THE CHEAPEST AND BEST.

THE DAILY WITNESS, price \$3 a year, postage included, contains all the news of the day at the earliest possible moment. In addition, its fourth page is devoted to religious and family matters, making the paper loved by every one in the household, it having a column for each, the young and easily interested, the middle-aged and busy, and the old and grave. Circulation about 12,500.

THE TRI-WEEKLY WITNESS, price \$2 per year, postage included, contains all the matter of the "Daily," except the Montreal Local News and the advertisements. It is the Ministers' and School-teachers' favorite, and is largely taken by them. Circulation 3,000.

THE WEEKLY WITNESS, price \$1.10, including postage, is the paper for the Country Districts. Last year its circulation increased over 50 per cent, it now being 26,000. This was mostly done by gratuitous efforts on behalf of its friends. No one need be without the news while this paper may be obtained for \$1.10. It is a marvel of cheapness.

THE NEW DOMINION MONTHLY, price \$1.50, postage included, is a ninety-six paged octavo Magazine, printed with new type on good paper, and contains everything to make it valued in the home and family. Its object is the encouragement of a Canadian literature, and the spread of good reading wherever it goes. In it ladies will find many departments giving them much such information as they constantly need. According to the almost unanimous "opinion of the press," its Household Departments are invaluable. The Canadian press is unanimous in its approval of this the oldest Canadian Magazine. Amongst the principal features of Volume XX, beginning in January, 1877, is a tale, "My Young Master," of great interest.

THE NORTHERN MESSENGER is a Semi-Monthly Journal devoted to Agriculture, Temperance, Science and Education, and the Sunday School Work. Its price is but 30 cents a year, including postage, and its success can readily be inferred from the fact that in a little over a year its circulation rose from 22,000 to 50,000 copies, which is being rapidly increased. It is one of the cheapest papers in the world.

L'AURORE. This is a French Protestant paper, which is conducted with the usual vigor, and on the same principles as the Witness publications. These desiring to perfect their knowledge of French, might be greatly assisted by reading this paper regularly. Issued weekly.

ADVICE TO ADVERTISERS.

The Witness publications offer the best advertising medium in Canada. The "Daily" is circulated in Montreal and amongst business men in the principal cities and towns in the Dominion; the "Tri-Weekly" finds its way to a very great number of ministers and teachers; the "Weekly" is taken in the country districts from one end of the Dominion to the other; the "New Dominion Monthly" is preserved in several thousand families; "L'Aurore" circulates extensively amongst French-Canadians; while the "Messenger," with its 50,000 of a circulation, which is rapidly increasing, reaches thousands of families where no other publication of any kind is taken.

SAMPLE COPIES of any of the above-mentioned publications are sent free on application.

AGENTS are wanted everywhere, and fair commissions given for obtaining subscriptions.

THE COLLEGE is established for imparting SCIENTIFIC MILITARY KNOWLEDGE, in a *four years* course.

Present limit of age, 15 to 20. Candidates must be eligible as to stature and physical qualification, fit for the Military Service

Examinations for admission of Candidates as Cadets will be held periodically at the Headquarters of the several Military Districts. The "subjects" of examination will be published from time to time in the *Official Gazette*. (There will be an Examination commencing 12th March, 1877.)

Application for admission must be sent to the Adjutant General, Ottawa, not less than one month before date of examination. The papers then to be forwarded are : a certified abstract from the Register of the candidates birth, or, in default, a declaration by one of his parents, or guardian, before a magistrate, giving his exact age ; and a certificate of good moral character signed by a clergyman in the locality in which he has resided, or by the head of the school or college at which he has received his education for at least the two preceding years.

Only British subjects who have resided, or whose parents have resided, in Canada for five years immediately preceding date of examination are eligible as Cadets.

No married Candidate is eligible, nor will a Cadet be permitted to remain in the College should he marry while there.

A payment, in advance, is required from Cadets previous to joining of \$200, and in every future year \$150 also in advance, to cover expenses of uniform, personal clothing, books and instruments, which must be obtained from the Government Stores, and will be issued at cost price. Barrack furniture, board, washing and attendance will be provided free of expense to the Cadet.

Travelling expenses at the rate of four cents a mile, for the number of miles beyond 500, necessarily travelled between the Headquarters of the Military District and the College, will be paid each Cadet at the time he is first admitted, and a similar allowance when he has satisfactorily passed his final examination at the College. There will be no allowance to those who reside within 500 miles.
