## AN ACT

*To Prevent the Spreading of Canada Thistles  
in Upper Canada.*

[ASSENTED TO 18TH SEP, 1865.]

Her Majesty, by and with the advice and consent of the Legislative Council and Assembly of Canada, enacts as follows :—

I. That it shall be the duty of every Occupant of land in Upper Canada, to cut, or cause to be cut down all Canada Thistles growing thereon, so often in each and every year as shall be sufficient to prevent them from going to seed; and if any owner, possessor, or occupier of land shall knowingly suffer any Canada Thistles to grow thereon, and the seed to ripen, so as to cause or endanger the spread thereof, he shall, upon conviction, be liable to a fine of not less than two or more than ten dollars for every such offence.

II. It shall be the duty of Overseers of Highways in any Municipality to see that the provisions of this Act are carried out within their respective Highway Divisions, by cutting, or causing to be cut, all the Canada Thistles growing on the Highways or Road Allowances within their respective divisions; and every such Overseer shall give notice in writing to the owner, possessor, or occupier of any land within the said division, whereon Canada

Thistles shall be growing, and in danger of going to seed, requiring him to cause the same to be cut down within five days from the service of such notice; and in case such owner, possessor, or occupier shall refuse or neglect to cut down the said Canada Thistles, within the period aforesaid, the said Overseer of Highways shall enter upon the land, and cause such Canada Thistles to be cut down with as little damage to growing crops as may be, and he shall not be liable to be sued in action of Trespass thereof; *provided*, that no such Overseer of Highways shall have power to enter upon or cut thistles on any land sown with grain; *provided also*, that where such Canada Thistles are growing upon non-resident lands, it shall not be necessary to give any notice before proceeding to cut down the same.

III. It shall be the duty of the Clerk of any Municipality in which Railway property is situate, to give notice in writing to the Station Master of said Railway, resident in or nearest to the said Municipality, requiring him to cause all Canada Thistles growing upon the property of said Railway Company, within the limits of said Municipality, to be cut down as provided for in the first Section of this Act; and in case such Station Master shall refuse or neglect to have the said Canada Thistles cut down, within ten days from the time of service of said notice, then the Overseers of High-

ways of the said Municipality shall enter upon the property of the said Railway Company, and shall cause such Canada Thistles to be cut down, and the expense incurred in carrying out the provisions of this section shall be provided for in the same manner as in the next following Section of this Act.

IV. Each Overseer of Highways shall keep an accurate account of the expense incurred by him in carrying out the provisions of the preceding Sections of this Act with respect to each parcel of land entered upon therefor, and shall deliver a statement of such expenses, describing by its legal description the land entered upon, and verified by oath to the owner, possessor, or occupier of such resident lands, requiring him to pay the amount; in case such owner, possessor, or occupier of such resident lands shall refuse or neglect to pay the same within thirty days after such application, the said claim shall be presented to the Municipal Council of the Corporation in which such expense was incurred, and the said Council is hereby authorized and required to credit and allow such claim, and order the same to be paid from the funds for general purposes of the said Municipality; the said Overseer of Highways shall also present to the said Council a similar statement of the expenses incurred by him in carrying out the provisions of the said Section upon any Non-resident

Lands, and the said Council is hereby authorized and required to audit and allow the same in like manner; *Provided always*, That if any owner, occupant, or possessor amenable under the provisions of this Act, shall deem such expense excessive, an appeal may be had to the said Council, if made within thirty days after delivery of such statement, and the said Council shall determine the matter in dispute.

V. The Municipal Council of the Corporation shall cause all such sums as have been so paid under the provisions of this Act to be severally levied on the lands described in the statement of the Overseers of Highways, and to be collected in the same manner as other Taxes, and the same, when collected, shall be paid into the Treasury of such Corporation, to reimburse the outlay aforesaid.

VI. Any person who shall knowingly vend any grass or other seed, among which there is any of the Canada Thistle, shall, for every such offence, upon conviction, be liable to a fine of not less than two nor more than ten dollars.

VII. Every Overseer of Highways or other officer who shall refuse or neglect to discharge the duties imposed on him by this Act, shall be liable to a fine of not less than ten nor more than twenty dollars.

VIII. Every offence against the provisions of this Act shall be punished, and the penalty hereby enforced for each offence shall be recovered and levied on conviction before any Justice of the Peace, and all fines imposed shall be paid into the Treasury of the Municipality in which such conviction takes place.
