

(b) Before the statute 12 Vic. cap. 81, sec. 165, the Courts of Upper Canada had not any power summarily to quash *by-laws* of a Municipality, (see *In re McGill and the Municipal Council of the County of Peterborough*, 9 U. C. Q. B. 562) and that power was not extended to orders and resolutions till 22 Vic. cap. 99, sec. 194. (See *In re Daniels and The Municipal Council of the Township of Burford*, 10 U. C. Q. B. 478; *In re Caesar and the Municipality of the Township of Cartwright*, 12 U. C. Q. B. 341.)

(c) It has been held that the Practice Court is not authorized to entertain such an application. (*In re Sams and the City of Toronto*, 9 U. C. Q. B. 181.)

(d) Applicant must produce to the Court a copy of the by-law, order or resolution, that is of an *existing* by-law, &c. So that if before application the operation of the by-law be spent (*In re Terry and the Municipality of the Township of Haldimand*, 15 U. C. Q. B. 380) or expressly repealed (*In re McGill and the Municipal Council of the County of Peterborough*, 9 U. C. Q. B. 562) the rule will be discharged. (*Ib.*) But where the repeal is after application to quash the by-law, and so a tacit acknowledgement of the illegality of the by-law, the Municipality will be ordered to pay the costs of the application. (*In re Coyne and the Municipal Council of Dunwich*, 9 U. C. Q. B. 309; *In re Coleman*, 9 U. C. C. P. 146.)

(e) Where the Seal of the Corporation, though not mentioned in the Clerk's certificate, was on the same page with the certificate, immediately above it and opposite to the signature of the Clerk, the old law was held to be sufficiently complied with. (*Baker v. The Municipal Council of Paris*, 10 U. C. Q. B. 621.) The Court will discharge a rule to quash a by-law, &c., moved on a copy of the by-law, &c., verified in a manner different from that prescribed by this statute, unless the reason for the variance is clearly and satisfactorily explained. (*Buchart v. The Municipality of the United Townships of Brant and Carrick*, 6 U. C. C. P. 130.)

Where the by-law was one passed by the Corporation of two United Townships, and after dissolution of the union, applicant produced a copy of the by-law certified under the hand of the clerk of the senior township and under the corporate seal of that township, the statute was held to have been sufficiently complied with and the by-law quashed. (*In re Scott and the Corporation of the Township of Harvey*, Q. B. T. T. 1866.) Where the copy of the by-law put in, not being certified as the act directs, could not be read, but the same was set out at length in affidavits filed, the deponent swearing that a by-law was passed by the Town Council in words following (setting out the

affidavit, (f) that the same was received from the Clerk, (g) and that the applicant is resident or interested as aforesaid, (h) the Court, after at least four days' service (i) on the Corporation of a rule to shew cause in this behalf, (j) may quash the By-law, Order or Resolution in whole or in part for ille-

by-law) the materials before the Court were held sufficient. (*In re The Board of School Trustees of the Town of Sandwich and the Corporation of Sandwich*, 23 U. C. Q. B. 639.) It will be observed that the statute is silent as to the right of the Clerk to charge fees for the certified copy or seal, while the statute 12 Vic. cap. 81, sec. 155, made it the duty of the Clerk only to give the copy "upon payment of his fee therefor." (See *In re Township Clerk of Euphrasia*, 12 U.C.Q.B. 622.)

(f) The affidavit ought to be intitled of the Court in which the motion is made (*Prazer v. The Municipal Council of the United Counties of Stormont, Dundas and Glengarry*, 10 U. C. Q. B. 286); but if it appears from the jurat to have been sworn before a Commissioner of that Court, the objection will not avail. (Ib.) If, however, the Commissioner merely describes himself as "a Commissioner, &c." without stating of what Court, the affidavit must be intitled. (*In re Hiron's et al. and the Municipal Council of Amherstburgh*, 11 U. C. Q. B. 458.) It need not be intitled "The Queen v. The Municipal Council of, &c." but may be "In the matter of W. S. C. and the Municipal Council of, &c." (*In re Conger and Peterborough Municipal Council*, 8 U.C.Q.B. 349.) Affidavits in answer must, it is apprehended, be intitled in the same way as the rule is, which they are produced to oppose. (See *Tapping on Mandamus*, 413.)

(g) It does not appear to be necessary that the copy produced should be sworn to have been received by the deponent himself from the Clerk. Where the deponent swore that the copy produced was received by one T. from the Clerk of the Council, and by T. was delivered to deponent, the affidavit was held sufficient. (*Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492.) The statute does not require that the affidavit should refer to the copy of the by law, as being annexed, or that it should be in fact annexed, but only that the copy produced is the copy received from the Clerk. (*Bessey v. The Municipal Council of Grantham*, 11 U. C. Q. B. 156.)

(h) See note a to this section.

(i) The meaning is that the corporation shall have four days at least to answer the rule. (See *In re Sams and the City of Toronto*, 9 U. C. Q. B. 181.) The time under the old act was at least eight days. Where, under the old act, the rule nisi was obtained near the end of the term, and made returnable eight days after service, and defendants appeared during the following term and objected that the rule should have been to shew cause on a day certain, held that the objection, even if good, was waived by appearance. (*Perry v. The Town Council of Whitby*, 13 U. C. Q. B. 584.)

(j) The service is to be "on the Corporation," and therefore where the motion was to quash a by-law for taking stock in a railway company, on the return of the rule, and though the Corporation did not show cause, the Court declined to hear counsel for the railway company. (*In re Billings and the Municipal Council of the Township of Gloucester*,

gality, (*k*) and, according to the result of the application,

10 U. C. Q. B. 273.) In a subsequent case, where the Corporation declined to show cause, the Court refused to hear counsel for some of the ratepayers of the Corporation. (*In re Webb and the Corporation of the Township of Yarmouth*, Q. B. H. T. 1866.)

(*k*) The power of the Courts to deal summarily with by-laws, orders and resolutions of Municipal Councils, by quashing them on motion, depends wholly on this statute (*Sutherland v. The Municipal Council of East Nissouri*, 10 U. C. Q. B. 626); and that power will in general be exercised only when there is some illegality apparent on the face of the by-law, &c. (*In re Hill and the Municipal Council of the Township of Walsingham*, 9 U. C. Q. B. 310; *Grierson v. The Municipality of Ontario*, 9 U. C. Q. B. 623; *In re Standley and the Municipality of Vespra and Sunnidale*, 17 U. C. Q. B. 69; *In re Scarlett and the Corporation of York*, 14 U. C. C. P. 161; *In re Secord and the Corporation of the County of Lincoln*, 24 U. C. Q. B. 142) or where the by-law, order or resolution is shown to have been passed under circumstances which by the express terms of the statute make it illegal. (*In re Lafferty and the Municipal Council of Wentworth and Halton*, 8 U. C. Q. B. 232; *In re Sutherland and the Municipal Council of East Nissouri*, 10 U. C. Q. B. 626.) The exercise of the power is in every case discretionary; for it is not said the Court shall quash, but that it may quash, &c. (*In re Hodgson and the Municipal Council of York and Peel*, and the Municipal Council of Ontario, 13 U. C. Q. B. 268); in other words, the statute confers an authority with a discretion to abstain from its exercise (per Draper, C. J., in *In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 386; see also *Bogart and the Town Council of Belleville*, 6 U. C. C. P. 428); and where the by-law is legal on its face, and a great length of time has been allowed to elapse unexplained, between the passing of the by-law and the motion, the Court will abstain from the exercise of its discretionary power. (*In re Hill and the Municipality of Tecumseth*, 6 U. C. C. P. 297; *In re Cotter and the Municipality of Darlington*, 11 U. C. C. P. 265; *In re Grant and the City of Toronto*, 12 U. C. C. P. 357) especially if it be shown that work has been done under the by-law, money expended thereunder, or that the by-law has been otherwise so acted upon that its repeal would cause much inconvenience (*In re Hodgson and the Municipal Council of York and Peel and the Municipal Council of Ontario*, 13 U. C. Q. B. 268; *In re Ianson and the Corporation of the Township of Reach*, 19 U. C. Q. B. 591; *In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 379; *In re Scarlett and the Corporation of York*, 14 U. C. C. P. 161; *In re Drope and the Corporation of Hamilton*, 25 U. C. Q. B. 363) and where a party complaining of a by-law permits a term of the Courts of common law to elapse without moving to quash it, the Court of Chancery will refuse to interfere by injunction to restrain the Municipality from proceeding to enforce the provisions of the by-law. (*In re Carroll and Perth*, 10 Grant 64; *In re Grier and St. Vincent*, 12 Grant 330.) But of course a by-law substantially illegal cannot (subject to the provisions of sec. 204 of this act) afford any protection for what has been done under it, and so incidentally its validity may, in an action, be decided upon at common law by Common Law Courts. (*Sutherland v. The Municipal Council of East Nissouri*, 10 U. C. Q. B. 626.) But if the by-law be not void without being quashed, all proceedings duly had under it while in force, may be justified under it.

award costs for or against the Corporation; (l) Provided always, that no application to quash any such By-law, Order or Resolution, in whole or in part, shall be entertained by any Court unless such application shall be made to such Court within one year from the passing of such By-law, (m) except

cation must

(*In re Barclay and the Municipality of the Township of Darlington*, 5 U. C. C. P. 432.) No action can be brought for anything done under it till the by-law is quashed. (See sec. 205.) It is no ground of illegality for quashing a by-law that it is not sealed with the seal of the Municipality, for unless so sealed it is not a legal by-law and there is no jurisdiction to quash it as such. (*In re Croft and the Municipality of the Township of Brooke*, 17 U. C. Q. B. 269.) But in some cases that which was intended to be a by-law and not in fact a by-law for the want of the corporate seal, may be looked upon as a "resolution or order," and so now subject to the summary jurisdiction of the Courts on application to quash. The Court has refused to quash a by-law on the ground that a quorum of the Council was not present at its passing. (*In re Sutherland and the Municipal Council of East Nissouri*, 10 U. C. Q. B. 626.) Where mere errors of calculation are charged, unless clearly made out, the Court will not quash the by-law. (*In re Paffard and the Corporation of the County of Lincoln*, 24 U. C. Q. B. 16) and even if shown to exist and to be extensive, the Court will lean strongly to the support of the by-law where it appears to have been acted upon. (*Grierson and the Municipality of Ontario*, 9 U. C. Q. B. 623; *Secord and the Corporation of the County of Lincoln*, 24 U. C. Q. B. 142.)

(l) The words of the old law were, "And if it shall appear to such Court that such by-law is legal, in whole or in the part complained of, to award costs in favor of such Corporation, or otherwise against such Corporation" (14 & 15 Vic. cap. 109, schd. No. 21); words which were held not to be retrospective (*Brown v. The Municipal Council of the County of York*, 9 U. C. Q. B. 453), and are in meaning much the same as the words of this section—according to the result, award costs for or against the Corporation. Where a Municipal Corporation, on being served with a rule *nisi*, repealed the by-law complained of, the Court notwithstanding obliged them to pay the costs of the application. (*In re Coyne and The Municipal Council of Dunwich*, 9 U. C. Q. B. 309.) But where a by-law was defective only in part, and the rule asked to quash the whole, the Court refused to give costs. (*In re Patterson and The Corporation of the County of Grey*, 18 U. C. Q. B. 189.)

(m) This proviso is new. Before this act, the Courts in general, after long and unexplained delay, abstained from the exercise of the discretionary power conferred upon them summarily to quash by-laws. (See note k to this section.) But no rule was laid down as to the time within which the discretionary power would or would not be exercised. Here it is declared that no application to quash any by-law, order or resolution shall be entertained, unless the application be made within one year from the passing of such by-law (not saying "order or resolution"). In cases coming under this part of the proviso, it is apprehended that a rule *nisi* would be refused; for it is declared that the application, under the circumstances mentioned, "shall not be entertained." The Court, even before this act, refused, after two years'

in the case of a By-law requiring the assent of electors or rate-payers, when such By-law has not been submitted to, or has not received the assent of such electors or rate-payers, and in such case an application to quash such By-law may be made, at any time (*n*)

WHEN CONFIRMED BY PROMULGATION.

Time after which By-law cannot be quashed, if properly promulgated

199. In case a By-law by which a rate is imposed has been specially promulgated in the manner hereinafter specified, (*o*) no application to quash the By-law shall be entertained after six months have elapsed since the promulgation. (*p*)

What shall be such promulgation.

200. Every special promulgation of a By-law within the meaning of this Act, (*q*) shall consist in the publication,

delay, a rule *nisi* to quash a by-law of the Corporation of the city of Toronto to provide for the issue of debentures for esplanade purposes, saying, "In the exercise of the discretionary power given, * * * we should require a clear *prima facie* case to induce us to grant even a rule *nisi* to quash a by-law passed more than two years ago, and fully acted upon; besides which, for all that appears, this by-law may possibly have been specially promulgated, (it does not appear it has not been,) and then an application to quash it must be made within six months after promulgation." (*In re Grant and The City of Toronto*, 12 U. C. C. P. 357.)

(*n*) It is only said that in the case of a by-law requiring the assent of electors or rate-payers, when such by-law has not been submitted to, or has not received the assent of such electors or rate-payers, that "an application to quash such by-law may be made at any time." It does not follow that on every such application the Court *shall* quash the by-law. The power to quash is still left to the discretion of the Court. (See note *k* to this section.)

(*o*) See secs. 201, 202, 203.

(*p*) The inconvenience of quashing a by-law imposing a rate, after it has been acted upon for months, is generally more than equal to the inconvenience of allowing a by-law, though technically defective, to exist. The effect of this section will be important, in curing technical defects in by-laws imposing rates. The limitation applies to by-laws which have been specially promulgated and commences at the time of such promulgation (per Draper, C.J., in *In re Bogart and Town Council of Belleville*, 6 U. C. C. P. 425) and where the by-law imposes a rate it would be well for the applicant moving against it more than six months after its passing, to show that it has not been specially promulgated. (*In re Grant and the Corporation of the City of Toronto*, 12 U. C. C. P. 357; but see also remarks of Draper, C. J., in *In re Bogart and the Town Council of Belleville*, 6 U. C. C. P. 425.) If the by-law moved against be one requiring the assent of electors, or rate payers, and it be shown that such by-law was not submitted to the electors or rate payers, the application to quash it may be made at any time. (See note *n* to sec. 198.)

(*q*) A by-law. Though the following section is expressly restricted.

through the Public Press, of a true copy of the By-law, and of the signature attesting its authenticity, (*r*) with a notice appended thereto of the time limited by Law for applications to the Courts to quash the same or any part thereof. (*s*)

201. In the case of a By-law by which a rate is imposed, (*t*) And if the By-law imposes any rate. the promulgation shall be either by such publication of a copy of the By-law with such notice as aforesaid, or in lieu thereof by such publication of a notice setting forth the amount of the rate and giving the substance only of the other parts of the By-law with a similar notice of the time so limited for applications to quash as aforesaid; (*u*) and the publication referred to in the preceding two sections, shall be in each public newspaper published weekly or oftener within the Municipality; or if there be no such newspaper, then in at least two public newspapers published weekly or oftener nearest the Municipality, and the publication shall for the purpose aforesaid be continued in at least three consecutive numbers of the paper. (*v*)

202. The notice to be appended to every copy of a By-law for the purpose aforesaid, shall be to the effect following: (*a*) Notice to be given.

“NOTICE.—The above is a true copy of a By-law passed by the Municipal Council of the Township of A, in the County of B, one of the United Counties of B, C and D (*or as the* Form of such notice.

to “a by-law by which a rate is imposed,” this section appears to extend as well to *other* by-laws. Of course the publication will not legalize a by-law illegal and void on the face of it; but it would seem that all formal or technical objections (if there is jurisdiction) are cured, and all collateral objections precluded, after the expiration of the time limited for applications to the Court to quash the same. (See sec. 204.)

(*r*) The publication is to be in each public newspaper, published weekly or oftener, within the municipality, &c., and to be continued in at least three consecutive numbers of the paper. (Sec. 201.)

(*s*) See sec. 202, as to *form* thereof.

(*t*) See note *q* to sec. 200.

(*u*) Two modes of promulgation are sanctioned—either may be adopted and the promulgation be sufficient. (See secs. 202 and 203 as to the *forms* of notice.)

(*v*) It would seem that the six months allowed for an application to quash a by-law are to be computed from the publication of the first number of the newspaper in which the same is made. (See sec. 202.)

(*a*) Where a statute expressly provides that a thing is to be done in a given form, the statute ought to be followed. (See *Warren v. Love*, 7 Dowl. P. C. 602; *Codrington v. Curlewis*, 9 Dowl. P. C. 968). The *form* here is given “in effect” to be followed.

following newspapers, viz: (*here name the newspapers in which the publication is to be made*) or he will be too late to be heard in that behalf.

204. In case no application to quash any By-law be made within the time limited for that purpose, (c) the By-law, or so much thereof as is not the subject of any such application, or not quashed upon such application, so far as the same ordains, prescribes or directs anything within the proper competence of the Council to ordain, prescribe or direct, shall, notwithstanding any want of substance or form, either in the By-law itself or in the time or manner of passing the same, be a valid By-law. (d)

If not moved against within the time limited, to be valid.

IF QUASHED, THE CORPORATION ONLY TO BE LIABLE.

205. In case a By-law, Order or Resolution be illegal, in whole or in part, (e) and in case anything has been done under

Liability of Municipality for acts done

(c) This and sec. 200 seem to contemplate by-laws for *any* purpose, while secs. 199 and 201 and the *forms* of notice seem to apply only to by-laws imposing rates.

(d) Neglect to make an application within the time prescribed has the effect of curing any *want* of substance or form, either in the by-law, &c., itself, or in the *time* or *manner* of passing the same, provided what is ordained or directed by the by-law, &c., be within the proper competence of the Council. If not of the proper competence of the Council, a by-law affords under no circumstances protection for what is done under it. (*In re Sutherland and The Municipal Council of East Nissouri*, 10 U. C. Q. B. 626.)

(e) It is not necessary that the illegality should appear on the face of the by-law in order to bring into operation the provisions of this section. If, for example, in the case of a road, it be run through an orchard, contrary to the statute, there can be no question about the by-law being illegal. In such a case the party must apply and have the by-law quashed, before he can sue for anything done under the by-law. There may be cases where parties might maintain actions without taking that course; but it is apprehended the effect of the section is to deprive parties of any action whatever against any one, so long as the by-law has neither been quashed nor repealed, whenever it is made to appear that what is complained of was done under a by-law. (*Smith v. The Corporation of the City of Toronto*, 7 U. C. L. J. 239.) Whenever the by-law be quashed or repealed, the action must be brought against the Corporation alone, and not against the person acting under it. (*Black v. White et al.*, 18 U. C. Q. B. 371.) The quashing or repeal of the by-law is not to be regarded as taking the defence from parties acting under the by-law while in force; for all proceedings had under it while in force, if legalized by it, may, notwithstanding its repeal or being quashed, be justified under it. (*Per Macaulay, C. J.*, in *Barclay v. The Municipality of Darlington*, 5 U. C. C. P. 438.)

under a By-law afterwards quashed.

it (*f*) which, by reason of such illegality, gives any person a right of action, (*g*) no such action (*h*) shall be brought until one month has elapsed after the By-law, Order or Resolution has been quashed or repealed, nor until one month's notice, in writing, of the intention to bring such action, has been given to the Corporation; and every such action shall be brought against the Corporation alone, and not against any person acting under the By-law, Order or Resolution. (*i*)

(*f*) Are these words to be held to mean only anything done in the execution of the by-law, or for the purpose of carrying it out; or are they not to be construed to mean also anything done in reliance on the legality of the by-law, as, entering upon land which, if the by-law be valid, is a public highway, but which, if the by-law be not valid, leaves the parties exposed to be treated as trespassers? Unless the latter construction be adopted, the act will in this respect fail in many cases of the effect which must have been intended. (per Robinson, C. J., in *Black v. White et al.*, 18 U. C. Q. B. 369.)

(*g*) The right of action intended is a right of action for the recovery of damages, in which it may be important to tender amends. It does not therefore apply to actions of replevin, when brought merely to try the right to the property replevied. (*Wilson v. The Corporation of the County of Middlesex and William Langham*, 18 U. C. Q. B. 348.)

(*h*) See preceding note.

(*i*) It appears, therefore, that if anything has been done under a by-law, &c., which, being illegal, gives any person a right of action—

1. The action shall be brought against the Corporation that passed the by-law, &c., and not against any person who acted under it.
2. The action is not to be brought while the by-law, &c., is in force, nor until one calendar month has elapsed after the by-law, &c., is quashed or repealed.
3. Before bringing it, one calendar month's notice in writing of the intention to bring it must first be given to the Corporation.
4. Whether notice of action can be given *before* the by-law, &c., is quashed or repealed is a question, but material only in case the time for bringing the action is limited, and the time about to expire. (See *McKenzie v. The Mayor, Aldermen and Commonalty of Kingston*, 13 U. C. Q. B. 634.)

The section declares that no action shall be brought until the by-law, &c., has been quashed or repealed for one calendar month, and this, as already mentioned, precludes the bringing of the action while the by-law, &c., subsists (See *Carmichael v. Slater*, 9 U. C. C. P. 423); but it does not follow that the Statutes of Limitations only begin to run from the time of quashing or repealing. It is clear that actions may be brought (though only against the Corporation) for things done under the illegal by-law, &c., that is things done in pursuance of, or in execution of it, or under its authority while in force. The right of action may be held to vest the moment the thing is done, and, if so, every statute limiting a right of action of the particular kind would begin to run forthwith. Were it not so, very stale matters might be made grounds of action against Municipal Councils, and which (in the case of individuals) would be outlawed.

TENDER OF AMENDS BY.

206. In case the Corporation tenders amends to the plaintiff or his attorney, (*j*) if such tender be pleaded and (if traversed) proved, (*k*) and if no more than the amount tendered is recovered, the plaintiff shall have no costs, but costs shall be taxed to the defendant, and set off against the verdict, and the balance due to either party shall be recovered as in ordinary cases. (*l*)

Tender of
amends.

(*j*) The law as to tender is not much understood by the public, and requires some remarks in this place.

1. *Definition*.—A tender in this section means the offering of money in satisfaction of a cause of action arising out of something done under a by-law, order or resolution, quashed or repealed.

2. *How made*.—A tender must be unqualified and unconditional. (*Mitchell v. King*, 6 C. & P. 237; *Jennings v. Major*, 8 C. & P. 61; *Strong v. Harvey*, 3 Bing. 304.) Whether conditional or not, is a question for the jury (*Marsden v. Goode*, 2 C. & K. 133; *Milburn v. Milburn*, 4 U. C. Q. B. 179.) Strictly speaking, the tender ought to be of specie; but a tender in bank notes, if not objected to on the ground of being notes, will be good. (*Blow v. Russell*, 1 C. & P. 265.) The precise sum intended, or more, must be tendered, without requiring change. (*Brady v. Jones*, 2 D. & R. 305.) The money ought to be actually produced (*Kraus v. Arnold*, 7 Moo. 59; *Leatherhale v. Sweepsstone*, 3 C. & P. 342; *Thompson v. Hamilton*, 5 U. C. O. S. 111); but this may be dispensed with by the party to whom the tender is made, as, where defendant said he had the money in his pocket, and plaintiff said, "You need not give yourself the trouble of offering it, for I will not take it." (*Douglass v. Patrick*, 3 T. R. 684; *Jackson v. Jacobs*, 3 Bing. N. C. 869.) A receipt for the money cannot be insisted upon. (*Cole v. Blake*, 1 Peake, 238.)

3. *To whom made*.—Under this section the amends may be tendered "to the plaintiff or his attorney." A tender, strictly speaking, ought to be made before the writ is sued out, and if made to the plaintiff himself would be more satisfactory than if made to his attorney. But if the attorney is authorized to settle the business, and writes to defendants previous to suing out the writ, warning them of the action, unless they pay him the money or the like, the tender may clearly be made to the attorney. (*Sellon*, Pr. 2, 315.) The attorney must, under any circumstances, be one employed in the particular action, and not merely one generally employed by plaintiff. (*Id.*)

(*k*) It is not enacted that the tender may be given in evidence under the general issue, and it is apprehended that it ought to be specially pleaded.

(*l*) The object of the tender is to prevent useless litigation. The tender admits a cause of action, but limits the amount of damages arising therefrom. The party tendering in effect says, "I admit you have a right to bring this action, but I do not admit that you are entitled to any damages beyond the amount tendered." If plaintiff declines the tender, and recovers no more than the amount tendered, he loses his costs, and, worse still, is compelled to pay the costs of defendant, which may be set off against his verdict.

OFFENCES AGAINST BY-LAWS.

Certain
offences
respecting
by-laws to be
misdemeanors.

207. In case any Officer of a Municipal Corporation neglects or refuses to carry into effect a By-law for paying a debt, and so neglects or refuses under colour of a By-law illegally attempting to repeal such first mentioned By-law, or to alter the same so as to diminish the amount to be levied under it, (*m*) such officer shall be guilty of a misdemeanor, and be punished by fine or imprisonment, or both, at the discretion of the Court whose duty it may be to pass sentence upon him. (*n*)

Jurisdiction
to try
offences
against.

Summary
proceedings.

208. In case an offence is committed against a By-law of a Council, for the prosecution of which offence no other provision is made, (*o*) any Justice of the Peace having jurisdiction in the locality where the offender resides, or where the offence was committed, whether the Justice is a member of the Council or not, may try and determine any prosecution for the offence. (*p*)

(*m*) The object of this section is, under the penalty mentioned, to compel Municipal Corporations and their officers to keep faith with creditors. When the latter advance money upon the security of a by-law for its repayment in whole or in part, within a specified period at a specified rate, any by-law attempting to repeal such mentioned by-law or altering the same, so as to diminish the amount to be levied under it, would be a fraud whether so designed or not. (But see sec. 234, *et seq.*) Besides it is the duty of the Treasurer or Chamberlain of every Municipality to see that the money collected under such by-law is properly applied to the payment of interest and principal of debentures issued under the by-law. (Sec. 213.)

(*n*) See note *t* to sec. 55.

(*o*) The Corporation of any County, Township, City, Town or Incorporated Village, may pass by-laws for inflicting *reasonable fines* and penalties not exceeding \$50, exclusive of costs, for breach of any of the by-laws of the Corporation, (sec. 246, sub-sec. 6 *b*,) and for inflicting *reasonable punishment or imprisonment*, with or without hard labor, for any period not exceeding 21 days, for breach of any of the by-laws of the Corporation, in case of non-payment of the fine inflicted for any such breach, and there being no distress out of which the fine can be levied, with certain specified exceptions. (Sec. 246, sub-sec. 8.)

(*p*) The jurisdiction of the Justice is made to depend either on the locality where the offender resides, or where the offence was committed. A Justice having jurisdiction in either locality may not only try but determine the prosecution. The authority of a Justice, who is so by virtue of his office as Mayor, Reeve, &c., is limited to the County in which his Municipality is situate (sec. 357) and the authority of a Justice of the Peace appointed by commission from the Crown, is limited to the County therein specified. It is in no case attached to the person so as to be capable of being exerted elsewhere than within these limits, "Being out of the County where he is in commission,

209. The Justice or other authority before whom a prosecution is had for an offence against a Municipal By-law, may convict the offender on the oath or affirmation of any credible witness, and shall award the whole or such part of the penalty or punishment imposed by the By-law, as he shall think fit, with the costs of prosecution, and may, by warrant, under the hand and seal of the Justice or other authority, or in case two or more Justices act together therein, then under the hand and seal of one of them, cause any such pecuniary penalty and costs, or costs only, if not forthwith paid, to be levied by distress and sale of the goods and chattels of the offender. How levied.

210. In case of there being no distress found, out of which the penalty can be levied, the Justice may commit the offender to the Common Gaol, house of correction, or nearest lock-up house, for the term or some part thereof, specified in the By-law. (r)

Commitment in default of distress.

211. When the pecuniary penalty has been levied, one moiety thereof shall go to the informer or prosecutor, and the other moiety to the Corporation, unless the prosecution is brought in the name of the Corporation, and in that case the whole of the pecuniary penalty shall be paid to the Corporation. he is but a private man." (See Paley on Convictions, 4 edn. 16, 17; see also, *The Queen v. Row*, 14 U. C. C. P. 307.)

(q) The powers of the Justice or other authority under this section are the following:

1. To convict the offender on the oath or affirmation of any credible witness.
2. To award the penalty or punishment imposed by the by-law, with the costs of the prosecution.
3. By warrant, to cause any pecuniary penalty and costs, or costs only (*as the case may be*), to be levied by distress and sale of the goods and chattels of the offender.

See next section as to imprisonment in default of distress.

(r) The term ought not in general to exceed twenty-one days. (See sec. 246, sub-sec. 8.)

(s) It is the policy of most statutes inflicting penalties, to give part of the penalty to the informer. At first it was commonly one-fourth; afterwards, by later statutes, one-third; and lastly, as in the case of the section here annotated, one moiety or half of the penalty. "Even this large proportion," says an eminent writer on the penal statutes, "seldom hath its effect." (Paley on Convictions, 237.) Possibly the informer, notwithstanding his expectation of, and interest in, the penalty, is, "a credible witness," within the meaning of the preceding section; for no person offered as a witness, with a few excep-

212. The Police Magistrate, or, when there is no Police Magistrate, the Mayor of a Town or City, shall have jurisdiction, in addition to his other powers, to try and determine all prosecutions for offences against the By-laws of the Town or City, and for penalties for refusing to accept office therein, or to make the necessary declarations of qualification and office. (t)

DEBENTURES, &c.

HOW TO BE MADE.

Debentures,
bonds, &c.,
how to be
executed.

213. All Debentures and other specialties duly authorized to be executed on behalf of a Municipal Corporation shall, unless otherwise specially authorized or provided, be sealed with the seal of the Corporation, and be signed by the head thereof, or by some other person authorized by By-law to sign the same, otherwise the same shall not be valid; (a) and it

tions, is now, by reason of incapacity from crime or interest, to be excluded from giving evidence. (Con. Stat. U. C. cap. 32, sec. 3.)

(t) A Police Magistrate has generally, as regards the city or town of which he is an officer, the same jurisdiction as Justices of the Peace have in their several counties, and his proceedings should be conducted in the same manner as if he were a commissioned Justice of the Peace. He is not only *ex officio* a Justice of the Peace for the City or Town for which he holds office, but as well for the County or Union of Counties in which the City or Town is situate (s. 373); and in some cases he has concurrent powers with the Recorder of the City. (Con. Stat. Can., cap. 105, s. 30). The Mayor may, in the absence of the Police Magistrate, act in his place (s. 367). Any Justice of the Peace having jurisdiction in a Town, may, at the request of the Mayor, act in his stead at the Police Office. (Ib.)

(a) It is the duty of the Clerk of every Municipal Corporation, subject to a severe penalty, within two weeks after the final passing of any by-law passed for the purpose of raising money by the issue of debentures, and before the sale or contract of sale of the debentures, to transmit to the County Registrar a copy of the by-law, duly certified, and other like information, for the purpose of registration. (Con. Stat. Can. cap. 84, sec. 212.) It has been held that a debenture issued by a Municipal Council, under its corporate seal, and signed by the head of the Corporation, for the payment of a debt due or loan contracted under a by-law which does not provide by special rate for payment of the debt or loan, does not estop the Municipal Corporation from setting up as a defence to an action on the debentures, the invalidity of the by-law. (*Mellish v. The Town Council of the Town of Brantford*, 2 U. C. C. P. 35.) A person negotiating the sale of a Municipal debenture is not answerable that the Municipality will pay the amount secured by the debenture. (*Seally v. McCallum*, 9 Grant, 434.) Where, therefore, a Township Municipality, in pursuance of the Municipal Corporation Act of 1849, passed a by-law for the purpose of granting a loan to the Port Burwell Harbour Company, and issued debentures thereunder which were subsequently declared to be illegal in conse-

shall be the duty of the Treasurer or Chamberlain of the Municipality to see that the money collected under such By-law is properly applied to the payment of the interest and principal of such Debentures. (b)

TRANSFERABLE BY DELIVERY.

214. Any Debenture heretofore issued, or issued after this Act takes effect, under the formalities required by law, by any Municipal or Provisional Municipal Corporation, payable to bearer or to any person named therein or bearer, (c) may be transferred by delivery, and such transfer shall vest the property of such Debenture in the holder and enable him to maintain an action thereupon in his own name. (d)

quence of the road company not having been properly constituted, the Court of Chancery, in the absence of any proof of fraud, refused to order one of the directors of the road company to refund the amount paid to him upon the sale of one of such debentures. (Ib.)

(b) The latter part of this section is new, and, like sec. 207, intended for the protection of creditors. The duty of the Treasurer or Chamberlain to see that the money collected under the by-law is properly applied, is made imperative; and no subsequent by-law or resolution of the Council would in law be any excuse for neglect of that duty. Besides, neglect on the part of a Municipal officer to carry into effect a by-law for paying a debt, is made a criminal offence. (Sec. 207.)

(c) It is not *all* debentures that are made negotiable, but only such as are issued "under the formalities required by law." This expression includes not only what is required by sec. 213, which provides for sealing with the seal of the Corporation, and signature by the head of it, but also what is required under sec. 226, which provides that every by-law for the creation of a debt or negotiation of a loan shall, in order to bind the Municipality, settle a special rate for the payment of such debt or loan, and that the by-law shall contain certain specified recitals. (*Per* Draper, C. J., in *The Trust and Loan Company of Upper Canada v. The City of Hamilton*, 7 U. C. C. P. 103.) And it would seem to follow that even against a *bond fide* holder for value, without notice, these defences could be raised. (See however *Anglin v. The Municipality of Kingston*, 16 U. C. Q. B. 121; *Crawford et al. v. The Corporation of the Town of Cobourg*, 21 U. C. Q. B. 113.)

(d) A debenture is a chose in action; and it is an ordinary rule of law that a chose in action cannot be transferred so as to give the transferee a right to sue at law upon it in his own name. (Smith's *Mercantile Law*, 5 Ed. 229.) The chief exceptions are bills of exchange and promissory notes, which for the benefit of trade have been made negotiable. Another exception is that of debentures issued under this act. Such debentures, when issued under the formalities required by law, are choses in action, transferable by endorsement and delivery where made so, and when so made become analogous to bills of exchange or promissory notes in many particulars. The fact that a debenture was, when duly signed and sealed, feloniously stolen from the Corporation, and transferred to the plaintiff, a *bond fide* holder for

Or, if endorsed in blank, when payable to order. **215.** Any Debenture issued as aforesaid, (e) and made payable to any person or order, shall, after the endorsement thereof in blank by such person, be transferable by delivery from the time of the endorsement, (f) and the transfer shall vest the property thereof in the holder, and enable him to maintain an action thereupon in his own name. (g)

In pleading, sufficient to describe plaintiff as the holder. **216.** In a suit or action upon any such Debenture, (h) it shall not be necessary for the plaintiff to set forth in the declaration or other pleading, or to prove, the mode by which he became the holder of the Debenture, or to set forth or to prove the notices, by-laws or other proceedings under and by virtue of which the Debenture was issued, but it shall be sufficient in such pleading to describe the plaintiff as the holder of the Debenture (alleging the indorsation in blank, if any) and shortly to state its legal effect and purport, and to make proof accordingly. (i)

Full amount recoverable, though negotiated at interest exceeding **217.** Any such Debenture, issued as aforesaid, (j) shall be valid, and recoverable to the full amount, notwithstanding its negotiation by such Corporation at a rate less than par, or at a rate of interest greater than six per centum per annum,

value, affords no defence. (*The Trust and Loan Company v. The City of Hamilton*, 7 U. C. C. P. 98.) The original holder of a debenture, or any subsequent transferee thereof, may from time to time cause to be registered with the County Registrar the name of such original holder or subsequent transferee (Con. Stat. Can. cap. 84, sec. 6); and such holder or last registered transferee is to be deemed *prima facie* the legal owner and possessor of the debenture. (*Ib.*)

(e) See note c to sec. 214.

(f) Indorsements are either full or blank. A full indorsement is one which mentions the name of the party in whose favor it is made; an indorsement in blank, one which does not mention such name. (Smith's Mercantile Law, 5 Ed. 230.) The latter is the only form of indorsement contemplated by this section. It is a question whether the indorsement of a debenture will, like the indorsement of a bill or note, guarantee its payment. (See *Allen v. Walker*, 2 M. & W. 317.)

(g) See note d to sec. 214.

(h) See note e to sec. 214.

(i) The provisions of this section are designed to simplify proceedings at law against the Municipality by the holder of a debenture for the amount which it represents. They extend both to pleading and to evidence. (See *The Trust and Loan Company of Upper Canada v. The City of Hamilton*, 7 U. C. C. P. 98; *Anglin v. The City of Kingston*, 16 U. C. Q. B. 121; *Crawford et al. v. The Corporation of the Town of Cobourg*, 21 U. C. Q. B. 113.)

RESTRICTIONS UPON COUNCILS.

218. No Council shall act as bankers, or issue any Bond, Bill, Note, Debenture or other undertaking, of any kind or in any form, in the nature of a Bank Bill or Note, or intended to form a circulating medium, or to supply the place of specie, or to pass as money; (*l*) nor, unless specially authorized so to do, shall any Council make or give any Bond, Bill, Note, Debenture or other undertaking, for the payment of a less amount than one hundred dollars; (*m*) and any Bond, Bill, Note, Debenture or other undertaking issued in contravention of this section, shall be void. prohibited.

(*k*) And in this respect resembles the law of bills and notes. Besides, Municipal Corporations are not restricted any more than individuals as to the rate of interest to be received upon moneys loaned by them, but may take any rate of interest agreed on. (*The Corporation of the Township of Westminster v. Fox*, 19 U. C. Q. B. 203; *The Corporation of North Gwiltimbury v. Moore et al.*, 15 U. C. C. P. 445.)

(*l*) The object of this and the following section is to confine Municipal Councils within the legitimate sphere of their organization. The section under consideration is more particularly directed against the issue of undertakings "intending to form a circulating medium, or to supply the place of specie, or to pass as money."

(*m*) This was the old law. (See 12 Vic. cap. 81, sec. 183.)

(*n*) Parties contravening the provisions of this section are by the next section made criminally responsible.

the same, unless authorized or required by statute so to do; (*p*) but the Council may direct a fee, not exceeding one dollar, to be paid to the proper officer for a certificate of compliance with any regulations in regard to such trade or calling. (*q*)

Except as to
any ferry.

221. But nothing in this Act contained shall prevent a Council from granting exclusive privileges in any ferry, which may be vested in the Corporation represented by such Council. (*r*)

(*p*) Monopolies are odious to the law. A monopoly is when the sale of any merchandise or commodity is restrained to one or to a certain number (11 Co. 86), and has three inseparable consequents—the increase of the price, the badness of the wares, the impoverishment of others. (*Ib.*) By statute 21 Jac. 2, all monopolies and all commissions, grants, licenses, &c., to any person, &c., for any sale, buying, selling, making, working, using of a thing, &c., are void. And any one grieved, &c., may have an action on the statute, and recover treble damages and double costs. So monopolies are contrary to Magna Charta. (2 Inst. 63.) By statute 38 Ed. 3, a merchant may freely deal in all manner of merchandize. The statute of 21 Jac. 2, does not extend to letters patent for inventions, &c. The first part of this section is simply a declaration of the common law. No Municipal Council has a right to grant a monopoly, “unless authorized or required by statute so to do.”

(*q*) A by-law made only for the *regulation* of any one in the use or exercise of that which he has a right to do, may be good. (Com. Dig. By-law B. 2.)

(*r*) A ferry is a franchise which cannot be set up without the license of the Crown, or the authority of some body corporate or person empowered by the Crown or the Legislature to grant the same. (Com. Dig. “Piscary,” B.) Ferries, when granted by the Crown in Upper Canada, are generally put up to public competition, and leased for a term of not more than seven years. (Con. Stat. U. C. cap. 46, sec. 3.) The leases or licenses are under the great seal. (*Ib.* sec. 2.) Where the ferry is required over any stream, the two shores of which are in different municipalities, not in the same county, a license may be granted to either of the municipalities exclusively, or to both conjointly, as may be most conducive to the public interest. (*Ib.* sec. 5.) Where one shore is within the limits of a city, town or incorporated village, and the other in a township or rural municipality, the license must be issued to the city, town or incorporated village. (*Ib.* sec. 6.) The license may be for any period not exceeding fifty years. (*Ib.* sec. 2.) It confers a right on the municipality or municipalities to establish a ferry from shore to shore, &c., upon condition that the craft to be used shall be propelled by steam, &c. (*Ib.* sec. 7.) Upon receipt of any such license, the municipality or municipalities may pass a by-law declaring their determination to sublet the ferry, and may sublet the same, for such price and upon such terms, &c., as they deem best. (*Ib.* sec. 8.) No license of a ferry on the line of the Provincial frontier can be granted to any person or body corporate beyond the limits of the Province, but must in all cases be granted to the municipality within the limits of

In case a member of the Council of any Municipality, either in his own name or the name of another, and either alone or jointly with another, enters into a contract of any kind, or makes a purchase or sale in which the Corporation is a party interested, and which is on that account void in equity, the same contract, purchase or sale, shall also be held void in any action at law thereon against the Corporation. which the ferry exists, &c. (*Ib.* sec. 9.) Any person interfering with the rights, &c., of a licensed ferryman, may be summarily proceeded against. (*Ib.* sec. 10.) But any person may use for his own accommodation his own vessel or craft to cross the river or stream over which a ferry exists. (*Ib.* sec. 11.) A boat may also, it seems, lawfully ply with passengers from one of the *termini* of a ferry to a place without the limits of the ferry, however near to them, if done *bonâ fide* and not to injure the ferryman's right. If there be an exclusive ferry from A. to B., it does not prevent persons from going by any other boat from A. directly to C., though it be near B., provided it be not done fraudulently, and as a pretence for avoiding the regular ferry. (Com. Dig. "Piscary," B.)

(s) The settled rule in equity is that he who is entrusted with the business of others cannot be allowed to make such business an object of interest to himself.

This rule does not depend on reasoning technical in its character or local in its application. It is founded upon principles of reason, of morality and of public policy. It has its foundation in the very constitution of our nature, for it has authoritatively been declared that a man cannot serve two masters, and is enforced wherever a well regulated system of jurisprudence prevails (per the Chancellor in *City of Toronto v. Bowes*, 4 Grant 504.) One who has power, owing to the frailty of human nature, will be too readily seized with the inclination to use the opportunity for securing his own interest at the expense of that for which he is entrusted. (*Governor and Company of York Building Society v. Mackenzie*, 8 Brown P. C. 42.) The wise policy of the law has therefore put the sting of disability into the temptation as a defensive weapon against the strength of the danger which lies in the situation. This conflict of interest is the rock for shunning which the disability under consideration has obtained its force, by making the person who has one part entrusted to him incapable of acting on the other side, that he may not be seduced by temptation and opportunity from the duty of his trust. (*Ib.* 66) The law will in no case permit persons who have undertaken a character or a charge, to change or invert that character by leaving it and acting for themselves in a business in which their character binds them to act for others. (*Ib.*) The application of the rule may in some instances appear to bear hard upon individuals who have committed no moral wrong; but it is essential to the keeping of all parties filling a fiduciary character to their duty to preserve the rule in its integrity, and to apply it to every case as it arises, which justly falls within its principle (per Esten, V.C., in *City of Toronto v. Bowes*, 4 Grant 530.)

To deny the application of the rule to Municipal bodies, would be to deprive it of much of its value; for the well working of the Municipal

system through which a large portion of the affairs of this country are administered, must depend very much upon the freedom from abuse with which they are conducted. It is obvious that nothing can more tend to correct the tendency to abuse, than to make abuses unprofitable to those who engage in them, and to have them stamped as abuses in Courts of Justice (per Esten, V.C., *Ib.* p. 531.) The tendency to abuse may indeed be in part corrected by public opinion; but public opinion itself is acted upon by the mode in which Courts deal with such abuses as are brought within their cognizance. It has been well observed that the view taken by Courts of Equity with respect to morality of conduct among all parties, is one of the highest morality; and this cannot fail to have a salutary effect upon public opinion itself. Just as, on the other hand, if a low standard of morality were permitted by the Courts, its inevitable tendency would be the demoralization of the public feeling in regard to transactions of a questionable character. (*Ib.*)

The object of this section is to extend the application of this equitable rule to Courts of law, and not simply leave the contract to be avoided in equity, but to make it void in any Court of law in any action therein against the Corporation. (See note *h* to sec. 73.)

Where the Mayor of the City of Toronto secretly contracted to purchase at a discount, a large amount of the debentures of the City which were expected to be issued under a future by-law of the City Council, and was himself afterwards an active party in procuring and giving effect to the by-law which was subsequently passed, the Court of Chancery held him to be a trustee for the City of the profit he derived from the transaction (*The City of Toronto v. Bowes*, 4 Grant 489, which decision, Robinson, C. J., dissenting, was affirmed in appeal, 6 Grant, 1, and afterwards upheld by the Privy Council.) So where a member of a Municipal Corporation agreed with another party to take a contract from the Corporation for the execution of certain works in his name, the profits whereof were to be divided between the parties, it was held that such a contract was in contravention of the municipal law, and the Court of Chancery refused to enforce the agreement for a partnership. (*Collins v. Swindle*, 6 Grant 282.)

(*t*) At common law, when rule *nisi* for a mandamus was discharged, the Courts gave costs or not to the person opposing it, according to their discretion in each case. (*Kennedy v. The Municipal Council of Sandwich*, 9 U. C. Q. B. 326.)

2. In case the amount with interest thereon from the day mentioned in the statement, be not paid to the Sheriff within one month after the service, the Sheriff shall examine the assessment rolls of the Corporation, and shall, in like manner as rates are struck for general municipal purposes, strike a rate sufficient in the dollar to cover the amount due on the execution, with such addition to the same as the Sheriff deems sufficient to cover the interest, his own fees and the Collector's

Corporation, but of the people whom they represent, the form of proceeding by execution against such a corporation, must, under certain circumstances, differ from that of proceeding by execution against an individual.

(b) The writ *may* (not must) be indorsed with a direction to the Sheriff to levy the amount by rate. The writ may also, it is apprehended, be indorsed, as in the case of writs of execution against individuals, either to levy of goods or lands (*or as the case may be*) of the Corporation, in which event a rate would not be contemplated and probably would not be necessary. But it is only when indorsed to levy by rate, that the following sub-sections are at all applicable.

(c) If the writ be indorsed by rate, the proceedings *shall* be as directed.

(d) The Sheriff is to deliver:

1. *A copy of the writ* and indorsement to the Chamberlain or Treasurer or leave such copy at the office or dwelling house of that officer.
2. *With a statement in writing* of the Sheriff's fees and of the amount required to satisfy such execution, including in such amount the interest calculated to some day as near as is convenient to the day of service.

The Sheriff is not entitled to poundage on writs of execution against Municipal Corporations, unless he actually make the money. (*Grant v. The Corporation of the City of Hamilton*, 2 U. C. L. J., N. S. 262.) Where a settlement is obtained by means of the presence of the Sheriff, he is entitled to be paid reasonable compensation for the services performed, although no special fee be assigned for such service in any statute or table of costs. (*Ib.*) If the Sheriff make the money, it would seem that he is entitled to poundage, though he may under this section have levied a rate to collect the amount. (*Ib.*)

percentage, up to the time when such rate will probably be available ; (e)

Sheriff's precept to levy. 3. The Sheriff shall thereupon issue a precept or precepts, under his hand and seal of office, directed to the Collector or respective Collectors of the Corporation, and shall annex to every precept the roll of such rate, and shall by such precept after reciting the Writ, and that the Corporation had neglected to satisfy the same, and referring to the roll annexed to the precept, command the Collector or Collectors within their respective jurisdictions, to levy such rate at the time and in the manner by law required in respect of the general annual rates ; (f)

Who to collect the rate. 4. In case at the time for levying the annual rates next after the receipt of such precept, the Collectors have a general rate roll delivered to them for such year, they shall add a column thereto, headed, "Execution rate in A. B., vs. The Township" (or as the case may be, adding a similar column for each execution if more than one,) and shall insert therein the amount by such precept required to be levied upon each person respectively, and shall levy the amount of such execution rate as aforesaid, and shall within the time they are by law required to make the returns of the general annual rate, return to the Sheriff the precept with the amount levied thereon, after deducting their percentage ; (g)

(e) It is the duty of the Sheriff to strike a rate "sufficient," &c. No provision exists for the striking of a second rate, in the event of the first proving insufficient. If the amount levied should be more than sufficient, provision is made for the disposition of the surplus. (Sub-sec. 5.) It would appear to be necessary where there are in the hands of the Sheriff, at the same time, several writs of execution against the same Corporation, to strike a rate for each particular writ. (See *Grant v. The Corporation of the City of Hamilton*, 2 U. C. L. J., N. S. 262.)

(f) The first thing for the Sheriff to do is, to deliver a copy of the writ, indorsement and statement, in the first sub-section mentioned.

The second, after the expiration of a month, to examine the assessment rolls of the Corporation and strike a rate, &c., as in the second sub-section directed.

The third, to issue a precept such as in the sub-section here annotated mentioned. If the Corporation withhold the assessment rolls from the Sheriff, his remedy would be to apply to the Court by mandamus, to compel them to submit the rolls to him. (See *Grant v. The Corporation of the City of Hamilton*, 2 U. C. L. J., N. S. 262.)

(g) The duties of Collectors under this clause are the following :

1. To add a column to the general roll, with the heading directed.
2. To insert therein the amount by the precept required to be levied &c.

5. The Sheriff shall, after satisfying the Execution and all fees thereon, pay any surplus, within ten days after receiving the same, to the Chamberlain or Treasurer, for the general purposes of the Corporation; (*h*)

Surplus.

6. The Clerk, Assessors and Collectors of the Corporation shall, for all purposes connected with carrying into effect, or permitting or assisting the Sheriff to carry into effect, the provisions of this Act, with respect to such executions, be deemed to be Officers of the Court out of which the Writ issued, and as such shall be amenable to the Court, and may be proceeded against by attachment or otherwise, to compel them to perform the duties hereby imposed upon them. (*i*)

DEBTS AND RATES.

YEARLY RATES AND DEBTS.

225. The Council of every Township, and the Council of every County, and of every Provisional Corporation, and of every City, and of every Town, and of every incorporated Village, respectively, shall assess and levy on the whole ratable property within its jurisdiction, (*j*) a sufficient sum in each year to pay all valid debts of the Corporation, whether of principal or interest, falling due within the year; (*k*) but no such Council shall assess and levy in any one year more than an aggregate rate of two cents in the dollar on the actual value,

Yearly rates to be levied, sufficient to pay all debts payable within the year.

3. To levy the amount of the execution rate.

4. To return to the Sheriff, within the time limited, the precept, with the amount levied, after deducting per centage.

(*h*) See note *e* to this section.

(*i*) This is a most important clause. The power of the Court over its officers is of a very summary nature. They may be punished by process of attachment for contempt in disobeying its rules or orders.

(*j*) The assessment is to be made on "the whole ratable property," &c. An assessment, therefore, on wild lands alone would be invalid. (*Tylee v. The Municipality of Waterloo*, 9 U. C. Q. B. 572.)

(*k*) The power given is to assess and levy, &c., a sufficient sum in each year to pay all valid debts, &c., falling due within the year. It is not easy to define what is meant by "a valid debt." It may be described as a debt which the Corporation is legally liable to pay, and the payment of which may be enforced by process of law. Then the assessment is to be for a valid debt "falling due within the year;" therefore an assessment may be made for a debt incurred in a previous year, provided it is a valid debt, and fall due within the year in which the assessment is made. The general inconvenience of retrospective rates has in England been long known and recognized in the courts of law, on the ground that succeeding rate-payers ought not to be made to pay for services of which their predecessors have had the benefit. (See *The King v. Chapel-warden of Haworth*, 12 East, 556; *Cortis v. Kent Waterworks Company*, 7 B. & C. 314; *The King v. Justices of Flintshire*, 5 B. & Ald. 761; *Woods v. Reed*, 2 M. & W. 777; *Jones v. Johnson*, 5

exclusive of School rates. (I) And if in any Municipality the

Ex. 862; S. C. in Error, 7 Ex. 452.) One object of the law, as rate-payers fluctuate, is to protect present inhabitants from being burthened with the expenses of their predecessors. (*The King v. Wavell et al.*, Doug. 116; *The King v. Goodcheap*, 6 T. R. 159; *Attorney-General v. Wigan*, 18 Jurist, 299.) As a rule, money required for municipal purposes ought to be raised as the law directs—beforehand, instead of being in any manner or by any person advanced, in the expectation of reimbursement by the municipality. (See *The King v. Chapel-warden of Bradford*, 12 East, 556; *Tawney's Case*, 2 Rayd. 1009; *Dawson v. Wilkinson*, Cases Temp. Hard. 381. But see *Burnham v. The Corporation of Peterborough*, 8 Grant, 366; S. C., 7 U. C. L. J. 73.) It is for reasons such as these that the power to assess under this section is restricted to debts falling due “within the year.” (See *Clapp v. The Corporation of The Township of Tharlow*, 10 U. C. C. P. 533.) The result appears to be, that no Municipal Council has power, without the consent of the electors, to authorize the expenditure of money for purposes not falling under the head of ordinary expenditure, without having the money in hand to meet the demand, and without making provision, by rate or otherwise, to raise the required amount to meet the demand when due. (*McMaster v. The Corporation of Newmarket*, 11 U. C. C. P. 398; S. C., 8 U. C. L. J. 44.) The policy of the law appears to be, that all debts, where there is not money in hand to meet them, should be met by a rate in *anticipation*, or that otherwise the amount should be raised by rate within the current year. By the observance of this policy, abuses may be prevented; but by the neglect of it, abuses will assuredly arise. If there were no such policy to be observed, Council after Council might allow arrears of debts to accumulate year after year, so as to bind future Councils and to burthen future rate-payers. If this were permitted, there would be no check upon the extravagance of municipal councillors. The Legislature, in order to protect the interests of the rate-payers of the several Municipalities against abuse of the powers entrusted to the Municipal Councils, and which have authority for many purposes to bind them, have provided certain restrictions and limitations upon their powers. It is for those who contract with the Municipal Councils to see for themselves that the powers given are exercised with a due regard to such restrictions and limitations. If they neglect this, they have their own want of caution to thank for any inconvenience or loss they may suffer in consequence, and they certainly should not expect that such neglect should operate in their favor, and furnish an argument for disregarding those wise provisions of law which are designed to protect rate-payers from reckless or unauthorized expenditure or incurring of debts by Municipal Councils. (See *Mellish v. The Town Council of Brantford*, 2 U. C. C. P. 35; *Scott et al. v. The Corporation of the Town of Peterborough*, 19 U. C. Q. B. 469; *Wright v. The Corporation of the County of Grey*, 12 U. C. C. P. 479; *Cross v. The Corporation of the City of Ottawa*, 23 U. C. Q. B. 288.) It has therefore been held, that a Municipal Corporation, sued for work done, may plead that the cause of action arose for and concerning a debt incurred and falling due in a previous year, which was not within the ordinary expenditure of the Corporation for that year, and for which no rate was by by-law imposed. (*Ib.*)

(I) This limitation as to the amount of rate is new and important.

aggregate amount of the rates necessary for the payment of the current annual expenses of the Municipality, and the interest and principal of the debts contracted by such Municipality at the time of the passing of this Act shall exceed the said aggregate rate of two cents in the dollar on the actual value of such ratable property, the Council of such Municipality shall levy such further rates as may be necessary to discharge obligations already incurred, but shall contract no further debts until the annual rates required to be levied within such Municipality are reduced within the aggregate rate aforesaid. BY-LAWS TO CREATE DEBTS, &c.

226. Every such Council (*n*) may, under the formalities required by law, (*o*) pass By-laws for contracting debts by borrowing money or otherwise, (*p*) and for levying rates for payment of such debts on the rateable property of the municipality, for any purpose within the jurisdiction of the Council, (*q*) but no such By-law shall be valid which is not in accordance with the following restrictions and provisions. (*r*)

By-laws for creating debt.

The rates in some Municipalities were, before the passing of this act, so rapidly increasing as to cause alarm among the rate-payers, and seriously diminish the value of property and so threaten to impoverish the rate-payers. The remedy applied is that of limiting the aggregate annual taxation to "two cents in the dollar on the actual value, exclusive of school rates." If an attempt were made to exceed the restriction, no doubt the Court of Chancery would, upon a proper case being made out, interfere by injunction. (See *The Edinburgh Life Insurance Company v. The Municipality of the Town of St. Catharines*, 10 Grant 379.)

(*m*) The Legislature of course does not intend to interfere with the obligation to pay debts already created. In Municipalities where the limit specified, of two cents in the dollar of actual value, is not enough to defray ordinary expenditure and interest and principal of debts contracted at the time of the passing of the act, power is given to levy "such further rates as may be necessary, &c." But no further debts are to be contracted until the annual rates required to be levied are reduced "within the aggregate rate aforesaid," i. e., two cents in the dollar on actual value.

with the restrictions and provisions of this section. The former relates to the power, the latter to the mode or form in which it is to be exercised. If no power, the by-law will of course be invalid: but even if power, if exercised otherwise than in accordance with the provisions of this section, it will be also invalid.

(s) As to by-laws for the purchase of public works, see sec. 229, *et seq.*

(t) It seems that the Legislature intend that in the body of every by-law shall be stated a day on which the same is to take effect. The date on which a by-law is to take effect, does not necessarily form a part thereof, though it may be the practice for some officer of the Corporation to mark the day of its passing on it. The Legislature, however, meant that it should not be necessary to refer to anything extrinsic to the by-law for the purpose of learning when it would or had come into operation. The purchaser of a debenture for instance would require to see that it and the by-law under which it was issued was legal, and might on that account require to see when the by-law took effect (per Draper, C.J., in *In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 384.)

(u) The power to contract a debt payable at a future period, and to secure its payment at that period by the rate-payers then living, is founded on the principle that the object for which the debt is contracted is one which will benefit future rate-payers as well as those living at the time the debt is contracted. This is quite consistent with the policy of municipal law, as explained in note k to sec. 225.

(v) The By-law is to "settle" the rate and not leave it to a municipal officer to be computed (see *The Canada Company v. The Municipal Council of the County of Middlesex*, 10 U. C. Q. B. 93); and when so settled it is to be a special rate (*Mellish v. The Town Council of the Town of Brantford*, 2 U. C. C. P. 35) and not only so, but "an equal special rate *per annum*," that is, the rate is to be equal in each succeeding year—not fluctuating according to the arbitrary discretion of the Municipality. (*In re Sells and the Municipality of the Village of St. Thomas*, 3 U. C. C. P. 286.)

4. Such special rate shall be sufficient, according to the amount of ratable property appearing by the last revised assessment rolls, to discharge the debt and interest when respectively payable; (*w*)

To be sufficient in amount.

5. The amount of ratable property shall be ascertained irrespective of any future increase of the ratable property of the municipality, and of any income in the nature of tolls, interest or dividends, from the work, or from any stock, share or interest in the work, upon which the money to be so raised or any part thereof is intended to be invested, and also irrespective of any income from the temporary investment of the sinking fund or of any part thereof; (*x*)

Irrespective of future increase of ratable property.

6. The By-law shall recite: (1.) The amount of the debt which such new By-law is intended to create, and, in some brief and general terms, the object for which it is to be created; (2.) The total amount required by this Act to be raised annually by special rate for paying the new debt and interest; (3.) The amount of the whole ratable property of the municipality according to the last revised, or revised and equalized assessment rolls; (4.) The amount of the existing debt of the municipality, showing the interest and principal separately and how much (if any) interest is in arrears; and, (5.) The annual special rate in the dollar for paying the interest and creating an equal yearly sinking fund for paying the principal of the new debt, according to this Act. (*y*)

(*w*) It does not appear to be necessary that the By-law should set forth the *estimates* on which it is founded. (*Fletcher v. The Municipality of Euphrasia*, 13 U. C. Q. B. 129.) The Court will intend that proper estimates have been made, in the absence of evidence that they are wanting. (*Ib.*) If the rate is demonstrated to be insufficient, the by-law may be quashed. (*Perry v. The Town Council of the Town of Whitby*, 13 U. C. Q. B. 564.) It has been held that Municipal Councils cannot by by-law borrow money at a rate of interest exceeding six per cent. (*Wilson and the Municipal Council of the County of Elgin*, 13 U. C. Q. B. 218.)

(*x*) It does not appear to be necessary that the by-law should state the rate to be calculated at so much in the dollar on the *actual* value of the ratable property of the Municipality. (*Tylee v. The Municipality of Waterloo*, 9 U. C. Q. B. 572.) In the absence of anything to the contrary, the Court will intend that the Council has acted according to law. (*Ib.*)

(*y*) The by-law should describe the debts and their amounts. (See *The Canada Company v. The Municipal Council of the County of Middlesex*, 10 U. C. Q. B. 93; *Ex parte Hayes and the City of Toronto*, 7 U. C. C. P. 255.) These may be shown in the recitals of the by-law. Where a by-law recited that the amount of the whole ratable property of the township, according to the last assessment returns, was £114,766; and

227. Every By-law, (except for drainage as provided for under the two hundred and eighty-second section of this Act),

that it would require the annual rate of $2\frac{1}{4}d.$ in the pound, as a special rate for payment, &c.; and then enacted that a special rate of $2\frac{1}{4}d.$ should be levied to pay the principal and interest of the loan to be raised under the by-law, and that the proceeds of such special rates should be applied solely to the payment, &c., until the same be fully paid and satisfied: *Held*, that the recital as to the amount of ratable property and the assessment returns sufficiently appeared, and that it sufficiently appeared that the amount was to be raised in each year. (*In re Cameron and the Municipality of East Nissouri*, 13 U.C. Q. B. 190.) In one part of the by-law the Reeve was empowered to issue debentures for such sums as should be from time to time required for the purposes mentioned, but not to exceed in the whole £10,000. In subsequent clauses a special rate was imposed to pay "the said sum of £10,000," and the application of "the said sum of £10,000" was pointed out. The debentures were directed to be made payable "within twenty years of the time that this by-law shall come into operation." *Held*, that the amount of the loan, and the time when the debentures were to be made payable, was stated with sufficient certainty. (*Ib.*) Where a by-law provided that the site of an old town-hall should be disposed of, and any money above the proceeds of the hall required for the erection of a new one, should be levied on the ratable property in the Municipality, but did not fix the amount or the rate to be levied, this part of the by-law was held bad. (*In re Hawke and the Municipality of Wellesley*, 13 U. C. Q. B. 636.) When errors in computation only are shown in a by-law, though extensive, the Court will lean strongly to support it, especially when it has been acted upon. (*Grierson and the Municipality of Ontario*, 9 U.C. Q. B. 623; *Secord and the Corporation of Lincoln*, 24 U. C. Q. B. 142.) Not only the rate must be mentioned in the by-law, but the amount to be raised thereby (See *Tylee and the Municipality of Waterloo*, 9 U. C. Q. B. 572), and also the purpose or object for which it is required. (*Ib.*) Thus, "to pay off two debentures held by William Allan, for erecting the court-house in said district" (*Ib.* p. 588), or "for the purpose of liquidating the sum of £1,500 due to the Gore Bank, and the sum of £500 due by the District to Alexander Drysdale, Esquire." (*Ib.*) Besides, the by-law must recite the amount of the whole ratable property of the Municipality, according to the last revised or revised and equalized assessment rolls. (See *McCormick v. Oakley*, 17 U. C. Q. B. 345.) Unless the recital of the ratable property of the Municipality as to amount be made out to be clearly erroneous, the Court will not on this ground quash the by-law. (*In re Paffard and the Corporation of the County of Lincoln*, 24 U. C. Q. B. 16.)

The following is a general form of by-law, prepared by the editor, to meet the requirements of this section:

No. —.

"A By-Law to raise by way of Loan the sum of —, for the purposes therein mentioned."

Whereas the Municipal Council of the — of — (name county, city, town or incorporated village, &c.) have (here recite in brief and general terms the object for which the loan is required, as, "have resolved to make a plank road from," &c.) and to carry into effect the said recited

for raising upon the credit of the municipality any money not required for its ordinary expenditure, and not payable within

object, it will be necessary for the said Municipal Council to raise the sum of — in the manner hereinafter mentioned.

And whereas it will require the sum of — to be raised annually by special rate for the payment of the said loan (or debt and interest), as also hereinafter mentioned.

And whereas the amount of the whole ratable property of the said Municipality, irrespective of any future increase of the same (and where the money to be raised, or any part thereof, is intended to be invested in any work, "and irrespective of any income in the nature of tolls, interest or dividends, from the said work," or "from any stock, shares or interest in the said work," &c.,) and also irrespective of any income to be derived from the temporary investment of the sinking fund hereinafter mentioned, or any part thereof, according to the last revised (or revised and equalized) assessment roll of the said Municipality, being for the year one thousand eight hundred and —, was — dollars.

And whereas the amount of the existing debt of the said Municipality is as follows: Principal, the sum of \$ —; and interest, the sum of \$ —; making in the aggregate the sum of \$ —; of which interest the sum of \$ — is in arrear. (*This recital is new, and now required for the first time.*)

And whereas for paying the interest and creating an equal yearly sinking fund for paying the said sum of — and interest, as hereinafter mentioned, it will require an equal annual special rate of — cents in the dollar, in addition to all rates to be levied in each year.

Be it therefore enacted by the Municipal Council of the — of — (as before).

1. That it shall be lawful for the Reeve (or other head of the Municipality, describing him by his name of office) to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of —, and to cause the same to be paid into the hands of the Treasurer (or Chamberlain, as the case may be) for the purpose and with the object above recited.

2. That it shall be lawful for the said Reeve (or as before) to cause any number of debentures to be made for such sums of money as may be required, not less than one hundred dollars each (or if in aid, &c., of a railway, "not less than twenty dollars" each), and that the said debentures shall be sealed with the seal of the said Municipal Council, and be signed by the said Reeve (or by some other person, naming him, authorized by law to sign the same).

3. That the said debentures shall be made payable in twenty (or if the debt be contracted for gas or water works, "thirty") years at furthest from the day hereinafter mentioned for this by-law to take effect, at the office of the Treasurer (or Chamberlain, as the case may be, or elsewhere if thought fit) of the said Municipality, and shall have attached to them coupons for the payment of interest.

4. That the said debentures shall bear interest at and after the rate of six per cent. per annum, from the date thereof; which interest shall be payable on the (naming days, yearly, half-yearly or quarterly, as the

228. Provided that no such By-law of a County Council for contracting any such debt or loan for an amount, over and above the sums required for its ordinary expenditure, not exceeding in any one year twenty thousand dollars, shall be valid, (d) unless the same is passed at a meeting of the Council especially called for the purpose of considering the same, and held not less than three months after a copy of such By-law at length as the same is ultimately passed, together with

case may be) at the office of the Treasurer aforesaid (or elsewhere, as the Council may see fit).

5. That for the purpose of forming a sinking fund for the payment of the said debentures, and the interest at the rate aforesaid to become due thereon, an equal special rate of — cents in the dollar shall, in addition to all other rates, be raised, levied and collected in each year, upon all the ratable property in the said Municipality, during the continuance of the said debentures or any of them.

6. That this By-law shall take effect and come into operation upon the — day of — (this day to be a day within the financial year in which the By-law is passed, and to be fixed at the time of the passing thereof, unless the debt to be created be for the purchase of public works.)

(a) See note *k* to sec. 225.

(b) The by-laws intended must receive the assent of the electors of the Municipality, in default of which the by-laws themselves would be invalid.

(c) The rule is that every by-law for raising money shall, before the final passing thereof, receive the assent of the electors. The exceptions are, first, by-laws requiring money for ordinary expenditure; secondly, by-laws raising money to be paid in the municipal year in which raised; and, thirdly, by-laws of counties contracting debts or loans not exceeding in any one year twenty thousand dollars.

(d) There is some obscurity in these sections. The meaning seems to be that in addition to the sums required for the ordinary expenditure of the year, a County Council may raise, in the form prescribed, a sum not exceeding twenty thousand dollars without a public vote, but that for any additional amount beyond that sum, the sanction of a vote is necessary. (See sec. 196.)

a notice of the day appointed for such meeting, (e) has been published in some newspaper issued weekly or oftener within the county, or if there be no such public newspaper, then in a public newspaper published nearest to the county; (f) which said notice may be to the effect following: (g)

PURCHASE OF PUBLIC WORKS.

229. 1. Any Council may contract a debt to Her Majesty, in the purchase of any of the Public Roads, Harbours, Bridges, Buildings, or other public works in Upper Canada; and may execute such bonds, deeds, covenants and other securities to Her Majesty, as the Council may deem fit, for the payment of the price of any such public work already sold or transferred, or which may be sold or transferred, or agreed to be sold or transferred to such Municipal Corporation, and for securing the performance and observance of all or any of the conditions of sale or transfer; and may also pass all necessary By-laws for any of the purposes aforesaid; and all such by-laws, debts, bonds, deeds, covenants and other securities shall be valid, although no special or other rate per annum has been settled or imposed to be levied in each year, as provided by the three last preceding sections of this Act:

Municipal Councils may purchase Public Works, and contract debts without imposing a yearly rate as provided in the three last sections.

(e) The by-law is to be published at length, "as the same is ultimately passed." Hence if, between publication and passing, a material alteration is made in the by-law, the by-law will be invalid. (*In re Bryant and the Municipality of Pittsburgh*, 13 U. C. Q. B. 347.) But it does not follow that on this ground alone the Court would necessarily quash the by-law. (*Boulton and the Town Council of the Town of Peterborough*, 16 U. C. Q. B. 380.)

(f) The by-law should of course be published in a newspaper as directed. (See *In re Simpson and the Corporation of the County of Lincoln*, 13 U. C. C. P. 48; *Paffard and the Corporation of the County of Lincoln*, 24 U. C. Q. B. 16.) But notwithstanding omission to follow the directions of the statute, the Court may decline to quash the by-law. (*Boulton and the Town Council of the Town of Peterborough*, 16 U. C. Q. B. 380.)

(g) See note a to sec. 202.

Rates may be imposed for the payment of debts contracted with the Crown for such Works.

2. But any Council may in any By-law to be passed for the creation of any such debt, or for the executing any such bonds, deeds, covenants or other securities as aforesaid, to Her Majesty, or in any other By-law to be passed by the Council, settle and impose a special rate per annum, of such amount as the Council may deem expedient, in addition to all other rates whatsoever, to be levied in each year upon the assessed ratable property within the Municipality, for the payment and discharge of such debts, bonds, deeds, covenants or other securities, or some part thereof; and the By-law shall be valid, although the rate settled or imposed thereby be less than is required by the said sections last mentioned; and the said sections shall, so far as applicable, apply and extend to every such By-law, and the moneys raised or to be raised thereby, as fully in every respect as such provisions would extend or apply to any By-law enacted by any Council for the creation of any debt as provided in the said sections, or to the moneys raised or to be raised thereby; (*h*)

(*h*) The statute 12 Vic. cap. 5, sec. 12, authorized the Governor-in-Council to contract with any Municipal Council or other local Corporation, for the transfer to them of any of the public roads, harbours, bridges, &c., which it might be more convenient to place under the management of such local authorities.

By statute 14 & 15 Vic. cap. 124, any Municipal Corporation in Upper Canada might contract a debt to Her Majesty in the purchase of any roads, &c., and the Municipality might enter into, make or execute all or any bonds, deeds, covenants or other securities to Her Majesty, which such Municipality might deem fit, for the payment of the amount of purchase money of any such work, and for securing the performance of any conditions of sale; and might also pass all by-laws for any of the purposes; and such by-laws, debts, bonds, deeds covenants or other securities were to be binding and valid on such Municipality to all intents and purposes, though no special or other rate per annum should be settled or imposed, to be levied as provided under the 177th section of the Municipal Corporations Act of 1849. But by section 2, the Corporation was nevertheless authorized, in any by-law for the creation of such debt, or for making or executing any such bonds, deeds or other securities, as aforesaid, to Her Majesty, or in any other by-law by the Corporation, to impose a special rate per annum of such amount as the Municipality might deem expedient, for payment and discharge of such debts, bonds, covenants or other securities, or some part thereof: and every such by-law should be valid and binding on the Corporation, though the rate settled or imposed should be less than was required by the 177th section of the Municipal Corporations Act for 1849; and all provisions of that act (except in so far as they were inconsistent with the act then being passed) were to apply and extend to every such by-law, and the moneys to be raised thereby, as fully as they would extend to any by-law enacted by any such Municipality for the creation of any debt or raising any loan, as provided in said 177th section, and to the moneys thereby raised.

3. The Council of any Municipal Corporation purchasing any claim under the Act respecting the sale and purchase of claims due to Government for moneys advanced to public works, may raise by assessment the sum necessary to pay the consideration agreed upon. (i)

Purchase of claims due to Government.

HOW ACCOUNTS OF DEBTS AND RATES TO BE KEPT.

230. The Council of every County, Provisional Corporation, Township, City, Town and Incorporated Village, shall keep in its books two separate Accounts, one for the Special Rate, and one for the Sinking Fund, of every debt, to be both distinguished from all other accounts in the books by some prefix designating the purpose for which the debt was con-

Two special accounts to be kept; 1, of the special rates; 2, of the Sinking Fund.

By statute 16 Vic. cap. 181, sec. 39, it was enacted that none of the provisions of the 4th or 16th sections of the Municipal Corporations Amendment Act of 1851, should affect or apply to any by-law passed or to be passed by any Municipality in Upper Canada for any of the purposes mentioned in 14 & 15 Vic. cap. 124, or to any debts, bonds, deeds, covenants or other securities contracted, made or executed to Her Majesty, under the provisions of that act, or for any of the purposes therein mentioned.

By statute 18 Vic. cap. 133, it was enacted, in effect, that no by-law to be passed for raising money upon the credit of any City, Town, Township or Village Corporation, should have force or effect until the approval of the Municipal electors should have been obtained.

All these provisions were repealed by the Municipal Institutions Act of 1858; and sec. 226 of Con. Stat. U. C. cap. 54 (of which the sections here annotated is a re-enactment), was in effect substituted for them.

The fair result would seem to be that none of the three sections (226, 227 & 228) relating to by-laws creating debts, extend to by-laws made for the purchase of public works, except in the manner and to the extent pointed out in the second paragraph of the section here annotated, and that such by-laws would, at all events if passed by a County, be valid, although not containing any special rate, and although not assented to by the rate-payers. (See *In re O'Neill and the Corporation of the United Counties of York and Peel*, 15 U. C. C. P. 249.)

(i) The Governments of Upper Canada and of Canada, having at divers times before 1850, under the authority of the Legislature of Upper Canada, advanced or paid sums of money to or for companies incorporated for the purpose of constructing canals, railroads, harbours, roads and other works and improvements of a public nature in Upper Canada; and such sums or part thereof, or the interest thereof or part thereof, in the year 1850, remaining unpaid, an act was passed authorizing the Provincial Government to dispose of such claims (13 & 14 Vic. cap. 71, now Con. Stat. U. C. cap. 7), and it is to the purchase of these claims by Municipal Corporations that this third paragraph is directed. It simply authorizes the Municipal Corporation purchasing any such claim to raise by assessment the sum necessary to pay the consideration agreed upon.

tracted, and shall keep the said accounts, with any others that are necessary, so as to exhibit at all times the state of every debt, and the amount of moneys raised, obtained and appropriated for payment thereof. (*j*)

When surplus to be carried to the Sinking fund Account.

231. If, after paying the interest of a debt and appropriating the necessary sum to the Sinking Fund of such debt for any financial year, (*k*) there is a surplus at the credit of the Special Rate Account of such debt, (*l*) such surplus shall so remain, and may be applied, if necessary towards the next year's interest; but if such surplus exceeds the amount of next year's interest, the excess shall be carried to the credit of the Sinking Fund Account of such debt. (*m*)

HOW SURPLUS TO BE INVESTED.

How surplus to be disposed of.

232. Every such Council shall from time to time, invest in Government securities, or otherwise, as the Governor in Council may direct, such part of the produce of the special rate levied in respect of any debt and at the credit of the Sinking Fund Account, or of the Special Rate Account thereof as cannot be immediately applied towards paying the debt

(*j*) In this section there is a subject and an object. The subject is accounts, and the object is that such accounts shall be so kept "as to exhibit at all times the state of every debt, and the amount of money raised, obtained and appropriated for payment thereof." Two accounts are mentioned—the Special Rate account, and the Sinking Fund account. The amount of all rates collected and received by the Treasurer will appear in the first, and from it be transferred to the second all such sums as form portions of the sinking fund or fund accumulated for the payment of principal. The first or Special Rate account will constitute the Interest account as well as the general account, and the sums required for interest will be retained therein until disbursed, and then be charged thereto. The sums transferred on account of principal to the second or Sinking Fund account, will of course be also charged against the first or Special Rate account, and when transferred be credited to the second or Sinking Fund account. It is unnecessary to remark upon the great importance of the accounts being kept with the greatest care and accuracy.

(*k*) *Year*, as mentioned in last note.

(*l*) A surplus beyond the interest may arise from the increase of ratable property, &c.; for when a by-law creating a debt, &c., is passed, the ratable property is ascertained, *irrespective of any future increase*, &c. (See sub-sec. 5 to sec. 226.)

(*m*) If the surplus of the special rate account in any year exceeds the payment of the ordinary calls upon it, together with the next year's interest, the excess may be transferred to the sinking fund account, that is, applied towards the liquidation of principal. Provision is by the next section made for the investment of the excess. (Sec. 232.)

by the reason of no part thereof being yet payable, (*n*) and the Council shall apply all interest or dividends received upon such investments to the same purpose as this Act directs the amount levied by the Special Rate to be applied, (*o*) but the Governor in Council may, by order, direct, that such part of the produce of the Special Rate levied, and at the credit of the Sinking Fund Account or of the Special Rate Account as aforesaid, instead of being so invested as aforesaid, shall, from time to time as the same shall accrue, be applied to the payment or redemption, at such value, not exceeding par, as the said Council can agree for, of any part of such debt or of any of the debentures representing or constituting such debt, or any part of it, though not then payable, to be selected as provided in such order, and the Municipal Council shall thereupon apply and continue to apply such part of the produce of the Special Rate at the credit of the Sinking Fund or Special Rate Accounts, as directed by such order. (*o*) This provides for the safe keeping of the funds accruing, more especially to the sinking fund account, which may be required to accumulate for twenty or thirty years. (Sec. 2 of sub-sec. 226.)

(*p*) The latter part of this section was, in 1858, added in committee of the Legislative Council. If acted upon, it would prevent the accumulation of moneys to the sinking fund account, but would extinguish the principal of the debt to the same extent that it would otherwise increase.

(*q*) And probably create a surplus in the sinking fund account inasmuch as when a by-law creating a debt, &c., is passed, the ratable property of the municipality is ascertained, irrespective of any income in the nature of tolls, interest or dividend from the work upon which the money to be raised or any part thereof is to be invested. (*r*)

235. After a debt has been contracted, the Council shall not, until the debt and interest have been paid, repeal the By-law under which the debt was contracted, or any By-law for paying the debt or the interest thereon, or for providing therefor a rate or additional rate, or appropriating thereto the surplus income of any work or of any stock or interest therein or money from any other source; and the Council shall not alter a By-law providing any such rate so as to diminish the amount to be levied under the By-law, except in the cases herein authorized, (*s*) and shall not apply to any other purpose any money in the corporation treasury which, not having been previously otherwise appropriated by any By-law or Resolution, has been directed to be applied to such payment. (*t*)

(*r*) The meaning of this section is obvious, and it may be acted upon quite consistently with the rights of creditors. (See note *m* to sec. 207.) It is an erroneous impression, when once a Municipal Council has determined to contract a loan, in order to aid, for example, in advancing a public work, that the whole matter of the by-law passed for that object is entirely out of their control, and not merely such parts of it as are necessary for securing those who have advanced money under its provisions. (*In re Hill and the Municipal Council of Walsingham*, 9 U. C. Q. B. 310.) No by-law passed under this section can take effect,

1. Unless it recite the facts on which it is founded.
2. Unless it be appointed to take effect on the 31st December in the year of its passing.
3. Unless it be approved by the Governor in Council.
4. Nor if it affect any rates due, or penalties incurred, before the day it takes effect.

(*s*) The provisions of this section are necessary for the security of creditors. (See note *m* to sec. 207.) It is enacted, first, that no Council shall either repeal a by-law under which a debt is contracted, or, secondly, alter a by-law providing the rate so as to diminish the amount to be levied under the by-law, &c. The by-law, however, may, under certain circumstances, be in part repealed, pursuant to sec. 234; so the rate may, under certain circumstances, be reduced, pursuant to secs. 236 & 237.

(*t*) This requires the sinking fund to be left untouched, and prohibits the Council withdrawing any money transferred thereto, or otherwise applying any funds that have been appropriated thereto.

WHEN SPECIAL RATE MAY BE REDUCED.

236. In case in any particular year, one or more of the following sources of revenue, namely: 1. The sum raised by the special rate imposed for the payment of a debt, and collected for any particular year; and 2. The sum on hand from previous years; and 3. Any sum derived for such particular year from the surplus income of any work, or of any share or interest therein applicable to the Sinking Fund of the debt; and 4. Any sum derived from the temporary investment of the Sinking Fund of the debt, or of any part of it, and carried to the credit of the Special Rate and Sinking Fund Accounts respectively, amount to more than the annual sum required to be raised as a special rate to pay the interest, and the instalment of the debt for the particular year, and leave a surplus to the credit of such accounts, or either of them, then the Council may pass a By-law reducing the total amount to be levied under the original By-law for the following year to a sum not less than the difference between such last-mentioned surplus and the annual sum which the original By-law named and required to be raised as a special rate. (*u*)

When the rate imposed by By-law may be reduced by By-law.

(*u*) Having discovered the existence of a surplus arising from the sources mentioned in the section, the Council should, first, ascertain the precise amount of the surplus; secondly, ascertain the total amount to be levied for the then next following year; thirdly, deduct the one from the other; and, fourthly, take credit for the result, and reduce the original rate so as to yield no more than what is necessary after taking such credit.

