What Conservation Means to the Homemaker

"Henceforth we must seek national efficiency by a new and a better way—by the way of orderly development and use, coupled with the preservation of our national resources; by making the most of what we have for the benefit of all of us, instead of leaving the sources of material prosperity open to indiscriminate exploitation."—Ex-President Roosevelt at St. Paul, September, 1910.

MR. J. F. MACKAY

Business Manager, "The Globe"

Tuesday, May 9th

Medical Inspection of Schools

"Medical inspection of schools is a marked stride in advance in modern sanitation and education, for it not only means establishing and preserving the health of this, but of the coming generation."—Dr. Elliott Kent Herdman.
