HOUSE EUNIER

Founded in 1860

75 De Choisy Avenue, Paris

LOMBART CHOCOLATE

In 1760, under Louis XV, **Mr. Meunier** took up his residence on *Vieilles Etuves Saint-Honoré* Street, near the Du Trahoir Cross, now known as the *Fontaine de l'Arbre-Sec*.

This locality was the birth-place of the Chocolate Industry; for it was there that, some years earlier, an officer of Maria-Theresa, wife of Louis XIV, obtained, through the influence of the Queen, the monopoly of its manufacture and introduced it in France.

In 1789, King Louis XVI made MEUNIER purveyor by appointment to Her Royal Highness Victoire de France.

In 1804, Grimod de la Reynière perpetuates, in his *Almanach des Gourmands*, the high reputation acquired by the "HOUSE MEUNIER"; he declares that he considers it "as one of the two or three which alone make good chocolate"; and in his edition of the same *Almanac* for the year 1807, he states "that the **Chocolate Meunier** is much superior to that made in Florence and other Italian Cities.

In 1814, Her Royal Highness the Duchess of Angoulême selected **Meunier** as her purveyor by appointment.

The prosperity of the Firm thence continually increased.

It was in 1852, that the *Gazette des Hopitaux* called attention to **Meunier** by quoting a report of the Directors of the Medical Faculty, which ends as follows: "We do not judge of the value of the chocolate of the **House Meunier**, but by the results which we have obtained from it and we do not recommend any other, &c."

Finally, from 1849 to 1880, the following awards were granted to the Firm:

PARIS EXHIBITIONS, 1849, 1855, and 1873, **Bronze, Silver & Gold Medals.**
1873, Vienna Exhibition, Medal of Merit — **1874**, Marseilles Exhibition, Gold **Medal.** — **1876**, Medal, Philadelphia Centennial Exhibition. — **1876**, Gold Medal of the First Class National Academy. — **1878**, Class 52, Two Medals for Patent Machines for the weighing and systematic cooling of Chocolate. — **1878**, Class 74, **Out of competition, Member of the Jury.** — **1879**, Grand Diploma of Honor, National Academy. — **1880**, Melbourne (Australia) Exhibition, Two First Medals, and the Cross of the Legion of Honour.

Such are the points which recommend the use of **Lombart Chocolate**, to the confidence of the public.

MR. **Lombart**, for twenty-five years the proprietor of the **Meunier Manufacture**, has ever followed in the steps of his predecessor and has added to his industry all the improvements which his long experience aided by the advance of science has suggested.

The Manufactory, now working at No. 75 De Choisy Avenue, is the most extensive in Paris

The **House Lombart** *imports Teas direct from China*. It only sells *black teas* carefully selected and of extra quality.

Black Teas are the only ones, according to the Medical Faculty which are wholesome. See in reference hereto the reports of Doctors TROUSSEAU and PAYEN.

PREFACE.

CHERRIER'S QUEBEC CITY DIRECTORY, herewith presented to the public, is the TWENTY-FIFTH annual volume issued under that title, and thus completes our QUARTER CENTURY as publishers of the work. It is evident that during that period, old Quebec has attained growth in population, resources and property, and we are safe in asserting that its current history is well chronicled in the pages of its directory.

Here and there, through our city, new buildings for business and dwelling purposes have been erected or are in course of completion, and it is no ultra-enthusiastic prediction to now say that a few years will place this "Capital," in all that makes up a large and prosperous city, second only to the Metropolis itself.

The canvass for the present volume has been thoroughly made, and the work of compilation carefully performed. Its completeness for the purpose sought in its publication, we think we can confidently say, without undue boasting, is unassailable. Great care and labour has been bestowed upon it by the compiler who has made it a "guide, philosopher and friend" to the enterprising business man and the wide-awake citizen who wishes to keep abreast of the times. The publishers have no apology to offer for it; they ask only that those few errors which the hypercritical may discover shall be extenuated, when it is remembered that the vast work of canvassing, compiling, preparing for the press, printing and binding a volume of 500 pages HAS BEEN DONE WITHIN FOUR WEEKS. The aim has been to make the work reliable and trustworthy; this has been accomplished so far as human ingenuity, perfection of system, hard and conscientious work and large money outlay could do it; and we invite a thorough examination, willing that it shall be judged solely by its own merits.

This book should be in every place of business in Quebec and its environs. No place "where merchants most do congregate" or where buyers meet sellers, should be without the directory, the most demanded and oftenest consulted book. Its twenty-five years of usefulness is contemporaneous with Quebec's growth, and its annual appearance for another quarter of a century will be, we hope, a part of the history of our quaint and beautiful city. We may add that this book has grown in importance each year, until it has become one of the institutions of this city, and its annual re-appearance is eagerly looked for by an appreciating public.