To ascertain the surplus, it is apprehended that the interest and fee fund appropriation of the current year, as well as an amount equal to the interest of the year following, ought to be deducted from the amount at the credit of the special rate account. In the event of there being a surplus in any year after paying interest and appropriating the necessary sum to the sinking fund, sec. 231 requires such surplus to remain in the special rate account, to be applied if necessary towards the next year's interest. If the surplus exceed the following year's interest, the excess may be transferred to the sinking fund account, in reduction of principal; if not so transferred, the excess may be disposed of under the section here annotated. It is in this way only that the two sections can be reconciled, and if not so read, they appear to be irreconcilable. In any event it would appear to be necessary, before dealing with the surplus, to see not only that there is enough at the credit of the special rate account to meet the interest and sinking fund appropriation of the current year, but the interest of the year following. If after such calculation enough is found for the two years and to spare, the excess may be either transferred under sec. 231 to the sinking fund, or be dealt with under the section here annotated—that is, looked upon as so much collected in anticipation of the requirements of the year following, leaving the

237. But the By-law shall not be valid unless it recites :

1. The amount of the special rate imposed by the original By-law ; (a)
2. The balance of such rate for the particular year or on hand from former years ; (b)
3. The surplus income of the work, share or interest therein received for such year ; (c) and

balance only between it and the amount necessary, according to the original by-law, to be levied. Money once carried to the sinking fund, under sec. 231, cannot be withdrawn : it cannot be looked upon as so much in hand towards meeting the liabilities, under the by-law, for the year following.

The course, therefore, recommended is, whenever a surplus is in any year found to exist, to retain to the credit of the special rate account, besides the requirements of the year, a sum equal to the interest of the following year, and then, first, either to carry the balance to the sinking fund account, under sec. 231, or, secondly, to consider it as so much in hand for the next following year, and to reduce the rate of that year so as to make up the deficiency only.

An example may be given:—£100,000 is borrowed in 1858, payable in 1878, interest yearly at 6 per cent. In 1858, it is found with reference to the amount of ratable property in the Municipality that to meet the annual interest and appropriate an annual sum to the sinking fund account, a rate of 1d. in the £ is necessary. In 1860, owing to the increase of ratable property and other causes, after paying the interest and sinking fund appropriation of that year out of the special rate account, a surplus of £8,000 is found to exist at the credit of that account. The interest, for 1861, on £100,000, would be £8,000. Deducting this, there is still an excess of £2,000. This may be either, under sec. 231, transferred to the sinking fund account, or, under sec. 236, considered as money collected towards meeting the engagements of 1861, under the by-law. If the latter, suppose the amount necessary to be raised in 1861 to be £10,000. Here we deduct not only the £8,000 interest already reserved, but £2,000 clear surplus—leaving only £2,000, and *not* £10,000, to be raised by rate. Now, if it required 1d. to raise £10,000, it will only require one-fifth of 1d. to raise £2,000. The rate therefore may, for 1861, under this section, be reduced from 1d. to one-fifth of 1d. Such is the object and operation of the law.

ANTICIPATORY APPROPRIATIONS.

238. In case any Council desires to make an anticipatory appropriation for the next ensuing year, in lieu of the special rate for such year, in respect of any debt, (*g*) the Council may do so (*h*) by By-law, in the manner and subject to the provisions and restrictions following:

(*k*) *Purpose aforesaid*.—See note *i* above.

(*l*) The investment authorized by sec. 232.

(*m*) See sec. 236, and notes thereto.

(*n*) The right of a Municipal Council to take moneys already appropriated, and apply them to purposes different from the original appropriation, is very questionable. Though sometimes done, it ought never to be encouraged. In the case of appropriations to the Sinking Fund account of a debt, it cannot be legally done.

be respectively applied for the interest and for the Sinking Fund appropriation of the debt for such next ensuing year ; (o)

When sufficient the yearly rate may be suspended for the future year.

3. In case the moneys so retained at the credit of the Special Rate account, and so appropriated to the Sinking Fund account, from all or any of the sources above mentioned, are sufficient to meet the Sinking Fund appropriation and interest for the next ensuing year, the Council may then pass a By-law directing that the original rate for such next ensuing year be not levied. (p)

By-law must recite.

The original debt.

The amount paid.

The amount of Sinking Fund yearly

The amount in hand.

The amount required for next year's interest.

And that it is reserved.

By-law to be approved by Governor.

239. The By-law shall not be valid unless it recites : (q)

1. The original amount of the debt, and in brief and general terms, the object for which the debt was created ; (r)

2. The amount, if any, already paid of the debt ;

3. The annual amount of the Sinking Fund appropriation required in respect of such debt ;

4. The total amount, then on hand, of the Sinking Fund appropriations, in respect to the debt, distinguishing the amount thereof in cash in the treasury from the amount temporarily invested ;

5. The amount required to meet the interest of the debt for the year next after the making of such anticipatory appropriation ; (s) and

6. That the Council has retained at the credit of the Special Rate account of the debt, a sum sufficient to meet the next year's interest (*naming the amount of it*), and that the Council has carried to the credit of the Sinking Fund account a sum sufficient to meet the Sinking Fund appropriation (*naming the amount of it*) for such year ; and

7. No such By-law shall be valid unless approved by the Governor-in-Council. (t)

(o) The sources to be one or other of the foregoing.

(p) When the surplus, though not equal to the product of the entire rate for a year, is considerable, a by-law may be passed for the proportionable *reduction* of the rate (sec. 236) ; but when the surplus is sufficient to meet the Sinking Fund appropriation and interest for a year, a by-law may be passed to the effect that for that year the original rate *be not levied*.

(q) This section bears the same relation to sec. 238 that sec. 237 does to sec. 236. The one is for the reduction of the special rate for a year, the other for the cessation of it.

(r) See note y to sec. 226.

(s) See note u to sec. 236.

(t) See note f to sec. 237.

240. After the dissolution of any Municipal Union, the senior Municipality may make an anticipatory appropriation for the relief of the junior Municipality, in respect of any debt secured by By-law, in the same manner as the senior Municipality might do on its own behalf. (*u*)

After the dissolution of a Union, the senior Municipality may relieve the junior by an anticipatory appropriation.

REPORT OF DEBTS TO BE MADE YEARLY.

241. Every Council shall, on or before the thirty-first day January, in each year, transmit to the Governor-General, through the Provincial Secretary, an account of the several debts of the Corporation, as they stood on the thirty-first day of December preceding, (*a*) specifying in regard to every debt of which a balance remained due at that day :

Every Council to make a yearly report of the state of the debts to the Governor &c.

1. The original amount of the debt ;
2. The date when it was contracted ;
3. The days fixed for its payment ;
4. The interest to be paid therefor ;
5. The rate provided for the redemption of the debt and interest ;
6. The proceeds of such rate for the year ending on such thirty-first day of December ;
7. The portion, if any, redeemed of the debt during such year ;
8. The amount of interest, if any, unpaid on such last mentioned day ; and
9. The balance still due of the principal of the debt.

What such report must shew.

242. The form of the account may from time to time be prescribed by the Governor-in-Council. (*b*)

The Governor may prescribe a form of account.

COMMISSIONS OF INQUIRY RESPECTING MUNICIPAL FINANCES.

243. In case one-third of the members of any Council petition for a Commission under the Great Seal, to inquire into the financial affairs of the Corporation and things con-

When a commission of inquiry may issue.

(*u*) An anticipatory appropriation in relief may, it is apprehended, be either one in reduction of the special rate for a given year (sec. 236) or for the cessation of the rate for that year (sec. 238.)

(*a*) The design of this return is to inform the Executive Government yearly of the financial position of each Municipality. The officer whose duty it may be to prepare the return is allowed one month to do so.

(*b*) It is conceived that any form prescribed cannot be better than to afford a column for each item mentioned in sec. 241.

nected therewith, and if sufficient cause be shewn, (c) the Governor in Council may issue a Commission accordingly, and the Commissioner or the Commissioners, or such one or more of them as the Commission empowers to act, shall have the same power to summon witnesses, enforce their attendance, and compel them to produce documents and to give evidence as any Court has in civil cases. (d)

Expenses of
such Com-
missions pro-
vided for.

244. The expense to be allowed for executing the Commission shall be determined and certified by the Minister of Finance or his Deputy, and shall become thenceforth a debt due to the Commissioner or Commissioners by the Corporation, and shall be payable within three months after demand thereof made by the Commissioner, or by any one of the Commissioners, at the office of the Treasurer of the Corporation. (e)

(c) The Commission is not to issue merely upon the petition of one-third of the members of the Council, but upon *sufficient cause shewn*.

(d) The power conferred is one of inquiry, and may be of great advantage to Municipalities, by enabling the Commissioners to enforce the attendance of witnesses and compel them to give evidence (per Richards, C. J., *In re Township of Eldon and Ferguson*, 6 U. C. L. J. 209). It is a public inquiry conducted under a public Act of Parliament, which says nothing about compensation of witnesses, and it would seem that persons called before the Commissioners are not entitled to compensation for expenses or loss of time any more than in the case of a prosecution for a misdemeanor (per Robinson, C. J., in *Municipality of East Nissouri v. Horsman et al.* 16 U. C. Q. B. 567). If it be alleged and proved that the Councillors whose duty it is to give all necessary and reasonable information, maliciously conspired to withhold information, and contrived and intended to cause expense and damage to the Corporation, by increasing the costs and expenses of the Commission, and throw upon the Corporation any costs (s. 244), and it be charged and proved that the Councillors, in pursuance of such contrivance and intention, misconducted themselves to the damage of the corporation, an action on the case may be maintained against them at the suit of the Corporation for the recovery of damages (*Ib.*); and in such an action, where it was shewn that the Clerk absented himself and kept back the books, &c., in collusion with the defendants, and that, in consequence, the costs of the commission, which otherwise would not have exceeded £75 or £100, were increased to £328, it was held that the sum of £250 damages was not excessive. (*Ib.* 18 U. C. Q. B. 31.) There is nothing in the section to prevent the Corporation from suing for money due them (per Richards, J., *In re The Corporation of the Township of Eldon and David Ferguson and Israel Ferguson*, 6 U. C. L. J. 209.) It would be unreasonable to hold that the power to inquire should deprive the Corporation of the right to resort to a more speedy and economical mode of investigating accounts, and of obtaining payment of the amount due when ascertained. (*Ib.*) Besides, there is nothing in the section preventing the Corporation referring their claim to arbitration. (*Ib.*)

(e) The expenses are to be *determined* by the Minister of Finance or

PROVISIONS APPLICABLE TO ALL MUNICIPALITIES
EXCEPT PROVISIONAL CORPORATIONS.

245. The following section applies to all Municipalities, (*f*) Provisional Corporations not included; (*g*) namely:

1. Counties.	4. Towns.
2. Townships.	5. Incorporated Villages.
3. Cities.	

Sections applicable to all except Provisional Councils.

246. The Council of every County, Township, City, Town and Incorporated Village may respectively pass By-laws :

Councils may make By-laws;

OBTAINING PROPERTY.

For obtaining such real and personal property as may be required for the use of the Corporation, and for erecting, improving and maintaining a Hall and any other houses and buildings required by and being upon the land of the Corporation, and for disposing of such property when no longer required ; (*h*)

his Deputy. No appeal of any kind is provided for. When determined, the account may be certified. When certified, the amount of it becomes a debt due by the Municipality to the Commissioner or Commissioners, payable "*within three calendar months after demand.*" The intention appears to be to give three months for payment. If so, it is a debt due, but not payable until three months after demand. When it becomes a debt payable, of course it may be, like any other debt, recovered by action at law. The Corporation, under certain circumstances, may have an action to recover compensation. For such expense see note *d* to sec. 243.

(*f*) To avoid the necessity of repeating similar provisions under the head of each description of Municipality separately, the Legislature, in referring to the Municipalities to which the several sections relate, has grouped the provisions under joint heads. Any Municipality, whether of a county, city, township, town, or incorporated village, can readily find the sections in which it is interested, by observing the leading titles prefixed to groups of sections.

(*g*) These sections, it will be observed, are not made to apply to Provisional Corporations.

(*h*) The powers here conferred are to pass by-laws,

1. For obtaining such real and personal property "as may be required" for the use of the Corporation.
2. For erecting, improving and maintaining a Hall and any other Houses and buildings "required by and being upon the land of the Corporation."
3. For disposing of such property when no longer required.

selves (per The Chancellor in *The Municipality of the Town of Guelph v. The Canada Company*, 4 Grant 654) and if an alienation to a different purpose by a person pretending to have the right to alienate be attempted, the Court of Chancery will interfere by injunction to restrain it. (*Id.*) So if the Municipal Corporation itself be a trustee of land for a public purpose and without authority attempt to alienate it, in breach of the trust for which it is held, the Court of Chancery would interfere by injunction, to restrain the alienation, or if actually made would order a reconveyance. (*Attorney General v. Goderich*, 5 Grant, 402.) Municipal Corporations are under certain circumstances authorized to invest surplus Clergy Reserve moneys in mortgage securities in land, (sec. 272) and in such case if default be made in the payment of the mortgage money the Corporation is entitled to a decree of foreclosure, notwithstanding the statutes of Mortmain, and is not restricted to a decree for sale of the land (*The Municipality of Orford v. Bailey*, 12 Grant 276) and it would also seem that a Municipal Corporation may give time to a debtor and take a mortgage on real estate to secure its payment. (See *Corporation of Belleville v. Judd*, 16 U. C. C. P. 397.)

The power to erect a Hall and other buildings required by the Corporation does not, it is apprehended, include a saw-mill, erected with the avowed intention of benefiting the municipality. (See *The Municipality of the Township of Kintloss v. Stauffer*, 15 U. C. Q. B. 414.) The Court of Queen's Bench refused a rule nisi for a mandamus at the instance of the Justices of the Huron District, to compel the Municipal Council of the Huron District to build a court-house. (*Justices of the Huron District v. The Huron District Council*, 5 U. C. Q. B. 574.) It is undecided whether, if a Municipal Council neglects to repair the steps leading to a court-house, and an individual in consequence thereof falls and loses his life, an action will lie against the Corporation, at the suit of the representatives, under Con. Stat. C. cap. 78. (*Hawkeshaw v. The District Council of the District of Dalhousie*, 7 U. C. Q. B. 590.) A by-law passed by the Municipal Council of Prescott and Russell, to tax the county of Russell alone, for the erection of a registry office for the use of the United Counties, was set aside. (*Smith v. The United Counties of Prescott and Russell*, 10 U. C. Q. B. 282.) The power to dispose of real property acquired for the use of the Corporation when no longer required is also conferred. This includes a Town Hall and the site on which it stands, when it is deemed that a new Town Hall in another situation would be more convenient for the public. (*In re Hawke and the Municipality of Wellesley*, 23 U. C. Q. B. 636.)

(i) It is not here expressed in what manner, that is, whether under corporate seal or otherwise, the officers in this section named are to be appointed. The bill of 1858 when introduced to the House of Assembly, had the words "under the corporate seal;" but these words were afterwards struck out in committee. It has always been a recognised

qualification of the principle which requires the use of the seal, that there are certain small matters of such frequent occurrence in the course of conducting affairs by a Corporation, that it appears to be of necessity that Corporations should be allowed to transact them without going through the formality of a sealed instrument. The hiring of servants to perform their ordinary duties has from a very early period been one of these exceptions. (*Raines v. The Credit Harbour Company*, 1 U. C. Q. B. 174.) Whether the officers named in this section come within the exception is, to say the least of it, doubtful. The old law required such appointments to be under corporate seal (12 Vic. cap. 81, sec. 31, subsec. 5), and the intentment of this subsection, which must be taken in connection with the general words at the commencement of this section, appears to be that the appointment should be by law.

(ii) There is power given to appoint, not only the officers described, but "other officers necessary in the affairs of the Corporation." This opens a door to abuses; but perhaps a restriction to officers named might have worked great inconvenience.

(j) The latter part of this subsection is new. See sec. 222 and notes thereto.

(k) The regulations should be by by-law. If by by-law there would be no question as to their validity in point of form. See note *n* to sec. 191.

(l) The Members of the Boards of Agriculture, and of the Boards of Arts and Manufactures, the Presidents and Vice-Presidents of all lawfully organized County Agricultural Societies, and of all Horticultural Societies, and all subscribers of \$1 annually to the funds of any such society, are in Upper Canada the Agricultural Association of Upper Canada. (Con. Stat. Can. cap. 32, sec. 34.)

(m) An Agricultural Society may be organized in each of the electoral divisions of Upper Canada, &c. (*Ib.* sec. 45).

(o) "The Board of Arts and Manufactures for Upper Canada" is constituted and incorporated by sec. 19 *et seq.* of Con. Stat. Can., cap. 32.

(p) Many institutes are incorporated by special Acts of Parliament.

(pp) The first provision of this kind was enacted in 1838. (See 1 Vic. cap. 21, ss. 15 and 45.)

(q) The reasonableness or unreasonableness of the fine or penalty, so long as within fifty dollars, would appear to be in the discretion of the Municipal Council.

The 210 and 211 sections evidently contemplate that the fine or penalty as well as the term of imprisonment, shall be fixed by the by-law, and looking no further than these provisions, they indicate that the Council should determine both the one and the other. But it may be well urged that a knowledge of the circumstances of each particular case is essential for the exercise of discretion, both as to fine and imprisonment, and that this knowledge could only be obtained by the justice before whom the offender is brought, and that any determination as to the amount of fine or length of imprisonment contained in the by-law, must necessarily be made in ignorance of particular facts which would call for the exercise of discretion. (See *In re Fennell and the Corporation of the Town of Guelph*, 24 U. C. Q.B. 238.)

(r) Refusal to accept office is made penal, by sec. 186. This subsection applies rather to the case of a person who having accepted office, neglects the duties thereof.

(s) The power to make by-laws necessarily supposes the power to enforce them by pecuniary penalties, competent and proportionable to the offence. (Note 1 to sec. 190.)

(t) If there be no distress, imprisonment may follow. (See subsec. 8.)

8. For inflicting reasonable punishment, by imprisonment, with or without hard labour either in a Lock-up-house in some Town or Village in the Township, or in the County Gaol or House of Correction, for any period not exceeding Twenty-one days, for breach of any of the By-laws of the Council, in case of non-payment of the fine inflicted for any such breach, and there being no distress found out of which such fine can be levied, except for breach of any By-law or By-laws in cities, and the suppression of houses of ill-fame, for which the imprisonment may be for any period, not exceeding six months, in case of the non-payment of the costs and fines inflicted and there being no sufficient distress as aforesaid. PUBLIC HEALTH.

248. The Members of every Township, City, Town, and Incorporated Village Council shall be Health Officers within their respective Municipalities, under the Consolidated Statute for Upper Canada, respecting the public health, and under any act passed after this act takes effect for the like purpose; (b) but any such Council may, by By-law, delegate the powers of its members as such Health Officers to a committee of their own number, or to such persons, either including or

Members of Council to be Health Officers.

(u) Imprisonment is not allowable in the first instance. It is only allowed in case of non-payment of the fine inflicted, and where there is no sufficient distress. When inflicted it must be reasonable, that is, be proportionate to the nature and degree of the offence. It must not, however, under any circumstances, exceed twenty-one days, except for breach of a by-law for suppression of houses of ill fame, for which the imprisonment may be for any period not exceeding six months. Touching the

Conditions
on which
only tavern

be granted.

1. For granting tavern license certificates (that is, certificates to obtain licenses for the retail of spirituous, fermented, or other manufactured liquors to be drunk in the inn, ale-house, beer-house, or any other house or place of public entertainment in which the same is sold); and for granting shop licenses (that is, licenses for the retail of such liquors in quantities not less than one quart, in shops, stores, or places other than inns, ale-houses, beer-houses, or places of public entertainment); (i) but no license certificate shall be granted for the retail of such liquors in any tavern, inn, ale-house, beer-house, or place of public entertainment except upon petition praying for the same, and signed by at least thirty of the resident municipal electors of the municipality within which the same is to have effect, nor until the Inspector of Licenses reports that the applicant has all the accommodation required by law; (j) Provided that it shall not be lawful for the Council of any Municipal Corporation,

(g) The delegation, if made, had better be by By-law. See note l to sec. 190.

(h) It is provided by sec. 192, that "every By-law shall be under the seal of the Corporation," &c. This as to By-laws of Townships, Towns and Incorporated Villages, which are corporations, can be readily understood; but is inapplicable to By-laws of Commissioners of Police in Cities, who are not corporations. This section is, as regards tavern and shop licenses, a consolidation of Con. Stats. U. C. cap. 54, sec. 246, as amended by statutes 23 Vic. cap. 53, and 25 Vic. cap. 23.

(i) The word "granting," used in this sub-section, does not, so far as our municipal corporations are concerned, impose the necessity of one Council sitting with a majority of the whole number present to determine on granting or refusing a license to each applicant, and to pass a by-law or by-laws granting licenses to those whose application is acceded to. The appointment of a committee for the purpose would not appear to be illegal. (*In re Bright v. The City of Toronto*, 12 U. C. C. P., 433, S. C. 9 U. C. L. J. 17.) If a license or certificate be improperly granted, the remedy is not by mandamus to compel the revocation of the license or certificate. (*The Queen ex rel. Gamble v. Burnside*, 8 U. C. Q. B. 263.)

Number may be limited.

(*k*) The conclusion of this sub-section is new.

(*l*) A clause in a by-law of a municipal corporation, which cancelled the license of a person convicted of a penalty for the infringement of a by-law, was held to be beyond the authority of the corporation, and a clause rendering such infringement a cancellation of the license was quashed with costs. (*In re Bright and the City of Toronto*, 12 U. C. C. P. 433; S. C. 9 U. C. L. J. 17.)

(*m*) The latter part of this sub-section is taken from sec. 3 of Stat. 23 Vic. cap. 53, and sec. 3 of 25 Vic. cap. 23.

(*n*) This is the same as was sub-section 3 of Con. Stats. U. C. cap. 54, sec. 246.

(*o*) The right of a Municipal Council to name the persons who are to receive licenses is doubtful. (*In re Coyne and The Municipal Council of the Township of Dunwich*, 9 U. C. Q. B. 448.) Where the power was for "limiting the number of persons to whom, and the houses or places for which such licenses should be granted," it was held that the Municipal Council might select the persons as well as limit the number. (*Terry v. The Municipality of the Township of Haldimand*, 15 U. C. Q. B. 380; and see sub-sec. 6 of this section.) A by-law passed under this sub-section, ostensibly to limit the number of tavern or shop licenses, but in reality granting a monopoly to one person, or in effect a prohibitory measure, would be illegal. (*In re Barclay and the Municipality of Darlington*, 12 U. C. Q. B. 86; *In re Graystock and the Municipality of Otonabee*, 12 U. C. Q. B. 458.)

(*r*) The power of a Municipal Council to grant a license for the sale of spirituous liquors to a particular house, and afterwards to prohibit the sale of spirituous liquors in such house on certain days or at certain hours has been doubted. (*Baker and The Municipal Council of Paris*, 10 U. C. Q. B. 621; but see *Bright and The City of Toronto*, 12 U. C. C. P. 433, and section 257 of this act.) The power to prohibit the sale of spirituous liquors in an inn at any time other than mentioned in the statute, has also been doubted. (*In re Barclay and the Municipality of Darlington*, 11 U. C. Q. B. 470, but see sec. 257 of this act.) The power to prohibit the sale to certain classes of people, such as minors, has been denied. (*Baker v. The Municipal Council of Paris*, 10 U. C. Q. B. 621.) But a by-law prohibiting the sale of spirituous liquors to idiots and insane persons has recently been held good. (*In re Ross and The Corporation of the United Counties of York and Peel*, 14 U. C. As to the power by by-law to select the *persons* to whom licenses should be granted, see note *c*, above.

(t) In no municipality shall tavern license certificates be granted in a proportion greater than one for every two hundred and fifty souls resident therein. (Subsec. 4.)

(u) The prohibitory by-law to be valid must be "duly approved by the electors of the Municipality. Of course a majority is all that is required. But it may be argued that a majority of the whole of the electors of the Municipality and not merely a majority of those present at the meetings called for the purpose of approving or disapproving of the by-law is required. (See *McAvey and the Municipality of Sarnia* 12 U. C. Q. B. 99.)

(a) For many years past the duty of £1 16s. sterling imposed by the Imperial Act 14 Geo. III. cap. 88, sec. 5, has been collected under Provincial Statutes or Municipal By-laws by the same Provincial or local authority, and has formed part of the duty paid by the applicant for the same license, which license has not for a long time past been granted by the Governor or Lieutenant Governor. By the Imperial Statute, 1 & 2 Wm. IV., the Imperial Government placed the duties imposed by the 14 Geo. III. cap. 88, entirely at the disposal of the

How Tavern licenses shall be issued.	251. Every Tavern license shall be issued by the Collector of Inland Revenue for the Revenue Division in which the Hotel, Tavern, House, Vessel or place to which the License is to apply shall be situate, and on the production to such Collector of Inland Revenue; in cases of Towns, Townships and Incorporated Villages, of a certificate from the Mayor and Clerk, or Reeve and Clerk, as the case may be; and in cities, of a certificate from the Board of Police Commissioners, that such applicant has complied with the requirements of the Law and of the By-laws of the Municipality or regulations made in that behalf, and that the applicant is therefore entitled to such License for the time for which it is demanded of the Collector of Inland Revenue, and for the Hotel, Tavern, House, Vessel or place mentioned in such certificate, and the Provincial Duty, payable on such License, shall be paid to such Collector of Inland Revenue before he shall deliver such License, and the words "Tavern License" shall mean and include any such License as aforesaid, and no other. Colonial Legislature, and it is not therefore surprising that since that change was made, it was assumed that the license itself for which the duty was still to be paid, need no longer be issued by the Governor or Lieutenant Governor, but might be issued in such manner as the Colonial Legislature might appoint. This being the case it has been held that a person can be no longer legally convicted for selling liquor without a license granted by the Governor or Lieutenant Governor of the Colony, under the Imperial Act 14 Geo. III. cap. 88. (*Andrew v. White*, 18 U. C. Q. B. 170.)

(b) It was held under 16 Vic. cap. 184, sec. 4, which made £10 the maximum limit, that a by-law requiring the payment of £10 over and above the Imperial dues of £2 5s. currency, need not be approved of by the electors. (*In re Harrison and the Town Council of the Town of Owen Sound*, 16 U. C. Q. B. 166.) It was in the same case held that fees directed to be paid to the Treasurer and Inspector, were not to be considered as part of the £10 duty. (*Ib.*)

(c) The collector of Inland Revenue is a Colonial officer, and as such now entrusted with the duty of issuing Tavern licenses:

252. No Tavern or Shop license shall be necessary for selling any liquors in the original packages in which the same have been received from the importer or manufacturer; (*d*) provided such packages contain respectively not less than five gallons, or one dozen bottles. (*e*)

No license required to sell in the original packages.

253. Any person having a Tavern license may, without any additional license, sell liquors by retail to be consumed out of his house, in the same quantities as if to be consumed in the house. (*f*)

Tavern keepers may sell to be consumed out of the house.

254. Every person who keeps a Tavern or other house or place of public entertainment, and has a Tavern license, shall exhibit over the door of such Tavern, House or place, in large letters, the words "licensed to sell Wine, Beer and other Spirituous or Fermented Liquors," under a penalty in default or so doing of one dollar, (*ff*) recoverable with costs before any Justice of the Peace upon the oath of one credible witness, one half of which penalty shall go to the informer and the other half to the Municipality; (*g*) but no person shall sell or barter intoxicating liquor of any kind, without the

Tavern keepers to exhibit notice of being licensed.

No one to sell &c., without license.

He is to do so on the production of a certificate signed by one or other of the officers named, showing,

1. That applicant has complied with the requirements of the law and of the by-laws of the Municipality or regulations made in that behalf.

2. That the applicant is entitled to such license for the time for which it is demanded (and for the Hotel, Tavern, House, Vessel or place mentioned in such certificate.)

The Provincial (formerly Imperial) duty is to be paid to the collector before he deliver the license. See note *a* to sec. 250.

(*d*) Whether manufactured within the Province or not.

(*e*) A tax is intended to be imposed upon those only who sell spirituous liquors, &c., by retail. To sell packages containing less than five gallons or one dozen bottles, is considered retailing.

(*f*) Notwithstanding the right to sell liquors to be consumed in the house of the vendor, the right to do so to be consumed outside of his house was at one time doubted. To remove the doubt, stat. 2 Geo. IV. cap. 8, 1st ses., was passed, and this section is a reenactment of it.

(*ff*) This section contains a duty, and a penalty for neglect of it. The duty is to exhibit over the door of every tavern, &c., licensed, the words mentioned; the penalty for neglect of it is one dollar. It is not, it seems, illegal for a Municipal Council to pass a by-law preventing persons not licensed from exhibiting the words "licensed to sell." (*Bright and the City of Toronto*, 12 U. C. C. P. 433.)

(*g*) It is presumed that when not expressly excluded, an informer would be "a credible witness," within the meaning of sec. 256 of this Act, as to the recovery of penalties.

license therefor by law required, under a penalty of not less than twenty dollars and costs, and not over fifty dollars and costs. (*h*)

Shop licenses not to authorize sale of liquors to be consumed in the house.

255. No licensed Shop-keeper, or other person having a Shop-license shall allow any liquors sold by him and for the sale of which a license is required, to be consumed within his Shop, or within the building of which such Shop is a part, either by the purchaser thereof or by any other person not usually resident within such building under a penalty of ten dollars and costs. (*i*)

Penalties recoverable before two Justices of the Peace.

256. All prosecutions for penalties incurred by persons vending Wine, Rum, Brandy or other Spirituous Liquors, Beer, Ale, Cider, or other fermented or manufactured liquors without License, (*j*) shall be recoverable with costs before any two or more Justices of the Peace having jurisdiction in the Municipality in which the offence is committed, (*k*) upon the oath of one credible witness, one half of which penalty shall go to the informer, and the other half to the Municipality; but in Cities and Towns having a Police Magistrate, the offence shall be tried before such Police Magistrate. (*l*)

Intoxicating liquors not to be sold in Taverns, &c., at certain times.

257. In all places where, by the laws of that part of this Province called Upper Canada, intoxicating liquors are or may be allowed to be sold by wholesale or retail, no sale or other disposal of the said liquors shall take place therein or on the premises thereof, or out of or from the same, to any person or persons whomsoever, from or after the hour of seven of the

(*h*) The first part of the section is directed against licensed Tavern-keepers who sell without having over the door the public notice required, and the latter part is directed against the sale by persons not licensed under any circumstances.

(*i*) Taverns and shops each require licenses for the sale of spirituous liquors. The difference between them, independently of quantity, is, that while a tavern license confers a right to sell liquors to be consumed within the house, the shop license confers no such right.

(*j*) No distinction is made between spirituous liquors and fermented or manufactured liquors. Among the former are classed, as examples, wine, rum and brandy. Among the latter, beer, ale and cider.

(*k*) The penalties are recoverable before two justices of the peace, that is, two at least are required to try and convict. Notwithstanding, it is apprehended that one justice may receive the information, grant a summons or warrant to compel the attendance of witnesses, and do all other acts and matters that may be necessary preliminary to the hearing.

(*l*) The latter part of this section has been inserted to remove a doubt suggested by the editor in the first edition of this Manual.

clock on Saturday night till the hour of eight of the clock on Monday morning thereafter, and during any further time on the said days and any hours on other days during which by any By-law of the Municipality where in such place or places may be situated, the same or the bar-room or bar-rooms thereof ought to be kept closed, save and except in cases where a requisition, for medicinal purposes, signed by a licensed medical practitioner or by a Justice of the Peace, is produced by the vendee or his agent, nor shall any such liquors be permitted or allowed to be drunk in any such places, except as aforesaid, during the time prohibited by this Act for the sale of the same. (m)

Nor shall such liquor be drunk on the premises during the same.

Penalty.
First offence.

(m) A by-law prohibiting the sale of intoxicating liquors on Sunday to all persons, without excepting the sale thereof to travellers and boarders, where sales to travellers and boarders were excepted, was held invalid by statute. (*In re Ross and the Corporation of the United Counties of York and Peel*, 14 U. C. C. P. 171.) A conviction not negating the exceptions of the statute, has been held invalid. (*Mills v. Brown*, 9 U. C. L. J. 246.)

One of the essential points to be attended to in describing an offence in a conviction is, to negative every exemption, excuse or qualification, which accompanies the description of the offence in the enacting clause. Since no plea can be admitted to such a conviction and the defendant can have no remedy against it but from an exception to some defect appearing upon the face of it and all proceedings are had in a summary manner, it is only reasonable that such a conviction should have the highest certainty, and satisfy the Court that the defendant had no such matter in his favour as the statute itself allows him to plead. This consideration would lead to a conclusion that it is necessary to negative all the provisos annexed to the offence, whether by the same or any other clause of the statute as well as those in the enacting clause itself. The rule however seems, as established in practice, to be restricted to those of the latter description only. (Paley's Summary Convictions, 4 edn. 192.) This is not an objection of form but of substance. (p. 193.) The rule therefore and distinction confirmed by the cases seems to be clear, viz., that all circumstances of exemption or modification that are either originally introduced into or incorporated by references to the enacting clause, must be distinctly enumerated and negatived; but that such matters of excuse as are given by other distinct clauses or provisos, need not be specifically set out or negatived (p. 195). But it is now enacted that in all cases of appeal from any order, decision or conviction made or had before any Justice or Justices of the Peace in Upper Canada, under the law relating to summary convictions, the Court to which such appeal is made shall hear and determine the charge or complaint on which such order, decision or conviction shall be made or had upon the merits, notwithstanding any defect of form or otherwise in such conviction. (Stat. 29 & 30 Vic. cap. 50. sec. 1.)

	hard labour in case of conviction, shall be recoverable from and leviabie against the goods and chattels of the person or persons who are the proprietors in occupancy, or tenants or agents in occupancy, of the said place or places, who shall be found by himself or herself or themselves or his, her or their servants or agents, to have contravened the enactment in the preceding section or any part thereof,—for the second offence, a penalty against all such of not less than forty dollars, with costs, or

Limitation of suits.	

(n) The persons made subject to the penalties are "the person or persons who are the proprietors in occupancy, or tenants or agents in occupancy" of the place or places where the offence was committed.

The penalties are graduated in severity in proportion to their frequency. Thus,

1st offence—Not less than \$20, with costs, or 15 days' imprisonment, with hard labour.

2nd offence—Not less than \$40, with costs, or 20 days' imprisonment, with hard labour.

3rd offence—Not less than \$100, with costs, or 50 days' imprisonment, with hard labour.

4th or any after offence—Not less than three months' imprisonment, with hard labour.

(o) The language here is very general. The number of such offences to be ascertained by the production of a certificate, &c., or by "other satisfactory evidence to the Justice, &c."

(p) The meaning is that several offences, though committed on the same day, may be punished each with the minimum penalty described. The increased penalties are only recoverable where the offences are committed on different days.

from the date of the offence, all informations, complaints or other necessary proceedings may be brought and heard before any one or more Justices of the Peace of the County where the offence or offences were committed or done, and the mode of procedure in, and the forms appended to the Act, chapter one hundred and three of the Consolidated Statutes of Canada, for summary proceedings, may be followed as regards the cases and proceedings under this Act. Procedure.

260. The said penalties in money, or any portion of them which may be recovered, shall be paid to the convicting Justice or other acting Justice in the case, and by him paid equally, one half to the informant or complainant, and the other half to the Treasurer of the Municipality where the place or places referred to are situated ; and for the recovery of the said penalties and costs it shall and may be lawful for any Justice or Justices to issue a warrant of distress to any constable or peace officer, against the goods and chattels of the said offender, and in case no sufficient goods be found to satisfy such penalty and costs, then it shall and may be lawful for the said Justice or Justices to order that the person or persons so convicted, be imprisoned in any common gaol in the County or City in which such conviction takes place, for any term not exceeding thirty days, unless the amount of penalty and costs be sooner paid. (*q*) Provision is here made as to the informer ; limitation as to time for prosecution and procedure generally. Thus :

Any person, &c., may be the informant, &c.

All proceedings shall be begun within twenty days from the date of the offence.

All informations, &c., or other necessary proceedings may be brought and heard before any one or more Justices, &c.

The mode of procedure, &c., directed by Con. Stat. Can. cap. 163, may be followed.

(*r*) Two points deserve attention, the distribution of the penalties and mode of enforcing payment.

1. One half of the penalty is to be paid to the informant and the remaining half to the Treasurer of the Municipality.
2. The penalty is to be levied by distress of the goods and chattels of the offender, and if no sufficient goods, then by imprisonment for any period not exceeding 30 days, unless the penalty and costs be sooner paid.

The latter provision must be read as controlled by sec. 258, which see and notes thereto.

INSPECTORS OF LICENSES.

By-laws for appointment of Inspectors of Shop and Tavern Licenses.

262. The Council of every Township, Town, or Incorporated Village, and the Commissioners of Police in every city, may respectively pass By-laws: (t)

1. For appointing annually one or more fit and proper persons, possessing the same property qualification as that required for members of the Council of the municipality, to be Inspectors of Shop and Tavern-licenses, who shall hold office during the current year, and any vacancy occurring during the year shall be filled by the Council or Commissioners of Police, for the remainder of such year; (u)

Inspectors may endorse licenses to authorize sale of liquors elsewhere than in the house described in license.

263. Any Inspector of Licenses may, in his discretion (but subject to any By-law of the Municipality, or Commissioners of Police) endorse on any license, permission to the person holding the license, to sell the liquors mentioned in his License at any place out of his house, or to remove from the house licensed to another house to be described in the indorsement and situate within the same Municipality, and such

(s) The word "liquor" is, when unrestricted, a word of general signification extending to water, milk, sap, juice, &c., but its common application as here used is to spirituous and malt liquors and combinations of drinks which are intoxicating.

(t) This section is for the appointment of inspectors of licenses, and for the regulation of their duties when appointed.

(u) The Court has refused to interfere by *mandamus* to compel inspectors to examine a certain house fitted up by the applicant as a saloon, and to grant him the proper certificate if he should be found to have complied with the by-law of the Municipal Council in that behalf (*In re Baxter v. Hesson et al.*, 12 U.C. Q. B. 139.) So the Court has refused to interfere by *mandamus* to compel the revocation of a certificate for license when granted. (*The Queen ex rel. Gamble v. Burnside*, 8 U. C. Q. B. 263.)

(v) The Inspector may be remunerated by fees. The fees are to be deemed as payment for services rendered, and not to be looked upon as a part of the duty charged for the license. (*In re Harrison and The Town Council of the Town of Owen Sound*, 16 U. C. Q. B. 166.)

(*k*)

(*h*) This is a general power to license victualling houses, &c. It can only be exercised "when no other provision exists therefor." No license is to cost more than \$20.

(*i*) This section appears to extend to all licenses, whether to sell spirituous liquors, keep billiard tables or victualling houses, &c. The object of it is to protect the existence of licenses *bona fide* issued under a by-law, notwithstanding the repeal, alteration or amendment of such by-law.

(*j*) For sums payable to the Provincial Government on licenses to sell spirituous liquors, &c., see note *a* to sec. 250.

(*k*) The powers given are :

1. Upon complaint, &c., to summon the keeper of the inn, &c.
 2. To investigate the complaint summarily.
 3. To dismiss the complaint with costs to be paid by complainant.
 4. Or to convict the keeper of having a riotous or disorderly house.
 5. To annul his license.
 6. Or suspend the same for not more than 60 days.

LAND MARKS AND BOUNDARIES.

268. In case the Council of any Township, City, Town, or Incorporated Village adopts a resolution on the application of one half of the resident landholders to be affected thereby, that it is expedient to place durable monuments at the front or rear of any concession or range or part thereof in the Municipality, or at the front or rear angles of the lots therein, (l) the Council may apply to the Governor in the manner provided for in the sixth to the tenth sections of the Consolidated Statute for Upper Canada respecting the survey of lands, praying him to cause a survey of such concession or range, or such part thereof, to be made, and such monuments to be placed under the authority of the Commissioner of Crown Lands, (m) and the person or persons making the survey shall

Placing land marks and monuments to mark boundaries.

Con. Stat. U. C. cap. 93.

One R. laid an information before G. a Police Magistrate, stating that one P. G. the keeper of a tavern duly licensed, kept a disorderly house, &c., and prayed that a warrant might issue against the said P. G. "and all others found or convened in the house." A warrant was accordingly issued by G. directed to the Chief Constable and all other constables of the City of Toronto, &c., commanding them to apprehend Mrs. P. G. "and all others found and convened in her house to answer, &c." The defendants, except R. and G., went to the house at 9 o'clock on a certain evening and arrested Mrs. P. G. and several other persons, among whom was the plaintiff, a traveller, who went to the house as a guest. There was no disturbance whatever in the house that evening. Plaintiff was non-suited. *Held*, on motion to set aside the nonsuit, that defendant R. having been in no way connected with the arrest of plaintiff, the nonsuit should stand as regards him, but should be set aside and a new trial ordered as to the remaining parties. (*Cleland v. Robinson et al.* 11 U. C. C. P. 416.)

(l) In the absence of such an application and such a resolution as the statute requires to authorize an application to the Governor to cause the survey to be made, the survey would be held wholly unauthorized. (*Cooper v. Wellbanks*, 14 U. C. C. P. 366.) The Court however will presume that everything which was done, was rightly done, until the contrary appear. (*Ib.*) Where it was shown that the application was made, not by one half the resident landholders to be affected by the survey, but by ten freeholders, over half of whom had no deeds for their lands, and that eleven or twelve freeholders who would be affected by the survey, were not parties to the application, the survey was held to be unauthorized. (*Ib.*)

(m) The sixth section of Con. Stat. U. C. cap. 93, recites that in several of the Townships in Upper Canada, some of the concession lines or parts of concession lines, were not run in the original survey performed under competent authority; that the surveys of some concession lines or parts of concession lines had been obliterated, and that owing to the want of such lines the inhabitants of such Townships are subject to serious inconvenience, and for remedy provided that the

269. The Council of every Township, City, Town or Incorporated Village (*p*) may also pass By-laws: (*q*)

PROVISIONS FOR ESTABLISHING BOUNDARIES.

1. For procuring the necessary estimates, and making the proper application for ascertaining and establishing the boundary lines of the Municipality, according to law, in case the same has not been done; and for erecting and providing for the preservation of the durable monuments required to be erected for evidencing the same; (*r*)

County Council of the County in which any Township in Upper Canada is situate, may, on the application of one half the resident landholders, or may without such application, make application to the Governor requesting him to cause any such line to be surveyed and marked by permanent stone boundaries, under the direction and order of the Commissioner of Crown Lands.

(*n*) If the surveyor proceed otherwise than as directed by the statute, the survey will be unauthorized. (*See Tanner v. Bissell et al.*, 21 U.C. Q. B. 553.)

(*o*) All expenses incurred in performing any survey or placing any monument or boundary under the provision of Con. Stat. U. C. cap. 93, must be paid by the County Treasurer, to the person or persons employed in such survey, on the certificate and order of the Commissioner of Crown Lands. (Con. Stat. U. C. cap. 93, sec. 10.) The Council may cause to be laid before them an estimate of the sum requisite to defray the expense to be incurred, in order that the same may be levied on the proprietors of the land in each concession or part of a concession interested, in proportion to the quantity of land held by them respectively in such concession or part of a concession, in the same manner as any other sum required for any other purposes authorized by law may be levied. (*Ib.* sec. 9.) A by-law to levy the amount "from the patented and leased lands" of the townships is bad. (*In re Scott and the Corporation of the County of Peterborough*, 25 U.C. Q.B. 453; *In re Scott and the Corporation of the Township of Harvey*, T. T. Q. B. 1866, not yet reported.) *Semble*, the statute does not authorize the survey of a whole township, but only of some concession or part of a concession therein. (*Ib.*)

(*p*) Neither County Councils nor Police Villages are included.

(*q*) The powers mentioned in sec. 268 may be exercised by resolution, these by by-law.

CRUELTY TO ANIMALS.

5. For preventing cruelty to animals, and for preventing the destruction of birds, the By-laws for these purposes not being inconsistent with any statute in that behalf; (*v*)

Preventing
cruelty to
animals.

(*s*) School Trustees of a Township cannot, without reference to the freeholders, determine upon the site of a school-house, and purchase it, and impose a rate to meet the expense. (*Orr v. Ranney et al.*, 12 U.C. Q. B. 377.)

(*t*) As a rule, the jurisdiction of every Council is confined to the municipality the Council represents. (Sec. 190.) Here an authority beyond the limits of the municipality is given. That authority is to accept or purchase land for public cemeteries, as well within as *without* the municipality. The acceptance or purchase is to be by by-law, declaring in express terms that the land is appropriated for a public cemetery, *and for no other purpose*. When this is done, the land, although without the municipality, becomes part thereof for all purposes of local government.

(*u*) There is no limitation as to the interest to be conveyed. When a Municipality is seized in fee simple, the conveyance may be made either for ever or for years. The power is to "sell" or "lease." The conveyance must be executed under the corporate seal of the Municipal Council.

(*v*) See note *n* to sec. 191.

DOGS.

- Tax on dogs. 6. For imposing a tax on the owners, possessors or harbourers of dogs; (*w*)
- Killing dogs. 7. For killing dogs running at large contrary to the By-laws; (*x*)

FENCES.

- Height and kind of fences. 8. For settling the height and description of lawful fences; (*y*)

DIVISION FENCES.

- Of division fences. 9. For regulating the height, extent and description of lawful division fences; and for determining how the cost thereof shall be apportioned; and for directing that any amount so apportioned shall be recovered in the same manner as penalties not otherwise provided for may be recovered under this Act; but until such By-laws be made, the Act respecting line fences and water courses shall continue applicable to the Municipality; (*z*)

WEEDS.

- Destruction of weeds. 10. For preventing the growth of weeds detrimental to good husbandry; (*a*)

EXHIBITIONS, SHOWS, &c.

- Licensing public shows 11. For preventing or regulating and licensing exhibitions of Wax-work, Menageries, Circus-riding, and other such like shows, usually exhibited by showmen, and for requiring the payment of license fees for authorizing the same, not exceeding one hundred dollars for every such license, and for impos-

(*w*) The common belief is that only the *owners* of dogs are taxable for them. It is here enacted that not only the owner, but the *possessor* or *harbourer* may be taxed.

(*x*) The power is to authorize the *killing* of dogs. No provision is made as to the mode of killing. Poisoning as much as shooting is lawful. The authority to kill of course exists only when the dog is found running at large "contrary to the by-laws." (See *McKenzie v. Campbell*, 1 U. C. Q. B. 241.)

(*y*) The power is to *settle*, that is, to determine by some general regulation the height and description of fences, whether division fences or not.

(*z*) Any fence coming within the meaning of a lawful fence, in any by-law of the Municipal Council in that behalf, is to be considered a lawful fence under this act; and when no such by-law exists, any fence-viewers, when called upon, are to exercise their own judgment, and decide what they consider to be a lawful fence. (Con. Stat. U. C. cap. 57, sec. 2.)

(*a*) It is well to observe that this subsection is in terms confined to "weeds detrimental to good husbandry."

ing fines upon persons infringing such By-laws, and for levying the same by distress and sale of the goods and chattels of such showman, or belonging to or used in such Exhibition, whether owned by such showman or not, or for the imprisonment of such offenders for any term not exceeding one month; (b) Provided always, that it shall not be lawful for the Council of any Municipal Corporation, or the Commissioners of Police in any City, to grant licenses or license certificates to persons having exhibitions of any work or circus-riding, or other shows of a like character, or places of gambling, or to those engaged in traffic in fruits, goods, wares or merchandise of whatever description, for gain, on the days of the exhibition of the Agricultural Association of Upper Canada, or of any County, Electoral Division or Township Agricultural Society, either on the grounds of such Society, or within the distance of three hundred yards from such grounds; (c)

GRAVES.

INJURIES TO PRIVATE PROPERTY AND NOTICES.

13. For preventing the injuring or destroying of trees planted or preserved for shade or ornament; (e)

Ornamental
trees.

(b) There is authority given as well to *prevent* as to regulate and license shows. The maximum license fee of \$100 is much larger than was required under the old law. The regulations, &c., will of course be by by-law. Persons infringing the by-laws are made liable to fine, and the fine is to be levied by distress and sale of the goods and chattels of the showman, or belonging to or used in the exhibition, *whether owned by the showman or not*. Power to imprison for any term not exceeding one calendar month is also given. But this power, it is apprehended, can only be exercised in default of payment of the fine, and of the goods and chattels liable to be levied for the same. (See sec. 246, sub-sec. 8.)

(c) This proviso is new.

(d) It has been held that it is an indictable offence to take up a dead body even for the purpose of dissection. Common decency requires that such a practice should be prevented. The bare idea of it makes nature revolt. It is an offence against decency to take a person's dead body, with intent to sell or dispose of it for gain or profit. It has been held that to sell the dead body of a capital convict for the purpose of dissection, where dissection was no part of the sentence, is a misdemeanor, and indictable at common law. (1 Russell on Crimes, 464.)

STOCK IN.

Taking stock in Gas and Water Companies. 16. For acquiring stock in, or lending money to, any such Company; and for guaranteeing the payment of money borrowed by, or of debentures issued for money so borrowed by, the Company; Provided the By-law is consented to by the electors, as hereinbefore provided. (*h*)

Head of Corporation to be a Director. **270.** The Head of any Corporation holding Stock in any such Company to the amount of ten thousand dollars shall be *ex officio* a Director of the Company in addition to the other Directors thereof, and shall also be entitled to vote on such Stock at any Election of Directors. (*i*)

PROVISIONS APPLICABLE TO TOWNSHIPS AND COUNTIES.

The next following Section applies to Townships and Counties: (*j*)

271. The Council (*k*) of every Township and Coun-

park, pleasure ground, garden, orchard or avenue, or in any ground adjoining or belonging to any dwelling house, the offender, &c., is guilty of a misdemeanor. (Con. Stat. Can. cap. 93, sec. 24.)

(*f*) This is not a criminal offence, that is, not punishable as a misdemeanor.

(*g*) As to the organization of gas and water companies, see Con. Stat. Can. cap. 65.

(*h*) See sec. 196.

(*i*) This section applies only to gas and water companies. See a similar provision in regard to railway companies. (Sec. 351.)

(*j*) See note *f* to sec. 245.

(*k*) The Council is not to be confounded with the Corporation. It is the governing body acting on behalf of the Corporation for the particular year. It is moreover a fluctuating body; the Council for one year not being identical with the Council for another year, and not to be so looked upon even though it should happen to be composed of the same persons (per Robinson, C. J., in *Municipality of East Nissouri v. Horseman*, 16 U. C. Q. B. 583.) The members of the Council are not the Corporation, but the agents of the Corporation for the affairs and

funds of the Corporation. When these agents are proved so to misappropriate the funds of the Corporation as to put the money into their own pockets when not authorized so to do, an action at the suit of the Corporation will lie against them to recover it back, and when that misappropriation is mixed up with what may have been rightfully paid, it is but right in order to operate as a safeguard to the Corporation, to cast the burthen of proof on the agent, to separate from the appropriation he has received, that portion which he would be legally entitled to take (per Burns, J., in *Municipality of East Nissouri v. Horseman*, 16 U. C. Q. B. 588) and it would be well for those who take part in the illegal appropriation of public moneys, to reflect that there is not only a civil but a criminal remedy (per Robinson, C. J., in *Daniels v. The Municipal Council of the Township of Burford*, 10 U. C. Q. B. 481.) The Treasurer should not pay money on any or every draft and order which the Reeve for the time being may direct him to pay. The Township moneys will probably be considered as still in his hands, unless paid out on a proper legal authority, for purposes contemplated and authorized by law, at least until he has received a formal acquittance and discharge from the Municipality. (*The Municipal Council of East Nissouri v. Horseman et al*, 9 U. C. C. P. 191, per Draper, C.J.) Nor should he pay money on an illegal order or resolution, for an act of Parliament should be regarded by him as a higher authority than the resolution or by-law of a corporation created by act of Parliament (per Robinson, C. J., in *Daniels v. The Municipal Council of the Township of Burford*, 10 U. C. Q. B. 481; and if a treasurer so pay money on an illegal order or resolution, he would be probably subject to criminal prosecution (per Robinson, C. J., in *Municipality of East Nissouri v. Horseman*, 16 U. C. Q. B. 580), but not now liable to any action at law for moneys paid by him in accordance with a by-law or resolution of the Council. (Sec. 162.)

(*l*) The power extends to Township and County Councils only. The power was formerly restricted to County Councils. (See *The Queen v. The District Council of the District of Gore*, 5 U. C. Q. B. 357; *In re Wright and the Municipal Council of the Township of Cornwall*, 9 U. C. Q. B. 442.) The Councils of Cities, Towns, and Incorporated Villages are as much as ever without the power.

(*m*) The power when given must be exercised by *by-law*—not by resolution. (See *The Queen ex rel. Allemaing v. Zoeger*, 1 U. C. Prac. R. 219; *Daniels v. The Municipal Council of Burford*, 10 U. C. Q. B. 478.)

(*n*) The power at one time even when possessed by Township and County Councils, was restricted to the remuneration of the Councillors for attendance, at the rate of \$1 50 per diem: (*In re Patterson and the Corporation of the County of Grey*, 18 U. C. Q. B. 189.) The allowance is now increased to \$2 per diem for attendance, and “five cents per mile necessarily travelled to and from such attendance.” This however does not authorize the Councils named, to vote among themselves

INVESTMENT OF MONEYS.

272. From and after the passing of this Act, (o) any Municipal Corporation having surplus moneys derived from the Upper Canada Municipalities Fund, shall have power, by By-law, to set such surplus apart for educational purposes, and to invest the same as well as any other moneys held by such Municipal Corporation for, or by it lawfully appropriated to educational purposes, in first mortgages secured on real estate, held and used for farming purposes, and to be the first lien on or against such real estate, and from time to time as such securities mature, to invest in other like securities, or in the securities already mentioned by law, as may be directed by such By-law, or by other By-laws passed for that purpose; (p) Provided always, that no Municipal Corporation shall invest in such real estate, securities within the limits of its own Municipality, nor shall any sum, so invested, exceed one-third of the value of the real estate on which it is secured, according to the last revised and corrected assessment roll at the time it is so invested. (q)

Appropriation of certain moneys or education.

Investment.

Proviso: as to investment.

Investments already made legalized.

273. And whereas several Municipalities have heretofore invested moneys derived from the said fund and set apart for

lump sums for services during the year (see *Daniels v. The Municipal Council of Burford*, 10 U. C. Q. B. 478; *In re Blaikie and the Corporation of the Township of Hamilton*, 25 U. C. Q. B. 469), or for other unknown or undescribed services. (*Municipality of East Nissouri v. Horseman*, 16 U. C. Q. B. 576.)

(o) This section is taken from sec. 1 of Stat. 27 Vic. cap. 17, which was held not to be retrospective. (*In re Doherty and the Corporation of the Township of Toronto*, 25 U. C. Q. B. 409.)

(p) The section places no restriction upon the remedies of the mortgagees, in the event of default. So that the Municipality, being the mortgagees, are, after default, entitled to a decree of foreclosure and not restricted to a sale of the property, notwithstanding the Statutes of Mortmain. There is probably no serious danger of Municipalities holding land so acquired, to any alarming extent. If it should become a serious evil, the Legislature can cure it at any time by compelling a sale of the lands so acquired. (*The Municipality of Orford v. Bailey*, 12 Grant, 276.)

(q) This proviso is directed against possible abuses, and intended to secure safety of investment. The direction that the sum invested is not to exceed one third of the value of the real estate on which it is secured, according to the last revised and corrected assessment roll at the time the money is invested, is deserving of careful attention. Municipal Councillors are trustees for the rate-payers, and if they disregard the safeguard of this section, so as to commit a breach of trust, they would not only be held civilly responsible to make good the loss, but be liable to a criminal prosecution. (See sec. 277.)

The Board of School Trustees of any City or Town in Upper Canada, having surplus moneys for educational purposes, may invest the same in the purchase of Provincial Consolidated Loan Fund, or Municipal Debentures, or in such securities as are described in the next preceding section, subject to the provisions, conditions, limitations and restrictions therein contained; (*s*) and any By-law or resolution of any such Corporation heretofore made for authorizing any such investment, under which any such money has been so invested, shall be held to be a good and valid By-law or resolution. (*r*) This section is taken from sec. 2 of Stat. 27 Vic. cap. 17. Its design is to ratify past investments. These Municipalities have, as mortgagees, though Corporations, and notwithstanding the Statutes of Mortmain, the same remedies for foreclosure or sale as other mortgagees. See note *p* to sec. 272.

(*s*) The two previous sections make provision for investment of surplus moneys for educational purposes, by Municipal Councils. This section which is taken from sec. 3 of Stat. 27 Vic. cap. 17, confers like powers subject to like restrictions, and it is presumed like remedies, upon the Board of School Trustees of any City or Town in Upper Canada.

(*t*) The former part of the section has reference to prospective investments. The latter part, like sec. 273, has relation only to investments already made.

(*u*) Before this section, which is taken from sec. 4 of Stat. 27 Vic. cap. 17, each Township had power to grant to the Trustees of any School section on their application, authority to borrow any sums of money necessary for specified purposes, in respect to School sites, School Houses and their appendages or for the purpose or erection of a teacher's residence, and in that event was required to cause to be levied in each year upon the taxable property in the section, a sufficient sum for the payment of the interest on the sum so borrowed, and a sum sufficient to pay off the principal within ten years. (Con. Stat. U. C. cap. 64, sec. 35.) By the section here annotated, the Municipal Corporation may not merely give authority to School Trustees to

Any Board of School Trustees may, with the consent of the freeholders and householders of their school section first had and obtained at a special meeting, duly called for that purpose, by By-law authorize the borrowing from any Municipal Corporation of any such surplus moneys as aforesaid, for such term and at such rate of interest as may be set forth in such By-law, for the purpose of purchasing a school site or school sites, or erecting a school house or school houses; and any sum or sums so borrowed shall be applied to that purpose, and to that only. borrow, but itself lend money to the School Trustees within the limits of the Municipality, "for such term or terms and at such rate or rates of interest as may be agreed upon, &c., and "set forth in such by-law." The previous section is restricted to School Trustees "of any City or Town," but this extends to "any Board or Boards of School Trustees within the limits of the Municipality," and which may be a rural as well as a City or Town Municipality.

(a) This section which is taken from sec. 5 of Stat. 27 Vic. cap. 17, seems to flow from the preceding, and to a certain extent to depend upon it. The mere declaration that Municipal Corporations might lend money to Boards of School Trustees would be of little avail, unless the Trustees were empowered, as by this section they are, to borrow. The power is conferred upon the School Trustees, subject to the restriction that they shall procure "the consent of the freeholders and householders of their school section," and this is to be obtained "at a Special meeting duly called for that purpose" (see *Williams v. The School Trustees of Plympton*, 7 U. C. C. P. 559), and can only be exercised for borrowing the money for the purposes specified, viz., "purchasing a school site or school sites or erecting a school house or school houses."

(b) The members of a Municipal Council, or of a Board of School Trustees, are agents for the people whom they represent, with a limited authority, in regard to the borrowing or lending of money as well as in other matters. If they exceed their authority and loss result, they are to be held personally responsible for the loss, and not only so, but

ELECTORAL DIVISIONS.

278. The Council of any city or town may from time to time pass by-laws for dividing the wards of such city or town into two or more convenient electoral divisions, for establishing polling places therein, and for appointing Returning Officers therefor, and may from time to time repeal or vary the same; and the Council of every township or incorporated village may by By-law divide the same into two or more electoral divisions and may from time to time repeal or vary the same. be guilty of a misdemeanor (note *b* to sec. 98) and for such misdemeanor be punished by fine or imprisonment or both, in the discretion of the Court.

(c) The section first relates to the Council of any City or Town, and secondly, to the Council of every Township or Incorporated Village.

The former (City or Town) may from time to time, pass by-laws:

1. For dividing the wards into two or more convenient electoral divisions.

2. For establishing polling places therein.

3. For appointing Returning Officers therefor.

And may from time to time repeal or vary the same.

The latter (Township or Incorporated Village) may by by-law:

Divide the Township or Village into two or more electoral divisions. And may from time to time repeal or vary the same.

(d) The Legislature here in a few words have enabled, but not required Township Councils, to raise money by rate for the support of the poor resident in the Township. Though the Legislature have given full authority to Township Councils of their own motion to raise a rate for the resident poor, they have left a discretion to be exercised in regard to the necessity of such a rate. In England the 43 Eliz. cap. 2, makes it the duty of Justices to provide for the relief of the poor. The words used in the English act are, "Shall and may make a rate," and then provides for overseers of the poor who have power to call for and administer the necessary funds. We have no such organization in Upper Canada. It is not therefore competent for our Courts to proceed upon the case of any individual applicant, for it does not rest with the Courts to dictate to Municipal Councils, what particular cases of distress call for public relief (per Robinson, C.J., in *Re McDougall and the Corporation of the Township of Lobo*, 21 U. C. Q. B. 80; S. C., 7 U. C. L. J. 316.)

obstructions of streams, &c. courses, by trees, brushwood, timber or other materials, and for clearing away and removing such obstructions at the expense of the offenders or otherwise, and for levying the amount of such expense in the same manner as taxes are levied, and for imposing penalties on parties causing such obstructions. DRAINAGE IN TOWNSHIPS.

Drainage. **281.** In case a majority in number of the resident owners of the property in any part of a township do petition the Council for the deepening of any stream, creek or water-course, or for draining of the property (*describing it*), the Council may procure an examination to be made by a competent engineer, or other competent person, of the stream, creek or water-course proposed to be deepened, or of the property proposed to be drained, and may procure plans and estimates to be made of the work by such engineer or person. (f)

Plans and estimates.

By-law. **282.** If the Council be of opinion that the deepening of such stream, creek or water-course, or the draining of the locality described, would greatly benefit the township, the Council may pass a by-law : (g)

(e) The by-laws may be for the following purposes :

1. For preventing the obstruction of streams, &c.
2. For clearing away and removing such obstructions, at the expense of the guilty parties, or otherwise.
3. For levying the amount of such expense in the same manner as taxes are leviable.
4. For imposing penalties on parties causing such obstructions.

These powers in many respects resemble the provisions of 10 & 11 Vic. cap. 20, continued by 22 Vic. cap. 81 ; and see 3 Wm. IV. cap. 28, sec. 1 ; 2 Vic. cap. 16, secs. 1 & 4 . 7 Vic. cap. 36 ; and 14 & 15 Vic. 123.

(f) The power to act is here made dependent on " a majority in number of the resident owners of the property in any part of the township " petitioning the Council for the deepening of any stream or water-course, or for draining of the property (*describing it*). When it is the joint interest of parties resident to open a ditch or water-course, for the purpose of letting off surplus water from swamps or low miry lands, in order to enable the owners or occupiers thereof to cultivate or improve the same, such parties must open a fair proportion of such ditch or water-course, according to their several interests. (Con. Stat. U. C. cap. 57, sec. 7.) All disputes respecting the opening, making or paying for ditches and water-courses, may be decided by fence-viewers. (Ib. sec. 8.) Councils of counties may purchase wet lands, drain the same, and afterwards effect sales thereof. (Sec. 345, sub-secs. 5, 6, 7, 8.)

(g) When a majority in numbers of the resident owners, &c., petition for the draining, &c., the Council may procure an examination to be made by a competent engineer, &c., and may procure plans and esti

3. For regulating the time or times and manner in which the assessment shall be paid ; (*j*) Time of paying.

(*h*) See note *f* to sec. 281.

(*i*) The principle of assessing real property in a particular locality immediately benefited by a local improvement, where other parts of the municipality are unaffected by it, is just and reasonable.

(*j*) The *time or times* and *manner* in which the assessment is to be paid, may be regulated by the by-law. No limitation is here made as to either.

(*k*) The Council are, through the engineer, &c., to ascertain and determine what real property will be immediately benefited, &c., and the proportions in which the assessment should be made, &c. (see *In re Michie and the City of Toronto*, 11 U. C. C. P. 384), *subject to an appeal* to the County Judge, &c. It is not clear that the appeal is given from the determination as to the property immediately benefited, but rather, probably, from the proportions in which the assessment should be made. The point is doubtful, and as yet undecided.

sec. 281, is taken as sufficient evidence of the popular wants and popular will.

(*m*) Township officers have not, as a rule, any jurisdiction or power beyond the limits of their township. An exception is here created, whenever necessary "to continue the deepening or drainage beyond the limits." This sub-section is new.

(*n*) Not only is there power given to the township engineer to deepen a drain, or drain beyond the limits of his particular township, but but, when his doing so is a benefit to the adjoining municipality, the duty is thrown upon that municipality to pay such a proportion of the cost of the work as the engineer may deem just; and it is provided that the amount so charged "shall be paid out of the general funds of such municipality." The provision is a new one.

(*o*) The powers of the engineer are extensive, and among others "to charge the lands to be benefited by the work, as provided herein."

The Corporation of the township in which the deepening or drainage is to be commenced, shall serve the head of the Corporation of the municipality into which the same is to be continued, or whose lands or roads are to be benefited, without the deepening or drainage being continued, with a copy of the report, plans and specifications of the engineer, when necessary, so far as they affect such last mentioned municipality, and unless the same is appealed from, as hereinafter provided, it shall (q) be binding on the Corporation of such municipality;

Notice by the municipality in which the work is commenced to the other.

11. The Corporation of such last mentioned municipality shall, within four months from the delivery to the head of the Corporation of the engineer's report, as provided in the next preceding sub-section, pass a by-law, in the same manner as if a majority of the resident owners of the lands taxed had petitioned, as provided in the two hundred and eighty-first section of this Act, to raise such sum as may be named in the engineer's report, or, in case of an appeal, for such sum as may be determined by the arbitrators; (r)

Duty of such other municipality

12. The Council of the municipality into which the deepening or drainage is to be continued, or whose lands, road or roads are to be benefited without the deepening or drainage being carried within its limits, may, within thirty days from the day on which they receive the report, appeal therefrom, in which case they shall serve the head of the Corporation from which they received the report, with a notice of appeal; such notice shall state the grounds of appeal, the name of an engineer as their arbitrator, always the place, day and hour of meeting of the arbitrators; provided always, that not less than twenty days' notice of such meeting shall be given; (s)

be maintained, and this sub-section enables him to direct "whether or not it shall be * * maintained at the expense of both municipalities, and in what proportion." This sub-section, like the three preceding sub-sections, is new.

(q) The Corporation, upon whom the copy of report, plans and specifications are served, must, within thirty days, appeal, as provided in subsection 12 of this section, or else will be fixed with the decision of the engineer.

(r) See sec. 281, and notes thereto.

(s) A time is limited within which the appeal, to be effectual, must be made, *i. e.*, "within thirty days from the day on which they receive the report;" and further, to make the appeal effectual, there must not be less than "twenty days' notice," showing:

1. The grounds of appeal.
2. The name of the engineer as an arbitrator.
3. The place, day and hour of meeting of the arbitrators.

- Arbitrator on part of Corporation appealed against. 13. The Corporation on which such notice is served shall, within fifteen days from the day on which the notice was served upon them, appoint an engineer to be arbitrator on their behalf; and in case of default the arbitrator shall, within ten days, be named by the Judge of the County Court of the county in which such municipality making default is situate; (*t*)
- Meeting of arbitrators. 14. The arbitrators so appointed shall meet on the day and at the place appointed, or on such other day, not later than thirty days thereafter, as they themselves may agree upon.
- Third arbitrator; hearing and award, copies to be filed, &c. 15. The arbitrators shall choose a third arbitrator, and shall then hear and determine the matter in dispute, and make their award in triplicate, which shall be binding on all parties, and one copy thereof shall be filed with the Clerk of each of the municipalities interested, and one shall be filed with the Registrar of deeds for the county in which either of the townships is situate; (*u*)
- Duties of municipalities after the drainage is completed. 16. After such deepening or drainage is fully made and completed, it shall be the duty of each municipality to preserve, maintain and keep the same within its own limits; and any such municipality neglecting or refusing so to do, upon reasonable notice in writing being given by any party interested therein, shall be liable to an indictment for such neglect or refusal, as well as to pecuniary damages to any person who, or whose property, shall be injuriously affected thereby. (*v*)

INSPECTORS OF WEIGHTS AND MEASURES.

Inspectors of of weights and measures; their powers. **283.** The Council of every County, City and Town may pass By-laws: (*a*)

1. For appointing Inspectors to regulate weights (*b*)

(*t*) The dissatisfied Municipal Corporation first appoints its arbitrator; then the opposing Municipal Corporation must, within fifteen days, appoint an engineer as its arbitrator.

(*u*) It is intended that the third arbitrator shall be appointed before any of the arbitrators act on the reference.

(*v*) See note *n* to this section.

(*a*) The preceding sections (secs. 280, 281, 282) apply to Township Councils only; the section here annotated to the Council of "every county, city and town."

(*b*) The power to appoint Inspectors of Weights and Measures was at first vested in the magistrates in quarter sessions. (4 Geo. IV. cap. 16, sec. 6, 1 sess.) The Legislature afterwards assumed that the power was transferred to Municipal Councils (12 Vic. cap. 85, sec. 12), but in 1855 removed all doubt on the point by passing an act expressly giving the power to each county and city. (18 Vic. cap. 135, sec. 1.) By the act here annotated, the power is in addition conferred upon the Councils of towns.

and measures, according to the lawful standard; (*c*)

2. For visiting all places wherein weights and measures, steelyards or weighing machines of any description are used; (*d*)

3. For seizing and destroying such as are not according to the standard; (*e*)

4. For imposing and collecting penalties upon persons who are found in possession of unstamped or unjust weights, measures, steelyards or other weighing machines; (*f*)

PUBLIC MORALS.

284. The Council of every County, City and Town may also pass By-laws:

By-laws
for other
purposes.

1. For preventing the sale or gift of intoxicating drink to a child, apprentice or servant, without the consent of a parent, master or legal protector; (*g*)

Giving drink
to children,
&c

(*c*) In 1823, the Legislature set apart the sum of £75 towards purchasing a complete set of weights and measures for Upper Canada, according to the standard of the Exchequer in England (4 Geo. IV. cap. 16, sec. 2, 1 sess.), which standard was directed to remain in the custody of the Secretary of the Province. (*lb.*) Upon the application of the magistrates in quarter sessions assembled in any district, the Secretary, at the cost of the district, was bound to furnish to the district a true standard of weights and measures (*lb.* sec. 3; these to be deposited with District Inspectors. (*lb.* sec. 4.) Provision was afterwards made, allowing the municipality of any city, town or incorporated village appointing an Inspector of Weights and Measures, to adjust weights and measures for the use of such city, town or incorporated village, by the standard weights and measures in the possession of the District or County Inspector. (12 Vic. cap. 85, sec. 12.) Incorporated villages are no longer in terms empowered to do so; for the section here annotated applies only to "counties, cities and towns."

(*d*) It is necessary that weights and measures should be "according to the lawful standard," and in aid of this enactment power is given for visiting "all places where weights and measures of any description are used."

(*e*) The power to visit places where weights and measures, &c., are used, would be of little value as a preventive measure, were it not for the subsection here annotated, for "seizing and destroying such as are not according to the standard."

(*f*) Powers such as the foregoing were at one time directly given to Inspectors (4 Geo. IV. cap. 16; 3 Vic. cap. 17); they are now transferred to the Council of "every county, city and town," to be exercised "by by-law."

(*g*) The by-law may be passed to prevent the *sale* or *gift* of intoxicating drink to the classes mentioned, unless under the circumstances directed, that is, to a child, apprentice or servant, with the consent of the parent, master or legal protector, and not otherwise. As to the general power to regulate, limit or prohibit the sale of spiritous liquors to people generally, see sec. 249.

Indecent
placards, &c.

2. For preventing the posting of indecent placards, writings or pictures, or the writing of indecent words, or the making of indecent pictures or drawings, on walls or fences in streets or public places; (*h*)

Drunken-
ness, &c.

3. For preventing vice, drunkenness, profane swearing, obscene, blasphemous or grossly insulting language, and other immorality and indecency in streets, highways or public places; (*i*)

Lewdness.

4. For suppressing disorderly houses and houses of ill-fame; (*j*)

Racing.

5. For preventing horse-racing; (*k*)

Exhibitions,
&c.

6. For preventing or regulating and licensing exhibitions held or kept for hire or profit, bowling alleys, and other places of amusement; (*l*)

(*h*) The things which may be prevented by by-law, under this subsection are the following:

1. The posting of indecent placards, writings or pictures.
2. The writing of indecent words.
3. The making of indecent pictures or drawings.

A thing may be said to be "indecent" when offensive to modesty or delicacy.

(*i*) The offences here enumerated are classed "immorality and indecency." The power is to pass a by-law to prevent vice, drunkenness, &c., and *other* immorality and indecency in streets, highways or public places. Immorality or indecency in this sense may be defined as something unbecoming—not fit to be seen or heard—any action or behaviour which is deemed a violation of modesty, or an offence to delicacy, as wanton actions, obscene language, and generally whatever shocks or tends to excite a blush in a spectator.

(*j*) It is clearly agreed that keeping a bawdy house is a common nuisance, as it endangers the public peace by drawing together dissolute and debauched persons. As such, it is indictable. (1 Russell on Crimes, 322.)

(*k*) The power is to *prevent* horse-racing. The former act was to "prevent or regulate." Horse-racing is not under all circumstances illegal. (Oliphant on Horses, 283.) No person is, however, permitted by the law to run a horse at a race unless it is his own, nor to enter more than one horse for the same "plate," upon pain of forfeiting the horses. (13 Geo. II. cap. 19.) No party can recover a wager on a horse race that is illegal within the statute. (*Sheldon v. Law*, 3 U. C. O. S. 85.) The proprietor of a race-course is not responsible for the "purse," unless upon clear proof of an express understanding to that effect. (*Gates v. Tinning*, 3 U. C. Q. B. 295.) Nor has the winner a right to recover back his "entrance money," because the purse has not been paid over to him. (*Id.*)

(*l*) Townships and incorporated villages have power to pass by-laws to prevent or regulate circus-riding and other shows (sec. 269, subsec. 11), though not empowered to pass by-laws under the clause here annotated.

7. For suppressing gambling houses, and for seizing and destroying faro-banks, rouge et noir, roulette tables, and other devices for gambling found therein; (*m*) Gaming.

8. For restraining and punishing vagrants, mendicants and persons found drunk or disorderly in any street, highway or public place; (*n*) Vagrants.

9. For preventing indecent public exposure, of the person, and other indecent exhibitions; (*o*) Indecent exposure.

10. For preventing or regulating the bathing or washing the person in any public water, near a public highway; (*p*) Bathing.

PROVISIONS APPLICABLE TO COUNTIES, CITIES AND TOWNS SEPARATED FROM COUNTIES.

285. The following sections, numbered from two hundred and eighty-six to two hundred and eighty-eight, both inclusive, shall apply to the following Municipalities: (*q*) Extent of section to—

1. Counties;
2. Cities;
3. Towns separated from Counties.

(*m*) All common gaming houses are nuisances in the eye of the law, being detrimental to the public, as they promote cheating and other corrupt practices, and entice numbers of persons to idleness, whose time might be otherwise employed for the good of the community. (1 Hawke, P. C. cap. 75, sec. 6.)

(*n*) The ancient statutes contain very severe regulations as to vagrants. (22 Hen. VIII. cap. 12; 27 Hen. VIII. cap. 25; 1 Edw. VI. cap. 3; 3 & 4 Edw. VI. cap. 16; 14 Eliz. cap. 5; 18 Eliz. cap. 3; 35 Eliz. cap. 7; 13 & 14 Car. 2, cap. 12, sec. 23; 12 Anne, st. 2, cap. 23; 13 Geo. II. cap. 24; 17 Geo. II. cap. 5.) The last mentioned act (17 Geo. II. cap. 5) divides vagrants into three classes: first, idle and disorderly persons; second, rogues and vagabonds; and, third, incorrigible rogues.

(*o*) In general, all open lewdness, grossly scandalous, is punishable by the common law; and it appears to be an established principle, that whatever openly outrages decency, and is injurious to public morals, is a misdemeanor. (1 Russell on Crimes, 326.)

(*p*) It has been held an indictable offence for a man to undress himself on the beach and to bathe in the sea near inhabited houses, from which he might have been distinctly seen, although the houses had been recently erected, and until their erection it had been usual for men to bathe in greater numbers at the place in question. (*The King v. Crunden*, 2 Camp. 89.) The judge ruled, that whatever place becomes the abode of civilized men, there the laws of decency must be enforced. (*Ib.*)

(*q*) See note *f* to sec. 245.

286. The Council of every County, City and Town separated from the County for Municipal purposes, may respectively pass By-laws for the following purposes :

ENGINEERS—INSPECTORS.

1. For appointing, in addition to other officers, one or more Engineers, and also one or more Inspectors of the House of Industry, also one or more Surgeons of the Gaol and other institutions under the charge of the Municipality, and for the removal of such officers ; (r)

AUCTIONEERS.

2. For licensing, regulating and governing Auctioneers and other persons selling or putting up for sale goods, wares, merchandise or effects by public auction ; and for fixing the sum to be paid for every such license, and the time it shall be in force. (s)

HAWKERS AND PEDLERS.

3. For licensing, regulating and governing hawkers or petty chapmen, and other persons carrying on petty trades, who have not become householders or permanent residents in the county or city, or who go from place to place, or to other men's houses, on foot, or with any animal bearing or drawing any goods, wares or merchandise for sale, or in or with any boat, vessel or other craft, or otherwise, carrying goods, wares or merchandise for sale, and for fixing the sum to be paid for a license for exercising such calling within the county or city, and the time the license shall be in force ; and for providing the Township Clerks with licenses in this and the preceding section mentioned, for sale to parties applying for the same in the township under such regulations as may be prescribed in such By-law ; (t)

FERRIES.

4. For regulating Ferries between any two places in the Municipality ; and establishing the rates of ferriage to be

(r) The officers whose appointment is authorized are :

1. Engineers.
2. Inspectors of Houses of Industry.
3. Surgeons of Gaols.

(s) From the earliest times, a duty as a source of revenue has been placed on auctioneers. The license is generally an annual one.

(t) In England, statutes were passed at an early period for the regulation of hawkers, pedlars, and petty chapmen (8 & 9 Wm. III. cap. 25 ; 9 & 10 Wm. III. cap. 25 ; 29 Geo. III. cap. 26) ; and in Upper Canada as early as 1816. (56 Geo. III. cap. 34.)

taken thereon; but no such By-law as to ferries shall have effect until assented to by the Governor-in-Council. (*u*)

287. Until the Council of the County or City pass a By-law regulating such Ferries, and in the cases of Ferries not between two places in the same Municipality, the Governor by Order in Council may from time to time regulate such ferries respectively and establish the rates to be taken thereon, in accordance with the Statutes in force relating to Ferries. (*a*)

When there is no by-law.

288. The Council of every County, City and Town separated from the County for Municipal purposes, may pass By-laws for the following purposes :

By-laws may be made by Cities and Counties for

LANDS FOR GRAMMAR SCHOOLS.

1. For obtaining in such part of the county, or of any city or town separated within the County, as the wants of the people may most require, the real property requisite for erecting County Grammar School-houses thereon, and for other Grammar School purposes, and for preserving, improving and repairing such School-houses, and for disposing of such property when no longer required; (*b*)

Purchase of lands for Grammar Schools.

AIDING GRAMMAR SCHOOLS.

2. For making provisions in aid of such Grammar Schools as may be deemed expedient; (*c*)

Aiding such school.

(*u*) *Ferries*.—See sec. 221, and notes thereto.

(*a*) See sec. 221 and notes thereto.

(*b*) In 1807, an appropriation was made by the Legislature for the support of a public school "in each and every district" of Upper Canada, to be kept in places named. (47 Geo. 3, cap. 6.) This act was repealed, in 1853, by an act intituled "An Act to amend the law relating to Grammar Schools." (16 Vic. cap. 186, sec. 17.) The latter enacted that the Grammar Schools then existing should be continued at the places where they were respectively held, but authorized the Board of Trustees of each such school to change the places. (*Ib.* sec. 15.) As to Grammar Schools established after 14th June, 1853, the places may be changed by the County Council of the County within which the school is established. (*Ib.*) The Trustees are also authorized in certain cases to surrender to the Crown lands unsuitable for school sites, with a view to other sites. (18 Vic. cap. 121.) The Legislature, in 1858, made a grant for the establishment of a model grammar school. (18 Vic. cap. 132.)

(*c*) The Council of each County, City, Township, Town, or Incorporated Village is authorized by Con. Stat. U.C. cap. 63, sec. 16, from time to time to levy and collect, by assessment, such sum or sums of money as it may deem expedient to purchase the site or sites, or to rent, build, repair, furnish, warm and keep in order a grammar school house or houses, for providing the salary of the teacher or teachers, and all other necessary expenses of such county grammar school or schools. (Sec. 16.)

PUPILS COMPETING FOR UNIVERSITY PRIZES.

Grammar school pupils competing for University prizes.

3. For making a permanent provision for defraying the expense of the attendance at the University of Toronto, and at the Upper Canada College and Royal Grammar School there, of such of the pupils of the Public Grammar Schools of the county as are unable to incur the expense, but are desirous of, and in the opinion of the respective Masters of such Grammar Schools, possess competent attainments for competing for any Scholarship, Exhibition or other similar Prize, offered by such University or College; (*d*)

Attendance at Grammar Schools.

4. For making similar provision for the attendance at any County Grammar School, for like purposes of Pupils of Common Schools of the County; (*e*)

ENDOWING FELLOWSHIPS.

Endowing Fellowships.

5. For endowing such Fellowships, Scholarships or Exhibitions, and other similar Prizes, in the University of Toronto, and in the Upper Canada College and Royal Grammar School there, for competition among the Pupils of the Public Grammar Schools of the County, as the Council deems expedient for the encouragement of learning amongst the youth thereof. (*f*)

PROVISIONS APPLICABLE TO COUNTIES ONLY.

Extent of certain sections to—

289. The following sections, numbered from two hundred and ninety to two hundred and ninety-four, apply to Counties only. (*g*)

SEPARATE IMPROVEMENTS BY UNITED COUNTIES.

Enabling one of United Counties to raise money for improvements.

290. The Councils of United Counties may make appropriations and raise funds, to enable either county separately to carry on such improvements as may be required by the inhabitants thereof. (*h*)

(*d*) The provision to be made may be a permanent one. But it must not be for attendance at any other institution than that of the University of Toronto and Upper Canada College and Royal Grammar School.

(*e*) None are entitled to receive the benefit of the provision unless those who are themselves unable to incur the expense.

(*f*) Fellowships, Scholarships, or Exhibitions, endowed under this clause, are to be for competition among the pupils of the public Grammar Schools of the County.

(*g*) See note *f* to sec. 245.

(*h*) Such appropriations, &c., to be subject to all formalities and regulations or appropriations made for the use of the United Counties (Sec. 292.)

