PHOTOGRAPHIC ALBUMS.

We were the first in Canada to reduce the price of those elegant and useful novelties, which have become an indispensable adjunct to every house. We have imported largely of French and English makes, and have a stock which we believe to be one of the most extensive and the cheapest in the Province.

All our Albums are in morocco binding, with deep antique embossing. We now import no other styles.

We do not give a list of prices, as that conveys but an indifferent idea of the value. We have them to hold 50 cartes, from 60 cents each, with two clasps, bound in imitation morocco.
