PRESSING REQUEST.

WE wish to impress upon the minds of more of our business men the importance of aiding us, not only by their subscription to the work, but more particularly by their **Advertising Patronage,** to keep this indispensable Annual up to its present high standard. It is a duty which they owe to the community and themselves, and which is trifling in amount for them to subscribe ; it is solicited but once a year, and, as a rule, they reap a **Handsome Profit** from the investment, instead of it being any loss to them. It is with us as wish newspaper publishers, we offer copies of our publication, at a price almost below the **Cost of Production,** and it is the income from this **Advertising Patronage** which should make up for the loss we sustain otherwise. Had the **Advertising Patronage** been bestowed more liberally upon our work in past years, we certainly would not have been under the painful necessity of augmenting the price of subscription. Upon our non advertising business community and upon it alone, must we cast the responsibility and its consequences.

PREFACE.

The flattering commendation which last year's issue received from subscribers and the business community of Quebec generally, encourages the publisher to believe that the great care and labor, bestowed on the TWENTY-SEVENTH EDITION OF CHERRIER'S QUEBEC CITY DIRECTORY for 1885-86, will entitle it to receive like commendation and approval.

As usual the book is the result of an honest and faithful canvass of the entire City, and no expense or trouble has been spared in its preparation that would add to its value as a reliable guide to our busines firms, residences, institutions and public places.

The publisher's constant aim has been to make the work superior to any heretofore or elsewhere published. The tests to which the directory will be daily subjected by the merchants and business men of this city, will demonstrate how far the compiler has succeded in his undertaking, and he cheerfully submits the book to that ordeal. So long as the work shall be found by them correct and reliable, so long will the publisher continue to respectfully solicit the patronage and support of merchants, manufacturers and the general public of Quebec.

Every name in the pages of this book has been secured by personal canvass, and *not copied from or through other sources.* During the compilation and printing of the book, additions and removals have been received up to the last day of going to press. The despatching was done very closely; in following up removals, families have, in many instances, been traced to two and quite often *three* different places of residence in a few weeks. Some people are "*like gypsies,*" always on the move. There can be, however, no misgivings as to the character of the work or the manner of its reception by its patrons. It cannot of course be made perfect, perfection not being of this world; but if the publisher has succeeded in avoiding such errors as would only result from negligence, and has incorporated only those that may be properly termed *unavoidable,* he is quite confident that his efforts will meet with general approval.

The type-setting and printing was, as usual, executed by Messrs. L. J. Demers & Bro., and to these parties attaches the credit due for the skill and taste displayed in the printing.

A number of volumes have been added, during the past year, to the DIRECTORY LIBRARY, which is located at Dawson & Co.'s bookstore, 72 St Peter street. This library is established for the benefit of the business community of Quebec, and the books can be consulted *free of charge,* and with convenience. Each year additional directories from all parts of Canada and the United-States will be added.

CHERRIER'S QUEBEC DIRECTORY will henceforth be issued annually in May, and patrons of the work can rely that its well earned reputation for excellency will be fully maintained.

As usual the book will be found divided into four parts, viz: (1) the subscribers' and advertisers' classified business directory; (2) the miscellaneous directory; (3) the street key; and (4) the alphabetical directory.

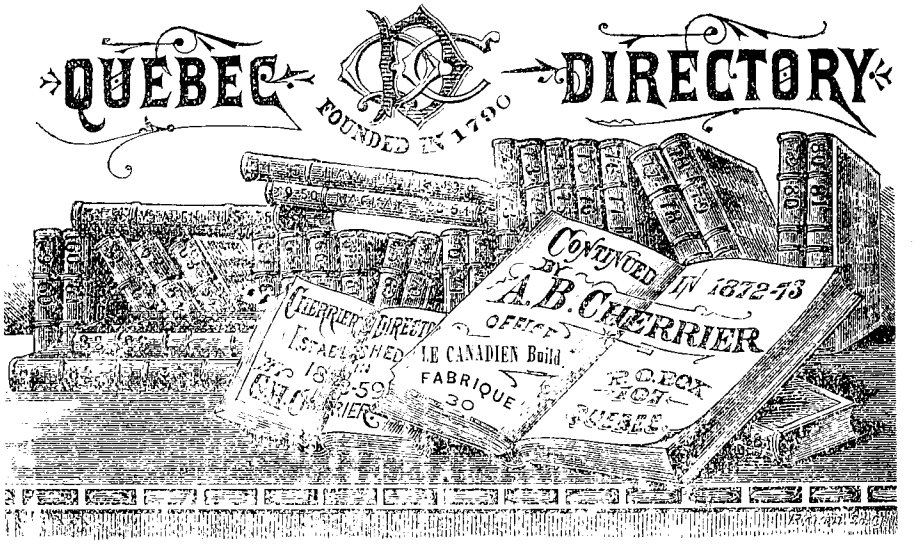
Finally, the publisher sees no reasons why Quebec, with its great harbour works, now in course of construction, its sublime and elegant scenery and healthful climate, should not expect in a near future a steady and permanent growth, and he dares to predict for the Ancient Capital a brilliant future.