291. Whenever any such measure is brought under the notice of the Council of any United Counties, none but the Reeves and Deputy Reeves of the County to be affected by the measure shall vote; except in case of an equality of votes, when the Warden, whether a Reeve or Deputy Reeve of any portion of the County to be affected by the measure or not, shall have the casting vote. (*i*)

Reeves of the County interested only to vote for.

Exception

292. In all other respects, all the provisions of this Act giving such privileges and making provision for the payment of the amounts appropriated, whether to be borrowed upon a loan or to be raised by direct taxation, shall be adhered to. (*j*)

Provisions of this Act for repayment to apply.

293. The Treasurer of the United Counties shall pay over all sums so raised and paid into his hands by the several Collectors, without any deduction or percentage. (*k*)

Treasurer to pay over moneys, without deduction.

294. The property to be assessed for the purposes contemplated in the four last preceding sections of this Act, shall be the same as the property assessed for any other county purpose, except that any sum to be raised for the purposes of one county only, or for the payment of any debt contracted for the purposes of one county only, shall be assessed and levied solely upon property assessed in that county, and not upon property in any other county united with it, and any debenture that may be issued for such purposes may be issued as the debenture of the said one county only, and shall be as valid and binding upon that county as if that county were a separate Municipality, but such debenture shall be under the seal of the United Counties, and be signed by the Warden thereof. (*l*)

In such cases the property of the County interested is alone to be assessed.

(*i*) The improvements must be such as are required by the inhabitants of one of the United Counties. The desire for them may be signified to the Council of the United Counties, by the Reeves, &c., of the County to be affected. When brought before the notice of the Council, composed as it will be of Reeves and Deputy Reeves of the United Counties, none except the Reeves and Deputy Reeves of the County to be affected by the measure are to vote. Provision is also made for the casting vote of the Warden, whether a Reeve from such county or not.

(*j*) See sec. 225 *et seq.*

(*k*) It is not said to whom the Treasurer is "to pay over;" but it is apprehended only to persons directly entitled to receive, such as contractors, &c., for work done.

(*l*) This is for the purposes intended, to effect as it were a separation *pro tanto* of United Counties without severing the Union.

PROVISIONS APPLICABLE TO CITIES, TOWNS AND INCORPORATED VILLAGES.

Extent of section 295. **295.** The following section applies to the following Municipalities: (*m*)

1. Cities,
2. Towns, and
3. Incorporated Villages.

By-laws may be made— **296** The Council of every City, Town and Incorporated Village (*n*) may respectively pass By-laws (*o*) for the following purposes :

HARBOURS, DOCKS, &c.

For the cleanliness of Wharves, docks, &c.

1. For regulating or preventing the encumbering, injuring or fouling, by animals, vehicles, vessels or other means, of any public wharf, dock, slip, drain, sewer, shore, bay, harbour, river or water (*p*)

For removal of door steps, &c.

2. For directing the removal of door steps, porches, railings, or other erections, or obstructions projecting into or over any wharf, dock, slip, drain, sewer, bay, harbour, river or water or the banks or shores thereof, at the expense of the proprietor or occupant of the property connected with which such projections are found; (*q*)

Wharves, docks, &c.

3. For making, opening, preserving, altering, improving and maintaining public wharves, docks, slips, shores, bays, harbours, rivers or waters and the banks thereof; (*r*)

For regulating harbours &c.

4. For regulating harbours; for preventing the filling up or encumbering thereof; for erecting and maintaining the necessary beacons, and for erecting and renting wharves, piers and docks therein and also floating elevators, derricks,

(*m*) See note *f* to sec. 245.

(*n*) Counties are not named, and of course are not empowered to pass by-laws for the purposes mentioned.

(*o*) *By-laws*.—See note *l* to sec. 190.

(*p*) The clause is restricted to *public* wharves, docks, &c. *Private* wharves, &c., owned by private companies, are in such matters generally regulated by the owners. In 1853, an act was passed which provides for the formation of companies for the construction of piers, wharves, dry-docks, &c. (16 Vic. cap. 124; Con. Stats. U. C. cap. 50.)

(*q*) The power is to do more than to cause the projections to be removed; for it is to direct the removal "at the expense of the proprietor or occupant of the property connected with which such projections are found."

(*r*) Here, as above, the power is restricted to *public* wharves, &c.

cranes and other machinery suitable for loading, discharging or repairing vessels; for regulating the vessels, crafts and rafts arriving in any harbour; and for imposing and collecting such reasonable harbour dues thereon as may serve to keep the harbour in good order, and to pay a Harbour Master; (s)

WATER.

5. For establishing, protecting and regulating public wells, reservoirs and other conveniences for the supply of water, and for making reasonable charges for the use thereof; and for preventing the wasting and fouling of public water; (t)

For supplying water, &c.

MARKETS.

6. For establishing markets; (u)

Markets.

7. For regulating all markets established and to be established; the places however already established as markets in such Municipality, shall continue to be markets, and shall still retain all the privileges thereof until otherwise directed by competent authority; and all market reservations or appropriations heretofore made in any such Municipality, shall continue to be vested in the Corporation thereof; (v)

For regulating markets.

Old markets continued.

(s) This sub-section only authorizes the imposition of reasonable rates on vessels and other craft, for the purpose of cleaning and repairing harbours and paying a harbour-master, and does not sanction the levying of such duties for the revenue purposes of the Municipality to which the harbour belongs. (*In re Campbell and the Corporation of the City of Kingston*, 14 U. C. C. P. 285.) There is a general act for the formation of companies for the construction of harbours (Con. Stats. U. C. cap. 50.) The harbour of Toronto is under the control of commissioners. (13 & 14 Vic. cap. 80.)

(t) So here it may be said that the sub-section only authorizes the making of reasonable charges for the use of water, and does not sanction the making of such charges for the purposes of revenue. There is also a general act providing for the formation of incorporated Joint Stock Companies for supplying cities, towns, and villages with water. (Con. Stats. Can. cap. 65.)

(u) The *establishment* of public marts or places of buying and selling, such as markets and fairs, with the tolls thereunto belonging, is enumerated by Blackstone as one of the Royal prerogatives. In Upper Canada it is frequently exercised as to fairs.

(v) The power is to regulate *all* markets established, apparently including those established by the Crown as well as those established by Municipal authority. Regulation must of necessity include the appropriation of one or more parts of the market for one purpose and other part or parts for other purposes; of providing that free passage through the market be kept open for ready access to shops, stalls, or other places where different commodities are exposed for sale. (Per Draper, C. J., in *Kelly and the Corporation of the City of Toronto*, 23 U. C. Q. B. 426.)

| Regulating vending in streets. | 8. For preventing or regulating the sale by retail in the public streets, of any meat, vegetables, fruit or beverages; (<i>w</i>) |
| Vending in open air. | 9. For preventing or regulating the buying and selling of articles or animals exposed for sale or marketed; (<i>x</i>) |
| Sale of Butcher's meat. | 10. For regulating the place and manner of selling and weighing butcher's meat, fish, hay, straw, fodder, wood, and lumber; (<i>y</i>) |
| Preventing forestalling. | 11. For preventing the forestalling, regrating or monopoly of market grains, meats, fish, fruits, roots, vegetables, poultry and dairy products; (<i>z</i>) |
| Regulating Hucksters. | 12. For preventing and regulating the purchase of such things by hucksters or runners living within the Municipality, or within one mile from the outer limits thereof; (<i>a</i>) |
| Measuring, Weighing, &c. | 13. For regulating the mode of measuring or weighing (as the case may be) of lime, shingles, laths, cordwood, coal and other fuel; (<i>b</i>) |

(*w*) A by-law enacting "that no butcher or other person shall cut up or expose for sale any fresh meat in any part of the city except in the shops and stalls in the public markets, or at such places as the Standing Committee on Public Markets may appoint," was held good. (*Ib.*) But a by-law enacting "that no person should expose for sale any meat, fish, poultry, eggs, butter, cheese, grain, hay, straw, cordwood, shingles, lumber, flour, wool, meal, vegetables, or fruit (except wild fruit), hides or skins, within the town, at any place but the public market, without having first paid the market-fee thereon as therein provided, except all hides and skins from animals slaughtered by the licensed butcher of the Corporation holding a stall in the market," was held bad. (*In re Fennell and the Corporation of the Town of Guelph*, 24 U. C. Q. B. 238.) Also, "that meat, fish, poultry, eggs, cheese, grain, hay, straw, cordwood, shingles, lumber, flour, wool, meal, vegetables or fruit (except wild fruit), should not be exposed for sale within the Municipality except in the market, before 12 o'clock, noon," was held bad as to the articles mentioned in italics. (*Ib.*)

(*x*) See preceding note.

(*y*) See same.

(*z*) A by-law, "That before 10 a.m. during May, June, July and August no huckster, butcher, dealer, trader, runner, agent or retailer, or any other person purchasing for export or to sell again, should buy, bargain for, engage, or offer to buy any article of household consumption brought to the market, excepting pork, grain, flour, meal or wool," was, except to hucksters and runners, held bad. (*In re Fennell and the Corporation of the Town of Guelph*, 24 U. C. Q. B. 238.)

(*a*) See note *z*.

(*b*) The power to regulate the mode of weighing or measuring articles specified (as the case may be), lime, shingles, laths, cordwood, coal and other fuel, would perhaps, if there were nothing more, exclude the idea of power to regulate the mode of weighing or selling articles

not mentioned, but by the next sub-section power is given to impose penalties "for light weight or short count, or short measurement, in everything marketed." (Sub-sec. 14.)

(c) See preceding note.

(d) This does not authorize the imposition of tonnage dues on scows, crafts, rafts, railway cars, &c., coming into the Municipality merely because they contain firewood, though such firewood may have been brought into the Municipality for the purpose of being exposed or offered for sale or marketed for consumption within the Municipality. What the statute authorizes is the regulating the vehicles, vessels, &c., *in which anything is exposed for sale or marketed in any street or public place*, and for imposing a reasonable duty thereon. When the commodity is exposed for sale in any street or public place, the power to impose the duty, if it is really given, arises, and if it be intended to impose the duty on the vehicle or vessel, it must be on that in which the article is exposed for sale or marketed in any street or public place. The legislature never contemplated that, under pretence of passing a by-law to regulate markets, any Municipal Corporation should have the power of levying a tax on the general commerce of the country merely because a particular town or city happened to be the place where forwarders are in the habit of transshipping commodities from one description of craft to another, and where merchants frequently contract that certain articles in which they deal shall be delivered, in view of this very practice of transshipment. (Per Richards, C. J., *In re Campbell and the Corporation of the City of Kingston*, 14 U. C. C. P. 288.) A clause in a by-law which imposed tonnage dues on scows, crafts, rafts, railway cars, &c., coming into the city of Kingston containing firewood to be exposed or offered for sale or marketed for consumption within the city, was therefore held bad. (*Ib.*)

(e) The assize of bread has been from the earliest time deemed necessary, and from time to time made by some local Municipal authority.

(f) This is a most necessary and useful provision, and one which in large cities is often enforced.

- Rent of market stalls. 18. For selling, after six hours' notice, butcher's meat distrained for rent of market-stalls; (*g*)

NUISANCES.

- Bathing. 19. For preventing or regulating the bathing or washing the person in any public water in or near the Municipality; (*h*)

- Privy vaults 21. For preventing or regulating the construction of privy vaults; (*j*)
- Vacant lots. 22. For causing vacant lots to be properly enclosed; (*k*)
- Slaughter Houses, &c. 23. For preventing or regulating the erection or continuance of slaughter houses, gas works, tanneries, distilleries or other manufactories or trades which may prove to be nuisances; (*l*)

(*g*) The relation of landlord and tenant at a rent certain of a corporeal hereditament, gives the right of distress at common law; but at common law there was no right to sell a distress which was looked upon as a mere pledge for payment of rent. The statute 2 W. & M. sess. 1, cap. 5, sec. 2, which provided that after the goods distrained have been appraised, the landlord "shall and may lawfully sell the goods and chattels so distrained for the best price that can be gotten for the same," &c., but at the same time provided that the sale should not be made until after the expiration of five days from the seizure. This restriction in the case of butchers' meat is, for obvious reasons, removed, and power given to sell "after six hours' notice."

(*h*) See note *p* to sub-sec. 10 of sec. 284.

(*i*) A nuisance has been described as any thing that works hurt, inconvenience or damage. Nuisances are of two kinds—public or common nuisances, which affect people generally; and private nuisances, which may be defined as any thing done to the hurt of the lands, tenements or hereditaments of another. (1 Russ. Crimes, 317.) Private nuisances are generally remedied by civil action. Public nuisances are offences against the public order and economical regimen of the State, being either the doing of a thing to the annoyance of all the Queen's subjects, or the neglecting to do a thing which the common good requires. But the annoyance or neglect must be of a real and substantial nature, and the fears of mankind, though they may be reasonable, will not create a nuisance. Offensive trades or manufactures, of which examples are given in the following subsections, may be public nuisances.

(*j*) See note *i*.

(*k*) "Vacant lots of land" are here intended, though not so expressed, and which in cities and towns are often made receptacles of nuisances. Hence the power to direct them "to be properly enclosed."

(*l*) See note *i* above.

(*o*) No person is allowed to race with or drive furiously any horse or other animal, or shout or use any blasphemous or indecent language, upon any highway. (Con. Stats. U. C. cap. 56, sec. 5.)

(*p*) That against which this sub-section is directed is the importuning *in the streets or public places*. Power is given either to prevent it, or regulate it when permitted.

(*q*) See sec. 248.

(*r*) The Council of every city, town, and township, is under certain restrictions authorized to accept or purchase land for public cemeteries, as well within as without the Municipality. (Section 269, sub-section 3.)

(*s*) See preceding note.

(*t*) Where the Legislature intended to give power to license as well as to regulate, it has said so. Nothing is said as to licensing

butchers, and a by-law providing "That all persons exercising the trade of a butcher within the Municipality should be licensed each year as provided, the fee for each license to be \$5," was held to be bad. (*In re Fennell and the Corporation of the Town of Guelph*, 24 U. C. Q. B. 238.)

(u) Erecting powder mills or keeping gunpowder near a town has been held to be a nuisance at common law, punishable by indictment or information. (*The King v. Taylor*, 2 Str. 1167.) The English Act 12 Geo. III. cap. 61, reduces into one act and repeals all former acts relative to the making, keeping and carrying of gunpowder.

(v) This and following sub-sections to 46, inclusive, are intended to prevent accidents by fire, and are so plain in their language and meaning as to render it unnecessary to make note or comment on them.

39. For regulating the mode of removal and safe keeping of ashes; Ashes.

NUMBERING HOUSES AND LOTS.

48. For numbering the houses and lots along the streets of the Municipality, and for affixing the numbers to the houses, Numbering houses, &c.

(w) People are not in the absence of a municipal by-law or regulation on the subject compelled to keep the roofs of their houses clear of snow, or to detain the snow on the roofs so that it cannot slide from them into the street. (Per Robinson, C. J., in *Lazarus v. The Corporation of the City of Toronto*, 19 U. C. Q. B. 13.) There may be in a particular case something so evidently faulty in the construction of a roof as to make it more likely to occasion accidents from this cause than roofs in general are, but such to be actionable must be alleged and proved. (Ib.)

buildings or other erections along the streets, and for charging the owner or occupant of each house or lot with the expense incident to the numbering of the same; (x)

Record of

49. For keeping (and every such Council is hereby required to make and keep) a record of the streets and numbers of the houses and lots numbered thereon respectively, and entering thereon, and every such Council is hereby required to enter thereon, a division of the streets with boundaries and distances for public inspection; (y)

DRAINAGE.

Ascertaining
levels.

50. For ascertaining and compelling owners, tenants and occupants to furnish the Council with the levels of the cellars heretofore dug or constructed or which may hereafter be dug or constructed along the streets of the Municipality, such levels to be with reference to a line fixed by the By-laws; (z)

(x) This in large cities, towns or incorporated villages is not only a convenience but a necessity.

(y) It is not left optional with but made imperative upon the councils of cities, towns and incorporated villages, to keep a record of the streets and numbers of the houses, &c.

(z) A city, town or incorporated village corporation would act judiciously in insisting on having drains made under the direction of their officers and by their own workmen and contractors, instead of the private proprietors, for it would not do to allow all persons to break into a main sewer and make drains at their discretion. Besides the inconvenience, the health of the community would suffer from such a course, for the nuisance occasioned by defective drainage may often give rise to a wide spread evil, injuring many more than the persons on whose premises the cause of the nuisance exists. It seems a necessary policy, therefore, for such a corporation to keep the matter in their own hands. But then if the corporation does for such good reasons prevent proprietors from making the drains they require, and oblige them to have them done by the corporation engineer and contractors, it is manifestly just and proper that the corporation should see that the work is done as it ought to be, (per Robinson, C. J., in *Reeves v. The Corporation of the City of Toronto*, 21 U. C. Q. B. 160,) where a drain was so unskilfully constructed by the corporation contractors as not to carry off water, but to carry filth from the main sewer into plaintiff's cellar, which for months he had endured, it was held that he was entitled to sue the corporation for the recovery of substantial damages, though no by-law for the making of the drain was proved. (*Id.*) So if in the construction of a drain by corporation contractors quantities of earth be thrown up and permitted to continue, so that in times of rain, mud and water were driven on plaintiff's messuage, he was held entitled to sue the corporation for damages. (*Farrell v. The Mayor and Town Council of the Town of London*, 12 U. C. Q. B. 347; see also *Perdue v. The Corporation of the Township of Chinguacousy*, 25 U. C. Q. B. 61.)

51. For compelling to be deposited with an officer, to be named in the By-law, before commencing the erection of any building, a ground or block plan of such building with the levels of the cellars and basements thereof with reference to a line fixed by the By-law; (a)

of buildings.

52. For regulating the construction of cellars, sinks, water-closets, privies and privy-vaults, and the manner of draining the same; (b)

Cellars, sinks
&c.

53. For compelling or regulating the filling up, draining, clearing, altering, relaying and repairing of any grounds, yards, vacant lots, cellars, private drains, sinks, cess-pools and privies; and for assessing the owners or occupiers of such grounds or yards, or of the real estate on which the cellars, private drains, sinks, cesspools and privies are situate, with the cost thereof if done by the Council on their default; (c)

55. For charging all persons who own or occupy property which is drained into a common sewer or which by any By-law

Charging

sewers.

(a) See preceding note.

(b) See same.

(c) The statute refers as well to sewers, &c., constructed, as to be constructed (*In re McCutcheon and the Corporation of the City of Toronto*, 22 U. C. Q. B. 613) and though authorizing the passing of a by-law to compel drainage, couples it with a power to assess the cost thereof, if done by the Council, on the owner or occupier, in default—thus pointing out how “the compelling” is to be carried out. (*Ib.*) The charge, moreover, if the work be done by the Corporation, is a personal charge and not a charge on the land, (*Morse v. Hynes*, 22 U. C. Q. B. 107) and so not to be enforced by the same means as ordinary assessments. (*In re McCutcheon and the Corporation of the City of Toronto*, 22 U. C. Q. B. 613.) A clause of a by-law requiring that “all grounds, yards, vacant lots or other properties abutting on any street should be drained,” was held valid. (*In re McCutcheon and the Corporation of the City of Toronto*, 22 U. C. Q. B. 613.) The sixth section of a by-law requiring all grounds not already drained abutting on any street with a common sewer, to be drained into the same within fourteen days from the advertising of the by-law for one week—the seventh section imposing a penalty on any one of not less than \$1 nor more than \$10 for each month he should omit to do so—and the eighth providing for enforcing payment by distress or imprisonment, not exceeding thirty-one days, were quashed as illegal. (*Ib.*) A subsequent by-law added to the eighth section above mentioned a proviso, that any person thereby required to construct a drain, who should not do so but be willing to pay the same rent as if he were using the sewer, should be exempt from penalties, was also quashed. (*Ib.*)

(d) See note *z* above.

PROVISIONS APPLICABLE TO CITIES AND TOWNS.

Certain extent of sections.

297. The following sections, numbered two hundred and ninety-eight, two hundred and ninety-nine, and three hundred apply to the following Municipalities: (g)

For licensing suitable persons to keep Intelligence Offices for registering the names and residences of, and giving information to, or procuring servants for, employers in want of domestics or labourers, and for registering the names and residences of, and giving information to, or procuring employ-

(e) It would seem that the owner or occupier of the property may legally be allowed to commute for the annual rent by payment of a fixed sum in gross. (*In re McCutcheon and the Corporation of the City of Toronto*, 22 U. C. Q. B. 613.) As to the meaning of the words "owner" and "occupier," see *Peak v. The Waterloo and Seaforth Local Board of Health*, 9 L. T., N. S. 338.

(f) See note *t* to sub-sec. 31, above.

(g) See note *f* to sec. 245.

(h) It is not said by whom the appointment is to be made, but it is understood by the Executive. The office of Coroner is of equal antiquity with that of Sheriff. (*Mirror*, cap. 1, sec. 3.) The authority of a Coroner is judicial and ministerial: *judicial* where one comes to a violent death, or a house or building is destroyed by fire in a city, town or village, in which cases he is to take inquest (4 Inst. 371; Con. Stat. C. c. 88); *ministerial* where the Coroner executes the Queen's writs on exception to the sheriff, as by his being a party to a suit, or of kin to either of the parties, &c. (*Ib.*) Coroners of *counties* are, however, commonly called upon to act in a ministerial capacity.

|---|------------------|

(i) The powers given are to license persons to keep intelligence offices, to regulate such offices, to limit the duration of the licenses, to prohibit the opening of any such office without license, to fix the fee for a license ; each of which has a distinct meaning. (See notes to sec. 249.)

(j) As wooden structures are more combustible than stone or brick, the power to regulate the erection of them in cities and towns is conferred.

(k) The word "police" is generally applied to the internal regulations of cities and towns, whereby the individuals of any city or town, like members of a well governed family, are bound to conform their general behaviour to the rules of propriety, good neighbourhood, and good manners, and to be decent, industrious and inoffensive in their respective situations (See 4 Bla. Com. cap. 13) ; but the word, as here used, has a still more restricted meaning, for it is intended to apply to those paid men who in every city and town are appointed to execute police laws, and who in many respects correspond with constables of rural municipalities.

The powers given to cities and towns are,

1. To establish ;
2. To regulate ; and
3. To maintain a Police.

and for the disposal thereof when no longer required for the purpose; and for accepting and taking charge of landed property, within or without the City or Town, dedicated for a public, garden or walk, for the use of the inhabitants of the City or Town;

(*m*)

300. The Council of a City or Town (*n*) may also pass By-laws:

Appoint-
ment of Cor-
poration
Surveyor.

1. For appointing any person to be the Corporation Surveyor; and the Board of Examiners of Provincial Land Surveyors for Upper Canada shall examine such person, and, if

(*l*) The jurisdiction of a Municipal Council is in general local, that is, confined to the municipality which it represents. For some purposes, the jurisdiction extends beyond the locality. The acquirement of land for a cemetery is one such purpose (sec. 269, sub-sec. 3); land for an industrial farm, &c., is another.

Power is given,

1. To acquire any estate, &c., for a farm, &c.;
2. To erect buildings thereon, &c.;
3. To manage the same.

(*m*) Every Township Council may also make by-laws for raising money for the support of the poor resident in the township. (Sec. 279.) The poor taken notice of by the English law, which is a complete system, are,

1. Poor by impotency; as the aged or decrepid, fatherless or motherless, poor under sickness, and persons who are idiots, lunatics, lame, blind, &c.
2. Poor by casualty; such as able-bodied persons decayed or ruined by unavoidable misfortunes, or otherwise out of employment, and unable to procure employment.
3. Poor by prodigality and debauchery; also those called thriftless poor, as idle, slothful persons.

(*n*) The Councils of counties, townships and incorporated villages, are neither mentioned nor intended.

he is found competent, shall grant to him, without the usual service, his certificate as a Deputy Provincial Surveyor, and his acts as such shall, in the town or city, while he holds the office of Surveyor thereto, have the same effect as those of any other Deputy Provincial Surveyor; (o)

GAS AND WATER.

2. For lighting the Municipality, and for this purpose performing any work, and placing any fixtures that are necessary on private property; (p) Lighting with gas.

3. For laying down Gas or Water Pipes in any street, and opening streets for the purpose; and for taking up or repairing such pipes, and for using every power and privilege given to any Gas or Water Company incorporated in the Municipality, as if the same were specially given by this Act, subject, however, to the provisions herein contained as to the erection of Gas or Water Works, and levying rates therefor; (q) Laying down gas and water gas pipes.

4. For constructing Gas and Water Works, and for levying an annual special rate to defray the yearly interest of the expenditure therefor, and to form an equal yearly sinking fund for the payment of the principal within such time as shall not exceed thirty years, nor be less than five years; (r) Gas and Water Works

5. But no By-law under the last sub-section shall be passed, Firstly, until estimates of the intended expenditure have been published for one month, and notice of the time appointed for taking a poll of the electors on the proposed By-law has been published for two months, and a copy of the proposed By-law at length as the same may be ultimately passed, and a notice of the day appointed for finally considering the same in Council, have been published for three months in some newspaper in Estimate to be published, and notice of Poll to be held on the By-law.
Proceedings prior to taking public vote.

(o) The Board of Examiners is composed of the Commissioner of Crown Lands and eight other competent persons, from time to time appointed by the Governor-General, and meet at the city of Toronto. (Con. Stat. Can. cap. 77, sec. 1.)

(p) It is necessary for Municipal Councillors to be very cautious when interfering with private property. An excess of authority may render them liable as trespassers. (See *Dennis v. Hughes et al.*, 8 U. C. Q. B. 444.)

(q) It may be made a question how far the Municipal Council of a city has, under it, the power to interfere with the privileges of incorporated companies in cities existing at the time of the passing of the act. (See sub-sec. 7; see also Con. Stat. Can. cap. 65, "respecting incorporated joint stock companies for supplying cities, towns and villages with gas and water.")

(r) See sec. 226, sub-sec. 3.

the Municipality; or if no newspaper is published therein, then in some newspaper in the County in which the Municipality is situate;

Poll to be held, and majority must be in favour.

Nor, Secondly, until a poll, held in the same manner and at the same places, and continued for the same time as at elections for Councillors, a majority of the electors voting at the poll vote in favor of the By-law; (*s*)

By-law to be passed only at a special meeting, &c.

Nor, Thirdly, unless the By-law is thereafter passed at the special meeting mentioned in the published notice; (*t*)

If the By-law is rejected.

6. If the proposed By-law is rejected at such poll, no other By-law for the same purpose shall be submitted to the electors during the current year; (*u*)

If there is a Gas or Water Company for the Municipality

7. In case there be any Gas or Water Company incorporated for the Municipality, the Council shall not levy any Gas or Water rate until such Council has by By-law fixed a price to offer for the works or stock of the Company; nor until thirty days have elapsed after notice of such price has been communicated to the Company without the Company's having accepted the same, or having, under the provisions of this Act as to Arbitrators, named and given notice of an Arbitrator to determine the price, nor until the price accepted or awarded has been paid, or has been secured to the satisfaction of the Company; (*v*)

Inspection of Gas-metres.

8. The Council of a City or Town may also pass By-laws,—For providing for the inspection of Gas-metres; (*w*)

(*s*) See secs. 200, 201, 202, and notes thereto.

(*t*) The by-law is to be passed at *the* special meeting mentioned in the notice, &c.; that is, it shall not be lawful in the notice to specify one day of meeting, and to pass the by-law at another.

(*u*) The municipal year begins in January, and so far corresponds with the calendar year. If a by-law is rejected at any time in one year, it cannot be again submitted until the year following.

(*v*) The course of proceeding indicated appears to be the following:

1. If there be a gas or water company incorporated in the municipality, the Council of the municipality, before levying a gas or water rate, is by by-law to fix a price to be offered for the works or stock of the company.
2. The company, within thirty days after communication of a notice of a price, is either to accept the same or to proceed to arbitration, pursuant to sec. 353 of this act.
3. If the sum be either accepted, or a different sum awarded, the municipality, before levying the rate, is required to pay or secure that sum.

(*w*) This is an important clause, not generally known, and seldom acted upon.

9. For providing for the appointment of three Commissioners for entering into contracts for the construction of Gas and Water works, for superintending the construction of the same, for managing the works when completed, and for providing for the election of the said Commissioners by the electors from time to time, and at such periods and for such terms as the Council may appoint by the By-law authorizing the election. (x)

Commissioners for erection of Gas or Water Works

City Councils may make By-laws for certain purposes.

1. For providing the means of ascertaining and determining what real property will be immediately benefited by any proposed improvement, the expense of which is proposed to be assessed as hereinafter mentioned upon the real property immediately benefited thereby ; and of ascertaining and determining the proportions in which the assessment is to be made on the various portions of the real estate so benefited ; subject in every case to an appeal to the Recorder in the same manner and on the same terms, as nearly as may be, as an appeal from the Court of Revision in the case of an ordinary assessment ; (a)

Ascertaining the property to be benefited by a local improvement.

2. For assessing and levying upon the real property to be immediately benefited by the making, enlarging or prolonging of any common sewer, or the opening, widening, prolonging or altering, macadamizing, grading, levelling, paving or plank-ing of any street, lane, or alley, public way or place, or of any sidewalk therein, on the petition of at least two-thirds in number and one-half in value of such real property, of the owners

Assessing such property for such improvement—and in what manner.

(x) The electors are, it is presumed, such only as are entitled to vote at the ordinary municipal election in the municipality. (See sec. 75, *et seq.*)

(a) The powers conferred are to pass by-laws for the following purposes :

1. For providing the means of *ascertaining and determining* what real property will be immediately benefited, &c.
2. For *ascertaining and determining* the proportions in which the assessment is to be made, &c.

Subject in every case to an appeal to the Recorder.

Neither of the Superior Courts of Law will entertain an application to set aside a by-law on a matter of fact, which according to this act, or a by-law passed under it, should be ascertained and determined by an officer of the corporation, unless perhaps fraud or corrupt conduct be imputed to such officer. (See *In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 379.)

of such real property, a special rate, sufficient to include a sinking fund, for the repayment of Debentures which such Councils are hereby authorized to issue in such cases respectively, on the security of such rates respectively, to provide funds for such improvements, and for so assessing and levying the same; (b)

Annual rate. (1.) By an annual rate in the dollar on the real property so benefited, according to the value thereof, exclusive of improvements;

Regulating time of payment, &c. 3. For regulating the time or times and manner in which the assessments to be levied under this section are to be paid, and for arranging the terms on which parties assessed for local improvements may commute for the payment of their proportionate shares of the cost thereof in principal sums;

If funds furnished by parties. 4. For effecting any such improvement as aforesaid with funds provided by parties desirous of having the same effected. (c)

Under what conditions such improvements may be undertaken. **302.** No such local improvement as aforesaid shall be undertaken by the Council of any City, except under a By-law passed in pursuance of the fourth sub-section of the preceding section, otherwise than on the petition of two-thirds in number and one-half in value of real property to be directly benefited thereby, of the owners of such real property,—the number of such owners and the value of such real property having been first ascertained and finally determined in the manner and by the means provided by By-law in that behalf; and if the contemplated improvement be the construction of a common sewer, having a sectional area of more than four feet, one-third of the cost thereof shall also

303. It shall not be essential to the validity of any By-law passed in virtue of the three hundred and first section of this act, that it be in accordance with the restrictions and provisions contained in the two hundred and twenty-sixth section of this act; (*d*) but no such By-law shall be valid which is not in accordance with the following restrictions and provisions: (*e*)

What conditions shall be requisite to the validity of the By-laws.

1. The By-law shall name a day in the financial year in which the same is passed when it shall take effect; (*f*)

Day for By-law taking effect.

2. The whole of the debt and the obligations to be issued therefor shall be made payable in twenty years at furthest from the day on which such By-law takes effect; (*g*)

Period for payment.

3. The By-law shall settle an equal special rate per annum in addition to all other rates, to be levied in each year on the real property described therein, and ratable thereunder, for paying the debt and interest; (*h*)

Special rate.

4. Such special rate shall be sufficient, according to the value of such real property, as ascertained and finally deter-

Amount of such rate.

(*cc*) It will be observed that the number of the owners as well as the value of the real property is to be first ascertained and finally determined, in the manner and by the means provided by by-law in that behalf. The court in one case refused to entertain an application to set aside a by-law for local improvements, on the ground that the petition on which the by-law was based, was not signed by three-fourths in number and one-half in value of the owners of real property to be benefited by the local improvement, contrary to the determination of the officer of the Corporation in that behalf. (*In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 379.)

(*d*) See section 226, and notes thereto.

(*e*) *i. e.* If at variance with the resolutions and provisions mentioned, and moved against in sufficient time, it would in all probability be set aside.

(*f*) The date on which a by-law is passed does not necessarily form a part thereof, but it would be well that the By-law should in the body of it name the day. (*In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 379.)

(*g*) Where by a part of the by-law the debentures were made payable at a date more than twenty years from the day in which the By-law took effect, that part of the by-law was quashed. (*Ib.*)

What the
By-law must
recite.

5. The By-law shall recite :

Amount and
object.

(1) The amount of the debt which such By-law is intended to create, and, in some brief and general terms, the object for which it is to be created ;

Annual
amount.

(2) The total amount required by this Act to be raised annually by special rate for paying the debt and interest under the By-law ;

Value of
property
rated.

(3) The value of the whole real property ratable under the By-law as ascertained and finally determined as aforesaid ;

Special rate.

(4) The annual special rate in the dollar or per foot frontage, or otherwise, as the case may be, for paying the interest and creating an equal yearly sinking fund for paying the principal of the debt, according to the foregoing provisions of this Act ;

Security for
debt.

(5) That the debt is created on the security of the special rate settled by the By-law, and on that security only. (*j*)

Debentures
under sec-
tions 301 to
303 to be
specially dis-
tinguished.

304. Every Debenture issued under the sections of this Act numbered three hundred and one to three hundred and three inclusive, shall bear on its face the words "Local Improvement Debenture," and shall contain a reference, by date and number, to the By-law under which it is issued, and also a statement of its being issued in virtue of this Act. The petition of two thirds in number and one half in value of the owners of the real property intended to be benefited, as required by sec. 302, renders the submission of the by-law for the assent of the rate-payers concerned, unnecessary. The remaining one-third in number and one half in value of the rate-payers, are bound by the petition of the majority, and subject to the consequences of their act.

(*m*)

PROVISIONS APPLICABLE TO POLICE VILLAGES ONLY.

307. The following sections numbered from three hundred and eight to three hundred and fourteen apply to Police Villages only; (*n*)

Extent of sections 308 to 314.

INSPECTING TRUSTEE.

308. The Trustees of every Police Village, or any two of such Trustees shall, by a writing under their hands to be filed with the Clerk of the Township, or one of the Townships in which the Village is situate, appoint one of their number to be Inspecting Trustee. (*o*)

Appointment of Inspecting Trustees.

309. In case of any vacancy in the office of a Police Trustee, by death or otherwise, the remaining Trustee or Trustees shall, by writing to be filed with such Clerk as aforesaid, appoint a Trustee or Trustees to supply the vacancy. (*p*)

Filling vacancies.

NEGLECT OF DUTY BY TRUSTEES.

310. Any Police Trustee who wilfully neglects or omits to prosecute an offender at the request of any resident householder of the village (*q*) offering to adduce proof of an offence against the regulations of Police herein established, (*r*) or who wilfully neglects or omits to fulfil any other duty imposed on him by this Act, shall incur a penalty of five dollars. (*s*)

Penalty for breach of duty.

(*m*) It is the duty of every City, Township, Town and Incorporated Village, to keep every public road, street, bridge and highway within the Corporation in repair. (Secs. 338, 339.) The default of the Corporation so to keep in repair is a misdemeanor, punishable by fine in the discretion of the Court. (Sec. 339.) The Corporation is further civilly responsible for all damages sustained by any person, by reason of such default. (*lh*)

(*n*) See note *f* to sec. 245.

(*o*) The Inspecting Trustee in a Police Village holds a position similar to that of Reeve in a Township. In every Police Village there are three Trustees. (Sec. 68.) The election of Inspecting Trustee is to be by these Trustees, or by any two of them.

(*p*) The police regulations of every Police Village are enforced through Police Trustees. (Sec. 7.)

(*q*) As to what constitutes residence see note *r* to sec. 75.

(*r*) See sec. 314.

(*s*) The penalty must be sued for within ten days after offence committed. (Sec. 311.)

Limitation
of prosecu-
tions for.

311. The penalties prescribed by the preceding section, or by that for the establishment of regulations of Police, shall be sued for within ten days after the offence has been committed or has ceased, and not subsequently. (t)

TRUSTEES TO SUE FOR PENALTIES.

Who to sue
for penalties

And before
whom.

Conviction
and levy of
penalty.

312. The Inspecting Trustee, or in his absence or when he is the party complained of, one of the other Trustees, shall sue for all penalties incurred under the Regulations of Police herein established, (a) before a Justice of the Peace having jurisdiction in the village and residing therein, or within five miles thereof; or if there be none such, then before any Justice of the Peace having jurisdiction in the village; (b) and the Justice shall hear and determine such complaint in a summary manner, and may convict the offender, upon the oath or affirmation of a credible witness, and shall cause the penalty to be levied by distress and sale of the goods of the offender, and to be paid over to the path-master or path-masters of the division or divisions to which the village belongs, or to such of the said path-masters as the Trustees may direct; (c) and such path-master or path-masters shall apply the penalty to the repair and improvement of the streets and lanes of the village, under the direction of the Trustees. (d)

PUBLIC HEALTH.

Trustees to
be Health
officers.

313. The Trustees of Every Police Village shall be Health Officers within the Police Village, under the Consolidated Statute for Upper Canada, respecting Public Health, and under any other Act that may be passed for the like purpose. (e)

(t) *Within ten days after, &c.* Where a thing is to be done within a certain number of days from or after a given day, or an act done, the general rule is, that the first day on which one act is done is to be reckoned exclusively. (*Young v. Higgon*, 6 M. & W. 49; see also *Gibson v. Muskett*, 3 Scott N. R. 429.)

(a) See sec. 314.

(b) Two parties are here described; first, the party to sue, and, secondly, the party before whom the suit is to be prosecuted.

(c) The proceeding had better, as much as possible, conform to the Summary Convictions Act, Con. Stat Can. cap. 103.

(d) The path-master, or some path-master if more than one, is to receive the penalty. When he receives it, it is his duty to apply it to the repair and improvement of the streets, &c.

(e) See sec. 248 and notes thereto.

POLICE REGULATIONS.

314. The Trustees of every Police village shall execute Regulations. and enforce therein the regulations following : (f)

FIRE.

1. Every proprietor of a house more than one story high, shall place and keep a ladder on the roof of such house near to or against the principal chimney thereof, and another ladder reaching from the ground to the roof of such house, under a penalty of one dollar for every omission ; and a further penalty of two dollars for every week such omission continues ; Fires, Ladders, &c.
2. Every householder shall provide himself with two buckets fit for carrying water in case of accident by fire, under a penalty of one dollar for each bucket deficient ; Fire buckets.
3. No person shall build any oven or furnace unless it adjoins and is properly connected with a chimney of stone or brick at least three feet higher than the house or building in which the oven or furnace is built, under a penalty not exceeding two dollars for non-compliance ; Furnaces, &c.
4. No person shall pass a stove-pipe through a wooden or lathed partition or floor, unless there is a space of four inches between the pipe and the wood work nearest thereto ; and the pipe of every stove shall be inserted into a chimney ; and there shall be at least ten inches in the clear between any stove and any lathed partition or wood work, under a penalty of two dollars ; Stove pipes, &c.
5. No person shall enter a mill, barn, outhouse or stable, with a lighted candle or lamp unless well enclosed in a lantern, nor with a lighted pipe or cigar, or with fire not properly secured, under a penalty of one dollar ; Lights in stables, &c.
6. No person shall light or have a fire in a wooden house or outhouse unless such fire is in a brick or stone chimney, or in a stove of iron or other metal, properly secured, under a penalty of one dollar ; Chimnies.
7. No person shall carry fire or cause fire to be carried into or through any Street, Lane, Yard, Garden or other Place, Securing fire carried through streets, &c.

(f) A Police Village is not a " Municipality " within the meaning of this act. (Sec. 422, sub-sec. 1.) Nor are the Police Trustees, like the members of Municipal Councils, a body corporate. (Sec. 2.) A Police Village is in every respect of much less importance than a Municipality, such as a county, city, town, or incorporated Village. Hence it is that regulations, such as Municipal Councils may themselves ordain, are here ordained by the Legislature for police trustees. Little is left in their power or to their discretion.

- without having such fire confined in some copper, iron or tin vessel, under a penalty of one dollar for the first offence, and of two dollars for every subsequent offence ;
- Fires in streets.** 8. No person shall light a fire in a street, lane or public place, under a penalty of one dollar ;
- Hay, straw, &c.** 9. No person shall place Hay, Straw or Fodder, or cause the same to be placed, in a dwelling house, under a penalty of one dollar for the first offence, and of five dollars for every week the Hay, Straw or Fodder is suffered to remain there ;
- Ashes, &c.** 10. No person, except a manufacturer of pot or pearl ashes, shall keep or deposit ashes or cinders, in any wooden vessel, box or thing not lined or doubled with sheet-iron, tin or copper, so as to prevent danger of fire from such ashes or cinders, under a penalty of one dollar ;
- Lime.** 11. No person shall place or deposit any quick or unslaked lime in contact with any wood of a house, outhouse or other building, under a penalty of one dollar, and a further penalty of two dollars a day until the lime has been removed, or secured to the satisfaction of the inspecting trustee, so as to prevent any danger of fire ;
- Charcoal furnaces.** 12. No person shall erect a furnace for making charcoal of wood, under a penalty of five dollars ; (*g*)

GUNPOWDER.

- Gunpowder.** 13. No person shall keep or have Gunpowder for sale except in boxes of copper, tin or lead, under a penalty of five dollars for the first offence, and ten dollars for every subsequent offence ;
- Gunpowder.** 14. No person shall sell Gunpowder, or permit Gunpowder to be sold, in his house, storehouse or shop, outhouse or other building, at night, under a penalty of ten dollars for the first offence, and of twenty dollars for every subsequent offence ; (*h*)

NUISANCES.

- Certain nuisances prohibited.** 15. No person shall throw or cause to be thrown any filth, or rubbish into a street, lane or public place, under a penalty of one dollar, and a further penalty of two dollars for every week he neglects or refuses to remove the same after being notified to do so by the Inspecting Trustee, or some other person authorized by him. (*i*)

(*g*) It ought to be an object of every householder, where a number of houses are collected together, to provide against fire. It is for this reason that the Legislature, in the clauses following, is so particular as to details.

(*h*) *Gunpowder*, see sub-sec. 32 of sec. 296, and note thereto.

ROADS, BRIDGES, DRAINS, WATER-COURSES.

WHAT CONSTITUTES HIGHWAYS. (*f*)

315. All allowances made for roads by the Crown Surveyors in any Town, Township or place already laid out, or hereafter laid out; (*g*) and also all roads laid out by virtue

What shall
constitute
highways.

(*f*) Anciently there were but four highways in England, which were *public* and *common* highways to all the King's subjects, and through which they might pass without any toll. (*James v. Johnston*, 1 Mod. 231.) All others are supposed to have been made through the grounds of private persons, who had a right to prescribe tolls. (*Ib.*) Highways, in the modern sense, may, however, exist, notwithstanding the imposition of tolls, and are often constituted such by act of Parliament.

The following are made highways under the operation of this section, the origin of which is sec. 12 of stat. U. C., 50 Geo. III. cap. 1:

1. All allowances for roads made by the Crown Surveyor, &c.
2. All roads laid out by virtue of any Act of Parliament of U. C.
3. All roads whereon the public money has been expended for opening the same.
4. All roads on which statute labour hath been usually performed
5. All roads passing through the Indian lands (which is very indefinite).
6. The exception is where such roads have been already altered or may hereafter be altered according to law.

(*g*) Before the passing of the 50 Geo. III. cap. 1, the Crown was not restricted from altering the original plan of a township, although already laid out previous to making grants of lots of land therein. In the original survey, allowances for roads were of course made; and if afterwards the lots were located, described and granted in conformity thereto, it would be inferred that the allowances so made were dedicated by the Crown as public roads; but if, after survey, the Government deemed it expedient to abandon or deviate from the principles of it in the future grant of the township, no law prevented the exercise of such a right. (See *The King v. Allan et al.*, 2 O. S. 90; *Field v. Kemp*, 3 O. S. 374.) But in this respect the 50 Geo. III. cap. 1, altered the law, and it would now seem that if once a road acquires the legal character of a highway, by reason of the original survey or otherwise, it is out of the power of the Crown, by grant of the soil and freehold thereof to a private person, to deprive the public of their right to use the road. (See *The Queen v. The Bishop of Huron*, 8 U. C. C. P. 253; *Mountjoy v. The Queen*, 1 Er. & Ap. 429; *The Queen v. Hunt*, 16 U. C. C. P. 145.) The enactment under consideration is, in some respects, clearly prospective as well as retrospective; for its language is, "all allowances made, &c., in any town, township, &c., already laid out, or hereafter [to be] laid out, &c." It is said that the fact of a Government Surveyor laying out certain allowances for roads or streets in the plan of the original survey of Crown lands would be sufficient to give such roads or streets the legal character of highways, though there may have been no stakes planted on the ground to mark them out, and that they would be deemed in law highways before actually opened and used, and before statute

of any Act of the Parliament of Upper Canada, or any roads whereon the public money has been expended for opening the same, or whereon the statute labour hath been usually performed, or any roads passing through the Indian lands, shall be deemed common and public highways, (*h*) unless where such roads have been already altered, or may hereafter be altered according to law. (*i*)

HIGHWAYS VESTED IN THE CROWN.

Highways,
&c., vested in
the Crown.

316. Unless otherwise provided for, the soil and freehold of every highway or road altered, amended or laid out, according to law, shall be vested in Her Majesty, her heirs and successors. (*j*)

labour or public money had been expended upon them. (Per Robinson, C. J., in *The Queen v. The Great Western Railway Company*, 21 U. C. Q. B. 577; see also *The Queen v. Hunt*, 16 U. C. C. P. 145.) Where roads, commonly called trespass roads, in unsettled parts of the country, are used, across the land of private persons, owing to the original allowances not being opened, when the allowances in process of time become opened, the right to exclusive possession of the trespass roads would appear to vest in the proprietors of the soil. (See *Borrowman v. Mitchell*, 2 U. C. Q. B. 155; *Daves v. Hawkins*, 4 L. T. N. S. 288; *The Queen v. Plunkett*, 21 U. C. Q. B. 536.) But where a highway has been surveyed, and a road constructed which was intended to be on the line so surveyed, if the road be found to differ from the true astronomical line mentioned as its course on the original survey, it does not follow that the owner of the freehold is entitled to possession of the part erroneously travelled, especially if user for many years be shown, and considerable expenditure of public money. (*Prouse v. Glenney et al.*, 13 U. C. C. P. 560.) But roads running hither and thither, without a defined course or definite boundaries, are not to be deemed common and public highways. (*Schwinge v. Dowell*, 2 F. & F. 845; *Chapman v. Cripps*, 2 F. & F. 864.)

(*h*) Public money may mean the money of the Government, or the money of the local Municipal Corporation. Either, it is apprehended, would be public money within the meaning of this section. But it must be shown that such money was lawfully expended, and expended for opening the road. (*The Queen v. Hall*, C. P., M. T. 1866.) If the money afterwards expended upon it be in the nature of statute labour, that of itself would not be enough. It must be shown that the statute labour "hath been usually performed" thereon. (See *The Queen v. Plunkett*, 21 U. C. Q. B. 541; *Prouse v. Glenney*, 13 U. C. C. P. 560.)

(*i*) Where it was shown that the road was only travelled as a temporary substitute for the proper allowance which ran near by, and the latter was afterwards opened, the court inclined to think that the former might, within the spirit of this clause, be fairly said to have been altered when the public allowance was opened, for which it had, for mere convenience, been substituted. (*The Queen v. Plunkett*, 21 U. C. Q. B. 536.)

(*j*) The soil and freehold of a highway, at common law, remains in the owner of the land. (*Lade v. Shepherd*, 2 Str. 1003; *Every v. Smith*,

JURISDICTION OF MUNICIPALITIES.

JURISDICTION RESTRICTED.

PROVINCIAL ROADS UNDER BOARD OF WORKS.

318. No Council shall interfere with any Public Road or Bridge vested as a Provincial Work in Her Majesty or in any Public Department or Board, and the Governor shall by order in Council have the same powers as to such Road and Bridge as are by this Act conferred on Municipal Councils with respect to other Roads and Bridges; (*l*) but the Governor may

26 L. J. Ex. 344; *Borrowman v. Mitchell*, 2 U. C. Q. B. 155; *Dawes v. Hawkins*, 4 L. T. N. S. 288; *The Queen v. Plunkett*, 21 U. C. Q. B. 536.) By this section it is provided that the soil and freehold of every highway or road, altered, amended or laid out according to law, shall be vested in Her Majesty. By sec. 338, it is provided that every public road, street, bridge or other highway shall be vested in the municipality, subject to any rights in the soil which the individuals who laid out such road, street, bridge or highway reserved. Between the two there is an apparent inconsistency. They may perhaps be reconciled by reading the section here annotated as applicable to roads laid out by public authority of some kind, and sec. 338 to roads laid out by private individuals over their own land. (Per Burns, J., in *The Corporation of the Town of Sarnia v. The Great Western Railway Company*, 21 U. C. Q. B. 64; *Milton et al. v. Duck*, Q. B., M. T. 1866.) The right of the public in either case is simply to use the road for the purpose of a highway. A user for different purposes, such as excavating soil, &c., would subject the person so using the road to an action of trespass at the suit of the owner of the freehold. (*Cox v. Glue*, 5 C. B. 533.) But a plaintiff cannot maintain ejectment for a portion of a public highway. (*The Corporation of the Town of Sarnia v. The Great Western Railway Company*, 21 U. C. Q. B. 59; *Fitzgibbon v. The Corporation of the City of Toronto*, 25 U. C. Q. B. 137.) As to the sale of lumber on the road allowances, see sec. 333, sub-sec. 10.

(*k*) The control of the public highways has been by the Legislature committed to the Municipal Corporations. They have, subject to the reservations in secs. 318 and 319, been entrusted with almost unlimited power of dealing with existing roads and opening new ones. (Per The Chancellor, in *Attorney-General v. The Nepean Road Company*, 2 Grant, 635.) The jurisdiction may be joint or exclusive (see secs. 329, 341), or joint (sec. 329). The Corporation of a county is liable to damages for neglect to keep in repair a county road or bridge (*Harrold v. The Corporation of the County of Simcoe and The Corporation of the County of Ontario*, 16 U. C. C. P. 43), and may maintain an action for an injury wrongfully done to a county road or bridge (*The Corporation of Wellington v. Wilson et al.*, 14 U. C. C. P. 299; S. C. 16 U. C. C. P. 124).

(*l*) Among the exceptions to public roads, &c., being under the

by Proclamation declare any Public Road or Bridge under the control of the Commissioner of Public Works, to be no longer under his control, and in that case after a day named in the Proclamation, the Road or Bridge shall cease to be under the control of the Commissioner, and no tolls shall be thereafter be levied thereon by him, and the Road or Bridge shall thenceforth be controlled and kept in repair by the Council of the Municipality. (*m*)

ROADS ON ORDNANCE LANDS.

Nor Ordnance lands roads, &c.

Unless sanctioned by the Chief Engineer, Officer, &c.

319. No Council shall pass any By-law (1) for stopping up or altering the direction or alignment of any street, lane or thoroughfare made or laid out by Her Majesty's Ordnance, or the Principal Secretary of State in whom the Ordnance Estates are vested under the Statute of this Province, passed in the nineteenth year of Her Majesty's Reign, chapter forty-five, or the Consolidated Statute of Canada, chapter twenty-four, respecting the Ordnance and Admiralty lands transferred to the Province; (2) or for opening any such communication through lands held by the said Principal Secretary of State, or (3) interfering with any bridge, wharf, dock, quay or other work constructed by Her Majesty's Ordnance, or the said Secretary of State, or (4) interfering with any land reserved for Military purposes, or with the integrity of the public defences, without a written consent signed by the Principal Officer of the War Department, acting in Canada under the authority of such Secretary of State, certified under the hand of the Commander of the Forces in Canada to be such Principal Officer and to be acting under such authority, and a By-law for any of the purposes aforesaid shall be void unless it recites such consent, authority and certificate. (*n*)

jurisdiction of Municipal Councils, are public roads, &c., vested as *provincial works* in Her Majesty, or in any public department or board, such as the Department of Public Works. Over these the Governor General of the Province is to have the same powers as are by this act given to Municipal Councils with respect to *other* roads, &c.

(*m*) This provides for the transfer of a provincial road to the Municipal Council of the Municipality in which it is situate—so far as this section affects it, it was originally taken from statute 13 & 14 Vic. cap. 15, sec. 2. See sec. 229 and notes thereto.

(*n*) The object of this section is to protect roads, &c., laid out through Ordnance Lands. The Ordnance Transfer Act of 1856 divided Ordnance Lands into two schedules; the first schedule comprising all lands vested in one of Her Majesty's principal Secretaries of State, and the second such lands as are reinvested in the Crown for the public uses of the province. (See Con. Stat. C. cap. 36.)

WHAT ROADS NOT TO BE CLOSED.

320. No Council shall close up any public road or highway, whether an original allowance, or a road opened by the Quarter Sessions, or any Municipal Council, or otherwise legally established, whereby any person will be excluded from ingress and egress to and from his lands or place of residence over such road, but all such roads shall remain open for the use of the person who requires the same. (o)

Council not to close road required by individuals for egress, &c.

NOT TO ENCROACH UPON HOUSES, &c.

321. No Council shall authorize an encroachment on any dwelling-house, barn, stable, out-house, orchard, garden, yard or pleasure ground, without the written consent of the owner. (p)

Nor to encroach upon houses, &c.

(o) The power of Municipal Corporations to close up highways is not unlimited. The Legislature has determined that the rights of private persons under certain circumstances shall be respected. The limitation is here in favour of individual proprietors of land. No road is to be closed up "whereby any person shall be excluded from ingress and egress to and from his lands," &c. The next section is in like manner designed to prevent an encroachment on any dwelling house, barn, stable, entrance, orchard, yard or pleasure ground.

(p) This section is also for the protection of private rights as opposed to public convenience. Unless there be a written consent from the owner, no Council is to authorize an encroachment on any dwelling house, &c. But it is not in the power of a person apprehending that a road is intended to be laid out through his land to prevent the Municipal Council effecting a public improvement by putting up an outhouse where it is not required, or planting a few trees where he had never thought of planting them before, and where he never would have planted them except for the purpose of obstructing the improvement. (Per Robinson, C. J., *In re Lafferty and the Municipal Council of Wentworth and Halton*, 8 U. C. Q. B. 232.) Where the orchard was planted eighteen months after the owner of the land knew that it was desired to lay out a road through his land as one that would be convenient to the public, and after the precise line as afterwards established had been selected and surveyed, the Court refused to quash the by-law. (*In re Lafferty and the Municipal Council of Wentworth and Halton*, 8 U. C. Q. B. 232.) The Municipal Council of the Township of York passed a by-law, causing a road to be surveyed and laid out, on the petition of the owners of the land in the neighbourhood, which passed through applicants land, and he made his application to quash the by-law on the ground that the road as laid out encroached upon his garden and out-house, and also covered the ground on which he had a toll house standing. The applicant was heard in person by the Municipal Council against the passing of the by-law authorizing the opening of the road as laid out, when he objected generally to the opening of the road, but did not object to it on the ground that it encroached on his buildings and garden. By the affidavits it appeared that the road had been opened a number of years before by applicant's

father and had been travelled, and that applicant since his father's death had charged toll to those using the road. It also appeared that the only building the road encroached upon was a small hen house of little value, and passed over the ground occupied by the frame of the proposed toll-house. The old road as travelled varied from 29 to 65 feet, and, in defining the width of the road so to be opened, it encroached slightly on plaintiff's private property. The court on these facts being laid before them refused to quash the by-law for opening the road. (*Scarlett v. The Corporation of York*, 14 U. C. C. P. 161.) The Court of Chancery on a proper case being made out for their interference no doubt would grant an injunction to prevent a violation of the provisions of this section. (See *Wilson v. Town Council of the Town of Port Hope*, 2 Grant, 370.)

(*q*) A by-law opening a new road should on the face of it show the width of the road (*In re Smith and the Municipal Council of Euphemia*, 8 U. C. Q. B. 222), and should, it seems, when it authorizes a road through a man's land, show where it enters and what course it takes. (*Dennis v. Hughes et al.*, 8 U. C. Q. B. 444.) All by-laws authorizing new roads should, either by reciting the whole description of the road given in the survey or report, or by describing it fully, whether such by-laws refer to the report or not, make it plain to every one that sees the by-laws where the road is to run and how wide it is to be, and should not leave the information to be gleaned from documents not referred to in the by-laws as annexed and not in fact annexed. (*In re Brown and the Municipal Council of the County of York*, 8 U. C. Q. B. 596; *McIntyre v. The Municipal Council of Bosanquet*, 11 U. C. Q. B. 460.) The same strictness does not of course apply to a by-law closing up an old road. (*Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492.) Where the road was not sufficiently described, but it appeared that on the ground it was defined by fences on each side, and had been travelled for eight years, the court refused to quash the by-law. (*Hodgson v. The Municipal Councils of York, Peel and Ontario*, 13 U. C. Q. B. 268.)

(*r*) It ought to be observed that notice is requisite, not only before a Council shall pass a by-law "for stopping up, altering, widening, diverting or selling any original allowance," but "for establishing, opening, stopping up, altering, widening, diverting or selling any other public highway, road, street or lane." Under the old acts it was held that no notice was necessary before passing a by-law to open a new

road; the clause then in force only applying to by-laws "for stopping up, altering, widening or diverting a road." &c. (*Dennis v. Hughes et al.*, 8 U. C. Q. B. 444.) It seems that a road is not made, &c., when a by-law authorizing the making of it is passed, but only that it is authorized to be made, &c., by the proper officer acting in a reasonable manner. (*Ib.*) As to stopping up, &c., it is not necessary for the Council to do more than close or abolish the highway by their enactment. They are not required to fence it in, or to place any physical obstruction in the way of persons passing. They only put an end to the right of using it, and consequently to all obligation on the part of any person to respect it as a highway. The conveying away the former line of road, where they have authority to do so, is a distinct matter altogether, and not necessary to the extinction of the right of way. (*Johnston v. Reesor et al.*, 10 U. C. Q. B. 101.) Both Counties and Townships have power to stop up original allowances for roads, and to sell the same (see secs. 344, 345); but if by a Township Council, there must be confirmation by the County Council (sec. 345, sub-sec. 2).

(s) The Court, on an application to quash a by-law, will assume that the Council have acted regularly in their preliminary proceedings till the contrary be shown. (*In re Lafferty and the Municipal Council of Wentworth and Halton*, 8 U. C. Q. B. 232; *Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492.) It would be well, however, that the Corporation should in every case preserve proof of regular notices by affidavit of the person employed to put them up. (Per Robinson, C. J., in *In re Lafferty and the Municipal Council of Wentworth and Halton*, 8 U. C. Q. B. 235.) Where applicant, attacking a by-law, ventured to go no further than file an affidavit of a person who said he had no recollection of seeing any notice, without asserting his belief that due notice had not been given, or taking any means whatever to ascertain whether or not the notices were put up, the Court refused to interfere. (*Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492.) So where applicant did not positively negative any notices having been put up, the Court refused to interfere, although the Municipal Council did not prove that six notices were put up. (*Parker v. The Municipalities of the United Townships of Pittsburgh and Howe Island*, 8 U. C. C. P. 517.) To a declaration in trespass *quare clausum fregit*, the defendant filed several pleas, justifying the trespass as done by him as servant of the Municipal Council of the United Counties of Wentworth and Halton, and by their command, in pursuance of a by-law passed on 31st January, 1850, in accordance with the provisions and requirements of the Municipal Act of 1849, which came into force on 1st January, 1850. Held on demurrer that it was a valid objection to the several pleas, that they did not show a calendar month's notice given previous to the passing of the by-law; that on the contrary they imported on the face of them that it could not have been given, because the by-law was passed within a month after the Municipal Act of 1849 came into operation. (*Lafferty v. Stock*, 3 U. C. C. P. 1.)

- Clerk to give the notice. 4. And the Clerk shall give such notices, at the request of the applicant for the By-law, upon payment of the reasonable expenses attendant on such notices. (*v*)

IN DISPUTES RESPECTING ROADS—WHO MAY SWEAR WITNESSES, &c.

Power to administer oaths in disputes respecting boundaries.

324. In case of disputes in any Municipality, concerning roads, allowances for roads, side lines, boundaries or concessions, within the cognizance of and in the course of investigation before a Municipal Council, the head of the Council may administer an oath or affirmation to any party or witness examined upon the matters in dispute. (*α*)

(*t*) It will be observed that the statute does not fix any number of insertions of the by-law in a newspaper, but the publication weekly for a fixed period, viz., "at least four successive weeks." If, therefore, the final publication be on a Saturday, that week would expire on the following Friday, and so for each successive week. A notice first published on the 12th January, for Tuesday, the 7th February, was held not to be a publication for "four consecutive weeks." (*In re Coe and the Corporation of the Township of Pickering*, 24 U. C. Q. B. 439.)

(*u*) Where applicant, being aware of the day of the passing of a by-law, gave notice that he intended opposing the same, but took no further steps in opposition until making an application to the Court to quash the by-law, his rule was discharged. (*Parker v. The Municipalities of the United Townships of Pittsburgh and Howe Island*, 8 U. C. C. P. 517.) Where the person intending to oppose a by-law to open a road appeared before the Council and took only general grounds of opposition, the Court afterwards, when he applied to quash the by-law on grounds more specific, declined to interfere. (*In re Scarlett and the Corporation of the Township of York*, 14 U. C. C. P. 161.)

(*v*) The right of the Clerk is to exact "the reasonable expenses attendant on such notices." The municipality has no right to throw the expense of opening the road on the petitioners. (*Lafferty v. Stock*, 3 U. C. C. P. 1.) Where it is the clear duty of a Municipal Council to make a road, the Court may grant a mandamus to compel the performance of that duty. (*In re Municipality of Augusta and the Municipal Council of Leeds and Grenville*, 12 U. C. Q. B. 522.) The Council, in opening a road, must act by by-law. (*The Queen v. Rankin*, 16 U. C. Q. B. 304.)

(*α*) There is some obscurity in this section. It is not intended to give Municipal Councils jurisdiction to *try* and *determine* disputed boundaries, &c., but only to institute such an investigation respecting such roads or lines, &c., as are material to the exercise of the jurisdic-

COMPENSATION FOR LANDS TAKEN.

325. Every Council shall make to the owners of real property entered upon, taken or used by the Corporation in the exercise of its powers in respect to roads, streets and other public communications, or to drains and common sewers, due compensation for any damages necessarily resulting from the exercise of such powers, beyond any advantage which the claimant may derive from the contemplated work; (b) and

pensated.

tion which the Councils possess. The section is founded on sec. 126 of the old Act 12 Vic. cap. 81, which was not in the original bill, as introduced in 1849, but was inserted before the bill became law, by some person who had no clear idea of what he was doing.

(b) Where a statute authorizes acts interfering with private rights of property, all such acts are to be taken strictly; and the persons justifying under the statute must show themselves to be right in every thing done by them. (*Dennis v. Hughes et al.*, 8 U. C. Q. B. 444.) The power of a Municipal Council to refer proprietors to private parties for compensation is, to say the least of it, very doubtful. (*Ib.*; *Lafferty v. Stock*, 3 U. C. C. P. 1.) But a by-law closing up an old road and directing that the parties applying to have the road enclosed should pay the expenses, is not necessarily bad. (*Fisher v. The Municipal Council of Vaughan*, 10 U. C. Q. B. 492.) A party who accepts a sum of money in satisfaction of his right to land taken for a road, &c., is not allowed afterwards to contend that the road was illegally laid out, by reason of want of notice or other formality. (*McGrath v. The Municipality of the Township of Brock*, 13 U. C. Q. B. 629.) Owners of land upon a highway have no claim to compensation for anything done by a Municipal Corporation in the proper exercise of its powers within the line as originally laid out. (*The Queen v. The Municipal Council of Perth*, 14 U. C. Q. B. 156.) Thus where the effect of grading a road is to raise or lower it several feet along applicant's house he is not entitled to any compensation. (*Ib.*) So where in the repair of a street, water was made to overflow plaintiff's land he was held not entitled to recover unless it be shown that the work done exceeded such a repair as was necessary. (*Croft v. The Town Council of Peterborough*, 5 U. C. C. P. 35.) If the work done exceed ordinary repairs a by-law would appear to be necessary. (*Ib.*) So where, while work of repair was going on, stones and other materials collected for it were carried into plaintiff's raceway by a violent storm, the Corporation was held not to be liable. (*Snook et al. v. The Town Council of Brantford*, 14 U. C. Q. B. 255.) The Municipal Council may pass by-laws for the purpose of repairing any road or bridge within its limits, and for entering upon, breaking up, taking or using any land in any way necessary or convenient for that purpose, subject to the restrictions in the act contained. (Sec. 333, sub-sec. 1.) But it is not in the power of the Municipal Corporation at their pleasure to drain a highway upon the lands of an adjoining proprietor without compensation to him for it. (*Brown v. The Municipal Council of Sarnia*, 11 U. C. Q. B. 87; *Anderson v. The Great Western Railway Company, Ib.*, 125; *Perdue v. The Corporation of Chinguacousy*, 25 U. C. Q. B. 61.)

326. In the case of real property, which a Council has authority under this Act to enter upon, take or use, without the owner's consent, Corporations, Tenants in tail or for life, Guardians, Committees and Trustees, shall, on behalf of themselves, their successors and heirs respectively, and on behalf of those they represent, whether infants, issue unborn, lunatic, idiots, married women or others, have power to act, as well in reference to any arbitration, notice and action under this Act, as in contracting for and conveying to the Council any such real property, or in agreeing as to the amount of damages arising from the exercise by the Council of any power in respect thereof. (d) In case there is no such person who can so

(c) The court set aside an award against a Municipal Corporation as to damages in favor of a person through whose land a road had been opened where it appeared that no notice had been given to the Municipal Corporation of the meeting of the arbitrators. (*In re Johnson and the Municipality of Gloucester*, 12 U. C. Q. B. 135.) A Municipal Council by by-law opened a road across plaintiff's property, and arbitrators were appointed, one by the council, one by the plaintiff, and the third by the Judge of the County Court, to determine what compensation should be paid him. Afterwards a resolution was passed by the Council that the arbitrators so chosen should be instructed to take into consideration the damage to the plaintiff's crops, so that all differences might be settled, and they awarded separate sums for the opening of the road and for damages. *Held*, in an action of debt on the award, that the Corporation could not under the plea of no award dispute the arbitrators authority to award the latter sum. (*Hodgson v The Municipality of the Township of Whitby*, 17 U. C. Q. B. 230.) *Quere*, whether the resolution was binding on the Council as a reference. (*Ib.*) Where in a similar action it appeared that plaintiff named one arbitrator and the reeve another, and they being unable to agree on the third, the County Judge appointed the third, and the first and third mentioned arbitrators made an award in favour of plaintiff for £40 for compensation for land taken for a road, it was held that plaintiff was entitled to recover. (*Harpel v. The Municipality of the Township of Portland*, 17 U. C. Q. B. 455.) Afterwards the council called another meeting of the arbitrators when all three attended, and the two first mentioned arbitrators made an award giving plaintiff only £3 10s., it was held that the second award was invalid. (*Ib.*)

(d) Where land is required for a public purpose, it is a very common provision that persons not otherwise entitled to convey an estate in fee simple shall, for the public purposes specified, have power to do so. The power of the persons described in this section to do so is confined to land which the Municipal Council has authority under this section to enter upon, take or use, without the owner's consent.

act in respect to such real property, or in case any person interested in respect to any such real property is absent from this Province, or is unknown, or in case his residence is unknown, or he himself cannot be found, the Judge of the County Court for the County in which such property is situate, may, on the application of the Council, appoint a person to act in respect to the same for all or any of the said purposes. (e)

If there be no party who can convey.

327. In case any party acting as aforesaid has not the absolute estate in the property, the Council shall pay to him the interest only at 6 per centum per annum on the amount to be paid in respect of such property, and shall retain the principal to be paid to the party entitled to it whenever he claims the same, and executes a valid acquittance therefor, unless the Court of Chancery, or other Court having equitable jurisdiction in such cases, do in the mean time direct the Council to pay the same to any person or into Court; (f) and the Council shall not be bound to see to the application of any interest so paid, or of any sum paid under the direction of such Court. 328. All sums agreed upon or awarded in respect of such real property, shall be subject to the limitations and charges to which the property was subject; (h)

(e) When no person entitled, under the provisions of this act, to convey the land required can be found, the County Judge may, on application of the Council, "appoint a person to act in respect of the same, for all or any of the said purposes."

(f) A railway company agreed to pay a land owner, tenant for life, a sum of money for the benefit of him or other the owner for the time being, for indemnifying him from the expense of making a new road, &c., and as a compensation for the annoyance which he or such other owners might sustain in consequence of the construction of the railway; and the company agreed to pay a further sum as the price of the land taken. Both sums were paid into court. The application of the tenant for life for the absolute payment to him of the first sum was refused. The costs of the road, &c., were paid out of it, and the rest invested. (*Re Duke of Marlborough Estates*, 13 Jur. 738.)

(g) This is a wise provision. It is a rule in equity that a person paying money to a trustee, &c., is bound to see to the application of the money. This has been found to work such hardship, that as between individuals it is now enacted that a person paying money upon an express or implied trust, is not bound to see to the application or be answerable for the misapplication thereof, unless the contrary is expressly declared by the instrument creating the trust. (Con. Stat. U. C. cap. 90, sec. 9.) In the same spirit it is, by the section under consideration, enacted that a Municipal Council paying money, &c., as authorized by the section, shall not be bound to see to the application thereof.

(h) In the absence of special clauses for that purpose, the effect of

a provision enabling a person under disability, &c., to convey land for some authorized public purpose, is not to alter the course of devolution of property without the consent of the owner; and therefore if a Municipal Council, railway company, &c., contract with incapacitated persons for the purchase of land, the money is in equity to be considered as real and not as personal estate. (*Midland Counties Railway Company v. Oswin*, 8 Jur. 138.) Money paid into court by a railway company, for land taken from a person who was in a state of mental imbecility, and who continued in that state until his death, but was not the subject of a commission of lunacy, was ordered after his death not to be reinvested in or considered as land, but to be paid to his executors. (*In re East Lincolnshire Railway Act*, 1 Sim. N. S. 260.) Money paid into court for land taken under the compulsory powers of the English Act 5 & 6 Wm. IV. cap. 69, for a Poor Law Union, during the life of a tenant for life, who by the failure of intermediate limitations became tenant in fee simple, passed as real estate to his heir. (*In re Horner's Estate*, 16 Jur. 1063.) Where the purchase money of land taken under the compulsory powers of an act of Parliament, for public purposes, is paid into court subject to be reinvested in the purchase of land, free of expense to the parties beneficially interested, on their petition, it is impressed with real uses, and is *prima facie* to be treated as real estate. (*In re Stewart's Estates*, 16 Jur. 1063.) If the person absolutely entitled to money for land has a right to elect to take it as personalty, a mere acquiescence in its remaining invested in consols during his life, and his will, by which he bequeaths personal estate only, and does not devise realty, are not such proofs of election as to prevent the funds descending on his death to his heirs. (*Ib.*)

(*i*) The act appears to apply to unopened as well as open roads. (*In re Corporation of the County of Waterloo and the Corporation of the County of Brant*, 23 U. C. Q. B. 537.)

(*j*) The Legislature here speaks of road or bridge, as two distinct things. They do not speak of bridges which form part of a road lying wholly or in part between Counties, &c. As, therefore, the "road" and "bridge" are spoken of as distinct things, the disjunctive particle being used, it is the same as if each had been treated of in a separate clause. Thus, "If a bridge lies wholly or partly between a county, &c., the Councils of the municipalities between which the bridge lies shall have joint jurisdiction over the same, &c." The act, according to this reading, is inapplicable to a bridge, though on a road between two counties, &c. (*In re the Corporation of the County of Brant and the Corporation of the County of Waterloo*, 19 U. C. Q. B. 450.) So the section is inapplicable when the road is wholly in the one municipality. (*The Churchwardens of St. George's Church v. The Corporation of the County of Grey et al.*, 21 U. C. Q. B. 265.) When the obligation is joint, it must be proved as laid. (*Woods v. The Municipality of Wentworth and the Corporation of Hamilton*, 6 U. C. C. P. 101.)

between which the road or bridge lies, shall have joint jurisdiction over the same, (*k*) although the road or bridge may so deviate as in some places to be wholly or in part within one or either of them. (*l*)

330. No By-law of the Council of any one of such Municipalities with respect to any such last mentioned road or bridge, shall have any force until a By-law has been passed in similar terms as nearly as may be, by the other of the Councils having joint jurisdiction in the premises. (*h*)

Both Councils must concur in By-laws respecting them.

331. In case the other Council, for six months after notice of the By-law, omits to pass a By-law in similar terms, the duties and liabilities of each Municipality in respect to the road or bridge shall be referred to arbitration under the provisions of this Act. (*m*)

Arbitration if they do not concur.

POWERS OF TOWNSHIP, TOWN AND INCORPORATED VILLAGE COUNCILS
RESPECTING ROADS, BRIDGES AND WORKS.

332. The Council of every township, town and incorporated village may also pass By-laws : (*n*)

By-laws respecting statute labour.

(*k*) It is doubtful if the words used in this section, conferring joint jurisdiction, mean anything more than that the municipalities jointly interested are to concur in any regulation necessary to be applied to the road or bridge in regard to tolls or otherwise. (*In re Corporation of Brant and Corporation of the County of Waterloo*, 19 U. C. Q. B. 450.) But the words "duties" and "liabilities," as used in section 331, may be held to give a more extended meaning to them.

(*l*) It would seem that the section only applies where the deviation has been made to obtain a good line of road, not in order to suit the convenience of either municipality. (Per Robinson, C. J., *In re Corporation of the County of Brant and the Corporation of the County of Waterloo*, 19 U. C. Q. B. 450.)

(*h*) In case the other municipality omit, for six months after notice, to pass a by-law on similar terms, the duties and liabilities of each municipality must be determined by arbitration under this act. (Sec. 321.) As to the meaning of the words "joint jurisdiction," see note *k* to sec. 329.

(*m*) Whether or not the arbitrators have power in respect to a bridge, to direct where and at what cost the bridge shall be built, and to compel the respective municipalities to contribute, is doubtful. (*In re Corporation of the County of Brant and the Corporation of the County of Waterloo*, 19 U. C. Q. B. 450.) But where the road or bridge is wholly within either municipality, there is clearly no jurisdiction to make any award. (*Ib.*)

(*n*) This section applies to all municipalities except counties and cities.

STATUTE LABOUR.

Voluntary
commutation

1. For empowering any person (resident or non-resident) liable to statute labour within the Municipality, to compound for such labour, for any term not exceeding five years, at any sum not exceeding one dollar for each day's labor. (*o*)

(*o*) No person in Her Majesty's naval or military service, on full pay or on actual service, is liable to perform statute labour or to commute therefor. (Assessment Act sec. 80.) But every other male inhabitant of a city, town, or village of the age of 21 years and upwards, and under 60 years of age, (and not otherwise exempted by law) from performing statute labor, who has not been assessed upon the assessment roll of the city, town, or village or whose taxes do not amount to \$2, must instead of statute labor be taxed \$2 yearly therefor, to be levied and collected at such time by such person and in such manner as the Council of the Municipality may by by-law direct. (*Ib.* sec. 81.) No person is exempt from the tax by reason of his producing a certificate of his having performed statute labor or paid the tax elsewhere, unless he was actually domiciled out of the limits of the city, town, or village, at the time he so performed statute labor or paid the tax. (*Ib.* sec. 82.) But a proprietor of land cannot be compelled actually to do statute labor in a township, unless himself a resident of such township (*Moore v. Jarron*, 9 U. C. Q. B. 233) and the power to pass by-laws for enforcing performance of statute labor only applies in those cases where the burthen legally exists. (*In re Executors of Dickson and the Municipal Council of the Village of Galt*, 9 U. C. Q. B. 257.) Non-resident proprietors are, however, clearly subject to assessment for commutation for statute labour. A non-resident who has not required his name to be entered on the roll is not entitled to be admitted to perform statute labour in respect of land owned by him. (*Ib.* sec. 89.) But a commutation tax must be charged against every separate lot or parcel according to its assessed value. (*Ib.*; see also *The Canada Company v. Howard*, 9 U. C. Q. B. 654.) Unless perhaps where the land has been sub-divided into park, village or town lots, if the same be owned by the same person or persons, in which case the tax shall be charged only upon the aggregate of the assessment. (*Ib.* sec. 65.) In case any non-resident proprietor whose name has been entered on the assessment roll, does not perform his statute labor or pay commutation for the same, the overseer of highways in whose division he is placed, must return him as a defaulter to the Clerk of the Municipality before 15th August, and the Clerk must in that case enter the commutation for statute labour against his name in the Collector's Roll. (*Ib.* sec. 90.) If at any time before first May then next ensuing, the owner of any non-resident lands gives in writing to the County Treasurer, a list of the lands owned by him in the Municipality, and tenders to him in full the taxes on such land and the just commutation money, he is only subject to the commutation for statute labor upon the aggregate value of all the lands owned by him in each local Municipality; but after 1st May as aforesaid, no change can be made in the commutation for statute labor charged against each separate parcel in consequence of more than one parcel being owned by the same party. (*Ib.* sec. 90.)

2. For providing that a sum of money, not exceeding one dollar for each day's labor, may or shall be paid in commutation of such Statute labour; (*p*)

Compulsory
commutation

3. For increasing or reducing the number of days' labor, to which the persons rated on the assessment roll or otherwise shall be liable, in proportion to the Statute labor to which such persons are, in respect of the amounts at which they are assessed, or otherwise, respectively liable; (*q*)

Fixing num-
ber of days'
labour.

(*p*) The power, by the preceding sub-section, is to compound "for any term not exceeding five years." This sub-section applies to the amount of commutation money for each day's statute labour, in respect of the period for which the commutation is made. The power is by by-law to provide that a sum of money not exceeding one dollar for each day's statute labour may or shall be paid in respect of such statute labour. There is no power to fix the amount of commutation at a higher rate than one dollar per day. (See *In re Tilt and the Municipality of Toronto*, 13 U. C. Q. B. 447.) The sum so fixed shall apply equally to residents who are subject to statute labor and to non-residents in respect of their property. (Assessment Act, sec. 86.) Where the Council of any Township by by-law directs that a sum not exceeding \$1 per day shall be paid as commutation for statute labor, the commutation tax may be added in a separate column in the Collector's Roll, and collected and accounted for like other taxes. (*Ib.* sec. 85.) Where no such by-law has been passed, the statute labor in Townships in respect of lands of non-residents shall be commuted at the rate of 50 cents for each days labour. (*Ib.* sec. 87.) No by-law is necessary unless the Municipality desire to fix the commutation money at a higher rate than 50 cents a day. (*Robinson v. The Corporation of the Town of Stratford*, 23 U. C. Q. B. 99.)

(*q*) Every male inhabitant of a Township, between the ages of 21 and 60, who is not otherwise exempt to any amount (and who is not exempt by law from performing statute labour) is liable to at least one day of statute labor on the Roads and highways in the Township. (Assessment Act, sec. 83.) And no Council has power to reduce it, (*Ib.*) and every person assessed upon the assessment roll of a township in respect of property is, if his property is assessed at not more than \$300, liable to 2 days' statute labour:

At more than \$300 but not more than \$500.....	3 days.

otherwise are respectively liable, or that the number of days labor to which each person is made liable, be in proportion to the amount at which he is assessed. (*Id.* sec. 84.)

(r) Any person liable to pay the sum named in the eighty-third section of the Assessment Act, must pay the same to the collector within two days after demand thereof; and in case of neglect or refusal to pay the same, the collector may levy the same by distress; and if no sufficient distress can be found, then upon summary conviction, before a Justice of the Peace of the county in which the local municipality is situate, of his refusal or neglect to pay the said sum, and of there being no sufficient distress, he shall incur a penalty of \$5 with costs, and in default of payment at such time as the convicting justice shall order, may be committed to the common gaol of the county, and be there put to hard labour for any period not exceeding ten days, unless such penalty and costs, and the cost of the warrant of commitment and of conveying the said person to gaol, be sooner paid. (Assessment Act, sec. 88.) The warrant may, it seems, issue for imprisonment without first summoning the defaulter to answer, or making a formal conviction. (*The Queen v. Morris*, 21 U. C. Q. B. 392.) A by-law directing that the Overseers of Highways should bring any person refusing or neglecting to perform statute labour before the Reeve of the municipality or nearest Justice of the Peace, who, upon conviction, should impose a fine of 5s. for each day's neglect with costs, and adjudge that the payment of such fine should not relieve the person fined from the performance of the labour, was held good. (*In re Stoddart and the Municipality of Wilberforce, Grattan, and Fraser*, 15 U. C. Q. B. 163.) So a by-law enacting that any person liable to perform statute labour, who after being duly notified should neglect or refuse to attend, should forfeit or pay 5s. for every day he should neglect or refuse, and that the payment of such fine should release such person from the performance of statute labour, was held good. (*In re Bannerman and the Municipality of Yarmouth*, 15 U. C. Q. B. 14.)

(s) The power to regulate the divisions implies a power to make divisions, to which is added a power to regulate the manner in which the labour shall be performed or the commutation money expended in each division. A party to save himself from fine must perform, when called upon, his statute labour within the division of the township in which he resides. (*Gates v. Devenish*, 6 U. C. Q. B. 260.)

(a) It will be observed that this section applies to all municipalities.

GENERAL POWERS.

1. For opening, making, preserving, improving, repairing, widening, altering, diverting, stopping up and pulling down drains, sewers, water-courses, roads, streets, squares, alleys, lanes, bridges or other public communications, within the jurisdiction of the Council, and for entering upon, breaking up, taking or using any land in any way necessary or convenient for the said purposes, subject to the restrictions in this Act contained; (b)

By-laws
respecting
roads.

Opening or
stopping up
roads, &c.

