GENTLEMEN,—We, the undersigned, land owners in the 4th con. of the Township of Scarboro', west of side road between lots Nos. 6 and 7, in said concession, hereby protest against the manner in which said side roads has been run and laid out by F. F. Passmore, Surveyor, and that said road is not laid out in accordance with the Act. Hoping that your honorable body will take the protest of the undersigned into your consideration, and give them their rights according to the Act.

Scarboro', November 23, 1863.

The above protest postponed to await further evidence.

Presented by the Reeve, protest of Wm. Westney, against the survey of the allowance for road between lots 12 and 13, 2nd con.

To the Reeve of the Township of Scarboro' :

SIR,—I beg respectfully to protest against the position of the allowance for road between lots 12 and 13, concession 2, of the Township of Scarboro', as now laid down by Mr. Passmore, for the following reasons :

1stly. That the position of the road allowance between lots 12 and 13, concession 2, has been in dispute for more than twenty-five years, in fact, since certain lines were run by Mr. Galbraith, P.L.S., in or about the year 1836.

2ndly. That said road allowance was only partially opened in the year 1858, and is not fully opened at the present time.

3rdly. That to the best of my knowledge there is no original monument that I can swear to between lots 8 and 18, in con. 2.

4thly. That there is no travelled side road from the side road between lots 8 and 9, and the side road between lots 18 and 19, of the 2nd concession.

5thly. That under these circumstances, it was the duty of Mr. Passmore, as provided by the 25th Victoria, chap. 38, section 4, to have established the position of the road allowance between lots 12 and 13, concession 2, as to have left an equal breadth to each of the lots from No. 9 to No. 18 inclusive, of the 2nd con.

I have the honor to be, Sir,

Your very obedient servant,

(Signed) WM. WESTNEY.

Scarboro', Nov. 17, 1863.

The above postponed to await further evidence.

Presented by Mr. Crawford, protest of Thomas Kennedy, against the survey of road allowance between lots 26 and 27, at the 3rd concession line.

To the Corporation of Scarboro', in Council assembled:

GENTLEMEN,—The undersigned, land owner of lot No. 26, in the 3rd concession of the Township of Scarboro', begs leave to protest against the survey of said 3rd concession, regarding the manner by which said concession was run by Mr. Passmore, Surveyor; that the corner stake, by all appearance, is to be planted one rod north of the original fence corner, and I am ready to prove that the original corner south-west is one rod further south than where the stake now is, the Surveyor has planted. Hoping that your honorable body will take the protest of the undersigned into your consideration, and give him his rights according to the Act.

(Signed) THOMAS KENNEDY.

Scarboro', Nov. 25, 1863.

Presented by Mr. Crawford, protest of Wm. Chamberlain and Elijah Etwell, on the survey of road allowance between lots 12 and 13, concession D.

To the Corporation of the Township of Scarboro', in Council assembled :

We, the undersigned, respectfully beg leave to present to your honorable body this our protest against the survey of Mr. Passmore, of the north part of the line between lots 12 and 13, in concession D, in this Township, said line of road not having ever been opened for travel from the Kingston Road northward, but that a trespass road has been made and travelled on lot No. 13, not less than about six rods too far westward.

(Signed) WM. H. CHAMBERLAIN,
ELIJAH ETWELL,

The above line of road to await further consideration.

Presented by the Reeve, protest of Robert Johnston and Andrew Johnston, on the survey of road allowance between lots 20 and 21, in the 2nd concession.

To the Municipal Council of the Township of Scarboro', in Council assembled :

We, the undersigned, protest against the survey of the rear of the side line between lots 20 and 21, in the 2nd concession. By the late survey the centre of the road is placed six feet west of the centre between the two fences as they now stand, and as the undersigned, for the sake of peace, have previously yielded to the removal of their fence one rod west of the old survey, and their lots being more than two rods too narrow already, they deem it but justice, at the least, that your honorable body would cause the centre between the two fences to be the centre as they now stand, and any other alteration which in justice you may see fit.

(Signed) ROBERT JOHNSTON,
ANDREW JOHNSTON,

The above road to be disposed of by the Surveyor as a disputed line.

Presented by the Reeve, protest of John Chapman and Wm. A. Faucette, on the survey of road allowance between lots 14 and 15, in the first concession.

To the Corporation of the Township of Scarboro', in Council assembled :

We, the undersigned, respectfully beg leave to present to your honorable body this our protest against the survey of the line running between lots 14 and 15 in the first concession of this Township, and we are desirous that this line shall be surveyed as an unopened line of road, and that any deficiency shall affect equally the proprietors of the land on both sides of said road.

(Signed) JOHN CHAPMAN,
WM. A. FAUCETTE.

The above line of road to await further consideration.