In the directory of 1884-85 there were 10,020 names, while the present volume shows a total of 10,319, an increase of 299 names in one year. Taking these facts into consideration the present population of Quebec City proper may be placed at no less than 56,595 souls.

In conclusion, the publisher would state that believing the result of his present efforts will be satisfactory to his patrons and that the past 26 years of usefulness of his directory will commend it to a generous public, returns his sincere thanks to his patrons for their encouragement and courtesy.

The Publisher and Compiler,

Quebec, May 1885.



NOTICE.

The Publisher of CHERRIER'S QUEBEC CITY DIRECTORY, has pleasure in announcing to his valued Patrons, that yielding to the request preferred for some years by his French Canadian Compatriots he is prepared to issue the Directory next year in BOTH THE ENGLISH AND FRENCH LANGUAGES.

Of course this will entail a very large additional expense, and the Publisher is obliged, nevertheless reluctantly, to increase the subscription price of his book. Were his publication better patronized, both for subscription and advertizing, this course would not have to be taken.

The Publisher hopes that now his fellow-citizens will afford him the encouragement which he believes his efforts to serve the Public warrant.

When no NUMBERS appear with the NAMES, such NAMES are understood to occupy the first number preceding them.

The **STREET KEY** is presented in its most simple form, it being considered only as a reference to names. For fuller information the **ALPHABETICAL DIRECTORY** must be consulted. A certain number of names are unavoidably left out from the Street Key—owing to the tardiness of persons in giving us the required information —names which, however, appear in the Alphabetical list.

In the Street Key, numbers followed by a —— are either houses *not rented* or where information *could not be secured* at the time of publication.

Names of residents in *houses* of *ill-fame not being inscribed* in the Street Key, will not as a consequence be found in the Alphabetical Directory.

At the time of puting the Street Key to press, 17th of April, there were still 752 lodgings, stores and offices *not rented.*

The letter *p* after name means *residing proprietor*, h. means *house*, fr. *from*, n. *north*, s. *south*, e. *east*, w. *west*, wd. *ward.*

THE
DIRECTORY LIBRARY.

Directories of all the Principal Cities of the United States and Canada kept on file at our office,

ST. PETER, 72.

FOR THE ACCOMMODATION OF PATRONS, AND THE PUBLIC FRIENDS

NOTICE.

The acknowledged utility and welcome reception given to CHERRIER'S QUEBEC DIRECTORY for over a quarter of a century, has, from time to time, induced its publisher to continue adding needed and useful improvements.

It is pleasing to know that these improvements have always been received with satisfaction by a discriminating Public, although entailing much additional expense. A very important addition will be made in the next edition to satisfy the long repeated wishes of our French-Canadian Friends and Patrons, and that is the publishing of the Directory in BOTH LANGUAGES.

It will be perceived at a glance that the cost of such an addition will be very great ; indeed a Directory in two languages has never been known on this Continent, and would not now be attempted but for the promised support of my French-Canadian fellow-citizens.

Again, the appearance of the Directory has usually been towards the end of June : last year it was issued in May, much to the satisfaction and convenience of its Patrons ; to do this, also adds considerably increased expense.

The advertizing patronage accorded to the work is very far below what should be given, considering its circulation and general utility, and falls very far short indeed of remunerating the Publisher for the increased outlay.

Our Citizens and Subscribers have only to compare the present City Directory with those of former years, or peruse the pages of other City Directories and see how their advertizing space is patronized.

In conclusion, it is intended to have the next Edition in both languages, and we require in return the utmost support, from both subscribers and advertizers.

The Proprietor of Cherrier's Quebec City Directory has always aimed at improving, and " EXCELSIOR " is his motto.

A. B. Benjamin Cherrier P.Q.D.

ALPHABETICAL DIRECTORY

EXPLANATIONS:

The Names in CAPITALS are those of Subscribers or Advertisers.

ABREVIATIONS USED IN ALPHABETICAL DIRECTORY: bdg. hse. *boarding house*; bds. *boards*; h. *house*; r. *rear*; sq. *square*.

The object of the ALPHABETICAL DIRECTORY is to enable you to find out a person's address knowing his or her name: the object of the STREET DIRECTORY is only to enabe you to find out a person's name knowing the no. and street.

When hill, lane, place, road, square, or any other such word, does not follow the residence, the word *street*, is to be understood; for example: Abgrall Victor, laborer, Champlain 809, *means* Champlain street 809.

When two numbers are given in connection with one name, and only one street mentioned, the number first given is the place of *business*, and the second the *residence*, —which is always indicated by the letter h—and both in the same street.