(b) It was at one time contended that the Municipal Councils had only authority to change the direction of existing roads, and to widen or otherwise alter them—not to make *new* roads; but it is now settled that such Councils have power to make new roads through any person's lands, not merely as substitutes for other roads running near and between the same points, but to afford a passage from one point to another where there has been no passage before. (*Dennis v. Hughes et al.*, 8 U. C. Q. B. 444.) All by-laws under the authority of which any street, road or highway shall be opened upon any private property must, before the same becomes effectual in law, be duly registered in the Registry Office of the county where the land is situate. (Sec. 348.)

The powers are not only for opening, making, preserving, improving and repairing, but for widening, altering, diverting, stopping up and pulling down drains, sewers, water-courses, roads, &c. (See *The Queen ex rel. Goodall et al. v. Phillips et al.*, 1 L. R. Q. B. 648.) The power to repair highways must be reasonably exercised. (*Reid v. The City of Hamilton*, 5 U. C. C. P. 269; *Croft v. The Town Council of Peterborough*, 5 U. C. C. P. 35.) A Municipal Council, for instance, in order to drain a highway, has no right to bring down water in any quantity upon the land of an individual, and leave the water to stagnate there, without showing that it could not in any way have been got rid of without throwing it on plaintiff's land, and without showing that it was not in the power of the Council to lead the water away from the plaintiff's land after the Council had conducted it there. (*Brown v. The Municipal Council of Sarnia*, 11 U. C. Q. B. 87; *Perdue v. The Corporation of Chinguacousy*, 25 U. C. Q. B. 261.) But the Council is not responsible for injuries to the property of private persons resulting from natural causes; thus, where, during the repair of a highway, stones and other materials collected for it about a culvert, were by a violent storm carried into a miller's raceway, the Council was held not to be liable for the damage. (*Snook et al. v. The Town Council of Brantford*, 14 U. C. Q. B. 255.)

Power is conferred not only to pass by-laws for opening, &c., roads, &c., but for entering upon, breaking up, taking or using any land in any way necessary or convenient for the purposes mentioned, subject, however, "to the restrictions in this act contained." By the 325th section it is provided that "every Council shall make to the owners of real property entered upon, taken or used by the Corporation in the exercise of its powers in respect to roads, streets or other public communications, &c., due compensation for any damage necessarily resulting from the exercise of such powers, beyond any advantage which the claimant may derive from the contemplated work." It is clear, there-

fore, that no Municipal Corporation has a legal right to say they may trespass a little upon the property of a private person, doing no unnecessary damage, unless they show it was necessary and convenient for them for the purposes of the road, street or other work; and that, it is apprehended, should be done by a by-law passed for the purpose. (*The Churchwardens of St. George's Church v. The Corporation of the County of Grey et al.*, 21 U.C. Q.B. 265.) Unless a by-law were shown, the Corporation would be looked upon as trespassers; and to answer, under such circumstances, that they trespassed a little, doing no unnecessary damage, would be no answer at all. (*Ib.*) So Municipal Councils may pass by-laws for searching for and taking such timber, gravel, stone or other material or materials as may be necessary for making and keeping in repair any road or highway belonging to the municipality. (Sub-sec. 1C, *infra*.) But the right of entry upon such lands, as well as the prices or damage to be paid to any person for such materials, must, if not agreed upon, be settled by arbitration under this act. (*Ib.*) A by-law of a County Council, appropriating a certain sum of money "to be expended on certain roads within the county (not defined), in such manner as the township and town councillors may think proper," has been held bad. (*In re Conger and the Peterborough Municipal Council*, 8 U. C. Q. B. 349.) So a by-law taxing the wild lands of a district, "for the purpose of improving the roads and bridges (not defined), and liquidating the debts of the district." (*Doe dem. McGill v. Langton*, 9 U. C. Q. B. 91.)

(c) The authority to raise money by toll on a bridge, &c., appears to exist only when necessary "to defray the expense of making or repairing the same," and not for mere purposes of revenue. See (*In re Campbell and the Corporation of the City of Kingston*, 14 U.C. C. P. 285.)

(d) No person is allowed to race or drive furiously any horse or other animal upon any highway (Con. Stat. U. C. cap. 56, sec. 5); and if in this respect the act be contravened, the offender shall incur a penalty of not less than one dollar, nor more than twenty dollars, in the discretion of the convicting Justice, with costs. (*Ib.* sec. 11.)

(e) The power to make regulations as to pits, &c., and other places dangerous to travellers, may involve the right to some degree to interfere with private rights of property.

(f) The right of a Municipal Corporation to sell timber trees on a

6. For selling the original road allowance to the parties next adjoining whose lands the same is situated, when a public road has been opened in lieu of the original road allowance, and for the site or line of which compensation has been paid, and for selling in like manner to the owners of any adjoining land any road legally stopped up or altered by the Council; and in case such parties respectively refuse to become the purchasers at such price as the Council thinks reasonable, then for the sale thereof to any other person for the same or a greater price; (*g*)

PERMITTING ROAD AND BRIDGE COMPANIES TO PASS, &c.

7. For regulating the manner of granting to Road or Bridge Companies permission to commence or proceed with roads or bridges within its jurisdiction, and for regulating the manner of ascertaining and declaring the completion of the work so as to entitle such companies to levy tolls thereon, and for regulating the manner of making the examinations necessary for the proper exercise of these powers by the Council; (*h*)

road allowance, so as to impart a vested interest and possession in the trees to the vendee, and in the soil as incidental, was at one time doubted. (*Cochran v. Hislop*, 3 U. C. C. P. 440.)

(*g*) Where a public road has been opened through private property, in lieu of an original allowance for road, for which compensation has been paid, the original allowance may be sold "to the parties next adjoining whose lands the same is situated." The allowance may adjoin on each side the lands of different parties, and it then becomes a question whether the Council is bound to sell to each one half of the allowance, or may sell the whole to one. Similar authority is conferred as to "any road legally stopped up and altered by the Council." If the parties entitled to preëemption refuse to purchase, then and only then is the Council authorized to sell to any other person. The statute does not require the Corporation to do more than close or stop up the road allowance. They are not required to fence it in or place any physical obstruction in the way of persons using it. They only put an end to the right of using it, and consequently to all obligation on the part of any person to respect it as a highway. The selling of the road allowance is one thing; the stopping up of a road allowance is an entirely different thing. The sale is by no means necessary to the extinction of the public easement. (*Johnston v. Reesor et al.*, 10 U. C. Q. B. 101; *In re Choate and Bletcher and the Municipality of the Township of Hope*, 16 U. C. Q. B. 424.) The Council may, under certain circumstances, stop up a road allowance, though not at the time in their contemplation to substitute another for it. (*Ib.*) Where it is contended by a private individual that a road allowance has been legally stopped up and conveyed to him, he must show that all the proceedings made necessary in that behalf have been taken by the Corporation. (*Winter v. Keown et al.*, 22 U. C. Q. B. 341.)

(*h*) The powers are, to pass by-laws:

1. For regulating the manner of granting to road or bridge companies permission to commence or proceed with roads or bridges within its jurisdiction.

TAKING STOCK IN.

Taking stock
in, or making
loans to such
companies.

8. For taking stock in, or lending money to, any such incorporated Road or Bridge Company, under and subject to the respective statutes in that behalf; (i)

2. For regulating the manner of ascertaining or declaring *the completion* of the work, so as to entitle such companies to levy tolls.
3. For regulating the manner of making *the examination necessary* for the proper exercise of the powers of the Council.

The Legislature has conferred upon Municipal Corporations very extensive powers in relation to public highways. They are, as we have seen, empowered not only to divert but stop up existing highways and to open new ones. (Sec. 333.) Upon these Corporations, in the first place, is devolved the duty—and perhaps it may be found the option too—of constructing roads and bridges throughout the several localities represented by Municipal Councils. Before others can legally exercise these powers, permission is required from the local Municipal Corporation. The power to grant permission involves the power to withhold it; and if a road company were, without such permission, to attempt to interfere with the highways of the municipality, the Court of Chancery, upon an application made at the proper time, grounded on proper materials, no doubt would interfere by injunction. (*Attorney-General v. The Nepean Road Company*, 2 Grant, 626.) The power is not only to grant or withhold permission to commence, but, if granted, to make regulations for the completion of the work, and to make the examinations necessary for the proper exercise of these powers. So that the controlling and directing power is, as it were, vested in the Municipal Corporations.

No company, formed under the Joint Stock Companies Road Act, is allowed to commence any work until thirty days after the directors have served a written notice upon the head of the municipality in the jurisdiction of which such road is intended to pass or be constructed. (Con. Stat. U. C. cap. 49, sec. 10.) If the Municipal Council pass a by-law prohibiting, varying or altering any such intended line of road, the by-law shall have the same force and effect, and be obligatory upon all persons and upon the company, if the company proceed in the construction of the road, as much as if the provisions thereof were part of the said act. (*Ib.*) But if no by-law be passed within thirty days after service of the notice, then the company may proceed with the intended road, without being liable to any interruption or opposition from any source whatever. (*Ib.* sec. 11.) No such road, however, shall, under any circumstances, be constructed or pass within the limits of any city, incorporated town or village, except by permission, under a by-law, of the city, town or village, passed for the purpose. (*Ib.* sec. 6.)

(i) Any Municipal Council having jurisdiction within the locality through or along the boundary of which any such road passes, may subscribe for, hold, sell and transfer stock in any company formed under the general act (Con. Stat. U. C. cap. 49), or any former act passed for the like purpose, and may from time to time direct the Mayor, Reeve, Warden or other chief officer of the municipality, on behalf thereof, to subscribe for such stock in the name of the municipality, and to act for and on behalf of the municipality in all matters relating to such stock, and the exercise of the rights of the municipality as a stock-

TAKING MATERIALS.

10. For searching for and taking such timber, gravel, stone or other material or materials as may be necessary for making and keeping in repair any road or highway belonging to any such Municipality; and the right of entry upon such lands, as well as the price or damage to be paid to any person for such materials, shall, if not agreed upon by the parties concerned, be settled by arbitration in the manner provided by this Act. holder; and the Mayor, Reeve, Warden or other chief officer shall, whether otherwise qualified or not, be deemed a stockholder in the company, and may vote as such, subject to any rules and orders in relation to his authority made in that behalf by the by-laws of the Municipal Council or otherwise, and may vote according to his discretion in cases not provided for by the municipality. (*Ib.* sec. 63.) The Municipal Council may pay all the instalments upon the stock they subscribe for and acquire, out of any moneys belonging to the municipality, and which are not specially appropriated to any other purpose, and may apply the moneys arising from the dividends or profits on the stock, or from the sale thereof, to any purpose to which unappropriated moneys belonging to the municipality may be lawfully applied (*Ib.* s. 64).

So the Municipal Council of any locality through or along the boundary of which any such road passes, may, out of any moneys belonging to the municipality, and not appropriated to any other purpose, lend money to the company authorized to make the road, upon such terms and conditions as may be agreed on between the company and the municipality making the loan; and the municipality may recover the money so loaned, and appropriate the money so recovered to the purposes of the municipality. (*Ib.* sec. 65.) The Municipal Council may issue debentures for the payment of any loan negotiated by them with any such company, in the same manner, and subject to the same conditions, as required by law with regard to the issuing of other debentures. (*Ib.* sec. 66.)

(*j*) A grant for a term of years is authorized for a consideration stated. The grant is to be of the rates fixed by by-law to be levied, &c. The term is not to be more than twenty-one years; and the consideration, or part consideration, is to be that of planking, gravelling, or macadamizing the road, &c., or of building a bridge, &c.

(*k*) See note *b* to sub-sec. 1, *ante*.

OLD ROAD ALLOWANCES.

When a road is substituted for an original allowance.

Conveying of former road allowance.

334. In case any one in possession of a concession road or side line has laid out and opened a road or street in place thereof without receiving compensation therefor, or in case a new or travelled public road has been laid out and opened in lieu of an original allowance for road, and for which no compensation has been paid to the owner of the land appropriated as a public road in place of such original allowance, the owner, if his lands adjoin the concession road, side line, or original allowance, shall be entitled thereto, in lieu of the road so laid out, (*l*) and the Council of the Municipality upon the report in writing, of its Surveyor, or of a Deputy Provincial Land Surveyor, (*m*) that such new or travelled road is sufficient for the purposes of a public highway, (*n*) may convey the said original allowance for road in fee simple to the person or persons upon whose land the new road runs, (*o*) and when any such original road allowance is, in the opinion of the Council useless to the public, and lies between lands owned by different parties the Municipal Council may, subject to the conditions aforesaid, sell and convey a part thereof to each of such parties

(*l*) So far, this section provides for two cases; first, where a person in possession of a concession road or side line has *himself* laid out and opened a road, &c., in place thereof; secondly, where a new or travelled road has been laid out and opened by, it is conceived, *the proper authority*, in lieu of an original allowance for road, &c. In either of these cases, if no compensation has been paid to the owner of the land, and if his lands adjoin the concession road, side line, or original allowance, he shall be *entitled* to the original road allowance in lieu of the road laid out. But though entitled, it would appear from what follows, that to make his title complete there must be a conveyance from the Municipal Council to him of the original road allowance. (See *Winter v. Keown*, 22 U. C. Q. B. 341.)

(*m*) If the Municipal Council has a surveyor in its employment, the report is to be by him; if not, by *any* deputy provincial land surveyor.

(*n*) The surveyor on making his report, cannot do better than adopt the very language of this section. He should in his report be particular to show the exact width of the road and the line it is to run. (*The King v. Sanderson*, 3 U. C. O. S. 103; see also *Purdy v. Farley*, 10 U. C. Q. B. 545.)

(*o*) The proper course would be, it is apprehended, to pass a by-law authorizing the conveyance, and afterwards, in pursuance thereof, to execute a formal deed of conveyance. (*In re Choate et al. and the Municipality of the Township of Hope*, 16 U. C. Q. B. 424.) The power to sell the allowance for road exists when, in the opinion of the Council, it is *useless* to the public; as to which see *Purdy v. Farley*, 10 U. C. Q. B. 545.

as may seem just and reasonable; (*p*) and in case compensation was not paid for the new road, and the person through whose land the same passes does not own the land adjoining the original road allowance, the amount received from the purchaser of the corresponding part of the road allowance when sold, shall be paid to the person who at the time of the sale owns the land through which the new road passes. (*q*)

Compensation to party whose land is taken.

POSSESSION OF ROAD ALLOWANCES.

335. In case a person be in possession of any part of a Government allowance for road laid out adjoining his lot and enclosed by a lawful fence, and which has not been opened for public use by reason of another road being used in lieu thereof, or be in possession of any Government allowance for road parallel or near to which a road has been established by law in lieu thereof, such person shall be deemed legally possessed thereof, as against any private person, until a By-law has been passed for opening such allowance for road by the Council having jurisdiction over the same. (*r*)

Original allowance for roads when to be deemed legally possessed till a By-law is passed for opening them.

(*p*) The expression, "subject to the condition aforesaid," refers to the report of the surveyor, &c.

(*q*) If the person from whom the land for the new road is taken has not land adjoining the old road allowance, the allowance would be of little or no use to him. For this reason it is provided that in such case the allowance shall be sold, and the proceeds paid to the person whose land is taken for the new road.

(*r*) This section provides for the security of, first, a person in possession of any part of a Government allowance for road, &c., not opened for use "by reason of *another road being used in lieu thereof*;" and secondly, a person in possession of any Government allowance for road, parallel or near to which "a road *has been established by law*, in lieu thereof," &c. A person so circumstanced is to be deemed legally possessed as against any "*private person*," but not as against the Crown; and he is to be deemed so possessed "until a by-law has been passed for opening such allowance," &c. So that as well against private persons as Municipal Councils, until a by-law is passed for opening, &c., he is to be deemed legally possessed. By an act of 1810, all allowances for roads laid out by public authority were declared, whether opened or not, used or not, "public highways;" (50 Geo. III. cap. 1, sec. 12) but for the security of persons in possession of them when not used, it was in 1846 enacted that no allowance for road in possession of a private person should be opened unless upon notice to him, and the passing of an order of the proper municipal authority. (9 Vic. cap. 8.) Both these enactments are here in substance reenacted. A person in possession of a road allowance where a new road has been opened or is used in lieu of it, to save himself from all disturbance, had better acquire a legal title thereto, pursuant to sec. 334 of this act. (See *Purdy v. Farley*, 10 U. C. Q. B. 545.)

NOTICE OF BY-LAWS FOR OPENING SUCH ALLOWANCES.

By-law for opening, &c., roads, &c., to require notice.

336. But no such By-law shall be passed until notice in writing has been given to the person in possession, at least eight days before the meeting of the Council, that an application will be made for opening such allowance. (s)

337. The Municipal Council of every Township, City, Town, and Incorporated Village (t) may pass By-laws:

(s) There must be a notice in writing, which must be given to the person in possession at least eight days before the meeting of the council. (See *In re Sams and the Corporation of Toronto*, 9 U. C. Q. B. 181.) The object is to prevent his being taken by surprise in regard to the intention to open the road allowance of which he is in possession.

(t) Counties are not here mentioned, because the object of the section is to enable the Councils of the Municipalities named to assist the Councils of Counties.

(u) As a rule, Councils of Municipalities less than counties have not power spontaneously to assess themselves for county purposes. (See note k to section 190.) The power given by this clause is to grant aid by loan or otherwise towards opening or making any new road, i. e., not stating whether the same may be done voluntarily or only upon the solicitation of the Council of the County.

(v) A bridge between two municipalities—townships, for example—divided by a stream, is a good example of a work that may be executed at “joint expense” and for “joint benefit.”

(a) The roads of Joint Stock Companies are not such public roads or highways as the Legislature intended by this section. (*The Queen v. Brown and Street*, 13 U. C. Q. B. 536; but see *Port Whitby and Lakes Scugog, Simcoe, and Huron Road Company v. The Corporation of the Town of Whitby*, 18 U. C. Q. B. 40.)

To be kept in repair by the Corporation, on pain of damages.

(b) The section vests in the Municipality the public roads, streets, bridges, and highways intended, but does not convey such a freehold and estate in the municipality as will entitle the municipality to maintain an action of ejectment. Every individual in the community has an equal right to use a public street or road. The municipal corporations cannot be deemed proprietors, and as such entitled to control the possession any more than any other corporation or person interested in the streets, roads, or highways. The property vested in the municipal corporations is a qualified one, to be held and exercised for the benefit of the whole body of the corporation. They hold as trustees for the public, and not by virtue of any title which confers possession sufficient to maintain an action of ejectment. (Per McLean, J., in *The Corporation of Sarnia v. The Great Western Railway Company*, 21 U. C. Q. B. 62); but may, it seems, sue for malicious injuries done to roads or bridges within their jurisdiction. (See *The Corporation of the Township of Thurlow v. Bogart*, 15 U. C. C. P. 1; *The Corporation of Wellington v. Wilson et al.* 14 U. C. C. P. 299; S. C. 16 U. C. C. P. 124.) Defendants, if intending to deny property or possession when sued by a Municipal Corporation as proprietors of a road claiming property or exclusive possession, should, by plea, put in issue the right of property of the plaintiffs. (*The Municipality of the Township of Sarnia v. The Great Western Railway Company*, 17 U. C. Q. B. 65.)

(c) It would seem that this section applies as much to highways dedicated by permissive user, as to highways created by some express act of dedication, such as a plan or map. (*Milton v. Duck*, Q. B. M. T. 1866.)

(d) The right of a person who lays out a street on his own land without compensation in lieu of a street existing at the time, to take and hold possession of the latter, would, if this section were read alone, seem to be implied. But unless such a person hold a conveyance obtained under sec. 334, it is conceived that his right to hold possession of the road, if a government allowance, could be terminated under sec. 335 as therein provided. (*Purdy v. Farley*, 10 U. C. Q. B. 545.)

(e) See note a to sec. 338.

(f) A question may arise as to the proper effect to be given to the words "kept in repairs." The word repair is not to be here construed as if it meant "construction" in the first instance. (*The Queen v. The Board of Guardians of the Epsom Union*, 8 L. T. N. S. 383.) Besides,

meanoor punishable by fine in the discretion of the Court, (g) and the Corporation shall be further civilly responsible for all damages sustained by any person by reason of such default, (h) but the action must be brought within three months (i)

the words keeping in repair, should be construed with a reasonable attention to circumstances. A new side line or concession line opened in a township thinly scattered, could scarcely be expected to be found in as perfect a condition as an old highway in a well settled township (per Robinson, C. J., in *Colbeck and Wife v. The Corporation of the Township of Brantford*, 21 U. C. Q. B. 276). Where the obligation to repair is clear, a writ of mandamus may be issued to the Corporation, commanding the repair. (*In re Municipality of Augusta and the Municipal Council of Leeds and Grenville*, 12 U. C. Q. B. 522.) But where it is in good faith disputed, the case is not a proper one for mandamus. (*The Queen v. The Municipal Corporation of the County of Haldimand*, 7 U. C. L. J. 266.) The obligation to repair roads and bridges is not confined to Municipal Corporations named in the preceding section, viz., cities, towns, townships, and villages, but extends also to Corporations of counties. (*Harrold v. The Corporation of the County of Simcoe and the Corporation of the County of Ontario*, 16 U. C. C. P. 43.)

(g) As a corporation cannot be compelled at the assizes or sessions to appoint an attorney, an indictment found against it must be, by certiorari, moved into one of the superior courts of common law, and then proceedings be had by *venire facias* and *distringas*, if necessary, to compel the corporation to appear and plead to the indictment. (Archbold's Crown Office, 171.) When issue is joined, a record may be made up and sent down for trial before a jury, as in an ordinary case. (*Ib.*)

(h) It is no defence to an action against a Municipal Corporation for negligence in the non-repair of a road, that they appointed a proper overseer of highways and gave him means and authority to keep the road in good order. The Municipal Corporation are, as it were, themselves the overseers of the highway, and on this principle bound to keep it in repair. They have not only the duty thrown expressly upon them of keeping highways in repair, but have all necessary powers given to them for enabling them to perform that duty. The Corporation must at their peril answer for the consequences of the duty not being performed. The negligence of their officers or servants is no answer (per Robinson, C. J., in *Colbeck and Wife v. The Corporation of the Township of Brantford*, 21 U. C. Q. B. 276.) Independently of the statute it would appear that there is a common law duty cast on Municipal Corporations to repair and keep in repair the roads which are within their jurisdiction, and for which they have power to raise the requisite funds. (See *The Corporation of Wellington v. Wilson et al.* 14 U. C. C. P. 299, S. C. 16 U. C. C. P. 124; *Harrold v. The Corporation of the County of Simcoe and the Corporation of the County of Ontario*, 16 U. C. C. P. 43.) But is not their duty, either under the statute or at common law, to lay a plank from each man's house across a ditch to the street, and to keep such planks in repair. *McCarthy v. The Corporation of the Village of Oshawa*, 19 U. U. Q. B. 245.)

(i) The limitation as to time (three months) applies only to acts of omission, i. e., non-repair, but not to acts of commission, as negligently

after the damages have been sustained; (*j*) and this section shall not apply to any road, street, bridge or highway laid out without the consent of the Corporation by By-law, until established and assumed by By-law. (*k*)

LOCAL IMPROVEMENTS OF STREETS.

placing gravel on the sides of the road and taking no precaution to prevent persons passing along the road from running against these heaps, whereby a person so driving might run against the heaps and be thereby injured. (*Rowe v. The Corporation of Leeds and Grenville*, 13 U. C. Q. B. 575.) Where the section is applicable, no additional time is given to a legal representative to bring the action, owing to the death of the intestate, by reason of negligence within the meaning of the section. (*Turner v. The Corporation of the Town of Branford*, 13 U. C. C. P. 109.)

(*j*) The statute begins to run from the occurrence of the accident, not from the death. (*Miller v. The Corporation of the Township of North Fredericksburgh*, 25 U. C. Q. B. 31.) So where plaintiff's mare fell through a bridge and was injured, but did not die for four months afterwards, when the action was brought it was held to be too late. (*Ib.*) As soon as the mare was injured by falling through the bridge, the plaintiff's cause of action was complete. His damages in the words of the statute were then and from that time sustained. The subsequent death of the mare was merely additional evidence of the extent of his damages. (*Ib.*) The damage was not the less because he did not at the time know its full extent. (*Ib.*)

(*k*) It is not every road, street or bridge in a Municipality, that is a public road, street or bridge, within the meaning of the preceding section and this section. If the road, street or bridge be laid out without the consent of the Corporation by by-law, it is not within the meaning of these sections made public, so as to render the Corporation liable for damages for non repair, nor does it become public for the purposes of this section "until established and assumed by by-law."

(*l*) Neither counties nor townships are here mentioned; for the provisions of this section are such as are inapplicable to rural municipalities.

(*m*) The principle of local instead of general assessment is here sanctioned. The assessment for making or repairing any pavement, &c., may be imposed upon "the proprietors of real property immediately benefited, &c." The sub-section is "not to apply to cities," because section 301 and following sections of this act make ample provision for local improvements in cities.

(*n*) The objects here contemplated are sweeping, watering or lighting. Assessments may be made for one or other of those objects, "upon petition of at least *two-thirds* of the freeholders and householders resident in any street, &c., representing in value *one half* of the ratable property therein, &c." (See note to sec. 302.)

(*o*) The meaning is, that for the purposes mentioned, the Council *may* but is not bound to assess localities immediately benefited. If such be not done, of course the charge will fall upon "the general corporate funds."

(*p*) The power is not only to "regulate," but to "prevent."

(*q*) See sub-sec. 2 of sec. 296, and note thereto.

Council, and over all bridges across streams separating two Townships in the County, and over every road or bridge dividing different Townships, although such road or bridge may so deviate as in some places to lie, wholly or in part, within one Township: (a)

(a) It is by sec. 316 enacted that *the soil and freehold* of every highway or road, altered, amended or laid out according to law, shall be vested in Her Majesty, Her heirs and successors. It is by sec. 338 enacted that *every public road, street, bridge or other highway* (not saying soil or freehold), in a city, township, town or incorporated village, shall be vested in the Municipality, *subject to any rights in the soil* which the individuals who laid out such road, street, bridge or highway reserved. It is by the section here annotated, enacted that the County Council shall have *exclusive jurisdiction* over the roads and bridges mentioned, which may include roads and bridges such as mentioned in sec. 316 and sec. 338. The editor endeavored in note *j* to sec. 316 to reconcile secs. 316 and 338. It is now necessary, if possible, to reconcile the section under consideration, with those sections.

The section under consideration, it will be observed, omits all reference to "the soil and freehold" as provided for in sec. 316 and 338, and omits the use of the word "vest" as used in the latter section. It simply declares that as to the roads and bridges intended, the County Council (not corporation) shall have *exclusive jurisdiction*. The reason which probably led the Legislature to confer the exclusive jurisdiction upon counties over county roads and bridges, without vesting the soil or property of them in the counties, was, that the county has no peculiar or exclusive locality constituting the county, apart from the separate municipalities which compose it; and it might seem inconsistent after vesting every public road, street, bridge or other highway, in a city, township, town, or incorporated village in the Crown or in the particular local municipality, to vest any of the same highways in the corporation of the county, and therefore, "the exclusive jurisdiction" was alone conferred upon the County Council, as the grant of a power sufficiently large for all practical purposes, and indicating that the local municipality or municipalities are to be excluded from all interference in the exercise of that power. (Per Adam Wilson, J., in *The Corporation of the County of Wellington v. Wilson et al.* 16 U. C. C. P. 130.)

The exclusive jurisdiction is conferred as to the following roads and bridges:

1. All roads and bridges lying *within* any township of the county and which the Council of the county assumes as a county road or bridge.
2. All bridges across streams separating two townships in the county.
3. Every road or bridge dividing different townships, although such road or bridge may so deviate as in some places to lie wholly or in part within one township.

It would appear to be necessary for the County Council to pass a by-law assuming a road or bridge only where the road or bridge is *within* any township. In all cases of roads or bridges *dividing* different townships in the county, or bridges *across* streams *separating* two townships in the county, the County Council has exclusive jurisdiction

cil fails to

1. All Township boundary lines not assumed by the County Council shall be opened, maintained and improved by the Township Councils; (b)

2. Whenever Township Councils fail to maintain such roads, in the same way as other Township roads, by mutual agreement as to the share to be borne by each, it shall be competent for one or more of such Councils to apply to the County Council to enforce joint action on all Township Councils interested; (c)

by authority of the statute, without any by-law whatever (per Adam Wilson, J., in *The Corporation of Wellington v. Wilson et al.*, 14 U. C. C. P. 303.) The County Council has no jurisdiction to assume as a county road any road or bridge within any town or incorporated village. Cities, towns, and villages are not mentioned in this connection, and consequently roads and bridges *within* such municipalities remain exclusively under the jurisdiction of each local municipality, within which they are respectively situated (per Burns, J., in *The Churchwardens of St. George's Church v. The Corporation of the County of Grey*, 21 U. C. Q. B. 265.)

(b) The sub-sections which follow are new and their meaning in connection with the foregoing anything but clear. By "Township Boundary line" is probably meant, a road forming a township boundary. (See sub-sec. 7.) This (if not assumed by the County Council) is to be opened, maintained and improved by the Township Councils.

It will appear from what is stated in the preceding note, that all roads dividing *different* townships are under the exclusive jurisdiction of the County Council, whether assumed by by-law or not. If this sub-section is to be looked upon as extending to roads dividing *different* townships and so forming a boundary to each, their exclusive jurisdiction "is not to be deemed as including any obligation to open, maintain or improve, which obligation is now thrown upon the Township Councils." It does not extend to township boundaries, which are also county boundaries; for as to the latter, provision is made by sub-sec. 7 and following sub-sections. The object of these sub-sections is as much as possible to relieve counties of the burden of keeping roads in repair, and throw that burden upon the local municipalities adjacent thereto. The wisdom of such a policy is doubtful. To cast the burden upon a particular locality, of keeping in repair a county road used by the whole county, seems unfair and unreasonable. (See remarks of Adam Wilson, J., in *Rose and the Corporation of the United Counties of Stormont, Dundas and Glengary*, 22 U. C. Q. B. 537.)

(c) The roads here intended are "the Township Boundary lines," mentioned in the preceding sub-section. Apparently the intention is to embrace roads dividing townships; otherwise there would be no necessity for a provision as "to the share to be borne by each" in respect of the obligation to open, repair and improve. It is true that in the case of townships adjacent to an unsurveyed track, the provision would be in terms applicable, whether townships were divided or not by "the boundary line." But the probability is, that the Legislature

3. In cases where all the Township Councils interested neglect or refuse to open up and repair such lines of road in a manner similar to the other local roads, it shall be competent for a majority of the rate-payers resident on the lots bordering on either or both sides of such line, to petition the County Council to enforce the opening up or repair of such lines of road by the Township Councils interested ; (d)

If all the Councils fail.

4. It shall be the duty of a County Council receiving such petition, either from Township Councils or from rate-payers, as in the preceding sub-section mentioned, to consider and act upon the same at the session at which the petition is presented; it shall be the duty of the County Council to determine upon the amount which each Township Council interested shall be required to apply for the opening or repairs of such lines of road, or to direct the expenditure of a certain proportion of statute labour, or both, as may seem necessary to make the said lines of road equal to other local roads ; (e)

meant the sub-section to have a more extended operation. This supposition is confirmed by a reference to sub-sec. 3, which gives certain powers to the rate-payers bordering "on either or *both* sides of such line." The County Council is, in relation to such townships, as it were, made the arbiter. Power is given to the County Council, on the application of any township interested, "to enforce joint action" on all interested. The application should be by petition.

(d) The preceding sub-section supposes at least one of the townships interested disposed to do what is required of it. But if all interested fail to perform the duty cast upon them, a majority of the rate-payers resident on the lots bordering on either or both sides of such line, may petition the Council to enforce the opening up or repair of such line, by the Township Councils interested. The time and mode of so doing are provided for by the next sub-section.

(e) In order that time may not be unnecessarily lost, it is made the duty of the County Council "to consider and act upon" the petition "at the session at which the petition is presented." The action may be either by directing the expenditure of money, or the doing of statute labour, or both, as may seem necessary, "to make the said lines of road equal to other local roads." (See note *f* to sec. 339.)

8. Whenever the several townships interested in the whole or part of any line road, are unable mutually to agree as to their joint action in opening or maintaining such line road, or portion thereof, one or more of such Township Councils may apply to the Wardens of the bordering counties to determine jointly the amount which each township shall be required to expend either in money or Statute labour, or both, and the

Wardens
and County
Judge to
decide.

(*f*) The mere order or direction of the County Council, without powers to enforce it against the townships interested, would be of little avail. Power is therefore given to County Councils to appoint a commissioner or commissioners "to execute and enforce their orders or by-laws relative to such roads." This is as it were *in terrorem*; for it is also provided that if the representatives (probably meaning Reeves or Deputy Reeves) of any or all of the townships interested shall intimate to the Council or to the commissioner or commissioners their intention to execute the work themselves, then the commissioner or commissioners may delay their proceeding. But the delay is only to be for "a reasonable time." If the work be not proceeded with during "the favorable season" by the township officers, then the commissioners shall undertake it, and finish it themselves.

(*g*) Where commissioners do the work, some provision is necessary for payment. It is therefore provided that the money shall be paid by the County Treasurer. "on the order of the commissioner or commissioners." When so paid, the money is to be retained by the County Treasurer out of any money in his hands belonging to the township. If none, then the County Council may levy against such township a rate "sufficient to cover such advances."

(*h*) This is an extension to townships adjacent to roads which are boundary lines of different counties, of the principles contained in the preceding sub-sections as to roads which are the boundary lines of several townships in the same county.

It shall be the duty of the Wardens of the Counties interested to meet within twenty-one days from the time of receiving such application for the determination of the matter in dispute ; the Warden of the County in which the Township first making the application is situated, shall be the convener of the meeting ; and it shall be his duty to notify the Warden of the other County and County Judge of the time and place of meeting, within eight days of the time of his receiving such application ; (*j*)

What the
Wardens
and County
Judge shall
determine.

(*i*) The County Council is, as it were, made the arbiter between townships in the same county. (See note *c*, above.) But where the townships are of different counties, the Wardens of the counties are by this sub-section made the arbiters. Their power as such arbiters is "to determine jointly the amount which each township shall be required to expend, either in money or statute labour, or both, and the mode of expenditure." In case the Wardens are unable to agree, the County Judge is made the direct arbitrator.

(*j*) In order that time may not be unnecessarily lost, it is made the duty of the Wardens to meet "within twenty-one days" from the time of receiving the application. The initiative rests upon the Warden of the county in which the township that first made the application is situate. He is the convener of the meeting. It is made his duty to notify the Warden of the other County and the County Judge of the time and place of meeting. This he must do "within eight days" of the time of his receiving the application.

(*k*) By sub-section 8 it is provided that the County Judge is to be the third arbitrator, "when such Wardens are unable to agree." And yet it is provided by subsection 9, that the convening Warden shall (before any opportunity to agree or disagree) notify "the other Warden and the County Judge" of the time and place of meeting ; and here it is provided that "the Wardens and County Judge, or any two

It shall be the duty of County Councils to erect and maintain Bridges over Rivers forming Township or County Boundary Lines, and in the case of County Councils failing to agree on the respective portions of the expense to be borne by the several counties, it shall be the duty of each County Council to appoint arbitrators as provided by this Act, to determine the amount to be so expended, and such award as may be made shall be final. of them," shall determine, &c., as if the County Judge were to be third arbitrator, whether the Wardens disagreed or not. In these respects there is an apparent inconsistency between the sub-sections mentioned.

The duties of the arbiters are:

1. To *determine* on the share to be borne by the respective townships of the amount required on the part or parts to be opened or repaired by each or both.
2. To *appoint* a commissioner or commissioners to superintend such work.

It is the duty of the Township Treasurer to pay the orders of the commissioners to the extent of the sum apportioned to each township.

Besides, path-masters controlling statute labour on lots adjoining the line, on the portion of the line to be opened or repaired, must obey the order of the commissioner or commissioners in performing the statute labour unexpended.

(*l*) The object of these sub-sections, as explained in note *c* above, is as much as possible to relieve counties from the burden of opening or repairing roads. But still, any County Council may, under this sub-section, either assume, make and maintain *any* township or county line at the expense of the county, or grant such sum or sums from time to time for the said purpose as they may deem expedient.

(*m*) The obligations of County Councils in regard to bridges remain unimpaired. The County Councils must not only erect but maintain bridges over rivers forming township or county boundaries; and where several County Councils are interested, there must be an arbitration, unless they mutually agree. The power of the arbitrators is, "to determine the amount to be so expended. If the award be in other respects valid, "it shall be *final*."

(p) This section is not to be understood as *limiting* the responsibility of counties to just the same measure of responsibility to which magistrates in Quarter Sessions were subjected. This is not the purpose of the clause. It is a transfer clause or clause of conveyance from the Magistrates to the County Councils of all the powers, &c., and on the completion of such transfer the Councils are to hold the property operated upon in like manner and subject to the general duties and liabilities applicable to their other property. The section too, it will be seen, applies only to such *particular* roads and bridges as were not conferred or imposed on any other Municipal Council; but it is difficult to say what roads or bridges can be within it, when secs. 317, 329, 338 and 339 have already conferred or imposed every road and bridge upon some municipality, excepting those Government works specially exempted under sec. 318. The section under consideration was, it is presumed, inserted *ex abundanti cautela*, and not because there was any case or special property upon which it can really operate (per Adam Wilson, J., in *Harrold v. The Corporation of the County of Simcoe and the Corporation of the County of Ontario*, 16 U. C. C. P. 50, 51.) Counties are liable at common law for non-repair of county roads. (*Ib.*)

(*v*)

(*r*) The stopping up of a highway is one thing, and the sale of it another. The sale is in no way essential to the effective stopping up of the highway. The power is to pass by-laws for stopping up, or stopping up *and* sale, &c. (See note *r* to sec. 323.) But the powers conferred, so far as counties are concerned, are limited to an original allowance for roads or parts thereof within the county, and only to such as are subject to the sole jurisdiction and control of the County Council, and not being within the limits of any village, town or city within or adjoining the county.

(*s*) See sec. 323, and notes thereto.

(*t*) So as to prevent immoderate driving, the Council is invested with the jurisdiction necessary to pass by-laws for the purpose over all highways, whether township or county highways. The jurisdiction apparently does not extend to highways in towns or incorporated villages, and certainly not in cities, for cities for such purposes are deemed counties.

4. For protecting and regulating of Booms on any stream or river for the safe-keeping of timber, saw-logs and staves within the municipality; (*w*)

Protecting Booms.

TREES OBSTRUCTING HIGHWAYS.

5. For directing that, on each or either side of a highway passing through a wood, the trees, (unless they form part of an orchard or a shrubbery, or have been planted or reserved expressly for ornament or shelter,) shall, for a space not exceeding twenty-five feet on each side of the highway, be cut down and removed by the Proprietor within a time appointed by the By-law, or, in his default, by the County Surveyor or other Officer in whose division the land lies; and, in the latter case, for authorizing the trees to be used by the Overseer or other Officer for any purpose connected with the improvement of the highways and bridges in his division, or to be sold by him to defray the expenses of carrying the By-law into effect; (*x*)

May direct the trees to be cleared on each side of highways.

LOCAL RATES FOR SPECIAL IMPROVEMENTS.

6. For levying by Assessment on all ratable property within any particular part of one or parts of two Townships to be described by metes and bounds in the By-law, in addition to all other Rates, a sum sufficient to defray the expense of making, repairing or improving any Road, Bridge, or other public work, lying within one township or between parts of such two Townships, and by which the inhabitants of such parts will be more especially benefited; provided that the provisions of this sub-section shall not be held to apply to any

Local rates for special improvements.

(*w*) This is a new sub-section, it authorises by-laws:—

For the *protection* and *regulation* of booms on any stream or river, and

For the *safe-keeping* of timber, saw logs and staves, within the municipality.

(*x*) Powers precisely similar to those by this clause conferred on counties, are also by this act conferred on *townships*. (Sec. 345, sub-sec. 3.) This may cause some conflict of jurisdiction. With respect to counties, if the proprietor neglect or refuse, within the time limited for the purpose, to remove the trees, it is enacted that the removal may be effected by "*the County Surveyor*," in which case the by-law may authorize the trees to be used "*by the Overseer or other officer*," for any purpose connected with the improvement of the highways, &c. With respect to townships, these powers are to be exercised by "*the Overseer of Highways*." (Sec. 345, sub-sec. 3.) Where the word "*overseer*" occurs in the section here annotated, it is presumed that it also means "*overseer of highways*."

road, bridge or other public work within the limits of any Town or incorporated Village Municipality; (*y*)

Proceeding
to obtain a
By-law for.

Notice to be
given.

7. But no such By-law, as referred to in the last preceding sub-section, shall be passed, except—1. Upon a petition signed by at least two thirds of the Electors who shall be rated for at least one half of the value of the property within those parts of such Townships which are to be affected by the By-law; (*z*) 2. Nor unless a printed notice of the petition, with the names of the signers thereto, describing the limits within which the By-law is to have force, has been given for at least one month, by putting up the same in four different places within such parts of the Township and at the places for holding the sittings of the Council of each Township, whether it be within such parts or not, and also by inserting the same weekly for at least four weeks in some newspaper, if any there be published in the County, or if there is no such newspaper, then in a newspaper published in some adjoining County; (*a*)

AIDING TOWNSHIPS, &C., IN MAKING ROADS AND BRIDGES.

For aiding in
making
roads and
bridges.

8. For granting to any Town, Township or incorporated Village in the County, aid, by loan or otherwise, towards opening or making any new road or bridge in the Town, Township or Village, in cases where the Council deems the County at large sufficiently interested in the work to justify such assistance, but not sufficiently interested to justify the Council in at once assuming the same as a County work. (*b*)

(*y*) The power to levy rates is in general on all the ratable property in the particular township. The exception here is in the case of local improvements, where the inhabitants of a particular part of the township, or parts of two townships, will be more especially benefited. The local rate must be levied by by-law, subject to the provisions contained in the next subsection.

(*z*) A petition for local assessment in a city, town or incorporated village, must be signed by "*resident* freeholders and householders," but in a county by "*electors*," who must be male freeholders or householders, assessed for a given sum, but not necessarily residents (s. 340).

(*a*) Here too there is a difference between counties and other municipalities in respect to the subject matter of this section; for although as to counties publication of the petition in the manner above directed is required, no publication is necessary as to cities, towns or incorporated villages. (Sec. 340.)

(*b*) The power of a County Council to grant aid for the purposes mentioned exists only where the Council deems the county at large sufficiently interested "*to justify the assistance*," but not so much so as to justify the Council in at once assuming the work as a county work. The line of demarcation may not be in all cases easily drawn, but the decision rests with the Council, and for this reason cannot cause much difficulty.

TOWNSHIPS.

345. The Council of every Township (c) may pass By-laws for—
laws:

AIDING COUNTIES IN MAKING ROADS.

1. For granting to any adjoining County aid in making, opening, maintaining, widening, raising, lowering or otherwise improving any highway, road, street, bridge or communication lying between the Township and any other Municipality, (d) and for granting like aid to the County in which the Township lies in respect of any highway, road, street, bridge or communication within the township assumed by the County as a County work, or agreed to be so assumed on condition of such grant; (e)

Aiding County in making roads.

ORIGINAL ROAD ALLOWANCES.

2. For the stopping up and sale of any original allowance for road or any part thereof within the Municipality, and for fixing and declaring therein the terms upon which the same is to be sold and conveyed; (f) but no such By-law shall have any force (1) unless passed in accordance with the three hundred and twenty-third section of this Act, nor (2) until confirmed by a By-law of the Council of the County in which the Township is situate, at an ordinary session of the County Council, held not sooner than three months, nor later than one year next after the passing thereof; (g)

Stopping up and sale of original road allowance.

TREES OBSTRUCTING HIGHWAYS.

3. For directing that, on each or either side of a highway passing through a wood, the trees (unless they form part of an orchard or shrubbery, or have been planted expressly for

Ordering trees to be cut down on each side of a road.

(c) Counties have powers to pass by-laws for some of the purposes hereinafter mentioned.

(d) The power of a township to aid a county in which it is *not* situate, in the making, opening, &c., any highway, &c., does not extend to all roads, &c., but only such as are lying *between* the township granting the aid and any other municipality, though in a different county.

(e) The grant in aid of the county in which the municipality granting the aid is situate, may be made in respect of any highway, &c., *within* the township assumed by the county as a county work, &c.

(f) The stopping up is one thing, and the sale another. The allowance may be effectually stopped up, though not sold. (See note *r* to sec. 323.) The powers must be exercised by by-law.

(g) The difference between the exercise of the powers between a Township Council and a County Council is, that while the by-law of the latter is absolute, the by-law of the former is not effectual until confirmed. (See *Boulton and the Town Council of Peterborough*, 16 U. C. Q. B. 380; *Winter v. Keown et al.*, 22 U. C. Q. B. 541.)

ornament or shelter) shall, for a space not exceeding twenty-five feet on each side of the highway, be cut down and removed by the proprietor within a time appointed by the By-law, or, on his default, by the Overseer of Highways, or other officer in whose division the land lies; and, in the latter case, for authorizing the trees to be used by the Overseer or other officer for any purpose connected with the improvement of highways and bridges in his division, or to be sold by him to defray the expenses of carrying the By-law into effect; .

Granting
money for
that pur-
pose.

4. For granting, out of Township funds, any sum of money that may be necessary to pay for the cutting down and removing the timber in the third sub-section mentioned; (*i*)

Purchasing
wet lands
from Govern-
ment.

5. For purchasing from the Government or any Corporation or person, at a price (in case of Crown lands, to be fixed upon by the Governor-in-Council, and which price the Governor-in-Council is hereby authorized to fix), all the wet lands at the disposal of the Crown or such Corporation or person in any such Township; and such lands may be sold accordingly to the Corporation of any such Township; (*j*)

Raising
money for
that pur-
pose.

6. The purchase and draining of such lands shall be one of the purposes for which any such Corporation may raise money, by loan or otherwise, or for which they may apply any of its funds not otherwise appropriated; (*k*)

Disposing of
such land.

7. The Corporation of any such Township may possess and hold the land so purchased, and may, whenever they deem it expedient, sell or otherwise depart with or dispose of the same

(*i*) This and the four following sub-sections are new. The power to pass by-laws for the purpose of cutting down trees on each side of a highway would, one would suppose, involve the right to pay out of township funds the money necessary for that purpose. But to avoid doubt, the right is here in express terms conferred.

(*j*) Municipal Corporations are not in general authorized to deal in lands. The Council of every county, township, city, town and incorporated village may pass by-laws for obtaining such real and personal property as may be required for the use of the Corporation. (Sec. 246, sub-sec. 1.) The additional power is here conferred on the Councils of townships, to purchase all the wet lands at the disposal of the Crown or any corporation, or person in any township.

(*k*) Unless power were conferred to drain the wet lands, the purchase of which is authorized by the preceding sub-section, the lands would be of little value to the Township Corporation. Here it is declared that the purchase *and* draining of such lands shall be one of the purposes for which any Township Corporation may raise money by loan or otherwise, or for which it may apply any of its funds not otherwise appropriated.

by public auction, in like manner as they may by law sell or dispose of other property, and upon such terms and conditions, and with such mortgages upon the land so sold, or other security for the purchase money or any portion thereof, as they may think most advantageous; (*l*)

8. The proceeds of the sale of such lands shall form part of the general funds of the Municipality. (*m*) Proceeds of sale.

WHEN ROADS IN VILLAGES OR HAMLETS MAY BE SOLD BY TOWNSHIP COUNCILS.

346. In case the Trustees of any Police Village, (*n*) or fifteen of the inhabitant householders of any other unincorporated village or hamlet consisting of not less than twenty dwelling houses standing within an area of two hundred acres, (*o*) petition the Council of the Township in which the village or hamlet is situate, (*p*) and in case the petition of such unincorporated village or hamlet not being a Police Village, is accompanied by a certificate from the Registrar of the County within which the Township lies, that a plan of the village or hamlet has been duly deposited in his office according to the registry laws, (*q*) the Council may pass a By-law to stop up, sell and convey, or otherwise deal with any original allowance for road lying within the limits of the village or hamlet, as the same shall be laid down on the plan, but subject to all the

When roads in Police Villages may be sold by Township Councils.

(*l*) The powers to purchase and drain would not be of much value without a power to sell when drained. But the sale can only be by public auction. This is intended as a provision against favouritism.

(*m*) As the purchase money may be taken from any funds not otherwise appropriated, or raised by way of loan or otherwise, payable out of the general funds of the municipality, it is only right that the proceeds of sale should form part of the general funds of the municipality.

(*n*) Of whom there should be three in number. (Sec. 68.)

(*o*) *Inhabitant householders.* See notes *q* and *r* to sec. 75.

(*p*) Though a village and hamlet are in common acceptation synonymous terms, strictly speaking "hamlet" signifies a little village, or a collection of houses less than a village.

(*q*) Whenever any land has been surveyed or sub-divided into town or village lots or other lots, so differing from the manner in which such land was surveyed or granted by the Crown, that the same cannot or is not by the description given of it, easily and plainly to be identified, the person, corporation or company making such survey or sub-division, must within three months from the date of the survey or sub-division, lodge with the Registrar a plan or map of the same, showing the number of the township or town lots, and range or concession, the number or letters of town or village lots, and names of streets, the measurement and magnetic bearings of each lot, on a scale of not less than one inch to every four chains. (29 Vic. cap. 24, sec. 73.)

restrictions contained in this Act with reference to the sale of original allowances. (*r*)

When Village is partly in each of two townships.

347. The last section shall apply to a village or hamlet situate in two Townships whether such Townships are in the same or in different Counties, and in such case the Council of each of the Townships shall have the power thereby conferred, as to any original allowance for road lying within that part of the village or hamlet which, according to the registered plan, is situate within such Township. (*s*)

REGISTRATION OF BY-LAWS FOR OPENING ROADS ON PRIVATE PROPERTY.

By-laws under which Roads are opened on private property to be registered as to By-laws already passed.

348. All By-laws hereafter to be passed by any Municipal Council, under the authority of which any street, road or highway shall be opened upon any private property, (*t*) shall, before the same becomes effectual in law, (*u*) be duly registered in the Registry Office of the county where the land is situate, (*v*) and for the purpose of registration, a duplicate original of such By-law shall be made out, certified under the hand of the clerk and the seal of the municipality, and shall be registered without any further proof; (*w*) and all By-laws heretofore passed, and all orders and resolutions of the Quarter Sessions heretofore passed, under the authority of which any street, road or highway has already been opened upon any private property, may at the election of any party interested, and at

(*r*) See secs. 323, 334.

(*s*) The last section in terms applies only to a village or hamlet situate in one and the same township, as well as in one and the same county, but as villages are often formed at the corners of different townships, which may or may not be in different counties, it is by this section made to extend to "a village or hamlet situate in *two* townships, whether such townships are in the same county or in different counties." The extension is scarcely sufficient, for there are villages formed of parts of *more* than two townships.

(*t*) Taken from sec. 61 of the new Registry Act, 29 Vic. cap. 24.

(*u*) This is a new requirement. It is now essential to the validity of a by-law under the authority of which a street, road or highway shall be opened through private property, that the by-law be registered as required by this section.

(*v*) Whenever the Registry Office is only for a riding less than a county, it is presumed that the by-law should, in order to its validity, be registered in the Registry Office of such riding.

(*w*) It is only a duplicate original of the by-law that can be registered, and not only so, but such duplicate original must be certified under the hand of the Clerk and seal of the municipality. (See note *c* to sec. 198.) If so certified, it may be registered without further proof. If not so certified, it is apprehended the Registrar may reject it.

the cost and charges of such party or municipality, be also duly registered, (x) upon the production to the Registrar of a duly certified copy of such By-law under the hand of the Municipal Clerk and seal of such municipality, (y) or by a duly certified copy of such order or resolution of such Quarter Sessions, given under the hand of the Clerk of the Peace (as the case may be.) (z)

RAILWAYS.

349. The Council of every Township, County, City, Town and Incorporated Village (a) may pass By-laws:

Municipal Councils may make By-laws:

TAKING STOCK IN OR AIDING RAILWAY COMPANIES.

1. For subscribing for any number of shares in the capital stock of, or for lending to or guaranteeing the payment of any sum of money borrowed by an incorporated Railway Company, to which the eighteenth section of the statute fourteenth and fifteenth Victoria, chapter fifty-one (the Railway Clauses Consolidation Act), or the sections of the Consolidated Statute of Canada respecting Railways, numbered seventy-five to seventy-eight, have been or may be made applicable by any special Act; (b)

For taking stock in Railways or guaranteeing debentures;

(x) In the case of streets, &c., *hereafter* opened, the section is imperative. In the case of streets, &c., opened *heretofore*, the duty is optional. The option may be exercised by any party interested. If exercised, it is to be at the costs and charges "of such party or the municipality."

(y) See note *w* ante.

(z) In the case of a certified copy of an order or resolution of Quarter Sessions, no seal is made necessary. If given under the hands of the Clerk of the Peace, no more will be required for purposes of registration.

(a) It will be observed that this section in terms extends to all Municipal Corporations.

(b) The aid may be—

1. By *subscription* for any number of shares in the capital stock of the company.
2. By *lending* money to the company.
3. By *guaranteeing* the payment of any sum of money borrowed by the Company.

The subscription for stock may be conditional (*Higgins et al. v. The Corporation of the Town of Whitby*, 20 U. C. Q. B. 296); and if the amount subscribed be paid either directly to the company or to contractors of the company at their request, the liability of the municipality is thereby extinguished. (*Woodruff et al. v. The Corporation of the Town of Peterborough*, 22 U. C. Q. B. 274.)

The head of the Municipal Corporation subscribing for and holding stock in the company to the amount of twenty thousand dollars or

2. For endorsing or guaranteeing the payment of any Debenture to be issued by the Company for the money by them borrowed, and for assessing and levying from time to time upon the whole ratable property of the Municipality a sufficient sum to discharge the debt or engagement so contracted; (c)

For issuing
debentures.

3. For issuing, for the like purpose, Debentures payable at such time and for such sums respectively not less than twenty dollars, and bearing or not bearing interest, as the Municipal Council may think meet; (d)

Form of.

4. For directing the manner and form of signing or endorsing any Debenture so issued, endorsed or guaranteed, and of countersigning the same, and by what officer or person the same shall be so signed, endorsed or countersigned, respectively; (e) but no Municipal Corporation shall subscribe for stock or incur a debt or liability for the purposes aforesaid, unless the By-law, before the final passing thereof, shall receive the assent of the electors of the Municipality in manner provided by this Act. (f)

To be con-
firmed by
Public vote.

Debentures,
when valid

350. Any Debenture for any of the purposes in the preceding section mentioned, signed or endorsed and countersigned as directed by the By-law, shall be valid and binding on the Corporation without the corporate seal thereto, or the obser-

upwards, is *ex officio* one of the directors of the company, in addition to the number of directors authorized by the special act, and has the same rights, powers and duties as any of the directors of the company. (Sec. 351.)

(c) A Municipal Council may, under this clause, *endorse* or *guarantee* a debenture issued by the railway companies intended, and may assess and levy a sufficient sum to discharge the *debt* or *engagement*. An endorsement under the clause would seem to be deemed "a debt," while a guarantee is termed an "engagement." (See Con. Stat. Can. cap. 66, sec. 75.)

(d) No Council is allowed, "unless specially authorized so to do, to give any bond, bill, note, debenture or other undertaking, for the payment of a less amount than one hundred dollars." (Sec. 216.) By this clause a special authority is given for the issue of debentures in aid of railway companies, in sums "not less than twenty dollars." (See Con. Stat. Can. cap. 66, sec. 75.)

(e) The powers are, to direct—

1. The *manner* and *form* of signing or endorsing any debenture so issued, endorsed or guaranteed, and of countersigning the same.
2. By what officer or person the same shall be so signed, endorsed or countersigned, respectively.

(f) See sec. 196, *et seq.*; see also sec. 77 of Con. Stat. Can. cap. 66..

vance of any other form with regard to the Debenture than such as may be directed in the By-law. (*g*)

351. In case any Municipal Council subscribes for and holds stock in such Company to the amount of twenty thousand dollars or upwards, the head of the Council shall be *ex officio* one of the Directors of the Company, in addition to the number of Directors authorized by the special Act, and shall have the same rights, powers and duties as the other Directors of the Company. (*h*)

Head, when
to be a
Director.

352. The Council of every Township may pass By-laws for authorizing any Railway Company, in case such authority is necessary, (*i*) to make a Branch Railway on property of the Corporation, or on highways, (*j*) under such conditions as the Council sees fit, (*k*) and subject to the restrictions contained in the Consolidated Railway Act, and any other Acts affecting such railway. (*l*)

By-laws
authorizing
Branch
Railways.

(*g*) As a rule, all debentures and other specialties duly authorized to be executed on behalf of a Municipal Corporation, must be not only for sums not less than one hundred dollars (see note *d* to sec. 349), but be sealed with the seal of the Corporation, and signed by the head thereof, or some other person authorized by by-law to sign the same. (Sec. 213.) But debentures issued under these sections in aid of railway companies are exceptions to both the general rules.

(*h*) But no such head of Council shall, directly or indirectly, vote on the election or appointment of any of the private directors of any railway company incorporated previous to or during the session held in the sixteenth year of Her Majesty's reign, unless the special act of incorporation of the company expressly provides therefor. (Con. Stat. Can. cap. 66, sec. 79.)

(*i*) The special act of incorporation may and, if properly drawn, ought to render the authority unnecessary.

(*j*) Every company to which the Con. Stat. Can. cap. 66, is applicable, has, under sec. 9, subsec. 8 of that act, power to make branch railways if required, provided the line of railway be not extended beyond the termini mentioned in the act incorporating the company (sec. 129), and to manage the same, and for that purpose to exercise all the powers, privileges and authorities necessary therefor, in as full and ample a manner as for the railway.

(*k*) The use of an ordinary travelled road by the locomotives and carriages of a railway company, must be more or less attended with danger to the ordinary public, and therefore full power is given to the Municipal Corporation, when granting permission, to make it subject to "such conditions as the Council sees fit."

(*l*) See Con. Stat. Can. cap. 66, secs. 136 to 150, both inclusive, and sec. 170.

ARBITRATIONS.

Mode of
appointing
arbitrators
and conduct-
ing arbitra-
tions.

Third
arbitrator.

Provision
in case of
neglect to
appoint.

353. In all cases of arbitration directed by this Act, (*m*) the proceedings shall be as follows :

1. Each party shall appoint one arbitrator, and give notice thereof in writing to the other party; and when the other party is a Corporation, the notice shall be given to the head of the Corporation; (*n*)

2. The two arbitrators appointed by or for the parties shall choose a third arbitrator; (*o*)

3. In case of an arbitration between Townships or between Counties, or between a County and a City, or between a County and Town, if for one month after having received such notice, the party notified omits appointing an arbitrator; and if for ten days after the second arbitrator has been appointed, the two arbitrators omit to appoint a third arbitrator, then, in case the arbitration is between Townships, the Warden of the County within which the Townships are situate, or in case the arbitration is between Counties, or between a County and a City or a Town, the Governor-in-Council may appoint an arbitrator for the party or arbitrators in default; (*p*)

(*m*) The act by which parties may refer any dispute between them to the private decision of another party or parties is called a submission. The party or parties to whom the reference is made, arbitrator or arbitrators respectively. When the reference is made to more than one, and provision made that, in case they disagree, another shall decide, that other is called an umpire. The judgment given or determination made by an arbitrator or arbitrators or umpire is termed an award, or more correctly, that by an umpire, an umpirage. Corporations sole or aggregate, if not disabled, may submit disputes relating to corporate property to arbitration. (*In re Corporation of the Township of Eldon and Ferguson et al.* 6 U. C. L. J. 207.) But unless the arbitration be "directed by this act" and "the award made under this act" (see subsec. 14) the Court will not exercise summary jurisdiction over the award under the provisions of the Municipal Act. (*In re Corporation of the County of Brant and the Corporation of the County of Waterloo*, 19 U. C. Q. B. 450, 457.)

(*n*) The Head of every county and provisional corporation is the Warden thereof, and of every city and town the Mayor thereof, and of every township and incorporated village the Reeve thereof. (Sec. 65.)

(*o*) It is a common error to look upon a *third* arbitrator as an umpire. The difference between a third arbitrator and an umpire is that the former is appointed *before* the arbitration proceeds, and the latter after the arbitrators have entered upon the reference, and are unable to agree. There are other distinctions between the two, unnecessary to be mentioned here. (Harrison's C. L. P. Acts, p. 185.) The appointment of the third arbitrator is by this clause made a condition precedent to the right of the two arbitrators first appointed to act.

(*p*) It is the duty of each party to appoint *one* arbitrator, and give

4. In case of an arbitration between a Municipal Corporation and the owners of property to be entered upon, taken or used in the exercise of the powers of the Corporation in regard to roads, streets or other communications, or to drains and sewers, if, after the passing of the by-law, any person interested in the property appoints and gives due notice to the head of the Council of his appointment of any arbitrator to determine the compensation to which such person is entitled, the head of the Council shall, within three days, appoint a second arbitrator, and give notice thereof to the other party, and shall express clearly in the notice what powers the Council intends to exercise with respect to the property (describing it); (q)

In case of exercise of powers as to roads, drains, &c.

5. If within one month after service on the owner or owners of the property, of a copy of any By-law, certified to be a true copy under the hand of the Clerk of the Council, the owner or owners omit naming an arbitrator and giving notice thereof as aforesaid, the Council or the head, if authorized by by-law, may name an arbitrator on behalf of the Council, and give notice thereof to the owner or owners of the property, and the latter shall, within seven days thereafter, name an arbitrator on his or their behalf; (r)

If the owner of property fails to name an arbitrator

notice thereof in writing to the other party. It is the duty of the two arbitrators so appointed, in ten days after the appointment of the second arbitrator, to appoint a third arbitrator. Default may be made in either particular, and provision is here made therefor. If the arbitration is between townships, the Warden of the county in which the township is situate may appoint the second or third arbitrator, as the case may require; but if the arbitration is between counties, or between a county and a city or town, the appointment must be made by the Governor in Council.

(q) A difference is to be observed as to arbitrations between municipal councils and arbitrations between a municipal council and individuals. In the latter case the individual appoints his arbitrator, and gives due notice thereof to the Head of the Council. When he does so the Head of the Council is required, within *three* days, to appoint a second arbitrator, and besides to give notice thereof to the individual; in which notice must be clearly expressed "what powers the Council intend to exercise with respect to the property" (describing it.) It is then the duty of the two arbitrators, within *seven* days, to appoint a *third* arbitrator. (Sub-sec. 6.) For *form* of mandamus on the head of a municipal council to appoint an arbitrator, see *The Queen v. The Council of Perth*, 14 U. C. Q. B. 156.

(r) The initiative is to be taken by the Council, who are required to cause to be served on the owner of the land to be affected a copy of the by-law affecting it, certified to be a true copy, under the hand of the Clerk of the Council. Then the initiative as to arbitration is to be taken by the owner so served. It is his duty within one month after service, to name an arbitrator, and give notice thereof to the

certain cases.

7. If any such owner or occupier neglects naming an arbitrator within seven days after receiving notice to do so, or if the two arbitrators do not within seven days from the appointment of the lastly named of the two arbitrators, agree on a third arbitrator within seven days after the lastly named arbitrator's appointment, or if an arbitrator refuses or neglects to act, the Judge of the County Court, on the application of either party, shall nominate as an arbitrator a fit person resident without the limits of the Municipality in which the property in question is situate, and such arbitrator shall forthwith proceed to hear and determine the matters referred to him; (t)

ments, how
to be made.

8. The appointment of all arbitrators shall be in writing, under the hands of the appointors, or in case of a Corporation, under the corporate seal and authenticated in like manner as a By-law; (u)

Council in the manner prescribed by the last clause. If he allow the month to expire without doing it, then the Council may take the initiative by appointing the first arbitrator, and giving notice of his appointment. If this is done the owner of the land is required, within *seven* days thereafter, to name the second arbitrator. The two so appointed of course name a third arbitrator before proceeding with the reference. (Sub-secs. 2 and 6.)

(s) The necessity for the appointment of the third arbitrator is explained in the notes to the two preceding clauses. The appointment by this clause is in each case to be made within *seven* days after the appointment of the last of the two arbitrators, and the award must be made within one month after such appointment of the third arbitrator.

(t) In this respect also a difference is to be observed between an arbitration between municipal councils and a municipal council and an individual. (See note *p* above.) It is the duty, as we have seen, of the individual, if he have not taken the initiative, within *seven* days after notice of the appointment of the first arbitrator by the Council, to appoint a second arbitrator. It is also the duty of the two so appointed, within *seven* days after the appointment of the last of them to name a third arbitrator. If in either respect there be default made, or if any arbitrator appointed refuse to act, which he may do, or neglect to act, the Judge of the County Court has the nomination of the requisite arbitrator.

(u) Every by-law must be under the seal of the Corporation, and be signed by the head, &c., and by the Clerk of the Corporation. (Sec. 192.) There should, it is apprehended, be a by-law or resolution of the Council authorizing the appointment, but the Municipal Council may so act as to estop it from taking objection to the want of such

9. The arbitrators on behalf of a Municipal Corporation, or Provisional Corporation, shall be appointed by the Council thereof, or by the head thereof, if authorized by a By-law of the Council; (v) Head may appoint for Corporation.

10. In case there are several persons having distinct interests in property in respect of which the Corporation is desirous of exercising the powers referred to in the above fourth subsection under a By-law in that behalf passed, whether such persons are all interested in the same piece of property, or some or one in a part thereof and some or one in another part thereof, and in case the By-law or any subsequent By-law provides that the claims of all should in the opinion of the Council be disposed of by one award, such persons shall have one month instead of seven days to agree upon and give notice of an arbitrator jointly appointed in their behalf, before the County Court Judge shall have power to name an arbitrator for them; (w) Where many parties are interested in the same property.

11. Every arbitrator before proceeding to try the matter of the arbitration, shall take and subscribe the following oath (or in the case of those who by-law affirm, make and subscribe the following affirmation) before any Justice of the Peace; (x) Arbitrators to be sworn.

a by-law or resolution. (See *Wilson v. The Municipal Council of Port Hope*, 10 U. C. Q. B. 405; *In re The Corporation of the Township of Eldon and Ferguson et al.*, 6 U. C. L. J. 267.)

(v) As a rule, arbitrators to represent a Municipal Council must be appointed by that council: the exception is when the Council, by by-law, deposes that power to the head of the council. The language of this section is such, that it might be inferred that under any circumstances the head could name an arbitrator on behalf of the council, and for this reason attention to this clause is particularly directed. (See sub-secs. 4 and 5 above.)

(w) Where several persons are interested (as in the opening of a new road, &c.), there may be an arbitration under this act as to each person interested, or, in the option of the council, an arbitration as to all, and the claims of all be determined by one award. In the latter case, instead of seven days only allowed by sub-sec. 7, one month is given.

(x) The oath is not only to be taken by every arbitrator, but to be taken by him "before proceeding to try the matters of the arbitration." The oath, besides, is not only to be taken but subscribed. When taken and subscribed, it is to be filed with the papers of the reference. There is no express direction in this statute that the arbitrators shall give to the parties notice of their meetings and an opportunity of being heard; but this is essential, at least to this extent, that whether there has been a formal notice of meeting or not, it should appear that the parties at least had knowledge of the meetings and an opportunity of being heard and producing evidence before the arbitrators. (*In re Johnson and the Municipality of Gloucester*, 12 U. C. Q. B. 135.)

In case the award relates to property to be entered upon, taken or used as mentioned in the said fourth sub-section, and in case the By-law did not authorize or profess to authorize any entry or use to be made of the property before an award has been made except for the purpose of survey, or in case the By-law did give or profess to give such authority, but the arbitrators find that such authority had not been acted upon, the award shall not be binding on the Corporation unless it is adopted by By-law within six weeks after the making of the award ; and if the same is not so adopted, the original By-law shall be deemed to be repealed, and the property shall stand as if no such By-law had been made, and the Corporation shall pay the costs of the arbitration ; (y)

 tain cases.

13. In the case of any award under this Act which does not require adoption by the Council, or in case of any award to which a Municipal Corporation is a party and which is to be made in pursuance of a submission containing an agreement that the present sub-section of this Act should apply thereto, the arbitrator or arbitrators shall take, and immediately after the making of the award, shall file with the Clerk of the Council for the inspection of all parties interested, full notes of the oral evidence given on the reference, and also all documentary evidence or a copy thereof, and in case they proceed partly on a view or any knowledge or skill possessed by themselves or by any of them, they shall also put in writing a statement thereof sufficiently full to allow the Court to form a judgment of the weight which should be attached thereto ; (z)

(y) A Municipal Corporation has, by statute, certain powers in regard to roads, streets, and other communications, and to drains and sewers, which powers may be exercised by by-law. Any award made in reference thereto is dependent on the adoption of the award by by-law within six weeks after its making ; and the original by-law is also made dependent on the passing of such second by-law. The award is not to be binding on the Corporation unless, within the time limited for the purpose, it is adopted by the Council. If not so adopted, the original by-law is to be deemed repealed. In this event the Corporation is to pay the costs of the arbitration.

(z) Awards other than those described in the last note do not require adoption by the Council to render them valid. When an award not requiring such adoption, or an award to which this clause is by

14. Every award made under this Act (a) shall be in writing under the hands of all or two of the arbitrators, and shall be subject to the jurisdiction of any of the Superior Courts of Law or Equity as if made on a submission by a Bond containing an agreement for making the submission a rule or order of such Court; (b) And in the cases provided for by the last

the submission applicable, is made, the arbitrator or arbitrators are required to do what this clause directs, viz.:

1. Take full notes of the oral evidence given on the reference.
2. File the same (immediately after the making of the award) with the Clerk of the Council, for the inspection of all parties interested.
3. File in like manner all documentary evidence, or a copy thereof.
4. In case they proceed partly on a view or any knowledge or skill possessed by themselves or by any of them, put in writing a statement thereof sufficiently full to allow the Court to form a judgment of the weight which should be attached thereto.

But it does not follow that the award will be set aside for non-compliance with the provisions of this sub-section. (*In re the Corporation of the United Counties of Northumberland and Durham and the Corporation of the Town of Cobourg*, 20 U. C. Q. B. 283.)

The section is silent as to costs, and so the arbitrators have no power to make, in their award, any direction as to costs. (*Ib.*)

(a) See note *m* to this section.

(b) Formerly there were two kinds of submission that might be made rules of court: 1st. Reference by rule of court, Judge's order, and order of Nisi Prius; 2nd. Submissions in writing, by virtue of the statute 9 & 10 Wm. III., where they contain an agreement to the effect that they may be made rules of court. (Watson on Awards, 3 Edn. 45.) These were extended by the Common Law Procedure Act, 1856, which enacted that "Every agreement or submission, whether by deed or instrument, not under seal, may be made a rule of one of the superior courts of law or equity in Upper Canada, on the application of any party thereto, unless such agreement or submission contain words purporting that the parties intend that it should not be made a rule of court," &c. (Sec. 97.) This provision is now in substance re-enacted in sec. 176 of Con. Stat. U. C. cap. 22. The effect of the clause here annotated is to place submissions under this action on the same footing as any of the foregoing described submissions. The effect of making any award under this act subject to the jurisdiction of any of the superior courts of law or equity, as if made on a submission by a bond containing an agreement for making the submission a rule or order of such Court, appears to be to bring all such submissions under the statute of 9 & 10 Wm. III., and to give the courts power to review the awards, and if necessary enforce the performance of them. (See notes to Harrison's C. L. P. Acts, p. 174.) The ordinary remedy by action is of course open to any party to an award under this section. (See *Harpel v. The Municipality of the Township of Portland*, 17 U. C. Q. B. 455.) In such an action it is no objection to the declaration that it was upon a submission to three arbitrators, while two only executed the award, for the statute authorizes two to

preceding sub-section, the Court shall consider not only the legality of the award but the merits as they appear from the proceedings so filed as aforesaid, and may call for additional evidence to be taken in any manner the Court directs, and may, either without taking such evidence or after taking such evidence, set aside the award, or remit the matters referred, or any of them, from time to time, to the consideration and determination of the same arbitrators, or to any other person or persons whom the Court may appoint as prescribed in the "Common Law Procedure Act," and fix the time within which such further or new award shall be made, or the Court may itself increase or diminish the amount awarded or otherwise modify the award, (c) as the justice of the case may seem to the Court to require.

act, and makes their award valid. (*Ib.*) Under a plea of no award it has been held that defendants cannot dispute the arbitrators' authority to award a portion of the sum awarded. (*Hodgson v. The Municipality of the Township of Whitby*, 17 U. C. Q. B. 230.)

(c) This is a most important provision. It enables the courts, in cases where it is applicable, to do complete justice between the parties. The power to increase or diminish the amount awarded, is one necessary to this end ; and the power being not only to increase or diminish the amount awarded, but "otherwise to modify it," is, it is believed, extensive enough to enable the court to impose conditions or do whatever justice demands.

(d) Counties are not included, and yet County Councils are authorized to appoint pound-keepers. (Sec. 246, subsec. 2.)

(e) Con. Stat. Can. cap. 96.

(f) The pound is the custody of the law. The pound-keeper is bound to take and keep whatever is brought to him, at the peril of the persons who bring it. If wrongfully taken, *they* (not he) are answerable. It would never do if the pound-keeper were liable for refusing to take cattle in, and were also liable in another action for not letting them go. When once the cattle are impounded, he cannot let them go without a replevin brought against the distrainer, or without the consent of the party. The replevin lies against him who takes, or him

GENERAL PROVISIONS.

355. Until varied or other provisions are made by Act of Parliament, or by By-law of the Municipality, (*j*) the following regulations shall be in force:

Regulations
respecting
animals.

1. The owner or occupant of any land shall be responsible for any damage or damages caused by any animal or animals

who commands the taking: the bailiff who seizes and the party who directs the seizure may both be sued. But the situation of a pound-keeper is not that of a bailiff or servant. He is a public officer, discharging a public duty, and this as much in the keeping as in the receiving. (*Wardell v. Chisholm*, 9 U. C. C. P. 125; see further, *Clarke v. Durham*, E. T. 3 Vic., R. & H. Dig., Trespass, II. 16; *Carey v. Tate*, 6 O. S. 147.) Being a public officer discharging a public duty, he is entitled to notice of action under Con. Stat. U. C. cap. 126. (*Davis v. Williams*, 13 U. C. C. P. 365.) In the declaration it must be averred that he acted maliciously and without reasonable or probable cause. (*Ib.*)

(*g*) The powers are—

1. For *restraining or regulating* the running at large of *any* animals.
2. For impounding them.
3. For causing them to be sold in case they are not claimed within a reasonable time, or in case the damages, fines and expenses are not paid according to law.

A by-law enacting that certain animals specified shall not run at large, does not impliedly allow others not named to do so, contrary to the common law. (*Jack v. The Ontario, Simcoe and Huron Railroad Union Company*, 14 U. C. Q. B. 328.)

(*h*) Regulations are made by the statute, which remain in force until otherwise provided by by-laws of the Municipal Corporations (Sec. 355).

(*i*) The compensation may be for services rendered with respect to

under his charge and keeping, as though such animal or animals were his own property, and the owner of any animal not permitted to run at large by the regulations of the Municipality, shall be liable for any damage done by such animal, although the fence enclosing the premises was not of the height required by such regulations; (*k*)

What
animals to be
impounded.

2. If not previously replevied, the Pound-keeper shall impound any horse, bull, ox, cow, sheep, goat, pig or other cattle,

(*k*) An action of trespass will lie by the owner of a farm into which a neighbour's pigs may break, enter, and do damage, against the owner of the pigs, unless he can excuse the act for defect of fences or upon some other ground that ought to be specially pleaded. (*Blacklock v. Millikan*, 3 U. C. C. P. 34.) So trespass is maintainable against the owner of a bull which broke into the plaintiff's farm and there killed his mare, though the owner of the bull was not present at the time or aware of the fact. (*Mason v. Morgan* 24 U. C. Q. B. 328.) If a horse through the neglect of the owner in not keeping his fences properly repaired, stray out of the field in which it is feeding, into the field of an adjoining proprietor, and there get among his horses and kicks one in such a way as to cause its death, such owner is liable in trespass for the injury which his horse has done. (*Lee v. Riley*, 12 L. T. N. S. 388.) Whether at common law the owner of a dog is answerable in trespass for every unauthorized entry of the animal into the land of another, as in the case of pigs, an ox or a horse, is doubtful. (*Read v. Edwards*, 17 C. B. N. S. 245.) An action on the case lies against one who keeps a mischievous animal of any kind in respect of any damage done by such animal, where it can be shown that the owner knew of the mischievous propensity of the animal. (*Thomas v. Morgan*, 2 C. M. & R. 496; *Card v. Case*, 5 C. B. 622; *May v. Burdett*, 9 Q. B. 101.) If the owner upon being told of the mischief done, offers to settle, this is some evidence of his knowledge that the animal was mischievous. (*Thomas v. Morgan*, 2 C. M. & R. 496; *Mason v. Morgan*, 24 U. C. Q. B. 328.) The owner of any dog that kills, wounds or otherwise injures any sheep or lamb, is now liable for the value of such sheep or lamb without proof that the owner of the dog knew of its mischievous propensity (Stat. 29 & 30 Vic. cap. 55, sec. 7) and the liability may be enforced against the owner of the dog by summary proceedings before any two magistrates of the county. (*Ib.* sec. 8.) If the owner of the dog cannot upon diligent search be discovered, the municipality may be held answerable to make good the loss. (*Ib.* sec. 9.) The owner of a dog, to whom notice has been given of an injury done by his dog to any sheep or lamb, is bound within 48 hours after such notice, to have the dog killed. (*Ib.* sec. 12.) So any person may kill any dog which he may see worrying or wounding any sheep or lamb. (*Ib.* sec. 11.) If the owner of geese or other poultry refuse or neglect, after notice in writing of their trespass, to prevent them trespassing on his neighbours premises, he may be prosecuted before any Justice of the Peace. (Sub-sec. 2, *post.*) For the protection of plank-roads from the ravages of swine running at large, joint stock companies are authorized to impound all swine running at large on plank-roads owned by them. (29 Vic. cap. 36, sec. 8.)

geese or any other poultry, distrained for unlawfully running at large, or for trespassing and doing damage, delivered to him for that purpose by any person resident within his division who has distrained the same; (l) or if the owner of any geese or other poultry refuses or neglects to prevent the same from trespassing on his neighbours' premises after a notice in writing has been served upon him of their trespass, then the owner of such poultry may be brought before any Justice of the Peace, and fined such sum as the Justice may direct; (m)

3. When the common Pound of the Municipality or place wherein a distress has been made is not secure, the Pound-keeper may confine the animal in any inclosed place within the limits of the Pound-keeper's division within which the distress was made; (n)

When the
common
Pound is not
safe.

(l) It has been held that a master is liable for the acts of his farm servant in impounding cattle in his absence, the servant acting within the scope of his authority. (*Spafford v. Hubble*, M. S. Easter Term, 7 Wm. IV.; R. & H. Dig., p. 294.) In trespass against two defendants for seizing and taking cattle, one defendant justified as pound-keeper; and because the cattle were in the close of A., wrongfully trespassing in said close, and eating grass and corn therein, A. took the said cattle and delivered them to the defendant as a pound-keeper within his jurisdiction, and the defendant impounded and afterwards sold them according to law; and the other defendant justified the seizure and the sale by the pound-keeper, as in the other plea, and that the defendant bought the cattle as the highest bidder; to both of which pleas there was a general demurrer. Held, that the plea by the pound-keeper was bad, as it did not show that he received the cattle from a person *within his division*, or that the close *was so situate*, and that the plea of the purchaser was good, as he could not be held liable to the plaintiff in trespass. (*Clarke v. Durham et al.*, M. S. Easter Term, 3 Vic., R. & H. Dig., p. 431.) In a plea of jurisdiction by a pound-keeper for taking a pig, when the justification was that the pig, contrary to township regulations, broke through a lawful fence, it was held necessary to allege that the fence was within that township, and to show the close in which the pig was trespassing at the time. (*Carey v. Tate*, 6 U. C. O. S. 147.) Pound-keepers on the line of roads owned by joint stock companies, are bound to receive swine found running at large on the roads, and entitled to receive the usual fees, and in default of payment to sell the animals in the usual way, although they may be free commoners under the by-laws of the Municipality. (29 Vic. cap. 36, sec. 8.)

(m) See note k to this section.

(n) It would seem that the animal must be impounded with the pound-keeper of the division within which it is distrained, and the Municipal Council may provide sufficient yards and enclosures for the purpose. (Sec. 354, subsec. 1.) If not sufficient, this clause enables the pound-keeper "to confine the animal in any enclosed place within the limits of the pound-keeper's division, &c."

Statement
of demand
to be made
to Pound-
keeper by
impounder.

4. The owner of any animal impounded shall at any time be entitled to his animal, on demand made therefor, without payment of any poundage fees, on giving satisfactory security to the Pound-keeper for all costs, damages and poundage fees that may be established against him, (o) but the person distraining and impounding the animal shall, at the time of such impounding, deposit poundage fees, if such be demanded, and within twenty-four hours thereafter, deliver to the Pound-keeper duplicate statements in writing of his demands against the owner for damages, if any, not exceeding twenty dollars, done by such animal, exclusive of such poundage fees; and shall also give his written agreement (with a surety if required by the Pound-keeper) in the form following, or in words to the same effect:

Form of
agreement
with Pound-
keeper.

"I (or we, as the case may be) do hereby agree that I (or we) will pay to the owner of the (*describing the animal*) by me A. B. this day impounded, all costs to which the said owner may be put in case the distress by me the said A. B. proves to be illegal, or in case the claim for damages now put in by me the said A. B. fails to be established;" (p)

If the ani-
mal be of a
certain kind.

5. In case the animal distrained is a horse, bull, ox, cow, sheep, goat, pig or other cattle, (q) and if the same is distrained by a resident of the Township for straying within his premises, such person, instead of delivering the animal to a Pound-keeper, may retain the animal in his own possession, provided he makes no claim for damages done by the animal, and duly gives the notices hereinafter in that case required of him; (r)

If the owner
be known.

6. If the owner is known to him, he shall forthwith give to the owner notice in writing of having taken up the animal; (s)

(o) This part of the sub-section is new. It enables the owner of the animal impounded without delay to secure a return of the animal. This he may obtain upon giving satisfactory security to the pound-keeper "for all costs, damages and poundage fees that may be established against him."

