12½ p. cent.

*To His Excellency the Right Honorable CHARLES STANLEY,
Viscount MONCK, Governor General of British
North America, &c., &c., &c.*

MAY IT PLEASE YOUR EXCELLENCY,

The undersigned has the honor to present to Your Excellency the Tables of the Trade and Navigation of the Province, for the year 1863, together with the Report of the Commissioner of Customs and Excise thereon.

All which is respectfully submitted.

L. H. HOLTON,
Minister of Finance

Quebec, 28th March, 1864

FINANCE DEPARTMENT, CUSTOMS, MARCH 28th, 1864.

To the Hon. L. H. HOLTON, M.P.,
Minister of Finance.

SIR,—I beg leave to lay before you the Trade and Navigation Tables of the Province for the year 1863, compiled from the Returns transmitted to this Office by the Collectors of the various branches of the Revenue arising from Customs, Excise and Canal Tolls.

The whole importations for 1863 amount in value to \$45,964,493
Of which were imported—

From Great Britain.....	29,177,572
“ British Colonies.....	642,008
“ the United States.....	23,109,362
“ other Foreign Countries.....	2,034,651

The total amount of the importations, classed with reference to duties and exemptions, shows the following result, viz :—

Value of Dutiable Goods	\$22,938,270
Free Goods, other than Coin and Bullion...	18,373,936
Coin and Bullion.....	4,652,287

Compared with 1862, there has been a falling off in the importations, as follows :—
The decrease has been—

From Great Britain.....	\$ 1,001,740
“ the United States.....	2,063,795
	3,065,535

The increase—

From the British Colonies.....	\$ 63,588
“ Foreign Countries other than U. S....	360,807
	429,395

Showing an aggregate decrease of.....\$ 2,636,140

The Collections, however, owing to the increased duties on Tea, Coffee, Sugar and Molasses, imposed in June 1862, compare more favorably with the past year, the revenue from Customs for 1862 having been \$4,652,748, against \$5,169,173 for 1863, or an increase of \$516,425.

The Exports of the Province are shown to have amounted in 1863, to \$41,831,532, an increase of upwards of \$8,000,000 over 1862. This large increase is chiefly referrible to the exports of Timber and Lumber, that item alone, under the head of Produce of the Forest, having exceeded by more than \$1,000,000 the exports of the preceding year.

It is also worthy of note, as indicative of the prosperity of one important branch of the industry of the Province, that, whilst the value of ships built and exported at Quebec in 1862 amounted to only \$988,428, it rose in 1863 to \$2,287,901, shewing an increase in the latter over the former year of \$1,299,473, or rather more than 131 per cent.

The Returns of Distillation and Brewing show a decrease in the Manufacture both of Spirits and Malt liquors, viz

Spirits distilled in 1862.....	3,875,073	Galls.
“ “ 1863.....	3,661,668	“
Less in 1863.....	153,405	“
Malt Liquors in 1862.....	5,920,296	Galls.
“ “ 1863.....	5,566,623	“
Less in 1863.....	353,673	“

The decrease in the distillation of Spirits may be accounted for by the fact that thirty-two Distilleries were partially or wholly closed during the year, whilst the falling off in the manufacture of Malt Liquors may, to some extent, be explained by the suspended operations of 27 Breweries in Upper Canada, in which section of the Province the decrease is shown by the Returns to have been 437,023 Galls., the increase in Lower Canada being 83,350 Galls.

The average yield of Spirits per bushel of grain, as returned by the Collectors of Inland Revenue shows some improvement this year upon the product of last year, viz :

In 1862 yield per Bushel.....	2 $\frac{1}{12}$	Galls.
“ 1863 “ “	2 $\frac{1}{2}$	“

With regard to the trade of the Provincial Canals a glance at the two comparative Statements Nos. 11 and 12 will show that there has been some falling off in the movement of goods on the Welland and St. Lawrence Canals in 1863 as compared with 1862, the decrease on the Welland being 8.26%, and on the St. Lawrence 7.19% :—compared however, with 1860, the increase on the Welland has been 20.73% and on the St. Lawrence 22.19%. On the Chambly Canal, the increase in 1863 over 1862 was 37.45% and over 1860 16.67%.

The average decrease of the movement of property on the six canals in 1863 compared with 1862, is a fraction less than 2%, but when compared with 1860 the six Canals show an aggregate increased traffic of 18.13%.

The Tolls, wholly abrogated in May, 1860, on the St. Lawrence, Burlington Bay and Ottawa Canals, were re-imposed on the 13th April 1863.

The gross collections from Tolls on all the Provincial Canals in 1863, amounted to \$385,220.21 ; in 1862, to \$213,487.41, representing the Tolls collected on the Welland and Chambly Canals only, the other Canals being free.

All which is humbly submitted.

R. S. M. BOUCHETTE,
Commissioner of Customs and Excise.

No. 1.

GENERAL STATEMENT OF IMPORTS,

BEING A DETAILED ACCOUNT OF THE

PRINCIPAL ARTICLES

OF

BRITISH AND FOREIGN MERCHANDISE,

ENTERED FOR CONSUMPTION IN CANADA

During the year ending 31st of December 1863 ; shewing the Quantity and Value of each Article, and indicating from what Country imported.

| Totals.....           | 17     | 2,590 | 141   | 64,619 | 158    | 67,209 | 28          | 3,829 | 194   | 60,294 | 222    | 64,123 |

\* Note.—In the Quebec Return for 1862, a Clerical error occurred: 68 Vessels were built in that year, instead of 62, as then shewn; making a difference of 6 Vessels—5,225 tons—short returned at that Port.

R. S. M. BOUCHETTE,  
Commissioner of Customs.

NOTE.—Return No. 35 shows an apparent difference, in excess, of 29,663 gallons of Spirits as compared with the quantity returned above, viz: 3,632,039 gallons upon which Excise Duty has been collected; this difference arises from the fact that some of the Collectors of Inland Revenue did not account for the full amount of their Excise Collections upon Spirits, until after the Public Accounts had been closed for the Fiscal year.

R. S. M. BOUCHETTE,  
*Commissioner of Customs and Excise.*
