# PHOTOGRAPH ALBUMS.

---

We were the first in Canada to reduce the price of these elegant and useful novelties, which are becoming an indispensable adjunct to every house. We have imported largely, and have a stock which we believe to be one of the most extensive, as it is certainly the cheapest in the Province.

All our Albums are in Morocco binding with deep antique embossing. We now import no other styles.

## JUVENILE BOOKS.

---

"No man has a right to bring up his children without surrounding them with Books. It is a wrong to his family. He cheats them. Children learn to read by being in the presence of Books. The love of knowledge comes with reading, and grows upon it. And the love of knowledge in a young mind is almost a warrant against the inferior excitement of passions and vices."