(p) If the distress be illegal, the distrainer, and not the pound-keeper, is the party liable. (See note f to sec. 354.)

(q) See note k to this section.

(r) The privilege to the distrainer to impound the animal on his own premises, or elsewhere than in the public pound, can only be exercised where he makes no claim for damage done by the animal, and gives the notices made necessary in that behalf.

(s) As to the meaning of the word "forthwith," see note l to sec. 125.

7. If the owner be unknown to the person taking up and retaining possession of the animal, such person shall, within forty-eight hours, deliver to the Municipal Clerk a notice in writing of having taken up the animal, and containing a description of the colour, age and natural and artificial marks of the animal, as near as may be; (*t*)

If unknown,

8. The Municipal Clerk, on receiving this notice, shall forthwith enter a copy thereof in a book to be kept by him for that purpose, and shall post the notice he receives, or copy thereof, in some conspicuous place on or near the door of his office, and continue the same so posted for at least one week, unless the animal is sooner claimed by the owner; (*u*)

Duty of

thereon.

9. If the animal or any number of animals taken up at the same time be of the value of ten dollars or more, the distrainer shall cause a copy of the notice to be published in a newspaper in the County, if one is published therein, and if not, then in a newspaper published in an adjoining County, and to be continued therein once a week for three successive weeks; (*v*)

If the
animals are
worth \$10 or
over.

10. In case an animal be impounded, notices for the sale thereof shall be given by the Pound-keeper or person who impounded the animal within forty-eight hours afterwards, but no pig or poultry shall be sold till after four clear days, nor any horse or other cattle till after eight clear days from the time of impounding the same; (*w*)

(*t*) Where the owner is known, notice is forthwith to be given to him. When not known, the notice must be within forty-eight hours delivered by him to the Township Clerk. The notice must contain "a description of the colour, age and natural and artificial marks" of the animal.

(*u*) The duty of the Clerk, when he receives the notice, is here defined. It is,

1. To enter a copy thereof in a book, to be kept by him for that purpose.
2. To post the notice, or a copy of it, in some conspicuous place, &c.
3. To continue the same so posted for at least one week, &c.

(*v*) This is to be done by the distrainer not by the Clerk.

(*w*) The notice of sale is to be given within a time limited, but the sale is not to take place sooner than a specified period. No matter of what description the animal impounded is, notice of sale is to be given within forty-eight hours after the impounding; but no pigs or poultry are to be sold in less than four clear days, and no horse or other cattle in less than eight clear days.

not be given for one month, and if the animal is a horse or other cattle, the notices shall not be given for two months after the animal is taken up; (x)

Notice of

redeemed.

12. The notices of sale may be written or printed, and shall be affixed and continued for three clear successive days, in three public places in the Municipality, and shall specify the time and place at which the animal will be publicly sold, if not sooner replevied or redeemed by the owner or some one on his behalf paying the penalty imposed by law (if any), the amount of the injury (if any) claimed or decided to have been committed by the animal to the property of the person who distrained it, together with the lawful fees and charges of the Pound-keeper, and also of the Fence-viewers (if any), and the expenses of the animal's keeping; (y)

Keeper
to feed
impounded
cattle.

13. Every Pound-keeper, and every person who impounds or confines, or causes to be impounded or confined, any animal in any common Pound or in any open or close Pound, or in any inclosed place, shall daily furnish the animal with good and sufficient food, water and shelter, during the whole time that such animal continues impounded or confined; (z)

And may
recover the
value.

14. Every such person who furnishes the animal with food, water and shelter, may recover the value thereof from the owner of the animal, and also a reasonable allowance for his time, trouble and attendance in the premises; (a)

(x) Whenever horses, bulls, oxen, cows, sheep, goats or other cattle are distrained by a resident of a township for straying in his premises, instead of delivering the animals to a pound-keeper, such person may retain them in his own possession. (Sub-sec. 5.) If he do so, the times appointed for sale are to be extended to the periods mentioned in the sub-section here annotated.

(y) Before being allowed to redeem, the owner may be required to pay,

1. The penalty imposed by law, if any.
2. The amount of the injury, if any.
3. The lawful fees and charges of the pound-keeper.
4. Also of the fence-viewers, if any.
5. The expenses of the animal's keeping.

(z) The duty to feed the animal impounded is cast upon the custodian, whether pound-keeper or other person, who impounds or confines, or causes to be impounded or confined, the animal; and the performance of that duty may be enforced by a penalty. (Sub-sec. 22.)

(a) *Every such person, i. e., every pound-keeper, and every person who impounds or confines, or causes to be impounded or confined, any animal.* The right, it will be observed, is not only to recover the value of the "food, water and shelter," but a reasonable allowance for "trouble and attendance."

15. The value or allowance as aforesaid may be recovered, with costs, by summary proceeding before any Justice of the Peace within whose jurisdiction the animal was impounded, in like manner as fines, penalties or forfeitures for the breach of any By-law of the Municipality may by law be recovered and enforced by a single Justice of the Peace; and the Justice shall ascertain and determine the amount of such value and allowance when not otherwise fixed by law, adhering, so far as applicable, to the tariff of Pound-keepers' fees and charges that may be established by the By-laws of the Municipality; (b)

In what manner such value may be recovered.

16. The Pound-keeper or person so entitled to proceed may, instead of such summary proceeding, enforce the remuneration to which he is entitled in manner hereinafter mentioned; (c)

Other mode of enforcing.

17. In case it be by affidavit proved before one of the Justices aforesaid, to his satisfaction, that all the proper notices had been duly affixed and published in the manner and for the respective times above prescribed, then if the owner, or some one for him, does not within the time specified in the notices, or before the sale of the animal, replevy or redeem the same in manner aforesaid, the Pound-keeper who impounded the animal, or if the person who took up the animal did not deliver such animal to any Pound-keeper, but retained the same in his own possession, then, any Pound-keeper of the Township may publicly sell the animal to the highest bidder, at the time and place mentioned in the aforesaid notices, and after deducting the penalty and the damages (if any) and fees and charges, shall apply the produce in discharge of the value of the food and nourishment, loss of time, trouble, and attendance so supplied as aforesaid, and of the expenses of driving or conveying and impounding or confining the animal, and of the sale and attending the same, or incidental thereto, and of the damage when legally claimable not exceeding twenty dollars, to be ascertained as aforesaid, done by the animal to the property of the person at whose suit the same was distrained, and shall return the surplus (if any) to the original owner of the animal, or if not claimed by him within three months after the sale, the Pound-keeper shall pay such surplus to the Treasurer or Chamberlain of and for the use of the Municipality; (d)

Sale, how effected, &c and purchase money, how applied.

(b) It is made the duty of the Justice to ascertain and determine the amount of such value and allowance, when not otherwise fixed by law.

(c) The option is given to the pound-keeper, &c., to proceed either under the preceding clause or in the manner hereinafter directed.

18. If the owner within forty-eight hours after the delivery of such statements, as provided in the fourth sub-section of this section, disputes the amount of the damages so claimed, the amount shall be decided by the majority of three Fence-viewers of the Municipality, one to be named by the owner of the animal, one by the person distraining or claiming damages, and the third by the Pound-keeper; (e)

Fence-view-
ers to view
and appraise
damage.

19. Such Fence-viewers, or any two of them, shall, within twenty-four hours after notice of their appointment as aforesaid, view the fence and the ground upon which the animal was found doing damage, and determine whether or not the fence was a lawful one according to the Statutes or By-laws in that behalf at the time of the trespass; and if it was a lawful fence, then they shall appraise the damages committed, and, within twenty-four hours after having made the view, shall deliver to the Pound-keeper a written statement signed by at least two of them, of their appraisalment, and of their lawful fees and charges; (f)

Penalty for
neglect of
duty by
viewers.

20. Any Fence-viewer neglecting his duty as arbitrator as aforesaid, shall incur a penalty of two dollars, to be recovered for the use of the Municipality, by summary proceeding before a Justice of the Peace, upon the complaint of the party aggrieved, or the Treasurer or Chamberlain of the Municipality; (g)

(e) If the owner do not dispute the claim for damages, there will be no occasion to call in fence-viewers, as here provided; but if he do dispute the claim, he is entitled to appoint one fence-viewer, the person who distrained another, and the pound-keeper the third. The decision of the majority is made binding on the parties.

(f) The duties of fence-viewers, under this clause, may be enumerated thus:

1. To view the fence, &c., within twenty-four hours after notice of appointment.
2. To determine whether or not the fence was a lawful one, &c.
3. To appraise the damages committed, if fence lawful.
4. To deliver to the pound-keeper, within twenty-four hours after view, a written statement of appraisalment, &c.

The intention is plain—that the fence-viewers shall determine the question of the legality of the fences, as well as the damages done by the animal impounded for trespassing. The rights of the parties must depend on the determination of the fence-viewers, or a majority of them. It is not open to either of the parties in an action to bring again in question the *sufficiency* of the fences. The decision of the fence-viewers is conclusive. (*Short v. Palmer et al.*, 24 U. C. Q. B. 633, 2 L. C. G. 40; see also *In re Cameron and Kerr*, 25 U. C. Q. B. 533, 2 L. C. G. 181.)

(g) Apparently no fence-viewer so chosen has a right to decline

21. If the Fence-viewers decide that the fence was not a lawful one, they shall certify the same in writing under their hands, together with a statement of their lawful fees, to the Pound-keeper, who shall, upon payment of all lawful fees and charges, deliver such animal to the owner if claimed before the sale thereof; but if not claimed, or if such fees and charges be not paid, the Pound-keeper, after due notice, as required by this Act, shall sell the animal in the manner before mentioned, at the time and place appointed in the notices; (*h*)

22. In case any Pound-keeper or person who impounds or confines or causes to be impounded or confined, any animal as aforesaid, refuses or neglects to find, provide, and supply the animal with good and sufficient food, water, and shelter as aforesaid, he shall, for every day during which he refuses or neglects, forfeit a sum of not less than one dollar nor more than four dollars; (*i*)

Liability of Pound-keeper refusing to feed animals impounded.

23. Every fine and penalty imposed by this Act may be recovered and enforced, with costs, by summary conviction, under the Summary Convictions Act, before any Justice of the Peace for the County or of the Municipality in which the offence was committed; and in default of payment the offender may be committed to the Common Gaol, House of Correction, or Lock-up House of such County or Municipality, there to be imprisoned for any time, in the discretion of the convicting and committing Justice, not exceeding fourteen days, unless such fine and penalty and costs, including the costs of committal, be sooner paid; (*j*)

acting, but on the contrary it is his duty to act. A neglect of duty is to be visited with the penalty inflicted by the clause under consideration.

(*h*) The decision of the fence-viewers is final (see note *f* to this section); but although the fence-viewers decide that the fence is not a lawful fence, if the owner neglects, within the time limited, to claim the animal, or if the fees are not paid, the animal may still be sold.

(*i*) See note *z* to this section.

(*j*) The language of this sub-section deserves attention. It provides that "every fine and penalty imposed by this act" may be recovered in the manner directed. It is possible that the words "this act" have been inadvertently introduced into this sub-section, and that the Legislature in this sub-section only contemplate the enactments relative to pounds and pound-keepers; otherwise there is an apparent inconsistency between this sub-section and the sixth, seventh and eighth sub-sections of section 246, as to the length of imprisonment. In the latter the period of imprisonment is twenty-one days; in the sub-section here annotated, it is fourteen days. (Per Draper, C. J., in *Fennell and the Corporation of the Town of Guelph*, 24 U. C. Q. B. 244.)

- Who may be a witness. 24. Upon the hearing of any information or complaint exhibited or made under this Act, any person (including the person giving or making the information or complaint) shall be a competent witness, notwithstanding such person may be entitled to any part of the pecuniary penalty on the conviction of the offender; (*k*)
- Application of penalties. 25. When not otherwise provided, every pecuniary penalty recovered before any Justice of the Peace under this Act shall be paid and distributed in the following manner; one moiety to the city, town, village or township, in which the offence was committed, and the other moiety thereof, with full costs, to the person who informed and prosecuted for the same, or to such other person as to the Justice may seem proper; (*l*)
- Reward for taking persons guilty of horse-stealing. 26. The Council of every county municipality in Upper Canada shall provide by By-law, that a sum not less than twenty dollars shall be payable as a reward to any person or persons who shall pursue and apprehend, or cause to be apprehended, any person or persons guilty of stealing any horse or mare within the said county, and such reward shall be paid out of the funds of the municipality on conviction of the thief, and on the order of the judge before whom the conviction is obtained; (*m*)
- Not to disqualify witness. 27 The said reward shall not disqualify the person claiming the same or entitled thereto, from being a witness; (*n*)

(*k*) This is to remove any doubt that may be found to exist upon the meaning of the words "party to any suit or proceeding individually named in the record," as used in the Evidence Act, Con. Stat. U. C. cap. 32, sec. 5.

(*l*) As to the meaning of the words "every pecuniary penalty recovered before any Justice of the Peace *under this act*," see note *j*, ante.

(*m*) This sub-section is new, and one that the reader would scarcely expect to find under the heading, "Pounds and Pound-keepers." The object of the sub-section is to discourage and prevent the stealing of horses, and this is to be done by the enactment of a by-law for the payment of a reward, to be paid to any person or persons who shall pursue and apprehend, or cause the thief to be apprehended. The maximum amount of the reward is not limited, the words being "not less than twenty dollars." So that there appears to be nothing to prevent the Municipal Council fixing the amount at a much larger sum than that mentioned.

(*n*) The meaning of this sub-section is obscure. The reward is not to disqualify the person claiming the same or entitled thereto *from being a witness*. What is probably meant is, that the right to the reward is

28. If any tree should be thrown down, by accident or otherwise, across a line or division fence, or in any way in and upon the property adjoining that upon which such tree stood, thereby causing damage to the crop upon such property or to such fence, it shall be the duty of the proprietor or occupant of the premises on which such tree theretofore stood, to remove the same forthwith, and also forthwith to repair the fence, and otherwise to make good any damage caused by the falling of such tree; and on his neglect or refusal so to do for forty-eight hours after notice in writing to remove the same, the injured party may remove the same, or cause the same to be removed, in the most convenient and inexpensive manner, and may make good the fence so damaged, and may retain such tree to remunerate him for such removal, and may also recover any further amount of damages beyond the value of such tree from the party liable to pay it under this Act; provided always, that for the purpose of such removal the owner of such tree may enter into and upon such adjoining premises for the removal of the same without being a trespasser, avoiding any unnecessary spoil or waste in so doing, and all disputes arising between parties relative to this sub-section and for the collection and recovery of all or any sums of money becoming due thereunder, shall be adjusted by three fence-viewers of the municipality, two of whom shall agree. not to disqualify the claimant of it from being a witness *against the alleged thief*. It can scarcely be intended to make him a good witness on his own behalf against the Corporation, in an action for the recovery of the reward.

(o) This sub-section is also apparently out of its place under the heading, "Pounds and Pound-keepers." It is a new provision, designed to supply a remedy, where none before was supposed to exist, for an admitted wrong. While ample provision is so far made for the redress of injuries arising from the trespasses of animals, none is made till now for the redress of the *quasi* trespasses of falling trees across line or division fences or in any way in and upon the property adjoining that upon which the tree stood, thereby causing damage to crop or fence. In such case it is in the first instance made the duty of the owner or occupant of the land upon which the tree stood, forthwith to remove the tree, repair the fence, and make good any damage caused by the falling of the tree. If he neglect this duty for forty-eight hours, the injured party may,

1. Remove the tree, or cause the same to be removed.
2. Make good the fence.
3. Retain the tree to remunerate him for removal.
4. Recover any further amount of damages beyond the value of such tree.

ADMINISTRATION OF JUSTICE AND MATTERS OF
POLICE.

CITIES TO BE COUNTIES, &c.

In what
respect Cities
to be Coun-
ties.

356. Every city and town separated, shall be a county of itself for municipal purposes, and for such judicial purposes as are herein specially provided for in the case of all cities, but for no other. (*p*)

(*p*) Towns separated under sec. 26, would in some measure partake of the character of cities. Towns not separated under sec. 26 and incorporated villages, though separate municipalities like townships, form territorially portions of the counties in which situate, as well as for some municipal purposes, so far as the jurisdiction of the County Councils extend; and also for judicial purposes.

It is here expressly declared that every city and town separated, shall be a county of itself:

1. For municipal purposes.
2. And for such judicial purposes as are herein specially provided for in the case of all cities, but for no other.

What is meant by "Municipal purposes?" This expression cannot mean that the city or town separated is to be a county for the same municipal purposes, that a county consisting of several townships is created, or with the same municipal institutions and powers, because in these respects the institutions and powers of a city or town separated, though a county for municipal purposes, differ very widely from those of counties. It may be properly construed thus: that for the discharge of every duty and for the exercise of every power, right or function of a municipal character, the cities and towns separated do not form parts of the counties in which situate. Unless making a city or town a county of itself for municipal purposes, be a segregation of the city or town from all other local divisions, as to the exercise of all judicial functions, general or individual, it is difficult to see what the Legislature here intended (per Draper, C.J., in *The Queen ex rel. Fleming v. Smith*, 7 U. C. L. J. 47; see also *The Queen ex rel. Blasdell v. Rochester*, *Ib.* 101, 102.)

What is meant by "Judicial purposes?" It means simply the administration of justice. Cities and towns separated, are not counties for all judicial purposes, but only for such as are herein specially provided. (Secs. 357 to 386.) The inhabitants of a city are exempt from serving on juries at any other than the city courts and courts of assize and *nisi prius*, oyer and terminer and general gaol delivery for the county in which the city is situate and on trials at Bar before the Superior Courts of Law. (Sec. 388.) But the general and adjourned Quarter Sessions of the Peace for the county may be held and the jurisdiction thereof exercised in the city. (Sec. 360.) So any justice of the Peace for the county may issue any warrant to try or investigate any case in a city, when the offence has been committed in the county or union of counties, in which the city lies, or which the city adjoins. (*Ib.*)

JUSTICES OF THE PEACE.

357. The head of every Council, the Police Magistrate of every City and Town, and Reeve of every Town, Township and Incorporated Village, shall, *ex officio*, be Justices of the Peace for the whole County or Union of Counties in which their respective Municipalities lie; and Aldermen in Cities shall be Justices of the Peace in and for such Cities. (g)

Heads of Councils, Mayors and Reeves to be Justices of the Peace.

358. Justices of the Peace for any Town, (r) shall have the same property qualification and take the same oaths as other Justices of the Peace; (s) but no Warden, Mayor, Recorder, Police Magistrate, Alderman, or Reeve, after taking the oaths or making the declarations as such, shall be required to have any property qualification or to take any further oath to enable him to act as a Justice of the Peace. (t)

Qualification and oaths of such persons as Justices of the Peace, when dispensed with.

359. When a Town has been erected into a City, (u) and the Council of the City duly organized, (v) every Commission of the Peace theretofore issued for the Town shall cease.

When Towns become Cities former Commissions of Peace to cease.

(g) This section illustrates the remarks made in the last note. It confers jurisdiction upon the Police Magistrate of every city and town, and upon the Reeve of every town, township, and incorporated village, co-equal to the whole county in which the city or town is situate; but Aldermen of cities, though *ex officio* Justices of the Peace, are restricted in jurisdiction to the cities. So Justices of the Peace of a county are excluded from jurisdiction as to offences committed in a city. (Sec. 360.)

(r) The Crown may appoint Justices of the Peace for a town (sec. 361); and it does not appear that Justices so appointed would have any jurisdiction beyond the limits of the town. (*Id.*)

(s) A Justice of the Peace, not being *ex officio* such, is required to have in his actual possession, to and for his own use and benefit, real estate, either in free and common socage, &c., for life, or lease for one or more lives, or originally created for a term not less than twenty-years, or by usufructory possession for his life in lands, &c., in the Province, of or above the value of \$1,200, over and above incumbrances, and over and above all rents and charges payable out of and affecting the same. (Con. Stat. Can. cap 100, sec. 3.) The oath of qualification is in substance the same. (*Id.*)

(t) These officers are by the preceding section made *ex officio* Justices, and so the property qualification of ordinary Justices of the Peace, as well as the taking of the ordinary oath, is dispensed with as to them.

(u) Which may be done pursuant to sec. 15.

(v) A power to issue a commission appointing Justices for a city though not expressly recognized as in the case of towns (sec. 361), seems to be implied. At all events, the Mayor and Aldermen of a city are *ex officio* Justices of the Peace for such city. (Sec. 357.)

County Justices to have no jurisdiction in Cities but Quarter Sessions may be held therein.

360. Justices of the Peace for a County in which a City lies, shall, as such, have no jurisdiction over offences committed in the City, and the warrants of County Justices shall require to be indorsed before being executed in a City, in the same manner as required by law when to be executed in a separate County; (*w*) but the general and adjourned Quarter Sessions of the Peace for the County may be held and the jurisdiction thereof exercised in the City; (*x*) and any Justice of the Peace for the County may issue any warrant to try or investigate any case in a City when the offence has been committed in the County or Union of Counties in which such City lies or which such City adjoins. (*y*)

Governor may appoint for Towns.

Jurisdiction of County Justices in certain Towns.

361. Nothing herein contained shall limit the power of the Governor to appoint under the Great Seal of the Province any number of Justices of the Peace for a town, (*a*) or shall interfere with the jurisdiction of Justices of the Peace for the county in which a town having no Police Magistrate, is situate, over offences committed in the town. (*b*)

What only shall be necessary in convictions under By-laws.

362. It shall not be necessary in any conviction made under any By-law of any Municipal Corporation, to set out the information, appearance or non-appearance of the defendant, or the evidence or By-law, under which the conviction is

(*w*) For the purpose specified in this section, every city is a county in itself. (Sec. 356.)

(*x*) The jurisdiction may be exercised "in the city," but not over offences committed therein. Courts of Quarter Sessions may sit, issue process, try causes, and transact all other business within a city, but they have no authority to try offences committed in the city. In cities, the Recorder's Courts are substitutes for Quarter Sessions. (Sec. 368.)

(*y*) This part of the section is new, and intended to remove a difficulty which arose in *The Queen v. Row*, 14 U. C. C. P. 307.

(*a*) The common law has ever had a special regard for the conservation of the peace; for peace is the very end and foundation of civil law. The Queen is by her office and dignity royal the principal conservator of the peace within all her dominions, and may by prerogative give authority to any other to see the peace kept, and punish those who break it. She is also the fountain of justice, and in right of both these prerogatives has from a very early period exercised the power of appointing Justices of the Peace by commission. (Lamb, 35, 43.)

(*b*) County Justices retain a general jurisdiction over towns situated within their county or union of counties, subject to the special exceptions stated in this section.

In prosecuting under any By-law, or for the breach of any By-law, witnesses may be compelled to attend and give evidence, in the same manner and by the same process as witnesses are compelled to attend and give evidence on summary proceedings before Justices of the Peace in cases tried summarily under the Statutes now in force.(e)

voluntarily appear at the time and place appointed for the hearing of the information or complaint, the Justice shall issue his summons to such person, under his hand and seal, requiring him to be and appear at a time and place mentioned in such summons, before the Justice, or before such other Justice or Justices of the Peace for the territorial division, as may then be there to testify what he knows concerning the information or complaint. (Con. Stat. Can. cap. 103, sec. 16.) If the person summoned neglect or refuse to appear at the time and place appointed by the summons, and no just excuse be offered for such neglect or refusal, then (after proof upon oath or affirmation of the summons having been served upon such person either personally or by leaving the same for him with some person at his last or most usual place of abode) the Justice or Justices before whom such person should have appeared, may issue a warrant under his or their hands and seals, to bring and have such person at a time and place to be therein mentioned, before the Justice who issued the summons, or before such other Justice or Justices of the Peace for the same territorial division as may be then there, to testify as aforesaid. (*1b*. sec. 17.) The warrant may, if necessary, be backed, in order to its being executed out of the jurisdiction of the Justice who issued it. (*1b*.)

(*f*) The meaning of this section is not free from doubt. The language used is very comprehensive. Every Justice of the Peace for a county shall have jurisdiction in *all cases* arising under *any* by-law of *any* Municipality in such county where there is no Police Magistrate. This is broad enough to give jurisdiction to County Justices in the cases mentioned, over offences against by-laws committed in cities and towns withdrawn from the jurisdiction of the counties in which situate, and which cities and towns, for municipal and certain judicial purposes, are counties of themselves (sec. 356), provided there be no Police Magistrate in such cities and towns. But it is doubtful if the Legislature really intended to give such an extended operation to the section.

(*g*) "*Posse Comitatus*," or power of the county, includes the aid of and attendance of every person above the age of fifteen within the county. Persons able to travel are required to be assistant in this service. It is used when a riot is committed, a possession is kept on a forcible entry, or any force or rescue made, contrary to the Queen's writ or in opposition to the execution of justice. The power is usually summoned by the Sheriff. But with respect to writs that issue in the first instance to arrest in civil suits, the Sheriff is not bound to take the *posse* to assist him in the execution of them,—though he may do so if he pleases, on forcible resist.

ance to the execution of the process. Sheriffs, &c., are to be assisting Justices of the Peace in suppressing riots, &c., and raise the *posse* by charging any number of men to attend for that purpose, who may take with them such weapons as shall be necessary, and they may justify the beating and even killing such rioters as resist or refuse to surrender; and persons refusing to assist in the *posse* may be fined and imprisoned. It is lawful for a peace-officer to assemble a competent number of people and sufficient power to suppress rebels, rioters, &c.; but there must be great caution, lest under a pretence of keeping the peace, the peace officer cause a breach of it; and Sheriffs, &c., are punishable for using heedless violence or alarming the country in these cases without just ground. (See Tomlin. Law Dic. "Posse Comitatus;" Watson's Office of Sheriff, 2 Edn. 2, 73, 193.)

(*h*) Such is, in effect, the provision contained in sec. 184 of this act.

(*i*) As to the appointment of a Police Magistrate, see sec. 371.

(*j*) The persons who may preside at the Police Court are the Police Magistrate, Mayor, and any Justice of the Peace having jurisdiction in a town:

1. The Police Magistrate, if able, daily, or at such times and for such period as may be necessary for the disposal of the business.
2. The Mayor, if no Police Magistrate, or in the absence of the Police Magistrate, is to perform the same duties.
3. Any Justice of the Peace having jurisdiction in a town, at the request of the Mayor thereof.

There shall be in every City a Court of Record, to be called the Recorder's Court of the City, and therein the Recorder, alone or assisted by one or more of the Aldermen, shall preside; or in the absence of the Recorder, or when there is no Recorder, the Police Magistrate or Mayor (and in their absence one of the Aldermen elected by themselves), assisted by one or more Aldermen, shall preside; (*l*) and the Court shall, as to crimes and offences committed in the City, and as to matters of civil concern therein, have the same jurisdiction and powers, and use the like process and proceedings, as Courts of Quarter Sessions of the Peace in Counties. (*m*)

(*l*) The persons who are to preside at a Recorder's Court are the Recorder, the Police Magistrate, the Mayor or an Alderman.

1. The Recorder, either alone or assisted by one or more Aldermen.
2. The Police Magistrate, assisted by one or more Aldermen, in the absence of the Recorder, or where there is no Recorder.
3. The Mayor, assisted by one or more Aldermen, in the absence either of the Recorder or Police Magistrate.
4. One of the Aldermen, elected by themselves, assisted by one or more Aldermen, in the absence of the Recorder, Police Magistrate and Mayor.

(*m*) There are three different kinds of Sessions holden by Justices of the Peace:

1. General Sessions, which may be holden at any time of the year, for the general execution of the authority of Justices.
2. The General Quarter Sessions, which are holden at stated times in the four quarters of the year.
3. A Special or Petty Sessions, which is holden on any special occasion, for the execution of some particular branch of the authority of the Justice. (See 2 Hawk. P. C. cap. 8, sec. 47.)

The second, or "Court of Quarter Sessions of the Peace," is the one mentioned in this section. Its jurisdiction, by statute 34 Edw. III. cap. 1, extends to the trying and determining all felonies and trespasses whatsoever, though they seldom if ever try any capital offence, their commissions providing that if any case of difficulty arises, they shall not proceed to judgment, but in the presence of one of the Judges of the Court of Queen's Bench or Common Pleas, or one of the Judges of Assize; and therefore murders and other capital offences are usually remitted for a more solemn trial to the assizes. All powers and jurisdictions to try treasons and felonies, for conviction whereof the punishment of death is imposed, and which powers and jurisdictions are by any law or statute whatsoever granted or confirmed, or which are in any other manner vested in or exercised by any Court of Quarter Sessions or Recorder's Court of this Province, are absolutely revoked and determined. except forgery and perjury. (*The King v. Higgins*, 2 East. 18.) The general words in the commission of the peace, "including all trespasses," comprehend not only direct breaches of the peace, but also all such offences as have a tendency thereto; and on this ground conspiracies and libels, or any illegal solicitations, attempts or endeavours to commit crimes, have been holden to be cognizable by Quarter Sessions. (*The King v. Higgins*, 2 East. 23; *The King v. Summers*, 3 Salk. 104; *The King v. Rispal*, 3 Burr. 1320.) They cannot take cognizance of forgery as a cheat, but over other cheats in general their jurisdiction is undoubted. (*The King v. Gibbs*, 1 East. 173.) The Sessions cannot try any newly created offence, without express power given them by the statute which creates it. (*Roop v. Scritch*, 4 Mod. 379; *The Queen v. Yarrington*, 1 Salk. 406.) The Chairman of the Sessions, in a matter of appeal, has no power to grant the certificate of acquittal intended by Con. Stat. Can. cap. 91, sec. 42. (*Westbrook v. Calaghan*, 12 U. C. C. P. 616.) The court may grant a new trial at the same sittings at which a conviction is had. (*The Queen v. Fitzgerald*, 20 U. C. Q. B. 546.) If refused, there may be an appeal to one of the superior courts of law. (*The Queen v. McLean*, 22 U. C. Q. B. 443) The proper proceeding to reverse a judgment of the Quarter Sessions is by writ of error, not by *certiorari* and *habeas corpus*. (*The Queen v. Powell*, 21 U. C. Q. B. 215.) The chairman cannot, in general, make an order of the Court, except during a session, either regular or adjourned. (*In re Coleman*, *Clerk of the Peace for the County of Hastings*, 23 U. C. Q. B. 615.) The English statute 16 Car. I. Cap. 10, applies only to the Court of Star Chamber, and other courts therein named, and not to such tribunals as Recorder's Courts in Upper Canada. (*Stark v. Ford*, 11 U. C. Q. B. 363.)

(*n*) In the case of a County Judge, he must be a barrister of at least five years' standing *at the bar of Upper Canada*. (Con. Stat. U. C. cap. 15, sec. 2.) Here it is only required that the Recorder shall be "a barrister of Upper Canada," and probably an English barrister of five years' standing, though recently called to the Upper Canada bar, would be held qualified to be a Recorder, though not a County Judge.

(*o*) The minimum, not maximum, salary, it will be observed, is here given, and the fund whence it is to be taken, viz., the Fee Fund, from which the salaries of County Judges are defrayed.

(*p*) It may be held, that the right of a town, having only five thousand inhabitants or less, to have a Police Magistrate is here impliedly denied; but every Police Magistrate appointed before the passing of this act in any town with a less population than five thousand is not to be affected by this section.

the salaries of such Police Magistrates shall not be less than on the following scale: (q)

Salary of Police Magistrate. In Towns—Where the population is over five thousand and under six thousand, four hundred dollars per annum; where the population is over six thousand and under eight thousand, six hundred dollars per annum; where the population is over eight thousand, one thousand dollars per annum: Provided always, that every Police Magistrate appointed before the passing of this Act, in any Town with a less population than five thousand, shall not be affected by this section.

In Cities. In Cities—Twelve hundred dollars per annum; but any salary of a larger amount that is paid to any Police Magistrate at the time of the passing of this Act, shall be continued whilst such Police Magistrate remains in office.

Tenure of office. **372.** Every Police Magistrate shall hold office during pleasure. (r)

Recorders and police magistrates to be J. P.'s *ex officio*. **373.** Every recorder and police magistrate shall *ex officio*, be a justice of the peace for the city or town for which he holds office, as well as for the county or union of counties in which the city or town is or was situate; (s) but no other justice of

(q) The scale is as follows:

In Towns—

Population over 5000 and under 6000	Salary, \$400
“ “ 6000 “ 8000	“ \$600
“ “ 8000	“ \$1000

In Cities—Whatever the population..... “ \$1200

It is presumed, though not so expressed, that the salary is to be in lieu of all fees,—the salary being the sole compensation fixed for the services performed. (See sec. 374, as to the Clerk of the Court.) It is not said whence the salary is to come or upon whom devolves the duty of paying it. Under the old law it was held that a Police Magistrate could maintain an action of debt for his salary against the Municipal Corporation of which he was Police Magistrate. (*Wilkes v. The Town Council of Brantford*, 3 U. C. C. P. 470.)

(r) Though not so expressed, it is presumed that the appointment is to be made by the Queen, who is the universal officer and dispenser of justice within the realm. (Bac. Ab. Offices, B.) But though all offices in relation to the administration of justice were originally and inherently lodged in the Crown, yet the Queen cannot grant these in any other manner than warranted by the statute or other authority creating them. (*Ib.* H.) Offices in respect to their duration and continuance are distinguished into those which are of inheritance, in fee, fee tail, freehold, for years, and during will and pleasure. (*Ib.*) The office of Police Magistrate is, by the section here annotated, held only “during pleasure.”

(s) This has already been in effect enacted by sec. 357.

the peace shall adjudicate in any case for any town or city where there is a police magistrate, except in the case of the illness, absence, or at the request of the police magistrate. (*t*)

THE CLERK.

374. The Clerk of the Council of every city or town or such other person as the Council of the city or town may appoint for that purpose, shall be the Clerk of the Police Office thereof, and perform the same duties and receive the same emoluments as Clerks of Justices of the Peace, and the City Clerk, or such other person as the Council of the city may appoint for that purpose, shall also be Clerk of the Recorder's Court, and shall perform the same duties, and receive the same emoluments as Clerks of the Peace; (*tt*) and in case the said Clerks or either of them, are or is paid by a fixed salary, the said emoluments shall be paid by them or him to the municipality, and form part of its funds, and such Clerk shall be the officer of and under the police magistrate. (*u*)

or salary.

SESSIONS OF RECORDER'S COURT.

375. The Recorder's Court shall hold four sessions in every year and such sessions shall commence on the first Monday in the months of March, June and September, and on the third Monday in the month of December. (*v*)

Sessions of
Recorder's
Court.

376. The panels of Grand Jurors shall consist of twenty-four persons, and the panels of the Petit Jurors of not less

Jurors.

(*t*) See sec. 364.

(*tt*) It has been held, that the duty of selecting and drafting jurors for a city belongs to the Clerk of the Recorder's Court of the city, and not to the Clerk of the Peace of the county in which the city is situate (*In re McNab and Daly*, 22 U. C. Q. B. 170); but that returns of convictions made by aldermen of cities must be returned, as heretofore, to the General Quarter Sessions of the Peace for the county, and not to the Recorder's Court for the city. (*Keenahan, q. t., v. Egleson*, 22 U. C. Q. B. 626.)

(*u*) The appointment of Police Clerks and Clerks of Recorder's Courts rests with the Municipal Councils. The Clerk of each Council is to act *ex officio* in the absence of any other appointment. Whether he acts *ex officio* or is appointed to act, if in receipt of a fixed salary as Clerk of the Council, the fees appertaining to his office as Clerk, either of the Police or Recorder's Court, are to be paid by him to the Municipality and form part of its funds.

(*v*) Though the Recorder's Court has, as to crimes and offences committed in the city, &c., the same jurisdiction and powers, and uses the like process and proceedings as Courts of Quarter Sessions (sec. 368), the days for the sittings or sessions differ. For Quarter Sessions the days are the second Tuesday in the months of March, June, September and December. (Con. Stat. U. C. cap. 17, sec. 3.)

than thirty-six nor more than sixty persons; (*w*) and all such persons shall be residents of the city, selected to serve as Jurors under the Laws relating to Jurors. (*x*)

High Bailiff
to summon.

377. The High Bailiff of a city, not made a separate county for all purposes, shall ballot for and summon the jurors, under a precept signed by the Recorder, or by the Mayor, or the Alderman elected to act in the Recorder's place, in the manner appointed by the Laws relating to Jurors. (*y*)

Costs of persons acquitted of misdemeanor.

378. On the acquittal of any person tried for misdemeanor in a Recorder's Court the presiding Officer shall, if the Court is satisfied that there was reasonable and probable cause for the prosecution, order the costs thereof to be taxed by the Clerk, and to be paid out of the City Funds. (*z*)

EXPENSES OF RECORDER'S COURT.

Expenses of criminal Justice in Recorder's Court how paid.

379. The expenses of the administration of justice in criminal cases in the Recorder's Court shall be defrayed out of the Consolidated Revenue Fund, in like manner and to the like extent as the expenses attending the administration of justice in criminal cases in the several Courts of Quarter Sessions in Upper Canada. (*a*)

(*w*) See Con. Stat. U. C. cap. 31, sec. 132 to sec. 137 inclusive.

(*x*) See note *r* to sec. 75.

(*y*) The duties under the Jurors Act required of High Bailiffs or other similar officers of cities, and those also required of Clerks of the Peace and of the Clerks of Recorder's Courts of cities, may be performed either by the principal officer himself or by his deputy. (Con. Stat. U. C. cap. 31, sec. 138.)

(*z*) In cities where the Clerks are paid by fixed salaries, all the emoluments of the Court are paid by the Clerks to the Municipality and form part of its funds. So that when costs of a prosecution are to be paid, it is only proper under these circumstances, that such costs should be paid out of the city funds.

(*a*) The whole of the expenses of the administration of criminal justice in Upper Canada should be paid out of the Consolidated Revenue Fund of the Province. (Con. Stat. U. C. cap. 120.) All accounts of or relative to such expenses, must be audited, vouched and approved under such regulations as the Governor in Council from time to time directs and appoints. (*b*. sec. 2.) The several heads of expense mentioned in the schedule to the act, are deemed expenses of the administration of criminal justice within the meaning of the act. (*b*. sec. 3.) See *In re Pousette and the County of Lambton*, 21 U. C. Q. B. 472; S. C. 22 U. C. Q. B. 80.

INVESTIGATIONS BY RECORDER UNDER RESOLUTION OF CITY COUNCIL.

380. In case the Council of any City at any time passes a resolution (*b*) requesting the Recorder of the City to investigate any matter to be mentioned in the resolution and relating to a supposed malfeasance, breach of trust, or other misconduct on the part of any member of the Council or officer of the Corporation, or of any person having a contract therewith, in relation to the duties or obligations of the member, officer, or other person, to the City, (*c*) or in case the Council of any City sees fit to cause inquiry to be made into or concerning any matter connected with the good government of the City, or the conduct of any part of the public business thereof, (*d*) and if the Council at any time passes a resolution requesting the Recorder of the City to make the inquiry, the Recorder shall inquire into the same, (*e*) and shall for that purpose have all the powers of Commissioners under the Consolidated Statutes of Canada respecting inquiries concerning public matters and official notices, (*f*) and the Recorder shall, with all convenient speed, report to the Council the result of the inquiry and the evidence taken thereon. (*g*).

Investigation by Recorder of charges of malfeasance.

To have powers under Consolidated Statutes of Canada, cap. 13.

(*b*) *Resolution*—See note *l* to sec. 190.

(*c*) So far the investigation authorized is to be one relating to a "supposed breach of trust, or other misconduct," &c. The section extends to all members of the Council as well as officers of the Municipality, and to all persons having contracts with the Council. The object of the enactment is manifestly to facilitate the detection and correction of abuses.

(*d*) The design of this part of the section is to embrace cases not falling within the preceding.

(*e*) It is enacted that if the Council at any time passes a resolution requesting the Recorder to make the inquiry, he *shall* inquire into the same. The duty is imperative.

(*f*) Commissioners so appointed have the power of summoning before them any party as witnesses, and of requiring them to give evidence on oath, orally or in writing (or on solemn affirmation, if they are parties entitled to affirm in civil matters), and to produce such documents and things as such Commissioners think requisite to the full investigation of the matters into which they are appointed to examine (Con. Stat. Can. cap. 13, sec. 1); and the Commissioners have the same power to enforce the attendance of such witnesses, and to compel them to give evidence, as is vested in any court of law in civil cases. (*lb.*)

(*g*) The Recorder is not only to report to the Council the *result* of the inquiry, but the *evidence* taken thereon.

CITY DIVISION COURT.

Division
Court may
be held by
Recorder.

381. The Governor may, by Letters Patent under the Great Seal, appoint the Recorder to preside over and hold the Division Court of that Division of the County which includes the City; (*h*) and in such case, as long as the Letters Patent remain unrevoked, (*i*) the Recorder shall have the powers and privileges and perform the duties otherwise belonging to the County Court Judge as Judge of the Division Court, (*j*) and during such period the authority and duties of the County Judge or Judge of such Division Court shall cease, (*k*) except as in this Act provided. (*l*)

Salary as
Judge of
Division
Court.

382. The Governor-in-Council shall fix an annual salary, to be paid to the Recorder for performing such duties, regard being had, in fixing the same, to the population resident within the jurisdiction of such Division Court, the amount accruing from the Court to the Fee Fund, the amount of the salary of the

(*h*) There are not less than three nor more than twelve Division Courts in each county or union of counties, of which one must be in and for each city and county town. (Con. Stat. U. C. cap. 19, sec. 3.) The Justices of the Peace for each county, in general Quarter Sessions assembled, may, subject to the restrictions in the Division Court Act contained, appoint, and from time to time alter, the number, limits, and extent of every division, and number the divisions, beginning at No. 1 (*Ib.* sec. 8); and a less number of Justices shall not alter or rescind any resolution or order made by a greater number at any previous session. (*Ib.*) See also statute 29 Vic. cap. 31, as to a new mode of establishing additional Division Courts.

(*i*) Words authorizing the appointment of any public officer or functionary, include the power of removing him, re-appointing him, or appointing another in his stead, in the discretion of the authority in whom the power of appointment is vested. (Con. Stat. Can. cap. 5, sec. 6, sub-sec. 22.)

(*j*) The powers and privileges and duties of a Division Court Judge can only be ascertained upon an examination of the various provisions of the Division Courts Act, Con Stat. U. C. cap. 19. So long as he acts within his jurisdiction he is not responsible for any error of judgment or mistake of law. (*Kemp v. Neville*, 10 C. B., N. S., 523; *Stark v. Ford*, 11 U. C. Q. B. 363.) The law is different where he acts in a ministerial capacity. (*Parks v. Davis*, 10 U. C. C. P. 229.)

(*k*) It is not intended that the County Judge and Recorder shall have co-ordinate jurisdiction over the same City Division Court. Whenever the latter is authorized to hold the court, the authority of the former ceases. While a Recorder is authorized to hold a Division Court, he is not allowed to practice as a barrister, advocate, attorney, solicitor, or proctor in any court of law or equity. (Sec. 383.)

(*m*) The Recorder is to receive an annual salary for performing the duties mentioned in the last section. The salary is to be fixed by the Governor-in-Council. It is not to be arbitrarily fixed, but with regard to the following data:

1. The population resident within the jurisdiction of the Division Court.
2. The amount accruing from that Court to the Fee Fund.
3. The amount of the salary of the Recorder as Recorder. (See s. 370.)
4. The amount of the salaries of the County Judges in Upper Canada.

(*n*) County Judges are not allowed to act as conveyancers, or to do any manner of conveyancing, or prepare any papers or documents to be used in any Court in the Province. (29 Vic. cap. 30.)

(*o*) The Judge of the County Court of the county in which the division presided over by the Recorder is situate, may officiate for the Recorder in either of three events: first, the illness of the Recorder; secondly, absence by leave of the Governor; and, thirdly, unavoidable absence.

(*p*) He may appoint *any* barrister, no matter of how few years' standing at the bar. The Governor may annul any such appointment, and may appoint another barrister to act for the Recorder. (Sec. 386.)

386. The Governor may, by an instrument under his Privy Seal, annul any such appointment; and may, if he thinks fit, by the same instrument or any other instrument under his Privy Seal, appoint another Barrister of Upper Canada to act for the Recorder in the place of the Barrister appointed by the Recorder. (*s*)

JURORS AND WITNESSES.

COMPETENCY.

Competency
of jurors and
witnesses.

387. In any prosecution, suit, action or proceeding to which a Municipal Corporation is a party, no member, officer or servant of the Corporation shall, on account of his being such, be an incompetent witness, (*t*) or be liable to challenge as a juror. (*u*)

(*r*) Provision is in this section made, as well for the form of the instrument as for the disposal of it when executed. It must contain a recital of the cause which renders the appointment necessary, and must be executed in triplicate. It must be under seal. (See. 384.) When executed in triplicate, the copies are to be disposed of as follows: one copy to be filed in the office of the Clerk of the Division Court; the second to be delivered to the person named therein; and the third to be transmitted to the Provincial Secretary.

(*s*) The Governor may,

1. Annul the appointment.
2. Appoint another barrister of Upper Canada to act for the Recorder, in the place of the barrister appointed by the Recorder.

The power of the Governor must be exercised by an instrument under the privy seal. He may, by the same instrument or any other instrument under the like seal, make the new appointment.

(*t*) Although in the ordinary affairs of life temptations to practise deceit and falsehood may be comparatively few, and therefore men may in general be disposed to rely on the statements of each other, yet in judicial investigations the motives to pervert the truth and to perpetrate falsehood and fraud are so greatly multiplied, that if mis-statements were believed in courts of justice with the same indiscriminating credulity as in private life, much wrong would be unquestionably done. The danger of injustice arising from this cause, which doubtless should induce both judges and juries to watch with cautious suspicion the evidence laid before them, especially when it comes from an interested and polluted source, has till recently been thought to justify the observance of a distinction between competent and incompetent witnesses; and with a view of rendering the evil as inoperative

EXEMPTIONS.

388. The inhabitants of a City, not a separate County for all purposes, (a) shall be exempt from serving on juries, any other than the City Courts and Courts of Assize and Nisi Prius, Oyer and Terminer and General Goal Delivery for the County in which the City is situate, and on trials at bar before the Superior Courts of Common Law. (b)

Exemptions
of citizens
as jurors.

Exception.

HIGH BAILIFFS AND CONSTABLES.

389. The Council of every City shall appoint a High Bailiff, but may provide by by-law that the offices of High Bailiff and Chief Constable shall be held by the same person. (c)

High Bailiffs
and Constables.

as possible, it was long deemed expedient that the testimony of some particular classes of persons should be uniformly *excluded* (2 Taylor on Evidence, 2 Edn. 1040); but of late, the rule both in England and in Upper Canada has been much relaxed. (Con. Stat. U.C. cap. 32, ss. 3, 4.) But still a distinction is to be observed between the *competency* and the *credibility* of a witness. This section makes competent in any prosecution, &c., in which a municipal corporation is a party, any *member, officer or servant* of the corporation. The question of competency is, whenever it arises, one to be determined by the court. (*Barrett v. Smith*, 11 M. & W. 483.)

(u) To challenge a juror is to take exception to his right to sit, either from want of qualification or on account of interest, &c. (See Con. U.C. cap. 31, sec. 98, *et seq.*)

(a) See note *p* to sec. 356.

(b) To make the exemption complete, some reference should have been made to the Court of Chancery, which is now empowered to direct issues to be tried by a jury. (See Con. Stat. U. C. cap. 12, sec. 69, and sec. 34, sub-sec. 2.)

(c) A Constable is an officer of great antiquity. (Bac. ab. Constable, A.) The office was originally instituted for the better preservation of the peace. (*ib. C.*) A constable is the proper officer to a Justice of the Peace, and so is bound to execute warrants. (*ib. D.*) If a constable be sued for anything done in the execution of his office, he and all who assist him may plead the general issue, and give the special matter in evidence. (*ib.*) There may be one or more constables for each ward of a city or town (sec. 390), or as many constables and other officers and assistants as the Council may deem necessary. (Sec. 396.) The Chief Constable is the constable appointed to have precedence over other constables, and to superintend and control them. (*ib.*) His duties usually differ from those of the High Bailiff. The latter is, as it were, Sheriff of the city; and yet it has been held that it is the duty of the Sheriff of the county in which the city is situate, and not of the High Bailiff of the city, to convey to the Penitentiary prisoners sentenced at the Recorder's Court. (*Glass v. Wigmore*, 21 U. C. Q. B. 37.) Every city must, under the section here annotated, appoint a High Bailiff, and may by by-law direct that the offices of High Bailiff and Chief Constable shall be held by the same person. Until the organization of a Board of

Chief
Constable.

390. Until the organization of a Board of Police as hereinafter mentioned, (*d*) the Council of the city or town shall appoint one Chief Constable for the municipality, and one or more Constables for each Ward, and the persons so appointed shall hold office during the pleasure of the Council. (*e*)

Arrests by
Constables
for alleged
breaches of
the Peace
(not within
view) when
sanctioned.

391. In case any person complains to a Chief of Police, or to a Constable or Bailiff in a town or city, of a breach of the peace having been committed, and in case such officer has reason to believe that a breach of the peace has been committed, though not in his presence, and that there is good reason to apprehend that the arrest of the person charged with committing the same is necessary to prevent his escape or to prevent a renewal of the breach of the peace, or to prevent immediate violence to person or property, then if the person complaining gives satisfactory security to the officer that he will without delay appear and prosecute the charge before the Police Magistrate or before the Mayor or sitting Justice, such officer may, without warrant, arrest the person charged in order to his being conveyed as soon as conveniently may be before the Magistrate, Mayor, or Justice, to be dealt with according to law. (*f*)

Police, every city or town must appoint one Chief Constable and one or more constables for each ward. (Sec. 290.)

(*d*) See sec. 394.

(*e*) See note *c* to sec. 389.

(*f*) The object of this section is to remove doubts as to the authority of the peace officers named to make arrests without warrant for *misdeemeanors* not committed within their view. Caution must, however, be exercised in making arrests under such circumstances. A magistrate's warrant is a great shield. Where an arrest is made without it, if it should turn out that the provisions of this section have been neglected, that the wrong person is arrested, or that proof is so slight that he is of necessity discharged, the officer might be held liable to an action for false imprisonment, which he would not be if shielded by a magistrate's warrant. (4 U. C. L. J. p. 159.)

To authorize an arrest without warrant, under this section, the following things must concur:

1. There must be a complaint to the officer of a breach of the peace *having been committed*.
2. The officer must have reason to believe that a breach of the peace has been committed. *And,*
3. That there is good reason to apprehend that the arrest of the person charged is necessary to prevent his escape, or to prevent a renewal of the breach of the peace, &c.
4. Satisfactory security to prosecute is to be given by the party complaining.

Every person, *as well as constables*, present when a *felony* is committed, or a dangerous wound given, not only may apprehend the offender

392. Until the organization of a Board of Police, every Mayor, Recorder and Police Magistrate may, within his jurisdiction, suspend from office for any period in his discretion, the Chief Constable, or Constable of the town or city, and may, if he chooses, appoint some other person to the office during such period; and in case he considers the suspended Officer deserving of dismissal, he shall, immediately after suspending him, report the case to the Council, and the Council may dismiss such officer, or may direct him to be restored to his office after the period of his suspension has expired; (g)

Until a Board of Police is organized, Mayor, &c., may suspend Chief Constable, &c., from office.

but is bound to do so. (*Beckwith v. Philby*, 6 B. & C. 634; *Mathews v. Biddulph*, 3 M. & G. 390; 2 Hawk. cap. 12, sec. 1; 1 East P. C. 377, sec. 1.) If a private person be present at an affray, he may stay the affrayers until the heat is over, and then deliver them over to a constable, and he may stop others coming to join either party. (*Timothy v. Simpson*, 16 C. M. & R. 757; *Inglis v. Bell*, 1 M. & W. 516; 2 Hawk. cap. 12, sec. 8; *Baynes v. Brewster*, 2 Q. B. 375.) So a private person may arrest after an affray, if there be reasonable ground to apprehend a renewal of it. (*Price v. Seely*, 10 Cl. & Fin. 28.) If a private individual state facts to a constable who thereupon on his own responsibility arrests a person, or if he procure a magistrate to issue a warrant for taking a person, the imprisonment is not his act and he may show this under the plea of not guilty. (*Barber v. Rollinson*, 1 C. & M. 330; *Stonehouse v. Elliott*, 6 T. R. 315; *Brandt v. Craddock*, 27 L. J. Ex. 314; *Grinham v. Wiley*, 4 H. & N. 496.)

A constable is justified in arresting without a warrant upon a reasonable suspicion of a *felony* having been committed and of the person being guilty of it, although no felony has in fact been committed, and whether the reasonable grounds for suspicion are matters within his own knowledge or facts stated to him by another. (*Davis v. Russell*, 5 Bing. 354; *Beckwith v. Philby*, 6 B. & C. 634; *Hogg v. Ward*, 3 H. & N. 417.) But a constable is not in general justified, except under the provisions of this section, in arresting a person for a *misdemeanor* without a warrant. (*Mathews v. Biddulph*, 3 M. & G. 390; *Griffin v. Coleman*, 4 H. & N. 265.) Unless there be a breach of the peace in his presence (*Timothy v. Simpson*, 1 C. M. & R. 757; *Derecourt v. Corbishley*, 5 El. & B. 188), or danger of a renewal of it. (*Queen v. Light*, 27 L. J., M. C. 1; *Queen v. Walker*, 23 L. J., M. C. 123.) See note *t* to sec. 55, as to the difference between a felony and a misdemeanor.

(g) The powers of the Mayor, Recorder or Police Magistrate, under this section, are:

1. To suspend from office for any period in his discretion, the Chief Constable or Constable of the town or city.
2. To appoint, if he chooses, some other person to the office during the period of suspension.
3. To report, if he considers the suspended officer deserving of dismissal, the case to the Council.

But has of himself no power to dismiss—that rests with the Council. And these powers are only to be exercised “Until the organization of a Board of Police.”

and the Recorder and City Council respectively shall have the like powers as to the High Bailiff of a city. (*h*)

Salary to be withheld during suspension.

393. During the suspension of such officer he shall not be capable of acting in his office except by the written permission of the Mayor, Recorder or Police Magistrate, who suspended him, nor during such suspension shall he be entitled to any salary or remuneration. (*i*)

* BOARD OF POLICE.

OF WHOM COMPOSED.

Board of Police: of whom composed.

394. In every City there is hereby constituted a Board of Commissioners of Police, and such Board shall consist of the Mayor, Recorder, and Police Magistrate, and if there is no Recorder or Police Magistrate, or if the offices of Recorder and Police Magistrate are filled by the same person, the Council of the City shall appoint a person resident therein to be a member of the Board, or two persons so resident to be members thereof, as the case may require; (*j*) and such Commissioners shall have power to summon and examine witnesses on oath in all matters connected with the administration of their duties. (*k*)

Powers as to witnesses.

QUORUM.

A majority to constitute a quorum.

395. A majority of the Board shall constitute a quorum, and acts of a majority shall be considered acts of the Board. (*l*)

During suspension the suspended officer is incapable of acting in his office except by the written permission of the Mayor, Recorder or Police Magistrate, who suspended him, and is deprived during that period of all salary or remuneration. (Sec. 393.)

(*h*) See note *c* to sec. 389.

(*i*) See note *c* to sec. 392.

(*j*) The object of this and the following sections is, as much as possible, to make the police force of a city independent of the City Council. The control of the force is transferred from the Council to a Board of Police, which Board is constituted by this act. It is made to consist of the Mayor, Recorder, and Police Magistrate. It is only when there is no Recorder or Police Magistrate, or when these two offices are held by the same person, that the Council is authorized at all to interfere with the constitution or construction of the Board. The Board may appoint policemen (sec. 397), and fix the number of policemen requisite (sec. 396), and has power under this act (sec. 400) to fix the remuneration to be paid to them. Under the old law this was different. (See *In re Prince and the Corporation of the City of Toronto*, 25 U. C. Q. B. 175.)

(*k*) See note *f* to sec. 380.

(*l*) The design of the Legislature is, that the Board shall consist of three persons (sec. 394); so that it will require at least two to constitute a quorum.

NUMBER OF THE POLICE FORCE.

396. The Police Force shall consist of a Chief Constable and as many Constables and other Officers and Assistants as the Council from time to time deems necessary, but not less in number than the Board reports to be absolutely required. (*m*)

Number of Police to be determined by Council.

APPOINTMENT OF POLICEMEN.

397. The members of the Police Force shall be appointed by and hold their offices at the pleasure of the Board, (*n*) and shall take and subscribe to the following oath: (*o*)

The Policemen to be appointed by the Board.

"I, A. B., do swear that I will well and truly serve our Sovereign Lady the Queen, in the office of Police Constable for the — of —, without favour or affection, malice or ill-will; and that I will, to the best of my power, cause the peace to be kept and preserved, and will prevent all offences against the persons and properties of Her Majesty's subjects; and that while I continue to hold the said office I will, to the best of my skill and knowledge, discharge all the duties thereof faithfully according to law, and that I will not connect myself with, or attend the meetings of any secret society, while I am a member of the Police Force for the said — of —. So help me God."

Their oath of office.

POLICE REGULATIONS.

398. The Board shall, from to time, as they may deem expedient, make such regulations for the government of the Force and for preventing neglect or abuse, and for rendering the Force efficient in the discharge of all its duties. (*p*)

Board to make Police regulations.

(*m*) This section relates to the constitution and number of the force. It is to consist of a chief constable and as many constables and other officers and assistants as the *Council* from time to time deems necessary; but in no case to be less in number than the Board reports to be absolutely required. The only authority of the Council is subject to the provisions of the section to fix the number of the force, but not to appoint the members of the force. (See sec. 397.)

(*n*) The members of the force are, it will be observed, not only to be appointed by the Board, but to hold office during the pleasure of the Board—not the City Council (see note *m* above), and are, in other respects, to be subject to the government of the Board. (See secs. 398, 399.) Under the former act, the Board had no power to fix their salaries or remuneration. (*In re Prince and the Corporation of the City of Toronto*, 25 U. C. Q. B. 175.) But now, apparently, the law is otherwise. (Sec. 400.)

(*o*) See secs. 184 and 366.

(*p*) This section is badly worded. If the word "such" is to be retained, the words "as they may deem expedient" should follow the

man to be
subject to
the Board.

Duties of.

399. The Constables shall obey all lawful directions and be subject to the government of the Board, and shall be charged with the special duties of preserving the peace, preventing robberies and other felonies and misdemeanors, and apprehending offenders, and shall have generally all the powers and privileges, and be liable to all the duties and responsibilities which belong by law to Constables duly appointed. (*g.*)

tion and con-
tingent ex-
penses.

REMUNERATION AND CONTINGENT EXPENSES.

400. The Council shall appropriate and pay such remuneration for and to the respective members of the force as shall be required by the Board of Commissioners of Police, and shall provide and pay for all such offices, watch-houses, watch-boxes, arms, accoutrements, clothing and other necessities as the board may from time to time deem requisite and require for the payment, accommodation, and use of the Force. (*r*)

word "regulations." Then the section would read,—“The Board shall from time to time make *such* regulations as they may deem expedient, for the government,” &c. No such regulations are to be inconsistent with this statute or the law of the land. (See note *n* to sec. 191.)

(*g*) The duties of the constable are, as here defined:

1. To obey all lawful directions, and be subject to the government of the Board.
2. The preservation of the peace, preventing robberies and other felonies and misdemeanors, and apprehending offenders, and generally to have all the powers and privileges and be liable to all the duties and responsibilities which belong by law to constables duly appointed. (See sec. 391, and notes thereto.)

(*r*) The duties mentioned in this section are imposed upon the City Council, and not upon the Board.

These duties are:

1. To appropriate the remuneration required by the Board for the members of the force.
2. To pay the same.
3. To provide for all such offices, &c., as the Board may from time to time deem requisite.
4. To pay for the same.

If the Council wholly neglect and refuse to appropriate or pay the remuneration for and to the respective members of the force, required by the Board of Commissioners of Police, there would be a remedy. (See *In re Board of School Trustees of the City of Toronto and the Corporation of the City of Toronto*, 23 U. C. Q. B. 203.) Formerly the Board of Commissioners had not power to fix the remuneration, and when the law was so the court refused to interfere to compel

COURT HOUSES AND PRISONS.

GAOLS AND COURT HOUSES.

401. Every County Council may pass By-laws for erecting, improving, and repairing a Court House, Gaol, House of Correction, and House of Industry, upon land being the property of the Municipality, and shall preserve and keep the same in repair, and provide the food, fuel, and other supplies required for the same. (s)

the Council to pay the remuneration fixed by the Board. (See *In re Prince and the Corporation of the City of Toronto*, 25 U. C. Q. B. 175.)

(s) The powers and the duties of the County Council under this section are:

1. To erect and improve a Court House, Gaol, House of Correction, and House of Industry, upon land being the property of the Municipality.
2. To preserve and keep the same in repair.
3. To provide the food, fuel, and other supplies required for the same.

The Court House, from its very name as well as from the provisions of law requiring the erection of a Gaol and Court House in every county or union of counties, before they are constituted separate municipal authorities, is a building devoted to and intended for certain public uses. The Municipal Corporation may be considered as holding the building and the legal estate in it, for and subject to these uses, and would be guilty of a breach of trust and, as regards the courts of justice, of a high contempt, if they attempted to prevent its use for such purposes. (Per Draper, C. J., *In Municipal Council of Huron and Bruce v. Macdonald et al.*, 7 U. C. C. P. 278.) Gaols have always been considered of such universal concern to the public, that until powers were conferred upon Municipal Corporations to erect them, none could be erected except by authority of Parliament. (*The King v. The Justices of Newcastle*, Dra. Rep. 214.) But now, where a Municipal Corporation, having power, authorizes the building of a Gaol and Court House, the builder may, on the completion of the work, sue the Corporation for his money (*Keating v. The Council of the District of Simcoe*, 1 U. C. Q. B. 28), even though there be no contract under seal. (*Pim v. The Municipal Council of Ontario*, 9 U. C. C. P. 302.) The Corporation, however, is not liable to be sued for the use and occupation of a room engaged by the Sheriff for the purposes of a court room, (*Dark v. The Municipal Council of Huron and Bruce*, 7 U. C. C. P. 378), nor for furniture supplied to the Court House on the order of magistrates at Quarter Sessions. (*In re Coombes and the Municipal Council of the County of Middlesex*, 15 U. C. Q. B. 367.) The fact that the Court House is also used as a Shire Hall for the sittings of the County Council, and the furniture made use of by them, can make no difference. (*Ib.*) Formerly, the responsibility of keeping the Court House in repair was thrown on the District Surveyor, and when the law was so, it was held that the

Gaols and Court Houses to be common to Counties and Cities, &c., not separated.

402. The Gaol, Court House and House of Correction of the County in which a Town or City, not separated for all purposes from a County, (*t*) is situate, shall also be the Gaol, Court House and House of Correction of the Town or City; and shall in the case of such a City continue to be so until the Council of the City otherwise directs; (*u*) and the Sheriff, Gaoler and Keeper of the Gaol and House of Correction shall receive and safely keep until duly discharged, all persons committed thereto by any competent authority of the Town or City. (*v*)

Compensation by City or Town, how to be regulated and made.

403. While a City or Town uses the Court House, Gaol or House of Correction of the County, the City or Town shall pay to the County such compensation therefor, and for the care and maintenance of prisoners, as may be mutually agreed upon or be settled by arbitration under this Act. (*a*)

Municipal Corporation was not liable in damages for an injury resulting in death, occasioned to an individual in walking up the Court House steps, which had been allowed to fall into an unsafe condition. (*Hawkeshaw v. The District Council of the District of Dalhousie*, 7 U. C. Q. B. 590.) The Court has refused a rule for a mandamus to compel a County Council to build a Court House. (*Justices of the District of Huron v. The Huron District Council*, 5 U. C. Q. B. 574.)

(*t*) Where a city or town is separated for all purposes from the county in which situate, this section would be inapplicable.

(*u*) It is declared, first, that the gaol, &c., of the county in which a town or city is situate, shall also be the gaol, &c., of the town or city; and, secondly, in the case of a city, continue to be so until the Council of the city otherwise directs. It is apparently only the Council of a city, and not of a town, that has power to direct the erection of a separate gaol, &c.

(*v*) For instance, Police Magistrate or Justice of the Peace of such town or city.

(*a*) Arbitrators were appointed by articles of agreement, dated 28th December, 1855, to settle certain differences recited as pending between the city of London and the county of Middlesex, respecting the compensation to be paid by the city to the county for the use of the county Court-house and gaol, and concerning certain financial matters then depending between the respective municipalities. On the same day they awarded, first, that the stock held by the county in a certain railway should be divided in the proportion of one-fifth to be transferred to the city, the remaining four-fifths still to belong to the county; secondly, that the city should pay the county £2,675 on account of the county roads, and should keep such roads in repair within the city limits; thirdly, that the city should pay the county £1,966 in full of its portion of the county debt; fourthly, that in future each of the municipalities should pay the expense of all prisoners committed to the county gaol by each of them respectively, and that the portion of such expense incurred by the city should be paid over by them in

404. In case, after the lapse of five years from such compensation having been agreed upon or awarded, or having been settled by Act of Parliament, and whether before or after the passing of this Act, it appears reasonable to the Governor-in-Council, upon the application of either party, that the amount of the compensation should be reconsidered, he may, by an order in Council, direct that the then existing arrangement shall cease after a time named in the order, and after such time the Councils shall settle anew, by agreement or by arbitration under this Act, the amount to be paid from the time so named in the order. (b)

When the amount may be revised.

405. The Council of every City may erect, preserve, improve and provide for the proper keeping of a Court House, Gaol, House of Correction and House of Industry upon lands being the property of the Municipality, and may pass By-laws for all or any of such purposes. (c)

City Councils may erect Court House, Gaol, House of Correction and House of Industry.

January of each year; fifthly, that in future the city should pay to the county one-third of all incidental expenses connected with the Court-house and gaol, including repairs and insurance, together with one-third of all expenses connected with the administration of justice not paid by Government,—such payment to be made in the month of January in each year; sixthly, that the city should pay to the county the sums mentioned in the first, second and third clauses of the award, with interest, in twelve months from the 1st of January, 1856, except that the City Council should pay its share of the railway stock at the time the county debentures given therefor should become payable; seventhly, that the award should take effect on the 1st January, 1855, and remain in force till the 1st January, 1860. Held, that the giving to the award a retrospective effect—1st January, 1855, being the time when London was declared a city—was not objectionable, but proper; that the arbitrators had authority to give time for payment, as in the sixth clause; that the limiting the continuance of the award till 1st January, 1860, was inconsistent with the 12 Vic. cap. 81, sec. 200 (so far as material the same as sec. 404 of this act), and rendered the award bad as to the fourth and fifth clauses, respecting the Court-house and gaol; that the fourth clause of the award was also bad, because it authorized a ratable division of the expenses, instead of awarding the payment of an annual sum (*sed qu.* under this act); that the fourth and fifth clauses might be separated from the rest, and the award be set aside as to them only. (*In re the matter of the Arbitration between the County of Middlesex and the City of London*, 14 U. C. (L. B. 334.)

(b) In other words, after the lapse of five years, the amount of compensation may, if the Governor-in-Council see fit, be reconsidered. If the Governor-in-Council so decide, then the existing arrangement is made to cease after a time named in the order-in-council, in which event the Councils must settle anew, either by agreement or arbitration.

(c) This is implied in sec. 402, but, to prevent doubt, is expressly enacted. (See note s to sec. 401.)

Upon separation, Gaol and Court House regulations to continue.

406. In case of a separation of a Union of Counties, all rules and regulations, and all matters and things in any Act of Parliament for the regulation of or relating to Court Houses or Gaols in force at the time of the separation, shall extend to the Court House and Gaol of the junior County. (*d*)

LOCK-UP HOUSES.

Lock-up Houses may be established by County Council.

407. The Council of every County may establish and maintain a Lock-up House or Lock-up Houses within the County, and may establish and provide for the salary or fees to be paid to the Constable to be placed in charge of every such Lock-up House, and may direct the payment of the salary out of the funds of the County. (*e*)

A constable to be placed in charge of.

408. Every Lock-up House shall be placed in the charge of a Constable, specially appointed for that purpose by the Magistrates of the County, at a General Quarter Sessions of the Peace therefor. (*f*)

Who liable to confinement in, &c.

409. Any Justice of the Peace of the County (*g*) may direct, by warrant in writing under his hand and seal, the confinement in a Lock-up House within his County, for a period not exceeding two days, of any person charged on oath with a criminal offence, whom it may be necessary to detain until examined and either dismissed or fully committed for trial to the Common Gaol, and until such person can be conveyed to such Gaol; also the confinement in such Lock-up House, not exceeding twenty four hours, of any person found in a public street or highway in a state of intoxication, or any person convicted of desecrating the Sabbath, and generally may commit to a Lock-up House instead of the Common Gaol

(*d*) See sec. 51.

(*e*) A "lock-up house" is a place for the temporary confinement of a prisoner, or of a prisoner committed for a short space of time. (Sec. 409.) The gaol is for the whole county, but in each county or union of counties there can be only one gaol, and that situate in the county town. But there may be several lock-up houses, and situate where most convenient. Councils of *counties* only are by this section authorized to establish lock-up houses; but see sec. 412.

(*f*) While the county gaol is to be placed in charge of the gaoler, each lock-up house is to be placed in charge of a constable *specially* appointed for that purpose by Quarter Sessions.

(*g*) *Quere, or town?* It is apprehended that after "county" the word "town" should have been inserted. As the clause stands, it may be a question whether a Justice of a town, not being at the same time a Justice of the county, has authority to commit to lock-up houses, pursuant to this section. (See secs. 357, 358, 412.)

or other house of correction, any person convicted on view of the Justice, or summarily convicted before any Justice or Justices of the Peace of any offence cognizable by him or them, and liable to imprisonment therefor under any statute or municipal by-law. (*h*)

410. The expense of conveying any prisoner to, and of keeping him in a Lock-up House, shall be defrayed in the same manner as the expense of conveying him to and keeping him in the Common Gaol of the County. (*t*)

Expense of conveying and maintaining prisoners.

411. Nothing herein contained shall affect any Lock-up House heretofore lawfully established, but the same shall continue to be a Lock-up House as if established under this Act. (*j*)

Previous Lock-up Houses to continue.

412. The Council of every City, Township, Town and incorporated Village may, by By-laws, establish, maintain and regulate Lock-up Houses for the detention and imprisonment of persons sentenced to imprisonment for not more than ten days under any By-law of the Council; and of persons detained for examination on a charge of having committed any offence; and of persons detained for transmission to any Common Gaol or House of Correction, either for trial or in the execution of any sentence; and such Councils shall have all the powers and authorities conferred on County Councils in relation to Lock-up Houses; two or more local Municipalities may unite to establish and maintain a Lock-up House. (*k*)

Lock-up Houses for persons sentenced to short imprisonment.

(*h*) The following classes of offenders may be committed to lock-up houses:

1. Any person charged on oath with a criminal offence, whom it may be necessary to detain until examined, &c.
2. Any person found in a public street or highway in a state of intoxication.
3. Any person convicted of desecrating the Sabbath.
4. Any person convicted on view, or summarily convicted, of any offence under any statute or municipal by-law.

The duration of imprisonment, it will be observed, varies in regard to the description of the offender or nature of his offence.

(*i*) See note *a* to sec. 379.

(*j*) Let it be observed that this section preserves only lock-up houses lawfully established.

(*k*) The persons who may, under the operation of this section, be confined in lock-up houses are the following:

1. Those sentenced to imprisonment for not more than ten days, under any by-law of the Council.

413. The Council of every County, City or Town separated from a County may acquire an estate in landed property for an Industrial Farm, and shall, within two years after the passing of this Act, establish a House of Industry and a House of Refuge, and provide by By-law for the erection and repair thereof, and for the appointment, payment and duties of Inspectors, Keepers, Matrons and other servants for the superintendence, care and management of such Houses of Industry or Refuge, and in like manner make rules and regulations (not repugnant to law) for the government of the same; (l) Provided always, that any two or more United Counties, or any two or more contiguous Counties, having each a population of not more than twenty thousand inhabitants, may agree to have only one House of Industry for such United or contiguous Counties; but whenever such United Counties become separate Municipalities, or the population in any separate County shall exceed twenty thousand inhabitants, then, and in each of such cases, such County shall establish a House of Industry and Refuge within its own limits, and maintain and keep up the same in the manner herein provided. (m)

414. Any two of Her Majesty's Justices of the Peace, or of the Inspectors appointed as aforesaid, may, by writing under their hands and seals, commit to the House of Industry, or of Refuge, to be employed and governed according to the rules, regulations and orders of the House:

1. All poor and indigent persons who are incapable of supporting themselves; (n)

2. Those *detained* for examination on a charge of having committed any offence.

3. Those *detained* for transmission to the common gaol or house of correction.

(l) The powers under this clause are,

1. To establish a House of Industry and House of Refuge.

2. To provide by by-law for the erection and repair thereof.

3. To provide by by-law for the appointment and duties of inspectors, keepers, matrons and other servants.

4. To make by by-law rules and regulations for the government of the same.

Hitherto the powers were only permissive (Con. Stat. U.C. cap. 54, secs. 415-419); but now compulsory, and to be exercised within two years from the passing of the act (15th August, 1866).

As the names indicate, houses of industry and refuge are intended for the poor, the destitute, and the idle. (See sec. 414.)

(m) The latter part of this section is new.

(n) That is, poor by impotency and defect, as the aged or decrepid,

2. All persons without means of maintaining themselves, Idle.
and able of body to work, and who refuse or neglect so to do; (*o*)
3. All persons leading a lewd, dissolute, or vagrant life, and
exercising no ordinary calling or lawful business, sufficient to
gain or procure an honest living; (*p*) Lewd.
4. And all such as spend their time and property in public
houses, to the neglect of any lawful calling; (*q*) Frequenters
of public
houses.
5. And idiots. (*r*) Idiots.

415. Every person committed to the House of Industry or of Refuge, if fit and able, shall be kept diligently employed at labour during his continuance there; and in case any such person is idle, and does not perform such reasonable task or labour as may be assigned, or is stubborn, disobedient or disorderly, such person shall be punished according to the rules and regulations of the House of Industry or of Refuge in that behalf. (*s*) Punishment
of refractory
inmates.

416. The Inspector shall keep an account of the charges of erecting, keeping, upholding and maintaining the House of Industry or Refuge, and of all materials found and furnished therefor, together with the names of the persons received into the House, as well as of those discharged therefrom, and also of the earnings; (*t*) and such account shall be rendered to the Inspectors to

accounts of
expenses, &c.

fatherless and motherless, poor under sickness, and persons lame, blind, &c.

(*p*) That is, poor by prodigality and debauchery, also called thriftless poor; persons who lead "a lewd, dissolute or vagrant life," &c.

(*q*) That is, persons who, though not necessarily poor, are much the same as persons described in the last note, viz., persons "who spend their time and property in public houses, to the neglect of any lawful calling."

(*r*) An idiot or natural fool is one without understanding from his nativity, and therefore is by the law presumed never likely to attain understanding. He differs from a lunatic in this, that a lunatic has lucid intervals of reason. (4 Co. 125; Co. Litt. 247.)

(*s*) It is apprehended that this section is inapplicable to idiots. (See last note.)

(*t*) The duties of Inspectors are, under this section, to keep an account showing the following:

1. The charges for erecting, keeping, upholding and maintaining the House of Industry and Refuge, and of all materials found and furnished therefor.
2. The names of the persons received into the house, as well as those discharged therefrom, and also of the earnings.

County Council every year, or oftener when required by a by-law of the Council, and a copy thereof shall be presented to each branch of the Legislature. (*u*)

WORK HOUSES.

417. The Council of every City and Town (*v*) may respectively pass By-laws :

Work houses
in cities and
towns, and
houses of
correction.

1. For erecting and establishing within the City or Town, or on such Industrial Farm, or on any ground held by the Corporation for public exhibitions, a Work House or House of Correction, and for regulating the government thereof; (*w*)

Who liable to
be commit-
ted thereto.

2. For committing and sending, with or without hard labour, to the Work House or House of Correction, or to the Industrial Farm, by the Mayor, Recorder, Police Magistrate or two Justices of the Peace for the City or Town respectively, such description of persons as may by the Council be deemed, and by by-law be declared expedient; and such farm or ground held as aforesaid, shall, for the purposes in this sub-section mentioned, be deemed to be within the City or Town and the jurisdiction thereof. (*x*)

THE CARE OF GAOLS AND COURT HOUSES, &c.

Custody of
Gaols and
Court-houses

418. The Sheriff shall have the care of the County Gaol, Gaol Offices and Yard, and Gaoler's Apartments, and the appointment of the Keepers thereof. (*a*)

(*u*) It is not said *when* the copy is to be presented to the Legislature.

(*v*) The power given to Councils of counties, cities and towns, is, to establish, &c., "houses of industry or refuge;" (sec. 413) and to cities and towns, by the section here annotated, "work houses or houses of correction."

(*w*) The powers are :

1. To erect and establish a Work House, &c.
2. To regulate the government thereof.

(*x*) Work houses or houses of correction are intended to be places of punishment, for the commitment thereto may be "with or without hard labour." The description of persons liable to be so committed, is left to the determination of the Council by by-law.

(*a*) Some disputes having hitherto existed between Sheriffs and Municipal Councils, arising out of a real or supposed conflict of jurisdiction as to court houses and gaols (see *Municipal Council of Huron and Bruce v. Macdonald*, 7 U. C. C. P. 280), the object of this and the three following sections is, so far as language can do so, to remove all cause of dispute. Though it is by sec. 401 enacted that the County Council may pass by-laws for erecting, improving, and repairing the gaol, &c., and shall preserve and keep it in repair, and provide the fuel, food, and other supplies required, it is here enacted that the Sheriff shall have the *care* of the gaol, gaol offices and yard, and

419. The County Council shall have the care of the Court House, and of all offices and rooms connected therewith, whether the same forms a separate building or is connected with the Gaol, and shall have the appointment of the Keepers thereof; and shall from time to time provide all necessary and proper accommodation for the Courts of Justice other than the Division Courts, and for all officers connected with such Courts. (*b*)

County Council to appoint keepers, &c.

420. In any City not being a separate County for all purposes, but having a Gaol or Court House separate from the County Gaol or Court House, the care of such City Gaol or Court House shall be regulated by the By-laws of the City Council. (*c*)

City Gaols to be regulated by by-law.

FALSE DECLARATIONS.

421. The wilful and corrupt making of any false statement in any declaration required or authorized by this Act, shall be a misdemeanor punishable as wilful and corrupt perjury. (*d*)

Wilful false declarations to be perjury

INTERPRETATION CLAUSE.

gaoler's apartments, and the *appointment* of the keepers. While upon the Council rests the responsibility of keeping the building, &c., in repair, and of providing the necessaries, upon the Sheriff rests the responsibility of management and internal government.

(*b*) While the care of the gaol is entrusted to the Sheriff, the care of the Court House is entrusted to the County Council. It is, however, expressly declared that the Council "*shall* from time to time provide all necessary and proper accommodation for the Courts of Justice (other than Division Courts) and for *all officers connected with such Courts.*"

(*c*) Every city is a county of itself for municipal purposes, and for *such* judicial purposes as are in this act specially provided in the case of cities, and no other. (Sec. 356.)

(*d*) It is provided that the word "oath" shall be construed as meaning a solemn affirmation, whenever the context is applied to any person and case by whom and in which a solemn affirmation may be made instead of an oath, &c. (Con. Stat. Can. cap. 5, sec. 6, sub-sec. 13); and that the wilful making of any false statement in any such oath or affirmation shall be wilful and corrupt perjury, and that the wilful making of any false statement in any declaration required or authorized by law shall be a misdemeanor, punishable as wilful and corrupt perjury. (*Ib.*)

(*e*) No better mode of avoiding useless repetition in statutes exists than the recent one of appending to statutes of unusual length "an

CONFIRMING AND SAVING CLAUSES.

423. So much of the Schedules in either of the Municipal Corporations Acts of 1849 and 1850, as define the limits or boundaries of any Cities or Towns, being Schedule B of the Act of 1849, numbers two, three, four, six, seven, eight, nine, ten, and eleven; and Schedule C of the same Act

interpretation clause." So useful has it been found, that, as applied to statutes generally, an act passed in 1837, intituled "An Act to supply by a general law certain forms of enactment in common use, which may render it unnecessary to repeat the same in acts to be hereafter issued" (7 Wm. IV. cap. 14; Con. Stat. U. C. cap. 2), and in 1849 an act intituled "An Act for putting a legislative interpretation upon certain terms in Acts of Parliament, and for rendering it unnecessary to repeat certain provisions and expressions therein, and for ascertaining the date and commencement thereof, and for other purposes." (12 Vic. cap. 10; Con. Stat. Can. cap. 5.) The section here annotated must, it is apprehended, be read in connection with the Interpretation Acts.

numbers one, two, and three; and Schedule B of the Act of 1850 numbers one, five, twelve, thirteen, fourteen, and fifteen. And also so much of Schedule D of the said Acts of 1849 and 1850 as relates to Amherstburg; and also so much of the two hundred and third section of the said Act of 1849, and so much of any other sections of either of the said Acts relating to any of the Schedules thereof as have been acted upon or as are in force and remain to be acted upon at the time this Act takes effect; and all Proclamations and Special Statutes by or under which Cities and other Municipalities have been erected, so far as respects the continuing the same and the boundaries thereof, shall continue in force. (*f*)

Further exception.

424. All proceedings on behalf of or against any existing Municipal Corporation or Police Trustees, pending when this Act takes effect, shall be continued under this Act, in the name in which the same are then pending. (*g*)

Pending proceedings to continue.

425. All things lawfully done under former enactments are confirmed, except any matter which has been or within or within one year after the passing of this Act, may be made the subject of proceedings at law or in equity. (*h*)

Past transactions confirmed.

426. All Offences, Neglects, Fines, Penalties, Moneys, Debts, and other matters and things which immediately before this Act goes into effect might have been prosecuted, punished, enforced, or recovered under any former Municipal Act, may be prosecuted, punished, enforced, or recovered under this Act, in the same manner, within the same time, and in the same name and by the same process and proceedings as if the same respectively had been committed or in-

Previous offences, penalties, &c. may be prosecuted and enforced.

(*f*) This section is new. Its meaning is obvious, and its existence essential to the preservation of the territorial and municipal organization of many local municipalities.

(*g*) The act took effect on 1st January, 1867, *except* so much as relates to the nominating of candidates for municipal offices and the framing of by-laws for dividing municipalities, or any ward thereof, in electoral divisions, and appointing returning officers thereto, which took effect on 1st November, 1866, and *except* so much as relates to the qualification of electors and candidates, which will not take effect till 1st September, 1867.