We also desire to call attention to the fact that each issue has exhibited some marked improvements over the preceding volume, and that the present one is not an exception to the practice—and, further, that the present volume in typographic excellence, quality of paper, systematic arrangement and in the intelligent classification of the various business interests, will bear comparison with any similar publication in Canada.

We also desire to express our appreciation of the increasing advertising patronage received, and without which it would be, to-day, impossible to publish a satisfactory directory, because the sale of the directory does not cover the expenses incurred in its publication. This is a gratifying announcement to make, and a proof that the increasing prosperity of Quebec is steady and substantial.

In conclusion, we would say that dependent not only upon ourselves and the fidelity of paid agents, but also upon the voluntary assistance of many other gentlemen for the information which this work contains, we would be wanting alike in duty to our own feelings and their services, were we to omit expressing our sincere acknowledgments.

To the Officers of Government, of Private Companies and Public Institutions, we are deeply indebted, not only for the valuable information they were good enough to communicate, but for the kind and courteous manner in which it was conveyed. Their generous assistance has indeed facilitated our labour, and considerably augmented the value of this edition. In returning his grateful thanks for these voluntary services, the Compiler believes that he is not only expressing his own feelings, but also the sentiments of those gentlemen who warmly, willingly and yearly aid him in bringing this Annual to a successful issue.

The Compiler,

A. B. CHERRIER.

Pressing Request.

We wish to impress upon the minds of more of our business men the importance of aiding us, not only by their subscription to the work, but more particularly by their ADVERTISING PATRONAGE, to keep this indispensable annual up to its present high standard. It is a duty which they owe to the community and themselves, and which is trifling in amount for them to subscribe; it is solicited but once a year, and, as a rule, they reap a HANDSOME PROFIT from the investment, instead of it being any loss to them. It is with us as with newspaper publishers, we offer copies of our publication, at a price almost below the COST OF PRODUCTION, and it is the income from this ADVERTISING PATRONAGE which should make up for the loss we sustain otherwise. Had the ADVERTISING PATRONAGE been bestowed more liberally upon our work in past years, we probably would not have been under the painful necessity of augmenting the price of subscription. Upon our non advertising business community and upon it alone, must we cast the responsibility and its consequences.

SO CALLED DIRECTORY PATRONAGE.

We do not consider that any body patronizes a **DIRECTORY** when he buys its or that a Directory Publisher is under any obligation to any one who either purchases a copy or inserts an advertisement. If it is a good and reliable **DIRECTORY**—as we claim ours to be—the subscriber, purchaser or the advertiser gets **THE FULL VALUE OF HIS MONEY,** and the account is even between them.

When no NUMBERS appear with the NAMES, such NAMES are understood to occupy the first number preceding them.

The **STREET KEY** is presented in its most simple form, it being considered only as a reference to addresses. For fuller information the **ALPHABETICAL DIRECTORY** must be consulted. A certain number of names are unavoidably left out from the Street Key—owing to the tardiness of persons in removing,—which however appear in the Alphabetical list.

In the Street Key, numbers followed by a —— are houses *unoccupied* at the time of publication.

Names of residents in *houses* of *ill-fame* are *not inscribed* in the Street Key, and as a consequence will not be found in the Alphabetical Directory.

At the time of going to press, 8th May, there were still 120 houses unoccupied.

The letter *p* after names means residing proprietor.

ALPHABETICAL DIRECTORY.

EXPLANATIONS:

The Names in CAPITALS are those of Subscribers and Advertisers.

ABBREVIATIONS USED IN ALPHABETICAL DIRECTORY: bdg. hse. *boarding house;* bds. *boards;* h. *house;* r. *rear;* sq. *square.*

The object of the ALPHABETICAL DIRECTORY is to find a person's address knowing his or her name: the object of the STREET DIRECTORY is to find out a person's name by having reference to the No. and Street.

When hill, lane, place, road, square, or any other such word, does not follow the residence, the word *street,* is to be understood; for example: Abgrall Victor, laborer, Champlain 809, *means* Champlain street 809.

When two numbers are given in connection with one name, and only one street mentioned, the number first given is the place of *business,* and the second the *residence,* —which is always indicated by the letter h.—and both in the same street.

It will be noticed that the names of all members of a firm are added directly after the name of said firm. This, it must be understood, does not interfere with the regular insertion of the same names in their *Alphabetical order.*

Our advertising patrons may be found by refering to the Index, *page* 5. We feel justified, after many years acquaintance, in saying we believe them to be among the very best in their vocations in the City of Quebec.

For full indices to the CONTENTS, *see page* 6.

Names of residents in *houses of ill-fame not being inscribed* in the Street Key, will not, as a consequence, be found in the Alphabetical Directory.

There are 1,583 proprietors in the city.

The number of landlords in each ward, including women, are as follows: Champlain 100; St John 133; Montcalm 242; Palace 125; St Roch 314; St Peter 96; St Louis 188; Jacques-Cartier 385.