It will be noticed that the names of all members of a firm are added directly after the name of said firm. This, it must be understood, does not interfere with the regular insertion of the same names in their *Alphabetical order*.

Our advertising patrons may be found by refering to the Index. We feel justified, after many years acquaintance, in saying we believe them to be among the very best in their vocations in the City of Quebec.

For full indices to the CONTENTS, *see page* 5.

Names of residents in *houses of ill-fame not being inscribed* in the Street Key, will not, as a consequence, be found in the Alphabetical Directory.

There are about 1,650 proprietors in the City.

The number of landlords in each ward, including women, are about as follows: Champlain 100; St John 175; Montcalm 250; Palace 125; St Roch 340; St Peter 100; St Louis 190; Jacques-Cartier 400.

☞ At the time of going to press, 4th of May, there were still 312 lodgings, stores and offices unoccupied, a fact which will more than account for the few omissions that may be found during the year.

☞ To find a name, first know how to spell it. ☜

AVIS PUBLIC

L'utilité d'un ALMANACH DES ADRESSES n'est plus à prouver ni même à discuter. C'est un fait reconnu ici comme partout ailleurs. Nous osons dire qu'il en est presqu'ainsi de la popularité de notre entreprise, en particulier. Jusqu'à présent on a su accorder à notre travail un accueil véritablement digne de la tâche elle-même. En retour, l'éditeur n'a pas cessé d'apporter d'une année à l'autre à ce qu'il peut réellement regarder comme son œuvre propre, son propre ouvrage, toutes les améliorations dont il pouvait être susceptible.

Ces améliorations, nous avons eu à maintes et maintes reprises la satisfaction de constater que l'on savait les apprécier comme elles le méritaient. Sans doute qu'elles n'ont pas été faites sans une augmentation de dépenses, mais l'Editeur n'hésite pas à dire que la haute appréciation qu'il en a reçue de la part de connaisseurs surtout, l'ont amplement dédommagé.

L'année prochaine, nouvelle amélioration et celle-ci de beaucoup plus importante que toutes les autres, et, comparativement à la nature de l'entreprise, extrordinaire même. Ainsi, l'Editeur,—si le public lui continue son encouragement et sait, cette fois-ci comme toujours, se montrer excellent appréciateur,—se propose de publier **dans les deux langues** la prochaine édition de son ALMANACH DES ADRESSES, celle de 1886–87.

Inutile de démontrer que cette nouvelle amélioration devra nécessairement augmenter encore et de beaucoup les frais ordinaires de publication, mais cependant, pour se rendre à ce qui paraît être depuis très longtemps le grand *desideratum* de sa nombreuse clientèle de langue française, l'Editeur n'hésite pas à s'imposer cette nouvelle tâche. Un Almanach des Adresses dans les deux langues, ce sera pour ainsi dire une chose unique sur ce continent. Mais il faut pour cela que l'Editeur puisse compter plus que jamais sur le patronage de ses concitoyens de langue française.

Autrefois on ne pouvait avoir l'Almanach des Adresses avant la fin de Juin, et bien heureux encore de pouvoir compter sur son existence à cette époque là.

L'année dernière, à force de travail, et au grand étonnement des connaisseurs, l'Editeur a réussi à le servir à sa clientèle à la fin du mois de Mai, c'est-à-dire à quelques jours de distance seulement des derniers déménagements.

Cette année, même heureux résultat, même avance étonnante.

C'est encore là une amélioration que l'on a su hautement apprécier, il est vrai, mais qui n'en exige pas moins un nouveau contingent de dépenses.

L'Editeur a le regret de constater que le public annonceur ne paraît pas redoubler de zèle en conséquence, bien que cette remarquable amélioration soit essentiellement dans son intérêt.

C'est incontestable que l'Almanach des Adresses devrait être regardé comme la plus efficace des agents d'annonce ou le plus [illegible] entre la clientèle et le patron d'un établissement quelconque. [illegible] *Directory* se trouve d'un mois au moins plus tôt qu'aucun [illegible] Québecquois, devrait encourager davantage les annonceurs.

On s'aperçoira que l'on est loin de faire à ce sujet là ce qui se pratique ailleurs, si l'on veut bien comparer les Almanachs des Adresses de l'étranger avec celui de Québec et même la plupart des éditions de notre Almanach pour les années passées. Cette espèce d'indifférence est assez inexplicable.

Pour terminer, que l'on veuille bien se rappeler que la prochaine édition de l'Almanach des Adresses Chartier pour la Cité de Québec, sera en français et en anglais [illegible] paraîtra immédiatement et se vendra **$1.00** l'exemplaire.

[illegible] compter cette fois-ci plus que jamais sur une augmentation de [illegible] de Québecquois, annonceurs comme souscripteurs.

[illegible] prochaine donc, le propriétaire pourra se féliciter d'avoir une fois [illegible] entreprise qu'il a bien voulu se donner à

EXCELSIOR !