(*h*) This is very important, and intended in a reasonable manner to prevent litigation. This act passed on 15th August, 1866. To question the validity or legality of any thing done under enactments by this act repealed, proceedings must be commenced either at law or in equity within one year after 15th August, 1866. If not so questioned, all things lawfully done are *confirmed*.

Commence-
ment of this
Act, and of
certain provi-
sions thereof.

427. This Act shall take effect on the first day of January next (Anno Domini one thousand eight hundred and sixty-seven), save and except so much thereof as relates to the nominating of candidates for Municipal offices, (*j*) and the passing of By-laws for dividing a Municipality or any ward thereof into Electoral Divisions, and appointing Returning Officers therefor, (*k*) which shall come into effect on the first day of November next, (*l*) and also so much thereof as relates to the qualification of electors and candidates, shall not take effect till the first day of September, one thousand eight hundred and sixty-seven. (*m*)

As amended
by cap. 52.

Inconsistent
enactments

428. All Acts or parts of Acts inconsistent with the provisions of this Act, relating to the Municipal institutions of Upper Canada, are hereby repealed. (*n*)

Act limited
to U. C.

429. This Act shall apply to Upper Canada only. (*o*)

(*i*) The object of this section is to provide against a failure of justice, by reason of offences, &c., committed under the old acts, not being prosecuted before they cease to operate, viz., on the 1st January, 1867. The remedy is to allow all such prosecutions to proceed as if the offences, &c., were committed after 1st January, 1867.

(*j*) See secs. 100, 101.

(*k*) See sec. 278.

(*l*) 1st November, 1866.

(*m*) See secs. 70 to 78, all of which may be held to be more or less affected by this section.

(*n*) On every act professing to repeal or interfere with the provisions of a former act, it is a question of construction whether it operates as a total or partial or temporary repeal. The word "repealed" is not to be taken in an absolute, if it appears upon the whole act to be used in a limited sense. It is presumed that so much of the old act, Con. Stat. U. C. cap. 54, as relates to matters mentioned in the preceding section will continue in force till the corresponding sections of this act take effect. (See Dwarries on Statutes, 534.)

By the repeal of a repealing statute (the new law containing nothing in it that manifests the intention of the Legislature that the former acts shall continue repealed) the original acts are revived; but if an act is repealed by several acts, a repeal of one act or two, and not of all, does not revive the first act. If a repealing act and part of the original act is repealed by a subsequent act, the residue of the original act is revived. If an act of Parliament is revived, all acts explanatory of that act are also revived. It is, however, usual, but not always necessary, when no revival is intended, expressly to provide against the revival. (Harrison's C. L. P. Acts, p. 533.)

(*o*) It is intitled, "An Act respecting the Municipal Institutions of Upper Canada."

CAP. LII.

AN ACT TO AMEND THE ACT OF THE PRESENT SESSION, INTITULED, "AN ACT RESPECTING THE MUNICIPAL INSTITUTIONS OF UPPER CANADA." (a)

[Assented to 15th August, 1866.]

HER MAJESTY, by and with the advice and consent of the
Legislative Council and Assembly of Canada, enacts as follows: Preamble.

1. The following Proviso is added to the forty-eighth section
of the Act passed in the present Session of the Parliament of
this Province, intituled, *An Act respecting the Municipal*
Institutions of Upper Canada: Proviso add-
ed to sec. 48.

"Provided also, that the provision in this section contained
shall not apply to any County where proceedings have been
commenced or taken, previous to the passing of this Act, for
separating such County." (b) The proviso.

2. The sub-sections of section sixty-six of the said Act
numbered three, four and five, and the sections numbered
respectively sixty-seven, seventy-three (except the proviso),

hundred and twenty, one hundred and fifty, the first paragraph
of three hundred and seventy-one, and section four hundred
and twenty-seven, of the said Act, are hereby repealed, and
the following sections and sub-sections shall be and are hereby
substituted in lieu of the said sections and sub-sections hereby
repealed, and shall be taken and read as the said sections and
sub-sections of the said Act. (c) Certain
sections and
parts of sec-
tions repea-
ed and others
substituted.

(a) The Editor has, in the text as well as his annotations to the
preceding act, termed by him for brevity the Municipal Act, endeavoured
to explain that act as amended by this act, which for brevity
he terms the Municipal Amendment Act;—so that so far as this act is
concerned, nothing more is necessary than references to the particular
sections of the Municipal Act where the amendments will be found
noted.

(b) See note *h* to sec. 48 of the Municipal Act.

(c) The Editor has, in the Municipal Act, substituted the sections
here intended to be substituted for sections of that act here repealed.

87. The electors of every City shall elect three Aldermen for every Ward, on the first Monday in January in the year one thousand eight hundred and sixty-seven, one of whom shall retire annually in rotation, and on the first Monday in January in each year thereafter shall elect one Alderman for each Ward, in the room of the retiring member, unless chosen by acclamation on the day of nomination. (*j*)

120. seven), save and except so much thereof as relates to the nominating of candidates for municipal offices, and the passing of By-laws for dividing a Municipality or any Ward thereof into Electoral Divisions, and appointing Returning Officers therefor, which shall come into effect on the first day of November next, and also so much thereof as relates to the qualification of electors and candidates shall not take effect till the first day of September, one thousand eight hundred and sixty-seven. 3. Forthwith after the passing of this Act, it shall be lawful for the Governor to cause such extra number of copies of the Municipal Act and the Assessment Act to be printed, appending thereto a copious Index to their provisions, as he may deem expedient ; and he may cause any Acts or parts of Acts passed during the present session, which amend or affect in any way the provisions of the Municipal Act, to be incorporated with it, inserting them in their proper places in the said Municipal Act, and striking out of the latter any enactments repealed by or inconsistent with those so incorporated ; and altering the number of the sections if need be ; and a correct printed copy of the said Municipal Act, with the amendments so incorporated, and attested under the signature of the Governor, and countersigned by the Provincial Secretary ; and also a similarly attested copy of the Assessment Act passed during the present session, shall be deposited with the Clerk of the Legislative Council ; and after such attestation and deposit, copies of the said Municipal Act as amended, and of the said Assessment Act, printed by the Queen's Printer, shall be held and deemed to have the same force and effect as the copies of this Act, and of the Acts amending the same, as passed during the present session ; and the Queen's Printer shall distribute the extra copies of the volume containing such Acts and Index, in the proportion of three copies to each Municipality in Upper Canada, and one copy to each member of the Legislative Council and Assembly. (p)

Governor may cause extra copies of chapter 51 and of chapter 53 to be printed and distributed incorporating this Act with chapter 51.

Distribution of such copies.

(o) See sec. 427 of the Municipal Act, and notes thereto.

(p) This is a very unusual provision ; but owing to the importance of the acts mentioned, and the peculiar circumstances under which they were passed, the Legislature exercised a wise discretion in making the provision for the distribution of the Acts, together with an Index, which this section authorizes.

CAP. LIII.

AN ACT TO AMEND AND CONSOLIDATE THE SEVERAL ACTS RESPECTING THE ASSESSMENT OF PROPERTY IN UPPER CANADA. (a)

[Assented to 15th August, 1866.]

Preamble. HER MAJESTY, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

PRELIMINARY PROVISIONS.

Short Title. 1. This Act may be cited as "The Assessment Act of Upper Canada." (b)

Interpretation clause. 2. In this Act, the word "County," and the word "Township," include a Union of Counties or of Townships, as the case may be, while such Unions continue; The words "County Council," include "Provisional County Council," the word "Town," means "Incorporated Town," and the word "Village," means "Incorporated Village," the word "Ward," does not apply to a Township Ward—and the words "Local Municipality," do not include Counties, unless there is something in the subject or context requiring a different construction. (c)

(a) The consolidation of the several acts relating to the assessment of property in Upper Canada, is second only in importance to the consolidation of the several Municipal acts in 1858, by the Municipal Institutions Act of that year, and its re-enactment in consolidated form as amended. The value of the two acts so far as Upper Canada is concerned, cannot be over estimated. The remarks which the editor made in note *a* in praise of the Municipal act, are equally applicable to the assessment act now under consideration.

(b) The practice of describing acts of Parliament by short titles is of modern invention; but owing to its utility, is becoming each Session of Parliament, of more general application. It is singular that while the Legislature have not, in the case of the Assessment act, been unmindful of this practice, (see secs. 1 & 206) in the Municipal act, they have quite overlooked it. But for convenience no doubt, while one will, under legislative sanction, be known and described as "The Assessment Act of Upper Canada," the other without legislative sanction will be equally well known and as often described as "The Municipal Act of Upper Canada."

(c) See note *e* to sec. 422 of the Municipal Act as to the value of an interpretation clause or interpretation clauses in an act of Parliament.

3. The terms "Land," "Real Property," and "Real Estate," respectively, include all buildings or other things erected upon or affixed to the land, and all machinery or other things so fixed to any building as to form in law part of the realty, and all trees or underwood growing upon the land, and all mines, minerals, quarries and fossils in and under the same, except mines belonging to Her Majesty. (*d*)

Meaning
of words
"Land," &c.

4. The terms "Personal Estate," and "Personal Property," include all goods, chattels, shares in incorporated companies, money, notes, accounts and debts at their full value, income and all other property, except land and real estate and real property as above defined, and except property herein expressly exempted. (*e*)

Meaning of
"Personal
property,"
&c.

5. The term "property" includes both real and personal property as above defined. (*g*)

Meaning of
"Property."

6. Unoccupied land owned by a person not resident, and not having a legal domicile or place of business in the Township, Village, Town or City where the same is situate, and who has not signified to the Assessor personally or in writing,

Unoccupied
land of per-
sons absent
how designa-
ted.

While in the Municipal Act the interpretation clauses succeed the act, here they precede the act to which they are intended to apply, and in this respect are the more conveniently placed. The interpretation given is not however of universal application; for wherever the context demands a different construction, the latter is to prevail.

(*d*) The Legislature have defined "Land," "Real Property," and "Real Estate," for purposes of taxation as including the following:

1. All buildings or other things erected upon or affixed to the land and machinery or other things so fixed to any building as to form in law part of the realty.
2. All trees or underwood growing upon the land.
3. All mines, minerals, quarries and fossils in and under the same, except mines belonging to Her Majesty. See further note *k* to s. 9.

(*e*) The terms "Personal Estate" and "Personal Property," for purposes of taxation are made to include the following:

1. All goods, chattels, shares in incorporated companies, money, notes, accounts and debts at their full value.
2. Income and all *other* property except land and real estate and real property as above defined, and except property herein expressly exempted. See further note *k* to s. 9.

(*g*) Property is defined as the highest right any man can have to anything; and things may, for the purposes of property, be divided into things real and things personal—the former being such as are permanent and fixed, and the latter such as are moveable and may attend the owner's person wherever he thinks proper to go. (See ss. 3 and 4.)

that he owns such land and desires to be assessed therefor, shall be denominated "Lands of non-residents." (*h*)

In the case
of Railroad
Company,
&c.

7. The real estate of all Railway Companies is to be considered as lands of residents although the Company may not have an office in the Municipality; except in cases where a Company ceases to exercise its corporate powers, through insolvency, or other cause. (*i*)

PROPERTY LIABLE TO TAXATION.

All taxes to
be levied
equally upon
the ratable
property
where no
other pro-
vision made.

8. All municipal, local or direct taxes or rates, shall, when no other express provision has been made in this respect, be levied equally upon the whole ratable property, real and personal, of the Municipality or other locality, according to the assessed value of such property, and not upon any one or more kinds of property in particular or in different proportions. (*j*)

(*h*) Though the owner be a non-resident of the Municipality, yet if he signify to the assessor personally or in writing, that he owns the lands, and desires to be assessed therefor, his name may be placed on the roll, and his land no longer separated from the other assessments (see note *m* to sec. 24). There are, as it were, two assessments—one for residents and such as signify their desire to be assessed, though non-resident, in which case both the lands and the persons are assessed—and the other for non-resident lands, where the lands only and not the persons are assessed. (Secs. 21, 34.)

(*i*) It is the duty of every Railway Company annually to transmit to the Clerk of every Municipality in which any part of the road or other real property of the company is situate, a statement describing:

1. The value of all the real property of the company, other than the roadway.
2. The actual value of the land occupied by the road in the Municipality, according to the average value of land so rated in the roll of the previous year in the locality. (Sec. 33.)

It is then the duty of the Municipal Clerk to communicate the same to the assessor.

It thereupon becomes the duty of the assessor to transmit by post to any station or office of the company, a notice of the total amount at which he has assessed the real property of the company in his Municipality or Ward, distinguishing the value of the land occupied by the road and the value of the other real property of the company. (sec. 33.)

(*j*) The intention is that whenever a council determine to raise a certain sum for a certain purpose within the scope of their authority, the same shall be raised by assessment to be laid equally upon the whole ratable property according to the assessed value of such property, and not upon any one or more kinds of property. (*Doe d. McGill v. Langton*, 9 U. C. Q. B. 91.) Where a Municipal Council, instead of following the plain direction of the statute, by by-law imposed a tax on wild lands alone, the by-law was held to be illegal. (*Ib.*) So a by-law imposing an arbitrary rate of 5s. per foot frontage for draining into the common sewers of a city, was held invalid. (*Ex parte Aldwell and the City of Toronto*, 7 U. C. C. P. 104.)

9. All land and personal property in Upper Canada shall be liable to taxation, (k) subject to the following exemptions, (l) that is to say :

What property liable to taxation.

EXEMPTIONS.

1. All property vested in or held by Her Majesty, or vested in any public body, or body corporate, officer or person in trust for Her Majesty, or for the public uses of the Province, and also all property vested in or held by Her Majesty, or any other person or body corporate, in trust for or for the use of any tribe or body of Indians, and either unoccupied or occupied by some person in an official capacity ; (m)

Exemptions.

All property belonging to Her Majesty.

(k) The term "land" includes all buildings erected upon or affixed to the land, and all machinery or other things so fixed to any building as in law to form part of the realty, and all trees or underwood growing upon the land, and all mines, minerals, quarries and fossils, in and under the same, except mines belonging to Her Majesty. (Sec. 4.) The term "personal property" includes all goods, chattels, shares in incorporated companies, money, notes, accounts and debts at their full value, income and all other property, except land as above defined and except property in this act expressly exempted. (Sec. 5.) But land covered with the waters of a harbour, is not taxable. (*The Buffalo and Lake Huron Railway Company v. The Corporation of the Town of Goderich*, 21 U. C. Q. B. 97.) The pipes of a gas company laid out through the streets of a city, are not to be deemed land, but rather personal property, within the meaning of this section. (*In re Gas Company and the City of Ottawa*, 7 U. C. L. J. 104.) But the interest of the lessees of a road company is in the nature of a chattel interest, and not personal property. (*In re Hepburn and Johnston*, 7 U. C. L. J. 46.) A steamboat is clearly personal property within the meaning of the act. (*In re appeal of Hatt*, 7 U. C. L. J. 103.)

(l) Where the property though assessed is exempt from assessment and taxation, it is not necessary for the party concerned to appeal under the Assessment Act in order to avail himself of the exemption. That which is exempt cannot be taxed. The fact that it appears on the assessment roll when really exempt, does not make it the less exempt. The unauthorized assessment of that which is by law exempt, cannot make it liable to taxation. (*Shaw v. Shaw*, 12 U. C. C. P. 456 ; see also *The Municipality of the Township of London v. The Great Western Railway Company*, 17 U. C. Q. B. 262.)

(m) The property exempt by this sub-section is :

1. All property vested in or held by Her Majesty, or vested in any public body, or body corporate in trust for Her Majesty or for the public uses of the Province.
2. All property vested in or held by Her Majesty or any other person or body corporate in trust for or for the use of any tribe or body of Indians, and either unoccupied or occupied by such person in an official capacity.

Property, whether freehold or leasehold, in the use or occupation of the Crown or of any person or persons in his or their official capacity

2. When any property mentioned in the preceding sub-section number one, is occupied by any person otherwise than in an official capacity, the occupant shall be assessed in respect thereof, but the property itself shall not be liable; (*n*)

3. Every place of worship, Church-yard or Burying ground; (*o*)

4. The buildings and grounds of and attached to every University, College, incorporated Grammar School, or other incorporated Seminary of learning, whether vested in a Trustee or otherwise, so long as such buildings and grounds are actually used and occupied by such institution, or if unoccupied, but not if otherwise occupied; (*p*)

5. Every Public School-house, Town or City or Township hall, Court-house, Gaol, House of correction, Lock-up House, and public Hospital, with the land attached thereto, and the personal property belonging to each of them; (*q*)

as servants of the Crown, is not assessable. (*Shaw v. Shaw*, 12 U. C. C. P. 456; *The Secretary of War v. The Corporation of the City of Toronto*, 22 U. C. Q. B. 551.) So property held by the Crown and not granted, located or leased, so far as the interest of the Crown is concerned (*Street v. The Corporation of the County of Kent*, 11 U. C. C. P. 255; see also *Street v. The Corporation of the County of Simcoe*, 12 U. C. C. P. 285; S. C. 2 Er. & Ap. 211; *Austin v. The Corporation of the County of Simcoe*, 22 U. C. Q. B. 78.)

But the statute does not say that land which has once been legally charged with an assessment, shall become discharged of it when and because it comes into the possession of the Crown. (*The Secretary of War v. The Corporation of the City of Toronto*, 22 U. C. Q. B. 551; see also *Lord Colchester et al. v. Kewney*, 1 L. R. Ex. 368.)

(*n*) The exemption mentioned in the preceding sub-section as to property vested in or held by Her Majesty, &c., is here qualified by an enactment, that the occupant shall be liable to assessment, provided he do not occupy in an official character, but the property itself is not to be liable. (Per Draper, C. J.; in *Street v. The Corporation of the County of Kent*, 11 U. C. C. P. 260.) An assessment of property exempt from assessment would be a nullity, except for the purpose of assessing the occupant individually, under this sub-section. (Per Morrison, J., in *Shaw v. Shaw*, 12 U. C. C. P. 459.)

(*o*) All places of worship, all church yards, and all burying grounds, no matter to what denomination of Christians belonging, are here exempt.

(*p*) This is not an absolute, but a qualified exemption, viz., "so long as such building and grounds are unoccupied or actually used and occupied by such institution," but not "if otherwise occupied."

(*q*) The Legislature, in using the terms they do in exempting certain buildings, such as court houses, gaols, places of worship and the like, and then exempting the real property of some institutions, and the real and personal property of other institutions, must have had in view

6. Every Public road and way or Public Square ; (r) Public squares, &c.
7. The property belonging to any County, City, Town, Township or Village, whether occupied for the purposes thereof, or unoccupied; (s) Municipal property.
8. The Provincial Penitentiary, and the land attached thereto ; (t) Provincial Penitentiary

the nature, object and purposes of these buildings and institutions. Thus:

1. Every place of worship, church yard, or burying ground. (Sub-sec. 3.)
2. Every university, college, incorporated grammar school, or other incorporated seminary of learning, and the grounds of and attached thereto, &c. (Sub-sec. 4.)
3. Every public school house, town or city or township hall, court house, gaol, house of correction, lock-up house, and public hospital, with the land attached thereto, and the personal property belonging to each of them. (Sub-sec. 5.)
4. Every industrial farm, poor house, alms house, orphan asylum, house of industry and lunatic asylum, and every house belonging to a company for the reformation of offenders, and the real and personal property belonging to or connected with the same. (Sub-sec. 9.)

The Legislature, it will be observed, does not exempt all hospitals, but only public hospitals. Lord Coke says, in *Sutton's case* (10 Rep. 31 a), that there is no legal hospital except where the poor persons benefited are themselves incorporated; and he says that where the corporate succession is vested in trustees, to effectuate the purposes of the institution, there is no legal hospital. It seems, however, tolerably clear that a legal hospital in *that* sense is not meant where the words "public hospital" are used in this section. It is more reasonable to hold that the words are used in their popular sense, and that any institution which, though not in a strictly legal, might in a popular sense be called a public hospital, can claim exemption. (See *Lord Colchester et al. v. Kewney*, 1 L. R. Ex. 368; *In re Appeal of Sisters of Charity of the City of Ottawa*, 7 U. C. L. J. 157.)

(r) Public squares are as much public property as public roads and ways, and cannot, without a breach of trust, be applied to any use inconsistent with the purpose of their dedication. All such are made exempt from taxation, probably for the reason that, not being the exclusive property of any individual in the community, there could be no person whose exclusive obligation it would be to pay taxes. Private squares or private roads or ways do not enjoy immunity from taxation.

(s) There could be no object in the Council of any county, city, town, township or village, levying taxes on its own property. Hence all such, whether occupied for the purposes thereof or unoccupied, are exempt. But it is not said that the occupants thereof, when occupied for purposes of gain, shall be exempt from taxation.

(t) The Penitentiary, erected near the city of Kingston, in the county of Frontenac, is called "*The Provincial Penitentiary of Canada*," and is the institution here intended. (Con. Stat. Can. cap. 111.) The land attached thereto is also exempt.

Houses, &c.,
used for phi-
lanthropic
purposes.

9. Every Industrial Farm, Poor House, Alms House, Orphan Asylum, House of Industry, and Lunatic Asylum, and every house belonging to a Company for the reformation of offenders, and the real and personal property belonging to or connected with the same; (*u*)

Scientific In-
stitutions,
&c.

10. The property of every Public Library, Mechanics' Institution, and other public, literary or scientific institution, and of every Agricultural or Horticultural society, if actually occupied by such society; (*v*)

Personal
property of
Governor.

11. The personal property and official income of the Governor of the Province; (*w*)

Imperial
Military or
Naval pay,
salaries, pen-
sions, &c.,
property of
officers on
full pay.

12. The full or half pay of any one in any of Her Majesty's Naval or Military services, or any pension, salary, gratuity or stipend derived by any person from Her Majesty's Imperial Treasury or elsewhere out of this Province, and the personal property of any person in such Naval or Military services on full pay, or otherwise in actual service; (*x*)

Pensions
under \$200.

13. All pensions of two hundred dollars a year and under, payable out of the public moneys of this Province; (*y*)

Income of
farmers.

14. The income of a farmer derived from his farm; (*z*)

(*u*) The institutions here mentioned are all of a charitable character, and therefore, we find the Legislature, with as much liberality as possible, exempt not only the institutions themselves, but the "real *and* personal property belonging to or connected with the same."

(*v*) The property of every public library, mechanics' institute, and other public literary or scientific institution, appears, in favour of literature and science, to be absolutely exempt; but the property of an agricultural or horticultural society appears to be only conditionally exempt, *i. e.*, "if actually occupied by such society."

(*w*) This exemption rests upon grounds of state policy, between the Imperial and Colonial authorities.

(*x*) The exemptions here are:

1. The full or half pay of any one in *any* of Her Majesty's naval or military services.
2. The personal property of any person in such naval or military services on full pay, or otherwise in actual service.
3. Any pension, salary, gratuity or stipend, derived by any person from Her Majesty's Imperial treasury or elsewhere out of this Province.

(*y*) While all pensions derived by any person from Her Majesty's Imperial treasury or elsewhere out of the Province are by the preceding sub-section exempt, none but pensions of two hundred dollars a year or under, payable out of the public money of the Province, are here made exempt.

(*z*) This is a liberal exemption, made in favour of agriculture. The income of a farmer, no matter how great, if derived from his farm, is exempt.

15. So much of the personal property of any person, as is secured by a mortgage upon land or is due to him on account of the sale of land the fee or freehold of which is vested in him, or is secured by the debentures of the Province or of any Municipal Corporation thereof; (a)

Personal property secured by mortgage, or municipal debentures.

16. The stock held by any person in any chartered bank, so long as there is a Special Tax on bank issues; (b)

Bank stock, so long, &c.

17. The stock held by any person in any Railroad Company; (c)

Railroad stock.

18. All property, real or personal, which is owned out of this Province; (d)

Property owned out of the Province

19. So much of the personal property of any person, as is equal to the just debts owed by him, except such debts as are secured by mortgage upon his real estate or may be unpaid on account of the purchase money therefor; (e)

Personal property to amount of debts due.

(a) Personal property is in general subject to taxation. The exemption here made is as to so much of the personal property of any person as is,

1. Secured by a mortgage upon land, or is due to him on account of the sale of land, the fee or freehold of which is vested in him.
2. Secured by the debentures of the Province, or of any Municipal Corporation thereof.

The reason of the first is, that the land itself, on which the mortgage security rests, is subject to taxes; and the second rests on fiscal considerations, the object being to create a bonus in favor of Government or Municipal debentures, so as to induce persons having money to invest, to invest in debentures, and so keep up as much as possible the price thereof.

(b) Stockholders in a chartered Bank, when there is a tax on Bank issues, in effect pay that tax; and this, without the addition of a municipal tax on their stock, is deemed a sufficient burden.

(c) Stock in the railway companies of Canada, so far as mere investment is concerned, has been found anything but profitable; and for this reason, no doubt, the exemption is here created.

(d) Personal property out of the Province may be subject to taxes wherever situate, and, if taxed in this Province because the owner happens to live here, might subject him to double taxation.

(e) If what a man owes be equal to or exceed his personal property, the latter is exempt from taxation, provided his debts are not secured by mortgage or real estate, or unpaid on account of the purchase money therefor. So much of the personal property of any person as is secured by a mortgage upon land, or is due to him on account of the sale of land, is exempt (sub-sec. 15); and this is because the land, or rather the owner of it, is compelled to pay taxes thereon without reference to the incumbrances. Hence the proviso in the sub-section here annotated.

20. The net personal property of any person, provided the same be under one hundred dollars in value; (*f*)
21. The annual income of any person, provided the same does not exceed three hundred dollars; (*g*)
22. The stipend or salary of any minister of religion; (*h*)
23. The annual official salaries of the officers and servants of the several Departments of the Executive Government and of the two Houses of Parliament resident at the seat of Government; (*i*)
24. Household effects of whatever kind, books and wearing apparel. (*j*)

How rates
shall be
calculated.

HOW RATES TO BE ESTIMATED.

10. In Counties, Cities, Towns, Townships, and Villages, the rates shall be calculated at so much in the dollar upon

(*f*) The debts owing by a man (not secured by mortgage, &c.) (sub-sec. 19), are to be deducted from the value of his personal property. The balance is his "net personal property." If the latter be under one hundred dollars in value, it is exempt; if that sum or more, it is subject to taxation according to graduated scale. (Sec. 35.)

(*g*) Certain incomes are privileged from taxation. Thus: the income of the Governor-General (sub-sec. 11); the full or half pay of persons in Her Majesty's naval or military services (sub-sec. 12); so much of incomes as may consist of pensions, salaries, gratuities or stipends derived by any person from Her Majesty's Imperial treasury or elsewhere out of the Province (*It.*); all Provincial pensions of two hundred dollars or under (sub-sec. 13); so much of income as is secured by a mortgage on land, or due on account of the sale of land (sub-sec. 15); the income of a farmer, derived from his farm (sub-sec. 14); the stipend or salary of any minister of religion (sub-sec. 22); the annual official salaries of the officers and servants of the several departments of the Executive Government, and of the two Houses of Parliament resident at the seat of Government (sub-sec. 23); and here the annual income of every person whose income does not exceed three hundred dollars.

(*h*) Ministers of religion are not in general over-paid in Upper Canada, and the Legislature have here made a wise concession to relieve them of income tax. The marginal note it will be observed is incorrect and is probably inadvertently copied from the old act.

(*i*) It will be observed that the exemption is only made in favor of such officers and servants of the Executive or of Parliament, as are "resident at the seat of Government."

(*j*) The bed and bedding and bedsteads in ordinary use by a debtor and his family, as well as the necessary wearing apparel of himself and family, together with certain specified articles of furniture and food, are also exempt from seizure and sale under execution. (Stat. 23 Vic. cap. 25, sec. 4.)

the actual value of all the real and personal property liable to assessment therein. (*k*)

11. All Debentures heretofore issued by Municipal Corporations under any By-law, and based upon the yearly value of ratable property, at the time of passing such By-law, shall hold the order of priority which they now occupy, (*l*) and each Municipal Corporation (having so issued Debentures) shall levy a rate on the actual real value of the ratable property within the Municipality represented, sufficient to produce a sum equal to that leviable or produced on the yearly value of such property as established by the Assessment Roll for the year one thousand eight hundred and sixty-six; (*m*) and such rates shall be applied solely to the payment of such Debentures, or interest on such Debentures, according to the terms of the By-law under which they are issued; (*n*)

Priority of existing debentures; how rates for paying them shall be calculated.

To be applied solely for such purposes.

2. In cases where a Sinking Fund is required to be provided, either by the investment of a specific rate or amount, or on a rate on the increase in value over a certain sum, then such a rate shall be levied as shall, at least, equal the sum originally intended to be set apart. (*o*)

Rate for Sinking Fund.

12. In order to comply with the provisions of the Consolidated Municipal Loan Fund Act (Consolidated Statutes of Canada, chapter eighty-three), a rate of not less than one-third of a cent in the dollar upon the actual value of all ratable property, shall be levied by all Municipalities in Upper Canada indebted to the Municipal Loan Fund, unless a smaller rate

Rate of half cent per dollar for paying debt to Consolidated Municipal Loan Fund.

(*k*) The distinction formerly existing between actual value and yearly value no longer exists. While in counties and townships the rates were calculated at so much in the dollar on actual value, in cities, towns, and villages it was calculated on yearly value. There is now no difference in this respect between counties, cities, towns, townships, and villages: in all alike the rate is to be calculated on actual value. A tax of so much an acre arbitrarily without reference to actual value, was held bad under the old law. (*Doe d. McGill v. Langton*, 9 U. C. Q. B. 91.) The court refused on an application for a mandamus to decide as to the proper principle to be applied in the valuation of property for purposes of taxation. (*In re Dickson and the Municipal Council of the Village of Galt*, 10 U. C. Q. B. 395.)

(*l*) See note *k* to sec. 10.

(*m*) The rate must be sufficient for the purpose intended. If clearly insufficient, the court might, on application, quash the by-law. (*Perry v. The Town Council of the Town of Whitby*, 13 U. C. Q. B. 564.)

(*n*) An application of the money produced by the rate to any other purpose than that specified, would be a breach of trust.

(*o*) See notes to sub-sec. 5 of sec. 256 of the Municipal Act.

would produce eight per cent. upon the capital of the loan; (*p*) Provided always, that if such rate of one-third of a cent in the dollar upon the actual value of ratable property, according to the assessment of any year, shall produce a less sum than five cents in the dollar on the annual value of the property in the year one thousand eight hundred and fifty-eight, such a rate shall be levied as will produce a sum equal to that produced by a rate of five cents in the dollar on the assessment rolls of the year one thousand eight hundred and fifty-eight. (*q*)

Estimates to
be made
yearly.

13. The Council of every Municipality shall, every year, make estimates of all sums which may be required for the lawful purposes of the County, City, Town, Township, or Village, for the year in which such sums are required to be levied, each local Municipality making due allowance for the cost of collection and of the abatement and losses which may occur in the collection of the tax, and for taxes on the lands of non-residents which may not be collected. (*r*)

(*p*) In case the Receiver-General certify to the Governor-General that any municipality is in default to the Municipal Loan Fund, the Governor-General may issue his warrant to the Sheriff, directing him to seize all goods and chattels, lands and tenements, and other property and things liable to be seized in execution, belonging to such municipality, and to sell the same, or so much thereof as may be necessary to produce the amount for which such municipality is in default, and costs, as he would under execution against such municipality, and to pay the proceeds to the Receiver-General, in liquidation of the amount. (Con. Stat. Can. cap. 83, sec. 68.)

(*q*) A sum equal to five cents in the dollar on the assessed yearly value, or a like per centage on the interest at six per cent. per annum on the assessed value of all the assessable property in every municipality indebted to the Municipal Loan Fund, must be raised every year unless and until the amount of principal and interest payable by such municipality to the Receiver-General, shall have been paid and satisfied. (*Ib.* sec. 88.)

(*r*) In making yearly estimates of the sums required, it will be necessary for the Council to make due allowance in respect of the following:

1. The cost of collection.
2. Abatement and losses which may occur in the collection.
3. Taxes on lands of non-residents that may not be collected.

and accordingly have a margin sufficient to cover drawbacks arising from any or all of the foregoing causes.

It does not appear necessary that the Council should set forth in the by-law the estimates on which it is founded (*Fletcher v. The Municipality of the Township of Euphrasia*, 13 U. C. Q. B. 129) and the Court will, in the absence of evidence to the contrary, intend that proper estimates have been made. (*Ib.*)

- 14.** The Council of every Municipality may pass one By-law, or several By-laws authorizing the levying and collecting of a rate or rates of so much in the dollar upon the assessed value of the property therein, as the Council deem sufficient to raise the sums required on such estimates. (*s*) Bylaws for raising money by rate.
- 15.** If the amount collected falls short of the sums required the Council may direct the deficiency to be made up from any unappropriated fund belonging to the Municipality. (*t*) If the amount collected falls short.
- 16.** If there be no unappropriated fund, the deficiency may be equally deducted from the sums estimated as required, or from any one or more of them. (*u*) Or estimate may be reduced proportionably
- 17.** If the sums collected exceed the estimates, the balance shall form part of the General Fund of the Municipality, and be at the disposal of the Council, unless otherwise specially appropriated; (*v*) but if any portion of the amount in excess has been collected on account of a special tax upon any particular locality, the amount in excess collected on account of such special tax shall be appropriated to the special local object. (*w*) If sums collected exceed estimates, appropriation of the balance.
- 18.** The taxes or rates imposed or levied for any year shall be considered to have been imposed and to be due on and from the first day of January of the then current year and ending Yearly taxes to be computed from 1st January, unless otherwise ordered.

(*s*) It is not incumbent on a Municipal Council to raise all that is required, and no more than is required, by one by-law. Were this the law, it would be impossible, owing to contingencies such as mentioned in sec. 13, and other contingencies of a like kind, for any Municipal Council to comply with it. The amount collected may either fall short or exceed the sum required. If short, the deficiency may be made up from any unappropriated fund belonging to the Municipality. (Sec. 15.) If no unappropriated fund, the deficiency may be equally deducted from the sums estimated or from any one or more of them (sec. 16) or a second by-law passed, under the section here annotated. (Sec. 14.) If an excess, the surplus becomes a part of the General Fund of the Municipality, unless otherwise appropriated. (Sec. 17.)

(*t*) See note *s* to sec. 14.

(*u*) See note *s* to sec. 14.

(*v*) See note *s* to sec. 14.

(*w*) The preceding sections, secs. 14, 15, 16, as well as the first part of this section (17) relate more particularly to general estimates for general purposes. If any portion of the amount in excess has been collected on account of a Special Tax upon any particular locality, the general rule is not to apply—the amount collected shall, instead of forming part of the General Fund, be appropriated to the special local object and no other.

Assessment
Roll to be
prepared, its
form, con-
tents, &c.

21. The Assessor or Assessors shall prepare an Assessment Roll, (d) in which, after diligent enquiry, he or

(a) This section is intended to fix the fiscal year for all the Municipalities, for the purposes of rates and taxes, and may be looked upon as providing that no matter in what part of the year a by-law imposing rates and taxes may be passed, the taxes shall be considered as imposed for the whole current year. (See *Ford v. Proudfoot*, 9 Grant, 478; *Corbett v. Taylor*, 23 U. C. Q. B. 454; see also *Mellish v. The Town Council of the Town of Brantford*, 2 U. C. C. P. 35, and note *k* to sec. 111, of this act.)

(b) See sec. 164 of the Municipal Act and notes thereto.

(c) See sec. 164 of the Municipal Act and notes thereto.

(d) The assessment, as respects real property, is the mode provided for ascertaining the actual value thereof. Unless followed by the imposition of a rate, it creates no liability. None of the methods pointed out by the statute for collecting and enforcing payment of a rate can apply until a rate has been actually imposed. (*Corbett v. Taylor*, 23 U. C. Q. B. 454.) But the assessment roll, when completed, is the foundation of all proceedings with a view to elections or taxation, and all copies and lists ought to correspond with it, for it is the primary or original roll. (Per Adam Wilson, J., in *Laughtenborough v. McLean*, 14 U. C. C. P. 180.) But while this is so, there is no provision whatever declaring it to be an offence to add to or alter such a roll. (Municipal Act, sec. 188, and notes thereto.) It is the alteration of or interference with subsequent documents or papers, made, prepared or drawn out from it, according to or for the purpose of meeting the requirements of the law in regard to municipal elections, which is made criminal. (*Ib.*) An assessor is not bound to enquire into the trusts upon which lands are held, but to view each man's premises, and to find out whether or not he is assessable, or whether or not he comes under any of the exemptions allowed by law (*Franchon v. The Corporation of St. Thomas*, 7 U. C. L. J. 245); and a person improperly assessed as owner, and served with notice of the assessment, may, by omitting to appeal, make himself liable as owner. (*McCarrail v. Watkins et al.*, 19 U. C. Q. B. 248.)

they shall set down, according to the best information to be had: (e)

1. The names and surnames in full, if the same can be ascertained, in alphabetical order, of all taxable persons resident in the Municipality who have taxable property therein, or in the District for which the Assessor has been appointed; (f)

Names of residents.

2. And of all non-resident Freeholders who have, in writing, required the Assessor to enter their names and the land owned by them in the Roll; (g) and

Of non-residents.

(e) The duty of an assessor is, under this section, twofold:

1. To make diligent inquiry for the information suggested.

2. To set the results down according to the best information to be had.

If any assessor *refuse* or *neglect* to perform any duty required of him by this act, he shall, upon conviction thereof before the Recorder's Court of the city, or before the Court of General Quarter Sessions of the county in which he is assessor, forfeit to Her Majesty such sum as the court shall order and adjudge, not exceeding one hundred dollars. (Sec. 176.) If he make an *unjust* or *fraudulent* assessment, or wilfully and fraudulently enter on the roll the name of any person who should not be entered thereon, or indeed *wilfully* omits any duty required of him by this act, he shall be guilty of a misdemeanor; and upon conviction thereof before a Court of competent jurisdiction, shall be liable to a fine not exceeding two hundred dollars, and to imprisonment till the fine be paid, or to imprisonment in the common gaol of the county or city for a period not exceeding six months, or to both; such fine and imprisonment in the discretion of the court. (Sec. 178.) An assessor convicted of having made any unjust or fraudulent assessment, shall be sentenced to the greatest punishment, both of fine and imprisonment, allowed by this act. (Sec. 180.) Proof, to the satisfaction of the jury, that any real property was assessed by the assessor at an actual value greater or less than its true actual value by thirty per centum thereof, shall be *prima facie* evidence that the assessment was unjust or fraudulent. (Sec. 179.) Both real and personal property should be estimated by assessors at their actual cash value, as they would be appraised in payment of a just debt from a solvent debtor. (Sec. 30.)

(f) "Taxable persons" may be either residents or "non-residents," who have requested their names to be entered on the roll. The names and surnames, *in full*, of all such (if the same can be ascertained) should be entered on the roll, and that in alphabetical order. There cannot be too much particularity in this respect. The roll is, as it were, a judgment roll—the highest evidence of a debt recoverable by process of a most summary character. Even the description of persons on the roll as executors or trustees, does not absolve them from personal liability for taxes, or save their own goods from distress for taxes. (*Dennison v. Henry*, 17 U. C. Q. B. 278.) Persons assessed in a representative character, as trustee, guardian, executor or administrator, should, however, be assessed as such, with the addition to the name of the representative character. (Sec. 45.)

(g) A non-resident owner of land can only be assessed in his own name when he makes the request to be so assessed. (*Municipality of Berlin v. Grange*, 5 U. C. C. P. 211.)

- Property. 3. The description and extent or amount of property assessable against each; (*h*)
- Further particulars. 4. And such particulars, in separate columns, as follows: (*i*)
- Column 1.—The successive number on the roll;
 Column 2.—Name of taxable party;
 Column 3.—Occupation.
 Column 4.—To state whether the party is a Freeholder or Tenant by affixing the letter "F" or the letter "T," as the case may be;
 Column 5.—The age of the assessed party;
 Column 6.—Name and address of the owner, where the party assessed is a tenant only;
 Column 7.—Number of Concession, name of Street or other designation of the local division in which the real property lies;
 Column 8.—Number of Lot, House, &c., in such division;
 Column 9.—Number of Acres or other measures, shewing the extent of the property;
 Column 10.—Number of acres cleared;
 Column 11.—Value of each parcel of real property;
 Column 12.—Amount of taxable income;
 Column 13.—Value of personal property;

(*h*) The assessor should so set down the description *and* extent or amount of property assessable against each taxable person. If land, it should be assessed as granted, as subsequently divided, or as actually owned by the party taxable. If the person taxable be the owner of several lots, the lots should be as much as possible kept distinct, and not unnecessarily thrown together. (See note *g* to sec. 139.) Where the property is held by the taxable party in the character of a trustee or executor, he may be so described. (Sec. 45.)

(*i*) These particulars are required under several acts of Parliament, and several clauses of the same act of Parliament, with a view to the imposition of taxes; statistical information, &c. (See, among others, statutes 27 Vic. cap. 2, sec. 6; 27 Vic. cap. 19, sec. 2; 29 Vic. cap. 39, secs. 2, 3, 4.) The information should be diligently obtained, and when obtained carefully entered on the roll. So much, for weal or woe, depends on the state of the roll, that the greatest care should be used in the selection of competent persons to fill the office of assessor; and these persons, when appointed, should use the greatest diligence and accuracy in the performance of their duties. A slovenly assessment is often the forerunner of expensive litigation, and is at all times and under all circumstances a source of trouble and annoyance to all concerned. The rights of electors and their interests as rate-payers may alike be jeopardized by carelessness or ignorance in those to whom the law entrusts the discharge of most important duties. (See *McCarrall v. Watkins et al.*, 19 U. C. Q. B. 248.)

Column 14.—Total value and amount of real and personal property and taxable income;

Column 15.—Number of persons in the family of each person rated as a resident;

Column 16.—Number of cattle;

Column 17.—Number of sheep;

Column 18.—Number of hogs;

Column 19.—Number of horses;

Column 20.—Dogs;

Column 21.—Bitches;

Column 22.—To be headed "First-class Service Militia Roll;"

Column 23.—"Second-class Service Militia Roll;"

Column 24.—"Reserve Militia Roll."

22. Land shall be assessed in the Municipality in which the same lies, and in the case of Cities and Towns, in the Ward in which the properties lies, and this shall include the land of incorporated Companies as well as other property; (*j*) and when any business is carried on by a person or persons in two or more Municipalities, the personal property belonging to such person or persons shall be assessed in the Municipality in which such personal property is situated. (*k*)

Land to be assessed in the Municipality or Ward.

Personal property.

23. Land occupied by the owner shall be assessed in his name. (*l*)

When land to be assessed in owner's name.

(*j*) See note *k* to sec. 9.

(*k*) Personal property of a person having a shop, factory, office, or other place of business, must, as a rule, be assessed at the place of business. (Sec. 40.) If several places of business in different municipalities, then according to this section, at the place or places where situate (sec. 22) for that portion of personal property connected with the business carried on at each. (Sec. 41.) If no place of business, then at the place of residence. (Sec. 42.)

(*l*) The word "owner" is here used as a word of a very wide signification. The assessor has nothing to do with the title or trust upon which land is held. Upon seeing land occupied by an apparent owner, the assessor is bound to assess the occupant for it, no matter upon what trust the freehold of the land is held (see *Dennison v. Henry*, 17 U. C. Q. B. 276; *Franchon v. The Corporation of St. Thomas*, 7 U. C. L. J. 245); and if the person assessed as owner be served with notice of the assessment, and omit to appeal against it, he will, it would seem, whether owner or not, render himself liable for taxes as owner. (*McCarrall v. Watkins*, 19 U. C. Q. B. 248.)

If land not

the owner,
but owner is
known.

24. As to land not occupied by the owner, but of which the owner is known, and who, at the time of the assessment being made, resides or has a legal domicile or place of business in the Municipality, or who has signified by writing to the Assessor that he owns the land and desires to be assessed therefor, the same shall be assessed against such owner alone if the land is unoccupied, or against the owner and occupant if such occupant be any other person than the owner. (*m*)

If owner
non-resident
and un-
known.

25. If the owner of the land be not resident, then if the land is occupied, it shall be assessed in the name of and against the occupant and owner, but if the land be not occupied, and the owner has not requested to be assessed therefor, then it shall be assessed as land of a non-resident. (*n*)

If land

26. When land is assessed against both the owner and occupant, (*o*) the Assessor shall place both names within

(*m*) The owner, if not an occupant, can only be assessed in his own name, under the circumstances mentioned:

1. Where the owner is known, *and* resides or has a legal domicile or place of business *in* the municipality.
2. Where, though not a resident of the municipality, he has signified in writing that he owns the land and desires to be assessed therefor.

A non-resident owner of land can only be properly assessed in his own name, when he makes the request here mentioned. (*Municipality of Berlin v. Grange*, 5 U. C. C. P. 228; S. C. 1 Er. & Ap. 279.) But if a non-resident be rated as a resident, it by no means follows that the assessment is nugatory. (*DeBlaquiere et al. v. Becker et al.*, 8 U. C. C. P. 167.) Where the name appears on the roll, the law will presume, till the contrary be proved, that the name was put on the roll at his request. (Per Richards, J., in *Municipality of Berlin v. Grange*, 5 U. C. C. P. 228; *sed qu.* per Draper, C. J., in same case, 1 Er. & Ap. 289.) It is the duty of the assessor, when notified by a non-resident freeholder of his desire to be on the roll, to put his name on the roll, and enter opposite to it, in a column for the purpose, the letters "N. R." and the address of such freeholder. (Sec. 29.)

(*n*) The meaning of this section is not free from doubt. If land be occupied no doubt it should be assessed in the name of the occupant. If unoccupied and owned by a person living in the Municipality where he is owner, it may be assessed in his name. But if unoccupied and owned by a non-resident, it can only be assessed in his name on his request in writing. (See note *m* to sec. 24.) This section provides that if the land be occupied "it shall be assessed in the name of and against the occupant *and* owner." The question is whether this is to be done where the owner is a non-resident of the Municipality and has not requested his name to be entered on the roll. The language of the section is broad enough to cover all owners, whether resident within or without the Municipality.

(*o*) See sec. 25.

owner and occupant, taxes may be recovered from either or any future owner or occupant.

27. When the land is owned or occupied by more persons than one, and all their names are given to the Assessor, they shall be assessed therefor in the proportions belonging respectively to each, (*r*) and if a portion of the land so situated is owned by parties who are non-resident, and who have not required their names to be entered on the roll, the whole of the property shall be assessed in the names given to the Assessor, saving the recourse of the persons whose names are so given against the others. (*s*)

When tenants may deduct taxes from rent.

(*p*) The omission to follow this direction does not invalidate the assessment. (See *DeBlaquiere et al. v. Becker et al.* 8 U. C. C. P. 16.)

(*q*) The obligation of the landlord is *prima facie* to pay taxes. (See sec. 28.) If the tenant agree to pay taxes, the obligation is shifted as between them. But in regard to the Municipality, taxes may be recovered from either, and not only so, but from "any future owner or occupant" saving his recourse against any other person. (See *Smith v. Shaw*, 8 U. C. L. J. 297; *Holcomb et al. v. Shaw*, 22 U. C. Q. B. 92; *Warne v. Coulter*, 25 U. C. Q. B. 177.)

(*r*) Where on an assessment roll under the general heading "Names of taxable parties," were entered the names of Ker, William and Henry for two separate parcels of land, and in the proper columns were the letter "F" and "H," and in the columns headed "Owners and address" opposite to the parcels of land "Wm. Ker & Bros." it was held that Wm. Ker and Henry Ker, and not "Wm. Ker & Bros." were the persons in whose names the properties were rated. (*The Queen ex rel. McGregor v. Ker*, 7 U. C. L. J. 67.)

(*s*) See note *q* to sec. 26.

(*t*) A lessee of a house in a city cannot be assessed as an occupant when he no longer occupies, although his term still continues. (*McCarrall v. Watkins et al.* 19 U. C. Q. B. 248.) But if assessed as owner, by omitting to appeal, he may be held liable as owner for the purposes of assessment. special agreement to the contrary, of course there will not be the right to deduct taxes from rent. Where defendant took a written agreement for a lease of certain premises, which lease was silent as to taxes, but when it was signed, verbally agreed to pay them, but no lease was ever executed, owing to a disagreement on another point, and defendant occupied the premises for four years, paying taxes for three years without objection. When sued for rent subsequently accrued, he claims to set off the taxes, on the ground that as the agreement made no provision for them and could not be added to by verbal evidence, they must fall on the landlord. But held that having voluntarily made the payments in pursuance of his own agreement, even if it were without consideration, he could not recover back or set off such payment. (*McAnanny v. Tickell*, 23 U. C. Q. B. 499.) It is not said in the act when, or from quarter or month, the occupant may deduct the taxes from his rent, and under a similar enactment in England it was held that a tenant could not occupy for several years paying taxes and claim to deduct from his last quarter's rent the whole amount of taxes paid by him during the term (*Stubbs v. Parsons*, 3 B. & A. 516), and our act has in one case received a similar construction. (*Wade v. Thompson et al.* 8 U. C. L. J. 22.) An ordinary lease under the words in the statute containing a covenant "to pay taxes," covers a special rate created by a corporation by-law as well as other taxes. (*In re Michie and the Corporation of the City of Toronto*, 11 U. C. C. P. 379.)

(u) A non-resident freeholder cannot be assessed in his own name, unless upon his own request in writing. (See note m to sec. 24.)

(v) The omission of this direction will not, it is apprehended, invalidate the assessment. (*De Blaquiére et al. v. Becker et al.*, 8 U. C. C. P. 167.)

(a) There is nothing that men so much differ about as the value of property. It is, to a great extent, a matter of opinion. Men's opinions on such a subject are very materially affected, more so than they are perhaps aware of, by the point from which they consider it. A man who is impressed with a consideration of how much a thing is worth, will entertain a widely different opinion from him who simply looks at it as a thing to be purchased in expectation of profit whether by the employment of it or selling it again. (Per Draper, C. J., in *McCuaig v. The Unity Fire Insurance Company*, 9 U. C. C. P. 88.) Perhaps, after all, the best standard of value is that mentioned in this section—"actual cash value," such as the property would be appraised "in payment of a just debt from a solvent debtor" (See further note s to sec. 179.) But it is no defence to an action for taxes, that the property was excessively rated. (*The Municipality of London v. The Great Western Railway Company*, 17 U. C. Q. B. 267.) The only remedy in such a case is by appeal to the Court of Revision. (*Ib.*)

31. In assessing vacant ground or ground used as a farm, garden or nursery, and not in immediate demand for building purposes in Cities, Towns or Villages, whether incorporated or not, the value of such vacant or other ground shall be that at which sales of it can be freely made; and where no sales can be reasonably expected during the current year, the assessors shall value such land as though it was held for farming or gardening purposes, with such per centage added thereto as the situation of the land may reasonably call for, (b) and such vacant lands, though surveyed into building lots, if unsold as such, may be entered on the assessment roll as so many acres of the original block or lot, describing the same by the description of the block or by the number of the lot and concession of the Township in which the same may have been situated, as the case may be; (c) Provided that in such case the number and description of each lot comprising each such block shall be inserted on the Assessment Roll, and each lot shall be liable for a proportionate share as to value, and the amount of the taxes if the property is sold for arrears of taxes. (d)

What shall be deemed vacant land, and how its value shall be calculated in cities, &c.

Proviso.

32. When ground is not held for the purposes of sale, but *bona fide* inclosed and used in connection with a residence or building as a paddock, park, lawn, garden or pleasure ground, it shall be assessed therewith at a valuation which at six per centum would yield a sum equal to the annual rental, which in the judgment of the Assessors it is fairly and reasonably worth for the purposes for which it is used, reference being always had to its position and local advantages. (e)

When not held for sale, but for gardens, &c.

(b) This section in effect divides vacant land into two classes. One class consists of lands of which sales can be reasonably expected during the current year; the other class, of lands of which no sales can be reasonably expected during the current year. Between the two, there must be a difference of value, and a difference in the mode of assessment. The first is to be valued at the price at which sales can be freely made; the second is to be valued as though held for gardening or farming purposes, with such per centage added thereto as the situation of the land may reasonably call for. Any construction of the act which confounds these two classes abrogates the one or other class, and, if the second, is an evasion of the statute. (See remarks in 9 U. C. L. J. 232.)

(c) *i. e.*, the second class in the last note mentioned.

(d) This is essential for the preservation of the relation of the lots to each other, so as properly to adjust the burden of taxation in the event of the sale of some portion for taxes.

(e) The preceding section provides for the assessment of vacant land or land used as a farm, garden or nursery, and not in immediate demand for building purposes. This section applies to land not held for purposes of sale, but *bona fide* inclosed and used as a paddock, park, lawn,

Railway Companies to transmit annual statements describing value of their real property to Clerk of municipality and shall be notified of the amount at which they are assessed.

33. Every Railway Company shall annually transmit to the Clerk of every Municipality in which any part of the road or other real property of the Company is situate, a statement describing the value of all the real property of the Company, other than the roadway, and also the actual value of land occupied by the road in the Municipality, according to the average value of land as rated on the roll for the previous year in the locality, and the Clerk shall communicate the same to the Assessor; and the Assessor shall deliver at or transmit by post to any station or office of the Company, a notice of the total amount at which he has assessed the real property of the Company in his Municipality or Ward, distinguishing the value of the land occupied by the road, and the value of the other real property of the Company, (ee) and the statement

garden or pleasure ground, used in connection with a residence or building; in which case the valuation is to be, not as for purposes of sale, but for the purpose for which the land is used, reference being had to its position and local advantages. This is to be done by assessing such land, with the residence or building, at a valuation which, at six per cent. per annum, would yield a sum equal to the annual rental which, in the judgment of the assessors, it is fairly and reasonably worth.

(ee) Duties are here thrown upon the Railway Company, the Clerk of the Municipality, and the Assessor.

The Railway Company must annually transmit to the Clerk of every municipality in which any part of the road or other real property of the Company is situate, a statement describing,

1. The value of all the real property of the Company, other than the roadway.
2. The actual value of land occupied by the road in the municipality, according to the average value of land as rated on the roll for the previous year in the locality.

The Clerk must communicate the foregoing notice to the Assessor.

The Assessor must deliver at, or transmit by post to, any station or office of the Company, a notice of the total amount at which he has assessed the real property of the Company in his municipality or ward, distinguishing the value of the land occupied by the road, and the value of the other real property of the Company.

It is only the land occupied by the road (not the superstructure) that is liable to assessment (*The Great Western Railway Company v. Rouse*, 15 U. C. Q. B. 168); and where the assessors illegally assessed the superstructure of a railway as well as the land occupied by it, it was held that the Company might defend an action as to the superstructure, although no appeal had been made to the Court of Revision, and although the whole was called land in the assessment. (*The Municipality of the Township of London v. The Great Western Railway Company*, 17 U. C. Q. B. 262.)

The assessment of the land must be according to the average value of land in the locality. (*Great Western Railway Company v. Ferman*, 8 U. C. C. P. 221.)

shall be held to be the statement required by the forty-sixth section, and the notice required by the forty-ninth section of this Act. (*f*)

NON RESIDENT LANDS.

34. As regards the lands of non-residents, who have not required their names to be entered by the Assessor, (*g*) the Assessors shall proceed as follows:

Land of non-residents, how to be designated and described on the Assessment Roll.

1. They shall insert such land in the Roll, separated from the other assessments, and shall head the same as "Non-residents' Land Assessments;" (*h*),

2. If the land be not known to be sub-divided into lots, it shall be designated by its boundaries or other intelligible description; (*i*)

3. If it be known to be sub-divided into lots, or be part of a tract known to be so sub-divided, the Assessors shall designate the whole tract in the manner prescribed with regard to undivided tracts and if they can obtain correct information of the sub-divisions they shall put down in the Roll, and in a first column, all the unoccupied lots, by their numbers and names alone and without the names of the owners, beginning at the lowest number and proceeding in numerical order to the highest; in a second column, and opposite to the number of each lot they shall set down the quantity of land therein liable to taxation; in a third column, and opposite to the quantity, they shall set down the value of such quantity, and if such quantity be a full lot it shall be sufficiently designated as such by its name or number, but if it be part of a lot, the part shall be designated in some other way whereby it may be known. (*j*)

If the land be known to be sub-divided into lots.

The statement from the Railway Company to the Municipality need not be in any particular form (*lb*); and the delivery of the statement by the assessor to the Company, of the amount at which he has assessed the real property of the Company, is necessary to enable the Company, if dissatisfied, to appeal, and essential to the binding effect of the assessment itself. (*The Municipality of the Township of London v. The Great Western Railway Company*, 16 U. C. Q. B. 500.)

(*f*) See secs. 46 and 49, and notes thereto.

(*g*) See note *m* to sec. 24.

(*h*) One roll is all that is now required. In the case of non-residents who have not required their names to be entered on the roll, the land only will be assessed "separated from the other assessments," under the head "Non-residents' Land Assessments."

(*i*) If the land be known to be sub-divided into lots, the sub-divisions should be entered in the roll. (Sub-sec. 3.) But if not known to be so sub-divided, the land must be designated by its boundaries or other intelligible description.

(*j*) Three columns are here made necessary on the non-resident lands part of the roll, showing:

If the quantity be a full lot, it shall be designated as such by its name or number. If a part of a lot, the part shall be designated in some other way whereby it may be known.

It must be borne in mind that the real estate of all railway companies is to be considered as the land of residents, although the company may not have an office in the municipality. (Sec. 7.)

(*k*) As to the meaning of "net personal property" or "net value of personal property," see note *f* to sub-sec. 20 of sec. 9 of this Act. No person deriving an income exceeding \$300 per annum from any trade, calling, office, profession or other source whatsoever, is to be assessed for a less sum as the amount of his net personal property. (Sec. 36.) But personal property under \$100, is exempt from taxation. (Sec. 9, sub-sec. 20.) So are annual incomes of \$300 and under. (Sec. 9, sub-sec. 21.)

(*l*) Annual incomes of \$300 and under are exempt from taxation. (Sec. 9, sub-sec. 21.)

(*m*) The income of a farmer derived from his farm, is exempt. (Sec. 9, sub-sec. 14.) So the stipend or salary of any minister of religion (sec. 9, sub-sec. 22) the official income of the Governor General (sec. 9, sub-sec. 11) the annual official salaries of the officers and servants of

(*n*)

37. The personal property of an Incorporated Company shall not be assessed against the Corporation, but each Shareholder shall be assessed for the value of the stock or shares held by him, as part of his personal property, unless such stock is exempted by this Act; (*o*) Provided always, that in Companies investing their means in Gas-Works, Water-works, Plank and Gravel Roads, Manufactories, Hotels, Railways and Tram Roads, Harbours or other works requiring the investment of the whole or principal part of the stock in real estate already assessed for the purpose of carrying on such business, the shareholders shall only be assessed on the income derived from such investment. (*n*) Net personal property is personal property, less certain debts (note *f* to sub-sec. 20 of sec. 9.) No one is to be assessed for a less sum as the amount of his net personal property than the amount of his income during the past year, and this without deduction by reason of any indebtedness "save such as shall equal the annual interest thereof." It is in another place provided that no abatement shall be made from the amount of income on account of debts due. (Sec. 61, sub-sec. 12.) The latter will probably be held to be the law.

(*o*) The stock held by any person in any chartered bank, so long as there is a special tax on bank issue (sec. 9, sub-sec. 16) and the stock held by any person in any railway company (sec. 9, sub-sec. 17) are exempt.

(*p*) Where there is real estate belonging to a company such as mentioned, the real estate is subject to taxation, and this being so it is only fair to assess a shareholder therein on the income, if any, derived from his investment.

As to partnerships having more than one business locality.

39. If a partnership has more than one place of business, each branch shall be assessed, as far as may be, in the locality where it is situate, for that portion of the personal property of the partnership which belongs to that particular branch; (*r*) and if this cannot be done, the partnership may elect at which of its places of business it will be assessed for the whole personal property, and shall be required to produce a certificate at each of the other places of business, of the amount of personal property assessed against it elsewhere. 40. Every person having a Farm, Shop, Factory, Office or other place of business, where he carries on a trade, profession or calling, shall for all personal property owned by him, wheresoever situate, be assessed in the Township, Village or Ward where he has such place of business at the time when the assessment is made. (*s*)

If the party has two or more places of business.

41. If he has two or more such places of business in different Municipalities or Wards, he shall be assessed at each for that portion of his personal property connected with the

one of the two places between which in summer it plied and at which all winter it was laid up. (*Ib.*) Where the whole of the partnership property is assessed at one place, no partner is there liable to be assessed for his share of the partnership property. But where the partnership has more than one branch of business, each branch shall be assessed in the locality where situate. (Sec. 39.)

(*r*) A steamboat is a species of personal property which can only be assessed as a whole, and although the boat may ply between two points in different counties, its business is not to be understood as consisting of several branches within the meaning of this section. (*In re Hatt*, 7 U. C. L. J. 103.)

(*rr*) If there can be an assessment at each of the branches, such assessment is to be made. And it is only when this cannot be done that the partnership may elect at which of its places of business it will be assessed for the whole personal property.

(*s*) If a person having personal property have no place of business, he shall be assessed at his place of residence. (Sec. 42.) The act requires that every person shall be assessed for personal property either at his place of business or place of residence. And if the persons assessed in respect of personal property had neither place of business nor place of residence within the municipality at the time of the assessment, the assessment cannot be upheld. (*In re Cartwright and the Corporation of the City of Kingston*, 6 U. C. L. J. 189; *In re Hepburn and Johnston*, 7 U. C. L. J. 46; *In re Yarwood*, 7 U. C. L. J. 47; *In re Ashworth*, 7 U. C. L. 42. If any person has no place of business he shall be assessed at his place of residence. (v) If the party has no place of business.

43. Personal property in the sole possession or under the sole control of any person as trustee, guardian, executor, or administrator, shall be assessed against such person alone. (w) In case of executors, &c.

In case of personal property owned or possessed by or under the control of more than one person resident in the Municipality or Ward, each shall be assessed for his share only; or if they hold in a representative character, then each shall be assessed for an equal portion only (x) Separate assessment of joint owners or possessors.

45. When a person is assessed as Trustee, Guardian, Executor, or Administrator, he shall be assessed as such with Parties assessed as trustees, &c.,

(t) It is provided by sec. 22 of this act that when any business is carried on by a person in two or more municipalities, the personal property belonging to such person shall be assessed in the municipality in which the personal property is situate. Here it is provided that under like circumstances the person assessable shall be assessed at each for that portion of his personal property connected with the business carried on thereat.

(u) Where an assessment cannot be made for a portion of the personal property connected with each branch, then the assessment shall be for one part at one, and part at another of his places of business.

(v) Business or residence in a municipality seems to be the governing point in the assessment of personal property. (Note s to sec. 40.) It is not necessary here to inquire into the reason for placing the assessment of personal property in the municipalities in Upper Canada on such a footing. It is possible, however, that the Legislature intended to place non-residents on a more favourable footing than residents in this respect, with a view of encouraging foreign capital into the Province, and as an inducement to non-residents to invest their money in public companies formed for local improvements and otherwise. (*In re Cartwright and the Corporation of the City of Kingston*, 6 U. C. L. J. 189.)

Further information.

46. It shall be the duty of every person assessable for real property in any local Municipality, (c) to give all necessary information to the Assessors, and if required by the Assessor or by one of the Assessors if there be more than one, he shall deliver to him a statement in writing, signed by such person (or by his agent, if the person himself be absent), containing all the particulars respecting the real property assessable against such person which are required in the Assessment Roll ; (d) and if any reasonable doubt be entertained by the Assessor of the correctness of any information given by the party applied to, the Assessor shall require from him such written statement. (e)

Statements given by parties not binding on assessors.

47. No such statement shall bind the Assessor, nor excuse him from making due enquiry to ascertain its correctness ; and notwithstanding the statement, the Assessor may assess such person for such amount of real property, as he believes to be just and correct, and may omit his name or any property which he claims to own or occupy, if the Assessor has reason to believe that he is not entitled to be placed on the Roll, or to be assessed for such property. (f)

(a) An administrator, though assessed in his own name for real property, is not entitled to qualify as a member of a Municipal Council on such real estate. (*The Queen ex rel. Stock v. Davis*, 3 U. C. L. J. 128.)

(b) And though persons be rated in a representative capacity, it seems that their own goods may be distrained for the taxes. (*Denison v. Henry*, 17 U. C. Q. B. 276.)

(c) This section would not apply where the person is assessable for personal property only.

(d) It is, under all circumstances, made the duty of the person assessable to give all necessary information to the assessors. But it is only his duty to deliver a statement when required by the assessor or assessors.

(e) No such statement, however, binds the assessor (sec. 47), nor does it excuse him from making due enquiry to ascertain its correctness.

(f) The assessor has a duty to perform, which is to prepare the roll, "after diligent enquiry." (Sec. 21.) The statement in the

Every Assessor, before the completion of his Roll, shall leave for every party named thereon, and resident or domiciled, or having a place of business within the City, Town, Village or Township, and shall transmit by post to every non-resident who shall have required his name to be entered thereon, and furnished his address to the Assessor, a notice of the sum at which his real and personal property has been assessed, according to schedule A. preceding section mentioned is intended as an aid to him, but not as an excuse for indolence. He is bound to make due enquiry to ascertain its correctness; and he may then assess the person for such amount of real property as he believes to be just and correct, or wholly omit the name of the person from the roll if not entitled to a place on it, or to be assessed for such property.

(*g*) The penalty of twenty dollars may be enforced in case of:—

1. Failure to deliver the written statement when required by the assessor.
2. Knowingly stating therein anything false.

The penalty may be recovered "on complaint of the assessor."

(*h*) The object of this notice is to enable the person for whom intended, if dissatisfied with the sum at which his real and personal property has been assessed, to appeal therefrom. Considered in this light, it is of great importance that it should be left or transmitted by post (as the case may be), according to the direction of the statute. If neglected, it would seem that the Municipal Corporation would not be in a position to enforce payment of the taxes, either by distress or action. (*The Municipality of the Township of London v. The Great Western Railway Company*, 16 U. C. Q. B. 500.)

(*i*) The duty of the assessors is to make and complete their rolls within the time limited for the purpose. It is of the utmost importance that public officers should fulfil their duties by the times limited in the

Assessment
roll to be
delivered up

51. Every Assessor shall deliver to the Clerk of the Municipality the Assessment Roll completed and added up,

act for the performance thereof. The whole machinery of municipal government assumes that certain things are done by certain days in the municipal year, so that other things may in their order follow. Municipal officers cannot, therefore regard provisions as to time with too much strictness. Neglect to do so is penal (sec. 176), and wilful omission is visited with severe consequences. (Sec. 179.) But if the thing required to be done within the time limited be not done, it does not follow that it cannot afterwards be done. It is, no doubt, important that it should be done within the time limited; but it is still more important that it *should be done*; and therefore if, owing to some uncontrollable circumstances, it is not done on the proper day, it ought, it is to be presumed, to be done on the next or some other day. (Per Pollock, C. B., in *Hunt v. Hibbs*, 5 H. & N. 126.) So far as the public interests are concerned, the act may be looked upon as directory. (*The King v. The Mayor of Norwich*, 1 B. & Ad. 310; *The Queen v. The Mayor of Rochester*, 5 El. & B. 710.) But so far as the officers whose duty it is made to do the things within a limited time, the act may be construed as imperative. (*Hunt v. Hibbs*, 5 H. & N. 126.)

(*j*) Not only is the thing to be done within a time limited, *i. e.*, "between the first day of February and such day, not later than the fifteenth day of April, as the Council of the Municipality appoints," but in a particular manner "certified and verified upon oath or affirmation in the form given." Neglect of any duty required of an assessor subjects him to criminal prosecution. (See note *i*.) When certified and verified as directed, it is the duty of the assessor to deliver the roll to the Clerk of the Municipality. (Sec. 51.)

(k) See sec. 50 and notes thereto.

(l) One object of the delivery of the roll to the Clerk, so far as this section is concerned, is that the same may be filed and open to the inspection of all the householders and freeholders resident or owning property in the Municipality. This is in order to enable the persons designated for themselves and of themselves to examine the roll, and if not found correct to appeal against the same in the manner directed and within the time limited for the purpose. (Sec. 61.)

(m) All courts are bounded and circumscribed by certain laws and stated rules, to which in all their proceedings and determinations they must square themselves. (Bacon's Abridgment, Courts, D. 1.) So inferior courts—such as Courts of Revision—are bounded in their original creation to matters within the jurisdiction for which they were created. (*Ib.* D. 4.) The jurisdiction of Courts of Revision is to “try all complaints in regard to persons being wrongfully placed upon or omitted from the roll, or being assessed at too high or too low a sum.” (Sec. 59.) Power is given to the court to summon witnesses, and to administer oaths to witnesses before giving their evidence. (Secs. 57, 58.) It is the duty of the court when a person appeals against an assessment, to decide the complaint either one way or the other. (*The Law Society of Upper Canada v. The Corporation of the City of Toronto*, 25 U. C. Q. B. 199.) Abstaining from decision is no determination of the matter of appeal. (Per Draper, C. J., *Ib.*) The person appealing is entitled to a decision on his appeal before he can be made liable to pay any taxes in respect of the assessment against which he appeals. Until decided, the assessment is, as it were, withdrawn from the assessment roll. (*Ib.* per Morrison, J.) Some act of the court would, it seems, be necessary before a decision could be said to be given. (*Ib.*) The dismissal of an application upon the making of it might be held a sufficient decision for the purposes of the act. (*In re Judge of the County Court of the County of Perth*, 12 U. C. C. P. 252.) All decisions should be made, and duties of the court in respect thereof performed, before 1st of June in each year. (Sec. 60.) But under special circumstances there may be appeals at other times—sometimes to the Court and sometimes to the Council. (See secs. 63, 65, and 124.)

(n) Township Councils consist only of five members (Municipal

- Penalty on witnesses who refuse to attend. **58.** If any Witness so summoned fails to attend (having been tendered compensation for his time at the rate of fifty cents a day), he shall incur a penalty not exceeding twenty dollars, to be recoverable, with costs, by and to the use of the Municipality, in any way in which penalties incurred under any By-law thereof may be recovered. Act, sec. 66, sub-sec. 5); but councils of other corporations may or may not have a greater number of members according to circumstances. (*Ib.* sec. 66, sub-secs. 1, 2, 3, and 4.) If only of five members, then such five constitute the Court of Revision. (Sec. 52.) If of more than five members, the Council must appoint five of its members to be the Court of Revision. (Sec. 53.) The number five is convenient, and three forms a quorum. (Sec. 54.)

(*o*) The court is made to consist of five members. (Secs. 52, 53.) But all need not be present. Three form a quorum, and "a majority of a quorum" may decide all questions before the court. So that if there be only three present, and of these one dissenting, two may decide all questions before the court.

(*p*) All the duties as Clerk of the Court are not here detailed. No doubt he would be subject to regulations made for his guidance by the court. But his principal duty is to record the proceedings of the court, and that duty is here expressed. He would not have power to administer an oath to a witness. (Sec. 57.)

(*q*) The power to adjourn is an implied power of every court. If adjourned *sine die*, it may be summoned to meet by the Head of the Municipality.

(*r*) A witness cannot be compelled to attend unless when summoned, paid, or tendered compensation, at the rate of fifty cents per day, (Sec. 58.) If he attend, the oath must be administered to him by the court or some member thereof. (Sec. 57.) The clerk does not appear to have power to administer the oath.

(*s*) The duty of a witness when summoned is to attend court. But that duty is not made compulsory unless when summoned he be paid

at the rate of fifty cents a day. This is intended as compensation for his time. When this has been done he is bound to attend, or submit to a penalty "not exceeding twenty dollars."

(*t*) The statutory jurisdiction of the court is here conferred. The court cannot exceed it. (See note *m* to sec. 52.) It is one with a limited authority created for particular purposes, viz., to try all complaints in regard to persons—

1. Wrongfully placed upon the roll.
2. Unlawfully omitted from the roll.
3. Assessed at too high a sum.
4. Assessed at too low a sum.

(*u*) So far as the court is concerned, this section would appear to be imperative. But so far as the public is concerned, it may be held to be only directory. (See note *i* to sec. 50.) Where an act is required to be done for the public good, and there has been a wrongful omission to do it, and a serious inconvenience will arise from its not being done, a superior court of law has the power of ordering it to be done under the prerogative writ of mandamus. (Per Lord Campbell, C. J., in *The Queen v. The Mayor and Assessors of Rochester*, 7 El. & B. 924.) Of this we have a well known instance in *The King v. Sparrow*, 2 Str. 1123, where Overseers of the Poor not having been appointed for a parish as the statute requires, "in Easter week or within one month after Easter," a mandamus was granted after the expiration of that time to Justices to appoint Overseers of the Parish, and the appointment having been made was adjudged to be valid. This decision has been frequently recognized and acted upon. There can be no doubt that for the public good, and to effectuate the intention of the Legislature, the revision, though the 1st June have passed without it, ought still to take place. The proper course would probably be to apply for a mandamus to the head of the Council to summon a Court to meet, under the authority given him by sec. 56, with a view to hear and determine the matters complained of, due notices being first given to the respective parties. (Per Morrison, J., in *The Queen v. The Court of Revision of Cornwall*, 25 U. C. Q. B. 292.) Possibly the writ might be directed to the Court, or members composing it; for though not a corporation, they constitute, as it were, a standing and perpetual tribunal within the municipality. (Per Lord Campbell, C. J., in *The Queen v. The Mayor and Assessors of Rochester*, 7 El. & B. 925.) The court may, at its option, after the first of June, receive and decide upon the petition from any person assessed for a tenement which has remained vacant during more than three months in the year for which the assessment has been made, or from any per

61. The proceedings for the trial of complaints shall be as follows: (a)

1. Any person complaining of an error or omission in regard to himself, as having been wrongfully inserted on or omitted from the Roll, or as having been undercharged or overcharged by the Assessor in the Roll, may, personally or by his agent, within fourteen days after the time fixed for the return of the Roll, give notice in writing to the Clerk of the Municipality, that he considers himself aggrieved for any or all of the causes aforesaid; (b)

2. If a Municipal elector thinks that any person has been assessed too low or too high, or has been wrongfully inserted on or omitted from the Roll, the Clerk shall, on his request in writing, give notice to such person and to the Assessor, of the time when the matter will be tried by the Court, and the

son who declares himself, from sickness or extreme poverty, unable to pay the taxes, or who, by reason of any gross or manifest error on the roll as finally passed by the court, has been overcharged more than twenty-five per cent. on the sum he ought to be charged. (Sec. 63.)

(a) The procedure directed by the statute should be strictly followed. (*The Queen v. The Court of Revision of the Town of Cornwall*, 25 U. C. Q. B. 286.)

(b) Every assessor before the completion of his roll, and therefore before the return of it, must leave for every party named therein and resident or domiciled or having a place of business within the municipality, and transmit by post to every non-resident who shall have requested his name to be entered thereon and furnished his address to the assessor, a notice of the sum at which his real and personal property has been assessed. (Sec. 49.) If upon inspection of it the person assessed finds, in regard to himself, an error or omission of the description mentioned in this sub-section, he must within fourteen days after the time fixed for the return of the roll (see sec. 50) give notice thereof in writing to the Clerk of the municipality, that he considers himself aggrieved for any or all of the causes mentioned in this sub-section. If the notice required by sec. 49 has not been served upon him, his assessment might be held invalid. (*The Municipality of the Township of London v. The Great Western Railway Company*, 16 U. C. Q. B. 500.) But if the notice be served and he either omit to appeal within the time herein limited, or wholly omit to do so, the assessment would bind him. (*McCarrall v. Watkins*, 19 U. C. Q. B. 248.) In the case of palpable errors needing correction, the Court may extend the time for making the complaints ten days further. (Sub-sec. 4.) The Court may without notice receive and decide upon the petition from any person assessed for a tenement which has remained vacant during more than three months in the year, for which the assessment has been made, or from any person who declares himself from sickness or extreme poverty, unable to pay his taxes, or who by reason of any gross or manifest error in the roll, has been overcharged more than twenty-five per cent. on the sum he ought to be charged. (Sec. 63.)

matter shall be decided in the same manner as complaints by a person assessed; (c)

3. The Clerk of the Court shall post up in some convenient and public place within the Municipality or Ward, a list of all complainants on their own behalf against the Assessors' return, and of all complainants on account of the assessment of other persons, stating the names of each, with a concise description of the matter complained against, together with an announcement of the time when the Court will be held to hear the complaints; but no alteration shall be made in the Roll, unless under a complaint formally made according to the above provisions; (d)

Clerk to give notice by posting up list.

4. When it shall appear that there are palpable errors, which need correction, the Court may extend the time for making complaints ten days further, and may then meet and determine the additional matter complained of, and the Assessor may for such purpose be the complainant; (e)

Extension of time for complaints.

(c) Persons assessed may not only, under the preceding sub-section, complain of errors or omissions in regard to themselves, but under this sub-section any municipal elector thinking that any person has been assessed too high or too low, may make a complaint, in which event, he the complainant should in writing request the Clerk to notify the person complained against, and the assessor, of the time when the matter will be tried by the Court, and it will be the duty of the Clerk to do as requested.

(d) The list should give:

1. The names of all complainants on their own behalf, against the assessor's return.
2. The names of all complainants on account of the assessment of others.
3. A concise description of the matter complained against.

Together with an announcement of the time when the Court will be held to hear the complaints. (See sub-sec. 5 as to form of list.) It is also the duty of the Clerk to advertise in a newspaper the time at which the Court will hold its first sitting (sub-sec. 6), and cause to be left at the residence of the assessor a list of all the complaints respecting his roll (sub-sec. 7) and notify each person in respect of whom a complaint has been made (sub-secs. 7, 8, 9, 10) all which must be at least six days before the sitting of the Court. (Sub-sec. 11.)

(e) Ordinary complaints should be made "within fourteen days after the time fixed for the return of the roll." (Sub-sec. 1.) But as regards "*palpable* errors which *need* correction," the Court may under this sub-section, extend the time ten days further. For such purposes the assessor may be complainant. If complaints be made the Court may, pursuant to the adjournment, meet and determine the additional matter complained of.

If the person intended to be notified, reside or have a place of business in the municipality, it will be sufficient if the notice be left at his residence or place of business. If a non-resident, it will be sufficient to address the notice to him through the post office. (Sub-sec. 10.) If not known, the notice may be left with some grown person on the assessed premises. (Sub-sec. 10.)

(*k*) See preceding note.

(*l*) Where a statute says a thing shall be “so many days at least,” before a given event, the day of the thing done and that of the event, must be both excluded in the computation of the time. (*The King v. The Justices of Shropshire*, 8 A. & E. 173.) If no proper or sufficient notice have been given, the parties by appearing to object to the want or sufficiency of the notice, do not waive the objection. (*The Queen v. The Corporation of the Town of Cornwall*, 25 U. C. Q. B. 286.) The neglect or failure of the Clerk to give the notices made necessary by this section, may have the effect of preventing complaints from being heard. (*Ib.*)

(*m*) Net personal property is personal property, less certain debts. (note *f* to sub-sec. 20 of sec. 9.) No one is to be assessed for a less sum as the amount of his personal property than the amount of his income during the past year, and this without deduction by reason of

Wilfully false declaration to be perjury taxable income, as is specified in the declaration, and no more; and if any party makes a wilfully false statement in any such declaration, he shall be guilty of a misdemeanor, and shall be punished as for perjury;

In other cases the Court to determine, &c. 13. In other cases the Court after hearing upon oath the complainant and the Assessor or Assessors and any witness adduced, shall determine the matter and confirm or amend the Roll accordingly; (*n*)

When to proceed *ex parte*. 14. If either party fails to appear, either in person or by an agent, the Court may proceed *ex parte*. (*o*)

The roll as finally passed to bind all parties. **62.** The Roll as finally passed by the Court, and certified by the Clerk, as so passed, shall be valid and bind all parties concerned, notwithstanding any defect or error committed in or with regard to such Roll, (*p*) except in so far as the same

any indebtedness, "save such as shall equal the annual interest thereof." (Sec. 36.) Here it is declared that *no abatement* shall be made from the amount of income on account of debts due. The two enactments are inconsistent, and the latter will probably be held to prevail. But the form of oath has not been altered to meet the altered state of the law in this respect.

The value of personal property, less such debts as may be deducted, or amount of income without deduction for debts, if the assessment be disputed, must be *determined* by the declaration of the party complaining. In other cases the court has a discretion, after hearing all the evidence, to decide according to the best of their judgment. (Subsec. 13.) But in cases under this sub-section, the court is bound by the declaration of the party complaining. When the declaration is made, it is the duty of the court, without further inquiry, to enter the person complaining "at such an amount of personal property or taxable income as is specified in the declaration, *and no more*." If the declaration be wilfully false, the remedy under the sub-section is a criminal prosecution for an offence in the nature of perjury. The declaration may be made by an agent.

(*n*) In ordinary cases the court, like all other courts, hears all the evidence adduced bearing upon the subject of inquiry, and then upon the whole case determines the matter of inquiry. The only exception to this rule, as regards Courts of Revision, is pointed out in the preceding note.

(*o*) It should be the duty of the court, before proceeding *ex parte* under this section, to ascertain whether or not due notice has been given to the respective parties. (Per Morrison, J., in *The Queen v. The Court of Revision of the Corporation of the Town of Cornwall*, 25 U. C. Q. B. 292.) If the notices be insufficient, the *ex parte* proceedings of the court would probably be held null and void. (*Ib.*)

(*p*) The roll, though passed by the Court, &c., is not binding on the parties where the assessment is wholly illegal. (*The Municipality of London v. The Great Western Railway Company*, 17 U. C. Q. B. 264; *Shaw v. Shaw*, 12 U. C. C. P. 459; *The Municipality of Berlin v. Grange*,

The Court shall also, before or after the first day of June, (r) and with or without notice, (s) receive and decide upon the Petition from any person assessed for a tenement which has remained vacant during more than three months in the year for which the assessment has been made, or from any person who declares himself, from sickness or extreme poverty, unable to pay the taxes, or who, by reason of any gross and manifest error in the Roll as finally passed by the Court, has been overcharged more than twenty-five per cent. on the sum he ought to be charged, (u) and the Court may, subject

Further powers granted to Court of Revision for remitting or reducing taxes.

