ADJUTANT GENERAL'S OFFICE,

Toronto, 9th February, 1857.

(Circular.)

SIR,

There are two measures which appear to me to be desirable in every Corps of the Active Force.

The first is, that a well considered Code of By-laws in accordance with the 35th Clause of the Militia Act, be drawn up and submitted for approval of His Excellency the Commander in Chief

The second is, that you should endeavour to establish Honorary Members to the Corps under your command, to consist of persons taking an interest in the Corps, not necessarily obliged either to uniform themselves or attend drill, but who will, as Honorary Members, contribute either an annual or monthly subscription, be it ever so trifling, towards the unavoidable contingent expenses of the

Corps, and who will join it on festive or occasions of a like nature. If Honorary Members desire to uniform themselves or to drill, so much the better, but such requirements should not be compulsory on them.

This system has been adopted by one Company of Rifles in Upper Canada with signal success, and there is no doubt if adopted by others it would very much tend to increase the interest felt in the Corps, and to extend its influence and also materially to lessen expenses by dividing them amongst a larger number of persons.

I therefore earnestly request your attention to these points, being convinced that they will be of material benefit if judiciously acted upon.

A sketch of the by-laws adverted to herein for Honorary Members, is subjoined for your information, as they may be found suggestive to you in the event of your following the same course.

I have the honor to be, &c.

DE ROTTENBURG,

HONORARY MEMBERS.

Rules.

1.—“ All persons becoming *Honorary Members* of the corps shall be entitled to acquire a knowledge of Military discipline, and will be allowed to fall in with the regularly enrolled men of the company, provided they are in the proper uniform of the company.

2.—“ Many gentlemen may be disposed to become *Honorary Members*, merely to assist and forward the welfare and efficiency of the corps ; consequently they need not, unless so disposed, render any Military services whatever.

3.—“ All *Honorary Members* will be taxed the same as the *bonâ fide* members of the company ; which tax, at present is per month, to meet contingencies.

4.—“ *Honorary Members* desirous of doing duty with the company and acquiring a knowledge of the various duties of the soldier, while under arms or in uniform, will be subject to the by-laws, rules, regulations and discipline of the corps.

5.—“ On all holidays, celebrations, balls, dinners and other convivial meetings of the corps, *Honorary Members* not in uniform will be distinguished by a piece of scarlet ribbon, tied in the button hole, on the left breast.

6.—“ No person can be placed on the list of *Honorary Members*, without the approval of the Commanding Officer.”

MILITIA GENERAL ORDER.

His Excellency the Commander in Chief cannot leave Canada without addressing a few words to the officers and men of the Militia which he has had for nearly seven years the honor to command, more especially to that portion of such Militia organized as the Active Force.

The Volunteer Force has been formed since His Excellency assumed the Government of this Colony, and he now desires to thank the officers and men composing that force for the readiness with which they have listened to advice and suggestions on his part, for the zeal which they have shewn in the service generally, and for the energy with which they have turned out to aid the Civil Power or to shew honor to the Governor General himself or to more distinguished strangers.

His Excellency confidently believes that the whole Militia of Canada, Sedentary and Active, will be ready at all times to defend their Homes and support the Crown of England as their Fathers have done before them—but he would exhort them not to slacken in their exertions—perseverance in their Drill and practice with their Rifles will make Canadians as fit and able to protect their Country as any Soldiers in the world, and the strength of the British Empire will, in case of emergency, be exerted with two-fold energy and two-fold heartiness in support of a people thus qualified to fight in their own cause.

In saying this His Excellency earnestly trusts that no war will touch the frontiers of Canada, and that peace and good will towards those with whom we have no cause for quarrel, will continue to bless our borders as they have done for many years—With this prayer he bids the Militia of Canada heartily farewell.

By Command of His Excellency the Right Honorable the
Governor General and Commander in Chief.

MILITIA GENERAL ORDER, No. 2.

His Excellency the Commander in Chief has had under his consideration the obvious disadvantages which must exist in the event of any Militia corps being dressed in uniforms different from any of those worn by Her Majesty's regular Troops with whom they may be required to act.

His Excellency therefore has ordered the re-publication of the Circular Letter from the office of the Adjutant General of Militia, of the 19th May, 1860, by which the uniform of the Active Militia Force is prescribed, in accordance with the Militia Law; and His Excellency strongly urges the attention of Officers in command of corps of the Active Force to the necessity of a strict compliance with such General Order; and in respect to such corps as may have provided themselves with Undress Uniform of Grey Cloth, His Excellency urges that the Regulation Uniform should be procured by them so soon as their circumstances will permit.

