S. L. TILLEY, MINISTER OF CUSTOMS.

Ottawa :
PRINTED BY HUNTER, ROSE & COMPANY.
1869.

To His Excellency the Honorable SIR JOHN YOUNG, K.G.C., G.C.

M.G., Governor General of Canada, &c., &c., &c.

MAY IT PLEASE YOUR EXCELLENCY :

The undersigned has the honor to present to Your Excellency the Tables of the TRADE AND NAVIGATION of the Dominion of Canada, for the Fiscal Year ending 30th June, 1868, as prepared from Official Returns, and laid before him by the Commissioner of Customs.

All which is respectfully submitted.

S. L. TILLEY,
Minister of Customs.

OTTAWA, 20th August, 1868.

To the Hon. S. L. TILLEY, C.B.,
Minister of Customs,
&c., &c., &c.

SIR,

In laying before you the Tables of the Trade and Navigation of the Dominion, for the First Fiscal Year of the Confederation, that is to say, for the Year ending on the 30th June, 1868, I would beg leave to state in explanation of the late date at which these Tables are brought, in their present extended form, under your consideration, that the delay has been the unavoidable result of the different systems both in theory and practice followed in the several Provinces, in reference to the management of Customs matters and the preparation of Returns.—The assimilation of these systems, the adaptation of forms to suit the altered circumstances of the Country in reference to its departmental administration, and the delays necessarily created in communicating with Ports so remote from the Seat of Government as are those in New Brunswick and Nova Scotia, have rendered it impossible, notwithstanding the greatest zeal and diligence on the part of the Statistical Clerks of the Department, to prepare the volume now laid before you, earlier.

Indeed as it is I would bespeak for this first compilation of the Commercial Statistics of Canada in its confederate form, some indulgence for any deficiencies or imperfections that may be found either in their general arrangement or details, the latter being possibly in some instances redundant whilst a careful revision of the subject next year may suggest some improvement in the arrangement of the Tables.

It is nevertheless believed that the present volume will be found to contain a mass of valuable information in regard to the Trade and Shipping of the Dominion, and I would merely beg leave in conclusion respectfully to call your attention to Tables Nos. 36 and 37, by which it will be seen that the Trade of the Dominion, in Imports and Exports combined, exceeds \$130,000,000,—which Trade employs about 12,900,000 Tons of British and Foreign Shipping.

All of which is respectfully submitted.

R. S. M. BOUCHETTE,
Commissioner of Customs.
