HUMBLY SHEWETH,—

That Thomas Boyd, late of Scarboro', laborer, deceased, for a long time previous to his death resided in the house of your petitioner as a lodger ; that for upwards of nine months previous to his death, the said Thomas Boyd was incapable of earning his own support ; that the said Thomas Boyd, during all the time of his illness, continued to reside in the house of your petitioner, and having made no provision for himself, and having no relatives or friends, became a very heavy charge upon your petitioner's limited means of support for herself and family ; that your petitioner had likewise at his death to provide for and bear the expense of his funeral : Your petitioner, therefore, prays that your honorable body will be pleased to take the case under your serious consideration, and that you will be pleased to make such remuneration to your petitioner, as the justice of her case may appear to deserve.

We, the undersigned, beg leave to certify that we have read the above petition, and that we have no doubt of the truth of the statement therein:

(Signed) C. Cornel, George Chester, Samuel Cann, William Hall, Jonathan Baird, Isaac T. Secor.

Presented by the Reeve, communication from Mr. Norris:—

*To J. P. Wheeler, Esq:*

MY DEAR SIR,—In a few weeks, perhaps sooner, the arms, accoutrements, great coats, and uniform of the Scarboro' Volunteer Rifle Company will be in our possession; the arms, and accoutrements and clothing, will be worth at least sixty dollars a man—therefore, for only fifty men will be worth £750; but the companies are all to be raised to the full compliment, namely, 75 privates, 3 corporals, and 3 sergeants, in all 81; in this case the property would be worth \$4860; bonds and securities have to be given for the safe-keeping and preservation of these things. I need not say that I have spent considerable money, and a large amount of time and trouble, in getting the company to its present position; may I then respectfully ask the Corporation to give us that countenance, and such a measure of pecuniary assistance as may seem just and proper. Mr. William Johnston is willing to let us have a part of his large room for the

storage of the arms and clothing, at a nominal rent; but arm racks and lockers for the safe-keeping of the rifles and accoutrements have to be made. An insurance must be effected on the property to guard against accident by fire, and many contingent expenses have to be incurred. The Company, as a body, cannot be expected to do anything more than give their time; all the expenses have hitherto fallen upon me, for which I have not, nor shall ever have, one penny reimbursement; the officers have not one penny pay in any shape. I think, therefore, that the community generally should and would be willing to do something for us. I may remark, the arms, &c. are stamped with the name of the Company, and are therefore so far Corporation property. Will you kindly speak to the other members of the Council, and if you think they would make us a small grant, I will make a formal application.

Mr. Brown, seconded by Mr. Crawford, moved, that this Council are of opinion that they have no power to grant money for the purpose referred to in Captain Norris' communication. Carried.

Introduced by Mr. Crawford, By-Law for appointing Returning Officers and places for holding the Municipal Elections.

Read a first and second time.

Mr. Crawford, seconded by Mr. Brown, moved, that the Council do now go into committee of the whole on the By-Law for the appointing of Returning Officers and places for holding the Municipal Elections.

The Council went into committee of the whole thereon.

Mr. Helliwell in the chair.

The committee rose.

The chairman reported the By-Law with certain amendments.

Report received and adopted.

Read a third time and passed.

## BY-LAW No. 144.

Ward No. 2,—Frank Helliwell.

Ward No. 3,—John Muir, senr.

Ward No. 4,—Daniel Ferguson.

Ward No. 3,—Hall opposite to Wm. Johnston's.

Ward No. 4,—Temperance Hall, Lot 24, Con. 3.

And that the Reeve issue the warrants accordingly.

Passed this 24th day of November, 1862.

(Signed) J. P. WHEELER,

*Town Reeve.*

JAS. MOYLE, *Clerk.*

Mr. Helliwell, seconded by Mr. Brown, moved, that the School Trustees of each School Section be requested to take up subscriptions in their several sections for the Lancashire Relief Fund, and forward the amount to the Town Reeve at as early a day as possible, to be by him forwarded to the Relief Committee at Toronto, to be forwarded to the General Committee, London, and that the Clerk be authorised to send a copy of this resolution to each School Section. Carried.

Mr. Crawford, seconded by Mr. Brown, moved, that the Council do now adjourn, to meet again on the last Monday of December. Carried.

## TWELFTH MEETING

*Of the Municipal Council of the Township of Scarboro', held  
pursuant to adjournment.*

---

MONDAY, Dec. 29, 1862.

Presented by the Reeve, communication from the Grand Trunk Company, relating to the repair of the bridge on the Markham road crossing.

Communication read and laid on the Table.

Presented by the Reeve, communication from Charles J. Whelock, P.L.S., as follows :—

ORANGEVILLE, Nov. 1862.

*John P. Wheler, Esq.*

DEAR SIR,—I enclose my bill for the levelling, &c., of two bridges over the Highland Creek. You will much oblige by remitting the amount (\$40 00) to my address. The Council will readily perceive that a less amount would not remunerate me for the work done. I trust, therefore, that they will not avail themselves of the receipt which I gave you for \$10 00, which you promised to remit to me for the work in question, as I only charged what I considered would pay my travelling expenses in order to oblige the Council, confidently thinking, at the time, that they would certainly appoint me to the survey of the Township, having previously

accepted my tender for the same. Should you consider my charge too high, I would take the liberty to suggest that you would have the goodness to take the opinion of Mr. Passmore, or any other competent engineer, on the matter, and I shall be perfectly content to abide by the decision of the same as to what should be my charge for the work performed.

I remain, dear sir,

Yours, &c.,

CHARLES J. WHELOCK.

Presented by the Reeve, communication of James Maxwell, referring to the taxes having been paid by him illegally on lot No. 2, in the 3rd Concession of Scarboro', for some years back. Communication read and laid over until next meeting of Council.

Mr. Crawford, seconded by Mr. Brown, moved, that the Treasurer be and he is hereby authorised, on order of the Reeve, to pay the account of Alex. Thompson, auctioneer. Carried.

Mr. Helliwell, seconded by Mr. Brown, moved, that the sum of sixteen dollars be granted to John Kent for the putting in of a culvert and cutting down a hill, and digging a ditch on the side line, between lots 4 and 5, south of the Kingston road. Carried.

Laid before the Council, statement of Henry Pettitt, Constable, claiming the amount of two dollars and fifty cents, for serving summons and mileage, in the case of Alexander Gallagher *versus* Eli Shackleton, for contravening By-Law No. 110, of the Township of Scarboro'.

Mr. Crawford, seconded by Mr. Brown, moved that this Council declines to pay the account of H. Pettitt, Constable, in the case of A. Galagher *vs.* Eli Shackleton. Carried.

Mr. Crawford, seconded by Mr. Snider, moved, that the sum of twenty dollars be granted to Ward No. 3, for planks and repairs on the roads, said sum to be expended on order of the Councillor for said ward. Carried.