¹ Er. & Ap. 285; see further, *McCarroll v. Watkins*, 19 U. C. Q. B. 248.) If people were obliged to submit to an arbitrary mode of making the assessment, and so compelled to go to the Court of Revision for redress, rather than take the opinion of the law courts upon the illegal act of the assessor, it might lead to great inconvenience and hardship, besides holding the door open to injustice being perpetrated by assessors (per Burns, J., in *The Municipality of London v. The Great Western Railway Company*, 17 U. C. Q. B. 266; see also *The Law Society of Upper Canada v. The Corporation of the City of Toronto*, 25 U. C. Q. B. 199.) Nor would the decision of the County Judge, it seems, be binding in the cases of illegal assessment. (*Great Western Railway Company v. Rouse*, 15 U. C. Q. B. 168; *Sed qu.* see sec. 70.) The County Judge, on an appeal from the Court of Revision, confirmed the value of the station house of the defendants, subject to the question, whether the same could be assessed in addition to the land, leaving this for the determination of a higher court. *Held*, that this was in effect a confirmation of the assessment, there being no provision for a review. (*City of Toronto v. G. W. Railway Co.*, 25 U. C. Q. B. 570.) The roll in other cases, as finally passed, &c., is declared valid and binding on all parties concerned, notwithstanding any defect or error committed in or with regard to such roll. But if afterwards gross and manifest error be alleged resulting in an overcharge of more than twenty-five per cent., the Court may at any time receive and decide upon the petition of the party aggrieved. (Sec. 63.)

(q) The Court of Queen's Bench refused to interfere by mandamus, to compel a municipal council to alter the assessment of applicants property as settled on appeal by a Court of Revision. (*In re Dickson and the Municipal Council of the Village of Galt*, 10 U. C. Q. B. 395.)

(r) It is the duty of the Court in ordinary cases, to complete their duties before the first of June in each year. (Sec. 60.)

(s) In ordinary cases there must be notice in writing given within fourteen days after the time fixed for the return of the roll. (Sec. 61, sub-sec. 1.)

The mode of procedure pointed out is by petition, and it is apprehended, it is the only proper mode of procedure in cases falling within this section.

(u) The classes of persons entitled to avail themselves of the provisions of this section, are three, viz.:

64. If a person be dissatisfied (a) with the decision of the Court of Revision, (b) he may appeal therefrom, (c) in which case—

1. He shall within three days after the decision, in person or by Attorney or Agent, serve upon the Clerk a written notice of his intention to appeal to the County Judge in Counties, and in Cities to the Recorder; (d)

1. A person assessed for a tenement which has remained vacant during more than three months in the year for which the assessment has been made.
2. A person who declares himself, from sickness or extreme poverty, unable to pay the taxes.
3. A person who by reason of any gross and manifest error in the roll, as finally passed by the Court, has been overcharged more than twenty-five per cent., on the sum he ought to be charged.

(v) The Court is bound to receive and decide upon the petition of a person coming within the meaning of this section. (See note *m* to sec. 52.) The decision may be either for the remission or reduction of the taxes, or for rejection of the petition (see *In re Judge of the County Court of the County of Perth*, 12 U. C. C. P. 252) subject always to the provisions of any by-law in this behalf, passed by the Municipal Council.

(a) The person entitled to appeal is the party dissatisfied. If before his appeal he in any way sanction what has taken place, he may be held to have precluded himself from the appeal. (See *Harrip v. Bayley*, 6 El. & B. 218; *In re Justices of the United Counties of York and Peel*, 13 U. C. C. P. 159.) In a doubtful case he should not be deprived of his right of appeal. (*Ib.*)

(b) The appeal given is from "the decision of the Court of Revision." As to what is or is not a decision of the Court of Revision, see note *m* to sec. 52.

(c) The right of appeal is given subject to the regulations herein provided, and unless the regulations be complied with the right of appeal cannot be exercised. (See *In re Wilson and the Quarter Sessions of Huron and Bruce*, 23 U. C. Q. B. 301; *In re Meyers and Wonnacott*, *Ib.* 611; *In re Tozer and Preston*, *Ib.* 310; *In re Pentland v. Heath*, 24 U. C. Q. B. 464; *McLellan v. McLellan*, 2 U. C. L. J., N. S., 297.) The only security required against the costs of the appeal is the deposit of the sum of two dollars for each party appealed against. (Sub-sec. 3.)

(d) All such appeals were formerly to the County Judge. Now in cities and counties, for municipal purposes and for certain judicial purposes (Municipal Act, sec. 356), appeals in cities are very properly

The party appealing shall, at the same time and in like manner, give a written notice of his appeal to the Clerk of the Division Court or of the Recorder's Court (as the case may be) for the District or Division within the limits of which the Municipality is situated, and shall deposit with him the sum of two dollars for each party appealed against as security for the costs of the appeal; (*f*)

The Clerk of the Division Court or of the Recorder's Court (as the case may be) shall cause a conspicuous notice to be posted up at the office of such Court, containing the names of all the appellants and the parties appealed against, together with the date at which a Court will be held to hear the appeal; (*h*)

Unless the person dissatisfied with the decision of the Court of Revision—

1. Within three days after the decision, in person or by attorney or agent, serve upon the Clerk a written notice of his intention to appeal.
2. At the same time and in like manner give a written notice of his appeal to the Clerk of the Division Court or Clerk of the Recorder's Court (as the case may be) for the district or division within the limits of which the municipality is situated.
3. Deposit with the last-mentioned clerk the sum of two dollars for each party appealed against, as security for the costs of the appeal—

there can be no appeal under this section. (See note *c*, *ante*.)

(*e*) See sec. 61, sub-secs. 3, 5, 6, 7, 8, 9, 10 & 11; and sub-sec. 5 of the section here annotated.

(*f*) The Clerk of the City Council may be the Clerk of the Recorder's Court. (Municipal Act, sec. 374.) Had the direction been simply for giving one notice and depositing the money in every case with the Clerk of the Division Court within the limits of which the municipality is situated, there would have been more consistency and less confusion in the working of this sub-section.

(*g*) The Judge or Recorder (as the case may be) is only bound to appoint a day for the hearing of the appeal when all the foregoing preliminaries have been complied with. Then, and not till then, is there jurisdiction to hear the appeal.

(*h*) See note *c*, *ante*.

Appeals with
respect to
non-resident
lands.

65. In case any non-resident, whose land, within the limits of any Town, incorporated Village, or Township, has been or shall be assessed in any revised and corrected Assessment Roll, (*j*) complains by petition to the proper Municipal Council, (*k*) at any time before the first day of May in the year next following that in which the assessment is made, (*l*) such Council shall, at its first meeting, after one week's notice to the appellant, try and decide upon such complaint. (*m*) All decisions of Municipal Councils under this Act may be appealed from, tried and decided, as provided by the sixty-first section of this Act; (*n*) and if the lands shall be found to have been assessed twenty-five per cent. higher than similar land belonging to residents, the Council, Judge or Recorder shall order the taxes rated on such excess to be struck off. (*o*) In all such cases, where the land has been sub-divided into

(*i*) See note *u* to sec. 60.

(*j*) This section probably has reference only to non-residents whose names are not on the roll, and who would therefore not receive the notice made necessary by section 49 of this act, and who would not have any notice of the day on which the roll would be returned, so as to appeal within fourteen days after its return, as required by sec. 61, sub-sec. 1.

(*k*) *i. e.*, To the Municipal Council of the local municipality within which the land is situate.

(*l*) The first provision, similar to this, in aid of non-residents, enabled the dissatisfied non-resident to petition "at any time before the taxes so assessed have been paid or collected." (24 Vic. cap. 38, s. 3.) This was found to interfere so materially with the collection of taxes on non-resident land, that the law was amended by substituting for the words above quoted, the words "at any time before the first day of May in the year next following that in which the assessment is made;" (27 Vic. cap. 19, sec. 8) and such is the limitation in this act provided.

(*m*) The whole Council, whether town, incorporated village or township, and not five members only, as provided by secs. 52, 53, is here constituted a Court for the trial of the complaint.

(*n*) Appeals to the County Judge are given by the 64th section, to which no reference is here made, and yet appeals to the Judge are evidently intended.

(*o*) What the Recorder can have to do with appeals under this section, it is difficult to imagine; for it will be observed that the section in its commencement is confined to towns, incorporated villages and townships, and makes no mention of cities.

park, village or town lots, if the same are owned by the same person or persons, the statute labour tax shall be charged only upon the aggregate of the assessment, according to the provisions of this Act; (*p*) but no Roll shall be amended under this section of this Act if the complaint was tried and decided before such Roll was finally revised and corrected, under the provisions of the sixteenth, sixty-first, sixty-second and sixty-third sections of this Act. (*q*) This clause shall not affect the right of appeal against the assessment made prior to the year one thousand eight hundred and sixty-six, at any time before the land in question shall have been sold for taxes. If such lands should, during such appeal, be advertised for sale, the land shall be charged with all costs incurred, but no appeal shall be made after the issue of a warrant by the Treasurer or Chamberlain for the collection of taxes. At the Court to be holden by the County Judge, Recorder or acting Judge of the Court, to hear the appeals hereinbefore provided for, (*s*) the person having the charge of the Assessment Roll passed by the Court of Revision, shall appear and produce such Roll, and all papers and writings in his custody connected with the matter of appeal; (*t*) and such Roll shall be altered and amended according to the decision of the Judge (if then given), who shall write his initials against any part of the said Roll in which any mistake, error or omission is corrected or supplied, (*u*) or if the said Roll be not then produced, or the decision be not then given by the Judge,

(*p*) The rule is to *charge* the commutation tax for statute labour against every separate lot or parcel, according to its assessed value. (Sec. 89.) But if at any time before the 1st May, in the year next after the assessment, the owner of non-resident lands gives in writing to the County Treasurer a list of the lands owned by him in the municipality, and tenders to him the taxes in full on such lands, and the just commutation money, he is *made liable* to the commutation for statute labour *only* on the aggregate value of all the lands owned by him in the municipality. (Sec. 90.) It is here provided that where the land has been sub-divided into park, village or town lots, the statute labour tax be *charged* only upon the aggregate of the assessment, according to the provisions of this act.

In all proceedings before the County Judge, Recorder or acting Judge of the Court, under or for the purposes of this Act, such Judge or Recorder shall possess all such powers for compelling the attendance of and for the examination on oath of all parties, whether claiming or objecting or objected to, and all other persons whatsoever, and for the production of books, papers, rolls and documents, and for the enforcement of his orders, decisions and judgments, as belong to or might be exercised by him, either in term time or vacation, in the same Court, in relation to any matter or suit depending in the said Court. 68. The cost of any proceeding before the Judge as aforesaid, shall be paid by or apportioned between the parties, in such manner as the Judge shall think fit, (*b*) and costs ordered to be paid by any party claiming or objecting or objected to, or by any Assessor, Clerk of a Municipality, or other person, may be enforced by execution from the said Court, in the same manner as upon any ordinary judgment recovered in such Court. (*c*)

(*v*) The order to amend is not the amendment. The latter, to be effectually made, should be actually made; and this is what is contemplated in the first part of the section, in the production of the roll, and in the latter part by the certificate to the Clerk, and alteration of the roll by the Clerk. (See also sec. 70.)

(*a*) The powers enumerated are,

1. For compelling the attendance of and for the examination on oath of all parties, whether claiming or objecting, or objected to, and all other persons whatsoever.
2. For the production of books, papers, rolls and documents.
3. For the enforcement of orders, decisions and judgments.

And these may be exercised, as exercised by the Judge or Recorder, either in term or vacation, in his Court, in relation to any matter or suit depending therein.

(*b*) The Court of Queen's Bench in England held that, although it had no jurisdiction to decide an appeal from an inferior tribunal, yet it had jurisdiction to entertain the appeal so far as to examine whether it had jurisdiction, and to give costs to the respondent, who was taken to the Court without his fault. (*Carr v. Stringer*, 1 E. B. & E. 123; see further, as to costs, note *g* to sub-sec. 16 of sec. 131 of the Municipal Act, p. 107 of this work.)

COUNTY COUNCILS.

72. The Council of every county shall, yearly, before imposing any county rate, and not later than the first day of July, (*j*) examine the Assessment Rolls of the different townships, towns and villages in the county, for the preceding financial year, for the purpose of ascertaining whether the valuation made by the Assessors in each township, town or village, for the current year, bears a just relation to the valuation so made in all such townships, towns and villages, and may for the purpose of county rates, increase or decrease the aggregate valuations of real and personal property in any township, town or village, adding or deducting so much per cent. as may, in their opinion, be necessary to produce a just relation between all the valuations of real and personal estate in the county, but they shall not reduce the aggregate valuation thereof for the whole county as made by the Assessors. (*k*) It is made the duty of the County Council, yearly:

To examine the assessment rolls of the different townships, towns and villages in the county, for the preceding financial year, for the purpose of ascertaining whether the valuation made by the assessors, in each township, town or village for the current year, bears a just relation to the valuation so made in all the townships, towns and villages.

73. If the Clerk of any Municipality has neglected to transmit a certified copy of the Assessment Rolls, such neglect shall not prevent the County Council from equalizing the

And for the purpose of county rates, power is given:

To increase or decrease the aggregate valuations of real and personal property in any township, town or village, adding or deducting so much per cent. as may, *in their opinion*, be necessary to produce a just relation between all the valuations of real and personal property in the county.

But *they shall not reduce* the aggregate valuation thereof for the whole county, as made by assessors.

Valuation of property, real or personal, is, to a great extent, a matter of opinion. (See note *a* to sec. 30.) Some men are more sanguine than others, and therefore more likely looking to the future to make a higher estimate of present value than those who are less sanguine. Some men in their inquiries into a subject matter of investigation are more careless than others, and so more likely to take things for granted than others. These and similar considerations influencing assessors acting independently of each other, in different local municipalities, often produce very dissimilar results even in adjoining municipalities. But so far as the county is concerned for the purpose of county rates, a just relation is needed in order that the rate levied may bear as nearly as possible, equally on all the local municipalities in the county. In order to bring this about, when inequality is found, a power to increase or decrease the aggregate valuations of taxable property in the local municipalities of the county, so long as the whole aggregate valuation of the county is not reduced, must be exercised by some body having authority over the whole of the local municipalities, and that body is the County Council.

The Legislature has not attempted to prescribe by what method of proceeding the local municipalities shall be made to bear a just relation to each other. It could hardly have succeeded in any attempt to do so. That must of necessity be left to the judgment of those who are to conduct the operation, and who by reason of their local knowledge are best qualified to do so. (Per Robinson, C. J., in *Gibson v. The Corporation of the United Counties of Huron and Bruce*, 20 U. C. Q. B. 119.) We may suppose the Council fixing upon some one township or town in the first place, as that in which the value appears to have been assigned with the strictest regard to truth and justice, and then having selected such a standard, we may suppose them taking up each township, town, &c., and adjusting the valuation by such standard. In doing this, the members of the Council must of necessity be governed by their own judgment, and could not in the nature of things have any rule given to them by which they could arrive at any particular result. It must be entirely a matter of opinion whether, if land cleared or uncleared in township A. is valued at such a sum per acre, land in township B. ought to be valued at any and what other sum per acre. But when the Council shall have adopted the proportional value which land in one township bears to land in another, and shall have compared them all by some standard, then they must ascertain and express how much per cent. must be added or deducted from the assessment in each local municipality, to make them all bear just relation to each other. This is not given as a rule or method of pro-

valuations in the several Municipalities, according to the best information obtainable; (l) and any rate imposed according

ceeding that can guide or assist the Council in adjusting the relation between the different local municipalities, but as a method by which they are to express to the collectors the effect of the relation they have established, as leading to an addition or deduction of so much per cent. to or from the assessment of each individual, according as they have found the assessment that has been made in the particular local municipality too high or too low, as compared with the standard by which they have resolved to abide. This direction to the collector makes his duty afterwards simple and precise. But the business of the Council in equalizing the assessments, is not one that can be accomplished by any arithmetical calculation. No two bodies of men, any more than any two individuals, could be expected to arrive at the same conclusions, if they attempted to make the adjustment independently of each other. The Legislature has not attempted to instruct the Council how they are to proceed in order to do equal justice. It has done the best it could in committing the duty to them on general terms of equalizing the assessments, so as to produce a just relation, but have necessarily left it to them, as best they can, to work out the problem. It is a thing more easily talked of than done.

It is not for a court of law to interfere as regards the reasonableness of the valuations and the conclusions to be come to on that point by comparing the value set upon land in one municipality, with the value set upon land in another. It is not for a Court to judge of that. Even if it were, there are various circumstances to be taken into consideration, as bearing upon the question of computation and value, of which a Court has not the means of judging, for want of that local knowledge which the members of the County Council chosen by the people themselves, must be supposed to possess, and doubtless do possess. It is not merely the fact that one township has been long settled and another not so long, that should alone influence the judgment in making the comparison, nor yet the number of inhabitants, though these are circumstances that would naturally be taken into consideration. Quality of soil and of timber, abundance or scarcity of water, distance from market, and the description of inhabitants, as well as their numbers, are matters that require to be considered in comparing one township with another, and when these and all other matters have been considered, the conclusions to which they lead are to be formed by the Council, and not by a court of law.

But so far as the Legislature has assumed to prescribe rules for the guidance of a municipal body, in the discharge of any duty or exercise of any power, such body must, beyond doubt or question, conform to the rules. And if the Council, where rules have been prescribed for their action, were to go contrary to the rules or in any way violate them, the Court, if this were clearly made out, would interfere by writ of mandamus (*The Queen v. The Commissioners of the Land Tax for Tower Division of Middlesex*, 2 El. & B. 694) and the act itself might be held illegal in any proceeding in which its legality would come in question. (*The Corporation of the County of Lincoln v. The Corporation of the Town of Niagara*, 25 U. C. Q. B. 578.)

(l) It would never do if the neglect of a clerk of one local municipality to transmit a certified copy of his roll were to have the effect

Valuators to attest their report on oath.

74. In cases where valuator are appointed by the Council to value all the real and personal property within the County, (*n*) they shall attest their report by oath or affirmation, in the same manner as Assessors are required to verify their Rolls, by the one hundred and thirteenth section of this Act. (*o*)

The Apportionment of County rates to be based upon the assessment rolls of preceding year.

75. The Council of a County, in apportioning a County Rate among the different Townships, Towns and Villages within the County, shall, in order that the same may be assessed equally on the whole ratable property of the County, make the amount of property returned on the Assessment Rolls of such Townships, Towns and Villages, or reported by the Valuator as finally revised and equalized for the preceding year, the basis upon which the apportionment is made. (*p*)

of delaying the entire proceedings of the County Council, with a view to equalization of assessment, especially as it is provided that the equalization is to be made "not later than the first day of July. (Sec. 72.) The only remedy is that provided, viz., to proceed to equalize, notwithstanding the absence of a particular roll or rolls. (See note *k* to the preceding section.)

(*m*) The Council, before imposing a county rate, must equalize the rolls as already mentioned. (Sec. 72.) If empowered to equalize in the absence of some roll or rolls, it follows that the rate imposed on the rolls so equalized must be deemed valid.

(*n*) The proper valuator of property, real and personal, in the different local municipalities, are the assessors. But as these, in the several local municipalities, act independently of each other, and as men perhaps differ more widely on the value of property than other matters of opinion, the results, so far as the whole county is concerned, are anything but equal or uniform. But before a county rate can be imposed, the valuations in the different local municipalities must be equalized so as to bear a just relation to each other. (Sec. 72.) Such equalization has hitherto been effected through the members of the County Council themselves using their local knowledge in order to arrive at as correct a judgment as possible. This section appears to be designed as an aid to them in the exercise of that judgment. It is not declared that the valuation of the County Valuator shall be binding on the Council, or their judgment in any way made a substitute for the judgment of the members of the County Council, on whom devolves the duty of making the equalization so as to produce a just relation.

(*o*) See sec. 113 and notes thereto.

(*p*) It is by sec. 72 declared that the County Council, *before imposing* any rate, and not later than the first day of July, shall examine the

76. If a new Municipality be erected within a County, so that there are no Assessment or Valuator Rolls of the new Municipality for the next preceding year, the County Council shall, by examining the Rolls of the former Municipality or Municipalities of which the new Municipality then formed part, ascertain to the best of their judgment what part of the Assessment of the Municipality or Municipalities had relation to the new Municipality, and what part should continue to be accounted as the Assessment of the original Municipality, and their several shares of the County Tax shall be apportioned between them accordingly. rolls of the several local municipalities, in order to equalize them for the current year, so as to bear a just relation to each other. Here it is declared that in *apportioning* a county rate among the different local municipalities the amount of property returned on the rolls or reported by the valutors as finally revised and equalized for the preceding year, shall be the basis of apportionment. (See *McCormick v. Oakley*, 17 U. C. Q. B. 345.)

(*g*) The apportionment of a county rate must be on the basis of the rolls as finally revised and equalized for the preceding financial year. (Sec. 75.) In the case of a new municipality erected during the current year, it is plain there can be no such roll. But in order that the direction of the statute may be as nearly as possible under the circumstances carried out, it is made the duty of the County Council, by examining the rolls of the former municipality or municipalities of which the new municipality formed a part, to ascertain to the best of their judgment—

1. *What part* of the assessment of the municipality or municipalities had relation to the new municipality;
2. And *what part* should continue to be accounted as one assessment of the original municipality,

So as to apportion between them "their several shares of the county tax."

(*r*) The sum to be levied may be either for county purposes or for the purposes of a particular locality in the county. If the former, the rate must be levied as nearly as possible equally on each local municipality in the county. (*Tylee v. The Municipality of Waterloo*, 9 U. C. Q. B. 575.) If the latter, it may be levied in the particular locality, without reference to other localities in the county. The levy is to be made by means of the local machinery, upon a certificate from the Clerk of the County Council, stating the amount and the purpose. (Sec. 78.)

But the Council of any Township, by a By-law operating generally and ratably, may reduce or increase the number of days' labour to which all the parties rated on the Assessment Roll or otherwise shall be respectively liable, so that the number of days' labour to which each person is liable shall be in proportion to the amount at which he is assessed; in Town.

ships where farm lots have been sub-divided into park or village lots, and the owners are not resident and have not required their names to be entered on the Assessment Roll, the statute labour shall be commuted by the Township Clerk in making out the list required under the ninety-third section of this Act when such lots are under the value of two hundred dollars, to a rate not exceeding one half per cent. on the valuation, but the Council may direct a less rate to be imposed by a general By-law affecting such village lots. (*e*)

Commutation may be at one dollar per day.

85. The Council of any Township may by By-law direct that a sum not exceeding one dollar a day shall be paid as commutation of statute labour, in which case the commutation tax shall be added in a separate column in the Collector's Roll, and shall be collected and accounted for like other taxes. (*f*)

Commutation may be fixed at any sum not exceeding one dollar.

86. Any local Municipal Council may, by a By-law passed for that purpose, fix the rate at which parties may commute their statute labour, at any sum not exceeding one dollar for each day's labour, and the sum so fixed shall apply equally to residents who are subject to statute labour, and to non-residents in respect to their property. (*g*)

If no by-law, commutation to be at fifty cents.

87. Where no such by-law has been passed, the statute labour in the Townships in respect of lands of non-residents shall be commuted at the rate of fifty cents for each day's labour. (*h*)

Payment of tax in lieu of statute labour may be enforced by distress or imprisonment.

88. Any person liable to pay the sum named in the eighty-fifth section of this Act, shall pay the same to the Collector to be appointed to collect the same within two days after demand thereof by the said Collector; and in case of neglect or refusal to pay the same, the Collector may levy the same by distress of his goods and chattels, with costs of the distress, and if no sufficient distress can be found, then upon summary conviction before a Justice of the Peace of the County in which the local Municipality is situate, of his refusal or neglect to pay the said sum, and of there being no sufficient distress, he shall incur a penalty of five dollars with costs, and in default of payment at such time as the convicting Justice shall order, shall be committed to the Common Gaol of the County, and

89. No non-resident who has not required his name to be entered on the Roll, shall be admitted to perform statute labour in respect of any land owned by him, but a commutation tax shall be charged against every separate lot or parcel according to its assessed value. (*j*)

Non-residents, when not admitted to perform statute labour.

90. In case any non-resident, whose name has been entered on the resident roll, does not perform his statute labour or pay commutation for the same, the Overseer of the highways in whose division he is placed, shall return him as a defaulter to the Clerk of the Municipality, before the fifteenth day of August; and the Clerk shall, in that case, enter the commutation for statute labour against his name in the Collector's Roll; and if, at any time before the first day of May then next ensuing, the owner of any non-resident's land gives in writing to the County Treasurer a list of the lands owned by him in the Municipality, and tenders to him the taxes in full on such land and the just commutation money as herein provided, he shall be liable to the commutation for statute labour, only upon the aggregate value of all the lands owned by him in each local Municipality; but after the first day of May as aforesaid, no change shall be made in the commutation for statute labour charged against each separate parcel, in consequence of more than one parcel being owned by the same party. 91. The Clerk of every City, Town, Village or Township, shall make a Collector's Roll or Rolls, as may be necessary, (*l*)

Clerk of the municipality to make out

(*i*) See note *r* to sec. 332 of the Municipal Act.

(*j*) See note *o* to sec. 332 of the Municipal Act.

(*k*) See same note.

(*l*) The Clerk must set down on the roll or rolls the following:

1. The name in full of every person assessed.
2. The assessed value of his real and personal property and ratable income.
3. The amount for which the party is chargeable for any sums ordered to be levied by the Council of the county for county purposes.
4. The amount with which the party is chargeable in respect of sums ordered to be levied by the Council of the local municipality for the purposes thereof, or for the commutation of statute labour.

a Collector's roll; its form and contents on which he shall set down the name in full of every person assessed, and the assessed value of his real and personal property and taxable income, (*m*) as ascertained after the final revision of the assessments, (*n*) and he shall calculate, and opposite the said assessed value as therein described of each respective party, he shall set down in one column to be headed "County rates," the amount for which the party is chargeable for any sums ordered to be levied by the Council of the County for County purposes, (*o*), and in another column, to be headed "Township," "Village," "Town," or "City rate," the amount with which the party is chargeable in respect of sums ordered to be levied by the Council of the local Municipality for the purposes thereof, or for the commutation of statute labour, (*p*) and in other columns any special rate for collecting the interest upon Debentures issued, or any local rate or school rate or other special rate, the proceeds of which are required by law or by the by-law imposing it, to be kept distinct, and accounted for separately: (*q*) every such last-mentioned rate shall be calculated separately, and the column therefor headed "Special rate," "Local rate," "School rate," as the case may be.

How rates to be headed.

Provincial taxes to be assessed and collected in the same manner as local rates.

92. All moneys assessed, levied and collected under any Act by which the same are made payable to the Receiver General, or other Public Officer for the Public uses of the Province, or for any special purpose or use mentioned in the Act, shall be assessed, levied and collected, in the same manner as local rates, and shall be similarly calculated upon the assessments as finally revised, and shall be entered in the Collector's Rolls in separate columns, in the heading whereof

He is then to deliver the roll, certified under his hand, to the collector on or before the first day of October, or such other day as may be prescribed by the by-law of the local municipality. (Sec. 92.) It is also his duty to make out a roll of the lands of non-residents and transmit the same to the county treasurer. (Sec. 93.)

shall be designated the purpose of the rate, (*r*) and the Clerk shall deliver the roll, certified under his hand, to the Collector, on or before the first day of October, or such other day as may be prescribed by a By-law of the Local Municipality. (*s*)

93. The Clerk of every Local Municipality shall also make out a Roll, (*t*) in which he shall enter the lands of non-residents, whose names have not been set down in the Assessor's Roll, together with the value of every lot, part of lot, or parcel, as ascertained after the revision of the rolls, (*u*) and he shall enter opposite to each lot or parcel, all the rates or taxes with which the same is chargeable, in the same manner as is provided for the entry of rates and taxes upon the Collector's

Clerk to make out another roll of lands of non-residents whose names are not in the assessment roll, and transmit it to County Treasurer or

(*r*) The local machinery is the best adapted for the collection of taxes, and therefore is made available for more than local purposes.

(*s*) It is here made the duty of the Clerk to deliver the roll certified under his hand to the collector, on or before the first day of October, or such other day as may be prescribed by a by-law of the local municipality. Unless the roll be certified as directed, the Clerk is not bound to act under it. (*The Corporation of Vienna v. Marr*, 9 U. C. L. J. 301.) But if he, notwithstanding the omission of the certificate or other informality, receive the roll, and under its authority collect money, he cannot retain the money as against the Municipal Council on any ground of alleged irregularity in the roll, nor would it be a defence, under such circumstances, to his sureties, that the roll was not certified when delivered to him (*The Corporation of the Township of Whitby v. Harrison*, 18 U. C. Q. B. 603; *Municipality of Whitby v. Flint*, 9 U. C. C. P. 449) or not delivered within the time limited on that behalf. (*Todd v. Perry et al.*, 20 U. C. Q. B. 649. As to the limitation of the time, see note *i* to sec. 50 and note *u* to sec. 60.) The fact that a collector of taxes received the money without any roll having been delivered to him and without having taken the oath of office, forms no defence to his sureties in an action for not paying over the money. (*The Corporation of the Township of Whitby v. Harrison*, 18 U. C. Q. B. 606.)

(*t*) The Clerk is called upon to make out two rolls:

1. One whereon will appear the names of all taxable parties, and which is to be delivered to the local collector with a view to the collection of taxes from persons liable.
2. Another whereon will appear only lands, and which is to be transmitted to the County Treasurer with a view to the collection of taxes by means of a sale of the lands.

(*u*) The non-residents roll must show:

1. The lands of non-residents whose names have not been set down in the assessor's roll.
2. The value of every lot, part of lot or parcel.
3. All the rates or taxes with which the same is chargeable.

COLLECTORS AND THEIR DUTIES.

Duties of
Collectors

94. The Collector, upon receiving his Collection Roll, shall proceed to collect the Taxes therein mentioned. (a)

Shall de-
mand the
payment of
rates.

95. He shall call at least once on the person taxed, or at the place of his usual residence or domicile, or place of business, if within the local municipality, in and for which such Collector has been appointed, and shall demand payment of the taxes payable by such person. (b)

(v) See sec. 91.

(w) Neither the Treasurer nor Chamberlain would, it is apprehended, be bound to accept the roll unless certified as directed. (See note s to sec. 92.) But the neglect of the Clerk either to transmit the copy directed or his transmission of it in an imperfect form, would not invalidate a sale of non-resident land for taxes. (*Allan v. Fisher*, 13 U. C. C. P. 63.)

(a) The collector is to proceed to collect the taxes—that is, the money due in respect of taxes. He has no right to accept promissory notes or securities of any kind in lieu of money. The acceptance of such a security could in no way interfere with the right to distrain. (See *Spry v. McKenzie*, 18 U. C. Q. B. 161.) Where a collector is charged with the collection of taxes for several years consecutively, he has the right to apply money made or money paid for taxes to the taxes in arrear during the first of the years. (*McBride v. Gardham*, 8 U. C. C. P. 296.) It is, among other things, the duty of the collector upon receipt of his roll, to call upon the person charged (sec. 95) and if taxes not paid, to levy therefor (sec. 98) and for that purpose make diligent inquiry to discover sufficient goods and chattels belonging to or in possession of the person charged, whereon a levy may be made. (Secs. 97, 197.) If none can be found after diligent search, the collector may relieve himself by oath from further accountability in regard to taxes unpaid. (Sec. 107.)

(b) The demand is essential to the validity of subsequent proceedings authorized by the statute. (*De Blaquiere v. Becker et al.*, 8 U. C. C. P. 167; *Campbell v. The Corporation of Elma*, 13 U. C. C. P. 296.) It must, it is presumed, be made by the collector himself; for it is said “he shall call at least once, &c.” It would be well for the collector when making the demand to be accompanied by some person, who in the event of proceedings being had against the collector, could testify to the demand. Apparently it need not be made personally of the person liable to pay, for it is said the call is to be “on the person taxed, or at the place of his usual residence or domicile, or place of business, if within the local municipality.” So that a demand made of some person at the place of residence, domicile or place of business,

96. If any person whose name appears on the Roll be not resident within the Municipality, the Collector shall transmit to him by post, a statement and demand of the taxes charged against him in the Roll (c) By post in cases of non-residents.

97. In case any person neglects to pay his taxes for ten days after such demand as aforesaid, (d) the Collector may by himself or by his agent, (e) levy the same with If payment be not made, collectors to levy tax by

of the party liable, would, it seems, be sufficient. (See *De Blaquiére v. Becker et al.* 8 U. C. C. P. 167.) In the event of the death of the collector, an entry made by him in the usual course of his business, would probably be evidence of the demand. (See *Barton v. The Corporation of the Town of Dundas*, 24 U. C. Q. B. 273.)

(c) In the case of non-residents, the transmission of the statement and demand, under the 16 Vic. cap. 182, was held not to be a condition precedent to the power of distress. (*De Blaquiére v. Becker et al.* 8 U. C. C. P. 167.) But now in the case of non-residents who have requested their names to be entered on the roll, it is provided that the collector, after one month from the date of the delivery of the roll to him, and after fourteen days from the time such demand as aforesaid has been transmitted to him by post, may make distress, &c., (sec. 98) clearly intending that to such non-residents the demand or statement shall be a condition precedent to the distress.

(d) *i. e.* The demand mentioned in sec. 95, which in the case of persons named on the roll, is a condition precedent to the right of distress. (*De Blaquiére v. Becker et al.*, 8 U. C. C. P. 167.) It would also seem that the notice required by sec. 49, is a condition precedent to the right of distress, in the case of a person whose name is on the roll. (*The Municipality of London v. The Great Western Railway Company*, 16 U. C. Q. B. 502.)

(e) The collectors of taxes are officers annually appointed to collect the taxes, which in far the greater number of instances they are able to do, by merely calling upon those against whom they are charged. In cases where they may have to resort to compulsory measures, although the Legislature has enabled them to levy in person and without the authority of any process, yet it was scarcely contemplated that the collectors themselves would, as a matter of course, act the part of bailiffs and auctioneers in seizing and selling. (Per Robinson, C. J., in *Fraser v. Page et al.* 18 U. C. Q. B. 336; see also *Newberry v. Stephens*, 16 U. C. Q. B. 69.) So that while power is given to the collector by himself to levy, it also said he may by his agent levy. But when a bailiff or agent is appointed he should receive a warrant, which may be in the following form:

CITY OF ——— } To A. B., my Bailiff.
To wit. }

You are hereby authorized and required to distrain the goods and chattels of C. D. of, &c., which you shall find on the premises of the said C. D., at, &c., or any goods and chattels in his possession, wherever the same may be found within the county of, &c., for the sum of, &c., rated against him for taxes on the collector's roll of, &c., for the year, &c., and now in arrear and unpaid, and in default of payment of

distress and
sale.

costs, (*f*) by distress of the goods and chattels (*g*) of the person who ought to pay the same, (*h*) or of any goods or chattels in his possession, (*i*) wherever the same may be found

such arrears of taxes and the lawful costs of the said distress, to sell and dispose of the said distress according to law, for the recovery of the said arrears of taxes together with the said costs, and for your so doing, this shall be your sufficient authority.

Given under my hand at, &c., this — day of —, A.D. 186—.

E. F., Collector.

Of course the collector would be liable for anything done by the bailiff, which he had authorized the bailiff to do. (*Corbett v. Johnston et al.* 11 U. C. C. P. 317; S. C. 7 U. C. L. J. 319.) Whether he would like a sheriff be liable for anything done by the bailiff, without the authority of or contrary to the direction of the warrant, is a question which has never yet been determined. The late Chief Justice McLean was of opinion in the affirmative, but the late Sir John Robinson expressed grave doubts on the question. (See *Fraser v. Page et al.* 18 U. C. Q. B. 336, 338.) If there be several rates, the legal separable from the illegal rates, unless the sums due in respect of the legal rates be paid or tendered, an action of replevin will not lie. (*Corbett v. Johnston et al.*, 7 U. C. L. J. 319.)

(*f*) *With costs.* Until this act became law, there was no scale or tariff of costs (see *Murray v. McNair*, 2 Local Courts Gazette, 14), but now it is provided that "the costs chargeable shall be those payable to bailiffs under the Division Courts Act." (Sec. 97.)

(*g*) A planing machine standing by its own weight on the floor without fastening, with belts and an engine to work it, has been held to be a chattel liable to seizure for taxes. (*Hope et al. v. Cumming*, 10 U. C. C. P. 118.) So an engine and boiler detached from the freehold by a fire, have been held to be chattels. (*Walton et al. v. Jarvis*, 14 U. C. Q. B. 640.) So temporary floors, scantling, partitions, presses, shafting, vats, cocks and other such things. (*Hughes et al. v. Towers*, 16 U. C. C. P. 287.) So machinery of different kinds detached from the freehold (*Carscallan v. Moodie*, 15 U. C. Q. B. 304) unless perhaps for a temporary purpose, with the intention of again replacing it in its former position. (*Grant v. Wilson et al.*, 17 U. C. Q. B. 144; see also *The Great Western Railway Company v. Bain*, 15 U. C. C. P. 207.)

(*h*) What is the meaning of the expression "who ought to pay the same?" Is it to be considered with reference to the time during which it may be said the collector's roll is in force for each year's taxes, or is to be understood as extending to any length of time and to any person who may happen at the time of the distress to be in possession? The former appears to be the proper construction of the act. (*Holcomb v. Shaw*, 22 U. C. Q. B. 92; *Smith v. Shaw*, 8 U. C. L. J. 297.)

(*i*) It is evident the Legislature intend the taxes to be paid in some way, and think it better to make *any* goods in the possession of the party, whether belonging to himself or not, liable without doubt for the taxes, than that the collector should be at the risk and expense of contesting title with every one who might claim title to the goods seized. (Per Robinson, C. J., in *Fraser v. Page et al.*, 18 U. C. Q. B. 340.) No action will lie against a collector or his bailiff for distraining

within the County in which the Local Municipality lies; (*j*) the costs chargeable shall be those payable to Bailiffs under the Division Courts Act. (*k*)

98. In case of the land of non-residents, who have required their names to be entered on the Roll, (*l*) the Collector, after one month from the date of the delivery of the Roll to him, and after fourteen days from the time such demand as aforesaid has been transmitted to him by post, (*m*) may make distress of any goods and chattels which he may find upon the land, (*n*) and no claim of property, lien or privilege shall be available to prevent the sale, or the payment of the taxes and costs out of the proceeds thereof. (*o*)

When Collectors may distrain for rates on non-resident land

99. The Collector shall, by advertisement, posted up in at least three public places in the Township, Village or Ward wherein the sale of the goods and chattels distrained is to be made, give at least six days' public notice of sale, and of the name of the person whose property is to be sold; (*p*) and at the time named in the notice, the Collector or his agent shall sell at public auction the goods and chattels distrained, or so much thereof as may be necessary. (*q*)

Public notice of sale to be given, and in whatmanner

the goods of a stranger without necessity, upon the allegation that there were goods enough of the person who ought to pay the taxes to satisfy the demand. (*McElheron v. Menzies*, 7 U. C. L. J. 244.)

(*j*) The range, it will be observed, is a pretty wide one—the whole of the county in which the local municipality lies.

(*k*) See note *f* ante.

(*l*) Occupied land is not to be deemed land of non-residents. (*Mace v. Rutlan*, 7 U. C. L. J. 299.)

(*m*) *DeBlaguere v. Becker et al.*, 8 U. C. C. P. 167, deciding, under the 16 Vic. cap. 182, that a demand was not a condition precedent to a distress, must at all events, so far as non-residents who have required their names to be entered on the roll are concerned, be taken as no longer law. The demand, or statement and demand, here mentioned, is made necessary by sec. 96 of this act.

(*n*) See note *g* to sec. 97.

(*o*) See note *i* to sec. 97.

(*p*) Errors or defects in the advertisement of sale would not, it is believed, affect the title of the purchaser to the goods and chattels by him purchased at the Collector's sale. (See *Jarvis v. Cayley*, 11 U. C. Q. B. 282; *Paterson v. Todd*, 24 U. C. Q. B. 296.)

(*q*) The Collector, after sale, would, it is apprehended, be in a position to sue the purchasers for the price of the things sold (see *Jarvis v. Cayley*, 11 U. C. Q. B. 282); but, in order to bind the Collector as against the purchaser, there should probably be some memorandum in writing on delivery of the goods sold, so as to bind the sale. (See *Mingaye v. Corbett*, 14 U. C. C. P. 557.)

Surplus, if unclaimed, to be paid to the party in whose possession the goods were.

100. If the property distrained has been sold for more than the amount of the taxes and costs, and if no claim to the surplus be made by any other person, on the ground that the property sold belonged to him, or that he was entitled by lien or other right to the surplus, (*r*) such surplus shall be returned to the person in whose possession the property was when the distress was made. (*s*)

Or to admitted claimant.

101. If any such claim be made by the person for whose taxes the property was distrained, (*t*) and the claim is admitted, the surplus shall be paid to the claimant. (*u*)

If the right to such surplus be contested.

102. If the claim is contested, such surplus money shall be paid over by the Collector to the Treasurer or Chamberlain of the local Municipality, who shall retain the same until the respective rights of the parties have been determined by action at law or otherwise. (*v*)

Taxes not otherwise recoverable may be recovered by action.

103. If the taxes payable by any person cannot be recovered in any special manner provided by this Act, they may be recovered with interest and costs as a debt due to the local

(*r*) The goods and chattels of *any* person in the possession of the person who ought to pay taxes (sec. 97), or *any* goods on the land of a non-resident who has required his name to be entered on the roll (sec. 98), may be distrained and sold for taxes; but if a surplus, that surplus, if the goods and chattels were really not the property of the person for whose taxes they were sold, in *law and equity* must belong to the owner of the goods and chattels so sold. It is hard that any part of his goods should be sold to pay the liability of another, with whom he has no privity, but it would be still more hard if he could not claim any surplus that might be left after payment of the arrears of taxes and costs.

(*s*) The receipt of the surplus by the owner of the goods would not, unless accepted in satisfaction, be any condonation, so as to prevent an action being brought to recover the value of the goods if the sale were from any cause illegal. (See *Evans v. Wright*, 2 H. & N. 527; *Robinson v. Shields*, 15 U. C. C. P. 386.)

(*t*) See note *r* to sec. 100.

(*u*) If the claim be disputed, the Collector may pay over the money to the Treasurer or Chamberlain of the local municipality, who may retain the same until the rights of the parties have been determined by action at law or otherwise. (Sec. 102.)

(*v*) It is not said that the Collector, on payment of the money to the Treasurer or Chamberlain, would be thereby discharged or relieved from acting at the suit of the rival claimants, or either of them; but such is the fair intendment of the section; and where the sale itself is legal, such would probably be the construction put upon the section by the Courts.

Municipality; (a) in which case the production of a copy of so much of the Collector's Roll as relates to the taxes payable by such person, purporting to be certified as a true copy by the Clerk of the local Municipality, shall be *prima facie* evidence of the debt. (b)

Copy of Collector's roll to be *prima facie* evidence of amount due.

(a) The right to sue for taxes is apparently only given when the taxes "cannot be recovered in any special manner provided by this act," such as distress and sale in the case of resident tax-payers, and sale of lands in the case of non-resident proprietors who have requested their names to be put on the roll. (See *Municipality of Berlin v. Grange*, 5 U. C. C. P. 211.) In order to entitle a Municipal Corporation to sue for a tax imposed in the ordinary manner upon resident rate-payers, the Corporation must be able to show, in the first place, that the defendant's name is on the roll (see *Sargant v. The City of Toronto*, 12 U. C. C. P. 185; *McCarrall v. Watkins*, 19 U. C. Q. B. 248), and, in the next place, that they have done what would be necessary to entitle them to distrain by warrant for the same tax, if the person sued had goods that might be seized, except perhaps there would be no occasion to make the previous demand mentioned in section 95 (per Robinson, C. J., in *The Municipality of London v. The Great Western Railway Company*, 16 U. C. Q. B. 502); and neither by distress nor by action can a rate-payer be compelled to pay a tax of which such notice has not been given to him as the law has provided in the 49th section of this act. (b.) By this is not meant that the plaintiffs in such an action are bound to set forth in the declaration that they have given such notice as the law requires before the assessment roll was finally completed—that may perhaps be assumed till the contrary is shown—but it must be open to the defendant to deny that such notice was given, and to put plaintiffs to the proof of it. (b.) *Quere*, as to the effect of an averment in the declaration, "that a tax of 128*l.* 17*s.* 11*d.* was *duly assessed* against the defendant for the year 1856, of which the defendants *had notice*. (b.) It does not necessarily mean more than that some time before the action was brought, and, for all that appears, after the assessment roll had been completed, and the time for the appeal had passed, the defendants had due notice that such a tax was assessed against them. (b.) In order to entitle the Corporation to sue a non-resident owner of lands, it must not only appear that the special remedies provided by the act are unavailable, and that the defendant's name is on the roll, but, besides, it must be distinctly averred and proved that the owner had requested his name to be placed on the roll. (*The Municipality of Berlin v. Grange*, 1 Er. & Ap. 279.)

(b) The former part of the section provides for the action, and this part for the evidence to sustain it. The production of a copy of so much of the Collector's roll as relates to the taxes payable by such person, purporting to be certified as a true copy by the Clerk of the local municipality, shall be *prima facie* evidence of the debt. No proof of the signature of the Clerk is apparently made necessary. If the certificate produced purports to be signed by him, it will be received on production. But when received, it is only *prima facie* evidence; in other words, its accuracy, or the facts it represents, may be disputed and disproved.

Collector to return his roll and pay over the proceeds by the day to be appointed by Municipal Council.

104. On or before the fourteenth day of December in every year, or on such day in the next year not later than the first of April, as the Council of the City, Town, Township or Village may appoint, every Collector shall return his Roll to the Treasurer or Chamberlain of his Municipality, (c) and shall pay over the amount payable to such Treasurer or Chamberlain; specifying in a separate column on his Roll how much of the whole amount paid over is on account of each separate rate. (d)

(c) It is the duty of the Collector, under this section, on or before a day named or appointed for the purpose, not later than the 1st April (see note *i* to sec. 50, and note *u* to sec. 60), to return his roll, and pay over the amount payable, specifying in a separate column on his roll how much of the whole amount is paid over on account of each separate rate. Does the Collector at any time, and if so, when, become incapable of exercising his functions as Collector? Suppose the Municipal Council does not extend the time beyond the 14th of December, does he on that day become *functus officio*? No doubt he may receive moneys on account of taxes after that day, provided he has not made his return, and no doubt his sureties would be liable for moneys so received. (See *Corporation of Whitby v. Harrison*, 18 U. C. Q. B. 606; *Todd v. Perry et al.*, 20 U. C. Q. B. 649.) But whether he may take the *compulsory powers* with which he is invested, is another question. The enactments which provide for the appointment of Collectors (sec. 164 of the Municipal Act, and secs. 19 and 20 of the Assessment Act), contain no limitation as to the time they shall hold office; and it is declared by sec. 177 of the Municipal Act, that all officers appointed by a Council shall hold office until removed by the Council. (See *The Corporation of the Township of Beverley v. Barlow et al.*, 7 U. C. L. J. 117; *In re McPherson v. Beeman*, 17 U. C. Q. B. 99.) The better opinion seems to be, that the Collector does not become *functus officio* so long as he holds the office, and so long as his roll is not returned; in other words, that his authority to collect taxes on the roll is co-extensive with the term of his office, provided in the interval he has not returned his roll. The different provisions for the enlargement of the time for his making his return are in favour of the Collector, and provisionally in favor of the rate-payers. This was the opinion of McLean, J., and Burns, J. (Robinson, C. J., *dissentiente*), in *Newberry v. Stephens*, (16 U. C. Q. B., 65,) and was in fact the decision of the court in that case since recognized in *McBride v. Gardham* (8 U. C. C. P. 296), and *McLean and Furrell* (21 U. C. Q. B. 441). *Teebles v. Carson* (1 U. C. L. J. 29), to the contrary, must be considered as overruled.

(d) If a Collector refuse or neglect to pay to the proper Treasurer or Chamberlain, or other person authorized to receive the same, the sums contained on his roll, or duly account for the same as uncollected, then not only may the ordinary remedy by action against his sureties be applied, but the Treasurer or Chamberlain may, within twenty days after the time the payment ought to have been made, issue a warrant under his hand and seal, directed to the Sheriff of the county or High Bailiff of the city (as the case may be), commanding him to levy of the goods and chattels, lands and tenements of the Col-

105. In case the Collector fails or omits to collect the taxes or any portion thereof, by the day appointed or to be appointed as in the last preceding section mentioned, the Council of the City, Town, Village or Township may, by resolution, authorize the Collector or some other person in his stead, to continue the levy and collection of the unpaid taxes in the manner and with the powers provided by law for the general levy and collection of taxes, but no such resolution or authority shall alter or affect the duty of the Collector to return his Roll, or shall in any manner whatsoever invalidate or otherwise affect the liability of the Collector or his sureties. (e)

Another person may be employed to collect taxes which the collector does not collect by a certain day.

106. If any of the taxes mentioned in the Collector's Roll remain unpaid, and the Collector be not able to collect the same, he shall deliver to the Chamberlain or Treasurer of his Municipality, an account of all the taxes remaining due on the Roll; and in such account the Collector shall show, opposite to each assessment, the reason why he could not collect the same, by inserting in each case the words "non-resident" or "not sufficient property to distrain," as the case may be. (f)

Proceedings if any taxes are returned as unpaid.

lector and his sureties, such sum as remains unpaid and unaccounted for, with costs, and to pay to the Treasurer or Chamberlain the sum so unaccounted for, and to return the warrant within forty days after the date thereof. (Sec. 182.)

(e) This section is intended to give the Council power by resolution to authorize the same collector or any other person in his stead, to continue collections which are being made, but not completed, at the time appointed for the return of the collector's roll. The power, however, cannot be exercised *after the final return of the roll* by the collector, and after the lapse of several years. (*Holcomb v. Shaw*, 22 U. C. Q. B. 92; *Smith v. Shaw*, 8 U. C. L. J. 297.) But the land is not thereby excused; the arrears of taxes are a special lien on the land. (Sec. 108.)

(f) It is the duty of a collector to return his roll by a day named or appointed for the purpose. (Sec. 104.) It is also his duty under the section here annotated, when unable to collect any taxes, to deliver an account of all taxes remaining due on the roll, and in such account he is required to show the reason why he could not collect the same. If he fail in the performance of these duties, proceedings by action may be had against himself, or his sureties and himself, proceedings also of a very summary character. (See sec. 182.) If these remedies be of no avail (and not till then) a court of law may interfere by mandamus. (*In re Quin and the Treasurer of the Town of Dundas*, 23 U. C. Q. B. 308.)

109. The Commissioner of Crown Lands shall, in the month of February in every year, transmit to the Treasurer of every County, a list of all the land within the County, located as free grants, sold or agreed to be sold by the Crown, or leased, or in respect of which a license of occupation issued during the preceding year. (*i*)

(*g*) This appears to intend that the proper course is, for the Municipal Council in the first instance to debit the collector with all the taxes on his roll, and from time to time, as he pays over moneys, credit him therewith, until he finds himself unable to collect the balance, and then accept from him the oath here required and credit him with the amount not realized, so as to close the account.

(*h*) The effect of this provision will make it necessary for every intending purchaser, to search not only the Register Office for deeds or conveyances affecting land, but the office of the County or other Treasurer who would be able to give information as to the taxes, if any due upon it. (See remarks of Burns, J., in *Holcomb et al. v. Shaw*, 22 U. C. Q. B. 107.) But apparently it is no part of attorney or solicitor's duty, under an ordinary retainer, for the investigation of title, to make such a search. (*Ross v. Strathy*, 16 U. C. Q. B. 430.) The lien is not only made special, but one having preference over any claim, lien, privilege or incumbrance of any party except the Crown, but even in the case of the Crown, if the lien have attached before the Crown became the owners of the land, the lien holds as against the Crown. (Per Adam Wilson, J., in *The Secretary of War v. The Corporation of the City of Toronto*, 22 U. C. Q. B. 555.)

(*i*) All land in Upper Canada, subject to certain exceptions, is liable to municipal taxation. (Sec. 9.)

One of these exceptions is, all property vested in or held by Her Majesty. (Sub-sec. 1.)

This exception, however, is qualified by a declaration that when any such property is occupied by any person otherwise than in an official capacity, the occupant shall be assessed in respect thereof, but the property itself shall not be liable. (*Ib.* sub-sec. 2.)

Unpatented land, sold or agreed to be sold to any person, or located as a free grant, so far as the interest of the purchaser or locatee is concerned, is made liable to taxation. (Sec. 128.)

For the purposes of assessment, the motive for requiring a return to the Treasurers of counties of lands located as free grants, sold or agreed

The County Treasurer shall furnish to the Clerk of each local Municipality in the County a copy of the said lists, as far as regards lands in such Municipality, and such Clerk shall furnish the Assessors respectively a statement showing what lands in the said annual list are liable to assessment within such Assessor's assessment district. COUNTY TREASURERS, LOCAL TREASURERS, CLERKS AND ASSESSORS.
THEIR DUTIES.

111. The Treasurer of every County in Upper Canada shall furnish to the Clerk of each Municipality in the County a list of all the lands in his Municipality, in respect of which any taxes shall have been in arrears for five years preceding the first day of January in any year; (*k*) and the said list shall be so furnished on or before the fifteenth day of February in every year, (*l*) and shall be headed in the words following: "List of lands liable to be sold for arrears of taxes in the year one thousand eight hundred and ———; " (*m*) and for the

County Treasurer to furnish local Clerks with lists of lands five years in arrear for taxes.

to be sold or leased by the Crown, or in respect of which a license of occupation has issued, is self-evident. (Per Draper, C. J., in *Street v. The Corporation of the County of Kent*, 11 U. C. P. P. 260.) When *Street v. The Corporation of the County of Kent* was decided, the assessment law had not been extended to lands "sold or agreed to be sold." That was done by the statute 27 Vic. cap. 19, secs. 9, 10, 11, which has been embodied in the section under consideration.

(*j*) The County Treasurer is made the organ of communication between the Government and the officers of the local municipalities. The officers for whom the information is really designed, and who will make the necessary use of it, are the local assessors.

(*k*) No taxes for a year or part of a year are made payable until the Collector's roll is placed in the Collector's hands; because, until that is done, there is no authority to receive them. This may be as late as the 1st October. (Sec. 92.) So that it was held, that the year's taxes could not be considered as due in any sense, until after the time for appealing from the assessment roll had expired, and the municipality had fixed the rate which should be imposed. (*Ford v. Proudfoot*, 9 Grant, 478.) But to meet the effect of this decision, it is provided by the latter part of this section, that the taxes for the first year of the five which have expired, under the provisions of this act, on any land to be sold for taxes, shall be deemed to have been due for five years, although the same may not have been placed on the collection roll "until some month in the year later than the month of January." The effect of this provision, read in connection with sec. 18 of this act, is to make the taxes of the first year relate to the first day of January, no matter when placed on the roll, and so in the computation of each subsequent year of the five years.

(*l*) On or before the fifteenth day of February, &c. See note *i* to sec. 50, and note *u* to sec. 60.

(*m*) The purport of this list, and the object of furnishing it, will hereafter appear. (Secs. 112, 114.)

purposes of this Act, the taxes for the first year of the five which have expired, under the provisions of this Act, on any land to be sold for taxes, shall be deemed to have been due for five years, although the same may not have been placed upon a collection roll until some month in the year later than the month of January. 112. The Clerk of every Municipality in each County is hereby required to keep the said list, so furnished by the County Treasurer, on file in his office, subject to the inspection of any person requiring to see the same; and he shall also deliver to the Assessor or Assessors of the Municipality, each year, as soon as such Assessor or Assessors are appointed, a copy of such list; (*o*) and it shall be the duty of the Assessor or Assessors to ascertain if any of the lots or parcels of land contained in such list are occupied, and to notify such occupants, and also the owners thereof, if known and resident within the Municipality, upon their respective assessment notices, that the land is liable to be sold for arrears of taxes, and enter in a column (to be reserved for that purpose) the words "occupied and parties notified," or "not occupied," (as the case may be.) All such lists shall be signed by the Assessor or Assessors and returned to the Clerk with the Assessment Roll, (*p*) and the Clerk shall file the same in his office for

(*n*) See note *k*, above.

(*o*) The duty of the Clerk of the local municipality, in regard to the list furnished to him, pursuant to the requirements of the preceding section, are twofold:

1. To keep the said list on file in his office, subject to the inspection of any person requiring to see the same.
2. To deliver to the Assessor or Assessors, each year, when appointed, a copy of such list.

He has other duties to perform in regard to said list, under sec. 114. Neglect of any of these duties may be summarily punished. (See s. 118.)

(*p*) The duty of the Assessor or Assessors, on receipt of the copy of the list, is fourfold:

1. To ascertain if any of the lots or parcels of land contained in such list are occupied.
2. To notify the occupants and owners thereof, if known or resident within the municipality.
3. To enter in a column, reserved for the purpose, the words "occupied and parties notified," or "not occupied," (as the case may be.)
4. To sign the list or lists, and return same to the Clerk, with assessment roll.

Besides, the assessors must attach to the list a certificate, signed by them, and verified by oath or affirmation. (Sec. 113.) Neglect of any of these duties may be summarily punished. (See sec. 118.)

public use; (q) and every such list, or copy thereof, shall be received in any Court as evidence in any case arising concerning the assessment of such lands; (r) and the duties herein imposed upon the Treasurer of any County and the Clerk and Assessors of any Municipality, shall be performed by the Chamberlain or Treasurer and the Clerks and Assessors of Cities and Towns withdrawn from the jurisdiction of the Council of the County in which such Cities and Towns are situate. (s)

As to towns and cities withdrawn from counties.

113. All Assessors shall attach to each such list (t) a certificate signed by them, and verified by oath or affirmation, in the form following: (u)

Assessor's certificate.

"I do certify that I have examined all the lots in this list named, and that I have entered the names of all occupants thereon, as well as the names of the owners thereof, when known, and that all the entries relative to each lot are true and correct, to the best of my knowledge and belief."

Form.

114. The Clerk of each Municipality shall, before the first day of May in each year, examine the Assessment Roll when returned by the Assessor, and ascertain whether any lot embraced in the said list last received by him from the County Treasurer, is entered upon the Roll of the year as then occupied; and the said Clerk shall, on or before the first day of May in each year, furnish to the County Treasurer a list of the several parcels of land which shall appear on the Resident Roll as having become occupied; (a) and the said County

Local Clerks to certify lands which have become occupied.

(q) Not only is the Clerk to file in his office the original list, "subject to the inspection of any person requiring to see the same" (see note o, above), but to file the signed copies returned to him by the assessors "for public use."

(r) The list or copy thereof shall be received in evidence. The provision is not for the admission of a certified copy in evidence on its production, as in sec. 103. (See note b to sec. 103.)

(s) Every city or town withdrawn is a county of itself for municipal purposes. (Municipal Act, sec. 356.)

(t) *i. e.* The list mentioned in sec. 112. (See note p to that section.)

(u) The oath or affirmation may, it is presumed, be made before the head or other members of the Council. (See sec. 366 of the Municipal Act, and notes thereto.)

(a) The duties of the Clerk, under this section, are:

1. To examine the assessment roll, and ascertain whether any lot embraced in the list received by him from the County Treasurer, under sec. 111, is entered upon the roll as occupied.

County Treasurer to certify taxes due on them.

Clerk to insert such amount on Collector's roll.

Treasurer shall, on or before the first day of July in the then current year, return to the Clerk of each Municipality an account of all arrears of taxes due in respect of such occupied lands, including the per centage chargeable under section one hundred and twenty-six of this Act; (b) and the Clerk of each Municipality shall, in making out the Collector's Roll of the year, add such arrears of taxes to the taxes assessed against such occupied lands for the current year, and such arrears shall be collected in the same manner, and subject to the same conditions as all other taxes entered upon the Collector's Roll. (c)

2. To furnish the County Treasurer with a list of the several parcels of land which appear on the resident roll as having become occupied.

These he must do on or before the first day of May, as to which see note *i* to sec. 50, and note *u* to sec. 60. Neglect thereof may be summarily punished. (See sec. 118.)

(b) The list furnished by the local Clerk, under the preceding part of this section, to the County Treasurer, is to enable the latter to report the arrears and per centage due in respect of non-resident land since become occupied, with a view to the collection of taxes thereon by distress and sale of goods and chattels of the occupant.

(c) The arrears may be collected in the *same manner*, and *subject to the same conditions*, as all other taxes upon the Collector's roll. It is provided by sec. 97, that the Collector may, after demand, levy the taxes with costs by distress of the goods and chattels of the person who ought to pay the same, or of any goods or chattels in his possession, wherever the same may be found within the county, &c.; and by sec. 98, in the case of non-residents who have required their names to be entered on the roll, the Collector may make distress of any goods and chattels which he may find on the land. There is no doubt, therefore, that goods and chattels on the land, as in the case of non-resident lands, would be liable. But the difficulty of restraining the operation of the section to goods and chattels on the land as in the case of non-residents is, that that is only one kind of tax, and the act says the taxes shall be collected in the same manner and *subject* to the same conditions as *all* other taxes entered upon the roll. Now, upon the roll are the proper taxes of the party charged, which, under sec. 97, may be levied of any goods and chattels in his possession, *wherever the same may be found in the county*. The Court of Queen's Bench, however, have placed upon similar words, as used in the statute 27 Vic. cap. 19, from which this section is taken, the narrow construction of restricting the remedy as to goods and chattels on the land, as being more consistent with reason than the broader construction, which would work great hardships and do great injustice in individual cases (see *Warne v. Coulter*, 25 U. C. Q. B. 177); and the construction placed upon these words by the court is apparently sanctioned by the Legislature in the following section, which provides what the Collector shall do "if there shall not be sufficient distress upon any of the occupied lands in the preceding section named," &c.

115. If there shall not be sufficient distress upon any of the occupied lands in the preceding section named, to satisfy the total amount of the taxes charged against the same, (*d*) as well for the arrears as for the taxes of the current year, (*e*) the Collector shall so return it in his Roll to the Treasurer of the Municipality, shewing the amount collected, if any, and the amount remaining unpaid, and stating the reason why payment has not been made. (*f*)

If there is not sufficient distress on such lands.

116. The Treasurer of each local Municipality shall, within fourteen days after the time appointed for the return and final settlement of the Collector's Roll, and before the eighth day of April in every year, (*g*) furnish the County Treasurer with a statement of all arrears of taxes and school-rates directed in the said Collector's Roll or by School Trustees to be collected, such return to contain a description of the lots or parcels of land, a statement of unpaid arrears of taxes, if any, on lands of non-residents, which have become occupied, as required by section one hundred and twelve of this Act, and generally such other information as the County Treasurer may require and demand, in order to enable him to ascertain the just tax chargeable upon any land in the Municipality for that year, and the County Treasurer shall not be bound to receive any such statement after the eighth day of April in each year. (*h*)

Statement of arrears to be returned by local Treasurer to County Treasurer and when.

(*d*) See note *c* to sec. 114.

(*e*) So far as taxes of "the current" year are concerned, it is clear that the collector is not restricted to a distress on the land, but may seize any goods or chattels in the possession of the party charged, in any part of the county. (See notes to sec. 97.)

(*f*) It is not said in what manner the collector is to appropriate the proceeds of a distress made on the land, when more than enough has been made to pay the taxes of the current year but not enough to pay that and the taxes under sec. 114, but it is presumed that he may in such case, first apply the money in the discharge of the taxes of the current year and throw the deficiency upon the special tax. (See note *a* to sec. 94.) He must under this section report to the local treasurer:

1. The amount collected, if any.
2. The amount remaining unpaid.

Stating the reason why payment has not been made.

Neglect of this duty may be summarily punished. (See sec. 118.)

(*g*) In the latter part of this section, it is provided that the County Treasurer shall not be bound to receive any such statement after the eighth day of April in each year. (See note *i* to sec. 50 and note *u* to sec. 60.)

(*h*) The return must contain :

1. A description of the lots or parcels of land.

Liability of
lands to sale
if arrears are
not paid;
and when.

117. In case it shall be found by the statement directed by the last preceding section to be made to the County Treasurer, that the arrears of taxes upon the occupied lands of non-residents, directed by the one hundred and fifteenth section of this Act to be placed on the Collector's Roll, or any part thereof, remain in arrear, such lands shall be liable to be sold for such arrears and shall be included in the next or any ensuing list of lands to be sold by the County Treasurer under the provisions of the one hundred and twenty-ninth section of this Act, notwithstanding that the same may be occupied in the year when such sale takes place, and such arrears shall not again be placed upon the Collector's Roll for collection. (*i*)

118. If the Clerk of any such Municipality shall neglect to preserve the said list of lands in arrears for taxes, furnished to him by the County Treasurer, or to furnish copies of such lists, as required to the Assessor or Assessors, or shall neglect to return to the County Treasurer a correct list of the lands which have come to be occupied, as required by the one hundred and fourteenth section of this Act, and a statement of the balances which may remain uncollected on any such lots, as required by the one hundred and fifteenth section of this Act; (*j*) or if any Assessor or Assessors shall neglect to examine such lands as are entered on each such list, and make returns in manner hereinbefore directed, (*k*) every Officer making such default shall, on summary conviction thereof

2. A statement of unpaid arrears of taxes, if any, on lands of non-residents which have become occupied, as required by sec. 112.

And generally such other information as the County Treasurer may require and demand.

This information is to be furnished the County Treasurer to enable him to ascertain the just tax chargeable upon any land in the municipality for that year.

(*i*) The ordinary way of realizing taxes on non-resident lands, where the owners are not rated at their own request, is by sale of the lands. (Per Richards, J., in *Municipality of Berlin v. Grange*, 5 U. C. C. P. 211.) But in aid of this remedy, provision is made in the 114 and subsequent sections, for distress of goods and chattels on such lands, when subsequent to the accruing of the arrears, they become occupied. If the latter fail, the only course left for the County Treasurer, is to fall back upon the principal and ordinary remedy, and that is all that this section directs.

(*j*) The duty to preserve the list and to furnish copies thereof to the assessors, are both imposed by sec. 112.

(*k*) The duty of the assessors to examine the lands and to make return thereof, are also imposed by sec. 112. The form of oath is given in sec. 113.

before any two Justices of the Peace having jurisdiction in the County in which such Municipality is situated, be liable to the penalties imposed by sections one hundred and seventy-six, one hundred and seventy-seven, and one hundred and seventy-eight of this Act; all fines so imposed to be recoverable by distress and sale of any goods and chattels of the party making default. (*l*)

How to be levied.

119. After the Collector's Roll has been returned to the Treasurer of the Local Municipality, no more money on account of the arrears then due shall be received by any officer of the Municipality to which the Roll relates. (*m*)

After such return local officers not to receive taxes.

120. The collection of the arrears shall thenceforth belong to the Treasurer of the County alone, (*n*) and he shall receive payment of such arrears, and of all taxes on lands of non-residents, and he shall give a receipt therefor specifying the amount paid, for what period, the description of the lot or parcel of land, and the date of payment, in accordance with the provisions of section one hundred and seventy-three of this Act. (*o*)

Collection of arrears to belong to Treasurer of County only.

(*l*) The fine under sec. 176, is a sum not exceeding \$100, and the punishment under sec. 178, a fine not exceeding \$200, and to imprisonment until the fine is paid or to imprisonment for a term not exceeding six months, or to both fine and imprisonment in the discretion of the court, and, under the section here annotated, though not according to the sections mentioned, the fines and penalties may be imposed on conviction before any two justices having jurisdiction in the county in which the municipality is situate.

(*m*) The collection thenceforth belongs to the Treasurer of the county alone (sec. 120), and any distress or other proceeding on the part of the local municipality for the recovery of the taxes, unless in cases coming under secs. 112 and 114 of this act, would be illegal. (*Holcomb v. Shaw*, 22 U. C. Q. B. 92; *Smith v. Shaw*, 8 U. C. L. J. 297.) It would seem that the roll should not only be returned by the Collector to the local Municipality, but that the latter should return it to the County Treasurer. (See sec. 123.)

(*n*) In cases of non-resident lands subsequently becoming occupied, he may make use of the officers of the local municipality in order if possible to make the amount of the taxes by distress of goods and chattels on the land. (See secs. 112 and 114, and notes thereto.)

(*o*) It having been declared that the collection of the arrears shall, after the return of the Collector's roll, belong to the Treasurer of the county alone, he and he alone is the proper person to receive payment of arrears on lands of non-residents.

The receipts which he may give should specify—

1. The amount paid;
2. For what purpose;

The whole amount to be paid at once, unless the land is subdivided.

121. The Treasurer shall not receive any part of the tax charged against any parcel of land unless the whole arrears then due be paid, or satisfactory proof is produced of the previous payment, or erroneous charge of any portion thereof, but if satisfactory proof is adduced to him that any parcel of land on which taxes are due, has been subdivided, he may receive the proportionate amount of the tax chargeable upon any of the subdivisions, and leave the other subdivisions chargeable with the remainder, (*p*) and the Treasurer may, in his books, divide any piece or parcel of land which may have been returned to him in arrear for taxes, into as many parts as the necessities of the case may require. (*q*)

If demanded Treasurer to give a written statement of arrears.

122. The Treasurer shall, on demand, give to the owner of any land charged with arrears of taxes, a written statement of the arrears at that date, and he may charge twenty cents for the search on each separate lot or parcel not exceeding four, and for every additional ten lots, a further fee of twenty cents, but the Treasurer shall not make any charge for search to any person who forthwith pays the taxes. (*r*)

3. The description of the lot or parcel of land;

4. The date of payment.

He is not in general bound to receive payment of part of the arrears, unless the whole be tendered. (Sec. 121.)

(*p*) The rule is not to receive part payment of arrears of taxes.

The exceptions created by this section are two:

1. If satisfactory proof be produced of the previous payment or erroneous charge of any part thereof.

2. If satisfactory proof is adduced that any parcel of land on which taxes are due, has been sub-divided.

The proof in each case is to be such as to satisfy the Treasurer, *i.e.*, be satisfactory to him. It is presumed that if the proof be reasonable the proof will be deemed by him to be satisfactory. It is not supposed that any public officer will act otherwise than reasonably in the discharge of any public duty cast upon him by virtue of his office. If the proof offered be a paper purporting to be a receipt of a collector, school trustee or other town, village or township officer, the Treasurer is not to accept such proof until he has received a report upon the same, from the Clerk of the municipality interested, certifying the correctness thereof. (Sec. 125, sub-sec. 2.)

(*q*) The receipt of a proportion of taxes because of a sub-division and in respect of a subdivided part, necessitates the duty upon the Treasurer of charging the remaining sub-divided parts with the remainder of the amount of taxes, and if convenient or necessary for that purpose that he should divide the entries of the parcel of land in his books, and he is here authorized to do so. (See *In re Secker and Paxton*, 22 U. C. Q. B. 118.)

(*r*) The Treasurer is not bound to submit to the demand of any person whether interested or not, requiring a statement of arrears of taxes

123. The Treasurer of every county shall keep a separate book for each local municipality, in which he shall enter all the lands in the municipality on which it appears from the returns made to him by the clerk and from the Collector's Roll returned to him, that there are any taxes unpaid, and the amounts so due; and he shall on the first day of May in every year, complete and balance his books by entering against every parcel of land, the arrears, if any, due at the last settlement, and the taxes of the preceding year which remain unpaid, and he shall ascertain and enter therein the total amount of arrears, if any, chargeable upon the land at that date. (s)

Lands on which taxes remain unpaid to be entered in books kept for the purpose by the County Treasurer, &c.

Books to be made up and balanced yearly.

124. If at the yearly settlement to be made on the first day of May, (a) it appears to the Treasurer that any land liable to assessment has not been assessed, he shall report the same to the Clerk of the Municipality, (b) and the Clerk shall enter such land on the Collector's Roll of the current year, or on the Roll of Non-residents (as the case may be), as well as for the arrears omitted of the year preceding only (if any) as for the tax of the current year; and the valuation of such land

on any particular parcel or parcels of land. But it is his duty to submit to the demand of the owner (or his agent which is the same thing) and to give him a written statement of the arrears to date, provided his fees for search (there being no fee for certificate or statement) be paid or tendered, or provided the person making the demand be authorized to do so, and forthwith pays the taxes.

(s) The duties of the Treasurer under this section are:

1. To keep a separate book for each local municipality.
2. To enter therein all the lands in the municipality, on which it appears from returns made to him by the Clerk and from the collector's roll returned to him, that there are any taxes unpaid.
3. To enter therein the accounts so due.
4. To complete and balance his books on the first day of May in every year. (See note i to sec. 50 and note u to sec. 60.)
5. To enter therein the total amount of arrears, if any, chargeable upon the lands at that date.

If at the yearly balance it appears that there are any arrears due upon any parcel of land, the Treasurer must add to the whole amount then due, eight per cent thereon. (Sec. 126)

The books when correctly kept are evidence of the land being five years in arrear, on ejectment brought for the recovery of the land by a vendee on a sale for taxes. (See *Hall v. Hill*, 22 U. C. Q. B. 578.)

(a) See note s to sec. 123.

(b) All land in Upper Canada, subject to few exceptions, is liable to be assessed. (See sec. 9, sub-secs. 1, 2, 3, 4, 5, 6, 7, 8, 9 & 10.)

so entered, shall be the average valuation of the three previous years, if assessed for the said three years, but if not so assessed, the Clerk shall require the Assessor or Assessors for the current year to value such lands, and it shall be the duty of the Assessor or Assessors to value such lands when required, and certify the valuation in writing to the Clerk. (c) The owners of such lands shall have the right to appeal to the Council at its next or some subsequent meeting after the taxes thereon have been demanded by the Collector, but within fourteen days after such demand, which demand shall be made by the Collector before the tenth day of November, and the Council shall hear and determine such appeal on some day not later than the first day of December. (d)

125. The County Treasurer may correct any clerical error which he himself discovers, from time to time, or which may be certified to him by the Clerk of any Municipality: (e)

2. If any person produces to the Treasurer, in satisfaction of a tax, any paper purporting to be a receipt of a Collector, School Trustee, or other Town, Village or Township officer, he

(c) The object of this section is to make subject to taxes land that ought to have been assessed, but which, from some cause, was not assessed. The procedure provided for the purpose is the best, under the circumstances, that could be devised to meet the exigencies of such a case. The Treasurer may himself at any time correct clerical errors. (See sec. 125.)

(d) The duties of the Court of Appeal are required to be performed on or before the 1st June. (Sec. 60.) But here, it will be observed, the appeal is not given to the Court of Appeal, but direct to the Council. The demand for payment of taxes must be made by the Collector before the 10th November, and the appeal must be made within fourteen days after demand, or it cannot be made at all.

(e) A rate-payer, from 1858 to 1861, inclusive, occupied as lessee a house and land adjoining on lot 24, part of which lot, in 1854, had been laid out by his landlord into village lots, and a plan of the subdivisions filed in the Registry office. He had been regularly assessed, and had paid for the premises thus occupied by him, but the whole of lot 24 had, during these four years, been returned as non-resident. After the Treasurer had issued his warrant for sale to the Sheriff, he was applied to to correct the alleged mistake in the rolls, so as to except the part occupied by the ratepayer above mentioned from that returned, but refused to do more than allow the Sheriff to deduct the amount paid by the ratepayer. A certificate was presented to the Township Clerk for signature, to be addressed to the Treasurer, with a view of notifying him of certain errors in the mode of assessment of the lot number 24, but the Clerk declined to sign it, alleging that he did not think he would be justified in doing so. The Court of Queen's Bench, on an application for a mandamus, refused to interfere. (*In re Secker and Paxton*, 22 U. C. Q. B. 118.)

shall not accept such proof until he has received a report upon the same from the Clerk of the Municipality interested, certifying the correctness thereof. (*f*)

126. If at the balance to be made on the first day of May in every year, (*g*) it appears that there are any arrears due upon any parcel of land, the Treasurer shall add to the whole amount then due eight per cent. thereon. (*h*)

Eight per cent to be added to arrears yearly.

127. Whenever the County Treasurer is satisfied that there is distress upon any lands of non-residents in arrear for taxes, (*i*) he shall issue a warrant under his hand and seal to the Collector of the local Municipality, (*ii*) who shall thereby be authorized to levy the amount due, upon any goods and chattels found upon the land, in the same manner and subject to the same provisions as are contained in the sections from section ninety-seven to section one hundred and one of this Act, with respect to distresses made by Collectors. (*j*)

If there be distress upon lands of non-residents, County Treasurer may authorize Collector to levy.

(*f*) See note *p* to sec. 121.

(*g*) See sec. 123.

(*h*) The addition of eight (formerly ten) per cent. is each year to be added to the whole amount (including previous additions of eight per cent.) then due. (*Gillespie et al. v. City of Hamilton*, 12 U. C. C. P. 426.)

(*i*) It is not made the duty of the Treasurer to search for a distress on lands; but if satisfied that there is a distress, he must issue a warrant of distress. In order, therefore, to render the Treasurer liable for not making a distress, it would be necessary to aver and prove that he had notice of the distress. (See *Foley v. Moodie*, 16 U. C. Q. B. 254.) The neglect of a Collector whose duty it was to search for distress, was held not to invalidate a sale subsequently made of the land for arrears that might in whole or in part have been satisfied by such distress. (*Allan v. Fisher*, 13 U. C. C. P. 63.) The old law was formerly otherwise, especially if it could be shown that there was a sufficient distress on the land at the time of the sale. (See *Dobbie v. Tully*, 10 U. C. C. P. 432.) But proving that there were a few pieces of timber on the lot, cut down by trespassers, and left by them to be prepared for market in a lot, or that some persons were in the habit of making sugar on the lot, leaving kettles and sap-troughs thereon, were held not sufficient evidence of a distress being on the land to invalidate the sale of it for taxes. (See *Stafford v. Williams*, 4 U. C. Q. B. 488; *Doe Upper v. Edwards*, 5 U. C. Q. B. 594; *Doe d. Powell v. Rorison*, 2 U. C. Q. B. 201; *Fraser v. Mattice et al.*, 19 U. C. Q. B. 150.) The old law as to the necessity of a distress, and the omission to distrain invalidating a sale, was apparently altered by the statute 13 & 14 Vic. cap. 67. (See *Hamilton et al. v. McDonald*, 22 U. C. Q. B. 136; *McDonnell et al. v. McDonald*, 24 U. C. Q. B. 74.)

(*ii*) If the Treasurer be satisfied of the sufficiency of the distress, his duty to issue the warrant of distress appears to be imperative.

Arrears due for five years to be levied by warrant of the warden to the Treasurer.

128. Unpatented land vested in or held by Her Majesty, which shall hereafter be sold or agreed to be sold to any person, or which shall be located as a free grant, shall be liable to taxation from the date of such sale or grant, (*k*) and any such land which has been already sold or agreed to be sold to any person, or has been located as a free grant, prior to the first day of January, one thousand eight hundred and sixty-three, (*l*) shall be held to have been liable to taxation since the first day of January, one thousand eight hundred and sixty-three, and all such lands shall be liable to taxation thenceforward under this Act, in the same way as other lands, whether any license of occupation, location ticket, certificate of sale, or receipt for money paid on such sale, has or has not been, or shall or shall not be issued, and (in the case of sale or agreement for sale by the Crown) whether any payment has or has not been, or shall or shall not be made thereon, and whether any part of the purchase money is or is not overdue and unpaid; (*m*) but such taxation shall not in any way affect the rights of Her Majesty in such lands. (*n*)

129. Whenever a portion of a tax on any land has been due for and in the fifth year or for more than five years preceeding the current year, (*o*) the Treasurer of the County shall, unless otherwise directed by a by-law of the County Council, (*p*) submit to the Warden of such County a list in duplicate of all the lands liable under the provisions of this Act, to be sold for taxes, with the amount of arrears against each lot set opposite to the same; (*q*) and the Warden shall authenticate each of such lists by affixing thereto the seal of the Corporation, and his signature, (*r*) and one of such lists shall be deposited with

(*k*) Land vested in Her Majesty the Queen is in general exempt from taxation (sec. 9, sub-sec. 1); but though not patented, if sold or agreed to be sold, or located as a free grant, the interest of the purchaser or locatee is liable to taxation and sale. (Sec. 140.)

(*l*) The 1st January, 1863, was the date fixed by the act 27 Vic. cap. 19, sec. 9, of which this is a re-enactment.

(*p*) The Council of a county, city or town, withdrawn from the jurisdiction of the county in which situate, may extend the time for payment of taxes beyond the term of five years. (Sec. 130.)

(*q*) This duty is made imperative, so far as the Treasurer is concerned.

(*r*) This is required in order to authenticate the list, and should be done by the Warden as directed, viz., "by affixing thereto the seal of the Corporation and his signature." Both are required.

the Clerk of the County, and the other shall be returned to the Treasurer, with a warrant thereto annexed, under the hand of the Warden and the seal of the County, commanding him to levy upon the land for the arrears due thereon, with his costs; provided always, that where a warrant has been placed in the hands of the Sheriff or High Bailiff before the first day of January, one thousand eight hundred and sixty-seven, commanding him to collect arrears of taxes, he shall proceed with the collection thereof, under the provisions of the Acts in force before the passing of this Act; and in every case in which such collection is made by sale of any lands, the Sheriff or High Bailiff shall, in the event of the lands not being redeemed according to law, complete the sale by a deed of conveyance to the purchaser. (s)

Proviso as to warrants issued before 1st January, 1867, to Sheriff or High Bailiff.

130. The Council of a County, or of a City, or of a Town, withdrawn from the jurisdiction of a County (as the case may be). (t) shall have power to extend the time for the payment of taxes beyond the term of five years, by by-law passed for that purpose. (u)

County Council, &c., may extend the period for payment.

131. It shall not be the duty of the Treasurer of any County to make inquiry before effecting a sale of lands for taxes, to ascertain whether or not there is any distress upon the land, (a) nor shall he be bound to inquire into or form any opinion of the value of the land; (b) and if any tax in respect to any lands sold by the Treasurer after the passing of this Act, in pursuance of and under the authority thereof, shall have been due for the fifth year or more years preceding

Treasurer's duty on receiving warrant to sell.

(s) The direction of the warrant to sell, to the County Treasurer instead of the County Sheriff, is a new feature in the law. The warrant must be under the hand of the Warden and seal of the County. It must also have a duplicate list of the lands annexed to it. Compliance with this direction as to the form and contents of the warrant is, subject to the provisions of sec. 131 of this act, essential to the validity of any sale that may take place under it. (See *Hall v. Hill*, 22 U. C. Q. B. 578; S. C. 2 Er. & Ap. 569.) This act is not to interfere with the execution of warrants placed in the hands of a Sheriff or High Bailiff for execution, prior to the 1st January, 1867, who, in the event of making a sale thereunder, may complete the sale by a deed of conveyance to the purchaser.