ADJUTANT GENERAL'S OFFICE,

Quebec, 19th May, 1860,

"SIR,—In accordance with section 31 of the Consolidated Militia Laws, His Excellency the Commander in Chief has been pleased to prescribe the following pattern for all clothing to be furnished in future by the Volunteer Force of the Province; viz—

Field Batteries and Foot Companies of Artillery.

"Blue Tunics and Trowsers, the same as the Royal Artillery.

Cavalry.

"Blue Tunics, single breasted, with Scarlet facings and white cord: } Officers to wear
"Blue Trowsers with white stripes down the legs: } Silver Lace.

Rifle Corps or Companies.

"Rifle Green Tunics, single breasted, with Scarlet facings and Black Cord Shoulder Strap; collar and cuffs lightly braided.

"Rifle Green Trowsers with two stripes of Black Braid on a scarlet stripe down the legs: the Highland Companies are recommended to wear Tunics, or Jackets, and Trews the same as those used in the regular service, the material and facings of the Tunic or Jacket to be in uniform with the other Rifle Corps.

"The Buttons of the Tunics of each Arm of the Force to be of the same description as those worn in the regular service, encircled with the words, "Volunteer Militia Canada."

Head Dress.

"His Excellency is pleased to leave the description of the future Head Dress to be decided by the Force themselves: but, with a view to uniformity at each Station, it must be so arranged that each Arm of the service will always appear on Parade with the same style of Head Dress—the Highland Companies however will continue to wear such Head Dress as may be considered most suitable to themselves.

"In thus prescribing a Uniform for the Force His Excellency earnestly desires to impress upon the Commanding Officers and all others concerned the expediency of keeping the expense of the uniform of the Volunteer Corps as low as possible—His Excellency is satisfied that the most simple uniform will be the most serviceable, and that the several Corps will be maintained in a more efficient state by diminishing the cost of the Soldier's outfit."

MILITIA GENERAL ORDER, No. 4.

With reference to the General Order, Number 2, of the 22nd March, 1861, His Excellency the Commander in Chief is pleased to direct that the revised "Field Exercise and Evolutions of Infantry" approved of by the General Order, dated Horse Guards, January, 1862, be adopted by the Active Force and the Militia of Canada, and all Infantry Drill Instructors of the Militia will be governed accordingly.

No. 5.

His Excellency the Governor General and Commander in Chief having obtained from His Excellency the Lieutenant General Commanding Her Majesty's Forces, the services of the non-commissioned officers of Her Majesty's Service sent from England for the purpose of drill and instruction to the Militia, is pleased to place the same at the disposal of the Militia.

His Excellency desires to impress strongly on the Officers under whose orders Drill Instructors are or may be placed, that these Drill Instructors are furnished free of expense to those whom they instruct; and that such Officers are to endeavour, as far as possible, to make the services of such Instructors available not only for the Corps of the Active Force already in existence, but also for such others as may be hereafter organized in their respective localities, and gazetted; and further, for instruction to such of the Sedentary Militia or Drill Associations within their neighbourhood as may desire to procure military instruction. It will be therefore incumbent on the Officers, under whose orders the Drill Instructors are so placed, to make such arrangements as that the convenience of the several Corps or Drill Associations shall be consulted, at the same time with the economy of transport of the Instructors from one place to another, and the making of their services the most available.

The Commander in Chief is also pleased to call the attention of the Militia to the fact that the Drill Instructors being only temporarily resident in the Province for the special service assigned to them, it is especially incumbent on officers and non-commissioned officers, both of the Active and Sedentary Militia, to acquire such a knowledge of and proficiency in their drill and military duties, as will enable them on the departure of the Drill Instructors to impart, from time to time, the knowledge thus acquired to those who may be under their command.

All Corps and Companies of "Infantry" will, however, be instructed in the Manual and Platoon Exercises, prescribed for the long English Rifle in the said "Field Exercise," the same as in the Queen's service.

MILITIA GENERAL ORDER.

PRESIDENT :

Lt.-Col. Thos. Wily,
Canadian Militia.

MEMBERS :

Major H. Bernard,
Com. Civil Ser. Rifles.

Major E. Panet,
9th Bt. Vol. M. Rifles.