☞ In preparing this year's issue we have noted 1448 removals, have erased 1033 and have added 1291 names; the number of names in this year's Directory being 9858 shows a gain during the past year of 258 names, there being only 9600 in the last edition. At the time of going to press, 15th May, there were still 120 houses unoccupied, equal to 200 lodgings, a fact which will more than account for the few omissions that may be found during the year.

☞ To find a name, first know how to spell it. ☜

DIRECTORY
BORROWERS.

The Directory borrower is abroad in the land; his name is "legion." We do not mean your customer, nor the stranger who wishes to look up the address of a friend or relative, but the pessimist who does business next door, up stairs, or around the corner, who is too *stingy* to possess a Directory of his own, and too *small-souled* to contribute a dollar to its support. He who thinks it smart and manly to snub the convasser when asked to give his name and those of his employees; he who is the first one to find fault if he should see an inverted letter, or fails to find a name which *he does not know how to spell.* Discountenance him. He borrows your Directory for "*just a few minutes,*" and keeps it *as many days*—indeed you are fortunate to get it back *at all.* He is the unenterprising fellow who helps to *kill* a city. Send him around to the DIRECTORY OFFICE, **72 St Peter St.** Let him *sponge* on us. We keep **FOR SALE** an extra Quebec Directory, also Directories of Canadian and American Cities for free reference by **EVERY BODY,** at our branch office, **72 St Peter St.**

STADACONA

A village in Quebec County, on the River St. Charles, and connected with the Cit by "Bickell Bridge," very recently constructed by the gentleman whose name bears. Although this village is outside the limits of the City, it may be considered suburb of Quebec, possessing most of its advantages without being subject to burdens. The population consist of about 100 families, containing some 500 mostly of the working class, who gain their livelihood in the adjoining ship yards, which there are five on that side of the river; three only, however, are in operation viz: those of Messrs. Julien & Labbé, J. & J. Samson, and McKay & Warner; ther is likewise a steam saw mill which is not now in operation. The Canada Worste Co., will shortly be in operation and will, no doubt, add greatly to the prosperity of th place. Hare Point, on the City side, has three ship yards, viz: Messrs. W. Baldwin, Narcisse Rosa and Louis Rosa, besides the lumber establishment of Mr. Gauvreau. It is to be hoped that in the good time that is now coming, when manu factures of all sorts will take the place of the now languishing industry of shi building, Stadacona will rank as one of the most populous of our suburbs. It is i every way suitable for the establishment of manufactories. On the heights above th River St. Charles is a fine level plateau, exceedingly well adapted for Villas, an overlooking the extensive valley of the St. Charles, with a fine view of the Parishes St Foye, Lorette and St. Ambroise, on one side, and on the other bounded by th pretty little river "Lairet" having a splendid view of the City and Port of Quebe Distant from Quebec about 1 mile.

TOWN OF LEVIS

A large and flourishing town on the south shore of the River St. Lawrence, opposite Quebec, Seigniory of Lauzon, in the county of Levis. It is divided into three different wards, namely : the wards of St. Laurent, Notre-Dame and Lauzon. The head post office is in Lauzon ward, and branches of it in St. Laurent and Notre-Dame wards. An extensive trade of timber and fire wood is carried on here, which is surpassed in the province only in the cities of Montreal and Quebec. Several manufactures are now in operation. The Great-North-Western Telegraph Co. has three offices here, one in Lauzon ward, one at the railway depot, and another in Hadlow cove. The station of the Grand Trunk railway is situated in the St. Laurent ward. Two steamboats ply every five minutes between Levis and Quebec. Distant from Quebec one mile, fare 3c.; from Richmond 96 miles, and from Montreal 174 miles. Mails daily. Population according to last census returns 7,597.

Genuine Singer Sewing Machines

1.—Companies have sprung up in every part of the world for making an "Imitation Singer Machine" Why are not similar Companies formed for making imitations of other Sewing Machines? The Public will draw its own inference. *Gold is continually counterfeited, but a tin never.*

2.—The Genuine Singer has taken the FIRST PRIZE OVER ALL Competitors more than TWO HUNDRED TIMES. **Why?**

3.—After the Chicago Fire the Relief Committee undertook to furnish sewing machines to the needy women of that city. Applicants were permitted to choose from six different kinds of machines. 2,[illegible] applicants were furnished with machines: 2,427 choose Genuine Singer Machines, and 517 distributed their choice among the five other kinds of machines! These girls were to earn their *living* on these machines. **Why did they take Genuine Singers?**

4.—The people's award to the "SINGER." The People bought Genuine Singer Machines as follows:—

1880.....127,833 Genuine Singer Machines.
1881.....567,381 " "

Many of the Manufacturers of other Machines refuse to state their sales. Why? Three-quarters of all the Sewing Machines sold throughout the world in 1881 were "Genuine Singers."