(t) Cities and towns withdrawn from the jurisdiction of counties, are counties of themselves. (Municipal Act, sec. 356.)

(u) See note *k* to sec. 111.

(a) See note *i* to sec. 127.

(b) The contrary was held in *Henry v. Burness*, 8 Grant 345.

Deed to be binding on all, if land not redeemed in one year.

the sale thereof, (c) and the same shall not be redeemed in one year after the said sale, such sale and the official deed to the purchaser of any such lands (provided the sale shall be openly and fairly conducted) shall be final and binding upon the former owners of the said lands and upon all persons claiming by, through or under them, it being intended by this Act that all owners of land shall be required to pay the arrears of taxes due thereon within the period of five years, or redeem the same within one year after the Treasurer's sale thereof. (d)

(c) See note *k* to sec. 111.

(d) The essentials to a valid sale now appear to be, that the land be subject to taxation, that the taxes have been in arrear for five years, that the taxes at the time of sale remain unpaid, and that the sale be openly and fairly conducted.

The first point is, the liability of the land to taxation. This is, as it were, the foundation of the sale and all proceedings leading thereto and consequent thereon. If the land be exempt from taxation or otherwise not liable, the sale would be invalid. (See *Doe Bell v. Reaunmore*, 3 O. S. 243; *Doe d. Bell v. Orr*, 5 O. S. 433; *Street v. The Corporation of the County of Kent*, 11 U. C. C. P. 255.) All land with certain exemptions is subject to taxation and to sale for taxes. (See sec. 9 and sub-secs. 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 18.) If sold, agreed to be sold, or located as a free grant, the interest of the purchaser or locatee is liable to taxation and may be sold. (Secs. 108, 128, 140.)

The second point is, the taxes being in fact in arrear for the requisite period fixed by law. That, in the absence of a by-law of the county, city, town or municipal council, is five years. (See note *k* sec. 111.) If the land have not been in arrears for the requisite period, the sale would be invalid. (See *Doe d. Bell v. Reaunmore*, 3 O. S. 243; *Munro et al. v. Grey*, 12 U. C. Q. B. 647; *Errington v. Dumble*, 8 U. C. C. P. 65; *Hall v. Hill*, 22 U. C. Q. B. 578; S. C. 2 Er. & Ap. 569.) In *Doe v. Reaunmore*, the rule was laid down that writs to sell must be grounded on the Treasurer's return to the Court of Quarter Sessions, showing the taxes to be in arrears for the requisite period. This decision was under the statute 6 Geo. IV., cap. 7, and has always been acted upon in construing that act. Upon this return, or as the statute termed it "account of all the lots in arrear for taxes" it was the duty of the Clerk of the Peace to make out a writ, directing the sheriff to levy. In 1850, the 6 Geo. 4, cap. 7, was repealed by the 13 & 14 Vic. cap. 66. The cases of *Munro v. Grey* and *Errington v. Dumble*, were also founded on the 6 Geo. 4. The 13 & 14 Vic. cap. 66, was followed by the 16 Vic. cap. 182, under which *Hall v. Hill* was decided. The production of the sheriff's books, or perhaps the list directed by sec. 129, or even the warrant itself with list annexed, would it is apprehended be *prima facie* sufficient to establish the fact of the arrears and the period of arrears. (See *Hall v. Hill*, 22 U. C. Q. B. 578.) If the land be improperly assessed during any of the years, it may be that such year would have to be excluded in the computation of the five years. (*Alvan v. Fisher*, 13 U. C. C. P. 63) If the land be in fact proved to have been in arrear for the requisite period, a mistake in any of the

132. The Treasurer shall not sell any lands which have not been included in the lists furnished by him to the clerks of the several Municipalities in the month of February pre-

What lands only the Treasurer shall sell.

documents affecting it, will be of no consequence. (*Doe d. Stata v. Smith*, 9 U. C. Q. B. 658.) But if the fact whether the land was in arrear for the requisite period be left doubtful, the sale would in all probability be held bad. (*Harbourn v. Bushey*, 7 U. C. C. P. 464.)

The third point is, that the taxes be unpaid at the time of sale. It is not enough that the taxes have been in arrears for five years, but the fact that the arrears are existing at the time of sale, that gives the right to sell. (See sec. 139.) So that if at any time before sale, the taxes be paid the sale would be invalid. (*Howe et ux. v. Thompson*, M. T. 6 Vic. M. S., R. & H. Dig., Taxes, 11.) But the payment to be effective must be, as against the sheriff's deed, be proved to have been made to some officer entitled to receive it at the time when paid, (*Doe d. Sherwood et al. v. Matheson*, 9 U. C. Q. B. 321) and be proved beyond reasonable doubt. (*Macdonald v. Rowe*, 9 U. C. C. P. 76.) If voluntarily paid, the money cannot be recovered back. (*Austin v. The Corporation of the County of Simcoe*, 22 U. C. Q. B. 73; see also *Street v. The Corporation of the County of Simcoe*, 12 U. C. C. P. 284; S. C. 2 Er. & Ap. 211.)

The fourth and remaining point is, that the sale have been openly and fairly conducted. The law has ever required that those whose persons or property have been by misfortune or otherwise subjected to its process, shall be dealt with fairly and without oppression and with as little suffering and loss as possible, and it throws this duty upon the officer charged with the execution of the process. Taxes are at all times onerous and imposed merely from public necessity. It is the policy as well as the interest of the state, that they should bear as lightly as possible on individuals. It is the duty of persons whose business it is to collect such charges, to maintain this policy as far as in their power. (Per Vankoughnet, C., in *Massingberd v. Montague*, 9 Grant, 92; S. C. 8 U. C. L. J. 274.) If therefore an unlawful combination among purchasers, to purchase the land without competition, be shown, the sale will be declared void. (*Henry v. Burness*, 8 Grant, 345; S. C. 7 U. C. L. J. 43.) So where one of the sheriff's officers conducted the sale at which he knocked down, without any competition, to another officer of the sheriff, a lot of land worth about £350 for less than £7 10s., the sale was declared void. (*Massingberd v. Montague*, 9 Grant 92; S. C. 8 U. C. L. J. 274.) In such a case the person applying for equitable relief, must do equity and repay the purchase money and per centage, as though it were redemption money. (*Ib.*) Where a lot was put up for sale on 10th April, when an intending purchaser offered to take 29 acres and pay the taxes, but afterwards refused to carry out the purchase, and in the July following, at an adjourned sale, the same person purchased the 200 acres for the taxes upon a statement that he had already acquired a title to the land which he desired to confirm, and with a request not to oppose him, the sale was held illegal. (*Todd v. Werry et al.* 15 U. C. Q. B. 614.)

The right of redemption under ordinary circumstances, must be exercised within one year from the sale. (See sec. 149.)

Unless the deed be questioned on some of the foregoing grounds, it will be held final and binding on the former owner of the land and all

ceding the sale (e) nor any of the lands which have been returned to him as being occupied under the provisions of the one hundred and fourteenth section of this Act, (f) except the lands, the arrears for which had been placed on the Collection Roll of the preceding year and again returned unpaid and still in arrears in consequence of insufficient distress being found on the lands. County
Treasurer to
prepare list
of land to be
sold and
advertise in
Gazette.

133. The County Treasurer shall prepare a copy of the list of lands to be sold, required by section one hundred and twenty-nine of this Act, and shall include therein in a separate column a statement of the proportion of costs chargeable on each lot for advertising, and for the commissions authorized by this Act to be paid to him, distinguishing lands as patented, unpatented, or under lease or license of occupation from the Crown, and shall cause such list to be published four weeks in the *Official Gazette* and once a week for thirteen weeks in some newspaper published within the county, or if none be so published, in some other newspaper published in some adjoining county. (h)

Notice to be
given in such
advertisement.

134. The advertisement shall contain a notification that unless the arrears and costs are sooner paid, he will proceed to sell the lands for the taxes, on a day and at a place named in the advertisement. (i)

persons claiming under them. If not questioned in the cases of sales before this act, within four years after its passing, and in the case of sales after the act, within four years from the date of the deed, the deed is made valid and binding to all intents and purposes. (Sec. 156.)

(e) See sec. 111.

(f) See sec. 114 and notes thereto.

(g) See sec. 117.

(h) It was under the 13 & 14 Vic. cap. 67, held that the omission of the sheriff to advertise did not affect the validity of a sale for taxes, but should be treated merely as a direction of the statute which the officer was bound to observe at his peril. (*Jarvis v. Brooke*, 11 U. C. Q. B. 299.) Such is now unquestionably the law in the case of a sale by a sheriff under writ of execution. (*Jarvis v. Cayley*, 11 U. C. Q. B. 282; *Paterson v. Todd*, 24 U. C. Q. B. 296.) But in a case decided under the 16 Vic. cap. 182, it was held that an advertisement in a local paper was equally necessary with an advertisement in the *Official Gazette*, and for want of it the sale was held invalid. (*Williams v. Taylor*, 13 U. C. C. P. 219.) And in a case decided under Con. Stat. U. C. cap. 55, the Court of Queen's Bench in referring to *Williams v. Taylor*, said, "if it were necessary for the decision of this case, we should as at present advised, arrive at the same conclusion." (*Hall v. Hill*, 22 U. C. Q. B. 584.) But such an objection would not now, it is apprehend be of any avail as against a sale "openly and fairly conducted." (Sec. 181.)

(i) See note h to sec. 133.

135. The day of sale shall be more than ninety-one days after the first publication of the list. (*j*) Time of sale

136. The Treasurer shall also post a notice similar to the said advertisement, (*k*) in some convenient and public place at the Court House of the County, (*l*) at least three weeks before the time of sale. (*m*) Notice to be posted up.

137. The Treasurer shall in each case add to the arrears published, his commission and the cost of publication. (*n*) Expenses to be added to the arrears.

138. If at any time appointed for the sale of the lands, no bidders appear, the Treasurer may adjourn the sale from time to time. (*o*) Adjourning sale if no bidders.

139. If the taxes have not been previously collected, or if no person appears to pay the same at the time and place appointed for the sale, (*p*) the Treasurer shall sell by public auction so much of the land as may be sufficient to discharge the taxes and all lawful charges incurred in and about the sale and the collection of the taxes; selling in preference such part as he may consider best for the owner to sell first. (*q*) In Mode in which lands shall be sold by the Treasurer.

(*j*) Both the day of the first publication and the day of sale must be excluded in the computation of the ninety-one days, in other words, there must be between these two events, ninety-one full days. See *Mitchell v. Foster*, 9 Dowl. P. C. 527; *The King v. Justices of Shropshire*, 8 A. & E. 173.

(*k*) See sec. 133 and note thereto.

(*l*) The place is to be selected by the Treasurer subject to this direction, that it is to be a convenient and public place, and a place at the Court House.

(*m*) See note *j* to sec. 135.

(*n*) So that a person intending to pay the arrears, may by inspection of the advertisement and without further or other inquiry, ascertain how much he must pay to prevent the sale. The amount of taxes stated in the advertisement is in all cases to be held the correct amount. (Sec. 139.)

(*o*) Even though bidders appear, if the Treasurer discover a combination among them or has reason to be believe that a combination exists, to prevent fair competition, it seems to be his duty to adjourn. (*Henry v. Burness*, 8 Grant, 345.)

(*p*) See note *d* to sec. 131.

(*q*) Where lots are included in one grant, but described by separate numbers, a portion of each lot must be sold to pay the taxes thereon. (*Munro et al. v. Grey*, 12 U. C. Q. B. 647.) A grant having issued for lot number eight and three-quarters of lot number seven, the latter of which was not returned by the Government to the District Treasurer, as described, for grant, and the taxes on the whole of the grant having

offering such lands for sale it shall not be necessary to describe particularly the portion of the lot which shall be sold, but it shall be sufficient to say that he will sell so much of the lot as shall be necessary to secure the payment of the taxes due: (r) the amount of taxes stated in the Treasurer's advertisement shall in all cases be held to be the correct amount due: (s)

If the land
does not sell

amount of
taxes.

2. If the Treasurer fails at such sale to sell any land for the full amount of arrears of taxes due, he shall, at such sale, give notice that he will, at an adjourned sale, on a day to be named, sell such lands for any sum he can realize, and shall accept such sum as full payment of such arrears of taxes; (t) but the

been paid, the Treasurer credited it to the *west* three quarters, and returned the *east* quarter as in arrear for taxes; held, that the taxes having been paid on all the land in the grant, the sale of the east quarter was illegal. (*Peck v. Munro*, 4 U. C. C. P. 363.) Lot 18 and the west half of lot 19, containing together two hundred acres, were granted to B. in one grant, and in the same year the east part of lot 19, described as containing one hundred and fifty-six acres, was granted to one S. B.'s land, being in arrear for the requisite period, was returned to the Treasurer as lot 18 and the west part of lot 19 (two hundred acres); and the Sheriff, in 1848, sold and conveyed one hundred and thirty-five acres of lot 19, which included part of the land granted to S. The sale was held illegal. (*McDonald v. Kobillard*, 23 U. C. Q. B. 105.) It was held that the sale could not be upheld even as to that portion granted to B.; for lot 18 and the west part of lot 19 should each have been separately charged and sold for arrears. (*Ib.*) The east and west halves of lot 1, each containing one hundred acres, were granted by the Crown at different times and to different persons. The taxes being in arrear, lots 1 and 2 (four hundred acres) were returned as in arrear for 6*l.* 10*s.* taxes, without distinguishing that one portion of the taxes was on lot 1, and the remainder on lot 2, or upon the separate halves of lot 1. The Sheriff put up and sold the whole of lot 1 for the sum, at 3*l.* 12*s.* 6*d.*, being half the taxes on the whole, and 7*s.* 6*d.* for expenses. Held, the sale was void. (*Ridout et al. v. Ketchum*, 5 U. C. C. P. 50). The sale was held void, because a portion of the east half had been sold for taxes a portion whereof had accrued on the west half, and there were no means of apportionment. (*Ib.*) So where the north and south half of a lot of land were assessed separately, and different amounts charged against each half-lot, which amounts were afterwards added together and charged against the whole lot, and a portion of the whole lot sold for the combined amounts, the sale was held illegal. (*Laughtenborough v. McLean*, 14 U. C. C. P. 175: see also *Doe d. McGill v. Langton*, 9 U. C. Q. B. 98.)

(r) The contrary was held in *Knaggs v. Ledyard*, 12 Grant, 320; (now in appeal) and the law in consequence here amended.

(s) See note *n* to sec. 137.

(t) It would seem that the Sheriff may sue a purchaser for the amount of taxes, but in such an action it should be expressly averred that the defendant promised to pay for the land and accept a certificate within a reasonable time. (*Jarvis v. Cayley*, 11 U. C. Q. B. 282.) *Quare*, is

owner of any land so sold shall not be at liberty to redeem the same, except upon payment to the County Treasurer of the full amount of taxes due, together with the expenses of sale; (*u*) and the Treasurer shall account to the local Municipality for the full amount of taxes that shall be paid. (*v*)

140. If the Treasurer sells any interest in land of which the fee is in the Crown, he shall only sell the interest therein of the lessee or locatee, and it shall be so distinctly expressed in the conveyance to be made by the Treasurer and Warden, and such conveyance shall give the purchaser the same rights in respect of the land as the original lessee or locatee enjoyed, and shall be valid, without requiring the assent of the Commissioner of Crown Lands. (*a*)

If the Treasurer sells any land the fee of which is in the Crown, he shall only sell the interest of lessee or locatee.

141. If the purchaser of any parcel of land fails immediately to pay to the Treasurer the amount of the purchase money, the Treasurer shall forthwith again put up the property for sale. (*b*)

If purchaser fails to pay purchase money.

142. The Treasurer, after selling any land for taxes, shall give a certificate under his hand to the purchaser, (*c*) stating

Treasurer selling to give pur-

such a sale within the Statute of Frauds? (See *Mingaye v. Corbett*, 14 U. C. C. P. 557.) The Treasurer is in no way responsible for the title to the land sold. (*Austin v. The Corporation of the County of Simcoe*, 22 U. C. Q. B. 73.)

(*u*) See sec. 149.

(*v*) His commission and expenses are independent of the amount of taxes.

(*a*) Land vested in the Queen is exempt from taxation. (Sec. 9, subsec. 1) But where land is leased, sold or agreed to be sold by the Crown, or located as a free grant, the interest of the purchaser or locatee is liable to taxation. (Sec. 128.) Being liable to taxation, it is liable to sale, but the sale of course only passes the rights in respect to the land which the original lessee or locatee enjoyed. Such a sale, when followed by a deed, would, however, prevail against a patent subsequently issued to the original lessee or locatee, or a person claiming under him. (*Ryckman v. Van Vollenburgh*, 6 U. C. C. P. 385; *Charles v. Dulmage*, 14 U. C. Q. B. 585.)

(*b*) It has been held that a Sheriff who sold land for taxes might maintain an action for the price (see note *t* to sec. 139); but notwithstanding, it would be more prudent for Treasurers, where the purchase money is not forthwith paid, to avail themselves of this section.

(*c*) The certificate must—

2. State what interest therein has been sold.
3. Describe the land sold.

The purchaser shall, on receipt of the Treasurer's certificate of sale, become the owner of the land, so far as to have all necessary rights of action and powers for protecting the same from spoliation or waste, until the expiration of the term during which the land may be redeemed; but he shall not knowingly permit any person to cut timber growing upon the land, or otherwise injure the land, nor shall he do so himself, but he may use the land without deteriorating its value; provided that the purchaser shall not be liable for damage done without his knowledge to the property during the time the certificate is in force.  5. State the sum for which it was sold.
 6. State the expenses of sale, including commission. (See sec. 146.)
 7. State that a deed conveying the same to the purchaser or his assigns will be executed on demand at any time after the expiration of one year from date, if land not previously redeemed. (See sec. 150.)

(*h*) The certificate confers, as it were, a qualified ownership on the purchaser. He becomes the owner so far as to have all necessary rights of action, and powers for protecting the land from spoliation and waste. He is not knowingly to permit any person to cut timber growing upon the land; nor can he himself cut timber on the land, or otherwise injure it. But he may use the land, so long as he does not deteriorate its value. If he injure the land, or knowingly permit it to be injured, no doubt he would be responsible to the owner in the event of the land being redeemed. But it is expressly declared that he is not to be held responsible for damage done without his knowledge. His rights cease so soon as the redemption money has been tendered to the Treasurer. (Sec. 144.)

Whenever land is sold by a Treasurer according to the provisions of the one hundred and thirty-third and following sections of this Act, he may add the commission and costs which he is hereby authorized to charge for the services above mentioned, to the amount of arrears on those lands in respect of which such services have been severally performed, (*k*) and in every case he shall give a statement in detail with each certificate of sale, of the arrears and costs incurred. (*l*)

147. The Treasurer shall in all Deeds given for land sold at such sale, give a description of the part sold with sufficient certainty, and if less than a whole lot, then by such a general description as may enable a Surveyor to lay off the piece sold on the ground, he may make search, if necessary, in the Registry Office, to ascertain the description and boundaries of the whole parcel, and he may also obtain a Surveyor's description of such lots, to be taken from the Registry Office or the Government maps, where a full description cannot otherwise be obtained, such Surveyor's fee not to exceed one dollar; the charges so incurred shall be included in the account and paid by the purchaser of the land sold. (*i*) The rights of the purchaser are described in note *h* to the preceding section. It is here declared that these rights shall cease "from the time of a tender to the Treasurer of the full amount of the redemption money required by this act," but no provision is made for communicating the fact of such tender to the purchaser.

(*j*) The commission is "a lawful charge." within the meaning of sec. 139, so as to entitle the Treasurer to sell for it as well as the taxes in arrear. (See sec. 146.)

(*k*) The commission is in the nature of poundage, to be levied over and above the amount of taxes, and the Treasurer is only entitled to it when he has made the money. (See *Buchanan v. Frank*, 15 U. C. C. P. 196, S. C., 1 U. C. L. J., N. S., 124.)

(*l*) See note *c* to sec. 142.

lot in regard to its length and breadth, according to the quantity required to make the sum demanded." A deed thereunder, of "thirty acres of lot, &c., to be measured according to the statute," was held to contain a sufficient description. (*Fraser v. Maltice et al.* 19 U. C. Q. B. 150.) But a description as "twenty-five acres of lot, &c." without more was held insufficient. (*Cayley et al. v. Foster*, 25 U. C. Q. B. 405.) So where the deed under the 6 Geo. 4, of 120 acres of a lot of land contained two descriptions, the first a description by metes and bounds, which was not in accordance with the statute, and the other a general description in accordance with the statute, the latter was held to govern. (*McIntyre v. The Great Western Railway Company*, 17 U. C. Q. B. 118.) But the statute 13 & 14 Vic. cap. 67, which succeeded the 6 Geo. IV., and repealed it, required a description by metes and bounds, and a deed since that statute of land sold under it not containing a description by metes and bounds, was held invalid. (*McDonnell et al. v. McDonald*, 24 U. C. Q. B. 74.) This section requires "a description of the part sold with sufficient certainty." This in the same section is defined as being "such a general description as may enable a surveyor to lay off the piece sold on the ground." A description by metes, bounds and courses having relation to the boundaries and courses of the original lot, would be the best description. It would be prudent for the Treasurer in all cases, before making his deed, to obtain a surveyor's description of the piece sold. This no doubt would be sufficient to enable the same, if not any surveyor to lay it off on the ground. Such a description could be made out by an examination of the boundaries of the whole lot, and the examination, if necessary, of the Registry Office. The government maps may be examined, where a full description cannot otherwise be obtained. Allowance is made by the section for a surveyor's fee not to exceed \$1, to be included in the Treasurer's account and paid by the purchaser.

(*n*) It is a general principle that every fee to a public officer must have a legal origin (*Askin v. The London District Council*, 1 U. C. Q. B. 292) and where a statute allows certain specified fees to a public officer, none others are in general allowed. (See *Hooker et al. v. Gurnett*, 16 U. C. Q. B. 180; *In re Davidson and the Court of Quarter Sessions of the County of Waterloo*, 22 U. C. Q. B. 405.)

(*o*) The right to redeem is given to the owner of the land or his heirs, executors or administrators, or to any other person, whether claiming title or not. Such was the law before the passing of this act. (*Boulton v. Ruttan*, 2 O. S. 362; *Gilchrist v. Tobin*, 7 U. C. C. P. 141.)

(*p*) The time for redemption is "any time within one year from

County Treasurer, (*g*) for the use and benefit of the purchaser or his legal representatives, (*r*) the sum paid by him, together with ten per cent. thereon, (*s*) and the Treasurer shall give to the party paying such redemption money, a receipt, stating the sum paid and the object of payment, and such receipt shall be evidence of the redemption. (*t*)

150. If the land be not redeemed within the period so allowed for its redemption, being one year, exclusive of the day of sale as aforesaid, (*a*) then, on the demand of the purchaser, or his assigns, or other legal representative, at any time afterwards, and on payment of one dollar, the Treasurer shall prepare and execute with the Warden and deliver to him or them a Deed in duplicate of the land sold. (*b*)

the day of sale, exclusive of that day." Where the sale took place on the 7th October, 1840, payment of the redemption money on 8th October, 1841, was held too late. (*Proudfoot v. Bush*, 12 U. C. C. P. 52.) But payment on 7th October, 1841, would have been sufficient. (*Ib.*)

(*g*) So long as the money is tendered or substantially paid within the time limited, the statute is satisfied. (See *Allan v. Hamilton*, 23 U. C. Q. B. 109.)

(*r*) When the redemption money is paid, it becomes the money of the purchaser, and not of the municipality (*Wilson v. Huron and Bruce*, 8 U. C. L.J. 131; *Boulton v. York and Peel*, 25 U. C. Q. B. 21) and all rights of the purchaser in regard to the land cease from the time the money is paid or tendered to the Treasurer. (Sec. 144.)

(*s*) Where the purchaser, after the time for redemption is past, succeeds in equity in having the sale avoided, he will be made to do equity and pay the purchase money and ten per cent. thereon. (*Mas-singberd v. Montague*, 9 Grant 92.)

(*t*) The receipt must state :

1. The sum paid.
2. The object of the payment.

And when these things are stated in it, the receipt is made evidence of the redemption; and so long as the money is substantially paid within the time limited, the statute is satisfied. (*Allan v. Hamilton*, 23 U. C. Q. B. 109.)

(*a*) See note *p* to sec. 149.

(*b*) On the demand of the purchaser, &c., and on payment of one dollar, it is incumbent on the Treasurer to prepare and execute (with the Warden) and deliver a deed in duplicate of the land sold. If he refuse to comply, an action will lie against him, at the suit of the purchaser, for the recovery of damages. (See *Spafford v. Sherwood*, 3 O. S. 441; see also *Boulton v. Ruttan*, 2 O. S. 362.) The deed may be in the form mentioned in schedule B to this act, and shall have the effect mentioned in sec. 151. The deed may be demanded by an assignee of the purchaser. (See *Doe Bell v. Orr*, 5 O. S. 433.)

Such Deed shall be in the form or to the same effect as in schedule B, (c) and shall state the date and cause of the sale, and the price, and shall describe the land according to the provisions of section one hundred and forty-seven of this Act, (d) and shall have the effect of vesting the land in the purchaser or his heirs and assigns, or other legal representatives, in fee simple or otherwise, according to the nature of the estate or interest sold, (e) and no such Deed shall be invalid for any error or miscalculation in the amount of taxes or interest thereon in arrear, or any error in describing the land as "patented or unpatented," or held under a license of occupation. (f)

152. The Registrar or Deputy Registrar of the County in which the lands are situated, upon production of the duplicate Deed, shall enter the said instrument in the Registry book, and give a certificate of such entry and registration in accordance with the Act respecting Registrars and Registry Offices in Upper Canada, chapter twenty-four of the twenty-ninth Victoria. (g)

(c) Whenever the Legislature provides a form of a deed or other conveyance, that form should be as nearly as possible followed.

(d) The deed must state,

1. The date and cause of the sale.
2. The price.

And describe the land in accordance with the provisions of section 147, which see, and notes thereto.

(e) The form of the deed is one thing; its effect another. It is declared that the deed *shall* be in the form given, and when in such form *shall* have the effect of vesting the land in the purchaser in fee simple or otherwise, according to the estate or interest sold. (See sec. 140, and notes thereto.) It is not declared, as was declared in Con. Stat. U. C. cap. 53, sec. 150, that the deed shall vest the land in the purchaser, "free and clear of all charges and incumbrances thereon;" but, considering that the taxes accrued on any land are by sec. 108 made a special lien thereon, having preference over all claims, liens, privileges or incumbrances to any party except the Crown, it is reasonable to intend that it shall convey the land free of incumbrances.

(f) In other words, the deed, notwithstanding errors or miscalculations such as specified, shall be valid. (See further, as to the binding effect of the deed, secs. 181 & 156, and notes thereto.)

(g) The provisions of the Registry Act are as much applicable to deeds of this kind as any other deeds. (See *Doe Brennan v. O'Neill*, 4 U.C. Q.B. 8.) But no proof of execution is apparently necessary in order to satisfy the Registrar. He is, "*upon production of the duplicate deed, to enter the instrument in the Registry book.*" He is bound to give a certificate of the entry and registration. Special provision is also by

(*h*) Deeds of land sold under this act are to be registered on mere production of the duplicate. (Sec. 152.) But where the sales took place before the 1st January, 1851, a certificate under the hand and seal of office of the Sheriff is in addition required. Such certificate must state,

1. The name of the purchaser;
2. The sum paid;
3. The number of acres, and the estate or interest sold;
4. The lot or tract of land of which the same forms part;
5. The date of the Sheriff's conveyance to the purchaser.

A sheriff has not in general power to execute a deed of land sold for taxes, after the statute which authorized the sale has been repealed. (See *Bryant et al. v. Hill*, 23 U. C. Q. B. 96; *McDonald v. McDonell*, 24 U. C. Q. B. 424; see also *Wegan v. McDiarmid*, 12 U. C. C. P. 499.)

(*l*) Entries made in such a book, as to the particulars mentioned, might, in the event of the death of the Registrar, be evidence of the facts therein contained.

(*m*) There is a long list of cases reported in the Queen's Bench, Common Pleas, and Chancery Reports, in which sales for taxes have proved ineffectual, owing to the want of strict attention to the language of the statutes under which the sales took place, on the part of the officers required to carry the law into execution. Such a state of things was animadverted upon by the present Chief Justice of Upper Canada, in *McDonell v. McDonald* (24 U. C. Q. B. 80). The Legislature, in order to secure titles to land, interfered by enacting a species of Statute of Limitations, applicable to such cases (29 Vic. c. 26), which is here in part re-enacted. If the deed have been given before the passing of this act, and not questioned before some Court of competent jurisdiction by some person interested in the land sold within four years from the passing of this act, the deed is made valid and binding to all intents and purposes. So, if given after the passing of this act, it will, unless questioned in like manner within four years from its date, have a like effect. As to the grounds on which a treasurer's deed, under ordinary circumstances, may be questioned in court, see note *d* to sec. 131.

(*n*) The Treasurer of the county is the person on whom the law throws the duty of collecting such taxes as are shown to be in arrear by the Non-resident rolls and by the Collectors' rolls, received by him from the several townships, after all efforts have failed to collect in the townships, in consequence of the owner being a non-resident, or there being no sufficient distress on the land. (Per McLean, C. J., in *Austin v. The Corporation of the County of Simcoe*, 22 U. C. Q. B. 75.) All money received by him on account of taxes of non-residents may, either under by-law of the County Council, be at once distributed among the several local municipalities to which the taxes are due, or constitute a fund known as the "Non-resident Land Fund." Though subject, for certain purposes, to the control of the County Council, who may issue debentures on the credit of it (secs. 164 & 165), it is in no sense the money of the Council. (*Wilson v. The Corporation of the United Counties of Huron and Bruce*, 8 U. C. L. J. 135, 136; *Austin v. The Corporation of the County of Simcoe*, 22 U. C. Q. B. 73; *Boulton v. The Corporation of the United Counties of York and Peel*, 25 U. C. Q. B. 21.) The Treasurer must, when a fund has been created, open an account for each local municipality with the Fund (sec. 158); and in the event of a union of local municipalities being afterwards dissolved, must open an account with each. (Sec. 159). He is not required to keep an account of the several distinct rates. (Sec. 161.)

160. In cases where a new Municipality shall be formed partly from two or more Municipalities situate in different Counties, the collection of non-resident taxes due at the time of formation, shall remain in the hands of the Treasurer of the respective Counties formerly having jurisdiction over the respective portions of territory forming the new Municipality, and the respective Treasurers shall keep a separate account of such moneys, and pay the same to the new Municipality; and where a new Municipality shall be formed from two or more Municipalities situate in any one County, the Treasurer shall, in like manner, keep a separate account for such new Municipality. (*s*)

All arrears to form one charge upon the lands subject to them, &c.

Deficiencies in certain taxes to be supplied by the Municipality.

162. Every Local Municipal Council in paying over any school or local rate, or its share of any County rate or of any other tax or rate lawfully imposed for Provincial or local purposes, shall supply, out of the general funds of the Municipality, any deficiency arising from the non-payment of the taxes, (*u*) but shall not be held answerable for any deficiency arising from abatements of, or inability to collect the tax on personal property. (*v*)

(*s*) See Municipal Act, secs. 32, 33.

(*t*) The several rates are only needed for the purposes of the local municipality and for distribution by it to the several purposes for which the money is raised. The local municipality often finds it necessary to advance out of its general funds, moneys charged against non-resident lands, and await the collection thereof by the County Treasurer (sec. 162) and when the money is received from the County Treasurer who knows nothing of the several rates, it may be applied to make good the advance out of the general funds of the local municipality, and forms part of its general funds. (Sec. 163.)

(*u*) See note *t* to sec. 161.

(*v*) Inability to collect taxes on real estate, is not mentioned, and where the local municipality in anticipation of such taxes being collected, makes advances, the local municipality must apparently bear the loss of inability, if any, to realize on such land.

163. All sums which may at any time be paid to a Municipality out of the Non-Resident Land Fund of the County, shall form part of the general funds of such Municipality. (*w*)

Money from Land Fund how appropriated.

164. The Council of the County may from time to time, by by-law, authorize the warden to issue, under the Corporate Seal, upon the credit of the Non-resident Land Fund, Debentures payable not later than eight years after the date thereof, and for sums not less than one hundred dollars each, so that the whole of the debentures at any time issued and unpaid do not exceed two-thirds of all the arrears then due and accruing upon the lands in the County, together with such other sums as may be in the Treasurer's hands, or otherwise invested to the credit of the said fund; (*o*) all Debentures issued by the County shall be in the exclusive custody of the Treasurer, who shall be responsible for their safety until their proceeds are deposited with him. (*p*)

Debentures may be issued on the credit of the non-resident Land Fund.

Who to have charge of them.

165. Such debentures shall be negotiated by the Warden and Treasurer of the County, and the proceeds shall be paid into the said fund, and the interest on the said debentures, and the principal when due, shall be payable out of such fund; Provided always that the purchaser shall not be bound to see to the application of the purchase money, or be held responsible for the non-application thereof. (*q*)

By whom to be negotiated.

Proviso.

166. If at any time there be not, in the Non-resident Land Fund, where such Fund may have been created, money sufficient to pay the interest upon a Debenture or to redeem the same when due, such interest or Debenture shall be payable out of the general County funds, (*r*) and the payment thereof

Payment of interest on such debentures provided for.

(*w*) See note *t* to sec. 161.

(*o*) Debentures when regularly issued, are transferable by delivery (Municipal Act sec. 214) or by indorsement (*Id.* sec. 215.)

(*p*) The Treasurer being especially and peculiarly the officer entrusted with the collection of the money that constitutes the fund. (See note *n* to sec. 157.)

(*q*) The fund is intended to meet in advance the wants of the local municipalities, and not in any way to be a source of revenue or gain to the corporation of the county. (See note *n* to sec. 157 and sec. 167.) But it is very properly here provided, that the purchaser of a debenture shall not be bound to see to the application of the purchase money or be held responsible for the non-application thereof.

(*r*) The debenture, though issued on the security of a particular fund, is in reality the promise of the county, and so the county is bound to advance out of general county funds, money sufficient to pay interest.

The Council of the County may, from time to time, pass by-laws apportioning the surplus moneys in the Non-Resident Land Fund amongst the Municipalities ratably, according to the moneys received and arrears due on account of the non-resident lands in each Municipality; (t) but such apportionment shall always be so limited that the Debentures unpaid shall never exceed two-thirds of the whole amount to the credit of the fund. It is sufficient for him in his declaration to describe himself as the holder of the debenture (alleging the indorsation in blank, if any) and shortly stating its legal effect and purport, and to make proof accordingly. 173. The Treasurer of every County, (*d*) and the Treasurer or Chamberlain of every City and every Town withdrawn from the jurisdiction of the County in which it is situate, (*e*) shall be required to keep a triplicate Blank Receipt Book, and, on receipt of any sum of money for taxes on land, shall deliver to the party making payment one of such receipts, and shall deliver to the County, City or Town Clerk the second of the set, with the corresponding number, retaining the third of the set in the book; delivery of such receipts to be made to the Clerk at least every three months; (*f*) the County, City or

1. An account of all the moneys received and expended during the year, *distinguishing* the sums received on account of and paid to the several municipalities, and received and paid on account of interest or debentures negotiated or redeemed, *and* the sums invested *and* the balance on hand.
2. A list of all debentures unpaid, with the dates at which they will become due.
3. A statement of all the arrears then due (*distinguishing* those due in every municipality) and the amount due on lands advertised for sale, or which may be advertised during the ensuing year.

RESPONSIBILITY OF OFFICERS.

and Collec-

security, and

174. Every Treasurer, Chamberlain and Collector, before entering upon the duties of his office, shall enter into a bond to the Corporation of the Municipality for the faithful performance of his duties. (i)

Bond with
sureties.

175. Such bond shall be given by the officer and two or more sufficient sureties, in such sum and such manner as the Council of the Municipality by any By-law shall require in

that if one set of receipts should happen to be destroyed or mislaid, the other will be forthcoming. •

(g) The entries required are :

1. The name of the party making payment;
2. The lot on which the payment is made;
3. The amount paid;
4. The date of the payment;
5. The number of the receipt.

(h) See note i to sec. 50, and note u to sec. 60.

(i) Each of the officers named is by virtue of his office connected with the receipt or disbursement of moneys belonging to the Corporation. It is made the duty of each, "before entering upon the duties of his office," to enter into a bond to the Corporation of the municipality for the faithful performance of his duties. Besides, each must, before entering on the duties of his office, make and subscribe a declaration of office. (See sec. 179 of the Municipal Act). The appointment to the office necessarily precedes the obligation to give the bond or make the oath. So soon as the person is appointed, it becomes his duty to do the one and the other. But the omission of either does not *per se* vacate the appointment, unless conditionally made, nor render the person appointed incompetent to discharge the other duties appertaining to his office. (See *Judd v. Read*, 6 U. C. C. P. 362.) So that if a Collector, having given the required bond without taking the oath of office, collect moneys, it will be no defence to his sureties that he failed to take the oath of office (*Municipality of Whitby v. Flint*, 9 U. C. C. P. 449); nor would it be any defence to his sureties that his roll was not properly certified (*The Corporation of the Township of Whitby v. Harrison*, 18 U. C. Q. B. 603); or not delivered to him within the time limited by law in that behalf (*Todd v. Perry et al.*, 20 U. C. Q. B. 649); nor that after the roll was delivered to him, the time for making collections was, without the knowledge of the sureties, extended. (16. and see *Corporation of Whitby v. Harrison*, 18 U. C. Q. B. 606.)

that behalf, and shall conform to all the provisions of such By-law. (j)

176. If any Assessor or Clerk refuses or neglects to perform any duty required of him by this Act, he shall, upon conviction thereof before the Recorder's Court of the City, or before the Court of General Quarter Sessions of the County in which he is Assessor or Clerk, forfeit to Her Majesty such sum as the Court shall order and adjudge, not exceeding one hundred dollars. (k)

Penalty on Assessors or Clerks failing to perform their duty, and how enforced.

(j) The bond should be made to the Corporation of the municipality (sec. 174), and in the name of the Corporation, thus: "*The Corporation of the (county, city, town, village, township, or united counties, or united townships, as the case may be) of (naming the same).*" (Sec. 4 of the Municipal Act.) But it does not follow that bonds taken in any other name or in any other form will be void. A bond by a Collector and sureties to "the Treasurer of the town of," &c., has been held good. (*Judd v. Read*, 6 U. C. C. P. 362; *Todd v. Perry et al.*, 20 U. C. Q. B. 649.) So where it was to "The Municipality of the Township of Whitby" (*The Corporation of the Township of Whitby v. Harrison*, 18 U. C. Q. B. 603, 606), or "The Provisional Municipal County Council of the County of Bruce" (*The Provisional Corporation of the County of Bruce v. Cromar*, 22 U. C. Q. B. 321), in each case the bond was held good. (See also *The Brock District Council v. Bowen*, 7 U. C. Q. B. 471; *The Trent and Frankford Road Company v. Scott Marshall*, 10 U. C. C. P. 329.) The bond, when given, should have two or more sufficient sureties, in such sum and in such manner as the Council of the municipality by any by-law shall require in that behalf. The members of Municipal Councils cannot, as trustees for the rate-payers, evince too much care in seeing that the receipt and expenditure of the money of the rate-payers is properly secured; and in cases of flagrant neglect, it is quite possible that the members themselves might be held personally responsible. (See *Parks v. Davis*, 10 U. C. C. P. 229.) The bond, if in general terms for accounting and paying over all moneys collected, will apply as well to moneys collected for county purposes as for any of the purposes mentioned in sec. 191 of this act. (See sec. 193.)

(k) This is a wise provision, intended to secure the due execution of the act by the officers mentioned, whose business it is to learn their duty, and to do it accordingly. Either refusal or neglect is made punishable. The former involves an act of the will, but the latter does not necessarily do so. Any inquiry into the motives or cause of neglect, so far as this section is concerned, would be inexpedient: it would be leaving too much to the lenity of a jury. But mere omission is not necessarily equivalent to neglect. Inability or superior force may excuse the non-performance of a duty by one who is willing to do it. Nor does it follow that every non-compliance with the directions of the act, in its minor details, will bring the party within the penalty of this section. Neglect, however, may in general be described as the omission to do some duty which the party was able to do, but did not do. Forgetfulness is no excuse. The penal part of the act may press with more severity in one class of cases than another, but with that the Courts have nothing

Other Assessors may act for those in default.

177. If an Assessor neglects or omits to perform his duties, (*l*) the other Assessor or other Assessors (if there be more than one for the same locality), or one of such Assessors, shall, until a new appointment, perform the duties, (*m*) and shall certify upon his or their Assessment Roll the name of the delinquent Assessor, and also, if he or they know it, the cause of the delinquency; (*n*) and any Council may, after an Assessor neglects or omits to perform his duties, appoint some other person to discharge such duties; (*o*) and the Assessor so appointed shall have all the powers and be entitled to all the emoluments which appertain to the office. (*p*)

Punishment of Clerks, Assessors, &c., making fraudulent assessments, &c.

178. If any Clerk, Assessor or Collector, acting under this Act, makes any unjust or fraudulent assessment or collection, or copy of any Assessor's or Collector's Roll, or wilfully and fraudulently inserts therein the name of any person who should not be entered, or fraudulently omits the name of any person who should be entered, or wilfully omits any duty required of him by this Act, (*q*) he shall be guilty of a misdemeanor, and

to do: the law is so written, and the Courts have nothing to do with the consequences. (See *King v. Burrell*, 12 A. & E. 460.) The neglect may be wholly to do the duty, or to do it within the time limited in that behalf. Either is neglect, within the meaning of this section. It is of the utmost importance, so far as the administration of the provisions of the Municipal and Assessment Acts is concerned, that things should be done when directed to be done. (See *Hunt v. Hibbs*, 5 H. & N. 123.) This section throughout, so far as neglect is concerned, applies rather to cases of mere neglect than of wilful neglect. The latter are looked upon as still more penal, and especially provided for by subsequent sections. (Sec. 178.)

(*l*) See note *k* to sec. 176.

(*m*) See section 21 and following sections of this act.

(*n*) The duty of the "other assessor or assessors," under the circumstances stated, to do what is required of them, is as much a duty as any duty primarily imposed upon him or them under this act.

(*o*) Not only is the "other assessor or assessors" to perform the duties of the delinquent assessor, but to certify upon the roll,

1. The name of the delinquent;
2. The cause of the delinquency, if known.

(*p*) The power to appoint involves the power to remove, and neglect or omission to perform specified duties is a just cause of removal.

(*q*) Cases of refusal or mere neglect are provided for by sec. 176. This section is intended for the punishment of misconduct still more reprehensible than any provided against in that section. The acts of misconduct specified are:

1. Making any unjust or fraudulent assessment or collection, or copy of any assessor's or collector's roll. (See sec. 179.)

upon conviction thereof, before a Court of competent jurisdiction, shall be liable to a fine not exceeding two hundred dollars, and to imprisonment until the fine be paid, or to imprisonment in the Common Gaol of the County or City, for a period not exceeding six months, or to both such fine and imprisonment, in the discretion of the Court. (r)

179. Proof to the satisfaction of the jury, that any real property was assessed by the Assessor at an actual value greater or less than its true actual value, by thirty per centum thereof, shall be *prima facie* evidence that the assessment was unjust or fraudulent. (s)

What shall be evidence of fraudulent assessment.

2. Wilfully and fraudulently inserting therein the name of any person who should not be entered, or fraudulently omitting the name of any person who should be entered.
3. Wilfully omitting any duty required by this act. (See note k to sec. 176.)

The wilful and contumacious refusal of an officer to perform his duty, works a forfeiture of his office. (*Wildes v. Russell*, 1 L.R. C.P. 722.)

(r) The punishment may be,

1. Fine not exceeding \$200 and to imprisonment till the fine be paid.
 2. Imprisonment in the common gaol for a period not exceeding six months.
 3. Both such fine and imprisonment, in the discretion of the court.
- (See *In re Slater v. Wells*, 9 U. C. L. J. 21.)

The punishment in cases falling under sec. 176, is fine "not exceeding \$100."

(s) The true actual value of real property is in general mere matter of opinion; and where the subject of inquiry is a mere matter of opinion, opinions of men will be found widely to differ. One man is sanguine, and fixes present value in hope of future increase; another is gloomy, and is influenced by fears of future decrease. One values for purposes of sale, being able and willing to buy; another values with the like view, being neither able nor willing to buy. Each man has his own stand-point, and his opinion is greatly influenced thereby. (See note a to sec. 30.) That the price paid for land, and the money expended upon it, do not constitute its value, is a matter of every day's experience. The value rather depends upon the number of persons who at the moment are willing to purchase, coupled with the unwillingness of the owners to sell, and, in a less degree, by the amount of capital held for investment in land at the time. The anxiety of the owner to sell, when few are willing to buy, frequently reduces it to a value more nominal than real. Strictly speaking, the value of land, like any other commodity, is the price it will bring in the market at the time it is offered for sale. (See *Squire qui tam v. Wilson*, 15 U. C. C. P. 284.) But before any man can be convicted under this section, the jury must be satisfied of the actual value of the property in question; and when it has been arrived at, a valuation greater or less than it, by thirty per cent., is made *prima facie* evidence that the assess-

181. With reference to the Upper Canada Jurors' Act, if an Assessor of any Township, Village or Ward neglects or omits to make out and complete his Assessment Roll for the Township, Village or Ward, and to return the same to the Clerk of such Township or Village, or of the City or Town in which such Ward is situated, or to the proper officer or place of deposit of such Roll, on or before the first day of September of the year for which he is Assessor, (a) every such Assessor so offending shall forfeit for every such offence the sum of two hundred dollars, one moiety thereof to the use of the Municipality, and the other moiety, with costs, to such person as may sue for the same in any Court of competent jurisdiction, by action of debt or information; (b) but nothing herein contained shall be construed to relieve any Assessor from the obligation of returning his Assessment Roll at the period required elsewhere by this Act, and from the penalties incurred by him by not returning the same accordingly. (c)

ment was unjust or fraudulent. But it is still in the power of the accused, by proof of the circumstances under which the assessment was made, to rebut the *prima facie* case so established.

(t) See note s to sec. 179.

(u) See note r to sec. 178.

(a) See note k to sec. 176.

(b) The County Court has now jurisdiction in penal actions. (*Brash v. Taggart*, 16 U. C. C. P. 415.) The statute 18 Eliz. cap. 5, prohibits the compromise of such actions without the leave of the court (*Bleeker v. Meyers*, 6 U. C. Q. B. 134.), and in one case leave was given on paying the Crown's share into court. (*Gray qui tam v. Detrick*, H. T. 6 Wm. IV.; R. & R. Dig., Penal Action, 2.) Where it clearly appears on the face of the declaration, that the consideration of the defendant's promise was a compromise of such an action without leave of the court, brought by the plaintiff as a common informer against defendant, the consideration will be held to be illegal, and the declaration bad. (*Hart v. Meyers*, 7 U. C. Q. B. 416.) The verdict of a jury for defendant, in a penal action, on a question of fact properly left to them, is final and conclusive. (See *Hall v. Green*, 9 Ex. 247; *Gough v. Hardman*, 6 Jur. N. S. 402; *McLellan v. Brown*, 12 U. C. C. P. 542; *Squire qui tam v. Wilson*, 15 U. C. C. P. 284.) No damages are recoverable for the detention of the debt, because the debt is not due till judgment. (See *Frederick v. Lookup*, 4 Burr. 2018; *Cuning v. Sibly*, 4 Burr. 2489.)

(i) See note i to sec. 50, and note u to sec. 60.

182. If a Collector refuses or neglects (*d*) to pay to the proper Treasurer or Chamberlain, or other person legally authorized to receive the same, the sums contained in his roll, or duly to account for the same as uncollected, (*e*) the Treasurer or Chamberlain shall, within twenty days after the time when the payment ought to have been made, (*f*) issue a warrant under his hand and seal, directed to the sheriff of the County, or to the High Bailiff of the City (as the case may be) commanding him to levy of the goods, chattels, lands and tenements of the Collector and his sureties, such sum as remains unpaid and unaccounted for, with costs, and to pay to the Treasurer or Chamberlain the sum so unaccounted for and to return the warrant within forty days after the date thereof. (*g*)

183. The said Treasurer or Chamberlain shall immediately deliver the said warrant to the Sheriff of the County, or High Bailiff of the City, as the case may require. (*h*)

Warrant to be delivered to Sheriff, &c.

(*d*) *Neglects or refuses*, see note *k* to sec. 176.

(*e*) It is the duty of every collector of taxes on or before 14th December in every year, or on such other day in the next year not later than 1st April, as the Council of the city, town, township or village may appoint, to return his roll to the Treasurer or Chamberlain of the municipality, and pay over the amount payable to such Treasurer or Chamberlain, specifying in a separate column in his roll, how much of the whole amount paid over is on account of such separate rate. (Sec. 104.) If any of the taxes mentioned in the collectors' roll remain unpaid, and the collector be not able to collect the same, he must deliver to the Chamberlain or Treasurer of the municipality, an account of all taxes remaining due on the roll, and in such account must show opposite to each assessment the reason why he could not collect the same, by inserting in each case the words "non-resident" or "not sufficient property to distrain" (as the case may be). (Sec. 106.)

(*f*) The day on which the payment ought to have been made must be reckoned exclusively. (See *Young v. Higgon*, 6 M. & W. 49; *Gibson v. Musket*, 3 Scott N. R. 429.)

(*g*) It is of the greatest importance that moneys due to a municipal corporation for taxes or rates, should with as little delay as possible be paid. This is necessary in order to enable the corporation not merely to pay its officers and keep faith with contractors, but to keep faith with public creditors. Hence it is that sureties are necessary (secs. 174, 175) and hence it is that so stringent provisions, even of a criminal nature, are enacted against collectors and others whose duty it is to collect and pay over taxes. (Sec. 182.) Hence it is that the very summary remedy of a civil nature is here provided, and that remedy is an immediate one, not only against the goods, chattels, lands and tenements of the collector, but of his sureties.

(*h*) See note *g* to sec. 182.

184. The Sheriff or High Bailiff to whom the warrant is directed shall, within forty days, cause the same to be executed and make return thereof to the Treasurer or Chamberlain, and shall pay to him the money levied by virtue thereof, (*i*) deducting for his fees the same compensation as upon writs of execution issued out of the Courts of record. (*j*)

185. If a Sheriff or High Bailiff refuses or neglects to levy any money when so commanded, or to pay over the same, or makes a false return to the warrant, or neglects or refuses to make any return, or makes an insufficient return, (*k*) the Treasurer or Chamberlain may, upon affidavit of the facts, apply in a summary manner, to either of the Superior Courts of Common Law in term time, or to any Judge of either Court in vacation, for a rule or summons calling on the Sheriff or High Bailiff to answer the matter of the affidavit. (*l*)

186. The said rule or summons shall be returnable at such time as the Court or Judge directs. (*m*)

187. Upon the return of such rule or summons the Court or a Judge may proceed in a summary manner upon affidavit, and without formal pleading, to hear and determine the matters of the application. (*n*)

(*i*) The duties of the officers to whom the writ is delivered, are:

1. To cause the same to be executed.
2. To make return thereof to the Treasurer or Chamberlain.
3. To pay over the money levied—deducting his fees.

All within forty days.

(*j*) A sheriff is not entitled to poundage on a writ of execution, unless he actually levy, that is, make the money. (*Buchanan et al. v. Frank*, 15 U. C. C. P. 196.) If the claim be settled by means of the pressure of the writ, the sheriff is entitled to reasonable compensation therefor. (*Id.*)

(*k*) The section applies if the sheriff or high bailiff:

1. Refuses or neglects to levy.
2. To pay over the amount, if levied.
3. Makes a false return.

4. Neglects or refuses to make any return, or makes an insufficient return.

(*l*) The application is to be made "upon affidavit of the facts." If the affidavit be deemed sufficient, the court or judge will grant a rule or summons, returnable at such time as may be directed, to answer the matter of the affidavit. (See sec. 186.)

(*m*) See note *l* to sec. 185.

(*n*) It is enacted that the court or a judge may proceed in a summary manner, to hear and determine the matters of the application. Apparently as much power is given to the judge as the court. The juris-

192. All moneys collected for County purposes, or for any of the purposes mentioned in the preceding section, shall be payable, by the Collector to the Township, Town or Village Treasurer, and by him to the County Treasurer, and the Corporation of the Township, Town or Village shall be responsible therefor to the Corporation of the County. moneys col-
lected by
them.

193. Any bond and security given by the Collector or Treasurer to the Corporation of the Township, Town or Village, that he will account for and pay over all moneys collected or received by him, shall apply to all moneys collected or received for County purposes, or for any of the purposes mentioned in the one hundred and ninety-first section. Local Treasurers to pay over County moneys to County Treasurers.

194. The Treasurer of every Township, Town or Village shall, within fourteen days after the time appointed for the final settlement of the Collectors' Rolls, (*c*) pay over to the Treasurer of the County all moneys which were assessed and

(*v*) See secs. 174, 175, 176, 177, 178, 179, 182 *et seq.* and notes thereto.

(*a*) It is not only declared that all the moneys collected for county purposes, or for any of the purposes mentioned in the preceding section shall be payable by the Collector of the township, &c., to the County Treasurer, but that the corporation of the township shall be responsible therefor (apparently whether collected or not) to the corporation of the county. This of itself should induce local corporations to employ only active and reliable men as collectors, and to exact from all men holding such an office, ample security for the due accounting and paying over all moneys collected. The bond or security in such a case will apply to county moneys as well as all moneys mentioned in sec. 191, whether so expressed in the bond or not. (Sec. 193.)

(*b*) It is not every bond or security given by a Collector or Treasurer that will come under this section, but only such as are conditioned or provided for accounting and paying over all moneys collected or received by the officers. These general words when used, are, by the operation of this section, made to extend not only to moneys collected or received for county purposes, but for any of the purposes mentioned in sec. 191 of the act.

195. If default be made in such payment, (*e*) the County Treasurer may retain or stop a like amount out of any moneys which would otherwise be payable by him to the Municipality, or may recover the same by a suit or action for debt against such Municipality, or whenever the same has been in arrear for the space of three months, he may by warrant under his hand and seal reciting the facts, direct the Sheriff of the County to levy and collect the amount so due with interest and costs from the Municipality in default. 196. The Sheriff, upon receipt of the warrant, shall levy and collect the amount, with his own fees and costs, as if the warrant had been a writ of execution issued by a Court of law, (*g*) and he shall levy the amount of costs and fees, in the same manner as is provided by the "Act respecting the Municipal Institutions of Upper Canada," in cases of writs of execution. (*gg*)

How the Sheriff shall levy.

197. The County Treasurer, and City Chamberlain, respectively, shall be accountable and responsible to the Crown for all moneys collected for any of the purposes mentioned in the one hundred and ninety-first section of this Act, and shall pay over such moneys to the Receiver-General. (*h*)

(*d*) If default be made, summary proceedings may be had against the Treasurer, such as authorized by the act against the Collector. (Sec. 195.)

(*e*) See sec. 194.

(*f*) The remedies are three :

1. Retaining or stopping a like amount out of any moneys which would otherwise be payable to the municipality.
2. Recovering the same by a suit or action for debt against such municipality.
3. Issue of a warrant whenever in arrears for the space of three months.

(*gg*) See Municipal Act, sec. 224, and notes thereto.

198. Every County, City and Town withdrawn from the jurisdiction of the County within which it is situated, (*i*) shall be responsible to Her Majesty, and to all other parties interested, that all moneys coming into the hands of the Treasurer or Chamberlain of the County, City or Town in virtue of his office, shall be by him duly paid over and accounted for according to law. ble to Coun-

199. The Treasurer or Chamberlain and his sureties shall be responsible and accountable for such moneys in like manner to the County, City or Town, and any bond or security given by them for the duly accounting for and paying over moneys coming into his hands, belonging to the County, City or Town, shall be taken to apply to all such moneys as are mentioned in the one hundred and ninety-first section, (*k*) and may be enforced against the Treasurer or Chamberlain, or his sureties, in case of default on his part. 200. The bond of the Treasurer or Chamberlain and his sureties shall apply to School moneys and all public moneys of the Province; and in case of any default, Her Majesty may enforce the responsibility of the County, City or Town, by stopping a like amount out of any public moneys, which would otherwise be payable to the County, City or Town, or to the Treasurer or Chamberlain thereof, or by suit or action against the Corporation. (*m*)

lain, &c.

201. Any person aggrieved by the default of the Chamberlain or Treasurer, may recover from the Corporation of the City, County or Town the amount due or payable to such person, as money had and received to his use. (*n*)

(*i*) Every such city and town is a county of itself for municipal purposes. (Municipal Act, sec. 356.)

(*j*) See note *a* to sec. 192.

(*k*) See note *b* to sec. 193.

(*l*) In an action by the Corporation of a county against their Treasurer, on his bond, where it was proved that Government money fraudulently charged by him as paid over to the Government was not so paid, it was held unnecessary to show a demand of the Government upon him for the money, in order to entitle the Corporation to recover. (*Corporation of Essex v. Park*, 11 U. C. C. P. 473.)

(*m*) See note *f* to sec. 195.

(*n*) The count for money had and received is the most common of all the common counts. It is applicable wherever the defendant has received moneys which in justice and equity belong to the plaintiff, under circumstances which render a receipt of it a receipt to the use of the plaintiff. (See Bullen & Leake's Precedents, 2nd ed. p. 36, *et seq.*)

MISCELLANEOUS.

202. If any person wilfully tears down, injures or defaces any advertisement, notice or other document, which is required by this Act to be posted up in a public place for the information of persons interested, he shall, on conviction thereof in a summary way before any Justice of the Peace having jurisdiction in the county, be liable to a fine of twenty dollars, and in default of payment or for want of sufficient distress to imprisonment not exceeding twenty days. (*o*)

203. The fines and forfeitures authorized to be summarily imposed by this Act, shall, when not otherwise provided, be levied and collected by distress and sale of the offender's goods and chattels, under authority of a warrant of distress to be issued by a Justice of the Peace of the County, and in default of sufficient distress, the offender shall be committed to the Common Gaol of the County, and be there kept to hard labour for a period not exceeding one month. and Acts
amending it,
repealed.

(*o*) It is only when the person charged is proved *wilfully* to have torn down, injured or defaced an advertisement, notice or other document, under the act, that he can be convicted. Where the act charged can be said to have been the result of mere neglect (see note *k* to sec. 176) and not of the will, there is no offence under this section. If convicted, there may be a fine imposed of twenty dollars; and in default of sufficient distress, imprisonment for twenty days.

(*p*) This section applies to all fines and forfeitures authorized to be summarily enforced by the act, when no other mode of levy is provided. Where a fine or pecuniary forfeiture is imposed, the object to be attained is the collection of the money. If that object can be attained by distress of goods and chattels, it would be unlawful to imprison. The imprisonment is only authorized in default of sufficient distress, and then for a period not exceeding one month at hard labour.

(*q*) This section also applies to all penalties (not to all fines and forfeitures) recovered under the act. All such, when not otherwise provided, must be paid to the Treasurer or Chamberlain, to the use of the municipality. The fine authorized by sec. 176, to be imposed on an Assessor or Clerk who refuses or neglects to perform any duty under the act, is to be forfeited "to Her Majesty."

fifty-five of the Consolidated Statutes for Upper Canada, (*r*) are hereby repealed, saving any rights, proceedings or things legally had, acquired or done under the said Acts or any of them. (*s*)

ment of Act.

206. This Act shall be known and may be cited as "The Assessment Act of Upper Canada," (*t*) and shall come into force and effect upon and from the first day of January, one thousand eight hundred and sixty-seven. (*u*)

(*r*) The statutes to which reference is here made, have been, in whole or in part, re-enacted by this act.

(*s*) See note *n* to sec. 428 of the Municipal Act.

(*t*) This has already been enacted in the act. (See sec. 1, and note *b* thereto.

(*u*) Questions may arise as to the effect of the act upon proceedings in actions commenced before and pending on the 1st January, 1867. The general scope of the act appears to be prospective, but in some parts is clearly retrospective.

RULES OF COURT

FOR THE TRIAL OF CONTESTED ELECTIONS AND TARIFF OF FEES.

IN THE

COURTS OF QUEEN'S BENCH AND COMMON PLEAS.

MICHAELMAS TERM, 14TH VICTORIA.

WHEREAS, by an Act passed by the Parliament of this Province, in the twelfth year of Her Majesty's reign (cap. 81), entitled, "An Act to provide by one general law for the erection of Municipal Corporations, and the establishment of Regulations of Police, in and for the several Counties, Cities, Towns, Townships and Villages in Upper Canada," power was given to Her Majesty's Court of Queen's Bench in Upper Canada, and the several Judges thereof, to try and decide all matters relating to contested Municipal Elections as therein provided; And whereas, by the Act of the last session of Parliament (chapter 64), entitled, "An Act for correcting certain errors and omissions in the Act of the Parliament of this Province, passed in the last session thereof, intituled, '*An Act to provide by one general law for the erection of Municipal Corporations and the establishment of Regulations of Police, in and for the several Counties, Cities, Towns, Townships and Villages in Upper Canada,*'" 12 Vic. 81, sec. 146, *et seq.* 16 Vic. c. 181, sec. 27. for amending certain of the provisions of the said Act, and making some further provisions for the better accomplishment of the object thereof," the powers conferred on the said Court and Judges have been extended to the Court of Common Pleas and the Judges thereof, and additional powers have been thereby given in the premises to the said Courts and Judges respectively; and it being among other things in effect enacted, that it should and might be lawful for the Judges of Her Majesty's two Superior Courts of Common Law, at Toronto, or the majority of them, by any rule or rules to be by them for that purpose made, from time to time in term time, as occasion may require, to settle the forms of all such writs, whether of summons, certiorari, mandamus, execution, or of or for whatever other kind or purpose, as are authorized by the said Act; therefore, in order to settle the said forms, and to regulate the practice and proceedings in the said Courts in the matter aforesaid,

It is ordered, that the following Rules be substituted for the Rules made in Hilary Term last, by the Judges of the said Court of Queen's Bench, for the trial of such elections; and that the forms of such writs, and the practice to be observed with respect to the matters aforesaid, shall be as follows, that is to say:

1. The relator entitled to complain of any election shall in person or by attorney, by written motion, apply to one of the said Courts of Queen's Bench or Common Pleas in term time, or to the Judge presiding in Chambers in vacation, for a writ of summons in the nature of a *quo warranto*, which motion must, according to the statute, be made within six weeks after the election complained against, or within one month after the person whose election is questioned shall have accepted the office, and not afterwards.

2. Such motion shall be founded, first, on a written statement, which shall be annexed to the motion paper, setting forth the interest which the relator has in the election, as candidate or voter, and setting forth also specifically, under distinct heads separately numbered (if there be more than one), all such grounds of objection as he intends to urge against the validity of the election complained against, and in favor of the validity of the election of the relator or another or other person or persons, when he shall claim that he or they or any of them have been duly elected; and at the foot of such statement there shall be an affidavit, made and signed by the relator, that he believes such grounds to be well founded: and, secondly, on an affidavit or affidavits of the relator, or other person or persons, setting forth fully and in detail the facts and circumstances which shall support the application.

The statement of the relator may be after the following form, *mutatis mutandis*:

STATEMENT OF THE RELATOR.

IN THE QUEEN'S BENCH (or COMMON PLEAS).

The statement and relation of —, of —, who, complaining that —, of — (*here inserting the names and additions of all, if more than one person*), hath (*or have*) not been duly elected, and hath (*or have*) unjustly usurped and still doth (*or do*) usurp the office of —, in the Town of — (*or Township of —, as the case may be*), in the County (*or United Counties*) of —, under the pretence of an election held on —, at —, in the said County (*or United Counties*). [And (*when it is claimed that the relator, or the relator and another, or others, ought to have been returned*) that (*here name the party or parties so entitled*) was (*or were*) duly elected thereto, and ought to have been returned at such election], and declaring that he the said relator hath an interest in the said election as a —, states and shows the following causes why the election of the said — to the said office should be declared invalid and void. [And (*when so claimed*) the said — (*naming the party or parties*) be duly elected thereto.]

First—That (*for example*) the said election was not conducted according to law, in this, that, &c.

Second—That the said — was not duly or legally elected or returned, in this, that, &c.

Third—That, &c.

Signed by the relator in person, or by C. D. his attorney.

NOTE.—Where the intention of the relator is to impeach the election as altogether void, in which event, as the office cannot be claimed for any other or others, the portion of the above and succeeding forms relating thereto should be omitted.

3. If the Court or Judge applied to shall find sufficient ground for issuing a writ of summons in the nature of a *quo warranto*, then, upon such recognizance being entered into as the Act directs, and a proper affidavit of justification made, and the sufficiency of the sureties allowed by such Court or Judge, a writ shall issue, sealed and tested as other writs of summons in cases between party and party, and attached thereto shall be a copy of the relator's statement of objections and grounds, and of the names and additions of the persons who shall have made the affidavits upon which the writ was moved.

The recognizance and fiat for summons, and the writ of summons in these Rules mentioned, may be in the following forms :

Whereas, upon the trial of the validity of an election of —, chosen upon the — day of —, to be — for the Township of — (*or as the case may be*), in the County of —, and which election hath been complained of by E. F., as the relator, alleging (*as the case may be*) that he himself, or that he and C. D., &c., or that C. D., &c., was or were duly elected, and ought to have been returned, it hath become material to ascertain whether (*here stating concisely the issues to be tried*); and whereas it is desired by —, our Chief Justice (*or Justice*) of our Court of Queen's Bench (*or Common Pleas*), before whom the same is pending, that the truth of such matters as aforesaid may be found by a jury: We do, therefore, pursuant to the statute in such cases made and provided, command you, that by twelve good and lawful men of the County of —, who are in no wise akin to the said E. F., the relator in the said case, or to the said (*the other party or parties, naming him or them*), and who shall be sworn truly to try the truth of the said matters, you do proceed to try the same accordingly; and when the jury shall have given their verdict on the matters aforesaid, we command you that

you do forthwith make known to our said Chief Justice (*or Justice*) what shall have been done by virtue of this writ, with the finding of the jury hereon endorsed.

Witness, the Honorable —, Chief Justice (*or Justice*) of our said Court, at Toronto, this — day of —, in the — year of our reign.

FORM OF ENDORSEMENT OF VERDICT THEREON.

I hereby certify, that on the — day of —, before me, L. M., Judge of the County Court of the County (*or United Counties*) of —, came as well the within named relator as the within named (*the other party or parties*) by their attorneys (*or as the case may be*), and the jurors of the jury, by me duly summoned as within commanded, also came, and being sworn to try the matters within mentioned on their oath, said that, &c.

13. When the Judge before whom any such case shall be pending, shall have determined the same, either *ex parte* in case of default, or on hearing the parties, or partly *ex parte* and partly on hearing the parties, he shall make up and annex to the statement of the relator, and to the affidavits and other papers filed in the case, a written judgment, attested by his signature, and dated on the day of the same being signed, in which it shall be sufficient to state concisely the ground and effect of the judgment, which judgment may be at any time amended by the same Judge, in regard to any matter of form. And the following may be the form of judgment when in favour of the relator:

IN THE QUEEN'S BENCH (*or COMMON PLEAS*).

The Queen, on the relation of —, against —.

Be it remembered, that on the — day of —, in the year of our Lord one thousand eight hundred and —, at the Judges' Chambers in the City of Toronto, before me, —, Chief Justice (*or Justice*) of Her Majesty's Court of Queen's Bench (*or Common Pleas*), came as well the above named relator by —, his attorney, as the above named — by his (*or their*) attorney, and service of the writ of summons hereunto annexed having been duly proved upon affidavit, and upon the said day and upon other days thereafter, at his Chambers aforesaid, having heard and read the statement and proofs of the said relator, touching and concerning the usurpation by him alleged against the said — of the office of —, in the said writ of summons mentioned [and (*if so*) the election of (*the party or parties named*) thereto], and the answers and proofs of the said —; and having heard the said parties by their counsel (*or as the case may be*) and upon due consideration of all and singular the premises, now, that is to say, this — day of —, in the year aforesaid, I do adjudge and determine:

First—That the said relator had, at the time of his making his aforesaid complaint, an interest in the election to the said office of — as a —.

Second—That, &c.

Third—That, &c.

Fourth—That the said — hath (*or have*) usurped, and doth (*or do*) still usurp the said office, and that he (*or they*) be removed therefrom [or that the election of — to the said office was void, and that he (*or they*) be removed therefrom (*as the judgment may be*)]: And that the said relator (*or the said [naming the party or parties whose election is affirmed, when he or they are adjudged to be entitled to the said office]*) was (*or were*) duly elected thereto, and ought to have been returned, and is (*or are*) entitled in law to be received into, and to use,

exercise and enjoy the said office: And I do adjudge and determine that the said — do not in any manner concern himself (*or themselves*) in or about the said office, but that he (*or they*) be absolutely forejudged and excluded from further using or exercising the same, under pretence of the said election [and further, that the said (*naming the relator or parties whose election is affirmed*) be (*or be respectively*) admitted to the said office in his (*or their*) place or places]; And I do further order, adjudge and determine, that the said relator do recover against the said — his costs and charges by him in and about the said relation and the prosecution thereof expended, to be taxed in the said Court.

All which the said writ of summons, and the said judgment, and the statements, answers and proofs of the said relator and of the said —, and all other things had before me touching the same, I do hereby certify and deliver into the said Court, according to the form of the statute in such case made and provided.

E. F., J.

And the following may be the conclusion of a judgment for the defendant, to follow the word *affidavit*, in the foregoing form :

Thereupon now at this day, that is to say, on the — day of — aforesaid, at the Judges' Chambers, at Toronto aforesaid, all and singular the relation and proofs of the said relator, and the answers and proofs of the said — being seen and fully understood, I do consider and adjudge that the said office of — so claimed by him (*or them*) the said — be allowed and adjudged to him (*or them*) that the said — be dismissed and discharged of and from the premises above charged upon him (*or them*) and also that he (*or they*) the said — do recover against the said relator his (*or their*) costs by him, (*or them respectively*) laid out and expended in defending himself (*or themselves*) in this behalf. All which &c. (*as in the judgment for the relator*).

When the returning officer is made a party, the judgment to be modified accordingly.

14. When the judgment of the Judge in Chambers shall have been returned into court according to the statutes, and after the end of four days after such return, and if no rule shall have been granted to set aside or amend the judgment, the relator or person (or persons) in whose favour the judgment shall have been given, shall be at liberty to tax his or their costs, and the following entry shall be made under or upon the record of the judgment, after which execution may issue:—

“Afterwards, that is to say, on the — day of —, in the — year of the reign of our Lady the Queen, cometh the said —, and prayeth that his (*or their*) said costs, so as aforesaid adjudged to him (*or them*), be taxed and assessed according to the form of the statute in such case made and provided, and the said costs of the said —, in and about his (*or their*) prosecution (*or defence*) aforesaid, and [*when the Returning Officer is a party*] of the said —, in and about his defence aforesaid], so as aforesaid adjudged to him (*or them*), are now here accordingly taxed and assessed as follows, that is to say, the costs of the said — at the sum of — [and the costs of the said — (*when Returning Officer entitled thereto*), at the sum of —], and the said —, in mercy, &c.”

15. The writs of certiorari and mandamus which it may become necessary to issue in any such case, will be in the common form of such writs, the command therein contained being suited to the circumstances of each case, and, when applicable, the following form may be used:

CONSOLIDATED STATUTES OF CANADA.

CHAPTER XXXVIII.

AN ACT RESPECTING THE PRESERVATION OF THE PUBLIC HEALTH.

Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows:

1. Whenever this Province, or any part thereof, or place therein, appears to be threatened with any formidable epidemic, endemic or contagious disease, the Governor may, by Proclamation, to be by him from time to time issued, by and with the advice and consent of the Executive Council, declare this Act to be in force in this Province, or in any part thereof, or place therein, mentioned in such Proclamation; and it shall thereupon be in force accordingly; and the Governor may in like manner from time to time, as to all or any of the parts or places to which any such Proclamation extends, revoke or renew any such Proclamation; and, subject to revocation and renewal as aforesaid, every such Proclamation shall have effect for six months, or for any shorter period in such Proclamation expressed. 12 Vic. cap. 8, sec. 1.

This Act to be put in force temporarily by proclamation, when the Province is threatened with any formidable epidemic.

2. Upon the issuing of any such Proclamation, and whilst the same is in force, the first, second, third and sixth sections of the fifty-ninth chapter of the Consolidated Statutes for Upper Canada, intituled, *An Act respecting the Public Health*, and so much of the fifth section thereof as provides for the trial and punishment of any person accused of wilfully disobeying or resisting any lawful order of any Health officers acting under the said Act, or of wilfully resisting or obstructing such Health officers in the execution of their duties, shall be suspended as to every place mentioned in such Proclamation, or being within any part of this Province included thereby; but any person accused of having wilfully disobeyed or resisted such order, or resisted or obstructed such officer, before the issuing of the Proclamation, may nevertheless be tried and dealt with as if such Proclamation had not been issued. 12 Vic. cap. 8, sec. 2.

Parts of cap. 59 of Con. Stat. of U. C. suspended in part as to places affected by such proclamation.

After issuing such Proclamation, the Governor may appoint a Central Board of Health.

3. From time to time after the issuing of any such Proclamation, and whilst it is in force, the Governor may, by commission under his hand and seal, appoint five or more persons to be "The Central Board of Health," and also such officers and servants as he deems necessary to assist the Board; and the powers and duties of the said Board may be exercised and executed by any three members thereof; and during any vacancy in the said Board, the continuing members or member may act as if no vacancy had occurred.

Duration of such Commission.

2. And every such commission shall *ipso facto* be determined by the revocation of the Proclamation under which it issued, as to all the places included in such Proclamation, or by the expiration of six months from the date of such Proclamation, or of any shorter period expressed in such Proclamation, as that during which it is to be in force; unless such Proclamation be renewed as to all or some of such parts and places. 12 Vic. cap. 8, sec. 3.

Chief Municipal officer of every place affected by such proclamation to take steps for constituting a Local Board of Health.

Special meeting for their election to be called within a certain time after written requisition from inhabitant householders.

If no meeting called within the prescribed time, Governor may appoint Local Board.

2. And such Mayor, or other head of such Municipal Corporation, Inspecting Trustee, or other chief Municipal officer, shall call such special meeting within two days from the receipt of a written requisition to that effect, signed by ten or more inhabitant householders of the place under the jurisdiction of the body over which he presides, on pain of being personally liable to the penalty hereinafter mentioned; and if at any time while any such Proclamation is in force, it is certified to the Governor by any ten or more inhabitant householders of any place included in such Proclamation, that the Mayor or other head of such Municipal Corporation, or Inspecting Trustee, or other chief Municipal officer of such place, has failed to comply with such requisition, within such time as aforesaid, the Governor-in-Council may forthwith appoint not less than three persons resident within the limits

of such place (or in the case of a City, Town or Village, within seven miles thereof,) to be the Local Board of Health for such place.

3. Every nomination or appointment of a Local Board of Health, under this Act, shall *ipso facto* be determined by the revocation, as to the place within the limits of which such Local Board is authorized to act, or as to any place in which it is included, or as to the whole Province, of the Proclamation under which such Local Board was appointed, or by the expiration of six months from the date of such Proclamation, or of any shorter period expressed in such Proclamation as that during which it is to be in force; unless such Proclamation be renewed as to such place, or any place in which it is included, or as to the whole Province. 12 Vic. cap. 8, sec. 4.

What Treasurer to certify if funds deficient.

64. The Treasurer of any Municipality in arrear for any sum of money under this Act or under any Consolidated Municipal Loan Fund Act heretofore passed, shall, within one month after the time when such sum of money becomes payable, certify to the Secretary of the Province the total value of the assessable property, and the rate in the dollar in such Municipality for the year next preceding such default. 20 Vic. cap. 20, sec. 1, *latter part*.

65 In case the Receiver-General certifies to the Governor that any Municipality is in default for any sum of money which ought to be paid by the Treasurer thereof, to the Receiver-General, the Governor may if he sees fit, at any time after the expiration of three months from such default, issue his warrant to the Sheriff, directing him to levy a rate of not less than twelve and a half cents in the dollar on the yearly value of the assessable property in the Municipality, or a proportionate rate on the actual value of such property, reckoning the yearly value at six per cent on its actual value. 20 Vic. cap. 20, sec. 1; 16 Vic. cap. 22, sec. 7.

What the Receiver-General to certify to the Governor, &c.

66 In cases in which the proceeds of such rate would, in the opinion of the Governor, exceed the amount for which such Municipality is in default and the costs of the levy, the Governor may direct such less rate to be levied as will, in his opinion, produce an amount fully sufficient to pay the sum for which the Municipality is in default and the costs of the levy, and the surplus (if any) shall be returned to the Municipality according to law. 20 Vic. cap. 20, sec. 1.

When he may direct a less rate to be levied.

67 The Sheriff shall obey the said warrant, and levy the sums therein mentioned, in like manner and within the same period as he would levy the same if it had been recovered against the Municipality under a judgment of the proper Court of law, and a writ of execution had issued thereupon directed to him and commanding him to levy the same by rate, and shall pay over the net proceeds to the Receiver-General, and the costs allowed to the said Sheriff for executing the said warrant shall be the same as those to which he would be entitled for executing a writ of execution for a like sum. 16 Vic. cap. 22, sec. 7.

Sheriff's duties.

68 In case the Receiver-General certifies to the Governor that any Municipality is in default, the Governor may also issue his warrant to the Sheriff, directing him to seize all goods and chattels, lands and tenements, and other property or things liable to be seized in execution, belonging to such Municipality, and to sell the same, or so much thereof as may be necessary to produce the amount for which such Municipality is in default, and costs, as he would under execution against such Municipality, and to pay the proceeds unto the Receiver-General in liquidation of such amount; but no School House, Alms House, Fire Engine or Fire Hoses or Engine House, Court House or Gaol, or property required for the administration of justice, shall be seized or sold under such warrant. 20 Vic. cap. 20, sec. 2.

When share of Clergy fund may be withheld.

70. The Governor may direct the Receiver-General to withhold the share of the Clergy Municipalities Fund accruing or which may accrue to any Municipality certified by the Receiver-General to be in default, or from the several Municipalities in any County while such County is so certified to be in default, and to carry such share or shares to the credit of such Municipality or County on account of such default. 20 Vic. cap. 20, sec. 4.

Preamble.

87. And whereas by an Act of the Provincial Parliament, passed on the fourth day of May, 1859, intituled, the Seigniorial Amendment Act of 1859, it was declared that certain sums would be payable in final settlement of certain claims arising out of the abolition of the Seigniorial Tenure in Lower Canada; and provision was made to charge any such sums upon the unappropriated Consolidated Municipal Loan Fund of Lower Canada, and for that purpose to restrain the issue of Debentures by the Municipalities in Lower Canada, under the authority of the said Act; and it was also expedient to amend the said Acts relating to the Consolidated Municipal Loan Fund, that is to say, the Act passed in the sixteenth year of Her Majesty's Reign, chapter twenty-two, intituled, *An Act to establish a Consolidated Municipal Loan Fund for Upper Canada*, as extended and amended by subsequent Acts, and to amend the same so as to afford relief to the Municipalities which had raised money by Debentures issued under the said Acts, and at the same time to secure the ultimate redemption of such Debentures by the Municipalities respectively liable; Therefore, except as hereinafter provided—no loan shall be raised by any Municipality under the foregoing sections of this Act, nor shall any Debentures be issued under them to any Municipality; but whenever the principal of any Debentures that have been issued upon the credit of the Consolidated

License to be issued by the Governor under the Great Seal.

2. Every grant or license of Ferry shall be issued by the Governor under the Great Seal, and under the foregoing section may be granted for any period not exceeding fifty years. 8 Vic. cap. 50, secs. 2, 3; 20 Vic. cap. 7, secs. 1, 2, 8.

3. Except as herein otherwise provided, no Ferry in Upper Canada shall hereafter be leased by the Crown, nor shall the lease thereof be renewed, or any license by the Crown to act as a Ferryman thereat be granted, except by public competi-

tion, and after notice of the time and place at which tenders will be received for the lease or license for such Ferry, inserted at least four times in the course of four weeks in the *Canada Gazette*, and in one or more of the newspapers published in the County in which the Ferry may be situate, and to parties giving such security as the Governor-in-Council may require; nor shall any such Ferry be leased or the license thereof granted for a longer term than seven years at any one time. 9 Vic. cap. 9, sec. 2.

4. own use.

11. Any person may keep at any such ferry a boat, vessel, or other craft, for his own private use, or may use, for the accommodation of himself or of his employer, his own or his employer's boat, vessel or craft, to cross the river or stream on which the ferry is situate; but such privilege shall in no wise be used to take, carry or convey any other persons or property for hire, gain, reward or profit, or hope thereof, or directly or indirectly to enable any such other persons to evade the payment of tolls at such ferry. 9 Vic. cap. 9, sec. 1; 8 Vic. cap. 50, sec. 1.

Offender to
be commit-
ted if penalty
be not paid.

12. In case the sum forfeited be not paid immediately after conviction, the convicting Justice may commit the offender to the common gaol of the County, there to be imprisoned for a term not exceeding two months, unless the forfeiture and the costs be sooner paid. 8 Vic. cap. 50, sec. 2.

13. Any party aggrieved by any conviction or decision under this Act, may appeal from such conviction or decision, in the manner and under the conditions and provisions of the Act respecting appeals in cases of summary conviction. 8 Vic. cap. 50, sec. 4.

14. On the trial of any offender against this Act, every license heretofore issued, or issued under this Act, shall be *prima facie* evidence of title to the ferry. 8 Vic. c. 50, s. 3. Title to the ferry.

15. The Council of every County, City, and Town separated from the County under the Act respecting the Municipal Institutions of Upper Canada, may pass By-laws for regulating ferries between any two places in the Municipality, and establishing the rates of ferriage to be taken thereon; but no such By-law shall have effect until assented to by the Governor-in-Council; and until the Council of the County, City or Town separated as aforesaid pass a By-law regulating such ferries, and in the cases of ferries not between two places in the same Municipality, the Governor, by order in Council, may from time to time regulate such ferries respectively, and establish the rates to be taken thereon, subject to the provisions of this Act. 22 Vic. cap. 99, s. 277, No. 4, and s. 278.