His Excellency the Commander in Chief having ordered a Court of Inquiry, composed of the Officers named in the Margin, to assemble at Quebec, to examine into, and report upon a complaint made by the Brigade Major of the Seventh Military District of Lower Canada, against the Second Company, (Captain Knight's,) of the Eighth Battalion or Stadacona Militia Rifles, Quebec, is hereby pleased to approve of the "Finding" of the said Court, to the following effect, viz :

" The Court having duly considered the evidence brought forward in support of the prosecution, as well as what has been adduced in mitigation by Dr. Wolff, on the part of the Second Company, Eighth Battalion Volunteer Militia Rifles, are of opinion that the Company in not accepting the Officer, who was sent by Major Campbell to command them, was guilty of an act of disobedience, which was a breach of good order, and highly subversive of military discipline. Whilst the Court are of opinion, that nothing can justify the commission of such an act of insubordination, they consider that the Company may have possibly thus behaved, in some measure, from ignorance and inexperience, and from a mistaken belief that the Company, although now one of a Battalion, had its own Officers, by whom alone it should be commanded. The Court also desire to express their regret, that the Company was left, by the absence of two Officers in England, and one from sickness, to the very ano-

"malous position of being commanded by the Surgeon. The Court further entertain the opinion, that disobedience of orders, should be dealt with, rather under the provisions of the Militia Law for the time being, instead of resort, as in this case, being had to an extreme measure, the propriety of, or indeed the authority for which, is very doubtful.

"With regard to the charge brought against Major Campbell of having refused to obey the orders of Colonel Sewell, the Commandant, this has not been proven in evidence, and he is therefore exonerated therefrom. But the Court cannot here avoid remarking that the use by that Officer, to his superior, of the expression, 'Colonel Sewell, I command here and will admit of no interference' shewed an absence of the true appreciation of their respective military positions. Implicit and ready obedience, at all times, and under any circumstances, to all lawful orders, on the part of Officers and Men of the Volunteer Force, is a duty of the first importance, and is the foundation on which their character as a military organisation must be built."

The Commander in Chief agrees with the opinion of the Court of Inquiry, that the conduct of Number Two Company, Eighth Battalion, on the evening of March Third, was of a nature entirely subversive of the principle of implicit obedience to the command of a superior, the observance of which is essential to the efficiency of all military organisations, whether the men composing the force be civilians or regular soldiers.

Volunteers must never forget that if their services are to be of any practical use to their country, they are bound equally with professional soldiers to make, when on duty, a complete surrender of their individual freedom of action.

Unless this sacrifice is thoroughly and cordially made, mere technical drill is worthless, and discipline, for any useful purpose, cannot with truth be said to exist.

The Commander in Chief regrets very much that the men of so fine a Company as Number Two, Eighth Battalion, should have been betrayed into conduct reflecting so much discredit upon themselves, and exhibiting such forgetfulness of the fundamental principle of military discipline.

Under all the circumstances however the Commander in Chief is satisfied to accept the apology offered before the Court of Inquiry on the part of the Company, namely, that the men acted in ignorance and without a premeditated intention of insubordination.

The Commander in Chief however would fail in his duty towards the Force if he did not warn the Company that any—the slightest recurrence of such unsoldierlike conduct—will be visited with severe punishment.

The conduct of Major Campbell, in addressing to his superior Officer the words which he himself admits he used, was reprehensible, and Major Campbell must be admonished to be in future more careful in his language when speaking to his superiors.

The Commander in Chief concurs with the opinion of the Court of Inquiry, that an error in judgment was committed in giving to the men of the Company an order to lay down their arms, &c, and instead of putting in force against the disobedient the provisions of the Militia Law.

MILITIA GENERAL ORDER, No. 1.

ACTIVE FORCE.

The following General Order No. 2 of the 10th January, 1862, respecting Great Coats, is re-published for the information and strict guidance of Officers Commanding Corps of the Volunteer Force and all others concerned, viz :

"The Commander in Chief desires to impress upon Officers commanding Corps of the Active Force, that the Great Coats now being issued to the Force are public property, and should, in all cases, be treated in exactly the same manner, as regards use and custody, with the Arms and Accoutrements of the Men. They should be kept in the building appointed for keeping the Arms, and should not, on any pretence, be worn, except when the Men are engaged in Drill or on duty. Commanding Officers will be held personally responsible for the enforcement of this Order."

His Excellency desires at the same time to acquaint the Officers of the Volunteer Force, that if any of them desire to wear the Great Coats issued to the Volunteers, they will be permitted specially to do so upon paying their value, at the rate of four dollars per Coat, into the Bank of Upper Canada, to the credit of the Receiver General, forwarding the "Deposit Receipt" therefor to this Department, through their Brigade Major,---but it will be necessary in all cases to receive previous authority for such issues from Head Quarters.
