|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------|
| No. 1.—General Statement shewing the Quantity of each Article transported on the Welland Canal during the year 1854, and the Amount of Revenue collected thereon.....                                                                                                                                                     | 2            |
| 2.—General Statement shewing the Quantity of each Article transported on the St. Lawrence Canals during the year 1854, and the Amount of Revenue collected thereon.....                                                                                                                                                   | 6            |
| 3.—General Statement shewing the Quantity of each Article transported on the Chambly Canal, during the year 1854, and the Amount of Revenue collected thereon.....                                                                                                                                                        | 10           |
| 4.—General Statement shewing the Quantity of each Article transported through the Burlington Bay Canal during the year 1854, and the Amount of Revenue collected thereon.....                                                                                                                                             | 14           |
| 5.—General Statement shewing the Quantity of each Article transported on the St. Ann's Lock Canal during the year 1854 and the Amount of Revenue collected thereon.....                                                                                                                                                   | 18           |
| 6.—Summary Statement of the Business of the Welland, St. Lawrence, Chambly, Burlington Bay Canals, St. Ours and St. Ann's Locks, shewing the total quantity of, and the Amount of Revenue derived from, each Species of Property passing through and on during the year 1854.....                                         | 22           |
| 7.—Statement shewing the Monthly Receipts of Tolls at the different Offices of the several Canals during the year 1854.....                                                                                                                                                                                               | 26           |
| 8.—A Return of the Business of the Welland, St. Lawrence, Chambly and Burlington Bay Canals, St. Ours and St. Ann's Locks, shewing the Total Revenue derived from each Class or Rate of Toll on each Canal, during the year 1854.....                                                                                     | 27           |
| 9.—Statement shewing the number of Vessels, their National Character and Tonnage, which passed through and on the Welland, St. Lawrence, Chambly and Burlington Bay Canals and St. Ann's Lock, during the year 1854, and the Amount of Revenue derived therefrom.....                                                     | 28           |
| 10.—Comparative Statement of the Number and Tonnage of Vessels and Goods passed through and on the undermentioned Canals for the years 1851, 1852, 1853 and 1854, distinguishing the up and down Trade.....                                                                                                               | 29           |
| 11.—Comparative Statement of the Total "Movement" of Property, Passengers and Vessels on the Welland, St. Lawrence, Chambly (including St. Ours Lock) and Burlington Bay Canals, and St. Ann's Lock, for the year 1854, and the three preceding years.....                                                                | 30           |
| 12.—Statement of the Number and Tonnage of all kinds of Vessels passing on and through the Provincial Canals in the year 1854, shewing the average burthen of the Vessels in six Classes ranging from under 50 Tons to 550 Tons.....                                                                                      | 31           |
| 13.—An Account of the Gross and Net Revenue derived from Canal Tolls for the year 1854, as compared with the five preceding years.....                                                                                                                                                                                    | <i>Ibid.</i> |
| 14.—Statement of Number and Tonnage of all kinds of Vessels employed in, and which performed the Carrying Trade of the Canadian Canals during the Season of Navigation in the year 1854, and a Table shewing the Number and average Tonnage in Six Classes, ranging from under 50 Tons each to 550 Tons.....              | 32           |
| 15.—Comparative Statement shewing the Quantities of each Article transported on the Provincial Canals during the years 1853 and 1854, and also the Amount of Toll paid thereon.....                                                                                                                                       | 34           |
| 16.—An Account of the Gross Revenue derived from Canal Tolls during the year 1854.....                                                                                                                                                                                                                                    | 36           |
| 17.—An Account of the Gross and Net Revenue from all sources from the Provincial Canals of Canada, for the year 1854.....                                                                                                                                                                                                 | <i>Ibid.</i> |
| 18.—General Statement of Imports, being a Detailed Account of the principal Articles of British and Foreign Merchandise entered for Consumption in Canada, during the year ending 5th January, 1855, shewing the Quantity and Value of each Article imported at each Port, and indicating from what Country imported..... | 38           |
